YOUR CONSTITUTIONAL
RIGHTS COULD
DISAPPEAR OVERNIGHT

WHAT IS FEMA?

FEMA is the acronym [**Your government LOVES acronyms for it gets so confusing to you-the-people and the government (Congress) that no one can figure out what is being either talked about nor identified in many cases**] for Federal Emergency Management Agency. It was established by Executive Order 12148 and signed into existence by Jimmy Carter in 1979.

It was originally planned as an umbrella administration consisting of the disaster and emergency response arms of nearly a dozen scattered federal agencies.

Questions have existed about FEMA's role from the beginning. Veteran Washington watchers have long been puzzled by its secretive role, except, of course, those who put the confusing and dictatorial insurance plan into effect.

The Reagan administration, for example, had plans for arresting tens of thousands of "potentially subversive" suspect aliens, critics and dis-

senters in the wake of an undefined national emergency. The only difference now is that it includes all of you who do not wish the installation of the New World Order. The bases are identified, outfitted and ready for your incarceration, RIGHT NOW.

Does FEMA pose a danger to lawful government? Is there the possibility of a dictatorial overthrow of the Constitution with the President seizing all power?

George Bush rarely gives a speech on world affairs that he doesn't refer, by word or implication, to the oncoming New World Order.

Now, however, this new method is ready to nullify America's treasured Constitution, and the insidious EO's have gained a new and even more dangerous part to play in the plotting of the one worlders of the Trilateralist-Bilderberger ilk of the Committee of 300 (Club of Rome).

PRESIDENTIAL
EXECUTIVE ORDERS
PORTEND TAKEOVER

The massive danger of such schemes as those proposed by Rep. Newt Gingrich and Sen. Phil Gramm is that any declared "national emergencies" would allow the President to

activate repressive EO's signed by presidents going back to World War II. Yes, indeed, for you who recognize this information: We have given this many times in many places—but **did you REALLY absorb the importance and finality of the facts?**

Let's list the EO's again for your reminding—in brief format and then we can better discuss individual issues.

EO 10995: Provides for the takeover of the communications media. In other words, forget about freedom of the press, TV, radio (speech). It is already controlled by the Elite business manipulators but this would simply bring it into absolute control by the President. The evolvment has been gradual enough that you actually probably wouldn't even notice the difference.

EO 10997: Provides for the takeover of all food resources and the nation's farms.

EO 10999: Provides for the takeover of all modes of transportation, control of highways, seaports, etc.

EO 11000: Provides for mobilization of all civilians into work brigades under government supervision. In other words, YOU, as slave labor.

EO 11001: Provides for government takeover of all health, education and welfare functions.

EO 11002: Designates the post-

master general to operate a national registration of all persons.

EO 11003: Provides for the government to take over airports and aircraft.

EO 11004: Provides for the Housing and Finance Authority to **relocate** communities, designate areas to be abandoned and **establish new locations for populations.**

EO 11005: Provides for the government to take over railroads, inland waterways and public storage facilities.

Actually, do not be misled by the term "government" in the above "orders". These are Executive Orders and that means "THE PRESIDENT" will be the one to decide and cause to come into action the above listing of all facilities control and even decide when and where you shall be moved from your homes.

All of the above orders were combined by President Richard Nixon into the notorious EO 11490 which allows all of these insidious things to take place if a national emergency is declared—and guess WHO can decide if and when you are experiencing a "national emergency"? Ah, I thought you could guess!

Here are some direct quotes from a 40-page Nixon EO: "Develop plans and procedures for the Department of Defense utilization of non-industrial facilities in the event of an emergency in order to reduce requirements for new construction and to provide facilities in a minimum period of time...."—in other words, the **confiscation of private (YOUR) property—in part or in total.**

FOREIGN SOLDIERS LIVING IN YOUR HOME

"Develop plans and procedures for the provision of logistical support to members of foreign **FORCES**, their employees and dependents as may be present in the United States under terms of bilateral or multilateral agreements which authorize such support in the event of a national emergency."

In other words, prepare for the billeting of foreign troops in your home, contrary to the Third Amendment.

"Develop emergency plans for the control of alien enemies and **OTHER ALIENS** within the United States.... The location, restraint or custody of aliens...."

DO NOT BE BLIND, LITTLE CHELAS—NOTE THE TERM "FOREIGN" WAS USED WHEREIN "FOREIGN" IS SUITABLE AND "ALIEN" MEANS EXACTLY THAT WHICH YOU PERCEIVE IT MEANS!!!! SO NOW WHO DO YOU THINK BELIEVES IN "FLYING SAUCERS" AND LITTLE GRAY MEN FROM MARS??? PLEASE NOTE ALSO THAT THIS HAS BEEN IN TOTAL EFFECT SINCE THE 1960's.

"The Secretary of Labor shall have primary responsibility for preparing national emergency plans and developing preparedness programs covering civilian manpower resources."

Preparations can be undertaken

for forced labor.

"Provision for regulation of money and credit in accordance with the needs of the economy, including the acquisition, decentralization and distribution of emergency supplies of currency; the collection of cash items and non-cash items; and the conduct of fiscal agency and foreign operations." That about gets it ALL, does it not?

"Provision for the continued or resumed operation of banking, savings and loan, and farm credit institutions, including measures for the recreation of evidence of assets or liabilities destroyed or inaccessible.

"Regulation of the withdrawal of currency and the transfer of credits including deposit and share account balances."

This should hit you where you live—in the pocket-book!

There are those naive souls who believe that fears of the United States ever becoming a dictatorship are unwarranted. From the above EO signed by Nixon on October 28, 1969, the reader can judge for himself. **ANYONE OUT THERE NERVOUS YET?**

THEN CAME CARTER

Then along came Carter with more teeth than lips but as much "bite". He did up a dandy in EO 12148, titled the **Federal Emergency Management Act (FEMA)**.

All prior EO's having anything to do with emergency planning were incorporated into it. This EO gives the President absolute power during any "emergency" SO DECLARED BY HIMSELF.

From Carter's machinations emerged a totally new bureaucracy, the Federal Emergency Management Agency (FEMA), which assumed control of a chain of older "emergency agencies", including the Federal Disaster Assistance Administration, the Federal Insurance Administration, the National Weather Service, the Federal Emergency Broadcast System and about a dozen others.

In an "emergency", FEMA was, through EO 12148, to virtually take over the key functions of the national government by means of "senior representatives" and "liaison agents" now positioned in every major government agency and **handpicked by the Presi-**

dent himself.

Incredibly, FEMA even has the power to assume the duties of the President himself—and that is why he involves himself personally in such matters as the L.A. riots, etc., to show that he has **TOTAL AND UNQUALIFIED CONTROL OF ALL.**

FEMA, UNDER ITS MORE INNOCENT APPEARING POSTURE, IS THE ORGANIZATION OF THE FEDERAL GOVERNMENT THAT RUSHES INTO ADMINISTER FEDERAL AID AND ASSISTANCE WHEN A DISASTER STRIKES A COMMUNITY OR STATE—TO CAUSE YOU TO FORGET WHAT **THE REAL POINT IS, IN FACT.**

This full document of Carter has been given to you so I shall not herein reprint it, but you can obtain a copy from the July 24, 1979 *Federal Register*. (Copies are also to be available from America West.)

Finally, your nice friendly "communicator", Ronald Reagan, came along and updated this EO in his last full year in office—on November 18, 1988 (some would call it "lame duck" deep "due-due and owing"), **leaving his successor, Bush, THE TOOLS TO CREATE A DICTATORSHIP, HIS "NEW WORLD ORDER".** Is

there any "wonder" all these nice "old" boys past presidents are so chummy and so "into" helping in all sorts of political capacities? How sleepy are you little Americans?

AMERICANS ARE COMPUTERIZED

If you would find the government's most tightly guarded installation, you would find Fort Meade, Maryland. It houses, among other things, the secret National Security Agency. It is unmarked as to buildings, windowless offices and located on the grounds of Fort Meade. Hundreds of thousands of American citizens are computerized by technicians on the payroll of FEMA. You pay for your own imprisonment dossier and computer file in more detail than you can imagine in your wildest nightmares.

Administratively, this place is the equivalent of an unlisted telephone. It has no official existence. There is no listing for it, no traceable designation.

ENSLAVE, cont. from previous page

But it's there, friends, idling quietly and sucking up more and more information every moment of existence, like a doomsday bomb waiting for its moment in history.

The job of FEMA's secret data control annex at Fort Meade is to develop so-called CAPs—the term stands for “crisis action programs” (more acronyms)—to be implemented in national emergencies (see above). The term was originally used to denote disaster relief plans at the Federal Preparedness Agency, once a department of the General Services Administration, now merged into FEMA.

But the computerized action plans instrumented at Fort Meade have nothing to do with aiding victims of hurricanes or other natural disasters. They are blueprints for taking over the U.S. government and converting it into a command system under the “emergency management” of federal bureaucrats. This might be OK if the commander were not worse than the commanded.

Privately, congressional investigators, intelligence analysts and veteran Washington newsmen familiar with the inner machinery of the vast Federal Bureaucracy have long expressed a lot of concern and anxiety about FEMA and I would guess that is very much understated. An “umbrella administration” born in 1978 when President Jimmy Carter combined the disaster and emergency response functions of nearly a dozen scattered federal outposts into a single agency, FEMA has always been recognized as an “activist” and secretive fraternity up to “NO GOOD”.

UNDER LOUIS GIUFFRIDA, APPOINTED FEMA DIRECTOR BY PRESIDENT REAGAN IN 1981, THE AGENCY DEVELOPED A TOP-SECRET PROJECT FOR ARRESTING TENS OF THOUSANDS OF “SUSPECT ALIENS” ALONG WITH TROUBLESOME CRITICS AND DISSENTERS WHOM THE WHITE HOUSE FOUND ANNOYING ENOUGH TO BE LABELED “POTENTIALLY SUBVERSIVE.” Again, note the use of the term “alien” with the expected assumption from you-the-people as being “foreign”.

This was labeled Operation Rex

84. These un-Constitutional plans were first discovered and revealed by some good investigative reporters in 1984 and brought public—only to be totally buried and quashed.

The exposé did wreck some of FEMA's plans for immediate setting up of mass “emergency detention centers” and cost Giuffrida his post as director—and until that little interruption could be overcome the workings were focused on secret preparations for insuring the continuity of the federal government in ill-defined “emergencies”.

Ah yes, Gerald Ford was into the thick of it, also, so don't start counting chickens before the eggs. The above statement is fully attributable to Gerald Ford and was enunciated by Ford in Executive Order 11921, and fully understood by FEMA to mean that one day they would be in charge of the country under the control of whatever “President” would be placed “in power” at the appropriate time. But at the time the bureaucrats fully understood that they would be waiting for their “real” mission, preparation and then take over when some “situation” seemed serious enough to turn the United States into a police state as declared by that President.

As an illustration of FEMA's conspiratorial core, we can cite the instance of the 1989 visit by President George Bush to Cartagena, Colombia, to attend a so-called regional drug summit with three Latin American presidents.

There were rumors of a terrorist

threat against Bush by Colombian drug hit squads. This was fully known by the Central Intelligence Agency. Teams of Secret Service, FBI and CIA agents were mobilized to find out how serious was the threat, while back at the ranch in Washington FEMA went to work on an emergency program in case the presidential plane was hit by a Stinger missile somewhere over Colombia. Now what do you suppose they have up their sleeves for the meeting in Rio?

FEMA's emergency measures included preparations to round up more than 10,000 Americans “red-lined” in the agency's computers as “activists, supporters or sympathizers of terrorism” in the United States.

In August 1990, after Iraq invaded Kuwait, FEMA got ready to deal with “terrorist emergencies” in the United States by churning up the same old discredited computer compilation of “terrorist supporters and sympathizers”, adding thousands of names to it and alerting the U.S. Army to set up detention camps to hold these innocent victims of its bureaucratic brutality.

SECTION 6. This Order is effective July 15, 1979.

JIMMY CARTER
The White House

WHAT IS AN EO?

Under the Constitution, the President is vested with the executive power of the government (Article II, Section 1, Clause 1), the power to "preserve, protect and defend the Constitution" (Art. II, Sect. 1 Clause 7), and the power to see that the laws are faithfully executed (Art. II, Sect. 3). From these powers is implied the authority to issue "executive orders".

The President must have the authority to issue directives to keep control of the executive branch and to provide detail to legislation. Neither Congress nor the courts have the right to prohibit the executive branch from adding or subtracting authority from one government agency to another, for example.

However, this presidential power has been abused in the form of executive orders that impinge across legislative concerns which are properly the province of Congress.

The validity of executive orders (EO's) has been questioned many times dating at least to the Civil War. However, a ruling as to the extent or limit to which they may be used has never been determined by the courts or by Congress.

The Federal Register contains the text of EO's issued by the presidents. There is no congressional authorization required, nor is there any review by the judiciary. All EO's are "laws" made by a single man—the President of the United States.

Do any of you have the slightest idea or vaguest notion as to WHO heads this monster called FEMA? No, I don't mean the President. I mean, who is director of FEMA?. Ever heard of someone named Wallace Stickney? I thought not! May God bless you and keep you for your government certainly is NOT going to do so.

With love and best wishes for a future, I Am Hatonn, to clear.

MEDITATION

5/24/92 #1 HATONN

Don't be afraid your life will end, be afraid that it will never begin! And while ye journey through the experience take time to love people for the good YOU HAVE DONE UNTO THEM—not for the good they have done unto YOU, for if you love not everybody then ye don't really love anybody. Also, you must learn that possessiveness and "me-ness" always ends by destroying what it efforts to protect. You must stand "together", yet not too near together. For the pillars of the temple stand apart, and the oak tree and cypress grow not in each others' shadow. Look not to another to see what they support or garner lest ye miss that which is YOURS to treasure. So be it, may wisdom walk this passage with you.

ROSS PEROT

I begin by saying that Ross Perot must be doing a few things "right" for he has the "Industrialists" who once did business with him denying he has any merit whatsoever. Also, there are the paid few who speak out and refer to him in his early business days as being a "slave driver".

Most of all, however, he is actually being denounced because he asked to be relieved of Navy duty—not because of the work load and/or Naval duties but rather that the MORAL DECADENCE OF THE RULES AND THE MEN WERE AGAINST ALL GODLY ACCEPTANCE. Do you, however, have the SAME man with which to deal? Can he be worse? Well, his opponents are gathering votes from the minorities on the one hand and playing golf while "Rome burns" on the other.

ATOMIC TESTING

How many of you took note this past week that the Chinese test fired the *largest underground nuclear device they have ever tested to date?* **NOW WHY WOULD THEY DO SUCH A THING NOW THAT THIS HORRID COLD-WAR IS OVER?** *Better wake up, little siblings.*

ENVIRONMENT

Did you also note that the European Environmental Congress adjourned having accomplished nothing and most representatives not planning to attend the Rio World Congress? No funding and no binding regulations were laid forth to actually DO anything in Europe and nothing positive is EVEN ON THE AGENDA IN RIO! The regulations are going to be abandoned in the name of help for "industry" in order to allow the Elite to continue to shift production into those unregulated countries. Oh, the World Bank and International Monetary Fund will blather and regulate but that is to insure the ability to cut loans and life support systems to the people under the guise of punishment for breaking regulations—however, it will only be "show" while the population is devastated—"watch my lips"!

How many of you have at least a year's food supply for all members of your family? I am continually asked about this and "what is needed" and other pertinent "how-to's". I am asking Dharma to reprint a page from *Countryside & Small Stock Journal*, Vol. 75 No. 5, Oct. 1991 by Daryl Hughes, 11708 Flemish Mill Ct., Oakton VA 22124. I do, however, urge you to simply consider this while you are awaiting arrival (or reading) of the JOURNAL, SURVIVAL IS ONLY TEN FEET FROM HELL.

Quote:

A YEAR'S SUPPLY OF BASIC FOOD

(Linen, crystal and silver are optional):

Anyone interested in keeping a year's supply of basics on hand can easily do so following these guidelines. (Note: this diet is meant to sustain life, not necessarily to provide gourmet meals.)

For each adult:

300 lbs. grain, stored in a cool, dry place. This is often put aside in the form of hard, red winter wheat, but you can also store oat groats, rolled oats, rye, corn, barley, white rice, etc. (Note: *Brown rice is richer in dietary fiber, minerals and vitamins—particularly the B vitamins—than white rice, because the bran, or outer brown layer, is not milled away. But the bran oil is easily degraded by lipase enzymes into free fatty acids, leading to off-odors and off-flavors. Brown rice usually turns rancid after being stored about six months. An ethanol treatment to deactivate lipase enzymes in the bran has been developed in the lab, but is not yet commercially available.*)

Wheat and barley can be stored for decades if put away properly. Oats and corn should be rotated through in 3-4 years. (I have been told that popcorn will grind up into a nice flour and it will store indefinitely. Note: At least one company—

Mallard Pond Farms of Boulder, Colo.—sells pre-packaged mixes of waffles, pancakes and brownies, all made with popcorn flour. They tout the health benefits of the gluten-free flour.)

I have often ordered large amounts of wheat, etc., for people to store and we get it delivered to us in heavy-duty 5-gallon buckets. I rotate through mine as I bake breads regularly.

Salt: Store 5 lbs. per person for a year's supply. I keep way more on hand, figuring it would make a good trade item if money lost value.

Sugar or honey: 60 lbs. per person for a one year supply.

Oils or fats: 2 lbs. per person for a year. (One gallon oil = 7 pounds.) Choose from oils, shortening, mayo, salad dressing, and peanut butter. The only strict rule on oils and fats is that you must pick ones you'll use and rotate through or they'll go bad. **Milk powder** (or a high quality protein such as poultry, beef, fish, etc. These can be cured, dehydrated or freeze-dried).

Milk powder is difficult for most people to store because, generally speaking, they hate the taste of it. So they don't use it, and it goes rancid, and then it's really bad!

Unless you are willing to use this product in your daily baking, or cut your fresh milk in half with it, I wouldn't recommend that you lean too heavily on the milk powder.

The required amount is 75 lbs. per year. The absolutely best brand I've found is Maple Island.

Plan to store half as much meat, poultry or fish as milk powder, and if you leave out

the milk powder be sure to find another source of calcium.

Legumes: 60 lbs. per person for a year. This includes any variety of beans (red, black, white, soy, etc.), peas and lentils.

Water: Always keep a supply of potable water on hand—at least 14 gallons per person for a minimum two weeks drinking supply in the event of an emergency.

For those of us who have not yet reached the point of total food self sufficiency, there are several places to order bulk deliveries from. The one I have the most experience with is Walton Feed Inc., 135 North 10th St., Montpelier ID 83264 (contact Steve). Call 1-800-847-0465 for a current price list. [H: Please note that these are not my personal recommendations and the numbers may be invalid. I am simply repeating the information. Since I honor the author for doing the offering I certainly do not take exception to resources. At some point in the near future there will be facilities here which will be offering "survival" and "storage" supplies—at present, I have no better resource for your use.]

Be advised that *Walton Feed* waits until they have a *truckload* full to send to your area, so delivery might require waiting several months. On the positive side, everything I've ordered from them has been very good, packed in nice buckets and bug-free. They will also nitrogen pack your grains in mylar bags in the buckets, for an extra charge, if you want long-term storage and don't intend to rotate.

An interesting note: FEMA (Federal Emergency Management Agency) reportedly visited Walton recently and wanted to see the entire operation. They were most interested in assessing the inventory. Executive Order #10988, signed by

 the President, provides for Federal takeover of ALL food resources in the event an "emergency" is declared. According to newspaper reports, President Bush was prepared to invoke this Executive Order during Operation Desert Storm. You can read it (the order defined) for yourself in the *Federal Register*, July 24, 1979. (Check your library).

Anyone with questions regarding food storage or wanting more help can feel free to write to me.

END QUOTING

Readers, please be aware that I get pounds of letters asking what to do if you can't store all the above or can't afford to do so. I can't help you more than I have done on numerous occasions when we have written about this and more information can be gotten from America West as to resources, etc. ((805) 822-9655 or FAX: (805) 822-9658). To simply order the book mentioned and receive a catalog call toll free: (800) 729-4131.

If you absolutely have no way to store adequate supplies for long-term—at least store enough for a couple of weeks for emergencies. An alternative, although not too palatable to think about is to store a large quantity of Chlorella algae, Spirulina algae and a supply of supplements in the form of full-spectrum vitamins and minerals. With water, you CAN live indefinitely on this supplementation. Man, however, is not geared in this day to be able to enjoy such lack of emphasis on his eating structure so you must be your own guide. I can PROMISE YOU THAT NO-BODY IS GOING TO DO IT FOR YOU! The government is trying to make sure you DO NOT get the supplies so you had best work carefully from that aspect of the facts of it. Reread what was written about "FEMA" regulations. The Executive Order in point is already in working presence so food acquisition will fall into immediate regulation with any kind of emergency. We have no wish to have commercial operations of large size for it is obvious that business-wise after regulations take place, the government will simply seize the corporation and take the supplies and inventory. It is good to have such an operation only AFTER

stocking for all parties who might be working as a unit in group storage, etc. GOD IS NOT GOING TO DO IT FOR YOU—GOD PROVIDES INPUT AND EXPECTS YOU TO DO THAT WHICH IS PHYSICAL IF YOU WANT TO SAVE THINE OWN NECK AND ASSETS. If you sincerely petition God and then DO YOUR PART, you shall know HOW to provide. IF YOU WAIT FOR GOD TO DO IT—YOU SHALL BE QUITE HUNGRY AT THE HANDS OF THE GOVERNMENT.

MEDITATION

5/25/92 #1 HATONN

Will you begin to center yourself this day? As you do so you will discover something worthwhile extending toward the periphery of the circle. You will find again some of the joy in the "now", some of the peace in the "here", some of the love in me and in self which go to make up the kingdom of heaven as can be perceived even upon your Earth. My lifetime listens to yours, oh brethren, and I have come to share today with you.

My own growth is enhanced every time I, Hatonn, give my attention fully to another being—and this process is multiplied over and over and over again. This can only be Truth for your own journey, precious ones, for I am but YOU grown in wisdom and presence. Will you be there for someone today? Always God sends his hosts and messengers to be with YOU—will YOU return in like manner? It is your ticket home!

And can ye share? Can you REALLY listen to another and allow his relating an important event that has happened to him?—without trying to "top" him with a story of your own? Can you not allow another "to have the stage"?

And while you ponder priorities and what shall ye do in order of importance TODAY—does God and thine own spiritual journey and family go begging? Brothers, get your priorities straight for no one is ever known to have said on his death bed, "Gee, if I'd only spent more time at the office or at the bar gathering relationships!"

Ye shall have arrived in the human format when you live your life as an exclamation, not an explanation.

The Divine Plan And Places In Between

5/25/92 #1 HATOON

As we sit to write this day I am going to turn our attention to another portal—as I so often do. I always must apologize for the interruptions in thought flow but, oh my children, there is so much more that is worthy of thine goals and directions and understanding—than can be held in the evil practices upon your beings. You cannot turn unto these things, however, until you understand that which has pulled you down and is in the process of destroying your very freedom—but there is more to your past than the last 2000 centuries of downfall into the ashes. There is the wondrous rising of the Phoenix and its return to be revealed within in power and glory. To the Native Aboriginal Humans (People) of the Tribes of the Flight People, it is a time of rejoicing for the oral tradition promises that this is the time of the return of that Pale Prophet, that wondrous teacher, the White Buffalo Cow Woman—or that Lost White Brother. In every language the story is pouring forth if the resource be in truth and recognition of the relationships with the "Bird Tribes" is understood. Can we pull away from the tirade against you briefly and share some of the unfolding of the REALLY great mysteries?

ATLANTIS: WHAT AND WHY

To understand why Earth is in its present turmoil, you must look back in time and remember the great civilization of Atlantis and that of Lemuria. I need not go further back at this time for these remnants hold enough to give verification of your "present". Atlantis, for instance, is not a figment of science fiction, but was a tangible civilization in Earth's past history. It, however, only represents the more recent experience, the uplifting of civilization and then, again, the downfall—beyond the continents and civilizations upon which it was built.

Because it plays such a linking

portion of your historical travels as human man upon planet Earth I shall briefly focus upon it for a minute before moving on to the portions and locations which have more in-depth and pointed information intended for one or two to receive in the silence within.

MASTER THIS THIRD DIMENSION

How can you master the third dimensional environment of Earth? Firstly, by getting to truly "know yourselves"—who you ARE, what you ARE, why you ARE here. Next, by learning to control all aspects of this wondrous environment of learning—in a positive manner bringing you back within God's intended path and into balance and harmony—not chaos. Thirdly, you must come into understanding this "Earth" Shan and its relationship to what lies beyond the third dimensional environment.

In Atlantis, man had advanced to a remarkable degree of control and understanding of the third dimensional environment, and was at a point where he could have led Earth Shan and its inhabitants into the fourth dimensional experience of physical-spiritual growth. Instead, some who possessed advanced knowledge began to abuse and pervert this knowledge by enslaving other men, and by misusing their spiritual POWERS in various other ways. When this abuse of spiritual power became too widespread, it set into motion certain forces which resulted in the eventual disintegration and destruction of the civilization. This destruction did not occur in one giant cataclysm, as may be commonly supposed. Rather, it occurred as a process of decline that lasted over thousands of years. During this period of degeneration, the continent gradually broke apart and yielded its majority portions to the ocean. Gradually, the inhabitants of this once great civilization migrated to various parts

of Earth, taking with them the remembered skills and technologies that resulted in the archaeological wonders that fascinate you today. Modern archeology is for the most part at a loss to explain such evidences as still exist in Central and South America, in England and Egypt and elsewhere around Earth. There is most certainly a total lack of any kind of understanding of the "beings" who dwell on two planets (two dimensions) as are found in places about the globe. But always there would be forms sent forth in guardian capacity in both the underground facilities and within the etheric realms to attend the sacred history and treasures of each segment of unfoldment. You must realize that the "creation" is as old as "Creator"—therefore ye cannot be in the dating or timing of existence—on your place or anywhere else within the whole of Universe. This is why I can only speak of "historical" remembering as handed down and as overseen by we who have already passed that way and already "remember".

PHILIPPINES SPOTLIGHTED

How many of you would believe that the Philippines, as currently located, hold the keys of transition and reformation as well as rebuilding of the remnant upon the beautiful Creation Shan? There are other portions in other places but central to the reclamation of this cycle of life-stream of you as a civilization and experience of God self upon that land-mass manifest—shall come to balance and focus within the wondrous places rising in the Sea of Peace, called Philippines.

Ah yes, ye can take the ministers and touters, missionaries and gurus into the places of the Lions—**BUT YOU CANNOT TAKE THE PLACES OF THE LIONS AND BIRD**

TRIBES FROM THE HEARTS OF THE PEOPLE!

As with all tarnished writings and histories under tampering, eventually the memory of the glorious civilization that once existed, faded entirely except in the awareness of the adepts who possessed the arcanum, and in the subconscious minds of former Atlanteans to be remembered through the ORAL traditions and legends of the passage of great sequences and cycles. The stories bore meaning even if the subject as present was seemingly pagan and ritualistic in behavior—nay, nay, the Truth would always be present for the ones come forth in the remembering in the time of service unto Creation/Creator.

UNFOLDING DIVINE PLAN

So, you would ask, what has this to do with the unfoldment of the Divine Plan? Just this—Atlantis was not the only great civilization that has evolved upon Earth. There have been many others lost to antiquity such as Lemuria. But you are so attached to some ones such as Lemuria that the memory cannot be erased for you who experienced therein are destined to serve again NOW. Each time that mankind has advanced to the level of a Lemuria or an Atlantis, it has had within its reach the opportunity to raise Earth's level of consciousness to fourth dimensional awareness and it has failed. Each failure was due to the misuse of spiritual powers which allowed total takeover by evil intent locked within the "physical" expression, in turn entrapping the soul and delaying its passage into glorious radiance.

In the past, this could be condoned because there was still yet another chance. Now, however, you have reached a point in Earth's history and in galactic evolution where the transition into fourth dimensional consciousness must be made so that you can perceive the dimensional expression of understanding and KNOWING the principles of LIFE-STREAM experience.

Let me explain a bit more clearly. The Divine Plan is based upon the Will of God (Spirit, Universal Mind, or whatever name you might choose to call the indefinable Infinite Intelligence). Divine Mind always proceeds

in an orderly, evolutionary pattern predicated upon Its principles of Universal Law. Wherever this Divine Plan affects man, he is always made aware so that he will have the opportunity to cooperate and grow upward in this evolutionary spiral.

Man is now being made aware, through many means, such as this very discourse, of certain galactic facts of universal, immortal life. As you know, your solar system is a part of the Milky Way galaxy as you have identified it. Your solar system revolves around the Milky Way in an orbit that takes some 206 million years as you would calculate in your numbers. We can refer to this revolution of your solar system around the galaxy as the Great Cycle Orbit. Your solar system (our solar system—for you are a segment within the solar system (actually) of Pleiades with our Central Sun), was created some time in your type of counting at least 4-1/2 billion years ago. This rough estimate will serve us well enough for our purposes herein. I am not going to teach you "truth in astronomy" nor "astrological divining". This corresponds to 22 Great Cycle Orbits of your solar system around the Greatest Central Sun, not to be confused with the Central Sun, Alcione, of Pleiades. You see and must understand that the Divine Plan as regards YOU is not finished—only progressing into other expression of the continuing "play" in action.

In the Will of Divine Mind, as communicated to the Spiritual Echelon of our solar system, this completes the time cycle in which our entire solar system is to remain in its present state of evolution. As the age of understanding and higher knowing moves into a new frequency vibration where no expression below the fourth dimension will long continue to exist, comes the need to reconstruct and have guidance into this higher state of experience. Man has a basic set of "phases" in experience as a whole, and the "whole" concept will be moving into that which is higher in experience, while some fragments will continue in ignorance within an experience of limitations and bondage and others will experience in the total void of Lightlessness—and others who serve as simple "lesson creations" will be removed and cease to experience.

Man began to experience life in

your system centuries in the millions past, at the beginning of the present Greatest Cycle Orbit. The Divine Plan is for all human life within your solar system to achieve at least the awareness of cosmic consciousness by the end of this orbit which is reaching its conclusion now with the time of Kali (Chaos). This means that man of Earth must immediately become aware of what cosmic consciousness is and take the necessary steps to raise his individual level of consciousness to that state of knowing awareness. Failure to do so will result in self destruction! Man of Earth, in your present state, simply cannot tolerate the new incoming change in physical frequencies even if he could survive the physical bombardment thrust against him by the evil intent and projection of man.

Within this Great Cycle Orbit, there have been a number of lesser cycles. When the Atlantean civilization failed to reach its development potential, this left only the so-called 26,000 year "minor" cycle of the zodiac (as you call it) to complete the Plan. As this present age draws to a close, this cycle, concurrently with the Great Cycle Orbit, comes to an ending.

Right now, planet Earth is the only planet in your solar system where man has not yet reached the cosmic level of awareness. This level of consciousness must now be rapidly attained in order to fulfill the Divine Plan and insure your continuity of passage as a species of this civilization.

OTHER PLANETS OF OUR SUN

Because you cannot find life on other planets in your solar system does not mean there were no life-forms prior to now, now or will be in the future perception. YOU are too limited in your understanding of factual progression to begin to understand the evolution of life-forms. YOU are stuck with the limitations of your UNREALITY for you must rely solely upon your five physical senses, and upon the findings of conventional Earth science, to tell you whether or not intelligent human life might exist on other planets of even your own solar system. Worse yet, you rely on

ANOTHER'S perception and speculation and pronouncement regarding "other places out there".

At the close of every civilization as you now face—through man's progression along the binding physical plane while denying the spiritual aspects of divinity and infinite journey there is wondrous contact and interrelations formed and experienced between Cosmic intelligence.

When Atlantis was at its height, there was open communication between Earth and the other planets of your system. After the fall, however, this open communication was removed for you no longer had desire for "balance" and had sank into the mire of total humanistic experience. Now that man of Earth has again evolved to a point where he can make the transition into higher consciousness, communication and contacts with extraterrestrial beings has again increased and will become most "common". This being the "Greatest" Cycle, there will be present many changes undreamt of except through the minds of the ones sent forth to enlighten you of the truth of it.

Indeed, there is a Divine Plan. Do not believe for one moment that the ONLY plan afoot is the Plan 2000 of the Evil segment of Elite Human Puppet Masters. The Plan involves many, many beings, human and otherwise, from within and without the Earth's planetary structure. It will behoove all men to open their minds and their hearts to at least *consider* these possibilities. It will be far better to cooperate and work with the Divine Plan and to reap the Divine Love, Light, Life, Peace, Truth and Joy that it offers, than to oppose it and reap eons of misery and regret. The "coming back" is indeed a long, hard journey.

WHO WILL HEAR

You ones of Truth will find it very difficult, especially as you witness the Truth unfolding in your very presence, to believe that anyone hearing what I have just told you could ignore it or cast it aside without further investigation. It would seem to take an extremely prejudiced and unthinking mind to simply disregard this information but there ARE those minds

abounding upon your physical placement.

There are many, however, wise and beautiful souls upon your Earth Shan. When they are made aware of an intelligent Divine Plan which offers tangible and visible proof beyond the limited teachings of "religions" (which actually build to a point of total entrapment and then fizzle into agonizing deceit) they will awaken and be made aware of an intelligent Divine Plan. They will want more and more to participate in bringing the Plan into fruition. The most difficult obstacle for most of them is to scale those orthodox walls of entrapment. The second most difficult obstacle will be to rise above the self-imposed limitation of relying only upon the five physical senses. You all, readers herein, have that very bondage nagging at your very senses constantly.

We will continue to allow insight into the Divine Plan unfolding—but it must be in proper sequence and it must flow unto the "leaders" who come forth again as representatives of the higher Commands and "Sky People". Will ALL come "home"? No, for the play is not finished—when the play is finished ALL will come again, in Truth, unto and within the ONE.

UNLEARNING THE FALSE

Before the "few" can come into the knowing (remembering) of purpose and journey, there must be a period of reminding, recognition of status and unlearning false precepts. God never leaves his fledglings flapping mindlessly for very long. As with all great cycle changes, preparations are laid forth for tangible use during your time of change that the changes brought forth can build a bridge into infinite MIND in a dimensional manner appropriate to the experience. Great treasures of wisdom and wealth are placed for use and guarded by the "guardians" sent (and remaining in higher states of presentation) until such time as an unveiling of purpose can be recognized, proven and integrated within.

Each time that man's evolution upon Earth has reached a point where he *could* advance to a much higher level, this "treasure", if you will, has been brought forth and made available to a worthy custodian to use for the

benefit of all mankind—simply, quietly and in logical, reasonable manner to draw no attention from the masses or adversary. This has not taken place since the fall of Atlantis, yea, these 26,000 years ago. Since that time the very items in point have been placed in the appropriate locations for use against the day of final and incredible change and transition. Until the proper ones are in place and into enough understanding to move "with purpose" and "under direction" of highest intent, nothing shall be presented for corruption at man's hands. Always will come the accompanying opening-up of opportunity at Earth level of experience to continue to "cover" carefully the building and needs of the remnant in security.

In recent history, there have been numerous individuals who have sought unsuccessfully to uncover this vast wealth as you might guess. There have been the deceivers and this is WHY the adversary clings to and bombards the workers of Lighted Cause—to get on the "inside" and garner wealth without honor in Truth or production.

However, this is so well guarded that *accidental discovery IS IMPOSSIBLE*. The reason for this is obvious. Were this "wealth" and "knowledge" to fall into the wrong hands it could literally destroy the whole of mankind—and in addition, at least destroy the Divine Plan in interruption and flow. Contacts would be made in "strange" ways into the hearts and minds of "guardians" and participants and what would be needed would be presented in most logical manner of presentation. All of these things are yet to be unfolded unto you. You who are coming into recognition of purpose will KNOW when it is time to KNOW. Until such timing is proper, ye will continue to do thine works as guided in integration with us of the Hosts sent forth for the sorting, testing and ultimate instructions, guidance and actual building of that which is necessary. Many fail the testing and sorting—MANY! In fact, until this day—almost ALL. Aren't we lucky that I can say "almost" and not ALL?

Before this vast abundance can be presented for use, much must be taught and directed so that no errors in placement are allowed. Hearts and directions change when wealth is presented

into any equation—this be for God's evolvment—not for the "hell of it" for "man's further foolishness". So be it.

5/27/92 #2 HATONN

(Continuation of Monday writing on *The Divine Plan and Places in Between*.)

THE INFINITE

It is the INFINITE of this journey which is sought and achieved regardless of direction "thought" has laid forth. All is but cycles ending in the infinity of the whole—circle of infinity, if ye will. The journey will spiral always until such time as thought projection takes you into the sequence of events which allows for learning and passage—each experience and portion adding to the whole until the circle becomes ONE.

Let us look briefly at the symbolic circle which can well indicate an "ending" or a "beginning" of THE circle of experience and expression manifest in the life-stream of the fragment in expression—projected outward and returning honed and learned in Knowing, unto ONENESS once again—a sequence—not a "time"; a segment—not a "space". In this wondrous connection of the circle to itself, one can perceive, perhaps, a destiny in which the world is "gone". As you come into the oneness with creator into this voidance of time and space—all will be at peace and rest without perception of impact upon the blessed wholeness of "being". Even the music is gone but there need be no perception of such for that which replaces the senses of music is that which BECOMES the music and needs no "hearing". There is only infinite Reality symbolized by the circle of endless time.

This is what teachers have called Tao, Nirvana, whatever the term according to communication of intent and definition. The illusion of the world and the illusion of the Self in the world both come to an end. Only infinite Reality remains. This integration represents "conquest" of the world and its illusion. When the world is conquered, it fades away. Only Truth remains, Truth nameless, formless,

Please see DIVINE, next page

DIVINE, cont. from previous page
 limitless, Truth to be discovered only by inward experience and dwelling with the Oneness within and the Knowing of the mystery of that which before had only been "symbols". May the Truth rest gently upon your being that you might find your way more clearly.

KNOWLEDGE

What, then, is it that we are after in our searching—our journey? We look for Truth, Knowing and Returning in wholeness unto Source—always leaving that which is Truth for the generations to come. It is always through enforced "ignorance" that man is conquered by the adversary of God. Enlighten Man and ye have no adversary. Truth and Knowing give the FREEDOM long sought as goal unto eternity and infinite balance in harmony with ALL.

So what has happened through the ages that MAN has tampered and destroyed to keep from the people created in such perfection and intelligent God reason? The great stores of "knowledge" were destroyed, rewritten, changed to serve the power-hungry and rulers of the physical experience—in other words, evil, for only physical human has "created" evil—all other expressions simply ARE.

So where does the story, this never-ending story—take up memory patterns which allows for insight? We choose to reveal that which can be connected within your own oral mythology.

With the closing of "cycles", Truth must be left for the next sequence of experience so that in the ending of each cycle—Truth can come again as the Hosts are always sent with the messengers to prepare for the coming again of information long stored against the day of recovery—to give confirmation and understanding in measured input allowing belief and comprehension for MAN cannot longer stand shock against his density in manifestation. He has moved too far into the darkness and away from his very substance, the "Photon" expression as "Light".

Since we, my scribe and I, often move back into an experience upon which to bring understanding within our connection, we journey in the memory of those times of Egyptians

and recognition of Aton and feeble beginnings at recognition of Truth. Constantly comes the testing of readiness of species and civilizations in the density of placement in the cause of learning. Always it has been the thrust of the Elite would-be-gods to destroy and change Truth to deceive and maintain power. Why think ye that places such as the great libraries such as that of the Alexandrian Library were destroyed? But were the writings in Truth or simply a place of "scholars" in projection of opinion and already tampered documentation which would further pull mankind from his direction of Lighted paths? That which "awed" and "awes" the world are usually the imperfections of ego-oriented MAN. What happened at Alexandria? Let us look a bit at the setting and see if perhaps there was yet much to be desired in the writings either before or after the destruction of scrolls and sheets of scribblings. "Writing" usually is only a method of setting down misinformation to remind the readers of the lies and to reinforce same. Truth abides in the memory and can never be completely destroyed. This is WHY the oral traditions, even with symbols misunderstood by the masses—hold the actual Truth of evolvment and connections with infinite eternal experience.

DESTRUCTION OF ALEXANDRIAN LIBRARY

Since I have now spoken of Alexandria, let us consider what happened as historically expressed.

It is generally acknowledged that the ancient Egyptians possessed an extraordinary knowledge of the arts and sciences. Their earliest Pharaohs were patrons of learning in all its branches. Their priests and philosophers were noted among the most scholarly of men. I did not say "knowledgeable", I said "scholarly"! The architecture of the Egyptians awed the world for centuries, and their wisdom in chemistry, anatomy, medicine, and astronomy was no less amazing. How could it be? Even to limited perception one must realize that something came prior to this "wisdom" of earth scholars.

Under the dynasty of the Ptolemies, the city of Alexandria became a mecca for so-called scholars. The studious of

all nations congregated there to enjoy unparalleled opportunities for mental self-improvement and perhaps this is when massive mental disinformation really got a strong hold on civilization. Poets, historians, philosophers, and dramatists assembled in the city of the Ptolemies largely to consult the vast libraries which had been accumulated by the Pharaohs of this illustrious line. I would note herein that the only Pharaoh of the time period who was worthy of any note at all was one called Akhnaton. Therefore, if the libraries were allowed and filled with "great" wisdom—it undoubtedly was the "wisdom" chosen by the ruler in power at the time and by simply "deductive reasoning"—it was not of God in intent.

Knowledge, like a magnet, draws more knowledge to itself, even if it be erroneous input, and by the second century before the so-called Christian Era the city of Alexandria had become a veritable metropolis of books. "Its libraries are referred to in ancient documents "as the glory of the world—the axis of the intellectual universe." The misinformation in the prior "words" is enough to make you "barf" if you have a weak stomach.

In addition to numerous private libraries collected by specialists in various departments of learning, and the secret collections written in the hieratic glyphs of the priests, there were two immense public collections.

The largest of these was the Brucheum which formed a branch of the national Museum of Antiquities; it contained some 490,000 papyri, vellums, tablets, and inscriptions, magnificently arranged in the niches and wings of a great rotunda-like gallery. Do you see how much more vastly disinformation can flow this day? Anyone with a personal computer can flush through waste at incredible speeds and completely bury the mind of Man in total garbage or, worse, deceive Man into believing he must have interpreters and go-betweens, authorities other than self and "saviors" to take his burden and "save even his soul".

The second and smaller public collection, devoted almost exclusively to obscure forms of knowledge and therefore probably of greater practical value, was contained in the temple of Serapis, the patron deity of the Ptolemies. This building, called the

Serapeum, housed 42,800 rolls preserved in fireproof containers shaped somewhat like buckets with tightly fitted lids.

The various private collections brought the total number of priceless literary treasures in Alexandria to a figure exceeding *one million documents*. This was a mighty feat in accomplishment even if not pure in intent or content.

It is difficult to compare this ancient collection with any modern library. Many institutions of the present day contain a larger number of books, as for example even before the age of the electronic brains, or "brainless" machinery, in the late 1930's the British Museum had over seventy-five miles of bookshelves. This did NOT include the "new" thrust in writing of the British/Zionist Khazarian Plan of World Conquest in other than subtle form. The REAL blueprints were kept in even more hidden places.

The Alexandrian collection was made up entirely of hand-written works, for the most part unique copies of the greatest antiquity, each of which today would be worth a king's ransom—but not for the proper reason of truth in content—simply value of antiquity. How interesting that one could not purchase an Alexandrian collection at any price today. Again, not because of its quality of knowledge implied—but because of its antiquity—which instructions were destructive then and have only been built upon since the writings.

ACTUALLY THREE DISASTERS

How did the Alexandria Library actually fall into destruction? Well, it probably differs a bit from what you perceive and have been told. It was NOT deliberately burned as is assumed. Actually Caesar didn't give a hang about the library. In the first century B.C., Cleopatra contested with her brother for the throne of Egypt. Caesar ordered the burning of the fleet in the harbor of Alexandria. A strong wind rose, the fire reached the docks and spread. Before the conflagration could be checked it had destroyed the Brucheum and the greater part of the city.

When Cleopatra entered Alexan-

 dria under the favor of Caesar, she ordered herself carried to the ruins of the great library. She beheld a veritable mountain of charred manuscripts and rolls, and the Queen of the Sun cursed her ancestors that they had not made adequate provision to protect the library from fire. She knew a good antique when she saw one.

The burning of the Brucheum was regarded by the Egyptians as a national disaster and by way of atonement Rome presented to Cleopatra several valuable collections of manuscripts which it had accumulated from conquered peoples. Mark Antony was especially active in the restoration of the Brucheum. Surely enough—the new rulers could rewrite history to suit themselves.

The great Alexandrian libraries were a second time destroyed by Aurelian about A.D. 273. The Serapeum was completely razed by the Christians in A.D. 389 upon the Edict of Theodosius.

The colossal statue of the weeping god Serapis which stood in the midst of the Serapeum also was demolished at this time.

Alexandria never entirely recovered from the third catastrophe. The love of learning lingered on, however, until the last of the great collections was entirely wiped out by Amru the Saracen in A.D. 640.

Thus perished the “glory” of the world, the sanctuary of the arts and sciences, mother of “wisdom”. And knowledge has continued its decline ever since at the hands of liars and despots.

If it were asked what humanity has lost through the destruction of the Alexandrian libraries, it will be said that after Alexandria came the Dark Ages—the total eclipse of essential learning. I would not be so kind for I would suggest that the Dark Ages came just prior to the great and wondrous “building” of the libraries. Today a hundred branches of art, science, philosophy, and religion are laboring frantically and painfully to restore that which was wrong and incorrect in the first place.

The lost arts and sciences, the secrets of everlasting pigments, the mystery of malleable glass, the ever-burning lamps, and the transmutation of metals are among the losses as

stated by modern scholars and actually are listed as “minor losses”. What in heaven’s name is “important losses”? Transmutation of metals—a “minor” loss? Wake up little sheeple, the barn is on fire!

The greater tragedy, however, is the loss of the factual histories of the antediluvian world—the beginnings of civilization—even the tampered, still bearing the myths which DID HOLD FRAGMENTS OF TRUTH. The origin of races, philosophies, religions, and sciences—the accumulated knowledge of the lost Atlantis—and the story of its final destruction, when, according to the Mayans, it sank some ten to twelve thousand or so, years ago, carrying sixty millions of souls into transition in a single night—not to mention the slow decay and degradation of the experience.

Thus the most precious secrets of human origin, to which you have recovered only the faintest clues, vanished in smoke. However, I can promise you that by this day—there would be nothing of Truth to be found within those vaults at any rate.

I sincerely hope that you ones will go and read of the times of Alexander, Alexandria and the Khazarians (in the JOURNALS) for you have been given lies instead of rebirthing of Truth through those destructions of ancient times.

To connect the stories it may appear that I jump hither and yon in my outlay of input. I must do this because there are ones in receiving who are being given their instructions and confirmations in bits and pieces and those ones are scattered to the various critical locations for service and guardianship of that which was laid safe against this day of transition, coming into KNOWING and passage of a remnant—a return of the Bird Tribes, if you will. A regathering of Eagles among the “bird” people that fulfillment of the instructions for passage might be brought into manifestation for the flight (migration).

COOPERATION AND SURVIVAL

IT IS NOT A CASE OF SURVIVAL OF THE FITTEST, AS YOUR BELIEF SYSTEMS, BASED ON SHORT-TERM OBSERVATION, PROCLAIM. IT IS A CASE OF FLOURISHMENT OF

THE MOST COOPERATIVE BASED ON TRUTH, WISDOM AND REACHING FOR BALANCE, HARMONY AND ONENESS WITH THE SOURCE.

As we have spoken of the Lighted particles of molecular structure according to a DNA blueprint—so too does the Divine Plan have DNA blueprint. Just as distinct, little beings work together to produce each completed human cell, there are spirit beings designed to work in symbiotic cooperation with each human ego.

There are many names for US. We have been called angels, Bird Tribes, bird people, higher selves, hoksedas, spirits of the stars and thus and so. The reality of what we are is more than a name can convey. We are the multiple projections of the Eternal One, spirits designed to blend with present day humans. You now consider yourselves to be your “egos”, but egos are only a portion (perhaps the one most destructive to growth aspect) of the human equation. The complete human is a spirit/ego partnership.

You are individualized aspects of one holy and eternal Being. You are your spirits as they exist apart from the spell of “matter”. You do not evolve—you incarnate. Your intelligence is pre-existent; your identities, highly-focused frequencies of “star” “light”. You need us of the guides to be whole, just as we need you to fully enter and do our work in the physical plane as we fulfill our purpose. We all seek to awaken in your minds and hearts, to incarnate in your bodies that you might realize the purpose and intent of your journey.

We are sent to return your human circuitry to its Creator and again into KNOWING. Yet your human egos are the guardians of this circuitry, the stewards of your minds and hearts, and without your egos’ cooperation, our bonding and sharing is impossible.

You ego-ruled humans who feud and fight among yourselves do not realize the obvious: the very values that you employ to determine your social behavior, would, if employed by your body parts, effectively block any cooperative association of ribosomes, enzymes, mitochondria and other little life forms of crystalline life-force from providing you with even a single coherent cell, to say

nothing of a healthy and integral human body.

Hundreds of thousands of little beings, all working voluntarily together, make a human body what it is. It is not a case of survival of the fittest, you must come to see, as your belief systems, based on short-term observation of the universe verifies—or seems to verify. It is rather a case of flourishing of the most cooperative, as all long-term observation of the universe verifies. It is through cooperation with one another that diverse forms of life adapt and thrive. And it is only through the symbiotic cooperation of a multitude of simpler organisms that more complex organisms like your bodies are able to come into existence at all.

At critical stages in their development, life forms cooperate for their own advantage with other separate and distinct life forms. Over time their cooperation results in union. A new organism comes into being. Again and again this occurs in the formation of complex life forms.

This is analogous to what is about to happen again as your late 20th century human world reaches the optimal moment for materially oriented, ego-ruled human beings to be joined by their spirit world counterparts—US!

Your race is soon to experience widespread awakenings, or as some will see it, a massive descent of beings from the stars.

We represent the dreams of the Great Spirit, the true dreams, the Truth, the clear dreams, the pure dreams, never tainted by fear, never touched by any motivation other than the motivation of love; and yet, we are dreams nevertheless. Thoughts. Discarnate beings drifting formless through a universe that has placed the highest value on form, living in the consciousness of a Creator whose desire is to take form in the very creature that will result from our bonding with you in an effort to help you remember what and who you ARE. We are sent (come) to remind you and again bring knowledge, Truth and wisdom within your beings that you can find your way back within the infinite circle of reality.

*Our spiritual intelligence is the missing dimension, the rejected as—
Please see DIVINE, next page*

DIVINE, cont. from previous page
 pect, of your own wholeness. For thousands of years, you have been afraid of us. Many of you are now learning that you have nothing to lose and everything to gain, establishing contact with us once again. It is only your ego that makes you fear.

Your ego is here to look after your physical body, to make sure it gets enough to eat, to make sure it does not walk over the edge of a cliff or damage itself unknowingly. Your ego is the steward and potential master of all

material-plane fears, an important and necessary component of your identity. However, your ego was never meant to provide you with your primary sense of self—and you have turned over your infinite destiny into the control of a mechanical physically-oriented destroyer of spiritual reality and growth.

In a healthy state, the ego is a secondary component of identity and when it becomes the "first", you are doomed until you reach out and regain control.

In a healthy state, the Being behind all being, the self behind every self, the Great Spirit behind all creation is experienced as your primary sense of self. Your ego does not have to be repressed or transcended for this to happen. It does not have to perish. It simply has to assume an appropriate relationship with the spirit that in Truth you ARE, the spirit that wants to incarnate and take up residence in your body/mind/heart system. Not as in "walk-in" but rather as "invited" wisdom.

EGO REFLECTION

Your ego is by nature simply a "reflection". It can either be a good, sharp, clear reflection, or it can be an independent, controlling reflection. Yet logic shows there is no such thing as an "independent reflection". Your ego may create such an illusion and fool you but if you believe in it, you will be troubled and unfulfilled and continually work diligently toward your own destruction.

When your ego stops "trying" to do everything all by itself and you bring it back within control, and invite eternal spirit into your consciousness in Truth of understanding, your historical illusion evaporates like mist on a bright and sun-filled morning. A polarity reversal takes place in the charge of your human envelope. The field of consciousness around you changes. Instead of your ego dominating your sense of identity and blocking your awareness of the Great Spirit, an eternal sense of self awakens within you. You know yourself as a projection of the Creator of all the stars in the sky. You know yourself as one of a family of god-beings, sharing God's Being. You remember! Everything is seen differently, clearly and in proper

KNOWING. Your ego becomes your working partner and servant, and you commence the conscious creation of a new human reality.

We bring to you an angelic awareness that historically has not often been incarnate in human form. We therefore bring an eternal continuity of consciousness that henceforth you might know yourselves as we know ourselves. Together, in loving cooperation, we join to provide spirit and matter with the optimal balance.

We are NOT here to dominate your ego, but to secure its agreement, that between us we might work together and, ultimately, as the perception of time and proper sequence of this transition pass, merge into a single, biological, spiritual and psychological entity—an entity that shall in no way deny the needs and concerns of either ego or spirit, but that shall in every way honor and fulfill the fundamental design and purpose of BOTH.

UNDERSTANDING

We understand love and how it seeks to become objectified in a material universe. Your human egos understand the mechanics of the physical plane. Together we will form a single, creative dyad, an entry point into which the Eternal One's universal creativity will pour and from there, flow out to thoroughly transform these realms of matter.

We are come now to help you make the shift from unconscious, creature worlds of biology, to conscious co-creative biology. We are here to make this great time of change as gentle as possible. Our purpose is to blend with your race, to bring you into harmony with the Creator and with the earth, to create a world that works for everyone, a world that allows for the optimal development of all creative potential. Many human beings are already consciously blending with us. Whenever human hearts are willing to honor the spirits of love, we are present, we "incarnate". We complete the human creation come into KNOWING.

During the age when fear was enthroned as the god at the source of human motivation, our incarnations only rarely occurred. By this statement, do not misinterpret intent of meaning in absolute definition. Most of us—your symbiotic counterparts,

the missing pieces that are needed to make you fully HUMAN—flew to the gentler, non-physical realms of higher vibration, fluttering away as birds might fly, startled at the thrashing of some loud and ignorant creature, only now to return, to approach you again under more favorable conditions.

I can present only that which befits higher brotherhood—as one who has walked upon your plains and knows wherein I speak for God would not leave you devoid of that to which you can relate. You who are controlled by the options and opinions of "another" are sorely in error. You CANNOT find self outside of self—you will only find "other" and it will be of little value to you now and of no value at all to you later as you meet responsibility for the experience of journey and action.

As we focus now on places of the Lion and the Eagle we must remember that the "FireBird" has given that which would be needed. This one bears labels of all nations and all people but all represent the one outside of ALL THINGS—holding ALL THINGS and being ALL THINGS.

The great spirit is the single "Being" whose unfoldment has become this universe, the Source of all Life and you ones have long ago FORGOTTEN the meaning herein. I like the interchangeable titles as given especially by the native populations awaiting return of that Great Spirit: Mother God, Father God, Wakan Tanka, Eternal One, Mother of Old Ones, Goddess, Great One, Holy Spirit, Grandfather of All, Above One, Eternal Being, Spirit of Truth, Thunderbird, Source of Life and Fire Bird. This is pleasing to my own recognition for it represents Truth of direction—Sky People, Bird Tribes, Winged Silver Clouds of the Sky-Dwellers—all reminding all of the attachment to the eternal and infinite ALL.

TIME OF PURIFICATION

DIVINE, cont. from previous page
in the unfolding of this Truth and Right Livelihood.

This is a period during which the earth is purified, fear and love separated in human consciousness. In the Mayan tradition and projections it represents the time from your counting of some 1987 to counting of 2011. Is this valid "prophecy"? What matter? It is the time of separate counting as the calendar of counting ended, as was, in 1987. You are in the new time of counting—year five! How many might there be? I suggest you take your fingers and add!

What are we talking about in distinction of change—what is the Great Distinction? It is living membrane that defines the boundaries of the universe, divides existing structure from future structure, separates the Tonal and the Nagual (spiritual sea of infinity that surrounds the universe like the sea surrounds a fish, contains the patterns of all possible new creation, the realm of potential and infinite energy, the non-dimensional Presence of God, that which has no name). So you now approach the "Great Line" which is living, spiraling threads that weave the membrane of the "Great Distinction".

There is a native tongue word I must relate herein for it is carried in derivation by all of the "PEOPLE" true to reality—the REAL people. It is Ongwhehonwhe: the people true to reality, the real people, a term primarily used by native tribes and technically pertaining to (and used to refer to all people whose spirit is fully incarnate and in whom spirit/ego integration has occurred). The Real People. The Original Beings. The Original Creators of Life.

I cannot define locations of geographical boundings for People come from one Source to scatter throughout the dwelling places as the changes come upon a life-form. I can only say that as we move along you will find that some of the locations and native "people" remain in guardianship of the holies and the treasures preserved against this need this day.

And what of that "treasure" and those "holies"? Well, there has been great reason for their remaining untouched and even presented in most unlikely form so that ones who are the guardians can know when the time is

correct in the bringing within the receivers and workers sent to fulfill transition in properness. Man desires the wealth for self and ego greed. This is not allowed nor shall it ever be allowed as regards the places of God and unfolding of the remnant in passage. Abundance is that which shall come back for service in pure intent of goal and trust of the "keeping".

SO WHAT ABOUT IT?

What about it? If you are searching for wealth—ye shall not be given into either the finding or the receiving. If ye do of your work in service as directed, it shall come in fullness as it is discerned appropriate by higher Source. Much must be made ready—mostly the workers so that unveiling is in Light and not brought forth birthed in evil intent.

We can speak of individuals who have sought unsuccessfully to uncover this vast wealth. However, it is so well guarded that accidental discovery is impossible. The reason for this is obvious. Were this wealth to fall into the wrong hands, it could literally destroy mankind. Furthermore, before this vast wealth can even be entrusted to the proper custodian, he must be most carefully and thoroughly groomed and tested; prepared through a series of lifetimes for service at the "door". Most critical is that the one who attends come into awareness of the Divine Plan unfolding and recognizes his/her counterpart in service. For it is only through recognition that he can properly cooperate with entities beyond Earth and coordinate the use of this "treasure" for the proper benefit of mankind and necessary passage of this remnant—a rebuilding, if you will, in integrity and life-sustaining passage. We must begin with the reclamation of portions of God's own "land" and then all else can be built upon and within that "land". There must be centers of activity but not noted as "centers" lest focus fall upon the projects and cause destruction.

DOLLARS AND SENSE?

Ah, no measure of the whole can be placed on such a commodity. The treasure as such consists of that which is beyond the definition of wealth—as in the form of precious stones or

metals. The treasures are in concepts, inventions, technologies, knowledge as are preserved and made ready for use through such passage—but this is in addition to vast tangible resources of such precious metals and minerals, artifacts of past civilizations and secret locations of unmined natural resources. The most valuable asset of the treasure is literally priceless, since it could not be purchased with all of the material wealth of all the worlds. The asset to which I refer is the secret of overcoming death and transmuting oneself into the cosmic consciousness within Light. However, to reach that transition point, the things of the physical must be utilized lest the bodies not be ready and perish.

It will finally be placed into the working hands of ones who have outgrown the need for ego-recognition and who will serve only the purpose to greater evolvment for the greatest numbers of God's creations. The very secret of success lies in the learning of the "lessons" of "management" whereby the work can be done without note and behind the guise of smallness and multiple functioning so that all needs are covered, earth itself preserved and used in harmony and a network between my "centers" be stabilized and integrated. All of this CAN be accomplished if ones will attend Truth and turn from the lie and liars. It can and will be done within the workings of that which IS for you have nothing else upon which to work—you only have that which IS.

WHO SHALL IT BE?

Why do you ask? If ye be in the preparations ye have no need to know for in the KNOWING you will recognize only the unfolding in proper sequence in return for your labor. The KEYS to the unfoldment will rest in the recognition of the messages as brought forth to understanding ones who will take their piece of the puzzle (tapestry) and HEAR THE CALL. The counterpart "receivers" will know and prepare. NO more and NO less. Would ye expect a trumpet blast and target drawings to allow for confiscation? Ye who have focus only for self—shall have a rude awakening, indeed. This does not mean that abundance should not bring beauty and return—but it will be only in intent

of service that this measure will flow upon any one or any nation. IT IS ONLY THROUGH GOD THAT THE WHOLE OF SHIELDING CAN BE GARNERED—REMEMBER IT FOR WHEN YOU TURN FROM GOD INTO THE REACHES OF EARTH PHYSICAL—YE REMOVE YOUR ONLY PROTECTION THROUGH THE SHIELD WHICH DEFLECTS (ACTUALLY) THE NEW TECHNOLOGIES BROUGHT AGAINST YOU AS A SPECIES.

Do not trouble self over "who", etc. It will fall to the ones who have done their work and demand it not but rather serve "as if" for it is only in the knowing of receiving that unlimited perception can allow.

The guardians will know the custodian and the custodian will know the resource and stream of flow—it will not be through any self-appointed guru or person of "high ranking" physical presentation. Not only must the custodian have passed all testing and be fully prepared so recognition can be realized—but man's development must reach an acceptable level in order to be able to utilize such "treasures". We are now come into the time wherein the "Plans" must begin to come into fruition and ye shall not be given into knowing where, how, who, what and when. If ye be ready then you have no reason to ponder—if not, it shall not be of your deciding at any rate.

There are many places wherein the "treasures" are kept for they are the remnant places of the long-ago experience of continents and civilizations—placed for the unfolding or brought again from places of security for utilization at this evolvment. We are entertained by your need for hoarding of things such as gold, etc. For there will be a time when it is totally valueless to physical man as it is to spiritual progression—for we can bring it forth from atmosphere into any shape and form deemed through thought. It is the use and the users which are of importance and God knows HIS PEOPLE. So be it.

edge. He is sure that things are hidden within the places manufactured by man such as the Great Pyramids, etc. The places of the Lion and the Bird Tribes are places of God's provision and shall emerge in strange ways in strange manners and forms unsuspected by MAN. It is well worth our own while to focus man's attention upon those egotistical monuments of Man unto Man—for in so doing, man forgets to note that God is present and at work—**ONLY THE VERY FEW SHALL REALIZE THE TRUTH OF IT.** If you wish to have sweet dreams, little brothers, you must first plant the seeds which bear sweet dreams and fruit. If yours is a journey of ego-gratification—ye shall NOT be in the gifting of God's greatest treasures for ye are not a worthy vessel.

The Man of God shall always wear an open mind for all possibilities of unlimited infinite God and so shall it come unto him who accepts the challenge and steps across the threshold in boldness within the circle of Light. Ye who come and walk with me are blessed indeed for I know the way for I come with the Life, the Way, the Word and the All of All. May ye ponder these things that ye might become "worthy" of the greatest gift of all. Salu.

Let us have rest, please, as our day began very early indeed. May ye who have eyes to see, do so. If thine ears are clear and hearing—ye shall flourish in the Truth of passage. I salute ye ones who dare and step forward in service unto Truth. Peace shall rest upon you as the cloak of Light as day floods across the darkness. AHO!

Why You Become The Victim And The Persecuted

5/22/92 SANANDA

Greetings, precious Druthea. I AM Sananda. I come only in service to and within God of Light and to you, my brethren on Earth Shan. Please let us take a moment of silence for Roger Coleman who was slain as a death row inmate on Wednesday evening last.

Was he a victim? Was he persecuted? Yes to both. And you ones ask why. It is easy to say he chose that experience and brought it upon himself. But alas, precious ones, what part did YOU play in allowing this injustice to be? Oh, you did not know? Why not? If his circumstance came not into your attention until just recently, and/or after the fact of his execution, are you not just slightly concerned that this injustice occurs and you hear nothing of it until it is too late for the victim is silenced and cannot ever be a voice in his own defence of innocence in his case? Yes, that is the way your adversaries would have it. Destroy the evidence PERMANENTLY. And let you sleeping lambs stay fast asleep.

And you say but HOW can I change that which I know nothing about? I say, you are now given day by day the facts of this evil injustice and corruption by Commander Hatonn. He AND many human ones upon your place have laid the facts out for you. And most of you slept on.

Will you, because of ignorance, become persecuted and victimized by the lies? Will you close your eyes and say to yourself, I have NO part in the evil committed by God's adversary? Do you believe that ignorance is BLISSFUL for it makes YOU unaccountable? Please understand me. True ignorance (not knowing) about a given situation is acceptable, for a time. But how many of you CHOOSE to remain ignorant? Think on this, chelas, very, very carefully. For if you continue to discount the messengers and the messages come specifically to INFORM you about the Truth of the disease upon your place, you WILL become the persecuted and thus, VICTIM in some way which, hopefully, will get your attention BEFORE it is too late for you to make a change in your attitude.

Now that you have been made aware of "How bad it really is," what are YOU doing about it? You think you can do nothing for it is too big and you too small? If you THINK that, it WILL be so for you. BUT, WHEN you, in intent within, decide that you CAN do something(s) to RIGHT the unbalance, to command justice in your courts and integrity in your government "leaders", you have taken your first baby steps toward accepting your part of the responsibility of bringing balance back to a given circumstance and to the whole. God allows you to BE how you choose and DO what you choose for you WILL learn by your errors and defiance of His laws EVENTUALLY.

When you begin to understand and truly seek to KNOW TRUTH, the door opens unto you who seek like a floodgate. You get your verification and God within you nudges you and inspires you to DO your part. In this way you no longer become the persecuted and victim, for you do not accept that behavior. You are given, in your communion with God within, THE POWER AND THE KNOWLEDGE to do what YOU must do to bring balance to any given situation or circumstance which has commanded

your attention to it.

How often, precious ones, have you witnessed painful abusive behavior against another; or accepted it against yourself. How often in a day or a week do you become overly critical and abusive toward another, whether it be openly or silently kept? How often do you concern yourselves with the personal business of another and pass JUDGEMENT upon another because you disagree with them? Do you see yourself as simply another helpless VICTIM and blame others for YOUR insecurity and lack of responsibility? Please understand, you may have very valid reason to disagree with another and your perception may be totally 100% correct about another's error, but what you must discern is whether another's error is YOUR responsibility. If your intent is to help bring balance, the way will be shown to do your part. You cannot change another or DO his part for him. If you simply bulldoze your way into a circumstance, to change it the way YOU think it must be done, you will cause injury to feelings and most often misunderstanding. What is your goal? If you do not care about the feelings of others in your intent to achieve the goal, be prepared to be blamed or unappreciated in your process.

Is there always a NICE way to approach a problem? Yes. The question is will it always work? It depends. You ones exist in a human experience, with very physical and emotional impact constantly directed towards you. You must understand that you will not always respond in perfection of balance. You ones become irritated and frustrated very often before understanding is achieved. When you are truly brothers and sisters working TOGETHER in intent of service to God, you will learn to exercise patience and tolerance in your intercommunications with one another. That does not mean patience and tolerance with ones who project DELIBERATE ego-bantering and derisive behavior.

VICTIM, cont. from previous page

Simply understand when ones are tired and have accepted great responsibility to accomplish and manage a job, or more than one job, that they may more easily become irritable and abrupt. Remember the ones responsible for publishing and distributing the WORD bear, often to them overwhelming financial responsibility, not only to God and the readers, but to the workers who are integral to the function of the whole and who depend upon the resources of a few that physical life needs be met and relative security accomplished for all participants. Can they "handle" this responsibility? Absolutely. God does not give more than can be accomplished or beyond ability of ones. Although ones in these positions may sometimes wonder IF they truly are capable of doing all they have accepted and maintain reasonable fiscal responsibility. All of you question selves and on occasion have self-doubt. Recognize it and release it, for understanding is always forthcoming when asked for in intent to KNOW.

And again, when you have been made aware of an error made ON YOUR PART, there is nothing wrong with and I encourage you to make apology where you deem it necessary. EVEN if you perceive YOU have not erred, and another does feel so, can you not apologize for the misunderstanding received by the other in recognition of a misinterpretation? If the other one is unforgiving after this, THAT is his problem, not yours.

You ones forget often that YOU ARE ALL RELATIONS! If each one of you could witness a hungry child or homeless person and KNOW that this person is a member of YOUR family, regardless of his race, who lives in starvation and without a home, you would not longer allow this to be!

But if you give sustenance to the child and home to the homeless one and that one refuses to do for self and take responsibility where it is offered him, then will you then allow yourself to become victim of the victim?

You must feed the hungry tummy before the mind will listen to reason of self responsibility and inner power to change of the circumstance. Then you can show the person how to be master of his life instead of victim. But first YOU must become an example that he

can see it can be done. Do you see precious ones? How can a child ever learn to walk if you carry him about and do not allow his legs to grow strong in self-effort?

How can you ones ever achieve unity, if you forever play a role of victim and blame another for every wrong which YOU perceive or allowed in some way? Perhaps the lesson of that one Mr. Coleman who was murdered BY ones allowed leadership in this system is simply that YOU ALL HAVE BECOME VICTIMS OF THE LIE AND UNTIL YOU DO SOMETHING ABOUT INJUSTICE, YOU WILL CONTINUE TO ALLOW MORE AND MORE TO BE MURDERED UNTIL IT IS YOU WHO FACES THE REALITY OF BEING VICTIMIZED IN THIS SYSTEM OF INJUSTICE FOR ALL.

THE PERSECUTION MENTALITY: WHAT IS THE PAYOFF?

What do I mean by persecution mentality? Simple. Ones are conditioned from childhood to BELIEVE they are persecuted simply because of race or religion or, or, or. You ones are constantly bombarded by the myriad stories of persecution of the "Jews". And great emotion and anger and especially fear is felt by many ones calling themselves "Jewish" because they are taught and believe that THEY are still persecuted to this day. Even though MOST ones of today were not even participants in the War, they live with a nagging fear of persecution. WHY? Might it be guilt for living with a lie? For not taking responsibility for YOUR part in the persecution story? If you weren't there, why do you accept that YOU are to be persecuted simply because you call yourself "Jewish"? If you live your life in balance of God's Laws and see yourselves as part of the human brotherhood, instead of in separation as a human projected "Jewish" race or religion, will you not be enabled to STOP the persecution mentality taught to you?

Are "Jews" the target of persecution? Yes. As are the Native Aborigines of THIS country in which OVER 20 MILLION were murdered by the "civilized" white man from

Europe; as are the Native Blacks from Africa who were sold into slavery in THIS country and elsewhere; as is Christianity in its IDEA of LIVING by God's LAWS and walking in love-giving with one another; as are the German people because of the guilt placed upon and accepted by them for the "alleged" war crimes of their leaders; as were over ONE MILLION German POW's starved to death by Eisenhower AFTER the WAR; as are ALL freedom loving Americans now living; as are ALL humans of goodly intent upon THIS planet. ALL OF YOU ARE TARGETS OF PERSECUTION, PRECIOUS ONES!!! YOU MUST KNOW YOUR ENEMY WITHOUT AND MOST ESPECIALLY WITHIN SELF IN ORDER TO BE FREE FROM PERSECUTION AND VICTIMHOOD. FOR IN UNITY OF BROTHERHOOD OF MAN MUST YOU EXERCISE GODLY KNOWLEDGE AND ACTION TO EXPOSE ONES WHO EFFORT TIRELESSLY TO CONTROL YOU AND YOUR BRETHREN. IT IS YOUR SOUL WHICH IS IN POINT OF FOCUS FOR THE ADVERSARY. IF YOU KNOW NOT THE POWERS OF EVIL WAGED AGAINST YOU AND YOU KNOW NOT THE POWER OF GOD WITHIN YOU TO STOP EVIL, YOU WILL REMAIN AS A TOOL OF EVIL IN YOUR IGNORANCE!

KNOWLEDGE OF TRUTH AND ACTION WILL ENSURE BALANCED PROJECTION OF UNITY AND FOCUS OF INTENT TOWARD THE WHOLE OF MANKIND, NOT SIMPLY YOUR PHYSICAL FAMILY OR CHURCH OR COUNTRY!! DO YOU UNDERSTAND, PRECIOUS ONES? IF NOT YOU, WHO WILL CHANGE IT?

One last thought on persecution mentality. You ones, including "Jewish" ones who believe the lies taught to you of your heritage and history, will continue to bring persecution upon yourselves if you continue to remain in separation and ignorance about WHY. On an individual level, each of you who believe yourselves victims and persecuted can get right to the "meat of the matter" by asking self—with God present, "*What is my pay-off for feeling helpless and victimized.*" Because YOU do not support a massive belief in persecution and

victimhood unless you have some EMOTIONAL gain, whether it be to gain attention to self or power or to manipulate through guilt games, or? Ponder this carefully. If you ones who believe and call yourselves of "Jewish" heritage really want to KNOW the Truth about the basis of "your" religion and people, please obtain *The Phoenix Journal Catalog* from America West and read ALL of the JOURNALS regarding Khazars and Zionists.

Please, precious ones, do not become offended that I single out ONE or TWO physically perceived groups as example for, in God's realms of Higher Knowledge, we do not recognize separation of physical structure or of belief structure in religion. We see only the SOUL ESSENCE as a fragment of the ONE Creator. You, each one of you, whether you are male or female, black, white, red, yellow, green, or brown in physical presentation are CHILDREN OF GOD in soul essence, if you bear a soul. You each are, therefore, members of MY family. We of the HOSTS do not recognize separation as do you. That understanding comes with KNOWLEDGE of the Truth of the following: I AND MY FATHER ARE ONE and WE ARE ALL RELATED.

If I achieve nothing else in bringing this transmission, let it be that YOU ones really begin to pass through that physical barrier perception of self and others as separate, lessor or superior to self, and truly SEE yourselves as relatives and equal fragments of the ONE CREATOR in UNITY. In this way of loving brotherhood and unity, will you each earn your wings and rightly be called "God's Chosen Ones". So be it.

Let us close this document for I know I have left you each with much to ponder this day. Thank you, precious little dove, Dru, for sitting with me. This time I share is as much for you, precious, as it is for each one who partakes of this transmission. I am with you, Dru, to guide and council as you accept. And I am available to any and to all who call forth in intent, whether you call me by Jesus or Immanuel or Pale Prophet or Sananda, I HEAR your heart if it is my energy you request. YOU are my family and I love you each as a part of myself and

3 Days Of Blinding Light

12/91 HATONN

Our Father/Mother Creator. Thank you for your attention. I salute you for your courage and your willingness to attend GOD'S BUSINESS. I AM Sananda, One with God within Creation of LIGHT. Be at Peace and DO God's will. Salu.

(Editor's note concerning article to right: Because of the possibility of dangerously high intensity light from both the upcoming "Photon Belt" event as well as from the "Elite" tinkers' ignition of the radiation belt at any time, we feel it prudent at this time to rerun Commander Hatonn's explanation from December, 1991 and HOW TO PROTECT YOUR EYES. Thank you, R.H., for the thoughtful suggestion.)

The U.S. now has the terminals for the new linear beam weapons. These are the same systems which can ignite the radioactive belt around your planet.

Let me tell you what they have in mind for you, and they have it in mind for you so that YOU will blame the "Hosts" of Heaven. They fully plan to ignite your entire radioactive field which surrounds your outer atmosphere. That's going to burn for three full days of your counting...and that's why I warned you about light. They have beam systems now used for weaponry that will blind an entire army. Now that's already perfected. They fully intended to use it in Iraq. When

they ignite that radioactive belt, they think it will keep us out. That doesn't phase us, but the follow-on is to literally catch you ones off guard and then they don't have to kill you, you see. You will be blind. Do you see the chaos? There will be plenty of death but it will leave the ones of you left who see, literally SEE, to try and tend and feed and bury...whatever is required. There is no greater way to bring total incalculable chaos upon mankind than to blind him. Now they're working at that and they're putting rockets up right now today. There will be a period you can expect...of light, day and night, with brilliance like you cannot imagine. It is geared to blind...and it will, permanently.

The moment...THE MOMENT that you sense a light that is increasing...PROTECT YOURSELF. If you are at home, the very best thing to do is instantly go to the center of the house, preferably the ground level. Darken the windows, if you have time. If not, and with children, get them into a closet. The first and most terrible thing for your eye is the immediate shock...without ability for it to comprehend or react properly. Get yourself down, put your arms up, bury your head face down and keep your eyes closed for a little while. Once you have gotten your children into security, don't go back out the door. Keep enough supplies that you can make it for three days. Have analgesics available—for two reasons; one, headaches will be a problem and you want to keep your blood from clotting quickly. After the light I suggest regular doses of aspirin for about three days at least. Don't be silly, if you "don't take aspirin or medications"—you don't have white willow bark to chew so go with what you have! All you can do is prepare to the best of your ability.

Now you ones who are already into the construction business and do any welding have a joint usable item...and that is the DARKEST welding helmet that you can get. But you run into two things. If the light is not quite bright enough, you'll run off the road and kill yourself because you can't see your hand, much less anything else. The most ideal thing you can get and have with you in your vehicle, and at least one person out of every household or every grouping assigned to a specific task, is an aver-

age...say a number 10, which is the average that your helmets come, and/plus a pair of dark goggles that you can wear underneath it that can give you up to a limit of a number 15 protection and the ability to use in segments. Of course the most ideal is the one that instantly, micro-instantly changes. But you're talking \$400. But, I'm telling you, compared to blindness it is nothing. And the ones that would have those helmets can also be the ones assigned to go and gather children...because they can wrap bandages around the eyes of the children so that they cannot pull it off. What you want to do is protect from that incredible light. It's going to be brighter than the brightest welding torch. That's its purpose. And I want all of you to think on that and get yourself a little bit prepared for those things. These are the only things that I can do for you. I cannot stop the light, do you see...although there will be some miracles out of this.

WHERE CAN YOU OBTAIN PROPER EYE PROTECTION?

Most major cities should have a welders supply company where you can purchase either the mask or the goggles. Goggles usually have only a #5 or #6 density lens, so you would need to purchase extra #10 density lenses with them to increase your protection. America West researched the various types and brand names and found a local outlet where they will ship you goggles by UPS anywhere in the U.S.

The type of goggles are a flexible frame with a lift front.

The place to purchase these goggles is: BWS, Inc. at P. O. Box 2243, Bakersfield, CA 93303 (805) 589-5510 (ask for Ron).

Cost: \$16 per (if purchased by mail, in advance, with postal money order). For phone-in orders to be shipped UPS surface C.O.D. CASH, add \$3.75 per shipment (not per goggle). For Alaska and Hawaii, phone for UPS 2nd Day AIR charges.

This pricing of \$16 each includes: the two extra #10 lenses already installed in your goggles for you. Important note: Be sure to give BWS your street address for shipping as UPS does not deliver to P.O. Boxes. Please do not call or write to America West to obtain these goggles. America West is not a supplier. Thank you.

Nevada Corporations

THE ESTATE PLAN THAT NEVER DIES "LONG TERM CORPORATE PLANNING"

"Long Term Corporate Planning" is not just estate planning. Estate planning by itself is done in contemplation of death, and such planning has tax implications and interpretations by the IRS that simply don't apply here. When you have done your "Long Term Corporate Planning", then you have successfully accomplished a dynamic feat.

Why is this a dynamic feat? Because with your "Long Term Corporate Planning" little exists for a lawyer to do. Your estate isn't consumed by legal expenses or taxes. That is why some lawyers are not going to tell you how to take advantage of "Long Term Corporate Planning". It is bad for their business.

What is the magic? Well, let's face it, corporations are immortal (unless terminated by statute or by its corporate articles). Corporations do not cease to exist because one of their key people dies.

Here is an example of long term corporate planning. This type of strategy is what we refer to as advanced corporate strategies. The sequence is important so follow closely.

1. Establish a corporation which when formed is what is called a "corporate shell." It has no assets, no liabilities, and its stock is worthless at this point.

2. Cause the sale of its worthless (because it has no assets yet) stock from the corporation to your investors (heirs) at one cent (\$.01) per share, divided by the prorated amounts you choose. Since the stock has been sold to them, it's not a gift. One object of all stock is to increase in value over a period of time.. If the stock does increase in value, then nothing wrong, illegal, unethical, or strange has occurred.

3. Take a proxy from your Shareholders (heirs), that allows you to vote the stock even though you don't own it.

The proxy may be irrevocable so that your right to vote is guaranteed. In Nevada, a proxy must be renewed every 7 years. To insure its renewal, the shareholders should give you an option to buy the shares back at the issue price of \$.01 per share...The

option can be worded in such a way as to expire upon your death, so it wouldn't go through probate.

Put your assets into the corporation. Some suggests are:

a) Give them to the corporation as a capital contribution on behalf of the shareholders. This would be a gift to the shareholders, but if you're within the gift tax exclusion limits, that's no problem.

b) Put them in the corporation for a lifetime management contract where you agree to provide certain services for the corporation and the corporation agrees to provide you with a house, and all living expenses, plus medical care. This can be a very attractive option.

c) Put assets into the corporation in exchange for a note with interest only payments for 10 years and larger installments on principal and interest after 10 years. The note would expire upon your demise. The note could also be a demand note that expires upon your demise.

YOU CONTROL ALL YOUR ASSETS BUT YOUR HEIRS OWN THEM BEFORE YOUR DEMISE. NO PROBATE, ESTATE TAXES OR HASSLES.

When you put your assets into the corporation, the value of its stock increases, but there are no taxes until such time as dividends are paid by the corporation or the stock is sold. In both cases this is a matter over which you have complete control and for which you can adequately plan in advance to legally avoid taxes.

BOTTOM LINE

The bottom line is this: When you pass on to the Happy Haven in the Sky, your heirs already own all you want them to have. If you've ever thought of striking back from the Grave, here is your chance—This is almost like being the Executor or Executrix of your own will. Since your heirs already own your estate when you pass on, there is no transfer, no probate, no big taxes—no problems. It is all done—"The Happy Solution".

With this plan you know what is going to happen to your loved ones when you pass on. Everything you have worked for, acquired, and have is going to the ones you wish it to go to. There won't

be a long drawn-out probate case in court. You can have peace of mind. You don't have to worry about little or nothing existing for your heirs after all the legal fees, expenses, inheritance taxes, and so forth are paid. What can take years of legal delay, astronomical expenses, waste and agony for the ones you love is accomplished by them at their stockholders meeting through the election of directors and officers (probably prearranged). The transition is smooth. Everything continues without interruption. You have the peace, joy, satisfactions, and confidence of knowing that your loved ones have exactly what you intend for them to have.

Even though you utilize "Long Term Corporate Planning", have a simple will to handle any loose ends that, for one reason or another, might not have gotten into the corporation. This will can be drawn up easily by yourself. You could will everything to the corporation which would make distribution consistent with your "Long Term Capital Planning". This is an excellent idea as the "New Corporate President" can execute your wishes according to your instructions.

No one is suggesting that you evade taxes. These are simply ideas for avoiding several things, such as frozen bank accounts, safe deposit boxes, probate, exorbitant attorney and executor fees and, and, and.
