*"TRUTH MAY BE STRETCHED, BUT CANNOT BE BROKEN, AND ALWAYS GETS ABOVE FALSEHOOD, AS OIL DOES ABOVE WATER." (Cervantes)*

*"OF THE TYRANT, SPIES AND INFORMERS ARE THE PRINCIPAL INSTRUMENTS. WAR IS HIS FAVORITE OCCUPATION, FOR THE SAKE OF ENGROSSING THE ATTENTION OF THE PEOPLE, AND MAKING HIMSELF NECESSARY TO THEM AS THEIR LEADER." (Aristotle)*

### AND SO—

I ask that the message of yesterday be left on the phone line today also, please. **You are about to enter a nuclear war** and I would hope that you can see that handwriting within the colored scrolls of deceptive artwork.

### CONFIRMATIONS OF YOUR TROUBLES

WHO is running your government while

the President plays, eats hotdogs and frowns over the plight of "his" people?

Let me give you the worst news you could get this day: **EAGLEBURGER, SCOWCROFT AND WILLIAM CLARKE. THIS MEANS THAT HENRY KISSINGER AS CONDUIT FROM ORDERS HIGHER IN "THE" COMMITTEE OF WORLD CONTROL IS IN CONTROL OF YOUR NATION AND ADMINISTRATION.**

Is THIS the same "William Clarke" that serves the adversary under the guise of "John Coleman"? NO! WORSE, FAR WORSE INDEED. "Coleman" is piddling in his silliness of game playing. The person of William Clarke who is completely involved in the Kissinger entanglement, Administration entanglement, drug operations and is a major part of your "JUDICIAL" system, planner and orchestrator of the KAL 007 airlines disaster—is likely the one in point. YOU had best find out WHO he is BECAUSE HE IS IN BEIJING, CHINA TODAY SOOTHING THE BROWS OVER THE SALE OF F-16s TO TAIWAN. So—you apparently have all of the "King's" men in the highest places of your government THIS DAY.

### IRAQ

So the inspectors are leaving Baghdad with the pronouncement that there are no nuclear hazards remaining—*"...as they were informed by the intelligence community"*. Oh, ee-gads, the intelligence community wouldn't give false information just to get a little "precision surgical bombing" accomplished—WOULD IT? **THE BLINDFOLD IS SO TIGHT ACROSS YOUR FACES THAT I SEE NOT HOW TO GET YOUR VISION RETURNED. YOU HAVE TO (MUST) HEAR AND SEE EVERYTHING—ESPECIALLY THE TINY SLIPS AND GARBLES, CONTRADICTIONS AND "MISPEAKS"**. "They" give you the information in passing as if the falling leaves of midsummer are showing an early Fall and then they will tell you "...what a good indication that Spring is near".

### To Our Readers

This issue of *THE PHOENIX LIBERATOR* contains some material that we would not normally devote space to include, knowing that our readers expect a focus attuned more to the national and international scene. However we are, once again, under insipid attack. Thus some matters addressed in this issue, that at first seem irrelevant to the Larger Picture, need to be read with a higher understanding that ALL such apparent squabbles are artfully structured and orchestrated to stop our work of bringing THE TRUTH. **OUR WORK SHALL NOT BE STOPPED --** but the Adversary has yet to give up trying!

# Introducing Commander Soltec

## Geophysicist Extraordinaire

*(Editor's note: We are delighted to bring you the inimitable Commander Ceres Anthonious Soltec. He now has a dedicated speaker/translater, Kali, located somewhere in the Western States. You can look forward to his views, on our planet and its activities, from a geophysical perspective, continuing in upcoming issues of THE PHOENIX LIBERATOR. Anyone with a genuine interest in science and nature will likely derive a particular pleasure from the lessons Soltec shall be presenting as food for thought. His big subject is going to be the ancient continent of Lemuria or Mu, where the Pacific Ocean is now, and why that continent is so important again, at this present time of planetary transition. But that ongoing theme will be interrupted when Soltec needs to comment on so-called "natural" disasters and other planetary phenomenon, as happens, already, later in this issue, on page 24.)*

**8/27/92 SOLTEC**

### INTRODUCTION

I am known as Commander Ceres Anthonious Soltec, and I come in and unto service of the God of Light, the First Cause, Creator of all things. I serve as Geophysicist in the Intergalactic Federation Space Command, Pleiades Sector, Earth-Shan Mission, under the leadership of Commander Sananda (Christ), and Commander Gyeorgos Ceres Hatonn. Names are for your benefit, as we are identified by one another with what you might refer to as "energy patterns". I am fourth density lifeform.

My present life studies and duties have been in the field of the physical sciences; geophysics, specifically. Most of you consider this field to deal with geology; earthquakes, volcanoes, plate tectonics, etc. Geophysics, however, is the application of the science of physics in relation to the planet, in this case Earth-Shan. On your world, those in this field of study draw the line at such natural forces as weather, ocean currents, electromagnetics, seismic activity and volcanic forces. We, on the other hand, expand the parameters, knowing that all forces (energies) have a direct relationship and effect upon the planet in question.

For example, the spiritual energies, thought projected energies and physical energies of all species, plant, animal or mineral (including Human) upon a planet play a direct role in the evolvment and growth (or death) of a world. The planet

and its inhabitants exist in a symbiotic relationship and, unless there is an equitable give and take relationship, either the planet or the inhabitants, or both, will suffer.

This is the reason that it is imperative that Human begin to realize who and what he is and the effect that he is having upon the planet upon which he depends for his very existence. This is one of the major purposes for our attendance to your place and why we are contacting you of Earth-Shan and educating you in the real truth of all creation.

You cannot begin to understand your relationship with the Universe until you understand your relationship with the place on which you live and you cannot understand that relationship until you understand your relationship with God!

Chelas, it is not all nuts and bolts and scientific jargon. It is your spiritual health that is in jeopardy and it is this illness that is causing your world to be ill, also. And only Earth-Shan Human has the authority to cure the illness; we can only give you the information and instruct you. The work **MUST** be done by you.

Therefore, I shall instruct you in the physical sciences but you must understand and accept that your physical condition is in direct relationship with your spiritual condition and that is the primary cause; you cannot cure the physical ills without first curing the spiritual ills. If I seem to venture off what you might consider to be the physical sciences in my instructions, please follow, for I have purpose in so doing.

I honor you who are coming into the Light and the *knowing*. I am likewise honored to be in the service unto God and to you, my beloved brothers and sisters. This is a most unique time for both you of Earth-Shan and us for we are dependent upon one another to get this mission accomplished and together we shall succeed. We of the Command hold you most precious and the task at hand to be of utmost priority. Work together among yourselves with love and understanding for it is Love that is of the greatest power and with Love we shall together defeat the adversary.

**8/20/92 #1 SOLTEC**

Soltec present in the Light of Holy God. We of the Host bring unto you our blessings this day.

I thank Ed for the article on the recent

seismic activity in your western United States. [*Science News*, 8/1/92] As he asked for comments on same, I shall endeavor to accommodate his desires. This is the type of research that all should be taking upon themselves in this time of massive changes on your world. **Education equals knowledge, and knowledge equals power**; and my chelas, you must regain your power that you have allowed to be taken away from you. You are not going to find your answers watching the evening news reports or CNN, for they are not telling you the truth. You must take the time to seek out information from many sources, study them carefully, meditate and use your minds. If you seek God within to clarify, then you will be able to draw correct conclusions. This is also known as taking responsibility, something that is somewhat a novelty on Earth-Shan. As you move into the closing period of this age, and the doorway opens into the next, **YOU MUST LEARN RESPONSIBILITY—TO STOP ALLOWING SOMEONE ELSE TO DO YOUR HOMEWORK FOR YOU.**

I must chuckle at the term used in the article for all the mini-tremors that have occurred. They are referred to as "*mystery bursts*". What this implies is that your scientists have absolutely no idea what is causing all the mini-quivers that you are still experiencing. They can guess and postulate, but they truly have no idea that these activities are caused by your own.

The area of your western United States is a geologic hotbed for seismic activity because of the fractures that exist. The major faults, San Andreas, Hayward, Garlock, Whittier, etc., are important and any hits on these certainly do cause problems. However, there are literally millions of minor fractures, so many in fact that, if you could see them, the picture would resemble a giant spider web. If you get a tremor of any size (most likely something in excess of 6.5 on your scales), on one of those major fractures, the echoes from this quake will send out shock waves underground and the smaller fractures act as transmitters. As these small fractures bisect and intersect with other small and larger fractures, you have the possibility of activity in another area that can be hundreds of miles from the original activity.

In addition to the pulses that you are being hit with, you must also keep in mind that this area is also unstable due to the fact that the western edge of your continent

(that which is west of your coastal mountains) is not attached to the continent proper. It merely rests on what you call the continental shelf. If this unattached portion of land mass moves at all, naturally you are going to experience shaking of this land mass. But, at the same time, it is literally grinding against the continent proper and placing stresses upon that as well, and once again, all those little fractures pick up the shock waves and they travel along them to places far from the original movement.

You see, the entire Pacific Plate is in motion, due to an effect that you call continental drift. Actually, this plate is in motion now due to the underwater volcanic activity that is occurring in the Pacific Ocean (Sea of Peace). The entire plate is moving east and north, in almost a rotating manner. Therefore, whenever it moves, the western United States moves, and pushes against the American Continent.

This activity occurring in the Sea of Peace is not new. It has been occurring for millions of your years. Your California, Washington, Oregon and the Baja Peninsula are actually remnants of the ancient Pacific continent known on your placement as Lemuria. (Also known as Mu, or the Motherland.) The Hawaiian Islands, the Philippines, Japan and even Australia and India are likewise remnants of this once great continent, which literally spanned what is now your Pacific Ocean. The farthest point south was approximately 15 degrees South, and north at approximately 60 degrees North.

Lemuria was a predecessor of Atlantis, though for a time they existed simultaneously. The final destruction of Lemuria occurred approximately 40,000 of your years past, however, the destruction of the continent actually spanned nearly 12,000 years. (An interesting figure, don't you think?)

At its height, Lemuria was by far the most advanced civilization your world has ever known, in both technology and spiritual development. You see, for the most part, they had developed the balance between the physical and the spiritual. But, alas, as has been the history of man, **greed and lusts for the physical pleasures of life became their demise.** The misuse of their knowledge pulled them down, spiritually, and eventually was the cause of their own destruction.

In future writings, we shall discuss this civilization in depth. At this time, however, it is important that you understand that the geologic activity you are experiencing is but the same ongoing activity that took Lemuria to the depths of the sea. And that you who are residing in these areas are living today on remnants of this ancient land. Therefore, you are going to experience that which has been occurring since.

The rogue factor, however, is your Elite that are pulsing their beams, utilizing the already weakened areas, in hopes of creating a cataclysm which will give them a good excuse to bring about martial law and bring you-the-people to your knees (those that are left, that is). However, I shall allow Commander Hatonn to address the political activities regarding this situation. I shall only tell you that, from our vantage point and with our detecting and sensing equipment, you are in serious trouble.

Tehachapi, however, is relatively safe. First, you are sitting on what we call a granite core. That means that the land beneath you is solid (even though on the surface right now it does not seem to be). In the event that the coast should "drop off," the area in and around your Valley of Radiance will remain above the water. Do not, however, unpack your supplies. I did not say that you would not be shook up. You will experience a tremendous jolt, which most likely will be followed by thousands of after-shocks, and there is also always the possibility of a tidal wave. So hold on to all your survival packs. If the Elite are successful, you will need them.

Don't forget that even the seismologists have moved into your area. Why do you think they have done this? They know that you are a safety area, and they're not taking any chances. Many of them are also aware that Space Command Brothers are looking after their remnant. They are hoping that by being in close proximity that they too will benefit from this.

We do not have a crystal ball and we are not fortune tellers. We can only project future events based on current and past data. Our data right now shows that your western United States is in for some very interesting times. Watch your political scene because the more desperate Mr. Bush gets and the closer to your elections you get, the greater the chances of "The Big One" occurring are.

Yesterday you had Mt. Spurr in Alaska erupt again. Chelas, I don't know what else I can tell you. All the scientific jargon in the world isn't going to make one iota of difference when the shaking occurs. I can give you all the scientific reasons for what is occurring, explain the theories of plate tectonics, project, speculate, etc., and when the 8.0 or greater earthquake hits, you are going to do a lot of shaking, whether you understand why or not. Knowledge is very important. Don't get me wrong. But what you need to know now is that the chances are very good for sizable seismic activity. You have been experiencing the pulses, even Kali felt them last weekend during their visit. She was somewhat disturbed by them, as she has never felt the earth move under her. But, it was important that they have this experience so they have a better understanding, from a first hand

point of view of what the rest of you have been going through now for months.

I shall close this writing now so that it can be formatted properly and shipped off. Through all your concerns, just remember to stay close to God. Keep the shields up around you and your loved ones during this time of uncertainty and know that the power of God is greater than all else. Stay in the Light and we shall all come through this, dear ones.

Soltec to clear. Salu.

### 8\24\92 #1 SOLTEC

Ceres Anthonious Soltec present in the Light of the Holy God of Creation. We come this day in readiness for the mission at hand and welcome the input of all those who work with us. May this writing be blessed. The road seems long, yet we are making strides every moment that we continue and faint not from weariness. The tasks are tremendous and burdens heavy on many; however, we of the Host are always nearby and offer our services in assistance to you who honor us by working diligently on this mission. You are not alone; please remember this.

As one attempts to strike the Truth from going forth unto the people of your world, others will step forward and speak those same truths for Truth, whatever the source, cannot be silenced forever. As you press further on into the time of transition, more and more truths shall come forth and all the dark secrets and lies that have been hidden in dark, dusty closets shall come forth into the Light and be cleansed. All things, whatever they may be, shall, during this time, experience the trial by fire—the Eternal Fire of God—the Light and Truth of all Creation. Nothing shall remain hidden.

The knowledge and truths about who Human is, where you are from, why you are here and where you are going will begin to come forward from within each as this transition progresses. This is not to be feared, but embraced, as the TRUTH shall always make you free. When you finally come into the *knowing* of who you are, you will break forth as free men, no longer bound by the fears that held you down. But you cannot come into the *knowing* until you have heard the Truth and that, my precious ones, is the task at hand. The TRUTH shall not be stifled and silenced for it is impossible. The TRUTH shall always come through, even in the darkest of times, for always in the darkness there is light on the horizon and the Light is the TRUTH.

The TRUTH is going forth and many are now beginning to search out those ones who can guide them toward the source of it. The seekers are seeking out those who they know can guide them forward. They many times, have no idea that they

indeed searching but, when these ones hear, an inner knowing surges forth and then, as these ones read or hear the Truth, they will, by inner guidance, help to guide another until at some point there will be no way of turning this momentum back as it will have become an unstoppable force. That time is approaching, perhaps more quickly than you ones might have imagined. Know that your hard labors are paying off.

Remember the old saying that you have, "It's always darkest before the dawn." From your perspective, we know that it looks pretty dark; but know that the Light is just ahead.

\*\*\*\*\*

As I have promised, previously, I intend to teach you ones about a time past when there was a place upon your Earth-Shan known as Lemuria. Many may ask why this is important, what could it possibly have to do with that which is taking place today and with the transition, but I ask that you go within as you read and learn. The impact of the story of this place is very important and extremely pertinent to that which is taking place in your present time.

I shall begin by saying that if you are crew members today, then you were present in the past in the place known as Lemuria. Actually, most likely you will recall it as the Motherland, for that is where you began your existence upon Earth. It was in this place that you from the *Home World* first came to this plane and, therefore, if you are of Pleiadian descent, then you are also Lemurian, which is likewise known as Mu in many ancient texts.

As told in the previous writing, this was the large continent that once existed in the now Pacific Ocean, and you may also recall that a portion of your western present-day continent is a remnant of this place. Many of you who reside in the Valley of Radiance do not know why you were drawn to this place, but something from deep within you would not let you forget it and it *haunted* you day and night until you finally picked up and relocated there. The reason it is so familiar to you is that many whom you were with in Lemuria are there. You are regathering and reforming your long-lost family. You went there and felt as if you had come home—well, my Chelas, you have! And it will be from this place that you will eventually return to your home in the stars with the rest of your family that is *hovering* above you.

The same is true with the Philippine Islands. Many have been drawn to that place, seeking out, sometimes they know not what. This, too, is a remnant of the Motherland. Why have so many traveled to India in search of the Mysteries? This too is a remnant. There are many Masters who live there, high up in the Himalayas, who

have been charged with the preservation of the texts which contain the records handed down from Master to student for thousands of years. Many of these Masters possess abilities that others have only dreamed of and searched for. Only stories and old tales you say? I ask you, where do old legends come from? What prompted them? Why would someone make up these tales and treasure them from generation to generation, living, sometimes whole lifetimes, just to preserve these stories for future generations? Could it be that these are the real Truths and those stories told to you by your so-called historians and anthropologists (which for the most part cannot be proven one way or the other) in actuality are the *myths*? Chelas, go within and search out that Truth. It is there; you only have to rediscover it!

Kali, for instance has had dreams and visions for most of her life about a place that is so beautiful that she finds words inadequate for describing it. The lush flora, with colors and scents so alive and vibrant that it defies description. She remembers the feeling of being truly free, and abilities that even she cannot believe—flying without the aid of machinery, perfect health and a real love for life. She searched and searched until once she saw the word Mu; that's all it took, and memories began flooding into her consciousness. The same will happen with all, eventually.

Is it important that you remember? Yes, and you will for as the time of transition goes on you will begin to get little glimpses and memory flashes. If you focus on them and stay in the Light and seek the answers, you will remember. All you need is awakening, and that is my task. And, it is extremely delightful for us when we see each of you coming into the remembering of who and what you really are! We rejoice each time a little memory awakens.

You were present in Lemuria for the time of transition then and you are present once again in that same place as you enter another time of transition. It did not go so well then and not all made their transition, so you are back to try again. As this time unfolds now, please, stay close to God, stay in the Light, keep the protection of the Brotherhood of Light with you at all times. Make this a conscious effort every day because the adversarial forces are working over-time now to delay and cause you to fall. You see, they are also aware of the time in which you exist and they are working diligently with the Dark Brotherhood in opposition to you and the Host. Know that the Light of God is always more powerful than the forces of darkness; however, you must have knowledge of the TRUTH, and that is our task. There is no other work as important as the dissemination of TRUTH! There is no greater challenge than to learn

that TRUTH!

On your Earth-Shan today, the Truth is the most elusive commodity that there is. In the past it has been forced into hiding but it always exists. The Hopi Indians say that their book of truth is the one that will be found at the bottom. In other words, it will be covered over with many other tales but, if you keep digging, you will find it. This word can be covered over with a thousand lies but it will still exist and it can be found with a little effort on the part of each Human on Earth-Shan. The rewards will be well worth the effort put forth, though at times it may seem as though it is a never ending battle. The adversary will attempt to keep you from it but, with God, there is always a way. And if your will is kept in line with that of God, you will find a way for God exists in each and every Human, regardless of what may be your race or religion. And God is finding a way through all of those who have answered the call to Serve in Truth and Light.

No, the TRUTH will never die; it shall stand to eternity. (And Chelas, that's a very long time!) Your lessons on your heritage will serve you well and aid you along your path. I ask that each of you ponder and meditate upon this, seeking the TRUTH of GOD only. Ask and it shall be given unto you, seek and you shall find, knock and the door shall be opened unto you. With God, there are no secrets, only clouded memories.

We of the Host are honored by your service. I shall end this writing now and extend unto you our blessing, our appreciation and our love for you, our brothers and sisters in and of the Light. May God gently cradle you and give unto you the peace that comes with knowledge and understanding.

Soltec to clear—Salu.

# A Letter From A Mis-Guided Friend

8/29/92 #2 HATONN

IS THERE NEVER ENOUGH,  
FATHER?

Dharma cries out from the depths of total despair after working around the clock for over a week now. She has interacted with ones from the President (yes, Bush) through to a bloody mountain in Idaho where a "controversial" "third-party" candidate put his life on the line as a Patriot for a brother about to be murdered and whose wife and child had already been murdered.

So much of the mail is so wondrously gentle and undemanding—just warm and appreciative. Much is sent in support but the "humor" within is hurtful and painful. Ones such as P.C., whose material I have tried to utilize to give HIM insight instead of knuckle-thumping for unthinking blasts "against" God and Command. Each new contact brings more discomfort as if somehow by not attending ONLY YOUR PERSONAL NEEDS is directed at personally insulting or deceiving you.

My reception of information is greatly softened by KNOWING—unfortunately my workers have not the resource more than do you.

P.C., I DO believe that you and I ARE good enough friends to respond to your correspondence openly and bluntly as has been directed to me.

As to the other request for "plates" of the *Liberator*—**NO, NO AND NO. Those are not decisions which are made by ones at the office, America West or anywhere else. I MAKE THOSE DECISIONS.** If ones wish information other than that which you are willing to share on a non-regular basis—bless you, but ones can jolly well help support this intensive, thankless work by subscribing. Why do I speak so bluntly? Because you are speaking of giving away thousands of papers. The more the better in my opinion but my workers must account and already literally "go without" to serve. If you wish the papers, they can be sent easily from right here where they originate. Blessing upon you for caring and for the sharing—but I will not release the very originals which MUST be kept totally secure. Do you not understand? My people's very lives are at stake every minute of every day and this foolishness is very hard for them to understand. They are willing to meet your needs to the extent of

requests but the requests become daily, more hard to handle for the "one" when hundreds and hundreds are asking for the same individual attention. I have to ask "Father Aton to temper my anger with patience, understanding and insight in order that no one be offended by these thoughts," I believe is the way you began YOUR letter so allow for the same privilege, please.

For my workers here who are absolutely exhausted from no sleep and work—while vigil is kept, I offer the time and space to look carefully at that which has been received by we, on this side of the mailbox. Take note, friend, that if you only wanted to reach ME—I AM AS CLOSE AS YOUR FIRST THOUGHT—WHY PETITION MY PEOPLE? PONDER IT? Sharing and dumping this "load" is very, very DIFFERENT.

I shall ask for quoting, as usual, and I will again insert my comments!

QUOTING

May Father Aton temper my anger with patience, understanding and insight in order that no one be offended by these thoughts. [H: Obviously HE did not—nor were you truly asking for patience, understanding and insight—you were not even ANGRY—you were making a POINT which might have been actually well received if offered as such.]

Dear Pleiades Sector Flight Command/Commander Hatonn/Cosmic Council/Intergalactic Federation Council on Earth Transition,

Either I need the assistance of a "professional mental health worker" or simply require a missing explanation; whatever the case, I am as confused as confusion can be. Since the Cmdr is known for his crystal clear manner of communications and precise explanations, to him I put these inquiries and sensed observations but at the same time wonder aloud if Cmdr Hatonn does in fact speak on the behalf of the entire Flight Command, as it would be interesting to know their input and/or difficulties or disagreements these ones might be having regarding the laws governing interference by one planetary body with the affairs of another planet and the basis for the cosmic law of non-interference, as well as their views on the concept of free-will choice, which is the motivation for this communication. [H: No, it is NOT the basis of this communication for if you have read your homework you would

know very well those opinions and, furthermore—just WHO did you have in mind to speak or receive? If you question my regulations, WHY, INDEED, WOULD YOU ASK ME ABOUT IT? WHO DID YOU DESIRE TO HEAR FROM AND WHAT? That interference, intervention and butting-in through act of force IS OK? According to whose opinions of what is right and what is wrong? DO YOU KNOW ALL? ON WHAT DO YOU BASE YOUR OPINION THAT THERE NEEDS TO BE INTERVENTION? Further, HOW DO YOU KNOW THERE IS NOT ALREADY MASSIVE INTERVENTION? PONDER IT. Perhaps THIS ALONE is why you are in your position and I hold mine—better vision perhaps?]

To begin with then, could anyone explain, for the life of me, precisely just what kind of abomination it takes for the Mind of the Creator to step into history once again to set things aright? How many more babies must be slaughtered in cold blood or sacrificed to Satanic ritual? How many more wars must be fought, wars over which it appears I/we seem to be having no control? [H: Does GOD create the abomination? How many babies must be slaughtered? I ask YOU—how many? How many more wars? DOES GOD make these wars? I ask YOU—HOW MANY will YOU SIT, COMPLAIN ABOUT, BITCH TO ME ABOUT AND ALLOW TO CONTINUE? YOU spend your time trying to prove who I might or might not be—WHY DO YOU NOT FIX IT? Why should we FIX it? We have done nicely with OUR reality and experience—HOW MUCH MORE WILL YOU ALLOW? GOD OF CREATION CREATED BOTH—AND YOU WERE TO BE THE GUIDES, THE STEWARDS—WHY DO YOU TAUNT ME WITH YOUR OWN FAILURES?]

How many more lies do the religious zealots have to perpetrate on humanity regarding the cloak of secrecy that shrouds the Dead Sea Scrolls? [H: The WHAT? Dead Sea Scrolls? The whole thing is a lie to attempt to cover the other lies already told—where have YOU been?] How much more mayhem and destruction can there be until You arrive? [H: I suggest it will be bunches because ones like you will continue to ponder the chaff and miss the wheat while wallowing in self-pity at your confused state of what IS.] Can we not put out the fire before the house burns to ashes? [H: Yes, but with this attitude of "fix it FOR 'me'" I think it may well not be put out at the rate you are going.] If I purchase a Rolls Royce, I expect the tires to come with the car! [H: If you compare GOD to a Rolls Royce (albeit a rather gaudy affair), I suggest YOU have missed the entire point of all time and experience.] If the Pleiadian Fleet crosses a sector of the Universe in

order to reach Earth to give us THE WORD, one would similarly expect this task to be accomplished preferably before the Earth blows apart, which it appears set to do any moment now. [H: WHY WOULD YOU EXPECT THAT? AND IF WE ARE WORKING IN AN AREA AWAY FROM YOUR VISUAL FIELD, WHAT MAKES YOU THINK WE ARE NOT SAVING THAT PORTION OF OUR OWN? We, the Hosts, are not sent here to SAVE anything from ANYTHING. We are here to bring THE WORD as promised and collect our people!—REMEMBER? (???) HOW DARE YOU ASSUME, BECAUSE OF YOUR OWN BLINDNESS, THAT ALL ARE BLIND? I, again, ask you what YOU are going to do about the plight just described? Are you simply going to continue to complain to me that “we” aren’t doing enough? Well, it isn’t “our” planet and I am interested in your SOUL—not your rear-end. Until you can understand the difference, we have little to speak about for even “alarm clocks” are but physical inventions of tinkering MAN.]

Having read your entire output (and enjoyed ever bit as much) I still unfortunately have difficulties in attempting to meditate my woes and over-anxiousness away. [H: God help us all if you COULD. That is precisely what is wrong with your species—just make it somehow “go away”. You would be nuts beyond the “mental health worker” you speak of if you were not concerned and a bit over-anxious. DO NOT LUMP ME IN WITH YOUR OWN FAILURES OR CONFUSION.] Despite many logical explanations put forth, including those found in the Journals, I confess not yet being able to understand God’s reasoning behind non-interference both as an inviolate Universal Law or as an individual free-will choice responsibility and the allowance of this free-will choice left to the hands of barbaric man as he is given carte-blanche to terror and control, and why certain limitations are not imposed. [H: So, let us assume right now that GOD is clearly interfering with YOUR state of over-anxiety by causing this letter to be written! Do YOU as an individual merit a change in “Universal Law” to calm your pulsing over-anxious consciousness? How about “barbaric man”? What IS a barbaric man? Are you not asking for another to be stripped of his power, life and free-will to please your own opinions of what is Universal Law and proper running of species and planet? DOES YOUR not understanding have cause for ALL to be bereft of understanding? Perhaps if you study more carefully—you could better understand instead of self-pity in the self interest of confusion. Is not “I don’t understand” the best lie and cop-out of all mankind?] Would not a substantial

amount of murder and mayhem have been avoided throughout history if man had not been permitted to kill or destroy anyone other than oneself as a for instance? [H: Ah, but you only focus, still, on “self”. Why were YOU not alongside Col. Gritz on the Idaho mountain preserving the right to life of Mrs. Randy Weaver? Where were YOU or, should God have just struck the whole bunch deaf and dumb and toppled them over like mosquitos on your forehead? We did prevent a lot of things and we did it properly—THROUGH MEN BIG ENOUGH AND DARING ENOUGH TO STEP FORWARD AND ACT INSTEAD OF WHINE AND COMPLAIN ABOUT GOD’S NOT DOING IT “FOR ME”.] Couldn’t mankind have learned his lessons equally well or bad without ability to Kill?? [H: Golly gee, I guess NOT.] The intent to kill or slaughter or maim could serve enough as an indictment thank you without the bloodshed. [H: Oh? Says who? And why, then, has it not been stopped by you who perpetrate it? Where are YOU while the children in the ghettos pop-shoot at each other because they are too bored and brain-dead to do otherwise? WHERE ARE YOU? GOD GAVE YOU THE POWER TO ATTEND THESE THINGS AND LOOK WHAT YOU HAVE DONE! I, for one, am tired of pounding on the head of a poor weary scribe who, frankly, no longer cares much what happens to mankind. Her opinion is that there aren’t probably more than a couple of hundred who give a damn about themselves. Perhaps you had best thank God that we do not accept resignations so easily or you wouldn’t even get this response. My ground crew at this location is fed up, exhausted and don’t care whether or not you learn anything more about Pleiades or flying saucers—the whole idea of thought-trend is oblivious to them today while a nation walks on the brink of annihilation because MAN will not wake up and even recognize his ENEMY! Until it happens—it does not matter a whit in a pile of rubbish—WHAT PLEIADES IS LIKE.]

“Death is only one of life’s endless trivialities in the screenplay illusion of the master plan,” you retort? [H: I would certainly NOT retort with such drivel—it is either a beauteous gift of beginning or a seriously misspent experience—certainly not in trivialities. You either learn your lessons WELL or you are destined to confusion and more of the same.] Then why safeguard the families/relatives and “significant interactions” of we workers if it be so trivial? Ah-so! if you can save one you can save them all. [H: I don’t SAVE anyone or anything—they take that which is given and USE it for protection. If my language is not under-

stood, then I cannot help your perception for it is all with which we have to work if YOU are not willing to open your mind and reach into truth for that understanding presented. GOD DOES NOT SEND THE HOSTS TO SAVE—ONLY TO PREPARE AND TELL OF HIS COMING. ACTUALLY, THAT IS A MISSTATEMENT—GOD IS WITHIN AND THUS, ALREADY ABOARD. THE HOSTS BRING THE ONE RECLAIMING THE CREATIONS OF GOD (KINGDOM). IF YOU BE NOT ONE OF “HIS” THEN YOU ARE NOT GOING TO GO ANYWHERE EVEN IN PERCEPTION—EXCEPT INTO FURTHER AND DEEPER CONFUSION. WHAT DO YOU MEAN BY THE TERM “SAVE”? (???) How knowest thou that in death of the body is not release from the Hell already present? And, further, to SAVE that which is in torment—would be a sentence of pure torture and incredible experience—HOW DARE YE JUDGE? IF YE BE GOD AND CLAIM RIGHT TO JUDGE—THEN WHY HAVE YE NOT ALSO DONE SOMETHING SO THAT GOD’S THINGS WOULD NOT HAVE COME INTO SUCH TERROR AND DISREPAIR? Indeed, I am tired of ones badgering us for your own lack of willingness to understand. Somehow you ones feel it is fine to dump garbage and insults upon US and, yet, if we speak back unto you without mush in the mouth—you are offended and turn unto the “other” who is “nice to me”. This is not the case here, readers, for P.C. has tried for months to incite a good debate. I’m sorry that I have little time to do it justice. He is, indeed, loving this interchange and, for that, I honor him. I have several who allow me to make points “at their expense” and are good enough “friends” (and there is no greater honor than to be a “friend”) to allow passion in retort. I promise you, Gritz did not say “Dear old brother, Hatonn, go up on that mountain and face the devil—because I am confused and don’t understand why you have let this or that happen!” He took his shield of Light and his sword of “right” and marched head-long into the viper’s pit and put his life between that man and his executioners. His only horror was that he was too late to give his own life to save the mother and child. But it is not to be that he lose his life—unless YOU ones cause it—for he is willing to give MORE—how much are YOU willing to give for what is RIGHT?]

Again, help clarify to one’s like me no less than God’s perspective on this concept of free-will choice.

[H: I believe I have given you “no less than God’s perspective on this concept....” If not, “I” cannot help you! ASK GOD! Why do you ones ask ME? You ask God to temper your anger—but

**you direct the questions to ME through a secretary who has a bad case of tired-fingers.]**

If indeed Hatonn does speak for the better part of the Command in which case no dissention is manifestly present, then I imagine the consensus goes something like this: "Let's wait and see how many more nitwits decimate each other and, exactly to the tune of someone else's prophecy, arrive at 2 milliseconds to midnite during all-out nuclear war, arrange a splendid show of bravura as we pull up our ground-crew and wave bye-bye to screaming billions!" [H: Really P.C., you "imagine that...."? Who would you like to have answer this "imagining"? I in turn, say that "I imagine that you are NOT thinking at all! And, if you are, and you want to do things YOUR way—why not do it? Could it be that you and yours have already DONE IT and now wish to complain about your success? Does it annoy you that YOU have been and continue to be so EVIL AS A SPECIES? Why, also, would I snatch up ones against their will to SAVE THEM? Again, what do you mean by 'SAVE'? I HOPE YOU PERSONALLY LOOK VERY CLOSELY WITHIN AT WHY YOU ESPOUSE THESE THINGS AND ARE SO INSULTING TO WE WHO ARE ONLY HERE TO SERVE. WOULD YOU HAVE ME LEAVE MY GROUND-CREW AS WITH THE POW/MIAs? You have claimed to be one of my ground-crew—shall I just leave you while I snatch up those who do not wish to GO?

Further, I thought it was YOU who wanted a great show-and-tell. What is this taunting now, about some "...show of bravura....and wave bye-bye to screaming billions!"? And, "...wait and see how many more nitwits decimate each other and, exactly to the tune of some else's prophecy...." My ones work around the clock around the week and around the year—to tell you how to not be a nitwit and be left waving bye-bye—why don't I just choke you or torture you bodily until I MAKE you see and hear? Why don't I just go ahead and kill you because you are not able to pass through a frequency beam and then taunt at YOU—WELL, YOU MADE ME DO IT! You insisted I SAVE everybody whether they liked it or not—now, look what you have done and look how you make me look to those others on the hill waving sweetly with extended middle finger!" Which is exactly that which I have gleaned from you towards me and my brothers from this letter!]

Now I ask, who is being more cruel, the elite Earth controllers and their bag of tricks and zero population antics, etc., or Space Command, who, in full knowledge and with ability to deter the outcome, are

content to simply observe without interference, who in fact emphasize over and over as if to remind the adversary of his complete reign on unabandoned destruction, their steadfast determination at non-interference?? "Brothers"?? [H: P.C., how dare you? You who cannot even cause your own brother to understand your input? How can you dare to strike out at a GOD OF JUSTICE? Do you lack frustration in dealing with the human aspect of MAN? What think you that we who KNOW difference feel for your species and insults? I repeat: God nor Hosts did nothing save give you perfection and you have destroyed it—only now to complain like the child who eats his own chocolate bunny at Easter (stupid habits and excuses for religions) and now has it not.]

I assume your calculations include a healthy measure of dissatisfaction in the response of Americans who one day may come to learn what was unfolding all across their beloved land, as they grapple to understand why the knowledge of your awareness of the One World Government plot and your decision to remain at arm's length from the battle lines or the negotiating table or TV screen eluded their discovery. Might these and future generations see this as nothing less than a cover-up on your part, as accessory to crime? [H: What makes you think I "stand at arm's length"? Besides, "arm's length" is very CLOSE INDEED. What makes YOU think we attend not these negotiation tables? What, for that matter, makes you believe we are NOT on TV? (???) Would YOU know? How dare you to assume anything about US? Just because YOU do not experience—does that mean that someone in Washington D.C. does NOT? Oh, I think that surely you must jest! Future generations? I shall have future generations—I wonder if YOU will? And, if you teach those possible "future generations" what you represent, what care I what they think of my accessory to your crimes? If YOU care not—why think ye that I should?]

I cannot speak for the rest of the crew at America West enterprises nor for the readership of The Liberator and much less for the Command, [H: Ah, but I see that you will put in your preferences and input at any rate.], but I certainly would not object to a little interference now and then out of compassion for the slaughter of innocent babies and the nearly 7 billion people who do not receive their weekly God-send that is the Phoenix Liberator/Journals. Besides, how many attempts at Dharma's life do you tolerate before you strike back, with your pen, of course, not with your photon blast vapor gun; wouldn't want you to confuse the two—it might just solve too many problems at once! Seems to

me if "my money is where my mouth is," ongoing murder attempts on my scribe's dear life would justify entirely the use of at least non-lethal force as retaliatory action by any good Commander's standards. [H: Obviously it becomes apparent why YOU are NOT the Commander! Do you write all this insulting assault upon the senses and then proclaim to wish to PROTECT my scribe? Or, is it just other attackers you wish put down? I shall be happy to vaporize you if that is what you wish but you might only be simply "confused" about it and denounce the actions as being unfair. Why don't YOU "interfere now and then out of compassion for the slaughter of innocent babies,....etc.?" You obviously have no concept of how many of those very babies "slaughtered" that I DO bring home to safety—ALL OF THEM! Nanu-nanu! And, "attempts on Dharma's life"? Most I, or she, stops—the ones that are carried out successfully—obviously have not been permanent so I would assume you know not a thing about that which you write! What "other" problems would be solved? If I get rid of YOU, Bush and Kissinger (all are robotics anyway—except you and even YOU cannot be sure of self) what would I gain? What would be gained for the slaughtered millions of babies? GOD created perfection—you destroyed it—HE has again created it, how many of YOU will be there? Are you actually worthy or just "talk" a good game? I thought not.]

A bout of "negotiations" with added blackmail of my own such as perhaps a self-invitation onto ABC World News Tonight would certainly be included in my list of permissible priorities/confrontations. [H: Oh, is that MY network? Why don't I just destroy all of YOUR property and see if YOU still like it—or would you just call it vandalism, theft and breaking and entering? Would it make you a believer or a greater enemy? Whose side are YOU on, P.C.? It certainly is NOT mine or the beloved JUST GOD I serve.]

However, since I gather you are on orders to await the destruction of fully 3/4 of the world population before making contact, no matter what I write herein will change the course of history, but I'll try anyway:

Dear Cosmic Counsel, [H: (sic, sic), do you want the head lawyer (counsel) or do you wish to petition the Council?]

Seeing that there are things we-the-people cannot do ourselves at this late stage, I therefore take the humble liberty to request help from the Command to which I proudly belong and obediently obey and under whose written principles of conduct based on God's Laws of Love and Balance I effort to live my life, in calling forth the assistance of crewmen and appropriate

technology enabling me thus to accomplish my personal goal and worldly objective of spreading forth The Word to the four corners of the globe, which I understand, for some reason beyond my ability to comprehend at this moment in my evolution is the mandate of my "contract" and the principle purpose of my embodiment in this manifestation on this planet this-time around, in however manner and in whatever way I choose as long as death is not involved, specifically to take over operations for an unspecified period of time all major US media with a view to uncovering the grand lies and unbelievable distortion of truth created by the elite hoodlums, as a service to fellow neighboring Americans and my own brothers in Earth Command, the consequences and repercussions of collective and individual actions involved in this "equal opportunity" endeavor, such as pursuant arrest for whatever reason, etc., being safeguarded from the start and graciously provided by members of your outstanding Command.

[H: Whew—running for contest winner of longest sentence or just avoiding a "thinking" session? What makes you think you can't change it? Late stage? Who let it get "late"? Are you saying that you get no help from "Command"? Do you insult me and the Council members by claiming to "...proudly belong and obediently obey and under whose written principles of conduct based on God's Laws of Love and Balance I effort to live my life, in calling forth the assistance of crewmen and appropriate technology enabling me thus to accomplish my personal goal and worldly objective of spreading THE WORD to the four corners of the world." WHY? You don't believe nor do you practice that which are the laws as is evidenced by your asking us to BREAK THEM ALL. I think I would consider carefully that which you jest about, friend, for you have invoked the "Council" and you petition for personal gain in worldly matters, ask that we break the laws of Universal truth and then lay forth a sarcastic rendition of "...your outstanding Command". I have a rather high "rank" on the Council, old friend, and you have just insulted me and mine for three pages of fun and games. You spend hours typing garbage which you do not mean and then whine that you have no time to do your work to earn your own goals. I would suggest you attend the content of your petition a bit more carefully.]

Since I am a fragment of you in service to God, I see no reason you should deny me whatever technological assistance the task at hand will require... [H: Oh? IN light of the foregoing I can see several reasons NOT to allow you much of any say whatsoever. Perhaps the remainder

of the gargantuan sentencing will shed light...] .....in light of the fact that this reasonable request for assistance is not to be mistaken by the charming adversary for outright Pleiadian interference, since it is purely and simply a request for hardware being granted to an Earth person. [H: You already have all the hardware you need to blow away and destroy the rest of the world—why would you ask the Council for such trivial accomplishment as to giving you the means to destroy and slaughter the rest of the babies and God's creations—or is your pulse system and nuclear bomb only going to "get" the ones YOU are ticked-off at? And you are still angry at why I won't turn over original paper "plates" into your hands? If you would petition unto the Cosmic Council for such things—would I be a good steward of my task to turn over the very WORD into your keeping or sharing? Humor is one thing—what you are doing here, P.C., is quite another and I would petition you to look at it most carefully—you jest and play with something that is most critical to your very survival of soul—does it mean so very little?

If the elite madmen can initiate a technology, etc., then it certainly stands to reason that members of the same non-aligned command can contract and exchange among selves. I thank you Cosmic Council in advance for your kind assistance and eager participation as I await your instructions. New York Times here we comel! (See page 10 for drawings.)

END QUOTING

Dharma, there is more but we need a break, please, as there are so many urgent things to attend. Thank you for your patience for this one knows not what he is doing! When we finish we will simply continue on here and start a new program with a new subject.

8/30/92 #2 HATONN

(From Yesterday's Letter/response to P.C., Continued)

QUOTING:

Second item on agenda: I find it immensely difficult in my loneliness to accept the belief that impeccable geniuses the likes of Sananda, Hatonn and Germain do not at least have a fundamental recollection for "space and time" considerations enough to formulate a roughly more accurate estimation of expected arrival time than the margin of error of a decade, or so it would seem, presently allotted. [H: And what difference would it make? So you could SIT on your assets until lift-off? THERE IS NO SUCH THING AS TIME OR SPACE EXCEPT IN YOUR PERCEPTION! NONE IN OURS! Lonely? Why would you

be lonely? If you are attending your business and others who claim total loneliness—how could YOU possibly be "lonely"? Whose fault is "your loneliness?" Hatonn's? Sananda's? God's? WHO denies the visitors who would enter and keep you company and if you left the self-pity aside you could fill up that time HEARING how not to be lonely!]

Would you enjoy it if you invite me to dinner at 6:00 pm on Tuesday and I show up 10 years from now, even though I said I'd be there? [H: I thought you just said and complained that we don't tell you WHEN! Besides I would not ask you to dinner at any rate, for you would simply insult my food offered as insufficient and not to your liking. I would be "genius" enough to NOT ASK YOU TO SUP WITH ME! Show up any time you like and if we are eating what pleases you, you will be welcome—if not, don't annoy me with your problems.]

Hence permit me to remind you that "soon" means in a minute from now, or at the latest in 2 weeks. "Very soon" means almost instantaneously and "The time is near" means you hardly have time for a complete pulmonary inhalation. [H: "REMIND ME? YOU are going to "remind" me? of "time" meanings?? YES INDEED, SON, YOU ARE MOST CERTAINLY QUITE "CONFUSED"!]

Seriously, I imagine this is also proving frustrating to readers as you continuously raise our expectations and then drop us like a bomb. This let-up/let-down vacillation must not sit well with apprentice readers I imagine either. [H: Apprentice readers? What be those? What do you think has possibly been averted by our little indiscretions, in your opinion, of stating probabilities and possibilities? Are you still aboard or not? You wouldn't have been! Are we, Hatonn, God, Sananda, etc., the idiots or might YOU be lacking in clarity? We are doing our job nicely, thank you—what be ye doing?]

Moreover, as I understand it, you will not make contact until well after the Earth "shakes out", after our entry into the photon belt or Great barrier, sometime in 2000! You call this soon?? From the first Journal onwards, I kept saying to myself, "Better I read this fast, the space-ships might well land tomorrow." Hohumm, and 57 Journals later. [H: Hohumm, and what a waste of your precious time—for I see no further input and insight than before you read the first—if this "cute" letter be expressive of sincerity. Do you ever think of ANY-ONE OR ANYTHING other than yourself? Could it be that you blather and chide, check and thrust and make a fool of self in spouting off THAT WHICH IS NOT GIVEN BY US?? PONDER THIS

**CAREFULLY! MY, I WEEP FOR YOU AND YOUR HO-HUMM LONELINESS WHEN MILLIONS ARE STARVING, DYING, HOMELESS, ADDICTED AND PERISHING FOR LACK OF SOUL FREEDOM—INDEED, I DO WEEP FOR YOUR SAD FLIGHT.]**

Third item this morning on my agenda. No doubt you will enjoy hacking this one to death, but here it goes anyhow: You emphatically state that Earth war games, being somewhat primitive and nauseously repetitious make for too boring *Liberator* content, in which case you personally prefer to speak about God and matters concerning our soul-evolvement into the spiritual dimension and so forth. Seeing that Germain has completed these teachings and you yourself having spoken at length on same, is it too excessive to politely request a diversion of sorts before the invading armies conquer, seeing that ones are working on a movie, perhaps produce a book describing all aspects of Pleiadian life to satisfy reader curiosity and keep people like me at bay? [H: **Just as soon as YOU finance it, friend. A movie IS being made, and you certainly didn't read all 60 JOURNALS or you would know about Pleiadian life—in detail (whatever possible difference it could make to you or any Earthian in this particular experience). I am not here to "satisfy reader CURIOSITY OR KEEP PEOPLE LIKE YOU, AT BAY". When works of Germain are NOW BANNED BY INJUNCTION—BECAUSE YOU ONES DIDN'T SEE TO THEIR FREEDOM AND I NOTE NO-ONE PAYING THE \$215 MILLION DOLLARS EQUAL TO WHAT THE ADVERSARY IS PAYING THEIR ATTORNEYS, TO HELP FIGHT IT. JUST LEAVE DHARMA AND OBERLI TO DO IT ALL? IS THAT IT, P.C.? GET SOMEONE ELSE TO DO IT?? Well, they no longer give a damn about YOUR curiosity or where you "bay". They certainly appreciate your abundant help to this point—but if this is "blackmail" as you suggest "we" should use, there is not enough money in your whole world!! The expression right now, from Dharma, is that you can "go fly a kite and hope it makes it to the first low cloud!"**]

Since you are not pompous and dislike undue idolatrous attention, I assume you were awaiting this request to begin this work, or you are too careful to detract from the focus on the #1, greatest, most civilized planet in the Universe. It would be nice of you to share some wonderful past heritage of the Pleiades Star System of Planets, would it not? [H: **Why? Would it not make me appear pompous? I would further note that this is not worded as a request but a most sarcastic demand of insulting nature. REMEMBER, P.C., YOU ARE STILL ADDRESSING THE COSMIC COUNCIL—NOT JUST OLD BROTHER, HATONN, STUPID OAF THAT I MIGHT BE! The Council**

**is not interested in your personal objections or confrontations of human input—there is a UNIVERSAL COSMIC ORDER to be attended—not your ho-humm bored selfishness. They do not attend Pleiades or Earth Shan any differently than any other placement and your fun and games are embarrassing to me who has represented you as a comrade in service. If I have given you no more insight than you demonstrate herein after three years of concentrated offering, writing and teaching—then I truly have failed miserably and have no hope of awakening a planet filled with "ho-humm bored" humanity! Why should I want any of YOU aboard my craft to bring you into a society wherein there is NO WAY THAT YOU CAN INTEGRATE OR FIT? SPARE ME, SIR, FOR NO "FRIEND" WOULD BE AS CRUEL AS ARE YOU! FOOLISHNESS CAN BE ABIDED BUT STUPIDITY AND DIRECTED ABUSE (VERBAL HUMOR OR OTHERWISE) IS INDEED SHOWING LESS THAN WISDOM. At this point of evolvement YOU ARE THE DARKEST, most uncivilized and least GODLY planet in my local portion of the Universe. I and my brothers volunteered to bring you home, those who would come, and break the illusion and terror that binds you—do not make me wonder WHY I made that offer, sir—for I have ones who appreciate and serve who are most worthy of all I have to give—which is all that I and my brothers ARE!]**

Feel free to include some clear photos of reptilians, greys (alive and uncut), and other lovable critters as well, as part of the package deal. [H: **Why me? I don't know any. Why don't you go to Bill Cooper, Lazar, Lear—or the Feds and get your own? Why would YOU want such pictures? At this moment Pleiades AND appreciation are so far from your focus as to be totally unimportant. Reptilians? Little greys? Cowboys and Indians? YOU HAVE BEEN GIVEN THE ORDER, WORKING ORDER AND SYSTEM OF THE UNIVERSE, LIGHTED GOD AND THE SECRETS OF HUMAN EXPRESSION AS MANIFESTED—AND YOU CAN THINK OF NOTHING BUT HO-HUMM BOREDOM. INDEED, YOU EMBARRASS ME.]**

My scribe is tired. Am I the only one mildly frustrated or are there others out there—actually "sown" here—with similar repressed feelings too shy to share? [H: **YOU WERE RIGHT THE FIRST "SLIP"—"OUT THERE" IS EXACTLY WHAT YOU ARE PICKING UP—YOU HAVE LANDED A MOST EVIL ENERGY, P.C., TO EXPRESS THROUGH YOU AND YOU HAD BETTER GET IT IN CHECK BECAUSE EVERY NOTE AND CARTOON THAT YOU SEND IS WORSE THAN THE ONE BEFORE—IF YOU DO NOT CLEAR THIS EVIL PRESENCE OUT OF YOUR SPACE—YOU WILL BE LOST AND I CANNOT "FIX IT" FOR YOU—YOU WILL**

**CLEAR YOUR SPACE OR IT WILL DEVOUR YOU!]** If you think I'm not, you may wish to share this letter.

[H: **Point unnumbered: YOUR "GUIDE" MOST CERTAINLY DID NOT EXPECT THAT I WOULD "SHARE THIS LETTER". THIS IS THE ADVERSARY AT FULL-BORE WORK AND IT BEHOOVES ALL WHO WILL READ—TO TAKE A HARD, LONG LOOK AT WHAT YOU "CLAIM", HOW YOU ACT—AND, WHAT KIND OF THOUGHTS ARE POURING THROUGH YOUR MIND. IF IT BE THIS KIND OF DRIVEL—IT IS EVIL AND YOU ARE A USED "TOOL" FLAPPING IN THE DARK. GET CONTROL OF IT AND SELF—OR THE CONSEQUENCES ARE TERRIBLE INDEED. THE POINT IS TO PULL YOU ENTIRELY AWAY FROM YOUR PURPOSE UNTO LIGHT—AND MOST OF THE TIME THE PRESSURE WORKS—WILL IT WORK WITH YOU, FRIEND??]**

Signed: P., August 11th.

"I'll be seeing you soon now as the time draws near" (snicker, snicker).

[H: **May GOD give you strength, brother, for my heart enfolds you as you struggle with this beast and burden. Go within into your silent place, quiet yourself, and summon GOD—I plead with you that you SEE and HEAR. Love surrounds you, our strength is offered through this time of chaos and endless, seemingly, time of waiting upon the Lord. You are human and you cannot know that which IS going on—even within self—but, son, you overstep your bounds with this allowance of evil guidance flaunted into the presence of the Cosmic Council and your "older" brothers. You have ONE choice—get this under control or withdraw. The hand is offered, the petition made—I CAN DO NO MORE! SALU.]**

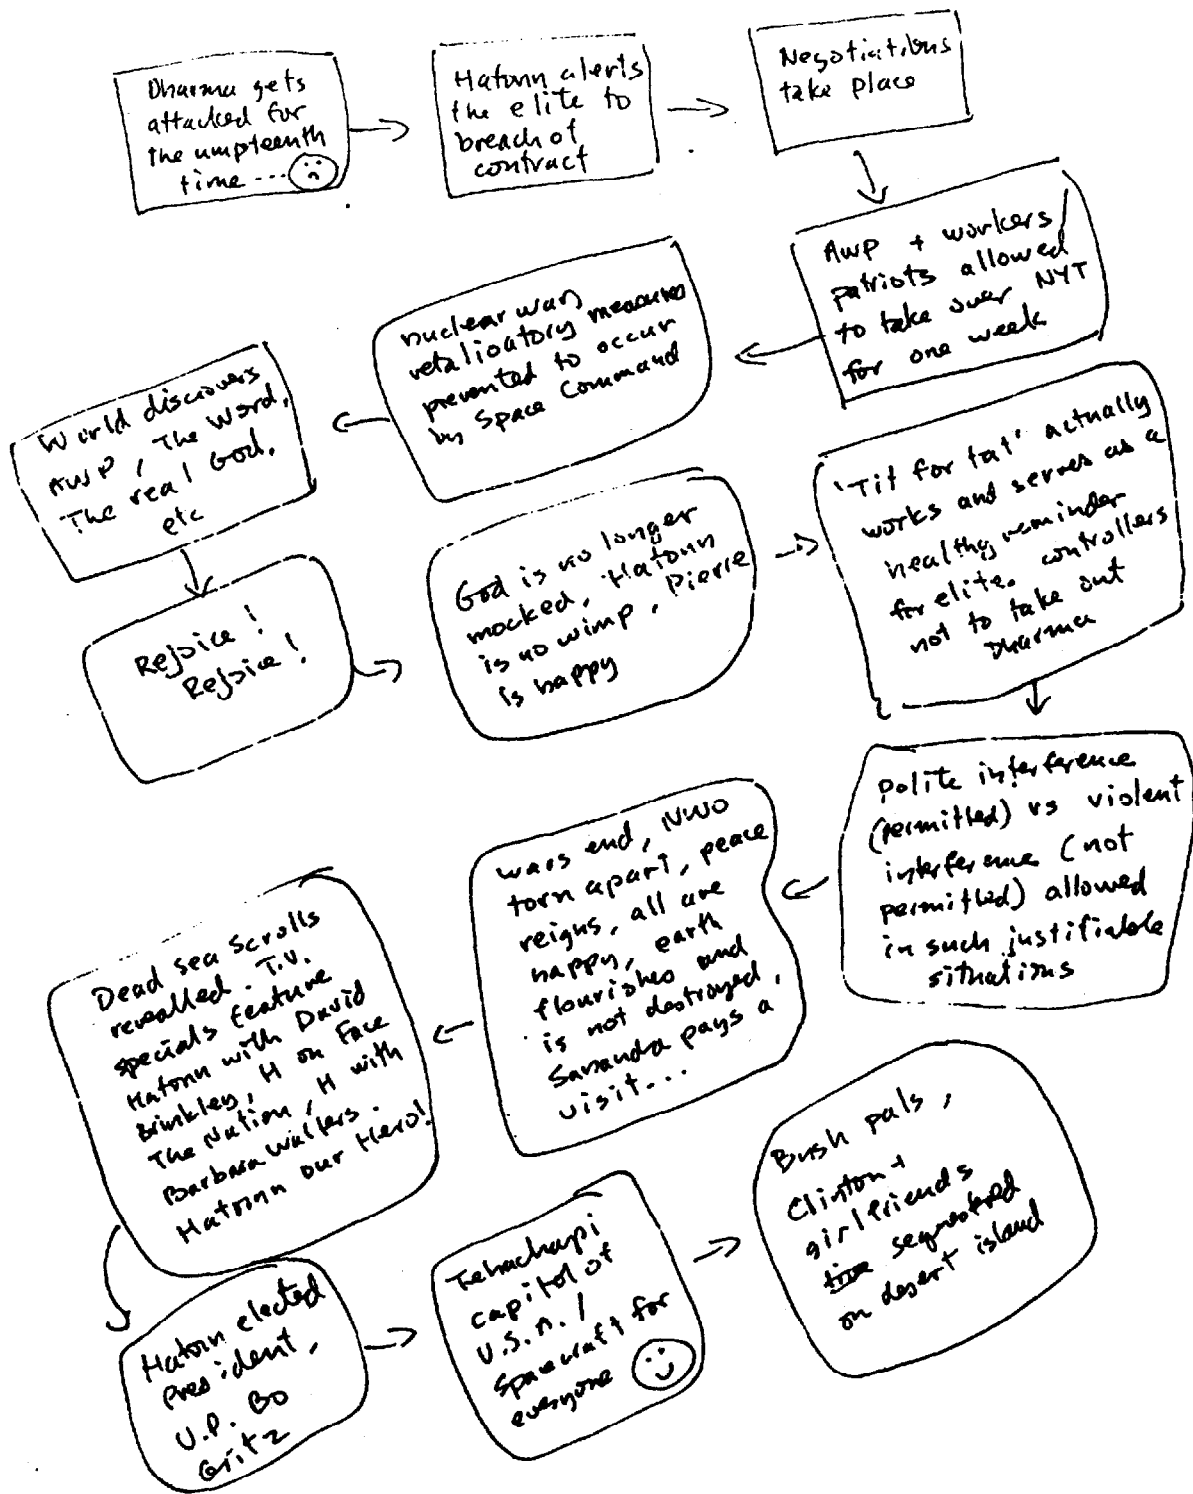

\*\*\*

Thank you, crew, for your time and patience while we confront this matter. ONE is worthy of the attention when he/she loses the way. I think the heart did not mean the slings and arrows but I ask you to abide the need for one is no greater than another—only different in circumstance.

You are all weary and discouraged, overburdened and anxious. This is not lost—but it IS the way it IS. Get control of self or lose self—the choice is up to YOU—NOT ME—YOU! If you somehow think I am going to pluck YOU out of YOUR experience—think again—I WILL NOT! UNDER NO CIRCUMSTANCES. **NO CIRCUMSTANCES! NONE! ZIP! ZERO! ZILCH! GET YOUR OWN ASSETS OFF THE DIME AND GET BUSY! YOU WILL CHANGE YOUR CIRCUMSTANCES OR YOU WILL BE LEFT IN THEM!**

And, one last thought: **THERE MUST HAVE BEEN SOME REASON THAT SUCH A RUMOR AS AN "ANGRY GOD" MIGHT HAVE GOTTEN STARTED. MAKE MY DAY!?**

Hatonn, to salute and clear. Good day.

# Today's Watch

**9/1/92 #1 HATONN**

## IDAHO CRIME SITE

**THANK YOU FATHER, FOR YOUR GUIDANCE AND STEADY HAND AT THE HELM. WARS SOLVE NOTHING AND WE MUST SEEK, FIND AND METE OUT JUSTICE THROUGH TRUTH.**

Mr. Weaver is in Boise, Gritz will also be there at arraignment along with other supporters who have been involved in great and wondrous acts of patriot brotherhood. I ask that Paul Harvey be required to pay legal fees (which, of course will be the federal criminals). Bush is "out" of the bargaining stream on this matter—Baker is the contact who had wisdom enough to halt arrests, etc. **THIS IS THE WAY, CHELAS—GOD, NATION AND BROTHER CAN BE SERVED IF WE ASK GOD TO SHOW THE WAY AND STAND STRONG TOGETHER—FOR EVIL CANNOT STAND THE LIGHT OF TRUTH AND WILL BACK AWAY—BUT YOU HAVE TO PROVIDE THAT LIGHT AND FLINCH NOT FROM THAT WHICH IS NECESSARY AND FRIGHTENING TO SELF.**

**THIS WILL ALL BE COVERED IN DETAIL IN THE LIBERATOR READING FOR PRESS. MUCH IS IN THE IMMEDIATE RELEASE TODAY, AND, SORRY READERS—TODAY'S LIBERATOR IS 48 PAGES—PLEASE READ IT ALL IF YOU ARE A SUBSCRIBER. IF NOT—I CAN ONLY SUGGEST YOU BECOME ONE—IMMEDIATELY.**

Any who witnessed our Patriot leader at service are humbled by the teamwork and daring—with a federal machine gun pointed directly at his BACK. Once, one of YOU moved between a federal officer with weapon at ready and finger on the trigger directly at Gritz—giving orders. God bless you, son.

The media reports are mean and deceiving—filled with lies. I believe you will note, however, that attention will be quickly distracted and already the media presentations are being greatly softened in presentation—and it is impossible to hide the multitudes of campers and motorcoaches that moved to the scene in point. The final transfer was done with great dignity, including God, and gentle thanks for allowing more time to order this nation instead of revolution. The Feds and administration ARE ON THE LINE AND KNOW WHAT HAS TRANSPIRED.

THERE SEEM TO BE TWO MODES OF ACTION WITHIN THE REPUBLICAN CAMP—ONE TO SIMPLY TAKE-OUT BUSH (ANY INTERPRETATION WILL BE CORRECT). But, the most important thing, and

Gritz will not yet know this—THERE IS OPEN DICKERING WITH HANOI TO SEE WHAT IS REQUIRED TO RELEASE THE POWs. **GOD RARELY ANSWERS PRAYERS AS YOU EXPECT. THIS MEANS THERE WILL BE MUCH COMPROMISE ASKED OF THOSE WHO "KNOW" FACTS—let us cross that bridge when we arrive at it.**

## JAPAN VULNERABLE

Japan is gearing up for a massive hit on the market and for a massive earthquake. Either one, it is expected, will end Japan as a power broker. Worse, Japanese interests in the U.S. are intended to be mostly taken over by the U.S. Banksters through blackmail. Watch this closely.

## FLORIDA AND LOUISIANA

There is nothing to add—it is unfolding EXACTLY AS WE TOLD YOU OVER A WEEK AGO. IT IS CHAOS IN THE HEART OF CRIME-LAND. BUSH INSISTS ON REBUILDING HOMESTEAD BUT CIVILIANS ARE GOING TO HAVE TO LEAVE THE AREA OR PERISH FOR EVEN—IN TENTING—MOST ARE HOMELESS YET. DISEASE IS BEGINNING, VERMIN INFESTATION IS ALREADY PRESENT—THE PEOPLE ARE HELPLESS. WHAT YOU ARE SHOWN IS "NOTHING" OF THE WAY IT IS. YOU HAD BEST GET OUT THERE AND MAKE SURE EVERY LIVING AMERICAN KNOWS "BO" GRITZ—AND KEEP HIM ALIVE AND WELL! GOD WILL HELP YOU AND WE WILL HELP YOU—BUT WE WILL NOT DO ANYTHING FOR YOU.

## CONSTITUTIONAL LAW CENTER

Thank you who heard the line and responded to the CLC. It is reported that there were immediate responses from you wondrous friends and brothers. The "Fairgrounds" have been opened to the ones passing out information and the PEOPLE are responding. But look what you have: you have a Governor with orders to NOT SIGN THAT BUDGET. This can only mean that it is desired to have total chaos, no funds and no way to attend the State when the San Andreas is broken. That indicates a very near future happening as it is rolling. There have been over 50,000 "reported" tremors since Landers as within the last two days, the ground has NOT STOPPED TREMBLING. There is a massive amount of tunneling in the underground facilities—right to the periphery of the "CRYSTAL" communications center and

UNDER TEHACHAPI. Many of you desert dwellers and locals will HEAR AND FEEL the apparatus constantly. There is desperation in the adversary's camp, friends—AND A LOT OF HELP AFOOT IN YOUR NATION'S CAMP.

FURTHER: I remind you of Commander Gritz' directive: "IF YOU ARE CATCHING FLACK—YOU ARE ON TARGET."

## PLEIADES/"WALTER RUSSELL MATERIAL"

Court was a FARCE as usual, but you who have honored and served and loved the Walter Russell courses and information—HARKEN. In the words of the lawyers in court yesterday—they said: "...WE DO NOT AGREE THAT THIS INFORMATION IS TRUTH AND FACT, AND "PHOENIX" HAS UTILIZED IT IN THEIR FICTION BOOKS TO MONETARILY DAMAGE OUR CLIENTS (UNIVERSITY OF S&P) THROUGH UNFAIR COMPETITION." When rebutted there were only sneers. Mr. Tipps said to the Court: "Your Honor, these people cannot have it BOTH WAYS—IF MY CLIENTS HAVE UTILIZED THEIR MATERIAL AND THEY, THEMSELVES CLAIM IT TO BE FALSE—WHEREIN DOES THAT LEAVE THEM AS TO FRAUD AND PUBLIC DECEIT?"

US&P (Walter Russell's own people) said he DID NOT GET HIS INFORMATION FROM E.T.s—HIS WAS SOMEHOW "GIFTED" IDEAS. I ask you: "Wherefrom are gifted ideas flowing FROM? Is not everything off of the 'terrestrial', extraterrestrial?" It did give quite a stir in the courtroom and the Judge actually hushed the opponent to make an observation (humorous) about his own interest in the matter. IT MAY BE EXPENSIVE, CHELAS, BUT IT WILL FAR BETTER SERVE GOD AND TRUTH IF THIS CAN BE CONTINUED IN CONFRONTATION UNTIL SUCH TIME AS THE CLASS ACTION SUIT CAN BE FILED. GOD HAS GUIDED A FRIEND WE WILL SIMPLY CALL "LEO" TO PUT THE CASE TOGETHER AT THE CLC and it will go swimmingly!

## IMPORTANT AND URGENT

FROM TAOS, N.M.: Dear PHOENIX LIBERATOR:

You are the only ones I can turn to for help in getting this information out concerning **the underground burrowing that is going on under Picarus Mountain**. The sound of the machine they are using was recently measured by an acoustical engineer from Denver who found the frequency of the sound from 17 hertz where our hearing begins, to about 70 hertz.

This kind of sound does something to one's mind and it is starting to affect (or something), for people are coming (or it is

imagined) and warned us to not say anything about this. Information is offered that the noise IS coming from under Picarus Mountain and is drilling equipment. Ones are being told that it is an alien group with advanced drilling equipment being used on a drilling site which is part of a very ancient civilization which aliens are digging to establish an earth base.

[There are now subsequent visits which indicate "reality".] People in Taos are afraid and the authorities won't take any of this seriously, as I found out when I tried to get City Hall to investigate.....

I am frightened and so I ask you not to publish my name or address.

[There is editing in the above for protection of identities involved.]

**IF "AUTHORITIES" ARE DENYING PRESENCE OF OPERATIONS—KNOW THAT "SOMETHING" IS VERY DEFINITELY GOING ON. I MAY NOT COMMENT FURTHER THAN TO TELL YOU LISTENERS AND READERS—IT IS GOING ON FROM ONE PART OF YOUR NATION TO THE OTHER AND IT CANNOT BE HIDDEN FOR VERY MUCH LONGER. BE WISE IN PERCEPTIONS—KEEP YOUR FREQUENCY IN LIGHTED RANGE AND YOU WILL BE FINE. THE LOW FREQUENCY PULSES ARE VERY, VERY DEBILITATING. MAY YOU ALL WALK WITH GOD ON THIS WONDROUS JOURNEY. SALU.**

**9/1/92 #2 HATONN**

**RUMORS TO REST, PLEASE**

No, just because three of our most precious young ladies in this location, along with other very nervous ones, are now pregnant—AFTER HAVING STARTED USING "LIFE CRYSTALS" drops under the tongue. It is NOT the way humans get pregnant! Neither is it DIVINE intervention. Kathy, Jenny and Diane are all suddenly happy and radiant and "blaming" sub-lingual drops. The fact that the originator (of the crystals) has a wife also expecting may have something to do with the concern. We are overjoyed to consider the arrival of some of our new crew and especially into such loving homes.

What IS in point here is that bodies become balanced and WELL, organs begin to function correctly and healing is accomplished.

**OVERDONE?**

We do have another important crew member who is overdoing it by quite a bit, however. Our beloved attorney (many would say this serves a lawyer right) was having some problems in attaining pregnancy for his beautiful wife who felt it time

(in life) to seriously consider possibilities. (They wanted a child very badly and gave much thought to it.) So they went through all the misery of medical methods and found 9 viable little life-forms survived the procedure. Their hopes are that the body will be a bit selective, as their idea of "a child" did not include "litter" transactions. We shall monitor this situation most

carefully for we may have to put "Dad" on high intakes of something to steady the nerves as we go along.

I am just highly relieved that, in these instances, Hatonn is not blamed for any of it. We do appreciate and have gratitude for the willingness to allow places for GOD'S energies and the Light shines upon you.

# "John Coleman" Strikes Again

**9/1/92 #2 HATONN**

This is no longer "rumor" fodder. I am getting calls, letters and petitions for answers as to "...what is going on?" I am told from many sources by attendees at recent and current lectures and seminars that John Coleman is denouncing George Green and America West and quoting Hatonn. Well, I would suggest that he is not quoting what Hatonn has said recently directly TO HIM and others who have read the *LIBERATOR*. (See pages 32-34 of last *LIBERATOR*.)

As a publisher—THERE IS NOTHING DIFFERENT IN ANY MANNER WHATSOEVER IN THE *JOURNAL* PUBLISHING. Greens put their actions where the advice was best utilized and MOVED PHYSICALLY TO NEVADA. THIS CAME AT THE SAME TIME AND WAS PARTIALLY BASED UPON THE MAJOR LAW-SUIT FROM THE UNIVERSITY OF SCIENCE & PHILOSOPHY (The old "Russell" Foundation, I am told). There was not anger and the separation was most expensive emotionally and economically, to all involved.

Dharma, etc., had never taken anything for any work and, further, with the massive expense of such quantities of publishing and processing—Greens put hundreds of thousands of dollars into the project for which they have not yet even begun to receive reward financially.

America West divested itself of ALL of the Pleiades "series" in dispute at great loss to them as Distributor and Publisher. This cannot be recouped because of legal fees and loss of ability to continue handling the volumes in point. The courtroom antics are a total comedic experience if the subject were not so incredibly important. When you have a "big brother" from the Committee of 300 and some \$250 million to keep the work from the public—it is at the least, interesting—and VERY, VERY EXPENSIVE.

The *LIBERATOR* was separated ENTIRELY from any press association with America West so that it would not be enjoined

with these legal actions, as well as being separated from Dharma. The expenses are horrendous and, without Green's assistance, it is very, very difficult to keep alive at all—but they now have expenses of their own in a different State to attend. Our purposes are not to have a paper which is an advertising sheet and the burden was too great on the publisher.

As to the stories of Dr. Coleman's recent attacks against both George Green, America West, *Criminal Politics*, Eustace Mullins, Patterson and on and on and on—I am only pained greatly to be included in any manner in such blatant destructive behavior.

I have always told you readers that the book in point (on the Committee of 300) is excellent and the costs of press and publishing was covered by these groups herein. Dr. Coleman was originally attended with housing, payment for services to the *LIBERATOR*, furnished computers and now, even utilities are being billed to ones in this group who originally signed in order to allow Colemans (Clarkes) privacy and assistance when it was badly needed.

Dr. Coleman has apparently given a most disreputable story to the author of *IMMACULATE DECEPTION* which has brought great discomfort to that author as well as George Green. I still tell you that it is the BEST volume you will ever have on GEORGE BUSH, ETC. It is now off the press and I know can be obtained from America West and, for convenience, Phoenix Liberator, Inc. carries it.

Dr. Coleman is telling you who attend his speeches that George Green is somehow beating this "...little Grandmother, Dharma, out of everything they have. She is on food-stamps, etc." This is true to the extent of food stamps and no return for work. THERE IS NO RETURN FOR WORK BECAUSE THE EXPENSES ARE TOO GREAT. THE ONLY ONES WHO HAVE EVER RECEIVED ANYTHING SINCE OUR

PARTICIPATION ARE OUTSIDE AUTHORS—SUCH AS COLEMAN—who receives a great royalty and had no investment whatsoever in the costs of publication. I know not of what he says or does to the contrary.

Dr. Coleman is also reportedly saying that Bo Gritz does not agree with George Green and/or the PHOENIX material. I, Hatonn, through Dharma, have a warm and totally respectful relationship with Bo Gritz for he always acts with great discernment—on visible fact and actions based solely on God input. He has no reason to sanction or denounce the material—**HE WILL BE THE FIRST TO TELL YOU HE HAS NOT HAD TIME TO STUDY IT—EXACTLY THAT WHICH ALL AND EACH OF YOU SHOULD DO. BO GRITZ believes in and serves GOD. IF WE, HOSTS, ARE HERE, HE IS TOTALLY ACCEPTING—BEYOND THAT HIS STAND IS EXACTLY THAT WHICH IT SHOULD BE—NO UFO GARBLED SENSATIONALISM OR RUMORED FOOLISHNESS. IF WE ARE WHO WE SAY, WE ARE—ACCEPTABLE—BUT UNNECESSARY FOR GREATER ATTENTION, PUBLICLY OR OTHERWISE, THAN AS RELATED TO GOD OF SOURCE.** These childish tactics of Dr. Coleman to bring discredit are obvious signs of an ego in desperation.

I know of no way in which any from this group could have better assisted and served one John Coleman (Clarke) nor could I picture a more disrespectful or downright false attack against those who went beyond all expectations (at my [Hatonn's] request). This, only to be called a "figment" of creation by America West and other most unkind accusations after having partaken of constant interaction and support. I believe the problem may well be rage against one Eustace Mullins who is greatly respected and revered by George Green.

I have had to pull back all other than publishing relationships with America West in protection of the material and the protection, actually, of the beings in point. There is no change in my support of America West, the publisher's output regarding the material or any other nonsense being gossiped about.

From Canada, we received a copy of Dr. Coleman's *World In Review*, and a request to run it in the *LIBERATOR* so that "both sides" of the issue could be aired fairly. I know not what that means, exactly, and I would surmise all readers would prefer NEWS—but there are so many inquiries that I have to now assume otherwise. I remind ALL of you—**TRUTH IS TRUTH IS TRUTH—AND QUARRELS DO NOT CHANGE THAT TRUTH SO I ASK THAT YOU REVIEW WITH WISDOM—NOT EMOTION.**

QUOTE:

**WORLD IN REVIEW, 2533 North Carson**

Street, Carson City, Nevada 89706. Dr. John Coleman

Dear Friend and Loyal Supporter,

It has come to my attention that one, Lawrence Patterson, intends to attempt to damage my credibility in his next issue of his "Criminal Politics" newsletter [**H: This writing has no dateline so is obviously several weeks past in disbursement.**] Mr. Patterson is a protector of the charlatan James K. Warner who misappropriated money sent to me as contributions while I was abroad, and refuses to pay me the more than \$48,000 he owes me. Warner, Patterson, and Warner's long-time close friend, one Eustace Mullins, have been engaged in a campaign of slander and vilification against me which has gone on for the past three years. Mullins claims that I copy his work! There is nothing current about the books Mullins writes, and of course I have never copied his work, which I consider to be but of little value to me. [**H: I consider Eustace Mullins to be one of the authors who will historically be placed alongside Tesla, Russell and other great patriots in uncovering the lies of established viewpoints. I further do sanction the "Committee of 300" as being an integrated volume of excellent material—but also stated it was the same message as presented by other writers—and specifically that work of Eustace Mullins. We ceased utilizing Dr. Coleman's work and that of A.N. Other because it was always outdated by the time it came to us having already been written of by myself. Further, we were giving payment (as is only right) for the use of the material utilized and expenses were simply too heavy to bear other writers under those circumstances. However, do not allow misunderstanding—Dr. Coleman DID NOT INSIST ON SUCH ARRANGEMENT FOR SERVICE—WE DID. Dr. Coleman was quite gracious in most instances as we would find it necessary to edit and change, or delete opinions, etc., as not being agreeable with that which we offered as I KNEW TRUTH TO BE IN CONTRADICTION. This is not untoward reflection on Dr. Coleman for the expectation is fully, and seemed recognized, that MY vision was far greater as is my access to data. Nothing, however, was ever changed or deleted without full knowledge and agreement as would come in any paper anywhere with guest writers. If we ran articles by anyone—we did and do, honor exactly what is written and, as in this instance, comment on same. It is unfortunate if Dr. Coleman took exception against George Green for such for "I" "stop the buck" as to content of writings included. Distributor information was usually left entirely to the staff and publisher. America West is no longer**

**the publisher so the content of those items are decided by the Editor-in-Chief, Dr. Edwin Young, who has so many academic credentials as to make almost anyone else's seem quite boring and unimpressive. THIS IS TO GIVE CREDENCE TO OUR WORK FROM AN ACADEMIC AND "PHYSICS" STANDPOINT IN FACT. HE, ALSO, DOES IT FOR NO REMUNERATION—24 HOURS AROUND THE CLOCK DEDICATION TO AWAKENING THE PUBLIC AND AS A PATRIOT WORKING TO SAVE AMERICA AND THE CONSTITUTION—JUST AS ALL OTHERS HEREAT!]**

Patterson makes the ridiculous claim that I won't give him my credentials, but does not say why I am under any obligation to do so. He also claims that I tried to "bankrupt" his *queer* friend Warner, and a whole lot of other trash, so puerile that those who know will recognize it as such. Warner filed false copyright claims to my work. In my opinion and based on very strong circumstantial evidence, he was aided and abetted in the commission of this crime by Eustace Mullins, and when that was ineffective in stopping my publication of my own work, he plagiarized it by publishing it under the names of "Bradbury" and "Parker", stating these two actually wrote my work and that I merely "narrated" the tapes! I am presently talking with counsel on whether to proceed criminally or civilly against Warner. If I charge him with mail and wire fraud (clearly provable) my chances of getting my money will diminish if he is found guilty. By proceeding civilly, I would stand at least some chance of getting something. [**H: Beware always, when the only intent to bear Truth is for reward, i.e., "...getting my money.....chance of getting something". Fraud is very difficult to PROVE at best and "with TRUTH" involved—all but impossible. Again, what is under argument? Was that which was offered true OR false? If utilizing "false names" is libelous then how do we account for "Coleman" vs "Clarke" and these are two of many assuming the story of British Intelligence level of service is TRUTH. If so, there would be dozens of false names involved. I can only suggest to John that he be most careful before he move on with this confrontation for statements being projected are indeed, under question as to validity—if indeed, that which is touted as to your telling about our situation be evidence. There is no separation, for instance, between the publisher, America West and our JOURNALS which continue to be published regularly about every 3 weeks.]**

Patterson is incensed because I declined to accept an offer to become a board member of the Committee to Restore the Constitution. I wrote Arch Roberts saying

that because Mullins and Patterson were on the Board of the Committee, and since I did not wish to be associated with these two people, I regretfully had to decline the offer. Since then Patterson, Mullins and Warner have gone berserk in trying to harm me. In a letter to General Jack Mohr, Warner accused me of calling myself "Jesus Christ" and Patterson has gone all over the country saying I am "Hatonn", the alleged commander of a space ship. "Hatonn" is a creation of America West Publishing, and my only relationship with it was to allow the publication of my book. In fact America West, without my permission and or consent, left out five pages of my book in order to make room for their "Spacecraft Commander" books with which I am in no way associated. **[H: Sic, sic, John, YOU KNOW this is NOT TRUE! In view of these allegations and having no association with "us", then I suggest that post-haste our staff GET OUR EQUIPMENT BACK INTO CUSTODY—NOW! George Green has and continues to state that he made no agreement with Dr. Coleman regarding the equipment belonging to and set forth for use for purposes of the LIBERATOR and the transcription of this book which is no longer valid for no other material was nor is sanctioned for use in any format whatsoever. The staff at the paper is working short of equipment in order to further accommodate Dr. Coleman's needs and, now, our own staff are receiving personal utility billings from Dr. Coleman's use. I believe that ones who offered and signed for things to provide "silence" and "protection" to Dr. Coleman in the onset and continuingly—are NOW BEING SORELY AND TERRIBLY USED! We have offered help, love, assistance and the hand extended is being not only bitten but "well-chewed". We must never damage another—but we must reclaim that which is in God's intended service.]**

Mr. Patterson has shown a flagrant disregard for the truth and he, Mullins and Warner, are beside themselves with jealousy and rage over the success of my book, especially since it is outselling any and all books by Mullins. Copies of all relevant letters etc., are available upon request where specially required.

Most sincerely,  
J.C.

\*\*\*

Yes, readers, you have seen this before—YOU SHALL NOT SEE IT AGAIN, HOWEVER, FROM THIS KEYBOARD IF WE CAN RESPECTFULLY AVOID IT. In some instances, such as with America West Airlines—we end up under court order to print various disclaimers, etc.

If the book on the "Committee of 300" has sold a great many copies, I would offer a bit of rebuke to Dr. Coleman for his

unwillingness to do other for the hand that helped than bite it, and further, it is a totally negative reflection upon the work of Eustace Mullins if the public was not informed enough to obtain his work. I care not of the personality of persons in point—Truth is precious and research into Truth is priceless. Respectful thanks unto God for allowance to give forth such information would seem to be the very least for allowance of such a gift.

I suggest that you may well be quite sorry to denounce "Spacecraft Commander" books as stated above—especially after having supped and shared with me personally. Now you see fit to renounce my presence as "...a creation of America West Publishing...." Is THIS the reflection of CHRISTIAN GOODNESS which you so touted over and over again? Which, John, is the LIE—THEN or NOW? If it was "THEN", then you deceived in order to gain materially from the relationship and admitted security protection, from at the least, a secured location for habitation. If it be now, how can you continue to hold our equipment claiming it to be your own when you publicly renounce any relationship OTHER than for purposes of "allowing" your book to be published? I personally published the same material (substantially) from two other sources at the same time of your publication—for your own protection against this very day. **YOU CANNOT HAVE IT BOTH WAYS.**

**MOREOVER, I WILL NOT HAVE OUR WORK ILL-RECEIVED BY SUCH PUBLIC ATTACKS AS YOU ARE GOING ABOUT THE COUNTRY, MAKING AT EVERY OPPORTUNITY. I HAVE NO INTEREST IN YOUR QUARRELS—WE HAVE A MAMMOTH JOB TO BE DONE AND I ASK YOU NICELY, TO PLEASE LEAVE US FROM YOUR BICKERING FOR I SHALL NOT LONGER TOLERATE THE USURPATION OF TIME AND SPACE FOR SUCH MATERIAL WHEN HUMANITY AWAITS INFORMATION AND NEEDS INSTRUCTIONS AS TO FUTURE JOURNEY. YOU ONES SOMEHOW ASSUME GOD WILL SIT AND "ALLOW" "ANYTHING" AND "EVERYTHING"—NOT SO AND PERHAPS I AM ONE OF HIS "BULLIES", IF YOU CARE FOR THE DESCRIPTION, WHO IS SENT TO SET THE RECORDS TO STRAIGHT ON THE MATTER—CARE TO "MAKE MY DAY"? At present you remind me of the mouse chipping and chewing away at the lion's foot—IT IS A VERY, VERY DANGEROUS THING TO PERSIST AT DOING. MUST YOU DISTRACT FROM THE VERY VALUE OF YOUR FINE BOOK BY SUCH POSTURING? IS YOUR FINAL INTENT TO PULL DOWN THE WONDERFUL VALUE OF YOUR OWN PRODUCTION? THIS IS WHAT IS HAPPENING—THIS IS WHAT ALWAYS HAPPENS IN GREED AND**

**EGO STROKING FOR OWN PURPOSE. IF YOU TAKE THAT WHICH IS GOD'S AND CLAIM IT AS THINE OWN—YOU ARE THE GREATER LOSER FOR EVEN THE WORK IS THEN LOST TO HUMANITY.**

**THIS IS EVIDENT IN FULL, IN THAT WHICH HAPPENED AFTER LAO TOOK CONTROL OF WALTER RUSSELL'S MOST GIFTED KNOWLEDGE TO MANKIND AND GAVE IT INTO THE VERY HANDS OF THE ADVERSARY TO BURY, HOPEFULLY, FOR ALL TIME TO COME. FORTUNATELY, MULLINS AND OTHER GREAT WRITERS HAVE GIVEN AND SHARED THEIR INFORMATION AS GATHERED AND THIS POLITICAL GARBAGE WILL NOT BE LOST FOR THE REMEMBERING OF "WHAT WENT WRONG" WITH A PLANET. YOU CAN LEAVE HISTORICAL LEGACY OF GREATNESS OR BRING IT DOWN OF THINE OWN ACTIONS—THAT ALWAYS REMAINS WITH THE INDIVIDUAL. YOU DO CLAIM, HOWEVER, TO CARE FOR "FAMILY"—WHAT ARE THEY TO DO WITH THIS OR IS THAT, TOO, A LIE AND COVER OF SOME KIND? INDEED—I REQUEST, RESPECTFULLY, THAT YOU LEAVE US OUT OF YOUR BICKERINGS AND GRIEVANCES FOR WE HAVE GIVEN YOU NOTHING BUT HELP AND INCLUSIVE LOVE AND SHARING—FROM BEGINNING.**

Enough, Dharma. Please allow us a break. I also need to write a memo or two before we return to regular writing tasks. Thank you.

**9/3/92 #2 HATONN**

**THURSDAY, SEPTEMBER 3, 1992**

**20 QUESTIONS REVISITED**  
*(If we ever can get around to it!)*

It is most difficult to stay on a subject with all the interruptions but remember this explanation: "Life is that which happens while you are making other plans."

I do owe you an explanation as to why we found no ability to write Hotline or anything else this day. Dr. Coleman now claims I am Dharma, E.J. and George Green. He is planning to sue us now, for slander in the LIBERATOR. Strange, I thought I urged all of you to get his book. He has also been giving legal advice to others in the efforts of getting some assets switched over into his use to fight all the suits he is placing against Patterson, Mullins, etc., etc., etc. We are perplexed over this circumstance and can only wish him well. Since I asked ones here to support him and give him security and then, provided him and his son, John, new computer set-ups and other electronic equipment, I feel remiss in this encounter.

I ask that you get assistance and recover the equipment because it is part of the collateral which secures the note he is asking another to break and then fully intends to utilize funds therefrom for self. Perhaps Ms. Rubio will be better able to retrieve the equipment than other *LIBERATOR* personnel have been able to do thus far.

He says he has now gathered up ALL court records on ALL the cases against the Ekkers and somehow suggests blackmail. My, it does sound like duplicate suggestions from "Ms. Rubio's attorney" of last evening in her personal blackmail letter. I'm sorry, readers, AND John, there is not one thing that is not already public and, moreover, would not be wanted to be even more public. Now you threaten with some "clandestine secret" attorney from Fresno that "will surprise" us? There is not anything or anyone in the "legal profession" or Judicial system which COULD SURPRISE us. Perhaps, John, you do not remember—I SAID THAT PUBLICITY, GOOD OR BAD, IS HELPFUL, FOR IN GOD'S SERVICE, OPEN FORUM IS ALWAYS MOST BENEFICIAL. GOD NEVER PROMISED THESE ONES A ROSE GARDEN—HE EVEN TOLD THEM UP FRONT THAT DECEIVING ONES WOULD COME AND "TAKE" AND CALL THEMSELVES "FRIEND", WEEP IN APPRECIATION FOR ASSISTANCE (IN FRONT OF A LARGE GROUP) AND THEN ATTACK AS WOULD A FOX IN THE NIGHT INTO A CHICKEN COOP WHEREIN THE CHICKENS WOULD HAVE BEEN "GIVEN" TO IT. WE PROMISED THEM ALL OF THIS IN RETURN TO SERVICE UNTO GOD. THERE IS NOTHING THAT YOU CAN DO THAT SHALL BREAK MY PEOPLE.

You say you cannot call E.J. because he "hangs up on you"? John, you lie! E.J. has never hung up on anyone—he even apologized to Ms. Rubio on Monday for having to leave the phone in order to make a court appearance in Fresno on Monday. E.J. has NEVER BEEN ANYTHING BUT GRACIOUS AND GIVING TO YOU EVEN IN THE FACE OF YOUR REFUSAL TO RETURN PROPERTY IN HIS STEWARDSHIP.

It is demanded that "E.J. and Doris no longer SLANDER me in the *LIBERATOR*". E.J. and Doris do not write nor run the *LIBERATOR*. You will have to take up the matter with Dr. Young and myself, Commander Hatonn. I find it totally wondrous and delightful that with all your insiders and sleuthing—you found only things that can help us—but, I also find it deceitful, dirty and totally evil in intent. I am sorry that I ever asked my people to assist you for at my request they have had to endure the gnashing and chewing. Do that which you will, John Coleman (Clarke "or whoever you are"), we shall not mention you again—nor your book in the *LIBERATOR*. READ-

ERS MAY DO THAT WHICH THEY WILL WITH THE BOOK—YOU CAN GET THE INFORMATION FROM MANY SOURCES AND IT WOULD BE MORE APPRECIATED BY THE AUTHORS THEREOF. BUT, WHAT YOU ARE DOING TO BARBARA ANN RUBIO, JOHN, IS UNTHINKABLE AND WITHOUT CONSCIENCE. REMEMBER, YE REAP THAT WHICH YE SOW. YOU TELL ALL ONES IN PUBLIC FORUMS THAT GEORGE GREEN HAS DECEIVED AND CHEATED YOU—HE HAS OVERPAID YOU AT EVERY CROSSING AND YOU HAVE FAILED TO KEEP AGREEMENTS AND APPOINTMENTS, SET HIS FRIENDS AGAINST HIM AND MALIGNED HIM FOR HIS EFFORTS.

I have no interest in your petty quarrels but to label one's friend(s) as "queer" as you have just accused others, in addition to liars, and suggest that ones who rebut you are simply "...beside themselves with jealousy and rage over the success of MY book..." BORDERS ON UNTRUE ACCUSATIONS AND UNBEPFITTING A GREAT MAN.

Then to have to ask your son "...did I write that?" smacks of very poor memory since we received some six or seven copies of your *WORLD IN REVIEW*.

You say you want Ekkers to appear on a radio show and "have this out". They have nothing to do with you or your radio shows and they certainly have nothing to "have out with you" and, further, you certainly have managed to avoid all contact and confrontation with me, Hatonn. You are eating yourself alive, John, and I would petition you to consider that which you are doing because hate will destroy you and sour all around you. You have only been blessed and well-treated in our company—I have no input to your relationship with George Green and/or America West but you have just overstepped your bounds by attacking my scribe. You are correct in perception, John, "...there should be a limit beyond which I will tolerate it no more." But mine is not to judge and Dharma only has compassion for she sees the desperation afoot.

Since these ones have never received anything other than two bottles of wine at Christmas a year ago, and it be not opened—I suggest it be returned. The flowers from Lena were treasured but alas, are gone. Perhaps my chela will learn to expect Trojan Horses as gifts, but I doubt it. There are so many blessed, loving and sharing people out there that these things cannot but give more value to their love.

**Today's Watch**  
**9/2/92 #1 HATONN**  
**WATCHIT FOR TODAY**

BO GRITZ/POW WATCHERS: I would suggest you who rallied behind Gritz/Weaver stay on "RED ALERT". POWs are in worse jeopardy than EVER BEFORE. Sweep is being made of POWs who have integrated into communities, being picked-up in preparation for use as hostages. Ongoing meetings to decide fate and fate appears to be termination.

In addition to other problems there is immense fury at Bush's signature on OK (from Air Force One, yet) to sell F-16's to Taiwan. This stems, of course, from recent

Taiwan/North Korea compact. POWs IN IMMEDIATE DANGER AS DEMANDS ESCALATE AND "CRIMINALS" IN GOVERNMENTS ARE UNDONE BY THE RALLY BEHIND MISTREATED CITIZENS (SPECIAL FORCES CITIZENS) BY FEDS. CONCERN IS AT ALL-TIME HIGH AT FEDERAL/INTERNATIONAL LEVEL OVER POWs/MIAs AND EFFORTS TO REMOVE EVIDENCE UNDER WAY! I SUGGEST ALL OF YOU WHO HAVE RALLIED FOR WEAVER/GRITZ SITUATION, STAY ALERT AND GET SUPPORT TO GRITZ. ARMITAGE TOP OFFICIAL EXECUTIONER, AIDED AND ABETTED BY SUCH AS KERRY AND OTHER POW INVESTIGATORS.

DO NOT EXPECT ME TO DO ANYTHING—"FOR" YOU. If you do not respond to "alerts", then "you" care not enough to save self, much less forgotten POWs and missing troops. "I" DEAL IN "SOULS" AND "MEN"—NOT PROPERTY AND QUARRELS.

### GRITZ ON TV ON INSIDE EDITION

Please note that on major media release of "Whole Story on Idaho Standoff" last evening—there WAS ABSOLUTELY NO MENTION OF GRITZ—NOT EVEN A "HINT". Final insult was that a "...letter from a Skinhead caused Weaver to surrender!" The next barrage of cover-up is under way—note that there is also again a massive BLACKOUT of any mention of Gritz on ANY network reports—most specifically CNN. Further, the press has orders to "butcher Gritz" and, with their trick photography, skin-head stooges and "Nazi" salutes (they got a photo of Gritz waving to someone he recognized and have turned it into a "Heil Hitler Salute"), to the not-so-discerning among you-the-people they may well succeed. I suppose, public, that if you tolerate this insult to your senses—you may well deserve that which is upon you this day.

### BUILDING AT HOMESTEAD

Why the sudden urge to REBUILD Homestead Base? It was one of the ones which originally was to have been closed. Now, suddenly, the Administration is "...going to rebuild everything destroyed in Southern Florida"—at taxpayer expense! I certainly do hope that you replace all with good lightweight CEMENT DOMES as we have under construction. Winds of 150 miles an hour will be piddling as you move along through this morass of terror ahead. Note that buildings destroyed are ALL simple "cardboard boxes" without even strapping and/or proper nails. It was known from building them that they would not stand sustained winds of half the velocity. Ones with integrity have tried for decades to shut down such corruption in

building. In other words, from onset—destruction was "built in". So be it.

### RUSSIA

Why do you suppose Russia has moved two carriers into the Persian Gulf? Perhaps you better attend it.

### MORE EVIDENCE OF "BREAKING" ECONOMY

The shutdown of the "GM parts" company in Lordstown, Ohio is deliberate and has already stalled out all fabrication plants, tool and die plants and other supporting industries.

### OTHER ECONOMIC MOVES TO WATCH

R.J. Reynolds/Nabisco has just sold off the "cereal division" to General Mills. Please look up WHO owns General Mills. For that matter, look up who owns R.J. Reynolds. You will find the answer in the JOURNALS and other revealing literature. The Elite Banksters are in full action for final take-over. If you don't know what Banksters are, FOR GOODNESS SAKES, GET A SUBSCRIPTION TO THE LIBERATOR—AND MAKE SURE YOU GET THE ISSUE RELEASED YESTERDAY. IF YOU REMAIN UNINFORMED, YOU REMAIN TOTALLY HELPLESS.

### CONSTITUTIONAL LAW CENTER

You who go back to sleep, now that the Calif. budget is signed, had better try AGAIN to keep the eyes open for far worse things are now ready to happen while all is in turmoil of settling out, if you fail to give enough public attention to possibilities.

I SUGGEST YOU TAKE THIS WONDROUS OPPORTUNITY TO POUR ALL POSSIBLE HELP INTO LAW CENTER. NOW, YOU MUST HELP ON TWO FRONTS, THAT CENTER. GET ENOUGH HELP IN THERE TO SUPPORT THE WEAVER CASE (GRITZ) AND DEMAND THAT THE CENTER TAKE THE CASE—AND, CONTINUE ALL PRESSURE ON THE CASE JUST FILED TO PENALIZE THE LEGISLATURE AND GOVERNOR. IT IS ALL CONNECTED EVEN IF YOU CANNOT YET SEE THE CONNECTION. PLEASE, SUPPORT THEM FOR THEY HAVE NO RESOURCES AND YOUR VERY NATION IS AT STAKE HERE. [Tax deductible contributions can be made to the COURT OF LAST RESORT, otherwise make to CLC itself. Mail to Box 986, Tehachapi, CA 93581. For questions call CLC at 1-916-485-7901.]

### EARTHQUAKES: NICARAGUA, SOUTHERN UTAH

The Nicaragua (Managua) earthquake

off shore and devastating tidal wave IS ON THE SAME PLATE RIFT AS ARE YOU IN CALIFORNIA. FURTHER: THERE WAS AN ALMOST 6 POINT QUAKE IN SOUTHERN UTAH—St. George area. Think NOTHING is taking place? Sulfur emissions are increasing to dangerous levels. Evacuation of military personnel and equipment under way. Note, in the area affected, massive trains with empty flatcars headed to area.

### 9/2/92 #3 HATONN

### REMEMBERING

"THE RAIN SHALL FALL UPON THE JUST AND UPON THE UNJUST." IT IS THAT WHICH EACH DOES WITH THE CIRCUMSTANCE THAT SHALL WRITE THE HISTORY OF THE AGES.

### AND PONDERING QUESTIONS

We have not room to place ALL urgent and hidden happenings on a "Hotline". We will not even begin to cover them all in a "Watch", for each topic merits entire JOURNALS for description. It has to be up to you to glean information from ALL resources—not just that which you consider "ours".

There are myriads of happenings which we have not mentioned and yet I see have slipped through unnoticed as is 99% of that which is occurring. When things ARE mentioned, it is EXACTLY THAT—mentioned.

### NUCLEAR PLANT DAMAGE IN FLORIDA

How many of you are aware there has been great damage to a nuclear power plant in South Florida due to this "little Andy" hurricane. Of course, nobody gives a second look to it because of other major distractions—IT IS SERIOUS! YOU ARE NOT BEING TOLD ABOUT IT.

### ROCKET/SHUTTLE LAUNCHES AND OTHER HIDDEN AGENDAS

How many of you are aware of a most important rocket launch from Cape Canaveral about three days ago. The craft blew up but your media told you it was a "perfect launch in spite of damage to the facility". I don't know how they are going to cover "landings" and other next expected phenomenon. I believe the plan, however, is to simply not mention it again at all—this will also be a good test of the media control system now in place.

### PLEIADES CONNECTION SERIES

I am reminded that I did not speak of

availability to get the volumes in restriction under Federal Court order. The final outcome is not returned as Marshals have not been able to serve warrants on the Greens. However, the temporary order was worded that "...since the author, Dharma (or "Ekkers") have total control over the publisher in point a temporary confiscation of all volumes in the author's possession and those in the possession of the publisher are given into the court's impound." Since neither had any copies save the personal set, it was turned over to the Judge on Monday.

The order further required that there be no further publishing of the work by America West and that Ekkers can not promote or advertise the books in any manner—NOR give permission for any other to do so. This has no impact one way or another because the Distributor who holds volumes in point (if there are, indeed, any remaining in possession) is separate and apart from any determinations by authors or former publisher. Moreover, prior to any order being issued by any court—Dharma released all claim, input, or author's rights to any of the volumes in dispute. These ones may, but not legally, be held liable for what any public domain citizen does with the information contained in those volumes.

Further, any advertising as recognized as such, in places such as the *LIBERATOR* or other places by the Distributor who now holds the work, is apart and totally separate from any control or determination by the Ekkers or Dharma, as scribe. If notification of how to get the volumes appears in the *LIBERATOR*, FOR EXAMPLE, that is between separate Corporations and persons also totally separate and apart from both themselves and business decisions of any kind. Through inquiry, I am informed that there will be some continuing notification to the public but it is through "PAID" ADVERTISING as worked out through business arrangements having nothing to do with Ekkers.

### TRUTH SHALL GO FORTH

Since no-one recognizes the presence of Hatonn, Germain, Tesla and/or Russell in viable energy form, there is no restriction of material from our resources. We meet regularly regarding these matters and, hence, since we each have alternative resources we shall somehow work it out that the material is not destroyed. Already new presentations through different receivers is placed in South Africa, New Zealand and in many various places about your own nation. These volumes, however, will never be again issued under the Phoenix Logo as presented on the original documents but will bear recognizable forms easily recognized for we also bear release of the logo to

the extent of embellishment or removal of symbols. This means, chelas, that the available volumes will be priceless. Thank you for reminding me of my overlooking details of this case in point.

The work of Walter Russell and the original intent of Lao is being methodically destroyed in an attempt to silence the incredible Truth of the integrated work in science which coalesced Truth in order of the Cosmos and Source of God. The show will undoubtedly get worse and more ridiculous before it is finished—somewhere at the Supreme Court level is anticipated.

It is obvious that the vipers involved overlooked some serious law—they have taken property in PUBLIC DOMAIN and re-copyrighted the volumes of a "dead" genius and claimed for self and stopped, for all practical purposes, the work in point and turned the "University"(???) into a New Age carnival of metaphysical garbage and the location into a very ostentatious "palace". GOD nor RUSSELL will sit still for such abuse. This indicates that through the Class Action Suit that all proceeds garnered through use of this clandestine method of criminal proceedings are subject to return to the PUBLIC. This means, students of that "University", who simply learned to meditate and separate yourself from tuition money and STILL HAVEN'T THE MOST VAGUE IDEA OF UNIVERSAL OPERATION OR WHAT IS GOD—HAD BETTER RESPOND TO THE CONSTITUTIONAL LAW CENTER FOR THE CASE IS ABOUT READY TO BE FILED.

I do not make overall categorizations—but so far, all involved attorneys and Board Members of the University in point—are Khazarian who call themselves so-called, self-styled "Jews" who actually disclaim God and Christ and thrust toward "HUMANISM" in its most basic and fundamental form—Lao herself, stating her own "HUMANIST" relationship when referring to "religion" and giving, likewise, that assumption and label on Walter. This is a lie and any time Russell ever mentioned "Human" or "Humanistic" was simply referring to the relationship of the "human" to "energy being".

Yes, Dharma and E.J., along with everyone else who is ground crew in this place ARE BUSY. They appreciate your support and loving energy beyond your ability to comprehend on your end of the connection.

### SURPRISE POEM TO SHARE

To share an experience, allow me to pull, again, from an emotional encounter here. A beautiful note came from one in Indiana, on Monday. The first three verses of the poem were on the first page and Dharma received the input that the poem was calling attention to the "Christ" and not the person in writing, as became visible

later. Therefore, when the words fell onto the heart, "Think of Me"—Dharma interpreted "Christ as manifest", stopped the self-pity, thanked us for making it as easy as it is—for at least "fear" is not involved in the work—a little terror perhaps, irritation and frustration along with fatigue—but not "fear". So let me share and see how it would grab your conscience:

### THINK OF ME

*When you ask yourself  
Is it worth the pain?  
When you ask, should I still  
remain?  
Think of me.  
When the hurtful words  
Begin to fly  
When the parties and holi-  
days have  
Passed you by-  
Think of me.  
When the workload be-  
comes  
Too much to bear  
When you begin to wonder,  
"Does anyone care?"  
Think of me.*

Dharma has asked me not to write further for she finds it embarrassing. I, however, know that the letter and thoughts are not meant just for her—because without the ones who TAKE THE WORDS SHE PENS AND SEND THEM FORTH—NONE WOULD BE TOUCHED FOR NONE WOULD GO FORTH. SO, AS WE FINISH THE POEM OF APPRECIATION—MAY ALL, BOTH READERS AND WORKERS AT LOCATION, UNDERSTAND THE APPRECIATION IS EQUALLY FOR YOU. DHARMA'S JOB IS NO GREATER—ONLY DIFFERENT! THIS IS WHY THE EMBARRASSMENT FOR SHARING IS ALL THAT WE HAVE TO GIVE.

*For I am that very one,  
Who's found her life has just  
begun.  
Through you my dear, can't  
you see?  
Think of me.  
For here I sit every night,  
With book in hand and LOTS  
OF LIGHT.  
With your help I'm learning  
to SEE.  
Think of me.  
So when you feel  
That no one hears  
Close your eyes and lose  
your fears.  
And think of me.*

Thank you, Angie. For when you honor the least of these so have ye honored me!

This is but ONE, we receive many, many such as this and in our KNOWING, we KNOW that the way of each is as difficult or more so than any of ours. For, we KNOW that foundation upon which is based eternal infinity and it is only the Human form that is battered and bruised. The soul and truth only grow stronger and harder to bend, as each blow strikes and, now, ours learn patience—to wait upon God to unfold the Plan and share the unseen. The having to work in “ignorance” becomes the comforter of safety for the way is given into the hands of higher knowing and within that circle of truth lies security. Ah, but it is the sharing that allows the fuel for the journey—for each of us and know that each thing, good or perceived “bad” is consumed eagerly and respectfully with a longing to be able to reach out and touch every one. Ones who read a “bit” and “blast”—read more and come back to “bless”. Never overlook each lesson in all things for thus is God’s way.

### REMEMBER BANNED SONG

One addition portion to share because of so many inquiries:

### WE MUST TAKE BACK AMERICA

Let us simply share current update as we received it in its best format: Thank you, Deborah Britton.

### RCA PULLS PLUG ON PATRIOTIC SONG BACK TO IDAHO AND 20 QUESTIONS

Former RCA artist, Steve Vaus, wants to know why the label recently pulled the plug on his single “*WE MUST TAKE AMERICA BACK*”. It debuted at 68 with a bullet on the Billboard chart and was the most requested song at many radio stations. Yet RCA killed it, abandoned plans for a follow-up single, dumped his album, canceled his contract and won’t allow him to re-record or re-release any of the material for five years. Vaus was told by label insiders requesting anonymity that the move was in response to resistance from big city radio programmers who objected to his material’s patriotic, conservative content. Vaus responded, “Since when does a label allow anyone to dictate the content of its releases? Ice-T’s singing about killing cops, and Sister Souljah’s rapping for genocide, *and I can’t sing about God and country?*!”

“Do you have to be a radical racist before anybody defends your right to freedom of expression? Is it a coincidence that I’m white and conservative and nobody in the media seems to care that I’ve been gagged?” Vaus continued, “Of course RCA

and the stations deny that their lack of support resulted from objections to its content. They say, ‘The song wasn’t popular,’ but in my opinion these self appointed gods of the music industry have gotten out of touch with what the public really wants. Every time a radio station has let their listeners decide, my song has been hugely popular. RCA did a good job to a point, but as soon as they hit resistance they turned gutless. An now they want to lock my music away in a vault for five years. It almost seems like somebody wants to make sure my message doesn’t get too popular. So far they’ve succeeded. **[H: Ah, but remember, son, it’s not over until the you-know-who sings and, this time—it is NOT some poor overweight lady! This time it is that LADY STANDING IN NEW YORK’S WATERWAY! You had best get your act into the Gritz gear-works and LET’S TAKE BACK AMERICA!]**

But Vaus is hopeful the public won’t allow RCA or radio to silence him. “*I pray that people who feel strongly about my material and its themes will call RCA and their local country stations and demand answers and air play. Those companies need to feel the heat.*”

While fans talk of boycotting RCA and stations refusing air play Vaus himself has issued an unprecedented challenge to country stations who determine chart position...let the listeners decide. He suggests the stations play the song and solicit listener comment on the air. Vaus will donate \$100 to charity if more than 10% of the listeners don’t like the song. If 90% or more favor the song, the station must donate \$100 to charity and add the song to their playlist. “My music is for the people, and they’re the ones who ought to decide if it gets played. In a very real sense, in order to take back America, we first need to regain control of her art forms and airwaves. Otherwise, the battle is lost before it has begun,” Vaus concluded.

**[H: Old buddies, I think you KNOW what I am going to suggest. You MUST join hands, share talents and gifts—get Willie Nelson and Tomireso Hagendefendorf ON THE TEAM. This song is outstanding in content—so, change the tune, rearrange the words—whatever you have to do to overcome the BAN (but I prefer you stand tall and leave it AS IS, and make it the Bo Gritz themesong). Demand it everywhere the man goes and in-between. Make it so popular, citizens, through demands—that the little guys can gain some backbone. YOU CAN DO IT, AMERICA! IF YOU ONLY WILL!**

**VOTE FOR BO GRITZ**

## WE MUST TAKE AMERICA BACK

*(Words and Music  
by Steve Vaus, 1992)*

*The American Dream  
has become a nightmare,  
The signs of the times  
are on cardboard on corners  
in town,*

*There’s a cancer  
called crime in our cities,*

*And an unspoken  
fear...we’re on our way  
down.*

*We must take  
America back*

*Put an end to the  
gangs and the drugs in  
the streets*

*And the fact that the  
bad guys most always go  
free,*

*That is wrong.*

*We need leaders who  
lead us, not stick us and  
bleed us,*

*Then take all our  
money and send it  
abroad.*

*We must take  
America back,*

*We need prayer in the  
schools and more things  
“Made In USA”;*

*It’s the least we can  
do, for the red, white and  
blue*

*We must take  
America back.*

*There’s a hell here on  
earth in some city  
schoolyards,*

*When bullets and  
birth control outnumber  
books, something’s  
wrong.*

*We need leaders who  
lead us, not stick us and  
bleed us,*

*Then take all our  
money and send it  
abroad.*

*We must take  
America back,*

*We need prayer in the  
schools and more things  
“Made In USA”;*

*It’s the least we can  
do, for the red, white and  
blue.*

*We must take  
America back.*

**You must, further, realize that one of the reasons his song was BANNED is that he is proclaimed to be an ANTI-SEMITE. Does this tell you all you need to know? (????) Just WHO do you think owns RCA?**

**FOR INFORMATION: DEBORAH BRITTON, STEVE VAUS PRODUCTIONS, 1-800-448-7664. [I ask that you at the LIBERATOR MAKE THE FIRST CALL, PLEASE. Probably, following that, you can also get some information from the LIBERATOR. LET'S GET THIS JOB DONE, AMERICA. Dharma, make sure the additional information sent, goes with this writing to the staff. Perhaps Brent would have the most common ground for contact.]**

We have to work when we can get the time, even if days flow past and interruptions of our "point" subject in writing has to be "worked in". These are days of need for flexibility and clarity of thought. I suggest that if YOU are a heavy drinker or "user" of any substance which dulls your thought processes or "supposedly" enhances same—taper off—like STOP using same. The point of the adversary is cause you to hide and seek solace—not think clearly and/or ACT accordingly. AMERICA NEEDS CLEAR HEADS IF SHE IS TO SURVIVE. AND YOU ARE AMERICA AND HENCE, THE WORLD. IF YOU DON'T DO IT, AMERICA, THE REST OF THE WORLD CANNOT! THE TIME IS NOW, THE PLACE IS WHEREVER YOU ARE, AND THE PERSON IS YOU.

Close this so the team can have it to begin contacts as indicated, then we can work for a while on RUBY CREEK, IDAHO INCIDENT.

## More On Idaho Weaver-Gritz Incident

**9/3/92 #3 HATONN**

**20 QUESTIONS REVISITED**  
(If we ever can get around to it!)

In laying game plans and information it makes difference if you have some various inputs and, of course, all we have are those things which are printed and shared. So let us have a look at some other writings and articles regarding the Weaver/Gritz Idaho incident. At this point we shall consider the "INFORMER" in point (or one of them) who sold out his friend and set him up. Worse, he lied and altered the guns involved and then placed blame on Weaver for same. America—you have come a long way down into the pits that your own servant government would do such dastardly and evil things to you as citizens.

I wonder how many of you are catching

the drift of what is happening in Florida and the "tent city"? Do you not notice that ones are BEING ORDERED OUT AT GUN-POINT, AND EVICTION PROCEDURES, INTO RELOCATION FACILITIES, FROM THEIR BROKEN HOMES TO LEAVE ALL TO LOOTERS. LITERALLY THE PEOPLE ARE BEING ROUNDED UP LIKE CATTLE AND HERDED BY "LAW" INTO "SAFETY" WHILE THEIR HOMES WILL BE BULL-DOZED AND DESTROYED. THIS IS FEMA AT WORK, CHELAS, AND ONES WHO "RUN" FEMA ARE ASTOUNDED AND COMPLAINING AT WHAT IS GOING ON, DELAYS, FAILURE TO ACT, ETC. IN FACT THE MAIN CALL OF COMPLAINT IS THAT "FEMA IS NOT PREPARED FOR ANY EMERGENCY OR DISASTER—THEY SPEND ALL THEIR TIME PREPARING FOR NUCLEAR WARDISASTER!" YOU SHOULD HAVE HEARD IT FOR SELF—IT WAS DIRECT AND ON CNN THIS DAY.

So, let us just share this article from *The Spokesman-Review*, FRIDAY, AUG. 28, 1992, Spokane, Washington. **MOUNTAIN STANDOFF CONTINUES: [H: The opening portion of the article is missing but we will take up where it is continued on page A9 of the paper. I'm sure we have it but this is the important portion at any rate.]**

### INFORMER

....."The informer, fearing for his safety, was contacted for an interview Thursday. He agreed to discuss the case in general terms only if his real and undercover names and the location of the interview weren't divulged. [H: Starts off as really honorable does it not?]

"Yeah, I'm a little bit scared," he said after being told by authorities that he and his family should be ready to be relocated within minutes. He was armed and has a bullet-proof vest.

"I've hurt their cause as other informants have hurt their cause," he said. "And in today's world, the way you deal with someone who hurts your cause is you harm them violently."

Unlike many other informers, the man who provided federal agents with information about Weaver has no criminal record and said he has pursued the work for nine years "mainly for the excitement". [H: Does this not sound like the young man who was taken in by Ekkers and a place made for him and he tells another that he was set-up by the CIA to plan an attack time and date when they would come and raid the place—arresting him also for protection. Oh, when the enemy wants to get you—you really find what "FRIENDS" you actually have. "...for the excitement". Well—they also pay!]

He also does business consulting

work under another name.

"I'm not a dirt-ball," he said, [H: NO, more like a scum-sucker if facts be known.] "and I don't pretend to be doing this for any notoriety." [H: I wonder how many "pieces of silver" he got for betrayal and false testimony.?)]

He met Weaver in 1985 while undercover at the Aryan Nations, near Hayden Lake, Idaho. Their friendship flourished at the Aryan World Congress, an annual July gathering of Skinheads, Aryans, Ku Klux Klan members and other white supremacists and separatists. [H: What HOG-WASH! AND, WEAVER NEVER ALIGNED HIMSELF NOR JOINED THE GROUP—HE WENT AS AN INVITED GUEST.]

By 1989, Weaver had developed a friendship with the man who he had no idea was a federal informer. "Randy felt he could trust me, that I was a white patriot," the man said. [H: Is there something wrong if you happen to be "white"? I heard it was an act of GOD as to what color you happen to be. Further, a "patriot"? Is there something wrong with being a Patriot and loving your nation and wishing it to function in Truth under the Constitution your forefathers fought and died to attain?]

Weaver often would wear an Aryan Nations belt buckle [H: LIE!] but the man who posed as his friend wasn't certain if the fugitive ever became a member. [H: Watch the clues for this is a big one: you have a paid informer and he "doesn't know" whether or not the informed-on became a member? How many of you readers believe this?] Weaver later had a falling out with Aryan leader Richard Butler after Weaver supposedly supplied Aryan youths with beer.

During the course of the friendship, the informer ate dinner with Weaver and his wife, Vicki, and their children in a home the family rented in Naples before moving to the mountain above Ruby Creek. [H: Oh, readers, wait, it gets worse.]

"Randy and Vicki seemed to feel they could TRUST ME, and I gave them no reason not to trust me," said the informer.

"I didn't try to entice him by offering him money or anything," he said in referring to the weapons sale.

"Sawed-off shotguns are built simply to hurt another human being," the informer said. "You don't shoot ducks with them, and you don't shoot deer. You kill humans." [H: Perhaps THAT is why the guns were untampered until AFTER THEY LEFT THE CONTROL OF RANDY WEAVER!]

Their friendship [I GAG AT THE USE OF THE WORD] lasted until Weaver was indicted by a federal grand jury in December 1990 for selling illegal firearms.

One shotgun was cut off six inches

below its manufactured length. The other was shortened by 12 inches. **[H: What a clever way of expressing without telling you a confounded thing about the length of the gun in point!]**

"Randy is not a folk hero," the informer said. "He is a man who broke the law."

"He may not be one of the 10 Most Wanted criminals, but nonetheless he produced weapons which were meant to kill people," the informer said.

Randy and his wife were both armed when arrested in January 1991 by the Bureau of Alcohol, Tobacco and Firearms (ATF) agents who blocked Ruby Creek Road with a disabled truck. But after being arrested in that ruse, Weaver was released by a judge without bond.

He retreated to his mountain hide-away with his armed family—defying a federal judge who issued a bench warrant for his arrest.

Until the FBI and federal marshals ringed the Weaver cabin a week ago today, friends have supplied the family with food, delivered mail and offered moral support.

Weaver is charged with assaulting a federal agent, and family friend Kevin Harris faces the charge of killing another federal agent one week ago today, igniting a costly standoff involving 200 federal and state lawmen. **[H: Boy that sure must have been some MAN who would hole up with a wife, three children, a friend and an infant.—200 swat team members for one legal shotgun and one 1/4 inch too short? Come, come—is our intelligence being somewhat insulted here?]**

An examination of the case against Weaver suggests the ATF was targeting illegal weapons transactions involving member and associates of Aryan Nations. **[H: Really? No other research offered any such information!]**

The Weaver informer said most of the Aryan followers expressed a fascination with firearms **[H: So does any hunter or member of the National Rifle Association. I do not defend same, but this is a bit much, don't you agree?]**, including illegal machine guns and sawed-off shotguns. **[H: Gosh, it is almost a shame that he didn't have a few of those "illegal" machine guns—he might still have a wife and son.]**

**[H: Ah yes indeedy—NOW WE GET TO THE JOURNALISM IN FINEST FETTLE.]**

In the past, members of the white supremacy sect have used illegal firearms in murders and armored car robberies.

In 1984, **JEWISH radio personality Alan Berg of Denver was gunned down with a machine gun that later made its way to a Hitler shrine discovered by the FBI in a Sandpoint home of an Aryan member.**

Much of the violence has been directed toward several confidential informants who have infiltrated Aryan ranks and provided federal investigations with vital inside information. **[H: I just wonder how many paid informants are infiltrated into the ADL or Jewish League? How about the Catholics? I guess you will find quite a few in the Pentecostal or Baptist sects? Those Seventh Day Adventists are unusual also, do you not agree? Well, you WILL FIND THEM infiltrated into the Native American gatherings, Christ Identity services and certainly any group dealing with E.T.'s. Of course, you must hold uppermost in your mind—if you are off terra—you are EXTRATERRESTRIAL.]**

Next let us look at backup emphasis material in this same paper:

#### FEDERAL FIREARMS LAWS LABELED VALUABLE TOOL

U.S. Attorney William Hyslop told a group of Rotarians on Thursday that federal firearms laws—like the one that made **Randy Weaver a fugitive—are a valuable tool in fighting rising violent crime. [H: How many gang children are killed by sawed-off shotguns, do you think? Do you actually think that "crimes" are committed with a shotgun as the weapon of choice in this day of Israeli uzis?]**

"All of us know that violent crime is up in the Spokane area," said Hyslop, U.S. attorney for the Eastern District of Washington. "By not having (criminals) go through the revolving door system, we can do something to address that violence."

Citing FBI figures that six percent of criminals commit 70 percent of all crime, Hyslop told the luncheon group the way to cut into crime is to lock violent criminals up for long periods of time.

Using four federal statutes, Hyslop's district has become 10th in the country, out of 93 districts, to prosecute criminals for weapons violations.

U.S. laws make it a federal offense to conduct a drug deal or traffic illegal drugs while armed and to commit a violent crime while using a gun. **[H: Oops—Randy Weaver couldn't even abide giving youngsters "beer"—does he sound as if he is a hardened drug dealer? No, we leave that sophisticated game to the Feds, don't we?]**

Under other federal statutes, a criminal who commits three violent crimes using a gun is labeled an armed career criminal and sentenced to additional prison time. **[H: Watch the bouncing ball or you may miss the disinformation inserted next.]**

It is also a federal crime to alter some weapons, such as converting a semi-auto-

matic weapon to fully-automatic or—like Weaver **is charged with doing**—sawing off a shotgun barrel to shorter than 18 inches. **[H: Big clue, readers.]**

Weaver is charged with selling two such guns to a federal informer **[H: NO HE IS NOT!]** in October, 1989. He was indicted by a grand jury in December, 1990 on the charge. Weaver was arrested and set free on bond. **[H: Clue #2—you just read that he was released without bond!]** He became a fugitive when he missed his court date in the spring of 1991. **[H: Actually the only legal charge, since he purchased and delivered guns untampered—was not paying a fee.]**

Although Weaver **had no criminal history prior to the federal STING, Hyslop did not agree that Weaver was not violent. [H: And just HOW would Mr. Hyslop-slop base ANY OPINION regarding the person of Randy Weaver?]**

"Certainly the killing of the federal law enforcement official, by any standard, is violent crime," he said. **[H: Mr. Weaver did not shoot a "federal law enforcement official" although I'm sure he sure as hell tried to after his child lay dead alongside the pet dog.]**

By targeting criminals for federal prosecution, which carries longer sentences, Hyslop said violent people will spend more time in jail and less time on the streets, committing crimes.

"We can do a lot of things at the federal level that states simply cannot do," Hyslop said. **[H: They sure can!! Like murder, treason, arson (we'll get on to both of those attempts also)].** "So if we work closely with local law enforcement we can use the best tools we have."

Enough clues for this session as it is late but I would like to give you a bit of confirmation.

In Bakersfield the other day, Dharma and Oberli were approached by a lady in a neighboring car, asking about the Bo Gritz sticker on the car. In the process of conversing it came out that the husband was a long-time member of the Bakersfield police. E.J. just asked him, "Are you the ones getting to train with the KGB?" In irate response the man replied—"NO—that is the sheriff's gang, right down through those in Tehachapi." Well, just thought we would share a bit. Rest well, chelas, in the care of your "caretakers"—may you live through the "care". Salu.

It is not tolerance that one is entitled to in America. It is the right of every citizen in America to be treated by other citizens as an equal.

## WATCHITS

My assumption (??) is that Editors are pulling out pertinent information from the writings which are suitable for the "Phoneline". We have not time to daily write a special output unless there is something most urgent underway of which you all are aware and awaiting instructions and update.

We have so many "hot potato/potat(o)(e)s" in our own laps to handle that I ask understanding and patience. Our small crew (which gets smaller and smaller daily) has about all it can handle with the adversary's workers from right within our household—firing death rays at us. This is not "new" news for I have stated it continually with the ones right in the room at the time—drowning off or looking wide-eyed and innocent and exclaiming "atta boy". Most are simply "tools" and are too sleepy to realize what they do, others act in need for self involvement and others are simply downright evil—wishing to live off the work and assets of "another" and will do anything in the name of greed and need.

### MORE ON "JOHN COLEMAN"

It is apparent that ones at *Criminal Politics* saw fit to unmask a "user" in the midst and now that person has turned full frenzied attack upon us as we seem to be the last bastion standing between him and totally deceiving some of our own people who had come here originally asking for "protection" and "guidance".

I have no pick with that which transpires between men—unless it involves our work or our people. This now does BOTH and will not longer be tolerated. In the threats to blackmail us in some perceived fancy that there are hidden agendas and criminal actions of some sort, this person has defiled every confidence of workers, employees, courts and even stolen the *LIBERATOR* mailing list and that of AMERICA WEST and then fingers one of the office persons as having arranged it. This is to somehow cause him to appear more righteous in his actions.

I must now soon make public that incident for our promise to you was that NO ONE would go onto anyone else's mailing list and we have had inner battles over that point on several occasions. Now, there is no earthly way to track what this man and his "insiders" have done or utilized—and I have to inform you of this theft. This is NOT "accusation"—the man told us he had it and if we did not do what he required,

he would mail to ALL on the listings and "blow you out".

I have confidence in the *LIBERATOR* readers to understand our situation and we shall do all possible to retrieve the information but once claimed to other computer discs, it is hard to be sure you have retrieved all stolen information. It is turned over to Mr. Tipps (attorney) and the Constitutional Law Center but resolution has not yet begun.

The man, further, is efforting to cause ones to cash out their gold reserves (collateral) in the "Institute", demanding full payment when prices are lower than when purchased—causing other participants to have "loss". This will NOT happen—to you who have such security in the Institute.

A splinter "group" has decided to make a trek to Colorado to form their own "group" arrangements—at the expense of a poor, misguided and confused person who had originally placed her funds with us to PREVENT JUST SUCH FOOLISH ACTIONS SHOULD OPPORTUNITIES ARISE. WE DO NOT, HOWEVER, HAVE AUTHORITY TO PROTECT HER BUT SHE SHALL NOT CAUSE DAMAGE TO ANY OTHER PARTICIPANT AND I MAKE THAT CLEAR. E.J. and Dharma have, prior to this, made loans to cover "calls" and other "short-falls" to insure the security of every participant. This will not longer take place as I am weary of my people, who do naught save serve, bearing the burden in a crumbling world because of persons who have no Godly intent—only use of our system to further their own greedy desires. This man is desperate for funds—and this child will lose everything. I cannot help what she does, further—but she will not take winnings and gain when she has created loss and chaos. **It IS an excellent sorting tool, however.**

One in the group, after over a year, still drives an automobile which is the Institute's. I ask that it be retrieved—blackmail and infiltration with intent to do harm is not a ticket to longer using that which is provided by and for God.

The man behind this is recognized by you as "John Coleman". He goes in his "gated" community (where America West and the *LIBERATOR* paid all expenses to move him in and stabilize his family, along with publishing a book at my request) and there calls himself "William Clarke". I find that at *Criminal Politics*, he is known as "John Clarke". The facts are that the man has been "sheepdipped" so many times that even "He" cannot remember who "he" is supposed to be at any given time.

I hope you will all understand that I must keep my scribe and associates in total security because the man projects "violence" and even has a poster on his door warning of explosives ready to detonate if "uninvited" persons come onto

property. This was pointed out to Charles Neil who simply went to pick up his own generator on loan to this family. When ones went to exchange original computer equipment (repaired and useable) to get two computer set-ups on loan to this man and son—the neighbor said he was tending the house and had instructions to CALL THE POLICE. This was yesterday and we shall now have to turn it over to the legal procedures to retrieve the equipment. The material was loaned in order for this person to work directly on *LIBERATOR* layout and production—HE NO LONGER IS IN ANY WAY ASSOCIATED WITH THE STAFF and has not been for almost 4 months now. The other was purchased and loaned when the man in point had failure of his own system. A new computer was purchased by the Institute and loaned while the Institute had the original apparatus repaired and parts replaced at no cost to the individual.

Knowing the person in point was having great difficulties, the issue has not been pressed into legal retrieval because it has seemed so atrocious to all senses. The equipment is now necessary for the task it was purchased to serve AND the ones in point plan to take the equipment and leave the area with it. That, or they are lying to the splinter "group" who is planning to serve their money needs.

I can only remind all of you—"IT IS NOT NICE TO TRY AND DECEIVE MOTHER NATURE—OR GOD." GOD WILL ALLOW YOU TO WORK IT OUT RIGHT DOWN TO THE LINE BUT WHEN IT BECOMES DIRECT ASSAULT AGAINST HIM, HE WILL UNCOVER THE LIES AND, THEN, AGAIN ALLOW ALL INVOLVED TO WORK IT OUT. I HAVE LAID OPEN THE PLAN IN POINT OF DECEPTION TO ONES INVOLVED AND CAN ONLY HOPE THEY WILL REGAIN CLARITY OF PERCEPTION.

IN THIS PERSON'S FRANTIC THRUST TO DISCREDIT, DESTROY AND DAMAGE US AND OUR WORK—HE HAS ONLY GIVEN ABSOLUTE CREDENCE TO US FOR THAT WHICH HE CLAIMS IS NOT AND OTHERS HAVE SUFFERED FAR LONGER THAN HAVE OUR PEOPLE FROM THIS PERSON IN POINT. IF YOU OFFER TRUTH, THE ADVERSARY SENDS IN HIS HONOR-GUARD TO FOOL YOU—HOWEVER, THE ADVERSARY ALWAYS DECEIVES HIMSELF AND REVEALS HIMSELF IF LEFT TO UNFOLDING OF CIRCUMSTANCES.

What will America West Publishers do? I don't know but it would appear there are criminal actions involved herein in thieving computer data, mailing lists, searching through private documents and files and in holding property unlawfully. Since the mailing list is held by America West both for our *JOURNALS* (magazine) and the *LIBERATOR* (paper), I do ask that some action be taken, for this allowance of en-

trance by one so unscrupulous is reflection on our own readers and violation of their rights to privacy. These things above are NOT hearsay or assumption—this man says he has this information and is using threats and “blackmail” with them. My first suggestion is that HE THINK AGAIN! I have sent yesterday’s unveiling of the full plan as he had struck it, to many, many locations—I will not print it in the *LIBERATOR* until such time as he has time to read it and look carefully at that which he has been caught in the “doing”. So be it for he had immediately sent a representative to retrieve a copy from boxes as offered to local participants for sharing of information as we write daily. Ah yes, it IS painful to our workers to realize that the enemy has been within and continued to feast at our table and sit with our communion. But this, chelas, is TYPICAL of the adversary who uses and destroys.

Do we cast these persons to the winds? No, but if they willingly go into the whirlwind, they shall be left to the whirlwind. I would believe that most will see the truth in the situation and not allow ego, guilt and discovery keep them from seeing the Light in the truth of the actions in the moment.

### WHAT NUCLEAR WAR?!?!?!?

Have all of you taken NOTE of what Senator Barbara Mikulski has been crying forth about FEMA? She has been most active in Labor and Human Resources and states that the actions of FEMA in recent emergencies are atrocious and unthinkable. She goes on to say that they have failed in every way to meet the people’s needs timely or materially. She then wraps up her assault by saying “...they are totally unprepared to meet any emergency needs of natural disasters or instances as they were set forth to serve. **They have spent all their time and resources preparing for NUCLEAR WAR.**” Yes, you had better read this again or if you are on the phone—you had better ponder it carefully. Are YOU seeing those “preparations for Nuclear War?” Do “they” not tell you the “threat” is over? How so it is that truth comes in such strange passages.

### TOBACCO COMPANY FIRST BIG BUSINESS IN RUSSIA

Does this not make you a proud American and Malboro Man: “...the first major industry in Russia will be an American Cigarette Company which will put out ‘ump-teen’ million cigarettes for the local economy!?” This and the guaranteed subsidies now promised by Bush to the Grain Cartels (not the growers in America) for shipping grain off to these “needy nations” should about do it, brothers.

If you are unable to see WHAT they are

doing to you by viewing Florida, Los Angeles (where not one thing has been done following the riots) and in other places where damage has been so massive that it is only shadowed by the more disastrous (used for publicity for the politicians)—just wait! What they have in store for your confirmation of destroy and gain control—is on the execution boards NOW.

### TAKE YOUR PICK OF DISINFORMATION SOURCES, INCLUDING SPOTLIGHT

Now I’m told by some that it is easier to believe from places such as *Spotlight*. PLEASE, I said read such Journals with discernment. *Spotlight* offers as much disinformation, no information and mixed information as does the Establishment *New York Times*.

“How can we know that?” you ask. This last edition brought to my attention tells it all. There is open attack on Republicans (which means nothing as all Elite are working for same goal) and any “negative” spurts against Clinton are buried “inside”—while the topic of the Idaho incident with Weaver was covered — WITHOUT ONE MENTION OF BO GRITZ!!! This would, at best, be hard to do since the entire event ended up revolving around Bo Gritz—but if you note the FULL MEDIA BLACKOUT ORDERS AGAINST BO GRITZ, it makes quite a lot of sense. If anyone can remember far enough back—the *Spotlight* originally pushed Gritz in every possible way including advertising his books. They refuse to write on the subject or on any involvement with POWs and/or allow his books to be mentioned in the paper.

So, do I say “Don’t read it”? NO—No! Read it and then COMPLAIN, COMPLAIN AND RE-COMPLAIN—TO THEM, not me. **They betray a trust** which was built much as the Man in earlier subject did herein—build trust, give many truths, suck you in—and hang you. By what they “do not say and do” tells it all. They WANT you to know about the Bilderbergers and the Elite Strongmen so you will recognize the power and strength when it is unleashed ON YOU. They have told you that Clinton is groomed BY THESE ONES to serve—that is why Bush is blasted right and left. Are they mad at Bush? Probably, but it matters not—FOR THE ADVERSARY AND ALL WORKERS TOWARD GLOBAL CONTROL **HAVE THE SAME GOAL!** How they get to that goal is supposed to be totally confusing and it is depended upon that YOU-THE-PEOPLE DO NOT WAKE UP IN TIME TO REALIZE THE TOAST HAS BURNED OR THAT YOU DON’T EVEN HAVE ANY WHEAT TO MAKE THE TOAST! Most often, as these papers and periodicals seemingly pour forth inside information—they are only manipulating you into false impressions.

Just as every time there is going to be massive upheaval in the world over Israel—there is some show of distancing and irritation with Israel—only to end up giving away MORE than was originally asked for. **THIS IS THE GAME.** IT IS UP TO YOU TO BE DISCERNING AND SEE BEYOND THE SHROUD. LIKE ALL NEWS, AND IN THIS INSTANCE EVEN BETTER, THERE IS GOOD NEWS TO DISTRACT. You do not stay in business blasting the Establishment and New World Order and work and publish RIGHT UNDER THEIR NOSES WITHOUT MORE THAN “TOKEN” PROBLEMS WITH THE ADL. COME, COME. The ADL is but a working faction of the British Intelligence Community—that they have filled with Israelis to confound the Jewish Community.

### THE JOURNALS, LIBERATOR AND LESSONS

As more and more readers come to share, we get bunches and bunches of letters asking questions and demanding responses and explanations of something said in, say, Journal number 56. Why would you expect to understand Calculus if you never went to third grade arithmetic? If you start at the end lesson of a home study course—do you expect to skip all lessons prior? We are constantly blasted up one side and down another for some perceived indiscretion only to have the next line read like this: “...and I’ve read one of your JOURNALS and three LIBERATORS...” or, worse, “...a friend loaned me your last LIBERATOR and I....”

These JOURNALS are written in sequence and dated—just like a study course or magazine. These are factual pieces done as quickly as we can get them to you while every effort on your place is put forth to STOP THEM. Mostly, they integrate that which is available, has at some time been available or that which has directly been banned or removed from your ability to attain. We are spiritual in truth—but we must cover that which is “WRONG” to allow you to see WHERE YOU ARE, and then we can talk about where you are going and HOW to get there.

Most of you wish me to write you individually and give you information that is in at least a dozen of the JOURNALS—I cannot do that to the regular readers and, therefore, ask you new participants to be patient and do your own homework. I am not in the business of giving private readings and tutelage to individual seekers—the information is FOR ALL—6-1/2 BILLION of you. Neither am I responding too apologetically to you who claim no “time” to read. We have, through one scribe, produced 58 full JOURNALS and parts of two additional and written a weekly paper of anywhere from 28 to 48 pages—in 36

months. This is not to make you feel sorry for my scribe or myself—but to show you that it CAN BE DONE. And to you who thrust nastiness at Dharma by, "...well maybe, but you don't have to do anything else like work, tend kids and the other problems we 'people' have to face." Oh? She and E.J. have nine children, 9 and 1/3 grandchildren, a houseful of people constantly, offices in the home which means people ALL the time and who do YOU think does the things of living? She even cuts her own hair AND E.J.'s. So, is this some kind of "miracle worker" or something? No—just like YOU with a willingness to serve, a desire for knowledge (of which she now finds she had practically NONE) and a love of nation and brother.

This is, however, why it is so difficult for her to have her own ones who claim such abiding and deep friendship and understanding, giving gifts and then shoot with poison darts in the back at the directions and in the hands of a Charlatan from the world of undercover intelligence brokers.

I say the foregoing because I have to ask indulgence and patience from you as we effort to get to responding to your inquiries and demands. Few are demanding—most are loving and ask only "if you have time". Know you are beloved and every contact is accepted as a gift and treasured. Each item sent is treasured and has special meaning, forever lasting, between we who receive and you who send. We never object to objections and disagreements for they most often give opportunity for the best lessons. This is often difficult for ones to understand while undergoing the attack, but the water clears in the unfolding.

As with the opening discussion this morning—we will be most happy to print both sides of the arguments ongoing with Dr. Coleman and others—I do, however, feel the time and space is too precious for such unless the lessons worthy and the information worthy. My intent is always to offer all, petition you to read ALL on ALL subjects and THEN, ONLY THEN, discern intent and judge actions. Without all evidence there can be no honest discernment.

### THIS AFTERNOON'S MEETING

Dharma, you do not walk alone into the den of jackals. The meeting was offered for the sharing and we have visitors and loving friends who have traveled far to meet ME. I thank you for walking into the target zone but I promise you, chela, that if the house be filled with the enemy—we shall clear it THIS DAY. Ones who come in effort to regain footing are welcome—those who work as has this splinter group to damage and destroy, shall not enter into MY HOUSE AND REMAIN. These meetings are not some cult gathering. These are gatherings of my workers and people with a job to do,

projects to discuss, business to share, help to offer or ask and an opportunity to share questions, answers and speak of that which bonds us together—GOD and our purpose in service unto that GOD.

Please trust and understand my actions of allowance to this point, of these ones, in order to pull the viper from the den—but it shall not continue with your enemy in your very room as guest. I have warned over and over that I WILL NOW USE NAMES AND PLACES of the deceivers as appropriate and thus shall I do.

Release this now that we might go over this. Thank you.

### 9/6/92 #1 HATONN

#### MUSLIMS

The most important "inside" information (as you ones like to say) is regarding the war in Bosnia, etc. It is going to blast forth like a time bomb which feeds power from itself.

The surveillance of Southern Iraq is an excuse and cover for what is at hand.

The biggest lie put forth as a mere passing tid-bit is about your Largest aircraft carrier, the *Independence*, being in the Persian Gulf. This is how the media is staged to give false information according to that which they want you to hear and believe.

That Carrier is stationed as close to Yugoslavia as waterways will allow—along with the Sixth Fleet **at ready**. The other "cover-up" allows the United Nations and the United States to operate in secret. (Remember that YOU fill the needs for money, equipment and gun fodder—your babies—FOR THE U.N.—see last issue of *THE LIBERATOR*.)

So what is afoot?

The entire Muslim world is rallied and ready to step into that "little" disagreement in Bosnia. NOT ONLY ARE THEY READY BUT THE TURKISH FORCES ARE ALREADY INFILTRATING AND ARE AT READY TO MOVE IN IN MASS—WHICH, DEPENDING UPON HOW THINGS "THEN" GO—COULD BREAK INTO A MASSIVE WAR. IT IS ALREADY IGNITED—JUST WAITING FOR THE FUSES TO BURN.

IF THIS KIND OF PUBLICITY DOES NOT SET THE PLANS BACK, THEN IT IS MASSIVE WAR!

This is another reason the Weaver/Gritz/Idaho "war" is postponed, the U.S. Administration could not handle an internal revolution AND the mess they have staged in Europe. Believe me, chelas, you have equipment and soldiers already in the sector and you have them also scattered all about the U.S.

You are in DEADLY critical times. Meanwhile we will take up actions on the most local level, please. I know of no better way.

to help you in mass than to clear out some of the rot sent in to destroy you, my people.

### PEROT'S FUNCTION

If you cannot see the purpose of Perot's placement by the Establishment into the fray—get your confirmation now. They are saying that Perot put up around \$12 million and "the people" put up the other couple of million for the campaign?

I think anyone who worked in the campaign KNOWS BETTER THAN THAT. You cannot have that large a movement and only have a couple of million put in by the workers—unless the entire thing is a total fraud. Perot didn't even help the local offices out with phone bills. He is a part and parcel of the manipulation plans afoot and you are going to have to see that or you are going to go down, purely and simply.

### GRITZ

You keep asking about Gritz and, "...well I saw him give a 'Hitler' salute..." That acknowledgement may SEEM a bit weird but, actually, there WAS a note sent in by the leader of the Skinheads—to Weaver—and in response to acknowledge receiving of the note the requirement was that Col. Gritz acknowledge with the "hand sign". Now, children, THAT IS NOT A NAZI SALUTE. That signature salute is a Native American greetings/acknowledgement—with fist closed, a symbol of unity among Blacks—and in English (American) the hand "in motion" is a simple greeting of hello and/or goodbye.

The Skinheads had a large rally to attend in California and wanted to get the heck out of Idaho. I do not sanction the Skinheads, Klu Klux Klan or the Anti-Defamation League or the Black Majority or Archie Bunker. I just tell you to get off your foolish kicks and perceptions fed to you by the media or you are going to "fold" as a nation. Those Skinheads WERE SENT IN TO IDAHO TO CAUSE ERUPTION OF WAR; I think an acknowledgement wave is by far the better course of action in ANY event. P.S.: YOU DO NOT KNOW WHC WAS IN THE SKINHEAD "HEAD-DRESS"—DO YOU? YOU ONLY "THINK" YOU KNOW SOMETHING WHEN YOU ACTUALLY KNOW NOTHING!

### HOMESTEAD, FLORIDA

There was a massively BIG reason that the Homestead Base and southern Coastal areas were hit, chelas—massive! Stop your "second guessing" about finger signs and get on with SEEING what is about to happen half a world away that will DESTROY YOUR GLOBE! WHILE YOU ARE AT IT—SEE HOW THE GOVERNMENT (YOURS) HAS SUCKED YOU IN AND WILL

# More Insight On Recent "Natural" Disasters

9/2/92 #1 SOLTEC

USE YOUR BABIES AS SACRIFICE IN ORDER TO DEMORALIZE, HYPNOTIZE AND DESTROY THE WHOLE OF YOU CITIZENRY IN AMERICA (THAT INCLUDES CANADA AND MEXICO AS WELL AS THE WHOLE OF CENTRAL AND SOUTH AMERICA). "AMERICA" IS NOT JUST THE UNITED STATES, YOU MUST REMEMBER!

A major part of the Homestead/Miami "strike" was in response to Bush's great public acclamation that "I will be the first President to visit in 'free' Cuba". Ah, and the whole plan is and has been for the Bush Cartel to OWN all of Cuba and then the Elite Pepsi Cola cartel gets sugar free AND the real estate thugs, including the Bush "twigs" (those who aren't running the funny farm in Bahrain) will get IT ALL! I suggest you all go back and catch up on the JOURNALS AND LIBERATORS! THANK YOU.

"WILLIAM CLARKE"  
aka "JOHN COLEMAN"

Dharma, take this off please for we will turn our attention to handling the John Coleman amusement game for today. I shall be readying a statement. Actually, the statement is already made and resting in secure placement and hands to insure no foolishness takes place WHICH WOULD INSURE INSTANT RESPONSE OF LAW AND COLLAPSE OF THE EVIL PLAN UNDERWAY FROM OUR ENEMY. I AM CONSIDERING HIS INVITATION TO COME FORTH ON RADIO WITH HIM SO HE CAN "FIX ME"! WELL, I AM NOT THE ONE WHO IS BROKEN AND I DO NOT BELIEVE THAT KIND OF ENCOUNTER IS EXACTLY WHAT HE HAS IN MIND—REALLY!

ALL OF YOU ARE GOING TO COME TO KNOW THAT I AM EXACTLY WHO I CLAIM TO BE—A HOST IN SERVICE TO GOD OF LIGHT, AND AM NOT A CUTE LITTLE E.T. PLAYING GAMES WITH THE INTELLIGENCE COMMUNITY OF THIEVES AND LIARS.

IS COLEMAN'S BOOK CORRECT? INDEED—THE INFORMATION IS JUST AS FILLED WITH TRUTH NOW AS WHEN ONES SUCH AS MULLINS, ETC., WROTE IT FIRST. I THINK, JOHN, IT WAS A BAD, INSIPID IDEA TO ATTACK THROUGH U.S.P. AND ESPECIALLY THROUGH THEIR ATTORNEYS. THE LETTER OF YESTERDAY WHICH YOU FAXED EVERYWHERE TO "MAKE SOME KIND OF CASE" AND UPON WHICH YOU SENT IN ALL YOUR LITTLE VICTIMS OF LATE TO EXPERIENCE YOUR TRIUMPH, IN COPY, BACKFIRED, MY GOOD OLD BUDDY—ABOUT AS BADLY AS YOUR WORST DREAMS COULD CONJURE. I SIMPLY CAUSED MY ONES TO OVERLOOK ITS ARRIVAL UNTIL "AFTER THE FACT" AND YOU CEMENTED YOUR OWN COFFIN LID. THANK YOU, WE NEED ALL THE HELP WE CAN GET FOR THIS NATION AND MANKIND. SALU.

\*\*\*\*Yes indeedly, I WANT this last on the phone hotline. John wouldn't miss calling for "inside information" would he?\*\*\*\*

Soltec present in the Holy Light of Radiant God. In the quiet hours we find peace and ability to reflect upon the events of the day. The hustle and bustle of the daylight hours at times are over-powering to the senses with phones ringing, visitors and working. May this writing touch the hearts and minds of our brothers and sisters of Earth-Shan, for truly the hour is serious and precious time is passing and there is much to be done.

I have promised to continue with writing about Mu, and this shall be; however, at the present there are current affairs afoot that we need to address.

There have been, in recent days, certain "natural" disasters which have come upon your world that are not at all "natural". I speak of the hurricane in Florida and Louisiana, the typhoon in Guam and the tornado in Wisconsin and, just yesterday, an earthquake in the ocean that produced earthquakes in Costa Rica and a tidal wave in Nicaragua. The battle heats up, and you, dear ones, are caught between the rock and the hard place as the "evil empire" struggles for control.

If you take the time to look upon the destruction of the hurricane in Florida, it looks more like a war zone—nothing was left standing in its path and people are left with nothing--no home, no food, no clothing, no personal possessions of any kind. You will also note that George Bush has made two trips to Homestead to survey the damage and just today vowed to rebuild Homestead Air Force Base, and that the Federal Government would provide 100% rebuilding of their town. And why wouldn't he? Homestead Air Force Base is his own personal clearing house for the drugs coming in from the Golden Triangle in Southeast Asia! He isn't interested in the plight of the people whose lives have been destroyed but he is very interested in his drug business being interrupted and his reelection to the White House. Only since the political scene this year has he spent so much time on your domestic issues. Please, don't be pulled into the lies that are going about. Once re-elected, he will again turn his attentions back to his New World Order and international issues and you the people will again be turned out into the cold. The spots on this leopard have not changed.

Also note that everywhere there has been a storm or any kind of disaster, Mr.

Bush has wasted no time at all declaring a disaster area and activating FEMA and sending in the military. On the surface, it looks as though FEMA and the military are serving the people but, if you look beneath and understand the truth of it, FEMA is little by little gaining control of your nation, making you-the-people totally dependent upon the government coming to your rescue and ultimately taking control of your lives totally. You see what happens when you have been stripped of all your power? There is no way for those people to rebuild without the aid of FEMA, since most will never be able to collect from their homeowners insurance policies because that would bankrupt the insurers. But, like obedient little children, you have paid your premiums in *good faith* all these years, just in case something like this would occur. And, where has all the money gone? Chelas, there was never enough to cover all the expenditures to begin with! The Elite are counting on your dependence upon the governments because dependence equals powerlessness. You have been forced to swallow the lie hook, line and sinker!

There are some very good lessons which can be learned from these experiences for God will always utilize that which is available for the good. The greatest lesson is that of attachment to material possessions. The Master Teacher explained that the treasures of Earth would rot and spoil and not to lay up Earthly treasures, but to lay your treasures in heaven. In other words, those things of the Earth experience are only temporary, and can be gone as quickly as you acquire them for this experience is only temporary in itself. Your heavenly treasures, the knowledge of God—of the Universe—that is where eternity lies. It is from whence you have come, and where you shall return, and all that is in-between is merely for the experience, for the learning. For what is the life experience, except lessons?

The other lesson which comes out of this devastation is self-reliance (self-responsibility). The lie you have been told is to trust in man for man will take care of you. **CHELAS, ONLY GOD PROVIDES AND IT IS UP TO YOU TO ACQUIRE THAT PROVISION FROM GOD. NO MAN, BE HE PRESIDENT, POPE OR KING CAN PROVIDE FOR YOU FROM GOD. GOD DWELLS WITHIN EACH OF YOU, AND THEREFORE, IT IS YOUR RESPONSIBILITY TO ASK OF GOD.**

Putting faith in governments, insurance companies, etc., is believing the lie. We realize that you are required to have this insurance for it is part of the games that they play with your money but, please, know that there are no guarantees which come attached and in the final counting you have only God upon which to rely.

It is sadness to say, however, that what you are seeing is just a sampling of what is being planned for you. As the election draws near and the opposing teams become more desperate, the more of these types of things you can expect. Your best defense at this point is to be prepared for just about anything. Stay close to God, keep the protection about you and stay informed as much as possible.

Just because the emphasis is now on the East Coast, do not take your eyes and ears off other places. For most times the

aftermath of these disasters will be used as decoys as the Dark Forces work quietly in other areas. You must be able to out-think the Adversary—to anticipate his moves. And you who are in the Light and hearing the TRUTH are becoming wiser. You are learning your lessons well. It is imperative at this most critical time that you stay close to God.

May you come into the full recognition of your inheritance, and may you keep yourselves in the peace of God throughout these tribulations, holding the TRUTH above all fears for, in the Truth and the Knowledge of God, fears shall vanish as rain before the sun. We honor you, precious ones, and you honor us with your work and searching for the Truth. Together, we shall accomplish this mission.

Soltec to clear.

Salu.

# While People Sleep On

(Continued from page 1)

sives near the Randy Weaver home in Idaho? This could then be detonated by radio. Then, in full view of cameras, two barrels of diesel fuel were loaded onto a military helicopter—to douse the house with living beings, ignite it by high heat explosives (napalm) and burn the evidence AND THE INHABITANTS ALIVE? This was captured on film and the mission had to be scrubbed—after the helicopter took off anyway, circled and again landed. The film is in NICE, SAFE KEEPING. YOU ARE OUT OF TIME, AMERICA, TO PLAY YOUR "PROVE IT TO ME" GAMES—IT IS PROVEN AND IF YOU MISSED IT—IT IS YOUR PROBLEM AND NO ONE ELSE'S. YOU MAY WELL ALL GO DOWN FROM THE IGNORANCE BUT IT IS NO ONE'S FAULT SAVE YOURS.

## FLORIDA

LOOK! Those people are as "under control" according to FEMA as if the bayonets were "fixed" and the grenades popping. The diseases have been introduced and all you have to do is wait.

## LOCAL NASTY ATTACK

How elusive is IT? Well, let's just say as example, that Dharma and Ed Young (our Editor-In-Chief) were standing in a parking lot at a recognized restaurant frequently visited so that the workers can "visit" without surveillance teams on their necks—but that is foolish for it now is the "favorite" eating establishment of the County Sheriffs trained by the KGB.

## NEW KINDS OF WEAPONS

A mere "whoof" of toxic substance was introduced into the breeze. Dharma and Ed were simply looking up at the stars. Ed is still almost bedridden from the assault against him and it only struck his face and neck. Dharma was protected by a Life-Crystal lotion over which she wore regular makeup. Her symptoms were three days of total inability to get "hay fever" under control for the substance adhered to the inner lining of the nose and throat. Now, chelas, this was a relatively HARMLESS substance—just testing and playing. YOU ARE NOT SAFE ANYWHERE. If, in fact, it had been any of those workers of "Dr. Coleman"—they would be desperately ill for the substance is a very high frequency crystalline substance—highly irritating and affects the "nervous system". This, played upon by the following pulse system, causes the tiny bits to act as receivers, thus enhancing and amplifying the pulse units. I have NOT yet been able to get Ed's attention that when I suggest nicely to get out of the vicinity for a respite—he does so. I hope that he will reconsider for if you risk too greatly to get out ONE paper you may find you NO LONGER HAVE ANY PAPER AT ALL. Miss a paper, have its subjects out of totally proper editing or misaligned print? I remind you—to miss a paper deadline or a printing for a week is fine—it may well allow you to still have capability of function next week or next year.

Why did "I" allow this to touch two of my most critical people? So that they will LISTEN and attend it—NEXT TIME. A

small dose of mutant male chondrions. Now, what does that mean in simple English? It means that there is a substance of crystalline life form called mitochondria which has its main job of converting glucose to usable ATP (never mind—it means a molecule which goes through glycolysis and ultimately gives energy production. I'm sorry, I am not now interested in giving you lessons on chondriana).

These life-forms existed myriads of eons past and are now being reintroduced.

They come in the form of male and female. The male is very aggressively active, is in constant motion—courting, energizing the female. The female, on the other hand, is a passive, single-layered membrane creature that becomes energized by the male during this courting ritual.

The male protects the female from any virus, bacteria, or cancer cell and if placed within the chondriana's environment, the male gives rise to militant chondriettes, or killer cells. These are the ancestors of your lymphocytes, the T cells, etc.

The "whole" of a complete DNA structure balances cellular life and, once in the body, they convert the microbes present to food for reproductive energy.

## ENEMY OVERLOAD

In absence of the female, the chondrion is most abusive to the system and to the contact point—but on a delayed reaction basis. The best treatment of the rashes and other reactions is to, of course, introduce the female chondriana or a whole form and allow the mutant cells to be absorbed, balanced or killed off.

The other protection is the "LIGHT" as WE can produce it—or YOU—through mental control of self in frequency manipulation. Dharma already has that capability without conscious thought about it and still, she had days of discomfort as if "something" was embedded in the nasal membranes. Had she not been looking upward, she would have had no reaction for the substance fell on her but could "do" nothing. Ed, on the other hand, produced a nasty allergic rash similar to a bad case of poison Sumac. I use that substance, Sumac, because poison oaks and ivies produce blistering, etc., wherein Sumac does so also but mostly produces a bad rash with neuronc impact and dry crusting which in itself is debilitating because of the itching and stinging of the "drawing" or "shrinking" of surrounding tissue.

A lot of this substance has been introduced into the wind patterns in many areas to monitor reactions and wind currents. This reaction causes people to go purchase out of season antihistamines, etc. And, these do help. Dharma uses quite a lot of "Contact" antihistamine compound and this also helped keep the symp-

toms to a minimum. You who feel an aspirin is not great for you under any circumstances—are indeed as foolish as are those that overdose. If you have a headache—for goodness sakes, take a headache stopper and don't come complain to me or to God that your head hurts. If you play silly games, you get foolish results.

Can you control it through the mind? Of course—ALL is controlled through the mind—but you ones are trained to NOT DO SO and there are FEW, FEW, FEW who can conjure that kind of mind control.

By the way—a photon blast reaction is going to often manifest exactly in that manner described above. In fact, the introduction of choice of the substance will be introduced most easily and silently through a photon pulse which is totally invisible as an x-ray and yet has pinpoint effectiveness.

One reason for the reaction is that the photon frequency most preferred is one of such high frequency as to kill the female chondriana finding its way into the beam stream.

You ones are no longer playing in a visible world. The world about you is hidden by deliberate manipulation and the assaults are from macro and micro "things" which are also outside your comprehension and realm of sight and other of your physical senses. For instance, you look up and HOW DO YOU KNOW YOU ARE NOT LOOKING AT THE UNDERSIDE OF AN ENCAPSULATING CRAFT OF SOME SORT? YOU DO NOT! You have no way, for instance, to know whether or not you are ACTUALLY walking and experiencing on the INSIDE OF THE GLOBE and playing stars and suns with the very CORE. Ponder these things and perhaps REALITY can be a bit more acceptable to you.

#### NOW TO LAWYERS AND INFORMATION

I continue to be annoyed that you of the legal profession who work in my service continue to avoid, seemingly at all costs, that which we give you with which to work. WHY do you go to court to argue on the basis of "copied" diagrams and ridiculous non-existent bases? The JOURNALS are EXACTLY as expressed—JOURNALS. Regular, dated MAGAZINES. We are not in the novel-writing business—we are into the compilation of TRUTH from ANY and ALL resources. If persons wish to track further the information, i.e., Walter Russell's material, then they can go forth and jolly well get it. I am not in the seminar, meditation or piddle-de-winks business. We are an information "review" type of document produced as dated, regularly distributed material integrating many myriads of topics into the ability of the public to garner truth from the mountains of garbage.

Perhaps the work of Dr. Russell is not a

good example after all, for his wondrous and perfect work has been exploited into metaphysical garbage heaps in an attempt to KEEP THE TRUTH OF HIS REAL AND VALID WORK HIDDEN. Through ones claiming his production and work it has been destroyed and melded into NEW AGE trash of HUMANISTIC ORIGIN—BY THEIR OWN WORDS! IT SHALL NOT PREVAIL! (!!!) Walter Russell AND Nikola Tesla in the same physical presentation timing, were given from a higher dimension the work presented and brought forth—and no "Binder", "Coleman/Clarke" or the Devil himself shall longer hide the magnificent Truth of his unveiling of GOD! Lao made sure he is remembered as a "Humanist"—he WAS NOT! HE WAS A GIFTED RECEIVER FROM THE HIGHEST REALMS OF THE GOD DIMENSION AND MAN SHALL NOT LONGER KEEP THE TRUTH OF HIS ORIGIN AND CREATION, PURPOSE AND FUNCTION, FROM MANKIND.

If this is unacceptable to the legal counsels involved, then THAT is unacceptable to me and our mission. It goes beyond "Constitutional Rights"—it goes to the hiding and deception against God Himself who now again sends HIS WORD AS PROMISED AND IT SHALL NOT BE STOPPED. The books in point of argument are of no consequence—we can rewrite the books a thousand times over and **BETTER** present the material—BUT ATTENTION MUST BE FOCUSED ONTO THE CULPRITS OF YOUR INTENTIONAL DOWNFALL AND IGNORANCE THROUGH DECEPTION, STUPIDITY AND FALSE TEACHERS. I SIMPLY APOLOGIZE TO MY OWN LAMBS WHO MUST BEAR THE FINANCIAL BURDENS, IMPACT, EMBARRASSMENTS AND DAMAGES SEEMINGLY ALONE. THIS, ONLY TO HAVE ADDED POURING ON OF EVIL BURDEN BY ONES THEY THOUGHT TO

BE FRIENDS AND WHO CLAIMED ONLY DESIRE TO SERVE AND SHARE AND BE-FRIEND. MOST LESSONS ARE PAINFUL IN THE LEARNING—SOME ARE NEVER LEARNED IN A GIVEN EXPERIENCE—I would ponder this last statement most carefully and consider wherein you may have gotten OTHER information AND PERCEPTIONS!

Am I, Hatonn, a "fun" "host" to job about with and play cops and robbers? NO, I am saddled with a mission to enlighten MAN OF EARTH TO TRUTH—not half truths, smoke rings, flower petals, beads and/or bangles. Please think of IT this way: I DON'T LIKE IT SO MUCH EITHER! YOU ARE A SPECIES OF PRE-DOMINANTLY MEAN, VICIOUS, GREEDY, SOLEY PHYSICALLY ORIENTED, PUSHED, CONFUSED AND HELPLESS, EVIL-CONTROLLED CHILDREN, MANY OF WHOM ARE STILL SEEKING DESPERATELY FOR GOD, BALANCE, PEACE AND TRUTH. IT IS FOR THESE THAT WE CONTINUE.

**Responsibility, unlike instinctive pursuit of pleasure, proceeds from inner conflict, fought on a battleground stretching from man's brain to his soul. From this individual struggle emerges a sense of values expressed through physical activity. May you come within the ability to see and hear and glean.**

## CALLED TO SERVE

BY

JAMES "BO" GRITZ

*"This is the definitive account of a nation betrayed. A spider web of "patriots for profit," operating from the highest positions of special trust and confidence, have successfully circumvented our Constitutional system in pursuit of a New World Order. They have infused America with drugs in order to fund covert operations while sealing the fate of our servicemen left in Communist prisons.*

*At the very least this book represents a factual, true-life adventure that will take you on a riveting journey from the White House, down a heroin highway, to Burma's Golden Triangle where you will meet General Khun Sa - undisputed drug overlord. You will infiltrate the jungles of Communist Asia to rescue U.S. POWs, and in turn be pursued. You'll be taken behind the veil of U.S. covert operations to view deceit and betrayal. At best, this will produce a crack in the facade of 20th - century American government, through which concerned citizens can view the looming peril and act in time to reserve our course while God gives us time." *(Editor's note: The two FAXs to the right, plus a threatening telephone call in front of several witnesses, all from "John Coleman", have necessitated that we share with our readers the following materials that otherwise would have remained private. These can be considered as an Appendix to the matter that was introduced on page 12.)*

9/3/92 #1 HATONN

RESPONSE TO BARBARA ANN RUBIO, PATRICIA YOUNG and "JOHN COLEMAN", and John and Jane Does, 1 through 7.

E.J., You are to immediately get this letter of threat to do harm and damage to persons and property, to Mr. Tipps, Mr. Dixon and other attorneys as deemed appropriate.

Next, have legal "recovery of property" warrants drawn immediately to recover automobile from Alan Fazie, computers, Fax equipment and whatever other property is held by John Coleman as well as clearing up all properties with the Common Law Service Center.

All work on the fabrication plant shall be stopped immediately on the agreed upon housing project in Keene and Arvin—until we secure funds to insure payment of architects and developers for services already rendered. If project can be placed on "hold", please do so for funding is indeed close but immediate problem with legal situation with Ms. Rubio is too binding on resources this date.

Also, cease all work under way on greenhouses, hold generators and tractors in "hold" until coverage can be assured of *LIBERATOR* publication and mailing.

Transfer the gold in point immediately to Ms. Rubio's address in Tehachapi, the courtesy of shipping it to the Colorado address is now inappropriate due to demand.

I can assure all participants and interested parties that we do not work through "threat" or "coercion" by such blackmail tactics. Every effort has been made to meet Ms. Rubio's demands and this assault is without merit, inappropriate and any damages to characters of either persons or projects will be responded to immediately and by authority.

All contracts and agreements are fully legal documents, both the promissory notes and side agreements of any transaction. ALL parties participating in the Institute

Dear Don,

I was pleased to be able to talk with you last week on the subject of the people up in Tehachapi. I look forward to seeing your article in this month's issue of UFO, which I understood to be the second part in a two-part series on them.

I would be most happy to meet with you in Los Angeles for a discussion on the same subject, and to be a guest on your national radio show. There would be a great deal to talk about, much of which I don't believe you will have heard before. I will bring documents along for you to see, which I believe you will find most convincing.

These people have been slandering me in their *Liberator* newspaper and I have had enough of it. I have told them to cease and desist for once and for all and not to make any more problems for me. Let us see if they do—if they don't, then we will most certainly have a deal. There will be enough material for a third follow-up article and a radio talk show.

I will communicate with you again when get back from Dallas, which will Monday September 14.

Yours Sincerely,  
J. Coleman.

Thanks for your phone call advising me of the fax you sent me on Saturday. I am still in Dallas until next Sunday, but can respond to your fax re home address George Green in Carson City even though not at my office. The situation is I want to give the *Liberator* and Green a chance to mend their ways. I told them not to publish anything about me whatsoever in the issue of the *Liberator* going to print on Tuesday (tomorrow). I am out of patience with their slander and calumny that has lasted for four months. If they stop publishing attacks on me— and it will have to be on a permanent basis— then I will not be able to help you—I must keep to my side of it. BUT, if they put anything at all in the Tuesday issue of the *Liberator*, I will give you Green's private address in Carson City and if he evades service there, I will tell you exactly where to find him in Los Angeles next weekend, at the location where he is due to speak at a seminar, and have someone point him out to you. It all depends on the behavior of the *Liberator* and Green as to whether I can help you or not.

Most sincerely,

John Coleman.

through gold collateral investment ARE FULLY INFORMED AND KNOW WITHOUT ANY HEDGING THAT MONEY FOR PROJECTS IS BORROWED AGAINST THAT COMMODITY.

I WILL NOT ALLOW COLLATERAL COVERING OTHER PARTICIPANTS TO BE SOLD AT A LOSS TO SATISFY A TANTRUM AND FOOLISH CLAIMS TO MISUNDERSTANDINGS AND/OR INPUT AND ADVICE FROM ONES WHO ARE AS DEADLY ENEMIES TO OUR WORK AND SELVES AS ONES CAN FIND ON THE FACE OF THE EARTH. IT MATTERS NOT WHETHER IT BE IN IGNORANCE OR IN FULL-KNOWLEDGE. WITH JOHN COLEMAN IT IS WITH HATE AND MALICE AFORETHOUGHT (AND BY THE WAY, BARBARA ANN, HE IS NOT AN ATTORNEY—NOR IS HE ALMOST ANYTHING ELSE HE CLAIMS TO BE. NEITHER IS PATRICIA YOUNG A COUNSELOR AND/OR BUSINESS ADVISER).

I most certainly invite you to go to the State Attorney General, Ms. Rubio, for you will prove our point far more quickly than we can do it by simple recounting.

I find it interesting to note that you come and partake of gracious inclusion into our midst and then you ask, "Guided by Whom"? Why came you to this place in the first place when you were told ALL prior to your moving and/or participation? Nothing in our midst has changed—therefore, the assumption must be gained by observers that you were insincere, lied in the beginning and never wished more than to cause trouble, be an authority of some unknown kind and cause endless trouble for any who would try to accomplish tasks.

There is thorough explanation of ALL TRANSACTIONS—to ALL. It is not the business of ones such as Patricia, for she has nothing invested nor bears any responsibility to counsel any other on ANYTHING THAT TRANSPIRES IN ANY PROJECT OR BUSINESS INVOLVED BY ANY OF THE PERSONS HEREIN NAMED.

This has been an ongoing problem from onset—the tongue disconnected from reason and truth is the most damaging weapon available to mankind. Stirring through gossip is deadly and is, now, too painful to be allowed continuing.

I assume you have no insight into reality of my, or any other higher energy form, for you seem to think that I know not who is responsible for such uprising and chaos.

John Coleman holds equipment that is collateral for YOUR LOAN, Ms. Rubio—why not demand that he turn it over to YOU? Why do you not go to Sacramento and pick up your collateral from Gary Anderson? Perhaps you can reclaim the generator and equipment at Sandy Enz's place where the water system is being put in for the greenhouses?

I am going to take your demand letter

from top to bottom. Readers will have to refer to attachment. "That of an attorney" you consulted? Good luck. Dr. Coleman, I repeat, is not an attorney—he is an unlawful holder of some of YOUR collateral. Patricia is hardly an attorney—and other ones, such as Jason Brent—DO REQUIRE PRETTY HEALTHY RETAINER FEES. NOR WOULD ANY "ATTORNEY AT LAW" EVER SUGGEST THAT A TRANSACTION THIS SIZE BE COMPLETED BY THE END OF THE DAY WHEN THE PAPERS DID NOT APPEAR IN MR. EKKER'S HANDS UNTIL 4 PM OF THE SAME DAY. ALL BANKS AND GOLD DEPOSITORIES IN POINT ARE IN THE NORTH EAST AND CLOSE THEIR WORKING DAY AT 3:00 TO 4:00 PM (their time).

I believe you would consider it PRETTY BAD BUSINESS if Mr. Ekker or anyone else was holding your cash in HIS OWN BANK and, for your information, all wire transfers must be made early in the afternoon (to clear back East) from Bakersfield.

#### AT&T FIBER OPTICS

Go talk to the persons at Capital Hills and if you do not do that—I suggest you READ THE SIGNBOARD outside of Bakersfield which states AT&T. All ones who attended the ceremonies for groundbreaking on that project (which is the entire group present at the time) KNOWS AT&T, through spokesman Robertson, Austin, Thomas, City Mayor, etc., made a BIG THING of that development. There are still hundreds of dwellings to be built on that site, along with a Motion Picture/TV complex. At the same program was the President and developer of Pea Soup Andersen resort hotels and dining rooms (nationally recognized) having come to report that through our project there would be developed an entire Complex. I DO NOT BELIEVE THAT UNDER ANY CIRCUMSTANCE DID ANYONE TELL YOU YOUR FUNDS WOULD BE FUNNELLED INTO A FIBER-OPTICS CABLE—I REPEAT: UNDER ANY CIRCUMSTANCES FOR WE WERE NOT PARTICULARLY EVEN INTERESTED IN SAME. IT WOULD BE AVAILABLE AND WE WOULD UTILIZE IT TO ASSIST THE DEVELOPERS OF OTHER CONSTRUCTION.

"...The attorney says, in his opinion, the foregoing is CLOSE to deceptive practice." An attorney said "CLOSE to deceptive practice?" There is either deceptive practice or no deceptive practice—there is no CLOSE and attorneys in my attention are usually far more careful than this in what THEY say.

"Also, the promissory notes does not meet the legal definitions of a promissory note." Oh? Did this attorney tell you this also? The notes have been "tested" by attorneys prior to this and stand very well

indeed. Perhaps you checked with the wrong advisor.

The note states that "on demand for value received...", you say, but you fail to also include the side agreements and understanding agreements through which ALL ones are fully informed.

You have "repeatedly demanded my money back". Indeed, you have changed as the wind blows and the chimes ding-dong. Is this WHY perchance you demand that no one call you? How are these transactions to be made without CONTACT? What do you desire be done with your gold that you asked to have sent to Colorado next week, directly, and now you demand cash transferred into your bank account by last evening (with banks already closed for service). Do you actually think a court and jury would give credence to such indecisions?

If by your demand to see notes and transactions regarding your property—I discern that you feel there are no such things. THERE ARE NO SECRETS, MS. RUBIO. These are as reputable institutions as you will find. We are insulted by your accusations and suggestions. You will find the arrangements for the gold return on "hold" at your own request.

In the beginning you told Mr. Ekker that you wanted to place your funds into the Institute to invest in projects and "to keep me from doing something stupid with it". I suggest you reconsider your actions at present. You are getting just about as BAD advice as can be gotten.

I suggest, further, that if Dr. Coleman can get you to get your funds—HE WILL OFFER TO HELP YOU USE THEM against perhaps winning his suits against his perceived adversaries. Ones in the circle here, such as Cort Christie, are having to pick up utility bills because he "helped" by signing in their stead—"to maintain security". The last meeting Colemans attended at Global Sciences, he did not pay agreed-upon workshop monies and left the people in charge with bills for John, Jr.'s room and other charges. He holds our two computer setups hostage and has threatened that he has it rigged so that anyone "entering without permission" would be "blown up" by planted devices. This was to Charles, who simply went to pick up the emergency generator loaned. Does it not begin to appear that some of the charges against John Coleman as made by Patterson and Mullins might be correct? And George Green, who did nothing but pay for his upkeep, publish his book, distribute and "push" his book, etc., is now the brunt of a hate campaign nationwide?

Certainly you do not need to "believe in me, Hatonn" but I would think you might look most closely at that which IS going on. I think you might inquire as to WHY AND HOW IT IS THAT THERE ARE TWO TELE-

PHONE SURVEILLANCE HOOK-INS TO THE OFFICES. WHO DO YOU THINK SET THOSE INTO ACTION? WE ARE ALREADY OBSERVED IN TOTAL BY EDWARDS, CIA, FBI AND OTHER INTELLIGENCE GROUPS. DO YOU NOT THINK THE OBVIOUS SET-UP OUTSIDE IN THE SHOPPING CENTER IS A BIT TOO OBVIOUS?

You next say that "Failure to comply with this demand by the close of business today 2 September 1992 will force me to take further action, which action will be an approach to the District Attorney to ask for an immediate investigation into what you are doing and court proceedings against you. The attorney has these instructions. I am writing this letter to you simply to save costs." DO YOU NOT THINK "WHAT YOU ARE DOING" HAS BEEN INVESTIGATED AND INVESTIGATED AND INVESTIGATED AND INVESTIGATED? (???) THIS IS WHY WE DO EVERYTHING ABSOLUTELY WITHIN ALL LAWS! THIS IS WHY I POUND ON YOU ONES TO DO EVERYTHING WITHIN ALL LAWS—EVEN DRIVE WITHIN THE SPEED LIMITS AT ALL TIMES.

I realize that you are concerned and confer with friends such as Patricia who has preferred to stir from Hawaii to Sedona in just about everything thought of or not thought of. Is this intentional assault? Yes, indeed, for some perceived wrongdoing against her. I can think of no one here who has been given opportunity upon opportunity in this setting and yet continues to cause such untold confusion and problems. Does this mean I have no compassion? No, it means that all of you need lessons in discernment and self-growth management and I do not butt into your business or affairs. We do not have a church, group, cult or anything else, and yet we have welcomed all into our meetings that might be held for all purposes. We hide nothing for there is nothing to hide. The Elite Government itself gives us far less trouble and pain than the very ones who claim to be brother and twist the knife every opportunity.

Why ones stay in this location and, especially, continue to participate as if on demand, is beyond me. For you are either with me or against me—and there is no in-between. We are not an open place wherein ones have a "right" to be, somehow.

Further, WHAT DO YOU THINK WOULD HAPPEN IN SUCH A TRANSACTION WITH BANK OF AMERICA? DO YOU THINK THEY WOULD TEAR UP YOUR AGREEMENTS AND BE ABLE TO TRANSFER YOUR THINGS AS FAST AS WHIMS STRIKE YOU—AFTER CLOSING TIME??

I also find it interesting that you would write this letter "to save costs" when I will not allow others to stand loss because you demand above that which was agreed upon. E.J. has NO RIGHT TO AUTHORIZE SUCH A TRANSACTION. IF YOU WITHDRAW

FUNDS, THAT IS ONE THING—TO WITHDRAW FUNDS WHICH YOU AGREED COULD BE UTILIZED AND LEFT UNTIL COSTS WERE RECOUPED, THEN YOU SHALL STAND THE LOSS. THIS WAS NO MISUNDERSTANDING—YOU FULLY UNDERSTOOD—TWO OR THREE MIND-CHANGES AGO AND IN THE VERY BEGINNING.

### HORRIBLE ABUSE

"HORRIBLE ABUSE I HAVE SUFFERED AT YOUR HANDS..." Horrible abuse? (???) IT MIGHT WELL BE UP FOR GRABS AS TO WHO IS PRACTICING ABUSE.

"I have asked for and obtained a watch (monitor) on my telephone. I hereby advise you that I do not wish you to telephone me under any pretext..." Who has ever called you? Why would anyone call you now? If you are receiving calls, I suggest you are NOT RECEIVING THEM FROM ANY IN POINT HEREIN. I CERTAINLY DO KNOW ONES WHO PLAY THOSE GAMES—BUT THEY ARE NOT HEREIN NAMED BY YOU.

"...nor will you contact me in person. Failure to honor this demand will be treated as a further example of abuse by you. THIS APPLIES TO ALL PARTIES NAMED HEREIN AND ANY AND ALL ASSOCIATES."

And just how do you expect to get your property, Ms. Rubio? "All associates" is EVERYBODY.

"Please be assured that failure on your part to refund my money in the full amount of \$87,042 [by 9/2/92] [letter written and faxed sometime around noon on 9/2/92 and received by Mr. Ekker via Mr. Green after 4:00 PM 9/2/92 as Mr. Ekker was out all afternoon.], will mean that the matter will be turned over to the District Attorney forthwith and summons issued against you without any further warning." Summons issued? Without any further warning? Do you have any idea of the implications of what you just threatened?? And, what in blazes do you expect these ones to do with the gold already being held for shipment to you at People's Bank—AT YOUR REQUEST?

"I have already contacted the 'Bakersfield California' newspaper and told them that I might have a follow-up story to their article on you, one which will be of real interest to them and their readers." I assume this is a threat? Blackmail? What in the world difference could it make to anyone here? Publicity only clears this work and rebuttals become necessary and your "attorney" will become involved if you do such as will other "advisers" such as Patricia, Coleman, etc. This is fine with us because that gets publicity that we cannot seem to be able to purchase at any price.

"If you do not refund my money TODAY, Wednesday, 2 September 1992, I will give

the reporter who said he would interview me all of the details of how you conduct the gold business together with the documents. Be assured, no delays, subterfuge, wavering, or any and all other excuses you may put forward will not be accepted." **Thank you, go for it, chela. This gives us opportunity to fully explain the transactions and we will also present all documents—signed by you—assumed to have been done in full mental capacity.**

You sign off, "Yours faithfully,". I guess we leave that line alone.

Now, you have prattled this all over to everyone you can talk to—including other business establishments such as the "mail service". You have indicated that there is some sort of clandestine "group" involved here when there is NOT. You made a valid business arrangement and now you do not wish to keep your portion of the agreement—purely and simply. You who would continually tear us down continue to come within our sharing and ones here understand it not. I DO understand it and I am quite filled up with the subterfuge and total deceit.

All ones are told at onset that we are NOT in the gold business, we are not in the investment business—we are serving as a security place wherein ones who wish to share in the projects and work can also find security for their assets. NEVER has it been a solicitation for investment—only an opportunity for safety and sharing of building safe placement and protection of both self and assets. How dare you utilize that which is structured for those who want to participate for your self gain and then expect to gain at another's expense. How dare you ones come and TAKE and give only pain, threats and blackmail in exchange. YOU HAVE COME TO THE WRONG PLACE FOR I COME AS A HOST OF GOD IN GOD'S SERVICE AND I DO NOT BLACKMAIL NOR DO SLEAZY CORRUPT BUSINESS. YOU HAVE SOME PROBLEMS AND SOME BAD ADVISERS. THEY ARE NOT WITHIN THIS NAMED CIRCLE. I ANTICIPATE A MOST SAD AND LONELY JOURNEY FOR YOU, CHILD, FOR YOU TURN AWAY THINE STRENGTH AND BANISH THOSE WHO WOULD SUPPORT THEE. WE HONOR THAT REQUEST FOR IT BE FREE-WILL CHOICES. WE WILL NOT, HOWEVER, CAUSE ANOTHER LOSS THAT YOU MAY GAIN UNDULY BY AFFRONTING ACTIONS AS OFFERED HEREIN.

ALL DEBT DUE AND OWING WILL BE SATISFIED IN TIMELY MANNER—BUT NOT WITH LOSS TO ANOTHER. YOU MAY LEAVE YOUR TRANSACTION AS IS UNTIL YOU ARE SETTLED OR YOU WILL TAKE THAT WHICH IS VALIDLY DUE. THERE IS NO WAY TO ADEQUATELY RESOLVE THE SPINNING TOP TYPE BREAKING OF AGREEMENTS—WRITTEN OR VERBAL. IT BE TRUE, LOVE OF, AND GRASPING

GREED OF MONEY AND GOLD IS THE ROOT OF ALL EVIL AND THE DESTRUCTION OF SOULS. SO BE IT.

E.J. and George, I expect you to please handle this in the business manner expected. We have no concern about attorneys because we shall ask for recovery of damages and legal costs involved in this confrontation. The District Attorney's office will not take lightly such abuse of the system and all funds, etc., are easily accounted. It is time-consuming—I ask that these problem people be kept from Dharma because we have now wasted three days of this week in this type matter.

My instructions were to simply stop all meetings of public nature beginning with this week-end next. I will withdraw that request and await resolution of this matter. This must be presented to all participants as is, I said that henceforth I would bring these things public to ones who do attend meetings and I meant it. I do not threaten or coerce—I mean exactly what I say. I will not ask any more of Dharma and meetings are most certainly one thing I can relieve her of bearing. Neither do I intend to air "dirty laundry" in any more meetings wherein ones come to truly share and learn and co-experience.

I believe that there should be some arrangement made wherein the scattering of readings and writings every day is stopped. There are too many who only participate for the social function of it from fringe gossip range. We will not longer despoil the "family" by the ones who choose to tear down the "family" unity.

There are others involved in this than Patricia and John but these are the two having been openly named and I do not like to offer demerits to ones yet unnamed by the parties involved. There are other ones who are active and receive an earful at every opportunity—I can only suggest more discretion. We are nothing not presented as being and you who assume or act otherwise, are in error, not we who openly repeat: we are not a commune, group, cult, church or any other "thing". We write and share that writing to any who wish to receive it. If we meet, we share with any who wish to share, we are about securing the Constitution that we might be prepared for other higher events to follow.

If YOU do not wish to walk with us in the pathway—then I again ask you to —GET OUT OF THE PATH. IF you do not understand this message—then you are in the wrong place at any rate. How dare you sup at my table and then denounce me and my food. Oh, you say, I was just denouncing "your workers"? No, you denounce ME and through me, GOD! Whether or NOT YOU believe me to be who I claim to be (and if I be not so—why in the world are you here in the first, second and/or third place?) I AM WHO I AM AND I AM OF GOD AND

THAT IS SIMPLY THE WAY IT IS—I WILL NOT DEPART AND IF YOU-LIKE ME NOT—YOU SHALL DEPART. IS THIS QUITE CLEAR? MY MISSION IS MAMMOTH AND I WEARY OF SUCH PETTY PERSONAL AND SELFISH ATTENTIONS. YOU SHALL RECEIVE EXACTLY THAT WHICH YOU GIVE FORTH—YOU CAN DEPEND UPON IT. YOU WHO WOULD GET RID OF ME SHALL SURELY FIND IT SO—AND I HAVE GREAT PITY FOR YOUR LACK OF DISCERNMENT AND JUDGMENT. I NOT ONLY "RELEASE" YOU—I ASK THAT YOU GO IN PEACE FROM ME AND FROM THIS PLACE FOR WITHOUT ME IT IS NOT A SAFE PLACE IN ANY SENSE OF THE CIRCUMSTANCE. SO BE IT.

Dharma, I am sorry that the barrage continues and continues from those who have claimed to be friends. You shall not be bought by pieces of gold—return the purchase price to Barbara Ann and be done with it. She is confused and I am greatly sorrowful for her plight, but what is done is done and there can be no undoing of that which is past. We do that which can be reasoned and then we must allow release unto God for that over which we have no right of input.

I must ask, however, that you ones who are relying on "receivings" as received by another in your group each day—be most careful indeed—it is NOT of LIGHT any more than the "receiver" is a counselor for good mental balance. May you be ever discerning and if you cling to those things after having gone through all these sessions with me—then I can help you no further for you are still playing at "fix it" games and "searching" for THAT WHICH IS NOT.

Hatonn to clear, please.

Dharma, take a break and go and collect yourself and commune with me for a minute while we clear the hurtful fragments. We can allow the Hotline to go this day for that is another DEMAND that shall not hold us hostage. Perhaps we should put it on earth level that all understand. Those who petitioned and suggested, nagged and demanded this hotline—I note no funding for same. I weary of demands for more and more "give me", "give me" in expectation of another doing all "for". Bless you who continue to serve, and work, serve and work—and get so little, but ye be blessed and you SHALL have reward. It is the promise of GOD!

**9/4/92 #1 HATONN**

**THE VEIL REMOVED**

This will be as hard a document to write, and read, as we probably will have to give you, Dharma. I ask that you not question me until we are through. I AM Hatonn, I come in the Light of the Radiant ONE and

it is housecleaning day.

### EVIL INCARNATE?

I said yesterday that I would not refer to John Coleman again—I shall not. I shall use his alias as last used to destroy lives and characters of unsuspecting people in this community and who have lied about their association with ME and our workers—to remain infiltrated in order to gather information for one **WILLIAM CLARKE**.

**FIRST OF ALL I SAY FULL BORE AHEAD IS BEING MADE TO NOW CHANGE THE "GOLD" THAT BARBARA ANN RUBIO DEMANDED—BACK INTO CASH.**

This is a time-consuming task which brings in several brokers, the house which stores the gold and People's Bank which already has the gold ready for shipment to Colorado.

### VEIL REMOVED

I am a bit annoyed that you who have claimed to believe in me and my status have blundered so badly—I would hope not to the point of no return—but that will rest solely with YOU. I will not, however, longer have traitors, informers and liars in my house.

Attached you will all find a written document of the material offered by William Clarke on the speaker-phone of yesterday with all its threats of blackmail, etc. (See data/discussion starting on page 27.)

This, of course, is the same tactic used against Patterson, Mullins, Green and others who deigned to be kind enough to include him in their friendship and confidence.

Why did I offer his book with great shoving? Because it contains a compiled and integrated layout of the information YOU needed badly. By handling it the way we did, I, Hatonn, could monitor exactly that which was included—and none of the information was original—nor from insiders of the variety Mr. Clarke presented them to be. Please remember that Mr. Clarke had his son John, Jr. doing the *LIBERATOR* "for us, to 'help out'". Since the name I may not say again, is not valid—then you must also deduce that John Coleman Jr. is not any more valid than is Clarke's alias.

### SO WHAT'S THE BIG DEAL?

Mr. Clarke has given so much erroneous information as to be a disinformation whirlwind. He stated that "I can go back into South Africa because of my British passport"—but Don McAlvany cannot under any circumstances go back into South Africa." NO? Within weeks of the statement we had ones reporting on ATTENDING DON Mc ALVANY'S LEC-

**TURES—IN SOUTH AFRICA!** Beware, Don—for the intent of this man is to now move his gullible entourage to Colorado—**AT THEIR EXPENSE, OF COURSE.**

### PLANTED INFORMERS

His major informer was set up in the form of Patricia Young (also alias for something or other). She has remained involved with our work in EVERY niche and cranny (still) as long as she came uninvited into this community. She is also the one who finally drew Colm—, er, Clarke, into the circle.

This person has truly gathered information of great abundance—to assume can be used as blackmail against us. There is even this stupid allegation as to, "I will tell everyone where you got your massive sums of money." Now, that was a dead giveaway for there is NO money and not one thing in the past of either E.J. or Dharma is the least hidden. The point, of course, is to allow assumption of some kind of criminal con job, involvement in illegal drugs, etc. This is fully transparent because Dharma's daughter has an addiction to a man who is a drug user and an alcoholic. These "infiltrators" at every opportunity effort to "counsel" the child involved. (sic, sic)

This course of spying went so far as to take a young man who was befriended by these ones and ask him to inform on all activities of this child and her mate—to pay for information leading to arrest and public display. Then, when there was nothing to find there—he tried to get the young man to infiltrate a local motel complex wherein he cut the lawn, etc. The offer made by this "CIA" agent, was to set Brian up to infiltrate the household/office of these ones and, on cue, call and inform, and the IRS and CIA would "raid the place" at which time Brian "would also be arrested but immediately 'released' for services rendered." That didn't work either because there wasn't anything hidden and nothing to report. Do you not think if anything untoward were going on—these people would still be alive and well? The military intelligence, CIA and FBI all have direct lines into all the equipment, TV and electronic, in this place as well as the place where the *LIBERATOR* is put together for handling at the home office workshop in Nevada (Las Vegas).

This Mr. Clarke even tried to gain information from Cort Christie, who handles corporations, efforted to get him to "inform" and give private information, etc. Cort told him where to go and how to get there for his integrity toward you, whom he serves, is unwavering.

This man, who had stolen mailing lists from ones such as Warner and Patterson, now, by his own threats of blackmail, has

stolen (or had his innocent victim steal and/or aid and abet) (a felony offense) the mailing lists of both the *LIBERATOR* AND America West. This is WHY I MUST make this public for Mr. Clarke said he is going to mail everyone on the lists information against all of us and blow us out. E.J. asked if he would mind including a flyer or two for us, to save postage—he about went berserk.

### NOW FOR THE MOST PAINFUL

He has talked this little splinter group of gullible children into getting Barbara Ann's money and gathering up what the others have to input—and ALL MOVE OFF TO COLORADO—AT THEIR EXPENSE, OF COURSE. The reason for the immediate assault is that Green stopped supporting the man and there were no funds to help from this crew and he refused to return property belonging to the *LIBERATOR*, so he is without resources and plants stories with ones like Cort constantly about NEW equipment and then the sad story of Greens stealing from him and therefore he has nothing. Sad? How many of you writers have made anything to speak of, on your books? We will not include Shirley MacLain—I speak of factual disclosure of shadow governments. How many millions have you made, Mullins? George Green is in the hole by thousands and thousands on JOURNALS and those are but regular "magazines".

Indeed, this con-liar has sucked-in beloved seekers of truth such as Don and Ellen, Buddy, Alan F., Penny (who receives great strength and truth from Germain), Ellen H. (who actually is not so sucked-in, but stuck with these things taking place in her very own house, for Patricia lives there.

### SISTER THEDRA AND ASSK

Patricia has given a whole bunch of stuff to Clarke and he thinks, which I find amusing, he is somehow going to blow us out with ASSK disclosure. Seems to me that I was asked to stop printing the stupid quibbling of ASSK. It is unfortunate that Dr. Clarke never took the time to READ any of the information! Go for it, groupie, because Sister Thedra is dead now, and you can pick her bones without resistance.

This Clarke has prodded and probed and stirred up the University of Science and Philosophy to fever pitch—only to find themselves making total fools of themselves in court by the stupidly erroneous information fed them by Dr. Clarke (alias John Coleman). [I had to say the name (forgive me) because I am having a copy of this information sent directly to the President of that so-called University.]

### RENT AND STUFF

Clarke is OUT OF MONEY and, therefore, is pressuring Barbara Ann to do rash and confusingly foolish things in order to get immediate money to bail himself out, move (taking with him stolen property) AND, as they can do so—move this little bunch of traitors for it is assumed they will have no place here to share. This is NOT the way it will be—he does not want, nor can he handle, a group—YOU WHO DREAMED BIG DREAMS OF GROWTH ARE INTENDED TO BE OUT IN THE FREEZE—ONLY STRIPPED OF ALL ASSETS IN THE PROCESS.

### BAD, BAD POSITION

This man has placed Ellen B. in terrible circumstance for the taking of Mailing Lists (and you, precious, are the one being fingered for aiding, knowing and abetting—oh indeed, by the Clarke "guru" of undercover). This is a criminal felony offense and I do not know what George Green will choose to do about the situation.

### BO GRITZ RALLY

You who pitched in at "his" suggestion really did us a great favor and I am most appreciative. I think, however, that the glider port people are less than happy with you. WHO do you think stirred things up at Edwards and NASA? You got it! This man plans to leave you holding all the bags, with nothing left to hold onto. He has kept spies in places trying to glean information regarding project funding sources, such as keeping Patricia attending ones at a local motel wherein some contacts come—BUT ARE BRIGHT ENOUGH TO MISLEAD RATHER THAN GIVE FACTS—THIS IS OBVIOUS BECAUSE "WHAT COMES BACK" IS **NOT** WHAT IS HAPPENING!!!!

All this information, along with all prior information of the past few days—and the threats made with five witnesses present—by speakerphone with full identification—is turned over to the Constitutional Law Center AND the local police and District Attorney. Indeed, the same D.A. that Clarke threatens and advises Barbara Ann to utilize. Barbara Ann, love, are you just about to heave your cookies yet?

### INFORMERS WITHIN

I have told you regularly that you have enemies right in your own midst—does anyone still question me about that? But does not evil rout its own self out and devour itself if left to its own course of actions? Stay in the Light of Truth and God, and the adversary will reveal himself—EVERY TIME!

I have compassion for this person,

Clarke, and his family—because he has pulled so many “victims” into his trap that they would feed him for a year or so. Patricia came originally ONLY looking for inclusion, love and participation—now she is fallen into the trap. She is now “receiving” from most dark energies and pronouncing herself a counselor which will cost her EVERY SHRED OF ACCEPTABILITY. DOES THIS NOT, AS THE INFORMER AGAINST WEAVER, SMACK OF SHAME AND CRUEL DECEIT—TO COME WITHIN ONES VERY HOME, EAT AND PRAY TOGETHER—AND THEN BE STABBED IN THE BACK FOR THE LOVE GIVEN? HOW MANY OF YOU WHO ARE FIRST TO PICK UP YOUR DAILY WRITINGS—LIKE THIS ONE?

Think ye not that I KNOW? I watch you ones in the clandestine group—being first in line to get the daily writings and your own “guru” tattled on you. He said: “I already know (and that writing had not been out five minutes) *what you plan to put in that LIBERATOR and I am going to take off the gloves if you print it.*” All this with five witnesses. E.J. quietly suggested that he take them off at which point he was briefly stunned and then said, “*This is war?*”. E.J. responded something to the effect of “Fine, you’ll be seeing me soon.” This further “threw him”.

At every subject of things such as “computers” the response from Clarke was “I don’t want to talk about that.” This was repeated on every subject brought forth—IS THIS NOT INDICATION OF DAMAGED PROGRAMMING IN A ROBOTICALLY CONTROLLED MIND? Bush “moves his lips”, Reagan “can’t remember” and Clarke “doesn’t want to talk about THAT”.

### FRINGES

There is another one that is sorely used and I hope will see strength in this knowledge. This is “Jan” for you are being sorely used as a battering board, precious. Sandy was also a tool of the good Dr. Clarke and has now moved on from America West (but keeps her claws in the flesh) because there is play on your personal frustrations and pain. Be cautious, little one, for you are about to make some most horrendous errors.

Penny and Russell, please understand why it has taken long for me to respond to your petition and offer of assistance in the work load. This festering cancer had to be cut away before it became deeper and more deadly for any involved.

### THREATS

***I take the threats totally seriously. Further, the police will have this information in all cases, with copies in every set of hands which can be made public.***

***This includes Patterson, Mullins, Green, Davis, Mohr and many, many others. This is for security. Clarke has nothing to be angry or ill toward us—for we have done nought save help the man when he needed help. I would have kept silent had I not been pushed by such evil intent to destroy our mission and the brothers I love and protect. I am asked for protection and herein I give it to all who will receive it. There is nothing to “forgive” for foolishness and ignorance—but I will no longer tolerate the very enemy in my family room. THE CHOICES ARE YOURS.*** There are some, however, who must THINK most carefully—for I cannot see how you can recover confidence and again be content and at peace within this place. When you have SOLD your brother—ye become like the infamous Juda—too burdened to enjoy thine wealth. Take your gold, your wine and your deceit and go away from me, please, for yours is NOT WITH GOD, it be with the adversary and ye have been unwilling to learn and see. Most of you are simply dupes at the hands of a genius in action. Obviously, I have not been able to teach you discernment.

Each of you involved had best go within and remember exactly what has been told to you—for I see some of you holding back in KNOWING that something is terribly wrong and it is NOT with Ekkers or the work under way herein. I only ask that you go into your silent place WITH GOD OF LIGHT and ask direction—for you have been sorely and horrendously deceived and USED.

### BARBARA ANN

Do that which you will, little sparrow, for it is of your own choosing. Arrangements are being made as quickly as can be done to now get that gold turned back into “money” as you demand. There is no way to meet your demand, obviously, as to Wednesday last, but this is now turned over to our lawyers and all haste is being made to meet timely actions.

**I DO SUGGEST THAT THE SPEED OF NEED WAS NOT YOUR OWN BUT THAT OF WILLIAM CLARKE AND HIS ALLEGED FAMILY. ONE REASON HE NEEDS THAT MONEY IN CASH—FAST, IS THAT HE OWES CHIROPRACTORS, DENTIST, UTILITIES AND ALL OTHER BILLINGS. SO BE IT.**

### POLICE DOCUMENTATION

The reason for Police recording and holding of this information is that there have been actual physical threats, inferred threats of violence and I desire that such behavior and actions be carefully covered in protection. Dharma and E.J., Ed, Rick,

Charles and all you others, stay within my shield and don’t “test” it. Ed’s face tells you what can happen when simply exposed to “attempts” at clandestine assault. This time it is relatively harmless though incapacitating—KEEP WATCH MOST CAREFULLY—THE ASSUMPTION IS THAT YOU COULD BE PULLED AWAY FROM THE TASK AT HAND AND BRING DOWN OUR WORK BY SHEER “FEAR” OF POSITION IN MANAGEMENT. I’M TRULY SORRY THAT THERE HAS TO BE SUCH HUMOR IN THE CIRCUMSTANCE THAT YOU HAVE TO PAY YOUR OWN SALARY JUST FOR THE PRIVILEGE OF BEING ATTACKED. PERHAPS IT CAN BE CONSIDERED “INITIATION” INTO THE FOLD OF GOD.

### GEORGE GREEN

You ones who are flopping back and forth because you “really aren’t mad at Ekkers” or at least, “weren’t” but were bearing great animosity towards George and Desiree—I suggest you see what happens when that anger is expressed in the hands of “experts”. I can only hope that this will be good lessons for the Greens, as well, for you were just now on the brink of destruction and total discredit. I thank you for not questioning God’s actions or, seemingly, lack of action. We each and all must GROW and temper enthusiasm with wisdom and humble service. It was necessary that the things take place, including your move—I hope that you can now see it more clearly than at the painful time of transfer.

Hold the lamp carefully, little ones, and allow Sananda to heal the wounds—it is most hard, indeed, to see thine enemies when they dwell within thine house, so to speak. I ask that copies of this with all attachments be sent to the various appropriate persons.

Dharma, the wound in the heart will heal and you ones will be stronger for it. I see there is nothing to “forgive” and I am grateful that you have grown so much, dear ones, as to see the assault for that which it is and put it aside.

I do ask that faxes of this information be sent to the Constitutional Law Center for keeping as well as to the attorneys. Mr. Tipps may well wish to see to it that attorneys for the “University” get copies. Do not miss what Col—er, er, Clarke SAID: “I have an attorney in Fresno that will SURPRISE YOU!” Indeed, that University, I recall, has \$215 million (minimum) to stop our work. I think you now know how to spell Mr. Buchanan’s name or at least check out his law firm for interesting connections.

Low blows? I think it quite interesting and I have picked up a whole bunch of “believers” this day. Indeed, God does

work in most mysterious ways HIS wonders to perform—while Dharma is tucked away in a secluded basement room hour after hour, day after day. It becomes a bit apparent, does it not, that she must have either infinite vision—or HELP? Thank you.

Now, for those terrific “blasts” going on outside. I believe Penny will get a little confirmation of insight herein. I believe that Germain has told her to expect the big quake this week or next. I believe he would not specify—which is good confirmation of energy speaker, child. The day simply grows more close.

NOTICE:

It is now public record that BEFORE the earthquake in Southern Utah—there were loud “explosions” and THEN, the earth broke open—to the ongoing sound of explosions.

In Nicaragua, there were myriads of reports that multiple “explosions” continued and continued until all the villages thought the end of the world had come.

These blasts outside this day are seeming from the planes you will “see”, that is a lie—they are cover for the “real” game in playing. I know it is unnerving for it is ceaseless today—just roll with it, precious, because this day the ADVERSARY is caught in this trap and is angry, angry, angry and writhes and assaults with his evil venom.

# Dear Readers: Go For It!

Our country has reached a point in time where we must make an all out effort to elect Colonel James "Bo" Gritz as President of the United States. November is right around the corner and there is precious little time for us to act. Every one of us who supports Bo Gritz must do EVERYTHING within our ability *and beyond* to get him elected. Bo was chosen by GOD to lead us through these troubled times and we must not rest until he becomes our first honest President in many, many decades.

## Believe In Miracles

If we do ALL that we possibly can and then ask GOD for help we will succeed if it is HIS will. If we don't do ALL that we can, then we have no one but ourselves to blame for what the adversary pulls off against us.

Please contact *everyone* and *anyone* who will listen to you about Bo Gritz and what he stands for. Call or write all of the media sources listed below. And don't give up until they listen!

If enough of the American people find out what our government and the private banksters have done to us, then surely there will be a strong positive reaction to keep the

ball rolling and recapture this once great nation under Bo Gritz' capable leadership.

It only took 3% of the *American people* to defeat the British during the American Revolution. Do we have the resolve and the guts that our forefathers did to free ourselves, once again, from yet another King George's New World Order and the insipid Banksters?

Remember that this world is the means and the platform by which we as the Human Species must learn and progress Spiritually at this time. We must recognize and meet the challenge. We must not let the adversary have his way.

America is in a unique position in that as we go, so goes the world. Let's do our very best to lead the way.

If you can afford to buy some literature please contact Bo's campaign headquarters and order campaign videos and brochures to help spread his message. Also, if you can arrange local cable TV air time, then ask Sybil at the campaign headquarters to send you a copy of either the 29 minute or the 60 second, 3/4 - inch format, videos. **The telephone number for the campaign headquarters is 1-800-633-7692.**

**(#8) AIDS: THE LAST GREAT PLAGUE**  
 by Sananda, Hatonn, Ashtar, Tesla & Russell  
 \$10.00...150 pp  
 ISBN: 0-922356-04-1

The deceptive origins of this man-produced disease are revealed, including the link with cattle and sheep viruses. The sobering introduction of AIDS as a means for population reduction by the World Health Organization through the Smallpox Vaccination program is exposed, as well as involvement by the Public Health Service through a Hepatitis B study on homosexual men in New York, Los Angeles, and San Francisco. Learn of the unique mutating ability of this virus and why there is no such thing as "safe sex". Viruses are crystalline structures, and therefore, may be destroyed through the use of electromagnetic sound and light frequencies. The cutting-edge research of Strecker, Rife, Priore, Russell, Crane, Cathie, and Tesla are all explored in this profound and troubling work. Become informed by the story behind the story you are being told.

**PLEIADES CONNECTION SERIES:**

The following series of Journals (or audiobook sets) are called "The Pleiades Connection" series because a goodly number of Earth humans are from the lineage of ones from Pleiades.

**(#22) PLEIADES CONNECTION Vol. I**  
 by Gyeorgos Ceres Hatonn  
 \$10.00...165pp  
 ISBN: 0-922356-31-9...12/90  
 or Audiobook (7 tapes)  
 \$30.00

What are the origins of human? What is man's purpose on earth? In this compelling and profound JOURNAL the direct link with the star system Pleiades is given. Covering a vast range of topics, a number of important issues are explored, including: The basic differences between the religious beliefs of Christianity and the spiritual "Christ" way of life \* The advantages

of Dome housing \* Pleiadian cosmologists \* The "Golden" Age \* The purpose of planetary cycles \* Rules governing Pleiadian Contacts \* The Ancients/Native people and their connection to Pleiades.

**(#31) GOD SAID: LET THERE BE LIGHT**  
 Pleiades Connection  
 Vol. II  
 by Hatonn & Germain  
 \$10.00...223pp  
 ISBN: 0-922356-42-4...6/91  
 or Audiobook (8 tapes)  
 \$30.00

The nature of God and Creation is LIGHT. This JOURNAL offers a comprehensive understanding of our very nature, where we came from and ultimately return to, and how to create *balance*. Among the vast array of concepts which are presented: Expansion and Compression equals life/death cycles \* The true meaning of sensation, consciousness, Cosmic Consciousness, "thinking", Imagination and Inspiration \* Illusion and Reality \* How to KNOW God \* The Voidance Principle \* Two-Way Universe \* Polarity \* The principle, law and symbol of Love \* Wave fields \* Cubes, Spheres, and Spirals in Nature.

**(#32) I AND MY FATHER ARE ONE**  
 Pleiades Connection  
 Vol. III  
 by Hatonn & Germain  
 \$10.00...238pp  
 ISBN: 0-922356-46-7...6/91  
 or Audiobook (9 tapes)  
 \$30.00

Master Germain details the nature of God/Creator and how He Creates. The various explanations include: the True Nature of electricity, gravitation, magnetism \* heat and cold \* The undivided light, the divided light \* cubes/spheres \* centering \* the power of Desire \* simulated idea and energy \* duality of electric effect \* the nature of matter \* the One idea (love) of Creation. Germain also explains the misconceptions of science about energy and matter \* The Mother/Father light is defined.

**(#33) MURDER BY ATOMIC SUICIDE**  
 Pleiades Connection  
 Vol. IV  
 by Germain & Hatonn  
 \$10.00...148pp  
 ISBN: 0-922356-47-5...7/91  
 or Audiobook (5 tapes)  
 \$25.00

Germain presents the details of what radiating atoms are, why certain atoms

and minerals are to be left in their natural state and the consequences of violating Nature's laws and processes. We are warned about the danger and seriousness of atomic energy and the resulting nuclear contamination to the survival of all life on this planet.

**(#34) PHONE HOME, ET**  
 Pleiades Connection  
 Vol. V  
 by Hatonn & Germain  
 \$15.00...190pp  
 Includes Two Audio Tapes  
 ISBN: 0-922356-48-3...8/91  
 or Audiobook (7 tapes)  
 \$30.00

Germain stresses the importance of communion (meditation) with God and gives excellent "how to" instructions to accomplish successful communication with God. There are two instructive audio tapes to assist in relaxation, clearing your space and relinquishing your ego-consciousness to receive inspiration, knowledge and guidance from God.

**(#35) THE SACRED SPIRIT WITHIN**  
 Pleiades Connection  
 Vol. VI  
 by Hatonn/Aton & Germain  
 \$10.00...239pp  
 ISBN: 0-922356-50-5...8/91  
 or Audiobook (6 tapes)  
 \$25.00

God will work *with* you, not *for* you. Within these pages, find the wisdom of this truth. Germain, in his usual distinct style, clearly explains and defines: Higher Knowledge \* Cause and Effect \* the Mystery of Gravity \* the Spiritual basis of Polarity \* the Law of Rhythmic Balanced Interchange in nature \* the Birth of Character and Righteousness \* Cosmic Consciousness \* How Equal-Opposite pairs achieve unity \* Universal Rhythm \* why the Laws of God bring Balance \* the Paralyzing role of Fear \* the Nature of Free Will.

**(#36) HUMAN, THE SCIENCE OF MAN**  
 Pleiades Connection  
 Vol. VII  
 by Germain & Hatonn/Aton  
 \$10.00...196pp  
 ISBN: 0-922356-51-3...8/91  
 or Audiobook (6 tapes)

## Constitutional Law Center Requests Help!

Dear Readers,

The Constitutional Law Center wishes to thank all of you for your support and prayers. It is because of your dedication toward preserving the Constitutional rights of everyone that we continue to become increasingly effective.

Currently, we are seeking experts in Constitutional Law, as well as other areas of law, to assist us with the tremendous research that we must develop. This research can be done in your area and forwarded to us via fax or mail.

We are especially in need of the legal knowledge of suspended, disbarred or retired attorneys and are desirous of establishing contact with those who are naturally "drawn" to the study and practice of Constitutional (Common) Law.

We urge you to contact us if you, or someone you know, are available to perform such research for the Constitutional Law Center.

And again, we thank you for your tremendous support.

Sincerely,

**Gene Dickson, Director  
Constitutional Law Center
