Latest On The Satanic

Project Monarch *Mind Control*

3/29/95 #1 HATONN

REGARDING: SATANISM & BRAIN CONTROL

More and more information will be coming out on "Satanism" as a ritualistic practice in all of the media and press as you move along here and more information is revealed about high Government officials, et al.

I would like to finish this preliminary outlay on Brain Control as presented through first-hand experience recall of Cathy O'Brien. We will be sharing a lot more of her experiences as well as other uncoverings by Mark Phillips.

[*Editor's note: While we're on the subject, three excellent summaries, "hot off the press", follow this writing by Commander Hatonn, on pages 23-25, from CONTACT's own ace reporter on the scene, Rick Martin, as well as from Mark Phillips and Cathy O'Brien, reporting and reflecting on their just-completed and immensely successful mind-control professional conference.*

What an event! The quality of those in attendance tells it all. Mark and Cathy and colleagues are to be heartily commended for taking such a visible and solid stand, determined to get the truth out in the open.

And, as Rick says with a heavy heart: the extent of the shenanigans revealed both in public sessions and private meetings at that

conference are way more shocking—if you can imagine that—than what we have been sharing over these past several weeks of disgusting Monarch material from Cathy and Mark. Indeed, public exposure is the first step and single most powerful tool in the fight to stop such monumentally satanic technology from further use.]

There are a lot of people getting into this deprogramming field and, frankly, I don't like what a lot of them are doing as they become so angry and repulsed by the participants that they can hardly keep from throttling the tweaked.

McMARTIN PRESCHOOL CASE

Let me example: You all are familiar with the McMartin pre-school center in Los Angeles and the trial that ensued. Well, the FACTS AS UNCOVERED never got past the District Attorney. There were underground ritual centers found, there were "distant" centers located where children would be FLOWN by plane for rituals, filming and to be threatened as they witnessed ritual murders. Those children could, and can, describe exactly how a baby's brain can be removed from the skull using a pencil.

Hints On The Road To Good Health

SILVER AND GOLD HAVE I NONE—?

Ah, but you DO! Silver, gold and diamonds are the stuff of the stars, my friends! We need a chemistry lesson this morning so that I can tell you why some things are banned from your possession but WHY the elements in point cannot be "regulated" to totally "remove" them from your use.

To PERFECT a "body 'cell' " you must have a DNA-RNA STRUCTURE (atomic and sometimes "split" atoms). You think this impossible? Perish the thought, students—God produces machinery that does EXACTLY what He wants it to do—splitting and "changing" atoms is one of its major jobs. You want, in your limited knowledge, to blame everything on "genes". That is a good start for understanding living organisms but there are several things which must be present to produce PERFECTION. GOD PRESENTS PERFECTION—YOU TAMPER THROUGH ANY NUMBER OF WAYS AND PRODUCE GLOBS OF MUTATED CELLS.

WE are NOT trying to produce anything except an enhancement of your natural body resources and a way

to hopefully decrease the numbers of invaders. However, you have already BEEN INVADED. Your NUMBER ONE invader of visible signs are the parasites. These parasites are arriving to you and within you in many ways—but the water systems are the major carriers of the little hard-shelled visitors. Then, in the nice parasite environment prepared for them by your foolish ways—the babe arrives and is well nourished within your bodies and they themselves become the "carriers" for any number of other little critters of the single-cell variety, in particular, AND OF COURSE, THE CRYSTALLINE VIRUSES. There they sit and give off toxins which further destroy your body or change the levels of organ functions, shut down some systems entirely and then harbor themselves in such as the spleen where your new blood supplies are given full cellular DNA. It happens in other organs as well, but the spleen is the major blood DNA-production recipe center.

Flukes and other vermin cannot live in the presence of some things but thrive in the unbalanced environment now presented as YOUR BODIES. A healthy body can live long and productively WITH your house-guests but some things simply enhance their health, also. So, as we attend the whole system we have to consider these things carefully.

The water treatment systems are deliberately

handled with products that don't kill off the healthier parasites and the more "resistant" "bad boys" of the microbial garden will move within the parasite protectors or simply avoid the "treatment regime" and pass right on through. Now, after surviving antibiotics and treatment regimens, when introduced in large numbers into a body, they are ready to divide and multiply—to add and subtract whatever they need for taking the system.

YOU ARE THE ALIEN PROBLEM IN "SPACE"

When the statement by Esu "Jesus" Sananda, "I go to prepare a place for you," is considered, what can that mean? For one thing it means that mankind is so riddled with infectious disease organisms as to be totally devastating to alien counterparts. Not, however, in the way you believe. You can be disinfected through LIGHT and in several other ways, but primarily the aliens themselves will have total immunity TO YOU. How can this be if they, too, are also humanoid? Because of their balanced makeup for their own environments. Even in the etheric planes the energy AURAS will reflect the status of etheric well-being.

The more nearly perfect the "white" (all colors) of the aura, except for recognition energy emission (personality?) the higher the level of dimensional growth and balance. An etheric being, for instance, cannot have parasites of a "physical" form because there is no "substance" on which to feed the low-life-forms.

There are two ways to go with this problem within three dimensional expression: One, enhance the condition so that the parasites become the host as well as the sucker. Two, Deprive the parasite of fuel (in politicians, it's called money) and/or feed them what kills them—like things they THINK they want—but are deadly to them—ah yes, silver and gold and transitional elements.

The perfect "POT" for the production of perfection would hold silver, gold, iridium, carbon (diamonds), hydrogen and oxygen along with the perfect earth or atmosphere array of basic elemental cell foods (minerals and vitamins) Even the amino acids would form for themselves in this perfect pot of soup.

The problem is that you as a living organism cannot handle the products as they arrive at your door. A fully functioning body, adorned let us say, with trinkets of gold and silver—WILL WASH (CONVERT) ATOMS OF THE METALS TO ATOMIC PARTICULATE AND ABSORB THEM. This is WHY jewelry was only available to the Elite throughout the history of mankind. They planned on eternal, but ignorant, life from the "precious" metals. So why diamonds? Because they have the capacity of STORING PROGRAMS AND DNA INFORMATION. So, I would certainly have some diamonds around to use—or a bit of coal—charcoal is fine. Remember, diamonds are but coal under pressure and heat (similar to an "expert" which is usually only an out-of-town drip under pressure). Today, Dharma feels like both an expert and a diamond.

VITAMIN B-6

This cute little substance is called some elaborate label such as Pyridoxine Hydrochloride (or something similar—it doesn't matter) and it has absolute functions which no other element can handle. There is now

a new set of symptoms being noted wherein people are becoming violently ill, allergic to things formerly non-bothersome and finally, SICK! This continues even though the "vitamin" in point is added. Why? Because the body stops being able to handle and use the B-6. Why? Because the PARASITES that now take the B-6 put out inhibitors (blocks) which stop the body from processing and utilizing the B-6. The toxic buildup continues in efforts to saturate through more intake.

So, back to the Gaiandriana and the drias. You MUST have the BALANCED cells which reprogram your own cellular makeup in replacement of broken or damaged cells, nonfunctional cells and mutated cells. They can bring the balanced products back into the body. However, if you are simply feeding your parasites—you have a hard way to go. Then if you do not replace the substances in a useable manner, you will remain UNBALANCED but able, for the most part, to EXIST. However, overwhelming assault by the "enemy microbes" will getcha if you aren't prepared. The immune system must have "time" to respond and finally slough off the enemy invaders. So, often the initial wave of attackers CAN and SHALL get a lot of you even if you are good little campers.

ANTIBIOTICS

Antibiotics have only built up a stronger and more resistant set of attackers and the tamperers have developed cross-breeds which are deadly in mass and to a host unprepared. There are, however, some substances that are quite normal which, through electrolysis or catalysis, are rendered quite useable for you but your visitors can't stand them. I chuckle and usually say that if you wore your pretties on the inside instead of the outside you would be fine. That, of course, is not practical, is it? However, the very digestive juices that break down food would produce a proper amount of gold or silver—BUT the rest of the system would simply pass it on through in lump form. By that I do not mean exactly what you perceive—it will just finally pass the necklace or dime on through. THIS IS ONE OF THE REASONS HIDDEN FROM YOU, HOWEVER, THAT ALLOYS HAVE BEEN PUT INTO YOUR COINS. THOSE ALLOYS ARE NOT HEALTHY—THEY ARE CHOSEN TO BE QUITE TOXIC IN A STOMACH ACID BATH.

WATER TREATMENT

When I advise as to water treatment and I suggest specific things I do so for very good reasons. I suggest that you ADD hydrogen peroxide in little amounts to "purify" the water as in "treatment"—seven drops of FOOD GRADE 35% hydrogen peroxide per each gallon will do it. Then I always suggest you use a BRITA filter pitcher. Guess what, the filters are charcoal treated with some kind of silver additive. Even the flukes don't

like the combination. However, it is not enough to supply all the elements your body needs for its own enhancement. I recommend that, if you use an OSMO-SIS-type water system, you put the hydrogen peroxide in the water ANYWAY for microbes build up in the storage tank and some things still pass through the filter. However, the elements and minerals you need are often filtered OUT and you need those minerals. If all you drink is distilled or osmosis-treated water—YOU WILL BE DEFICIENT OF MINERALS IN A BIG WAY! EVERY MENTAL DISEASE WILL BE WORSE-ENED WITHIN MERE DAYS. There is one thing in getting back to "BRITA", and I don't have anything to do with the company and don't know about other systems for this one has fit our needs in both quality and cost. The impregnated silver particles and the charcoal cause a reaction and filtering system which removes a lot of the lead and copper and converts it to inert substance or traps it. This is why it is important to change the filters regularly even though they seem quite "clean". We are not in competition—our only thrust is to as cheaply as possible offer what we KNOW you need. If we ever can get funding to build plants of large quantity production, we will go into competition. However, count on it—we will be the leaders because our companies will not operate as the owners are greedy men. The companies will own themselves and the proceeds are returned to the customer and workers. That is a discussion for another day.

OTHER RECOMMENDATIONS

Therefore, for you who are interested, I suggest you get rid of the parasites and New Gaia Products has what you need [*GaiaCleanse*] to do that at the most reasonable price ANYWHERE [*see pages near back of paper*]. Then, this week they will have what you need add, as you do H₂O₂, by the drops to your water, food or whatever [*OxySol*]. You will be doing two things: one, treating the water for possible hobos and getting the trace elements your body MUST HAVE. I have asked that the FOOD GRADE hydrogen peroxide be started at a level of the 35% which most of you already use in your water storage and carry to restaurants. No, I do not advocate the typical massive use of hydrogen peroxide, ozone, oxygen or anything else you silly children use. Enough is quite enough. Go in proper SEQUENCE and you will be fine without having to attend OVERUSE OF ANYTHING.

We have to do the breakdown of the elements but New Gaia Products will keep the prices as low as they can and meet the added payroll problems. It would be lovely to give everything away but in this world that is quite impossible, is it not? I do find that colloidal silver is, for instance, going for a minimum of \$20 per four-ounce bottle (and as high as \$40). I know that Gaia can beat that and have colloidal gold in the solution as well.

Bear with us as we see what can be done. We will start at cost of necessary products and then you will have to bear with us if the price has to be increased. Our people do not do this to line their pockets; they do it to line your minds and body so that we have a team when the time arrives for needing same. REMEMBER: I HAVE BEEN SENT TO PREPARE THE WAY!

We are NEVER going to break any laws or offer ANYTHING which remotely causes the regulators to give us any attention and, if they do—welcome. We could just suggest you go eat dirt with the proper minerals, etc., included, but it grinds on your teeth and still doesn't get rid of the creepy-crawlies.

I am going to leave this subject as we have a meeting to attend and a lot of other fires to extinguish in legal circles in the attorney playgrounds here and there. Would it not be wondrous just to be able to focus on our mission? Me too!

I have one last petition to share with you from one of my team crew-members. I shall take this up as soon as I can do so. Everyone who attended our meeting Sunday evening, after the tape ran out, will find my response repetitious.

The following arrived yesterday:

[QUOTING:]

Dear Sananda, or Hatonn,
(All the first paragraph is scratched out in an effort to spell "working").

I am work ing on my Wolf Badge for Cub Scouts from my Duty to God achievement. I need to find out (scratch, scratch) how I can helpmy church or religious fellowship. Can you tell me what my duty is? Love Josh.

(PS) Hi God.

[END OF QUOTING]

I leave YOU to ponder this letter. There is no greater honor afforded me than to receive some type of recognition from a friend. Thank you, Josh. I shall respond as quickly as I can do so. God is that which, in your highest truth, you effort to attain! God is that which gives us the ability to know and seek that truth. God is the forgiveness of action and SELF that allows us to fail and then go on. God IS that Lighted giver of life, that CREATOR of beauty, be it through the mind of man or the natural beauty of all living relations which is ALL. God is that "Father Creator" who allows us errors, learning, tantrums and then loves us, disciplines us and strengthens our ability to follow those stars and dreams of soaring through the HEAVENS instead of slopping around in the gutter in the dark of night and ignorance. GOD IS LOVE BEYOND THAT WHICH IS "IN LOVE"—GOD IS THE LOVE OF A PARENT FOR A CHILD (LIKE YOU—EVEN WHEN YOU ARE IN A FIT OF RAGE), GOD IS TRUTH (EVEN WHEN WE LIE), GOD IS THAT WHICH WE MUST ALL EFFORT VERY HARD AND WORK-AT ATTAINING, THAT BY HAVING PASSED THIS WAY ON EARTH—WE HAVE MADE IT BETTER FOR OUR HAVING COME. YOUR DUTY, SON, IS TO BE "JOSH"—THE BEST "JOSH" THAT YOU CAN BE. ACCEPT THE LOVE THAT IS OFFERED TO YOU FOR YOU DESERVE EVERY BIT OF IT AND PASS IT ON IN GENEROSITY AND SHARING. LOVE IS ONLY GOOD IF YOU GIVE IT BACK AND KEEP GIVING IT AWAY. IF YOU GIVEAWAY ENOUGH LOVE—YOUR OWN CUP SHALL BE FOREVER RUNNING OVER.

I love you exactly in that way, Josh, and you have filled my cup with your gift—and I treasure it beyond your understanding—BUT MOM AND DAD CAN EXPLAIN IT TO YOU!

I salute you, Sir, for I see that you have come a long, long way into maturity and we shall see that you get the balanced things you need to grow strong of body and especially strong of mind, heart AND SPIRIT.

The Valley Of Radiance

Part VII: Esu "Jesus" Sananda Continues Teaching

3/30/95 RICK MARTIN

During the month of July, the legal pressures from the house never let up for a moment. Through it all the WORD continued to pour forth. Each of us worked throughout our days and weeks at whatever task was at hand. Meetings with Hatonn seemed to be somewhat reduced in frequency due to the heavy volume of writing which Dharma was now receiving from Sananda.

The nature of the material being offered to us was such that I, and others, would withdraw into deep reflection to give careful thought and consideration to each lesson so generously given.

On Friday, July 14, 1989 Dharma received the following. [Quoting:]

IN PLEIADES I AM CALLED JMMANUEL. "AND HIS NAME SHALL BE CALLED IMMANUEL (WONDERFUL)". I AM THAT ONE. YE HAVE LABELED ME JESUS, ESU, ESA, ISA—MY FATHER CALLS ME SANANDA.

Dharma, today we begin to separate more distinctly, fact from the fiction. You will lose great bondings because of what you shall be told and that which you will put to the records. I protect you, child of Earth; do not leave of me. Guard these words well as it is not time to bring them into public knowledge lest ye be subject to destruction attempts.

There are many of your years wherein I was recorded as "missing" from your places during my duration on Earth two thousand years ago. It was known that it would be near two thousand years before the truths would be brought forth. I understand not why

man hides his face from truth for it is so glorious and wondrous and man could be as the Lords of the universal realms if he would but "see"!

All Earthly experience is in darkness of ignorance and forgetfulness, but the decimation has become so great, and the abrogation of God the Father's Laws so contemptuous, that ye near the ending of this sojourn.

There are ones to whom I will give credit where credits are due but for this moment in sequence I shall protect them by silence. I shall be in the telling of who I am and from whence I came and went. These truths will not be suitable to Earth leaders; mind thy tongues and use discretion lest ye lose of thy workers before we can do of our necessary works. These things shall be shared selectively and put away for future utilization. They can be brought forth in massive format when your brothers of the Cosmos make entry.

As I was about the age of accounting and about my Father's business, I was with the one called John (the Baptist) who sanctified my presence and acknowledged my lineage.

After I was baptized and I emerged from the waters of the River Jordan, a wondrous craft came for me that man might know his wondrous birthright and that which would be his inheritance. Oh, but those who had come to the river proclaiming God and to assume baptism in His Holy Name, would not hold up their faces; they fell to the ground and buried their faces deep into the sands and hurled themselves into the river waters.

From the craft my Father spoke to those ones gathered there and said: "This is my beloved son in

whom I am well pleased. He will be the King of Truth, who shall lift this human race to knowledge." So be it and so shall it be, even though it requires three thousand years for the fulfillment in total wonder and beauty. So shall it be, for I now return to finish that which was begun so long ago. And ye ones have been sent afore me and the Hosts of Heaven will come with me.

I was taken into the glorious ship and traversed the universal seas with my Father that I might remain with Him for some Forty of your days of study and enlightenment. No one upon the surface of the planet knew of that place where I was taken to receive the secrets of wisdom.

I spent those magnificent days with the Ascended Saints of God and the Angels of the Archangelic Realms and with the Celestial Sons learning those things on which the realms of God are founded. I, too, had to come into knowledge for I was birthed for this purpose and I could not believe that man could live as man lives upon Earth or on the other black planets. Lucifer had been cast forth from my Father's presence and was holding captive, the lands and peoples. Great teachers had been sent forth from God to show the way but no one listened or dared act to defend themselves against the power of Satan. I was birthed to be the one who would do these things.

For those wondrous days (universal eons) I traversed the wondrous seas of the universe and studied with my Father's cohans. I traveled unto the ends of the entire Earth and saw great and marvelous wonders. Here, the very doors of heaven opened that I might have vision; I passed through the portals and beheld three

CONTACT: The Phoenix Project

CONTACT is a unique and inspired newspaper for concerned citizens everywhere, though it particularly focuses on the United States because of this country's special mission in the affairs of the world. That is, "As goes the United States, so goes the world."

CONTACT is a vehicle for Commander Gyeorgos Ceres Hatonn's most recent writings on important current affairs, plus those from other en-light-ening sources, on matters critical to a responsible and informed public at this time of planetary transition and final days of battle between the Forces of Light and the "Evil Empire" forces of darkness.

CONTACT exists to counteract the manipulating lies and clever half-truths put out (on purpose) by the regular print and broadcast media prostitutes of the Satanic Elite controllers—parasites who are in the process of economically, physically, and spiritually collapsing this once great country (and actually the entire planet) down to a slave-state level of existence under their diabolical control plan called The New World Order.

This newspaper, CONTACT, began life on March 30, 1993, risen, like the mythical bird, with great determination "up from the ashes" of its internationally acclaimed predecessor called THE PHOENIX LIBERATOR.

THE PHOENIX LIBERATOR, in turn, began life in mid-October of 1991, having evolved from an earlier newsletter called the PHOENIX JOURNAL EXPRESS, which itself came into existence as a faster way to get THE TRUTH out to you readers than was possible with the more substantial "book" format of the PHEONIX JOURNALS. Much incredible ground has been covered so far in that mission.

While the PHOENIX LIBERATOR's motto reminded all that "The Truth Will Set You Free", the CONTACT's motto, displayed prominently in the masthead, takes that thought another important step forward and proclaims: "Ye Shall Know The Truth And The Truth Shall Make You Mad!"

The "Phoenix Project" is about those preparations needed—at body, mind and soul levels—to both understand and survive the great healing changes which are beginning to energize this beautiful little planet, now so frazzled and tortured from abuses of all kinds. We look forward, with great expectations, to the CONTACTing with all of you—a coming together that is rapidly taking place as the entire Phoenix Project "ground crew" continues to connect, solidify, and gain strength through becoming informed of THE TRUTH. Indeed, welcome aboard, friends!

—Dr. Edwin M. Young
Editor-In-Chief, CONTACT

separate visions which were to impact my physical time upon Earth. As big as the area of the Dead Sea, were the visions given unto me.

Radiating therein, was the entire land of Israel, alive and true. There was plant, animal and man—all were therein. Inside this first heavenly door there was no secret; nothing hidden from me; I saw and comprehended even the smallest spaces of the least of the cottages to the most magnificent of the temples. I was given all to know.

Inside the second heavenly gateway there rose mighty mountains, whose tops reached into the sky and disappeared into the clouds. Ah, it was beautiful and my heart sang with the Angels of Nature in glory. Here lay deep masses of ice and snow and nestled there were humans of brown skin who lived differently from those of the first revelation. These ones would be my teachers of Earth and the mystery schools of the Far East as ye would know of it.

Through the third portal of light there was revealed a land of huge dimensions, mountainous lands with rivers, lakes and oceans—this place too, had humans.

Not far, in my mind, from these three heavenly portals was the place of God's dwelling. This was my Father's house. The place of the ruler of all these other places I had been shown. Let us say, it was the state capital or, the nation's capital—the central seat of government.

I sat with my Father and He was magnificent. He was immortal and ancient and seemed to consume all. He was a giant, like the Celestial Sons.

As I was in the palace of Father, there appeared to me, two very tall men, the likes of whom I had never seen on Earth. You must remember I had no memory of that which had been before in my lifestreams. I was of newness, created for purpose.

These magnificent ones had faces which radiated like the Sun and their arms carried such aura that they appeared to have golden wings. I knew these ones would be the cosmic teachers related to Earth, for they had been killed by the world. These ones lived in a separate world of their own type. These two men were from the Constellation of the Seven Sisters, Pleiades, and were sacred teachers. There were, together with the two, two entities with smaller stature who were from Baawl.

I was ignorant, as are ye ones, but the teachers were glorious and patient that I might learn, for my task would be of greatness and difficulty. They told me, and this is Truth, chelas: "People have come from heaven to Earth and people have been lifted up from Earth into heaven. The people who had come from heaven remained on Earth for a long period of time, and grew into a most brilliantly intelligent race of humankind."

Let us understand, chelas, that men created by the Celestial Sons are very different in their own way from the other people of the Earth. These men of Earth of celestial origin, created by Celestial Sons, are most similar to the angels of heaven in frequency and light. As I first saw them I saw but white light with hair as white as wool and radiant in character. I knew that what I perceived as hair was aura of lighted brilliance. Their eyes were as the essence of eternal soul birthed in truth of Light.

I was told that the human races shall keep their inherited beauty, and continue to create. But in the courses of the centuries and millennia, they shall mix with other human races of the Earth and heavens in order to create with the Earth people new human races, and special races, such as are the Celestial Sons. But that would be time distant some two thousand years of counting in Earth time.

I was given to know that I, Immanuel Esu Jesus SANANDA, was created from amongst the Celestial Sons. I TAKE NO NOTE AT THIS POINT, DHARMA, OF OTHER AVATARS OR CHRIST ENERGIES OF EARTH EXPERIENCE; FOR YE CAN ONLY DEAL WITH ONE OF WHOM YE RELATE. LATER WE CAN SPEAK OF OTHER THINGS AND ONES.

I was told that my wisdom would make the impossible possible, and that I would perform acts which would be considered as miracles by the human races but which could be performed by the human if man would but understand. I was warned most critically of the power of spirit and that I must always beware that I not abuse it.

I was told to go forth and share of this wisdom to Earth man that the wisdom which I received through them would serve the well-being of the human races, but the way leading thereto would be most difficult for them as well as for me.

I was told I would not be recognized, just as I now tell you of your station, chelas. I would be renounced, for the human races are ignorant and superstitious, having lived of the Lie.

I was told man believed that God IS The Creation itself, not the ruler of the Celestial Sons and these human races. The people of Earth attribute to Him the omnipotence of the The Creation and glorify Him as The Creation Itself. How can man ever understand God and His beingness?

God is the wondrous essence of man himself; God is all the beauty and wondrous truth of man himself, for God takes residence within His very creation of man individual. Creation is of immense measure encompassing even that which is God the Creator. Creation is infinite. All is ONE but there are two portions which must not be confused. Creator God and Creation are one but are separate in purpose and intent which is totally balanced and acts in perfection of harmony.

"You, too, Immanuel, they will insult as God and His inborn son, and you, too, will be made equal to the Secret Creation," I was told. So be it as it came to be. Man takes a portion which is misunderstood and compounds the errors of his perception.

These wondrous ones sat with me and told me these things:

"Do not take heed of these false teachings because millennia will pass before the people of these human races of Earth will recognize the truth of their own origins and birthing.

"Much human blood will be shed on your account, your blood as well as that of uncounted generations. Nonetheless, fulfill your mission as the Teacher of Wisdom, as the son of Gabriel, the Celestial Son. In the name of God the law was issued to create you so that you may serve as prophet and forerunner of wisdom to this human race.

"Fulfill your mission imperturbable to opposition, to all lack of reason and false teachings of the Scribes and Pharisees, as well as against the incredulous people.

"Upon fulfillment of your mission, centuries and two millennia shall pass before the truth of your wisdom brought amongst the people will be recognized and spread by some people on Earth.

"Not before the time when machines project themselves into the sky will the truth break through, and false teachings will slowly become shaky, namely that you are the son of The Creation—YE ARE THE SON OF CREATOR!

"THIS WILL BE THE TIME THAT WE, THE CELESTIAL SONS, WILL BEGIN TO REVEAL OURSELVES ANEW TO THE HUMAN RACES BECAUSE THEY WILL HAVE BECOME KNOWING AND WILL THREATEN THE ORDER OF HEAVEN WITH THE POWER THEY WILL HAVE GAINED!"

Thus did they speak to me, the Celestial Sons, between North and West, before they returned me to the land known as Galilee.

As I searched for the one, John (the Baptist), I learned he had been imprisoned. I left the place of Nazareth and came to live in Capernaum by the sea, in the lands of Naphtali and Zebulon.

I then went out among the people as I had been instructed. I started to teach and tell the people to come back away from their errors of actions—return to truth and knowledge, for they alone bring you "life".

As I went along the Sea of Galilee, I came upon two

brothers who were named Peter and Andrew of Simon, and they threw their nets into the sea, for they were fishermen. I spake unto them and asked them to follow me that I might make them fishers of men. So be it, Dharma, and so it is, beloved one. They soon left their nets behind and walked with me.

We walked the whole of Galilee, taught in their synagogues, preached the knowledge of the spirit, and healed all diseases and infirmities of the people. We could heal of all afflictions of diseases and plagues, those who were obsessed, the lunatics, and those who were sick of palsy—we were given to heal them all.

Many came to follow me from Galilee, FROM THE TEN CITIES, FROM JERUSALEM, FROM JUDEA, AND FROM THE OTHER SIDE OF THE RIVER JORDAN.

I suggest that ye who always wish to compare thy truths, look at thy maps. Have the projected millennia not passed? Are the projections of mineself two millennia past not coming into thy attention? Do ye not hear the trumpet call? Or, do ye wait and wait to give of thy belief unto me? Ye wait in fear of that which has been espoused as untruth regarding even mine own being. If ye always choose to claim "reason" why do ye not reason with the brains the Creator gave unto you and KNOW TRUTH? I grow impatient as mine ones are again degraded by idiots and harlots.

I AM COME TO RECLAIM MINE FATHER'S KINGDOM AND NO AMOUNT OF LIES WILL CHANGE A HAIR OF IT. CALL ME BY WHICH LABEL MAKES THEE COMFORTABLE BUT KNOW TRUTH FOR MY PRESENCE WILL SHORTLY BE PRESENTED UNTO MANKIND. THY TIME OF CHOOSING IS AT HAND; YE ARE EITHER WITH ME OR AGAINST ME—YE MAY NOT STAND IN THE "MIDDLE".

SO BE IT AS I PLACE MY SEAL UPON THESE WORDS FOR MAN SHALL LEARN TRUTH AND IT SHALL SET HIM FREE. I WRAP YE ONES OF MINE IN THE LIGHT OF PROTECTION OF MINE WINGS THAT ALL TRIBULATION BE BUT A FAINT MEMORY IN THY CONSCIOUSNESS. SO BE IT AND SELAH FOR YE SERVE WELL AND GLORY SHALL BE THE REWARD.

I STAND WITH THY BROTHERS OF THE UNIVERSE, WE STAND READIED IN THE PLEIADES COMMAND—THE COSMIC "CLOCK" TICKS ON. GABRIEL STANDS WITH THE TRUMPET READIED. AMEN. I AM AT THY SERVICE.

NOW I SAY UNTO YOU THAT ONES SHALL ARISE AS FROM THE TOMBS; THEY SHALL PUT ON NEW COVERINGS, AND THEY SHALL BE AS ONES MADE WHOLE AND NEW; THEY SHALL BE AS ONES WITH BINDINGS REMOVED, AND THEN, BELOVED ONES, THEY SHALL ALL KNOW ME AS I KNOW THEM, AND NO MAN SHALL BE UNTO THEM A SERVANT OR SLAVE, FOR I SAY UNTO THEM, THEY SHALL BE FREE TO GO AND COME AT WILL—THERE WILL BE NO MORE BARRIERS. IT WILL BE A TIME OF FREEDOM.

I SAY UNTO YOU, I AM HE WHO HAS OVERCOME FLESH. I NO LONGER AM ENTRAPPED BY FLESH NOR AM I BOUNDED BY THAT WHICH IS FLESH. I AM HE WHO IS RISEN, AND I AM COME THIS DAY AS THE RISEN "CHRIST". I AM NO LONGER BOUND BY EARTH NOR HER LIMITATIONS. I HAVE NOR KNOW NO LIMITATIONS, FOR I AM FREE, AND I AND MY FATHER ARE ONE.

NOW IS THE TIME WHEN MANY SHALL BE UNBOUND, AND THEY SHALL BE FOREVER FREE FROM THE LAWS OF EARTH. I HAVE LABORED WITH THEM AND THEY NEED NO LONGER BE BINDED BY THE LIE. BE YE ONES PREPARED TO GO WHERE I GO FOR I SHALL RETURN TO THE FATHER WHO HAS SENT ME.

I AM THAT I AM, SOLEN AUM SOLEN. [End quoting.]

On Monday, July 17, 1989 Dharma received the follow-

ing. [Quoting:]

Man does not understand in some instances; more, he pretends to not understand. Man also forgets a most important fact: we of the finer dimensions dwell in a world of "mind" communication (perhaps it is why we tend to live in purity). ESU JESUS SANANDA JMMANUEL to speak again this morning, Dharma.

If man does no wrong he needs no self-defense within the Light. He might very well need more defense among fellow men. Even within the Dark Brotherhood there is not need for excuse for it is recognized equally as adroitly as with myself. Ye must be ever at thy guard and leave thy shield well mended, through thy helpless times of sleep and subconscious opening. No-one from the higher frequency rays pays much attention to thy conscious mouth sayings. So be it, the lessons get more insightful for time grows lesser for thee to study for thy examinations.

It now behooves each and every one to make ready themselves to be as ones prepared that they might join with the Great and Mighty Host which stands by at this time. The Mighty Host is now ready to give unto each and every one a portion, a part. It is given unto ME to see them at labor wherein they labor for bread, for soul growth or in the vineyards of the darkness. Most who think themselves most protected are most vulnerable for they think themselves wise while they are wrapped in open foolishness. Ye cannot buy of thy way within the Father's house or protection; nor abundance. Ye cannot "work" thy way within only for the face value of such. Only through the petition and granting of GRACE can ye come within—through the gate which I GUARD! The reaping will bring exactly the "fear" ye feel most heavily within thy breast. No more and no less.

The Dark Brother will use of thee and cast thee aside when thy fruit is stolen, as the bitter hull of a lemon when the juice is gone. After he has sorely used of thee he will cast thee aside and send replacement. Ye, of mine, will be less and less "fooled" by his diplomats. Most go forth in ignorance, not knowing there is relief—in mine name! I AM THE ARCH ENEMY OF SATAN; CALL UPON MY NAME IF YE TRULY SEEK RELIEF. BUT YE DO NOT USE IT TO GLEAN ABUNDANCE AND RICHES FROM THY FELLOW MAN THAT YE MAY HAVE THE MORE. MY GAME IS ETERNAL AND, BROTHERS, THAT IS SUCH A VERY LONG TIME! WHAT YE DO UPON THIS PLANE DETERMINES WHAT FIELD UPON WHICH YE SHALL PLAY IN ETERNAL PASSAGE. YE ARE ONLY IN THE PURCHASING OF THY TICKETS IN THIS PLACE. SO BE IT AND SELAH.

Men ask of their fellow men, relief; they ask of their oppressors, relief; what have they found? Their fears and oppression, worry and faint hearts are only more repressed at the suggestions and injunctions of that fellow man of doubt and fear. They titter together to insure "disbelief" and fears of material "loss" in some manner or other. YE BELIEVE OR YE DISBELIEVE. YE CANNOT ACCEPT ONE LESSON FROM ME AND REJECT THAT WHICH PLEASURES THEE NOT. YE KNOW ME OR YE DO NOT KNOW ME — YE MAY NOT COME "SORT OF" INTO THE KINGDOM OF MINE FATHER. THIS DOES NOT MEAN YE ARE FORCED TO DO OF ANYTHING YE CHOOSE NOT TO DO; IT MEANS THAT THIS IS THE WAY INTO FATHER'S KINGDOM—YE MAY GO WHEREVER YE CHOOSE!

Man is oppressed and bound. The oppression is not confined unto the ones in the flesh; it is not originated in the flesh only, for there is a force which has gone forth for countless generations, even thousands of generations, and it has collected itself together as one mighty body. The force is called the "dark force"; it is an intelligent force, yet, it is not of the Light. It is of the dark.

Over this, chelas, is there war in Heaven; for this do the Sons of God draw nigh, that people of Earth might not be swallowed up; that they might be brought forth from this prison and shackles.

Let it be understood very clearly, the Dark Forces are manipulated. They are deployed by the oppressors, for the intimidators are in service unto the Dark Forces. This force is, in turn, implemented by man's MISUSE of the power, the "Power of God," which is his from the inception. It is man's great and divine right to know wherein he is bound and of that which binds him.

It is your divine inheritance to KNOW of that which is your FREEDOM. Therefore, listen, look and see that which goes on about you; hear that which I say unto you, for I AM sent of my Father that you might not end in perishment.

I SPEAK UNTO YOU AGAIN THIS DAY; HEAR ME WELL. YE SHALL FIRST ACCEPT MY WORD AND MY SERVANTS; AND THEN, I SHALL TAKE NOTE OF YOU. THE SACRED CIRCLE OF INFINITY OF THE CHRIST SOURCE IS CLOSING, BROTHERS, IT IS RAPIDLY CLOSING—WILL YE BE IN OR OUT? THY CHOICE! HOWEVER, IF YE CHOOSE TO BE WITHOUT THE INNER CIRCLE WITH THY DARK FORCES, YE WILL NOT BE LONGER ALLOWED TO MOVE WITHIN TO HINDER MINE WORKERS WHO ARE AT THE BUILDING. DO YE DARE TRUST THE ONE YOU SERVE, THE DARK FORCE, TO TEND OF THEE THEN? SO BE IT!

If ye choose of my Word, I will touch you and I will lead you throughout the way. But, you shall receive as you are prepared, no more and no less—it is the LAW. Think not to deceive me, for I see and know that which you are; think you not to set me in a corner, FOR I SHALL BE PLACED IN THE CORNER NO LONGER.

I am come forth that you might have Light; and when you deny me, you deny my Father who has sent me; when you deny my servant, you have denied me. Ponder it carefully; most carefully. You shall not take one whit or tittle from these, my servants—not one iota; you shall not effort at trickery at this one or my other ones, for I stand within and if ye "pick" at her ye "pick" at me. YE WILL LOSE! KNOW IT—YE WILL LOSE! I have caused this one to grow that she take her stand with me; Oberli takes his whole stand with me—they shall be given in greatness, for now I stand in front and you can no longer damage them if ye continue in thy testing. THE TESTING IS GIVEN UNTO ME AND NO MAN! THERE SHALL BE NO PREVAILING INJURY TO MY BELOVED ONES IN SEDONA, IN SOUTHERN CALIFORNIA AND THUS AND SO. I TAKE NO NOTE OF COLOR OR CREED. MY SOURCE IS THE SOURCE AND CREATOR OF ALL—NOT SOME MAN-SELECTED FEW. DO NOT PROVOKE MINE AGGRAVATION! DO NOT PROVOKE MINE AGGRAVATION!*

Further, no man shall say I am not of my Father sent forth, for it is not given unto them to know ME; to KNOW ME IS TO KNOW THE FATHER WHO SENDS ME.

You will not speak out against me that you deny of my name which the Father labels me. You have defiled the names given by Earth unto me; that of Jesus, Wakan Standing Bear, Esu—even Christos; these are most beauteous names in Heaven but by my Father I AM CALLED SANANDA—ALL POWER OF THE "CENTRAL SUN (SON)". BE YE NOT FOOLISH ENOUGH TO CAST IT ASIDE FROM THY DARK BROTHER'S PRODDING, LEST YE MAKE OF GRAVE, GRAVE ERROR.

At this very hour I stand with sword in hand and I make my bid unto thee: Come; and I say unto all who hear my Word: Ye shall be as ones protected; fear not, come hither and no harm shall befall you, for I am the Keeper of the Gatehouse Door, and to all who are so prepared I say, "Pass in and gracious welcome unto you."

Ah, ones will say, the Jesus I know would not speak so harshly. Would I not? I, like my brothers and commanders of the Cosmos, am impassioned. I am filled with passion. Ye err and then hide in pious squirming from the rebuke ye refuse to accept: "My

guide would not raise of his voice to me" and "My Christ would not be but gentle with me" so, "Ye cannot be truth and light!" I SAY UNTO THEM: TEST ME IF YE DARE! I AM THAT I AM AND I AM COME AGAIN! IF YE STAND WITH THE DARK AND FALLEN BROTHER, YE SHALL BE STRICKEN EVEN AS THE FALLEN ANGEL. SO BE IT AND HEAR YE, HEAR YE FOR MINE SEAL IS PLACED SURELY AND QUICKLY UPON THESE WORDS WHICH ARE OF ME! YOUR TIME RUNS OUT OF THE GLASS YE SO GRAVELY WORSHIP.

IT IS NOT FOR YOU TO TELL ME HOW IT SHALL BE FOR YE ARE BUT DISTRACTORS; IT IS FOR ME TO TELL YOU EXACTLY HOW IT WILL BE AND I AM NOW SO DOING AND SO BE IT. I STRONGLY SUGGEST THAT YOU TAKE YOUR FREE WILL CHOICES AND CHOOSE WITH WISDOM (WAKSAPI) FOR MOST CONTINUE TO ACT MOST FOOLISHLY. THE HOUR OF TWELVE APPROACHES; DO YOU DESIRE ONE WHO LEADS OR ONE WHO LINGERS BEHIND IN PIOUS AFFIRMATION OF THAT WHICH PLEASURES THEE? SO BE IT!

Dharma, take no note, child, of the chidings and complaining coming back unto thee. You are strong, for you have been most sorely tested, you and Oberli. He or she who rebuffs you, rebuffs me directly, henceforth. You have been privy to the "Head Master Teacher" himself; thy soul has grown in perfection; pay no heed to thy physical consciousness for I walk with you in the realms of another dimension against which no man can prevail. None!

Thomas, ye are one who makes me rejoice in your growth and beauty. Ilisic, ye are my light, child, and you and Ryan will flourish and find peace and joy in this place; Dalene, you shall be glad in thy gifting—abide longer with me and I shall ease of thy way; Ranos, ye are the rock of Light upon which I depend, for ye stand without judgment and yet are learning discernment. And my gratitude to Audrey who hears my petition—to Allen and Margot and my sons, and to Bill and Tommi for their work well done. Oh, how can I touch thee each, whom I love so dearly, and not have this child typing her fingers into the hours? Know I am in such gratitude that ye take of your jobs and move forward without complaint and quibbling. I will give thy bodies respite and know, if things are not as pleasant as ye desire, this is only temporary until such time as dwellings and livelihood are stable and beauteous. I bless thee all, chelas, I bless thee all for ye are my treasures and I give credit where credit is due and I rejoice with you in a job well accepted even through the pain and discomfort. We shall walk onward together in brotherhood, caring one for another that none be ever "alone".

Blessings rest within this place of Lighted Valley for thine shall be in the sharing of the Glory! I wrap you in my wings of gold which were given unto me by OUR Father. So be it and Selah. Aho!

I stand aside with thy Higher Brothers, always with hand extended to any who will accept it. Soften thy hearts brethren, lest ye be incorrect in thy present discernment of circumstance.

I AM THAT I AM, I AM THE CHRISTOS OF THE SACRED CIRCLE OF INFINITY. [End quoting.] On July 18, 1989 Dharma received the following. [Quoting:]

I AM THE CHRISTED ONE, ESU JESUS SANANDA—JMMANUEL, THAT NO MAN MISUNDERSTAND WHO I AM. WHO BE YE?

Dharma, these things which I bring forth unto thee to put to paper record shall not be sealed except by the seal of identity of the bringers. The Seventh Seal has been opened and no more shall the WORD be sealed from man. These Words shall be shared with a chosen few that your safety be insured and the WORD be held by the several instead of the one, that ye not be singled out for death to cause obliteration of thy works. There are spies and dark workers in thy midst to pull you down and make of thy journey all but impossible. They

shall not prevail against you but care must be considered at every turn of the clock. More will come against you in the disguise of thy brethren in truth. They will come from non-named cults proclaiming truth and bearing much of truth but infiltrated with lies; be ever cognizant of these ones. Keep thy vessel clear and sharp, thy shield of mineself about thee and fear them not for they are impostors. If you give them no power, they cannot pull you down. Remember, the dark angels cannot create of their own power, they must be in use of yours. They can only cause you to make wrong choices and create thy own downfall.

When the time comes the Words will go forth, for the fulfillment is near. When that time comes, all doing wrong will do it more and more; the vile will become even more vile; good men will be better; those who are holy will continue on in greater holiness. Yes, I am coming quite soon, and my reward is with me, to repay everyone according the deeds he has done. I am the Alpha and Omega, the A and the Z, the Beginning and the End, the First and the Last. Blessed forever are all who are preparing that they might have the right to enter through the gates of the city which awaits.

Let no man misunderstand my intent that you think ye shall float up to some questionable "cloud" to commune with me. Use thy minds which the Father has provided thee. There are places prepared for thee and there is a time of transition which must have building and preparation to succor thee during the time of change. The physical body of man must have provisions or it perishes. Do not bury of thine heads that ye do not see that man needs these things, for the instruction to wait for "THE MIRACLE" of whisking away and magical deliverance is but gossip spread by satanic instructors. The transition will be very "real" and very physical and must be attended most critically. Satan smiles each time ye bind thy eyes and ears and "wait". MOST "TOOLS" OF SATAN KNOW IT NOT; THEY THINK THEMSELVES WISE AND SPEAKING TRUTH. THEY ONLY ADD TO THE DELUGE OF LIES WHICH CAUSE MAN TO LINGER ABOUT HIS WORK AND PREPARATIONS. THEY GARNER UNTO THEMSELVES EVEN THE WINDFALL PROVIDED BY GOD FOR HIS WORK, UNTO THEMSELVES, AND LIVE IN FEAR OF HAVING IT LOST TO THEMSELVES. SO BE IT FOR SUCH IS GIVEN TO BE THE WAY OF THE EARTH HUMAN. IF THEY BRING IT NOT BACK UNTO GOD THEY CAN BE PROMISED THAT THAT WHICH THEY FEAR MOST, WILL HAPPEN UNTO THEM. WHEN I, FROM CREATOR, ASK OF THEE TO DO OF A THING AND YE DO IT NOT, YE HAVE DENIED ME AND YE HAVE DENIED OF OUR FATHER. YE HIDE ME UNDER THINE BUSHEL WHILE YE TOUT THE WORDS OF MY BROTHERS OF THE COSMOS OR THE VOICES OF THE ASTRAL ENERGIES OF INFINITY. WHY DO YE JUST NOT ASK OF ME FOR I COME FOR THE PURPOSE OF TELLING YOU HOW IT WILL BE. YE CONTINUE ON AND ON IN YOUR CULTS OF CONFUSION AND SEAL THY CONDEMNATION BY REFUSING TO ACCEPT YOUR FINAL INSTRUCTIONS.

In thy Holy Book it warns: "If anyone adds anything to what is written here, God shall add to him the plagues described in this book. And, if anyone subtracts any part of these prophecies, God shall take away his share of the Tree of Life, and in the Holy City just described." WHAT BOOK? WHICH BOOK? DO YE THINK NOT THAT MAN HAS BOTH ADDED AND SUBTRACTED? WHAT IS THE MATTER WITH YOU CHILDREN? YE CANNOT BELIEVE OF ANYTHING THY POLITICIANS TELL THEE, DO YE THINK NOT TWO THOUSAND YEARS MIGHT BRING ONES WHO TELL NOT THE TRUTH? WHO WAS JOHN? WHO WAS PAUL? WHO IS DHARMA? WHO WAS NEPHI? WHO WAS LEHI? WHO IS SISTER THEDRA? WHO IS "LITTLE CROW"? WHO WAS DAVID? WHO WAS ABRAHAM? PARTICIPANTS AND SCRIBES PERHAPS? WHO IS

DHARMA? YE BETTER BE IN THE FINDING OUT! THERE IS NO NOTICE WANTED NOR SOUGHT, BUT YE ONES HAD BETTER OPEN THY MINDS LEST YE BE STANDING IN THE WATERS SURROUNDING THE ARK INSTEAD OF ABOARD SHIP. YE WANT PROOF? YE BETTER BE IN THE PROVING THIS IS INCORRECT, FRIENDS, FOR YE ARE MOST SURELY MISSING THY PASSAGE IF YE BELIEVE IT NOT.

DHARMA PLEADS CONSTANTLY TO ALLOW THIS CUP TO PASS FROM HER. HER VERY PHYSICAL LIFE HAS BEEN ATTEMPTED OF ASSASSINATION EVEN TO THE POINT OF THE NECESSITY OF HOLY INTERVENTION AND RESUSCITATION. TO DO OF MY WORK BRINGS NO FAVOR; IT BRINGS EVERY BOMBARDMENT KNOWN TO MAN TO RISE ABOVE. YE WHO KNOW OF WHOM I SPEAK, SEE IT AND EVEN SOME IN THEIR, OBERLI'S AND DHARMA'S, MIDST ASSIST THEM ONLY AS FAR AS IS CONVENIENT UNTO THEIR ONLY EARTHLY DESIRES. SO BE IT; THE SORTING IS UNDER WAY. YE WHO LIVE ONLY BY AND FOR THE SHEKEL SHALL PERISH BY THE SHEKEL. THY SELF-APPOINTED PSYCHICS AND DISTANT AVATARS ARE BUT THINE EXCUSES TO ACT IN NEGATIVE ANSWER AGAINST MY WORDS. YE WOULD RATHER CONSULT THE STAR LOCATIONS THAN THE COMMANDER WHO RIDES THE STARS AND DIRECTS THE COURSE. TAKE CARE FOR YE ARE, FOR THE MOST PART, BEING SORELY MISLED. SORELY MISLED!

You must know that you will find the darkest of the Dark Forces at their finest work in the very areas of greatest energy and in the midst of truth seekers. Can ye not utilize the God-given intelligence intended for your service? If ye can fool of the people and discount the leaders, ye have stopped the truth. Be ye careful, it is happening in thy physical, political world at this very moment. Ye are in the eleventh hour of the final prophesy and only a few perceive of it. Ye pick and choose that which ye WISH to hear. So be it for that which I come to do shall be done.

Oh, you ungrateful children, you have no understanding of the depth of love afforded you by our Father Creator. I would now give on unto you as I have received from Him that we can return unto His house. I AM COME AGAIN TO SHOW THE WAY AND BRING THEE HOME.

I tell you of a surety: I shall go unto my Father and I shall take with me the ones who are prepared. They who have denied of me shall be left, and they shall be as the ones who have betrayed themselves, and their cries shall avail them nothing.

HEED THIS: YOU HAVE NOT SEEN, NEITHER HAVE YOU HEARD, THAT WHICH I SHALL DO OR SAY, FOR I AM NOT FINISHED—I AM NOT FINISHED! I AM NOW COME THAT IT BE FINISHED; THAT IT MIGHT BE DONE, THAT WHICH I HAVE SAID I SHALL DO. I AM NOT OF A MIND TO LEAVE OF MY PART UNFINISHED, FOR I HAVE COVENANTED WITH MY PEOPLE LONG AGO, AND I SAY UNTO THEE I AM NOT A TRAITOR, NEITHER DO I FORGET THAT WHICH I HAVE SAID.

I come forth now in preparation and that you be prepared for your part. Let it be clearly understood that the Earth is the school-room. You shall prepare yourself therein for the next place and experience, for therein is wisdom. It shall stand you foursquare to heed MY WORDS! It is for you to prepare yourselves for the greater part. IT SHALL BE GIVEN UNTO YOU TO BE AS ONE WHO HAS MY HAND UPON YOU AND I SHALL SAY UNTO YOU, WELCOME! ENTER YOU INTO MY PLACE OF ABODE AND ABIDE WITH ME, AND WE SHALL REJOICE TOGETHER.

LET IT BE UNDERSTOOD THAT ALL THINE WORLDLY POSSESSIONS SHALL BE UNTO YOU AS NOTHING; THEY SHALL NO LONGER BIND

YOU, FOR YOU SHALL PUT THEM AWAY AS THE CHAFF, AND THEY SHALL HAVE NO CHARM FOR YOU. YOU SHALL PUT THEM FROM YOURSELF! YOU SHALL HAVE NOTHING WHICH YOU CALL "MINE", OR "MINE OWN", FOR IT IS SAID YOU HAVE NOTHING EXCEPT YOUR FREE WILL, WHICH IS ONLY GIVEN BY DIVINE RIGHT. AND, FURTHER, IT SHALL BE ASKED OF YOU TO SURRENDER IT UP UNTO THE FATHER WHO HAS GIVEN IT, FOR HE IS THE GIVER OF ALL GOOD GIFTS—AND UNTO HIM ALL THE PRAISE AND THE GLORY, AMEN. SO BE IT AND AMEN.

I COME AS THE LORD THY GOD AND THIS DAY HAVE I SPOKEN—I AM JESUS SANANDA OF THE CHRIST CIRCLE OF INFINITY. For you ones who have knowledge of this scribe, you know she has no background in "religious" affairs; she is more astonished at her task given, than any of you who are close unto her. Ye ones of this tiny grouping must protect one another, for great and wondrous things will come into being within thy spaces beyond that which can be comprehended in thy human minds. Ye who are gifted with the receiving of this information in the most early bringing forth, rejoice for ye are most favored ones in mine eyes. Go within thy heart places to weigh these Words for no "man" knows of these things and can give you nothing. I GIVE UNTO THEE "ALL"! SO BE IT AND MY SEAL IS STAMPED ACROSS THIS WORD!

Beware, there will be so many false cults that they can no longer be counted. They will be founded on the blood of men, and on hatred, greed, and power. But, as they are established, they shall be destroyed again, for the truth shall triumph. THERE IS NO UNTRUTH THAT SHALL NOT BE DENOUNCED AS THE LIE WHICH IT IS. THERE IS NOTHING HIDDEN THAT SHALL NOT BECOME EVIDENT. MAN SHALL RECOGNIZE WHAT IS IN FRONT OF HIS FACE, AND WHAT IS HIDDEN FROM HIM WILL REVEAL ITSELF TO HIM WHEN HE SEARCHES FOR TRUTH AND THE EXPLANATION OF WISDOM.

Truth lies deeply in the Laws of The Creation, and there man shall seek it and only there will he find it. When he finds the truth he will be deeply shaken and astonished, but then he will rule over the universe for it is intended that man grow and seek, and find. MAN WILL FIND THAT THE KINGDOM IS BOTH WITHIN AND WITHOUT HIMSELF, BUT HE MUST FIRST FIND THE ONE WITHIN TO HAVE THE ONE WITHOUT!

SO BE IT, CHELAS, FOR AS YE OPEN AND LEARN, SO SHALL YOU BE BLESSED. GO WITHIN YOUR HEART PLACE AND FIND THE PEACE WHICH ABIDES THERE. KNOW THE TRUTH FOR THAT TRUTH MUST REINFORCE YOUR DAY'S ACTIVITIES THAT OUR WORK OF PREPARATION AND ABUNDANCE NOT BE CAUSED TO CEASE. THE WORKS ARE GREAT AND THE JOY AND PEACE GREATER EVEN THAN THE WORKS.

I BLESS YOU AND GRANT YOU STRENGTH AS YOU NEED OF IT. STAND EVER BEHIND MY SHIELD FOR NOTHING CAN STAND AGAINST ME. I AM THAT I AM. I AM ESU JESUS SANANDA, IMMANUEL, THE SACRED CIRCLE OF INFINITY. [End quoting.]

The changes within each of us that were initiated by such writings were profound and deep. There was no debate amongst ourselves as to whether or not this was actually the WORD of God, or His son, Esu Immanuel. Mostly, thoughts seemed to turn to, "Why me?" "Why us?" And always the answer would come right back, "If not you, then who? If not now, when?" Indeed, in retrospect, it is astounding to realize the intensity of the learning we were receiving here on schoolroom Earth—while under those incredible attacks from the Dark Forces through the legal "hounds from hell" in an attempt to stop this Truth from coming forth. More incredible revelations of Esu "Jesus" Sananda's time on Earth were yet to be shared. *To be continued...*

4/3/95 #2 HATONNS

INTRODUCTION

(To another book we didn't know we had written!)

AS THE STOMACH TURNS WITH BILLIARY POISONS

As we look over some of the topics of this journal we note quite a bit regarding Snell, Tucker and Clinton. By the time this "journal" makes print the Snell episode will have more "historical" legacy. What will it be? Will we have served well enough to bend the tide of evil upon our innocent brethren or will he be dead—executed by the evil hands of Satan's crew? Billy Boy Clinton was in Arkansas this weekend—GUESS WHY?! He was, "meeting with the Governor, visiting the Governor's mansion and meeting with all the prior Governors of Arkansas", they said on the non-news. He is there to try to do something about his miserable criminal activities and WHAT TO DO WITH RICHARD WAYNE SNELL! [See Maholy on p.12.]

Hilliary is meeting around India and other places where SHE HAS NO BUSINESS "to further women's rights—" etc. Good, baby; go for it! Does it not turn your stomachs, students? A murderer-drug dealer for a President and a lesbian pusher for a First Lady? Indeed, you have "come a long way—!"

DON'T FORGET THE FAR-OUT

Will we ever be able to get around to our own jobs as to connections with stars and universal galaxies and the SECRETS AND WONDROUS MYSTERIES OF "LIFE"? I hope so because it is so incredibly breathtaking. Evil always enters the picture with the physical expression, as it is meant to be. God always sends you and hosts to counter the thrust. Do we succeed? No, not always as to the "salvation" of these broken THOUGHT patterns—but yes, God wins, EVERY TIME.

There are already operable TIME "TUNNELS", if you must call them something, TO OUTER REACHES OF THE COSMOS and your Elite bastardized lizards from the "Serpent" realms USE THEM. Technology for the THOUGHT FORMATION of incredible and massive manifestation of monsters and demons EXISTS and has since long before Monarch.

To set some of you who are at curiosity peak to rest: yes indeed, many years ago Pleiadians came and tried to reason with you-the-people taken over by the very Serpent races of which we speak—THAT INCLUDES THE U.S. OF A. They then worked for a while with

Germany for the building and sharing of craft, etc., which would hopefully be used to bring peace. Then enter, again, the greedy banditos, and Hitler made other contracts, so Pleiades participants backed off TO WAIT AND SEE. Well, they have waited and certainly SEE. You are in trouble and yet the very ones who claim to want to see and hear MORE—do not respond when I invite them to council. I have asked the Montauk writers in to get the story STRAIGHT and they don't even nod. Well, I now ask that someone get Vladimir Terziski to get in touch with Hayakawa and Maxwell and get out here to meet with me. He can be found around the Los Angeles area, probably. I don't want to give any more information, please, as he has enough problems already, without me. I am only interested in ones who REALLY want to find and know the truth—I am not into science-fiction conjuring.

By the way, boys, the conjured [Montauk Project] beast of Duncan is STILL HANGING AROUND and he has attachments to everyone who helped think him up! YOU HAVE NO IDEA OF THE POWER OF "MIND". All any of you ARE, is mind projection. Are there OVERLORDS? Of course! Do you ACTUALLY THINK you are presented with no more than a 70-year projection period on some 3-D TV screen? Well, you ponder it.

GUESS WHO WINS?

So, you think that the big bad wolf can just huff and puff and blow away GOD? Think again!! Lucifer keeps "trying" with his ring of bandits, but he always fails. However, a lot of "people" get blown away every time and planets become uninhabitable for even the ghosts of "Christmases" past. He and his triad of controllers, two humans and one reptilian, have headed your evolving Committee of One World Controllers since almost 400,000 years ago. Let us call it "interactive" TV. These crap-shooting negative energy forms are not even my actual "enemy". They are not worthy of the label but it seems to be the only term you people can fathom. I and my team wins—EVERY TIME. EVERY TIME, for we created the game!

We try to let you get into the actual GAME by coming into understanding and KNOWING (against the odds, granted) while we write and reason, show and tell. Most continue to sleep their very existence AWAY. You can't KILL Creator, children—He created you—HE CAN UNCREATE MORE QUICKLY. He doesn't have problems with "fused connectors" or "switches". He just turns off the power—and WE CAN DO THAT TOO. And when the energy is disconnected—you and all the bad vibes just GO POOF, LIKE WIPING PAC-MAN OFF THE COMPUTER SCREEN. Complicated? No, it's very simple.

"So, does it turn out to be different than the PREACHERS told us?" YES INDEED—VERY DIFFERENT INDEED. "Dharma out of her mind?" NO, she is one of the FEW *in her mind in total SANITY*. Messengers have come to your place to TRY TO TEACH YOU. In this very focus at this time of your perceived cycle of annual foolishness, you approach your chosen

day for Easter. Easter is a Satanic holiday since time began. You chose it for the murder of a messenger—whose name was Immanuel (Jmmanuel), not Jesus. But, you murdered him anyway in YOUR MINDS. YOU conjured the tale and wallowed in the sacrificial blood of the lamb. All are symbolic projections of the adversary anti-Christ. A friend has sent the following observation which he figuratively dates, April 7, 33 A.D.

[QUOTING:]

"This day shall live in infamy." Thus spoke our President, Franklin Delano Roosevelt, concerning the Japanese Attack on Pearl Harbor Naval Station, Hawaii. And so it does. The day is well remembered every year. All Americans take special note of that particular day.

On one particular day, in the year of about 33 A.D. (although it was not recognized as such, at the time, nor properly acknowledged in our present time) on April seventh, the most foul of all human misdeeds was accomplished. That is: The crucifixion of the Beloved Master Christ.

The reasons given for that dark deed are all false. The real reason was to discredit his message, shut him up, and forever bury the truth. His message:

YOU CAN ALL BE ONE WITH GOD, AS I AM!

Signed "2 X 6" [H: A two by four was not big enough to get his attention!]

[END OF QUOTING]

Now, let us change our focus (but not subject). We are getting some really dandy things from South Africa these days.

I also ask that Laurie and others of you who are experiencing Rayelan (Rael) Russbacher's recent lies and deceit to pay attention to just WHO "Rael" might represent. Perhaps "only the Shadow knows—!"

I am going to offer you the following information as received for I have little comment—it speaks for itself. I would remind you, however, of the recent attempt at OPERATION BLUE BEAM that fell on its face in the muck and ask you to note several things about THIS information, not the least being the address of the "centers" as offered. Good luck, WORLD!

First we will offer Carol's cover letter and, remember, it comes from SOUTH AFRICA!

[QUOTING:]

Fax: April 3, 1995

To E.J.,

Have you ever heard of the Raelian (Israelite) Movement? Well they came to town and a couple of us went to check it out! "They" had a U.F.O. conference on at the Rosebank Hotel. Funny thing, U.F.O.s were seen in the sky the night before; it was all over the news every hour!

Now we don't know whether the U.F.O.s were one of "their" demonstrations or, because they had coloured lights, could it have been "our" people observing them. Hundreds of people showed up because of the U.F.O. sightings—people were fighting to get in the doors. "They" had a book for sale called *The Message Given to Me by Extraterrestrials*, which I had obtained from a friend of mine in 1991. He bought it in Japan! I did not find it "Kosher"; it was 90% truth, the rest was B.S. and scary! My impression was that most of the people talking at the conference were cloned, they showed no emotion.

They specially checked "us" out, even took photos of us. Luckily some of the people attending were informed and started to ridicule "them", especially when it came to the video on how we should go for cloning to "create" a new race of people! "They" asked the Government if they could build an Embassy here in South Africa so that their crowd can officially land among us! These are the anti-Christ that Commander warned us about and I can now see that if one is not informed or connected to the "right source" how easily misleading and confusing it is going to be!

This "happening" is a serious warning that it is upon us now! Please share this with Commander.

Thank you, in Light,

Carol S.

P.S. The attacks (as mentioned) in the latest *CONTACTS* are not unique; the same is happening to us here!

[END OF QUOTING]

Johannesburg Beeld
Friday 31 March 1995
(Translation)

U.F.O. "LANDS BY FARMER"

Bloemfontein—A Flying Saucer as wide as the road, between 6m and 9m high, landed yesterday morning, according to a farmer from Coligny, right in front of him in the road. He said his pick-up van lost all power and came to a halt. When he climbed out of his car a magnetic field froze him to the ground.

Apart from this, ten Flying Saucers were observed above Johannesburg this week and extraterrestrials are going to get an "Embassy" here in Gauwteeng (Johannesburg).

Several people from Bloemfontein also said that they observed several U.F.O.s and took some videos of them. The farmer from Coligny, Mr. Jan Pienaar (45), told the *Beeld* newspaper that after three minutes the saucer took off at a tremendous speed like lightning and his car was suddenly functioning again.

He was yesterday morning approximately 8:30 am on the road between Coligny and Brakspruit when he was suddenly confronted by the U.F.O.

"When I came around the bend in the road it was suddenly there right in front of me parked in the road; my car came to a halt. I climbed out of my car but something like a magnetic field held me so that I could not move. The U.F.O. was approximately 90 m from me, it stood on three legs and made a soft humming sound like an electric motor.

"It was a beautiful thing, something like metal colouring or stainless steel but at the same time also transparent. It had red, green and light purple lights. The form was like an upside-down bucket with two more rifts at the top.

"After about three minutes the three legs on which it stood slowly folded in as it lifted up. It wobbled a bit and then turned half on its side and I could see a row of windows in the top rift before it shot away as fast as lightning.

"A black man stood next to the road against a wire fence but, when the U.F.O. shot away, he turned around and ran as fast as he could. The ground where it stood was hot as fire."

Col. Dires Muller, district commissioner of the Police Force (SAPD) in Klerksdorp confirmed that Mr. Pienaar phoned him about the incident. Major Johlene van der Merve of the SAPD in the Free State said the Bloemfontein squads were already informed about a U.F.O. about twenty past two yesterday morning. Members of the SAPD saw a bright light and some people took a video of it, two more U.F.O.s appeared or joined up with the one they were viewing.

Mrs. Delene Erasmus of Faunasig in Bloemfontein gave her video to the SAPD and also the SABC (TV station).

"We took the video from the bridge and because it was very dark outside the tape did not come too clear. It changed colour and sometimes it looked like it came nearer."

An amateur astronomer at the University of the Free State said that nothing tells him that it was a U.F.O. "It probably was a weather balloon with a light attached to it."

ALIEN CRAFT ARE ON THE WAY TO EARTH

by Andrew Trench: *Sunday Times*, April 2, 1995
(Johannesburg)

THE aliens are coming, but don't hold your breath—they're only expected in the next 30 years.

And, says the Raelian Movement visiting Johannesburg this week, this alien nation—the Elohim—are responsible for humans populating the Earth.

An audience of some 250 people, ranging from elderly couples to students, expected a conference on UFOs and extraterrestrials.

Instead, the stunned Rosebank crowd was told the Elohim, or "experts in DNA", had created all life on Earth as a "laboratory" and was exhorted to spread the word of the Raelian Movement.

The Raelian Movement's founder, French journalist Claude Varilhon—who later took the name Rael—claims to have been contacted by the Elohim in 1973 and taken to their planet, which apparently lies about one light-year from Earth.

As earnest Ivory Coast Raelian Zadou Axaël, told the bemused audience, the Elohim would be returning in the next 30 years. They hoped, he said, for an embassy to receive them near Jerusalem—because Jewish people were direct descendants of the Elohim.

"The Elohim want the whole population on Earth to speak one language and to have a unified police force," he said.

There would be a bonus for all religions, too. Mr.

Axaël claimed the Elohim would return with all the "prophets" including Jesus Christ, whom they had originally dispatched to assist humanity.

Not only were the Elohim behind the prophets, but were also responsible for the great Biblical disasters—like the flood of Noah's era. [H: Gosh, I wondered who did that one!] But, said Mr. Axaël, this was not a flood but mass atomic devastation.

"Mankind did not respect the Elohim and were punished for it." [H: Sounds like some threat out of the Israelites, doesn't it?]

To guffaws from the audience, a video-tape of a blurred white spot travelling "at 40,000 km/h" was described as a UFO sighted over Bloemfontein this week. [H: Hummmnnn—]

[END OF QUOTING]

And so, what about this "Raelian Movement"? I don't know but it looks interesting at the least and tells far more than is PRINTED ON THE BROCHURE. We will offer the information on the brochure:

[QUOTING:]

AN EMBASSY FOR EXTRA-TERRESTRIALS

They created humanity scientifically in their laboratories, using DNA.

They are human too.

Their masterpiece was described by those who first wrote the Bible and other religious texts.

Who are they? What is their relationship to humanity on Earth? Why have we been created? When will they come? Where do they want to meet us?

RAELIAN MOVEMENT

- is a non-profit-making organization.

- has over 29,000 members in 40 countries and

- holds two-week courses once a year on each continent.

At these seminars 300 to 700 people receive philosophical, scientific and religious teachings directed towards meditation, sensual pleasure and their benefits for psychological balance and physical health. [H: Now I ask you—JUST WHO would come up with this sensual pleasure garbage?] The teachers include doctors, psychologists, theologians and scientists of a high standard.

They teach the Raelian VALUES outlined below. These values are designed to HELP humanity progress:

AN AWARENESS OF THE CONSEQUENCES OF OUR ACTIONS.

"Individuals are responsible for everything they do, even if they are obeying someone else's order. Those who pull the trigger are just as guilty as those who give the order." ...Rael.

"Never obey any order, no matter what it is, or who

BOUND & GAGGED

gives it, if the order goes against your conscience." ...Rael.

"Even if Rael himself, or the Elohim ask you to obey an order which is contrary to your own conscience, don't obey it." ...Rael.

ABSOLUTE RESPECT FOR LIFE

"Even if some authority led us to believe that we could save the whole of humanity by killing just one human, we should still not kill that person. The life of one non-violent person is more precious than all of humanity. This rule renders all massacres, holocausts and crimes against humanity impossible." ...Rael.

In addition, being custodians of planet Earth we should make ourselves aware of the impact of our actions and life-style upon the environment.

SELF-RESPECT

Drugs, alcohol, tobacco and caffeine are strongly discouraged. These substances not only destroy the consumer's own genetic code, but also introduce genetic defects into future generations.

LOVE FOR ONESELF

Tolerance alone is not enough. It lacks enthusiasm and only involves putting up with other people's differences while we remain quick to change our opinion if these differences disturb us. On the contrary, really loving other people's differences means supporting their differences, be they racial, cultural, religious, sexual or genetic.

If everyone were the same, the world would be a boring place. "The greater people's differences, the more enriching they are to everyone. A humanity full of variety is indeed a rich humanity." ...Rael.

NON-VIOLENCE

"Threats of violence need to be punished as severely as violence itself because they imply that those who threaten assume their point of view can triumph through violence." ...Rael.

WORLD PEACE

"All the national armies need to be removed in order to create a true world government and world military army whose task is to be the planet's guardians of peace. Governments should dedicate their military budgets to combating hunger in the world. As to the funding of their own national armies, they should try being a charity...! They would certainly not receive a great deal." ...Rael.

SHARING

"Every person has the right throughout their life to sufficient food, a place to sleep, clothes to dress decently and an education, even if they are not working. As an essential motivator for the progress of humanity, those who work should have the right to luxury—this luxury being in proportion to the work and to its contribution to society." ...Rael. [H: Keep in mind that this is a TAX-FREE organization so they don't intend to pay any part of the above requirements! I gather, however, the hierarchy (Rael) plans to live in this "luxury" for his "work".]

THE MESSAGE GIVEN TO ME BY EXTRA-TERRESTRIALS (Macmillan Distribution)

[H: Notice nobody for Freedom and God can get distribution from anywhere, much the less, Macmillan Distributors.]

Life on earth is not the result of random evolution.

It is a deliberate creation, using DNA, by an advanced race of LOVING people who made human beings literally "in their image". Traces of this epic masterpiece can be found not only in the Bible, but in the ancient texts of many cultures. The word "ELOHIM" in Genesis is a plural word—the singular being Eloha—which does not mean 'God' in the singular but "those who came from the sky".

Leaving us to progress alone, the Elohim maintained contact via PROPHETS such as Moses, Buddha, Mohammed, etc., deliberately chosen and educated by them to deliver the Message appropriate for each age. Jesus, whose father was an Eloha, was given the task of spreading these messages throughout the world in preparation for this crucial time in which we are now privileged to live. Since 1945, we have entered the AGE OF APOCALYPSE (FROM GREEK "APOKALUPSIS", MEANING revelation), A TIME IN WHICH, AS THE BIBLE FORECAST, THE PEOPLE OF DAVID WILL BE BACK IN THEIR COUNTRY (CREATION OF THE STATE OF ISRAEL), THE BLIND WILL RECOVER THEIR SIGHT (ELECTRONIC PROSTHESIS), MAN HAS HIS VOICE CARRIED ACROSS THE OCEANS (SATELLITES OF TELECOMMUNICATION), AND BECOMES AS "GOD" (CREATION OF GENES OF SYNTHETIC LIVING BEINGS BY SCIENTISTS.) [H: Oh, indeed, indeed—these people are quite SERIOUS!]

In 1973, a French journalist Claude Vorlihon "RAEL" was contacted by the Elohim, who asked him to make their final message known worldwide and to prepare an EMBASSY where they can officially land among us bringing with them all the prophets as predicted by every religion. When they come they will meet world leaders and the media, and will officially begin to give humanity the benefits of their wisdom and technology so that we may live happily in the long-promised "Golden Age".

THE EMBASSY

The Raelian Movement exists:

1. To inform everyone about these messages without trying to convince.
2. To build an embassy for the Elohim on internationally recognized territory.
3. To develop a global maturity adapted to the future, not the past.

SENSUAL MEDITATION

Sensual meditation is the "Instruction Manual" given to us by the Elohim to teach us how to master the harmonizing abilities within our brain. They are best placed to know because they designed human beings on Earth. As human beings, we are linked by our receptors, the senses, to the infinite which surrounds and composes us.

By developing our sensuality, we develop our capacity to feel connected with the infinite and to feel infinite ourselves. Allowing us to get rid of the inhibitions of guilt, while at the same time not falling into the mysticism of Eastern teachings, sensual meditation allows us to discover our body by learning how to enjoy sounds, colours, smells, tastes, caresses and to live a life filled with sensual pleasures. [H: HummmHummm! Sure, good old demoralizers! Those wonderful sensual pleasures that completely overtake the reasoning brain in false expectations? Ah yes, the same ones, readers!]

Elohim taught these techniques of sensual meditation to Rael so that we can awaken our mind by awakening our body and realize our true potential.

RAELIAN SEMINARS

The seminars of Europe take place in the South of France at a camping site in TARN and in the province of QUEBEC (Canada) for North America.

To be entitled to attend these awakening courses, you must have read the books of RAE: *The Message Given to Me by ExtraTerrestrials*, *Let's Welcome Our Fathers From Space* and *Sensual Meditation*. Furthermore, one needs to be a member of the Movement.

During these courses you will be the master of your own progress and rhythm in all levels of development (philosophical, emotional and professional), RAE and the guides will be there to guide and support you in your personal development. For more information write to the Movement of your country. [H: He will, I'm sure, also have ones there to HELP YOU IN YOUR PERSONAL SENSUAL MEDITATIONS!]

THE SYMBOL OF INFINITY

(Stylized Star of David)

The Star of David represents infinite SPACE. The extra-terrestrials who created mankind in their laboratories have scientifically proven that the infinitely small has the same structure as the infinitely large. The atoms in our hand, for instance, contain minute galaxies which themselves have planets with minute humanities living there. Similarly, our own galaxy is a tiny particle of a huge atom which itself is part of some immense organic being and so on ad infinitum. "As above, so below."

The symbol in the centre, resembling the shape of a galaxy, represents infinite TIME. Everything in the universe is in perpetual transformation both at the infinitely small and the infinitely large level. Matter has no beginning and no end; EVERYTHING IS CYCLIC. As Heracles said in 500 BC,

"Nothing is created, nothing is lost, everything is transformed."

The symbol of infinity is the emblem of the Raelian Movement, which was founded by the Elohim's last messenger, Rael. Elohim is a plural and, as found in the original biblical texts, means 'Those who came from the sky'. The Elohim are those human extra-terrestrials who, through the synthesis of DNA, scientifically created mankind "In their Image".

[H: Please, editors, include the picture of this so-called sign of infinity. You are dealing with very FINITE individuals here and you had better be on your toes. In the interest of good journalistic presentations, we give information for membership and locations of major centers.]

If you wish to order the book through the Raelian Movement or wish to have more information on the

Movement's activities, then fill in the ORDERING FORM BELOW. (NAME, ADDRESS, AND ORDER) [H: Since the books are titled as above and as the amounts for purchase are given in "pounds sterling" I back off this part and suggest if you are interested—please follow up by correspondence.]

Let's call this jumbled journal:

MAY GOD HELP US ALL!

It may well not be the time of ENDING, but it sure is the coming time of the "ending of reason and truth" if you don't wake up and smell the coffee burning (or is it the toast?) (or is it YOU?). I share what I can but there is so much interference that you must waddle through that I can only have compassion for your passage. The wondrous truth of God is there—for the finding, hidden behind the things of human invention.

Questions About New Testament

3/29/95 #1 HATONN

SIMON PETER

With this type of "stuff" going on and this information being a full-time chore of a most distasteful nature, to say the very least we can speak about it, Doris gets a letter marked Urgent and Personal. She opens it and there is a new quarrel. It comes from a "Reverend" who has been reading some of the old journals, such as *And They Called His Name Immanuel*, and one or two others which spoke a bit on Simon Peter. This has a connection to Doris but she has not yet so much as had time to read these journals, much less absorb them or the information contained within.

The subject is the seeming contradiction about first it is spoken that Peter would be a rock foundation upon which "The Church" would be founded and then Immanuel said to Peter something to the effect that "you will go forth and give false teachings." Well, both have happened so I see no contradiction as such. Further, the teachings as written by any of us in this day are directly from TEXTS written by others than ourselves.

The major false teachings were issued forth, however, by PAUL who was first known as Saul. Most of the *New Testament* is presented by PAUL who NEVER ceased being totally confused and was never anything save an enemy to Christ. The writings of all he wrote are bigoted, anti-female, contradictions and the edicts of a Monarch or Dictator. The facts are being revealed that these instructions are but written protocols against the day you have achieved. There is much truth—but the tamperings lead ones to war and all sorts of activities that are NOT OF GOD OF LIGHT. If THIS is the ONLY contradiction perceived in presentation—we are certainly a long way out front of others who CLAIM the *Holy Bible* is so full of contradictions as to ONLY be able to bear "opinion" of scholars and preachers. People are so busy following the "book" that they cannot longer THINK for selves. I would urge all of you to consider something right here, very, very carefully. Sometimes we have to speak to Dharma about things gone before because she bears great responsibility here in this secretarial work. She gives no time nor importance to "what she might have been"—ONLY "WHAT SHE IS". THIS MUST BE TRUE OF EACH OF YOU FOR WHAT YOU "WERE" IS OF NO IMPORTANCE EXCEPT IN POSSIBLE COMFORT OR UNDER-

STANDING AT A VERY PERSONAL LEVEL OF INSIGHT AS TO "WHY" YOU MAY BE SERVING IN A GIVEN MANNER—NOW. If there is misunderstanding or total lack of understanding in Dharma's PAST experience—how can it be a focus for "another"? Further, my job is not to explain "her" experience and we all become curious as to WHY it would be considered important. The next demand is that she not reply to the letter, although addressed to her, but rather, "get a Higher Energy to explain this" contradiction. No, neither of us will even go research the material. She did not WRITE it, she typed it and you are dealing with "others" who presented it. We are trying to cover eons of time in a handful of short books and EACH point of information, especially on a personal level—is not going to get explained to EACH who finds contradictions. THE TRUTH OF THE CONTENT AND CONTEXT IS THAT WHICH MATTERS—NOT WHAT

DHARMA MIGHT OR MIGHT NOT HAVE BEEN.

This is truly not to be offensive for we appreciate the calls-to-attention—EVERY TIME. I would say, however, that the very questions asked in this instance—ARE ANSWERED BY ME IN OTHER JOURNALS, TWO OR THREE TIMES.

This man's questions are just as valid and just as important as any we receive but to do research and rewrite is simply not possible timewise. There are 134 journals and thousands of unprinted pages along with some 2000 hours of tapings. Doris cannot go back and sort. In some instances, as with all the "Pleiades Connection" series—SHE DOESN'T EVEN HAVE ACCESS TO THE MATERIAL, MANUSCRIPTS OR BOOKS—REMEMBER? US&P HAS THEM THROUGH THE COURT AND THEY WILL BE BURNED. OTHER MATERIAL, SUCH AS THE "IMMANUEL" BOOK, HAS BEEN BURNED IN BONFIRES FROM ARKANSAS WITCHES' FIRES TO ISRAEL. There is no intentional confusion offered and it becomes obvious that there are translation problems from time beginning even if one doesn't consider deliberate tamperings and misrepresentations. For instance, when Jesus is supposed to have said, "You are the rock upon which I will build my Church," of ANYONE, did he ACTUALLY speak with a "rock"?

Please be kind with yourselves and look at the WHOLE for without so-doing you cannot understand. We are trying diligently to offer you traditions of the day of the writings, the customs and habits of the people at the given time of experience and what has come about through the years which diminish and change

"Leave it here ... you can pick it up last Friday."

presentations. Let us not pick on the "Holocaust", as example, but let us fairly consider possibilities. If the Holocaust did NOT happen as presented by the Elite Khazarians, who now label THEMSELVES "Jews", but the LAWS ARE WRITTEN SO THAT YOU **MUST ACCEPT THE LIE OR DIE**—HOW DO YOU THINK HISTORY WILL PRESENT ITSELF TO THE EXPERIENCING PEOPLE A HUNDRED YEARS, A THOUSAND YEARS OR A MILLION YEARS FROM NOW?

LAW OF BATTLE

I will present something here that is going to make a lot of sense to you WHO SERVE GOD OF TRUTH. There ARE battle rules of good and evil that may surprise you. The teachers of God, the "Christ" beings, may BE LIED ABOUT—BUT THE **CHRISTED** TEACHER HIMSELF—MAY NEVER BE PRE-

SENTED INTO HISTORY AS "THE" LIE. WHETHER THIS IS MERELY A CONCEPT (SINCE "ALL" IS "THOUGHT" AND "PERCEPTION") OR SIMPLE GROUND RULES FOR "SOUL" GRABBING—IS NOT IMPORTANT. THIS IS WHY THE TEACHINGS HAVE SURVIVED FOR ALL THESE YEARS—BECAUSE GOD IS "THE" TEACHER AND ALL OTHERS ARE HIS PROJECTED PARTICIPANTS.

You learn that which you are TAUGHT by those who come before and if you are taught and learn the UNtruth THEN YOU SHALL EXPERIENCE IN THE LIE UNTIL YOU COME TO SEE TRUTH. THIS PUTS THE RESPONSIBILITY SQUARELY ON THE SHOULDERS OF THE ONE WHO MUST DO HIS OWN WORK. TRUTH IS THAT WHICH YOU MUST FIND—NOT WHAT SOME FRAGMENT MAY OR MAY NOT HAVE BEEN. THESE CONTRADICTIONS RISE UP NOW BECAUSE THERE IS MAJOR CON-

FRONTATION BETWEEN THE CHAOTIC ADVERSARY AND GOD'S TRUTH.

When you find trouble resolving your inquiries—ponder a minute on THIS: GOD wants His TALE to be told and heard—everywhere. The adversary HIDES and COVERS and does not want his tale to be told. WHICH SEEMS MORE HONEST AND REASONABLE TO YOU?

May I take the liberty of leaving you with a parable? The church steward who handles the collection plate receipts leaves the church to go to the bank. He drops, unknowingly, the packages. Now, two men come along (separately, of course) and one man finds one package of money and the other picks up the other. One of the "finders" seeks out the church and returns the money, the other sees the assets and hides and claims them for his own use. Neither did anything wrong, neither broke a law—BUT WHICH ONE WOULD YOU RATHER HAVE ON YOUR TEAM?

Listen-Up, Governor Tucker!

Potent Letter From Michael Maholy Re: Richard Snell

DATE: March 27, 1995
TO: Rick Martin, c/o CONTACT

FROM: Michael Maholy

Dear Rick,

Please print the following letter, as I want the readers to know just exactly whom they are dealing with when they write to the Governor of Arkansas. I will try to explain what I have been doing, on my own, to have Richard Wayne Snell's life spared.

As you who have been following my C.I.A. Pipeline story have learned, the Governor of Arkansas and I, along with other members of organized crime families, go way back to the late '70s and well into the '80s. To know Jim Guy Tucker, you must understand that he considers himself one of the prominent elite families of this backward state. I know—I've lived there since 1971 and still have several intelligence sources there.

Where To Write:

Governor Jim Guy Tucker
State Capitol
Little Rock, AR 72201
(501) 682-2345
FAX 501-682-1382

Richard Snell SK897
2501 State Farm Road
Tucker, AR 72168-9503

Mrs. Mary Snell
Box 6708
Texarkana, TX 75505-6708

Jim Guy Tucker is a liar, a cheater, a bigot, and is guilty of many crimes against the people of this nation. Mr. Tucker knows me well, as he would purchase cocaine and marijuana from me, while I was selling illegal drugs for the C.I.A. Back in the early days, as I call them, Jim Guy Tucker frequented many of the same parties, places, outings, and events that I did. You could bet that, if there were drugs, prostitutes, or money to be made, Jim Guy Tucker was in the area. Let's not forget the "Killing Fields" either.

I could go on and on about Mr. Tucker, but it would take pages upon pages to document this serpent. Be that as it is, I wrote to Mr. Tucker on three separate occasions on behalf of Richard Wayne Snell, to ask this governor of the people to try to find mercy in his heart, just this once, and grant Richard a stay of execution.

I asked Jim to go back to the days when he himself partook in illegal activities, to remember the things I had done for him: I spoke to him in a very mild manner, not wanting to upset him, for he has a very evil temper. Over the years, it was widely known among the crowd he ran with that he, like his pal Hill-Billy, had somewhat of a short temper and would fly off the handle if things did not go the way he had planned. With this in mind, I practically begged Jim Guy Tucker to reconsider and pass judgment for the better.

Well, as you may have guessed, my letters were unanswered—as I figured. For a moment, I must have forgotten from whom I was asking a favor. But I will not forget this, and I believe that one day, this man, Tucker, will pay dearly, himself, for his crimes. In fact, I know he will!

Now to Richard: if you are reading this, please lis-

ten well to me. You are a dear friend of mine. You will always be in my heart and soul. Whatever it is that you or I have done has been forgiven. We know the true story—just what happened; therefore we should realize that we were the pawns used by those who convicted both you and me to a life of misery. I want you to know that I tried my best to get Jim to reconsider the state's position and judgment, as I suffer along with you. Whatever the outcome may be, please know that our Creator is waiting for all of us. We must accept man's law only because man himself rules in this material world. I know that there is a better world, a place where people like you and I will one day be leaders. Understand that, in the final moment, I will be there with you, and I will never forget you, Richard, never.

In a final note, I want to thank everyone who has helped me—and Richard. You all deserve a special thank you and praise. It is because of people like all of you that we will make a difference in this world. Thank you, and may God bless you and, especially, Richard Wayne Snell.

SECTS AND VIOLENCE

Recent media disinformation tying together the "nerve gas attacks" on Tokyo subway stations and Aum Shinri Kyo and its leader, Shoko Asahara, were highly reminiscent of news reports of the Waco holocaust—David Koresh and the Branch Davidians, as well as the mass deaths at Jonestown—Jim Jones and the People's Temple. "The rest of the story" about Jonestown unfolds in Phoenix Journal #14, RAPE, RAVAGE, PILLAGAGE, AND PLUNDER OF THE PHOENIX VOL. 1. Bits and pieces of the Waco onslaught are covered in Phoenix Journal #68 ECSTASY TO AGONY THROUGH THE PLAN 2000 and #69, TATTERED PAGES. In both cases, the leaders, alleged to have perished in the incidents, were secretly and safely transported to ISRAEL. Both were involved with the CIA in mind-control projects. There was a lot more going on than met the eye of the reader of the establishment Press. It's safe to assume that is the case in this instance, as well. The following are excerpts from the Aum Shinri Kyo story:

"Japanese police seized nerve gas solvent, \$11 million (Cdn.) in cash and about 10 kilograms of gold yesterday at two dozen sites linked to a secretive religious sect that calls itself the Supreme Truth. Officials have not publicly linked the cult-like Aum Shinri Kyo

to Monday's simultaneous attacks on five subway trains during the Monday morning rush hour, which killed 10 people and left nearly 5,500 ill. [Note how quick they were to cart off the assets, prior to making any charges!] About 50 remain in critical condition. Aum Shinri Kyo has denied any role in the subway attack. There was still no known motive and no claim of responsibility... In a message released yesterday at the sect's New York office 'To American Mass Media,' he accused the Japanese government of planning to kill its members and make it look like mass suicide." (TORONTO STAR, March 25)

"'The time has come at last for you to awake [sleepers?] and help me,' Asahara said in the message, broadcast Wednesday night on Japan's NHK television." (THE ORLANDO SENTINEL, March 23)

"For the rest of the world, the deadly Tokyo attack was yet another shocking reminder of just how vulnerable most societies are to terrorism. [Sounds like one reason this incident was created was to create a "problem" that more controls would "fix".] Even if the Aum cult [good trigger word] is proven guilty in the attack and broken up, millions of Japanese have been jolted, perhaps permanently, from their belief that they were somehow immune from random violence." [Big boys are still clobbering Japan?] (U.S. NEWS AND WORLD REPORT, April 3)

"Over the past decade, the U.S. has built a sophisticated system to detect terrorists, including monitor-

ing equipment at airports and dogs trained to sniff bombs. But none of that infrastructure would detect lethal weapons like Sarin, which can be transported in a glass container, experts say." [Making a case for more controls upon law-abiding citizens! The perpetrators of terrorism are ALWAYS connected to the Elite.] (WALL STREET JOURNAL, March 21) [It is amazing to think that the subway incident could occur in Tokyo on Monday and Tuesday's Wall Street Journal could have several complete stories on the subject, with detailed interviews from experts around the world. Either they have incredible resources beyond my comprehension or they were well prepared for this "unexpected happening".]

SPEAKING OF LETHAL GASES...

Closer to home, this article appeared in the February issue of *WORLD PRESS REVIEW*, [quoting:]

The Pentagon will tell you that Dreamland, or Area 51 air-force [sic] base, does not exist. That is because it hides not only the wonders of military technology but also the human price being paid for those wonders: men now revealed as badly sick and even dying from toxic waste burned within the base. Dreamland's human secrets are now at the center of one of the remarkable cases in recent American legal history. A young lawyer, Jonathan Turley of George Washington University Law School, is trying to force the U.S. Government to name whatever lies beside Groom Lake, thereby admitting to its existence and bringing it within the jurisdiction of the law.

Helen Frost knew one sick man at Area 51 who committed suicide and others who were hospitalized for their illnesses. "As with my husband," she said, "they can't talk to the doctor about their work, because it doesn't exist, and it was made clear that if they did, they'd go to jail." She [her husband died due to a high level of toxic chemicals] joined five employees and former employees to work with Turley's Environmental Crimes Project in Washington, and to sue the highest military authorities in the U.S. The affidavits charge that a brew of toxic chemicals—dioxins, methylethyl ketone, trichloroethylene, and dibenzofurans—were being burned, causing explosions and releasing clouds of hazardous gas. Requests for protective clothing and respirators were denied.

Turley found himself sitting alone opposite a team of 10 government lawyers, whose opening move was to assert "national security privilege." [Classic. These attorneys represent the true terrorists! As Cathy O'Brien, Mark Phillips, and Ronn Jackson have recently stated: The National Security Act has got to go!]

AIDS VICTIMS BARRED FROM SUIT

A reader sent us this Associated Press article from the March 19 issue of *THE ORLANDO SENTINEL*, [quoting:]

CHICAGO—Thousands of hemophiliacs who contracted the AIDS virus from blood-clotting medicine can't join in a lawsuit against drug companies, partly because it might bankrupt the industry, a federal appeals court has ruled. Such a class action would allow one jury to "hold the fate of an industry in the palm of its hand," and could "hurl the industry into bankruptcy," Judge Richard Posner wrote for the 7th U.S. Circuit Court of Appeals.

The lawsuit contends four drug companies—Rhône-Poulenc Rorer Inc., Baxter Healthcare Corp., Miles Inc., and Alpha Therapeutic Corp.—knowingly distributed clotting products contaminated with AIDS-causing HIV.

The U.S. Centers for Disease Control and Prevention estimates 9,000 hemophiliacs—45 percent of the U.S. hemophiliac population—were infected with HIV more than a decade ago from medicine taken to clot

CRYPTOSPORIDIOSIS REVISITED

As you may recall, Commander Hatonn discussed this topic at length in the March 7th issue of *CONTACT*. This article by Ann Schrader appeared in the February 16 issue of *THE DENVER POST*, [quoting:]

To determine whether a health risk exists, public water systems serving 10,000 or more customers soon will begin testing for a tiny parasite that can make life miserable and even kill. Waterborne cryptosporidiosis appears to be taking on increased public health importance after several outbreaks in the past few years, state epidemiologist Richard Hoffman told the Colorado Board of Health yesterday. In 1993, more than 400,000 cases of the disease occurred in Milwaukee, with several dozen people with AIDS dying. There also have been outbreaks in Georgia, Oregon and Las Vegas, Nevada.

Cryptosporidium is a microscopic parasite that is excreted in feces and spreads "real well" in day-care centers and among sex partners, Hoffman said. There is no treatment for cryptosporidiosis, unlike for another common waterborne disease, giardiasis. For people with compromised immune systems, such as those with AIDS, or who are undergoing chemotherapy, the disease can be severe and even fatal, Hoffman said.

Cryptosporidium eggs are expected to be found in the source water of more than 80 percent of the nation's treatment systems. Chlorine isn't very effective against the parasites, since "a high enough amount of chlorine to kill cryptosporidium would result in water you couldn't drink." Filtering to 1 micron appears to be the best prevention.

ADL DIRTY TRICKS

The March 27 issue of *THE NEW FEDERALIST* has this to report, [quoting:]

The Anti-Defamation League of B'nai B'rith (ADL) has all but admitted that it is running a dirty-tricks campaign targeting the Nation of Islam and senior officials in the Clinton Cabinet. The admissions came in the form of a gloating comment in a recent issue of the Jewish newsweekly *Forward*, in which the recently ordered special prosecutor's probe of Housing and Urban Development (HUD) Secretary Henry Cisneros was implicitly linked to HUD's refusal to bend to ADL and related pressure to cancel millions of dollars in contracts with security firms linked to the Nation of Islam.

On March 17 the following appeared in *THE NEW YORK TIMES* as a full-page ad, [quoting:]

**HUD WAS HAD!
AND AMERICA IS THE LOSER**

A Department of Housing and Urban Development (HUD) investigation recently cleared security firms affiliated with the Nation of Islam to continue receiving government contracts. The Nation of Islam has a well-documented public record of racism and bigotry. And that abysmal track record continues. As recently as February 26, 1995, Minister Louis Farrakhan railed against Jews at his annual Saviour's Day message in Chicago. Using centuries-old conspiracy theories and code words like "international bankers", Farrakhan excoriated Jews as those who have been at the root of the control of the banking system of the Federal Reserve."

So, why are HUD and the United States Government spending your tax money on Nation of Islam contracts? Would HUD be willing to spend your tax money on contracts with the Ku Klux Klan? Would you let them? There is no rational reason to allow this to continue. The Anti-Defamation League is outraged that the Nation of Islam's message of hate and its discriminatory hiring and proselytizing practices were ignored by HUD as not relevant to its scope of inquiry. HUD not only turned a deaf ear to our arguments, but the Secretary of HUD even equated doing business with the Nation of Islam with B'nai B'rith, Catholic Charities, Lutheran Social Services, United Church Homes, Habitat for Humanity and the Salvation Army...

The racism and anti-Semitism of bigots can poison the atmosphere of civil discourse. But the real danger occurs when good people are silent in the face of bigotry, when they avert their eyes, or choose to ignore it altogether. The words of Edmund Burke say it best: "The only thing necessary for the triumph of evil is for good men to do nothing." [Isn't it appalling when the perpe-traitors of hate and venom pose as such paragons of virtue, accusing others of the very crimes for which they are so infamous?!]

The Anti-Defamation League is the world's leading organization fighting anti-Semitism through programs and services that counteract hatred, prejudice and bigotry.

ROCKY MOUNTAIN HIGH

That last article brought to mind the word "chutzpah", which, in turn, reminded me of this recent article from *THE DENVER POST*, [quoting:]

The lawyer's definition of *chutzpah* is a man who kills his parents, then asks for mercy from the court on the grounds that he's an orphan. Singer and drunk-driving defendant John Denver hasn't quite reached

that pinnacle—but under the tutelage of his lawyer [masters of *chutzpah!*], Walter Gerash, he's coming close. Denver crashed his 1963 Porsche convertible into a tree outside Aspen last Aug. 21. A blood-alcohol test showed him at 0.128 percent, well above the 0.10 level at which a driver is considered drunk in Colorado. At the time, Denver was on probation after pleading guilty to driving while impaired in August 1993.

But Gerash is challenging the admissibility of the blood test in court on the grounds that Denver sustained head injuries in the accident and was thus incapable of exercising informed judgment to consent to the test. If that legal eagle won't fly, John, why don't you just tell the judge that you couldn't have given informed consent to the blood-alcohol test because you were so drunk you didn't know what you were doing?

CHRISTOPHER GETS JUMP ON HELMS

Martin Sieff wrote the next article, which appeared in the March 27-April 2 issue of *THE WASHINGTON TIMES NATIONAL WEEKLY EDITION*, [quoting:]

Secretary of State Warren Christopher unveiled a five-point plan to streamline operations at the State Department, apparently attempting to head off a more radical plan presented by Sen. Jesse Helms. Mr. Helms, North Carolina Republican and chairman of the Senate Foreign Relations Committee, has presented a plan that would eliminate the U.S. Information Agency, the Arms Control and Disarmament Agency and the Agency for International Development and assign their duties to the State Department. Mr. Christopher told editors and reporters at *The Washington Times* that the Helms plan would severely disrupt the conduct of the U.S. foreign policy.

The first aspect of MR. Christopher's plan, which was introduced by his department's Strategic Management Initiative, would involve using far more loosely structured and smaller diplomatic "teams" to troubleshoot key issues and simplify decision making.

Second, Mr. Christopher said, "we must reduce the distance between action officers and decision-makers and increase accountability by further de-layering," he told the town meeting. [De-layering??? Sounds like gobbledegook to me.]

The third aspect of Mr. Christopher's plan would improve "administrative efficiency". [centralized autocracy?] "Fourth, we must align our overseas presence with our priorities," Mr. Christopher said, explaining that many large overseas embassy establishments would be replaced by far smaller "microembassies" that would be cheaper to run. [And more conducive to reaching one-world globalism by the year 2000.] "Fifth, we must refocus our reporting and analysis," he said. "I too often read cables and memos that are nothing more than a classified version of yesterday's newspapers or TV." [In other words, he already read about it in CONTACT!]

EUROPEAN NATIONS ABOLISH BORDER CONTROLS

THE ORLANDO SENTINEL makes a report in the March 26 issue about this next step toward Global 2000, [quoting:]

BRUSSELS, Belgium—In a move lauded as a breakthrough in the European Union's drive for unity, border controls between seven EU nations are being abolished today. Travelers will be able to keep their passports in their pockets when moving from any one of the seven—France, Germany, Spain, Portugal, Belgium, Luxembourg, and the Netherlands—to another. Greece, Italy and Austria are expected to join them in June. Denmark, Sweden and Finland have not announced their intentions, but they are expected to abolish the controls, too. Britain, ever the half-hearted EU member, has vowed to stay out.

Opponents fear that the scrapping of traditional controls will create a haven for drug traffickers, terrorists and criminals—in spite of strengthened random controls inside the participating countries. [Interesting how they have moved to abolish national borders AND institute MORE controls at the same time.]

WHO'S PUSHING GENOCIDE IN CHECHNYA?

The next article comes from an Australian newsletter, *NEW DAWN*, [quoting from the January-March issue:]

A syndicate of international megabanks and global corporations, guided by the Chase Manhattan consortium, the Rockefeller dynasty's financial flagship, is the driving force behind the Russian government's savage attempt to crush the Chechnyan people.

The penetration of international megabanks into the disorganized and unregulated markets of Russia has created "an empire of graft, exploitation and mob rule", says Khachatov, a Moscow pollster and novelist, who is on a sabbatical visit to Harvard University.

"Think of what happened in Iran (under the Shah), where Chase Manhattan led the invasion of corrupters and thieves," Khachatov explained. "Then multiply it a hundred fold. Unleash these forces in a sprawling, chaotic nation—Russia—that is literally up for sale. You get what the Rockefellers want: to pull the strings in the world's biggest puppet show." [Actually, it would appear that the Rockefellers are now themselves robotoid puppets, having been taken out in 1979, according to Commander Hatonn (1/17/95 CONTACT, p. 11).]

What is keeping Boris Yeltsin in power is money, primarily from Wall Street and Western governments. But there is a *quid-pro-quo*. The international power brokers want control of the oil of the former USSR. A lot of easily accessible and developed oil is in Chechnya. Chechnya is also rich in natural gas, gypsum, and sulfur, among other natural resources. Yeltsin can't promise the oil to his financier masters if he doesn't control it. Hence he must control Chechnya. [Verry Interesting!]

The 31-year-old daughter of King Juan Carlos [A-9 on *THE Committee*] and Queen Sofia exchanged vows with Jaime de Marchalar y Saenz de Tejada, a banker eight months her junior. Recent Messages From Ronn Jackson

3/27-4/2/95 RONN JACKSON

My Fellow Americans:

3/27/95: Government may think they have the ability to think for us as a nation, but I ask you to consider the following: Their fiscal policies are a shambles. They have made so many laws, it requires 50 massive volumes to record all of them (at the federal level). The taxes imposed on us require over 200,000 employees to process. Your government and their mandates are nothing more than a modern-day socialistic oligarchy (a government within a government) who propagate rule by a few. The *Constitution* says "by and for the people". Whoever, in all of this land, says the United States Government is "for and by the people" works for or is a part of the United States Government.

My fellow Americans, take a good look at Washington, D.C. and our Federal leaders. Bill Clinton is a most pathetic individual and will shame a portion of our history.

No one said our country is perfect. NO one said the price of freedom is cheap. My fellow Americans, look toward your nation's capital. What do you see? You see a group of men and women who work for YOU and who do what they say YOU want! How many of you have ever spoken to a federal legislator or a federal office holder? Their primary source of "what you want" comes from a staff member, who supposedly has the pulse of the nation at his or her finger tips or from one of the pseudo-intellectual think tanks or a foundation. Not one of them has to feed your kids or make your house or car payment. The United States Government is for government ONLY and the sooner you decide you

can handle your own affairs better than a few cheap, lying, tin-horn politicians, devoid of any morals, integrity, or honesty, the sooner we can take back our country.

3/28/95: Government is afraid of the people. That is why Representative Schumer of New York is so intent upon introducing legislation that takes away your right to bear arms. That legislator represents many Khazarian factions in this country. He and government are only concerned with getting out of this "mess government has created" in this country's lives. That is a direct quote from an associate of his to ME. My fellow Americans, government has plans that will cost many people of this country their lives. If you don't wake up, many, many more will lose their lives, maybe your own family members and your friends and neighbors. Your government has no choice and neither do you!

3/29/95: One of the most frequently asked questions is: Who will be the next president elected in 1996? If you wake up in time, it will not be any current federal official that is in office at this time and, most especially, it will not be H. Ross Perot. He is a closet member of the status-quo. Anyone who gets tongue-tied while speaking with Albert Gore of Tennessee, who is a lackey for the "Banking 'Butcher' family of Tennessee" is not qualified under the "Golden Arches".

3/30/95: Secretary of the Treasury Rubin and his bailout of Mexico (whoops, of his former cronies on Wall Street) has cost you and me dearly. People in this country will not eat and will not get much-needed medicine and your children's children will be paying off for generations to come because of his irresponsible and unconstitutional actions. When are you going to wake up, my fellow Americans? This tyrannical government of ours keeps placing additional nails in your coffin each day.

4/1/95: Accompanying this fax is the first page of a case by one of our sovereign state citizens, Lloyd R. Long, who beat the hell out of the Internal Revenue Service. [The page he mentions identifies the case as *United States of America vs Lloyd R. Long, No. CR-1-93-91, before the Honorable R. Allan Edgar, United States District Judge, Eastern District of Tennessee at Chattanooga.*] More of us need to adopt Mr. Long's attitude. Our income tax structure is fraudulent, unconstitutional and against the very premise of what this country was founded upon. The United States Government only exists on your money and the pledge of your future earnings. **YOU KILL THE BEAST WHEN YOU CUT OFF ITS MONEY SUPPLY!** The United States Government is nothing without your money. The United States Government is nothing, period!

4/2/95: Each day we receive calls and letters from all across this country asking "how to help". First, copy the faxes and make this information available to your friends and neighbors. Send copies to your local newspapers, radio and T.V. stations, and to your local politicians. Next, send copies to your state and federal politicians. Next, put copies on bulletin boards, in supermarkets and in the malls. Make extra copies and stick them on the windshields of cars. Request your local talk show hosts to give me a call and I will talk to any and all of them, time permitting. Remember, my fellow Americans, the efforts of our cause must come from "We the People". We do not need government. Any and all levels of government drain your resources. No level of government can function in an informed society. The more you know, the less you need a government who has its hands in your pocketbook at all times.

The Truth is absolute and cannot be changed or denied.

Pinnacle Of CIA Insanity!

(Continued from Front Page)

Many of the covens not only used that type of sacrifice, but actually breed and produce babies for that purpose. The brains are ritualistically removed and then EATEN.

THE BILLIARIES WITCHES AND WARLOCKS

Bill Clinton is a level-three "witch member", Hillary is a level-FOUR (higher). So, here you have the "control" of her over this evil little jerk. Don't believe it? So be it.

You will note that Bill Clintonista will be going to Arkansas THIS WEEK! It is about Snell, so pray for protection and wisdom. The witches and warlocks are becoming cornered and it really gets terrible and dangerous as the traps begin to finally catch the buzzards. Actually, I insult the beautiful buzzard.

We really need to move on if we are to get Cathy O'Brien's presentation out before Rick starts his series. We are not moving from these two; this is simply good background to begin to understand as other information is unfolded unto you. Thank you for being patient with us and our own time and physical constraints.

HELL, MISSOURI

From 1978 to date I have had the horrifying experience of witnessing the growth and expansion of a CIA covert-activity funding-operation so prolific that, by 1981, even before it became the center of CIA/government corruption, was referred to by perpetrators as "Hell".

of Set occultists and occult-affected Mormons, as "prophesied" by the *Book of Mormon* to "survive the second coming", Missouri became the epi-center of man-made Hell.

To exemplify the significance of "marching to Missouri", I will use the example of Wayne Cox. By 1978, Cox, who was my first designated (trauma base) mind-control handler, was actively ritually murdering and dismembering "bums", children, and those who "wouldn't be missed" and blatantly distributing body parts (hands-of-glory, fetuses, skulls) from his Chatham, Louisiana home-base to key satanic "capitals" of several states which included the Little Rock, Arkansas/Missouri route (which he is still doing today, as he is immune from prosecution).

Cox had reached a pinnacle of insanity whereby his Setian, backwoods witchcraft, Mormon and ET phi-

losophies collided and he had already been demoted from his CIA Temple-of-Set level to lower-occult level operations by U.S. Army Colonel Michael Aquino due to his indiscreet practices (blatant murder, disclosing arsenals, etc.). By 1980 when Alex Houston took over "handling" my daughter, Kelly, and me, Cox, all the more fueled by a "Prophet's" best selling book, firmly believed the "destruction" was at hand. The Missouri "safe haven" regarded by all as SECRET was all Cox talked about. When he took his survival kit on the road with him while traveling the country music circle as a musician with Louise Mandrell, Cox pitched a tent outside the band's hotel so he wouldn't "miss" "hearing the trumpet". Louise's father, manager, mind-control handler Irby Mandrell, saw this. He fired Cox on the spot and told him he would NEVER again work in Nashville's Country Music CIRCLES. He hasn't.

The Missouri Secret, revealed in this paper, began to unfold in logical manner, sans superstitious belief, in the early 1980s when Alex Houston routinely took Kelly and me to Lampe, Missouri AKA "Hell", to the Swiss Villa Amphitheater run by Hal Meadows (who reportedly "suicided" in the mid '80s). The amphithe-

ater was set deep in the woods surrounded by cabin chalets overlooking a small, DEEP lake. Country music acts were featured which were also CIA operatives or mind-controlled slaves. Once, while driving into Lampe, Houston hollered at me, "You missed the turn; after all the times you've been here, you drove right past it." I cried as he hit me and I explained that public attractions usually had signs rather than a nameless obscure gravel road into the woods. I found the way into the military-fenced area as a guard swung open the gate—TO HELL.

The Amphitheater held very few spectators and the entertainers regarded this "cocaine depot" as a vacation spot "safe haven". The east/west CIA connection attracted perpetrators of all political and intelligence levels for partying and programming with slaves such as myself. For a sex slave, being locked deep in the woods with perpetrators "wasted" on cocaine at this CIA Near-Death Trauma Center, masked as an entertainment theater, was indeed Hell. For perpetrators the location was heavenly—the middle of nowhere and the U.S., in the center of the Mexican cocaine business and ideal for occult trauma-base proliferation.

NOW, it's Clinton's New World Order. It's the SAME game, just a different pit-boss.

ADDED NOTE: It is important to note that **Albert Gore, Jr.** has long since known of mine and Kelly's cases, the threats to our lives by law enforcement, and has been part of the CIA Damage Containment Practices COVER-UP since 1990. Gore is best of friends with my ex-owner, U.S. Senator Robert C. Byrd, and he and his wife, Tipper, refused to even acknowledge our

pleas for assistance until supporters in Washington backed him into a corner. At that time, cover-up and threats to our lives INCREASED dramatically.

**MY EXPERIENCE OF
MULTIPLE PERSONALITY DISORDER**
by Cathy O'Brien (C.O.B. #43)

I became dissociative at a very early age when my pedophile father repeatedly raped me while nearly suffocating me, strangling me orally, and painfully hurting and permanently damaging me anally. By the time I turned five my father was having me filmed pornographically and my mother was relentlessly into her psychological abuse of me which further dissociated me. After my father returned from a lengthy and "mysterious trip" to Boston he began prostituting me to pedophile politicians at our state Capital in Lansing, Michigan and at the Mackinac Island political retreats, at the age of nine.

When my second-grade class took a field trip to the State Capital, some of my political abusers raped me, in an empty office, and then inserted a small American Flag into my rectum, which, to my horror, was later awarded to me in front of my classmates. [H: One of these nice people was Gerald Ford, President of the United States—at the time.]

Also awarded to me was a "political" writing pen which was inscribed with Kennedy's famous quote: "Ask not what your country can do for you, ask what you can do for your country." This became a "souvenir" and motto I would jokingly be reminded of forever.

Dissociativeness became too difficult to manage as flags were everywhere, my perpetrators were in the newspapers (which I tried to hide, constantly), on television, in my classroom studies; and my father's sexual abuse and my mother's psychological abuse continued.

The very ones I should have been able to trust were abusing me. They were parents, relatives, law enforcement people and then the circle expanded to include our country's so-called "leaders". The insanity of having nowhere to run to, or to turn to, was so often pointed out, and since I had no one to call for help, my dissociativeness broadened into Multiple Personality Disorder (MPD). One personality would live a semi-"normal" life and the others were set up and reserved for receiving abuse and recognizing abusers.

I was totally repulsed by my father and puberty years were a nightmare, for occult traumas were in-

creased and I was given over to such as Robert Byrd, the U.S. Senator, who would influence the rest of my life.

My father gained further knowledge of military mind-control training from my pedophile/pornographer Uncle with the Air Force, who claims to be CIA. A split personality is easy to hypnotize and, though my father's hypnotic skills were quite weak at onset, I began losing control of my own "free will". Music was heavily screened as my suggestibility level was too high through the hypnosis to withstand the subtle commands and control that music IS as a vehicle. Songs like Don McClean's *American Pie* was required listening as the Satanic verse outlines occult entrapment and government involvement. My bedroom was paneled in red, white, and blue. Flags were hung on the walls.

The abusers of high-rank politically all claimed to be invisible E.T.s with great powers of communication, etc. But I now can see a lot of things happening:

If they are of such high intellect and power, why is their "New World Order" plan actually being overthrown by humans?

Why do "aliens" like Bush, Byrd, Ford, Bennett, Reagan, Johnston, Cheney, VanderJagt, de la Madrid, etc., need to use drugs and alcohol to get "high"?

Why did Bill Bennett TELL me VOCALLY that he could make "his thoughts my thoughts" by projecting them "into my mind"?

Why ask why? Because the survival and future of humanity depends upon the answer!

As I said, the room was done in red, white and blue and had flags on the walls, including the small one the politicians had used to abuse me in Lansing. Reminders enveloped me, locking me into a life that was not of my choosing and was out of my control.

As the U.S. Senator was taking over that control of my life, my 16th and 17th years were devoted to preparation of moving south to be near him and where I would travel within the country music circle industry. I was subjected to military-type mind-control techniques (i.e., electroshock, drugs, physical and psychological tortures combined with hypnotic programming). This, in combination with my father's improved hypnotic skills routine and the literal acceptance of selected country music, propelled me into Nashville, Tennessee where my father sold me into the political conspiracy's white slavery market (referred to as the "Freedom Train"). He then became very wealthy.

I was met in Nashville by an entertainer with the conspiracy, was given a drug, hypnotized, traumatized. I was forced to witness the murder and dismemberment of a "bum", and physically and psychologically brutalized in a Satanic ritual. The U.S. Senator came into town at this time, raped me again and again, and my fate was sealed.

There were many high-level politicians and Congressmen who were abusing me but the one to which I refer to above combined knowledge and contacts with a U.S. Army Colonel attached to the Psychological Warfare Division. They formed a conspiracy for child/adult pornography, cocaine importation and distribution, as well as dealing in white slavery. Here we are, of course, speaking of Michael Aquino. Through careful manipulation of our laws and *Constitution*, evoking superstition and fear in the general public and utilizing military mind-control secrets, these conspirators confidently operated for years under the guise of a Satanic cult. By enslaving victims such as myself, the Multiple Personality Disorder allows them a very safe avenue by which to operate due to the Non Compos Mentis LAW. Additionally, the victim's inability to comprehend, remember, or discern right from wrong, or even fantasy from reality, allowed them total public anonymity.

After being sent to Louisiana I spent three years there. This Senator was responsible for the relocation and the purpose was for further trauma, personality division and fragmenting at the hands of an occult serial killer. This would prepare me for ANYTHING or ANY KIND of duty as would be ordered. I witnessed machete murders and cannibalism. I endured ritual

Wayne Cox with Kelly

impregnation and abortion. I was maintained under total mind control. I gave birth to my daughter during that time.

I was allowed to give birth and be with this child to further intimidate me through absolute control of my actions under threat to the child, Kelly.

Together, as then ordered by the Senator, Kelly and I returned to Nashville to be controlled next by a ventriloquist/stage hypnotist [Alex Houston] in the country music industry. Traveling the entertainment circle provided me with the means of muling and distributing drugs, meeting the Senator in Washington, DC and other states—for prostitution purposes and further programming via military mind-control methods. This latter task was taken over by Colonel Aquino and was performed on several various military bases. This entertainer/perpetrator subjected my daughter's delicate mind to the same forms of control and abuse, thereby shattering her personality before it ever developed.

As an MPD I had no concept of "time", of my daughter's and my own abuses, or who the abusers were. I did not know my age, the date, where I had been any given night, no memory retention, and could not discern right from wrong as nothing had "meaning" and I knew nothing other than what I experienced. I could not "think" on my own at all but could only follow whatever orders and commands were given to me by my handlers. My days were filled with heavy work activities and little food and less sleep. This perpetuates mind control and also avoids aimless wandering about. All such personalities are void of genuine emotion and will always present with a superficial display of a constant smile.

At this time I had four fully developed personalities with subpersonalities and fragments. These included a pure, religious woman to be visible to the general public as a mask to conceal the abuses and perpetrators.

My "mothering" personality was loving and giving—according to what my daughter commanded. A "no" became a "yes" within minutes as she learned to trigger desired responses. She learned this at a very early age. My natural base personality instinctive tendency was to be a good mother and I feel immense pain at having been "robbed" of the opportunity.

A child personality, carried over from my childhood, would get on the floor and play with my daughter on her level.

My sexual personalities appeared as appropriately needed, with specific ones dominating upon outside command. Each personality did not know the others existed. As more trauma and pain were induced, the sexual personality subdivided to withstand it. Fragments occurred within subpersonalities as the U.S. Senator's perverse brutality, hangings, whippings, and

tortures were extreme and merciless. I was vaginally mutilated with a hideous carving to further "pleasure him" (Byrd) and the life I was forced to live was radically contrary to all my base instincts and what I would find to be morals. [H: As regards this vaginal mutilation of which Cathy so often speaks, I think you readers should have the information that this very "artistic" carving was forcibly DISPLAYED FOR YOUR LADYSHIP (FIRST LADY) BILLIARY INSIPIDIOSIS CLINTONISTA—WHO WAS "TURNED ON" BY THE ART EXHIBIT. HOW DOES THAT MAKE YOU FEEL ABOUT THE LEVEL OF MORALITY IN YOUR WHITE HOUSE? If you can't bring yourself to believe this—I suggest you refer back several weeks to Maholy's writings regarding the Duck Lodge WHERE WHORES WERE BROUGHT IN TO SERVICE THE MEN AND A SPECIAL ONE (FEMALE) WAS BROUGHT IN FOR HILLARY.]

These subpersonalities and fragments I had developed were subjected to the extensive military mind-control programming of the U.S. Army Colonel, as the personalities were incomplete unto themselves and were buried deep within my mind. Using hypnosis and electric shock, the Colonel programmed working personalities to carry out specific tasks of drug muling and distribution, pornography, and prostitution. In occult Setian manner, the Colonel programmed a variety of sexual personalities according to the Senator's perversions and instruction among the fragments. As these are mind-control induced/hypnotically programmed artificially created personalities from fragments, only specific "triggers" or commands would prompt one to dominate. Therefore, the Senator would use the specific "triggers" or commands to bring out the personality of his choice to satisfy his desires of the moment—switching through the array, picking and choosing, or settling for one. These programmed fragments would include, for example, one that perceived pain as pleasure, one that felt pain and screamed and cried, one that was homosexual, one that was exhibitionistic for pornography purposes, etc.

While these programmed personalities are hypnotically created, they do stem from a fragment of a personality belonging to the multiples and necessary to the whole. Therefore, these artificial personalities must be deprogrammed in the process of reintegration.

As a fused (A term psychiatrists use to indicate "sanity" and "in process of reintegration".) MPD, I have recollection of each personality of the fragments, the programmed personalities, and the experiences and function of each as well as how they came to be.

I clearly recall the moment I realized I was MPDed and became aware of my own counterparts. I was horrified to sanely recognize insanity, then terrified at the thought of reintegration as all of these personalities had been my "safe-guards" against trauma. However, my environment had changed and I quickly recognized my need for reintegration upon reassurance and trust in my therapist. This allowed him to show me the way. After all, he had never hurt me, I was finally free from my perpetrators and in security so the "safe-guards" were no longer needed.

When a victim's environment is changed to one of safety, MPD is no longer needed and reintegration becomes necessary. But the insanity of the disorder leaves the victims unable to comprehend the need for reintegration unless a therapist firmly takes the lead. Psychiatrists should NOT comply with an MPD's desire to "not" reintegrate as they would be allowing insane justification and rationalization to convince them to leave the MPD entrenched in insanity!

Reintegration is a long, difficult, and sometimes tedious process. My therapist taught me the pathways into my mind, communicating through each personality's language and connecting them. I learned how to avoid abreactive memory and cryptoamnesia by recognizing programming from fragments and separating fantasy from reality. Chemical changes occurred,

neuro pathways in my brain opened. My visual acuity changed and I had a sensation of entering into another "dimension". No longer was life at the "end of some kind of a long tunnel", but became close to me along with magnifying physical sensations. The floor actually felt closer under my feet, comparable to the sensation experienced when descending stairs and anticipating a final one that is not there. I no longer felt as though I was "floating".

After my basic personalities were fused, I brought in the subpersonalities and programmed fragments. Discerning programming from reality was tedious and slow as the Colonel and conspirators had built in "land mines" to prevent me from recalling their operational structure and the individuals involved. Death programs and insanity programs, and deliberate scrambles of memory were locked in by military mind-control methods.

Only through the assistance of my therapist, and the assurance that "I" was in control of my own mind, and the now-familiar pathways within my own mind from a base-personality-fusion experience, was I able to overcome and diffuse these psychological "land mines".

For example, the Colonel had heavily programmed my blood pressure to rise instantly and rush through my veins (which felt the size of a dime) straight to my heart causing a heart attack, upon remembering his identity. I immediately recognized/recalled the program and stopped it in time.

While I do not understand the medical reasons for such a phenomena to occur, I am aware that hypnosis is used for many medical purposes, including the alleviation of pain through the mind's own anesthesia as well as to minimize blood flow. As physical responses are induced within the mind, so too can the mind overcome them.

However, in one particular death program of total digestive failure that was instilled by my perpetrators two years prior to my fusion, irreparable damage had already occurred by the time I was able to diffuse the program. [H: These are the same types of "control" mechanisms which appear in multiple eating disorders. Furthermore, unless they are dealt with—they will kill the body. The programming in most of those instances is actually established by the person's OWN mental set. When you think that Cathy O'Brien's story could not be valid—remember the multitudes of eating disordered people who can actually do this programming on themselves. In every instance the healing can only take place as the mind meets the challenge of the malfunction or programming—in the subconscious mind. All the lectures and treatments given will not work UNLESS the problem is confronted and challenged and then CHANGED within that subconscious program.]

Now that I am totally fused, fragments and all, I am free of all programming and triggers and am in full control of my own mind and life. Due to trauma, my memory of the past is extremely clear and detailed and is also free of the "amnesia" as I had experienced with MPD. I can dream when I sleep—and hope and think in terms of future possibilities. When I do remember, and when I dream, it is now in vivid color. Deliberate revivification of taste, feel (touch), and smell, is still possible but no longer associated with conscious perceptions (i.e., high suggestibility). As programming and trauma stimulated parts of my brain I would not have otherwise used, the full access of my mind through open neuron pathways has resulted in what is referred to as "artificial intelligence" due to an increase in the IQ with which I had been born. Although it is referred to as "artificial", my utilization of it is quick and clear. I consider this to be an exciting bonus that, coupled with being in control of my own will and life, has made the difficult reintegration process more than worthwhile.

I am now stable, sane, in control, aware of time, feel depth of emotion, think quickly and clearly, have

Alex Houston

a strong sense of "instinctual" judgement and can quickly size up a situation, realize the world/people is not black and white and is subject to change and normal reversal. I have enthusiastically adapted to my new way of living. It is with great anticipation and immense curiosity that I wonder what possible difference there can be between fusion and what psychiatrists term "total reintegration".

[END QUOTING OF PART 32]

Is this distasteful reading? I certainly hope so. I would also present possibilities here as you may wish to further branch out with your possibility search.

When you come to know someone, such as Russbacher, who is so **OBVIOUSLY** mutilated and used as a robotic servant of the political segments but actually is desperately trying to find sanity and deprogramming, how can this come to be? Well, Russbacher was abused from childhood and traumatized in many ways as he was **USED** for all sorts of dastardly programs from business theft through the Elite to War Games. Now, you move along and this flamboyant programmed person is taken over for "handling" by one equally as unwitting and provides resources, tales, guides, etc. Regardless of what Rayelan **THINKS**, she is obviously controlled by her "Order" which is totally associated with **WITCHCRAFT**. I do not differentiate "white" from "black"—for both are **WITCHCRAFT** and the claim of "white" just makes it easier to bring an unsuspecting subject under control. Gunther wants to help himself and "can't"; Rayelan could help herself, but **WON'T**.

We can only point out these things for your consideration. You must then find out that which you can and make your own choices in these matters. Ours is not to hurt or destroy the opposition—only to **RECOGNIZE** it for that which it **IS**. "Sticks and stones may break my bones, but words will never hurt me"—**PHYSICALLY!** In the ending it is important that you see that without "fighting" back with other than **TRUTH**, the facts do get brought into the **LIGHT**.

As to Gunther and his position in Austria. He will have a "trial" of some kind. Since American Express holds Ekkers still responsible through **JUDGMENT** for the expenses on the Credit Card by Russbachers, they have lost **ALL** credit possibilities—even to now having **NOTHING** for emergencies. They had no hand in this matter and brought no charges. We believe, as Gunther has told others, that "nobody" brought charges. Many card companies rectified the errors—American Express did not; however, it seems that neither did they press charges in Austria. This problem can be rectified in **ONE WAY**: Russbachers **PAY THE BILL**. Rayelan doesn't seem inclined to even be gracious about her own actions—so it doesn't seem very likely to take that

U.S. Army Lt. Colonel Michael Aquino

routing, does it?

Rayelan, after shouting hate, venom and refusal to "help" Gunther in his "drunkenness", now is again tenaciously holding to him with claws of steel. What chance do you think Gunther "has" without deprogramming? Instead, he is going to get more and more of the **SAME** miserable re-programming and reinforced programming until he is destroyed. His lineage is what he offered. It will be stripped and buried as things are now proceeding. Well, I don't like **MONARCHS** any better than One World Bankers. Parties still thinking they will reap rewards from this association (in the U.S.) had better look carefully for it is going to shatter in your hands through **THAT** little control factor.

There are some **VALID** and **PROFOUNDLY PATRIOTIC ELEMENTS** in the CIA—so don't discount that segment from actually being totally instrumental and powerful in **TURNING YOUR NATION AROUND**. **A LOT OF YOU WHO ARE BRAVE ENOUGH TO COME FORWARD—ARE ACTUALLY BEING PROTECTED BY THESE DARING AND GOODLY OFFICERS. SATAN JUST IS NOT A VERY NICE PERSON OR SPIRIT, READERS—NEVER HAS BEEN AND NEVER WILL BE!!** Salu.

[QUOTING, PART 33:]

**BEHIND THE EYES OF
A MIND-CONTROLLED SLAVE**

This paper is written for those individuals who understand that mind control exists, yet cannot understand how it exists. By simply detailing what it feels like, step by step, to have someone else control your mind, it is my intent to impart the fact that anyone and everyone is a candidate for mind control unless they are armed WITH KNOWLEDGE.

I couldn't breathe with my father's penis jammed in my mouth as an infant yet I could not discern his semen from my mother's breast milk. I do not recall **thinking**, but I am aware that this early sexual abuse distorted my primitive concepts of feeding, breathing, and parental perceptions. It may well have been the searing pain of my father's penis as he forced his way into my tiny rectum when I was so young that actually created my Multiple Personality Disorder.

Multiple Personality Disorder is the mind's sane defense to an insane situation—a way of dealing with trauma that is literally too horrible to comprehend. By compartmentalizing the memory of such horrendous abuse as is incest, which violates primitive instincts and surpasses pain tolerance, the rest of the mind can function "normally" as though nothing has happened. This compartmentalization is created by the brain actually shutting down neuron pathways to a specific part of the brain. These neuron pathways are triggered open again when the abuse occurs, whereby the same part of the mind that is already conditioned to the trauma deals with it again, and again, as needed. As a child, I was dissociative of my father's abuse; totally unable to recall his sexual assaults even in his presence, until I saw/felt his penis. As quickly as I felt the terror from conditioned response I was remembering the abuse and how to deal with it. My neuron pathways opened up instantaneously to the part of my brain that endured the trauma prior to the moment in point. This part of my mind developed into a personality of its own—which

Earl O'Brien, Cathy's pedophile father

related to, and belonged to, my father.

Other parts of my mind dealt with other abuses and circumstances which developed ever new compartments/personalities. I had a personality that dealt with psychological abuse, one with physical abuse, one for school, etc. There were several parts of me back then that were capable of hoping; I constantly dreamed of a better place where people were kind and that I could find in which to escape the abuse.

I saw a cowboy in the bank one day when I was four and believed he was like my TV heros and could save me from my abuse. I attempted to sell myself to this stranger while promising to "earn my keep" if he would take me with him. All I "earned" was a severe punishment from my mother and father. A part of me died but I continued to have personalities with "hope".

One such "hopeful" personality felt safe outside, until I witnessed my father ritually murdering a hunter who happened to wander into the woods where an occult ritual was taking place. I later witnessed the panic amongst the victim's friends who had been in his hunting party as they frantically looked in vain for the man I knew was dead. My father prostituted me to a policeman soon after that. That "hopeful" part of me died, too, and I wondered who, if anyone, I could count on to save me now.

I became so disillusioned with people that I turned to the church for answers at the early age of six years hoping that maybe God would help me. I prayed, promising to become a Catholic Nun. That same year I dedicated myself to serving God. I was then sexually assaulted in a Confessional by our Catholic Priest. I only had one "hopeful" personality left. Whenever I was in my "hopeful" personality I was always continuing to look for a way out.

My mother psychologically assaulted that part of me, constantly, telling me "you can't change the world" and breaking my spirit with an incessant barrage of "you can'ts" and "you're worthless". I didn't believe her because she had only brought me misery. This part of me was the one who went to school and daydreamed in class about the "better world", free of trauma and

cruelty. School felt like my "safe haven" away from my parents' abuses.

My third grade class took a field trip to the Michigan State Capitol. I had already been routinely prostituted to Michigan Congressman (later U.S. Congressman) Guy VanderJagt by my father, but my school personality did not know it until the day of the field trip. After sodomizing me in his office at the Capitol and forcing me to wave a small American flag with my bottom, for his amusement, VanderJagt later "awarded" me that same flag in front of my classmates. My school personality was shaken and hope was reduced to a rare and fleeting thought. Nevertheless, I survived.

By age 13, I had been prostituted to U.S. Senator Robert C. Byrd, who would later become my Project Monarch mind-control owner. Byrd held much influence over my life and ordered my father to send me to Catholic Central High School as this Catholic school was working in conjunction with the U.S. Government in Project Monarch mind-control experimentation. My school personality, the part of my brain that had been left to function "normally/sanely" after I dissociated/compartmentalized trauma, no longer felt safe as I was ritually and sexually abused on a regular basis at school by participating Catholic clergy. I began to lose my mind.

I had sought help from police, politicians, clergy, parents, a cowboy, etc., etc., etc.—to no avail. I truly believed the whole world was corrupt because so corrupt was my environment. A major key to Project Monarch mind control is to instill the belief that there is "nowhere to run and nowhere to hide". To whom could I turn? The President of the United States? By my Junior year in high school, I met then President Gerald Ford at the "Red Flannel Days" festival in Cedar Springs, Michigan—where he brutally sexually assaulted me and ordered me to begin military-type mind-control programming which took place on many various military installations.

I remember when the "sane" part of me died—right after that experience. I recall walking up the steps of Catholic Central High School one morning, reaching for the door and crying—uncontrollably. I cried myself into a heap at the top of the stairs. I didn't even know why I was weeping. As an MPD, I rarely cried at all, over anything. But I was still sobbing some six hours later as school closed for the day. Someone found me but I do not recall ever leaving the steps. I did not really ever experience "emotion" after that event until after I was "rescued", deprogrammed and reintegrated in 1988. My spirit was not only broken, it was GONE.

I was a void. All those parts of me that ever hoped, ever dreamed, were no longer a part of me. I held down three jobs, AND went to college while robotically going through all the right "motions". I had no "feeling(s)" and I had no ability to "think". It was as if those compartments no longer held "personalities" at all. I was a series of deep, dark, dissociative voids.

Byrd was delighted. Since Catholic school and the President of the United States had literally driven me out of my mind, the resultant "voids" could be filled with whatever military-programming our government/Byrd deemed appropriate or necessary. Byrd wanted his own "Beta-trained sex-slave" and I was to live a rather high-profile life of travel in the Country Music industry. I was to carry out government covert operations, and also to be a mother.

Byrd figured out that I needed even more compartments and "sentenced" me to three years of hell in the backwoods of Louisiana where I witnessed grotesque murdering, dismemberment and cannibalism in occult rituals at the hands of my daughter's biological father, Wayne Cox. I completely fell apart. My compartments were shattered into numerous little separate compartments, or fragments, which would be "perfect" for keeping government secrets and the programmed messages I would be delivering between U.S., Mexican, and Caribbean governments. Each fragment was pro-

grammed with its own "key" at the time of trauma in order that the neuron pathways could be opened upon audible command rather than re-exposure to the trauma. This would permit access to my programming by whomever had the "key". (In keeping with my Project Monarch Wizard of Oz cryptic programming theme, most "keys" were Oz related.)

In 1980, soon after the birth of my daughter, Kelly, Senator Byrd ordered that we move to Nashville where CIA operative/Country Music Ventriloquist and Stage Hypnotist, Alex Houston, would become our mind-control handler. Traveling with him under the guise of the Country Music Industry, we traveled to appointed destinations to carry out covert activity, be prostituted to politicians, exploited pornographically, mule drugs, deliver government messages, etc., with no conscious memory of having done so.

This is an example of HOW mind control works and now that I was literally—

OUT OF MY MIND

I was totally "void". I was void of feeling, void of conscious existence, void of thought, void of logic or reason—I could not THINK to do anything other than what I was told to do. I did not know who or what I was nor could I even wonder about it. I had no concept of "time" and had no idea of my own age. I was a robot, a zombie—no one was "home".

The black voids of my mind were incapable of any resistance. It was as if they were vacuums, waiting to absorb any information/instructions and/or orders.

Since I had no ability to reason or grasp the concept of a threat, Dick Cheney appealed to my maternal instincts as he flipped over the hour glass on his desk. The hour glass symbolized imminent death as depicted in the Wizard of Oz, providing me a visual concept of time running out—"Kelly's time", Cheney was telling me. "I'll get you, my pretty, and your little girl, too!" if I would fail to carry out his orders precisely. I had already been conditioned to believe I should "do it as though my life (and/or Kelly's) depended on it, because of course, it does." George Bush filled the "void" with a programmed message for then Mexican Vice President Salinas.

I left Washington and returned to Tennessee where I became a "regular mom" again, having no conscious memory of DC and no concept of having been gone at all. Time itself was meaningless. In retrospect, I look back in horror at these periods of time and what was happening to Kelly in my "absence"? Her current mental state of MPD polyfragmentation with active programming provides a horrifying answer.

Houston announced that he was booked to do a

show on a Norwegian Caribbean Lines cruise ship and I was to go with him. My Country Music industry personality took the trip with him while switching as needed for prostitution/sex along the way. In the Caribbean I appeared to be a tourist but had no curiosity or interest in any surroundings. I could not THINK to appreciate anything, even the "sights". I could only march along to my destination as ordered.

As we approached the Mexican government installation where I would meet with Salinas, Houston began singing "Follow the Yellow Brick Road" and imitating Scarecrow's walk from the Wizard of Oz. This triggered my Oz programming, i.e., my current programmed message for Salinas. I delivered Bush's message, feeling no sense of accomplishment or anything else. I never consciously knew I had carried out a task because I was deliberately "switched" when I walked out the door. I was subjected to high voltage (stun gun) as further assurance that the government "secrets" were locked deeply within my mind.

Back in Tennessee, I took Kelly to the local Library where I met an acquaintance/friend of mine. I did not talk about DC, Mexico, etc. All I could think to talk about were events of the moment. I could not think in futuristic terms nor could I discuss the past. People regarded me as an "air head" which, in retrospect, was quite accurate. I had a programmed "cover" personality that was so repulsive that no one outside of my closed environment ever grew close to me. I wore a constant, fixed smile, and responded to everything with a "Praise God". Government secrets were "safe" with me because no one bothered to look further—no one even wanted to do so.

Until Mark Phillips rescued Kelly and me, deprogrammed and reintegrated me, this was my constant condition. Now that I have a mind of my own and photographic access to all of my memories—I NO LONGER KEEP SECRETS!

Conference Big Success!Sets Stage For Next One

Cult & Ritual Abuse & Mind Control

It's More Widespread Than Imaginable

3/30/95 RICK MARTIN

A miracle happened last week: There was a public conference devoted to the topic of cult and ritual abuse and mind control, which was geared for treatment professionals, victims, and members of the general public and it came off "without a hitch"! Well, how was it? Excellent, fascinating, enlightening, troubling, disgusting, revolting—all of this and more. It is difficult, at best, to synopsise such an incredibly diverse and complex conference. The material ranged from literal satanic torture and execution to absolute mind control through the auditory canal. But I'm getting ahead of myself.

I arrived at the hotel somewhat early and literally ran into Mark Phillips and Cathy O'Brien in the lobby. Final equipment and logistical arrangements were being made and there was a certain pre-conference tension in the air, a certain expectancy. Mark introduced me immediately to Walter Bowart, one of the conference speakers and an expert on mind control. Walter greeted me with a soft-spoken voice, "Look into my eyes..."

Just kidding.

I met and spoke with several *CONTACT* readers preceding the conference, which I enjoyed. Since there was so much activity around the conference room in final preparation, I made myself scarce.

The symposium opened with an overview panel discussion which included Walter Bowart, Randy Noblitt, Mark Phillips, and Allen Schefflin. Walter Bowart is the author of the book *Operation Mind Control* [1978] and *Operation Mind Control II* [1994]. He is an investigative journalist who is particularly well known for his knowledge of governmental and intelligence-related, mind-control strategies and techniques. Randy Noblitt is a clinical psychologist and co-author of the book *Cult and Ritual Abuse: Its History, Anthropology, and Recent Discovery in Contemporary America*. Mark Phillips is a former U.S. Department of Defense subcontractor who was exposed to various government Secret and Top-Secret MK-ULTRA defense projects (many of which are now declassified) pertaining to primate behavior modification. Mark's personal research led him to acquire an extensive knowledge of mind control, the elements of which included, but were not limited to, the applications of specific drugs, hypnosis, and regimented trauma formulae. He is also the co-founder of Global Trance Formation Info Ltd., along with Cathy O'Brien. It is hoped that their book *Trace Formation of America*, is soon to be published. Allen Schefflin is an attorney, author, and professor of law at Princeton University. He is recognized for his long-time commitment to addressing the human rights of mind-control victims.

When the introductory evening meeting began, there was an uncertainty among the speakers, as if, although none of them really knew in advance what they would say, they trusted it would somehow just come together as needed. And, sure enough, Randy Noblitt walked to the podium, placed a can labeled "humor" on the table, and began his opening remarks in a clear, articulate, and compassionate manner, asking us never to lose sight of humor amidst all the seriousness. He continued with stellar commentary

about each and every speaker sitting at the panel. It was obvious from the very start that each of these speakers held one another in the highest personal esteem and that respect carried throughout the conference. They each spoke of the incredible reality of the conference itself—when just 20 years prior only a handful of professionals would even discuss or recognize government mind-control as a reality. There certainly was no public recognition of it.

Randy Noblitt related how he had stumbled upon the reality of satanic practices. He reached under the table, pulled out a box, and held up a thin-cloth black robe used in satanic worship. When a patient, who had just discovered the box in her home, brought this to his office, the box was lined with a newspaper dated some decades prior. There were no labels on the robe, thus ruling out "Halloween" costume. The only reasonable, however seemingly unreasonable, conclusion Randy was able to reach is that the robe was indeed a real robe used in some form of satanic practice. This led to many other discoveries over the months and years ahead and ultimately served as motivation for co-authoring *Cult and Ritual Abuse: Its History, Anthropology, and Recent Discovery In Contemporary America*.

Walter Bowart immediately began speaking about mind control by the government. As author of a book which is now impossible to find, *Operation Mind Control*, Walter has gone through his many years of "hard knocks" as a direct result of informing the American public of such practices. Walter emphasized the need to repeal the National Security Act in order to break the veil of secrecy that covers many government black operations—operations of what he refers to as the cryptocracy!

Mark Phillips spoke a bit about his background and how he became involved with Cathy O'Brien. He presented a brief overview and spoke of Walter in ascendant terms. It was obvious to all present that the men sitting at the table were all professionals who had earned, the hard way, the mutual respect of one another. Mark went on to introduce Allen Schefflin, one of the primary, recognized experts in the field of mind control.

Allen Schefflin, legal professor that he is, spoke in intellectual and articulate terms, addressing a multitude of issues about mind control, including the right of the America people to know what is taking place. He also spoke about the incredible reality of the conference itself—when years ago no one even knew, or would admit, that mind control even existed!

What followed over the next several days was a wide range of speakers covering the entire spectrum of treatment modalities and research into the fields of mind control and satanic ritual abuse. Those attending the conference consisted, in part, of ritual abuse survivors. Many individuals suffering from Multiple Personality Disorder (MPD) were present, listening for the first time to an open public forum on this deeply troubling and complex subject.

Doc Marquis gave a lecture on the Illuminati. In a talk very similar in content to Jordan Maxwell's expertise, Doc explained the various symbolisms behind the pyramid on the dollar bill. Doc explained that he was a seventh generation member of the Illuminati and was formerly a witch. He had "seen the light" with the help

of some persistent born-again Christians and now lectures on Satanism and the Illuminati. He also stated that there is a half-million-dollar bounty on his head for his execution, which is always handled in a very precise manner with "former witches". Doc informed the audience about the *Protocols of the Learned Elders of Zion* and a manuscript he had completed which helped decipher their coded message.

Ted Gunderson's topic was *An Investigator's Overview of Ritual Crime*. He spoke at length about being hired by some of the parents of the children in the McMartin preschool trial which had cost millions of dollars and ended in acquittal. His research confirmed many aspects of the case which had been "suspected", including moving the children by jet to a satanic ritual site for ceremonies. All evidence presented by Ted to the prosecutor's office was refused. Ted had also been closely involved in the investigation of the Dr. Jeffrey McDonald conviction. Ten years later, Dr. McDonald is still serving time for the murder of his wife and family, when Gunderson actually obtained a written confession from one of the satanic cult members who committed the murder!

Ted mentioned that the satanic human sacrificial holidays are: Feb. 2, March 21, May 1, June 22, Aug. 1, Sept. 21, Oct. 31. Ted also went on to say that, from an article dated July, 1982, 100,000 children are missing each year in the United States. According to Gunderson, best estimates are that there are 3.75 million practicing Satanists in America. There are, also according to best estimates by those involved in research on Satanism, 50-60,000 human sacrifices each year by occult groups. Ted highly recommended reading a difficult-to-find book titled *The Ultimate Evil*. He said that a blue-eyed, blond-haired boy or girl, age 11-12, will cost \$50,000 and they are usually taken to Las Vegas or Toronto for distribution—either as slaves or for body parts.

While I did not attend this talk, Nieltje Gedney spoke on *How to Survive the Cost of Healing*.

Linda Blood, former associate and lover of the Temple of Set leader Michael Aquino, took the podium to speak on *Secrecy and Manipulation—the "Occult" Barriers to Justice*. Linda began by qualifying her talk with the explanation that, since Michael Aquino had sued her after she wrote the now-released book titled *The New Satanists*, she was bound by the out-of-court settlement not to discuss certain specifics about Aquino. Her talk did center on the importance of secrecy in the world of the occult.

During this talk a therapist leaned over to me and, knowing where I was from, made the statement that she and another therapist had clients who had confirmed there was a large, satanic, mass grave site in the open, vast land outside of Lancaster, Calif. which makes the one at Matamoros, Mexico seem insignificant.

Walter Bowart and Mark Phillips gave a demonstration which they titled, *The Rosetta Stone to Accessing the Unconscious*. While it is difficult to comment on the demonstration itself, in discussion they continually referred to as "deprogramming". They also made reference to a computer called Pacer which contains many programs that relate to mind control.

In the next room, Linda Walker spoke on *Aryan Criminal Cults: A Multigenerational Perspective*.

Mark Phillips and Cathy O'Brien then spoke on *CIA Mind Control from the Inside Out*. During this two-hour talk, Mark and Cathy got down to specifics of mind-control techniques which had been used on Cathy and were "trauma-based" programs. Cathy spoke "up close and personal" about her direct experiences and the people involved—the very same stories you have been reading about these last few months in *CONTACT*. There wasn't a dry eye in the house after listening to what Cathy endured. She said that when Mark rescued her in, of all things, a DeLorean, and "took her back to the future", she felt safe for the first time in her life! Mark added, "Of course, she couldn't see the stark terror in me."

This was followed by a group discussion (which I did not attend) with Tory Gustafson, Jerry Mungadze and Chrystine Oksana on *Spirituality and Tolerance: A Ballance in Therapy*.

That evening there were several "Advanced Workshops", including Catherine Gould on *Treating the Cult Involved Survivor*. Walter Bowart presented an advanced workshop titled, *Alien Abductions, Ritual Abuse and Government Mind Control: Survivor Reports*.

While the advanced workshops were taking place, I was having a private dinner with a confidential source who told me about a case which is well known in the state of Texas, and is referred to as the Kelly Wilson story. Kelly Wilson is a missing teenage girl from Gilmer, Texas. The story that I was told was so shocking to me that I almost passed out and very nearly threw-up at the table. This story has been told by most major media for months and months during the last year—both in print media and television. The story is complex and involves so many components which parallel other areas in our society that I will be writing an in-depth exposé of the Kelly Wilson story in the weeks ahead. This story will then be followed by one on Satanism in America.

Saturday, March 25, there were workshops going on in several rooms simultaneously from 9:00 A.M. until 10:00 P.M. One of the more notable, for me, was a lecture by Allen Schefflin titled, *A History of Mind Control: What We Can Prove, What We Can't*. Prof. Schefflin traced mind control back throughout history, gave the specifics of who, where, when—right up through today. He gave a history of the role hypnosis has played in the implementation of mind control and included lengthy commentary on the famous hypnotist, Anton Mesmer. By the end of his lecture, an entire bibliography of sources had been mentioned. He spoke about the CIA's involvement in mind-control experiments beginning in the 1940s and went on to talk about project "Blue Bird" and then "Artichoke", which were interrogation programs. In a speech in the '50s, Allen Dulles, Director of the CIA, said, "we're losing control of the battle of the mind"—referring to the war, or race, with the Soviet Union for mind control. This initiated a series of very aggressive efforts on the part of the CIA to gain control over the mind. In 1953, the Manchurian Candidate was real. When MK-ULTRA was signed into action, 149 sub-projects were started under its umbrella—all concerning mind/behavior control. Nine of these projects involved hypnosis. In October 1966, a technical report was issued, titled *Hypnosis In Intelligence*.

Schefflin stated that an FBI report was issued by Kenneth Lanning in Jan. 1992 titled *Investigator's Guide to Allegations of Ritual Child Abuse*. Another report is due out in two months—which reaches the same conclusions.

Randy Noblitt held an advanced workshop titled, *Utilizing Cult Accessing Techniques in the Evaluation and Treatment of Ritual Abuse Survivors*.

Mark Phillips and Cathy O'Brien held an advanced workshop titled, *Non-Abreactive Memory Recall*. This workshop was geared primarily toward therapists and treatment professionals. Regarding the subject of MPDs, so-called multiples or multiple personalities, Mark's

therapy for reintegration works through treating the person as one whole person which has some very badly shattered fragments—but one person, not many! I had the feeling, as Mark and Cathy were speaking to this group of psychologists, that it is a lot like trying to explain Esu "Jesus" Sananda to a large group of conventional evangelists—difficult at best.

The symposium concluded with a panel discussion with Walter Bowart, Randy Noblitt, Mark Phillips and Allen Schefflin titled *Anatomy of a Ritual Crime and Its Aftermath. Cult and Ritual Abuse, Mind Control and Dissociation: What We Have Learned and Where Do We Go From Here?*

While I was called away prior to the conclusion of the conference, it was, without question, a success. There obviously were many victims of abuse at the conference, as well as many professionals. Shining the spotlight on the ongoing satanic practices, which are so much more widespread than I had ever imagined, only served to educate those present and to awaken each to the reality of this ugly and cruel behavior. I find it interesting that there was not one visible measure of

protest at the conference—because, as has been stated before, EVIL CANNOT STAND THE LIGHT. Well, I can clearly say to you that the spotlight was shining on all of the evil practices of Satanism at this conference, in addition to the invaluable insights shared on mind control, multi-personality [dissociative] disorder.

Mark and Cathy wished me to convey their deepest appreciation for all of the kind words of support and financial assistance which have been so badly needed. Each letter is read very carefully and they would like to thank you!

I attended this conference as an outsider to the world of mind control and ritual abuse. To me it was a water-shed event. There were great minds present and equally insightful ideas shared. My hat goes off to those brave men and women in this field of treatment who have dared to write about these things and come forward to speak about what they have come to know. It's frightening—but only through education and telling the story can the public ever become informed. Someone must be first. And in this case there were many who dared. I am humbled in their presence.

New Friends & Renewed Resolve

Nice Letters From Mark And Cathy

TO: *CONTACT*
April 2, 1995

Greetings Rick, Brent, Ed, Penny, Doris, E.J., Claudia and Phyllis (The *CONTACT* Family), and Faithful Subscribers, AND Commander Hatonn.

It is difficult for me to reduce to mere words the immense gratitude Cathy and I feel toward each of you who have expressed your support of us (and our "mission to inform") through your personal letters. Now, we have had the opportunity to meet person to person some of those *CONTACT* letter authors and telephone friends, thanks to the recent Texas mind-control symposium.

Needless to say, Cathy and I were not surprised to learn, absolutely, that those nice *CONTACT* people are warm, loving souls. The time spent with (*CONTACT*) individuals whom I personally met with was all too brief. We now dream and look forward to an unknown date in the future when another opportunity such as a reunion, convention, or symposium may bring us back together again. Please consider this "dream" of ours to reunite *CONTACT* subscribers with many others less fortunate (who are at this moment waking up) at a time and place conducive to educating those with eyes to see, ears to hear, and a voice that will be heard.

We've learned a lot about effective networking over the past six years, but nothing prepared us for the emotional uplift Cathy and I received via the symposium attendees.

For example, (one of many) a middle aged woman, though young and attractive in appearance approached me after I had concluded almost five continuous hours of co-presenting, with a polite "excuse me, but may I have a word with you in private?" I saw something in her eyes that shouted sincerity!! I replied, "Of course."

Frankly, I was delighted that someone would help me diplomatically "escape" the ballroom full of not-as-weary-as-I attendees. We stepped outside the hotel and this dear lady informed me that she was a recovered MPD/DID survivor of (U.S. military) mind control. She then gave me enough detail to convince the greatest skeptic that she was for real. I asked her who her therapist was and she smiled and said, "You know her by a different name and I must ask you to maintain our (both she and her therapist) anonymity." This was in part because her therapist had written to me over two years ago and I had provided the therapist with a therapy outline that was "nonconventional and nonacceptable to her peers in the mental health community."

The lady further commented that the therapist was, in fact, preparing a "paper" for professional publication and presentation to both A.P.A.s for sometime this year—embracing the exact regime that put her back together again in less than a year!

Suddenly, I realized that people are actually hearing and responding, and that the therapy regime I was given for helping Cathy totally recover was being humanely and effectively applied to others. The realization that the spark of truth was being fanned into flames was overwhelming in terms of relief for my psyche! I then asked this lady if she would allow me to test her recovery claims with what amounts to a powerful mind bending dissociating series of double bind suggestions. She replied an emphatic yes! What followed my "test" were smiles and tears from both of us!!! She was the first totally recovered government mind-control survi-

vor, aside from Cathy, I had ever tested—(and I've tested hundreds), who is truly recovered!

The dozens of other survivor stories I heard were a mixed bag of success and excitement from what the people learned from this world class symposium on mind control. The entire symposium was professionally video taped for those who could not attend and for the sake of posterity. No where, at any time, has there been anything close to the content that was presented by these dedicated professionals from legal to mental health communities.

The negative comments were so few and ungrounded that it almost seemed eerie.

As an added bonus, Cathy and I each met some people we will most likely have as true personal friends for always. For Cathy, this was a first time experience, and a rare one for me. We've met a lot of wonderful people over the years, and many we stay in communication with, but none quite like the ones we met at the symposium.

Because one of those "friends" is a *CONTACT* employee, I feel compelled to reveal his identity. It is Rick Martin. And I don't feel the least bit presumptuous that Rick experienced the same feelings. Thanks, Pal—for being there and for encouraging others to attend—you know how important it was—for all of us.

Take care of yourselves—and, until we meet again, our best to you and yours.

Warmest Regards,
/s/ Mark Phillips

Rick Martin, c/o *CONTACT*
APRIL 1, 1995

Dear Rick,

It was a pleasure to meet you in person at the symposium on mind control and dissociation last week in Dallas, Texas! Spending time with you was a delightful experience that Mark and I look forward to repeating as soon as possible. Your apparent genuine love and concern for humanity is deeply refreshing, and talking with you is absolutely enlightening.

While reflecting on the success of the symposium, I realize that the greatest rewards were interpersonal. After all, this symposium was about people and the very survival of humanity as we know it. Seeing truth in action as presented by the foremost authorities on mind control in the world today was powerfully rewarding. Walter Bowart's discussions on Neuro Linguistic Programming and decades of research for his 1995 uncensored (self published) book *Operation Mind Control II* provided attendees a comprehensive basis for understanding the origin and proliferation of government mind control. Allen Schefflin's powerful 1982 contribution to the *International Human Rights Law Journal*, "Freedom of the Mind as an International Human Rights Issue", and *The Mind Manipulators* are important assets he has provided humanity through his dedication to freedom-of-thought. Sharing the podium with such reputable speakers proved to be a successful means of spreading the word on mind control.

Mark and I were excited at the prospect of arming therapists with what we know to be solutions toward fast, painless recovery for the numerous survivors of mind control swarming their offices. Daily, Mark and I receive letters and telephone calls from survivors who have abandoned therapy out of frustration from "not being understood". Deliberate misinformation in the text of university books has turned out a whole generation of mental health "professionals" who paid dearly in terms of dollars and "sense" for an education that is counterproductive to healing. Reluctantly, they appear to be tossing aside years of study in exchange for effective, interactive knowledge. They have no choice. These misinformed therapists are losing their MPD/DID patients...many of whom survived a tortuous past, yet could not survive counterproductive therapy regimens. Solutions that work are now available and the

road to recovery from DID is far more simple than the deliberate misinformation detours. Throughout the symposium, Mark and I heard from therapists who learned that believing the text of their survivors' memories was not as important as "having ears to hear" their voiced therapeutic needs. Mark and I also talked with the numerous mind-control survivors in attendance who were relieved to have their needs being voiced by people who truly understand.

I know from experience the peace of mind that comes with being understood. It felt good to impart understanding to survivors through providing simple therapy solutions. I share their frustration with well intentioned therapists who focus on "how does that make you(s) feel" rather than providing psychoLOGICAL understanding of compartmentalized memory. Being treated as a singular person is healing in itself...personified!

The life-changing depth of accomplishments at the symposium last week is proportionate to the level of need for truth. Not only are affected people asking questions, they are demanding answers. Mark and I were/are pleased to be part of a unified effort to reveal truth. Among those in attendance at the conference on mind control and dissociation were many readers of *CONTACT*. I quickly learned to recognize *CONTACT* readers—they are the doers. At a time when hopeless panic is being deliberately imposed on our society through rumors of demons, aliens, concentration camps, and worse, the *CONTACT* readers I met appeared to be at peace and therefore functioning logically. *CONTACT*'s dedication to truth is apparently arming its readers with Need-to-Know facts. Those I had the privilege of meeting know that panic and violence are not conducive to fighting this Evolutionary battle for freedom-of-thought. If "Secret Knowledge Equals Power" as the so-called "masterminds" behind the New World Order purport, then sharing that knowledge equates to empowering the people. Spreading the word is tantamount to the survival of humanity as we know it, and Mark and I are encouraged by *CONTACT*'s effectiveness in empowering its readers with truth.

Knowledge is our ONLY defense against mind control. In this light, our symposium on mind control and dissociation was a tremendous success. Success cannot be measured by money generated when those who need the information most are financially devastated from the high cost of surviving. Making money was not what this symposium was about, although any

generated cash would have furthered our dissemination of information through the self publication of our book *Trance Formation of America*. To those of you who have requested copies, please understand it will be released as quickly as we can afford to self publish. Our target date is for June 1995.

To those *CONTACT* readers in attendance, it was a pleasure meeting each of you. Thank you for your overt support through actively joining us in arming the populace with knowledge. Mark and I also appreciate the moral support of those *CONTACT* readers who have so thoughtfully written us, as well as those unseen who are responding by spreading the word.

A special note of thanks to those of you who have written the State of Tennessee on behalf of my daughter, Kelly. Shining a public spotlight on her volatile political prisoner status has proved disarming to her abusers. While I do my best to maintain a "big picture" perspective on my precious daughter's dire and desperate needs, my maternal instincts tend to impatiently cloud my vision from time to time. Hatonn's recent wise suggestions echoed the loving advice of Mark Phillips, whereby I logically shifted my focus to the crux of the issues during the course of the symposium. Hatonn's timely advice proved to be precisely right, for Kelly's sake.

With the 1995 Symposium on Mind Control and Dissociation behind us, the future looks a little brighter for us all. By arming ourselves and each other with knowledge, truth will set us all free. We must spread the word as quickly and vastly as is accurately possible. We have all been kept in the Dark Ages of information containment far too long, and it is time to wake up to the reality of who and what is running our country and world—and HOW they are doing it. The solution provided at the symposium is simple: Repeal the 1947 National Security Act that has allowed those in control of our country to control us all through secret knowledge. What we don't know IS hurting us, and it is time we brought their secrets to light—for humanity's Security is your Need to Know! It is your Right to Know! Write your politicians and demand the repeal of the 1947 National Security Act that is destroying the remnants of security of our nation—and the survival of humanity as we know it.

Thank you for joining us in spreading the word!

With Deepest Appreciation,
/s/ Cathy O'Brien

Notes On Time & Using It Wisely

4/2/95 #1 HATONN

"TIME"

I see that the magical political day has arrived as Spring makes her effort to be wondrous—you change the clocks. That means that the mechanical counters all say one time, the body says what it did yesterday—and nobody knows what time it IS for about two or three days! So, it is 7:52 (as written above) or 6:52—whichever you wish to pick. We have been out to check the flowers, rain on the pot-plants and they just smile sweetly up into the morning and await the sun.

Speaking of flowers—go forth and see what God has placed upon your hillsides and vales. In the area around Tehachapi, for instance, you can go to the lower altitudes of, say, Antelope Valley, a beautiful drive and drink in the poppies which are so brilliant as to have God's paintbrushes doing their Master scenery-scapes.. It was wet this winter so all of the nation(s) should be in Sunday clothes.

Al, please take John forth on a drive. You need to reestablish your relationship with one another for he cannot grow without input and you cannot be whole without the friend who came here because of you. He will not dwell on his personal problems if you will produce a set of rules which exclude self-pity and offer him POSSIBILITIES. When there is a "hang-up" of focus it is because one or the other does not WISH TO share "possibilities". All these recent books have NO HURRY for there is not funding for publishing them—take advantage of this, you who are so buried in the ordinary course of days passing without ability to "look up from the desks".

John can also go forth to various homes and help you prepare for gardens and flower beds. He does not have his home since it was unlawfully rented right from under him. So, please make allowances so that he can have activity in a positive way. I would like to see that small plot of land here and there in gardens (all of you are going to be sorry "here" for not responding to my suggestion of a "community" garden because you will not have set precedent for same within the town limits). I do recall, however, that you always "know better". All of you would be healthy, a bit wealthier and much wiser if you spent some of each day playing in the earth. You don't have to be Johnny Appleseed, but it wouldn't hurt anything and the joy and well-being would be wonderful. Please, you who live in proximity to the deserts—go forth and SEE as Spring brings forth life in this year of abundance.

How many did lip-service while we worked to free John? How many go regularly to simply take him to lunch or sit a minute with him? Ummm-Hmmm, too busy? Well, friends, I'm busy too!

By the way, as we speak of John S., it must be worked out with conservators to MAKE SURE the arranged-for assistants are attended. Remember something—there is absolutely no right to disallow John help because the lawyers take it all. If this is not forthcoming—then TAKE IT IMMEDIATELY BACK TO JUDGE RYAN. John is, by the way, TO ATTEND EVERY HEARING IN REFERENCE TO HIMSELF. It

is not right to be "paid" for visiting a friend but there are caretakers hired and MUST BE PAID for services which include such as regular cooking, cleaning, laundry, etc. That is part of the agreement and, if someone has to go without salary, let it be the pencil pushers who never seem to get their jobs done! Salaries for services MUST be on the regular scale of helpers and the absolute MINIMUM is at least \$6.00/hour. Since there are no "fringes", it should BE MORE! Now, I am serious, no-one need volunteer to go clean a rich man's bathroom. I exaggerate to point out how serious I AM. If you don't want to personally work it out—GO HIRE PROFESSIONALS AND I THINK YOU'LL GET THE POINT. People help because they want to do so and, frankly, I don't care for a lot of the personalities of ones I help. So attend, first, your personality and see if YOU would like to help someone like you or spend company with someone like YOU—AND THEN, CONSIDER CHANGING A BIT BECAUSE—EXCEPT FOR THE GRACE OF GOD—THERE GOES YOU!

If each of you would spend the same amount of time you spend NOW, picking and poking and prattling and offer that time in loving consideration—you would ALL be better for the experience! You expect that of GOD and HOSTS—what's wrong with you deserving the gifts of God? GOD DOESN'T "OWE" YOU ANYTHING!

By the way, that old saying of, "God will provide and take care of me—!" is a LIE. What you are really saying is "somebody" will come along stupid enough to attend my needs and wants and I'll claim it is God so, "I don't feel guilty." So be it!

Get some of the solution we just made over to Wally, please. Leave it undiluted and have him take 10 to 20 drops in a 1/4th cup of gaia or water—FOUR TIMES A DAY. Let's get rid of the pneumococcus in his system before it converts to "valley fever". If you, Paul, are tired of the routine without healing in your chest—YOU DO THE SAME. You who are actively

having anything wrong with you such as herpes breakout (Dharma started a massive fever-blister from the recent stress), hit it hard. One blast of 20 drops kicked it. Now all it has to do is heal and slough off—which it has mostly accomplished overnight—it won't return in that area—ever again. I suggest you all get some acidophilus and replenish your system supply of necessary bacteria flora. Sandy, the solution would be extremely good for both you and Amari Marie. Plus, you will be replacing the mineralization you need in the process. Let us use wisely those things allowed us. After the catalytic reaction, there will continue to be "reaction" in the bottles so it needs several days to complete—then bottle with space for expansion—especially as you enter into hot weather, for shipping. The reaction takes and changes all the characteristics and basically becomes quite inert while taking the "sting" out of the peroxide.

You around who have stomach troubles which are caused by nasty little stomach parasites or bacteria—try these drops on an empty stomach a few times a day—10 to 20 to 30 drops a whack and wait 10 or 15 minutes before diluting with food—and I think you will see rapid results. This will take a bit longer with you who have been on "medication" or heavy antacids because there has to be a return of balance within the acid-enzyme system but those little invaders DO NOT LIKE the precious treasures.

BUSINESS

Within 24-hours here I have been asked at least two-dozen personal input questions to/through Dharma. I am going to stop answering them, readers. I have been implored to respond to ones writing books and now claim it has something to do with "me" or Doris or, or, or—. Or various ones want to know what to do for specific things as mentioned above, or whether or not to uproot and move to here, or would it be considered competition if I go into business using YOUR product? If you have already made your labels and bottles—why ask AFTER the fact? I am not the one to settle such problems. YOU KNOW WHAT IS WHAT, RIGHT AND WRONG—SO DO YOUR OWN THINKING AND STOP TRYING TO COVER YOUR ERRORS WITH GETTING, SOMEHOW, MY PERMISSION. I am not a baby-sitter! Dharma is NOT A BABY-SITTER and especially, E.J. is NOT A BABY-SITTER. There is no magic at Ekkers' place, no funds and nothing except a load of work. E.J. did not even get a cast on his broken leg because of no health insurance and no funds—thanks to Russbachers, not even emergency credit back-up.

Dharma had taken the very last of their emergency reserves from their time in Los Angeles and she and E.J. went and totally outfitted a full apartment from

"A typical vegetarian problem—green lung."

dishes to bed with their reserves, for John. I spill the secret on them because I see no arrangements being built-in by the conservator for John to be able to replace those sums. I do not like to see ones who have been conservative and looking ahead, depleted so that there is nothing to pay a physician when ill or hurt. I want a pay-back contract, please, Gene, and if there comes need for a hearing to get it done I suggest the Judge make arrangements for the conservators to have less or nothing—and see how long the lawyers and conservator SERVE! John is quite capable of going before the Judge and asking for his funds BACK so he can pay the ones actually DOING THE WORK. Maybe in that event the Judge would act a bit more hastily as well.

Now a private message to Dharma about the new solution. The best way to handle it is obviously to let it balance itself—that is to keep the products mixed until all reaction stops—but you don't need that much action. However, since you are trying to get a balance within—and not necessarily have a germicidal solution—use smaller amounts of hydrogen peroxide to START. Again, however, it is fine to simply leave the solution several days while all reaction "finishes". That will leave plenty of food-grade peroxide to adequately treat any water you might wish to intake. I repeat, anyone who is using hydrogen peroxide to make sure you have good water—CONTINUE AS IS. This only enhances. We are not in the medical or water purification business—we aren't even in the colloidal solutions business—this is a way to have a germicidal solution which can add the trace minerals you are so sorely lacking in a form the body can use. You who want us to state otherwise, will wait a very, very long while. We don't offer CURE for ANYTHING. If you can take these tools and heal self, fine! YOU are the miracle and the cure—we can only offer you tools which might help you accomplish the task.

You who have changed to an intake of whole grains in sufficient intake amounts—should already be finding a full recovery from the beriberi symptoms. You are also bearing symptoms of pellagra, pure and simple, while you call it muscular dystrophy, dropsy, muscular sclerosis, multiple sclerosis, etc. All that is wrong with you is depletion of nutrients which get so far out of balance as to produce inability of the immune system to attend your needs. If you fix a flat tire and put no air in it you are still going to have a flat tire! Well, I am not going to fill the tire FOR YOU. I may well even

supply the way to get the air—but you are going to attend YOU or you are going to remain out of balance. Moreover, if you are unwilling to reach out and help a friend, let us use John as a good example, why should I come to your assistance? We each must do what we CAN do and if you do not wish to assist—ask no assistance and expect none.

I'm sorry, but I weary of ones who go forth and cause us trouble upon trouble and then come back as if it is OUR PROBLEM that they were misled, didn't hear or stopped reading and now want instant information. NO! That is not our job—ours is to present it and make it available—period. However, if you come and TAKE that which is ours and go utilize it for your own personal gain—it very likely may backfire as some people around here have turned the "other cheek" trying to get through the hard times to the point that they simply will not "take it any more". We have some callers who are totally irate if their orders are a day late in arriving. We have people working around the clock every day, every night—FOR NOTHING, to try and make available the things I bring. Our people OWE YOU nothing! They give you the BEST PRICES of ANYWHERE and they take nothing in return so you can HAVE IT. Well, the Beelzebub stops HERE. You are going to, for instance, find people out there in the business world selling this silver-sol for \$10 an ounce or MORE. Add goldsol and it will be increased to probably double. It is expensive in that it utilizes the precious minerals in the processing. So at this point, gold and silver are being utilized in the solution to the tune of a startup bundle of mineral at no less than \$4,000 a bundle. How long will the bundle last? We don't know but each time a "batch" is made the mineral is converted and USED UP. And again, Dharma and E.J. are using all the gifts they have received over the last seven years for the processing. You who have sent a gold coin or silver coins—are a part of this processing. We send blessings to Chartrands, Orion, the Birthday gifters—all of you. We would be in clover if the gold sent by Overton had ended up here where it was directed instead of in George Green's backyard!

Can you ones do this processing at home? No, we have other things we use to break down and convert the solution and I won't tell you what it is. We also, then, add the drias to balance the solution. But in the reverse, we then add some of the solution to the nursery formulae for the baby drias.

New Gaia Offers Journey To Health

What Should We Be Taking?

3/3/95 SANDRA TULANIAN, D.C.

The times we live in do not afford us the opportunity to keep life simple enough that health can be taken for granted by just ingesting food and water. The game rules have been changed by bureaucrats (directed by crooks higher up the ladder) who dictate questionable farming practices which, when added to the already choking pollutions of our atmosphere and water, ends up depleting the soil, the food supply, plus the air & water we breathe of many of the essential nutrients that would otherwise allow our bodies to function optimally.

Without these "food"-based essential nutrients our immune systems and body physiologies are sitting ducks for any attack—from chemical and biological "warfare" practices, to increased nuclear radiation pollution, as well as from other high-energy photon bombardment as this planet prepares itself for the upcoming changes.

It is up to every individual to take personal responsibility for their health and prioritize the needs their bodies may have at this time as well as pay special attention to the needs of their children. I hope to describe here some good products available to you so that your search for a basic, complete arsenal against disease can come to an end.

New Gaia has presented many products to the public that you can pick or choose for individual needs. But there is a core of products, which should be taken regularly, that is felt to be essential to health and well being. These products are: Gaiandriana, AquaGaia, Gaialyte, Kombucha Tea, Kombucha Vinegar, CarbraGaia, GaiaCleanse Program, Chlorella, Spelt, and 3-In-1. Each of these provides a service to the body that is a necessary assistant to the other. We will discuss each one individually to provide you with the information you need to understand why these items are necessary.

The physiology of the body is basically governed by the actions and programming found within the cell. The cells make up the tissues of the body, the tissues make up the organs such as the heart or liver which, in turn, make up the organ systems that work in harmony with each other to keep the entire body functioning. If the cell structure has been altered or is malfunctioning (for whatever reason), every organ system is affected. To what degree they are affected depends on the offending substance that has caused the cell's breakdown or the length of time that cell has been subjected to abuse.

Gaiandriana is a product that is said to help

correct the faulty programming that has occurred at the cell level by correcting into perfection the cell's DNA/RNA blueprint. Viruses, unlike bacteria, have the ability to fuse with the DNA strand within the cell, creating a mutation to that cell. By perfecting the DNA/RNA blueprint, the cell may be returned to a level of vitality which allows it to fight off an incoming virus and maintain the homeostasis within the cell and, in turn, within the organ systems.

This is essential for the immune organ system, because without healthy cells that can fight off offenders like free radicals, viruses, and cumulative levels of radiation, the immune system is overtaxed to the point of exhaustion—eventually leading to disease. Another benefit from consuming Gaiandriana is its ability and nature to thrive on the invisible, higher photon frequencies which are bombarding us daily. Gaiandriana is able to speed up the frequency levels of the cells to more nearly match the energies pouring in and assaulting the body. This, in turn, can offer a two-fold benefit: One benefit is the ability of the cell to withstand and actually adapt to these otherwise damaging energies; the other benefit is to help protect ourselves from mind manipulation through pulse beams that are irradiating mankind relentlessly. Originally the dose was 10 drops, 3 times per day, under the tongue. However, with the growing number of "manufactured" epidemics and other stepped-up

plans for our demise by the Elite, perhaps more is better. One ounce or more per day may produce faster and more effective results.

Aquagaia was introduced to benefit the mitochondria system that lies within the cell. The mitochondria is the energy producer of the cell and is essential to convert the food we eat into usable cell fuel and to produce enzymes that are absolutely necessary for survival of the body system.

Aquagaia is also said to feed on vessel plaques adhering to blood vessel linings. Most all of us, by the age of twenty, have plaques developing on the arterial walls due to the American diet that is filled with saturated fats, high protein, white flour products, and limited consumption of fresh fruits and vegetables. This product provides added fuel to any compromised system to assist in strengthening the immune system, as well as cleaning out blood vessels and enhancing the pliability of the vessel walls throughout the body. Both Gaiandriana and AquaGaia work in harmony to strengthen and eliminate mutations of all cells by working together within the cell structure itself.

Another product that you will find essential in your daily regime is Gaialyte. This is a fully integrated electrolyte liquid that is brought forth from the Kombucha Tea. The combination of tea and juice, vitamins, minerals, Ginkgo Biloba, Echinacea, Chlorella, oxygenators, Aloe Vera and

Gaiandriana are a powerful combination that helps boost energy levels as well as provides electrolyte balance within the body to help enhance the performance of the **Gaiandriana** within the cells. Electrolytes are substances which dissociate into ions in solution and thus become capable of conducting electricity. The balance of these electrolytes in the body will aid in the protection from the various high-frequency energies that we are now subjected to as well as enhance the effectiveness of all the other products you are consuming for your health.

Another beverage that should be taken in a dose of approximately 8 ounces per day is the "Tea Breeze" Kombucha Tea. Enough can not be said about this fermented drink from the mushroom fungus found long ago by a prominent Japanese woman in a town called Kargasok, Russia. What she found amongst these villagers astounded her. The women were virtually without wrinkles or other signs of aging and the overall population was comprised of unusually healthy people. She was told that these people drank 8 ounces of Kombucha Tea daily. She brought the mushroom fungus back to Japan and, today, over a million Japanese people drink the fermented tea daily. With the high content of special proteins and enzymes, this tea is said to reduce cholesterol, restore hair growth, strengthen eyesight, help insomnia, aid in weight reduction, help with allergies, bronchitis, asthma and a myriad of other debilitating conditions including the prevention of certain cancers.

While these are claims from people who have used or researched the product, it would simply be prudent to regard Kombucha Tea as a must to add to your daily health regime. Many people make their own tea with the mushroom that is available through New Gaia Products, but for those of us with limited time, the ready-made tea in the 1-liter and 2-liter bottles is both delicious and convenient. Try mixing the tea with the **Gaialyte** and your favorite juice, or just drink it straight.

There is a **Kombucha Vinegar** that has been developed which offers similar properties to unpasteurized apple cider vinegar, which has been used for centuries to care for all types of ailments. This product packs a punch when fighting off the common cold and is great as a digestive aid. Many are using this product in their salad dressings or other recipes to enhance the nutrition that their families receive. While **Kombucha Vinegar** is not recommended for canning or preserving, it certainly is recommended for general consumption.

CarbraGaia is the membrane that is found in the mushroom fungus of the **Kombucha Tea** bathed in a nurturing amniotic-like fluid of **Gaiandriana** to aid the body in repair of connective tissue. This product was designed to replace the need for Shark Cartilage supplement, which has been well researched and documented in recent years and which is said to program the body to never develop cancer tumors. By mixing one teaspoon in to any of the above mentioned drinks, you add one more weapon to your arsenal in the quest to build the immune system to its optimum healthy state.

A 14-day program called **GaiaCleanse** has been developed that assists in the elimination of the nasty parasites found within the body. Very few people realize the kinds and types of diseases that these parasites can contribute to, such as Cancer, AIDS, Hepatitis, Hodgkin's Disease, Diabetes, just to name

a few. There have been reports that people have been able to turn their conditions around by utilizing a program such as the **GaiaCleanse Program** to eliminate the myriads of parasites, such as flukes, keeping house in their internal organs.

The beauty of this program is that 14 days every 3 months is all that is required to insure a body that is free of most parasites. The **GaiaCleanse** line includes tinctures that can be mixed in any one of the above beverages or in juice. There is also an intestinal cleanse that comes in the kit to ensure proper elimination and cleansing during the two weeks. These steps to health are important if one is to realize optimum health within the cellular structure and organ tissues of the body.

Chlorella is a single-celled, fresh-water algae which is a nutritionally balanced whole food that is extremely high in protein (60%) and contains more than 20 essential vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes, plus **Chlorella** growth factor. The combination of these factors results in a product that has been found to be excellent in the healing of wounds, injuries and ulcers, immune strengthening, age retardation, protection against radiation, normalizing digestion and bowel function, and protection against toxic pollutants, to name but a few of the benefits.

Chlorella is a rich source of chlorophyll, which is extremely effective in controlling body odor both internally and externally. The suggested daily consumption is 3 grams per day, but dosages should be adjusted to your individual needs. Many times the alkaline reserves in the body are so depleted that **Chlorella**, in larger doses, is warranted.

Moreover, because of its superb food value, **Chlorella** is an important addition to anyone's emergency food storage stash.

As part of an ongoing nutritious diet, the grain of **Spelt** (*Triticum Spelta*) should be added to every diet in replacement of the standard wheat grain. **Spelt** is superior to wheat in that it contains more protein, crude fiber, and fats than wheat. It also contains special carbohydrates (Mucopolysaccharides) which help stimulate the all-important immune system.

Many people who are allergic to wheat find **Spelt** to be easily digestible. What is most exciting is the delicious nutty flavor that **Spelt** offers to any baking needs. Another advantage of **Spelt** is the large amount of vitamin B-17 found in the grain (also known as Laetrile) which has a reputation for retarding cancerous cell growth and aiding in the healing of other serious illnesses. **Spelt** also has an exceptionally thick husk around the center grain, which protects it from all kinds of pollutants and insects far better than happens with other grains. The **Spelt** grain can be ground up into flour and used in any recipe where flour is required. New Gaia offers the whole **Spelt** grain bread mixes, or the grain itself to be ground into flour, or the flour already milled for your convenience. This simple addition to your family's diet can provide a wealth of extra nutrition for your loved ones as well as a great taste experience.

The last product I wish to discuss is a newer product of which you may not be fully aware. Many of you have heard of the latest craze using a product called "Pycnogenols". Pycnogenol comes from the bark of the pine tree and is said to have remarkable anti-oxidant properties that are aiding in the relief

of a number of chronic conditions. The **3-In-1** product offered by New Gaia has been found to be superior to Pycnogenol. The research that has been conducted on the elements found in Pine Bark were primarily conducted on Grape Seed Extract because this, too, had the components that offered the superior anti-oxidant protection.

What was discovered is that the Grape Seed Extract was even superior to the Pine Bark in that it contains a higher level and higher potency of OPCs (Oligomeric proanthocyanidins) which are the active ingredient for free-radical scavenging. These OPCs found in the Grape Seed Extract are known for their instant bioavailability to seek out nasty free radicals and produce rapid counter-effect results. While no claims are here being made for the healing qualities of any product, the OPCs found in Grape Seed Extract have been identified with: Anti-aging protection, improved vision, decrease in wrinkles, resistance to mental deterioration, reduced risk of heart disease, reduced risk of stroke, enhanced immune system, faster healing, subdued PMS, and reduced inflammation of arthritis.

The other substances found in **3-In-1** are Ester-C and Aloe Vera. Ester-C is found to get into the blood stream faster and in larger amounts than other forms of vitamin C and wastes only a fraction of what other vitamin C products lose through elimination. It is also found to penetrate white blood cells more efficiently, which is necessary for their metabolism. There is also a reduction, if not an elimination, of the side effects from the acidity of regular Vitamin C because Ester C has a neutral pH. Each capsule also contains 150 mgs. of Aloe Vera which is the equivalent of one-and-one-half ounces of natural Aloe Vera juice. Excerpted from an article by John C. Pittman, M.D., we read: "Acemannan, a mucopolysaccharide, is a long-chain sugar which is found as an active ingredient in Cold Processed Whole Leaf Aloe. It interjects itself into all cell membranes. This causes an increase in the fluidity and permeability of the membrane, allowing toxins to flow out of the cell more easily and nutrients to enter the cell. The net result may improve cellular metabolism throughout the body, resulting in a boost of energy production."

These three powerful ingredients are found in one product called **3-In-1**. It is a potent product that should be utilized by anyone suffering from a chronic condition or for those wishing to maximize the functioning of their immune system on a day-to-day basis.

All the above products discussed: **Gaiandriana**, **AquaGaia**, **Gaialyte**, **Kombucha Tea**, **Kombucha Vinegar**, **CarbraGaia**, **GaiaCleanse**, **Chlorella**, **Spelt** and **3-In-1** can be the keys to a healthier and more vibrant life by reinvigorating the immune system, increasing the metabolic activity of the cells, providing more complete nourishment to allow the organ systems to function in harmony with one another, and to increase our bodies' overall frequency levels to withstand the onslaught of various high-frequency energies that are thrown our way. These products work synergistically together to maximize the effects of each product.

Of course, right thinking, right exercise, and right eating are absolutely necessary to add to any health regime, but the benefits and gifts found within these various products are priceless to our well being in this high-stress world.

Hydrogen Peroxide Use For Water Purification

To purify water (of viruses as well as bacteria and other critters) for drinking purposes, use 10 drops of 35% Food Grade Hydrogen Peroxide per gallon of water and agitate container enough to mix well.

Locating the 35% Food Grade Hydrogen Peroxide can be a problem as the Elite effort to close down everything that promotes health, from products to therapies. Food Grade Hydrogen Peroxide is necessary as the drugstore (3%) variety contains additives and stabilizers not good for ingestion.

HEAVE-'EM OUT

Phase Three, Part 1

It is very difficult to tell the "white hats" from the "black hats" if you have no vision. If you are blind, you are going to have to sharpen up to energy signals and learn of "directions" and "players". Citizen "mankind" is basically but a pawn in the Elite game of who gets to run things. You must learn to play the game BETTER than the script writers for until YOU WRITE THE SCRIPT—you are destined to be caught in "their" play

ASCENSION OR NEVER-EVER LAND?

BLUE BEAM FLIGHT SCHOOL

Can you learn to ascend by take-off day? Will you "rapture" or "rupture" your fantasy? Who plans all the wondrous adventures to suck you in? Well, it takes a lot of discerning and a heck of a lot of WISE JUDGING! Players are important—but not as important as RECOGNIZING TRUTH! The Satanic players still have some very interesting games to play with you—and the curtain's rising is even a bit delayed—ah, but Satan's promised land is not being denied to you—just delayed by inconvenience. Good luck. May the GLORY OF GOD be shown before you in truth of expression—NOT BE USED TO SUCKER YOU INTO A HOLOGRAPHIC HOLOCAUST OF THE LIE! The time is at hand for the testing—how will you fare?

USURPERS OF FREEDOM IN CONSPIRACY

It is time you latch the puzzle pieces together with players inclusive in this tale of Usurpers who take freedom and TRUTH and destroy it in the name of greed, self-aggrandizement and ego-Elitism. There IS a Conspiracy—far beyond that which is known as the "Conspiracy Theory". If you don't look beyond and into the TRUTH OF IT—you are destined to fall in enslavement without recourse. The players have been obvious and yet "hidden" 'neath your noses. It is time to awaken sleeping humanity in soul realization—lest you make passage within the dark corridors without ever having realization that IT COULD HAVE BEEN SO DIFFERENT WITHIN THE LIGHTED PLACES OF THE LION!

What Are The Phoenix Journals?

Many people have asked us what the PHOENIX JOURNALS are. They contain the true history (His-story) of mankind on this planet as well as detailed information about the most asked about and wondered about subjects (i.e., Spirituality, E.T.s, our origin, our purpose here on this planet, etc.). Commander Hatonn and the other Higher Spiritual Teachers who have authored these JOURNALS, weave spiritual lessons and insights throughout the unveiling of lies which have been deceptively forced upon us, throughout time, by the Elite anti-Christ controllers. These JOURNALS are the "DEAD SEA SCROLLS" of our time. Their importance in the growth of mankind cannot be overstated. They are the textbooks of understanding which God promised us we would have, to guide us through the "End Times".

Here is what Commander Hatonn has said about the PHOENIX JOURNALS. Quoting from JOURNAL #40, THE TRILLION DOLLAR LIE, Vol. II, pgs. 47 & 48: "Some day in the far recesses of the future experiences of another human civilization—these JOURNALS will be found and TRUTH will again be given unto the world manifest so that another lost civilization can regain and find its way. God always gives His creations that which they need when the sequence is proper. It is what man DOES WITH THESE THINGS which marks the civilization. WHAT WILL YOUR LEGACY BE????? I focus on current activities which might turn your world about in time to save your ecosystems and your sovereignty as nations and peoples. You cannot wait to be filled in on the lies of the generations lest you wait until too late to take control of your circumstance presently within the lies. YOU ARE A PEOPLE OF MASSIVE DECEPTION AND WHAT YOU WILL DO WITH THIS INFORMATION IN ACTION DETERMINES YOUR PURPOSE AND GROWTH IN THIS WONDROUS MANIFESTED EXPERIENCE—WILL YOU PERISH PHYSICALLY OF THE EVIL INTENT, OR WILL YOU MOVE INTO AND WITHIN THE PLACES OF HOLY CREATOR? THE CHOICE IS YOURS."

In case you didn't know, Phoenix Source Distributors, Inc. can automatically send you the latest PHOENIX JOURNALS as they are printed. This gives you an extra discount on new JOURNALS and you don't have to keep remembering to order. Call (800) 800-5565 for details.

BUTTERFLIES, MIND CONTROL— THE RAZOR'S EDGE IT'S ALL IN THE GAME

As we approach the closing of this issue of the journal we are near that period of time of Independence Day, (July 4), 1994 relative to the United States of America. You celebrate FREEDOM? YOU HAVE NO FREEDOM—IN AMERICA OR ELSEWHERE. As information flows and appears negative in perception—remember, readers, YOU MUST KNOW TRUTH AND PLAYERS—OR YOU CANNOT CHANGE A THING FOR YOU ARE TRAPPED IN IGNORANCE OF THAT WHICH CONTROLS YOU. You CAN know TRUTH—and in action within that knowing—you CAN achieve, again, FREEDOM!

The message machine will answer after 2 rings if there are any new messages for that day, and after 4 rings if not. Thus *daily* callers can hang up after 2 rings and save toll charges if no new message has been recorded. The message update(s), if any, occur by 6 PM Pacific Time.
