New World Order Gang Destroying Our Children Schools Poisonous To Education

Editor’s note: The following information is offered by Dr. Al Overholt in the format of a News Desk Special Report. While regular CONTACT readers will find some comments herein to be a bit too evangelical and preachy in a narrow focus, don’t lose sight of the sobering statistics being presented which clearly denote how quickly our educational system is going down—along with everything else of substance in our American culture. And by the way, for those of you who appreciate Dr. Overholt’s “News Desk” contributions to this paper, drop him a line in care of CONTACT. He just celebrated (on 5/3) another “39th” birthday and no such newsy milestone should go by quietly, don’t you agree?!

UN VEHICLES ON U.S. SOIL!

From the INTERNET, courtesy of Calvin Burgin, 4/27/98: [quoting]

These photos are of actual United Nations vehicles on the soil of America. These vehicles are coming into our ports—namely Port Beaumont, Texas—at a staggering rate. Why? These are a few recent photos that were sent to us.

These are not for use in a foreign war situation—these are for use in controlling us, herding us TO concentration camps and for treating the ones they don't want to die. Do we think we are going to be one of the few who escape?? WAKE UP—TIME IS VERY SHORT!!

EX-FILM STAR BOOSTS LEAD IN MAY POLLS

From the INTERNET, courtesy of Calvin Burgin, 4/98: [quoting]

MANILA—A former film star who shocks the Roman Catholic Church but is adored by the poor looks so certain to win next month's Philippine presidential election that only cheating can topple him, analysts said yesterday.

Vice-President Joseph "Erap" Estrada, attacked by opponents as immoral, inept and unfit, boosted his lead in one of the country's few credible opinion surveys yesterday, polling 30 per cent to give him double the popularity of his nearest rival.

"It's looking like an Erap presidency," political analyst Adrian Cristobal said.

"But everybody is waiting to see how the cheating will be done," he said, though he added it would be hard to rig the ballots and get away with it when Mr Estrada had such a large lead.

"It's too early to call Mr Estrada a winner," political analyst Teodoro Benigno said. "The administration will cheat substantially."

President Fidel Ramos, whose preferred successor languishes fourth in the poll, has pledged clean, honest and safe election on 11 May in Asia's most vibrant democracy. [End quoting]

Imelda Marcos was running for president also, but the elite have so propagandized the people that she has quit the race. They are trying to put her in prison for building a hospital for the people with her funds.

STEALING THE CENSUS

From the INTERNET, courtesy of Calvin Burgin, <wrlldline@texas.net>, 4/26/98: [quoting]

One of the most fundamental concepts in free societies is the notion of "one man, one vote". But sinister forces are at work positioning to destroy that cherished hallmark of American politics. *Article 1*, Section 2 requires an actual enumeration of the entire population of the US for means of apportioning congressional districts. Section 2 of the *14th Amendment* further clarifies how the census is to be taken by stating that the census will be conducted by "counting the whole number of persons in each state". Title 13 US Code, Section 195 also prohibits the use of any method other than actual enumeration to reapportion congressional districts.

While there are many varied components to the *Constitution*, none are as crystal clear in terms of implementation as the requirement for

an actual enumeration of the census. However, Bill Clinton and the Democratic Party have concocted a plan to steal the census. How are they planning to do this? Simple; they allege that millions of persons were not counted in 1990. How do they know? Well, social scientists at the universities told them (despite their having even less evidence of these people than the government).

So what they are planning to do is to take 10-13 percent of the people who actually send in their census forms and subtract them from the total.

In their place, they are going to devise a sampling formula to statistically adjust the census to account for the "phantom citizens" who live in urban areas—perennially Democratic strongholds.

This hijacking of the political process is designed by the Democrats to shift the reapportionment process to use these phantom citizens to take away congressional seats from the suburbs, small towns and rural areas—primarily Republican strongholds—and give them to the inner cities that have lost millions of residents over the past decade. Phantom man, one vote. Real man, no vote.

Democrats are betting on this gamble to be able to recapture the House of Representatives, because they realize that they cannot achieve that through the ballot box. For example, in the state of Illinois, 90 counties in the state will lose 154,000 REAL people during reapportionment in favor of an additional 68,000 phantom residents in Cook County (Chicago) to create at least two more Democrat congressional districts, reviving memories of the Democrat dead rising from the grave to vote for the Daley political machine in the halcyon days of yore. Rural areas will be hardest hit. While the sampling techniques may give a rural county a few dozen more people, the hundreds of thousands of phantom citizens will far outweigh any gains.

The census also determines the formula in which federal money gets doled out to the states. While major cities will get more federal money for citizens they don't really have, the real citizens in the suburbs and small towns will lose their fair share of tax money, forcing those areas to increase taxes to cover the shortfall from the phony population shift.

The fact that this plan is illegal and unconstitutional doesn't frighten Clinton or the Democrats, because court orders, laws and the *Constitution* have never stopped them. Just look at 1996, when they knowingly took millions in illegal campaign contributions from China in order to win the White House. The Democrats are betting on being able to sneak the census through and forcing America to live with the phony census as a fait d'accompli for another ten years. Their hunch is probably right. If the census goes through as they plan, the courts will be hard pressed to force another census.

What are the alternatives? In a very rare move of boldness, the GOP is actually responding to the crisis—a hard feat to accomplish since 1994. Speaker Gingrich has filed a lawsuit against the Commerce Department to get them to abide by the constitutional census mandates. In addition, the Southeastern Legal Foundation in Atlanta has filed another lawsuit for the same purpose—to

get an honest census in 2000. The option of defunding a phony census was tried last year and failed because of a lack of Republican intestinal fortitude.

The only remaining option is for the largest states to pass laws mandating that their reapportionment (while reapportionment is based off of a federal census, states still control the actual reapportionment process) be based on actual enumeration.

It is truly a sad day indeed when the most fundamental right of political representation—one man, one vote—is stripped away from the common man to illegally bolster the fortunes of a faltering political party. And to think that this president and administration—who made such a big deal about representing the little people—declare political war on the freedoms that those same people depend on to be heard in Washington. May this issue drive us to our knees in repentance that we have allowed our country to wander so far astray as this, and cause us to stand up and fight this flagrant injustice. We should heed the warning given by John Adams long ago: "Posterity! You will never know how much it cost the present generation to preserve your freedom! I hope you will make good use of it! If you do not, I shall repent it in Heaven that I ever took half the pains to preserve it!" [End quoting]

Isn't it time for us to be heard again??

TV REPORTERS FIRED FOR REPORTING ON MONSANTO SCAM

From the INTERNET, courtesy of Rick Martin, 4/22/98: [quoting]

The following article gives me cause to believe that consumers should at the least have

an option to identify milk produced with rBGH (Bovine Growth Hormone), that further independent government studies on the use of rBGH be undertaken (with a ban on its use in mind), and that the corrupt and illegal practices of Monsanto Corp. (or any other business enterprise) described below be scrutinized and curtailed.

Always, John VanDenover, 1740 Southview Dr. NW, Cedar Rapids, IA 52405; 319-396-0844

Monsanto and Censorship—Just as I was finishing editing this issue of NW, I was referred to webpage which coincidentally involved more evil by the Monsanto Company. I will sum it up, but I strongly encourage all of you to read one article at <<http://www.monitor.net/rachel/r593.html>> <www.monsanto.com> if you want to see what they've got to say.

Essentially, TV reporters Jane Akre and Steve Wilson were fired from their jobs at Fox Channel 13 WTVT in Tampa, Florida because they wrote a deep, important piece about rBGH (a synthetic chemical which allows cows to produce more milk), and Monsanto, and Akre/Wilson refused to back down or dilute the story when asked to by their superiors.

Akre and Wilson did a four-part investigative report on rBGH, its potential health effects, the use of rBGH by local farmers, the distribution of milk in Florida which may or may not have come from cows treated with rBGH, and the claims and counterclaims regarding the drug from Monsanto and other scientists.

I read the full transcript of the report and was extremely impressed. It was well-done, in-depth, pretty objective, and important. I didn't know that TV journalism could be this good; and evidently, it can't, as they lost their jobs over it and the story was never aired. The report had a number of important revelations. Publicly, Monsanto claims that there are no ill-effects of drinking milk from cows treated with rBGH, but Akre and Wilson show that rBGH is seen as potentially dangerous by many scientists, and by Monsanto's own internal documents. Specifically, rBGH stimulates increased production of a hormone called IGF-1, which causes the cows to produce more milk. Studies show that this leads to increased levels of IGF-1 in the milk itself (although the amount of the increase is disputed), and IGF-1 has been linked to increased rates of cancer in humans. The scientists interviewed seemed to think that more tests should be done to verify health risks, and implied that the drug should not be used until reliable results are available.

In addition, the report shows that Monsanto's health effects research that allowed the drug's passage by the FDA was amazingly brief, misleading, and fraudulent (but as we see from Alex's article above, Monsanto is no

novice in that area). Akre and Wilson questioned local farmers, and found that nearly all farmers in Florida use Monsanto's rBGH in their cows, so it would be virtually impossible for a concerned consumer in the area to get non-rBGH milk. In fact, dairies which have tried to label their milk as "rBGH-free" have been sued and intimidated by Monsanto. This story is an incredibly valid issue of public health in the community, and country.

And finally, when the journalists tried to point out a potential health problem, one that could cost the Monsanto Company money, Monsanto sent its legal staff to get WTVT. The station caved, and edited the story to be softer, misleading, even occasionally false. When Akre and Wilson refused to air the story, they were harassed and cajoled until they were finally fired. Akre and Wilson are currently suing WTVT, claiming that the station attempted to knowingly broadcast lies, which is a violation of FCC rules.

This is of course disturbing for a number of reasons: Explicit corporate vetoes of important news stories; human health at risk due to a drive for profit; the failure of regulatory bodies to protect the public; infringement of free speech of individuals (the small dairies) by pressure from the wealthy; the inability for the public to choose to not have these potentially dangerous chemicals used to produce their food. It is the sort of thing which we all know happens regularly, but that we don't see in such clear terms very often.

Another excellent reason for us to be vigilant about our foods.

DRIVEN TO SUICIDE

From *THE MODESTO BEE*, courtesy of Claire Melgren, 4/23/98: [quoting]

An average of 25 South Koreans a day are committing suicide, with most believed driven to desperation by economic woes, prosecutors said Wednesday. Thousands of companies have collapsed and the number of jobless people has doubled to more than 1.5 million since South Korea called in the International Monetary Fund in December to bail out its floundering economy. [End quoting]

Now they're talking about raising interest rates here—so guess who will be next for the collapse??

PANEL REJECTS MEASURE

From *THE MODESTO BEE*, 4/23/98: [quoting]

SACRAMENTO, CA—A key Assembly committee on Tuesday shot down an attempt to protect computer companies from massive "millennium bug" lawsuits, as legislators agreed with trial lawyers that the industry should not be given cover for "a crisis of its own making". The measure, co-authored by Republican Assemblymen Jim Cunneen of Campbell and Brooks Firestone of Santa Barbara, would have limited the financial liability of designers and manufacturers of computer systems, programs and software due to problems expected Jan. 1, 2000. [End quoting]

Maybe this will help bring pressure for some corrections before the deadline.

WHAT'S UP WITH THE SHROUD?

From *THE MODESTO BEE*, 4/20/98: [quoting]

Can God be cloned? We might get an answer soon, if researchers are allowed to proceed with a bizarre set of experiments on the Shroud of Turin, which is said to be the burial cloth of Jesus. According to *The Washington Post*, some scientists and shroud aficionados are pushing for in-depth DNA testing of blood from the cloth. They believe such an experiment could determine whether the man who was wrapped inside the shroud was Jewish and whether his DNA came only from his mother, which would prove the virgin birth. The shroud will be on exhibit in 2000. [End quoting]

I also read in *Spotlight* that some people are proposing making a movie around the cloning of Immanuel (Jesus) from DNA taken from the shroud. What if they succeeded with getting a live body whose brain and mind would be integrated with it?? Ponder the ramifications of that!

JUDGES FIGHT CRITICS

From *THE MODESTO BEE*, 4/21/98: [quoting]

Lawyers who criticize judges in the nation's largest federal court could face fines, suspension or even disbarment under a proposal that critics say would violate civil rights. An ad hoc committee of judges has recommended barring attorneys from making remarks that "impugn the character or integrity of any judicial officer" in the vast Central District of California that encompasses seven counties from San Luis Obispo to Orange. [End quoting]

And there are no worse judges around than those—who need to be exposed for their blatant lawlessness.

ANTI-SEMITIC HATRED UP

From *THE MODESTO BEE*, 4/23/98: [quoting]

Aided by the Internet, anti-Jewish propaganda around the world intensified in 1997, although the level of anti-Semitic violence remained relatively low, according to a report published Wednesday. "The Internet has become a vehicle for spewing almost unlimited anti-Semitic hatred and Holocaust denial," said Anti-Defamation League director Rabbi David Rosen. The number of anti-Semitic Internet sites doubled, according to the report, "Anti-Semitism Worldwide". [End quoting]

My interpretation of this is: The Jews are beginning to feel the pressures of the "Goyim" awakening and they are beginning to panic. There are many people awakening who don't know the proper way to handle their frustrations about what these elite have done to them and, of course, they will only "add fuel to the fire" if they respond in a negative manner. Hopefully these people will learn before it is too late that we can win only by approaching this situation from a positive position.

BLINK YOUR EYE TO VERIFY YOUR IDENTITY

From TORONTO TV, courtesy of a

CONTACT reader, 4/23/98: [quoting]

Soon a blink of the eye could be all that's necessary to withdraw money from a bank machine/automatic teller. The customer has only to walk up to the machine, blink into the "viewer screen" and presto, the amount of money punched in is automatically dispensed. When fully developed, the system will enable consumers to throw away their pin numbers and all their plastic bank cards.

A camera scans the iris of the eye which is as unique as a fingerprint and chances that anyone else's could match are about a billion to one.

This technology is called imaging, and was developed at the University of Cambridge. This news story took place at Swindon, UK, where the technology was set up for demo purposes, the focus for this TV broadcast.

Imaging technology is of the same nature as used for military purposes, was used at the recent Olympics for I.D. purposes, and has been used with horses for security/safety reasons and "property ownership" reasons.

This shows how rapidly high-tech security systems are being developed. The news reporter's final comment was something like, "won't it be wonderful if one day soon we can throw away all the plastic we carry as well as the keys to our house. I mean, we lose them all the time anyway. All we'd have to do is walk up to the front door and blink at it." [End quoting]

It is one more way for Big Brother to keep track of us. Every time you use this ID they know where you are and what you are doing. Great technology—**for WHOM??**

WHEN'S THE MILLENNIUM?

Excerpted from *THE JOHNSON CITY PRESS*, 4/22/97, [quoting:]

Hardly a day goes by when you're not confronted with some reference to the upcoming millennium.

The definition of a millennium is a thousand-year period.

Some people are complaining these days about all the talk going around about celebrating the dawn of a new millennium on Jan. 1, 2000. But if a millennium is 1,000 years, then there's an argument that 2001 is the beginning. They say the second millennium after the official birth of Christ will not end until the end of 2000.

This is true, because after all, there was no year zero. If the first year was one, then the thousandth year was 1000, and the second millennium didn't start until the first was over, i.e. on Jan. 1, 1001. So the third millennium doesn't start until Jan. 1, 2001.

The people who staunchly make this point deserve a response. Here is the best one:

Oh, come off it! We—the people of the world—are going to celebrate Jan. 1, 2000, as the big one, indeed, the millennial one. Deal with it.

Incidentally, for those who just like to party, celebrate the millennium twice, both in 2000 and 2001. [End quoting]

The year 2000 has already passed, approximately a decade ago—if you count by an accurate calendar. Esu "Jesus" Immanuel was born Aug. 8, 8 BC—not 1 AD.

THE GOOD GO FIRST, CAPTAIN

From *THE SPOTLIGHT*, 4/27/98: [quoting]
Paul J. Prokop of the U.S. Coast Guard used his retirement ceremony to blast the evils of political bias in that service. He said, in the presence of Rear Admiral Timothy W. Josiah, to whom his remarks appear to be directed, "Unfortunately our commandant is accelerating us headlong down the path of political correctness. Primary consideration in selecting officers for assignments and promotion are now gender and race . . . I have come to realize that I am far out of step with my superiors and can no longer support them or this organization that I value and love." [End quoting]

There are still a few around who will pay the cost of standing up for principle—thank GOD.

FUTURE UNKNOWN

From *THE SPOTLIGHT*, 4/27/98: [quoting]
The controversy over turning the closed Long Beach, California Naval Station over to the China Ocean Shipping Company (COSCO) is presently buried in bureaucratic studies, but by no means are the Chinese out of the picture. At least three agencies, federal and local, are involved, perusing various alphabet-soup regulations and directives. Some observers are betting that Maersk Pacific Ltd., a globalist shipper and importer, will move into the more spacious Naval quarters with COSCO taking over Maersk's Pier J spot. [End quoting]

From *THE SPOTLIGHT*, 4/27/98: [quoting]
A General Accounting Office study shows low income Southerners who claim "earned income tax credits" have been targeted by the IRS for audits more than any other group. And out of six target categories, four are the self-employed. These are Ohio restaurant owners with alcohol licenses, self-employed Georgians claiming business losses (and collecting earned income credits), self-employed Missourians who

didn't pay a self-employment tax and sole proprietors in Illinois with "questionable" wholesale and retail filings. [End quoting]

At least one Swiss bank, Swiss National, has called a halt to the "Holocaust Gold Rush", and will fight a U.S.-based lawsuit to force Swiss bank assets into the hands of supposed Holocaust victims. A bank announcement read: "We are resolved to oppose any such action, which would have no basis in law...particularly since we contest the competence [jurisdiction] of the U.S. courts in our case." It also said there would be no out-of-court settlement. [End quoting]

This is going to be an interesting battle—the elite against the elite—with the little people paying the bills, as usual.

MONEY TALKS

From *THE SPOTLIGHT*, 4/27/98: [quoting]

Russia, being pressured into a new nuclear-test-ban treaty, understood that the U.S. would be able to go right on testing—on super computers. This created a demand for similar computer power which US. makers scrambled to fill. However the Clinton administration, while talking coyly to the Russians, would not license any sales of military-capable computers to them. A private deal was cut wherein Russia received 16 German-made IBM super computers by a circuitous route. U.S. officials found out and want them returned, but the Russians are saying "nyet" and stonewalling inquiries quoting "national security". A federal grand jury in Washington, D.C. is examining IBM's possible

violation of laws governing sales to nuclear weapons installations. [End quoting]

Do you think there might have been a plan for this so they could use some blackmail or jack-up the prices??

MEDIA TO BE SUPPRESSED BY U.S. GOVERNMENT

From the INTERNET, courtesy of Calvin Burgin, 4/25/98: [quoting]

The United States and its Western allies in the Bosnia peacekeeping operation are creating a tribunal that will have the power to shut radio and television stations and punish newspapers that it decides are engaged in propaganda that is undermining the peace.

Western officials involved in organizing the panel, which is charged with drafting new laws to regulate broadcast outlets in Bosnia-Herzegovina, said its powers would be used to stop what they described as poisonous propaganda.

The move is raising concerns among journalists' organizations and other civil liberties groups. Those groups say they are concerned about any attempt by an alliance of democratic nations to impose restraints on the press and broadcasting in another country.

The proposed tribunal, which would be partly financed by the United States, highlights the awkward situation in which the United States finds itself, both as an international defender of free speech [*what a farce!!*] and as a military power trying to enforce a peacekeeping agreement among fractious ethnic groups.

Western officials involved in organizing the panel said it would monitor what news organizations publish and broadcast to be certain that they met what are deemed "internationally accepted standards".

Organizations that are determined to have published or broadcast propaganda in violation of those standards would be subject to formal warnings, fines and, for radio and television stations, revocation of their licenses.

While acknowledging that they felt uncomfortable regulating broadcasters and print reporters' work, Western officials refused to describe the tribunal as the sort of censorship usually associated with an occupying military power.

The officials said they felt they had no other option, given the venomous propaganda that they said often masquerades as news coverage in Bosnia and that can threaten the safety of the U.S.-led NATO peacekeeping force there.

"Basically there's a tradition here of propaganda in the class of Goebbels," said Simon Haselock, a spokesman in Bosnia for the civilian operations of the peacekeeping force. "What we're trying to do is put in place a regime that offers a legal framework that improves and guarantees press freedom. It's not about censorship." [End quoting]

This is called double-speak gobble-de-goop. Since when did government put censorship into effect for the good of the people?? This old line has been in effect since the first government was set up.

Education, not censorship, is the way to have honest government.

BRAND NAMES LOSE TO PARALLEL IMPORTS

From *WARRINGTON INTERNATIONAL NEWSLETTER*, 4/98: [quoting]

On March 9, the US Supreme Court ruled that copyright laws cannot be used to block "unauthorized" imports of name-brand cosmetics, jewelry, home electronics and other goods.

The unanimous decision stipulates that when the original manufacturer sells the branded goods abroad which are then resold—to an American importer, a manufacturer cannot stop the imports just because such goods carry a protected logo, label or packaging.

The situation arises because it is a common practice among many US manufactures to heavily discount their exports of luxury goods, often by as much as 40%. This price discrepancy leaves plenty of margin for re-import, sale and distribution to the major US retailers such as Wal-Mart Stores Inc., DaytonHudson Corp. (Target Stores) and Costec. This decision effectively upholds and extends the legal notion that companies can only protect profits derived from the "first sale" of goods. At the time of the decision, the justices wondered aloud why copyright laws should make US consumers pay more than foreigners for the same products. [End quoting]

It's hard to believe that the court voted against the manufacturing cartels for a change, but of course US consumers get the gaff, again.

BLOOD VESSELS GROWN FROM PATIENTS' CELLS

From *POPULAR MECHANICS* magazine, May 1998: [quoting]

Bioengineers have constructed an artificial blood vessel that is 20 times stronger than natural ones—and it's made entirely from

human cells. The replacement blood vessel, which contains no synthetic materials, can be used for patients who need coronary bypass surgery. "The blood vessel displays the function, look and feel of real tissue," says Nicolas L'Heureux, a researcher at the University of California, San Diego School of Engineering, and a leader of the project.

Cells for the artificial blood vessel are extracted from vessels in the patient's leg and then grown in a bioreactor that simulates human body conditions. "We mimic the body's environment, and transform skin cells into blood vessel cells," says L'Heureux.

A blood vessel grown from a patient's own cells promises several advantages. With no chance of an immune response, no scar tissue will build around the artificial vessel. Consequently, doctors can make smaller, more precise matches with the natural blood vessel and improve blood flow patterns. [End quoting] Sounds like a great boon for circulatory illnesses.

THE MOUNTAIN OF UNPAYABLE DEBT

Excerpted from *MILITARY* magazine, 5/98: [quoting]

Oddly, there are those who think the government does things for the people instead of **to the people** [emphasis mine].

What no one wants to talk about is the DEBT! Five trillion dollars. What is five trillion dollars? It is the equivalent of all the stocks and mutual funds owned by all Americans three years ago. This amount comes to about \$20,000 per man, woman and child in the USA. Your taxes go to pay the interest. The principal never goes down (it would be impossible to make a dent in it). Actually, it continues to climb. The interest payments will continue forever.

At various events Congressmen and Senators are cheered and applauded and treated like royalty. They should be pelted with rotten fruit and spoiled eggs. Every national politician of the last 50 years should be charged with breach of fiduciary trust. They have given you the shaft.

Should you think that is too strong a phrase or too harsh an indictment, think about this: There may be, among our younger readers, someone with a wife and two children at home.

Look around the room at your family. You are looking at \$80,000 in debt that will never, ever be paid off.

For generation after generation after generation the interest will have to be paid. Did the politicians do something for you, or to you? —Armond [End quoting]

Violence is not the answer, but they deserve to be put in prison for a long time as **traitors**.

A MANAGEABLE LOAD

From *GUIDEPOSTS*, Jan. 1998, P.O. Box 1479, Carmel, NY 10512: [quoting]

I had been mucking out the horses' stalls for half an hour and I hadn't made a dent. Because the winter of 1994 had been colder and snowier than usual, the horses couldn't be let out for long periods. Now huge heaps of manure were frozen solid.

Hauling the stuff out of the barn was not easy. The path was blocked by a four-foot-high snowbank. Dragging the plastic bucket full of frozen manure and wet hay was a big pain.

Each time I got to the door I looked for an easy way out. And each time, I recalled my mother saying: "Offer it up." That was her answer to life's hardships, large or small—offer them up to the Lord as a show of humility, service and love.

I stepped outside, pulling the heavy, smelly bucket "Okay, Lord, this one is in petition for the continued happiness of my family." I thought of all the families I knew racked by fighting, separation and divorce. By the time I got back to the barn I had tucked in a prayer for those families not as happy as ours, asking God to grant them peace.

Good health came to mind with the next load. Here I was, strong of body and mind, able to do what had to be done. If I attacked this task in manageable loads I would have the strength to see it through. Again I thought of others not so fortunate. My aches and complaints were nothing by comparison.

Each time I offered up another load I came around to realize how blessed I am—with a home in the country, a well-paying job, good friends, a wonderful wife and two children. "Even this chore isn't all that bad," I finally decided.

As the winter Sun set red and glorious behind the knoll of ancient apple trees, my wife, Linda, trudged up the path to do the evening animal chores. But I had beaten her to them, a truly unusual event. "What a load!" she said, staring at the pile the size of a station wagon. "Your back must be broken."

"Not really," I said. Instead a weight I had carried had been lifted. My worries were gone, lifted away as lightly as the pale smoke coming from the house's chimney. Each care had been transformed into a prayer. And, in fact, as I stood admiring my work, with sweat chilling beneath my hat and sweater, I felt better than ever. —Thomas Schwarz, Pleasant Valley, New York [End quoting]

Some very excellent advice. 

To A Friend Making A Change

4/29/98 #1 HATONN

TO A FRIEND: *ORION*

Very early in this decade's journey to purpose a man in Colorado joined our ranks. He did more than join, he shared. He always seemed to know when E.J. and Dharma couldn't walk another step without some support and friendship—and he sent it forth unstintingly. I realize that as with many couples or families, it is difficult to want to live THE life for self and God because there is no group to join, no organization to attend and claim—JUST SELF AND GOD—AND WHAT IS RIGHT. This does not mean POPULAR—it means RIGHT. With most who seek Truth, there comes the day when you know you've FOUND IT, that elusive realization claims your direction because you have studied and you have "Found" that which cripples mankind.

This is the one who, at the first of this year, sent several books, among them the four volumes on *The International Jew* which he had treasured for many years. (Dharma offers to pay him to NOT send any more) but the years of love and caring now seem short as it appears the days are ending for his journey on this globe. No, precious ones, the PENALTY PHASE of your experience is just reaching graduation and LIFE awaits. There are NO ENDINGS in your experience—only beginnings. That very confusion is what brings pain within your lives and separation from that which is your stability and security. GOD LOVES YOU TOTALLY AND ABSOLUTELY and now the "conditions" can be measured for your continuing expressions.

This man's name shall stand forever in my book of LIFE and forever in "my book" is very long indeed: Orion Sutton.

Perhaps an address could be given so that friends around the globe can express TO HIM, IN THE CLOSING DAYS, THEIR APPRECIATION FOR OUR ABILITY TO SHARE BURIED INFORMATION THAT ALLOWS OUR OWN INSIGHT AND GROWTH.

ORION SUTTON
Hospice of St. John

To keep peace within the household, the CONTACTS had to be kept in the garage for they are not allowed within the house. This

is a difficult thing for a man who searches and researches Truth—but alas, it is the way of most who find an open mind that flows in the direction of realization and yet dwells within the circles of minds so closed as to be thrusting disease upon selves.

Some times, and this is with and for Orion, the petitions, the responses, the ongoing discussion and service intended are discussed and God HEARS. Choices must be made in the reality of living, and if the choice is to make transition, then there is a period of acceptance of the body to make that transition while measuring the lessons against the accomplishments.

In these times of heavy, heavy medications against pain, there ceases to be an ability of the conscious mind to function and yet the medication cannot clear away the pain within the mind. There are no failures in life, precious ones, ONLY LIVING, ONLY EXPERIENCING, ONLY EXPRESSING. How did you grow? How well did you learn? AND, DID YOU LEARN TO RELEASE AND LET OTHERS GO? DO YOU RELEASE SELF THAT YOU MAY MOVE ON? Your next journey will be WITH ME, son, and it is larger yet than the one you leave. You will find it ever more difficult to "communicate" in consciousness, if not impossible to bridge the gap of here and there for you will see the reality of the schoolroom and move to the important things of soul. You will have to learn to touch only through Spirit and thought—not with human hands or senses. Ah, but is it not that kind of touch which brings Joy into the senses of Man anyway?

I scold Dharma for she grieves already for the loss to this struggling humanity of our team-mates moving on—with a lot of envy for the possibilities. Life is so different than what we think we can handle in this consciousness of baffling confrontations.

The Comrade will move on and we will "go on" for, after all, that is what these encounters are meant to contain in reality. One finds, shares and offers his puzzle piece, and others must recognize the gift, accept and integrate it within the tapestry of instructions and KNOWING.

A Godly man, called Buddha, was once continually confronted by the Evil Master himself who heaped abuse, insults, torment and anger upon (or rather AT) him. But the man Buddha never flinched, never frowned, and only returned love unto the tormentor. Ah, amazing, and finally the Devil (Evil with

a "D" in front), shouted out, "How do you not squirm and wither in my presence?". Buddha said: "If you have a gift and offer it unto me, and I do not accept and take that gift, be it abuse or treasure—whose is the gift—the thing, the thought? I do not choose to accept your offering so you must keep all that you send forth, upon thineself."

Well, when will you learn that only YOU can CHOOSE that which you WILL ACCEPT of those things sent against you or for your holding? We, here, choose to accept no negative energy upon ourselves and allow it to bounce directly back upon the sender—and it works for peace, love, and allowing others to be whatever they will be. Always send love and compassion BACK with the unaccepted gift for the receiver will need it greatly.

George Green, and I want Orion to know this in his consciousness before he leaves that consciousness, has done another dastardly deed intentionally to keep from having to part with anything, stolen or otherwise gained. He has dumped his assets into Desiree's name and they have pretended divorce and he claims to the world, "She skinned me, took everything I have..." No, this is a nicely arranged avenue to hopefully stay out of prison for his thieving lies and antics. In the long run it won't work for the lawyers who have served him in their own lies and greed are now NOT GOING TO GET A FARTHING FOR THEIR YEARS OF CRIMINAL PURSUITS. The ruse will probably get him in serious trouble when he next meets the bankruptcy Judge for he only arranged this during the past few months—A REAL NO-NO AGAINST THE FEDERAL COURT. The entire thing is a FARCE, staged and LEAKED, cleverly, through his co-conspirators—BUT I KNOW TRUTH, LOCATION, AND THERE IS NO PLACE TO RUN AND NO PLACE TO HIDE—FROM GOD—OR ENEMY. And, to deliberately CHEAT YOUR ENEMY who accepted you as a trusted business associate or friend—really makes him MAD WITH RAGE.

Yesterday the Nevada Supreme Court had ORDERED Abbott, Horton and Mr. Elley, with clients, TO A MANDATORY SETTLEMENT CONFERENCE BEFORE A SETTLEMENT JUDGE, ALSO FROM THE NEVADA SUPREME COURT. That meant exactly what it said—HAVE THOSE CLIENTS PRESENT! The only "clients" present were the Ekkers with Mr. Elley. Mr. Abbott showed up and stammered around and released Eleanor Schroepfer FROM the case because he could neither present the Power of Attorney nor the permission by the Judge for her ABSENCE (of course she doesn't know anything for she is never told anything). Ah, then Abbott announced Leon Fort was not there because he has this 90-year-old mother he can't leave "for she has to tend him every minute"! Wow, Freudian slip or something? He is never notified of anything and Abbott certainly DOES NOT want any of his cover-people to see his deeds in court.

Now, Horton and Green did not show at all and could not be FOUND ANYWHERE, though Abbott surely "tried" for two hours. The whole thing was such a farciful PLAY that the comedy and staged "missing parties" were not lost on His Honor.

Outcome of the hearing? Oh, that can't be recognized until the Chaos and confusion settles to a dull roar.

It was pointed out, however, that the great loss in the price of gold during the long years of delays and foolishness rested squarely on the opposition to the Institute—AND GEORGE GREEN. Now that was worthy of note, wasn't it? And finally, all our team had to do was hang in there, go when no one else will face the garbage, and just BE THERE, professionally attired and presented, without bending an inch under the blows of accusations and threats.

THIS IS THE LESSON, CHELAS: KEEP RIGHT ON GOING WHEN YOU KNOW THE WAY IS "RIGHT".

This must NOT be lost when others are warning that such as George BUSH is going to wipe out about 300 MORE people close to the contracts and revealing truth about him and his games—SO BE IT. MAKE MY DAY! Ah, but WE are not out to tear George Bush or his Twigs DOWN. Life physical brings responsibility for SELF—and that includes George Bush and Bushettes along with his criminal Empire. We have far greater things to do, which actually would, if joined by such as Bush, bring them into the sunlight of honored recognition. They may have it any way they choose—but what happens when you throw a war and nobody comes? We are not coming to Bush's or Green's war. What is done with them we leave to those unto whom they have more greatly offended. I have not been offended for through them shall we build freedom and justice! I bow in respect and appreciation to their silly games.

My people have grown and threats simply fuel the fires of a harder push to affirmative accomplishment. They put their hand and trust within my own—and FEAR is not among our reactions. Excitement? Yes indeed! For just having the thrust back at us tells us we are doing things RIGHT.

So, we shall stir the pot more quickly and turn the fire up higher and today we will do that in honor of Orion Sutton, our brother, our fellow-man—OUR FRIEND. And Orion: God will await and most certainly—WELCOME YOU HOME WHEN YOU DECIDE THAT YOU ARE READY. I'M SORRY TO DISAPPOINT ALL OF YOU—BUT THAT "JOURNEY" IS ONLY ABOUT AN EIGHTH OF AN INCH AND THE DURATION OF "ONE BREATH NOT TAKEN"!

And, by the way of reminder, Orion: GOD WINS! Be glad in your crossing for in living there is a time for all things. I salute you upon your graduation for never again shall ye be the same, in physical manifestation OR Spiritual realization. Sa lu.

Dharma, please take this off the machine so that it can be sent on its way. No one GOES anywhere other than into a greater form of energy more capable of KNOWING TRUTH AND MISSION. So be it and may peace flow from the journeys of our brethren. Evil hits HARD; GOD TOUCHES WITH THE GENTLENESS OF A THISTLEDOWN UPON THE BREEZE. Remember with the soul, but move not back within the PAST for it is gone forever. 

Notes On Sound Business Philosophy

4/30/98 #1 HATONN

Late last night we received a fax from a gentleman in South Africa with whom we might do some business concerning funding one or more of our projects. He asked for more "clarity" regarding our response to three questions. Ordinarily these communications are handled as private matters but the response to this one is so useful that we cannot bury it in the business archives. Regular readers will readily discern who wrote it and who typed it, not withstanding who got to sign it. The questions are as follows:

1. Is there a denial that the Holocaust took place?
2. Do you honestly believe that the major Eastern and several of the leading European banks are controlled by Jews?
3. What is your understanding of the Christian gospel?

Dear Sir:

In responding to your inquiries regarding the memorandum of Global Alliance Investment Association, we can quantify all your questions into one statement: "Global Alliance Investment Association" is a Corporation and it, in that state of being, has no political or religious creeds—other than the "christ" aspect of behavior. This is a demand of total integrity, honest interchange and a hope, and yes, expectation, that with whomever we transact business, the intent is likewise with integrity and that representatives of any other corporation be also wise and prudent.

Our hope is to fund what we will call a Global Community in unity of all nations who might wish to participate without focus on religion, race, or color. This totally recognizes each sovereign right to worship, experience, and generally LIVE IN FREEDOM OF CHOICE. We can also pray that there will always be a choice to live within God's (christ's) commandments or "guidelines" for honest and "goodly" interchange in fairness and total respect one for another.

We, as officers and directors of Global Alliance, realize we have no power to demand anything political or otherwise of participants as to their direction or funding uses. The only demand we have in THAT arena, is to expect total respect and honest intentions and actions with those with whom we transact **business**.

We have gotten the contract validated and the very fact that we can offer business sharing with others PROVES that the contract with which we transact business is both REAL and

VALID. We have, however, been assured that there will be no "help" from either the U.S. Treasury or the Federal Reserve and that is obvious as to reason—the change-out of our holdings would collapse both the nation and the economy. We have no intention nor wish to do either. There are letters of authenticity and there are transaction documents concerning the Peruvian(s), as they are now called—but we have also been assured that we will not be given certified copies.

Everything we have done or offered is published in public notices so that we are cleared as to lawful exchanges and we have been assured that if we interact with business-people or companies who will not lodge the contract until such time as funds are available at the government level to cover what we expend, we will be left alone and we will not even be required to track the transactions unless and until we pass transactions which amount to some \$3 Trillion.

For the above reasons we have a program set forth which takes our share of the proceeds and immediately there is a purchase of gold (hard metal or coins) in the amount necessary to cover the entire transaction if and when the price of gold on the open market DOUBLES.

Our only requirement, if this be one, is the ability to hold the gold and BORROW AGAINST IT in a valid, authentic and hopefully BIG bank. We do NOT have any wish or desire to bring large sums of money into the U.S. except as for "venture" capital loans. So, all proceeds are left with the lending parties and their banks except for that portion used to purchase gold (and we would probably wish to hold the gold in security in that country) as well. We would have to be assured that we can obtain these loans as would be regarded in the same manner as if we PURCHASED the money up front. This one investment or management modality works beautifully without such as contracts and certificates if anyone wishes to simply offer loans against the purchase of gold, anywhere, and allow us to use the funds as project funds to be repaid in full when the price of gold doubles and covers both the notes and the equivalent interest sums. Also, there is a built-in return in profits depending on how the agreements are structured. Gold is reaching heavy purchase range which assures that, with the governmental plans afoot, there will be shortly a tremendous burst in prices of precious metals. At the time of the doubling of the price from date of purchase, we will study very carefully, with our new "partners", the selling possibility or the further holding IN METAL.

Now, we realize that some of the foreign

banks are already set for this kind of business and if we are assured we can hold that commodity in, say, "your" bank with ease of pulling necessary funds for our projects, we would prefer to do everything with your parties.

There are no "losses" for in addition to coverage with metal, our full intent is to purchase (re-purchase if necessary), Native American former holdings and place that property back into the hands of those SOVEREIGN "nations". In this event we can work with those people to establish Sovereign industries, i.e., banks, development companies, diversified manufacturing, housing, food, and all manner of small but major employment benefits. This would allow us to hold our funds for building and taxes would not be due and owing until such time as profits are established.

I hope you will carefully think about the risks we are running by doing business with you, or any party for that matter; if banks fold, economies collapse, etc., we are left, as are you, hanging out to dry, so to speak. Our obvious good news would be that we have gold holdings—but when banks fold and you have gold in them—you don't usually get the product, the money, or at best only with a huge discount of value. And yes, we are willing to run that risk because, unless we the "little people" of this world who truly want to participate in good things for all people and not "just" the Elite of the globe, we don't have very much to look forward to other than corruption and more war and unrest.

Now, to the three questions asked. Of course you must consider what was said at the top of this message as to corporate entities which at best can only reflect the opinions and principles by which individuals function.

1. Holocaust? Of course there was a Holocaust. There was, as we perceive, even a very large and pitiful assault against mankind which has come to be known as "Holocaust". It is historically recognized that it CAN NOT BE, OR COULD NOT HAVE BEEN, AS EXPRESSED IN TODAY'S REVIEWS. It is recognized around the globe that others besides Jews died in these horrible circumstances and it is also realized that there are major "holocausts" in Africa today, and so too in America—where many of the holocaust pictures FIRST were taken. There was major famine and terrible disease on prisoners but we have seen pictures from our Civil War in the U.S. SHOWN PUBLICLY AND PROVEN TO BE U.S. PICTURES FROM PRISONER CAMPS—AND NOT GERMANY, RUSSIA OR POLAND. So, we were not eyewitness viewers and therefore must simply state that we do not believe that any holocaust happened as Israel presents it to the world, but yes indeed, there was, we believe, "a" holocaust. There could not have been 6 million Jews slain for there were not 6 million Jews in the area at the time. However, ONE death is too many and to lie about things only detracts from the value of that ONE.

If you or your company policy has opinions about such as the Holocaust, that is certainly your affair for our corporations will never demand such restrictions of opinions or speech as controlled policy or doctrines would suppose.

When we refer to "CHRIST" we refer to a state of belief in goodly (Godly) attitudes and behaviors. We do, however, KNOW THAT HISTORICALLY "Jesus" was a name appended

to an entity by one Saul of Tarsus (later called Paul). The man in point was named Esu Emmanuel of the House of Joseph. Since Bibles were not assembled for some three hundred years AFTER the life of this man in point, we cannot KNOW except that which is preserved, POSSIBLY, in historical truth. We do know that the Gospels were CHOSEN as to use by German-Hebrew scholars when the Christian (so-called) *Bible* was assembled. There are, however, some 39-40 other known gospels of that same period historically. We practice the "Christian", Esu Christian (Jesus if you prefer) ETHIC. We honor all Christian demands but so too, equally, do we honor all other religions in that an individual should be allowed to honor his truth as long as that truth does not take immorally or unlawfully from that of another. To repeat: "Christ or Christed" is a STATE OF SPIRITUAL BEING—a definition of behavior and standards if you will. That which is not "Christed" is something else, by whatever you might choose to call it as a doctrine of practice. Jesus, Esu, Mohammed, Muhammad, Buddha—whoever, might well have been "christed" but they, as did Jesus (Esu, Iisa, Esa, etc., as pronounced or spelled), experienced as we recognize them to be—as MEN.

We do believe the *Bible* as presented by

some King James in England is tampered and is more geared to the history of global and local wars than truth in Spiritual journey.

So, in summation: The term "christ" is a most magnificent definition describing Spiritual truth. Jesus is a "Man's" name, so of the two beings described, we prefer the "christ" attitudes which cannot be argued as to upstanding behavior. We do not choose to CHOOSE as a corporate structure any doctrine that excludes a GOODLY and honest INTEGRITY.

In this instance as well, we do not ask nor demand any belief regarding the owners or controllers of any banks. If we were judging churches we might feel quite differently about the matter—but banks are man-structured things to manage and, yes, manipulate money, currency—VALUE of manifest "things". Whether those leaders and controllers be Jew, Gentile or Aboriginal—I hope them to be Jews who have some shrewd management capabilities for we certainly DO expect service of the most valid sort without religious overtones to our business as long as our relationship is open, honest and done with total integrity regarding OUR ACCOUNTS.

Further, we expect total respect and accounting—in both directions of flow. BUT WE EXPECT, LIKEWISE, TOTAL PRIVACY.

We will do nothing that warps or bends laws of God or Man and we meet all regulations as laid forth by an individual business entity, State or Nation.

If you study history and the start-up of banks as to historical fact—yes, the major beginnings were mostly of Jewish origin. But you must realize that historically there were no “Jews” until very recently and most of that particular tribe call themselves Zionists. We never lump any category of people into any mold although we have always noted that most business people calling themselves “Jews” are successful, and beyond that we have no comment, particularly, on the topic. We find, mostly, that at the very TOP levels of these business cartels we will find Jewish origins—but more especially do we find JEWISH people who recognize material value. In a physical world of manifest mankind—we have no right to demand anything of their Spiritual soul ideology other than, if they are of outright proven evil, we will not play in their sandpiles. To complete our mission, if you will, we must ask integrity, truth and ability to trust. This does not fit the ideals of Evil so we claim Goodness, God, “christ” guidelines, by whatever a man might call that commodity.

3. Christian gospel? What does this have to do with A BUSINESS CORPORATION? We have as many concepts of Christian gospels, probably, as we have participating people. The General concept of “CHRISTIAN GOSPEL” DEALS WITH THE LIFE AND DEATH AND IN-BETWEEN OF, OBVIOUSLY, “CHRIST”. As presented in what is accepted generally as “Christian” as expressed as doctrine, there was a man born and who lived and taught in goodness even against the evil Pharisees of his day, was crucified, and at some point died in a State of Grace within Creator God. This God of Light or Creation was in Egypt called Aton, the monotheistic recognition of “christ” principles and perfection of thought and intent.

We choose, as such, no particular “RELIGION” for therein lies the DOCTRINES of demand placed upon people. We are equal-employment companies who leave Spiritual Truth to the people individual and choices of religions in their hands as well. If it be physical manifestation—it is of Man. If it be spiritual TRUTH, it is of God. We have stability in the latter and anyone can stake their very lives on it. In asking an understanding of the “Christian gospel” you are asking for far more than the statement implies and we deal with EXPLICITNESS in relationships and not assumptions in IMPLICIT nature regarding

human beliefs. We Judge NO MAN, but constantly judge the ACTIONS as presented, for that speaks of exactly what a man IS. But, if a MAN be found constantly in honor, truth and integrity—we recognize his “christ-like” aspects and certainly discern and LEARN if a man produces EVIL UPON US OR OTHERS.

Moreover, if you ask about “Jesus Christ”, as the term is used, I would tell you this: If you come to me and tell me your name is Jesus Christ—I will address you as Mr. Christ or Mr. Jesus—even as to your own preferred language or alphabet symbology. We can only take the WORD of a Man or of a Spiritual being. We accept as a Man’s value his WORD, and if it proves to be an incorrect perception, we learn VERY QUICKLY and USUALLY PRIOR TO INVOLVEMENT.

If you are asking if we shall judge you by your understanding of the Christian gospel, no, we shall not nor shall any CORPORATION build such insincerity into any doctrine or Corporate Bylaws. We can accept the head of the Church of Islam or the Roman Catholic Church or the Church of England—AS LONG AS THE BUSINESS DEALINGS ARE HONEST AND THE REPRESENTATIVES ARE WITH INTEGRITY AND HONOR. GOD DOES NOT JUDGE AND, THEREFORE, NEITHER SHALL WE. WE WILL BE DISCERNING OF ALL CORPORATE OR PERSONAL ACTIONS.

Now, to summation: Allan, we will respond openly to all inquiries but what you are really asking us is if you can trust and depend upon our integrity and whether or not we are the kinds of people, in this corporation, who can have the trust of others for that honor and integrity—and the answer is, yes indeed. We are generous in our discernment, however, for any man is a product of his learning and a reflection of that which he has been told and taught—it is impossible to be otherwise. The best TEACHER, however, is one who presents THE EXAMPLE OF THAT DESIRED REFLECTION—WE MAKE EVERY EFFORT TO REFLECT GOD IN TRUTH, LOVE, STRIVING FOR PERFECTION, HONOR, INTEGRITY AND FOLLOW THE GREAT EXAMPLE IN DESIRE TO ALWAYS SERVE OUR FELLOWMAN AS WE WOULD ASK FOR THE RESPECT AND APPRECIATION OF ANY OTHER MAN. THIS REFLECTS IN OUR EVERY BUSINESS TRANSACTION AS WELL. WE ARE NOT, HOWEVER, FOOLS, AND WILL NOT SIT SILENTLY BY IF SOMEONE IS DISHING OUT SUBTERFUGE AND USING OUR ASSETS TO PROFANE GOD OR MAN. WE FEEL THE ONLY USEFUL AND WORTHY PRODUCT OF MONEY IS IN THE GOOD FOR MANKIND THAT CAN BE GATHERED AND CREATED AND THAT OFFERS HONEST WORK, FREEDOM, AND ULTIMATE ESTEEM WITH SOVEREIGN INDIVIDUALS.

WE CERTAINLY HAVE NO WISH TO EVEN ENTANGLE OURSELVES WITH POLITICAL CHICANERY OR RHETORIC. WE INDIVIDUALLY PREFER FREEDOM TO A NEW WORLD ORDER, BUT WE DO NOT BECOME OUR ADVERSARY BY WORKING WITH OUR ADVERSARY. WE ADVOCATE NO WARS, NO ARMED AGGRESSION OR OTHERWISE, AND

ADVOCATE OPEN FREE ENTERPRISE. WE WORK WITH WHAT WE ARE GIVEN—AND THUS FAR THE GIFTS ARE INDEED MASSIVE AND GREAT. WE DO NOT EVEN SUGGEST OVERTHROW OR SUBVERSION OF “ANY” GOVERNMENT—GOVERNMENTS ARE OF THE PEOPLE AND THE POLITICIANS WHO MANIPULATE THEM—WE CANNOT CHANGE THAT PATTERN; WE CAN ONLY WORK TO PROVIDE CHOICES AT SOME POINT IN EVOLVED “BETTER WAYS” THROUGH A FOUNDATION OF VALUE ESTABLISHED AS “LIVING”. IF WE HAVE THE “MEANS” WE CAN PROVIDE BETTER IDEALS AND IDEAS WHICH CAN BEAR FRUIT. WE ARE NOT INTERESTED IN CONTROLLING ANYTHING EXCEPT OUR SHARE OF THAT WHICH IS BROUGHT FORTH FOR USE TO SUSTAIN OUR FELLOW-HUMAN TRAVELERS THROUGH THIS LIFE JOURNEY.

There is no Guarantee issued on LIFE, Allan. And, within the those who control the so-called Evil Empire—the guarantees are of no value—absolutely worthless. Look carefully AROUND you. Is perfection of good intent what you see? If everyone, mostly politicians, kept their promised guarantees—there would be no poverty, no crime—but they do not for guarantees come pouring forth with the living of LIFE. I desire to work with men who proclaim TRUTH and RIGHT ACTIONS above any man who touts himself to be big in Calvinism, Lutheranism, Islam or Moslem. Show me a man who proclaims perfection in his RELIGION and I will show YOU a bigot and liar.

Our “creed”, which is the only thing that matters in pure intent, is honesty, truth, validity, and sharing of those talents with which we are gifted by that which is greater in goodness than ourselves. We do not, however, demand that which is not our business upon our fellow-travelers on this orb.

To do our proper diligence, we should be demanding your response to your own inquiries but that, as we have indicated, is not our right to demand. If we could not trust you to become acquainted with us we would not further pursue any business interchange. We do, however, realize from the integrity used to present these questions that you DO CARE GREATLY about the matters, or at the least are testing our commitments and intentions. We could, therefore, tell you exactly what you want to hear—but that in itself would prove our lack of integrity.

This is a business opportunity FOR YOU, Sir, and perhaps it is time God got some worthy answers instead of always assuming GOD OWES YOU AN ANSWER OF SOME KIND, OR PROOF, OR JUSTICE, OR INTENT. What, Sir, is your intent, your proof?

You will like interchange with us and you will recognize sincerity of Truth, and if you be of God in intent of honest business, you have found your right-connections. If not, each shall go their own way, hopefully in friendship and honor of that other. I can tell you now and for past and future use: our response and our actions will be the SAME AS STATED HEREIN.

In sincere appreciation of your willingness to ask these questions, I remain yours truly,

/s/ E.J. Ekker

“Well, if it embarrasses you *that* much, we’ll just tell everybody I took it out of your paw.”

P.S. I seem to have skipped a question.

2. Yes, we are quite sure that the major banks of anywhere are headed by the Banking Cartel which is inclusive of major JEUS. JEUS are defined as shrewd game players. We note that the original Federal Reserve-Central World Bank and IMF are inventions of major Jewish families of title and nobility. However, thinking and intelligent people should head banks and develop business, but not to the detriment of their fellow man. We prefer never to have to deal in usury (interest) for it is the downfall of all business people trying to be in business and industry. We will pay handsomely for the right to use money, let the banks make extra money as they do business, but we pay up front so that we are not continually drained of manpower for accounting or interest payments. Our full intent would be to allow the GOLD HOLDING to cover any interest payments as it grows in value. We have done this with banks here and it works smoothly and beautifully. We do, from time to time, have to make payments on new accounts if the cost of gold falls instead of climbs. Our intent is always to move OUT if there is a major, major drop in value. That would be worked out within the business circle in direct involvement.

We do not even realize who might "head what", inclusive of banks—except what we do know of the historical line of events since, in fact, it began in South Africa with Cecil Rhodes of Africa and the later structuring of the banking cartel. Our assumption, if we can believe what the Bibles of various religions show, that we are all perhaps from a lineage which presents today as many separate things, is that we can rely on the names/definitions presented to us.

We do know that the Jews do consider there to be only two categories of people: Jews and all others (Gentiles); in addition they refer to White people as Goyim. We neither speak nor understand Hebrew, Yiddish, or for that matter

Swahili. Sometimes our English is a bit lacking, which might well be noted by such as yourself.

Your opinion of the Jewish Question is your business, not ours. I repeat: our own use of the word is as in JEU as pertains to shrewd

management people. We would hope that we can determine if these are business people with integrity BEFORE we jump into business with them—if they share their ideals with us. I said ideals, for "ideas" are not necessarily of good intent. ~~⚡~~

The Jewish US Ambassadors

5/2/98 DR. AL OVERHOLT

THE JEWISH
US AMBASSADORS

From the INTERNET, courtesy Sofie Mattsson <sofiem@algonet.se>, 4/29/98: [quoting]

The Jewish US Ambassadors mentioned here have been chosen not because of their ethnical origin, but because of their political ideology and POLITICAL position regarding the Palestine question, as POLITICAL actors.

They are mentioned not because they are Jews, but they are mentioned because we believe that the Jewish lobby in the US has created a dangerous concentration of power which we believe is troublesome to the democracy of that country and dangerous for the peace in the Middle East.

It is a political analysis which has been made by many observers, including Israeli newspapers.

Just the fact that the Jews don't agree with our political views should not allow them to deprive us of our human right of freedom of speech.

The tragic reality is this: Freedom of speech is almost non-existent in many European countries.

We hope that censorship will not prevail over the content of our or any other homepages.

It is the situation in the Middle East that is very much inflamed—the parties concerned in the debate and the conflict only reflect the real polarization.

To the Palestinians and Muslims the Zionists appear to be the Nazis of today.

To the victims of Zionism this ideology is not experienced as something positive, but rather as a symbol of evil.

This Jewish concentration of power in USA gives world Jewry tremendous influence to promote their "special agenda". Never before in American history have so many Jews been appointed as US Ambassadors. They are all members of powerful Jewish organizations.

These are hardened supporters of Israel and the "Jewish race". It is impossible for them to put the interests of America ahead of their Zionist state. None would hold these ambassadorships unless they were members of the ruling Jewish elite. Here is their listing which you will never see in the daily press.

THE JEWISH US
AMBASSADORS:

GERMANY: Ambassador John C. Kornblum
Germany has long been seen as an adversary of the Jews. Thus a Jewish Ambassador places them under direct Jewish pressure.

FRANCE: Ambassador Felix Rohatyn
Rohatyn is a former partner in the Jewish Lazard Freres investment bank. In September the French oil company, "Total", invested \$2 billion in the production of oil in Iran. Rohatyn is seeking to veto this project due to Israel's hostility toward Iran. Rohatyn said: "Globalization doesn't carry a threat, but it carries discipline."

POLAND: Ambassador Daniel Fried
Chester Grabowski, editor of *The Polish Post Eagle*, and others urged Clinton to name a Polish American. This plea was ignored. There has never been a Jew ambassador to Poland before as Jews hold an animosity toward Poles. This is considered as a gross insult. Regardless, Fried jokingly said: "I will now have to brush up on their language."

DENMARK: Ambassador Edward E. Elson
Dr. Fields attended Marist High School in Atlanta with the Elson brothers. He learned that their family made a fortune in the textile business and are big contributors to the Democratic Party.

HUNGARY: Ambassador Donald M. Blinken

This country has long been considered "anti-Semitic". Budapest has the largest Jewish population in Europe, some 125,000 Jews, only exceeded by Paris. Thus Blinken can protect their financial interests.

ROMANIA: Ambassador Alfred H. Moses
At one time Romania was ruled by an all-Jewish Communist Party under Anna Pauka. Romania is closely allied with Israel. Six members of the Rumanian Senate, three of them priests, objected to Clinton's 1994 appointment of Moses stating that he was closely connected to the fallen Communist Ceausescu regime.

BELGIUM: Ambassador Alan J. Blinken
Antwerp, Belgium is the diamond capital of the world, next to Tel Aviv. The diamond business is totally Jew-controlled. Blinken is in a position to further protect their interests. He is related to the Blinken ambassador to Hungary.

BELARUS: Ambassador Kenneth S. Yalowitz
Belarus is located between Poland and

Russia. It once had a huge Jewish population. They still have interests there.

SOUTH AFRICA: Ambassador James A. Joseph

The Jewish Oppenheimer family controls this gold-mining capital of the world. The Jewish-run South African Communist Party and the ANC now control the government and loyally do the bidding of the gold interests.

INDIA: Ambassador Frank G. Wisner
This economic powerhouse has long sided with the Arabs against Israel and needs more Zionist control.

TURKEY: Ambassador Marc Grossman
The "Kemalist" Turkey is the only Middle East border country with a military alliance with Israel. They pose a threat to Syria and Iraq over long-simmering border disputes. Mustafa Kemal Ataturk was a secret Jewish infiltrator! This explains the alliance between the Ataturk-influenced military regime in Turkey and the fraudulent and criminal state of Israel! This also explains the opposition of the "Kemalian" junta against the renaissance of Islam amongst the muslim people of Turkey! About the Jewish Ataturk: visit the Jewish homepage "Famous Jews".

NEW ZEALAND: Ambassador Josiah H. Beeman

EGYPT: Ambassador Daniel C. Kurtzer
Egypt is the recipient of the second largest amount of US foreign aid. This is to "buy off" Israel's southern front. Any hostility toward Israel would end the aid.

SWEDEN: Ambassador Thomas L. Siebert
MOROCCO: Ambassador Marc C. Ginsberg
SINGAPORE: Ambassador Timothy A. Chorba

ZAMBIA: Ambassador Arlene Render
BRAZIL: Ambassador Melvyn Levitsky
This is South America's largest country and economic powerhouse. Jews have huge investments here.

BOLIVIA: Ambassador Curt W. Kamman
This is another mineral-rich country; copper, magnesium, lead, etc.

MEXICO: Ambassador Jeffrey Davidow
Davidow was formerly Assistant Sec. Of State for South America under Albright. Mexico sends the US more immigrants and trade than any other nation.

CANADA: Ambassador Gordon Giffin
Thus Clinton has given both our border neighbors, Mexico and Canada, to Jewish operatives.

CUBA: US Interest Head, Michael G. Kozak
One would think that this nation would have a Spanish Catholic "Interest Chief" instead of a Jew???

NORWAY: Ambassador David B. Hermelin
Hermelin is a Michigan multi-millionaire real estate developer and president of the World Jewish ORT Union. Owns Palace Sports and Entertainment, "The Palace" of Auburn Hills and the "Pine Knob Music Theater".

SWITZERLAND: Ambassador Madeleine M. Kunin

Kunin is the former Democratic governor of Vermont. Her four children attended a Hebrew school. *The New York Times* of Oct. 4, 1997 says she, "doggedly pursues the Swiss on the issue of gold for holocaust survivors."

MORE LIGHT ON
THE JEUS' SHENANIGANS

PERSONAL FROM
THE EDITOR

From *THE SPOTLIGHT*, 4/27/98: [quoting]

There is a conspiracy against freedom. This is not speculation. The conspirators, as a matter of fact, are so arrogant that they present their conspiracy as a boon to Americans. The perpetrators are representatives of a powerful special interest group that acts as the agent of a foreign power. Now, they have enlisted corporate America to help them prevent you from reading what you want, in the library or on the Internet.

'BOOK BURNING' LIST EXTENDED TO
WEB SITES ON THE INTERNET

From *THE SPOTLIGHT*, by Ray Bower, 4/23/98: [quoting]

An American author has identified the force behind a rash of book thefts from public libraries across the country. He says the same group is also trying to censor the Internet. But patriots are now uniting behind a comprehensive effort to combat this thievery and bring it to public attention.

Veteran *SPOTLIGHT* correspondent Michael Collins Piper has pinpointed an interesting similarity among a number of books which have "disappeared" from public and college libraries throughout the United States.

Based upon Piper's research, these "disappearing" books have one thing in common: each contains information that the Anti-Defamation League (ADL) of B'nai B'rith wants suppressed.

What's more, notes Piper, the ADL is the one and only organized pressure group that has objected to each of these volumes.

THE SPOTLIGHT correspondent began researching the matter when he learned that copies of his own JFK assassination blockbuster, *Final Judgment*, had been disappearing from

libraries all across America.

Piper's highly controversial book pinpoints the role of Israel's intelligence agency, the Mossad, alongside the CIA and the Meyer Lansky crime syndicate, in the assassination of John F. Kennedy. However, Piper notes, his book is just one of the books that is being illicitly taken from America's libraries.

EMERGENCY ALERT

Working with the Washington, D.C.-based Foundation to Defend the First Amendment (FDFA), Piper has sent out a special emergency alert to American patriots warning them of this phenomenon.

Piper notes that his own book has been "disappearing" and adds that "I don't like it one bit." He notes, however, that "my book isn't the only one that has suffered this fate."

And, he adds, "the same people who are behind the effort to suppress my book are also trying to censor the Internet."

According to Piper, America's public libraries are being systematically looted of books that are deemed "politically incorrect". He cites the following examples of which he is personally aware:

* Fearless investigative reporter Hank Messick's book *Lansky*, detailing the life and crimes of underworld syndicate chief Meyer Lansky, has been stolen from thousands of libraries all across America. When the book was first released, the Anti-Defamation League (ADL) of B'nai B'rith claimed that Messick was inciting "anti-Semitism" by reporting on Lansky's misdeeds. (Lansky, it so happens, was a major financial contributor to the ADL.)

After the ADL was unable to stop the book from being published, the ADL's operatives found another way to silence the truth about Lansky's preeminent role in the underworld and Messick's book has all but disappeared.

* In the same vein, author Albert Fried's 1980 book, *The Rise and Fall of the Jewish Gangster in America*, has suffered a similar fate—precisely because it contains information that upsets the ADL. Fried recently republished his book and wryly pointed out that "too few

libraries still possess copies [of the original edition] as many were evidently expropriated for personal use."

* Pulitzer Prize-winning author Seymour Hersh's book, *The Samson Option*, which exposes the corruption and intrigue surrounding Israel's secret development of a nuclear weapons arsenal—against the wishes of President Kennedy—created quite a furor when it was first released. Hersh's exposé has suffered the same fate as other "banned books". It, too, is systematically disappearing from libraries throughout the country.

* As long ago as 1933, the ADL was engaged in a heavy-handed effort to discourage distribution of Madison Grant's book, *The Conquest of a Continent*, which had just recently been published.

"Can there be any doubt," asks Piper, "that the ADL is behind this ongoing robbery of America's libraries?" He points out that the ADL is the one and only organized pressure group that has affiliates in every major community in America. "And although it's not commonly known," he notes, "there are even B'nai B'rith lodges in some of the smallest cities in America.

"This thievery," he concludes, "is part of a criminal conspiracy [in the specific legal sense of the word] and it seems apparent the ADL is the mastermind behind this corrupt combine. All of this is a subtle, yet ruthlessly effective way of suppressing freedom of speech in America. It's high time the ADL's dirty tricks be brought to a halt. As a journalist and as an author who values our *First Amendment* freedoms, I take great offense at this."

However, Piper notes, there's much more to the story. In recent years, as new communications technology has begun to blossom—particularly with the rise in popularity of the Internet—the ADL has come up with new—and more subtle—ways of censoring freedom of speech and consigning the *First Amendment* to the Orwellian memory hole.

In collaboration with The Learning Company (based in Cambridge, Massachusetts) the ADL has now perfected a new computer program called "Cyber Patrol" and is promoting it to libraries that provide Internet access to students and to the public.

Although the program is ostensibly designed to limit access by young people to Internet websites containing "pornography" and "obscenity", the ADL-sponsored program also blocks out websites of patriotic groups the ADL doesn't like.

What's more outrageous is that if a student or other library patron tries to access the website of a populist newspaper such as *The SPOTLIGHT*, the ADL's computer program actually redirects Internet users to the ADL's own Internet website.

But this is only the tip of the iceberg. The ADL has also had a hand in formulating several other Internet screening programs that are already in use by schools and libraries. Here's another example that Piper learned about:

When a *SPOTLIGHT* reader went to his public library and tried to use the library's computer to contact *The SPOTLIGHT's* website, an ADL-sponsored program installed in the computer wouldn't allow him access. He was told that *The SPOTLIGHT* fell into a broad category which indicated it was either a "hate

[pro-White] group" or promoting "satanism" or "violence" and that the computer program would not permit access to such websites.

According to Piper, "In the old days ADL agents stole books they didn't like from the libraries. Today the ADL is using space-age technology to act as the arbiter of what people should—and should not—read. And the ADL is getting away with this all across America".

Armed with the information he uncovered, Piper is now working with the Foundation to Defend the *First Amendment* (FDFA), headed by investigative reporter Jim Tucker, to expose the ADL's role in this sordid conspiracy.

Piper says that "FDFA has been in the forefront of defending the *First Amendment* rights of patriots for over 10 years now and has a record to be proud of. And I'm pleased to be associated with FDFA's efforts in this new realm." If enough people—particularly librarians—are made aware of what is happening, says Piper, they will now be more alert to what's really going on—and why. "I hope patriots will unite behind FDFA in this important educational campaign." [End quoting]

The elite won't stop their censorship until WE stop them. **Let's do it now!!**

Publishers Warned About "Terrorists"

American Patriots make foreign-born Secretary of State Madeleine Albright nervous.

From *THE SPOTLIGHT*, by James P. Tucker Jr., 4/27/98: [quoting]

Secretary of State Madeleine Albright's outburst before the American Society of Newspaper Publishers is a symptom of how nervous the administration has become over a rising tide of populist patriotism, according to a high government official.

"She was preaching to the choir, but they needed the message because they are hearing more and more from their readers that their loyalty belongs to the United States and not the United Nations," said the high State Department official.

Mrs. Albright was echoing the sentiments of her leader, Bill Clinton, who, on April 22, 1993 at the dedication of the Holocaust Memorial Museum, called Liberty Lobby, by name, "depraved and insensate".

A year ago, the administration would not allow such speeches by cabinet officers on grounds it "would dignify the right wing", said the official, who has been a reliable observer for more than a decade.

"Now, the issue of patriotism and national sovereignty is on the rise," he said. "More Americans—the type who work, pay taxes and vote—are becoming aware of the effort to make the UN a world government and they are being

heard."

Thus, he said, the White House decided it was necessary to respond, and chose the publishers' meeting in Washington as the forum so the newspapers could be warned not to "deal seriously" with the issue.

ALBRIGHT'S MESSAGE

"There are some who believe the UN is a sinister organization" with "a fleet of black helicopters which may, at any moment, swoop down into our back yards and steal our lawn furniture," Mrs. Albright said.

"They say it is bent on world domination, which is absurd, and that we cannot trust it because it is full of foreigners, which we really can't help," Mrs. Albright said.

"The UN is not an alien presence on U.S. soil, it was made in America," she said.

"She neglected to point out that the UN was made on land provided by the Rockefellers with a charter Alger Hiss [*a convicted traitor*] helped draft," the official said. "When they go out of Manhattan to inspect our prisons or whatever, they are an 'alien presence on U.S. soil'."

He was referring to the donation of the site of UN headquarters in Manhattan by the Rockefeller family and to the late Soviet spy who was the No. 2 man in the State Department, who traveled with President Franklin Roosevelt to Yalta in 1945, and helped draft the *UN Charter*.

She drew applause from the publishers when she accused Congress of "blackmail" for attaching pro-life amendments to a bill to pay about \$1 billion in arrears the UN claims, saying America should pay her "bills".

"It is encouraging to see the hysteria mounting," the official said. "It means that patriots are gaining ground." [End quoting]

A Brief Note About Ozone

5/1/98 #1 HATONN

Now, to change the subject to one which I find of little interest but is of great interest, apparently, to some of you.

Dr. Hoffman has inquired of me the status of Oxygen after it has become split off from its original combinations. Also he has inquired about the status of Carbon Dioxide and what happens within, say, a tree. "Does a tree breathe 'in' Carbon Dioxide and exchange and exhale Oxygen or is it merely a cleansed version of Carbon Dioxide?" Well, I am into neither topic, precious ones. That can be measured easily by apparatus at your own disposal.

It is a processing cycle in which the tree actually thrives on the "carbon" so the facts are a tree "breathes" in many things, but with carbon dioxide, the carbon is "bound" while the oxygen is RELEASED.

However, as to the advertisement for an "Ozone" machine, brochure included, to clean and charge the air and produce Ozone—I do have an opinion of the machine IN POINT. I think it is valuable in cleansing air through filtration and neutralizing any floating microbes with the Ozone produced. I insisted that Dharma have two such identical machines in the house along with air filters during the period of her worst attack of congestive heart failure and lung incapacity—to use along with the colloids and Oxsol. There has been strong response in a most positive manner.

I don't advertise, but if you are curious about the cleaning machine of which I speak, please contact Jack Kunick in care of New Gaia Products (1-800-639-4242) as he is the person here who actually distributes same as a special service to those who inquire. No, I do not recommend or endorse ANY OTHER machine as a matter of fact. Most marketed machines are totally ineffective except for the positive thought processes of the individuals. The machines are a bit expensive so we have not spoken of them prior to now for I do not wish to get involved in myriads of kinds of apparatus—one after another claiming cures for all sorts of things. Obviously if ONE thing cured all as advertised, why would you even need the second item? Ponder it.

I will continue a bit further, in fact, and tell you that Ozone purification offers so many wonderful side products as to surprise you at the uses for Ozone, to name just one:

It should be noted that this past year one of

the cities with the worst water potential, Los Angeles, WON the national taste-test and purification system of all the major cities in the U.S. The second and third winners in that comparison used variations of the same method of purification. The reason it is so important is because of the massive size of the problem in such as Los Angeles. THEY USE OZONE FOR PURIFICATION.

I suggest any of you with signs of aging, illness—especially lung maladies—*and can afford to get such equipment*, inquire, and I repeat, contact Mr. Kunick. He is only available evenings but you can leave your information and request for call-back with New Gaia.

I am also asked to speak more on "MSM". No, I'm sorry; at the moment our full thrust must be toward other things. We have information and it can be offered, but someone else is going to have to do the finger-work. ~~ⓧ~~

GAIACOL

GAIACOL is a combination of colloidal silver, trace colloidal gold: This combination of ingredients has produced a product that is so high-frequency and potent that it could quite possibly be the solution to our ongoing fight against the new antibiotic-resistant diseases that we face today. Colloidal silver was used extensively and very successfully against bacteria, viruses, fungi and the like before the advent of the first antibiotic, penicillin. The many uses of colloidal gold were documented for the restoration of health as early as 1885, and gold was noted for its ability to calm and harmonize the emotional body. Once the chemical companies began manufacturing their endless array of antibiotics, silver and gold were no longer looked to for treatment. However, the antibiotics have had increasingly less effect on the more resistant viruses, fungi and parasites. Now we face a new generation of bugs that are completely resistant to any antibiotics due to antibiotic over-prescribing and resultant survival-of-the-fittest microorganisms.

Research has demonstrated that colloidal silver is non-toxic to humans, yet it allows no known disease-causing organism to live in its presence. With the addition of trace colloidal gold, the frequency of **GAIACOL** is remarkably enhanced to facilitate the demise of these newer, more powerful viruses and bacteria. **GAIACOL** is gentle enough to use topically on just about any skin, hair, or mouth condition without fear of toxicity and is outstanding for burns.

For internal use during any type of infectious process, start with one teaspoon the first day and then 10-12 drops, 3-4 times per day under the tongue until the infection clears. Then maintain with 3-4 drops, 3-4 times per day under the tongue. **IMPORTANT:** Due to the powerful nature of this product, friendly bacteria can be affected, so it is advisable to replace the natural intestinal flora with some type of acidophilus/lactobacillus supplement daily, or at least when symptoms are noted such as cramps, bloating, diarrhea/constipation and a general feeling of malaise.

GAIACOL is said to be safe for children and pets, and can be taken with other medications without incident. This product is not addictive and does not build up a tolerance to it in the body. Available in 2oz., 16oz., and 32oz. bottles.

Blind “Leading” The Sighted?

5/1/98 #1 HATONN

RENEWED ENERGY?

I am truly not teasing nor testing. I am simply, like you, finding a response of realization a refreshing thing indeed. Though the armies of one of the most powerful men on your Earth are “after you” or “annoying” you to gain position, we find joy in the hearts of the home-team. This is not because much has changed but only that information gives reality to the mind. I can tell you things, but until you hear them or see them for selves, the lessons sometimes seem difficult to comprehend.

You are faced with going through court and being whipped in the winds, facing lack where there should be plenty, and generally “living” and you cannot see the tree for that big wooded area before you. It is fine, students. Just make SURE YOUR SPACE IS INHABITED ONLY BY LIGHTED ENERGIES AND YOU WILL FIND THE DARKER FACTIONS STRANGE AND AMUSING—LDQ!

Where is Hatonn stationed today in, say, Mr. Bush’s world of make believe? Apparently very high indeed since his own busy boys refuse to even allow my name to be discussed in their

presence. Dharma finds this most enlightening and indeed funny as they won’t speak of HER EITHER. These thugs will speak of the “other” team members as stupid, fools, naive, nothing, etc. But they won’t speak of myself or of Dharma, for a top-level, and we mean top-level, insider, (when asked about Hatonn) instantly retorted: “You don’t know what you are into. You don’t want to get into that level of information or you are ‘dead meat’. Why, that is so high-level that if it was represented as being on the 127th floor of a building and the 127th floor being the top, along about the 80th floor your elevator’s cables would be cut—do you understand?” This same party then says “But you are so low on the Bush list that you mean nothing—hardly even an annoyance!” OH? Interesting.

Fine, team, this is what we have been working for in these moving years—a very low profile and remaining as non-targeted as is possible under ANY circumstances.

Now, Rick, you have been offered HUSH MONEY and you note it was even spelled out for you—HUSH MONEY. Now you of the little team are supposed to desert this ship, take the pay-off (only a sick pittance in value) and go to an island to live out your lives in a castle with a fishing

boat and sunshine girls. How exciting. And, further, and by the way: “You aren’t ever going to be allowed to do *anything*.” Seems to me we already have done quite a few *things*.

Next, “You are to think of yourself in these later years and live long enough to retire!” the threat went. Fine: FOOLS’ NAMES AND FOOLS’ FACES ARE ALWAYS FOUND IN PUBLIC PLACES. I believe you can now understand why MINE is not in either! Besides, you have tried “retirement” and have never worked so hard in your life, to date. No, I don’t think so. And “sting operations”? This IS ONE, so don’t even think about it, brethren. And, moreover, the adversary is so damned cheap that even the price, which sounds out of reach, is NOTHING. The price for Esu was 30 pieces of silver—you are offered \$5 million for Hatonn? I guess it’s inflation! Still think those contracts are not real? Just BE CAREFUL! Did you note the heavy breathing when you said you had some \$50 B “out there”? Today, that even seems small, doesn’t it, students, relative to that which IS? Well, babes in the woods, when you can think bigger and realize your goals are unlimited—we can move on perhaps?

I remind you, TEAM, that enemy has to get THROUGH ME to even touch YOU. In referring to me: “You are talking about something so big as to be on that 127th floor and you are in the parking lot,” the man said. He should know. But, you are NOT in the parking lot—he simply sees you there because he can’t believe you are also on the 127th floor.

YOU ARE IN THE SHADOW OF THE MOST DEADLY JEUS ON THE PLANET AND YOU HAVE UNCOVERED THEIR SECRETS—NEVER MIND THE JEWS FOR THEY ARE AS “PUT UPON” AS ALL THE REST OF THE CITIZENS.

FROM THE BACK COVER

“Our Elder Brothers from the Higher Realms of Creation are attempting to communicate with ALL of us at this time. Why? Take a look around you. The old ways of doing things aren’t working. Our planet is entering a time of massive, turbulent change and renewal. To put it bluntly: we NEED help! And that’s where this book comes into the picture. Yes, eventually ‘the Phoenix will arise from the ashes’ after this Great Cleansing process, but the ride could be quite a bumpy one, especially for those ill-prepared for what is to happen.

“Just how we choose to deal with such change is THE question each of us must confront. Yet confusion swirls everywhere upon Earth at this time. And restless searchers cry out for that which may help them cope with these truly challenging times ahead. Thus these messages courtesy of our most loving Elder Brothers from the Higher Realms of Creation who are but further along the same spiritual path we all must eventually walk.”

New World Order Gang Destroying Our Children

[Continued from Front Page]

Dear Friends,
And now, a word about our children and their schools.

In 1990, President George Bush and all 50 governors announced their goal for U.S. students to be "first in the world in mathematics and science and achievement by the year 2000". It sounded good at the time. But almost a decade later, America's high school seniors still compare poorly with young men and women in most other industrialized nations of the world.

That was the conclusion of the most comprehensive and rigorous international comparison ever conducted of academic achievement, released in February. This investigation, entitled The Third International Mathematics and Science Study, involved 41 nations and more than one-half million students. The final report should be of concern to every parent and grandparent in the nation.

What it revealed is that fourth-grade students in this country scored above average internationally, but by the middle school years, scores were below average. And by the time

they were seniors in high school, they ranked near the bottom when compared to other nations. The conclusion is unmistakable: The longer students stay in American schools, the farther they fall behind their age-mates in most industrialized nations of the world.

test scores in various categories of science and math for the nations that participated at the secondary level.

As dismal as these rankings were, they

easily could have been worse. Asian countries which typically excel in math and science did not participate in the study. "Otherwise," wrote columnist John Leo, "America might have been fighting for 39th or 40th place in a 41-nation field."

What is even more shocking is how our most gifted students compared with high achievers in secondary schools from other participating countries. For many years, Americans have consoled themselves with the belief that their most talented youngsters were on a par with the best educated students on Earth. Not so, according to these findings. When compared with gifted students elsewhere, our smartest kids tested even worse.

Here are the results for students enrolled in the most advance math and science courses.

[See charts at bottom of page]

Incredibly, the United States scored 15th out of 16 nations in advanced mathematics and dead last, 16th out of 16, in physics. When tested on matters of self-esteem, however, American kids scored near the top. So if you ask the students how they did in math and science, they'll reply, "Terrible." But then ask them how they feel about their performance, and they'll say, "Great!" Obviously, something is drastically wrong on the educational front.

How do we explain such distressing findings? To hear the National Education Association and the U.S. Department of Education tell it, the problem has been a lack of money. That's what they said 30 years ago when test scores first began to slide. Americans, who are passionately committed to their children, responded by allocating huge additional resources for schools both nationally and locally.

In real dollars corrected for inflation, the expenditure per pupil has increased 200 percent since 1960. Our schools have been, and remain, the best funded on earth.

Take a look at the expenditures per pupil

and the number of days spent in the classroom among the industrialized nations of the world.

[See charts on this page]

It is illogical to blame inadequate funding for education when American schools are the best supported in the world—and yet operate the fewest number of days per year. In fact, I think a case can be made that money, beyond a certain minimum, appears to have little to do with quality in education. Indeed, Washington, D.C., schools, which receive more than any other public school system in America (\$8,290 per pupil) have the nation's highest dropout rate and rank near the bottom in every measure of efficiency and competence. This is an affront to the parents who live in the District of Columbia. For \$8,290 per student per year, they could send their children to some of the better private schools in the area, including

Washington set up shop. The time has come to abolish the Department of Education, but are there any politicians who have the courage even to propose such an idea? Apparently not.

Meanwhile, the alarm bells continue to clang. A Department of Education study revealed four years ago that more than half of America's college graduates couldn't read a bus schedule! Nor were they able to figure out how much change they should receive after putting down \$3 to pay for a 60 cent bowl of soup and a \$1.95 sandwich. This is a disgraceful come-down for a nation that has led the world in productivity and creativity.

How can we get a handle on what has gone wrong? What are the forces that have undermined our schools and shortchanged a generation of children? First, let me say that it is unfair to blame the dedicated teachers and

Themselves But Can't Read, Write or Add, charges that schools are obsessed with students' self-esteem, which in turn makes teachers afraid to demand high performance. It leads them to ignore spelling errors or grammatical mistakes for fear of damaging students. Academic content is watered down to avoid creating stress in the classroom.

Sykes concludes, "Despite all the gold stars and smiley faces, if [pupils] simply don't have the skills to compete and survive, [they] will eventually figure that out and know it's all a fraud".

Traditional subject matter has also been invaded by the radical environmental movement. Those of you who haven't visited a classroom for a decade or more might be shocked to observe how the "save the Earth" people have taken over. That theme permeates every dimension of the curricula, including higher math. One popular textbook is entitled *Focus on Algebra*, about which John Leo said, "It talks about the rain forest, Maya Angelou's poetry and students' feelings about zoos, but doesn't get around to solving its first linear equation until page 218".

In a special report by *The Washington Times* entitled "The Dumbing Down of America", a story is cited about a mother in Pennsylvania who called a member of her school board to complain about a math paper brought home by her child. The paper presented a math problem involving three birds in a nest. Two flew away. The question? "How do you think the [remaining] bird felt?" The *Times* reporter asked, "What do birds, feelings or nests have to do with teaching math?" Good question! Yet, the reporter concluded, this touchy-feely emphasis is widespread in public schools today.

Thomas Sowell, a syndicated columnist, wrote:

"When I was a professor of economics at UCLA, I was amazed that so many students had no concept of logic and no sense of how to use the English language, much less any serious knowledge of basic information that was once taken for granted.... More than once, as I went over a student's ungrammatical writing and confused reasoning, I found myself asking, 'What were you doing for the past 12 years?' Only later, when I began to do research on the American public school system, did I realize why high school graduates were

Gonzaga, St. James, Carroll High School or Sidwell Friends. Indeed, there are 88 private schools within the Washington beltway that cost less than \$4,000 per student, including 60 that cost less than \$3,200. Instead of choosing among the best, however, Washington, D.C. parents are forced to patronize the mismanaged and dangerous "government schools" that are shamefully wasteful and bloated with bureaucracy. This is what comes of educational monopolies.

In 1977 President Jimmy Carter told us that our schools not only needed more money, but that they desperately needed help from the federal government. That was a popular notion of the day—that "Washington can fix it". Thus, the Democrat-controlled Congress dutifully created the U.S. Department of Education and funded it in 1979 with about \$14.5 billion. Alas, the camel's nose was under the tent. Today, the department consumes more than \$30 billion annually, and last year, the Republican-controlled Congress, characteristically quaking in fear of a veto by the president, increased the department's budget by three billion.

Today, the beat goes on. Mr. Clinton outlined many new, expensive education programs during his recent State of the Union address that will greatly expand the federal bureaucracy. No mention was made of the fact that our schools are in far worse shape now than before all those "educrats" in

administrators who are working hard to serve the children of this country. I used to be one of them, and I know that they want the best for kids, too. Many went into teaching as an expression of their Christian commitment, and they share our frustration about what is happening. Education, just like medicine, is being transformed by social pressures that individual professionals are unable to resist. My purpose, therefore, is not to bash the teaching profession, but to look past the local scene to focus on the broader picture.

In that regard, let me cite two concerns about our schools that many analysts consider critical. They are as follows:

1. Traditional curricula (English, math, science, reading and writing) has been replaced by politically correct ideology and untested revolutionary ideas.

Columnist John Leo wrote:

"Schools are flooded with progressive experiments and social agendas that either go down in flames or crowd out actual learning—cooperative learning, the politics of identity, outcome-based education, history as group therapy. An emphasis on egalitarianism in the classroom often has strange effects, making some teachers suspicious of achievement and any knowledge that 'contributes to inequality'. Some teachers now refer to themselves as 'facilitators' because they believe 'teaching' is an expression of dominance."

so badly educated. Much of the agenda of the schools across the country is a social or ideological one, not an educational agenda.... No one is more determined to avoid academic subjects than professional educators. So-called 'outcome-based education' is yet another hollow phrase for going off on another tangent, substituting mush for mental development. None of this is accidental. There are books, articles and speeches by leading education gurus explaining how the public schools are supposed to be used for all sorts of social and ideological crusades: Hug the trees, blab your family secrets to strangers—and don't worry about math and science."

Sowell's criticism has now been validated by a nonpartisan, education-oriented public opinion group in New York entitled Public Agenda. This organization polled 900 professors in the nation's schools of education. According to Elaine Woo, a reporter for the *Los Angeles Times*, "[They] found an 'often staggering' disconnect between what education professors value and what most parents, teachers and even students say they need.... The professors...valued process over content, saying it was more important for students to 'learn how to learn' than know the right answer.... Barely four in 10 [of the professors polled] said maintaining discipline and order was essential. Fewer than two in 10 stressed such basics as spelling and grammar. And only 12 percent said it was essential to expect students to be neat, on time and polite.... More than eight in 10 professors said that in teaching subjects such as math or history, it is more important that students struggle with the process of trying to find the right answers. Only 12 percent said it was more important that kids end up knowing the right answer."

Of equal concern to academic issues is the homosexual and lesbian agenda that is being promoted in many schools. The objective goes far beyond teaching respect for every member of the human family, which we support. It involves the validation of an immoral lifestyle and an effort to manipulate the minds of vulnerable children. Consider these examples:

* At a Brookline, Mass., elementary school, a transsexual was invited into a first-grade class to give details of his sex-change operation.

* In Ashland, Mass., children were assigned to play gays in a school skit. One boy's line was, "It's natural to be attracted to the same sex." Two girls were told to hold hands and pretend they were lesbians. Parents were not informed in advance.

* At Silver Lake High School in Massachusetts, the ninth-grade health text teaches: "Testing your ability to function sexually and give pleasure to another person may be less threatening in the early teens with people of your own sex.... You may come to the conclusion that growing up means rejecting the values of your parents."

Given these many trends, it shouldn't be surprising that students are revealing a diminished technical and academic competence when asked to compete internationally.

2. A powerful educational monopoly has gained control of today's schools and is shaping them to fit its liberal, self-serving agenda.

One can hardly overstate the influence of

the mammoth educational monopoly hovering over today's schools, consisting of the U.S. Department of Education and the teacher unions, primarily the National Education Association (NEA) and the American Federation of Teachers (AFT). And now, we're told, the NEA and the AFT are considering a merger which would create an even more powerful and dangerous force within public education. Monopolies rarely serve the needs of the consumer, but this one is particularly self-absorbed, wasteful and arrogant.

Consider the matter of teacher qualification. Union policies often protect incompetent teachers through a system of seniority that guarantees mediocrity. Almost a third of all math and one-fifth of all science teachers did not major or minor in the subjects they teach. They are unqualified to be instructors in physics, calculus, chemistry or biology, but they are protected by unions and can't be dislodged.

Of greatest concern is the transfer of power from parents and local school officials to professional educators and bureaucrats at the state level, and especially, to the federal government. There is an inverse relationship between authority vested far from home and effectiveness of our schools. No better example exists than the much vaunted Goals 2000 program that was hatched in Washington, D.C., several years ago.

Ron Sunseri, a former Oregon legislator, said it best. After Oregon spent four years implementing many of the proposed reforms of Goals 2000, such as performance-based assessment and psychological training, "Oregon's results are dismal. A Forest Grove, Ore., school posted a 36 percent decline in verbal skills and a 17-point decline in math." Thomas DeWeese of the American Policy Foundation said, "The indoctrination methods...start in kindergarten, where students are filled with horror stories of ozone holes, dying species, homelessness and war."

Concerning the long-awaited 1996 National English standards, John Leo said, "[They] turned out to set no standards at all. Instead we got a trendy tolerance for bad grammar and

spelling and a lot of incomprehensible gibberish about 'word identification strategies' and 'writing process elements'. Language skills of U.S. students are said to be even lower by world standards than their math and science skills. Should we find this surprising?"

"Educrats" also have a history of interjecting politically correct ideology into everything within reach, especially where children are concerned. Consider, for example, the National Standards for United States History, released in 1994, which reeked of liberal bias. Here are some of their outrageous deletions and distortions:

* George Washington makes only a fleeting appearance and is never described as the first president of the United States.

* The first meeting of the U.S. Congress is not considered noteworthy.

* Indeed, the standards make only one passing mention of the United States Congress.

* There is no reference to Robert E. Lee, Alexander Graham Bell, Thomas Edison, Albert Einstein, Jonas Salk or the Wright Brothers.

These and many other omissions are indicative of a poorly concealed effort to de-emphasize the historic concepts American children have been taught for two centuries. Likewise, the "goodness" of America, of which DeTocqueville spoke, is given short shrift. The unprecedented freedoms granted to our citizens are all but ignored.

By contrast, everything sordid and disgraceful about this country is underscored for our children. A left-of-center perspective on history is given prominence. For example:

* The Ku Klux Klan is mentioned 21 times!

* McCarthyism scored 19 hits.

* Watergate and the Iran-Contra hearings show up prominently.

* The founding of the National Organization for Women is celebrated.

* Students are asked to use selections from Planned Parenthood founder Margaret Sanger's *Women Rebel* to explain "new women" ideas.

* Students are asked to use articles from *Ms.* magazine or selections from such books as *Sisterhood Is Powerful* to explain how

“feminism was compelling in its analysis of women’s problems and the solutions offered”.

* Former Speaker of the House Tip O’Neill is quoted as saying Ronald Reagan was a “cheerleader for selfishness”. The speaker, and the standards, failed to mention Reagan’s role in the decline and fall of the “Evil Empire” or the freeing of oppressed people in Eastern Europe and other places throughout the world.

These standards reflect a blatant liberal agenda that insults conservatives and alarms parents. More to the point, what came down from the national level is typical of what happens when the culturally elite get their hands on educational curricula. The history standards represent only one of many examples of this bias I could cite.

These are the reasons we should oppose the expansion of the education monopoly. These folks have a different agenda for children, and it is not, in my opinion, one that should be encouraged. Bill Clinton is the chief proponent for their movement. Now he’s calling for a national testing program which will quickly become the vehicle to shift even more power away from parents, past the state agencies, and on to bureaucrats in Washington, D.C. It will force teachers to “teach to the tests” and thereby change curricula, textbooks and the entire educational establishment. In short, national testing will complete the task of replacing parents and teachers with a federalized school system.

Let’s come back to the issue with which we began: What is the solution to our failing test scores and poor academic performance by our students? I believe it is to reassert parental control of education, expressed through the election of local school boards who are empowered to do what is best for children. And it is in school-choice legislation, designed to put competition back into public education. What continues to be unfair is that home-schooling parents or those paying tuition for Christian education are still taxed to support ineffective and wasteful public schools’ programs. School choice will not only end this injustice, but it will allow inner-city parents to access the better schools only middle—and upper—class children can attend now. As someone noted, “We already have de facto educational choice in this country: it’s just limited to those who can afford it.”

When administrators have to satisfy local parents in order to retain students, and when the worst schools begin to go out of business, then a new energy and zeal will pervade the nation’s campuses. We’ve tried everything else. Why not put the decision-making power back in the hands of those who care the most—moms and dads living in Crossroads, U.S.A. One thing is certain: They could do no worse than has been done in the past two decades.

One poll shows that 82 percent of Americans favor school choice. Another found that 86 percent of African-Americans in the child-rearing years (ages 26-35) favor tuition vouchers. With that kind of support, what do we have to do to get the attention of our representatives in Washington, D.C., who tend to be deaf to issues that don’t have a politically correct spin? Democrats have fought school choice tooth and nail, and

Republicans have lost their nerve on this and other social and moral issues. Until they find the courage to act, America will continue to be embarrassed whenever our kids have to demonstrate what they know—or don’t know—internationally.

I’ll end with this: The entire debate over our schools focuses on the issue of moral absolutes. That will shock some of my readers, but it is what I believe. God Himself is the Author of a universal law by which all things are governed. He has established an immutable standard of right and wrong that transcends time and space. Math, science and other academic inquiries flow from the acknowledgment that all truth is God’s Truth, and nothing has meaning apart from Him. In generations past, of course, schools were designed to teach those principles, and discipline was intended to enforce them. Public schools and private higher education all had religious missions and conformed to scriptural dictates. Harvard, Yale, Princeton and the College of William and Mary were Christian colleges, devoted to the Gospel of Jesus Christ. But those days are gone. Now we have succeeded in gutting our institutions and divesting them of their moral underpinnings. We have passed laws forbidding any official support for matters of faith, prohibiting the posting of the *Ten Commandments* on school walls and muzzling those who would utter a word of praise or petition to the Almighty. In this remarkably successful campaign to demoralize our educational institutions, we have created for ourselves meaningless, ineffective and godless

monuments to man’s arrogance. It is our vulnerable children, and those in generations to come, that are sacrificed on the altar of secularism. I pray that someday we will again lay hold to the wisdom of those who have gone before us.

Let’s be in prayer specifically for our schools and for the Christian teachers and administrators who labor in them. They need our encouragement now, more than ever.

That’s my editorial for the month. Thanks for all your calls and letters after my speech to the Council for National Policy, which was not unrelated to what I’ve said above. The response has been most gratifying.

Your continued support of this ministry is greatly appreciated—especially here in “tax month” when the pickings get thin. God’s blessings to you all.

Sincerely, James C. Dobson, Ph.D.

P.S. And finally, a word to educators. Let me remind you that the American Association of Educators is a Christian alternative to the NEA and other unions. You can write them at 26012 Marguerite Parkway, Suite 333, Mission Viejo, CA 92692.

V.K. Durham has been informing the American people for several years now about a very old gold certificate/contract referred to as Bonus Contract 3392-181 worth an untold fortune. After a very costly and lengthy investigation over many months, we know that this contract is real.

When Russell Herman, V.K. Durham's associate, was murdered for refusing to "sign-off" on this contract in 1994, his Last Will & Testament, which was published as a Public Notice in CONTACT [September 27, 1994], was very clear. We are republishing his Last Will & Testament herein as Public Notice.

All appropriate government officials were legally "noticed" concerning Russell Herman's Last Will & Testament. The Treasury Department was "noticed", as was President Bill Clinton.

Complete sets of certified documents detailing this Bonus Contract, dated July 30, 1996 and specifically entering a Claim have been sent to and received by:

- President Bill Clinton
(Certified #P 330 806 557)
- Dept. of the Treasury—Lawrence Summers & Russell Monk

In addition, complete sets of certified documents detailing this Bonus Contract have been sent to the following key individuals :

- President George Bush
- Governor George Bush, Jr.
- Senator Lloyd Bentsen
- James Baker III
- Ross Perot
- Robert Dole
- Jack Kemp
- Patrick Buchanan
- Ted Turner

We have received independent confirmation of the validity of these documents through a telephone call to E.J. Ekker by a business associate who alleged that he had been contacted by Mr. Nichols of Treasury and alleged an offered buyout, final pay-off offer to V.K. Durham of \$250 million dollars. This, of course, was unacceptable to V.K. Durham, in part because 48.8 percent of the Bonus Contract is the property of the American people, 24.4 percent of which is delineated in the Herman Will.

V.K. Durham and Russell Herman have been extremely generous to the American

people. We are publishing herein the key documentation concerning the Bonus Contract and Russell Herman's Last Will & Testament. The intent of Russell Herman is very clear when you read his Will.

The response from these powerful men who have received this documentation, thus far, has been deafening in its silence.

George Bush sent word back to CONTACT early this summer, that "We do not wish to deal at this time." A month or so later, the message was, "We won't deal with you."

Mr. Robert Parry of the Federal Reserve Bank of San Francisco passed off the documents I sent to Robert Mulford, who said in his August 6 letter to me, "I am returning the documents. Do not send them back, or they will be thrown away. Any future correspondence from you will not be acknowledged."

During a September 3 telephone conversation with Ross Perot's secretary, she informed me that, "Yes, Mr. Perot did read the documents you sent (concerning the Bonus Contract) and he has no interest."

In a telephone call to Senator Bentsen's secretary Lucille on September 3, while assured he would receive the message of my telephone call, there was no return call from Senator Bentsen concerning the documentation on the Bonus Contract.

Also in a September 3 telephone call to Ted Turner's secretary, I was assured he would receive the message I phoned, but alas, there was no return call from Mr. Turner.

It appears that there is little interest among these men to utilize an instrument which has been provided and offered to the American people for industry and growth within our borders. We have done our part and we can do no more but to offer these men the information we have been provided. They have chosen to turn a deaf ear.

We would like to honor V.K. Durham and Russell Herman for their greatness, their generosity, and their willingness to provide all they have for reclamation of a nation. Is anyone listening?

In compliance with mandatory legal procedure for Public Notices, we will be running these documents for 4 (four) consecutive weeks.

ASSIGNMENT OF OWNERSHIP OF BONUS CONTRACT 3392-181
RE: RUSSELL HERMAN'S PERCENTAGE

August 5, 1993

To Whom It May Concern:

Due to the HIGHLY sensitive nature of this tremendously valuable Bonus Contract and it's potential impact on the national security of the United States, it is with much careful thought and consideration that I, being of sound mind and body, do hereby assign my portion of ownership of the Bonus Contract 3392-181 to Mr. Rick Martin, journalist for the brave newspaper known as CONTACT. I make this assignment to Mr. Martin, solely and individually.

Those who are aware of the historical sequence of events leading up to this decision to transfer ownership are well aware of my long and close relationship with V.K. Durham. It is with a heavy heart that I cannot, in all good conscience, transfer my portion of the contract over to her. She has been, for some time, mentally unstable, and I am gravely concerned that she may not live to realize the dreams of this great nation that we often shared with one another. I am not able to trust, at this point in time, her judgment, as she "flies off the handle" and is too irrational to be given the overwhelming responsibility of stewarding this tremendously valuable contract. It is for these and other private reasons that I hereby make this assignment, in full, to Mr. Rick Martin.

It is my trust and faith in you, Mr. Martin, that you will fulfill my wishes with respect to use of the wealth generated from this contract, as we discussed in our private meeting earlier this month. In honoring my wishes, it is accepted by you that you will not provide funds that in any way may be used for war or destruction. This value is to be used to not only restore this once great nation, but to assist others less fortunate around the world.

My trust in you, Mr. Martin, is complete. With all the above now stated, I hereby transfer my portion of ownership in the Bonus 3392-181 into your care and careful management.

Signed: *Russell Herman* Witnessed: *Rick Martin*

Report To The People:

Jonesboro, Arkansas And Related Matters

Editor's note: For those of you who may be new to our readership, meet Gary L. Wean: he entered the Los Angeles Police Department Academy in 1946, after making a number of distinguishing contributions in World War II. Along the road of a brilliant police career, he eventually became Chief Investigator for the Ventura County Public Defender Office. Gary had contributed many articles to CONTACT, but none created a bigger stir than our Front Page for our 9/6/94 issue, when he wrote the definitive story called, "O.J. Simpson Frame-Up: Jewish Mafia Conspiracy For Race Riots & Revolution" which we have, by popular demand, been pressured to reprint on several later occasions.

3/28/98 GARY L. WEAN

The shootings and deaths at Jonesboro, Arkansas, Westside Middle School occurred Tuesday, March 25, 1998.

Guns, Guns, Guns, and more Guns—it's all you hear from the Mongol Jew propaganda TV stations like CNN. Over and over they pound it, beating it into the heads of the people—they scream: "The proliferation [a key word] of guns is killing our children."

And in Washington, D.C., all of the Mongol Jew politicians stridently pick up the chant and bellow for more 'Gun control' laws to take the guns away from the Christians.

But, that is their 'Big lie'—it is not Guns that are killing our children—it is the lies and chaos that are so evilly being crammed into their heads that are killing our children.

Because first, before they even get the idea to go get a gun, the thought must be introduced into the child's head that they want to kill somebody.

With this horrible evil that is being drummed into the heads of our children, even if all the Guns were gone they would simply grab up another weapon—an axe, a butcher knife, a claw hammer, or even strangle with their bare hands, as we shall see.

Remember, a weapon is not even going to move until someone picks it up—it is the thought of killing

someone that must first be implanted in a child's head that causes them to pick up the weapon.

Herein we are going to expose the most important, integral part—and that is, from where are these evil, hideous ideas coming. And equally important, exactly how they are so insidiously implanting these deadly germs into the heads of our innocent young children and babies.

Now, all the mothers and fathers of young children, start off with this: using logic, common sense and the brains that God gave you, explain—to yourselves, your spouses and to everyone else—why? Why in the world do your babies and young children 6-to-13 years old need serious, binding, 'girlfriend-boyfriend' relations at such tender ages?

Many of us have long understood these dangers. But just recently some head-shrinks and mental-health experts are beginning to make loud noises. They suggest that recent school shootings in which girls have been the main victims, reflected a trickling down to younger ages of the sex-patterns that lead men to stalk and kill their girlfriends or ex-wives.

Yes, mothers and fathers, we are talking about Sex, not Guns.

It is Sex being drummed into their heads that is causing the children to pick up weapons.

In Jonesboro one of the young shooters told a girl classmate that he was very angry at his girlfriend—he didn't like the idea of his girlfriend breaking up with him, dumping him—quote, "He said he was going to come to school and kill her one day." On Monday, the day before the shooting he told her: "Tomorrow you will all find out if you live or die."

The jealousies, tensions and pressure on these young, inexperienced children involving themselves in adult type 'boyfriend-girlfriend' sex relationships overwhelms them.

For months now, constantly, twenty-four hours a day the TV has paraded and flaunted the President Clinton-Monica Lewinsky 'oral sex and adultery' affair, leaving nothing to imagination.

Young children have been saturated with the TV 'oral sex' filth involving the President with a young woman.

Was this young Jonesboro shooter spurned, jilted by his twelve-year-old 'girlfriend' because she rejected his pressuring her to perform 'oral sex' like his 'role-model' Willie and Monica do it?

In Salem, Oregon at Bush Elementary School, seven-year-old boys (only 2nd graders, mind you) plotted to murder a seven-year-old girl because she had jilted their leader. They did not use Guns, (will Senator Diane Feinstein use this?) one boy held her hands, another clamped his hands over her mouth, a

third boy held her nose and they strangled her. The girl had difficulty breathing and then stopped struggling—believing her to be dead, they left.

The second-grade gang leader said he got the idea from TV shows where he had seen them blow up a guy's head. And that "a gang is a group of guys who hang out together at recess, beat up people and sometimes rob and kill people."

All the TV polls taken of Americans claim that as long as Willie does a 'good job' his sex acts and adultery are his business and his popularity soars.

But Willie hasn't been in America doing his job at all for a number of weeks—he has been in Africa solving Africa's school problems.

Regarding Jonesboro, Arkansas—his home state—President Clinton, still in Africa, sent a message back to America: "We do not understand what drives children, whether in small towns or big cities, to pick up Guns and take the lives of others. We may never make sense of the senseless, but we have to try."

From Africa, Clinton continued: "We have to understand that young children may not fully appreciate the consequences of actions that are destructive but may be able to be romanticized at a twisted moment."

Still in Africa working on Africa's school children's problems, President Clinton sent another enlightening message to America. He noted: "The Jonesboro shooting was the third time in recent months a U.S. town has been shaken by the awful specter of students being killed by students."

To solve the reason for these murders President Clinton said (and believe me this is scary): "I have asked Attorney General Janet Reno to organize experts on school violence to study the shootings and determine what steps can be taken to prevent such tragedies." (Reno, as she herself explained 'Waco': we had to kill all those children to save them from their wicked parents.)

President Willie, the school children's 'oral sex' role model, will return to America from Africa in a few weeks—it is not known if a proliferation (a key word) of oral sex has recently occurred in Africa.

Now we get to the 'Dark Force', who and what is causing all this murderous insanity.

The mothers and fathers of young children must take careful notice of President Clinton's tricky words in his message he sent from Africa. Quoting Clinton, "We may never make sense of the senseless."

This is a terrible, terrible lie uttered by a totally heartless, Godless man. Clinton knows full well that what is happening in our schools is far beyond just senseless. He is an integral part of the hideous plot and has admitted that there is: "A Dark Force behind it", but Willie lies and says, quote, "I do not understand it."

And mothers and fathers of young children, here it is. Some of the Jonesboro parents will reject this out of horror and ingrown fears of the Mongol Jews—they will crawl under their beds and hide, abandoning their children to their fate. And others, realizing in their hearts that they share blame for the deaths for having ignored obvious warning signs, and their 'old-fashioned' Christian intuition that something was horribly wrong in their Christian churches and with their preachers.

There has been an overpowering infiltration and manipulation of the American Christian schools and churches by this 'Dark Force' that Willie Clinton talks about—but claims he does not understand.

For years the Mongol Jews have propagandized insidious schemes that they have manufactured to tear up the minds of the Christians.

The worst of the Mongol Jews' garbage is what

Editorial Policy

Opinions of the *CONTACT* contributors are their own and do not necessarily reflect those of the *CONTACT* staff or management.

they call 'Judeo-Christian' religion.

Even the most gullible of Christians should have easily figured that lie out, because all true Christians put their Faith in God and his son Jesus. But the Judaists (Mongol Jews) claim Jesus is a Jew and is not God's Son and that Mary is a prostitute. Any Christian who involves himself in such blasphemous crap has made the mistake of abandoning and denying God and Jesus.

Christian mothers and fathers of young children in Jonesboro, Arkansas and Christians throughout America—the following is just one of the thousands and thousands of the insane Jew *Talmud* Laws that the Mongol Jews are implanting in Christian children's heads.

If any one of you can get past this one in your interfaith connections let me know. *Kethuboth, 11a-11b*: "When a grown up man has intercourse with a little girl it is nothing, for when a girl is less than this it is as if one puts the finger in the eye (7) for as tears come to the eyes again and again, so does virginity come back to the little girl under three years." And the Mongol Jew filth goes on and on for hundreds and hundreds of pages.

Refer to Part 4 of "The Final Time Has Come", published in the *CONTACT* newspaper, November 18, 1997 and recorded in Web-site address <www.garethw.com>.

One of the young Jonesboro shooters has juvenile charges pending for allegedly molesting a two-year-old girl.

Did this young Jonesboro shooter, after his faith connection indoctrinations into the Mongol Jew *Talmud* Law, *Kethuboth 11a-11b*, innocently believe that this little girl was fair-game because she was not yet 3 years old? After all, he was being taught this by officials of the Christian churches—what else was he to believe?

A Mongol Jew, Sigmund Sternberg fled Eastern Europe in 1939, penniless, as they all claim. He landed in England, but even though being penniless he founded real estate and software companies and became a multi-millionaire.

Sternberg was one of the earliest and most rabid advocates for 'interfaith dialogue'. He is the executive committee chairman of the Mongol Jews' poisonous International Council of Christians and Jews.

Recently Sternberg was chosen by a group of Mongol Jews to win the 1.2 million dollar Templeton Prize for Progress in Religion and he is now known in England as Sir Sigmund Sternberg. Another penniless Mongol Jew, rabbi Jacobovitz also won the 1.2 million Templeton Prize—he is now known as Lord Jacobovitz in England. Sternberg is going to have his award bestowed upon him at Buckingham Palace.

Sir Sigmund Sternberg is a very busy Mongol Jew, he also established the Three Faith Forum, supposedly to find common ground among Judaism, Islam and Christianity.

But with Judaism's sickness there is no common ground with either Christianity or Islam—it was just another Mongol Jew scam to spy on and sabotage other religions.

Here is another Mongol Jew *Talmud* Law that the mothers and fathers of young children in Jonesboro, Arkansas will love if they believe in Sternberg's interfaith and faith connection—just listen to this unbelievable insanity.

In the section called *Sanhedrin, 54a-55a-55b*, the rabbis preach that: "Pederasty (sodomy) bears no guilt as long as it is performed on boys less than nine years old and sex is permitted with girls less than three years old."

What has happened? Are the two young shooters in Jonesboro victims of sex-molestations and of venting a terribly mind-boggled reaction??

To go along with all this, think about Sir Sternberg's interfaith dialogue—he comes up with prize winners like this: "It is recognized that all religions have their own truths, and these shall be unassailable; there is a sense of spirit which soars above all else and which if harnessed could contribute to the creation of caring societies as nothing else could."

Now we go to harnessing up these caring societies that this Mongol Jew creep Sir Sternberg propagates among Christians with his blasphemous interfaith and faith connection dialogue deviltries.

On Friday, February 27, 1998 in Vancouver, Washington, Robert D. Bennefield, minister of the Lighthouse Christian Center Church was arrested and appeared in court where he was charged with first degree child rape and second degree child molestation.

Bennefield posted bail and returned home with his wife. He was temporarily replaced by Rev. Don Funderburg from the Church of God based in Cleveland, Tennessee. The Lighthouse Christian Center is under jurisdiction of the Church of God.

The two boys that Rev. Bennefield sodomized were 7- and 13-year-old members of the church who said they were raped in the minister's home. The Lighthouse Christian Center is at 3402 R. Street, in the Rosemere neighborhood of Vancouver, Washington; 360-694-4502.

Rev. Funderburg, the replacement sent from the Church of God, told the congregation to pray for Bennefield and that he had helped other churches face this problem. Funderburg told them, "God's love will pull you through this storm." As he hugged a man who seemed on the verge of collapse and as families and couples prepared to file out into the glare of the television cameras, Funderburg 'cautioned' them: "I know that many of you are angry and frustrated, but be careful what you say—the entire neighborhood and community are listening."

Yes, Christian mothers and fathers of young children—the last thing in the world Reverend Funderburg wanted the congregation talking about was Sir Sigmund Sternberg's prize-winning interfaith dialogue and the Mongol Jew *Talmud* Law of *Sanhedrin, 54a, 55a, 55b*: "Pederasty (sodomy) bears no guilt as long as it is performed on boys less than nine years old and sex is permitted with girls less than three years old."

Bennefield, like Willie the 'role model', had become so overwhelmed with passion that he had slipped up—one of the boys was overage, 13 years old.

This is what Sir Sternberg is referring to when he blabbers about: "the sense of soaring spirits and harnessing up to the creation of caring societies."

In Dallas, Texas, a Mongol Jew, Rudolph 'Rudy' Kos had infiltrated the Catholic Church and became a Roman Catholic Priest.

On Wednesday, April 1, 1998 Kos was sentenced to 'life in prison' for sodomizing altar boys. Christian mothers and fathers of young children—'get this'—this fiend, Kos, had sodomized and sexually assaulted altar boys for over 5 years, more than one thousand, three hundred and fifty times. When Kos was sentenced he showed no remorse; his only reaction was, he was disappointed, upset at the sentence.

On Friday, March 13, 1998 in Kearney, Nebraska, a United Methodist Church (the same church that denied me the right to put my book, *There's a Fish in the Courthouse* into the public libraries) minister was found innocent of breaking the church's rules by marrying two queers. In San

Francisco the reverend Karen Oliveto, pastor of Bethany United Methodist Church, describes these weddings of queers as "Holy Unions" between loving, committed life partners, lesbians, gays, bisexual and transgendered (you figure that one out) members."

Again, like the prize-winning Sir Sigmund Sternberg of England says, "There's this sense of spirit that soars above all else and we are harnessing up and contributing to the creation of caring societies as nothing else can."

But, Christian mothers and fathers of young children, don't forget *Kethuboth* and *Sanhedrin*—the rabbi says as long as the girls aren't over 3 years old and the boys aren't more than 9, it's okay.

Believe me, everybody, all the time that I am writing this horrible, horrible, sinister, evil *Talmud* Law crap of the Mongol Jews it makes me so sick to my stomach I can hardly write—but when I remember that these evil, low-life people claim they are 'God's Chosen People' and beat us down into the mud and manure with their horrible screams of 'anti-Semitic', I find the power and strength to continue.

Continuing with the United Methodist Church: Reverend Jimmy Creech, senior pastor of Omaha's largest United Methodist Church was being tried and could be stripped of his ministerial credentials for marrying two queers. The United Methodist Church is a church with 10 million members.

This brings us to a very frightening, all encompassing, specific point in all this evil killing of Christians by Christians going on in America. It is a complete break-down of Christian morality created by an insidious, conspiratorial invasion of Christianity by Mongol Jews. This isn't just involving religion, it is pure evil, big-time politics. (And where is the separation of Church and State the ACLU Mongol Jew shysters are forever screaming about.)

Listen to this: Reverend Jimmy Creech was backed politically by no one less than President William J. Clinton himself to gain control of the church. Clinton's United Methodist Church pastor, extremely influential Mongol Jew Phil Wogamon, pastor of the Foundry United Methodist Church in Washington, D.C., was sent personally to Omaha, to back Rev. Jimmy Creech and make certain he was found innocent.

Wogamon testified in Rev. Creech's defense and had many weird and un-Christian things to say in Creech's behalf. Christians, when you hear the Mongol Jew Wogamon's words in behalf of Creech, think about *Kethuboth* and *Sanhedrin*. Quoting Wogamon, "We have to find ways to be supportive of these committed homosexual relationships. The United Methodist Church speaks in many different voices." (Yeh, in Yiddish, the Mongol Jew language.)

With this high-powered Washington, D.C. political pressure right from the oral-sex office of Clinton, Creech was found innocent of having disobeyed church rules against performing a 'lesbian unity' ceremony.

Thus the church laws prohibiting fornication and adultery have evaporated under the assault of President William Clinton's and pastor Phil Wogamon's Mongol Jew political power and pressure.

For months the Hollywood TV production of President Willie and Monica and their 'oral sex' acts has been paraded and hoopla'd, bombarding America 24 hours a day. Children of every age hear, and in wonderment ask, what is 'oral sex' and how do you do it?

Well, according to the Hollywood TV and Washington, D.C. polls, millions of Americans (Christians) supposedly are of the definite opinion that Willie's 'sex acts' are his own business and his popularity rises out of sight.

Have all the Christian mothers and fathers of young children gone insane, and their children have picked up on this?

We all know what happened in Jonesboro, Arkansas. And just about the time that President Willie and his conspirator Reverend Phil Wogamon were clinching the certification of queers in the United Methodist Church in Omaha—the 13-year-old shooter in Jonesboro had suddenly stopped going to the United Methodist Church and all of the other Christian churches he had been regularly attending in Jonesboro.

Also it was at this same time that one of the shooters broke up with his girlfriend. The attitudes of the two boys changed and they began making threats that his girlfriend was going to be shot.

And this is where the ‘head-shrinkers’ now come forth with their sadly late discovery that school shootings are a trickling-down to younger ages of sex patterns that lead men to stalk and kill their ex-wives and girlfriends.

But what happened is not just some mere happenstance, a so-called ‘trickling-down’, it’s a well planned, concentrated, evil conspiracy by the Mongol Jews to implant insanity into the heads of Christian children with their wicked, blasphemous Judeo-Christian interfaith crap. This implanting is assisted by the so-called ‘harmless drugs’ that have been approved by the school boards and administered to the students.

The Mongol Jews of Wall Street who own and control all the giant pharmaceutical corporations make billions of dollars from these school-prescribed drugs—but their pitch is, “Guns, Guns, we must do away with the Christians’ guns and give their children drugs to slow them down so they won’t kill each other.”

According to all the polls being huckstered on TV, Clinton and Monica’s ‘oral sex’ is the president’s own personal business—and his popularity soars.

Are these Washington, D.C. and Hollywood TV pollsters right when they claim these Christian mothers and fathers actually believe Willie is “doing the right thing” with his ‘oral sex’?

Was the direct cause of the Jonesboro killings a result of the 12-year-old girlfriend jilting her boyfriend because he was coming on too heavy with his demands for ‘oral sex’ like Willie and Monica ‘do it’.

Mitchell Johnson, one of the shooters, was attending numerous churches in Jonesboro regularly when he suddenly stopped going a few weeks before the shooting. Had Mitchell himself been suffering sexual molestation, a victim of rape that set him off?

The Christian mothers and fathers in Jonesboro, to protect their small children must investigate and verify if the below-listed churches and others preach the evil interfaith dialogue and faith connection, Judeo-Christian crap which subjects the small children to the vile Mongol Jew *Talmud* sex laws.

And also extremely important, are they preaching from the false, blasphemous, forged, ‘revised’ *Bibles* such as the Mongol Jews’ *New International Version* and the other ‘revised’ *Bibles* with their ridiculous fabricated claims that “Jews are God’s Chosen People”.

These phony ‘revised’ *Bibles* are anti-Christian and the parents who involve themselves and their children with this evil blasphemy are denying God and the Son of God.

These terrible killings that are taking place across America can strike anywhere, at any time, and will not stop until Christians put a stop to the Mongol Jew evil by exposing it to the light of day.

God is warning Christians it is time they put their

Faith back in God. *Acts 17:30*: In the past God overlooked such ignorance, but now He commands all people everywhere to repent. *17:31*: For He has set a day when He will judge the world with justice.

What God has said is loud and clear: All Christians must repent (change their ways). If they do not denounce the evil Mongol Jews he will no longer overlook their ignorance and the day is coming when they will be judged.

A federal judge, Susan Webber Wright just dismissed the Paula Jones case against President Willie Clinton.

Willie and all the Mongol Jews he has surrounded himself with in the White House scream in glee and proclaim a mighty victory.

The Great American Role Model has ‘done it again’ in the name of morals for America’s young people.

Across America, in the hallways of our schools the word is ‘Let’s do a Willie and Monica!’

All the TV announcers and newspaper editors from Washington, D.C. to Hollywood, California have gotten the word—got their orders from the rabbi to hit it hard: “Willie has been vindicated from scandal—the American people don’t want to hear it anymore.”

But that couldn’t be further from the truth—Judge Susan Wright’s so-called ‘decision’ struck the people like a giant sledge hammer, a thunderbolt; it has exposed the hidden terrible truth across the land that the people are not to be allowed their day in court.

This terrible frustration has festered into a great anger, it has caused people to commit acts that they would ordinarily never dream of doing. It is tearing up our country. Recourse to the courts and redress of grievances are the bases of our freedom and the

people are becoming aware that the Mongol Jews are denying us this right to ‘our day in court’ before an honest judge and true jury.

But Judge Susan Wright didn’t make that dismissal decision—James Carville, the insane, loudmouth Mongolian idiot who declared, quote, “War, this is War I say,” did it for her.

Don’t forget the thousands of FBI-ADL dossiers that Willie and Hillary got from Louie Freeh. And Carville’s investigation of Judge Wright where he learned she was a secret alcoholic, a Republican appointee, who had no business being on the bench. And why hasn’t Starr investigated all this ‘dossier’ blackmail files, and criminal intimidation of the federal judges and congressmen. What is in all these blackmail and intimidation dossiers and files that Senators Feinstein and Specter are bludgeoning Senators Hatch, Helms and Thompson, etc., etc., with.

Under federal rules Judge Wright had only one requirement, and that was to determine IF—and that is the big word, IF—IF what Paula Jones alleged in her complaint was true, would there be a violation of her constitutional rights under the Civil Rights Law.

Under this requirement there is only one way Judge Susan Wright could lawfully dismiss the case. And that is if the allegations were so outlandish and so coupled with physical and scientific impossibilities that obviously they could not be true. For example, if Paula had alleged that Willie was going to put her on a rocket and blast her off to the Moon and set up a sex pad where she would be kept captive and he would visit her for sex on the weekends. That obviously could not be true and the judge would be required to write an opinion to this effect.

In no manner is Judge Wright allowed to attempt to try the case nor try to determine if the allegations are true; that is strictly the jury’s duty to hear the evidence.

Yes, Wright wrote an opinion, and she attempted to emulate a situation as in the example above, by stressing that Clinton’s actions were merely boorish and offensive behavior; but that does not meet the requirements of the Federal Rules the judge must follow.

To aid Wright in the direction she was wanting to go, she had erred earlier by stripping Jones of a vital witness, Monica Lewinsky. Not because Lewinsky wasn’t a good witness but according to Wright it might prolong the trial if Lewinsky testified against Clinton. This was a flagrant, deliberate act by the judge to sabotage Jones by stripping the case of its necessary witnesses.

Again erring, Wright proceeded to tear into the evidence and rule on her own conclusion that Jones did not suffer sexual harassment under the Arkansas law. This is trying the case—which Wright cannot do. In her lawsuit, Paula Jones had wanted a jury trial, not a trial by the judge alone.

Having outrageously overstepped her authority and her jurisdiction, Wright proceeded to pull the rug out from under an American citizen and to deny Paula Jones her day in court, due process of law and determination by a jury.

This in no way was a vindication of Clinton, only more cover-up, aggravation and frustration for the American people.

Of course, Jones’ attorneys should file an appeal, cover all bases, even though a crooked circuit court could drag it out indefinitely if they wanted to. (Refer to *There’s a Fish in the Courthouse*, the Prologue—Re: major judicial corruption, pay-offs in the 8th Circuit by Judge Beam.)

But what Paula and her lawyers are now holding in their hands is far better than their appeal. They now have a brand new, beautiful case to file. A RICO case

that involves a sophisticated, criminal gangster organization against whom they can go back and allege the original violations. A physical criminal assault and battery and conspiracy to lure and transport by trick and device an innocent, unsuspecting woman to a hotel room where the clear, specific intent and purpose was to physically-sexually attack and exploit her.

For Judge Wright's edification, sexual assault and battery is a violation of Arkansas law. But Paula Jones' lawyers don't have to file in the 8th Circuit—they can file the RICO case in any Circuit they choose.

The RICO statute of limitation doesn't apply; Clinton's connecting pattern and custom of abusing his official power in the past to misuse women for sexual exploitation is well established beyond denial. And using government employees (police officers) in a conspiracy of procuring and pimping, followed by the subsequent obstruction of Justice, threats, payoffs, destruction of records and evidence, perjury, James Carville's insane intimidation and sick insults designed to destroy Paula Jones' future life. This is the 'low-life' category to which the Mongol Jews have relegated and consigned all White Christian Americans. And Judge Susan Wright says Paula doesn't have a case!!

Millions of Americans' rights to the 'due process of law' have been snuffed-out in this very manner.

Vehemently and passionately it is hoped that Paula Jones' lawyers choose to fight for her rights and file a RICO lawsuit immediately. This way Jones' lawyers would in effect be fighting and striking a blow for all Americans.

Extremely startling events that involve the very existence and survival of Caucasian Christian Americans are taking place.

President Willie, under the stress of trying to explain the Jonesboro and other school killings of Christian children, let slip his secret knowledge and verified that a 'Dark Force' exists.

Strong threads interlacing, bind these events together in one giant tapestry. Because of the events that have occurred the Mongol Jews can no longer conceal their monstrosity, the 'Dark Force' dedicated implacably to the persecution and the total destruction of Christ's faithful followers.

One of the greatest powers the 'Dark Force' has built up is their overwhelming control of all media. They have the machinery in place to swiftly bury and contain any evidence cropping up and to censor and

distort all subsequent reporting to keep Christians in total darkness as to the real truth.

For centuries in this very manner the Mongol Jews have torn up and rewritten the history of the world to fit it in with their imposter conspiracy. The history taught to Christian children in school is nothing more than a Mongol Jew Hollywood script.

Remember the great Mongol Jew Hollywood actor Dustin Hoffman's boast about how Hollywood's Mongol Jews made America and Americans! Now, we are right on the scene, we are going to get a severe lesson in the destruction of the historical truth as rewritten to fit the Mongol Jews' purpose.

Watch as their voracious evil unfolds. Observe these Mongol Jews' operation as they viciously trash and manipulate historical truth under their heel with sabotage, censorship, political chicanery and treachery. Slyly they interfere into every lawful and legitimate, ethical and professional procedure to destroy evidence and facts. They then rewrite the facts to falsely establish the Mongol Jews as Biblical personages (Judean Semites) and use this to build their political and financial colossus to empirical heights.

Their masquerade as Biblical people has been the Mongol Jews' most successful tactic since the century 700 AD when they were first converted to Judaism by the Pharisee priests.

Then in the late seventeen hundreds the Mongol Jews hit upon their biggest success. Their lies and forgeries in the 'revised bibles' they printed up clinched it when they fooled the Christians into believing the blasphemy that Jesus was a Jew and they were 'God's Chosen People'.

At this time we start off with the true facts of a recent event. In the summer of 1996, two years ago, two young men were wandering along the banks of the Columbia River in eastern Washington when they came upon a skeleton. Through analyses and examinations by eminent experts, the remains were found to be 9,300 years old.

The skeleton was given the name, Kennewick Man. I read one of the very first news articles on the subject. Not only was the skeleton found to be 9,300 years old but "experts" tossed in the astounding information that Kennewick Man may be a Caucasian, a White man.

But, there were problems, big problems. I wasn't the only one who had read the original article and understood the real picture of far-reaching legal

ramifications rearing its head along the banks of the Columbia River. What if the Indians had no claim or rights to the salmon fishing in the river—the fish belonged to the White man, the real Native American??? What about all the land treaties signed with the Indians???

If this was bad news for the Indians it was horrible news for the Mongol Jews. They had financed all the gambling casinos and hotels with billions of their dollars on reservation land that the Indians didn't even own.

Throughout the counties and cities of every state in America the Mongol Jews have planted their spies. Early every day these spies scan the newspapers, listen to talk shows and attend the Chamber of Commerce and Rotary meetings. Anything even faintly disturbing to the Mongol Jews is immediately faxed back to the ADL in New York where it is analyzed.

Thousands of rabid Jews are stationed at ADL headquarters in New York to receive all this 'intelligence data' pouring in from every nook and cranny in America. The big shot of this evil blackmail operation is a grubby, pot-bellied, miserable, treasonous rabbi named Abraham Foxman. One of the chief ADL spies in the Northwest is an idiot Mongol Jew who calls himself Wassmuth. Like all their area spies, Wassmuth has created myriads of Mongol Jew organizations in his assigned region, Washington and Oregon, to instigate vicious lies and propaganda. Constantly they stir their media and political persecutions of White Christians.

Wassmuth is the chief assistant of California's Mongol Jew Senators Feinstein and Boxer and Oregon's schizophrenic Senator Ron Wyden. Republican Senator Gordon Smith is nothing more than Wyden's flunky and puppet.

When Abie Foxman, ADL's spy chief deluxe received the high priority fax re: 'Kennewick Man' there was frenzy bordering on wild panic at ADL Headquarters. Foxman knew this was dynamite, it had to be defused, squashed, brought under their control immediately. Coded messages were dispatched, burning up the wires to every Mongol Jew Congressman, bureaucrat, news services, TV programmers and editors. Mongol Jew Secretary of Defense William Cohen was put on high alert at the Pentagon and Defense Department. Cohen ordered the Army Corps of Engineers to close down the skeleton's discovery site to archeologists. It could be a burial ground or the site of an old village which would further identify the existence of White people inhabitation of America long before the Indians.

Cohen confiscated and locked up Kennewick Man in a secured vault at Battelle Pacific Northwest National Laboratory where no White archeologists or DNA experts had access.

William Cohen then ordered the Army Corps of Engineers to bury the discovery site with thousands of tons of rock and dirt. This would destroy the site forever, to all future archeological and DNA study and examination.

All media information (after the original article had appeared) now deleted mention of any facts revealing Kennewick Man was possibly Caucasian and that White people may have inhabited America long before the Indians arrived.

The Mongol Jews had tightened up the noose, their propaganda and censor machine was in effect. Washington's U.S. Senator Slade Gorton took legislative steps to preserve the Kennewick Man site for further scientific study but the Army Corps of Engineers charged in to swiftly cover it up. Sen. Gorton was making loud noises about his efforts to preserve the area, quote, "Why the Corps is moving

so quickly to cover up this valuable site and arrogantly defy the legislative intentions of the U.S. Senate is beyond my comprehension.”

But Gorton is lying—he is aware of the whole story, he well knows the political power and evil of the Mongol Jews. Along with all the other Senators Gorton had wholeheartedly backed his Republican Senator buddy William Cohen’s affirmation to the position of Defense Secretary. This was in the face of the Senate’s knowledge that Cohen’s Mongol Jew machinations went clear back to his and Sen. Arlen Specter’s evil involvement in JFK’s assassination.

Emotions are running high as Caucasians, ‘White people’, have filed lawsuits to stop destruction of the site.

Indian groups are demanding the quick covering of the site, but members of a religious group want a complete study of the site and Kennewick Man. Michael T. Clinton, a Portland lawyer, representing a religious group, the Asatru Folk Assembly, stated: “The Corps decision to proceed with the project is outrageous; my clients have no doubt now that the Corps real intention is to destroy the site and bury whatever evidence remains under the shoreline.”

The heat generating on Defense Sec. Cohen has gotten so intense that the Mongol Jews are turning the decision of what to do with the skeleton over to the U.S. Dept. of Interior. The Interior Dept. under Bruce Babbitt is in charge of the 1990 Native American Graves Protection and Repatriation Act (NAGPRA) which has the power to turn the skeleton over to the Indians for burial without any examination.

To reverse and nullify the damage exposed by the original news article the editors (now, in their later articles) slip in misleading sentences such as: “Because the ethnicity of Kennewick Man is unknown we don’t know what his hair is like.”

Along with the religious group’s lawsuit there is a group of eight scientists who sued the Corps for the right to study the skeleton.

The scientists’ lawyer, Alan L. Schneider from Portland said: “Right now we are sort of scratching our heads and wondering what this transfer of authority is going to mean to us in a practical sense; it’s a puzzling move. Just procedurally, what will happen? The last thing we want to do is see this become another excuse for delay. Are we talking about another 18 months with no decision?”

But a coalition of five Northwest tribes welcome the switch to the Dept. of Interior. They want the skeleton turned over to them so they can quickly bury it without further examination.

The anthropologists have radio carbon tests of the skeleton that date back 9,300 years—this age far predates the Native American Indians. It is the oldest, most complete set of human remains ever found in the Northwest.

The NAGPRA Act has no provision that forbids scientific study of human remains to determine whether they are subject to the law or to whom they should go.

Now we begin to get even deeper into the evil machinations of the Mongol Jews to rewrite history. An American Indian, Armand Minthorn, who wants to bury the skeleton immediately, was recently appointed by Interior Secretary Bruce Babbitt to serve a six-year term on the seven-member NAGPRA Review Committee. The trail leads, like all trails do, directly to President Clinton’s door.

Babbitt, Clinton’s appointee, is tied into an enormous criminal investigation of fraud involving large political contributions of money from Indian tribes to the Democratic National Committee. This is for Interior Department approval of large gambling casinos and hotels on Indian land. Behind the scenes,

the Mongol Jews finance and control the gambling operations of the Indian casinos all over America. Billions of dollars are involved—and more yet is coming—as gambling in Nevada is being shifted to the new Indian casino/hotel concept.

The Mongol Jews do not like the strict laws and supervision of licenses by the Nevada state government. This is the reason the Mongol Jews are financially backing Aaron Russo for Governor of Nevada. If he won, he would put the final “kibosh” on Nevada’s unions, and employees who are far too highly paid to suit the Mongol Jews.

There is another sinister ramification involving Babbitt’s huge Arizona ranch and government land, ecology and environment. The Interior Department’s Bureau of Indian Affairs is mysteriously missing over 4 billion dollars from Indian trust funds that cannot be documented. And there is another Cohen in the wood-pile. Mongol Jew Edward Cohen, Interior Dept. Deputy Solicitor, is involved in the missing trust funds. He says he is “Out to find out what is missing and pay it.” But Cohen says nothing about exposing who stole the 4 billion dollars. But he goes on to say, “We’ll pay it”—what he means is We the taxpayers will pay it.

There is much more for the White people to seriously worry about concerning the real historical truth ever being written about ‘Kennewick Man’.

U.S. Magistrate John Jelderks, in charge of the lawsuits involving Kennewick Man, is a political appointee, not of Congress but of a single U.S. District Court Judge. And the infamous, treasonous Harry Pregerson is the most powerful Mongol Jew in the corrupt U.S. 9th Circuit Court of Appeals, controlling it for the last 50 years.

Totally, in a criminal violation of U.S. Federal Rules, Senators Slade Gorton, Robert Dole, Jesse Helms, Strom Thurmond, Orrin Hatch, Arlen Specter and the entire U.S. Senate, treasonously, without even the hint of a background check, slickly affirmed Harry Pregerson’s drug-smuggling-kingpin son, Dean, to the U.S. 9th Circuit District Court.

Dean Pregerson was appointed by the two vicious, harpie, Mongol Jew Senators, Dianne Feinstein and Barbara Boxer of California. Boxer’s daughter is married to Hillary’s brother!

The Mongol Jew devilry goes on and on—all the frenzied, fanatic Mexican female lawyers running around screaming Womens Rights and “La Raza—La Raza, the Mexicans own California, Texas, New Mexico and Arizona and we are going to take them back.” Like the Indians, the Mexicans claim ownership because they were here first. They got their law degrees from the taxpayer-owned state colleges through Affirmative Action and are trained in riot and revolution by the Mongol Jews’ so-called American Civil Liberties Union shysters to destruct America’s government.

But to hell with La Raza and the Mongol Jews’ ACLU—the Caucasians, the White people, inhabited America long before anybody ever heard of Mexicans, Latinos or Hispanics.

The Mongol Jews use the Indians the same as they use the Black people and Mexican people. They quickly saw that Indian gambling casinos and hotels were a fantastic money-making bonanza—available in every state in America, they would quickly chop Las Vegas and Reno down to size.

And the Mongol Jews’ corruption

would work much easier on Indian land where there was a lack of the county and state regulatory controls like Nevada’s strict laws. They could control all the 50 states’ Indian gambling much easier from their central office in Washington, D.C.

Even the Indians are aware of and admit the infiltration and sabotage of their tribal governments by the Mongol Jews. The sinister, evil murders, mysterious assassinations and replacement of their leaders and officials were merciless. The usurpation of the Indians’ tribal laws and lands had their beginnings at their Cabazon, California reservation.

The Mongol Jew area spies had set into motion a powerful conspiracy to suppress all scientific evidence and truth of the Columbia River skeleton discovery. The Mongol Jews, murderously desperate, are well aware that one White man alone, Kennewick Man, can destroy them.

The importance of the timing and connection of all these monumental events can easily be seen—it is not mere coincidence.

Those powerful lightning bolts striking from the Heavens were foretold in the Miracle of Fatima in 1917, eighty-one years ago. And we will see the great evils the Mongol Jews have exerted to destroy the Truth and rewrite world history so as to perpetuate their insane conspiracy.

In 1917 the Virgin Mary appeared to three shepherd girls near the town of Fatima, Portugal. She told the girls, “I have been sent by God with a message for every man, woman and child living in this century.”

World War I was raging in Europe at this time but Mary’s visit was well before the Bolshevik Revolution and her message foretold the killings of Russia’s Christians before it had started. Mary told the children that heaven would grant peace to all the world if her request for prayers, repentance and consecration were heard and obeyed.

Mary told the children that war is punishment for sin and warned that God would further castigate the world for its disobedience to His will by means of war, hunger and persecution of the Catholic Church, the Pope and Catholic faithful. She went on to say Russia would be God’s Chosen “instrument of

chastisement”.

Mary warned the children, “If my requests are not granted, Russia will spread its error (Mongol Jews) throughout the world, raising up wars and persecutions against the Church. The good will be martyred, the Holy Father will suffer much and various nations will be annihilated.”

The Virgin Mary told the children the Secrets of Fatima in three parts—the first two parts could be revealed immediately but the third part must be kept secret until certain things came to pass.

Parts of the message revealed that a great tragedy would befall all mankind in the second half of the 20th Century. Humanity would not progress as God wants it to. Mankind would become sacrilegious and trample underfoot the gifts it has received from God.

The Blessed Virgin specifically warned the Catholics that Satan (Mongol Jews) will succeed in infiltrating the highest positions of the Catholic Church. Cardinals will fight Cardinals and Bishops will fight Bishops. The Church will fall into darkness and the entire world will be plunged into confusion.

The Third Secret was to be revealed in 1960. But for 38 years the Mongol Jew infiltrators (just as Mary said at Fatima) of Catholic hierarchy in Rome have thwarted and sabotaged God’s message to the Faithful.

Because of the Mongol Jews’ evil devilry there is confusion, loss of Faith, serious drop in church attendance and rampant sexual scandals traced to 1960 when the Third Secret was not revealed as requested by God through the Virgin Mary. And to this day the Pope still refuses to reveal the Third Secret to the Faithful because it would expose the Mongol Jews’ conspiracy.

God has sent the world these Miracles, the truth of the genes that expose the true identity of the Mongol Jews for who they really are and from whence they come. (Which is from Russia, just as Mary’s message from God foretold.)

And the miracle of the discovery of Kennewick Man, which reveals that the White man may be the true Native American. And reveals how the Mongol Jews have exploited the American Indians for their own political power and fantastic financial gains they derive from the Indians’ gambling and hotels.

The discovery of Kennewick Man, possibly a White man, returns America to the *U.S. Constitution*, America’s Law of the Land.

Above all else at this critical time, all faithful Christians must take absolute heed of and obey God’s Word in *Acts 17:30-31*. God has warned, until now he has overlooked the Christians’ ignorance but, if they continue to ignore and sacrilegiously trample his gifts of Truth and Knowledge, God has set a day when he will judge the world with justice.

For Christians to continue to read the evilly blasphemous ‘revised bibles’ where the Mongol Jews falsely claim they are ‘God’s Chosen People’ and their wicked, contrived ‘faith connection’ wherein they call the Virgin Mary a whore and Jesus a Jew—is ignorance beyond salvation.

And for those who continue to deny God’s Word and ultimately suffer His wrath, there will be no tears shed.

By renouncing ignorance and understanding God’s Miracles, his Gifts of Knowledge, there will come an overwhelming resurgence of pride to the White Christians—a tide of revitalization of their belief and confidence in themselves and the knowledge that they have not been left out of God’s life because of the Mongol Jews’ lies that they are ‘God’s Chosen People’.

This does not mean that Christians are racial-supremacists, it is only a confirmation of their beliefs

that all people who believe in and obey the Word of God are God’s Chosen People!

For God said, “This is how we know who the children of God are and who the children of the Devil are; anyone who does not do what is right is not a child of God.”

How, for all these centuries could Christians, even in all their ignorance, have possibly believed that the evil, evil Mongol Jews were ‘God’s Chosen People’??

No wonder that God, even in all His patience, has finally commanded the Christians to repent (change their ways), and He said, “He who is not with Me is against Me.”

Now, to give thought to the *U.S. Constitution*. Many American school children have never even heard George Washington’s name mentioned in a school classroom, or been taught that he was General of the American Army during the American Revolution and America’s first President.

I quote Washington’s speech in 1788, two hundred and ten years ago: “There is more wickedness than ignorance mixed in our counsels. Ignorance and design are difficult to combat. Out of these proceed illiberal sentiments, improper jealousy and a train of evils, which often times in Republican governments must be sorely felt, before they can be removed. [We are not a Democratic government.]

“Ignorance being a fit soil for design to work in, tools are employed which a generous mind would disdain to use; and which nothing but time and their own puerile [indicative of a mental disorder] or wicked productions can show the efficacy and dangerous tendency of. I often think of our own situation and view it with the greatest concern.”

President Washington was looking at all the Mongol Jews swarming like locusts into America; he knew exactly what we were facing.

It is so obvious, glaring like a giant Hollywood moviescreen—a viewing of the Mongol Jews’ wicked lies, their evil rewriting of the world’s history has dumped them into a suicidal pit from which they have no way out.

God’s wrath upon the lying, murderous Mongol Jews has left them standing out in the open, naked—they don’t even have a religion. Everything was a lie. Their contrived ritual of Passover—they had based this on the story of the ancient Israelites delivery from slavery in Egypt. But the Mongol Jews were never even there, they weren’t within thousands of miles of Egypt at that time. They were in Mongolia.

There is total shallowness of their so-called Jewish religious rites.

Their rewriting of the world’s history, with the Mongol Jews wearing weird black coats and hats, running around throwing bread and cake into bonfires set in the streets of Jerusalem, is a reflection of their mentally-disordered writing.

During the weeklong holiday the Mongol Jews don’t eat any yeast products, no beer or bread—this comes from their fabrication, a childish lie that they left Egypt so fast that had no time to let their bread rise. Was everybody making bread at the same time and they had to leave their beer. They had to struggle like the Devil to make a religion out of all this crap.

Jack Sandler, a Mongol Jew from Canada, said he had timed his visit to Israel to be there for Passover. And get this baloney—Sandler says: “This is the source of our identity.” What’s Sandler talking about—his identity, but how could that be—his special colon-cancer genes identify him as a Mongol Jew from Mongolia.

Do all these Mongol Jews believe all of this crap—or do they just go along with it to keep up a false front, a cover? When looked at from the viewpoint of true history it is absolutely amazing how

they got this far with it. Simply, it is a combination of the Mongol Jews’ arrogant, brazen pushiness and the Christians’ ignorance.

What the Jews have worked up is just a crude cult under the guise of a religion to cover up their criminal operations of extortion, usury, blackmail, murder and assassination.

The Mongol Jews had cooked up a good story about Israel being their long lost homeland, a scam to steal all the Arab land—and here comes Yom Kippur, the Mongol Jews’ ‘Jewish Day of Atonement’. Yom means *day* in Hebrew, so again the Mongol Jews get themselves in big trouble with their lies. The imposter Mongol Jews who claim Israel is their homeland had never learned Hebrew, the language of the Biblical Judeans, until century 700 AD when they were converted to Judaism in Mongolia by a Judean Pharisee Priest.

The Mongol Jews must be returned to Mongolia, their real homeland, their roots. There they can practice all of their *Sanhedrins* and *Kethuboths* and any other evil they want, on each other.

Many years ago, the Mongol Jew shysters in the Justice Department, with their political and financial power in our Congress, set up a separate office within the Department—they called it the Office of Special Investigations.

The head Mongol Jew running this Special Office, Neal Sherbinsky, aka Sher, created special laws and judicial precedents whereby he could deport Germans, without a trial, to Germany.

Based on violations of the Germans’ original immigration records and documents wherein they had allegedly lied about specific facts they were summarily deported without further legal process.

Every Mongol Jew entering the U.S. since 1917 has perjurosely, with a criminal intent to harm America, violated these same Immigration Laws far more blatantly than any German. The so-called Holocaust the Mongol Jews continually whine and scream about can’t begin to compare with the heinous, bloody mass slaughter and murder of forty-to-fifty-or-more-million Christians murdered in Russia.

A Memorial Museum for the Christians must be built alongside of every Mongol Jew Holocaust Memorial built in America. The murders of Christians in Russia were committed by Mongol Jews who stole their property and then came to America and filed for citizenship.

Another separate office should be created in the Justice Dept., the Office of Special Investigations to investigate the immigration files of Mongol Jews involved in the Holocaust of Christians in Russia.

Neal Sher, the Head Mongol Jew set up his special agents in Germany who used Interpol to investigate hundreds of thousands of Germans and their relatives who came to America. The same must be done with Interpol in Russia to investigate the records of all the Mongol Jews’ families with relatives in America.

A Christian American, a foremost expert on Mongol Jew criminality (such as myself, whose qualifications far surpass those of Sher’s) must be appointed to run this Special Office.

The Mongol Jews’ evil is the greatest extortion scam ever worked on the world, the worst the world has ever known and suffered. Their monstrous scams such as rewriting the history of the world wherein they forged phony ‘revised’ *Bibles* and impersonate and masquerade as Biblical personages and God’s Chosen People must be stopped.

It can be stopped only by the Christians renouncing their ignorance and doing what is right—and God said, “He who is not with me is against me.” 

Germain: Overcome Those Fears And Have Some Fun!

5/1/98 VIOLINIO ST. GERMAIN

Good evening, my scribe. It is I, Violinio St. Germain, come as the Cohan (Teacher) of the Violet Ray of transmutation. Be at peace for there is “work” to be done.

Your planet and her population are crying out for change. This call of the heart is ALWAYS responded to by Creator Source. ALWAYS!

Note that I did *not* say the call from the “mouth”. It is the heart that God listens to—not the irrational thoughts and mouthings of self-proclaimed “righteous” hypocrites whose actions continuously contradict their words. You would each be wise to understand and know the difference, for I witness many who will be reading this and “think” that they are somehow better than their brothers because they have found Truth.

None are “better” than another. If you find Truth and still choose to DO nothing, then your actions would indicate that you are either not in understanding of the Truth, or you are afraid of it.

Do you effort to share what you have found with any and all who will see or hear? Often the excuse is given: “I don’t want others to view *me* as some sort of ‘new-age’ religious nut” or “I’m too old and nobody will listen” or “I’m too young and nobody will listen” or whatever. My, my, how silly you ones can get when it comes to justifying a “do nothing” position.

On the other hand, there are ones out there who do all that they are asked to do—and more. Many of these quiet and unseen ones make it possible for this type of work to go forth, day to day and week to week.

[Editor’s note: I (E.Y.) want to jump in here briefly and applaud the point Germain just made above. When we asked you for financial help, back in December, to allow the paper to continue, many of you quietly and most generously responded. The humility of the notes which accompanied your financial help spoke loud and clear for a prevailing intention to put ACTIONS well above rhetoric.

All of those funds have been put to very good use, by the way.

The first order of business was to upgrade some of the “machinery” of newspaper production, especially aging computers and related peripherals. For example, after all these years, we finally now have a computer printer which can spit-out the full master pages which, in turn, go to

the print shop to produce the newsprint pages you are now reading.

We used to have to “tile” two half-page master sheets together (which is a bit tedious and sometimes tricky) to produce each newspaper-size page. You readers with a sharp eye would have noticed that, in particular, vertical lines, say as part of a boxed-in news item that happens to fall about midway down the page, often took a small but abrupt “jog” to the left or right that gave away the “marrying” point between the pasting together of the two half-sheets of master-page paper. Also, headlines that sit near the middle of a page are not awkward to deal with now; this was a perennial problem with the bottom-most line of a typical Front Page headline.

Also, due to your generosity, we have been able to gift back to you these last several months of large-size papers which have, besides the “usual” unusual material, reprinted what may well be the most important historical investigations about how our world got into its present predicament—material long suppressed since the early 1920s when Henry Ford Senior first had the nerve to share his findings with the American people.

For those of you who have been actually reading and studying these ongoing presentations (rather than just skimming over them), the implications and clues to our present world condition are clear and stark, and would fill volumes of honest historical scholarship if and when such could be conducted.

But—all of these large papers have come with, literally, a hefty price of publication, not to mention many, many extra hours of work on the part of ALL of our tired little staff involved with the production process. Yet it has been worth every bit of the effort and expense, as this information circles the globe, again seeing the Light of day.

However, as a result of this effort, we again find ourselves running out of funds—as can be appreciated from the size of the paper over the last dozen or more issues. We thus humbly ask, again, for your financial help so that other long-suppressed Truth may also pour out upon a thirsting planet. Please help if you can. Time is short. Thanks!]

We of the Hosts of God are grateful for those of you whose ACTIONS are, indeed, consistent with both your heart and your tongue. These sorts of actions taken are what will provide you with the experience

necessary in order to help you to help us to provide the answers to all of those heartfelt petitions for assistance.

Suppose you are “nudged” (an inner sensation that seems to be urging you toward an action) to share with another your experience and you simply decide not to do so. Can you see that perhaps you have just limited We of the Hosts from working with and through you? Why do you ones hold back? At the heart of the answer will *always* be FEAR!

Most often it is a fear of “looking” the fool or “sounding” crazy or some such excuse. We, along with your personal Guides, are always efforting to get you ones to see and confront these seemingly small fears. Why? Because, in confronting and understanding the TRUE cause behind these fears, you will begin to experience greater and greater freedom, knowledge, and understanding of the true potential of YOUR being.

None is greater or lesser than another! You each have the potential to manifest (and radiate outward) the Christ Potential residing within you. It takes determination and a strong desire to face all of the self-imposed limitations (fears) that you hold onto as “absolutes”, though they really have no foundation in truth.

If you believe that no man (or woman) could possibly do the things that Christ (Esu “Jesus” Immanuel) did while incarnate upon your planet, then you have just limited yourself, and subsequently others, by your belief and subsequent thoughts.

If you were to truly look at WHY it is that you believe such a thing, you would, if you are honest with self, find that you have a FEAR that supports the lie. This is to say that, due to an earlier fear, such as a fear of public failure or of personal failing, you ones will subsequently hold to ideas brought forth by others, with like fears, that subsequently absolve you from the responsibility of accepting yourself and your potentials as they truly exist.

Your religions exploit this self-limiting inclination to a most paralyzing extent. They skillfully coerce you to place all important matters into the hands of a “professional” intermediary between you and Source. So much for PERSONAL responsibility!

You each have fears and subsequent erroneous beliefs that limit you in some way. Perhaps our greatest challenge, as Teachers and Guides, is to get you past these fears.

Next to your religious structures, your education system (especially so-called “higher” education) is full of ones who resist change, for if they find new truths and realities, then their self-perceived value is somehow lost. The result is a training of the masses that you should not argue or debate with the “educated” professionals. These “professionals” for the most part are bound by their fears of being somehow WRONG, and thus will effort toward a rigidly unchanging ideology because the embarrassment “suffered” otherwise would be unbearable.

This mindset is passed on from teacher to student, and filters down into society to the point where you have near complete “mind washing” (leading to mind control) of the masses. This is indeed the adversary exploiting the fear “buttons” that YOU create and hold onto. But such a posture cannot be longer sustained these days; the promise God made is that The Truth shall be KNOWN!

There is a great unrest in your world, for ones are sensing the growing desperation of the masses. You see, the inner (Higher Knowing) self of any Lighted being can endure just so much of “the lie” before rebelling. Thus ones all over the globe are becoming more and more restless—as if there is a foreboding feeling of change.

Change IS coming, and ones are being prepared by their Guides so that the experience can be of greatest value to those physically experiencing this change.

We are grateful for those of you who DO follow our “nudges” and take even the smallest of actions. You cannot always know the effect of even something as simple as a smile offered to a stranger. How would you know if that person was just asking God, in desperation, if he or she has any real value?

All you do is smile. But, perhaps that smile changes the life of the “stranger” that you just touched.

YOU are the miracle! If you do nothing, then you will most certainly have lost an opportunity to experience God’s love flowing with and through you.

The physical environment is about taking action. It is always wise to plan out reasonable courses of action, but do not be so rigid as to not allow for spontaneous action guided from the heart. You will find GREAT rewards flowing back to you in like manner. If nothing else, a little spontaneity would certainly cure your boredom! You will never find spontaneous people complaining about a lack of fun and excitement in their lives; that which they send out returns, multiplied, in kind.

All that I am asking is that you each be more open to our subtle attempt to communicate with and through you. Try to not be so inhibited in the spontaneity of life.

This is an important step to take in order to bring about change within self. When you can become an example to others as to the value of allowing Higher Energies to work with and through you, you will have begun the re-education of the masses by setting an example that most will want to follow and emulate.

Your world and your people will not be transformed “overnight”, but the relative rate of

change, in terms of your planet’s past evolutionary growth patterns, will be such as to cause society to advance forward “as in the twinkling of an eye”.

Your world is at the brink of a “new” reality. There is fast approaching a time when your world will no longer quibble over such trite subjects as, “Are we alone in the universe?”

Neither you nor any of your species have ever been alone—EVER! Your learned “brothers from afar” will be openly announcing their presence to your world, and along with their announcement will eventually come an acceptance of who they are, and their TRUE knowledge will be shared with you who are of Godly intent.

There will be the recognition of their Higher understanding, and this will also put an end to many religious and social debates, for these ones have integrated science and spiritual philosophy to the point that they are actually one and the same. Remember we have often stated, in these lessons, that God’s thinking is simple—not simplistic, but simple—and this is contradictory to the often bewilderingly complex explanations of your so-called “learned” professional theologians and scientists.

There will be a brief time of confusion as ones effort to come to grips with the “lies” that they have not only held onto, but have actually worshiped. Some will literally, physically, succumb to their fears; others will fight to hold-on to the past. But most of you who are inclined to read and resonate with this type of message will actually welcome the “relief” and embrace the exhilaration that comes from the resolution of longstanding riddles.

So much of your TRUE planetary history and culture has been hidden from you—the people by the dark-intentioned, so-called “elite” would-be controllers, that these revelations alone will cause most all of you some degree of surprise—one way or the other!

While the charge of positive emotional energy will be growing, there will also be a great shifting of the “tensions” of the planet. However, there will also be a step-up of manmade tamperings to try to get you ones convinced that these planetary “visitors” mean you-the-people harm. The desperate “elite” controllers, who have been your behind-the-scenes masters for so long now, do not wish to give up their control and perceived positions of power. They are, and will become, more and more determined to hold onto *their* “reality”, especially as they have trained you-the-masses to believe.

Eventually, after great “catastrophe”, these manipulators will only succeed at exposing themselves for who they really are. (They know—but always try to deny—that God wins in the end.) After this “awakening” to Truth, the world will hold these dark ones accountable for their crimes against humanity and they will be removed from any position through which they could further hurt themselves or others.

You can best prepare for what is coming by learning to recognize and utilize ALL of the natural Inner Resources available to you. Seek first knowledge and understanding. Allow

for the experiences to manifest around you that will serve as clues that you are on the right path. This can be a most fun experience if you allow for the surprises along the way and respond spontaneously.

When you find yourself frightened or in doubt, ask inwardly for Guidance, calm the fear by asking for the protective White Light (the sum total of all the spectral rays—The Light of God) to surround you, and bring self back into a balanced state of reasoning and inner peace.

MOST IMPORTANTLY: allow the experience to serve as a notice to you that you have a challenge that needs to be faced. This is to say that you would be wise to find the *cause* of your fear and to understand the effects it has upon you. In doing so, you will be clearing the mental and emotional “garbage” from your mental and emotional energy fields. This, in turn, will lead to a higher-frequency state of operation for you, and thus a greater ability to connect with Higher Source and to progress more fluently along the immensely rewarding path of inner growth.

We (your personal Guides and we of the Hosts of God) will assist those who petition honestly with the heart and whose actions reflect the heart. Always remember: the (honest) call compels the answer!

If it appears that you are not getting the “help” you want, then it would be wise to evaluate for yourself your inner world and that which you “think” versus that which you feel. Inner anxiety signifies a conflict between your Higher Knowing self and the ego (reactionary survival) self.

Give no power to the ego, and your conflict will subside. From that point of strength-in-peace, you will know a greater clarity from which to evaluate what is appropriate for self.

You *never* walk alone along the many pathways of life (Light). If you perceive that you are alone, then it is by YOUR choice that you have ignored your inner connection to everything, everywhere.

Accept who you are and accept the responsibility of maintaining a conscious connection to your Higher Guidance. Together we (both you in the physical, and we in the nonphysical) can create the “miracles” that will transform you and your world into the radiant beacon that she and you are destined to be.

I am Violinio St. Germain—Teacher, Guide, and Elder Brother, in service to OUR Creator that I may have the opportunity to bring forth a portion of His Light (Love) through to your world that cries out for answers.

May you hear those answers when they are given. And may you act upon them, not from a state of fear, but from a state of KNOWING who you *really* are.

This is where the fun begins! Salu.

The World's Foremost Problem

Editor's note: This is a continuation of material from Henry Ford Senior's The Dearborn Independent. This was a series of articles therein which spanned the time period from May 2, 1920 to May 1922. Part 1 of this series began in the 2/17/98 issue of CONTACT.

It should come as no surprise to the serious student of world history that Mr. Ford's material was buried as quickly as it could be, and Mr. Ford faced much in the way of persecution for spending the time, effort, and money required to conduct first-class research of the truth behind so many historical lies.

[QUOTING, Part 81, GLOBAL PARASITES:]

**JEW'S ARE SILENT,
THE NATIONAL VOICE IS
HEARD**

By order of Louis Marshall, the American Jewish Committee and the B'nai B'rith, American Jewry has muffled the calculated furioso of its out-cry, and contents itself now with occasional yelps. No longer do the syndicated sermons of the rabbis take their course across the country, saying the same old untrue things in the same old insincere way. No longer do editorial echoes spew vilification across pages supported by advertising blackmail levied upon the community. The outcry has ceased. Suddenly, on order, orderly as a regiment on parade, American Jewry has been

turned from a termagant in action to a silent mystery. A most impressive illustration of the inner control exercised by Jewish leaders.

The psychology of it all, of course, is false. Jewry decided that it was the attention which it paid to *The Dearborn Independent* which gave these articles vogue. The leaders asserted, indeed, that had the Jews of the United States paid no attention, no one would have known that they were under scrutiny. It is a rather flattering criticism to lay upon their inability to meet the situation, but it lacks the merit of being true.

The Jews of the United States issued the order of silence, not out of wisdom but out of fear. And not out of fear of injustice, but out of fear of the truth. As soon as *The Dearborn Independent* issued its first articles on the New York Kehillah (and only the outer edges of the facts concerning that institution have as yet been set forth) it became evident to Jewish leaders that something had to be done. They did not challenge a public investigation; rather they used discretion, refused to answer even the questions of local reporters, made absurdly untrue denials, and gave every evidence of panic. Thereafter their safest course was silence.

Not that they are inactive. Fearing a sudden investigation by the authorities, the New York Kehillah has grown extremely busy and has doubled the guards all round. Why?

The reason is that *there is a resolution in the United States Senate which points directly at the New York Kehillah.*

Prominent Jews have invaded Washington on one pretext or another, but only to turn their influence against that resolution. Why?

The reason is that that resolution provides for an investigation by a Senate Committee into certain matters which have already been set forth in *The Dearborn Independent*.

Senate Resolution No. 60, introduced by Senator George H. Moses, of New Hampshire, provides that the Amalgamated Clothing Workers (a Jewish Bolshevik organization that is the feeder of Red activity throughout this country) be thoroughly investigated. In the official language of the Resolution: "...the

purposes, objects, methods and tactics of the Amalgamated Clothing Workers of America and its relations, if any, with other political organizations And quasi-political groups, and to make a report to the Senate of such findings."

Why has the New York Kehillah closed the portholes and called in help—"Gentile", by the way—to face a possible storm?

Why have the most prominent Jews in the United States hurried to Washington to hold conferences with Senators, their object being to bring pressure to bear against the Resolution?

Why should the American Jewish Committee, or members of it, why should Jewish clothing manufacturers who are the principal sufferers from the Amalgamated, why should Jewish members of the Baruch "war government" go to Washington to interfere with a proposed investigation? Why?

Because such an investigation of the Amalgamated, honestly conducted, would lead straight through to the New York Kehillah and the American Jewish Committee and would rip the Jewish program in the United States clean open to the public gaze—if honestly conducted.

Next to stopping the investigation, the Jews will try to control it. That is really the greater danger. The country does not need the investigation to get the facts. Most of the facts can be given now. The country does need an investigation that will give the facts a governmental exposure. But a pro-Jewish investigation, an investigation conducted by elective office-holders who quake under "the fear of the Jews", would simply be an additional crime.

If the Jews lose their fight to kill the resolution, they have already started on their plans to control the initiative of, divert the course of, and defeat the purpose of the investigation.

If, therefore, the Jews are silent, they are not inactive.

But, the gain has been general. For instance, the country has been given quiet and leisure to hear what the non-Jews think. During the Jewish clamor, which was nothing more nor less than an attempt to stampede the public opinion of the United States, it was impossible to hear the voice of the people. Ministers who poured adulation upon the Jews were reported in the Press; but ministers who seriously handled the Jewish Question were not reported. Publications which could be induced to act as Judah's mouthpieces, were worked to the limit; publications which desired to preserve the value of their opinions, did not join the general hue and cry. In the succeeding lull, the still, small voice of American conviction, both Jewish and non-Jewish, began to be heard.

In public propaganda, after having felt it inadvisable to print any more telegraphic news from Palestine, because even the Jews could no longer juggle the truth, the spotlight was turned on Russia, and now the newspapers are filled with headlines intended to prepare the public for a new exodus when the Russian people awake to take back their land from the Jewish usurpers.

We are told that 6,000,000 [H: an interesting number.] Jews in Russia are in danger of violence. It is true. Much truer than the miles of telegraphic lies which have been printed about alleged "pogroms" in Russia and adjacent countries. *The Dearborn Independent* knows

that in Eastern Europe the Jew has not been persecuted, but has consistently acted as persecutor. The proof of it is in the Jew's ability to flee; they have taken all the wealth of the people of those countries. Poles cannot flee, Rumanians cannot flee, Russians cannot flee; but after having squeezed the life out of those nations the Jews see the dark clouds of justice rolling toward them, and they are able to flee, filling the ships of the sea with their hosts. In fact, their desertion of the Jew-spoiled countries of Europe is as precipitate as was their desertion of Woodrow Wilson and the Democratic Party last autumn—Barney Baruch ostentatiously staying behind to cover, if possible, the shamefulness of it. When the Jew has fried the fat and skimmed the cream, he's off. Gratitude and loyalty mean nothing to his people. They are persecutors in Poland. They are persecutors in Russia. They are persecutors in Palestine. They were the arch religious persecutors of history, as the best historians testify. They will be persecutors here as soon as they think they can start it. It is possible, however, that in the United States their anti-social career will be rolled back upon itself.

American magazines have begun to pay attention to the Jewish Question. It is a good sign. Even magazines cannot long ignore what all the people know. It is a good sign of the degree of freedom the Press still enjoys.

It is true, of course, that this freedom is not very great; indeed, not so great as it was a few years ago. But in so far as the Press is American it is impossible for Americans to think it will consent to be permanently gagged even by the Jews. There have been, it is true, some rather sad instances of editorial weakness. We know that of two oldest publishing firms, both of New York, one of them published a most scurrilous Jewish defense by a non-Jewish socialist who, if he has not deliberately lied, has shown too dark an ignorance of facts to command the confidence of a great publishing firm; and we know that that publication was made with a view to the value of the publisher's imprint and that Jews would undertake to buy tens of thousands of copies for gratuitous circulation.

Of the other old New York firm it is known that an American diplomat was advised if not compelled by it to eliminate from his forthcoming book nearly one-third of its material because it dealt in an honest, straightforward American way with what this diplomat had seen with his own eyes of the development of the Jewish subjugation of Russia. Had this diplomat been dealing with his own *opinions* about the Jews or Russia, it

might have been different; but he dealt with his official observations on the spot—*observations* literally invaluable to history. But this New York firm dared not, even in the interest of history, print the truth.

The experience of G. P. Putnam's Sons, of New York, is familiar to students of the Question in recent months. The name of this firm is used because it has already appeared in public print with regard to a controversy it had with the American Jewish Committee.

The psychology of it all, of course, is false. Jewry decided that it was the attention which it paid to *The Dearborn Independent* which gave these articles vogue. The leaders asserted, indeed, that had the Jews of the United States paid no attention, no one would have known that they were under scrutiny. It is a rather flattering criticism to lay upon their inability to meet the situation, but it lacks the merit of being true.

They did not challenge a public investigation; rather they used discretion, refused to answer even the questions of local reporters, made absurdly untrue denials, and gave every evidence of panic. Thereafter their safest course was silence.

The Putnams, acting on the ancient and honorable principle of the freedom of the Press, nay more, the duty of the Press to inform the people, reprinted last year "The Cause of World Unrest", which had first appeared as a series of articles in the London *Morning Post* and was later put into book form by the publishing house of Grant Richards, London. Both the newspaper and the publishing house are of the highest respectability and standing, as was also the house of Eyre and Spottiswoode which brought out the *Protocols*. Major George Haven Putnam, head of the firm of G. P. Putnam's Sons, is an American, a fair man, a careful publisher, and one who would not stoop to propagate a lie for any wealth.

This is not a defense of *The Cause of World Unrest*. In the main the book is true. But it is not the result of original research. It does not make those small but important discriminations on which the Jews always rely to lead the people astray. It too often links in the downfall of Jewry those things which shall stand independently and gloriously when freed of their present insidious Jewish connections. On the whole, however, it maintains a correct view of world affairs. But it was not a book on which the Putnams could feel obliged to make a final stand, except as regards their right to print it.

However, a proper understanding of the book called for the *Protocols*, to which the book made frequent reference. So, like serviceable publishers, the Putnams announced that the *Protocols* would follow.

Whereupon the American Jewish Committee—which means Louis Marshall—got busy, and an interesting correspondence ensued. It is included in the report of the American Jewish Committee for 1921. Throughout the correspondence Louis Marshall was the dictator, but Major Putnam's position and statement of principles were correctly maintained. However, there were personal conferences which are not reported in the American Jewish Committee's report and there were Jews crowded into those personal conferences whose names do not appear in the correspondence, and there were fists banged on the table and loud threats—"boycott", of course—and altogether a rather typical scene enacted. The upshot of that passage was that, upon Major Putnam discovering that the Boston house of Small, Maynard & Company had published the *Protocols*, he decided that there was no call for his firm to do so. And now, in a letter to these same people, G. P. Putnam's Sons has decided to discontinue supplying copies of *The Cause of World Unrest* to the book trade.

It is a rather interesting story.

In Britain, of course, publications of the highest standing like *Blackwood's* and the *Nineteenth Century Review* can publish articles on the Jewish Question without regard to dictatorial Jewish attempts at control of the Press. In this country, however, the spies of Jewry are on the alert for every printed letter and syllable, and attempt to make editors feel uncomfortable, as if they were the instigators of pogroms, whenever they present an intelligent view of the question. Yet editors have not been able entirely to ignore it.

The reader is rather impressed with one quality common to all the articles that have been written, namely, the facts used are always those that have been given in *The Dearborn Independent*. Not that they necessarily have been copied from this magazine, but the facts are so well established that anyone who attempts even to "defend" the Jews must necessarily appeal to the same facts. Thus in New York and the Real Jew, by Rollin Lynde Hartt, in the New York *Independent* for June 25, 1921, this is illustrated. It is pure Jewish publicity, but it must use the facts that have been used in this series. It must use them in order to extol the Jews. Mr. Hartt is not to be considered as a contributor to the Question; the article is mentioned merely as indicating what the American magazine editor is up against—and perhaps it is not quite fair to be hard on the editor of the New York *Independent* just at this time. The one flash of value in the entire article is this paragraph:

Ambassador Page, then editor of the *Atlantic*, once remarked to me, "*The most interesting fellow in America is the Jew*, but don't write about Jews; without intending it, you may precipitate the calamity America should be most anxious to prevent—I mean 'Jew-baiting'."

That is a strange assertion. The Jews must not be written about. To write about them, even with good intent, may bring evil upon them. Not only a strange assertion, but a strange situation. To mention the Jew has always been dangerous to the non-Jew; but why also dangerous to the Jew? The Jewish explanation of anti-Semitism, that it is in the blood of the other races, that the moment they see a Jew they hate him, cannot be defended. Most non-Jews can testify that it is untrue of them. But it is a most amazing condition if even a mention of Jews arouses this feeling. Why should it?

However, the statement is of doubtful fact-value. The Jew himself should be the first to protest against having to go concealed all his days. He should welcome the use of his definite racial name, and he should not demand that it always be used in laudatory connections. A Jew should not be a Jew when he is elected to the United States Senate, and a "Russian" or a "Pole" when he is caught bootlegging. He should take the luck of life with the other races, and this would come to him without discrimination if he did not first arouse the spirit of discrimination by insisting on discrimination in his own favor.

It is probably much nearer the truth to say that publicity is a preventive of "Jew-Baiting". People should not be confined in a condition which makes the use of the word "Jew" unusual. It should attract no more attention than does the use of any other racial name.

Mr. Page was, before his ambassadorial days, an editor of the *Atlantic Monthly*, a magazine which is an integral part of American life. To read the *Atlantic* is a certificate of character. It is one of the few publications that preserve the American spirit in literature. It is still worthy of the glory of the group that first made its name known wherever good thought expressed in good writing is appreciated. The *Atlantic* is not in need of this appraisal; it is too well established in the regard of the class of minds that give color and sinew to our intellectual life. In Mr. Page's day the *Atlantic* may never have touched the Jewish Question with even so much as the tip of a discreet pen.

Nevertheless the *Atlantic* has in more recent years done its duty toward this as toward other questions. As far back as 1917, and that is very far back in view of the crowded years between, this old Boston magazine contained an article relating to the Jewish Question. The fact that the article was written by a Jew does not militate against it, but rather adds to its value. It contained valuable suggestions which the New York Kehillah and the American Jewish Committee might well devote the remaining years of their activity to disseminating and actualizing among the Jews of this country. Even today its counsel would save them from much of the folly which marks their attempts to combat what they call "persecution", and which is nothing but rather plain and charitable truth-telling.

This year the *Atlantic* has contained three articles of value on the Jewish Question. The first was by Professor Clay upon the situation in Palestine. Now, Professor Clay is not an anti-Semite, and certainly the *Atlantic* is not, and yet the article was received with a good deal of abuse from Jewish quarters. It told

nothing but the truth, and it was rather pertinent truth too, which intelligent Jews doubtless welcomed. Professor Clay knew what he was writing about and his conclusions are not challenged by any authority on the subject.

In the May *Atlantic*, Ralph Philip Boas, who is understood to be of Jewish descent, wrote an article on "Jew-Baiting in America". He speaks rather disdainfully of publications which have endeavored to air the Jewish Question, but after having thus paid his tax to the Jews' prejudice, he proceeds in commendable fashion to contribute his thoughts on the matter. On the whole what he says is true, and the facts he

The Russian Jews won, as they have always won, for they are the originators and corruptors of the false political Zionism which is leading so many Jews to disappointment and distress.

uses as his foundation are of course the facts with which *The Dearborn Independent* has made its readers familiar. He sets up his straw man of "Anti-Semitism" and after having valiantly destroyed it, to the applause of all of us, he gets down to serious business, and says some things which all could hope would pierce the Jewish consciousness to its innermost stronghold and set up new vibrations there.

And in the July *Atlantic*, Paul Scott Mowrer, Paris representative of the *Chicago Daily News*, has an article on "The Assimilation of Israel". Mr. Mowrer has won the respect of students of world affairs by the conscientious ability with which he has observed and reported big events in Europe. In his news reports he has not hesitated, when the facts justified it, to cable a story of Jewish participation in this or that movement. It was reported at one time that an attempt on his job has been made by certain Jewish influences, and it is certain that sections of the Jewish press bitterly attacked him. Yet Mr. Mowrer is probably no more interested in the Jewish Question than the many other big problems which have come within his journalistic ken, and it would be extremely unfair to regard him as in any way a propagandist for anything.

Mr. Mowrer talks about Israel when, of course, he means Judah. There is a deep distinction there. And he talks also about assimilation, which the Jew will not admit as a solution. He protects himself fore and aft by attacking the "anti-Semites", whoever they are, and by expressing his confidence in the Jews, but on all the decks of his article he gives the facts—and they are the same facts. It ought to be pretty well settled by this time that there are facts, not two sets of facts, but only one set of facts, concerning Jewish influence and activity.

The *World's Work* has taken the liberty of setting before the people the only real anti-Jewish article that has appeared in the United States since the present discussion of the Question began, and that article was written by Henry Morgenthau, a Jew whom the government is accustomed to honor whenever it would pay a compliment to the Jews. It turns out that he attacks Jewry in its most tender spot—Zionism. Most people have read it, for it was immediately turned into propaganda and

published in hosts of newspapers, in many of them as first-column, first-page news. Mr. Morgenthau said that Zionism was not a solution but a surrender. He attacks the whole Palestinian plan from every angle, and not only attacks but belittles it.

Of course, this is very interesting. But one doesn't understand the heat displayed. If the Jews wish to go back to Palestine, why all this objection? Mr. Morgenthau does not wish to go back, it is true; it is extremely difficult to find a Jew who does want to go back; but to desire a national land for the Jews is quite another thing, and most Jews desire that. The pity is that they carry into Palestine the same method which puts them upon question here, and they are in danger of tipping over the apple cart in their imperious disregard of the rights of men in Palestine.

Mr. Morgenthau's motive in writing the article must remain a mystery, because it would seem to leave him practically outside of American Jewry, and of course he is not outside. Not at all. Watch and see. His article was printed in a magazine read and supported by non-Jews and was intended for non-Jews; it was not a plea to his people, it was a kind of confidential explanation, whispered from behind the hand, to non-Jews.

Mr. Morgenthau knows that Zionism is the core of Jewry in this country. The Zionists rule. The Zionists, and not the Americans, dictate the policy of American Jewry. The Zionist program was the only program that went unaltered through the Peace Conference at Versailles. Zionism is the heart of Jewish aspiration. "Not of American Jews," Mr. Morgenthau may retort. But who are the American Jews? Inquire of the recent convention of Zionists at Cleveland for information.

That convention is worth a story by itself, but it explains why the *World's Work* stopped its press for the July issue and made an insertion of eight extra pages for the accommodation of Mr. Morgenthau's article. The Jews who call themselves Americans had been thrown down and out by the Cleveland convention, and Russian Jews proved themselves the stronger.

It was an event that called for quick explanation. The humiliation of the Americans was something to be covered as speedily as possible. Why the *World's Work* should have been chosen as the vehicle is not known. But the presses were stopped and the Morgenthau backfire started.

Mr. Morgenthau's article as a Jewish pronouncement is negligible, but the Editors Note that preceded it has the value of unbiased testimony. Referring to the world organization of Zionists, whose chief officer stepped over here from Europe and simply slammed the American Jewish leaders out of office, the editor of the *World's Work* has this to say:

"This world organization has a highly centralized form of government. This consists of an international committee, including representatives from all countries that have a local organization. But the real control is vested in what is known as the 'Inner Actions Council'. This is a compact

body of only seven men and it is dominated by the Jews of Europe."

The "Jews of Europe" might be still more definitely described as the "Jews of Russia".

And "Dr. Chaim Weizmann, from London" might more accurately be described as from Pinsk, Russia.

The Russian Jews won, as they have always won, for they are the originators and corruptors of the false political Zionism which is leading so many Jews to disappointment and distress.

The point in all this is that in the silence of the Jewish regimented protest, the voice of the country has had a chance to be heard. The religious press has not been mentioned here, for it deserves a separate account, nor have the many newspapers which have reacted from the previously imposed burden of Jewish propaganda. Editorial speech is becoming freer. Jews themselves are coming to see that the call is not for abuse, but for a clean-up. The expression of the press of the country indicates that there is a Jewish Question and that the Jews used the worst possible tactics in trying to suppress the knowledge of it. They behaved in a way to show what bad masters they would be if given the chance, and what essential cowardice controls their actions. One by one the holds they gained by force of fear, are being loosened. And if the Jews would lay up capital on which to draw—the capital of public confidence in their desire to do the right thing—they would go around and loosen the holds they still have. This, however, is not expected of them. It requires too much foresight.

[QUOTING, Part 82, *GLOBAL PARASITES*.:]

WHAT JEWS ATTEMPTED WHERE THEY HAD POWER

The time of the year has come when Christians implore the tolerance of Jews while Christmas is being celebrated. If the Jew will only permit the Christians to celebrate Christmas in their schools, their homes, their churches—in their city squares and country villages—there will be more disposition on the part of the public to believe the Jewish boasts of tolerance.

It is not yet announced whether the Jews will give their permission or not. But that there are inquiries being made into the matter is

indicated by this article in the *Brooklyn Eagle*, of October 31:

"Canon William Sheafe Chase today made public a letter he has sent to the secretary of the Board of Education asking for a copy of rules and regulations which, he alleged, forbid the telling of a Christ story at Christmas time in the public schools. Canon Chase said that the attention of the Federation of Churches has been called to a statement of a kindergarten teacher who last year said she had told such a story and had been notified that 'she will be removed from her position if she repeats such an exercise this Christmas.'

"He said that the Supreme Court of the United States has said that this is a

This is a variation of the Christmas theme. Instead of looking forward to Christmas, it is a spirit of inquiry as to how far we can go at Christmas. We are asking whether we dare, as Christians in a Christian land, whisper the Name that gives Christmas its meaning. That is, the Christians are doing the Christmas asking early this year. Christian teachers want to know if they will be discharged if they give their classes a bit of Christmas flavor, as all our teachers gave us when we were young. The contrast between the schools which we of the mature generation attended when we were young, and the schools of today whose pupils are carefully screened from the fact that Christmas celebrates Christ, is such a contrast as ought to give mature Americans a pause.

But, if past experience be the standard of judgment, the appeal to Jewish tolerance in New York will be futile. If Christians do not take their rights, it is certain the Jews will never grant them. It would be un-Jewish to do so; and the ceaseless cry of the leaders is, "Be Jewish"!

Any number of instances could be cited of the whip which Jewish leaders crack across the educational and political systems of the City of New York, but one or two must serve for the present.

Christian country and 'the courts in the State of New York have said that Christianity is the common law of our land.'" Dr. Chase added:

"This government has treated the Hebrew more generously than any other nation in the world. I believe that the people generally, Hebrew as well as Christian, are very glad to enter into the spirit of Christmas time. Any attempt, therefore, to eliminate Christ from the hymns of our country, from the reading books, and from the religious holidays of the Christian people, I believe, is not instigated by the Hebrews as a whole, but by certain misguided leaders of Jewish religion."

This is a variation of the Christmas theme. Instead of looking forward to Christmas, it is a spirit of inquiry as to how far we can go at Christmas. We are asking whether we dare, as Christians in a Christian land, whisper the Name that gives Christmas its meaning. That is, the Christians are doing the Christmas asking early

this year. Christian teachers want to know if they will be discharged if they give their classes a bit of Christmas flavor, as all our teachers gave us when we were young. The contrast between the schools which we of the mature generation attended when we were young, and the schools of today whose pupils are carefully screened from the fact that Christmas celebrates Christ, is such a contrast as ought to give mature Americans a pause.

Any number of instances could be cited of the whip which Jewish leaders crack across the educational and political systems of the City of New York, but one or two must serve for the present.

The first case to be considered is that of Rev. William Carter, D.D., given in *Who's Who in America* as pastor of the Throop Avenue Presbyterian Church, Brooklyn; author of *The Gate of Janus*, an epic story of the War; also of *Milton and His Masterpiece* and *Studies in the Pentateuch*. He is an extensive traveler and a lecturer of reputation, his specialty being history and literature. At an important Y.M.C.A. center he has lectured for thirty consecutive weeks a year on "Current Events", which course was so successful that he was asked by the New York Board of Education to start a similar one at the Erasmus High School. For ten years he

has been engaged by the New York Board of Education as special lecturer in the popular evening extension courses.

The course Dr. Carter undertook was badly run down, but in six weeks the regular audience had been increased from 35 to 350. The plan of the lectures was to discuss a major topic selected by the Board, a second period was devoted to the discussion of current events, and a third period to questions from the audience.

Now it happened that for the week of November 15, 1920—just a year ago—the topic selected by the Board of Education was "The Racial Origins of the American People", a study of immigration. That is to say, Dr. Carter was asked to study that matter and discuss it publicly before his weekly lecture audience at Erasmus School. He did so, taking time to make a serious investigation of all phases of the subject.

He showed that just before the war—thirty days before the war—the highest peak of immigration was reached; the year ending June 30, 1914, having seen 1,403,000 aliens enter this country. Analyzing this great flood, he

showed that whereas six per cent came from Great Britain and two per cent came from Scandinavian countries, over ten per cent were Jews. The doctor's subject was "The Racial Origins of the American People".

Again, on the subject, "What Has Immigration Done for America?"—this subject also scheduled by the Board of Education—Dr. Carter showed that some parts of Europe had given their worst instead of their best, and stated that the lowest percentage of immigration came from the best developed and most desirable countries, while the largest percentage came from the least desirable. For example, he differentiated between the desirable Italians and those who form the material for Black Hand [*Mafia*] activities. Speaking of Russia and Austro-Hungary, he made a reference to the Jews.

But Dr. Carter made a mistake—perhaps two. It is always difficult to tell just where the line falls between fear of giving offense and fear of being unfair. In any event, Dr. Carter gave every evidence of, let us say, fear of being unfair. But it is fear, and a Jew scents fear a long way; the man who fears even though he fears to be unfair is already marked by the Jew who may happen to be stationed to watch him.

So Dr. Carter, to avoid giving offense by this part of his lecture, did the usual thing which has always drawn sneers from the Jewish press; he began to pay compliments to the Jews on their good points. He spoke of their contributions to Art, Science, and Philosophy; to Statesmanship, Religion, and Philanthropy. He lauded their distinguished men by name, such as Disraeli, Rubinstein, Schiff, Kahn, even Rabbi Wise! He referred to his pride in counting many Jews among his personal friends. With all respect to Dr. Carter, it was the same old stuff usually handed out in such circumstances. Madison C. Peters made it unjustly famous, and American clergymen have been spouting it ever since.

If Dr. Carter will study the alleged contributions of the Jews to the Arts and Sciences, study this as carefully as he did the immigration theme, he may omit the praises from future lectures. And he may also revise his list of great Jews. But that is neither here nor there.

"As we have found bad elements in these other peoples," said Dr. Carter in this portion of his lecture, "so they are to be found in the Jew, and as the majority of these 143,000 Jews who came here the year before the war were from Russia, or Russian countries, let us not forget that the Jews themselves admit the Russian Jew is the worst of his race."

Apparently the audience remained unshocked. The question period came round and two Jews, a woman and a man asked the lecturer why he had picked out the Russian Jew in particular for criticism. Dr. Carter replied that he had only given the evidence of the Jews themselves, that he was merely quoting what the Jews themselves had alleged time and again to explain certain matters. He added that the statement was universally accepted except by some who came from Russia.

A few days afterward the Board of Education sent word to Dr. Carter that complaints had been received against him for

certain statements against the Jews, and calling upon him to explain. Dr. Carter is said to have replied that as only two Jews out of 400 people had objected at the lecture, he regarded that as evidence that the proprieties had not been violated.

Within a week, however, a more insistent communication was sent out by the Board of Education, stating that more letters of complaint had been received and citing Dr. Carter to meet his accusers at a special meeting of investigation.

Now begins as strange a proceeding as American people may hope to see in this land of the free. It is really not as rare as some might think. It can be duplicated in a number of known and proved cases. The way the Carter case worked out was this:

Dr. Carter arrived, as summoned. There were seven Jews there before him. Four of these Jews admitted they had not attended the lecture, and one had never even heard of Dr. Carter before. The minister was alone. Not knowing what was afoot, and not having been told to bring witnesses who had heard his lecture, he was there—a lone Gentile before a Jewish tribunal.

The Jewish delegation was headed by a certain Rabbi C. H. Levy, who was referred to as secretary of the Board of Jewish Ministers, a union of rabbis in connection with the New York Kehillah, which is part of the general spy system of American Jewry. Rabbi Levy admitted that he had not attended the specific lecture complained of, nor any other lecture in the course, but declared he was there to "represent my people".

Well, Rabbi Levy's "people" were pretty well represented. There was hardly any other kind of people there except the Christian clergyman who was on trial for telling the truth as to public opinion, and Jewish opinion particularly, about the Russian Jew.

So the Inquisition upon the Gentile began. Six letters were read, most of them having been addressed to Dr. W. L. Ettinger, Superintendent of New York Schools. One of these letters asked Dr. Ettinger as a Jew not to allow his people to be maligned and misrepresented, but to see that this Gentile was stopped!

After the reading of the letters, Dr. Carter was permitted to speak. He called attention to the similarity of the style in all the letters, a similarity which suggested to him the possibility of their having been dictated by one person. At which Rabbi Levy flew into a passion—though no one had mentioned his name. Dr. Carter also observed that as Dr. Ettinger had been appealed to on racial, religious and prejudiced grounds, it would be right to permit Dr. Carter time to get witnesses on his side. This was not permitted. He was on trial!

Even the Jews admitted, under straight questioning, that what Dr. Carter had said was not uttered invidiously. They admitted that he had referred to the undesirable elements of other races as well as of the Jews. It was admitted that the subject was not of his own choosing, but was assigned to him by the Board of Education. There was very little left at the end of the examination except to assume that the Jews were a sacrosanct race, with special privileges, a race whom no non-Jew should presume even to mention in anything but awe-filled tones.

That was the issue as it appeared that day. With half the Jewish population of the United States centered in the city of New York, they had assumed control of American education at its source. The group of Jews sitting in judgment on Dr. Carter were as serene in their control of the education of the Christians as if they had been a Soviet court sitting in Moscow. They had succeeded in driving everything Christian out of the schools; they had succeeded in introducing the most sickening praise of their own race; they looked forward to the teaching of Judaism as the universal morality!

It was further brought out that this Christian minister had been one of the men who had preached in favor of the Jews. He had been one of those public men on whom Jewish leaders could depend to respond with typical Christian generosity. He had delivered blows at race prejudice. He had lauded the Jewish race and its leading figures. He had interpreted its commanding influence as the reward of diligence and ability. He had thundered against what Jewish reports had led him to believe was "The Crime at Kishineff". And for this he had been duly complimented by the Jewish Publication Society, and others. BUT he had now spoken a word of truth which the Jews disliked, and he was before them for trial and condemnation.

In the course of the examination it developed that he had been a citizen of the United States for thirty years, having come to the country from England at the age of 15. Rabbi Levy apparently missed the full fact, getting only the fact that Dr. Carter was born in England.

"May I inquire as to whether the gentleman is or is not a citizen of the United States?" said the rabbi in the air of one who was innocently uncovering a great exposure.

"I became a citizen over thirty years ago, as soon as the law allowed—as I trust you did," was Dr. Carter's straight thrust.

The rabbi dropped the subject. He did not take up the challenge as to his own citizenship. But that the matter burned in him is evidenced by his later remark:

"I'll see to it, notwithstanding all this, that you shall never speak again from any platform in New York, you dirty Englishman!"

Dr. Carter called the attention of the committee to the hatred and malignity expressed in the face, attitude and words of the enraged rabbi, and said he did not know whether it was a threat against his life, his pastorate, or his position as lecturer for the New York Board of Education.

The term "dirty" is rather an unusual one to apply to a race that has so long astonished Semitic countries by its insistence on its "bawth". That is to say, the accuracy of Rabbi Levy's description would draw about the same degree as would an appraisal of his gentlemanliness.

There was, fortunately, one other non-Jew present, namely, Ernest L. Crandall, supervisor of lectures, who was American enough to enter the fray. He addressed the hysterical little rabbi:

"I never have seen nor heard such bitterness and hatred expressed by any human being toward another as you have manifested here. You ought to be ashamed

of yourself, and if I hear another word from you along such lines, I will have you thrown out!"

The future of Mr. Crandall should be worth watching. If he is apologetic for his principles, they will "get" him. If not, he may be the instrument of "getting" some things that are wrong with New York.

At any rate, Mr. Crandall acquitted Dr. Carter, and the Jews went out muttering.

It is rather an unusual and noteworthy fact, the acquittal of a man against whom the Jews had moved the charge and against whom the secretary of the Board of Jewish Ministers had uttered the aforesaid threat.

Dr. Carter went back to Erasmus School. He received from the Board of Education his appointments for the ensuing months. Affairs seemed to be going along as before.

Then one day all the lectures on "Current Events" in New York public schools received simultaneous notice that they must refrain from discussing the *Jewish and Irish* questions. With Zionism crowding the newspapers, and breeding a war in Mesopotamia, and dictating the policy of the diplomatic departments of Great Britain and the United States; with the Irish Question

uppermost in the minds of millions and coloring the politics of the United States as well as challenging the full ability of the British Government—that is, with the two foremost "Current Events" seething throughout the world, orders were given through the New York Board of Education that lecturers must remain mum.

It was plain to be seen what had happened. Rabbi Levy, and those who worked with him, having failed in their personal attack, had achieved what they wanted another way—by an order given to lecturers not to speak about the Jewish or the Irish question.

Why lug in the Irish? The Irish were not protesting against discussion of the Irish Question. The Irish wanted the Irish Question discussed; they believed that the successful issue of the matter depended on wise and free discussion. It is beyond the realm of imagination that the Irish should ever ask, desire or sanction a gag on popular discussion of Irish affairs.

As to Dr. Carter, his audiences had been asking him questions about the Irish Question for three years. In Y.M.C.A., in public school, in people's forum, everywhere he had been asked for information about one or another phase of the Irish Question; and being a well

informed man he was able to give answers. And no one had ever complained before. Indeed, it is said that at the next lecture he gave at Erasmus School, following the encounter with Rabbi Levy, the audience had asked questions touching the Irish Question, and Mr. Crandall was present, and found no ground for criticism.

Yet soon thereafter came the order to observe complete silence on the Irish Question. Why?

Even the tyro in Jewish policy knows the answer. The Irish Question was lugged in to camouflage the order regarding the Jewish Question. That is a very common Jewish practice: any Gentile name will serve for concealment!

Imagine an Irishman and his family attending an evening lecture on "Current Events" and asking a question about the Irish situation. Imagine the lecturer saying, "I am forbidden to mention Ireland, or the Irish, or the Irish Question on these premises." The Irishman, being a White man, would not be slow to see that somehow he was being discriminated against. He would demand to be told why the lecturer dared not mention the matter. And, being forbidden to mention the Jews either, the lecturer would not be able to say, "Those Jews down at the Board of Education have put their taboo on both the Jews and the Irish!" He would be breaking the rules even in giving the explanation.

But imagine the Irishman being classed with the Jew—the Irishman who wants publicity, with the Jew who fears it! How long would it take an Irishman to see that what was intended to be discrimination in favor of the Jew as discrimination *against* the Irish.

Yet that was precisely what the Jews of New York brought about in the public lecture system to make their point against a Christian clergyman who had told a very well-known truth about the Jews.

Of course, there is nothing in such an order that would appear to the Jew as being subversive. Suppression is his first thought. Suppress the paper! Suppress the investigation! Suppress the out-and-out speaker! Suppress the immigration discussion! Suppress the facts about the theater, about the money system, about the baseball scandal, about the bootlegging business! Suppress the lecturers of the City of New York! Fire them from their jobs unless they stand up like phonographs and recite what men like the sentinel rabbis of New York dictate!

The order was Jewish in every element of it. And as an American citizen who did not believe that American free speech should be the plaything of a crowd of aliens, Dr. Carter resigned his lectureship. It meant serious inconvenience and financial loss to him to do so at the end of December, when it was late to make further plans for the winter, but a principle was at stake, and he resigned.

Immediately the matter came into the newspapers and there was the usual ado—the Jewish writers throwing threats about recklessly; a few timid Americans asking what New York was coming to! One newspaper came out with an American editorial defending the right of free speech, but changed its tone somewhat upon receiving a deluge of Jewish protests threatening the paper with the displeasure of the Jews.

A man of less ability and of lower standing than Dr. Carter might have been overwhelmed by the storm. But he had at last struck rock and there he stood. At that time he was not known to have said anything detrimental to the Jews, and he is not known to have made subsequent remarks upon his experience. That is, being attacked by the Jews, he is not known to have attacked them in return. It is quite possible that he might be induced to do the Madison C. Peters stunt again and speak in praise of them, giving them the usual laudation which they themselves first prepared for our consumption. But nevertheless he has been, through no fault of his own, the focus of the vindictive policy which pursues the truth-teller. It may be distasteful to Dr. Carter to have his story thus old, but if he will begin anew his studies in the history and character of the International Jew, he will find his own experience a valuable commentary thereon.

Dr. Carter is only one of many. There are teachers in New York who could a tale unfold that would stir indignation to its depths—but there has never been any one to tell their story or take their side. Many of these stories are in the possession of *The Dearborn Independent*. Issue of November 19, 1921.

[QUOTING, Part 83, *GLOBAL PARASITES*:]

THE JEWISH QUESTION IN CURRENT TESTIMONY

The Jewish Question continues to attract more and more attention. In many quarters a new tendency toward freedom of the press is observed, and the long-concealed truth is getting itself spoken bit by bit. It has been thought worth while, before going on to other phases of the study of the Jewish Question, to present in this article a few of the informative or confirmatory articles that have appeared in the public press. It need not be said that, with a single possible exception, none of the writers or publications here quoted could be called “anti-Semitic”. Not even the most unreasonable Jew could append that term to any writer or publication here cited.

The *Associated Press* sent out a dispatch which was printed in American papers of August 24, as follows:

“Thousands of Russian Jews are crossing the Estonian, Lithuanian and Polish borders every month, many sent from Soviet territory under protection of high Bolsheviki officials, according to travelers in the border states who recently have returned here. The opinion in neighboring states is the exodus is prompted by fear of an approaching crisis.

“The fact that no appreciable organized Russian anti-Bolshevik movement has appeared since Baron Wrangel’s forces were dissipated, leads observers of the situation here to believe that, should the overthrow of the Soviets occur this winter, it will take the nature of a popular uprising, supported by such troops as are not at the front. Many fear it will result in a widespread anti-Jewish program.

“For these reasons every Jewish family of means, and many that are destitute, are

attempting to get out of Russia. They have no desire to tarry in Lithuania or Estonia, but are seeking to enter Germany, with the idea of eventually reaching America.”

To give the reader the background of this fear, we offer part of a letter from Kishinev which was received by a North Dakotan:

“My Dear Friend Gutsche:

“For one month no fugitives arrived, but now again many of them are coming from the Ukraine to Bessarabia, most of whom are Jews. They are a different lot than the former fugitives were; for they are wearing costly clothes, furs, precious stones, jewels, and so on, such as was seen before the war only by very well-to-do people, landowners and the like; they have money and money’s worth. There is no doubt that these fugitives had leading positions in the Bolshevik regime, perhaps they were commissars, or even ‘judges’ on the ‘Blood and Inquisition courts’ of the so-called ‘Tschreswyschaika’ or short ‘Tscheka’—their purses and pockets are filled, not with worthless paper money—for they themselves have manufactured that, millions and billions of it, which they have thrown before the Christian brood, the ‘goies’—no, filled with money and precious jewels which no more show traces of blood and tears, but shine and glitter the same as in those happy hours of their rightful owners.

“But the people over there (in Russia.—Ed.) are awakening; they wonder about the source of all this terror. The children of Judah know the answer thereto, but they prefer to leave the ground which is becoming unsafe to stand upon; it is getting too hot for them. The Nemesis is raising her head from out the blood of innocence which calls to heaven for revenge. Yes, they

fear the result of their actions and wish to save their skins before it is too late. In this they succeed, but not always are they allowed to keep their furs, their stones and precious metals; they overlooked the Rumanians. These people are very vain and greedy for costly things! The newcomers are on their way to America and the doors on all borders are willingly opened them, even to the soldier in the army. Only on again! The faster the better! I think that some day America will have so many Semites that they (the Semites) will be looked upon the same as the colored, the Black, Yellow and Brown races.

“Imagine for a moment that there were no Semites in Europe. Would the tragedy be so terrible now? Hardly! They have stirred up the people in all countries, have incited them to war, revolution and communism. They believe in the saying that ‘there is good fishing in troubled waters’.

“But enough of ‘the chosen people’. Some day they will reap what they have sown....

“...Another picture—Every three or four days a ‘razzia’ (domiciliary search, graze) is being conducted in the city. Terror, fear and oppression drive the people from the streets, looking for hiding places. The people do not work, eat or sleep. Only stamping, cursing patrouilles are seen on the streets with their victims. In this manner 200 or 300 persons are often driven together; former civil and military officials, teachers, landlords, business men, and so on (only Christians, seldom Jews); among them also women. This group is then led to the ‘Tschreswyschaika’. In front of the group are 40 to 50 armed red guards, infantry and on horses, right and left about the same number of guards, in the rear several carriages or an

automobile with machine gun, and behind that again infantry and horseback riders. When this group is seen on the streets, everyone flees terrified; occupants of houses peep through cracks and press their hands to their hearts, to where—what?—Father, brother, son or other relatives led away from their once happy homes, perhaps never to return again. This they know, those behind doors and windows, where occur hysterical spells, heart failure and deaths. Words cannot express the terror of it all.

“And then at the ‘Tschreswytschaika’? There are youths, mostly circumcised, often half or wholly drunk! Should there be personal enemies among the ‘judges’, the unfortunate ones are executed either on the same day or the next one, but are sometimes also ‘tried’ like they ‘tried’ the heretics in the inquisition chambers. Several of these creatures of the ‘Tschreswytschaika’ and especially a certain Wichmann—a Jew, of course—carry on terribly; he is the terror of the city and the flat land; he even kills Bolshevik Commissars and their wives should they now and then reveal a more humane feeling.

“They fear the reprisal and hasten across the borders, laden down with valuables.

“More suffering is caused in the cities by hunger and cold. The dead bodies are buried without coffins and often without clothes. How the people dwell in houses I shall, perhaps, relate next week. Enough for today. *F. Horch.*”

The freedom of the Balkan Jew from the hunger and suffering which afflict the native peoples is vividly set forth in the words of an American:

“Our ship is the first to enter Libau on a peaceful mission since the war, they say. At any rate, our arrival has caused a great excitement, on account of the food cargo we have for these people. At present we are tied up to a quay, in a narrow stream that seems to be also a sewer. Unloading our flour is a ticklish piece of work, due to the terrible hunger of the crowd that watches us. Whenever a bag breaks, people fight to scrape up the loose flour, which they put into cans along with a good portion of dirt that is mixed into it... Everyone has a tin can and at noon there was almost a riot over a bucket of potato peelings that were tossed into the water. The people tied strings to their cans and went fishing to get the peelings. They stand all day and beg us for food... It is not a very pleasant sight—this crowd of emaciated, white-faced men and women, and big-eyed children.

“The most damnable thing about it all is the dozen Jews who flit like magpies through the crowd. They are young, soft, well-groomed and prosperous. They carry canes, wear new straw hats, and resemble the kind you see in the States. They have nothing in common with the other people. They have money, plenty of it, and they seem to think this ship is a floating pedlar’s cart and tobacco store. They come up to the gangway and wave British five-pound notes in the air, offering them for a carton of cigarets. Or, they have gold watches that they will trade for a few pounds of soap. From the looks that other people favor them with, I do not wonder that we hear about periodic slaughters of the Jews in Russia. These fellows look too prosperous in comparison with the rest of the population to suit me.”

The peculiar character of Jewish cruelty in Russia is so little in accord with the character of the Jews as we propagandized Americans have

been taught to conceive it, that even *The Dearborn Independent*, in its desire to present a consistent account of Jewish activities as they relate to the United States, has not opened this special phase of the study of Jewish psychology. The Sadism displayed throughout the Russian Terror has been discussed briefly in *The World Significance of the Russian Revolution*, by George Pitt-Rivers.

There is, however, American Jewish testimony on the same point. It is found in the April, 1921, number of the *Hebrew Christian Alliance Quarterly*. In an article entitled “Persecution Is Not the Monopoly of Christianity and Is Contrary to Its Principles”, the Rev. M. Malbert, B.A., of Ottawa, Ontario, says:

“We must now proceed to deal with our last point. The Jews blame Christianity for its persecuting spirit. They consider it a monstrous thing to persecute another person for his convictions. Now, the question is, are they themselves free from the persecuting zeal? I am going to show that real religious persecution is uniquely Jewish, and that they themselves have been the relentless persecutors. In the year 120 B.C., John Hyrcanus, son of Simon, the last of the Maccabean brothers, who fought against the Syrian hosts in defense of their religion, persecuted other religions. He destroyed the Samaritan Temple on Mount Gerizin. Next, he conquered the Idumeans and bade them choose between exile or Judaism. They chose the latter. That he made a mistake in forcing his religion on an unwilling people, may be seen in the treacherous Herodian dynasty, Idumean converts, who were a curse to the Jewish nation.

“*The intolerant religious spirit among the Jews themselves is unique in history.* In the Maccabean princes the royalty and the high priesthood were united in one person, King Alexander, third son of John Hyrcanus, who was a Sadducee. The Pharisees therefore hated him. In the year 95 B.C., on the Feast of Tabernacles, as he was officiating in his high priestly capacity in the Temple, instead of pouring the water on the altar, he spilled it at his feet. The congregation worshiping with the palm branches and citrons in their hand, noticing the water spilled at the high priest’s feet, started to pelt him with them. The king’s life was in danger and he was constrained to summon to his aid the Pisidean and Chilian mercenaries. Those fell on the people and slew 6,000 within the precincts of the Temple. The hostility of the Pharisees was more bitter against the king, and their hatred knew no bounds. But the king endeavored to make peace with them. He therefore summoned their chief men and told them that he was tired of the feuds and that he desired peace. What were their conditions? They replied, the death of the king. *Then they actually set out to destroy their country.* They invited the Syrian king, Eucaerus, to invade Palestine and treacherously offered him their aid. Eucaerus advanced upon Judea with 43,000 men. The Pharisees kept their promise and fought in the camp of their country’s enemy against their king, who was eventually defeated. The poor king, the descendant of the heroic Maccabees, wandered about in the mountains of Ephraim. At last, 6,000 Pharisees, conscience-stricken, returned to him from the Syrian camp. **[H: I would warn you readers that there is no “conscience-striking” in this current day and age—be cautious.]** With these 6,000 penitents,

he was able to force the Syrians from Judea. But the majority still remained hostile and made war against him, but they were finally defeated and reaped the fruits of punishment that they deserved.

“The Jewish king himself was intolerant and he forced many heathen cities to embrace Judaism; those who refused were destroyed. Simon ben Shetach, president of the Synhedrion, *condemned 80 women to be crucified for witchcraft.* The son of Simon ben Shetach was accused by his enemies of some breach of a religious precept and although the father himself knew him to be innocent, he nevertheless sentenced him to death and allowed him to be executed.

“Between the school of Hillel and Shammai there was constantly bloodshed. The trial and execution of Jesus were the natural outcome of religious intolerance. The greatest service to God a Jew thought possible was to persecute the Christians. **[H: To make a point before we write further: HOW MANY OF YOU KNOW WHAT IS A “GILLION” AND WHAT IS A “MINIM”? You have to know these things or you are uninformed and have no right to speak for or against anyone or anything.]** Rabbi Tarphon said that the Gillion, that is, the Gospels and all the writings of the Minim, that is, the Apostolic Epistles, **[H: In other words, the very heart and foundation of what was at that time, and is claimed to this day to be, Christianity.]** should be burned even with the holy name of God in them. He maintained that Christianity was more dangerous than paganism and he would rather fly to a heathen Temple than to a meeting house of the Minim. **[H: Don’t believe me? Where do you think the Mininites get their labels?]** A curse against the Minim was *inserted into the Jewish daily prayers at that time, which is still used by the congregations.* Bar-Kosibah, the false Messiah, persecuted the Christians without mercy. Even in the time of Justinian, in the sixth century, the Jews massacred Christians in Caesarea and destroyed their churches. When Stephanus, the governor, attempted to defend the Christians, the Jews fell on him and slew him. In 608, the Jews of Antioch fell upon their Christian neighbors and killed them with fire and sword. The Patriarch Anastasius, surnamed the Sinaite, was disgracefully ill-treated by them and his body dragged through the streets, before he was finally put to death. About 614, the Persians advanced upon Palestine, and the Jews, after joining their standard, massacred the Christians and destroyed their churches. Ninety thousand Christians perished in Jerusalem alone. The Jews expected fair play from the Persians as a reward, but were treated worse by them than by the Christians. In 628, the Emperor Heraclius had retaken Palestine from the Persians and when marching through Tiberius, he was entertained by a wealthy Jew named Benjamin, the same man who invited the Jews to join the Persians against the Byzantine; the emperor asked him what had induced him to betray so great an animosity against the Christians, to which he replied that they were the enemies of his religion. *Yet they claim the prophecy of Isaiah, in the fifty-third chapter, to have been fulfilled in them. ‘He was oppressed, and he was afflicted yet he opened not his mouth.’* They even persecuted Mohammed in the incipient stages of his career. They prejudiced the chief Arabs against him,

helped his enemies to discredit him and endeavored to alienate his followers."

The article continues to give in detail the persecution to which the Jews subjected their own people who were progressive. It reminds one of the warning given to Rabbi Isaac M. Wise by Rabbi Lilienthal, when the former was urging the reform of Judaism: "If you want to be Christ you must expect to be crucified." (*Isaac Meyer Wise*, p. 92)

Readers of Gibbons' *Rise and Fall of the Roman Empire* will recall that in Volume 1, Chapter 16, he wrote severe words about the cruelty of the Jews. It will be agreed that only records of the most staggering cruelty could have driven the calm historian to the use of such terms. Readers will also observe, in the passage herewith quoted, that the desire for "the empire of the Earth" which actuated the Jews of that period is the same as that discovered in the *Protocols*:

"From the reign of Nero to that of Antonius Pius, the Jew discovered a fierce impatience of the dominion of Rome, which repeatedly broke out in the most furious massacres and insurrections. Humanity is shocked at the recital of the horrid cruelties which they committed in the cities of Egypt, of Cyprus and of Cyrene, where they dwelt in the treacherous friendship with the unsuspecting natives; and we are tempted to applaud the severe retaliation which was exercised by the arm of the legions against a race of fanatics, whose dire and credulous superstitions seemed to render them the implacable enemies not only of the Roman Government, but of human kind. The enthusiasm of the Jews was supported... by the flattering promise which they derived from their ancient oracles, that a conquering Messiah would soon arise, destined to break their fetters and to invest the favorites of heaven with the empire of the Earth."

In footnotes to this passage, Gibbons gives revolting details of the methods used by the Jews of that period.

In all this work the Jewish Idea has the assistance of certain Christian sects who gloss over the inhumanity and immorality of certain courses of actions by saying that "these are doubtless the means by which God is giving the Jew his promised control of the world." This is one form of the un-Biblical conception, the un-Scriptural teaching, that the Jews are God's Chosen People.

[H: No, these are just MORE of the incorrect translations and tamperings proven to have happened within those so-called "scriptures" and Biblical instructions and until you people can realize that you have been "had" by these very people who have done the tampering, changing, and writing from original nothings, you are going to be worse than "had", you are going to be dead at their hands.

God does not have "chosen people". People CHOOSE to be in God-ness and choose to have the morality and justice as laid forth by Higher instructions. GOD ACCEPTS—YOU choose. Chosen people, revenge of any kind for that

purpose, pain to another, wars, power over other people as in political enslavement—ARE NOT OF GOD—so go forth and look hard at those Biblical Scriptures. In the *Bible* there is no mention of such as "the chosen people" except where Man has inserted that tripe. There is not one word of "Rapture", and believe me, that concept is coming from Fundamental (they call themselves) evangelic preachers and teachers who are going to "eat your lunch"! You each and all can go forth and tell, or spew, gossip and connive—but it will not make one iota of difference in the TRUTH of it. Do I blame "them" for that which they get away with clear and swindling? No, I blame you for allowing in your own lack of interest and in ignorance to be such suckers in spite of the GOD-GIFTED ABILITY OFFERED, WITHOUT INTERFERENCE, TO CHOOSE, REASON, THINK AND HAVE LOGIC AS YOUR TOOLS. YOU END UP BELIEVING IN FORTUNE-TELLERS AND PSYCHICS WHO DO NOT KNOW A CONFOUNDED THING ABOUT ANYTHING.]

Of all the sects following this error, none is more active than the so-called "Russellites", the followers of Pastor Russell, and officially known as the International Bible Students' Association.

It has been reported to *The Dearborn Independent* by numerous witnesses that Jewish interpreters at points of debarkation in Canada and the United States have circulated Russellite literature. The fact that a Jew would circulate any kind of Christian literature is sufficiently astonishing to cause inquiry. It is explained by the elaborate pro-Jewish propaganda which Russellism is conducting. [H: I will lay odds on the fact that 99% of you people have not the slightest idea what is talked about here, Russell or Russelliting and yet it is one of the biggest and most important things ever happening to you. It is simply on a par with,

say, Jerry Falwelling, and his being a "Zionist and proud of it". Wake up, sleepy-heads, the bread is burning and nobody is even checking the baking ovens.]

Not to go into this extensively at this time, suffice it to refer to handbill advertising in the Russian quarters of American cities. The fact that the literature is circulated among Russians and that meetings are held in Russian sections of our cities would seem to indicate a desire to explain to credulous Russians that Bolshevism, too, should be received as part of the circumstance by which the Jews are to obtain world rule. The handbills are headed "The Fifth Universal Kingdom", and in every meeting reported the speakers have declared that in 1914 the rule of the world was taken away from "us"—that is, the non-Jews who are the so-called "Gentiles"—and was given to God's Chosen People, who, according to this sect, are the Jews. Thus, acquiescence in Bolshevism and every other form of revolutionary overturning is acquiescence in the will of God.

The teaching that world rule is already in the hand of the Jew is so novel, so unrelated to Biblical sources, as to warrant careful scrutiny for possible pro-Jewish connections.

But Palestine is not yet a fact, and other *Bible* students see in the present political movement a daring and God-defiant scheme destined to failure. Certainly there are great obstacles in the way—moral obstacles, matters of honor and humanity—which do not promise easily to disappear. The Jews of the world are discovering that they read too much into the *Balfour Declaration* and that Great Britain is not ready to violate her obligations to the Arabs. Jewish leaders are beginning to feel the weight of realities in the settlement of the land itself. The Jews are not going back. Those who have gone back are, a considerable and influential number of them, tainted with Russian Bolshevism.

The English people themselves are becoming dubious about the situation as is shown by the dispatch of the London correspondent of the *Detroit News* printed in the August 14 issue of that paper:

"Then there is the scarcity of accurate information from Palestine. The high commissioner, Sir Herbert Samuel, transmits reports to the British Government, but they are not published. Even the report which he made on going to Palestine two years ago to inquire into the exact status of affairs never has been made public. Lord Sydenham asked for it in the House of Lords, and, though Lord Curzon replied that the report contained nothing unsuitable for publication, it has never been given out. It is also charged that the Zionist Commission maintains a strict censorship; that even a petition to the king disappeared in transit; that letters have to be written guardedly. A series of articles by the special correspondent of the *Times* suddenly ceased, though the last, May 17, bore the line, 'To Be Continued'.

"News from Palestine is exceedingly scanty, and no one knows whether what comes through is trustworthy. It has been printed that Sir Herbert Samuel does not dare ride through the streets of Jerusalem without an armored car in attendance. For these reasons there is a great deal of suspicion in England that all is not well in Palestine."

The most outspoken word that has yet been uttered on the political dilemma in which Zionism places the Jew appeared in an editorial entitled, "Political Judaism" in the *Christian Century*, of Chicago, a publication of weight and character:

"Political loyalty is one. Under the present world order it does not admit of division. The citizens of any nation may maintain a Platonic admiration for the political systems of neighboring nations, but their ultimate loyalty cannot be 'Platonized'. Spiritual Judaism is one thing. A Palestinian state, or a Jewish political organization anywhere else, is a very different thing—at least in Gentile estimation.

"Once a Jewish state is set up in Palestine, in so far as it is accepted as the proper expression of Judaism, the Jew of the diaspora must surrender his religion. Is there any escape from this issue? The Jew can be a Jew anywhere, so long as his religious adherence carries with it no political implications. At least he can be an acknowledged Jew in every land where religious freedom is guaranteed or practiced. And even in states where an established religion other than Jewish debars him from the fullest and highest participation in the affairs of state, he can still hold to his religion without too serious embarrassment.

"But what would be the status of the Jew in any land of the present world when the profession of his religion would inevitably identify him with the fortunes and aspirations and diplomacy, even with the military policies, of a political state alien to the society of his residence and citizenship? The status seems, at least to the Gentile mind, altogether impossible. A revival of anti-Semitism, and its spread to lands where heretofore it has not prevailed, is not the least embarrassing of the inevitable results of such a move. How can the Jewish outlander maintain his own spiritual and mental integrity? It is not even necessary to imagine a possible precipitation of war between the new Jewish state

and the land of his citizenship. War is not, let us hope, the necessary condition or even potentiality among separate political states. But it remains true, by the very nature of the present system of political organization, that political loyalty is one, and cannot be divided. Hyphenation, discriminating Americans are by this time well aware, must remain spiritual, or racial, or sentimental; it dare not become political under any circumstances.

"If the proposed new Jewish state in Palestine is to be and remain a province or dominion of the British Empire the way is smoothed for any Jew residing and claiming citizenship in any portion of the British Empire. But the way is decidedly roughened for the Jew elsewhere. The Briton is honored, especially in times of peace, in most regions of the world for his connection with so magnificent a political structure, but for that very reason his political loyalty is the more emphasized in his own mind and scrutinized by citizens of other political units. A Jew identified with so insignificant a power as an independent Palestinian state must forever be, would, in many lands and on many occasions, be in a far more advantageous position when a resident of an outlying nation, than if he were recognized as a Briton. The anticipated dependence of a new Palestine upon British sovereignty thus fails to relieve the embarrassment of Zionism; it would seem rather to compound it."

Issue of August 27, 1921.

[END OF QUOTING]

Dharma, there have been so many interruptions this morning and knowing that you have to prepare for several days of court interchanges, depositions, etc., let us call this enough for the week.

Never mind who IS THE ENEMY, we treat everyone as if we trust them and no one as if we trust them. We do nothing which makes

surveillance other than pretty dull. But no, you do not need to accept anything from any who have used us, trashed us, or in general, were with lack of integrity. But, you do not become another to work with another. Mostly, dear hearts, it is NOT A NICE WORLD and there are few men who would not stab their mother in the back to make a deal and a buck—beware and be-warned. You think your back is but a sieve? Well, so be it. Lessons are rarely pleasant in the learning—but so invaluable after the learning. We want privacy—not secrecy, and you must know the difference. You have no secrecy from the surveillance teams who actually have a satellite dedicated for use only in surveillance of this place and township. It is fine, it insures security.

Now as to "Hush Money". Don't even think about it. That would be the "last" error you would make in settling for that old garbage. You would be arrested on the spot and tucked away for God alone knows how long. Just don't bite on this kind of nonsense. We will get done exactly what we need done—and you don't have to out-think God to have it happen.

And yes indeed, if that Hatonn character is like, you know, "on the 127th floor—you guys are in the parking lot"—forget it for it is NOT you who are naive. I think you may well notice you don't have to concern about the elevator breaking down—since you are already on the 127th floor WITH ME. International and political intrigue? BS, this is nothing but localized domestic political garbage. Disappointments along the journey, in both things and people, is but part of the journey itself.

Thank you and good morning.

Salu. Hold strong in the light so that nothing can "getcha" from those shadows as the rats and roaches are cleared from the woodwork and baseboards.

TELEPHONE HOTLINE 805-822-0202

As an adjunct to *CONTACT*, the Telephone Hotline keeps you as informed as possible on current events and other important information that needs to get to our subscribers before our publishing date.

The message machine will answer after 2 rings if there are any new messages for that day, and after 4 rings if not. Thus *daily* callers can hang up after 2 rings and save toll charges if no new message has been recorded. If the Hotline does not answer your call, then that means there is currently no Hotline message.
