"THE TRUTH WILL SET YOU FREE"

JANUARY 7, 1992 VOLUME XVII #12

Heavy activity at Edwards AFB

12/31/91 #1 HATONN

This is only interesting for ones in the general Western area of the U.S. but I have mentioned it and now I am barraged with inquiries. It makes no difference, chelas, if you are "prepared" you are fine--if not, all the "knowing" about hidden agendas will do nothing for you.

However, it can be noted herein that you have now, in joint venture with your new Soviet Freedom-Order, established a working, full-alert coalition with your enemy with a large base capable of total national control of your populace through beam pulse systems. You have installed a fully operational "Woodpecker-Wormwood" system of "Frequency" beams which can project everything from flu and cold infections to total mind control of the populations with directed violence in mob reaction and total debilitation of the populations through depression and loss of functional ability.

Your President left this day for Australia to insure the installation on Australia as well and they plan to check out both the systems and the "survival" facilities which are now functional in Australia and of which we wrote months and months past.

The placement is arranged for security for when these massive beam systems are "fired up" for testing and network function--the odds are less than 50-50 that the surface of earth will survive. I can only suggest you ones keep your dark goggles handy for I am not going to speak more and more on possibilities of this or another, moment. You will either be prepared or you will not.

I will, however, go over some reminders of preparations for you are going to have to function for as long as possible in "emergency" status IF you are allowed to func-

tion at all. This is a VERY BIG YEAR for the Plan 2000 taking of the world and I can only remind you that perfection and retention of assets is highly unlikely in all instances--but it need not be devastating if you take care. In the light of God's shielding, you are as safe as a bug in a cocoon in a nice wool rug. If you choose not to utilize the shelter God gifts unto you--'tis your own choice and we wish you well.

The Planners never again plan for any type of "free" world and as I see it coming down--**THERE WILL NEVER AGAIN BE FREEDOM OR LIFE AS YOU HAVE**

KNOWN IT. The point is to pull it off in natural sequence of events so that you do not even recognize that you have been "had" but rather caught in a situation of "we did all we could to save you".

Then is it too late? It is never too late if you assume the power given unto you through God--but you surely do need to begin in harder effort than at present. If you still cannot read that handwriting on your walls and simply think it graffiti from the underprivileged juve-

Kennedy tried to stop Fed

12/31/91 #1 HATONN

I make the above statement because I have a lot of readers of early JOURNALS in total shock regarding the truth of the "Stone" film on Kennedy--right to the fact that Jackie climbed out on the trunk of the car--not to escape, but to retrieve a portion of John's skull with brains attached. She knew it was pure murder and by whom. Yes, the movie is correct and accurate in most areas of discernment, especially the actual murder itself. However, there is still a major portion left out of the scenario of "reason why". This will be representative of great wisdom for you who would run for President this year and plan to wipe out the

money minting system and the Federal Reserve.

The final play which set Kennedy's death into cement was the fact that he saw the destruction of the nation at hand. *He fully intended to take control and bring currency printing back into the hands of the government according to the Constitution, starting with some excess of about \$4 billion. Then he would be shutting down the creeping cancer of the Federal Reserve, which is the poison of freedom in America. Not the poison--just the administrator of that poison.*

Did Johnson know? Yes indeed. He was not, however, THE mastermind behind the plan--he simply hated Kennedy and aimed for the power of the "throne" for more dastardly deeds. Your Mr. Bush, however, was extremely involved through the CIA and his role

has simply grown ever more powerful in capability of destruction of your nation and thus, the world.

Robert Kennedy realized the plan was thwarted and thus pursued diligently his own Presidency because he made a commitment to finish what John had started--the SAME PLAN. It is all entangled with international intrigue, CIA, Mossad, Soviet Zionism and, plain and simply, the Mafia and criminal underworld who still controls it all. The CIA is only the enforcing and intelligence wing of the Mafia as a simple explanation. This is why you can be sure the "anti-Christ" will come out of the general area of the Vatican/Italy wherein is the seat of the Mafia organization and originators of Freemasonry as originally practiced.

I do not lay these things on you

Year end report: 1991 at a close

12/31/91 #1 HATONN

As you close this, a segment called "year", I feel it even more important than usual to remind you that I come as a Host, travel guide "back home", tour guide, etc. Perhaps I am simply your "travel agent"! I serve Creator in His purpose to furnish you with Truth and outlay that which is upon you. There are no mystical games or tricks--only "the facts, ma'am/sir". In the abundance of "facts" as the

niles, then I'd suspect you are in serious danger of non-recovery. If you WANT to change your plight and will act accordingly--you will witness miracles beyond your imaginings--BUT YOU WILL DO IT!

Now, for you who are pretending as if you never heard of such things and are in a state of shock in the immediate area--**KNOCK IT OFF!** You have known step by step by agonizing step and allowed our own ships and workers to be literally fired upon with guns and other weapons--stop your infantile reactions and start reasoning with your gifted minds.

Why would you remain in such a dangerous place? Because of its focus, it is not dangerous, is it? You think about it. If you are in the hub of the activity then you are not likely to be at the end target of the beams, are you? Further, we have no bone to pick with the adversary as you ones envision "war" and "bone picking". We have no intent to interfere nor to open any affront to the physical well-being of the adversary through physical weaponry and/or overthrow of a government--good or bad. We are going to bring the word of Truth and God and so be it. The adversary knows his limitations as regards our people and yes, he can make it damned miserable for you--according to how much you choose to tolerate. If you choose to tolerate none of his games, then he cannot touch you without going right through good old Hatonn. He is wise enough not to try that one, at least not a second time! If you go forth and break the laws then you shall most likely get hurt very badly and probably killed in the process.

experience "really" is, you will find purpose and direction of your own chosen mission in this experience called "physical life".

I am urging you to consider that which is upon you most carefully and thoughtfully for you have been presented with lies for such a long, long time that you have totally forgotten your intent of this expression and have become "victims" instead of "masters" of your destiny. Mine is not to coerce, force or spoon-feed you, although we have done that service, also, in that you might grow a bit more slowly and not find the distance between the lie and Truth too incredible to fathom. The lessons have been blunt and hard but ye are made of only "strength" and magnificence of perfection so it is only a **misperception** which causes you to disallow your own ability to change that which is in lie and deceit. You are given mind-force which is ALL and MAN has trained you to escape the use of same. You are co-creator with God of all creation and that same Creator has sent Truth so that you have opportunity to regain that which ye have set to the side in order to believe and clutch only to that physicalness of less than a hundred years duration. I can furnish the alarm clock--I will not furnish more sleeping compounds. You are furnished ALL necessary elements of the "concoction" with which to regain your own leadership and power but it will be YOU who takes the offering and

out of some magical hat or fortune-telling cards--I give you blow-by-blow in proof and research if you but take time to check it out.

I am accused of fear-mongering, doom and gloom. Dear ones, if you can look around your world and at your own livelihood stability nationally and personally (without even looking beyond the moment) and do not feel a bit of apprehension--then I fear you are already DEAD. Do you actually believe as this is all brought forth and proven to even YOUR satisfaction that it will change an iota of the facts by your saying: "I just couldn't bring myself to believe such things"? I seriously doubt it!

utilizes it in the physical plane of experience. Your enemy, the adversary, who experiences ONLY IN THE PHYSICAL REALM OF MANIFESTATION, has learned the secret of the ages and has used it for his own ends which leave the masses of mankind into his enslavement and has brought the planet unto destruction. How you finish your "journey" through the physical experience is none of my business.

My mission is to bring the WORD OF TRUTH as commanded by God, remind you of your laws of Truth in experience whereby you can build or regain balance and harmony within experience, make sure a remnant of Creator's "servants" survive well intact and bring HIS CHILDREN HOME! We of the Hosts have very viable physical facilities with which to accomplish that task but that is MY task; yours is to prepare selves and gain the KNOWLEDGE necessary for that journey or ye shall not be gathered up--that appears quite simple to me as far as directions are concerned. If you are reading this much of this printing then you are most capable of reading ALL provided for your needs.

As you move toward what you call "Armageddon" or "Apocalypse" you have the choice of learning and using TRUTH or continuing in the bindings of the lies at the hands of total evil--God will allow either decision to be fulfilled. If you wish destruction you will continue the feasting on the lies and deteriorate into destruction--or, you can pick up your sword of Truth and change the direction of the march. It will be left solely into your hands as to which YOU shall do.

EASY?

Yes, as easy as "changing your mind". Evil threatens and badgers but you have to allow his "use" of you. If you desire change then you will rise to the quality which CREATES that change and settles for nothing lesser. If you feel whipped and incapable then I suggest you will continue to be whipped, tortured, and brought into slavery in such manner that physical endurance will be no more than horror

of manifested misery.

You have been presented the most heinous lies of all--and THAT consists of the lies of your progression and what and how you experience your Godness and infinite journey of soul. Mark my words, little sleepy-children, there WILL BE NO RAPTURE TO CLOUDS OF FLUFFY RECLAMATION FROM ALL DASTARDLY DOINGS--GOD DOES NOT GO PREPARE FOR PHYSICAL BEINGS IN SECURITY AND THEN PLUCK YOU UPON FLUFFY, AND PROBABLY RADIOACTIVE, CLOUDS. HOW DO YOU INTEND TO KEEP FROM FALLING THROUGH THOSE CLOUDS? HOW DO YOU INTEND TO GET OFF THOSE CLOUDS AND TO WHERE?

You are told to simply believe on the blood of a murdered man of some 2000 years past and all is hunky-dory! No, YOU MURDERED HIM. He came forth to tell you TRUTH and about your infinity of existence and you have fed upon lies for generations until the Truth has been all but wiped from your history books. When new books are found, they are turned over to the "experts" and still denied unto your eyes and ears until such time as they are CHANGED to read exactly according to the lies.

How many will find Truth and the "way"? Enough. These JOURNALS and papers are destroyed, burned, used for threats and kept from you at every possible turn--but enough make it through to serve the needs of God.

Well, you might inquire as to what happens if the planet turns into total evil (which is very, very nearly perfected)? Simple--God's people will be picked up into safety (raptured, if you like) but only those who bring only the intent of living in balance among balanced civilizations and within the laws of God and The Creation. The rest will be left to their experience for as long as there is place to experience.

You might add that evil is conjured of man and does not really exist. Wrong--the Devil or "Satanic" monsters are conjured by

God will never abandon His people

12/31/91 #1 HATONN

There will be a time of sorting and God has many mansions and placements for the ones who attempt to journey in even semi-truth. But those who continue to deliberately refuse to experience Truth and deny it continually while resting on the potential "maybe" of the physical plane, you will perish for you will be in denying your resources as sent and await that which will never come. You have been told the way into wholeness and you will be left to your own wonderings and wanderings in searching if you continue to refuse to see with the gifted eyes and stuff plugs into your ears in preference for that which you WANT TO SEE AND HEAR. If an atomic bomb has been exploded over your head and all you see is fragmented frozen bits of atmosphere in a mighty whirlwind--does the bomb become a snow-blizzard? No, it is a nuclear bomb and it will burn you to death, quite probably damaging your soul energy essence in the bargain--for there are only a couple of ways to destroy "infinitely", the soul--nuclear devastation is one of them.

It is not physically weird or mystical; it is indeed according to the very laws of physics. Frequencies are set into motion which disperses the energy form and continues that frequency for incredible pe-

man--EVIL IS the experience of that energy which is NOT OF GOD.

So, then comes the argument that "What difference does it make then? I just want to continue in my physical place as long as possible and THEN I will decide." No, you will not "continue as is". When God cleans HIS house His people will be brought into security and as the final curtain is at hand HE WILL WITHDRAW FROM THE PLACE AS YOU RECOGNIZE IT TO BE. You have wondered and pondered upon "Hell"--you will have it without benefit of God's presence in any form within the MANKIND left--you will find yourselves in a place devoid of God and of Light. When God withdraws His gifts of Creation--there will only be the infinite presence of EVIL.

riods of "perceived time" so that the coalescing of the energy "DNA form" cannot be reattached easily. This is basically a method of "uncreating" soul essence. It is sophisticated in scope and a great mystery as to actions--but it is neither magic nor mystical in presentment.

I HEAR YOUR TAUNTINGS

You listen to your "speakers" and self-professed preachers and tellers of fortunes and I hear your tauntings of "prove it to ME". I have absolutely NOTHING TO PROVE TO YOU OR ANYONE

LETTER FROM THE PUBLISHER

Dear Friends:

I started out 1992 with the same concern you have for our country. The commitment here is to Hatonn, while we often forget to mention his crew who has the challenge of keeping their ships going (as well as the ground crew who diligently gets out your copy of the *Liberator*), we realize that each job is just as important as the next and this thinking truly flows on down the line to you.

Can we change what is going on? What can you do to help facilitate the change? Most people are asleep!! Can we throw water on them to get them to see or wake up? The challenge to wake them up is what we are about at America West.

We need your assistance!!

Your subscription for multiple copies gets the *Liberator* into the hands of your neighbors. Your donation gets the *Liberator* into the hands of others.

At our expense, we send out many thousands each week to those that call, ask for, or write, and also to the people who have no jobs and who cannot afford the *Liberator* any longer but know it is their only LIFELINE to TRUTH. This is a constant battle, to make sure there are enough funds to continue to PASS THE WORD (the cup) to others. We ask for your continued help in this job. Your subscription, your gift subscription, and frankly your donations keep everything expanding, WHILE WE CAN!!!

Lets get into 1992 with the job of working with others, assisting when and where we can. We, here at America West wish that this year will allow the unfolding to come and *God's* people will be spared much of the hardship that is befalling others.

May God continue to be with you, and the sorting continue to separate the darkness from the light so that we can reclaim the United States Republic "**under God**" and we can rebuild for the world to see.

Thank you,

George Green

"colors" without any thought to consequence or desire for life in any form at all--you have done it in the generations before and some of these very souls are gifted with the opportunity to again experience in the physical format so that you would have another "chance" to reclaim soul and the majority have failed, again, that priceless chance of self-salvation off the Hell of negative experience. You have failed them and you have abundantly failed self.

Now for a big "OOPS"! You who continue to perpetuate and condone actions which are without the laws of God and against the laws of The Creation are as guilty as those who actively participate for within your hearts you are also a participant in the evil experience. Does this mean you have no compassion for those who do not know or choose deviation from the Laws? No, it means you never lose sight of the Truth of right and wrong **FOR THERE WILL BE NO DEVIATIONS FROM THE BALANCED PRACTICES IN THE HIGHER REALMS OF EXPERIENCE--PHYSICAL ACTIVITIES ARE BOUNDED INTO THE PHYSICAL EXPERIENCE.** There are myriads of in-between places for learning if your desire is on the path to that knowledge of perfection--if the intent is to none of the Truths of God then you shall be left to your experience in your so-called Hell and endless searching in a place without peace or understanding.

The physical experience is provided for the learning in reason and logic which matures a soul. In the etheric expression there is no opportunity to practice those Truths in manifest form and that represents a place which might well be called limbo--without comprehension.

Now for the punch-line. Before the journey of each soul fragment is finished, no matter how long you might perceive the journey, **YOU WILL COME BACK INTO ONENESS WITH GOD OR YOU WILL LIVE IN FOREVER SEPARATION SO THAT THAT WHICH WOULD BE YOUR PLACE IN THE TAPESTRY OF ALL IS FILLED**

AND NOT LEFT VACANT BY YOUR ABSENCE. THAT PLACE IS LEFT OPEN FOR EONS OF EXPRESSION AND EXPERIENCE BUT ULTIMATELY THE "GREAT" CYCLES WILL CLOSE AND HE WHO IS OUTSIDE GOD IN THAT CLOSING WILL BE FOREVER AND EVER OUTSIDE GOD.

THE MAJORITY PRESENT ARE WITHOUT GOD?

What you perceive and what you HAVE are two greatly varying things. You have myriads of beings who are basically "soul-less", already devoid of God because they are not created nor contained by God--they are manufactured by Man and are the products of pre-manufactured MAN devoid of Godness. God Creates from Light into Light and at the time of a massive closing cycle upon any physical plane of experience--most of the beings present are NOT OF GOD! This is heavier testing and measuring (judging, if you will) of the men of God as to placement in the places of Creation.

HOW CAN YOU TRUST ME MORE THAN SAY, JIMMY SWAGGART?

That is strictly up to you but if you can look at the performance of a MAN against the laws you know within and find him wanting--I suggest something is amiss beyond simple "forgiveness" of the erring one. Forgiveness is for you to experience--not thrust upon another to allow his misbehavior.

Why should you believe me? I can only offer that you will find no lies in that which I send forth--note I said "send" forth. The returning "Master" God is NOT IN PHYSICAL FORM ON YOUR PLACE and neither am I of the Hosts. By the way--you will not be able to tell the difference in case you suggest that you only believe Aton (God) and not Hatonn! My wings are identical.

We have prepared a place for each and every one of you according to the promise--whether you accept the invitation is your business and, although we will miss your beloved presence, we shall not be offended by your childishness. But our "forgiveness" of your actions

will not ease your journey--only our own! Ponder it.

WE USE A HUMAN SCRIBE!

Are YOU not human? What have ye in greater knowledge that allows you to hear and see in massive measure that which is NOT human? Is it so unlikely that a Creator who has ALL KNOWLEDGE AND ALL POWER would not create that which is necessary to present the WORD unto you who ARE HUMAN? Does it, further, seem more likely that HE would utilize Jimmy Swaggart's or George Bush's "secretary" to print the words for your consumption? They have already given you piles upon piles, eons upon eons of lies--WHY WOULD GOD GIVE YOU TRUTH THROUGH THE PATHS WHICH ARE ALREADY SOLELY OF THE "LIE"? This very approach and denial is exactly that which the adversary depends upon as your response! My people brought forth for this purpose are given unto their task and mission according to their "job". It is their business to fulfill their job and what you do with the information is, again, your business to take or leave.

I can promise you, however, that you who find the word of Truth and then simply "choose" to deny it and/or teach against the physical presenters--err greatly for THERE IS NO REMOVAL OF TRUTH AND KNOWLEDGE ONCE PRESENTED. IN OTHER WORDS, ONCE YOU "KNOW" YOU CANNOT AGAIN "UNKNOW" NO MATTER WHAT YOU DO TO ERASE THE FACT OF IT. Often in the effort to bury Truth the one with the shovel compounds his own errors into the very loss of his own "salvation" and is buried by his own misfortune.

You are either "with God" or "against God"--there is no wishy-washy in-between. If you have forgotten who IS God then I suggest you be careful who and how you pull another into your ignorance for you do stand responsible for that which you deliberately act out against another if the other be truly ignorant. Usually, the other only pretends to be ignorant in hopes the "blame" will fall upon another rather than self--THAT DOESN'T SELL TO GOD, EITHER!

We shall speak on these matters more frequently in the coming lessons for it is abundantly necessary; however, most are offended that we take time from "the news" to write of mere soul and eternal life than what is going on at Edwards Air Force Base. It is simply the way of an awakening world and the frantic search for confirmation of Truth against the hidden lies kept from you.

BUT WHAT ABOUT MY THINGS?

What about your "things"? The enemy in your presence plans that you not have any "things". He doesn't, however, care if you have some "things" if you don't give him trouble. Yours is not to go to "war" for "war", killing and, etc., is NOT of God. You, if you are in service unto God and God's community, will act accordingly. As long as the masses stay asleep there is no bother from the TRUTH and he will even help you with your projects because he needs to "look good" all the while he is killing you. You see, an amazing thing happens to physically inspired power-brokers. It never occurs to them that they will be stopped. Oh, they know that "in the end" God wins--but to them who have written the play for you to follow--they perceive that "god" to be "theirs".

God of Light and Creation has already "won"; you are serving out a mission of telling Truth for the generations which might come to be in the experiences to come. Yours is to prepare a way "through", a remnant, to remind of the Law and move on into the Radiance of wondrous and magnificent creations beyond this measure of tiny experience.

I remind you of something you must seriously attend in attention. It will not be the "enemy" of Satan you need fear, chelas--it is your neighbors and so-called Christians who claim to be friends and children of Light. They are the evil counterfeits who will hurt you and steal and slay--not your "adversary" as such. It will be up to you as to whether or not you can hold to Truth or fall into the pits with the vipers. You sit in the hollow of God's hands so if you jump into the fire it is of your own doing.

1/1/92 #1 HATONN

Hatonn present in the Holy Service of God in and of Light. Let us collect our fragments and still the currents of confusion. You will please keep ever present in your minds the impacts of these new year moments. This is to be a year of most unexpected changes which will boggle the minds if you allow it. The adversary plans great changes to come about in these months at hand.

It is time to write of things which will be compared by every "crazy nut" to that which is already being filtered down into your consciousness by the misinformation and disinformation bearers. You are now such a controlled society of people that the differences will elude the multitudes and you

shall be given into the perceptions of insanity from time to time. I must write in TRUTH so that as things unfold in the confusion of the Planners' timing you will not be either surprised nor impacted by the blatant size of the lies. Always realize that somewhere in the middle of the extremes of projections will be found the truth of the tales which are now going to be loosed upon you. We will speak in specifics in some instances but I will use generalities in explanation to cover much up-front which will later be spoken of more leisurely.

What I have to tell you is already breaking forth from the more "wild" of the UFO community of deceivers but, you see, the only thing wrong with their conclusions lies in the assumptions of "alien

GOD, cont. from previous page

I have written and re-written regarding measures you might pursue. I cannot do it for you and if you are now starting without job or place of housing--it becomes ever constantly more difficult to do anything at all.

My people have a job at hand to do and prepare. They may not set aside their job to attend your needs so do not expect such. Oh, I hear you, "I don't expect that"--but you do for you then say, "but God will tend me as the birds of the fields and dress me as the lily"--so--why come to these people? God gives unto each His measure and it contains ALL. We have three pending law-suits against us from ones who said the same as you--only to explore, exploit and then blame my people and myself for their lack of increase and wisdom.

I can give you ways to buffer your losses and hold to some assets--perhaps even prosper. If you choose not to use them, so be it for I care not what you do with your "things". I have no need of your "things" but your brethren, and you, certainly do! Further, if you remain "chained" to your "things", there is no way in the physical world that you can lift off that physical compression. The physical "wealth" is for use in the physical expression where it has value for the body cannot either eat or feed the mind with those "things". It is the use of wealth that gives it value for there is no value in a pile of

gold which "sits" in the pockets as the chains of bondage. The day will come--and I promise you without equivocation--there will come the day, if you hold assets, that you wish to your dying moment that you had shared them in the building of survival shelters and food storage. It is now at hand and you who hold to the dream of profit and fantasy--are at the threshold of seeing the bubble pricked and your foolishness poured forth upon your unwary heads.

Dharma, we have written long this morning and I am about to move into this subject more deeply regarding reminders of actions. I ask that, since we have a meeting we close this segment and we will take up more physical matters in the next sequence.

I ask that you bear with me, scribe, for it has been a most horrendous period of time for you and for my workers in the planning and interruptions of plans as we must adjust to course. Nothing is changed--only approach in intelligent wisdom.

Some of the avenues open prior to this are hardening up with new rules and regulations but we can look at them closely and still find openings for utilization of some measure of safety and projected possibilities.

Note your "markets" and note that not only are there volatile gains and losses but the remarkable

beings instead of manufactured earth-bound beings. This is THE MOST IMPORTANT facet in the wrong conclusions but, nonetheless, it is time to speak of these "incredible" circumstances before the news hits the headlines.

The point of actions from here on in will be to panic and paralyze you citizens with the sheer magnitude of the technology present upon your place. The adversary has been working toward his goal of world domination by year 2000 for thousands upon thousands of years and you are now within the final decade of the entrapment so you are going to be shocked and terrified by that which will come into your knowledge.

I have gained a reputation of doom and gloom--fear mongering

stupidity of the clues in their openness. Note that on the yesterday with the magnificent "gains", the top "gainers" are the defunct industries such as General Motors, etc. This is your proof of the shoring up through total falsehood and know that the sword is ready to fall on "call". Remember the markets are planned to reach at least 3500 points and gold to go well over a \$1,000 per ounce or more. Their system is not ready nor convenient for total collapse and, if they can pull off that total collapse without you realizing it, all the better for their purposes. **YOU ARE IN THE TRAP, WHETHER YOU LIVE OR DIE NOW DEPENDS ON YOUR RESPONSE TO THE TRAP. YOU CAN EXTRICATE SELF OR FLAIL YOURSELF TO DEATH WITHIN--IT IS UP TO YOU. SALU.**

Dharma, please tell George that it is time and I shall be pleased to sit with him on the radio interview this coming Sunday evening. It is time to put the stupid UFO mystics into their evil place of misinformation. I am not come for hype nor excitement--I am simply come as your "way home". So be it.

You still wish to continue to think of this as "just another portion of the game" and "I'll reap reward without insecurity." Not in MY property! If you play through and by the rules of evil then so shall you be left to those resources. ●

and even being Satanic. No, none of those things but what I will outlay to you "ordinary" unknowing people will be mind-boggling and beyond science fiction of any kind shown to you prior to now.

ULTIMATE PUNCH-LINE

The ultimate punch-line to the adversary's plan is to align the masses into unity through assumption of an outer-space alien threat to the planet. No, I repeat--you have no enemies in space--they are all land-locked and the plan so well laid and orchestrated that the presentations unto you will cause you to believe that which they will tell you. I must tell you the truth prior to the "pranks" because only in that advance warning will you be prepared. ALWAYS as things unfold--look unto the PHYSICAL ASPECT. GOD is a SPIRITUAL influence and condition and thus, that which is manufactured and manifest in the physical and breaks ANY BIT OF EVEN ONE LAW OF GOD IF PRESENTED FROM THE COSMOS, IS NOT OF GOD BUT SERVES THE ADVERSARY--and you are in for some real doozies right away now.

You will continually harken back to the writing of yesterday as we write during these coming days because you MUST know of the separation and sorting and if you are still playing games with God, I suggest it is now time to stop it. GOD is not a groveling wimp who will allow you to go into infinity with such stupid ideas and actions as you have been told. HE WILL ALLOW NO EVIL ACTIONS OR INTENT WITHIN HIS HOLY PLACES! That means that it will be only through honorable service and intent that you will make that journey WITH God. You may get interim placement but you had best look most carefully at intent because the days shorten into a very precious few. Each day will be a gift of gifts.

The intent was to pull off a planetary testing of the massive Woodpecker/Wormwood pulse system now fully connected. If those tests go wrong you will have an ignited radioactive belt about the

Please see ACTIVITY, next page

**ACTIVITY, cont.

planet. The assumption is that at worst it will keep the Hosts from entering your space. It will NOT do so. However, your Elite controllers now have finished and interconnected underground survival centers worldwide and connected by channels with such advanced technology that hundreds of years can be spent comfortably in shelter while the surface recovers--if necessary. This will be utilized above or below sea level. It is only you--the people that have no shelters and will not survive. You still have time for action because a few things are not complete and final function of the "system" will be more perfected if the "Plan" is more fully complete than on this day. However, as of day one of January, 1992 the system is linked and the Elite ARE IN CONTROL. That does not mean America, chelas.

What you DO have this day is a breakdown, however, of the Soviet break-aways and the Zionist elements. The break-away nations and the fundamental elements of the Russian coalition will not tolerate either Yeltsin or the Zionists, even if a full-scale nuclear war must be had immediately. When Shevardnadze says you should be worried mightily about those nuclear weapons in the "wrong" hands--he speaks much too softly--they are poised and ready to fire. But that is not the subject of this evening's writing.

REPTILIANS AND LITTLE GRAYS

It is time I confirm and explain the presence of massive underground systems throughout your globe--which are very "human" oriented and occupied.

You will be told that these installations are headed and run as a hostage situation--by aliens. Reptilians and Little Grays. BS! Are there Reptilians and Little Grays present? Indeed! There are massive numbers of them--all cloned, replicated and terrifying. You will further be told that they hold your government hostage. More and deeper heaps of lies--they are produced by the good-will dedication and greedy money grubbing governments at the control of the Elite Committee of 300 who operate out

of Switzerland and headed by the Royal Crown of England. These are the Satanic British Zionists originally known as the Serpent People. This is exactly why the Reptilians will be presented to you as the ones in control. The Serpent is the symbol of Satan and these ones have never even bothered to lie to you about their label.

UNEMPLOYED

Sit quietly for a minute and consider numbers with me, for as these underground facilities are coming to finished status there are a lot of suddenly available unemployed. You are showing increased numbers of unemployed NEW sign-ups of half a million a week. You are talking now of millions out of work--from where? Yes, from all over, but WHY?

How many people, say, in the area of Lancaster/Palmdale, California, might you personally know who work in the aerospace industry wherein groups work on items which are isolated and secret with penalty of death as reward for tattling? Almost all is done on "need to know" basis and ones are going to realize they have been working on projects which were so unworldly as to shock Spielberg. Worse than what appears on the surface, they are subjected to mandatory testings, physicals, etc., where they are totally programmed "to forget" what they have seen and heard.

I am going to name some names and places (locations) so that you can check them out as to authenticity and then you will find it easier to accept truth as it is unfolded to you.

We will start in the local area of Southern California in the Edwards Air Force Base area extending in a large triangular shape which includes all the way to Pasadena, Long Beach, Palmdale, Lancaster, Tehachapi, Mojave, Edwards and China Lake--just for starters.

We have spoken often already about the areas of "51", "72", Dulce, etc., in Nevada, New Mexico and Arizona so we will leave it to suffice that duplication is present in those places as well. Ones who have had the "privilege" of tourist rides into Yucca Mountain to check

out the tunnels for planned nuclear waste sites will not be as shocked as the rest of you unsuspecting ones. At Yucca Mountain alone there are over 35 major tunnels which totally catacomb the mountain at all levels as deep as several miles. There is only one tunnel open for public eyes and it is impressive enough to stun the eyes and minds of hardened engineers.

In the Palmdale area beneath a "hanger" type building, which actually is movable on tracks, is a multilayer technology center over eight levels in depth and the size of a massive city. The workers are mostly manufactured robotoids and synthetics made for labor with computer intelligence. Human participants are of the "Ultra top-secret clearance" personnel.

At Edwards launch area in a bluff (butte) called Haystack, there is an even larger installation underground with incredible beam pulse systems, aircraft launchers, stealth equipment in coalition with the Soviet Cosmosphere program with total capability of destroying the planet in some 15 minutes.

Locked into that installation is a massive underground facility near Tehachapi called The Anthill (Northrup). There are open silos wherein light laser systems are tested and cosmos-drones sent out like marching armies to probe electronically. They are like little basketballs of light running usually to blue and sometimes golden/orange.

These particular installations are carved out with digging equipment which melts the mind as to possibilities as nothing stops them--not rock nor metal. They are drills tipped with diamond bits and carve a 40 ft. tunnel in mere hours. Interconnecting these installations are high-speed transit rails with "trains" which "fly" on an electromagnetic system off the ground at incredible speed. There has been a lot of "blasting", also, but covered by the stories of aircraft moving through the sound barrier and after a while it simply became that no-one paid any attention.

BEINGS INVOLVED

I don't even like to speak much of the Reptilians because they are dramatically for fear effect. Some are simply beings with leathery type of covering for protection pur-

poses and are no more than humans in costume. The Little Grays fit into a different type of category and if not selectively handled get completely out of control. These are both comprised of manufactured (soul-less) beings without compassion or feelings of any type. They are very "strong" physically and the "Grays" can literally infiltrate into the substance around them, i.e., they can "float" or disperse through a wall or door, etc.

There is a third type of replicated being made in the form of that which is presented to you on television as an "Orange". These are computer-bright but basically clone laborers. These are very human in appearance but too synthetic to fit in with your citizenry.

I am going to remind you--**THESE ARE NOT SPACE ALIENS ALTHOUGH PATTERNED FROM ORIGINAL ALIEN ENTRIES OF EONS PAST.**

I hope you are beginning to get the picture, chelas. These are the adversaries OF GOD and of we, the Hosts. They neither have the technology to traverse the cosmos nor are they even allowed into the space beyond the Earth orbiting system at best.

These ones are led and controlled by the entities who would Rule the Earth and they are the reflection of hybrid, emotionless beings who serve the World Order "Elite". They are basically Satanic tools and act on direct orders of the controllers.

WAR OF THE "GODS"

We don't speak of "Gods" as such, but the idea fits. It is the time of sorting and separation of the participants (players) on the physical orb called Shan (Earth). It is the time of retrieval of God's children who are experiencing on the place for all sorts of varying reasons in soul-growth progression. Evil intends to rule the globe and all things thereon. But, he has already destroyed the bountiful wonders of the globe and it cannot continue as is. Therefore, the plan is to take control through whatever means available--preferably leaving a remnant of Godly slave laborers and annihilation of other souled beings.

Please see **ACTIVITY**, next page

ACTIVITY, cont.
from previous page

This will be accomplished in two ways.

1. He will simply convince the souled being that God is not who and what He claims to be. Those unthinking masses will simply be led down the "primrose" paths through the mire of lies and dis-beliefs of truth. These, for the most part, will be called Christians (by any other label). These ones will be side-tracked into a belief system which revolves around the human physical being of, say, a Jesus Christ or Buddha, as adequate examples. They will set their intent upon denying and "proving" the non-presence of God, Hosts, Goodly Aliens, etc.--anything of the Spiritual realms of Light. Their whole intent will claim infinite experience but will be entrapped in total physical and material matter.

2. He will simply enslave physically those who stand against him and as ones are no longer useful, they will be slain and/or used for testing, etc. Disease will wipe out multitudes and then wars will annihilate millions, famine and exposure will get more and in the interim, all dissenters will be interned in compounds if they are thought to be dangerous to "the cause".

Ones who go about their business without great confrontation will be basically left alone if they are in areas wherein they are no bother.

GOD WILL NOT INTERFERE

There is full understanding between the higher "commands". Our people are not to be harmed. This does not mean that ALL know this even though ones who attempt bodily harm are usually taken out a.s.a.p. by their own group. The adversary will not risk encounter with my Command. God's people are "off limits". I suggest you be making very, very sure as to whether or not you are one of God's people. Don't ask ME! If you don't know then you better get awfully worried.

Does this mean that God's people will not be caught in anything nasty or negative? No, many of you will perish and no place, as such, is safer than any other. I can assure you that you will have colds

and flu, get cold and get hot, hungry and tired just like everyone and anyone else. You WILL be allowed to fulfill your mission whatever it might entail and you WILL BE RECLAIMED AND BROUGHT INTO SAFETY AT THE APPROPRIATE TIME.

There is time left for action in almost unlimited manner if you utilize that time well. Things are not in order to the point of desirability on the part of the Planners so you will simply work within that circumstance in which you find self. There are still some methods of assisting selves with security in ability to barter, etc., if you use intelligence. Violence will simply get all of our workers killed and it will not be tolerated--if I have to tell you that point then you are going to harm more than serve good. You will be sly as the serpent and gentle as the dove--dead martyrs serve no one. Your job is not to fight the war--yours is to bring Truth, put it to press, assist wherein you can by example without force or undue nagging for each will have to know for self. We must have a "remnant" and that means that you of my command will not act in foolishness or you will be put to the side lest you endanger the entire lift-off program. You will be given to know your task when appropriate and he who acts in greed will be put to last. Know that we can beam you up into safety from Mars if need be. I can get you aboard the *Phoenix*, for instance, which is far outside your orbiting place.

OTHER PLACES IN THE U.S.

There are massive bases in Canada but some of the more important strategic centers are, of course, around (under) Atlanta and Arkansas. In some of those areas there were already an underground "alien" race and massive tunneling complex. There are also ancient tunnels under Tehachapi, for instance. The military has now tunneled right to the side of the crystal in Tehachapi and we have now blocked their entry into that portion of their system. Only a tiny portion of the crystal in point is allowed the use of Earthians.

"Is it over"?

1/1/92 #1 HATONN

No indeed. I am simply telling you that you must be ready for that next assault on your beings as we have described it in the past. Remember, I told you that before you are through, the enemy will blame all things on aliens to prevent any of you being reclaimed by God--**THE BATTLE IS FOR YOUR SOULS--ONE DIRECTION GIVES TOTAL FREEDOM AND THE OTHER ENSLAVEMENT AND YOU MUST DECIDE WHICH YOU WILL EXPERIENCE.** How many will see through the facade of the physical illusion and into the co-creatorship which produced that illusion? When you understand God then you will also understand that it only requires YOUR decision. It is up to YOU to choose the gold or the gold-covered lead! Both appear the same and often the lead covered in gold appears the more shiny and desirable to the fleshly experience. The lead actually has more value in

Poisoned waters

1/1/92 #1 HATONN

Other bad news includes a slow and deliberate addition of herbicides into the water systems of your cities. Most is by accidental seepage from growing fields at very low levels of toxicity but now covering massive areas. As water supplies dwindle in the areas stricken by drought there will be more and more actual toxic response to that pollution. There will also be virus infection via water systems whereby whole villages and sections of cities will become ill within hours--simultaneously.

The cover-up is massive and "leakers" or "speakers" are dealt with instantly by either absolute negation of "law" or injection or by death--mostly the latter depending on the importance of the "squealer". You have ones in the local group who are targets who managed to survive all three types of assault. I will tell you now, it is very difficult to kill one of my people. Usually the journey to this side is vaguely remembered and almost always the trip itself is recalled and known at the time and again remembered at some time later.

the higher experiences.

A guide to "clues" is also available to you who will mentally take a look. The protocols and instructions are in place. Bridges, passes and area dams are now bombed (mined) and tracking stations already in place--to keep ones in the area wherein you ARE when the curtain falls. This means a shut-down of all international travel, and interstate travel as well, as time passes. The point is to actually lock you into a small area of location and one in which you can be easily controlled and accounted for. Note the closure of one airline after another and note how many of those airline planes are at Mojave! As surface travel is shut down those parts will be utilized for other types of vehicles and weapons.

The plan, of course, is to allow things to appear natural in their occurrence--i.e., the markets will fall and you will be in a depression but always with the prattling that "it is getting better"--"just a fluctuation". You will be like the Russians--into disaster without realizing it happened to you. In your confusion you will get deeper and deeper into the pit until the trap is closed. Then the government will simply pull out all resources (welfare) and it will appear most spontaneous because, after all, a government without money cannot maintain anything. The ignorant will remain ignorant and in denial until it is over and some will never know differently, much less admit that what we gave forth was right and correct.

Will you go down without revolution? Probably not, but the bigger gun usually wins, especially if he has trained himself to be more clever. You, dear ones, have been uneducated and many of your so-called educated adults can neither read nor write.

BUT WHAT OF ARMAGEDDON? "YOU SAID --"

Indeed I did and you can expect eruption in the Middle East momentarily because the Zionist impact is into the areas of the break-away Republics and the military

Soviet machine is efforting right now to squelch any anti-military control. The military machine is on the march and it will prevail. It has been carefully orchestrated to get nuclear capability into the hands of all the little antagonistic nations to specifically allow for war. Oh indeed, if there remains a world of nations, there WILL BE AN ARMAGEDDON. I remind you--the plans are finished, for all practical purposes, to totally leave the surface of the planet to destruction while Satan and his henchmen move into those worm-holes underneath to "ride out" the storms.

In all of the installations are men, women and children synthesized and ready for reproduction at such time as viable life forms can be reintroduced.

You of the remnant of God's people are for the purpose of making sure all of God's people are aboard and into security when departure time is at hand.

Yes indeed, I am talking about the total departure and separation of God from the planet leaving the evil manufactured entities to their destructive and depleting cycles.

Some who are left and made poor choices on the wrong assumptions will be allowed growth at separation from the physical as soul separates from physical life-form but this will only last through a couple of generation cycles at most. However, the truth will be made obvious and there will be opportunity to again stand in the place of God. It will, however, be only briefly and then, finally, the planet will be left to cleanse and recover as life forms are simply cycled away as living conditions become too hostile for all life forms.

**BUT YOU SAID "WE STILL
COULD - -"!**

Yes I did and do! But will you? You don't even have many who even believe what I just wrote to you. "Oh," you will say, "...that is just stupid but unreal science fiction." Yes, that is what they assume you will say and how you will react to Truth. How comfortable are you this moment? How stable is the economy? How stable are the jobs? How healthy is your society physically, emotionally and spiritu-

ally? HOW do you believe it can RECOVER? Where have all your industries gone? Well, brothers, most of them have literally gone underground--where they don't need YOU any longer. The Plan is to bring the population of this planet down again to 500 million people and no more--that means some 6 billion people will be killed--one way or another. That also means that a lot of God's REAL children, with proper intent of Godness, will be watching from a nice safe distance in order to begin and establish a working system within Radiance.

As I remind Dharma of the experience of total treasure when the very hand of God brought you out of the void of mist--so shall that hand lift you into eternal radiance--**IF YOU HOLD UNTO THAT LIGHT OF TRUTH FOR THE TIME IS AT HAND FOR THESE THINGS TO COME FORTH UPON AND UNTO MAN OF EARTH PLACE.**

IT MATTERS NOT WHICH IT BE IF YE ARE PREPARED. I MUST GIVE YOU BOTH EXTREMES AND THE MIDDLE PATH--FOR UPON MAN'S CHOICES RESTS THE JOURNEY. IF ONLY ONE MAN WOULD RECOGNIZE HIS GOD POWER, THE ENTIRE PLAY CAN BE CHANGED--WILL YOU DO IT? AND IF IT COMES TO BE--DHARMA, WILL YOU WRITE IT? YOU HAVE PLAYED BY THE EVIL RULES AND SCRIPT FOR SO LONG THAT YOU HAVE FORGOTTEN TO INCLUDE A NEW PLAYWRITE!?!? WHAT WILL YOU, DHARMA, WRITE AS THE END OF THIS PLAY? HOW ABOUT YOU, GEORGE? OBERLI? LITTLE CROW? WHO WILL APPEND THE ENDING TO THIS PLAY? WILL YOU ALLOW GOODNESS TO PREVAIL, OR EVIL? THE HOUR-GLASS LAYS THERE UPON ITS SIDE--HOW WILL YOU TURN IT? WILL YOU TURN THE EMPTY SIDE TO "UP" OR THE "FULL"? GOD WAITS! EVIL WILL NOT STAND IN THE LIGHT AND TRUTH IS THE LIGHT AND THE LIGHT IS THE WORD

Truthbringers plans

1/2/92 #1 HATONN

If I bring you Truth does that make me your enemy? Could it not perhaps indicate that I am your friend and brother and that I wish to help you? "Man" has painted your "visions" for you and you have learned to follow like sheep in the pastures, even to the same conclusion. If the lead sheep moves to a tuft of grass and eats it, is there that tuft of grass for those who follow next and next and next? Nay, and the land is stripped as each oncoming sheep tries to eat the same tuft of grass--into its very roots.

The adversary has eaten the good grass and now leaves you to the barren ground. He has, in addition, poisoned the bits of roots remaining and given you just enough to train you to not search for selves. Ah, you are out of work? You go for unemployment and when that is gone you go for welfare! But who pays the sums to foot the bill for the services? You are helpless and because you can no longer be tended--you will not survive in most instances past the first throes of the disaster. You will still be trying to figure out what to do while protesting to the government to "fix it" for you have learned no better. The sun (if it shines) will shine upon the just and the unjust, the rains will fall likewise--and what will YOU do? Where will YOU go? Please do not come unto my people who have listened and prepared for theirs is a mission already laid forth and it is NOT to give unto YOU so that you have nought to do or act to prepare for self. There are no tufts of grass left to them, either. They are fulfilling their task of telling you of the Truth of that which IS and in the ending they will be hidden and protected from you who would not hear.

The plan is to continue to "fool" you to the very midst of the disaster so that you are rendered helpless and then the depopulation of the planet will occur. You will blame God when it is only from God that you are receiving warnings that you are on the final stint of your journey if the adversary has his way.

Why will God not "fix" everything? Because you as a mass of His creations have earned no reward--you have only denied His

Truth, His Laws and His Hosts come to help you. You have simply buried in more deeply into the "things" of physical matter and clung desperately unto those things of luxury unto the flesh. Most of you will throw out a carton of milk simply because the contents have passed the date on the carton--when the milk is yet sweet and wholesome. If this be your mental set then why would God only prolong your misery by allowing you more and more disillusionment? Nay, the warnings have poured forth and you had best listen to the words in the books you call "Holy" because the adversary has laid forth his plans for you quite succinctly. If you insist on following that which is in those books as if there could not even be error--then pity is yours--not salvation.

You who pick at your truth-bringers and set up meetings with so-called learned persons to "convince the truth-bringer" that he is ignorant while you chant that which is laid before you as gospel--you err greatly for the child is smarter than the adult in point and it will be the adult who has earned his journey into that which will befall him. **THE BOOKS HAVE BEEN WRITTEN INTENTIONALLY TO PULL YOU INTO THE TRAP AND HEAP APOCALYPSE UPON YOU IN YOUR REFUSAL TO SEE AND HEAR. YOU HEAP EVEN MORE "SIN" UPON SELF BY EFFORTING TO DISUADE ONES FROM THEIR PATH WHO HAVE LISTENED AND FOUND TRUTH AND INSTRUCTIONS.**

By your own revelations and projections you say that God will send His messengers in preparation for the return of His Light. But you recognize them not, no more than you are allowed to recognize the Truth of the returning Master. You have lived by the lie and unless ye turn again into the Truth of God all will be in perishment who are left to their journey upon the place for the adversary intends physical death to you of the masses--over six billion of you. At the point of the final curtain, We of the Hosts **WITH GOD** will have removed our

people and, precious ones, there will be no "rapture" just to get you off a dying planet wherein your very souls will have fallen to the foe. Therefore, as you check out my "facts as given" I suggest you consider that my "reasoning" may be as accurate and valid. You will never find death through turning into the goodness and safety of God so I ponder as to why you would fight Truth so hard and insistently. We only bring a refresher in the LAWS of God and Creation. The very fact that you struggle and argue in terms of physical material matter says that you do not have Truth in you!

"Oh," you tell me, "...but it is the blood of Jesus who will save us even unto the last breath." No, it is NOT so. The blood of a man, Jesus, at best, is nothing but a physical presentation of corpuscles, white cells, etc., now dried and withered in physical passage of your perceived time. There is no time and no space and no blood--**"CHRIST" IS AN EMOTIONAL "STATE OF BEING" IN GOODNESS WITHIN THE LAWS AND INFINITY OF GOD THE CREATOR--THE BLOOD OF A MAN IS NOT EVER THE SAME AS THE STATE OF CHRISTNESS. CHRIST IS IMMORTAL UNTO GOD OF LIGHT. THE PHYSICAL PERISHES AT BEST, AND THAT PERISHMENT IS USUALLY WITHIN THE GRIPS OF THE PHYSICAL SEARCH WHICH IS NEVER FOUND IN THAT DIMENSION OF EXPRESSION.**

So be it, for mine is not to nag and tag at you. To ones still searching instructions and who come to finally "find" and listen, I shall relay (repeat) a few possible actions for preparation and allow you to see at what point you have arrived. Do you have to do anything? No--but this is for the "physical position" and if you heed

AND THE WORD IS GOD! SO BE IT.

I SHALL LEAVE YOU TO YOUR THOUGHTS AS I OFFER THE GIFT OF INFINITE LIFE AND LIMITLESS POWER TO CHOOSE. ADONAI! ●

not, you will find yourselves mired in the destruction as planned--against your physical survival. There will be no longer any physical perfection in the years ahead of you for the "planners" have planned well so that few can survive in the physical form past a few brief years of experience. The earth will heave and shake and kill, the economy will collapse and kill, the political will become anarchy and kill--the very breath of life will kill.

Can you change it? Indeed--but will you? At best, the changes which must be made cannot, in your time perspective, be made without total chaos and slow regrowth. There will be no instant anything any more--save death of the physical beings and removal of your physical property. You have bought the lie to the extent that you hear not the prophecies in proper perspective. For as God has created YOU, so too is evil presented--by and from the physical allowed freedom of choices and given into reason. Therefore as long as there is "physical" manifestation--will be found evil presence. However, as with planets who come into their own radiance--the old is left while the radiance of beauty and Light replaces the sick and dying. On those places left to their plight (in the pits wherein evil (Satan) is binded) that evil shall also eventually perish and thusly at some new time in evolving creation the old shall be renewed--but you will not physically be aboard, in all likelihood--for you will have, at this passage of expression, made your choice to dwell without your Creator God. In the ending you who have denied God of Creation will be denied by that God for He will no longer know thee. Force is not of God and he will leave thee to your own choices--ALWAYS!

TO YOU WHO CHOOSE TO TRY IT GOD'S WAY --

Always God offers insight unto the very last moment and for that reason I will again speak of things within this mortal transition into control by the adversary. We must offer God's servants the knowledge of survival for the transition and for the physical passage to allow our mission fulfillment. God will leave NONE of HIS people--but you must be very sure you believe on the cor-

rect premise--for God WILL LEAVE all who deny the TRUTH OF HIS PRESENCE--AND IN THIS ERROR MOST SO-CALLED AND SELF-STYLED CHILDREN OF GOD WILL BE IN THE LEAVING TO THE PHYSICAL DEMISE WITHOUT THE PRESENCE OF GOD WHILE THE ADVERSARY LAUGHS AT YOU AND SAYS "AH HA!--GOTCHA!"

IF YOUR BELIEF ON GOD IS ATTACHED IN ANY MANNER TO A PHYSICAL SCENARIO OR PHYSICAL "SIGN" IN LIMITATION, FOR YOUR SALVATION-- YOU ERR AND WILL BE LEFT TO YOUR OWN GOD OF DARKNESS WHO HAS MISLED YOU. NEITHER WILL IT HELP YOU TO SHOUT THAT YOU HAVE READ THE BOOKS OF THE GREAT WRITERS AND HISTORIANS--FOR THEY ARE WRONG!

Precious Jen and Cort, I ask that you send this message unto your beloved parents for they have erred greatly and, in their blindness, they have refused to see and hear. You must allow them their journey, children, for if a Man cannot see that physical expression and soul journey are not the same, then he is blinded beyond recovery if he will not have his eyes checked for error. You are living in the time of the ending cycles of the sorting of wheat from chaff--ye are wheat and the chaff must be released unto the winds to search further for fertile soil and God direction. I care not whether or not ones deny God and the presence of the returning Master for that is their privilege of passage. I must, however, ask you to remain strong in your Truth for the commitment of service is unto God in that very journey into His places which is at hand herein. "Religion" is NOT "Godness nor Christness"--Religion is a blinding, binding shackle unto a DOCTRINE--and doctrines are set forth by MAN--NOT GOD. At best it is always the INTERPRETATION OF GOD BY MAN UNTO ANOTHER MAN WHO IS NOT WILLING TO SEARCH TRUTH FOR SELF BUT RATHER FOLLOW UNTO ANY WHO WILL TELL HIM THAT WHICH HE CHOOSES TO HEAR. YOU WALK WITH GOD, CHILDREN, AND YOU HAVE COME INTO THIS TRUTH

THROUGH SEEKING AND TOTAL REASON--BE KIND AND FORGIVING UNTO THOSE WHO EFFORT TO PULL YOU DOWN INTO THE PITS WITH THEM--BUT RELEASE THEM IN LOVE AND PRAYER THAT THEY MIGHT FIND TRUTH FROM THE PILES OF LIES. SO BE IT.

AS TO THE PHYSICAL POSSIBILITIES

In response to the old and timeless Chinese proverb which says, "May you live in interesting times": You are certainly living in interesting times.

You have lost your vision of Truth and "reality" and "Where there is no vision, the people perish." (Proverbs 29:18)

Shall we begin this journey through tedium with reminders and status reports? Perhaps you will hear and see through purely physical expression for God serves those who ask in intent of Godness. The "call" compels HIS response--He will be where ye art--always. Let us speak of the general scenario of present circumstances according to past relationships, etc. We do not need to pronounce doom nor gloom--just historical passage.

Let us keep it more simple for you in the American nation of the U.S. so that the story can be relatively narrow for purpose of insight--all can be connected to any and all locations and people but you need to focus on facts.

1990s: What has happened, what to expect

1/2/91 #1 HATONN

This last decade of the '90's has every promise of being the most challenging, interesting and hair-raising, goose-pimpling and devastating of any time past or present of the world. The era of post-war prosperity you have known since the late 1940's is going to be replaced by an era of some half decade or longer, of total contraction, financial convulsion, debt liquidation, and DEPRESSION. This decade will see tremendous rearrangement of wealth, millions of people will go to the bankruptcy wall and millions more will not even find relief in bankruptcy as assets are simply nil and voided. Some, however, as with all passages through the planner's scenario (if attended closely as to what "they" do) will make it through and some will even prosper greatly. These who listen and work within the laws of the land and utilize that which is presented for your use will likely do very well indeed because they are prepared and understand that more money can be made by a few in bad times than in "good" times. The Elite plan it that way.

Over 10,000 people became millionaires during the Great Depression because they watched the instructions and saw the handwriting on the wall--those economic signs of the times presented. They moved to liquidity, they got out of debt, out of the stock market which was and is even more so this day, manipulated and purely a tool of the Elite to fool the populace into stupid actions and beliefs; later these ones had assets with which to purchase at most remarkably depressed prices of 10 to 40 cents on the "dollar". Hundreds of thousands of people got out of harm's way by being mavericks, contrarians or independent thinkers--and by being prepared!

The vast majority followed the political/financial establishment line and went broke. The 90's will also have its financial winners, and many more financial losers. Wouldn't it be better if you were among the winners? If you are among the winners, you will have more chance of changing that which is coming down on the globe--losers

are locked into the same prison with the other losers.

Let us not speak herein greatly of the International Beast--which controls you. We can make our point by considering only the U.S. and the scenario becomes more defined. We will pretend the controlling Elite are in your sector. THEY ARE NOT so do not "skim" this material and tell another that I have said otherwise--THIS IS FOR EXAMPLE ONLY--THE CONTROLLERS ARE FROM THE COMMITTEE OF 300 AND THE OPERATORS IN YOUR GOVERNMENT AND POLITICAL/ECONOMIC CIRCLES ARE BUT PUPPETS AND PAWNS.

The 1990's will witness political crises and convulsions unlike any you have seen or experienced since the founding of the "Republic", as George Bush and the Liberal Eastern Establishment effort to push you into the New World Order. Actually, they have already signed, by treaty, your demise as a sovereign nation set up to now be governed by and enforced by the United Nations--under what was the old Soviet Communist Zionists. By the way, the old Communists do not like the Zionists even a tittle--and it is planned to bury the Zionists--(those are the Jews, friends), right along with the New Yeltsin Commonwealth. The military has taken control of those nations and do not fool yourselves one moment longer. You WILL have wars of untold horror--for it is planned as a part of depopulation.

The plan is to totally negate the U.S. Constitution (which has already been done IF no-one stops the silent ratification) and replace it with the new international authority under that UN and some "three" regional governments in Europe, North America and the Pacific Rim.

OTHER LOSSES

This decade you will witness tremendous loss of freedom as the liberal Congress you elected, bureaucracy and executive branch pass a myriad of socialistic, people-controlling laws and regulations to control your people and turn them into slaves. Elections are controlled and if you do not see it then you are

hopelessly blind. The absolute disregard of the "system" to honor Constitutional law by the political parties is incredible in its public display. You have candidates of high standing absolutely being DENIED any method of even coming onto public ballots for you the people to choose or deny. It is depended that you-the-people will applaud the selections and do nothing. Why do you suppose there is such a push to keep Buchanan, Duke and others OFF the ballots--could it be these men have done something RIGHT?

The West and America (YOU) are going to witness threats, constraints and coalitions with a totally armed Soviet Union, still totally directed by Marxist-Leninists dedicated to nothing short of world domination. Please note the writings of the past few days--IT IS DONE! THE SOVIET UNION IN CONJUNCTION WITH YOUR OWN GOVERNMENT NOW HAS TOTAL HOOKUP OF PULSE SYSTEMS OF GLOBAL NATURE AND TOTAL SPACE CONTROL--TOTAL. Your country has been totally infiltrated by military and intelligence personnel. I remind you that there are more KGB/Mossad personnel in the CIA than all other put together! The CIA is simply a Soviet/Zionist branch of the Soviet/Israeli brotherhood. This has almost nothing to do with Russians or Hebrew "Jews". Most Zionists are not in any way connected to "Jews" in any manner whatsoever!

This decade will witness the greatest attack on the "family", the greatest wave of crime, social upheaval, and threats to your very basic American way of life--in all of history. The great majority of Americans are likely to sleep complacently through these times of economic and political upheaval *until they are broke, until they are serfs under the New World Order and/or BOTH.*

ON THE OTHER HAND

THE 1990's WILL ALSO BE A TIME OF GREAT EXCITEMENT, OF GREAT OPPORTUNITY, OF GREAT CHALLENGE AND

GREAT VICTORY FOR THE REMNANT OF THINKING, FREEDOM-DEMANDING PEOPLE. PEOPLE WHO TAKE A STAND FOR GOD, FOR TRADITIONAL VALUES, AND AGAINST EVIL SHALL BE PROTECTED THROUGH THE MARCH "THROUGH" THE MORASS AND INTO GLORY.

However, there are so very, very (incredibly) few people who are even IN the battle for financial, political and spiritual survival or even know that such a battle is raging all around them, that it is stunning to the realization senses. Do you not see that a person who is properly prepared, properly motivated, and properly dedicated can make a magnificent difference for the competition is virtually nonexistent. Out of such circumstances comes the accepted "heroes" and leaders.

Victory in trying circumstances is a function of proper mental attitude, understanding the problems and having a "vision" of victory in spite of any of those seeming problems and being, as the Boy Scouts pronounce--properly prepared.

I can again lay forth some possibilities for the human economic and physical period which lies ahead--but I cannot insist nor impose upon you that you use any of them. I shall, however, continue to present them until there is no longer ability to do so. Efforts are constant and terrifying to prevent our presenting alternatives unto you. The 1990's is a decade of destiny for you, your families, and your nation(s). What YOU do will determine the fate of the entire species of Man.

U.S. in midst in deepening depression

1/2/91 #1 HATONN

You have been in this "depression" for a couple of years now. Now, you have the typical acknowledgment of the lies from and by the Establishment Controlled Media who now says there is NO RECOVERY. They pronounce that this "recession" is worse than ever.

Hold your breath, America--the Federal Reserve has just, within days, pumped over 50 BILLION dollars in cash into the Market to give you the illusion of growth and stability. Note that the very stocks which "gained" are the very companies who have gone defunct within the past three weeks or so. Nobody noticed during the holidays and hype on spending and "consumer confidence".

Unemployment, personal and corporate bankruptcies continue to abound in unheard of numbers and this, even as bank, S&L, and insurance company failures continue to spread. The US economy continues to contract even as Bush and associates keep "talking" about economic recovery and the great resiliency in the economy. What magic can there be in Bush's great revelations regarding everything "toward the end of January"? Well, the announcement may well be worse than you can imagine with a show of force and total rescission of your government and Constitution. You will probably move into TOTAL Emergency Regulations through Executive Order. All he has to do is announce same for he has already the legal mechanism in place.

This is not a recession of "just" workers in factories, etc. This is across the board from highest executives to janitors. The system of benefits (unemployment insurance pools, union funds, etc.) are zilch and there is no money to fund the welfare system. In fact, I suggest that all who hold any welfare chits consider using them before they are unaccepted collateral at the markets. The government is noted for issuing worthless coupons even to and including Federal Reserve Notes (money-currency). There will be a type of "transition period" but it will probably be brief because when no debt can be serviced and no interest repaid to places like Japan (who refuse to continue to purchase your debt) the house of cards will

fall and all in it.

You who think Bush is in Australia and Japan, etc., to spread growth and financial prosperity and work out trade agreements, forget such nonsense. The Japanese have refused to buy any more of your worthless bonds and debts, etc. The only good business around is that which is allowing the wealthy to trade their money around for more security and last minute security placement and profit placement. Too bad you ones are not on top of it--for that money must be placed into something--now, or lost forever. Preferably, ones SHOULD invest into some of our projects for they are set to withstand depression and create market through need of service and product--such as food, energy and so forth.

It is sad that you who hold money continue to misunderstand the situation and in your efforts to "hold" from use in projects, will lose all that you have. I can only offer, I cannot do more.

Do you not see that your Government has to continue to offer some things--even in Emergency Regulations--unto you-the-people? They must keep up the charade for as long as possible and at least until all weapons can be confiscated.

That, by the way, will be right up front on the list of confiscations. DER!!!

Currency may well become worthless, but if you can get project funding in any amounts you can get people to work (jobs) and build foundations in small industry which, even if confiscated (nationalized), will serve needs. If you cannot see this approach clearly enough to act immediately, then I can help you no further. We need proposal writers and we need them at the least expense possible--you need survival goods and industry and you need them NOW--not after our little group has established them for that will be for selves and not for YOU.

How long can the "building" of these industries last? Probably not very long but there will be stable checks to the actual builders and that can be converted into some measure of preparations if you set forth to do that instead of living in your luxury longer. GOD IS NOT GOING TO DO THIS FOR YOU, CHELAS. THIS is what God does. He shows you the way and urges you to act--He will do no more if ye care not enough to do for self. YOU HAVE LESS THAN A YEAR, AT BEST, TO GET YOUR FINANCIAL HOUSE IN OR-

CRUMBLING BANKING SYSTEM

America's banking system is on the brink of the greatest and most total crisis since history began banking. The intent is to pull all banks into ONE--the Bank of International Settlement in Basel, Switzerland under the total control of the Committee of 300.

I am accused of continued speaking of these "300" while only one or two writers ever have even mentioned them. You tell me that the offenders are the Bilderbergs and Trilats and, and, and. No, those are minor branches of the "300" world controllers of which all others are but tools. I suggest that today my Publisher set a price on the first volume by Dr. Coleman and even if editorially lacking--get it to the public--NOW! (See insert) It will explain the players and how it always comes back to the Satanic Zionist British Crown. If you know not the players who are your dedicated enemy--then you will flounder forever until your total demise. I ask that in this paper be given a

price for that book and an approximate date of release--good grammar or not. Good spelling will not save one person! Knowledge will! If you won't listen to God you had better start listening to the informed MEN!

The FDIC is insolvent--purely and simply--insolvent. You were told (in my own writings) that it would be absolutely insolvent by the end of year 1991 and it is! Pouring more billions into the system only keeps the lawyers and illegal judicial system in money--you will not get refunds on your deposits.

The FDIC itself, has projected that a minimum of 239 banks with \$86-\$116 billion in assets will fail in year 1992, not only wiping out all present insurance funds, but also the \$30 billion taxpayer loan proposed by George Bush. Bush has actually asked for (demanded) some \$80 billion taxpayer-funded bailout but election-prone Democrats will likely not vote the full amount but will have to vote in some amount, say \$30 billion, to keep you-the-people longer hopeful and sleeping.

Let us use reason and arithmetic: With a billion at year-end in FDIC insurance funds to cover \$4 TRILLION in bank/S&L deposits, the coverage will be just 2-1/2 cents per hundred dollars in deposits. However, you are now into "next year" and deposit insurance coverage IS COMPLETELY GONE! AS THE PUBLIC COMES TO UNDERSTAND THIS AND THE MAINLINE MEDIA IS NOW HAVING TO SPEAK OPENLY ABOUT IT, THERE WILL BE A MASSIVE EXODUS OUT OF THE BANKING SYSTEM IN THE MONTHS PRESENT. *It most certainly seems prudent, on a purely physical level, to dramatically reduce one's exposure to the banking system and to do so as soon as possible--probably before the date of Mr. Bush's big economic solutions speech.*

At this moment you still may have some coverage in Treasury Bill money market funds or government or foreign government

bond funds--but they can be frozen and immediately become worthless, also, if the President, by happenstance, announces default on all U.S. debt. It has always been a part of the plan to repudiate the debt and bankrupt the nation at which time all will be gone.

Well, what of that gold for collateral? What about it? It will be safe longer than anything else and if its value climbs it is safe and secure and will grow in value. If the Governments choose to confiscate that also, then you have only contributed to projects which may later at least give you return of food and/or shelter.

You must realize that all other investments are at defunct status already. The illusion is being maintained to some extent and, while this continues, so will the paychecks from things such as pensions, etc. However, when the pension bearer is defunct there will be no pension checks to claimants. If the industry in which you built your pension resources is defunct--the plan is defunct. The same with annuities through insurance companies--if the company folds so goes the annuity.

What I am trying to tell you, beloved ones, is that THERE IS NO PERFECTION OR SECURITY LEFT! You can take measures which will, if anything will, endure, but there is no sure thing on your globe any more, except physical death and distress. There may be perturbations upward but it will be years before the system, at best, could be reversed--so THERE WILL BE SOME HARD TIMES--NOW!

A CONCLUSION OR TWO IN LOGIC

America's more than \$22-\$25 TRILLION debt pyramid is coming unraveled, and your financial system is moving headlong into the depression that will dwarf that of the so-called Great Depression for there will be nothing upon which to recover. The U.S. budget is out of control with an over \$423 million fiscal year '92 deficit already in place. This is if nothing changes from present activities. **The U.S. real estate market is in its first**

nation-wide decline since the Great Depression and is pulling down hundreds of banks in the free-fall, S&Ls, and insurance companies, with large pension funds and credit unions also in the spiraling loop. Record personal and corporate bankruptcies (over a million major bankruptcies in 1991) are also going to take their toll on the financial system remaining.

The U.S. stock market is being levitated beyond reason by a handful of large U.S. financial institutions, but cratering corporate earnings, liquidity, and employment, and skyrocketing, record post-Depression debt loads are likely to precipitate a crash in mere months. **Bush, Greenspan, and associates will do anything to keep the system together, even to lying about the economic conditions (or launch a new Desert Storm) to get Bush established in place. Bush intends to be the U.S. helmsman in the New World Order and it will be as the power in the U.S. as well as within the working U.N.** Whether they can avoid a total financial panic and collapse for another 11 months is problematic and

depends totally on whether or not the Elite Controllers want any U.S. representation or not. Bush has no power within the ranks of the Elite Global Circle. He has never had any real power but rather has been a President of capitulation through criminal blackmail and treason. This will be established by the 1992 elections, as I see the predictions.

Hence, prudent, conservative maverick investors/savers, who can see the economic and political signs of the times, the handwriting on the wall, should be immediately implementing strategy of getting out of harm's way, for financial survival for the rest of the decade is at stake.

Dharma, since we have an early afternoon meeting I ask that we break the writing at this point. I will continue the subject at point when we again sit to pen. I can only repeat again unto you readers: *"The prudent see danger and take refuge, but the simple keep going and suffer for it."* Proverbs 27:12.

Introduction to Commander Hatonn

10/31/91 #2 HATONN

Hatonn is: Gyeorgos Ceres Hatonn-Aton. I write through a "translator"; communications through pulsed short-wave transinission. This is not "psychic channeling nor hocus-pocus". This is purely "physics" of frequency transmission, receiver termination of transmission and translation of the signal into the English language.

I am Commander of the "Phoenix Project", serving the Command of that ONE whom you refer to as "The Messenger, Christos, God, etc." The "Command Fleet" is from the sector Pleiades from which originated your ancestral lineage. My mission is in preparation for the return of the "God" to reclaim His property. He went forth and has prepared safe passage and "a place" for each of you who would come within His shelter. The choice is individual for force is not of God and you have free-will for all choices.

Our direct commission is to set the records into Truth of content of historical facts for the planet is ending one cycle and beginning a new and wondrous cycle of experience. This gives cause for you of the human species to make changes concurrent with the greater physical changes of the planet. Yours will be a "spiritual change" and may or may not include physical translation. Each will be given choice of direction and translation.

The purpose of these writings and speakings is to allow the Truth to be put forth unto the masses who would wish to receive them. The JOURNALS also serve as historical documentation of this portion of "history" relative to that which has come before--known and unknown--for whatever life forms and generations to follow this manifested experience.

You come against the wall, so to speak, wherein you all but cross the societal point of no return. You will act to reclaim your human rights or you will fall to the Adversary who, by the way--is that one touted to be the "anti-Christ". You are in the time of, and the action of, Armageddon as recognized from prophecy. It makes no difference to me whether or not you are believing of this information. Truth will stand into infinity and God does not send us, the Hosts, to banter or kibitz with you about the facts of the matter--ours is to present the situation as it is, unto you.

Your "enemy" as to "space aliens" are now all landlocked to your orbiting system. YOU HAVE

NO ENEMIES AMONG THE BROTHERHOOD IN SPACE (COSMOS). YOU DO HAVE ENEMIES IN YOUR "SPACES" BUT THEY ARE VERY EARTH-ORIENTED AND ORIGINATED. All of this is explained in depth in the writings--this message is for identification of myself and my co-workers who bring information and assistance at this time of evolution.

We bring the unfolding and uncovering of the actions upon your globe so that you can awaken unto your plight--with "reason" and "proof". It is up to you as to what action you take for our commission is to respond to you who have asked input and assistance. We will DO nothing FOR you; we will serve and inform with "HOW TO" as we move along through the maze of incredible deceit. You have NOTHING TO FEAR from us of the Lighted Brotherhood of the Cosmos for we work and act only within the Laws of God and those of The Universal Creation (Natural). Your would-be-"Kings" (rulers of the globe) have heinous plans to injure you and place blame upon the Cosmic Brotherhood--what will be claimed is a blatant LIE. You are "People of the Lie" and unless you awaken and reclaim your heritage as nations and people--you shall fall--no more and no less.

Massive efforts are put forth to stop our presentations--so be it. We have naught to lose--YOU HAVE EVERYTHING TO LOSE, INCLUDING YOUR SOULS AS WELL AS YOUR LIVES PHYSICAL. My commission is to "inform" you and I shall do so to the best of my allowed abilities for I (we) are not allowed by Cosmic Law to interfere or intervene except in specific and delineated instances which have been covered in lengthy dialogue prior to this.

I serve aboard the Command Ship, *Phoenix*, and I head the Fleet Command. I am Commander of the United Federation Fleet, Intergalactic Federation Command. I link with other Commands, i.e., the referenced "Ashtar Command", only in time of imminent planetary destruction at which point that Command will be in charge of any evacuation of general nature. Our Command will bring all of God's people into security. I have no responsibility to the "adversary" nor his followers and no evil shall be brought into the places of Lighted God. Evil is a manifestation of "human" and we do NOT allow evil within our orderly God-revering societies. This does not, however,

mean that ones who are in deciding will not be taken into a placement which can preserve "soul" survival.

I am not here to ask your permission for anything; I care not what any aspect thinks or believes. I have a mission of God and I shall see to it. You may join with me or deny me for it makes not one iota of difference. I do not "sell" anything--not this paper nor any other item. I have a commitment and obligation and I will see to it. You may do that which you will--agree or disagree. I do, however, suggest that all read with an open mind to the "possibilities" herein for you are told by all corners of your intelligence that you are in a traumatic time of change--you might well be advised to look into the possibility of the Truth of this information. I chair the Cosmic Council relative to this Universal Sector and I believe you will find that I am not over-ruled. He who denounces my person had best be carefully looked at through the intent of wisdom for I meet with any man and/or energy who claims my falseness. I find that no one ever, somehow, wishes to participate in that invitation for confrontation--do you not find that strange?

You will find most of the "New Age" groups and speakers fully in alignment with the "New World Order--Global Government". This will be denied for they do not realize the subterfuge and "sucking in" of the innocent and ignorant. I suggest you pay close attention for you are on the brink of losing your world--not just your freedoms.

I shall continue to bring to your attention the cover-ups as they occurred and still occur. God has no mysticism nor hidden agenda--God is open and the only "mystery" is that which you simply do not yet understand--that too, He gives unto you openly and freely. There are no secret rituals or hidden doctrines, royal titles or elite placements. If you find any of these things in that which YOU follow--I suggest wisdom in discernment of your choices. If you give of your Power unto another according to his decrees--you have forfeited your Power forever. God asks that you accept and take your POWER in HIS name that you can become one within His Grace and reclamer of that which is your rightful heritage.

I feel that we must begin to publish this identification and purpose for we are swamped with new readers and it is magnificently important that you KNOW who we are and that which we are about--

for we are about our Father's business. Again, you have nothing to lose by gaining TRUTH and insight--but you do have everything to lose in the physical and soul realms by remaining ignorant at the hands of the deceivers who would hide Truth from your eyes and ears. So be it. I salute you who assume responsibility. I pity you who do not and I have great compassion as we pass on into the more compressing times ahead, as you perceive the journey. I offer my hand in love and brotherhood and I give you all that I have and am. Accept or deny my person--but I suggest you look into the possibility that what we bring "might" well be Truth and you will come to understand. To deny the robber, who has just bound and gagged you, is to be a stupid fool. The better part of wisdom is to look, discern and then act. God never limits your investigation into all facets of the Truth--does your "minister"? Does your controlling hierarchy? I suggest you ponder this well. ☉

The process of life

12/3/91 SANANDA

Greetings my precious little dove, Druthea. I AM Sananda, Esu, Jesus, Immanuel. I come in service to God/Aton of Light and to you my precious brethren on earth Shan.

Thank you for attending me this day, Druthea. Allow me to assist you, precious, for it is my honor to do so. You never stand alone in "the wilderness of your mind" as you stated it. You must be willing to ask for and then receive your "help" and guidance in times of despair and depression, chela. A lesson most all of you of mine can improve upon.

It is quite true that there are no "self-made" men and women. For all have received guidance and an occasional boost from the unseen and unacknowledged ones both in physical and etheric dimensions. It is a "team" cooperative effort that works constantly to bring out the best in each one of you, whether YOU recognize the help or not.

Your success in gaining understanding and broader awareness comes as much from allowing and graciously accepting God's guidance and that of His chosen helpers, as it does from your physical actions, whether your actions serve God or the adversary, within your journey on earth Shan.

The process of your lives is designed to bring you ever closer to KNOWING the I AM presence within you that you become God in Action, and ultimately co-creator of universes within Creation.

THE ADVANTAGES OF EXPERIENCING LIMITATION

Advantages you ask! Most certainly. For although you design your own limitation, you also are given the tools for reaching beyond it. First, by recognizing and taking responsibility for it. Asking God for assistance to conquer it. And then making the decision followed by the necessary action to overcome and grow beyond your self-imposed limitations. Simple? Rarely. Comfortable? Hardly! Worth the effort? ALWAYS!

How does one recognize a limitation? Easy. I will point out

some feelings/expressions which all of you will recognize in your experience within your own process of life: How about Resisting change, Impatience, Stubborn inflexibility, Fear, Resentment, Superiority, Inferiority, Insecurity, Bigotry, Greed, Physical lust, Guilt, False pride, Wrath, Vanity, Laziness, Envy and Jealousy? Some of you may recognize these expressions since we wrote in detail about many of these as "*Deadly Sins*" and "*Recognizing the Anti-Christ Within You*" in the "*Phoenix Operator-Owner Manual*".

All of the above limitations as well as many not named are expressions of the adversary and denial of your own God power within. Expressions of Resisting change, Impatience, and Fear have to do with Not TRUSTING or understanding the process of your life and, therefore, feeling helpless and powerless. These expressions are simply the **symptoms** of your unbalance within. By recognizing the symptom of Resistance, for example, you can then ask God within to show you its CAUSE, which usually involves Fear. Is it bad to feel afraid? No. It is simply a symptom of your ignorance about your own ability to move through the fear with the knowledge that God walks with you when your intentions serve Him. Fear is a selfish response, often concerning loss of something which you think you hold dear.

There is only one concern you each must acknowledge in which the symptom of some Fear may serve you. And even the label Fear does not quite accurately describe this concern. What might that be? "Losing" your soul to the adversary and becoming a prisoner of his Hell on Earth, in which the absence of God will be prevalent. The eventual absence of God upon your place is a probability. Healthy concern because of understanding the consequences is appropriate here.

For most of you of God's children, there is not this problem for your hearts are pure although your actions may sometimes be somewhat less than pure. Remember we've spoken many times about how YOU push God out. He never leaves you! Most of

you have already experienced moments or even lifetimes in Hell with the absence of God's knowing presence within you. Simply because you did not know to accept your inner power. And ALL of you have experienced, at one time or another, His rescue or Hand of Light pulling you from the darkness, when you asked for help. Eventually, and already for many of you, the status of your soul is not even a concern for your only choice can be God of Light. Your lifeline is always God and that is ALL you need to be like unto Him and you will be shown the path out of your self-imposed limitations.

WHAT ABOUT ALL THIS TALK ABOUT DETACHMENT?

Most of the talk is simply more "New Age" nonsense. When mine scribe, Druthea, first heard about it over a year past, she thought like so many of you ones, "Oh, that sounds good." She thought about it. What does it mean? She understood physical detachment, in other words from material "things". But how do you accomplish what is described as "emotional" detachment? Well it took some time for the process of understanding to come to fruition. She finally asked, "WHY would I need to achieve total detachment from emotions and feelings? What would be left?" Good question, chela. The key here is SELECTIVE RELEASE. And I am using the word release in the place of detachment simply because of the misuse of the term and the confusion surrounding it. Firstly I see revelation in Druthea upon looking up the word, so let us share the definition herein:

Detachment: 1. The act of detaching or the state of being detached (Separated, disconnected). 2. Lack of interest in surroundings or worldly affairs. 3. **Absence of prejudice or partiality.**

Now please, each of you THINK about this carefully. Are you trying to achieve separateness or unity? Disconnection or Oneness? Can you change the world without interest in it? Would you not want to feel care and concern for your surroundings and the fate of your brethren around the

globe? Is it possible to be God-human with His soul-life and not FEEL ANYTHING CALLED EMOTIONS? Love is an emotion, a feeling and an expression. What actions constitute love? Absence of prejudice (pre-judgement) sounds good, but what about lack of partiality? Are you not partial toward God? Or is it the adversary? Does this meaning sound Godly or Satanic in presentation? It depends on how it is presented.

SELECTIVE RELEASE (A.K.A. DETACHMENT)

How about simply releasing or becoming separate from evil? Detachment from fear, resentment, envy, hatred, insecurity. In other words releasing the **limiting** emotions of the adversary and concentrating your mind on awakening the co-creative emotion of brotherly love. And to be effective in your service here, you must have a high degree of compassion for the human condition upon your place.

Now I will give another example of appropriate detachment. When you are sharing The Word, it is none of your business if ones refuse to hear or discount you because of it. That is their choice and privilege and NOT your responsibility.

An example of inappropriate attachment would be to material ego status and especially attachment to your OPINIONS about how things are or should be, etc. Always leave yourself room to change your mind from opinion to KNOWING, especially when you are inspired by GOD within to do so. That means being willing to admit to self, or another if appropriate, that you were wrong and you now recognize the "right" or balanced way.

Other areas of inappropriate attachment are attachment to the altered ego's need to dominate and manipulate to achieve ITS needs or desires. Many of you parents are faced with these sorts of challenges as well as ones in the average workplace or anyplace where people gather and interact with one another to achieve similar/same goals.

Whither the United States of America?

12/14/91 DR. J. COLEMAN

Serious questions are now being raised in intelligence communities around the world as to just how long the United States in its present form will last. Estimates range from four to seven years before fundamental changes so alter the character and direction of the U.S. as to render it unrecognizable from that which it started out to be.

Marked changes in the direction of the U.S. began to appear shortly after the First World War when a number of very well financed tax-free foundations were seen by observers to be exerting a powerful influence over social, political and economic events in America. Among the foundations were the Carnegie Endowment Fund, the Rockefeller Brothers Fund, the Rockefeller Foundation, the Laura Spelman Fund, Ford Foundation and later, the Rubin Foundation, the J. Roderick MacArthur Foundation, the Mary Reynolds Babcock Foundation and a host of smaller foundations.

Observers noted that these foundations appeared to be engaged in un-American activities, that is to say, they were trying to change the whole concept of the United States being a Christian country with a republican form of government based on a unique Constitution--to a socialist, unchristian democratic state. These observers, among whom were Congressman Reece, decided that the foundations were trying to change American in an illegal way, that is to say, not through the ballot box, but by subtle pressures, hence their deeds were illegal.

Congressman Reece called together a House committee to investigate the very serious situation that had developed. Reece noticed that the various foundations appeared to be concentrating on capturing the education system. Reece put Norman Dodd, a former establishment banker, in charge of investigations. Thereupon both the Republican and Democrat parties reacted in outrage and alarm. Their pointman to obstruct the hearings was the foul-mouthed Wayne Hays. In the end, Reece had to concede

defeat, the Republican White House, the Democrats and the foundations being just too much for him to handle.

But what did emerge was that the foundations had secured a grip on the U.S. education system, and that they were also pursuing a plan to turn the U.S. into a socialist state, closely allied with the USSR. In the field of education they secured their hold by elevating former Senator Hugo Black to the Supreme Court in the most blatantly illegal manner.

Black's main task was to ensure that the education system turned more to the left and that socialism, not republicanism and the U.S. Constitution, was taught in our nation's schools. It does not take much to see just how the plans of the foundations and their fellow conspirators have succeeded. A very large mass of Americans today are semi-literate or totally illiterate. Our education system ranks about 16th in the world. The full story of how this was accomplished appears in my monograph, "The Wrecking of America's Education".

The foundations then turned their attention to religion. Through Justice Hugo Black they were able to get a grip on religion using much the same methods to gain control of education in America through the Everson case, the case that did far more to socialize American education and which had effects that far transcended Brown vs. Board of Education.

The Everson case is the key to understanding why America's education is where it is today. Judges who participated in the Everson decision were Justice Frankfurter and Justice Black. In a private memo to Black, Frankfurter stated: "I never realized until I came to the Supreme Court how much judges are diverted by passion and prejudice and how closed the mind can be."

Frankfurter's papers give a good indication from whence he came. For instance, he admitted being a "reverent agnostic" and "not given

Whether it be friendship and/or getting out The Word.

Look at it this way. You have the choice to offer a positive constructive INFLUENCE or a negative destructive INFLUENCE. EVERY choice, action and decision you make is either increasing or DE-creasing brotherly love and goodwill. It is up to each of you to learn the difference. Most of your processes of life revolve about learning the difference between behavior and actions which bring balance and Godly influence, and behavior and actions which feed the adversary's hunger for destructive manipulation, domination and control of your being and this physical planet.

It is easy to TRUST the process of life when you walk KNOWINGLY in balance in communion with God every moment. How many of you have achieved this so far? VERY, VERY few of you. This is the challenge, precious chelas. MANY, MANY obstacles of testing which are designed to push you off the balanced tightrope of your journey are offered. In time you accept fewer and fewer of the distractions for you learn to recognize them and walk over them or through them because YOU KNOW you have the power and the choice to do it. Meanwhile be gentle on yourselves. For even the most accomplished Masters of knowledge and communion made errors in discernment from time to time, and suffered the consequences thereof, including minneself.

I could not serve you now effectively in this capacity had I not experienced many times upon the physical planes as you each have and are doing. The rewards of finally recognizing YOUR power to influence positive constructive change are enormous.

WHY DO I SOMETIMES FEEL INEFFECTIVE AND HELPLESS?

This question Druthea asks and so do many of you. In your case, precious, you are measuring results according to what appears on the surface. And your efforts will seem quite futile and hopeless when you expect quick and obvious results

which you think you can measure by this letter or that comment on the work. This again is not your responsibility, precious. For you are not able to measure the change WITHIN a person's soul consciousness whom you've touched.

For example, if your sister appears to hear and see no evil, especially when you bring it to her attention, that is YOUR perception. Because she chooses not to respond to you does not mean that inside her mind and heart are not torn or moved, even if she simply thinks you're nuts. And perhaps she prays for YOUR soul, thinking it is you who is misguided.

God monitors the heart in caring love extended. Yours in sharing Truth and hers in wanting to keep peace and harmony in the few hours you had to share. Your frustration comes in trying to monitor the "silence" and your need to be heard and understood by her. Release that need, for it is your insecurity, as the Commander correctly told you, which moves you to seek acceptance from her. Allow her her process to unfold, for she accepts you exactly how you are. Your ideas are quite another thing. With the bond of love between you, know she will reach out to you when she is moved to do so. Be prepared and allow her her own time. That is a true gift of love. Do you understand? Yes, I hear your comprehension. And I trust that all of you in similar circumstances will ponder these lessons well for they apply to ALL who "happen" upon this transmission.

Let us please take a break. Thank you, Druthea, for sitting with me. I know you will write longer, but you are not as strong as you think in your body yet. You need healing time and you have allowed your worry and fretting time to encroach not only upon our time together but also your own healing. This is not to chastise, but simply to make you aware of what you do to self, precious.

I love you as a very part of my own being and I cherish you and treasure this time we have. You will learn that there is very little of perceived duties worth worry and forfeit of our time to write. There

to spiritual Messiahs". In a memo to his colleague Wiley B. Rutledge, he said, "I do not yield acceptance to Pierce vs. The Society of Sisters and Meyer vs. Nebraska." Those of you who have read my monograph, "The Wrecking of America's Education" will know that these two cases were the very foundation upon which the Constitutional rights of parents to educate their children in schools compatible with their religious beliefs rested. In a March 9th, 1948, diary entry, Frankfurter noted that "Justice Harold O. Burton hasn't the remotest idea of how malignant men like Black and Douglas not only can be, but are."

The main enemy of the foundations was the Roman Catholic Church and its schooling system. Black fought all of his life against any government money going to Catholic schools. By and large, the foundations were successful in subverting religion in this country, making its thrust and direction more clearly toward a socialist religion which today manifests itself in such causes as Liberation Theology and outright support for revolutionary activities which are anti-West and antichristian. Their success story is the control exercised over the National Council of Churches and the World Council of Churches.

From the outset, the foundations had three main targets, these being to gain control of (1) education, (2) the Church and (3) the State. There can be little doubt that, as we draw near to the close of the 20th century, the foundations and their allies have succeeded beyond their expectations. The fact that they were able to get prayer and Bible reading

banished from the schools and short-circuited all State support for religion was merely the first rung in a long ladder which led to the present debacle in our social, moral and religious life.

On looking through my research notes for the past 25 years I came across the fact that, apart from the Reece Commission, foundations have never been investigated by Congress, although it is clear to even a cursory examiner that foundations have done more harm to America than all of the wars combined in which we have fought. One common denominator that might account for this heinous failure to protect America from all enemies, foreign and domestic, is the fact that so many legislators—even Presidents, businessmen, and church leaders are members of Freemasonry, which evil empire is fully funded by literally hundreds of greater and lesser foundations.

Once money enters into the equation, my research proves over and over again that few can resist its lure, and if they do, they are simply swatted like a fly. On the anniversary of the murder of President John F. Kennedy, it is well that we take note of this fact and make our resolve to fight the gargantuan monster of a secret government that hangs over us. Unless this is done on a national scale, we will go the way of the Greek and Roman empires.

My observations based upon twenty five years of experience, a goodly part of it spent in intelligence service, leads me to believe that we are so weighed down by an all-pervasive allpowerful secret government apparatus, that to throw off its yoke and rediscover the America we once possessed will take an outpouring of sacrifice, spiritual revival and will to win that must encompass the entire population of this country. As we reach the close of 1991, I see no sign of such revival. Rather, I see the python-like secret government tightening its coils around the nation in preparation for the final crushing of its victim.

The candidates for political office do not impress. There is not one individual of the calibre of any of the founders of the nation, nor the men who wrote the Constitution. We have plenty of self-seeking politicians but not a single

statesman. Take the candidates who are vying for the White House. My information is that President George Bush will not seek reelection for the simple reason that there are just too many obstacles for him to overcome. The glow of the Gulf War has worn off, the economy is in a shambles—to put it no higher than that, and the skeletons in the Bush closet are rattling more loudly each day.

Who is Dan Quayle? He is a member of a very wealthy family who owns the Ely Lily Pharmaceutical Company, one of the largest in the U.S. Dan Quayle's father was a close friend of Prescott Bush, George Bush's father. What is Dan Quayle's experience that would qualify him as a statesman? The answer is nil, nothing, zero. Yet it is conceivable that Dan Quayle will inherit the Oval Office from President Bush. The possible scenario is that Quayle will be voted into the White House, with James Baker III as his Vice-President. Baker will do all of the running and formulate and carry out White House policy dictated by the Royal Institute for International Affairs.

Both Baker and Quayle are establishment men, team players, so do not look for any substantive policy changes in the domestic arena, and less still in foreign policy affairs should the foregoing scenario turn out to be accurate. If there are any changes at all, they will be for the worse. On that we can rely. What of the Democrats? Party hack and Freemason Mario Cuomo of New York will very likely be the Democrat Party choice for President. In the coming months this will be announced.

The year 1992 will go down in history as the year of the mediocrats, for when all the verbiage is stripped away, the establishment will still be in the charge of men of most mediocre calibre. Only a massive national movement of the people right across party lines will overturn the system. If that does not occur before the 1992 election, it will never occur, because all indications are that the time has arrived when dissent in any shape or form will be "discouraged", meaning it will be smothered before it can get started. **THIS IS THE LAST ELECTION BEFORE THE CURTAIN IS RUNG DOWN.**

Can we expect any help from the Republican Party? If we are looking to the Republican Party to bring America out from under the upper-level parallel secret government, we are going to be sadly disappointed. The mainstream Republican Party has ALWAYS been ESTABLISHMENT, and in this regard it became even more so under the Reagan and Bush Presidencies.

To give some insight as to how far to the left the Congress has drifted, in 1982 and almost every year thereafter, a large number of members of the House and Senate have written to the Institute for Policy Studies requesting IPS Budget Studies. My monograph, "IPS Revisited" gives an overview of this prestigious left-wing think tank and its foundation funders, but for those of you who did not purchase a copy of my study, here are some facts that should make all of us sit up straight.

ZIP code use invokes Federal jurisdiction

RICHARD MCDONALD

Use of the ZIP Code is voluntary. See Domestic Mail Services Regulations, Section 122.32. You should also know that the Postal Service cannot discriminate against the non-use of the ZIP Code. Postal Reorganization Act, Section 403, (Public Law 91-375). The federal government utilizes the ZIP code to prove that you reside in a "federal district of the District of Columbia". This is why the IRS and other government agencies (state and federal) require you use a ZIP Code when they assert jurisdiction by sending you a letter. They claim that this speeds the mail, but

this is a sly and subtle TRICK. It is also PRIMA FACIE evidence that you are a subject of Congress and a "citizen of the District of Columbia" who is "resident" in one of the several States.

The receipt of mail from you with a ZIP code is one of the requirements for the IRS to have jurisdiction to send you notices. The government cannot bill a Citizen of California, as he is not within the purview of the MUNICIPAL LAWS of the District of Columbia. In fact, the Internal Revenue Service has adopted the ZIP code areas as Internal Revenue Districts. See the Federal Register,

Volume 51, Number 53, Wednesday, March 19, 1986.

You must remember that the Postal Service is a private corporation, a quasi-governmental agency. It is no longer a full government agency. It is like the Federal Reserve System, The Internal Revenue Service, and the United States Marshall Service. They are all outside the restrictions of the Federal Constitution, as private corporations. They are all powerful in their respective areas of responsibility to enforce collection for the federal debt. So, if you are using a ZIP code, you are in effect saying openly and notoriously that you do not live in the State of California, but, instead are a resident in the California area of the District of Columbia (a federal district). There are some so-called Patriot groups that I consider to be patriots for

money. They advocate the use of Title 42 suits (which are for federal citizens only), send mail to you with a ZIP Code, and ask you to do things that place you within the municipal jurisdiction of the District of Columbia.

Remember these individuals may be agents of the government or, even worse, are advocating a one world government by the use of the social security number and the ZIP code.

So you must be aware of the movement towards a one world government through annihilation or elimination of State Citizens by use of the so-called 14th Amendment and its related laws.

This movement can be halted by the efforts of everyone to return to

Which Constitution?

RICHARD McDONALD

The Federal Constitution can only be applied and used against the Federal Government. The Bill of Rights (Articles in addition to the original first 7 articles) were written strictly as a limitation on the Federal Government, to protect the Citizens of the several States from the Federal Government. The Federal Constitution does NOT apply to State actions against State Citizens.

The so-called 14th Amendment, since 1969, has allowed limited application of the Federal Constitution only to the extent that Congress has seen fit to grant it as a privilege, to be applied against State Governments, for the specific protection of the so-called 14th Amendment "citizens of the United States". This amendment is only of admiralty or equity jurisdiction, and these de facto citizens are not under the Common Law. They do not have unalienable rights, only limited statutory "civil rights" that Congress has seen fit to grant them.

The individual State Constitutions, all of which are harmonious in meaning with the Federal Constitution, were written to protect the Citizens of the several States (State Citizens) from the State governments, and all are based on the Common Law. So in order to invoke the Common Law in federal court, you, as a State Citizen must use the State Constitution, backed up by the Federal Constitution and use only Common Law writs. (Do

not use any Federal Codes at all!)

Since the Federal Government is not within the Common Law (not being in any State of the Union), the Federal Courts are required to follow the Common Law of the State where the State Citizen is domiciled, whenever the State Citizen is before the Federal Court, invoking the State Constitution.

Also, there are two (2) Federal Writs of Habeas Corpus:

1. The Common Law writ under Article I, section 9, of the Constitution for the United States of America (1787), which is available only to White Common Law State Citizens; and, (2) Under the all writs statute, which is for all others, and for which Congress has allowed only limited applications, and which can be denied for any reason.

There are two (2) Writs of Habeas Corpus for the State of California:

(1) Under the Constitution, Article I, section 11, which is for the White Common Law State Citizens; and, (2) in the Penal Code, Title 12, Chapter 12, section 1473, which was enacted 23 years after the creation of the State of California in 1872. This is for all other "persons" (i.e., 14th Amendment federal citizens) since they did not have access to the Common Law.

So are you a White Common Law Citizen of the State or a federal citizen of the District of Columbia? Use the rights laws and you may win!!!

The Institute for Policy Studies is the most important policy-making institution in America today. The fact that hundreds of Congressmen and women see fit to ask for papers written by this leftwing think tank should speak volumes. IPS is funded by all of the major foundations, plus the following, and this is not by any means a complete list:

ARCA Foundation. Mary Reynolds Babcock Foundation. Smith Bagley.

Bydale Foundation. Cummins Engine Foundation. DJB Foundation.

Field Foundation. Fontaney Foundation. Funding Exchange.

Janns Foundation. W. Alton Jones Foundation. Milbank Foundation.

J.R. MacArthur Foundation. New World Foundation. Ottinger Trust.

Palisades Foundation. Playboy Foundation. Robert Potter.

Rabinowitz Foundation. Samuel Rubin Foundation. Sperry Family.

San Francisco Foundation. Shalan Foundation. Stern Fund.

James P. Warburg Family. Jacob Ziskind Trust. Irving F. Laucks.

It has taken years of research to come up with this kind of information. Let us take one foundation, the Samuel Rubin Foundation

as an example, and see just how many subversive anti-American anti-Christian organizations are supported by this single foundation among the scores of other foundations who give equal help to people and organizations engaged in un-American activities:

Africa Fund. American Civil Liberties Union. Bay Area Institute. CALC Foundation. Campaign for Political Rights. Center for Cuba. Center for Documentary Media. Center for International Policy. Center for Investigative Reporting. Center for Popular Economics. Columbia University. Corporate Data Exchange. Cultural Council. Environmental Policy Institute. Fellowship of Reconciliation. Film Fund. Foundation for National Progress. IPS. Hudson Guild. Institute for Democratic Socialism. Institute for World Order. Investigative Resource Center. Lawyer's Committee on Nuclear Policy. National Council of Churches. Nuclear Information Center. National Organization of Women. Pacifica Foundation. St. Mark's Church. Tides Foundation. Youth Project. South East Asia Resource Center. Washington Peace Center. Yugoslavian

Mission to the U.N. National SANE Education Fund. Pacific Alliance. Vietnam Mission to the U.N. Physicians for Social Responsibility. Nation Institute. Institute for Food and Development Policy. (This is the One World Government Church as described in my monograph "One World Government Church Revived".)

The thing to remember is that every single one of the associations listed above who are supported by the Rubin Foundation are LEFT WING and SOCIALIST oriented. They constantly make policies and influence life in the United States toward socialist causes. There are literally THOUSANDS of such associations supported by hundreds of foundations, all with one objective; to change the course of the United States other than by way of the ballot box.

By any definition, these foundations and the organizations they support are DOMESTIC ENEMIES because the policies they hew to are not conducive to a republican form of government based upon our Constitution. They seek to seriously damage our existing order by means that are not provided for in the Constitution. Their activities are distinctly and unmistakably UN-AMERICAN. What is needed is a group of leaders with vision who are determined to get at the truth about what these un-American activists are doing.

But don't include Republicans or Democrats in this group simply because they carry a "conservative"

the status of Primary State Citizens. By becoming a State Citizen and not a citizen of the United States you can get the federal government off your back, and out of your billfold.

I myself want the Original Constitution for the United States of America put back in force, as applied against the federal government, and the States restored to their original status as Republics.

So, all you have to do is to study and determine your status, whether you are a "slave" and a second class citizen (commonly referred to as a "federal citizen") or a Citizen of California.

YOU MUST DECIDE WHO AND WHAT YOU ARE!!!! ☉

label. Take Senator Jesse Helms for instance. He is about as easily-recognizable "conservative" as anyone on the rightwing, yet his voting record on aid for Israel, his vote in support of the Gulf War, and lately, his fierce opposition to enquiry into "October Surprise" speaks of many strange things and, believe me, he is not alone. Robert Dole, who started out with tears in his eyes, is now a hard-nosed supporter of many programs that one would least expect a "conservative" to support.

What is needed is a national convention of people outside of political parties, to come together in a national forum and hammer out a program that will retake the United States from its secret upper-level parallel government. Such a convention could not and would not work if it were confined to party loyalties. We have to be bold and recognize that the Republican Party has failed us as much as has the Democrat Party. I ask the question: "Could Michael Dukakis have failed the country any more than has President Bush?"

The answer is that obviously Dukakis could not have done more harm than a Republican President has done. The time to retake the U.S. is NOW, but it cannot happen if party politics intrude. It is time to realize that our vote has no meaning and no worth even if we don't very much like this fact. The biggest tragedy of our nation is that an evil President is fully supported by the Christian evangelicals and the fundamentalists, who approved of the vile and unjust Gulf War. As long as Christianity is thus gagged and blindfolded, the need to bring forth the real issues at stake and show these good people how seriously in error they are is the number one priority.

Crime is rampant in our society; we all know that, but do we all know HOW it happened and why we are a crime-ridden society such as the world has never seen before? I doubt it, because the majority of our citizens believe that these things just happen to be, little realizing that they are especially CREATED by evil forces to bring our nation to heel under a One World Government.

In my monographs "The Aquarian Conspiracy" and "The Aquarian Conspiracy Revisited", I

tell the whole story of how the Tavistock Institute put together its master plan that would forever change our ways, and explained that for forty five years we have been the target of "long range penetration". This is a term used by psychological warfare units which describes the state of a people and a nation when they have to make hundreds of choices, until they are so confused that they lapse into an apathetic state of mind. The Los Angeles street gangs are also explained. These gangs are a deliberate creation, part of the psychological "future shocks" being hurled against the United States.

The social scientists have had a field day with the people of this country. They can afford to sit back and say they have done their work well, and if we look around us, it is clear that they have done their work only too well. The deplorable education we offer today, the breakdown of the family life through the use of drugs and rock "music", permissive sex, the failure of the churches to stand firm in the face of war being waged against our people, instead joining forces with the enemy, all point in the same direction--a complete breakdown.

The tin-can economy, the millions of people out of work and the millions of homeless, permissive sex, vile behaviour such as homosexuality and lesbianism--these are all an integral part of a much wider CRIME RIDDEN SOCIETY which cannot be turned around by law enforcement agencies and prisons, even if we put a million more men into police work, and build ten thousand new prisons. By so doing we are trying to solve the problem by dealing with the symptoms instead of tackling the CAUSE of the disease.

Our most populated cities are uninhabitable. Am I repeating what is already well known? Well, it may appear so but let me add that it is not the full story. A recent study by the Tavistock Institute concluded that Los Angeles, New York, Philadelphia, Miami, Chicago and Detroit are now UNINHABITABLE and can never be made habitable again, no matter how much money and effort is poured into the project.

Do we realize the implications of what this means? It means that the post industrial zero-growth

plans of the Club of Rome have come to fruition. Aurello Peccei said he was determined to break up large American cities--Pol Pot Cambodian style, and that is what is happening in front of our very eyes. What we are witnessing is the end result of the plans laid down by NATO in 1969 to utterly wreck big American cities and make for smaller, more manageable cities.

Whereas the Prudential Assurance Strategic Bombing Survey was commissioned to turn RAF bombers loose on German worker housing, which tactics "won" the war for the so-called allies, the self-same Strategic Bombing Survey was turned upon the American nation at the close of the Second World War. The American nation with its unique Constitution, economic system and industrial might became the new target, and for forty six years we have been bombarded by new science scientist's ideologies, until today, just as there came a time when sixty five percent of German

Legal words and consequences

RICHARD McDONALD

This is a newsletter that may be dangerous to your well being, as it contains some truth that you were or are not supposed to know or understand.

To begin with, I must tell you that all words used in any type of law have a specific meaning attached as it relates to that specific law. They do not mean the standard everyday dictionary meaning at all times, as you are misled into thinking.

First, you must understand that this is an educational forum, and I will give you the meanings that are utilized by the various governmental agencies, to deprive you of your rights and property.

The word "person", as it is used in most of the statutes, refers to the same person as defined in the so-called 14th Amendment. It does not include everyone, as you are led to believe. There are several court cases that define who is that specific "person", and one of those cases is *Van Valkenburg v. Brown*, 43 Cal. 43.

Next, the term "United States" has three (3) different, distinct, and separate jurisdictional meanings. This has been stated in *Hooven & Allison Co. v. Evatt*, 324 U. S. 652. There the court stated:

The term "United States" may be used in any one of several senses. It may be merely the name of a sovereign occupying the position analogous to that of other sovereigns in the family of nations. It may designate the territory over which the sovereignty of the United States extends, or it may be the collective name of the States which are united by and under the Constitution.

Each of these definitions has completely different jurisdictions and cannot be mixed. Do you know which of the meanings are being utilized when they say "United States"? When in doubt, ASK! This always brings some type of answer, and you will at least know for yourself what they are doing to you with your permission.

There are several groups that are claiming federal rights, that originate in the 1866 Federal Civil Rights Statute, 14 Stat. 27. They should read and understand the law

before claiming such statutory rights and privileges. They might be surprised to find out what they are stating and claiming.

The law states that the United States is a foreign corporation in relation to one of the several States. Remember, that the District of Columbia is not one of the States of the Union of several States, but is a foreign nation (corporation). See 20 C. J. S. sec. 1785, p. 11. So under these facts of law the "U. S. citizens" of the District of Columbia are only alien residents in any one of the several States. So if all state agencies are operating under the purview of the municipal laws of the District of Columbia, have they registered with this State's Department of State as an agency of a foreign power doing business in this State?

The original Political Code of 1872, states that you are either a Citizen of this State, a Citizen of another State, or an alien. So, if

worker housing was destroyed and the Germans gave up, at least percentage-wise that much of our moral resistance to change (and decay) has been bombed into submission. We are a nation ready to give up without a struggle.

If this were not the case, how could we have allowed our President to commit unspeakable atrocities and acts of sheer barbarism against a people who had done us no harm? Our acts of barbarism in the Gulf War and the merciless bombing of Iraqi cities and towns is without parallel in the history of warfare. We descended to a level of barbarism never before seen in the world in all of its history, and yet, we carry on as if nothing has happened.

That proves two things; (1) We are so numbed that we can no longer make choices and (2) We are unable to comprehend the full extent to which we are in the grip of total censorship. Either way, unless we awake from our deep sleep and do it NOW, there is little if any hope that we will survive as a nation. The U.S. of the year 2010 is going to be vastly different to the U.S. of 1969. In the years to come, as our children's children try

you do not possess Primary and Paramount State Citizenship, then, you must be a resident alien, who can and must be controlled at all times as to when, where, how, and why you do anything affecting the public (Citizens of the State).

I am a Citizen of this State first, then as a consequence, I am a Citizen of the United States of America, as defined in the Original Constitution for the United States of America (1787), and have full, complete, and unencumbered access to all of the Bill of Rights (1791), Amendments 1 through 10. The U. S. Supreme Court has stated that since 1969, Amendments 1 through 8 have limited application to the States through the 14th Amendment for the U. S. citizens. They, as citizens of a non-state (notice a difference of status between the State and the District of Columbia), have no access to the 9th and 10th Amendments. As a Citizen of a State, I have all the powers not given to the

to survive in the New Dark Age, they will curse us for allowing such a preventable fate to overtake the United States.

These forces that are at work to destroy our United States and all that we stand for in the way of man's advancement and freedom are **RECOGNIZABLE**. Dozens of writers have clearly identified them for us. This was not always so, and then we had a fairly legitimate excuse in that we could not identify the enemy. But that has changed very dramatically over the past two decades. Today the enemy's cover has been ripped off. We CAN identify the enemy.

What then hath hindered us from going out to do battle with the secret government? In a word, **FEAR**. We fear our own creature comforts, safety and security more than we fear the **INEVITABLE** loss of liberty that is right now on our doorstep. We have not yet recognized that when we enter the darkness of a New World Order, we will have no security, no job and no creature comforts to enjoy.

Today we are led to believe that a New World Order in an equal partnership with the Soviet Union is going to meet all of our needs. Far

governments. I am a sovereign and, as the courts have stated, the Constitutions are a limitation upon the government as it relates to the Citizen of the State. But this is not so if you are a citizen of the District of Columbia. SO, just what are you??? If you are a slave on the Federal plantation known as the District of Columbia, then act like one. If you are a Citizen of this State then act like the sovereign you are by heritage and Birthright. Read and understand the laws that apply to you. You must always obey these laws under all circumstances. I do not obey the laws of Japan, Germany, England or the municipal laws of the District of Columbia for the very simple reason that I am not one of their citizens.

So read the law, understand it and ask questions if in doubt of your status. ●

from it. We have never been in greater danger than we are now. A Third World War is imminent, everything is working up to it. The Soviet military does not trust Washington in spite of the soothing noises coming from the establishment press and the Bush administration. The Middle East is a powder keg waiting for the spark that will bring on a devastating war. The Muslim world is at war with Zionism, and as the United States is perceived as the bastion and defender of Zionism, we shall have to bear the brunt of the fighting.

The USSR may be breaking up, but it is the military establishment that we have to look out for. How far the Soviet military will allow the Kremlin to go is a good question. My intelligence friends say "not much further". Certainly, the rise of the Moslem republics in the USSR is viewed with concern by the Russian Republic where the majority of White Russians live.

The elaborate charade of the United Nations Atomic Energy Agency looking for Iraqi "nuclear weapons" would be laughable if it

were not so dangerous. David Kay, who led the "team", is a CIA career officer with NO experience in matters of nuclear weapons, yet on "Sixty Minutes" he was described as a "nuclear weapons scientist". Kay was there to fool the American people into believing that Iraq is still a dangerous enemy and to provide an excuse for U.S. forces to launch another attack on Iraq.

The waiting game is not paying off; the people of Iraq are as much attached to their leader as ever, no amount of hardship will persuade them to push him out of office. The Bush game plan has failed. His only resort is to send U.S. forces into Iraq to depose and dispose of Saddam Hussein. The next target of the Bush administration acting for the Royal Institute for International Affairs is Libya. Libya is being blamed for the Pan Am Lockerbie tragedy, when everybody knows that the culprits were Syrian terrorists.

But how then can we shake the hand of Syria's Hafez-al Assad, when he is responsible for the death of more than 250 innocent victims of terrorism? How can we hope to persuade Syria to back the never-ending "peace process" that is slowly but surely grinding to a halt? The way out is to blame Libya, and then bomb it "back into the stone age". This will get rid of Quadaffi and take the heat off Syria.

So we can expect that we shall shortly see a massive air-strike against Libya with an accompanying barrage of propaganda, flag-waving and banging on the big drum of patriotism. How useful that it will provide a fillip for the President's poor showing in the opinion polls, but that will not help him as he won't be running, UNLESS--and this is always a possibility--events are MADE to take such a dramatic turn that his presence in the White House will be needed more than ever--or at least that is what we will be told. Weird things do happen in politics, especially when the people manufacturing the events are in charge of just about every facet of our lives.

The victor will be Israel, and the cost of the victory will fall upon the shoulders of the American nation in terms of men, money and equipment. After the conflagration

subsides--and nuclear weapons WILL be used on both sides--we shall see Middle East oil under the control of Israel as a surrogate of the One World Government. Islamic opposition will be smashed, never again able to threaten the "peace and stability" of the area. Those Islamic nations who sold Iraq out in seeking to save their own skins will find the United States a very unreliable ally, just as the Shah of Iran found out, and as the nation of the Philippines discovered and South Korea is now in the process of discovering.

The biggest loser will be Saudi Arabia whose rulers have apparently failed to realize that the word of the United States Government cannot be taken seriously. Witness Croatia, a nation seeking its just and rightful independence from a union with Yugoslavia which it was forced to join at the close of the First World War, an unnatural union it now wishes to terminate.

Instead of carrying out what he preached during the Gulf War, when he talked about nothing other than "naked aggression" and how the brave new One World Government would no longer tolerate such conduct, President Bush is now hesitant and horribly reluctant to go to the aid of a small nation being torn to pieces by people of a different culture. Croatia's only crime is that it no longer wishes to be unequally yoked together with Byzantine-Serbian Yugoslavia.

The manner in which the Bush administration and the U.N. has stood by and allowed mass genocide of the Croatian people is another chapter in our dark 20th century history, one that one day will come back to haunt us. The fact that the United States through the "conservative" Republican administration of President George Bush allowed the United Nations to take dominion over the United States is another sign of our national inability to resist the will of the New World Order.

The Constitution forbids the U.S. from becoming subservient to any and all foreign institutions and organizations, and this includes the U.N. The principle is embodied in the Constitution and was made known to the world at the time the Senate refused to ratify the League of Nations Treaty. There has been nothing to change the basic position

of our country; we are NOT under the laws of a foreign body and we cannot be without giving up our Constitution.

Yet the Bush administration, in pursuit of its Gulf War aims, deliberately flouted the law and went to the U.N., thereby placing that One World Government body above the U.S. Constitution in order to give quasi-legality to its illegal action in declaring war on Iraq, and the Congress solidified the illegal actions of the President by giving him what one CNN "expert" described as "a sort of a Congressional declaration of war".

How can we as a nation allow such flagrant wrongs to stand? There must surely be thousands upon thousands of Constitutional experts who know that the President and his cabinet violated the highest law in the land by proceeding against Iraq without a Congressional declaration of war. Even the quasi-legality of the U.N. mandate obtained by the President cannot stand, as the U.S. is NOT a member of the U.N. For the U.S. to legally become a member of the U.N., a Constitutional amendment to this effect has to be ratified by all the states and, as we well know, this has never been done.

That we have allowed the Bush administration and his cabinet, particularly those who actively planned and carried out the war against Iraq to remain in office, speaks volumes as to whither we as a nation are going. Had we been a nation of laws instead of men, we would long ago have impeached the President and James Baker III. Instead, suffering from "long range penetration", we lapsed into apathy and made no choice at all on this vitally important matter. "Future shocks" rendered this nation impotent and without the national strength and will-power to take decisive action to impeach the President.

Remember this the next time you open your daily newspaper and read about one shocking event after another. So many people respond by asking themselves, "What is happening to America?" What is happening to America is that we have been made a very sick nation, deliberately and with malice aforethought. Unless we can shake off this sickness, this apathy, then in answer to the question, "Whither

the U.S.?" we may safely say, "STRAIGHT INTO THE JAWS OF A ONE WORLD GOVERNMENT-NEW WORLD ORDER."
