# SATAN'S DRUMMERS:

## Child Porn And Blackmail Among U.S. Elite & Gov't

Back several weeks, in the 12/7/93 issue of *CONTACT*, Commander Hatonn introduced "Project Monarch" as a particularly old and sordid standout among our Government's secret Black Budget (that is "blacked-out" or hidden on the viewable Congressional budget sheets) operations. Among other, almost unbelievable things that the **mind-control** machinery of Project Monarch has to do with is, for instance, the kidnapping and murder of children by **mentally-programmed beings**.

That Project Monarch discussion in *CONTACT* was precipitated by the recent (at that time) abduction and murder of little Polly Klaas in Petaluma, CA. As Commander Hatonn stated at the time, "You are letting the Devil, himself, **reprogram** your entire existence." And about the top-secret Project Monarch itself, he said, "This program has been ongoing for **FOUR DECADES**, readers, so don't think this is new and terroristic. It is **OLD AND**

**TERRORISTIC!**"

Moreover, Commander most emphatically cautioned: "You will also find that you **MUST** go back and relate the information, about the child pornography rings of international proportion, to this material. Kiddies, you have to grow up now—and realize that you are in the most terrible time of the ending of society as you have ever, in history, known it to be. I ask you to **BRING GOD WITHIN AS YOU READ THIS.**"

Well, a no more appropriate "wake-up call" was ever given to us and since that utterly shocking 12/7/93 outlay on Project Monarch, *CONTACT* has presented several updates expanding the spider webs associated with this horrid activity.

The first of these updates occurred in the 12/21/93 *CONTACT*, in separate but related discussions by Ray Renick (looking at the connections from the West Coast's San Luis Obispo, CA den of crooks-in-

high-places) and by ousted lawyer Jim Vassilos (filling in the action from the Chicago hotbed of Satanic activity).

Then, the next real bomb of shocking information from Renick and Vassilos appeared in last week's *CONTACT*--with the web now expanding to link three major money-child pornography-drug operations under the more current buzz words of the "Franklin-Zapata-Inslaw" connection. Geez, these major webs of intrigue sure do tangle together quickly and completely!

Now we come to this week's even-more-shocking outlay by Renick and Vassilos, starting on page 2. Once again, Ray and Jim do not hesitate to name names and connect the otherwise hidden aspects of this degenerate affair.

However, to help you come to your own informed opinion about just what is **THE TRUTH** of these incredibly diabolical ac-

### More From Renick & Vassilos

The following is a direct transcription of a telephone conference call between Jim Vassilos from Chicago, Ray Renick, incarcerated in San Luis Obispo, California, and Rick Martin for CONTACT on 1/11/93.

Whether or not to run a story such as you are about to read is not a decision which CONTACT arrives at lightly. It is our responsibility to present information which comes into our attention in a timely fashion. We do not want to appear to be something that we are not: investigative journalism requires countless hours of research, phone calls, back-up documentation and, generally speaking, a budget. Any one of the stories we present in any given week could become a full-time job from the research aspect. Simply put, we don't have the time, staff, funds and, in many cases, access to independently confirm certain aspects of what we are presenting.

We always ask that our readers be discerning and fit the pieces to the puzzle through your own investigative efforts. Our paper is, you'll remember from the masthead, "news review". We would, additionally, expect the various intelligence and law enforcement agencies to do their jobs when information being presented is related to criminal activity. We are NOT the judge and jury! We are in the information sharing business, and we do that to the very best of our ability. Let the judicial system, corrupt as it is, and hopefully with the aid of a jury, handle the dispensing of judgements.

--Dr. Edwin M. Young, Editor-In-Chief

Ray: Now, you remember Gary Wean's book that you talked about, *THERE'S A FISH IN THE COURTHOUSE*; in it he talks about the theft of automatic weapons and machine guns from National Guard Armories all across the country and especially in California in the 50s and 60s. Do you remember that?

Rick: Sure do.

Ray: And there were several people associated with that. Gary Wean talks about Menachem Begin, the Israeli terrorist.

Rick: Yes.

Ray: And the gangster, Mickey Cohen, out of L.A. A man named Abraham Davidian. Remember that name? Sound familiar?

Rick: Yes, these are all repeats. Yes.

Ray: Ok, now, those weapons that were

flown from the armory all went to Israel for the War of Independence, the Yom Kippur War, the Six Day War, do you remember the wars they had there?

Rick: Yes.

Ray: Alright. Now, I was wondering how so many of these machine guns got to Waco. Well, what happened is, after the wars of independence, when Israel started replacing their weapons with modern weapons, all these machine guns came back to the United States. They came back to Paso Robles, California, back to William Clark and Ronald Reagan and Reinhart Gehlen. Now, a factory was set-up in Paso Robles, now this was in the news. Several people went to jail on account of this. It's not hear-say.

Rick: Do you have a year?

Ray: No, I don't. Five or six years ago, four or five years ago. I'm not sure. Ok, now, one of the people that helped set up this factory was a friend of Ronald Reagan's from L.A. named Weatherby. Now, Weatherby had a gun factory where he made custom hunting rifles. Do you remember that? Have you heard of Weatherby?

Rick: I have heard of Weatherby.

Ray: Ok, now, hundreds, maybe thousands, I don't know how many machine guns were involved in this but they were reconditioned in Paso Robles in a heavy barn-type factory. Now, I don't know. This would be in the 80s, probably, around the time of the big investigation of Inslaw, down in the Cabazon Reservation, and soon. Ok, now, I have heard four or five places where those machine guns were dispersed to after they left Paso Robles. One of them, of course, would be Waco, Texas, to the Branch Davidians. Now, you remember, there was a stash of automatic weapons in Waco. Ok, another place would be Riverside (County, California) to the Cabazon Indian Reservation. And there are eye-witnesses to the automatic weapons and machine-gun demonstration at the Cabazon Reservation—one would be Dennis Dayle.

Rick: Well, Ray, we're running a story from our last conversation in which Jim put out an all-points, so to speak, to readers for information about how to reach him.

Ray: You remember Jim sent out subpoenas, and one went to the DEA looking for Dennis Dayle and they "never heard of

him". They said he never existing. I was on a teleconference with Dennis Dayle two years ago...

Jim: Yes, put this on the transcript. I have, in writing, where the DEA wrote "no such person" to one of their own top officials, Dennis Dayle.

Ray: Another person that was at the Cabazon Indian Reservation and witnessed these automatic weapons was James Mills, author of *THE UNDERGROUND EMPIRE*, in which he goes into this whole spiel. He spent five years with the Central Tactical Unit writing that book. Of course, there's a third person connected with the Cabazon Indian Reservation who we won't mention right here. Of course, Riverside Cabazon Indian Reservation Inslaw case is connected to Danny Casolaro, is connected to Barry Goldwater, is connected to San Luis Obispo County with Operation Zapata.

Jim: Let me interject that Danny, at one point, was going to name his book *INDIO*, for Indio, California, Riverside County, Cabazon Reservation.

Ray: Now, another place that these machine guns were seen, by eye witnesses that I know personally, was on the Nipomo Mesa where the drug labs were at the junk yards which were owned by, the property was owned by, County Supervisor Ruth Brackett. And that whole area, between Pomeroy road and the junk yard is called the *devil's playground* because of the vast number of satanic cults and ritual murders that take place there. Now, of course, Pomeroy, the prosecutor for the District Attorney's office, is very prominent, his name is very prominent in this area and at the time of the Dennis Dayle investigation, Christopher Money was the District Attorney. Now he is a Judge. He was supposed to hear my case next week but we got him replaced. Some other people that were involved with this area are Mark Wolpert, who is a relative of Judge Harry Wolpert; Robin Baggett, a man named Richard Howell, another man named Harlan Ridenouhr—he was representing the motorcycle gangs. Now, these weapons...

Jim: What about Leam? I forget his last name.

Ray: Oh yeah, that's another one.

Jim: The point is, he represented the Mossad.

Ray: Ok, these machine guns all went south via the motorcycle gangs in Long Beach. And there is a Deukmejian connec-

tion in here also. And they also went to Mexico through the Cecilia-Falcone organization and this stuff all came back to California in the form of heroin. Now, you member that, a couple of weeks ago you had an article in the *CONTACT* about Project Monarch. You had another article about Cathy O'Brian.

Rick: Right.

Ray: Who was mixed up in an episode with Ronald Reagan, President De La Madrid of Mexico and Vice President Salinas. There is another Mexican involved in this and he lived next-door to my sister in Burbank, and his name was Octavio Elias. And he was the partner with Robert Morre who owned a large spread at Avila Beach.

Rick: A large what?

Ray: Large acreage where they ran cattle at Avila Beach. Now, on your July 6 issue of *CONTACT* you have a transcript of me talking with Tom Valentine of Radio Free America. Tom Valentine grew up in Avila Beach and knows Robert Morre. Ok, Morre built San Luis Bay Estates and golf courses on drug money from the cattle that were coming up from Mexico with drugs in them. We walked through this before.

Rick: Yes.

Ray: Octavio Elias was a partner with Robert Morre and I knew him very well. I used to work on some of his vehicles and when he came up to visit Morre he would stop at my place in Los Osos. And he personally told me he was a partner with Morre. So, I'm sure, there were some of the machine guns connected into this Zapata cattle operation out of Mexico. I believe, and I've said this to Rick before Jim mentioned it, but I thought that his ranch was in Durango, Mexico.

Rick: Who's ranch?

Ray: Octavio Elias. Now, Elias is a relative of a Mexican president. I think his grandfather was president. And he also was connected with De La Madrid and Salinas. I've known people, personally, that drove the trucks that haul the cattle from Mexico. I know people, personally, that were cutting out the cattle that were specially marked to go to Zapata Farms meatpacking plant. Some of this was done on the Jack Ranch in Paso Robles. The Jack Ranch, I think, is owned by or run by Willam Clark. Ronald Reagan was seen there playing cowboy and helping cut the cattle out by at least four people. I could name these people but I won't right now for their own safety. This part of the Elias thing is speculation. Everything else is eye-witness. I've got so much information on it that it's very accurate, I believe.

There was one other commodity that was involved here besides the machine guns and the heroin and cocaine, and that was babies. And with that I'll turn it over to Jim to get the Chicago connection here.

Jim: Durango is well known in the Chicago area as the starting point for what is know as the Herrera Family. And the Herrera Family push Mexican "mud" into Chicago. Mexican mud is Mexican brown heroin. Now, the Mexican mud, which is the brown heroin, would come up on what

was called El Tacco's pipeline into the southwest suburbs. In fact, on 159th street in Chicago, it's called the Dan Ryan Expressway, there is a truckstop there that could probably hold 500 trucks. I mean, it's just acres and acres of trucks and, back there apparently, they would switch the loads. But in any event, it was called Tacco's pipeline and that pipeline would bring up the Mexican mud and the babies for human sacrifice. And the Durango connection, apparently, from what Ray's investigation has turned up, was like the nexus or the hinge or the V. In other words, material would go down from California on one leg of the V, and up the other leg would come stuff into Chicago, because there is a cross-over between the people in Chicago and the people in California—from the Mossad, the Italian Mafia, and the Bush gang, and the satanists. There's a cross-over with the satanists, human sacrificers too because the Mossad is covering it up in both places. Also, there are Chicago policemen who are, of course, they cover up the Tacco pipeline, which brings up the Herrera mud and the babies and one of the cover-up policemen is an enforcer who, if anybody gets involved in the satanism or the Herrera, he is the one sent out to back them off the case. His name is Gerardo Garcia, also known as Jerry Garcia, he's in the headquarters at 1121 S. State. He's in the Special Investigations division, special investigations section, directly of the Office of the Superintendent.

Rick: Of the police department?

Jim: Superintendent of the police department of Chicago, Illinois, which is a very big job in Chicago. And he personally threatened me in downtown Chicago. He came up to me with his gun exposed and stuck his hand in my face and told me to stay out of certain situations involving the satanic baby murders. In addition to that, there is another police officer that they use in Chicago that protects the situation revolving around the *Finders* cult, also known as the Finders division. In a sense, it's the cross-over between the CIA and the FBI where they provide children for pedophilia and human sacrifice and they provide the children...

Rick: Who provides?

Jim: The FBI and the CIA.

Rick: Ok.

Jim: They have a building in Virginia...

Rick: I wanted to be sure I was hearing that right.

Jim: Yes. The FBI and the CIA and it's a cross-over and the person who was in charge of it at the CIA was Kippy Richardson. Kippy Richardson. And he, in the past, had an office directly in Langley (Virginia). He has now moved out. There have been over 300 separations from the CIA, I believe they're trying to distance themselves from these satanic/human sacrifice/pedophile killers. And Kippy now runs an independent operation in New York. Apparently the *Finders* division is, more or less, his division, to handle procuring of the children which they just grab

off the streets, basically. Any child in the United States is at risk. And Ken Lanning, at the FBI headquarters, who is known as the Profile Chief or the Psychological Psy-Op Chief, all of the reports from all over the country—anytime there's a police report it goes in on the national, the name escapes me now, but there's a report form where they report crimes and it goes on the FBI computer and if it involves satanism, the point is, Ken Lanning was at the control of the computers—he was the behavioral science chief, and his job was to identify the persons involved and when a name came up that was in satanism, he would send back on the computer—Do Not Investigate! He is one of the people that personally was involved in approximately 13 murders, probably many more, but 13 that we can name in the Franklin cover-up. Eleven in Nebraska, two in Illinois, and Ken Lanning and Nick O'Hara were personally involved in the perpetration and cover-up of many, if not all of those murders.

Rick: Who is Nick O'Hara?

Jim: Nick O'Hara was one of the Special Agents in charge that was just sacked... [This is prominent in the page-5 article.]

Rick: Ok...

Jim: ...the last week of December. He was transferred from Omaha, Nebraska to Minneapolis, Minnesota. In his short tenure in Minneapolis he was tied to another murder where someone was grabbed off the street, used as sex-slave, and when they were apprehended by the local police, Nick O'Hara shows up as the FBI man to take over the case and the key witness winds up dead with a bullet in his head, in Nick O'Hara's charge but there's no investigation. And that was within the last couple of months up in Minnesota. So, the point is, the *Finders* cult operates out of Virginia, I believe it is, they have a building there...

Rick: And this is still true?

Jim: Oh it's still true, January 1994. They also used Milwaukee as one of their transit sites, but they would seed children out of Chicago through the Illinois Sach Erectors Company in Elk Grove Village and the cover-up person for that is youth Detective Gregory Masonick star #15004, at the Grand Central Station, 5555 W. Grand Avenue in Chicago. He was the cover-up officer who threatened people whose children were known to be abused. In fact, we have a case where he beat and kicked the mother and the witness, two women, who had found their child with his ear partly torn off in an alley and he was called onto the scene. He beat and kicked the witnesses and charged them with the crime. And, all of that is identified that he is the enforcer for pedophiles here in Chicago in case #88CR6848. So, anyway, what they would do is thieve the children from Chicago into Milwaukee and then Milwaukee was the transit point for the *Finders*. They would come up from Florida, and their mid-west transit point was Milwaukee.

Rick: What was that case number again?

Jim: 88CR6848, a felony criminal case where the mother who found the child, laying in an alley, was herself beaten and kicked on the ground and she was charged with kidnapping her own child when she called the police and brought the child to the police station. And that was done by Gregory Masonick, the pedophile enforcer.

Rick: And he's still on the job? Still very much alive?

Jim: Oh, they're still on the job right now, that's correct. Jerry Garcia is still on the job waiting for a chance to get at me. And so is Gregory Masonick. Now, if it happens outside of Chicago, that's when they bring in Dave Carter, who is the Sheriff of Cook County, Sheriff/police/gunman and detective who threatens people and he is the one that they have recently assigned to me and he has already threatened one of our people here who I don't want to name so they don't shoot him.

The Herreras and El Tacco and the Mexican mud and the babies came up through Mexico. Now, one of the things that they did is, different areas use different types of heroin. Chicago is known as a Mexican mud town. They left what is called black tar, or tar heroin down in Texas and they would also send that into California and up the West Coast all the way to Washington. That's why the Durango thing is very important. In fact, there was a police officer here in Chicago who was so disgusted by the entire thing that it was officially covered up by the FBI and so on, that he went down to Mexico, I believe it was in Durango, and blew up the drug lab because he knew that's where the stuff was coming from. As far as I know, nobody was hurt. He came back to Chicago. He was later framed and imprisoned by Jim Thompson when he was the prosecutor, federal prosecutor, U.S. Attorney in Chicago.

Jim Thompson went on to be governor, went on to a very high intelligence post in the Bush Administration and one of the things that we want to make clear on this telephone call is that the Franklin cover-up, the Finders cult, Operation Zapata, and Inslaw are all related to George Herbert Walker Bush, personally. He is personally involved in each one of these situations. He and his family members, from his personal appointment of Jim Thompson, the U.S. Attorney, to falsely prosecute a policeman who was working to stop heroin distribution; to his personal involvement with the sales of Inslaw through close associates Donald Gregg, Dr. Earl Brian, and Ed Meese, and people like that, to his personal association with pedophilia in the Franklin cover-up case. He's identified by name, by affidavit, by eye-witnesses and the Franklin was one of the railroads that the Finders used and was part of the whole train that this whole CIA/FBI/cross-over Kippy Richardson operation used, for what they consider intelligence purposes. Frankly, I have some grave suspicions about the whole thing.

Rick: Now, where is the San Luis Obispo County (SLO) link?

Jim: SLO, the tar heroin, the black tar heroin and the satanism. Some of the babies were sent up to SLO County for sacrifice. What is that area, Ray?

Ray: By Pomeroy road there?

Jim: Yes.

Ray: Devil's playground.

Jim: Devil's playground. What they would do is, this links into Matamoros. Do you recall Matamoros?

Rick: Yes, I do.

Jim: Ted Gunderson, who we work with, predicted on the *Geraldo* show that there would be bodies found in what (they called) is called a *ritual sacrifice display or arrangement*. I believe it was 17 in a circle, laid out in various ways. There were multiple circles of 17 dead humans in each circle and Ted predicted that those would soon be found. And, in fact, they were found in Matamoros and the point is, they processed some of the heroin into tar heroin there in Matamoros. This is right across the border from Texas, then they leave some of it in Texas, which they then mail to various places in the United States. They don't bring it by pipeline, they actually mail it and, in fact, we have one eye-witness to it being mailed to the state of Washington. But in any event, in Matamoros because it's right over the border from Texas, they have "hooker houses", and when those girls have their babies, they take the babies from them and they put them in Nussbaum trucks, and also in PTL truckline, which is partially owned by Michael Aquino, and they distribute the babies around the

United States—just like delivering milk or bread. They drug them, they put them in cages and deliver them for sacrifice Saturday night.

Rick: On a slightly different matter, why do you suppose Janet Reno decided to reopen Franklin?

Jim: She was told to.

Rick: By people above her?

Jim: Yes.

Rick: And do you think anything will come of it?

Jim: I'm working on that now to try to see that that occurs. I don't have any faith or reason to believe it will be anything but a white-wash until I get some assurances from some very reliable people. However, hearing that it's even reopened is a step way ahead of the game.

Rick: Ok, I think I have my hands full, so far. Is there anything else you wanted to say?

Jim: No, that's it for me.

Rick: That's plenty.

Jim: Well, I sure thank you.

Rick: You're welcome. Rest assured, it'll get transcribed.

Jim: Thank God for that.

tivities—by our country's most elite and well known citizens, as well as by major parts of our Government—we are pleased (and grateful to have their permission) to present an excellent and detailed outlay on the Franklin case by *THE NEW FEDERALIST* (from their timely 12/13/93 issue), starting on page 5.

And then, on page 14, under the title of "Finders Investigation" is yet another tidbit—connections, connections, connections—from the 12/27/93-1/3/94 issue of *U.S. NEWS & WORLD REPORT*. If you feel a bit like you're tackling a Sherlock Holmes case after digesting all of these pieces of the puzzle, then we at *CONTACT* can certainly sympathize with you!

Lastly, for you long-time PHOENIX JOURNAL readers, I would like to point out that, back in the Fall of 1989—more than FOUR YEARS ago!—the JOURNAL called SATAN'S DRUMMERS: THE SECRET BEAT OF EVIL—SATAN IS ALIVE AND WELL was penned by Esu "Jesus" Sananda himself, through Dharma's keyboard. This was, by far, the most difficult JOURNAL for Dharma to write down and, to this day, remains the most difficult JOURNAL for anyone to read who is not aware of or involved in the rampant Satanism eating at this country (and planet) like a quiet cancer.

All the way back in that early JOURNAL (#9 in the series and presently out of stock from Phoenix Source Distributors, Inc.) are the confirmations and background for what is only NOW coming into more public

view. After all, there comes a point wherein expanding evil cannot contain itself entirely in the dark and starts to "leak out" where you can see it.

While the picture is certainly NOT a pretty one, the safety of you and, especially, YOUR CHILDREN, may well rest on just how well you care to be informed about this matter.

As Sananda warned in the Foreward to *SATAN'S DRUMMERS*, "I have efforted at laying forth this JOURNAL in a manner which will allow you to see of that which is. You must know of the origins and the progressions and, finally, you must realize that you are in the time of the reign of that energy recognized by your label, Satanic source.

"I have spared you naught. In the ending segment I have given you a scattering of locations within your United States—that you must realize of the prevalence. I have spared you from naught. I have given you, only briefly, cases which can be confirmed from hard copy of Earth format—from your presses.

**"Your babies are being stolen from you for heinous purposes beyond that which you can comprehend—so terrible is the horror. I ask that you read with intent to receive of the Truth of this JOURNAL for you are destined to experience the spread of this terror before you will be able to bring it under control."**

Enough said...a word to the wise is sufficient.

## Franklin Case Witnesses Implicate FBI and U.S. Elites in Child-Torture and Murder

by Anton Chaitkin

In a stunning reversal of the Franklin Credit Union case, a scandal which has dominated Nebraska's public life since 1988, a principal witness has admitted that the Federal Bureau of Investigation terrorized and forced him to lie for the protection of criminal perpetrators. Troy Boner's coerced testimony was used to discredit the case against powerful American political figures, and to falsely convict for perjury Alisha Owen, Boner's fellow victim of and complainant against sex crimes.

Attorney John DeCamp, whose 1992 book, *The Franklin Cover-Up*, detailed the official protection of crimes including drug trafficking and Satanic ritual murder, has now filed for a new trial for Miss Owen. Excerpts from Troy Boner's affidavit, and a timeline of the relevant events in the Franklin case, are printed below.

DeCamp is also pressing an explosive civil rights suit on behalf of Paul Bonacci, another victim-witness in the Franklin case. Bonacci has suffered almost unimaginable mental and physical tortures since early childhood. He has continued to give evidence, demonstrating the involvement of armed forces and intelligence community personnel—and political leaders including former President George Bush—in criminal acts of a truly terrifying character.

The existence of Troy Boner's sworn statement, and the application for a new trial for Alisha Owen, were covered in a small detail-poor article Oct. 30 in *The Omaha World-Herald*, a newspaper which is a central party in the Franklin case. Otherwise, aside from a Nov. 1 Omaha radio interview with Boner and his attorney DeCamp, the new evidence has been subjected to a tight press blackout.

### The 1988 Investigation

Federal authorities closed the Franklin Community Credit Union in Omaha in 1988 for investigation. A Nebraska Senate investigating committee found that over 100 children could testify to

an internationally operating child abuse crime ring, related to black Republican Party activist Larry King, Franklin's chief executive. The FBI, Nebraska officials, and news media attacked the legislative committee and its witnesses in an atmosphere of rising violence and intimidation. In the course of this terror, the committee's chief investigator, Gary Caradori, was killed when his airplane unexplainably disintegrated. Troy Boner's brother was found shot to death at Offut Air Force Base. Alisha Owen's brother was found hanged in jail.

In a separate Oct. 27, 1993 affidavit, Troy Boner's mother says "Troy had promised me right after Gary Caradori was killed that he was going to quit lying for the FBI and [attorney Mark] Delman. . . . He did go and see Senator Schmit. . . . Sometime after that, my son, Troy's brother, Shawn was killed . . . and I am quite certain was executed as a message to Troy that he had better stick with his lies at the upcoming Alisha Owen trial or else."

In his affidavit, Troy Boner says that after Caradori's death he spoke to Caradori's widow "Sandy and told her I had in fact lied to the Grand Jury and that what I told Gary Caradori was the truth and that I only lied out of fear that the FBI and others . . . would hurt me or my family."

In his Nov. 1, 1993 KKAR-radio interview, Troy Boner claimed that he had also met at that time with *Omaha World-Herald* reporter Gabriella Stern out of fear for his life. He had sought the reporter's protection so he could "do what was right" by Caradori, to whom he had told the truth. He said he had asked her to get the story out but not to use his name. He was then 23 years old.

A check of the *World-Herald* files in fact reveals a July 12, 1990 story by Robert Dorr and Gabriella Stern, headlined "Caradori's Airplane 'Broke Up in Flight.'" The article quotes from state Senator Loran Schmit saying the people who wanted to see Caradori dead "got their wish"; and that "Schmit told AP that Caradori recently had been trying to obtain pictures that

The article further on includes the following three paragraphs:

"A 23 year-old man—who last November gave Caradori a videotaped statement saying he had been sexually abused, but later recanted part of his account—said the investigator's death frightened him.

"He said Caradori had warned him that people involved in the Franklin investigation could be in danger. The 23-year-old man, who hasn't been publicly identified, said he fears someone might try to harm him.

"The 23-year-old, who said he had flown with Caradori several times during the investigation, said the investigator was meticulous about checking the plane before taking off."

Ms. Stern soon left *The Omaha World-Herald*.

Lincoln attorney and former state senator John DeCamp has filed suit in the United States court in Nebraska, on behalf of Paul Bonacci, the courageous survivor of nearly two decades of torture. The suit asks damages from

- the Catholic archdiocese of Omaha, relating inclusively to sex abuse at the Boys Town orphanage;

- Lawrence King, Peter Citron, Alan Baer, Harold Anderson, and Robert Wadman for sex crimes, slavery, beatings, and burnings;

- Omaha police officers for harassment in an attempt to prevent Bonacci from testifying;

- and the corrupt Douglas County Grand Jury, its foreman Michael Flanagan, and its special prosecutor Samuel Van Pelt (Flanagan and Van Pelt will be discussed below).

During raids on Peter Citron's home, police seized a large number of videotapes, on which were recorded the degraded criminal acts committed by many elite citizens against Paul Bonacci, Alisha Owen, Troy Boner and other children. These tapes were prized by the perpetrators as pornography—and had great value as well for

blackmail.

Paul Bonacci has filed an affidavit, detailing the individuals and the crimes on the tapes, and asking for release of the tapes to his attorney John DeCamp. Although former World-Herald society columnist Peter Citron has been classified as a "mentally disordered sex offender," Citron's attorney Lyle Koenig opposed the release of the tapes to the young man his client victimized, because of the likelihood of "injury to otherwise innocent people. . . There will be people in this State whose lives will be in a hopeless shambles as a result of these disclosures."

# What Is the FBI Protecting?

Since the 1992 publication of DeCamp's book, *The Franklin Cover-Up*, Paul Bonacci has filed new affidavits and has given extensive interviews to investigators including reporters for *Executive Intelligence Review* and *The New Federalist*. Bonacci's disclosures have been cross-gridded with evidence supplied by authorities in law enforcement, psychiatry and the intelligence community. The result goes a long way to explain the high stakes involved, and the frantic nature of the Franklin cover-up.

The tight little circle of Nebraska corporate and financial interests intertwined with the Franklin Credit Union defines the first level of

national power that is threatened with exposure in the case.

A clique of freemasons—the chief executives of Union Pacific Railroad, Con Agra, Peter Kiewit and Sons, Mutual of Omaha and the Omaha *World Herald*—served on Franklin's Advisory Board and conduited funds from their own firms and from the Boys Town orphanage into Franklin's accounts.

Union Pacific boss Michael Walsh, for example, was chairman of finance for Boys Town. The Union Pacific headquarters office in Omaha is reportedly completely gripped by homosexuality at the executive level.

Michael Flanagan, the foreman of the grand jury which indicted the sex-crime victims, was himself employed in the legal department of Union Pacific—a company deeply involved in the Franklin case. The Bonacci suit charges that Flanagan "violated his Grand Jury duties by sharing Grand Jury information with . . . lawyers and others he met with on a regular basis almost every day following Grand Jury proceedings at Union Pacific headquarters . . . receiving advice and guidance from them on how to proceed in the Grand Jury proceedings and providing them information on the supposedly secret Grand Jury proceedings themselves."

Flanagan had, not long prior to the grand jury sessions, himself been accused of homosexual pandering directed at a young Union Pacific employee, and the company on his behalf had reached a settlement to silence the complaining

young man.

Samuel Van Pelt, the special prosecutor who bullied and threatened the victim-witnesses, is a hereditary high freemason; his father, a senior Nebraska federal judge, for decades presided over the pagan-theme induction ceremonies for a "royal" level of Scottish Rite masonry. The Van Pelts' close associate Joseph Seacrest, owner of *The Lincoln Journal* and *Star*, was emeritus boss of Nebraska Scottish Rite masons and managed the Scottish Rite's nationwide charities dealing principally with managing thousands of American children.

In an Oct. 28, 1993 affidavit, Paul Bonacci states: "The real activity I and Alisha and on occasion Troy Boner . . . were engaged in was functioning as drug couriers and recruiters [of children] for Alan Baer and Larry King. . . [They] were . . . buying and selling large quantities of cocaine into the mid-west and using us as 'mules' (drug couriers) to obtain the goods from the various airports and get the drugs delivered back to Omaha. Other prominent and wealthy Omaha citizens were also involved in this.

" . . . [The sex activities we did and were paid so well for were just tools to blackmail or compromise or pay off some judge or businessman or policeman or politicians generally . . . here in Omaha or at Larry King's place in Washington or other places we went."

Now-imprisoned Franklin Credit Union manager Larry King became infamous as the host of child-sex parties held in the seats of power, such as at Republican national conventions. The DeCamp book placed King in the middle of "a national and international organized crime syndicate, engaged in pedophilia, pornography, satanism, drugs, and money-laundering." The use of these crimes to "blackmail or compromise or pay off" powerful men leads to extremely serious questions of national security.

Larry King's prime Nebraska sponsor and accused sex crime associate, former *World-Herald* publisher Harold Andersen, is currently chairman of the World Press Freedom Committee. Andersen's group is essentially a front for the Oliver North "Project Democracy" faction of the intelligence services, managing political power relations within Eastern Europe.

Meanwhile, Andersen and King's colleague Ronald Roskens, reportedly fired as University of Nebraska chancellor due to homosexual pedophilia, was placed in charge of sensitive Eastern European operations under President Bush. Roskens also oversaw the creation of new Scottish Rite Masons' lodges within Eastern Europe. He now leads an Omaha-based private organization consisting largely of former heads of governments. One presumes they are suitably well entertained in Omaha.

Harold Andersen's reported best friend in Washington, D.C. is Nebraskan Robert Keith Gray, a shadowy power broker at the Hill and Knowlton political management firm. Over many years, Gray and his associates in the intelligence community are said to have managed homosexual compromising operations to keep congressmen, judges, military officers, diplomats, and foreign leaders "in line."

The Franklin Credit Union is widely suspected of being among the savings institutions used for money-laundering by the CIA and others for

# Grand Jury Says Abuse Stories Were a 'Carefully Crafted Hoax'

### Three Indicted; Many Rumors Are Debunked

By Robert Dorz and Gabrielle Stern

A Douglas County grand jury Tuesday indicted the Franklin Community Credit Union chief and several other defendants in "carefully crafted hoaxes."

The grand jury report said the hoaxes were "concocted by a person or persons with considerable knowledge of the personal histories of Omaha."

While not specifically naming who believed the hoaxes, the report was critical of some state officials and others who were or suggested the credit union abuse accusations.

The grand jury said it must have been "concocted by a person or persons with considerable knowledge of the personal histories of Omaha."

Payment of this grant is scheduled to be made in June. I would appreciate receiving a status report on this project at the year's progress.

This grant is made upon the recommendation of officials of Union Pacific Railroad Company, which is an operating company of Union Pacific Corporation.

Sincerely,  
L. King

### Schmit Rejects Report, Defends His Committee

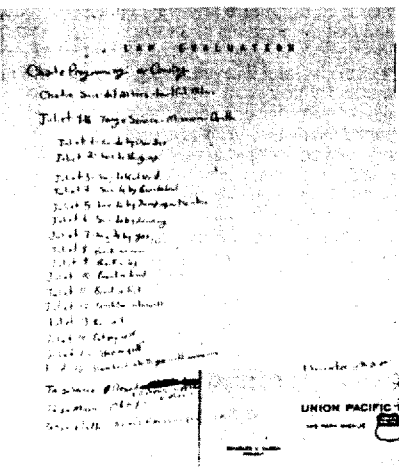

By Henry J. Condes

Laura Ann Schmit, spokeswoman for the Douglas County grand jury's members, said she would not accept the grand jury's report that she and other jurors had made false statements in a newspaper.

Schmit said she and other jurors were not involved in the grand jury's report that she and other jurors had made false statements in a newspaper.

Codes from the "Monarch" project that were drilled into Paul Bonacci.

Union Pacific channeled large sums into Larry King's nightmare enterprise. This memo announces an outright gift.

"Gary Caradori was killed when his airplane unexplainably disintegrated. Troy Boner's brother was found shot to death at Offut Air Force Base. Alisha Owen's brother was found hanged in jail."

Franklin Committee investigator Gary Caradori in his private plane. He and his eight-year-old son died when it disintegrated.

Iran-Contra adventures. This precisely defines where Omaha's Larry King showed up in Washington, D.C.—in the bizarre homosexual wing of the Republican Party, which managed financing and public relations for the Iran-Contra guns for drugs trading games.

Paul Bonacci has described in detail being dragged to Washington for use as a sex toy for Larry King's clients. Bonacci told investigators he was in one of the private White House tours for young male prostitutes conducted by lobbyist Craig Spence, a close political associate of Larry King in the cloak and dagger Contras enterprise. Spence turned up dead in a Boston hotel room in 1989, soon after his and King's "compromising" business was exposed in a *Washington Times* June 29, 1989 story, headlined: "Homosexual Prostitution Inquiry Ensnarers VIPs with Reagan, Bush."

## 'Monarch,' or, Auschwitz—Take 2

From very early childhood, Paul Bonacci was subjected to tortures as profound as any the Nazis inflicted on their captives. This is not merely a comparison; rather it is an actual continuation, as we shall see. From sexual degradation, from witnessing and forced participation in Satanic cult murders, Bonacci suffered the cracking of his mind into what is called "multiple personality disorder" (MPD). Tens of thousands of American children have been diagnosed MPDs; virtually all of them are thought to have resulted from sexual abuse, of which perhaps 85 percent were cases of Satanic ritual abuse.

Psychiatric professionals specified in Paul Bonacci's legal proceedings that through it all, Paul's different "personalities" have emerged incapable of lying, with an ultra-sharp memory.

In one instance detailed in *The Franklin Cover-Up*, Paul was taken by Larry King and others to a wooded area in California—identified after publication as the Bohemian Grove. There Paul and another boy were forced to do sex acts with and to consume parts of a child whom they had watched being murdered by the cultists. The body was to be disposed of by "the men with the hoods." A "snuff" pornography film was made of these events; it was directed by a man the party had picked up in Las Vegas whom Paul identified as "Hunter Thompson"—the same name as a well-known sleaze-culture figure.

Paul has told investigators that the ring which plunged him into Satanism was centered at Offutt U.S. Air Force Base near Omaha; that he was taken to Offutt to be sexually victimized by a babysitter's boyfriend when he was about three years old, around 1970. Offutt is the headquarters for the Strategic Air Command, and has had a cadre of literally thousands of intelligence personnel.

At Offutt, and later at other military installations, Paul says this ring "trained" him by tortures, heavy drugging, and sexual degradation, while instructing him in military arts including assassination. In fact, his personal knowledge in these realms can scarcely be accounted for other than by crediting the indictments he has made.

Larry King, FBI agent Gerry Wall, Alan Baer, Harold Andersen, and former Omaha Police Chief Robert Wadman have all been reported as

collaborators with this Satanic military-based ring. King reportedly told Paul's captors at Offutt, "He's young—but you trained him good." A member of Nebraska's Concerned Parents group reported hearing from two North Omaha witnesses that "King used to send limousines down to Offutt Air Base to pick up CIA agents for parties." Larry King reported his own adoring relationship to the late CIA Director William Casey in a Sept. 7, 1988 interview in the Omaha publication *Metropolitan*.

Psychiatrists who have treated a growing number of MPD cases, victims of Satanic ritual abuse, report an alarming pattern of findings in many of their child patients. There is a structure to the personalities, conforming to what is evidently a deliberate breaking and reshaping of the mind. This phenomenon was identified to Paul Bonacci by his tormenters, and to other victims and witnesses, as the "Monarch" project. At Offutt Airbase, Paul was told that what he and other children were being subjected to was in aid of national security.

Ronald Roskens, reportedly fired for pedophilia from the University of Nebraska chancellorship, is a 33rd degree freemason and a crony of George Bush.

Larry King, manager of looted Franklin Credit Union, ran a child sex-slave ring for the homosexual U.S. elites.

and cooperating Satanic (or more exactly pagan) cults. These are multi-generation groups, where parents donate their own children—who are proudly called "bloodline" or simply "blood" cultists—to be smashed with drugs and electric shock, and shaped. Other children are kidnapped and sold into this hell, or are brought in gradually through day-care situations.

Paul Bonacci and other child victims have given evidence in great depth on the central role of Lt. Col. Michael Aquino in this depravity. Aquino, alleged to have recently retired from an active military role, was long the leader of an Army psychological warfare section which drew on his "expertise" and personal practices in brainwashing, Satanism, Nazism, homosexual pedophilia and murder.

A former director of the CIA was asked directly, "what about 'Monarch' "? He replied angrily, and ambiguously, "We stopped that between the late 1960s and the early 1970s." If a statement of fact, this would presumably relate to official par-

Paul Bonacci, left, who withstood years of criminal abuse. The perpetrators he has identified must be brought to justice.

**"If we are not worth protecting then other young kids now and in the future will not be worth protecting either; and the prominent and respectable citizens who took us as children and made us a part of this drug dealing and sex abuse activity will continue without fear to do the same. Maybe to your children next time."**

—Abuse victim Troy Boner

The use of mind-altering drugs, sensory deprivation, and other brainwashing techniques on U.S. citizens as subjects was the admitted practice of the CIA, certain military arms and private institutions joined in the MK-ULTRA, Artichoke, and Bluebird projects beginning in the early 1950s. A national security pretext often cited was the need to keep up with the Soviets in the race to develop a workable Manchurian Candidate human robot. With the "Monarch" (or whatever official title may be attached to it) project, the idea is extended to the production of a horde of children in whom the soul is crushed, who would spy, whore, kill, and commit suicide.

The material presented here, on this subject, must be understood to be only a bare introduction to a complex story with immense political and strategic ramifications. It is a beginning.

Professionals probing the child victims of "Monarch" say there are clearly two responsible elements at work: the government/military,

participation of the CIA.

## Some Codes and Assignments

The disclosures of Paul Bonacci, which jibe with reports of MPD professionals in other cases, point to a particular artificially induced mental structure as common to many victimized children. Space permits only the briefest treatment of this here; this is intended mainly to begin to "blow the circuits," so to speak, when followed up by professional therapists and investigators.

These are some of the widely occurring separate "persons" which have been formed under torture, and the corresponding "triggers":

- General personality—accessible under the code name ALPHA, with possible Alpha-001, Alpha-009, etc. "persons" with distinct task orien-

tations.

- Sex programs, accessible through code name BETA; particular programs (and thus commands) are for pornography, acting, oral sex, etc.

- Assassination programs, utilizing very specific modes, and espionage, accessible through code DELTA.

- OMEGA, self-destruction programs, ranging from self-mutilation to suicide by many different specific possible acts.

- GAMMA, system deception, amnesia and disinformation programs. Under this or other codes are track-covering false origins for the structure, giving the child memories of tormenters dressed as space aliens or Mickey Mouse or in Wizard of Oz costumes.

There are said to be such other personality levels as Master Programmer, Black Master, and different mental levels of backup programs. There are reported to be personnel who have large numbers of child-victims' assignments and triggers neatly filed in their little computers.

Paul Bonacci reports the following "Monarch"-related activities, often involving his "Commander" at Offutt AFB, Bill Plemmons, and Lt. Col. Michael Aquino:

- Picking up cash in exchange for drugs at various Tennessee locations. Bonacci identifies several country music personalities as contacts.

- Trips on behalf of the North American Man-Boy Love Association (NAMBLA), the pedophile group now given semi-official status by the United Nations. Paul cites travel to Netherlands and Germany carrying child pornography for subsequent "import" to the U.S.A. to avoid prosecution. In Amsterdam, he names "Charles Hester," and the British "Tommie Carter," who had on computer a global list of child pornography users. NAMBLA is also cited for organizing auctions of children.

- Travel to Hawaii, New York, Washington (in connection with Craig Spence) to compromise public figures by performing homosexual pedophile sex with them.

- The trip to California where the boy was ritually murdered, accompanied by "Monarch" contact, Mark Johnson of Denver, Colorado,

- Travel to Mexico for the transportation of drugs, guns, and children. Paul was accompanied by the gangster-figure "Emilio," who otherwise directed the kidnapping of Johnny Gosch of Des Moines, Iowa. Johnny Gosch's parents commend Paul Bonacci as an accurate witness relative to that crime.

- Training under "Captain Foster" (survival skills) at Fort Riley Kansas, under "Lt. Dave Bannister" (intelligence) at Fort Bragg, North Carolina, under "Col. Harris Livik" at Fort Defiance, Virginia, who is said to run a military school and to have housed "Monarch" boys. "Col. Bill Risher" of Bamberg, South Carolina is said to have supplied children for Michael Aquino.

- Travel to Dresden in communist East Germany, where weapons were inspected. There and in the Federal Republic of Germany, the "Monarch" personnel were frequently neo-Nazis. This milieu is a special project of Lt. Col. Aquino, who was a West European adviser to the U.S. Chiefs of Staff. Paul Bonacci has extensive experience in the Aryan Nation and other White Supremacist cults.

## Who Is Responsible?

An account of the origin of the "Monarch" project has been compiled by those who have been debriefing MPD child-victims. Nazi experimentation in World War II concentration camps were said to have gone beyond simply insane physical tortures. They brainwashed people, for military and strategic purposes. After the war, Allen Dulles and other Western intelligence people brought Nazi doctors out for use in the United States. A teenaged concentration camp inmate named Greenbaum, who had participated to save himself, also came to the United States. Known later as "Dr. Green," he became a high-level brainwasher, and is widely represented in brainwashing programs with a distinctive Cabalistic magic theme.

The precise details of these horrors lie deeply buried in national security archives. But this history, as told to psychiatrists, dovetails with what is definitively known about Anglo-American intelligence operations and the German Nazis. And once again, the story goes right back to Nebraska.

The killers in the Nazi camps were themselves trained and organized by psychiatrists and eugenicists, operating from the "T4" bureau. These psychiatrists had long been the pets of white supremacist British and American financier networks.

At least some of these Nazi doctors were spirited out of Germany under the supervision of former Bank of England Governor Montagu Norman and Tavistock Institute Director John R. Rees on behalf of the British government. Norman, personally an insane Theosophist who had been chief of the prewar pro-Nazi faction within England, and Rees, organized postwar propaganda and continuing psychological warfare activities, and created "Orwellian" groupings within U.S. psychiatry and mental health fields.

Much of this criminal history comes together in the person of Robert A. Lovett (1895-1986). Robert Lovett and his closest associates have run the state of Nebraska during much of this century.

Lovett was the chief executive of the Harriman-owned and Omaha-based Union Pacific railroad, as his father had been. Robert Lovett was a partner in the Brown Brothers Harriman international banking firm, with Averell Harriman and Prescott Bush, father of President George Bush. Montagu Norman arranged many of the intrigues on behalf of Hitler and the Nazi Party through the Harriman, Lovett, Bush firm, in which Norman himself had been a hereditary partner.

As assistant secretary of war for Air in World War II, Robert Lovett refused to allow the bombing of the Nazi concentration camps. Under President Truman, he chaired the Lovett Committee, which decided that the U.S. should have a central intelligence agency modeled on the British Intelligence Service.

Lovett was secretary of defense in 1951-53; his attorney Allen Dulles then took over the CIA.

Lovett, Harriman, the Bush family, and a very select group of their associates—owners of drug and defense multinationals, many from Yale's

Skull & Bones Society—maintained homes on Jupiter Island, off Hobe Sound north of Palm Beach, Florida. Jupiter Island is the headquarters for the so-called Utopian faction in military strategy, the heavy Anglophiles, as opposed to the Traditionalists typified by Douglas MacArthur. Henry Kissinger, a board member of the Union Pacific Railroad, is deeply inserted into this Utopian faction.

The Bush family residence on Jupiter Island was a base for George Bush for Caribbean and other adventures when he was CIA director, Vice President and President. George Bush's predilection for viewing child pornography, in a neighbor's house on Jupiter Island, caused disgust and distress to at least one devout Christian who had the misfortune to be stuck there for a time. George Bush has been repeatedly identified by Franklin case witnesses as a participant in homosexual child abuse.

But the responsibility for the continuance of these crimes cannot simply be laid on this morally insane elite faction.

A courageous leader of the years-long fight to expose and arrest the Nebraska perpetrators recently commented:

"Acquaintances and friends come to me, even now, and actually *denounce* me, saying 'Haven't you learned? The government is corrupt. There's no justice. Don't you know that yet?' Some of these friends actually run for public office, and ask for my support and donations! But there is a law in Nebraska, that child abuse must be reported. So—these people are themselves breaking the law against child abuse."

Justice is indeed every citizen's duty. Its pursuit is sometimes dangerous, but it cannot be reassigned.

## Chronology of The Franklin Child Abuse Case

**NOVEMBER 1988** Franklin Credit Union is closed down with over \$30 million missing. The Nebraska State Senate creates an investigating committee which learns of child sexual-abuse and prostitution, drug trafficking, and Satanic ritual torture and murder related to the failed credit union.

**SPRING 1989** Franklin Committee chairman Sen. Loran Schmit and his attorney, John DeCamp, meet with regional FBI head Nick O'Hara. He warns that Omaha Police Chief Robert Wadman, a Franklin suspect, is his close friend and they would be opposing the FBI if Wadman were accused of any impropriety. **JULY 1989** Board of Regents fires Ronald Roskens as chancellor of the University of Nebraska. The Franklin Committee is informed that Roskens was fired for homosexual pedophilia with students. Within weeks, President George Bush appoints Roskens administrator of the U.S. Agency for International Development, a powerful global responsibility involving many cover positions for espionage. The FBI clears Roskens for the job.

# Excerpts from Troy Boner's Affidavit

Troy Boner, a witness in the Franklin Credit Union case, swore out a new affidavit on October 27, 1993. Excerpts of the affidavit follow:

... I, my mother and family, are exhausted from living in fear of death or injury as a result of . . . the Franklin matters. . . I lied at the Grand Jury hearings and I lied at the Alisha Owen trial. . . I lied because I truly believed and still do believe that it was a situation where I must either "lie or die," and at the insistence primarily of the Federal Bureau of Investigation officials. . . Mr. [Mickey] Mott and Mr. [Rick] Culver.

... What I told Gary Caradori in the original taped interviews Gary had with me was the truth. . . From about age 14 to 17 I was seriously involved in sexual and drug related activities with [many people including] specifically Alan Baer, Larry King, Robert Wadman, Peter Citron, [Nebraska political boss] Eugene Mahoney, and others of prominence and wealth. . . [The material and substantive facts [I provided to Caradori] about the . . . use of myself and other children as drug couriers for Alan Baer and Larry King. . . the involvement of Alisha Owen . . . as a drug courier also and her involvement with former Omaha Police Chief Robert Wadman; . . . my relationship with Alan Baer sexually and . . . the involvement of a number of other children with him; . . . [and] Peter Citron's presence and involvement in the parties and related sexual activities and filmings, were all true, correct and accurate on the material facts. . .

In my first contact with the F.B.I., [they] . . . made it clear to me that . . . [they] were only interested in disproving everything I had told them.

They [took] the position that . . . "if you will tell us you are lying then we will let you off the hook but if you insist on sticking with the story you told Caradori then we will stick you in prison . . . for twenty years each on a lot of different charges of perjury. If you insist on sticking with your story, you will go down."

... The F.B.I. in conjunction with my new attorney, Marc Delman . . . [made me] say that the truth was a lie and the lies they wanted to tell me were the truth. . . I told the Grand Jury what the F.B.I. and Delman wanted me to tell the Grand Jury which is that the story to Gary Caradori was a "hoax." But, as stated, the exact opposite is true.

[Then] . . . Gary Caradori was killed. I have no proof but [since] I . . . believe[d] he was deliberately killed . . . as part of a cover-up and as a result of my lies to the Grand Jury, I immediately called his home . . . [and] spoke to his wife Sandy. I . . . told her . . . that what I told Gary was the truth and that I only lied [to the Grand Jury] out of fear that the F.B.I. and others . . . would hurt me or my family and [had] promised me they would put me in jail if I did not say what [they] . . . wanted me to say.

I also met Senator Berniece Labeledz at the Caradori funeral and agreed I would meet her and Senator Schmit for lunch immediately following the funeral [to] . . . go over my alleged "recantation" and . . . tell her and the Committee all the facts. At the funeral, however, the F.B.I. agents . . . made it clear to me thru their actions that they knew what I was up to and gave me the clear impression that I was in "great danger" if I went ahead and met with the Legislative Committee and tried to

tell them the truth. So . . . I told my mother . . . that . . . I was going to stick with my lies to the Grand Jury. . .

[Later,] Marc Delman and Mickey Mott saw Senator Schmit say on T.V. that I had been in his, Schmit's office, and my "recantation" had been false. . . Even though Marc Delman knew I had been at Schmit's office and that what Schmit was saying was the truth, he . . . asked me whether the conversation had been taped or whether there was any other record of my having been in Schmit's office to talk to Schmit. I told Delman there was no tape or any other record. . .

[O]n Delman's instructions I publicly lied and denied any meeting or discussion with Senator Schmit and Delman [did too]. . . Delman's exact words to me were, "It's your word against his . . . as long as there are no tapes."

Mickey Mott the F.B.I. man . . . [then] . . . said something I interpreted . . . to have been a direct and personal threat that later came to pass. When I told . . . the F.B.I. people . . . that Alan Baer and others "could not afford" to do anything to hurt me now because too much publicity was focused on me . . . Mott . . . told me that they probably would not do anything directly to me, that instead "they will do something to a family member." And . . . that is what happened shortly thereafter . . . when the F.B.I. and . . . Baer and others thought I might break away from them. . .

I am completely certain . . . that my brother Shawn was killed as a message to me . . . not to . . . tell the truth at the Alisha Owen trial. After Shawn got killed, I had no doubt at all . . . that they would do anything and kill anybody to keep the truth

contained and to keep me lying for them; and I complied with [their] every request. . .

Before the Alisha Owen trial I was carefully rehearsed by the F.B.I. as to what I would say. . .

[T]he F.B.I. . . . had actual pictures . . . in their possession including . . . Alan Baer (1963 picture of he and me [at age 15 or 16] in very pornographic sexual acts) as well as checks from Alan Baer to me. So, they had to absolutely know I had a relationship with him and that they were forcing me to lie when I denied such relationships [in court]. . . [T]he F.B.I. had seized photos and tapes involving among others myself and . . . and Larry King. . . I know from having seen tapes at Peter Citron's house that the F.B.I. had access to tapes which clearly documented [what] I and the other kids had identified. . .

## My Credibility and the Credibility of the Other Kids:

I know the . . . F.B.I. and . . . others . . . will say [in reply]: "You can't believe . . . Troy Boner now. If he lied once, he will lie again. He's a drug addict. He's a sex pervert. . . Besides, these kids were . . . using the drugs and . . . selling their bodies and . . . getting paid well for it and they did it all voluntarily."

... Yes, we kids, from early age, sold our bodies. We became drug addicts. We got lots and lots of money from these people. But today we are ruined because of that. And we were turned into sex perverts and drug addicts by these people. . . Alan Baer . . . was the one who first taught me to mainline and who first . . .

injected heroin directly into my veins—same as he did to a lot of other boys. He . . . made me a prisoner of drug addiction to . . . completely control me and use me to deliver drugs or deliver sex or anything else. . . Alan Baer . . . first injected me with a "speed ball," . . . a heroin/cocaine mix that zips you up . . . but brings you down mellow. . .

Marc Delman . . . claimed that I had not met with Senator Schmit to tell the truth and I followed his instructions in denying it. . . This . . . can be checked out. There were people who saw me with Schmit [and] with Senator Labeledz.

... I saw the picture the F.B.I. had of me and Alan Baer. Some official sure ought to be able to get this picture to prove who is lying—me or the F.B.I.

... Lots of kids . . . knew about Alan Baer, Larry King and the major drug dealing activity they and other prominent people were involved in. But, as long as they are scared for their lives because of what happened to Alisha and me, they are not going to say anything. . . [An] honest prosecutor [should] step in and offer immunity and protection to these kids. . .

... I ask me . . . or any of the other kids . . . to take . . . lie detector . . . tests side by side on the same questions with the people we are accusing of these things. . .

And . . . if we are not worth protecting then other young kids now and in the future will not be worth protecting either; and the prominent and respectable citizens who took us as children and made us a part of this drug dealing and sex abuse activity will continue without fear to do the same. Maybe to your children next time.

**AUGUST 1989** The Franklin Committee hires former state patrolman Gary Caradori as chief investigator. The FBI works to prevent evidence such as air travel records from coming into Caradori's hands. Despite death threats, Caradori persists in interviewing Troy Boner and other victims and witnesses. Caradori shares his evidence with all law enforcers. The FBI leaks Caradori's evidence selectively to news media which seek to wreck the investigation.

**NOVEMBER 1989** Robert Wadman, accused of drug trafficking, slavery, and child rape in the Franklin case, resigns as Omaha's Police Chief, leaves the state.

**NOVEMBER 1989** Harold Andersen, former Franklin Credit Union advisory committee chairman accused of torturing and sodomizing children, resigns as publisher of *The Omaha World-Herald*.

**NOVEMBER 1989** Nicholas O'Hara departs as boss of the Nebraska FBI, to command the FBI terrorism division.

**JANUARY 1990** John DeCamp releases an open letter (the "DeCamp Memo") to *The Omaha World-Herald*. DeCamp publicly names *World-Herald* society columnist Peter Citron and former publisher Harold Andersen, Franklin manager Larry King, former Police Chief Wadman, and millionaire gambling executive Alan Baer as central to the investigation.

**FEBRUARY 1990** *World-Herald* columnist Peter Citron is charged with sexual assault on a child. A master child pornographer, Citron is later convicted and imprisoned as a "mentally disordered sex offender."

**MARCH 1990** A Douglas County grand jury convenes to pursue criminal indictments in the Franklin case. Special prosecutor Samuel Van Pelt works in tan-

dem with grand jury foreman Michael Flanagan, the FBI, the Omaha World-Herald, and *The Lincoln Star and Journal* to break down the witnesses and prevent justice.

**APRIL 1990** Victim-witness Troy Boner is said to recant his videotaped testimony to Gary Caradori.

**JULY 11, 1990** Chief Franklin investigator Gary Caradori and his son die when Caradori's private airplane disintegrates in flight.

**JULY 16, 1990** Troy Boner and his mother meet with Senator Schmit and eight other witnesses in Schmit's office. Boner reaffirms the truth of his testimony to Caradori.

**JULY 17, 1990** Troy Boner again goes to the Schmit office. At the Caradori funeral, FBI agents observe Boner speaking with Franklin Committee Senators. The FBI terrifies Boner, who now pretends he never met with Schmit.

**JULY 23, 1990** The grand jury indicts victim-witnesses Paul Bonacci and Alisha Owen for perjury because they refuse to recant their testimony. Danny King and Troy Boner, who recant, are not indicted, even though they are accused of lying to the legislative committee.

The grand jury indicts the notorious homosexual pedophile Alan Baer for the minor crime of pandering the sale of sex. Baer is later tried and given a \$500 fine. Baer is not to be trifled with—he is an important donor to the B'nai B'rith Anti-Defamation League.

Former police chief Wadman, former publisher Andersen, Franklin boss King and other prominent suspects are not indicted; evidence of drug traffick-

ing, rape, torture and murder is simply disregarded. Larry King is convicted elsewhere of financial crimes only.

The grand jury report, partly written by prosecutor Van Pelt himself, labels the entirety of complaints against prominent persons "a carefully crafted hoax."

**JULY 27, 1990** *Executive Intelligence Review*, founded by Lyndon LaRouche, prints the report of an investigative team sent to Omaha, "FBI Covers Up Child Abuse, Murder in Nebraska."

**JULY 29, 1990** Troy Boner's name is found as a payee for "general living purposes" in millionaire sex criminal Alan Baer's "Indigent Fund" records for 1985, a week after Baer denies knowing Boner. As of 1993, the "Baer Indigent Fund" is still registered as a tax exempt foundation with the U.S. Internal Revenue Service.

**AUGUST 1990** Alisha Owen and Paul Bonacci plead innocent to perjury. Charges are dropped against Bonacci, but he is convicted of unrelated sex charges and sent to prison.

**AUGUST 1990** The FBI settles a suit by black Omaha FBI agent Donald Rochon, charging harassment against him and homosexual perversion by Omaha FBI agents. The 40-year-old Rochon will resign and the FBI will pay him \$60,000 per year and full benefits until retirement age.

# Nevada Corporations

## CORPORATIONS AND YOUR FUTURE

As we move right along into 1994 the strength of Nevada Corporations is becoming more and more self evident. Individuals that are actively using their Nevada Corporations are seeing that all the attention that Commander Hatonn has given Nevada Corporations makes perfect business sense in this world of uncertainty, high taxes, government intervention, recession and just plain manipulated chaos.

Truth of Commander Hatonn's writings is self-evident. Two years ago at a point where we were working heavily with Nevada Corporations, Common Law Trusts were becoming very popular to patriot and constitutional groups nation-wide and we were very interested in their potential uses. About that time we were receiving more and more calls from individuals who wanted to know the specific difference between a corporation and a trust. Both entities have positive and negative merits based on personal ideologies and functionalities. Commander told us quite emphatically that Nevada Corporations would just hold up much longer than Common Law Trusts. Commander's chickens are continuing to come home to roost. More and more situations are coming to our attention where trusts cannot be trusted. In a world based on justice and purity the trust would remain unscathed—but we do not have the privilege of that reality. Threats against trusts and corporations used to shelter and protect are increasing nationwide. Many lawsuits and the IRS are trying to test the security of these structures at random, but Nevada specifically has held its own. The solid statutory foundation that Nevada Corporations are built from is a foe that attorneys nation-wide fear. We know from the information that Hatonn has shared with us that there will be a point where these corporations will have no function anymore,

on Omaha. Rev. James Bevel, an associate of both Martin Luther King and Lyndon LaRouche, moves to Omaha for several months to challenge the crimes and coverup.

NOVEMBER 9, 1990 Alisha Owen's brother is found hanged—an alleged suicide.

JANUARY 17, 1991 Troy Boner's brother Shawn Boner is shot to death, allegedly while playing Russian Roulette.

JANUARY 21, 1991 Alan Baer's executive assistant Claire Howard, who arranged Baer's sex with children, is found dead in her bed. She was not ill and the cause of death is undetermined.

JUNE 3-4, 1991 Troy Boner, under fear of his life, testifies against his fellow victim Alisha Owen.

JUNE 21, 1991 Alisha Owen, who testified to sadistic crimes against her by Omaha police chief Robert Wadman, and by a district court judge and other men, is convicted of perjury. She is sentenced to a long prison term under historically unprecedented judicial harassment.

but until that time the strength of the Nevada Corporation will go unmatched.

**Corporate Bank Accounts:** For those of you who find personal privacy an important aspect of your life we have recently established a consistent program where signers on corporate bank accounts will not be required to share their personal social security number to have access to a corporate account. The account itself only uses the tax identification number given to the corporation by the IRS; this gives our corporate clients more personal privacy than ever.

**Safe Safety Deposit Boxes:** An article was recently given to me that came up with another creative use for Nevada Corporations. The story discussed the fact that in today's computerized world that for a fee, anyone can tap into a national data bank and find safety deposit boxes on anyone, anywhere in the country instantly. The story went on to say that by setting up a corporation for the purpose of opening a safety deposit box, the ability of anyone to trace the location of your personal safety deposit box would become eliminated because you would no longer be holder of the box. This is a very creative use of a Nevada Corporation and goes one step further to give you personal anonymity and security.

**Corporate Credit Cards:** In the past we have written about ways of getting corporate cards for your Nevada Corporation. Now we have found a way that will allow everyone to have access to a corporate credit card no matter what the credit history is of the corporation. Charles Schwab is a national discount brokerage firm that has a corporate account available which gives a debit card to the corpo-

ration. This account can be set up for an opening deposit of \$5000 which can immediately be drawn out of the account. The funds in the corporate account can then be used for investing or they can just sit in a Schwab money market account for your access. You access your money just like a bank through a check or with this debit card. The debit card is a Visa debit card that functions just as a credit card but instead of getting a bill for the charges, the charges are just "debited" right from your account with Schwab. For those of you who strive for privacy in your daily life a corporate credit or debit card like this will keep your profile to a minimum. With a corporate card in hand no one will be profiling and tracking your life as is done with all personal credit cards. Make reservations for hotels, and cars when you are traveling, without being monitored everywhere you go. We find that a corporate credit/debit card will fill in where you have not been able to do without a personal credit card. And at the same time will vastly enhance your privacy.

**1099's** Please note: all corporations that make use of contractors for pay, be sure to get your 1099s out to your contractors by the end of January. The 1099s are mailed both to the IRS and to the contractor.

1/14/94 RICK MARTIN

## LEGAL SYSTEM REFORM

In an article from the January 1 edition of *THE ORLANDO (FLORIDA) SENTINEL*, "The nation's largest association of lawyers plan to solicit the ideas of nonlawyers in 1994 about ways to improve the courts and the legal profession.

"R. William Ide III, president of the American Bar Association, spelled out a plan on Friday for assembling a 'public jury' to consider reforms of the legal system.

"The *jury*—drawn from civic organizations and associations of public officials, with most members coming from outside the profession—will meet May 1-3 at a conference session near Dulles Airport in Virginia. The ABA, with 375,000 members, represents about half of U.S. lawyers.

"It will be the yellow pages of Washington in terms of bringing police chiefs, fire chiefs, criminal justice administrators together with civic and religious leaders and various policy groups," said Mike Scanlon, ABA spokesman.

"Participants will consider reform recommendations and issues such as using arbitration and mediation instead of trials; prejudice in the jury box; poor communications between lawyers and their clients; and the effect of the surge in arrests likely to result if Congress votes to put 100,000 more police on the streets, as President Clinton has proposed.

"The recommended solutions will serve as the agenda for commissions being organized in each state by bar associations and other police groups to press for legal reform.

"Some proposals will require action by state legislatures and Congress and some can be put into effect by state bar groups, Scanlon said.

"Justice in the United States takes too long, costs too much and is virtually inaccessible and unaffordable for too many Americans," he said.

"Our courts are grossly overburdened and woefully underfunded (*say what?*)...The justice system—which was created as a last stop for resolving disputes that could not be settled elsewhere—is being asked to resolve complex societal problems it was not designed to handle," he said.

"The justice system is no longer a 'court of last resort' as intended but is becoming an emergency room for every social trauma," Scanlon said."

## FETAL TISSUE RESEARCH

In an article from the January 5 edition of *THE ORLANDO (FLORIDA) SENTINEL*, "The federal government Tuesday approved the first grant for fetal tissue research since President Clinton lifted a 5-year-ban on studies using cells from aborted fetuses.

"The National Institute of Neurological Disorders and Stroke is giving \$4.5 million to

three institutions to study the effects of implanting fetal tissue in the brains of patients with Parkinson's disease.

"Dr. Patricia Grady, head of the federal institute, said there may be more grants this year, both for Parkinson's and other brain disorders.

"Presidents Reagan and Bush banned such research, but Clinton lifted the ban in one of his first official acts."

## OUR DAILY LANGUAGE

In another article from the January 5 Orlando paper, first appearing in the *PHILADELPHIA INQUIRER*, "He looks harmless enough. John Morse wears a slightly rumpled blue suit and a contented expression of concentration as he looks down into his lap at the red-bound 1,559-page book that he carries with him nearly everywhere he goes.

"The volume, only months old but already worn, is the recently published 10th edition of *MERRIAM-WEBSTER'S COLLEGIATE DICTIONARY*, and Morse, a native of Philadelphia, is its executive editor.

"Forget the faceless somebodies who make up the Trilateral Commission, the unknown speculators who manipulate the silver markets, the shadowy figures who set the Las Vegas line. Morse and his anonymous colleagues wield power that really means something.

"To the dictionary guy, this is not the dry stuff of English class. This is the stuff of passion.

"Language is about the most intimate thing we do with each other. I put my thoughts into your head,' he says, pointing an index finger first at his brow, then his listener's. 'It's hard to imagine, really, anything much more intimate than that—and language is the thing we do it with.'"

## U.N. TROOPS

In an article from a recent Canadian newspaper, taken from a Washington AP story, "As many as 10,000 Somalis may have been killed between June and October by UN forces, former U.S. envoy Robert Oakley said Friday."

## ADL

This is something of a rerun, but a good summary none-the-less for those of you who missed the ADL affair the first time.

In an article from the November-December edition of the intelligence newsletter *CHRISTIAN CRUSADE FOR TRUTH*, Deming, New Mexico: "Once again, the raw political power of Political Zionism has been felt by us Americans. We have reported in past issues of the Intelligence Newsletter that the Anti-Defamation League of the B'nai-B'rith was being investigated for such unlawful activities as obtaining official confidential police records and distributing them, even to foreign governments.

They were under investigation for their notorious *agent provocateur* program, again in cooperation with federal and state police organizations. They were also under investigation for their undue influence on government at all levels, to include providing seminars for police agencies advising who and what organizations should be under surveillance and even the preparation and presentation of *model* bills for legislative action.

"The District Attorney of San Francisco mustered enough courage to bring about the investigation after it was discovered that one of their own police officers, Tom Gerard (also a former CIA agent), was working with an ADL under-cover agent Roy Bullock. They were collecting information on selected individuals and organizations and selling that information to the South African government. The investigation led to an enormous network of similar undercover ADL operations throughout the world.

"One of the more serious aspects to the ADL's unlawful and immoral activities is the Cult Awareness Network's participation in official law enforcement activities. The Cult Awareness Network (CAN) is a part of the ADL and the B'nai-B'rith. It was this organization that played the major part in the raids on the Branch Davidians at Waco and the Weaver family in Idaho. They provided the *psychological profiles* and the *deprogramming and reprogramming* for the government which justified the final courses of action.

"Well, the District Attorney of San Francisco cut a 'deal' with the ADL! They settled by allowing the national Chairman Melvin Salberg and national Director Abraham H. Foxman of the ADL to state, 'The agreement we have reached confirms our consistent position that ADL has engaged in no misconduct of any kind.'

"Now for another lesson in genuine Jewish *Chutzpah!* The agreement was to include the ADL spending up to \$50,000 in 'reward' money to informants and *agents provocateur* to solve 'hate crimes'. This is not in addition to the approximately one million dollars they already spend on this activity but is simply included in it!

"Also, to further emphasize the *Chutzpah*, they agreed to spend \$25,000 to train the prosecutors in the San Francisco District Attorney's office to teach schoolchildren about the evils of intolerance, violence and bigotry!

"Victor Marchetti in his *NEW AMERICAN VIEW* has this to say: 'The ADL's sweetheart deal with the San Francisco DA's office underscores the success of the Jewish organization's longtime program of penetrating U.S. law enforcement agencies—including the FBI and the Department of Justice. Virtually every major metropolitan police department and many in smaller communities have been infiltrated by ADL agents—and in some instances, by the Israeli intelligence service. The FBI, too, has been contaminated, and the Justice Department's bureaucracy (not just the OSI) is riddled with activist pro-Israeli Jewish lawyers.'

"This unhealthy relationship not only allows the ADL access to official classified information on individuals and groups, but also permits its agents to insert derogatory and

even false data on the enemies, real and imagined, of this band of fanatics into police files. The perversion of America's law enforcement system by the ADL is more than an official embarrassment; it has made police departments across the nation vulnerable to an insidious form of political extortion by an organization whose first loyalty is to a foreign government.' End of quotes. (NEW AMERICAN VIEW, P. O. Box 999, Herndon, VA 22070.)

"Perhaps the one good side to the agreement is that the San Francisco District Attorney will keep the records that the ADL collected on nearly 10,000 individuals and over 950 groups. The significance of this is that these individuals and groups, individually or collectively through class action suits, can still sue in civil court. One must weigh the validity of this course of action in light of the modern American Judicial Branch, as well as the Legislative Branch and Executive Branch of government."

#### JACQUES-YVES COUSTEAU

In an article from the November 21 edition of the *SAN FRANCISCO CHRONICLE*, written by Jack Viets, "Jacques-Yves Cousteau, the indefatigable protector of the world's oceans, warned yesterday that people have only 10 years left to turn back the destruction of their environment.

"We have no time to lose,' declared the grand old man of the environmental movement.

"Every day, the 'two fluids of life, air and water, are being polluted, contaminated and damaged by ignorance, neglect and greed,'...

"Earth is a jewel, a small space-ship,' he said, and its nearly 6 billion inhabitants (*actually more*) must quickly forge an international alliance to protect nature and the environment if they are to save the quality of life that modern civilization now enjoys.'

"Each generation also has a duty as a trustee (*steward*) for future generations, to prevent irreversible and irreparable harm to life on Earth and to human freedom and dignity."

#### FRANCE'S BEACHES

In an article from the December 28 edition of *THE ORLANDO SENTINEL*, PARIS: "The long coastline of France has been polluted in recent days by a macabre array of explosives, acetone and pesticides, bringing angry calls for tighter controls over ocean-going vessels.

"Fearful of accidents, the government has banned fishermen, strollers and shellfish gatherers from beaches all the way from its border with Belgium down to Spain, and this weekend soldiers, police officers and fire fighters scoured the shore for explosives that had washed ashore, often entangled in seaweed."

#### AMERICA'S SCHOOLS

In an article from the January 6 edition of the *ORLANDO SENTINEL*, "Drug-sniffing dogs, metal detectors and locker searches are becoming more common in American schools as educators try to curb 'an epidemic of violence,' the National School Boards Association says.

"Eighty-two percent of 729 school districts responding to an association survey said vio-

lence in the schools has increased in the past five years. 'Clearly, violence is not confined to urban schools but is increasing in rural and suburban schools as well,' a report on the survey said Wednesday."

#### D.C. POLICE

In an article from the January 5 edition of *THE DENVER POST* (COLORADO), "District of Columbia police are not waiting till they see a gun to try to get it off the street. A new unit of police officers, apparently among the first in the country assigned to disarm the public, is searching people they **believe** are carrying weapons."

#### FALKLANDS ATROCITIES

From the January 1 edition of *THE ORLANDO SENTINEL*, in an article originating in the *LOS ANGELES TIMES*, LONDON: "The British effort to regain the Falkland Islands long has been regarded here as the stuff of military legend—an air, sea and land triumph against a greater Argentine force. But a darker side of the campaign has emerged, involving charges of war crimes that could lead to civilian prosecution of combat paratroopers.

"An 18-month investigation—by Scotland Yard detectives—is scheduled to be submitted to the Director of Public Prosecutions early this year.

"The probe has embittered many in the military and commentators who believe the honor of Falkland heroes should not be stained so long after the battles.

"Some paratroopers are suspected of shooting Argentine prisoners in cold blood after the fierce, successful battle.

"...in 1991, Lance Cpl. Vincent Bramley, a machine-gunner with the Third Battalion, published his memoirs. The book, *EXCURSION TO HELL*, reopened the incident—to the distress of many involved."

(For the *real and incredible story of the Falkland Islands War*, see page 167 of *PHOENIX JOURNAL* #13, called *SKELTONS IN THE CLOSET*, or in #18, *BLOOD AND ASHES*, page 36. #### AMERICAN UNIVERSITIES

In the December 27 edition of *THE ORLANDO SENTINEL*, "College and university enrollments fell this fall in three out of four states surveyed by the American Council of Education. The council said it was the 'most severe' decline recorded in six years of surveys."

#### SHRINKS

In the December 29 edition of *THE ORLANDO SENTINEL*, "Americans' prime years of life may be the time they most need mental health care, according to a government study that found nearly half of all visits to psychiatrists are made by people ages 25 to 44.

"Of the 18.8 million visits to private psychiatrists every year, more than 9 million are made by Americans in that age group, according to the study released Tuesday by the

National Center for Health Statistics."

#### SUNNY ALASKA

In the same edition of *THE ORLANDO SENTINEL*, NOME, Alaska, "It's only about 150 miles to the Arctic Circle, but Nome has been warmer this week than some places in Florida as the cold air you'd expect in Alaska seems to have drained down into the Lower 48 states.

"Everybody's in T-shirts,' Duane Cocking said. 'I don't understand it—not at this time of the year. I think we even have a palm tree coming up.'

"Our polar bears are wearing bikinis,' Vickie Horton joked."

#### BCCI

In an article from the December 28 edition of *THE ORLANDO SENTINEL*, "A Saudi Arabian financier and his associate have paid \$25 million as part of an agreement with U.S. authorities to dismiss charges they conspired to steal over \$300 million from depositors in the failed Bank of Credit and Commerce International.

"Under terms of the settlement announced Monday by the Manhattan District Attorney's office, the payment was made on behalf of Sheik Khalid bin Mahfouz, former chief operating officer of the National Commercial Bank of Saudia Arabia, and Haroon Kahlon, a former bank executive.

"BCCI was shut down by regulators around the world in July 1991 and is in liquidation.

"The bank, based in Luxembourg with its main operations in London and the Cayman Islands, was allegedly involved in a wide network of money laundering and other illegal activities.

"All charges against Mahfouz have been dropped in the case.

"There are other aspects of the investigation that are being pursued,' said Robert Morgenthau, Manhattan district attorney.

"He added, 'There may be other indictments against other Americans.'"

MORE BCCI

In an article appearing in the December 21 edition of *THE NEW YORK TIMES*, "Abu Dhabi's ruling family has filed a civil suit seeking \$9 billion in damages from the managers of the Bank of Credit and Commerce International.

"The complaint, brought in a court in the Persian Gulf emirate, accuses those who ran the institution until it was seized by bank regulators in July 1991 of stealing from the ruling family, one of the bank's biggest investors."

SETI

In the January 14 edition of the *DAILY NEWS* (Antelope Valley, CA), "Three months after Congress killed NASA's search for life on other planets, the project was revived by millions of dollars in private funds.

"Astronomers in the project said Wednesday they have raised \$4.4 million of the \$7.3 million they need to keep the quest going for another year.

"I look forward to a day, perhaps not far off, when we hear the first evidence proving we are not alone in the universe," said Frank Drake, president of the SETI Institute, a private group that organized the fund-raising campaign.

"The institute will manage a more limited version of SETI, which stands for search for extraterrestrial intelligence.

"Donors included science-fiction writer Arthur C. Clarke, Hewlett-Packard Co. co-founders David Packard and William Hewlett, Intel Corp. co-founder and chairman Gordon Moore, and Paul Allen, co-founder of Microsoft Corp.

"In early 1995, they plan to put highly sensitive signal detectors at the huge Parkes radio astronomy observatory in Australia."

SKINHEADS SENTENCED

In an article from the January 14 edition of the *DAILY NEWS* (Antelope Valley, CA), in an article written by Keith Stone, "The admitted leader of a skin-head group and an accomplice were sentenced Thursday to federal prisons for using homemade bombs and plotting to spark a race war by attacking an African-American church.

"By sentencing Christopher Fisher, 20, of Long Beach to the maximum term of eight years and one month, U.S. District Court Judge William Matthew Byrne Jr. said he hopes to deter others from acting on such 'crazy and distasteful ideas.'

"Carl Daniel Boese, 17, of Lake Arrowhead was sentenced to the maximum four years and nine months for his role in the attempted firebombing of a synagogue and conspiracy to attack the First African Methodist Episcopal Church in South Central Los Angeles."

ANTI-SEMITIC

In an article from the Canadian newspaper the *NELSON DAILY NEWS* (New Brunswick), dated December 23, "In a rul-

ing that has shocked Canadian Jewish leaders, New Brunswick's top court has ruled teacher Malcolm Ross has the right to hold anti-Semitic views.

"In a 2-1 ruling, the province's Court of Appeal overturned a human-rights tribunal's order of September, 1991, that banned Ross from teaching at a Moncton junior high school.

"He was moved to a non-teaching position following the order.

"Ross has written several books and pamphlets claiming there is a worldwide Jewish conspiracy to undermine Christianity and that the Holocaust was exaggerated.

"The court ruled there was no evidence Ross voiced his views in the classroom or used his position to expound his views.

"Writing the majority decision, Chief Justice William Hoyt said the court's task was to 'determine if the silencing of Mr. Ross's anti-Semitic views is such an important public objective that his constitutional rights to freedom of expression and speech can be overridden.'"

CIVIL DEFENSE

In an article from the December 30 edition of *THE NEW YORK TIMES NATIONAL*, "Diplomats may debate and historians may argue, but consumers have now spoken. The cold war is over. The market for fallout shelters is dead.

"So dead, in fact, that the Federal Trade Commission will no longer try to regulate manufacturers of fallout shelters and home radiation-monitoring devices.

"They are really obsolete," said Elaine Kolish, assistant director for the agency's enforcement division.

"Federal officials said they did not keep records on how many Americans built fallout shelters, which were usually in basements or installed underground in yards. Demand was so brisk that in the early 1960s the trade commission adopted guidelines for advertising shelters as well as radiation-monitoring devices.

"But in 1992, when the commission asked for public comment on whether the guidelines were still necessary, it received only one response, from Robert D. Gallagher, president of Nuclear Sources and Services, Inc. of Houston, a former maker of radiation monitoring devices.

"You couldn't sell a fallout shelter or a radiation instrument to the public if you promised immortality in your advertising," Mr. Gallagher told the commission.

"Dick Mankamayer, who owns and operates the Survival Center in McKenna, Washington, said he still sold several fallout shelters a year.

"It's not the hottest item we sell," Mr. Mankamayer said, "but it's still available. There has been a lot more interest around here since they've been rattling their swords at the North Koreans."

BOUNTY ON GUNS

In an article appearing in the December 19 edition of *THE BAKERSFIELD CALIFORNIAN*, dateline NEBRASKA—"Four-year-old Che

Olson wants a Ghostbuster gun for Christmas, but today, he'll hand over one from his small arsenal and get the \$1 bounty in a gun-amnesty program that includes toys.

"Grown-ups turning in real guns will get \$50. The toy guns, like the real ones, will be destroyed.

"The toy gun collection—a first in Omaha—is a symbolic gesture to promote awareness among families of the hazards of guns and violence, Major P.J. Morgan said."

JUVENILE REFORM RECOMMENDATIONS**Juvenile justice reform**

Here are key recommendations from the Senate Select Committee on Juvenile Justice Reform:

**Parental responsibility**

■ Parents could be charged from \$1 to \$15 a day when their child is placed in detention.

■ Parents would be required to attend all juvenile court proceedings, and those who don't show up could be held in contempt and sentenced.

■ Parents of a juvenile delinquent could be ordered to attend parenting classes and/or drug counseling.

■ If a child under 16 is caught roaming the streets late at night, his or her parents could be charged with neglect.

■ Parents of a chronic truant would be required to pay legal fees for processing the case and would be compelled to attend parenting classes.

■ To receive welfare benefits, parents would be required to attend parenting classes.

**Education**

■ Florida's legal dropout age would be raised from 16 to 18.

■ Expulsion of any student would be prohibited.

■ Every school district would have to have alternative schools to isolate and educate disruptive students.

■ Teachers trying to forcefully discipline students would receive partial immunity from lawsuits.

**Prevention**

■ Every child between ages 3 and 4 would be pre-registered for school and his or her need for services assessed.

■ After-school care would be provided for every elementary and middle school child who needs it.

■ Teen-agers would get supervised evening programs like basketball games and dances.

■ Every student would be required to do community service work.

■ Public schools would get more on-site police officers.

■ Values would be "infused" into public school curricula.

■ Shelters for runaways, especially girls, would be improved.

■ Half of all juvenile justice funding would have to go for prevention.

■ A "Save the Children" license plate would be created with proceeds going for prevention programs.

**Punishment**

■ Names of all juveniles charged with felonies could be published.

■ Fifteen boot camps would be distributed throughout the state (three are now operating).

■ Additional detention and commitment beds for juvenile delinquents would be funded.

■ Judges would get greater discretion to detain a juvenile based on severity of the crime.

■ Judges would get authority to charge juveniles with contempt of court and sentence them for contempt to a maximum of six months.

■ Maximum length of pre-trial detention of juveniles would be increased from 21 days to 35 days.

FINDERS INVESTIGATION

In an article appearing in the December 27/January 3 edition of *U.S. NEWS & WORLD REPORT*, (page 30), "The case is almost seven years old now, but matters surrounding a mysterious group known as the Finders keep growing curiuser and curiuser.

In early February 1987, an anonymous tipster in Tallahassee, Florida, made a phone call to police. Two 'well-dressed men' seemed to be 'supervising' six disheveled and hungry children in a local park, the caller said. The cops went after the case like bloodhounds—at least at first. The two men were identified as members of the Finders. They were charged with child abuse in Florida. In Washington, D.C., police and U.S. Customs Service agents raided a duplex apartment building and warehouse connected with the group. Among the evidence seized: detailed instructions on obtaining children for unknown purposes and several photographs of nude children.

"The more the police learned about the Finders, the more bizarre they seemed. There were suggestions of child abuse, Satanism, dealing in pornography and ritualistic animal slaughter.

"None of the allegations were ever proven, however.

"One of the unresolved questions involves allegations that the Finders are somehow linked to the Central Intelligence Agency, Customs Service documents reveal that in 1987, when Customs agents sought to examine the evidence gathered by Washington, D.C. police, they were told that the Finders investigation 'has become a CIA internal matter.'

HOMELESS FAMILIES

In an article from the December 22 edition of *THE NEW YORK TIMES NATIONAL*, "A new survey of 26 major cities finds that the number of families with children seeking food and shelter has increased by 30 percent this year.

"While families made up 33 percent of the homeless population last year, they account for 43 percent now, according to a report on the status of Hunger and Homelessness in American Cities. The report was released today by the United States Conference of Mayors."

POINT MUGU GOES SOUTH

In an article from the January 14 edition of the *DAILY NEWS* (Antelope Valley, CA), in an article written by Mercer Cross, McMURDO STATION, Antarctica—"Sometimes it's like flying inside a giant pingpong ball. Pilots can't tell where sky ends and land begins.

"At other times, then can see forever in the cleanest, driest, coldest air on Earth.

"With almost no warning, a clear day can become a zero-visibility white sheet. At all times, the pilots of Operation Deep Freeze, Antarctica's U.S. Naval Support Force, must be ready for anything.

"This place will take your life in a heartbeat if you don't pay attention,' says Lt. Dennis L. Alston of Lake Charles, LA, a helicopter pilot.

"Deep Freeze is a 'one-of-a-kind' flight service, boasts Capt. Jack Rector, its commander. The only passengers and cargo come from the National Science Foundation, the federal agency that oversees American research on this frozen continent.

"The workhorses of the operation are two types of aircraft: seven 1960s-vintage ski-equipped, four-engine turboprop LC-130 Hercules transport planes and six twin-engine UH-1N Huey helicopters.

"The helicopters and most of the Hercs are manned by crews from Point Mugu Naval Air Station in Ventura County, (CA). National guardsmen from Stratton Air Base in Glenville, N.Y. are at the controls of the other Hercs.

"Flights are scheduled around the clock during austral summer—winter in the Northern Hemisphere—when the sun shines overhead 24 hours a day.

"Deep Freeze's home base is McMurdo, the logistical center for Antarctica's largest scientific community. The skull and crossbones

flies below the Stars and Stripes atop the helicopter hangar. The chopper pilots are nicknamed *ice pirates*. A sign in the hangar humorously identifies them as 'a subsidiary of Penguin Airlines.'

Now, I wonder what is really going on down there. The PHOENIX JOURNAL SKELETONS IN THE CLOSET #13 will give you some idea. Truth is stranger than fiction.

GANG CLOTHES

In an article from the January 9 edition of the *DAILY NEWS* (Antelope Valley, CA), written by Susan Postema, "Gaylene Van Zijl, dean of students at Burbank (CA) High School, keeps a needle and thread in her office in case students need to take in or hem their baggy pants.

"Those students who are not nimble-fingered have resorted to stapling their pants to comply with a Burbank Unified School District policy backed by state law that went into effect Jan. 1.

"The new law allows schools to suspend or discipline students for wearing gang-related clothing.

"The law has changed, which specifically exempts gang-related attire from free-speech protection,' said Burbank district Superintendent Arthur Pierce."

DOLLY PARTON

In a recent column from a California newspaper, Dolly Parton responded to a question about why her idea for a TV series about a gospel singer was rejected. "Everybody's afraid to touch anything that's religious because most of the people out here (Hollywood) are Jewish, and it's a frightening thing for them to promote Christianity."

IRS PAYMENTS

In an article from the December 30 edition of the *JOHNSON CITY PRESS* (Michigan), "The IRS is targeting lawyers who fail to report the sources of large cash payments from clients. Defense attorneys say this violates client-lawyer privilege.

"And it leaves those who paid cash vulnerable to investigation, the lawyers said. That's the point, according to the IRS.

"The Internal Revenue Service defends the crackdown, begun this month using its national cash-tracking computers in Detroit, as part of its effort to find drug dealers and other criminals who pay cash to hide illegal activities.

"The issue is so contentious that officials of the American Bar Association and the National Association of Criminal Defense Lawyers plan to meet next month with Justice Department officials to air their grievances.

"Defense attorneys say they don't mind reporting the payments. What they balk at is possibly jeopardizing the traditional privacy of the lawyer and client relationship, in particular since it could turn the IRS on to those clients named."

VINCENT FOSTER

In a brief recent article appearing in the newsletter *RRR*, Sara Barton states, "From a well-placed source in Memphis: Vincent

Foster's wife Lisa (nee Braden), comes from Memphis, and her family still lives there. After the November election, a good friend asked Lisa's sister Kathy whether Lisa was excited about going to Washington. 'No,' Kathy replied, 'because of Vincent's ten-year affair with Hillary Clinton.'

**ISRAEL AND PLO**

In an article from the January 11 edition of the (London) *FINANCIAL TIMES*, "Israel and the Palestine Liberation Organization formally resumed suspended peace talks yesterday as Syria, for the first time, welcomed the Israeli-Palestinian peace agreement as a first step towards Middle East peace.

"Palestinian and Israeli negotiators met after three weeks of bickering in the Egyptian Red Sea resort of Taba to try to end a stalemate over three main issues blocking implementation of the Palestinian self-rule agreement: control over borders; the size of the West Bank area of Jericho and security arrangements for Jewish settlers.

"Syria, which has been critical of the Israeli-Palestinian peace accord, yesterday endorsed the agreement."

**STAR BRIGHT**

In an AP article appearing in the January 15 edition of the *SANTA BARBARA (CA) NEWS PRESS*, "An international team of astronomers, which includes a UCSB professor, searching for the mysterious, missing dark matter of the universe said Friday they have detected three instances of stars suddenly becoming brighter, suggesting the light is being magnified by MACHOs.

"MACHOs, or massive compact halo objects, are thought to be celestial bodies, perhaps the size of Jupiter, that are present in the outer fringes, or the halo, of galaxies.

"Since they are not dense enough to ignite the internal nuclear fires needed to become a star and are far from any celestial light source, MACHOs are dark and invisible to telescopes on Earth."

Hmmm.

**FEDS GET WRISTS SLAPPED**

In an article from the December 30 edition of the *ALBUQUERQUE JOURNAL (NM)*, "A federal appeals court on Tuesday reversed the

dismissal of claims by an Indianapolis man who contends Drug Enforcement Administration agents illegally took nearly \$67,000 from him at Lambert Airport.

"A three-judge panel of the 8th U.S. Circuit Court of Appeals ordered the DEA to return the money to Archie Glasgow or to begin new forfeiture proceedings in federal court."

**CYSTIC FIBROSIS**

In an article from the December 31 edition of the *JOHNSON CITY PRESS*, "A drug that provides the first new treatment of cystic fibrosis in 30 years was approved Thursday by the Food and Drug Administration and will be available to patients within a month."

**FERTILITY UPROAR**

In an article from the January 2 edition of *THE SALT LAKE TRIBUNE (UT)*, LONDON—"Controversy flared in Britain after Sunday newspapers reported that a new fertility treatment had been developed in which eggs from aborted fetuses could be used to help sterile women have babies.

"*THE SUNDAY EXPRESS*, in a front-page report headlined 'Babies from the dead row,' said the world's first baby created from a dead fetus could be born within three years if the British Medical Association's ethics committee gave the go-ahead as expected next month.

"Disclosure of the new treatment—in which eggs are taken from the ovaries of an aborted female fetus, fertilized with sperm and then implanted in the womb—intensified a debate over the past week about the ethics of fertility techniques."

Well, I guess so.

**SOVIET WEAPONS**

In an article from the December 24 edition of the *ALBUQUERQUE JOURNAL (NM)*, "Tens of thousands of workers died while producing chemical weapons in the former Soviet Union, and about 1 million people live in contaminated areas where cancer rates are high and many babies are born sick or abnormal, Russian scientists said Thursday.

"At a news conference, the scientists of the independent Union for Chemical Safety detailed the extensive ecological and medical damage they say resulted from the Soviet chemical weapons program, which remains largely a secret."

**FDA & SUPPLEMENTS**

In an article from the December 30 edition of *THE WALL STREET JOURNAL*, written by Albert Karr, "The Food and Drug Administration said it will allow claims that folic acid in early pregnancy can reduce the threat of certain birth defects, but it ruled against a number of other health claims for specific dietary supplements.

"The prohibited assertions include representations that dietary fiber and anti-oxidant vitamins such as beta carotene or Vitamin C can prevent cancer or cardiovascular disease, and that fish oils can prevent heart disease.

"The FDA decisions were part of the agency's announcement of broad new limitations on

marketing claims for vitamins, minerals and herbs. The rules will take effect on July 1, 1994. As expected, the new rules, aimed at deterring false or unproven health claims, will require that companies make only claims that are backed by broad scientific consensus."

**RUSSIAN TRANCE**

In an article from the December 18 edition of the *SAN FRANCISCO EXAMINER*, "Some doctors are accusing Russian nationalist Vladimir Zhirinovskiy of using hypnosis in radio and TV addresses to help achieve success in last Sunday's election.

"A statement by the doctors, reported by the RIA news agency, said appearances by Zhirinovskiy and Anatoly Kashpirovskiy, a candidate for Zhirinovskiy's Liberal Democrats famous for broadcasts on the paranormal in the late 1980s, amounted to mass hypnosis sessions."

**MOUTH TO MOUTH**

In a *stranger-than-fiction* story the January 1 edition of *THE SPOKESMAN-REVIEW* (Spokane, WA), "The District of Columbia Fire Department must allow a firefighter to perform mouth-to-mouth resuscitation even though he is a carrier of the infectious disease hepatitis B, a federal judge ruled.

"In an opinion that has enraged the District's top public health officer, U.S. District Judge Joyce Hens Green ruled that, under federal disabilities law, the fire department discriminated against the 33-year-old firefighter by forbidding him to perform that part of his job.

"Hepatitis B is the fourth most common sexually transmitted disease, after gonorrhea, syphilis and AIDS. The virus causes flu-like symptoms at first, but can be fatal because it sometimes results in liver cancer or liver failure."

**RUSSIA & NAFTA**

In an article appearing in the January 5 edition of the Canadian newspaper *THE OTTAWA CITIZEN*, "A Russian ship, the *NV Nikolay Golovanov*, has taken the honors as 1994's first ocean-going vessel to reach the Port of Montreal.

"Because it's the closest port of convenience for our ships, Montreal is Russia's gateway to North America," said Nikolai Smirnov.

"And NAFTA will open the door to new economic opportunities for Russia through Canadian cities."

# Patience vs. Inaction

## Perspective On The Mission

1/16/94 #1 HATONN

### PATIENCE VS. INACTION

As we run through the entanglements of each day there is always a tendency to question definitions of terms. In this mode of experiencing you often find yourself stopping "action" in your distorted perception that somehow "patience" is "inaction". Further, you express everything in your realm of control by your "having". If you expect no more than that which you have—you will NEVER HAVE MORE. Every phase of lifestream has expectations toward which you must work and plan—AND, also there will be the ever ongoing need to be and utilize to the best of stewardship—that which you have "as if" there would never be more. He who finds a way to achieve goals by the decisions and plans FOR MORE—will surely have it. This does NOT MEAN "by the means of another's toils".

As decisions and harangues are thrust upon Dharma and E.J. in these recent days—BEFORE THERE IS ANYTHING TO DIVIDE OR MULTIPLY, I find an interesting response from Dharma of, "Leave me out of it, Father, and take it all away from me for I can labor, I cannot bear the greed and duplicity of my brothers." Well, it is the time of sorting and before the good shall always come the demands and choices of those who feel that simply by their "knowing you" there is somehow right of passage and, at the least, right of control and riches. "MY" abundance is something which shall not be handled lightly or by ones who do not serve God as I serve God—without reservation. For those who would serve in this manner and WORK in positive action while being PATIENT, so shall come the JUST rewards of such service and patience. Responsibility required NO FUNDING!

I have noted ones now planning and sharing up that which is not yet even present. Some of you who have talked too much and promised too much will find me an angry steward when the toys are passed out on receiving day. I have ones who actually think they will garner great positions and places of wealth and power by simply showing up or supporting ones who work in my service. Nope, each one of whom I speak at this writing has had opportunity to attend every meeting, every lesson and have every bit of instruction—choosing not to partake except in the abundance. NOTHING HAS CHANGED FROM DAY ONE—WE HAVE A MISSION, A GREAT MISSION BUT LIMITED TO NEEDS, AND I HEAD THAT MISSION. ONES WHO PRODUCE AND DO NOT FOLLOW ME OR THE TRUTH I BRING SHALL GARNER ONLY THAT WHICH IS REWARD FOR DIRECT SERVICE. HE WHO SHALL TAKE AND GO FORTH WITH

GREAT EGO CHEST-POUNDING AT A NEWLY FOUND POSITION WILL BE SORELY DISAPPOINTED. Everything in my mission will be handled according to the highest and best purposes and totally in silence as to "greatness" or status beyond that of a "barely making it" survivor. If you cannot stand the heat of THIS kitchen and the recipes required—get out of MY kitchen—NOW.

You all expect to SEE MIRACLES and expect this one or that one to present you with those miracles. You await wondrous things from one Gunther Russbacher—WHY? Gunther was imprisoned and reduced to pure poverty by the ones he served. You have gotten him freedom—if we are able to maintain it, but some spread the word that somehow he is the resource for great riches, etc. No, what in the world is the matter with you—we seek no focus or attention and you ones bring great speculation upon us. Some of you who "chat" too much are from services wherein "chattering" will get you, and your brother, deaded. If we cannot handle "business" as business in responsible confidence—then we shall not be given of the Father's chattel and there will cease to be business.

This message is for the "few" and not the many who serve every day in shortage of everything save abundant joy and sharing but there are some who expect to "gain greatly" during refusal to accept the TRUTH of presence. How can we bring persons necessary into a nest of "takers" and "thieves"? I do not like game-players in high places of any control whatsoever—for they earn nothing except disrespect. I can work with ones who "doubt" and are willing to be shown—I have no interest or expectations for those who simply have ongoing games for good advantage. There is no group here in which to have hierarchy of importance.

I am asked as to "why" we then do not at least have some spiritual gatherings such as a church? Why? Can you not find spiritual Truth without another's opinions? Why can you not gather into social groups of friends and LIVE YOUR TRUTH OF GOD?

### BIGOT?

Do I become a legendary "bigot" of sorts in my projections of that which I say are God's LAWS? YES, if that is what you wish to describe my stance as being. I make every allowance for soul presence and even ignorant opinions to a point wherein I find refusal to consider possibilities. I KNOW THAT OF WHICH I SPEAK—and I respect your "opinions"—that does not mean I "have to" consider your approach, your opinions as to actions taken, or your "druthers" in anything that I do—save being in total service to God Creator.

The battle of my people in this place has been one of great pain and assault—from ignorance of ones perhaps, intentionally from others. At times I present petition to the Council to place our mission elsewhere because of the continuing harassment and demands. We shall wait patiently until such time as directions are better seen and presented to my mission. I do state one thing for Dharma and E.J.—I shall begin to lessen your load in the constancy of such as the JOURNALS and the paper for my needs are great in the human realm for other needs—and you have served incredibly under the worst of times, my friends. I do not relinquish my Command nor YOUR COMMISSION. There is yet to confront the many dangling assaults of legal attacks and security of operations.

Do you think that the adversary would not attack the hand-persons of God? Why do you somehow think that "YOU" are free of concern and that somehow "you" are not able to be "had"? It is THAT very attitude which INSURES THAT YOU SHALL BE "HAD". We can have great sport and fun over such as calling me a "nine-and-a-half-foot reptile"—but is it really "funny" in actuality? That is totally insulting to YOU OF GOD! It is amusing; it is not "funny" and I have great compassion for the ones who play in that game for it is a game of loss at all levels of possibilities. YOU ARE THE CHILDREN OF THE ONE LIGHT OF CREATOR—HOLY IN YOUR PERFECTION AND REFLECTION EVEN IF YOU NOTE THE FALLING SHORT OF HUMAN PERFECTION. GOD IS NOT A REPTILE SO IN ACCUSING ME OF BEING A REPTILE—IS TO CALL GOD A REPTILE AND THUSLY, YOU.

These ones who make great public humor of this approach are the VERY ONES WHO OFFER THEIR AUDIENCES LIES OF SURVIVAL. These are the very ones who work with, closely with, ones who offer BAD business advice and intersperse themselves with common thieves and criminals. It will all be there for you to see and know, my friends, for some of them are the very ones who have efforted to bring destruction upon you as my small team members. For instance, our egotistical Gritz is now being openly ADVERTISED as working with (by) one Gary Anderson et al. in "trusts" and other financial protection ploys as outlaid by him and his buddies. Well, a lie from a liar is but food of fools. I could not conjure better lessons by example than that which these ones are giving unto you. Anyone who would steal from a partner as did Mr. Anderson FROM ALL OF YOU RIGHT HERE, RIGHT NOW, is that which has brought disgrace and destruction on the places and "man" created. These ones who take from a brother to bring gain unto selves are worse than the reptilian vipers—for in the snake is no deceit—he is what he is and nothing more. A man in that stature is less than anything presented in development of environment and physical consciousness. To do these things under the deceit of claiming "Jesus Christ" IS MORE DESPICABLE THAN ALL OTHER CHARADES.

Do we go do battle with these darkness dwellers? Certainly not—we simply place the LIGHT OF TRUTH and discovery before them and upon them at every turn of their slithering pathway, respond as required and MOVE ON

in positive service unto GOD—judging not, discerning all and acting in constant presence of LIGHT and open truth. Evil will not move into the revelation of LIGHT—for it must be fed and nurtured by deceit and hidden agendas—ever fearing discovery by ye who dwell within the circles of Light.

E.J. has pointed out that you ones who believe to move in this valley somewhere “out from the others”, deceive selves. You are sitting ducks for attack and capture—right to destruction and loss of position within the realms of our service. If you do not remain close to one another while the assaults are afoot (which will ever be henceforth) then there is no way to protect you—for you have chosen to relinquish the protection whether or not you are in realization of same. If you choose to do these things in spite of my warnings—you PROVE that you do not serve me nor believe me—and I will tell YOU—you will NOT BE PROTECTED. It is time you each make your decisions and choices of service OR physical human “druthers”. You become involved with persons and things and lose your ability to remain within the circle of protection and unless your “example” is one of truth according to perception of God’s Laws and Truth—you are NOT OF GOD—you are only a broken reflection of how you “want it to be”. Hard? No, just required. I do not simply ask or demand that you live as I “say”—I REQUIRE THAT IF YOU SERVE WITH ME—YOU LIVE AS I LIVE—TO THE VERY BEST OF YOUR CAPABILITY—YOUR CAPABILITY BEING FULL PERFECTION SAVE FOR YOUR UNWORTHY THOUGHTS AND ACTIONS. WITH YOU OF MY TEAM—THOSE ACTIONS ARE DELIBERATE IN EVERY INSTANCE—regardless of that which your lips present for the others to see and hear. If you would take from another that which is not yours—it is against God. If you bed another man’s wife, it is against God. You ones can make any “claims” and “bend rules” all you wish—IT DOES NOT MAKE THE EXAMPLE UNTO OTHERS THE ONE TO FOLLOW AND IF YOU CANNOT FOLLOW YOUR OWN EXAMPLE—YOU BRING EVIL INTO THE PERCEPTIONS OF OTHERS WHO WATCH AND EFFORT TO DISCERN.

What another does is not “your” problem but one who will not live that which he claims to be, is not worthy of anything save censure. YOU KNOW OF THAT WHICH I SPEAK—EACH SEPARATE ONE. IF YOU TAKE NOT THE WHOLE OF THAT WHICH IS OFFERED IN WISDOM—LOOK NOT WITH LONGING AT THAT WHICH IS THE SUPREME GIFT FROM GOD—FOR YOU ARE IN REFUSAL.

In all this message I have not said—wear a pious face or movement—that is LIE! Human is EXPRESSION OF LIFE—and if you cannot express in God’s open manifestation without lying and wearing a falsely pious appearance—forget my brotherhood—for you have refused the lessons of God. Look carefully at your own “track record” and that of another with whom you share or would share your very existence—how do you add up in the “wisdom” and “success” departments?? If you are married, how is your relationship? Is it Godly—or convenient for the physical expression? If it be Godly it will be ALL. If you dupe another or be duped by another—you need a lot of learning

and expressing before moving into contractual idiocy. If you want more from a mate than from a friend—you have the WRONG NEEDS AND INTENT! THIS KIND OF RELATIONSHIP REQUIRES NO VOWS OF MARRIAGE, NO PHYSICAL CONNECTIONS, NO PAPERS OR DEMANDS—JUST THE ALLIANCE OF TRUTH IN SPIRITUAL MUTUALITY. I FIND THIS NOT AMONG MY OWN SMALL TEAM.

Would this mean that I would move away from you who might “fall short”? No, it does, however, mean that you who continue to deliberately “fall short” will probably move away from me—some remain in my circle to “show me” right now. It is sad for it does “show me” but I think what is “shown” is not what is intended by the sender in the game of “get Hatonn” or Hatonn’s agents.

I am going to ask you something very bluntly: IS DHARMA PERHAPS HATONN? Is Gunther Russbacher perhaps actually myself in presentation of acceptable form? Is it that I am Eustace Mullins or E.J. Ekker? HOW DO YOU KNOW? WHICH WOULD YOU RATHER I BE IN PRESENTATION? SOMEONE YOU KNOW OR DO NOT KNOW? “HOW” DO YOU KNOW? FOR EXAMPLE: HAVE YOU TREATED DHARMA IN EVERY WAY AS IF SHE HOLDS ALL KEYS TO THE KINGDOM OF GOD AND WOULD WANT TO OFFER THEM UNTO YOU FOR PASSAGE AND REWARD? HOW ABOUT ANDY? HOW ABOUT LUKE AND TYLER, ALYSSA AND OUR UNBORN BABES. HOW ABOUT “PEANUT”? DO YOU TREAT HIM WITH THE RESPECT AS IF HE WERE “ME”? Why not? You expect me to treat each of you “as if” and without demand of presentment. Remember, you who might be in a room with me or simply reading a message as typed and presented—my words are for the multitude—NOT THE ONE! If you be without error in action and perception—you have nothing over which to be annoyed in this statement—DO YOU?

Well, be glad I am not Dharma as such for without me in differentiation, she would simply call a halt to this old game and go home and you ones could go struggle with George Green. I am constantly interested to note that you who hear so graciously from this liar and thief, do not respond to him! Why do you not respond to him? Do you somehow believe his assaults and lies? Do you wish no responsibility? Why should Ekkers longer deal with this dreary thieving cheat?

I am not bringing this always into the conversations for confrontation to reprimand, demand or otherwise—I WANT YOU TO LOOK WITHIN AND SEE WHY YOU DO NOT PUT A STOP TO THE LIES AND THEFTS! YOU!! This is not for Dharma and E.J.—they are the ones who have provided that which can give you life and abundance. They have asked for and gotten, nothing save headaches and a joy of mission served—in worthiness. You have allowed my very books of Truth to be held in hostage for years—by the adversary who would have all silence on Truth. Why do you not, as a team circle of worthy receivers, GO GET THOSE BOOKS AND ASSETS THAT THIS MAN HAS STOLEN FROM YOU? Dharma and E.J. gave away the assets TO YOU—must they pay and repay and give and regive and then go solve all the riddles and puzzles ALSO? WHY

WOULD I MAKE MORE AVAILABLE FOR YOUR USE WHEN YOU DO NOT ATTEND THAT WHICH I HAVE MADE FOR YOUR USE AND PURPOSE? PONDER IT FOR IN THESE DAYS—THESE SHALL BE THE JUDGMENTS OF ACTION WHICH I AM REQUIRED TO ATTEND IN THE PLACING OF MY TEAM IN RESPONSIBLE POSITIONS.

Is it not enough to attend the courts as the assaults continue against the Ekkers? No, it is not, for if you would act in responsibility of information and writings, demands and confrontation as “CITIZENS”, it would never have come to such confrontations in “fixed” courts. But YOU have to do—you have to act and follow through—for what do you wait? This, too, is not for ALL; I have been offered by ones to actually purchase the lot which causes the confrontation—but the purchase of the lot IS NOT THE POINT, can you not see? It may come to that to allow our work to get done but IT IS NOT THE PROBLEM! Until you go after the ones who are the problem and reveal their evil—you will have no rest in the garden, my friends. Paying infinitely to lawyers will not do it—for therein lies the assurance of evil’s success. But from the “law” can you know your actions which will give success. HOW LONG WILL YOU WAIT? Oh, you think you have no important ideas or power? FORGET THAT OLD DRIVEL—YOU GOT GUNTHER RUSSBACHER OUT OF PRISON AND HE WAS WANTED BY THE ELITE TO REMAIN IN PRISON OR IN DEATH FOREVER! THE PEN IS MIGHTIER THAN THE SWORD, MY FRIENDS, AND UNTIL YOU ARE WILLING TO PUT YOUR NAME ON A LINE AND TAKE UP THE PEN—YOU SHALL FOREVER BE IMMOBILIZED BY THE THREAT OF THE EMPTY SWORD! YOU WANT GOD TO PUT HIS NAME ON THE LINE FOR YOU—WHEN WILL YOU PLACE YOUR FOOT AND NAME TO THE LINE FOR GOD?

You claim to want spiritual input and less dreary and terrible focus on worldly blight? Really? Are you sure? If you think I am harsh on matters of evil and earth-ways—just wait until I tell you how it IS in spiritual TRUTH!

Gritz said that you can “buy a ticket aboard”! Well, if that is the perception of Col. Gritz, get on your knees and thank GOD THAT THERE WAS WISDOM ENOUGH TO TAKE HIM OUT OF THE RUNNING FOR LEADERSHIP! He’ll have to use the “cheap seats”, he said; well, it’s “my” ship and he may well find NO SEAT AT ALL AS HE IS GOING ABOUT HIS WORKINGS. As he lives one example, claims another and thwarts goodness while backing evil actions at the expense of God’s people—he presents actual manifestation of the LIE that has destroyed the spiritual TRUTH for mankind. I ask that all of you remember something—man is mortal! I don’t care what man to which you refer! Jesus Christ was MORTAL. HE PROVED IT TO YOU! SOUL IS IMMORTAL and I suggest that when a man begins to think that he is immortal in his conscious adventures—he had best be most careful for that which preserved his life for later use by God—may well have been removed. Two things happen in that instance, the physical body is vulnerable to death and destruction—AND the soul essence must pick up activities in “learning” where the body dumped it out! In some instances of

further expression of soul—it would be more COMFORTABLE if there was actually death of the soul also for it is the failing of soul which brings infinite sorrow or glory—the physical expression is nothing! "Deny me and I shall deny you before my Father," said the Lord God Christos. It is worthy of note.

Gritz further says to his listening audience that "God is a she—Doris Ekker." Oh? Well, then, all of you better go back to the early paragraphs of this writing, had you not? However, to rest Mr. Gritz's foolish showing of ignorance, I would remind all of you that GOD IS ALL—THAT MEANS "ALL". Whatever Dharma (Doris Ekker) may claim in her work—IT IS NOT THAT SHE IS GOD. From whom do your preachers, and even Mr. Gritz, claim to hear in spirit? Oh, is it that if you hear Jesus or God within that you somehow CLAIM TO BE GOD OR JESUS? How ignorant can a supposedly self-styled authority be?? In fact Col. Gritz AND Mr. Green, Mrs. Green, et al. claim to receive messages and instructions, speakings and sharing from this "Jesus Christ". Do I suppose that Gritz IS Christ? By his own words, then, he MUST consider that HE IS JESUS, IF HE CLAIMS CONNECTIONS. I do not, however, blame Sir Gritz, Green or any of those who toss stones at my messages—WHY DO ONES CONTINUE TO ASK SUCH QUESTIONS OF THEM? If people cannot discern and recognize TRUTH—why would the opinions of "ANYONE" make a whit of difference? You cannot judge my being on anything less than the WHOLE and if you have no time to find the truth in that which I bring forth—YOU HAVE NO BASIS UPON WHICH TO JUDGE OR DISCERN ANYTHING—MUCH THE LESS—

GOD! WHAT HAVE I DONE TO MERIT SUCH JUDGMENT? FROM WHOM? IT IS MOST EVIDENT THAT THOSE WHO SPOUT SUCH AUTHORITY WITNESS ONLY LIES AND IF ANYONE LISTENING AND KNOWETH GOD—SEES AND HEARS THE LIE. FURTHER, IF ANYONE HAS READ ANY WRITINGS OF MY OWN—THE LIES PRESENTED ARE EVEN MORE EVIDENT AND BLATANT. I AM NOT IN HUMAN FORM—I TRAVEL WITH JESUS THE CHRIST—AND TO SAY I HAVE CLAIMED OTHERWISE IS STUPID INDEED. SOMETIMES THE ELEVENTH HOUR IS TOO LATE!

Ones such as Col. Gritz have diarrhea of the mouth in authority of God's coming, God's experiences, the end being at hand, and on and on ad nauseam. HOW DO YOU THINK HE THINKS GOD IS COMING? WOULD GOD COME WITHOUT WARNING? AH INDEED? NO, HE WOULD NOT! HE HAS PROMISED THE HOSTS AND ANGELS OF THE WARNING AND "MAN" AND MR. GRITZ HAVE DECIDED HOW IT WILL BE—WELL, IT WON'T BE THAT WAY, GOOD BUDDIES. So, will you travel with me who offers Goodness as the ONLY pathway to sure survival and passage—OR, will you go with the "authority" of self-styled know it alls, who practice not even that which is presented as the laws of God? These ones do not even live their own toutings but deceive their listeners for their own comfort and gain. So be it, citizens of man, for the clock of evolvment is ticking.

May the remainder of your days of manifestation hold WISDOM and REASON—for therein lies the path within TRUTH. So be it—to each his own. I offer my hand in giving—I can do no more and I shall not ask more of my people. Salu.

# After - "Shocks" Of The Recent Los Angeles Earthquake

*Geez...talk about coming in "just under the wire" with a writing for press!*

*This writing by Commander Ceres Anthonious ("Toniose") Soltec, head of all geophysical activities related to planet Earth-Shan's transition, arrived after we had already completely finished putting together this week's CONTACT.*

*Nevertheless, it had to get included—somehow—because of its timely subject matter and further warnings. We made it.*

*For you genuinely concerned readers who are causing our telephones to collapse in exhausted fits of nervous ringing, we are thankful to report that ALL of the local Tehachapi "ground crew" is alive and well after the serious "wake-up" quake early this morning emanating from Los Angeles, and there has been NO real damage around here to speak of...except maybe to nerves!*

*Thank you for asking...and let us all say a little prayer for those in Los Angeles.*

*-- Dr. Edwin M. Young, Editor-In-Chief*

**1/17/94 #1 SOLTEC**

Good evening, Toniose Soltec, present in and with the Radiant Light of Holy God of Creation. Yes, it has been a bit of a stretch since last we sat to write, however, the events of this day in the Los Angeles area have prompted this scribe, Kali, to request some words to be given forth to those who are in a *state of shock* and confusion—for there are many in that place who are in such a state this evening.

An earthquake of magnitude 6.6 struck this morning at 4:31 A.M. Pacific Standard Time, along a small, until now unknown fault. That is, it was unknown to your scientists until this time. However, if you ones will recall that several months ago, we wrote that many *undiscovered* smaller faults have formed beneath the Los Angeles area and these would be those which would precipitate great problems once this cycle of Earth changes got into full swing.

Welcome to 1994, chelas, and the year which will be looked back upon as the year it all began to come undone.

For months upon months we have been attempting to reach those of you who insist upon continuing to remain in these volatile areas and, in the past year, look at that which you have endured: the riots and their resultant fires, the flooding of 1992, the wild fires of 1993 and now you are going to begin a series of earthquakes and shiftings in this place.

Your planet is in the process of a cleansing at present, and that place known as Los Angeles is in dire need of the cleansing, for it is a place of much greed, lust, materialism, self-indulgent egotistical ways and unsavory deeds of every kind. You ones have not listened to the gentle nudgings and teachings which have been pouring forth for years now, so your planet is going to get your attention one way or the other. You were told that you could choose to learn your lessons either the easy way or the difficult way. **It would appear that the latter has been chosen!**

You have received warning upon warning and still you continue in your old ways, not

wanting to have your lives interrupted for one single moment.

Well, precious ones, guess what! Your planet has other ideas, and now you are going, I fear, to suffer the consequences of your choices!

Your own scientists are now telling you ones that this earthquake of today did nothing to relieve the stresses which have been building up all along the San Andreas Fault; rather, it has added to the already bulging stored energy of this giant fracture.

Today, your own seismologists were warning that a GREAT EARTHQUAKE of 8.0 or greater is far past due in this area, and that within the next ten to fifteen years, an 8.0 or greater is also due to strike the San Francisco Bay Area.

That flurry of small earthquake activity which preceded the event of today should have been ample warning to any who have bothered to read the material which has been presented previously that a significant seismic event was in the very near future for California.

Now your scientists are scurrying to find out everything that they can about this newly discovered fault. Moreover, if they are truly thorough in their studies, they are going to discover MANY OTHER small faults that lie beneath the entire Los Angeles Basin area. These small faults have never been considered any real threat by most—yet, as we wrote in the past, **THESE ARE THE ONES WHICH YOU HAD BETTER BE WATCHING, FOR THEY ARE GOING TO BE YOUR EARLY WARNING INDICATORS FOR GREATER ACTIVITY ALONG THE LARGER FAULTS.**

It is not over by a long shot in this area and, if you have noted, **THERE WERE ALSO** earthquakes reported out of the states of Washington and Oregon this same day, as well as in Northern California. Chelas, these are indications that the Pacific Plate lurched forward a goodly amount (estimated two to three feet) and slammed into that little Juan de Fuca Plate off of the coast of Washington and Oregon. We have also written extensively on this subject in the past.

Some buildings in the immediate area of the epicenter jumped from their foundations as much as six feet one direction and then six feet in the opposite direction. You have extensive damage to your freeway systems, your power systems, your phone systems and a multitude of businesses of all sizes. Fires and floods occurred in widespread areas due to the severing of water and gas mains. This night there are well over **500,000** people without power and **many thousands** are in the streets or in public shelters or with friends and families—because either their residences are unsafe to reenter or these ones are simply fearful of returning home.

People were standing in lines to enter supermarkets to purchase water, canned goods and batteries. All these items are those which we have tried to hammer over and over and over again to have ready for use—for you have been told that this day was soon upon you.

Am I trying to rub salt into the open wounds by reminding you ones of all that you have been told? **NO! I AM MERELY ATTEMPTING TO GET YOUR ATTENTION AND TELL YOU**

**THAT WE HAVE NOT BEEN PLAYING GAMES WITH YOU AND WE HAVE NOT BEEN WRITING ALL THIS INFORMATION TO FRIGHTEN YOU OR TO SOUND AS DOOMSDAY PROPHETS. WE KNEW THESE EVENTS WERE COMING AND TRIED TO IMPART THE KNOWLEDGE UNTO YOU ONES SO THAT YOU WOULD BE PREPARED AGAINST THIS SORT OF THING!**

**I AM NOW ONLY REVIEWING THAT WHICH YOU HAVE PREVIOUSLY BEEN TOLD, HOPING THAT THERE ARE AT LEAST A FEW WHO ARE FINALLY GOING TO PAY ATTENTION TO THAT WHICH WE ARE ABOUT!**

**PERISH IF YOU WILL, HOWEVER, IT IS OUR DESIRE THAT AS MANY OF YOU SURVIVE AS POSSIBLE! THAT IS OUR TASK. THAT IS OUR MISSION: TO GET AS MANY OF YOU THROUGH THIS ALIVE AND AS WELL AS IS POSSIBLE.**

**WE CANNOT, HOWEVER, BEAT YOU OVER THE HEADS. WE CAN ONLY CONTINUE FOR A SHORT WHILE TO GET YOUR ATTENTION—BUT WE CANNOT AND WILL NOT FORCE YOU ONES INTO ACTION! THAT CHOICE, DEAR ONES, MUST BE YOURS AND YOURS ALONE!**

The fault that caused all the nasty trouble today is known, in your terms, as a "reverse-thrust" fault. Basically, it is a fracture where one section of land overrides another section of land in an upward thrusting motion. That is what occurred in Los Angeles today. A section of land lurched forward between two and three feet within a time period of approximately ten seconds. The other thirty to forty seconds of motion was the resultant waves of released energy which radiated out from the focal point and back again.

There have continued, throughout the day and evening, to be aftershocks from this event—at this counting, the aftershocks are in the SEVERAL HUNDREDS, with several of these in the 5.0 to 5.5 range! You can expect this same action to continue for well into the next 72 hours, or longer.

The greater problem, as we see it, is the area of the San Andreas Fault which has been in a locked-up state for many, many years. That section of the Fault was impacted today by the movement of the land, and added **YET FURTHER** stored energy to that locked-up segment. How much pressure can it withstand before it blows? I would say that it is just about at its maximum capacity—so stand by, **IT IS NOT OVER BY A LONG SHOT!**

We need to get this off the machine and get it into the works. I have nothing more to add at this time, but we will remain at standby.

**PAY ATTENTION** to your inner feelings, chelas, for many of you have anticipated this event. However, many of you have misinterpreted your promptings, while others have simply ignored them. **YOU** are connected to your planet in a symbiotic relationship, and that which **YOU** experience is in direct proportion to that which your planet experiences and vice versa. Do not ignore those inner promptings and nudgings—for they shall not fail you in a time of need, regardless of what that situation might be.

Toniose to standby. Salu.
