PHOENIX LIBERATOR

"THE TRUTH WILL SET YOU FREE"

OCTOBER 6, 1992 VOLUME 20, #12

Randy Weaver Sincerely Praises Concerned *LIBERATOR* Readers

by Rick Martin

During the period of August 21 to August 31st, residents of Naples, Idaho experienced an onslaught of some **500** law enforcement agents covering the range of the (FBI) Federal Bureau of Investigation, (ATF) Alcohol, Tobacco and Firearms, U.S. Marshals, local Sheriffs, and the National Guard.

This massive show of force was not against some large, invading army, but against Randy Weaver and his family, who were holed-up in their mountain top cabin at Ruby Creek in a stand-off lasting many days.

When all was said and done, a U.S. Marshal was shot and killed, Weaver's 12 year old son was shot in the back and killed, Randy Weaver's wife was shot in the head and killed, and visiting family friend Kevin Harris, age 24, was severely injured by gunshot.

All of this because federal agents were snooping and surveilling the Weaver property, **without warrants or without announcing their presence**, and proceeded to shoot the barking family dog in an effort to conceal their presence. Weaver, wanted on the very questionable several-year-old

charge of allegedly selling a shotgun which was 1/4" too short, became caught in the crossfire of what would become a major incident. This fabricated charge only became activated upon Weaver's refusal to fall into another trap, that of serving as an informant against a local white-supremacist organization that he had nothing to do with. In subsequent media smears, Weaver has been accused of being actively involved in the white supremacist movement, which is **absolutely false**.

In reality, this entire matter has a deeper motivation in comprehensive and potentially volatile **knowledge** that former Green Beret Special Forces member Randy Weaver has of **our government's well-concealed Asian drug business**.

Through the daring and valiant efforts of Presidential candidate Colonel James "Bo" Gritz, the most decorated former Green Beret Special Forces Commander, also quite knowledgeable about **our government's massive clandestine drug businesses throughout the world, and its connection with our POWs**, Harris was allowed to surrender and receive badly needed emergency medical treatment. Randy Weaver and his three children were finally allowed

to surrender peaceably thanks to the intervention and compassion of Bo Gritz. See the September 1 issue of THE PHOENIX LIBERATOR for more of the amazing details on the **Standoff In Idaho**.

Randy Weaver, incarcerated in a Boise prison, phoned the offices of THE PHOENIX LIBERATOR on 10/5. Under advice of counsel the conversation was somewhat limited, as the call was carefully monitored.

Randy wished to express his deep and heart-felt gratitude to all PHOENIX LIBERATOR readers who have so kindly written to him while in jail. He explained that he has not been allowed to physically have envelopes and stamps, which are placed into a "small property" section. Some discussion with prison personnel was about to take place in an effort to resolve this stamp issue, as Randy is currently over 100 letters behind in responding. The letters he has received are so kind that Randy feels compelled to respond to each. He is currently receiving 10-25 letters daily, *most of which are from LIBERATOR readers*. It should also be noted that books and LIBERATORS which were mailed to Randy were allowed through.

Randy mentioned that Kevin Harris, his friend and fellow patriot, also incarcerated at the Boise prison for the murder of U.S. Marshal Degan, has now started receiving correspondence, which is very helpful. Harris has been understandably despondent and letters from outside are *greatly appreciated*.

The Ultimate World Order Zionist Domination Plan

*(Editor's note: We begin here where we left off at the end of writing 9/27/92 #1 on page 25 of last week's LIBERATOR. This is the third and final "installment", in the sense that the writings on this shocking subject have spanned three consecutive LIBERATORS. Through a new source of material, Commander Hatonn is reintroducing the issue of the **Zionist Plan for World Domination**. This plan is as sick and satanic as they get, yet in spite of how long it has been around, far too many Americans remain oblivious to its existence and daily operation in our world. On page 15 of the LIBERATOR of two weeks ago, prefatory to beginning this subject, Commander Hatonn outlayed **Public Law 102-14**, passed by our crooked Congress in March of 1991. That law covered the related "minor" matter of a legislated Zionist religious domination over America—slipped in under the guise of a so-called Education Bill. It's way past time to wake up and face what's behind the ruination of this once great land of America.)*

9/28/92 #2 HATONN

May we please begin right away with the continuation of the subject in point: *The Ultimate World Order* as pictured in *The Jewish Utopia*.

In continuation of the subject regarding "Armageddon" let us move right in to

WHO WILL WIN?

QUOTING:

According to the Utopian plan, the anti-God Communist forces will have to be destroyed, after they have served their purpose. For the Zionists want all the world to worship a god, *their* god. They who have made Communism so monstrous evidently expect to be our St. George, and the more monstrous the dragon the more glory to the Zionist knight-in-armor who cuts off its many heads, saving mankind (for such as remains of mankind). Socialism, Socialist governmental monopoly power, will not be one of the dragon heads to be cut off, but anti-religion will be.

It would surely seem that America is to be on the "righteous" side since our policies, like Britain's, support Zionism while the Communists shadow-box Zion-

ism. But it is not conclusive that the USSR is to remain in the camp of the "unrighteous". The world planners are opportunists and now they are building Red China into a mighty war machine, with know-how and equipment largely from the Soviet Union. It is my guess that the master strategists plan to hurl Red China against both the USA and the USSR thus once more forcing us into a wartime marriage with a Communist country. In a desperate atomic struggle no man would dare criticize our ally, Soviet Communism or Jewish Zionism or our own government heads. We would quickly merge into a coalition Communist-type dictatorship with the Soviet Union, a world government, all but unrighteous China.

But to be on the side of the "righteous" we must embrace the Zionist god with law and "justice" administered from Jerusalem. The atomic war with anti-God China might well take care of all who opposed such developments. In such an alignment the USSR might be "reformed" from its anti-God position and induced to accept the god in Jerusalem. The world would be Socialist and there would be no further debate about Socialism or Communism, but only mention of pro-God and anti-God, pro-Jewish and anti-Jewish camps—the righteous vs. the unrighteous! **[H: If you can't see that this has already come to be, albeit the labels may appear ever so "slightly" different and less obvious, then you are in critical circumstance. These things are already come to pass.]**

The role of any particular nation as of now must necessarily be a matter of conjecture on our part but the above plan would satisfy the Utopian requirements.

For several years we have been hearing the question: Will Israel be neutral in the next war? If not, which side will she join? **[H: It is most important right now that you realize it is out of Israel that the wars, themselves, are planned and caused, orchestrated and arranged so that someone else does their fighting and dying for them! Even to the financing. YOU pay the bill—through the bankers—to pay for the wars, making it possible to hold the war and then impossible for you to recover.]**

First, it is obvious that Israel would jeopardize the position of some two-thirds of the Jews of the world if she sided with the Communists against us, for these two-thirds reside in America.*

* The eminent Jewish writer and leader in England, Dr. Cecil Wroth, told a B'nai B'rith audience in Kansas City in **MAY, 1952** (as quoted in a Kansas City newspaper, the exact date of which does not appear on my clipping), "You have now in the United States a good two thirds of all Jews in the world." We do not know for sure how many Jews there are; the Jewish leaders historically refuse to publish reliable counts. Answering the question "Why is it forbidden to count Jews, one by one, even for a holy purpose," the *California Jewish Voice*, Feb. 15, 1957, gave the answer: **"This restriction is found in the Talmud (Babil Yoma 22b) where it is written that it is forbidden to count Jews even for a mitzvah."**

The New York Times (owned by the professional Jew, Sulzberger) in 1948 did dare to estimate (not necessarily counting "one by one", perhaps!) the Jewish population of the world, putting the figure at between 15,700,000 and 18,600,000. So if America has two-thirds of the total, we must house about 11,000,000 or 12,000,000 **[H: Sure does seem to me that if some 6 million or 6-1/2 million were murdered in the holocaust that the numbers are somehow inappropriate. I repeat—there were not 6 million Jews in the German area to be killed in any holocaust of any kind!]** Europe did not have six million Jews to lose during the war, as there were not that many Jews in all Europe; millions had left before the war started. Hitler could not have killed them. It seems obvious that they came mostly to America.

[H: Thank you, Mr. "Author", for repeating what I just said. This is the one biggest fact which disproves the Jewish holocaust story and WHY the Zionists make LAWS against questioning or publicly speaking in "revisionist" terms regarding their lies.] [End footnote.]

Second, if the Zionists did not get some of the Israelis slaughtered in the war, and did not maneuver to have Israel sacked

and perhaps burned, or atomized, they would lose the trump card which has drawn so many crocodile tears from us stupid Anglo-Saxons and got so many of our sons killed on Jewish-mapped battlefields. Israel will have to take part, and on the side of the West—or rather, fighting beside those Western nations who are to be duped and used.

Finally, Mr. Higger himself says Israel is to participate:

"...Israel, and the other righteous nations, will combat the combined forces of the wicked, unrighteous nations..."

From Prof. Higger's book, it seems that our own country and allies (no doubt Britain and France) are to be among the righteous! This is splendid news, the first news of victory, even before the war starts!

But are we to be victorious? **Not in the sense that any of us or our children and grandchildren can profit by a victory. For it is Zion that is to conquer all. Or such is the plan:**

"Assembled for an attack upon the righteous nations in Palestine near Jerusalem, the unrighteous will suffer a crushing defeat, and Zion will thenceforth remain the center of the Kingdom of God."

In the next world holocaust there may well be no victor, not even Israel. Certainly, if they succeed, you and I, as defenders of American traditions and individual freedom, will be on the liquidation list. We need not even expose Zionist activities to get into *"The Jewish Black Book"*. All we have to do is defend our race, our traditions, our religion and our freedom. Mr. Higger made that clear; and the Zionists attack, vilify and ridicule all Americans who become prominent in the fight for Americanism.

The Jewish Black Book Committee was listed as a Communist front in the 1947 Un-American Activities Committee Report. Its national head was the late **Communist-friend, Albert Einstein. The BLACK BOOK is apparently a list of Americans who dare to defend their country and its traditions. [End footnote.]**

How will they and their "righteous" agents, the "liberals", manage to suppress or liquidate such opponents in this country?

Many ways may be quickly developed under the hysteria of war, an atomic war. One way already is clear, and for this, machinery already is set up and ready: It is the Federal Civil Defense Administration, a Jewish invention. We will need "civil defense", and lots of it, if war strikes. But no possible combination of political appointees could conduct efficient emergency operations in case of bombing, fires, and general hysteria. The only force capable of coping with such an emergency is the local police in their own cities. They are familiar

with their respective cities and local environs and terrain and seasoned for handling people under excitement.

The only way on earth to have efficient "civil defense" in a war emergency is to have the responsibility where it already rests, under the American form of government—with the local city governments and the people themselves. Let the police chief hand pick, train, equip and organize a citizens' auxiliary and you will have genuine civil defense. The police chief and mayor naturally will work out plans for cooperating with the county law enforcement authorities, the county with adjoining counties, and all will work with the armed forces, to save their own lives and children. The authority must remain at home.

HOW TO CAPTURE AMERICANS

James Forrestal, the patriot Secretary of Defense, worked out exactly such a plan and, in the fall of 1948, asked police chiefs and sheriffs throughout the country to organize such auxiliaries. Forrestal was also, at that time, trying to keep Truman from building up the state of Israel in the strategic and oil-laden Middle East. The Marxist propaganda machine, headed by the Jewish smear agent, Walter Winchell, and the Anti-Defamation League mouth-piece, Drew Pearson, went into action against Forrestal. Rarely in our history has such a furious and lying attack been centered on any public official. By December, 1948, I predicted in a article (as any observer could have predicted) that Forrestal would soon be driven out of office. He was out by March, and, as the reader doubtless recalls, was hounded to near insanity and either jumped out or was thrown out the window of the Naval hospital (where he had been held virtually incommunicado, denied even the right to see a priest).

The surest sign that the inventors of the Federal (as opposed to local) civil defense machine were not concerned with providing genuine civil defense, to save lives, families and cities, and to preserve the local order of things, is seen in the nature of the organization they induced the President to set up: a Federal bureau of political appointees to run the entire civil defense, from coast to coast, the moment the bombs started falling, or the moment a region should be "threatened with invasion".

The hodgepodge of political appointees, even if they were seasoned field generals, could not get the job done. Only the local police could and can do it. The backers of the plan were unexpectedly challenged by a few far-sighted fighting police chiefs, sheriffs and perhaps some mayors. They fought for weeks over who

should have the authority to give orders. Finally, the local government advocates won. Congress for once wrote into the bill the American way.

But no matter what the law says; every head of the Federal Civil Defense Agency has been a left wing "liberal" internationalist, fawning on the famous Jewish leaders. And the legal counsel is a Jew who has publicly called for the powers of dictatorship over the people in case of war. And the machine has set up a chain of command, down to the state, county and city, of political appointees of "liberal" internationalist leanings, or else oblivious to the world revolution in which we are caught. Neither these lower appointees nor the American people in general realize that the American system, and the Federal Constitution, prohibit the Federal government from coming into our state and our city to police us, under any circumstances, even in war, unless and until asked to do so by the legislature, or if it is not in session, by the Governor. **[H: You should be in total panic at this point in realizing that you now have KGB-trained sheriffs to police you and ready to enforce martial law and UN troops (so it isn't your own sons) to enforce all regulations in any circumstance—all prepared to respond when the chaos is ignited.]**

This mighty wall has been our defense for nearly 200 years. It has protected us from a government which otherwise would have become a dictatorship long ago. Freedom can be had only by leaving all police powers entirely to the local community. But we have to man this wall of freedom or it will be beaten down. And if the people do not even know it is there, if they do not even have an inkling of the meaning of local government, and human freedom, how are we to expect them to man the Great Wall of Freedom?

[H: Now, I believe, you can see how dated this book really is. You have passed all requirements of downfall to the point of being totally under regulations of FEMA at this very moment. At the end of this dissertation I shall give you a rundown of who is this author. The volume in use is undated and bears no publishing information. This is for the protection of my scribe. I dedicate these writings in point to this man who braved the gauntlet to bring you truth decades past only to be tagged and battered by the opposition. Most of these patriots of the past will never be again recognized, but I shall do that which I can to see to it that as many as possible are not passed in vain for there was no way to fulfill their missions in whole for the nations' peoples could not awaken and see and hear.]

The gifted gentlemen who plan the take-over must know all this. They must

know that as soon as their planted agents sound the alarm, over radio and television stations owned or dominated by prominent Zionists, the people will take orders from these voices, and the local police will be squelched. For 25 New Deal years our people have been conditioned to take orders from Washington. **[H: Make that 'over half a century' now.]**

Thus, no matter what the law says, the revolutionaries who advise and guide the liberal political appointees will have the upper hand and give the orders, from the first alarm. They will have to use the local police, but they will quickly replace any police chief or mayor who tries to exercise his constitutional duty to his people. They will shut down the schools, churches, libraries and courts, because their whole aim is to destroy local government and state government—the rock which so long has made Communist-Zionist take over impossible. And the political figure-head arriving in each community will get his orders as to whom to liquidate from the local secret agent of the Anti-Defamation League of B'nai B'rith. This Zionist machine, by its own bulletin, has agents in 2,000 American cities.

All Americans who recognize the revolution for what it is, and who dare to protest the destruction of local government and the imposition of a Federal police dictatorship—these “unrighteous” citizens will just disappear in the smoke and the hysteria.

You will not be able to write, wire or phone your Congressman, for the Federal Civil Defense Agency will control the mail and the telegraph and telephone systems.

HOW CAN WE DEFEND OURSELVES?

The only defense you and I will have is to educate our neighbors now, while we have a chance to reach them with the facts.

Under such a situation it may be worth a great deal in the struggle to regain freedom, for the citizenry to realize that the defenders of constitutional government will be *legally* correct; while the oppressive government which usurps the rights of local and state government will be in the position of the revolutionary. Under such circumstances the Constitution seems clearly to authorize the people to make war on the usurpers. Article II of the Amendments says:

“A well regulated militia, being necessary to the security of a free state, the right of the people to keep and bear arms shall not be infringed.”

And Section I of Article XIV of the Amendments says:

“...nor shall any state deprive any person of life, liberty or property without due process of law.”

Other Articles also specifically provide protection for citizens who defend

their constitutional government.

The reader who is unaware of the viciousness and determination of the revolutionaries may refuse to believe that any group in such a powerful position in our country has any such designs. But they have already had 12 or more dry runs in as many American cities, using the equally revolutionary invention, the Military Government forces—which always are headed by leftist revolutionaries or “liberal” dupes. In 1951 these units seized nine cities in California, seized the mayor and police chief, posted proclamations of absolute dictatorship over the populace—and in the name of the United Nations Forces Military Government.

[H: Not simply to cause panic and hysteria but to inform you that you are witnessing it happening again ALL OVER YOUR NATION. FEMA has taken control and Federal troops have been introduced from Los Angeles to Florida—however, what may fry your nerves to a crisp: THE BLACK UNIFORMED DOOR TO DOOR CONFISCATORS IN EAST LANSING, MICHIGAN (AND SEVERAL OTHER PLACES) WEAR IDENTIFICATION EMBLEMS IDENTIFYING THEM AS UNITED NATIONS—FEMA—AND/OR MILITARY GOVERNMENT TASK FORCES. IN MICHIGAN, THE ID IS MGT F.]

So complete are the plans for seizure of power that they were leaked to the public via a magazine in 1955 [37 years ago!] The July 1, 1955, issue of *U.S. News & World Report* reported the plan which would annihilate the Constitution of the United States and possibly end for all time the individual freedom we have known:

“A military dictatorship, swift and complete, will take hold at the very moment of any big atomic attack on American cities.

“This is the word from top official sources in Washington following ‘Operation Alert’, the civil defense exercise just ended.

“The old idea of ‘standby controls’, which has been worrying some business men, no longer has any place in official planning.

“Instead, the President will simply take control—of business, banks, goods, prices, wages, just about everything—and worry about legal authority later.

“Martial law will be clamped on the entire country. This will be the President’s first official act after bombs start falling. With that act the President will assume almost unlimited powers. Dictatorship from Washington, or from the President’s nearby hide-away, will be backed by military forces...”

“Business will be blanketed by regulations already written and ready for issue.... Workers will be ordered not to strike, or change jobs without permission... Censorship will be imposed at once... Factories will be told what to produce... Farmers... may find their livestock, land and crops commandeered for military use...”

“In bombed out areas, martial law will bring strict discipline, enforced at gunpoint by whatever armed forces are available. The Federal Civil Defense Act will come into full effect, empowering authorities to requisition property, including private homes and automobiles. In these areas people will be subject to draft for whatever labor is needed.

“Individual rights and privileges will disappear for the time being. Habeas corpus, which protects a citizen against imprisonment without due process of law, will be suspended. So will freedom of speech... Under national martial law, so the thinking goes, there will be no time for haggling over Federal authority, no time for people or business to balk at doing what they are told.

“Once the dust begins to clear Congress will be asked to ratify the emergency measures ordered by the President.”

Thus, the end of the golden age of human freedom; the wiping out of the glorious Republic with its written limitations on government and its constitutional guarantees against highhanded, arrogant officialdom.

And what a perfect blueprint for conquest by the gifted Zionist planners (who inspired this Federal “civil defense” trap and whose fingerprints are all over it). Julius Caesar, the internationalist, who was always an underling of the Jewish financial and political leaders (and always heavily indebted to them for personal “loans”) thus destroyed the great Roman republic (after centuries of racial homogenization had reduced the people to a state of degeneracy).

We are still talking about milestones on the road to the Zionist’s Utopia. We have not yet reached the milestone of A-day, which is suppression of freedom inside our country, but we have reached a milestone on the road to racial and spiritual degeneracy; otherwise no President would permit a clique to draw up a blueprint for crowning him a Caesar; no President would dare think in such terms. If we had not reached a milestone down the road toward the take-over, Congress and the people would blast out of office any President who dared to put his stamp of approval on a blueprint to wipe out the Republic and end, perhaps for all time, human freedom. **[H: Sorry, chelas, but that milestone has come and is here! Remember, again, that this plan is to be in working perfection with depopulation almost complete BY YEAR 2000!]**

Our people and even our Senators and Representatives seem no longer to understand that the Constitution never gives Congress or the President any special powers over the states and the people, regardless of the emergency. Even martial law does not give the President the right to suspend courts and the process of justice, or the right to invade a state and take over

police powers (except by request of the state legislature or the Governor). Congress never has the right to grant the President any special wartime or other emergency powers. This innovation of our lifetime is simply a usurpation, an outright violation of the Constitution. The frightening aspect of it is that the people permitted it with little protest during the Second World War, and now raise hardly a voice against the "civil defense" blueprint for dictatorship. The people do not seem to realize that no such power is necessary or even advantageous: that the people, given leadership and information, will always respond and, under their local government and leadership, will accomplish more than under compulsion and Federal "planning".

Another milestone revealed in *The Jewish Utopia* which gives us a general clue as to the Zionist timetable:

"The advent of the new era will thus be preceded by the 'travail' of the Messianic time, namely, great distress, foreign invasions, confusions and moral decline. According to another tradition, the three generations preceding the Messianic period will possess abundance of silver and gold, and other luxuries. Hence, the people will lead an immoral and ungodly life."

Has our level of prosperity and easy living now so completely killed any public conscience, the courage to resist tyranny and subversion, that the time is ripe? Before the First World War the farmers and small town neighbors would have taken clubs and cleaned out the stinking mess in Washington, and would have made short work of the Communists and Zionists, the Anti-Defamation League, the NAACP, etc.

I remember those men and their courage in the early part of this century. We are now a generation of cowards and money grabbers.

The milestones show that the revolutionaries expect to bring on the crisis very soon.

Salu.

INTERRUPTION ON ROSS PEROT

Many interruptions have occurred since we began the various writings of today.

I wish to finish this document so please understand, readers, that it is after 8:00 P.M. and we are weary.

We will take up the happenings and strategies that are under way with Perot and the politicians but let it be not overlooked that the entire thing is a study in media interest. I think if you pay attention to that which we have given attention, you can see how things are shaking out. Will Perot run? It doesn't matter in the least but it is nice to hear the voices of the people being raised above the roar of the media

chantings and blackouts. You will note that Perot does NOT get "blackout" treatment and THAT MEANS THAT IN SOME CAPACITY HE IS ONE OF "THEM". With the undercover activities and meetings with Baker, etc., it certainly appears that this group does not want Clinton to win this election. You had best not want that either because with a PAC-bought Congress, you don't have a prayer in you-know-where of pulling out of this pit. There is so much more than meets the eye that we simply can't do it justice here tonight. I have probably said far too much as we have moved along because I want YOU to see what is happening—not just have an observer make observations.

Is Perot telling you-the-people the truth? Indeed, but you have to remember he is an advanced guard guest at places like Camp David and where all the "good old boys" go to meet and scheme and play. He has anteed money every time the request has been pushed—from POW backing to anything requested of him. Bush is an old friend and, yet, Brent Scowcroft has his admiration and total respect (in Perot's own words) so you have a real can of worms here. Obviously the Bilderbergers want Clinton in the seat and right now Bush is NOT running the U.S. already. Therefore you may find that the most secure way to go to buy time and not have the entire nation collapse is to somehow insure that Bush makes it—that is, of course, the Republicans or an outsider who can be controlled, because the man in the slot makes no difference.

From here on in you are going to be surprised at just WHO seems to be coming to the rescue because the top Zionists may have overplayed their hands a bit too heavily.

The bombardment against you is in full-blast ahead and nothing is changed in the overall "PLAN".

So, back to quoting:

CAN THE ZIONISTS TRIUMPH?

There remains the big question: Can they win?

After reviewing the steady progress the Jewish nationalists have made for centuries, in revolution after revolution, and the appalling power they have today as they near the climax of their amazing 2500-year struggle for domination, it might sound ridiculous to say flatly "NO". Any answer is obviously no more than an opinion, or a blind faith. My answer is, and always has been, "No". I just do not believe the selfish, scheming, bloody, utterly unmoral Zionist cult can destroy the whole world and bring the smoking remnants under its control.

I believe they have gone too far already. They are challenged in the Commu-

nist countries by the people and now they are challenged even in the stupid, kindly, tolerant and timid West where the Zionist curtain of secrecy cannot be kept down much longer.

No matter who incited the Hungarian Revolution of 1956, the fact that thousands of Hungarians, including many or most of the younger generation who were supposed to have become indoctrinated with Communism, were willing to fight to the death for their freedom told the tale: The Communist monster cannot destroy the love of freedom; even in the slave state of Hungary, after years of Communist brow-beating, men will die for freedom.

An article in the August 18, 1957, *Los Angeles Examiner* quotes Chiang Kai-shek as reporting rebellion throughout Communist held China—this after the Reds have killed an estimated 15,000,000 of the community and provincial leaders, the best blood of every community. The leader of Free China, who has fought the Reds, ideologically and militarily, since 1927, and who is no gullible optimist, made the blunt prediction that "the general collapse of the entire Soviet empire and international Communism" is underway—one of the most heartening statements published in this generation.

However, the Generalissimo undoubtedly based his prediction on the assumption that men and women both in and outside the captive countries would keep on struggling and fighting the monster and he warned that, if the men in the Kremlin see their empire crumbling, they may risk an atomic war in the hope of saving it.

It is well known that the Red empire has been on the verge of bankruptcy or internal collapse several times in its history and might well have been overthrown or failed but for the intervention of the United States. Repeatedly we have rushed food for millions of discontented, hungry rebels, or made loans to the Communist government of Moscow, or instituted some hands-off policy such as Dean Acheson's policy of "containment". The policy of the **Roosevelt-Truman-Eisenhower internationalists** has been to do nothing which would seriously harm the Communist governments. This has given them time to grow and consolidate their gains. **[H: I guess you can see that by no mention of subsequent Presidents since Eisenhower, you have really "dated" this Journal. This can only bode ill for you-the-people for you can see what has happened. There is no lessening of Communism or Zionism—there is only a lip-service sly and clever move to hide facts and call the hornet/scorpion by another label to further confuse your thinking. Look at the impact since Eisenhower—my, you have**

had to go through Nixon, Ford, Carter, Reagan and Bush—and I may even have left out one or two—BUT WITH ALL—THERE WAS ALWAYS HENRY KISSINGER PULLING THE STRINGS ALONG WITH A ROCKEFELLER.]

All the Red empire has needed was time—time to train mechanics, build factories, build a war machine, build super weapons with our laboratory secrets. **Now the Soviets have the weapons with which—not to defeat us, perhaps, but to precipitate Armageddon, and, in committing suicide, kill millions of Americans and wipe out our cities.**

The all-important job for us just now is to bring about the downfall, the disintegration, of the Red empire before the Zionists can use it to bring about the Armageddon which they must have. If we rob them of the war in the Middle East and the war emergency here at home, we will tear up their timetable and set them back perhaps a hundred years, giving us time to organize our defenses. [H: Do not be foolish to misread this for what you have “witnessed” is not a tearing down of the actual empire but a reshuffling of the players which is always a prime mark of the beast in operation. The point missed in this man’s writings is the supremacy of the Russian cosmic crews and craft—he knew not of such a thing at the time of his writings.]

At the same time, we should outlaw and destroy the Zionist cells here at home. **[H: Well, you certainly have NOT done this—in fact, they have grown steadily more and more powerful even to making their “religion” the public law of the land.]**

One thing we need to understand immediately: the Jewish planners are not infallible. Time and again their plans have misfired, in ancient, medieval and modern maneuvers. They expected to capture Europe through Communism and then all the world, quickly after the First World War. They expected to annihilate the Germans or completely break their fighting spirit by the Second World War. They planned to take over our country immediately after that war in the hysteria of an abysmal financial depression. They evidently expected something big to result from their 1956 invasion of Egypt, but instead they not only had to back out, but their eagerness for blood unexpectedly, almost incredibly, drove hundreds of thousands of Christian laymen and ministers (those who had not been hardened pro-Communists but only deceived, and well meaning “liberals”) away from them. All over America the Christian press turned on the Jewish militarists. Israel no longer was the sacred fulfillment of scriptural prophecy to these ministers.

[H: Hold your breath—is the above true? I thought you would catch the errors. Perhaps it appeared that way at the time of the writing—but in your country the evangelical movement has become totally Zionist and works for the fulfillment of the Zionists’ prophecies in the form of this PLAN—hook, line and sinker. Your own evangelist “Christians” have pulled down your nation into a Zionist movement.]

An Anti-Defamation League survey early in 1957 estimated that 75 percent of the Christian press had turned “anti-Semitic”. **[H: I am almost ready to not print the rest of this gentleman’s writing for if you are not paying close attention you may indeed think that I give you this as current fact. NO, his conclusions may have been seemingly as presented in 1958 but NOT IN 1992. So far, in 1992, the Zionists have brought about every last thing they set out to do and herein is where “hindsight” is so much better than guessing about that which may or may not come to be. The only reason I shall continue to quote is out of respect and honor for the incredibly insightful work of this writer in laying out the planning.]**

We will have to have just one victory at the polls, electing a President with both courage and understanding, to snap off the head of the Zionist snake and keep it from again coupling up with the body, at least in our time. The guilt of the Zionist schemers must make them extremely uneasy with every reversal, big or little. They are obviously guilty of disloyalty to the United States Constitution; they obviously have their own world tribal government and now also a political and geographical state, and their loyalty is to that tribal government and state. Obviously, they are trying to bring about the disintegration of our country and its subordination to a world regime under their influence. **[H: Obviously THAT president has not yet come along, has he? Will it happen this year? CAN it happen this year? How much do YOU hear about Bo Gritz from the national population? Could it happen? Yes, but it surely doesn’t look like it will be through ballots in 1992. And if you don’t do it in 1992—when?]**

This is treason.

And the recognized punishment for treason in all well ordered countries throughout history has been death. **[H: But what have you today? You have death to those who speak out against the treasonists. Doesn’t look too good, does it?]**

The willful, inner leaders of the Zionist world state must be punished and the hundreds of thousands of their followers who have had an inkling of what they were up to, must be banished—as the most

humane way to deal with mass treason. They must be resettled preferably on a suitable island where they can make their own living by the work of their hands (since that is what their utopian leaders want), but whence they cannot subvert our people and country, and whence they cannot escape.

In this time of discouragement for patriotic citizens, when even our own government often is used against us and against the interests of our country, we should bear in mind the example of an earlier patriot of another country, who went through darker days but won a historic victory. The little green-eyed Isabella came to the throne when she was 20, in a Spain that had suffered such complete degradation under seven centuries of Jewish machinations and Moorish invasions that she had to run time and again for her life. The “new Christians”, the hundreds of thousands of Jews who had gone into the Catholic church two or three generations earlier (in a political and commercial maneuver and for protection against reprisals) had practically captured the church in that country and were subverting it from within. (Their predecessors in France and Spain had inspired a movement called the Albigenses, which taught the gullible gentiles to believe that the body was evil, so the holy leaders should commit suicide; but which movement, at the same time, gave the masses such license that they sank in complete moral abandon.)

Isabella had a New England conscience and a patriotic zeal; she fought back. For 20 years she fought—not all Jews, but the guilty Jews—and their allies, the Moors. After a lifetime of struggle she succeeded in breaking the Moorish resistance in a decisive battle at Granada (in 1492) and a little later expelled most of the Moors and Jews from Spain.

[H: The next is the final entry by this author and is well worth heeding.]

IT’S UP TO US

Our political leaders are not going to save us unless and until the people demand salvation. It is up to us. We must organize for self defense. A single organization of white citizens, each required to study the racial history of his people financed by some of our many rich men, and inspiring a similar race-pride organization among the Negroes, with friendly cooperation between the two groups, could ultimately win the victory. Nature is strongly in our favor; neither the Negroes nor the Whites generally want “integration”; several million Negroes in recent years have signed petitions urging Congress to appropriate money to help them settle in a country of their own in Africa, and a bill is now before Congress to help them.

The enemy holds the whip only because of his skillful use of fear propaganda above our cowardice and ignorance. His hold on our presidential nominating conventions and on governments and peoples is precarious. Once we wake up and acknowledge that it is un-Christian to soften and subvert our own race, that in so doing we are betraying our children into slavery, once we begin speaking up against the fraudulent Zionist missionary of "brotherhood" and begin defending the future freedom of our own children, we will suddenly shake off the spell of the voodoo priests. Once we begin talking straight to our elected officials and giving them the necessary moral support, they will outlaw the Zionists as well as the Communists, and the black-magic revolution will vanish like a bad dream.

Let us be warned by the insane outburst of Mr. Higger when he said (p. 19) the motto will be:

"Righteous Unite! Better destruction of the world than a wicked world!"

Better destruction of the whole world if the Zionists cannot make us all conform to their requirements!

The Israelis now are making atomic fission materials in their own secret, guarded plant; and Jewish revolutionaries in America (famous Jewish radicals) have great influence over, if not outright control of "our own" atomic weapons and, unless there has been a recent change, a Communist Jew is head of the atomic projects in the USSR. Bombs can be placed strategically in our industrial cities and exploded at A-day by radar. Atomic dusts are so poisonous that a small organization could poison the nation's water supply (as Ana Pauker said the Communists would do when the time came).

There are radical Jews high and low in our bacteriological warfare laboratories; they can spread strange disease among us while covertly vaccinating the "righteous" among their own people. There is strong suspicion that they are already liquidating the foremost of our anti-Marxist leaders by invisible death, possibly inducing cancer in a Senator's bloodstream by atomic radiation planted in a chair cushion or upholstery.

Unless the American people recapture their government and smash the Zionist machine the insane elements in that machine may wipe out mankind.

Every man, sooner or later, has got to answer to his children and his country. How will you answer?

[H: Moreover—every man, woman and child, sooner or later, will also ANSWER TO GOD! HOW WILL YOU ANSWER?]

[H: Now, before changing the subject,

I have here a bit about the author which is written in conjunction with this information. I think, again, that it is best if I simply ask that what is written be accurately repeated. You have to understand that this is some 30-odd years old.]

ABOUT THE AUTHOR

Robert H. Williams, a native of West Texas, son of a Baptist minister, is a lecturer, news analyst and authority on subversive movements. He is a contributor to **Encyclopedia Britannica's "Ten Eventful Years"**, author of several booklets on Communism, Zionism and Americanism, and is publisher of the monthly newsletter **Williams Intelligence Summary**.

In 1942 the author, as S-2, head of the Intelligence staff section, for Basic (or Replacement) Training Center No. 4 of the (then) Army Air Force's Counter Intelligence investigative staffs in the AAF. Later he became executive officer for the Intelligence and Public Relations section, Headquarters Miami Beach Schools (commanded by Brig. General Ralph H. Wooten), with the title The Intelligence Officer. In this assignment he trained and directed the combined and expanded Intelligence section over the various Miami Beach Air installations.

For more than a year thereafter (in 1943-1944) he was a Combat Intelligence Officer (with secondary Counter Intelligence duties) in the Second Air Force, helping train bombardment crews. In August, 1944, he again was assigned to Counter Intelligence (detection and prevention of sabotage, subversion, etc.) as his primary duty, becoming the Counter Intelligence Officer for the 314th Bombardment Wing (of B-29s), and remained in that assignment to the end of his active duty, August, 1945, serving with the bomber wing on Guam, under command of Brig. General (now General) Thomas S. Power.

After the war, he was transferred to Military Intelligence Reserve, from which he was honorably discharged in December, 1950. As an Intelligence officer his efficiency rating was never lower than Excellent; for 12 consecutive months it was Superior. On departure from Guam for the United States he was commended by General Power "for your performance of duty as a member of the Wing Intelligence Section, particularly as Wing Counter Intelligence Officer. You have demonstrated ability and a devotion to duty which have served as a model to other members of the command."

COMMUNISTS ATTACK AUTHOR

Unable to deny the author's carefully documented charges of subversive

activities, the Communists and the Anti-Defamation League of B'nai B'rith circulated stories that "Williams is not and never was a member of Military Intelligence Reserve"—though for two or three years after these fables began to appear in ADL and Communist publications Williams was a Major in Military Intelligence Reserve. When he became over-age in grade and applied for a one-year extension in the Active Reserve, the **Anti-Defamation League** put intense pressure on G-2 at Washington to drop him, but after a four-month investigation of Major Williams and his publications, his file was marked "NO ADVERSE INFORMATION" and G-2 granted his requested extension, in the coveted classification of Counter Intelligence Specialist.

When President Truman designated Mrs. Anna M. Rosenberg as Assistant Secretary of Defense in charge of personnel (giving her almost absolute power to fill key positions with revolutionaries), Williams published a factual, documented expose of Mrs. Rosenberg's Red record. On the day (Dec. 21, 1950) the Senate confirmed Mrs. Rosenberg's appointment Williams was discharged.

Later a high ranking officer of the Adjutant General's Department told Williams that the Jewish revolutionary, the late David K. Niles, one of Truman's aides, had ordered the discharge via Mrs. Rosenberg. Presumably it was her first official act. The discharge was honorable; no charges ever were filed against Williams; it was issued under Para. 6a (11) SR 140-175-1, a paragraph under which an officer can be discharged (honorably) without so much as notifying him. The only answer Congressman John Phillips ever was able to get from the George C. Marshall-Anna Rosenberg Department of Defense as to why the author was discharged was that wide publicity given to certain statements contained in his booklet **Know Your Enemy** and his newsletter **impaired the author's future usefulness in Intelligence. Obviously, this referred to the fact that the author had dared to expose the Zionist revolutionary machine, including certain Jewish generals and officials who were pro-Communist or of doubtful loyalty.**

Williams' home town daily paper, the *Santa Ana Register*, classified this as one more of the political discharges for which the Truman administration had become notorious.

Williams' publication continued to grow in influence and circulation despite propaganda attacks and the pro-Communists made a still more extravagant effort to discredit the author. While the weak Congressman Harold Velde was chairman of the House Committee on Un-American Activities the **Anti-Defamation League of**

B'nai B'rith and the American Jewish Committee planted on the committee, as its chief legal counsel, their friend, a radical left winger, Robert Kunzig, and through him these two subversive organizations, which attack all anti-Communists, arranged and held a secret meeting with Velde in which Velde agreed to use their "finger men" and their so-called files.

Late in December, 1954, after Republicans lost the election and Velde was through as chairman and to be succeeded by the fighting American Congressman Francis Walter, and Kunzig knew he was to be fired immediately—he got up a pamphlet which he called *Report on Neo-Fascists and Hate Groups* (using the very terminology of the Communist and Zionist smear agents in his title) attacking more than a score of anti-Communists but not a single Communist individual or organization.

In this so-called report, Kunzig repeated the fables of the Communists and Zionists about Williams:

"Williams advertises himself as a member of Army Intelligence during World War II. The deception is evident from the fact that Williams' Intelligence duty comprised less than a year as an administrative officer for the Intelligence section of a bomber wing. In the position, he would have received no Intelligence information dealing with the Communist conspiracy. His assignment to Military Intelligence was merely in the Reserves, from which commission he was relieved by official action of the Army, effective December 21, 1950."

When the new chairman of the House Un-American Activities Committee, Francis Walter, read about this so-called report in the papers he angrily and publicly denounced it, said he had never heard of it before and that the Committee had no knowledge of it, and added: "This sort of thing is going to stop."

He got rid of Kunzig and in June, 1955, a four-man sub-committee of the Un-American Activities Committee, holding hearings in Los Angeles, convened a special executive session to hear Williams and correct the falsifications of his record of service in Army Intelligence.

With the appearance of Williams' latest booklet, *The Ultimate World Order*, revealing (probably for the first time in history) the actual Zionist plans for domination, the author expects renewed attacks by the alien cults to keep the people from heeding his warning. [End "Author" section.]

Thank you. Now, I shall just ask for a bit of reminding information:

TRUTH WILL SET YOU FREE

A FIFTEENTH CENTURY "PROTOCOL"

The principles and morality of these latter-day *Protocols* are as old as the tribe. Here is one from the Fifteenth Century which Jews can hardly pronounce as a forgery, seeing that it is taken from a Rothschild journal.

QUOTING:

The *Revue des etudes Juives*, financed by James Rothschild, **published in 1889** two documents which showed how true the *Protocols* are in saying that the Learned Elders of Zion have been carrying on their plan for centuries. **On January 13, 1489**, Chemor, Jewish Rabbi of Arles in Provence, wrote to the Grand Sanhedrin, which had its seat in Constantinople, for advice, as the people of Arles were threatening the synagogues. What should the Jews do? This was the reply:

"Dear beloved brethren in Moses, we have received your letter in which you tell us of the anxieties and misfortunes which you are enduring. We are pierced by as great pain to hear it as yourselves.

"The advice of the Grand Satraps and Rabbis is the following:

1. As for what you say that the King of France obliges you to become Christian: do it, since you cannot do otherwise, but let the law of Moses be kept in your hearts.
 2. As for what you say about the command to despoil you of your goods: (the law was that on becoming converted Jews gave up their possessions); "make your sons merchants, that little by little they may despoil the Christians of theirs.
 3. As for what you say about their making attempts on your lives: make your sons doctors and apothecaries, that they may take away Christians' lives.
 4. As for what you say of their destroying your synagogues: make your sons canons and clerics in order that they may destroy their churches.
 5. As for the many other vexations you complain of: arrange that your sons become advocates and lawyers, and see that they always mix themselves up with the affairs of State, in order that by putting Christians under your yoke you may dominate the world and be avenged on them.
 6. Do not swerve from this order that we give you, because you will find by experience that, humiliated as you are, you will reach the actuality of power.
- "Signed V.S.S.V.F.F., Prince of the Jews, 21st Caslue (November), 1489.
- In the year 1844, on the eve of the Jewish Revolution of 1848, Benjamin Disraeli, whose real name was Israel,

and who was a "damped", or baptized Jew, published his novel, *Coningsby*, in which occurs this ominous passage:

"The world is governed by very different personages from what is imagined by those who are not behind the scenes."

And he went on to show that these personages were all Jews.

[END OF QUOTING.]

So, you might say that "this was in 1844 and 1889 and could have nothing to do with any current events"—Oh? Please, read on:

THE FATAL DISCOURSE OF RABBI REICHHORN

In its issue of 10 March, 1921 (No. 214) *La Vieille France* gives the version of a funeral oration which was published in *La Russie Juive*. It is perfectly clear that the funeral oration and the *Protocols of the Elders of Zion* come from one and the same mint. Both are prophetic; and the power which made the prophecies has been able to bring about their fulfillment. This oration is so important that we again print it herein. There can no longer be any doubt as to whose is the power which is disturbing the world, creating World Unrest, and at the same time reaping all the profits. Jewry is enslaving all Christian peoples of the earth as well as all God-loving peoples of other doctrines. **There IS a Zionist World Plot and it now stands finally and completely unmasked.**

1. *Every hundred years, We, the Sages of Israel, have been accustomed to meet in Sanhedrin in order to examine our progress towards the domination of the world which Jehovah has promised us, and our conquests over the enemy—Christianity.*
2. This year, united over the tomb of our reverend Simeon-ben-Ihuda, we can state with pride that the past century has brought us very near to our goal, and that this goal will be very soon attained.
3. Gold always has been and always will be the irresistible power. Handled by expert hands it will always be the most useful lever for those who possess it, and the object of envy for those who do not. With gold we can buy the most rebellious consciences, can fix the rate of all values, the current price of all products, can subsidize all State loans, and thereafter hold the states at our mercy.
4. Already the principal banks, the exchanges of the entire world, the credits of all the governments, are in our hands.
5. The other great power is THE PRESS.

By repeating without cessation certain ideas, the Press succeeds in the end in having them accepted as actualities. The Theatre renders us analogous services. Everywhere the Press and the Theatre obey our orders.

6. By the ceaseless praise of DEMOCRATIC RULE we shall divide the Christians into political parties, we shall destroy the unity of their nations, we shall sow discord everywhere. Reduced to impotence, they will bow before the LAW OF OUR BANK, *always* united, and *always* devoted to our Cause.

7. We shall force the Christian into wars by exploiting their pride and their stupidity. They will massacre each other, and clear the ground for us to put our own people into.

8. The possession of the land has always brought influence and power. In the name of social Justice and Equality we shall parcel out the great estates; we shall give the fragments to the peasants who covet them with all their powers, and who will soon be in debt to us by the expense of cultivating them. Our capital will make us their masters. We in our turn shall become the great proprietors, and the possession of the land will assure the power to us.

9. Let us try to replace the circulation of gold with paper money; our chest will absorb the gold, and we shall regulate the value of the paper which will make us masters of all the positions.

10. We count among us plenty of orators capable of feigning enthusiasm and of persuading mobs. We shall spread them among the people to announce changes which should secure the happiness of the human race. By gold and by flattery we shall gain the proletariat which will charge itself with annihilating *Christian* capitalism. We shall promise workmen salaries of which they have never dared dream, but we shall also raise the price of necessities so that *our profits will be greater still.*

11. In this manner we shall prepare Revolutions which *The Christians will make themselves* and of which we shall reap the fruit.

12. By our mockeries and our attacks upon them we shall make their priests ridiculous then odious, and their religion as ridiculous and as odious as their clergy. Then we shall be masters of their souls. For our pious attachment to our own religion, to our own worship, will prove the superiority of our religion and the superiority of our souls.

13. We have already established our own men in all important positions. We must endeavor to provide the *Goyim* with lawyers and doctors; the lawyers are *au curant* with all interests; doctors, once in the house, become confessors

and directors of consciences.

14. But above all let us monopolize Education. By this means we *spread ideas that are useful to us*, and shape the children's brains as suits us.

15. If one of our people should unhappily fall into the hands of justice amongst the Christians, we must rush to help him; find as many witnesses as he needs to save him from his judges, until we become judges ourselves.

16. The Monarchs of the Christian world, swollen with ambition and vanity, surround themselves with luxury and with numerous armies. *We shall furnish them with all the money their folly demands*, and so shall keep them in leash.

17. Let us take care not to hinder the marriage of our men with Christian girls, for through them we shall get our foot into the most closely locked circles. If our daughters marry *Goyim* they will be no less useful, for the *children of a Jewish mother are ours*. Let us foster the idea of free love, that we may destroy among Christian women attachment to the principles and practices of their religion.

18. For ages past the sons of Israel, despised and persecuted, have been working to open up a path to power. They are hitting the mark. *They control the economic life of the accursed Christians*; their influence preponderates over politics and over manners.

19. At the wished for hour, fixed in advance, *we shall let loose the Revolution*, which by ruining all classes of Christianity will *definitely enslave the Christians to US*. Thus, will be accomplished the promise of God made to His People.

[END OF QUOTING.]

Let us simply leave this here for I know not

how to get through to you if you refuse to accept this information from the very ones who have laid the PLANS for ultimate world control and depopulation of the masses.

Do I hate these ones? NO—I respect them as I would any deadly viper. I respect them and they are my enemy—these would be enslavers of a world filled with my Father's creations.

I am of God of Holy Lighted Source and unto THAT Source is all my allegiance. I shall give no "quarter" unto this enemy come upon and taking that which is of God. He denounces and destroys that which is goodly and tramples all in his path of greed and corruption. HE IS MY ENEMY AND SO SHALL IT BE FULLY KNOWN AND RECOGNIZED. So, will I take my phasers and swords and cut him to shreds? Oh no, not so is the way of God but HE SHALL BE SMITTEN AND BROUGHT DOWN INTO THE PITS FOR THAT WHICH HE HAS DONE AND COMMITTED UPON THE PERFECTIONS OF THE FATHER'S MANSIONS. WOE BE UNTO HIM WHO CHOOSES THE WAY OF THE SERPENT!

And so is the time of choosing upon the peoples and upon all the lands for the time of the Lord is at hand, readers, for the PLAN of the enemy is come upon its final phases geared to the turning of the century and millennium. The trumpets sound the warning. Will YOU hear?

God blesses you weary travelers upon HIS path. Thine day within the LIGHT is nigh. We have come to collect you of OURS home into security—if ye will but heed the call.

Salu and Amen

INTRODUCTION

(Editor's note: The following material also happens to be the Introduction to the latest PHOENIX JOURNAL going to press right now, number 55, called MARCHING TO ZION, THE ULTIMATE WORLD ORDER.)

BLACK HELICOPTERS IN NEVADA

Word comes directly from Las Vegas, Nevada: Black unmarked helicopters have been landing and stopping traffic for "checking" on all highways to and from Las Vegas as well as other "random" check-

points about the state. There are no explanations given, the helicopters land and block the freeway or highway and the agents making contact wear dark uniforms and black face shield.

ARIZONA BORDERS BLOCKED

Unmarked military commands are now blocking certain highways and freeways entering and exiting Arizona borders and stopping traffic. Cameras and film are being confiscated—without explanation but at gunpoint if refusal to cooperate is offered.

These things are taking place all around the United States and other

American nations—but I will not offer such information until we have information from a contact. As we will not give advantage to the enemy, I will continue to protect my crew—therefore, if you have information to share—please do so for YOU may save your own neck and that of your brother.

MICHIGAN MGTF EXERCISES

Take note that the insignias on the black uniforms utilized by the military-type invaders of homes for the purpose of confiscation of property, in Michigan (East Lansing) are MGTF (This stands for: Military Government Task Forces. This is one of several insignias to watch for. This was in use in the late 40s and 50s. In fact, in 1951 these units seized nine cities in California, seized the mayor and police chief, posted proclamations of absolute dictatorship over the populace—and in the name of the United Nations Military Government Forces. These same “exercises” have been run through ever since—usually at times of riots or “scares”, either real or imagined. You still have this kind of control in Los Angeles ever since the riots as do you in Florida in Homestead area. These are simply **EXAMPLES** for there are many major cities across your nation which are under these “exercise” “training” operations which also have UN troops in place.

This (MGTF) was then “branched” off into another operation called Federal Civil Defense Agency and on and on until these were joined under one command under integrated “emergency” Executive Orders and labeled FEMA. So, in the episodes going on at present around your nation(s) you will find **ALL** of these various labels utilized—this is for confusion factor. If and when they come to your door I suggest you give them whatever they ask for to the best of your ability—they mean business and America is **NOT** longer “free” with “rights”—all of the Americas now operate under the Charter of the United Nations with military operations headed by a Russian military command.

DEADLY INOCULATIONS

Note that along with demand vaccinations and inoculations of **ALL** children by age two there is today the beginning of the end—in Canada. In British Columbia **TODAY** begins a mass inoculation of the population’s children (through university age) and then on into the older ages—**AGAINST HEPATITIS-B**. Chelas, this is exactly the way **AIDS** was introduced in mass inoculation for Hepatitis B into the Homosexual community in New York City. **HIV** was given **WITH** the Hepatitis serum and from there you know the story! This is now a requirement in British Columbia,

Canada, and is “expected to be made the law of the land in every province as well as in the United States”, goes the public information statement.

WHY WOULD A HOST OF GOD WRITE ON THESE SUBJECTS?

This is without a doubt the most asked question. It is assumed that God and Man are separate individuals and one has nothing to do with the other. The fact is that unless you understand what has happened to you there is no way to undo that which has come upon you.

WITH THESE PERPETRATORS OF EARTH DESTRUCTION AND THEIR ULTIMATE PLANS FOR CONQUEST OF ALL PHYSICAL PROPERTY, HUMAN AND OTHERWISE, THE FACT MUST BE FACED: THIS IS THE ULTIMATE ENEMY OF GOD. You are head to head with the anti-Christ of prophecy and you had the story **WRONG!**

Your enemy—who would have your very soul and remove every vestige of spiritual heritage from you—is in control of your physical planet. **THAT MAKES THESE ONES MY ABSOLUTE ENEMY. THIS MEANS THAT THESE ONES ARE THE ENEMY OF ALL GODLY PEOPLE ON THE FACE AND WITHIN THE PHYSICAL EXPRESSION OF “EARTH”.**

I am constantly warned, begged and advised to stop mentioning these controversial subjects lest we find it difficult to convince “others” of our presence as “Hosts” of God sent forth in preparation for the final scenes of the “play”. I care not of the controversy—Truth will stand into infinity and I bring you nothing save Truth. You are people of the lie and subjects of the “liar”, the Prince of Deceit. If you like not that which we bring forth I can only suggest that you not partake—but I would also assure you that we bring **TRUTH** and you will move through the physical consequences of your own failures to heed the warnings of we the messengers. God will not scoop you out of anything as the liars have told you it will be. They may believe it themselves, but they **LIE** and things will **NOT** be as the books and false teachers have presented it unto you. There is finalization of the Ultimate Plan for total control of your world, in full operation, by year 2000—so, you are in the **final days**.

OTHER “SPEAKERS”

I am also bombarded with inquiries about this speaker or that speaker. I have no comment on “other” speakers. Are they “valid”? I am asked. Oh indeed, I must answer—but **ALMOST** all are from the dark side of the Plan. I have no wish to comment for if you are a student of mine, you **KNOW** how to discern Truth and Godly messengers. If you do not bother to learn your

lessons you will be duped again and again and that, dear ones, is your own privilege—your right of passage in God’s gift of free choices. The most often asked about in this category is Ramtha. Why would I need comment on one, Ramtha? If you cannot discern, why would you believe whatever I tell you? I will say that impact on his validity comes through the human speakers and is **WHY** we have no “organization” as such. The impact of human experience destroys Truth as quickly as possible and ones fall into the trap of human desires. J.Z. is in the throes of divorce for her mate is not only bisexual in experience (I say “experience” because that term means **NOTHING** in spiritual reality) and has **AIDS** as well as infecting countless other individuals. This kind of action is **NOT OF GOD**, is not sanctioned by God nor shall it ever be, no matter how many “vote-in the behavior as being acceptable”. **LOVE and ACTION IN PHYSICAL EXPRESSION are NOT THE SAME THING!** **LOVE** in Truth is always **RESPONSIBLE IN ACTION**.

I would also suggest that ones stop interpreting for another what I mean or do not mean in the writings. If the message is for **YOU**, you will get it! I chuckle in loving amusement at one in Nevada, M.A., whose friend took exception to what I said about a representative to Earth who claims to be **THE** contact for E.T.s and Hosts. The “insult” came into M.A.’s attention because I had referred to “a redhaired woman who drives around in a Cadillac”. I did refer to such a person as being as poor a representative to you the people as any dark energy aboard your planet. She drives around in a Cadillac with a “spaceship” atop it, she dyes her hair flame orange, wears rainbow satin robes and looks like a nit-wit from out of spook-land. **THIS IS NOT WHAT YOUR COSMIC BROTHERS ARE ABOUT AND THIS IS A DANGEROUSLY FALSE PERSON IN EVERY RESPECT AND YET SHE IS TOTALLY WITHOUT UNDERSTANDING OF HER OWN PREDICAMENT.** This is **NOT** M.A. in Nevada! For you who love clues and mysteries: her initials are **R.N.!** **SHE** represents **NOTHING** from any Command out here and only embarrasses herself with the stupid antics. This is typical of the Adversary at work. Any species who can have ability to reach your planet are not going to run around like childish idiots for any who can reach your inner spaces are **VERY TECHNICAL AND KNOWLEDGEABLE INDEED**—and don’t look like monsters and do not discredit **CREATOR** by such insults to his Creations.

By the way, to you who feel I am stern and unyielding spiritually in my discipline: You hold the enlightenment of mankind on your shoulders and within your hands, speakers and writers. If you give false information you are as fully a tool of the evil

adversary as if you deliberately destroyed soul growth of another. If you work with me you shall be kept to total perfection in your receiving and scribing—THAT requires discipline and forfeiture of "opinion" except in your own experience—BUT NEVER WHILE PRESENTING DIRECTLY AS DICTATED BY HIGHER ENERGY OF GOD'S COMMAND. Further, if you are clear within, you will fully agree in your own expression with all of God's laws. This does not mean you will act like a pious idiot for appearances to the multitudes—IT MEANS YOU ARE "CLEAR" AND A TOTALLY OPEN CONDUIT FOR TRUTH.

It is not unusual to "receive"—ALL MUST LEARN TO ACCEPT THE INPUT OF HIGHER GUIDES AND THERE WILL COME THE DAY WHEN IT IS SO. Be careful in your perceptions that it is fun and games and some sacrosanct and superior position of some sort to "be a receiver". It is not and is a pain in the you-know-where, dangerous, and God always sends messages of depth in meaning, responses to that which you are requesting in information and instructions on how to make it through this manifest journey. To babble that which others babble in sanctimonious verbiage is but useless garbage for you will find the garbage building and—as with junk food addiction—becomes the diet and poisons the intelligence and thinking mind with "it's OK to this or that." No, it is NOT OK to do that which is against God's instructions or the Laws of Creation. It is "allowed" for that is the testing of God—WHAT WILL YOU DO WITH YOUR GIFTED "CHOICES"? These ARE the lessons of physical journey in free-will experience.

By the way, all you ones who read the messages and claim receivership. If you are in fact, receiving—why would you think that I would reprimand you in Dharma's writings? If I reprimand Dharma—I reprimand HER—not through YOU. You ones must be sure of your connections and to whom you are connected—for I promise you—once connected to God's higher Command—YOU KNOW! Moreover you DO NOT NEED ANOTHER'S "OPINION" AS TO SUCH AS "REPRIMANDS". Those "feelings" of insult and hurt come directly from the little dark fellow at your ear nagging you to be hurt and turn from God into the comfort of the "promising" adversary. CONSCIENCE is that voice of GOD and never is brought forth with "hurt" or "pain"—only loving sharing and growth. I detest the term "reprimand" for it connotes harshness and superior "control" of "my way". Discipline is something which arises in self in response to needs as expressed by the teacher's experience and higher knowledge. GOD'S MESSAGES NEED NO TAMPERING FROM MAN NOR SHALL IT BE ALLOWED. OUR MISSION AT THIS MOMENT IS TO BRING TRUTH FROM

THE CHAOS AND LIES THRUST UPON YOU—NO FURTHER DISTORTION IS ALLOWED. Dharma may have her opinion—"on her own time". Further, we need not dozens of speakers—for that becomes simply more confusing, so do not put yourselves through pain and sorrow if your mission changes. Each has a mission and purpose and ALL will not write, nor all will not print, nor ALL will not farm—some must make pencils if the word is to be written.

Know that we treasure EVERY communication—EVERY ONE. We utilize as much information as you share as we can do so for this, ultimately, will be the way you come into understanding—from your own level of presentation by the unfoldment of Truth already presented upon your place and overlooked or hidden from your senses. In matters of the world operations I use nothing save that which is already available if only you knew where to get it—AND WOULD DO SO. YOU won't so we compile it into that which we hope you will find valid and cause you to go forth and research.

The information utilized regarding the Ultimate Plan herein has been available since the late 1950s and yet almost no one has even seen it and most who studied it "then" are now gone. This is WHY the "plan" works so well—three generations of information input and you change a species. Suppress the Truth for three generations and the Truth is lost until the changing of a great cycle as NOW.

The concept is simple: If you know the plan of your enemy you can block that operation from completion as he desires it. If you know not what is about you—you have no opportunity to change anything—you are simply dupes and pawns to be utilized.

I may not awaken you ALL but if I only reach ONE, I will have served my mission with honor for if that ONE truly heeds and hears—HE WILL DO HIS RESPONSIBLE WORK AND REACH OUT UNTIL HE IS HEARD AND ON THROUGH THE MASSES. I FIND FAR MORE THAN ONE SO WE ARE IN GOOD SHAPE IF YOU TWIDDLE NOT.

SALU,
Gyeorgos Ceres Hatonn.

DEDICATION

This volume is dedicated with great respect, honor and appreciation to many who have presented like information but especially to two whose work is most expressive and insightful for the time frame in which the information was offered.

To **Bill Slack**, P.O. Box 1140, Mayer, Arizona 86333 I offer appreciation for the superb information in the discussion of **PUBLIC LAW 102-14** of March, 20, 1991. And to **Robert H. Williams** for his excel-

lence in perception in *The Ultimate World Order* as pictured in *The Jewish Utopia*. **The Jewish Utopia** is THE authentic and complete plan of the Zionists for world domination. It gives succinct instructions and explanation of the ultimate "new social order" which the Zionists plan to utilize step by step (and have done so) to establish after they have used Communism, Democracy and a Third World War to gain their ends. I can only hope your brethren will SEE AND HEAR.

This volume shall be labelled:

MARCHING TO ZION
THE ULTIMATE WORLD ORDER

With the passage of PUBLIC LAW 102-14, March 20, 1991, you made it LAW that you will have a national religion and it will be based on the Zionist Talmud and "Jewish" Torah. This is in direct violation of the Constitution of the United States. But it was passed by voice vote and made PUBLIC LAW on March 20, 1991—and hardly any of you noticed. This is the anti-Christ-God in his march to Zion!

CHINA TWO - STEP

You think you may not have problems with China? Do you also, perhaps think, that Mr. Clark didn't REALLY do anything in China? Oops! Bush just **vetoed** a bill **approved** by Congress that **places conditions** on renewal of China's most-favored-nation trade status, **saying it would hurt southern China and Hong Kong. Congress has tried to force conditions on China since June 1989—BUT NOT VERY HARD. But in it all, chelas, the leopard wants to "appear to change its spots".** Stay alert.

ROAD BLOCKS AND CONFISCATIONS

How is your government military getting away with road blocks and confiscation of cameras, etc.? Easy, when they stop travellers they simply tell them they are entering an "exercise/training area" and security is mandatory. They then determine if any pictures, etc., have been taken or information recorded regarding the block and/or any caravans or troop movements. If so, then all equipment is taken because of a "reality training program" wherein the "game plan" is to also act as if you were in

"real war" and national security is at stake. In instances where ones have been followed, the encounter is quite different and niceness is not part of the game. Remember, the point is to leave you wondering about what is happening and give you-the-people a massive show of power and force. The media blackout is being tested as well for absolutely NOTHING is coming across the airwaves on Television, network radio OR PRESS. If ones insist on investigation it is dusted off as "usual" summer training exercises.

"UFO" ACTIVITY

I believe that many of you readers will have witnessed very large UFO activity ("unidentified flying things") in MANY areas which are brushed off as easily. A large disc with everything visible including the air exercise are brushed aside as: "We haven't had any other reports and don't know anything about it," or "Well, yes, it was reported but it was a test craft, a balloon or a holographic light projection system being tested for a motion picture to be filmed." You are dealing with an enemy you don't recognize. Mr. Bush covered everything a week or so ago when he publicly announced that UN troops and units would participate in "training exercises" across your nation—as a "cheaper" way to go than shipping your own troops elsewhere since YOU have the best facilities, having empty bases sitting around with nothing to do.

OCTOBER SURPRISES?

A MASSIVELY WIDESPREAD "SHOW AND TELL" IS PLANNED FOR FAIRLY EARLY IN OCTOBER AS ALL REPORTS CONTINUE TO FLOW. The "insider" reports still say on or about the 12th. The "exercises" are even called "October Surprise". Most of the real "dirty work" is planned for the Western areas but there are also some real "beauties" in the workings for New York, Chicago and Washington. **I cannot say much other than keep your heads down, be prepared to dive for cover, be prepared to be without electricity and services and for gosh sakes KEEP YOUR BUNGIES HOOKED ON YOUR CUPBOARDS—ESPECIALLY ALONG THE NEW FAULT LINES AND THE SAN ANDREAS.**

WATCHIT: MONEY CHANGERS

You will then have been set-up for the later-in-the month (as presented TO me) plan for currency (and/or total) collapse of the financial structure. Can it happen? YES! Will it happen? I DON'T KNOW!

What do you do? You stay alert and go

with that which flows to the best of your ability because you are needed. Get through it as best you can so that you will be available (and **FREE**) to function afterward. The Elite don't want to flush you all down at once so there will be need for functioning people able to operate. Remember that the Adversary does not want to be caught at his evil game and you won't be told the truth and so the facade will go on for some time—as long as you can be fooled. The point is to do this all in a neat and tidy package without uprising from you the people—**except where planned chaos and mass rioting is a part of the plan.** It will be a good opportunity to confiscate all weapons and other desired items so I tell my people, **KEEP YOUR NOSES AND PROPERTY CLEAN—WE ARE NOT AT WAR!** God does not win by WAR AS YOU RECOGNIZE IT.

KISSINGER ASSOCIATES

I believe you can see what happens when you get Mr. Kissinger and his associates "managing" a nation or a movement. Eyewitness accounts now corroborate reports that at least 3,000 known Muslim men, women and children were massacred at Serb-run detention camps near the Bosnian town of Breko. This does not account for other places, this is only the one location.

I cannot believe that so many of you know so little about this man, Kissinger, that seems to have dirty hands in every event in your entire world. He was a Soviet Agent, chelas, and has arranged a Zionist-run purge of the globe.

Do you **really** think Perot will or can change very much? You had better read, again, his political platform. Raising taxes and getting people to "sacrifice" is "redundant-speak". If there are no jobs then a 50% or 100% tax isn't going to do much is it? You just have more flack being pushed into the air so you can't think or see.

SPEAKERS AND ECONOMIC ADVISERS

Yes indeed, I am about ready to release some information along the lines of Zionist workers in your midst which will undoubtedly bring nasty repercussions. Almost the whole lot of "financial advisers" are an organized Zionist group (working mostly under the facade of "Fundamentalist" "Born Again" Christians) who follow the Zionist party line to the letter. Hoodwinked public? Oh my, yes and indeed, you **shall** recognize most of the names. One name I shall list as involved to his eyes is one that I fully recommend and have recommended many times for his research reporting of things and events, i.e., South Africa situations, specifically. This is Don McAlvany.

Does he know that he is a tool? Of course, because the whole "gang" have sequential secret mailboxes where all the information is sorted and fabricated—in Phoenix, Arizona, although none live there. In other words, you don't get what you see. That in itself is OK except that the "group" has done a major "rip-off deal" and lie to you constantly. The ringleader of the "organization" is Larry Abraham. Does this make the work, say, of Gary Allen and Abraham regarding the "Conspiracy" wrong? No indeed—it was one of the best I have seen.

I probably wouldn't rise to the "bait" quite as quickly if these ones were not pushing the power game against my people. Don McAlvany and Lindsey Williams are now refusing to "appear" on the same speaking platform with George and Desiree Green. And this is at "survival" meetings. Why? Because they demand that Desiree **STOP SPEAKING ABOUT THE LAWS OF GOD AS PRESENTED FOR IT "CONFLICTS WITH THE FUNDAMENTAL PRESENTATIONS THEY MAKE ABOUT RELIGION."** This is from the Horse's mouth, chelas. In other words, lie about God and Christ and go along with the doctrines as presented by the Zionist Talmudists "Judeo/Christian" tradition or they will not be seen in the same company. Tells you absolutely EVERYTHING YOU NEED TO KNOW ABOUT THOSE SPEAKERS. The Greens have refused to capitulate and therefore we shall have to wait and see what comes of it. You see, the evil representative **WILL NOT STAY IN THE PRESENCE OF CHRIST-GOD.**

How can you know? Because if what Desiree, for instance, repeats from Sananda (Christ) would be false—that truth would present itself instantly in the presence of these speakers on fundamental hogwash. So, the **ONLY** recourse they have **IS TO REFUSE HER TO SPEAK AT ALL. THEY KNOW THAT WHEN THE PEOPLE HEAR THE TRUTH THEY WILL KNOW IT TO BE TRUTH AND THEY SHALL HAVE BEEN UNCOVERED IN THEIR FALSE TEACHINGS.**

By the way, you who would taunt George a bit about what he has seen and done—I think you might now need to know—the first craft he saw was a shuttle ship and it was MINE! THERE ARE NO ACCIDENTS! I think that even George will enjoy "finally" knowing that bit of information for it has been a doubly hard road for him to walk during these past months, in my service. Desiree just attaches to the hand of THE MAN and hangs on—going forth to confront the crowds with news they do not want to hear—blessings are wrapped about them both for only the "daring" shall prevail.

There will be a follow-up book to back up what we say, and ever so much more as soon as we have time to go over other

portions of it for accuracy. I do not "authorize" books or expect ALL information to be accurate when I recommend a book—but I do prefer to have no glaring errors for your further confusion. I remind you, the book on the "300", as example, is a good book for purposes of integrated information for handy reference and confirmation for you. In fact we are looking into how feasible it would be to print that book in less expensive form so more of you can afford to have it available. Truth can and does flow as readily from the Adversary as from God's servants. There has to be a LOT of truth in the Adversary's work to cause you to believe the lies he always inserts. Part of the problem is that "researchers", however, cannot often find the "whole" truth—especially when the full intent is to never be uncovered. We do what we can with that which is available for your "proof" and do it from a level of earth presentation that you can see and touch. What I plan to do is simply reprint in total a chapter out of the book in point and when the remainder is ready for publication I will inform you so you can have it on order. Each subject we take up will come closer and closer "to home" so the game gets rougher and meaner but, ah, so much more valuable to your needs.

PROPHECIES AND SEERS

I would like to suggest that we begin to give you a "fun" column to go, along with the superb work of Nora's research, in the *LIBERATOR* [see later in this issue for more *Nostradamus* translations]. Then, I am asking that both Nora and D.E.J.E. who receives (from my co-worker) the solutions to *Nostradamus*' quatrains, to put them into suitable form for publication later.

D.E.J.E. shares with us to some extent and is willing to do more if we feel it appropriate—I not only feel it "appropriate", I feel the time is come wherein it is mandatory for your insight. There have been so many stupid and idiotic interpretations of this insightful seer's work that it is time to set it to straight.

ALL IS HOOKED TO ONE WORLD ORDER

As a bit of interest fodder: There are ones visiting America West from Guatemala. The important point is that they brought out their "banknotes" (money) to compare with the U.S. new bills with the "same" threads running through the notes. But, the interesting thing to note, chela, is that at the lower left hand corner of the note, it clearly reads: "**Canadian Bank Note**" in very tiny print. Oh indeed, the whole of the globe is sucked in and all but drowned already.

Some Thoughts For Potential Visitors

9/30/92 #2 HATONN

VISITOR, MR. M.

I do not wish to make this identification public, please. However, I do need to give an explanation to this person who has come to "visit" us.

I do not wish him to feel rudely treated or not "accepted" in any way and, therefore, I will give explanation.

We have had so much flack from ones lately who insist on treating this "place" as some kind of communal or "church cult" type of "group". We are none of those things—our work simply happens to be in this place.

In the past we shared open meetings if ones wished to share in information and discussion and, later, business opportunity as projects are reality. We have no organization as such and it becomes awkward and embarrassing to seemingly appear rude to visitors. The "paper" is no different than to go and visit the staff or Editor at the local *Tehachapi News* office but for some reason travellers come and wish to stay, live and be included in this non-existent "group".

Ones say that they are "called here" to participate in the "work". That is fine for I have nothing to say about where anyone is or lives. However, I assure you that I am not calling ones at random to come here for it is both dangerous, difficult and not of my doing. When "I" call you, you will KNOW you have been called and there will not be "I don't know, but I felt I am called to be here (or there or somewhere)." Yes, you must hear and feel your "own" call but I must remind all of you that what you are doing is making it appear we have a "group" of some kind here and WE DO NOT. Further, ones do now have meditation sessions of which I am not involved nor is my speaker. If we are invited in we will treat the invitation as any other gracious invitation for sharing. I ask that all in such gatherings understand that the teachings are based on "Truth" and not a "Hatonn" "thing". When the world settles down and withdraws its iron claws from our flesh we can consider again sharing for the simple love of one another and sharing of a Divine Plan unfolding.

Now, to the point under discussion. We have one who, I understand, makes lec-

tures and seminars about the country, and he has come to this place to "meet" my scribe, etc. That is fine, except the material which he teaches seems to be that of Germain's work and the JOURNALS called the PLEIADES CONNECTION SERIES. Therefore, I cannot even suggest that he contact Dharma BECAUSE THE COURT OF LAW HAS FORBIDDEN MY PEOPLE TO EVEN "SPEAK" ON THE SUBJECT OF THOSE JOURNALS WHICH ARE BANNED. THEY MAY NOT PUBLICLY SPEAK OF THEM, RECOMMEND THEM, ADVERTISE THEM, SELL THEM OR DO ANYTHING ELSE WITH THEM UNTIL THE CASE IS SETTLED—WHICH NOW APPEARS TO BE SOMETIME NOT PRIOR TO MID 1993.

I suggest that until things are settled in those areas of publications that there will be nothing going on here or anywhere regarding associations, jobs, or anything of the sort. At this time, yes, some "projects" are in progress but they include "building", Law, and there are no funds floating around to do more than the basic "get started" work. Those are projects of separate business which are attended as any good business and all are still under "permitting" timeframe.

If there is any discussion regarding the series of books in point, it will have to be done with Tehachapi Distributing for they are the only ones who have ANYTHING to do with those JOURNALS.

My people have been accused of unfair practices and holding seminars using work of the University of Science and Philosophy. NO—none of these people do. However, Mr. M. has come into naming as one who does so. I have nothing to say regarding that matter—it is not a part of the Phoenix "anything". I fully give permission for my part, and on behalf of Germain, to utilize anything we have presented but we do not sanction nor not sanction anyone's use of it.

There is implication that we somehow have a "hookup" and "joint venture" of some sort and there are "watchers" in our midst to see just what we will do in every instance. I have to ask that Dharma and E.J. decline any connection with this visitor under almost all circumstances. The court calls it "guilt by association"—(somehow it never comes out "innocence" by association.) There may be some involvement with America West but they are now

in Nevada with the entire publishing business and in total separation from the *LIBERATOR*, so I have nothing more to offer in the matter.

I appreciate Leon's gracious attention to these visitors but we are at a loss as to exactly what to do with them or about them. My request is that ones do not "just come" here for it is hard at best to bring this kind of information public. We are honored and pleased that ones are finding TRUTH and pathway through the work and recognize THE WORD. I understand fully, the need and desire but at this time we have nothing to offer and so little with which to "help" ones who come. Jobs are nonexistent, for all practical purposes, in this place, as is becoming true all over the nation—but this is a small, and sometimes vicious, little town and our ones are under constant and unrelenting attack. We tried to be open and sharing and ones in our own midst cut our throats—mostly without the slightest notion that they did so. Therefore, we have to be less than as sharing as we were. We have nothing to hide but we must now act as all or any other business establishment in the town. We hope this will be temporary for we had so many grand and close friends who came to support and share and offer help in the mailing of the paper and volunteer assistance. It is hard now, confining and sad that ones would do this to a loving group of people who simply wished to be together and share ideas and friendship. But such, dear ones, is how the world has become.

If you have been among the ones who joined with us and are feeling you are somehow now "left out", no, you are not! It is simply that we had to attend our business and first cause of mission for if we "acted" like a church or cult then we would always be treated as same. We seem to be accused of having "followers", etc. Why? I would hope that God would gain "followers" from our work—but I ask for no "followers" for Dharma or America West any more than for Eustace Mullins and his publisher. THE ONE IN POINT TO FOLLOW IS CHRISTED GOD OF LIGHT—we are but the messengers! Yes indeed, THIS IS THE WORD, and many will be needed to do the work as we move on—but you must see the place for what it IS and not that which you might WISH TO SEE. Thank you and please be in understanding that we are under constraints and wisdom is the best mode of action.

If inquiries are regarding publications or possibility of service in some connection with the *JOURNALS*, then I can only suggest a visit with Greens at America West in Nevada. (Be advised, however, that they are under the same Court Order as are Ekkers.) Please further understand that we are working as fast as humanly capable at the writing itself and we cannot have

time for our people to consider other tasks or thrust of jobs. We appreciate every piece of correspondence, all information shared and all comments and suggestions—it is simply that we are limited by those placed upon you of the human experience and physical restraint.

We do keep Dharma quite isolated for security reasons—the enemy constantly tries to kill her and the battering and badgering is constant. But, mainly, the amount of work is unthinkable and the quantity of output incredible and this is what is the largest cause of isolation—she is at work—there is no time off for good behavior, bad behavior or a Sunday stroll. However, information has to be gotten out timely or it is of little value. The time is at hand and we must attend the grain in its proper time—the chaff can later be removed. We do not have a Ramtha's J.Z Knight operation of any sort or similarity here and never shall it be otherwise.

Local News

9/30/92 #2 HATONN

THE JEWISH UTOPIA

As the work dealing with *The Jewish Utopia* has gone forth I am now receiving angry and hostile threats and statements that if we are going to use such "garbage" then the least we could do is simply give you EXACTLY what is in *The Jewish Utopia* and not some man's "lies" about it. OK, I guess you thought I would not have access to the work? Dear me, do you think my crew is that neglectful? That book was sent to us a couple of years ago, but we needed to give you background and then we needed to give you the booklet of information called *The Ultimate World Order* (outlaying the work called *The Jewish Utopia*) prior to the other. At this point I am not at liberty to even dictate the material for we have already been threatened with another lawsuit to go along with the one from the University of Science and Philosophy, metaphysical New Age spoilers of Walter Russell's priceless work.

I don't care in the least for it is excellent exercise and advertising for our own TRUTH but it is hard on and time consuming for my people. So, for now, you will have to do your own work. The book did go far enough to get into "small book" cover and with some research you can get a copy, I think. There is so little information in the book as to resource as to be useless. We are having legal checking into copyright authentication as the statement only reads "Copyright, 1932" by Michael Higger and "Printed by The Lord Baltimore Press, Baltimore, MD, U.S.A."

Truth, as such, is not actually

copyrightable but, you see, we have a dilemma—it is TRUTH of the PLAN as presented but the terminology and word definitions as presented are absolutely false. This means that as Mr. Higgers, for instance, uses the term "righteous", it does not mean what is said in the dictionary—he uses it only to apply to those who follow "The Plan" of the *Talmud/Torah* exactly. All others in the world are "not righteous". That means that Christians, Moslems, etc., are NOT "RIGHTEOUS" IN ANY RESPECT WHATSOEVER AND ARE THEREFORE MARKED TO "PERISH" (AND THAT DOES MEAN DEATH).

The work is dedicated to: THE HEBREW UNIVERSITY OF JERUSALEM, SYMBOL OF THE JEWISH UTOPIA. So, I believe that you will recognize that it is authentic in every way except that the words are "coded" to mean opposite of that which appears. It is specifically written to update the Zionists' "Protocols" into modern and useable form for actions today.

It is valid and authentic but I will not represent it here until such time as I legally clear it. In the meanwhile, if you feel the need not to wait—please get your own copy for verification.

NEW WORLD ORDER IN EUROPE

You ask for more information on what is happening in Europe with the New World Order. You can look around yourself and nation and see such similarities in what is happening to you as to be a rerun of history. The similarities are totally disturbing between present-day America and the phase entered by the former Soviet Union nearly three-quarters of a century ago.

I will later share with you a story excerpted from a work by Ivor Benson and was done exclusively for *Spotlight* so I give honor and respect to both entities and ask that you support that paper. There is much "wrong" with it but as with all documents—there is so much good in it that you cannot get anywhere else. Or if you are content with that which we bring you, fine.

THE PHOENIX LIBERATOR

They have advantage over the *LIBERATOR* for we do not accept advertising as such. I say "we" loosely for I have great input to the paper but management is left to the Editors and Managers of the business itself. If it appears we run advertising please realize that Dr. Young approves the "advertisements" only on the basis of "information" and not for "payment". This keeps the information clean and clear of economic bias but it is a great disadvantage in that expenses are mammoth without a way to offset costs—through outside advertising. I hope that you who have asked to advertise or "joint venture" will be in understanding. We have, for instance, an offer to promote jointly a product called Srtea.

This is a superb pure Ceylon black tea product, but we do not use such product advertisement methods for gain. If we recommend a product or item (or book) it is because it is valid and necessary information to accompany the writings published. We try to share those things which I feel express the circumstances most fully and accurately. Please keep uppermost in mind that we are an integrator of information and a "sorter" of truth from fiction. We do not "tell fortunes" or "read minds"—at least not as you might expect—allowing that we DO have that capability and use it as our mode of communication. We, too, only represent a topical newspaper and therefore wish to always give credit for information resource.

LIFE CRYSTALS

I will say that, as we realize there is no resource for certain recommended items, a good example of which is "Life Crystals" and which are under attack with intent to remove, totally, from the public access, we shall effort to make the substance available to you. That means that I will have to give you a write-up on the substance but it does not mean that "I" or my scribe has anything to do with the product. We do have willing ones who will take their precious time to serve you readers with things such as this and tapes, etc., but these are NOT our thrust and I can only ask that you be gentle with any errors, etc., for this is not other than a service to you. We are not in the medical, legal or any of those types of businesses in any way and you must fully understand that. We simply will effort to make available to you that which I write about and which you probably will not have easy access to elsewhere.

HYDROGEN PEROXIDE FOR WATER PURIFICATION

Another good example is the use of hydrogen peroxide. I intend to give you a lot of information regarding **food grade hydrogen peroxide**. It is exceptional for water purification. For example, **7 drops in a gallon of water will kill the viruses in the water**—deliberately placed there or accidentally contaminating same. This, further, leaves no terrible aftertaste as do other additives. You may well taste it but it is not unpleasant as is, say, chlorine, which is used in almost all municipal water supplies.

The point is that you can get hydrogen peroxide easily from many sources. It is not suitable to ship in the mail and there is no reason for you to have to get it through us if you wish to have it. It is a time of helping one another, where we can do so, that as many as possible may benefit.

All such things must be structured as to do no damage to our primary work—**THE WORD! WE MUST NOT EVER UNDER ANY CIRCUMSTANCES JEOPARDIZE THE INTEG-**

RITY OF OUR WORK IN GETTING THE WORD UNTO THE PEOPLE. We have been overwhelmed with your willingness and desire to cooperate, help, support and do anything requested to keep these various "things" in separation from the "messengers" and the physical expression. In this way we can serve and share until such time as we are required by law to stop and, if we abide by the laws, we should not ever be required to stop for even the enemy needs a network for information and you will know that which is ours and that which is "theirs".

THE PHOENIX INSTITUTE FOR RESEARCH AND EDUCATION

It is the same principle in working that is with the Institute wherein you can place funds against gold reserves, etc., for protection of your funds while also allowing for use of borrowed funds against that gold collateral. We are not in the "gold business" in any way whatsoever. We are not selling any kind of "securities" nor are we "banking". We offer a service helpful to both you and us for our thrust is to get forth the **Word of Truth** as rapidly as possible and give information and make ready a passage of the "remnant" according to the way things unfold in your world.

NEVADA CORPORATIONS BUSINESS

We are not in the "incorporating" business—in any state other than Nevada—and "we" aren't in that business either. However, Cort Christie has set up a full corporation for the very purpose of offering that service to you readers and keep you informed and current with your corporation needs. It is a service to you who wish to participate—but he is not "just anybody's" agent—the service is structured specifically to readers who WISH to participate and are willing to fulfill their

portion of the agreement by making certain that all things are done timely, appropriately, accurately and **legally**. You are offered help to get security, privacy and sheltering during a very, very difficult time in financial "history"—we are not going to help you **evade** anything—taxes or otherwise! Several of our team attend every available Nevada Corporation Seminar, as well as other educational management training classes, to keep absolutely current and knowledgeable in management by use of Corporations and other entities offering shelter and good business practices. All can be accomplished within the laws of the land and, moreover, within the laws of God. If you wish to play sneaky semi- or non-legal games—please go elsewhere for help. It is, however, a foolish person who offers to be an "agent" in a questionable transaction.

TOP OF THE DAY, TOP OF THE
MONTH,
TOP OF THE LIST

Ah yes, this is how it should be with you ones sharing that which is going on and allowing for my input. Thank you for hearing my petition and responding. This gives credence to "facts" without causing more decisions about feelings regarding myself.

"GREEN" LASERS:
EVIDENCE OF "TESTING"

In Palm Desert (area in Calif. of latest series of earthquakes and other phenomena): A "green-beam" laser is being tested. It has had to be reported because the traces of the blasts are being felt and seen over a very widespread area. This beam leaves "scorch" marks even on the desert sands.

This type of beam is capable of "melting" almost any kind of crystalline matter. You will find that prior to ability to reproduce "green" light lasers, healers (e.g., Edgar Cayce) used ultra-violet lamps **with green lens filters**. This frequency of light beam can destroy viruses and any other living crystalline structure. Because of the "frequency", these beams can penetrate almost any material leaving virtually "exploded" particulate. The light is cold but the vibration frequency is so "high" that incredible heat is produced when left focused.

The blast itself, depending on power used, is both silent and/or tremendously loud in "report". Since this is a type of "photon" beam, it is invisible and is now being tested from your photon-beam-powered craft such as the Aurora. Many of these massive sonic blasts are being heard and **felt** (as an earthquake) in widespread areas of California and other coastal areas.

Off shore comes the BIG tests and this is why the reports from the public come from coastal areas. The massive blasts are too damaging to land areas to allow for testing onshore—until "they" are ready to "let you have a good show-and-tell". The ones in the desert are simply covered as "testings" wherein no information is given other than a statement as above.

LASER "DRILL" ON
TUNNELING MACHINERY

The "tunneling" machinery used for these massive tunnels we have spoken of utilizes this kind of "nose" power for both digging and melting of the particulate into glass. The equipment in this instance is a type of machine labelled "**Subterrene**". It was first produced and utilized at Los Alamos. It is nuclear-powered and is specifically for the purpose of tunneling. It burrows through rock, deep underground, by heating whatever stone it encounters into molten rock (magma). First it pulverizes, then melts. This cools after the Subterrene has moved on and the result is a tunnel with a smooth, glazed lining.

Is this new? NO. Several years ago a prototype of this machine, or one very, very similar, was featured in a German magazine (*Der Spiegel*) and it was tested at Rand-Los Alamos. It contained a mini-nuclear reactor and was equipped with a 'cone' made from something called "wolfrum". It was heated by a graphite heating element. It could bore through blocks of granite many feet in thickness without having "sound" or leaving any waste material.

The equipment is far more sophisticated today and, as the burrowing interacts with the hard rock material in mountainous areas, produces a humming/whining sound which can be heard (and is) on the surface. The "x-ray" pulses are also "felt" on the surface. These are damaging but, to many persons, they are particularly debilitating if pulses through the atmo-

sphere are of contradictory nature. The body will effort to balance the two as they collide in living tissue. That becomes too long a story so we shall leave it here.

INSLAW CASE

I ask that we start, as soon as practical, in the *LIBERATOR*, the information we have been holding on the "Inslaw" case. There has been a hard thrust to stop the probe into this scandal and yet some in the House Committee have demanded a hearing investigation. I feel you need refreshing information about the scandal as so many scandals are passed over you that it becomes hard to remember each and then how they ALL fit together. After we do today's tid-bits to attend, we shall speak on this subject so that our Editors can prepare their placement in the paper. Thank you. You readers must understand that this is the way we communicate and these messages are necessary but can be edited out if space becomes critical.

IRS SNOOPING ON
SILVER AND GOLD TRANSACTIONS

This following communication is so excellent and valuable that I shall just retype it for you: Thank you, M.H.

Sept. 30, 1992

Sir, I am writing a few quick notes that you may like to have for confirmation. I have been having some challenges getting faxes out without them screwing up, so please bear with me if I have to do it a few times to get it all through. **[H: Please, for you who send faxes to these terminals, i.e., Dharma (for me) or for E.J., etc., we constantly have "surges" and tampering with the lines which cause necessity of replacing the capacitors frequently—driving the telephone company personnel to "drink" a lot. "Static" on the**

phone line causes blips and often destruction of several lines of print. Know that we get assistance when this happens but bear with us if it seems you can't get through.]

Monday night, September 28, 1992, I met some interesting individuals at a Tax Information meeting on legally ending your contract with the IRS. One was a goldsmith who deals in jewelry, coins, metals, etc. He said that he would **now have to report** all customers who **trade over \$10,000 using cash or money orders**. He said that not only was he to report when someone spent more than \$10,000 in a day, but that he was REQUIRED to check his records and REPORT EVERY INDIVIDUAL WHO HAD TRADED A TOTAL OF MORE THAN \$10,000 IN CASH OR MONEY ORDERS WITH HIM! He was mad because this is so ridiculous that he should have to research back into all of his records to find every single person who has purchased more than \$10,000. The letter stated that he had 30 days to sign the document and return it, OR THEY WOULD "SEND OUT AN AGENT TO MAKE SURE THAT HE UNDERSTOOD WHAT WAS REQUIRED OF HIM"! He was not sure what he should do, but was quite shaken-up about the letter.

Another man at that meeting, while we were at a restaurant after the meeting, said that lawyers now are required to report on a form (8300 Form) **any client paying in cash over \$10,000**.

When I brought up the subject of "Rainbow Money" in Fort Knox and even at the Federal Reserve in Denver, they said that they, too, had heard about the Denver Federal Reserve having colored money, and that it was supposed to replace our current money.

[H: Here is some useful information.] The goldsmith said that the **best way to get silver cheap is to buy 1964, or earlier, dimes, quarters, and halves. You can buy rolls of them and they carry very little premium; much less than silver bullion.**

One couple there said that what he and some of his friends have been doing is informing business people about the things that are going on, and then establishing trade agreements with them to trade in silver and gold. He said that he gets gas from one guy at 35 cents a gallon—he just pays in silver coins! He also mentioned a man in another small town (I guess it would be best not to mention the name) in Colorado, who has a cafe, and puts two prices on each menu item; one for silver, one for Fed money.

TALES OF DESERT STORM INEPTNESS

My brother is a hunting guide and was telling me about some of the things

that his hunters have told him. He said that he's had several guys who had relatives who ended up serving in the Desert Storm operation. They reported that it was ridiculous; no one knew what was going on! One guy said that this brother was there and spent the whole war on a fork lift. He said they'd have him unload one thing, then move it back, then unload it again, and on and on. No one knew anything.

CAMPAIGN AND WALL STREET JOURNAL

In the *Wall Street Journal* of about Sept. 24th (I haven't yet seen it personally), I am told that there was a mid-section "pull-out" that had the proposed actions of Bush and Clinton. One of the things Clinton says he'd do, to fight the war on crime I guess, is to create a FEDERAL ARMED POLICE FORCE. [H: Too late! You already have it under the command of the UN.] He said that **they would pick the people to be on it** (college students were mentioned—probably more easily directed). Bush said that in order to keep all those bases going, since so many people have complained about them getting shut down, **he would be so kind as to keep them open—USING THEM TO HOUSE AND TRAIN UN TROOPS!!!!** [H: Thank you son, I do appreciate the confirmations.]

MARS OBSERVER?

In the *Vail Daily* newspaper of Tuesday, Sept. 29, 1992 there was an article titled: "**Mars Observer begins a new era of Russian-US cooperation.**" It was FROM Pasadena, CA on the AP network(!) This "joint venture" was quite a leap, all right. The article said, "**the launch of the first American spacecraft sent to Mars IN 17 YEARS heralds an era of unprecedented U.S.-Russian cooperation in space. Eleven Russians belong to the spacecraft's science team, and the Orbiter may help relay pictures and data from Russian probes scheduled to land on Mars in 1995 and 1997, said NASA scientist Arden Albee.**" It does sound like quite the joint venture! They used a Titan 3 rocket, and launched Friday, Sept. 25 from Cape Canaveral. The article said, "**The observer will study the planet's atmosphere, magnetic field and surface from space after an 11-month-long trek.**" There was no mention of US involvement other than that they are using our money and launch pad.

Thank you, M.H. These are the kinds of confirmations you ones need to provide insight without wasting time pondering my status.

THE MILITARY PRACTICES RETALIATORY PSYCHIATRIC TESTS

Dalhart Daily Texan: Sunday, Sept. 20, 1992. **Washington (AP): GROUP SAYS MILITARY PRACTICES RETALIATORY PSYCHIATRIC TESTS.** The military uses psychiatric examinations and **forced hospitalization in mental wards to intimidate and discredit people who disclose wrongdoings**, an advocacy group contends.

The Commission on the Reform of Military Medical Abuses, made up of former and current military personnel who say they were victimized for speaking out, said that hundreds of people were being "taken against their will, without due process and locked up in psychiatric hospitals."

Former Navy...J.M...said retaliatory testing has "resulted in the personal destruction" of many good performers who were conscientious enough to speak out about problems.

....said he was ordered to a Navy hospital for psychological evaluation after he complained about a superior he said was obstructing a drug intervention program.

He said that after a five-minute interview, he was classified as an "obsessive compulsive with narcissistic tendencies" and had his security clearance removed.

M.T. of Dallas, a former Navy chief petty officer, showed the slippers pasted with happy faces he was forced to wear when he was locked up in a medical ward for four days.

The 23-year veteran, who has testified before Congress and appeared in several television exposés on alleged medical abuses, said he was hospitalized after reporting payroll fraud at the Dallas Naval Air Station in 1983 and 1984.

"I was wounded in Vietnam, but that (hospitalization) overrode my Vietnam experience," T. said. "A common criminal has more rights than a man in uniform."

T., who heads a group called Wounded Eagles, which is similar to the commission in point at first of article, said he has documented 280 cases of retaliatory testing.

Others at the conference refused to give their names, saying the stigma of having psychiatric testing on their military records has made it difficult to get jobs.

One man said he was administratively discharged in April after serving 11 years as an Air Force linguist. He said he was declared to have a personality disorder after filing five complaints with the military inspector general.

"We lost our careers; we lost our credibility," he said.

A former Navy doctor said she was suspended from duty after it was discovered she had written her congressmen about a job dispute. She said that in the

next months she was put in a psychiatric ward for a week, tied in leather restraints, diagnosed as having a severe personality disorder and charged with wounding a member of a SWAT team that broke into her apartment. **[H: Still think there is nothing to the "tailhook" scandal?]**

She said that after nine months in **solitary confinement** she was declared incompetent to stand trial and was given an honorable discharge.

Rep. Barbara Boxer, D-Calif., who in 1990 introduced a bill banning psychiatric examinations to punish military whistleblowers, said in a statement to the group that she was "appalled to learn ... that this barbaric practice exists in our military establishment."

She said she has again proposed such a ban and the House has included it in next year's defense authorization bill.

Latest Update On That Slippery Rascal "John Coleman"

10/1/92 #1 HATONN

Letter to Mr. George Green
27 Sept. 1992

Dear George,

..... In just the past few days an additional batch of material has reached me concerning the doings of "Dr." John Coleman; he is definitely a **professional con-man**... ..relates to Coleman's various activities for about the last ten years. Apparently, he is from South Africa and all of his academic prowess stems from various diploma mills. It is alluded that he was connected with diamond smuggling in Florida and North Carolina in the late 70s and deeply ripped-off persons in Metairie, Louisiana who were in the publishing business and were taken in with his glib writings. Most of his material has been traced to E. Mullins and L. LaRouche; stolen, of course. There is some feeling that Coleman may be an **ADL plant**. He has been involved with Blanchard and the late Bob White, among others, and to varying degrees. There, apparently, is good evidence that he is or has been, **involved, together with his wife, with the Mafia in international diamond smuggling. His passport is under the name of John Alexander Clarke (number C241706C). His wife is a Danish citizen, home address is c/o 15 Skovgarfde Alle, Varlose, Frederiksberg, Denmark; her name is Lean Sondahl and she carries a Danish passport, number P5596966. His "son" goes by the name William John Clarke and carries a British passport, number C024761D.**

An interesting aside from my position was that in about early December 1991, Coleman (Clarke) contacted me by letter and said that he would be in Albuquerque on December 16th. He stated that he

would very much like to meet me and could I meet him that evening at (I believe) the Hilton. I declined because of other commitments. He had gotten my name from the ——— booklet and then traced me through Weisman Publications. He may have surmised (wrongfully, of course) that I had money and had planned to put the "arm" on me...who knows. But then, also, why me? **[H: I can tell you "why you"! Because you are just about to blow the lid off the "other" conspirators against the citizens of the U.S. and world by helping us disclose the real frauds among the heaps of investor-publishers who deal in vast sums of "your" money, citizens, and proclaim themselves to be "born again Christian" and great evangelists of fundamental Christianity while bilking you of millions. Please feel free to join the ranks, son, of ones who REALLY DO NEED MY PROTECTION!]**

There are other current indications **THAT HE AND HIS ARE EN-ROUTE TO COLORADO AND WILL BE THERE BY THE END OF THIS MONTH, SEPTEMBER '92.**

I look forward to hearing from you,
Sincerely,
J.E.B.

* * *

Now, again, I suggest that some of you who got sucked into this man's trap and aided and abetted him in efforting to destroy my team and my work—**do your buddy a favor in Colorado—AND WARN BARBARA ANN THAT HE IS COMING AND FULLY INTENDS TO GET HER MONEY. HE ASSUMES THAT SHE HAS NOW HAD TIME TO RETRIEVE IT. IT IS TIME FOR YOU WHO HELPED GET INTO THIS MESS, NOW HELP GET OUT OF IT.**

ANOTHER BEWARE RE: "COLEMAN"

J.E.B. also sent a "notice" which he had received toward the end of August. All of you had best be aware for you will again get sucked in if you do not take note. We know that Coleman went to this area of Belmont, CA because we have misdirected phone calls from Express Mail deliveries directed to this phone number. This, of course, was a testing to see if the hounds could be pulled from the real trail (they didn't even sniff!) but more innocent persons are apt to get sucked in. Beware of anything called **Vigilance Society of America** and one CLAIMING TO BE Lowell Roberts! The "ad" goes like this: **[DONE ON OUR COMPUTER WHICH COLEMAN STOLE! You observant sleuths can tell this was done by Coleman, himself, by the punctuation and "spacing" of same for habit causes slips to occur here and there.]**

VIGILANCE SOCIETY OF AMERICA
(ADDRESS AND PHONE NO.)

August 30, 1992

Dear Fellow Patriot:

Dr. John Coleman and I have joined forces with several dedicated close friends in an urgent last ditch effort to unite the millions of honest and concerned Americans that have been watching helplessly for many years while their freedoms have been systematically stripped away and their once great nation has been reduced to the point of economic collapse.

Now is the time and the opportunity for every American patriot to stand up and be counted. We **MUST** act now! There will be no second chance.

Dr. Coleman has become world renowned through his writings and lectures warning of the conspiracy that has been undermining our freedoms and has brought us to the brink of disaster. John has held steadfast over the last two decades in spite of ridicule and disbelief, in spite of numerous attempts to silence him. As a result of excellent intelligence sources and a brilliant mind that can assimilate and disburse information in a clear and concise manner, he has achieved an accuracy of over 97% in his predictions of coming world events. **[H: Just remember: a prophet REQUIRES 100% (ASK DANIEL).]**

Like most of you, I have recognized for many years that something very wrong was afoot, but I lacked the knowledge to fully understand the depth of deception to which we as a nation are being subjected. Thanks to John, I now understand. And now that the problem has been defined, a solution can be implemented.

The **VIGILANCE SOCIETY OF AMERICA** has the solution. It will not be

easy, but it is absolutely not impossible. All we need are lots [of] energetic and patriotic Americans like yourself.

Col. James "Bo" Gritz, another great American patriot who also recognizes the crisis, has met with Dr. Coleman and has agreed that our two organizations must work together in this last ditch effort to snatch freedom from the jaws of enslavement. [H: This is an outright blatant LIE!]

We urge you to carefully consider the enclosed manual on the **VIGILANCE SOCIETY OF AMERICA** and then join us in

this historic movement to defeat our would-be oppressors and to create a Golden Age of freedom for many generations to come.

With Greatest Sincerity,

Lowell Roberts.

***** [H: Yes, and my name is "Howdy Doody". I'm sorry we do not have the "manual" mentioned but I understand it has a great many ways you make contributions!. I also ask all LIBERATOR readers to be on GUARD—

this man has stolen mailing lists from EVERYWHERE he has time to set up thieving access. IF YOU RECEIVE ONE OF THESE PETITIONS DO NOT RESPOND TO THIS LEST YOU WISH TO BE ON HIS RIP-OFF LIST FOREVER—IT IS A FARCE AND YOU WILL BE STUNG BADLY WHEN THE SMOKE CLEARS. In fact, it would be helpful for us to hear from you if you are somehow on this mailing list he is using, for we are efforting to see how many lists he has actually taken and what he sends as mailings. Thank you.]

Gifted Nostradamus Interpretations

10/1/92 #1 HATONN

THE SEER'S CORNER

I have had wondrously warm response over the Nostradamus puzzle-solving by D.J. I am asking that as much as D.J. is willing to share with us will be forthcoming. I cannot take space enough to reprint all of the "correspondence"—which is colorful in its own right—but I would hope that there be a compiling of the information as it is presented from her, for publication in a volume on the subject. Meanwhile what is shared with us, we will share with you—it beats the daily horoscope at any rate, in fun and games. I find the interpretations to be accurate and yes, I do know from whence comes that good information—but it is personal and private and none of our business.

I will say that early on this person did everything possible to "uncover" me and my crew but you see, as the puzzles became unraveled, THERE WE WERE, RIGHT ON "TIME" AND "SCHEDULE", DOING EXACTLY WHAT WE ARE SUPPOSED TO BE DOING! I am truly sorry that each and every one cannot get this kind of recognition and confirmation. This person has a great, great gift in receiving—please, let us keep protection for, already, each writing and connection made brings the helicopters and intelligence agents. We must protect our resources for, especially when they are out and "away" from this little "hub", it can be very frightening and lonely—however, this person is certainly not apt to be intimidated by very much on this placement.

QUOTING:

Sept. 24, 1992

Well, here goes. I have never just...translated any of the quatrains as I did this morn.

The fact is, none has unraveled these two anagrams—EVER.

Now we have. Correctly, too.

For the people and they must hurry, for as Commander Hatonn has said over and over—"TIME IS RUNNING OUT!"

in Nostradamus' time, there was NO Iran!
Not till...?

1905! And the "time of Iran" was
not till the late '70's!

Dom is a title used in the Church, of
great respect. It is derived from Latin,
dominus and means **Lord**. Now, here is

another, out of his Epistle and another
time reference.

EPISTLE, PARA 10

"...From the time of human redemp-
tion, to the detestable heresy of the
Saracens, about 625 years elapsed. From
this one can easily add up the amount of
time gone by."

A little history. The Saracens were
Moslems who took Palestine (The Holy
Land) in the year 1300 Anno Domini, they
took a great deal of places, in fact. Go read
history and learn about it, but believe me,
the Saracens have plenty of reasons to hate
"Christians." You can add such to 1349
A.D. +/- a number of years. I use that date
because that was when Nicea was taken,
all through the fourteenth century the
Saracens kicked backsides all the way up
to the Danube, so pick a date and add.

....I need to inform you, I, this little
being, had little to do with the translation
this morning. I was..."coaxed" to look at it
and unravel it...CORRECTLY. I cried like I
was five, not thirty and five, when I was
done. I always knew "norlaris" was not an
anagram for Lorraine, France. I did not
have that..."key" till I began to read the
PHOENIX JOURNALS.

My most important goal is to "give
up" this information and be the best Zhan
Yeas (Greek Origin: GUARDIAN spirit) to
my son that God entrusted into my care.

I will also send you the information
on the "pilot" that went down in '79 or '80,
too....He was approximately 6'6", 220
pounds, (American), dark chestnut hair,
golden skin and emerald eyes. I know he
was not wearing contacts and no "earth-
ling" has eyes that color. [H: This person
writing is an intensive care Nurse] Four
men came in with him, he was uncon-
scious, a closed head injury. After caring
for him in trauma care for nearly five

hours, thugs in full radioactive suits came in....with Geiger counters. The pilot was covered in some kind of "fuel", one that set the counters off like a ten alarm fire. Of the five that worked on him, three of us that I know developed cancers of bone, thyroid and breast, myself included. One is dead that I know of. He was dressed in a flat forest green jumpsuit with a dull sheen to it. (Flightsuit?) We cut it off him and washed him down because he was covered with the fuel. It was decided that he was going to be taken to Oak Knoll Naval Hospital in Oakland, Calif. Only....they took him away in a small black helicopter, rather like an Apache, but....they didn't make them then. Or did they? Not till an acquaintance sent me a pirated copy of your SPACE GATE did I ever make the connection, not till I described the Patch. **[H: There is no way that I can reproduce in words the drawing, but that is the reference in point.]** Not till years later did I know the symbol was very similar to the Greek letter for Esu Immanuel's name.

The greatest oddity? A military pilot listed as...**John Doe?** Yes, that is right and I am too uneasy to pry into the old records to see if they are even there. I can remember the doctor being very, very nervous suddenly. It IS NOT DONE to ship a closed head injury like that. Nor did I realize till years later that our pilots aren't tall! That they should have known his name, social, et cetera. The helicopter took him south from Reno's Washoe Medical Center. I don't know where or why. Why do I know? Well, I was in the trauma room that night and I took care of him the entire time. Four men in suits with guns were there, everyone was edgy and I was too busy taking care of him. I only remember the ones in the suits trying to "wake" him and I became the Nurse from Hell; they backed off then.

Here's what I remember of his patch, the letters were sort of silvery-iridescent.

For what it's worth, I am more sorry than you can ever know. No. He never regained consciousness. **[H: At least, not in YOUR presence!]**

[H: Now I would like all of you to pay close attention and honor this writer for there is most personal information shared herein and I respectfully give gratitude that it would be given into our ability to share.]

Sept. 23, 1992
D.E.J.

Dear.....,

I sit here not because I am insane, but you might think so shortly, sir. I read over and over about the way the ADL and other Jewish organizations attack you and precious dharma.

I have a solution to prevent such

attacks upon you all. You see, I am of Khazarian/Jewish descent, second generation on my mother's side. I was married in the Temple Immanuel in Reno, Nevada, USA in 1980. So...there you have it. Freely I give permission to use my name, therefore, when addressing me, a Khazarian "Jew", they can do nothing but stomp, whine and throw tantrums.....

[H: No, precious, it is NOT all they can do and never shall I make your way more difficult. I will share your information but I will not give the enemy the "edge". They already know where you are and that you are gifted. It is enough that YOU know and that others accept that they simply have not been given TRUTH—thousands upon thousands are exactly as you.]

My full name is....D.E.J.E.... No. I am not a practicing Jew, but my great grandfather was indeed a rabbi. Abraham was his name, my maternal grandfather was David, he stopped practicing Judaism when he escaped the Czar's army in 1914 by coming to America.

By addressing "me" in writings of such, they merely become much needed lessons to this "Khazarian Jew" and there can be no snotty anti-Semitism accusations slung at any.

I too now wonder just what is being hidden, for I did indeed lose family members in the Holocaust, that is no excuse for deceptions of ANY KIND! Being of such descent I can and do ask for any and all information, (as vile as it seems to be) concerning such an issue.

And yes. I am the same one that sends the quatrains of Nostradamus to you all, with much love and great relief of the burden, actually. Indeed, there are "Jews for Jesus" but those of Zionist persuasions do not like to talk about the fact and it will give an Orthodox Jew a coronary to even mention such a thing. No. I do not consider myself a "Jew", but by the bloodlines and more, indeed I am of Khazarian lineage, right down to gold-tinged skin and almond-shaped eyes, folks. No, I don't feel too grand getting a double-whammy here, but...Oh, well. Great lessons.

So, very humbly, I do offer myself to put a stop to all thisthat is thrown at you bringers of Truth. I know that those of the Hosts hardly need my help, but dharma and the rest of your scribes could be saved much grief. No! I am no sacrificial lamb! I do offer up my initials for "lessons" which will put a stop to such. You may indeed publish this letter or use it as you need. They can hardly call ME anti-Semitic, nor do I find any of your words anti-Semitic. What I DO find is many narrow-minded, very, very frightened Jewish organizations who do not even bother to READ the material before condemning you all. ("Christians" too, for that matter.) **O-I-DO-NOT-**

LIKE-ZIONIST-POLITICS!

....No, sir. I have not yet gotten to the TRILLION DOLLAR LIE; I read four journals a week (when I can get them) and am trying fiercely to "catchup" with everything else, but I promise **you, I WILL now seek out the numbers and facts, whether or not anyone likes it.**

Sincerely,
D.E.J.

Sept. 26, 1992
Here is another mentioning Dom Esus.

CENTURY IX:45

"Ne sera seul jamais de demander,
Grand MENDOSUS
obtiendra son empire:
Loin de la cour fera contremander
Piedmont, Picard, Paris, Tyrron le pire."

TRANSLATION

"No being ever demanded of, but...
Great Lord Jesus (Dom Esus) will obtain His Empire:
The court to make counter summonings from a long way off.
Piedmont (Italy), Picard, Paris and Tyrron the worst."
Italy, bastards, (Or innocents) France and Germany the worst."

As I wrote before, MENDOSUS IS the anagram for Dom Esus, Lord Jesus. Tyrron could be phonetically spelled "tiron". Meaning of a "T" or the Tau Cross. The first "Christian" cross was a Tau Cross. The first Church is the Catholic Church. To be exact, Tiron is a, "cross of iron." And of course, the iron cross stands for Germany.

The Picards were a religious sect in the fifteenth century who tried to renew the practices of the Adamites, i.e., going naked in supposed "innocence" of the spirit. It is also a term that means rascal which is the equivalent of calling someone a bastard or S.O.B. in our times. It was a rude term for those of Flanders, what is now Belgium, the Netherlands and part of Germany. Essentially, those of Rome, et cetera are going to decry THE WORD given us. (Don't they do so already?) I must admit, I too thought you all crackpots...till I deciphered the anagrams dealing with God and Esu.

The clincher was that of "The writings of the Commander of the Phoenix."

(Editor's note: See pages 26 and 27 of last week's LIBERATOR for the incredibly gifted translations from D.E.J. revealing that

Nostradamus did, indeed, speak of both Space Command and The Phoenix. Makes one wonder who was working with Nostradamus on that project!

Nor can I take just a small portion and then denounce the rest. I give you *Revelations*, Chapter 19:19.

"And I saw the beast, and the kings of the earth, and their armies, gathered together to make war against Him that sat on the horse, and against His army."

Just for mulling over, the Beast is many things, it is YOUR social security number, WE ALREADY ARE "MARKED" BY THE BEAST. It is the World Bank code of 666. It is like the abstract concept within *Revelation...* "The beast that thou sawest was, and is not..." And... "The seven heads are seven mountains, on which the woman sitteth."

Rome just happens to sit on seven mountains, doesn't she? and how many off-shoots are there of the first Church?...

And what of *Job* 38:31?

"Canst thou bind the sweet influences of Pleiades, or loose the bands of Orion?"

Or *Amos* 5:8

"Seek Him that maketh the seven stars and Orion, and turneth the shadow of death into the morning, and maketh the day with night: that calleth forth the waters of the sea, and poureth them out upon the face of the earth: THE LORD IS HIS NAME:"

"Pleiades" MEANS, seven stars!

Iron means the sword/war and the renewing Ages is the year 2000 Anno Domini. After a nuclear war, the rains are like "milk" because of all the fallout/debris in the sky. **If you do not know about the words that Hatonn spoke in SKFLETONS IN THE CLOSET, pages 14-**

Much of what Hatonn speaks of is mirrored in the words of Nostradamus. No one knew what "MENDOSUS" meant.

Ponder it! Great trials before eight years have passed! Only to have much, much worse come upon us. If you do not prepare yourselves and families shelters, it will not really matter whether you believe in nine-foot-six Pleiadians or not. Any who lived in the Great Depression, speak up.

It is so different now? Remember "Hoovervilles?" We now have Reagan Town and Bushdumps, do we not?A war is the only way out of a Depression. As soon as I complete those pertaining to J.C. and Company, I will send along the others.

Just for confirmation, here are some facts for your readers: we are biochemoelectrical beings. Brain waves and heart rhythms attest to that fact. With a lamp cord or such, **I can do much worse than extra low frequencies to a human body.** Anyone can make the toys that Hatonn speaks of. You can't see electricity, but it's there, ever hear of reflex-arching, anyone? Do you even know what or where the node is that keeps those stony little lumps you call hearts beating?

[H: Yes, student, you have listened well and I am well pleased. It only takes understanding of the signals and it makes sense as the receiving is deciphered. We would like all you are willing to share with us. The readers long for this kind of unfolding. I said that I WON'T GIVE DATES—I did not say that Nostradamus couldn't. All "dates" are only approximations at their best for in the worlds of non-space and non-time they have no meaning at all. However, in your experience "sequence" usually is attached to a perceived "time" and you are in the most interesting "time" of all. Let us enjoy it as it unfolds. So what if your projection is not to the minute in perception—arrival at those times and dates is far more interesting oftentimes than the actual arrival. Whatever you wish to share with us now, or that which you were receiving prior to now, would be most welcome. I sincerely request that you continue your work and allow consideration of binding the volumes for publication.]

Painful Letter From A Patriot Friend In New Zealand

10/1/92 #1 HATONN

Delivered this moment is one of the most difficult and saddening pieces of correspondence Dharma and E.J. have received. "Next go we, Father?" is the petition. Oh, chelas, it is a hard, hard path for some of you.

We hear from my beloved son/brother in New Zealand. He has been sharing (for protection of source) information directly from one E.J. Hart (who did in fact, send all the wondrous information regarding the **Committee of 300**, etc., The New Zealand Bank fraud—which got him incarcerated—and now more and more information which I hold in security until such time as it is better to print it. **I do promise to see to it that this daring man will not have risked in vain. I do not have to have the papers to present the information, beloved ones, and I shall see to it when the time is appropriate. Hold steady on the course;**

you have done your bit and now it becomes another's to see to the next step. You can easily see that it is NOT only New Zealand in point here. Brother Edward must not feel loss and ending—he has only just begun! "They" should not have done this thing. It is, however, not unusual as you refer back to the early parts of this day's writing—it is happening here also, and all around your world, without ability of the public to find out. The day of the Lord is at hand, chelas, and that which is unknown shall be made known and a swell shall arise across the nations and man shall bow down in fear and terror for that which is EVIL shall cease to stand. Angry God? Perhaps! Angry "Hosts"? Yes indeed.

E.J. Hart has been forced to sign this document [See next page.] OR spend his remaining life incarcerated in a mental institution under heavy sedation. "They"

have "broken" him, his health is bad and now they have closed down his work— forever, I am told. No, his work shall not be stopped and it only gives more confirmation to the readers hereof—we bring Truth, chelas, and none shall escape this scourge upon mankind. It will touch you ALL and I bow in honor unto you ones who reach out in spite of the threats and blows and SPEAK and ACT. In the end the beast shall destroy itself. May we now allow God to take the better course that HIS will be served and that we serve in willingness and without ego that TRUTH may be again brought upon this Earth Shan. I salute you, brothers. Be not dismayed—simply accept this

as your confirmation of Truth and walk in PEACE for you have done that which you could. GOD asks no more! The enemy shall have great regrets over his actions this day!

Let us close this portion, Dharma, for I see that you need a break to recoup for you see, readers, the brotherhood of our relationships stretches across the globe and within the cosmos. You need not have vision or touch to allow hearts to attach and feel mortal pain at the hurt of another—no matter where he/she might be—and ever KNOW: MY WINGS ARE BIG ENOUGH TO SHELTER YOU! SALU.

Hatonn to clear.

QUATRAIN FOR THE DAY

Just because those helicopters tweaked my temper up, I am sending another quatrain. It goes hand in hand with THEY CALL HIS NAME IMMANUEL. [Every time this person calls Tehachapi or writes for us, the military helicopters show up.]

Rules: Phisiques means natural philosophy, I.E., constitution or trance. They thought Him dead. "Est" can mean "is" or "East" in French. French articles can mean many different things, unlike English. So, when looking over Nostradamus' words, one must go to the OLD FRENCH, not the interpretation of another. In French, donnee literally translates to "data" or fundamental (primary or basic) ideas...Truths will be given to those seeking Christ.

No hocus pocus, just the facts. Do I know all of the quatrains' meanings?

Nope, sure don't. Don't want to, either.

As any can see, there is a big difference, yet without this WW-II cryptographer who kept the Old French pure, it would not be

possible to decipher even the simplest quatrain. As so many have done by butchering the Old French, they have never found the Truth with Michel d'Nostredame's words. Such an announcement as the one above would have guaranteed that Michel d'Nostredame would have been slowly roasted over hot coals as a heretic, just as Joan d'Arc was, just a short while before.

The Incredible *INSLAW* Travesty: U.S. Justice Dept. At Work For Our Government's Drug Business

10/2/92 #1 HATONN

Our papers have been running so large that we have been holding for far too long a series of articles regarding the "Inslaw" case which the *Napa Sentinel* granted us opportunity to utilize some months past. It was the best write-up I have seen on the subject. Now it is coming again to the forefront so it is time to leave something else out of the *LIBERATOR*, if necessary, and catch you up.

As introduction I shall reprint here an article from this last issue of *Spotlight*. We will then see if there is room to give you some additional information on the subject or if we should turn our attention to other things and consider you sufficiently informed. It is IMPORTANT because it fits with everything else criminal which was and is going on simultaneously.

[QUOTE:]

PROBE OF INSLAW DEMANDED

A House committee has asked for a special prosecutor to investigate the Inslaw scandal, a tale of murder, conspiracy, cover-up and theft—all allegedly perpetrated by the U.S. Justice Department. [H: Isn't this just dandy—the Congress just VOTED to have no more SPECIAL PROSECUTORS.]

By Andrew Arnold, *Spotlight*:

The House Judiciary Committee has called for the Justice Department to name an independent counsel "to conduct a full, open investigation of the Inslaw allegations of a high-level conspiracy within the Jus-

Justice Department."

The Inslaw scandal centers on a \$10 million computer program (said to be worth over \$280 million) designed to track criminal cases, which its makers contend was stolen by the Justice Department in 1982 while Edwin Meese was attorney general.

Further, they charge, Justice officials engaged in a conspiracy to drive them out of business when they demanded payment; and Justice officials illegally redistributed the program to domestic and foreign law enforcement and intelligence agencies and conspired to cover up the department's criminal actions.

Private investigations of the affair have centered around several suspicious deaths of people involved, and allegations that the CIA and other U.S. intelligence agencies distributed the software to foreign counterparts to facilitate spying on them. The software, it is alleged, contained a "back door"—a secret command known only to the CIA—that would permit agency snoops access to the foreign system whereby they could rummage undetected through the foreign intelligence database.

COMMITTEE WANTS PROBE

The committee, headed by Rep. Jack Brooks (D-Texas), wants an investigation to determine if Inslaw's software was stolen from the Justice Department, then transferred to other federal agencies and foreign governments illegally.

When Inslaw sued for payment for the use of its proprietary software, the Justice Department balked, raised a "sham" contract dispute and tried to force the company into Chapter 7 bankruptcy

which would have necessitated Inslaw selling its assets, including the rights to its *Enhanced Promis* software.

The Judiciary Committee has asked for a special prosecutor to see if individuals in the private sector and government officials—including former attorneys general Edwin Meese and Richard Thornburgh—were involved in a theft and cover-up conspiracy.

LAW IS SET TO EXPIRE

The independent counsel law is set to expire at the end of this year. **[H: Actually it is worse than that, it expires before the end of the year, like somewhere around December 21. In addition to that, the Special prosecutor that you have, Lawrence Walsh, and his own scalp-hunting assistant, Craig Gillen, have been fined by the District of Columbia for failing to pay city income taxes. It seems that neither of these holier-than-thou gentlemen managed to pay their D.C. taxes during their multi-year periods of residency. In further addition, both are under investigation by the General Accounting Office to determine whether or not they have made inappropriate use of taxpayers' funds during their lengthy imbibing at the public trough. It will be interesting, I would assume, because these gentlemen rolled up massive personal expenses that YOU paid for. We'll look at it more closely if we have spare space.]** The White House is opposed to renewing it **[H: Boy, I would guess so!!!]** unless the law is changed to include Congress as subject to investigation by an independent counsel.

In March, 1982, the Justice Department awarded Inslaw Inc. a \$10 million, three year contract to implement a version of the *Prosecutor's Management Information System (Promis)* at 94 U.S. attorney's offices, according to the Judiciary Committee report, entitled *The Inslaw Affair*.

Within one month, the Justice Department's C. Madison Brewer suggested the government terminate the contract. According to testimony Brewer said he does not remember making the recommendation, but if it was made, it was made "in jest".

William Hamilton, owner of Inslaw, failed to see the humor. Hamilton's company was on the verge of bankruptcy in early 1985 after the federal government withheld at least \$1.6 million in payments for use of the software.

A federal bankruptcy court judge, George Bason, later called Brewer's remarks "the smoking gun that clearly evidences Brewer's intense bias against Inslaw, and his single-minded intent to drive Inslaw out of business."

RULINGS UPHELD

Bason and a federal district judge upheld rulings against the federal government before the U.S. Court of Appeals overturned the decision.

The judiciary report questions why Brewer was given the position of overseeing the Inslaw contract; Brewer worked for Hamilton until 1976 as counsel for the Institute for Law and Social Research, which later became Inslaw.

Brewer left this position under questionable circumstances. Hamilton claims Brewer was encouraged to leave by management; Brewer says he departed in a favorable light.

In addition, Brewer, by his own testimony, is "not a computer person."

Hamilton accused Brewer of holding a negative bias in his dealings with Inslaw. The Department of Justice nevertheless kept Brewer on the assignment.

If Inslaw was forced into Chapter 7 bankruptcy, a rival company, Hadron Inc., could buy the rights to *Enhanced Promis*. Hadron is run by **Dr. Earl Brian, a friend of Meese, and is a company in which Meese's wife, Ursula, was an investor.**

MEESE KNEW

The *Enhanced Promis* was later provided to Brian by the Justice Department "allegedly...with the knowledge and concurrence of then-Attorney General Meese who had earlier worked with Dr. Brian **in the Cabinet of California Gov. Ronald Reagan and later at the Reagan White House,**" the report said.

Later, **Michael Riconosciuto**—a self

described computer expert—admitted under oath he "was involved with the modification of proprietary *Enhanced Promis* software" on the Cabazon Indian Reservation near Indio, California.

Under federal law, modification of copyrighted software without the author's permission is a crime.

The *Promis* system was allegedly also illegally modified for use by the Royal Canadian Mounted Police and the Canadian Security and Intelligence Service, according to Riconosciuto.

Riconosciuto was arrested on drug charges in 1991. Some allege Riconosciuto was set up on the charges to discount his worth as a witness against the Justice Department. **[H: Chelas, THE WHOLE THING WRAPS AROUND THE COMPUTERIZED RUNNING AND TRACKING OF THE "GOVERNMENT" DRUG BUSINESS and of course it was a total frame-up. Other people got very DEAD in this game, such as Danny Casolaro, an investigative reporter—who also just happened to know and be involved with other whistleblower incidences as "October Surprise", etc. The intrigue is endless.]**

ILLEGALLY PROVIDED OR SOLD

Other sources, including a surplus computer dealer and two former **Israeli intelligence officers**, said *Promis* has been illegally provided or sold to foreign governments including Canada, Israel, Singapore, Iraq, Egypt and Jordan.

(Editor's note: This writing session was interrupted to attend other business.)

SATURDAY, OCT. 3, 1992

The report said the committee was blocked from investigating the role of the CIA in international *Promis* sales.

Hamilton claims other federal agencies such as the FBI, the Drug Enforcement Administration and federal intelligence services have also illegally acquired *Promis*.

Former Attorney General Elliot Richardson, counsel to Inslaw, has described the circumstances surrounding the Inslaw case as a possible criminal conspiracy involving Judge Lowell Jensen, Meese, Brian and several current and former officials at the Department of Justice.

"The Attorney General should take immediate steps to remunerate Inslaw for the harm the Department has egregiously caused the company," the report said. "The amount determined should include all reasonable legal expenses and other costs to the Hamiltons not directly related to the contract but caused by the actions

taken by the Department to harm the company or its employees."

MORE PROBES CALLED FOR

In addition, the committee voted for investigation into:

* The death of journalist Danny Casolaro. [See story below.]

* Whether or not current and former Justice Department employees perjured themselves in regard to Inslaw.

* Whether or not private sector individuals participated in the alleged conspiracy to steal Inslaw's *Promis* software and illegally distribute it.

[H: The facts, of course, are that they did ALL these things including silence Casolaro along with many others. It is obvious why there has not been, nor is there wanted to be, any kind of investigation—especially until there is no longer a law which allows for independent prosecutors.]

The committee does not have the authority to order the Justice Department to investigate any of these matters. In fact, none of the findings contained in the committee report are legally binding. **These are simply recommendations from Congress.**

[END OF QUOTING.]

What, I wonder, happened to that old Constitutional Congress who, when it ordered something, saw to it that it was DONE? I hope that by actions this day you can see that you are in for a long and serious journey from here to change-about.

IF THE UN CAN FREEZE (STEAL OPENLY) ANOTHER NATION'S (IRAQ) WEALTH, BANK ACCOUNTS AND STILL IMPOSE EMBARGOES—ARE YOU FAR BEHIND? NO! YOU ARE NOT BEHIND AT ALL—IT IS COMING DOWN ON YOU-THE-PEOPLE VERY, VERY SOON NOW. YOU SEE, GUILT OR INNOCENCE OF ACTIONS HAS NOTHING TO DO WITH IT.

ABOUT CASOLARO

The death of investigative journalist Danny Casolaro has prompted Congress to call for a special counsel. Mr. Casolaro was researching the connection between **A NUMBER OF** Bush administration scandals at the time he was murdered—**including the Inslaw case.**

Specifically citing the unsolved and mysterious death of investigative journalist Danny Casolaro, has caused the House Judiciary Committee to call for the Justice Department to name an independent counsel to investigate the Inslaw affair also. It is hard to work through this since, at the time of the Inslaw case, the Head of the

Justice Department, Attorney General Meese, was a major part of the criminal actions and was then aided and abetted further, by Richard Thornburgh, when it got too hot for Meese.

Casolaro had tied an investigation of Inslaw, the Bank of Credit and Commerce International, Iran-contra and the **October Surprise** into a nice neat web. Casolaro referred to this web as **"the Octopus"**.

Casolaro's death was simply the most prominent of a series of deaths of people connected in one way or another to Inslaw or to Casolaro's broader investigation.

The Inslaw scandal centers on a software package believed to be worth some \$280 million as we just outlaid for you. Since the software is designed to track criminal cases it is "logical" that it would be stolen by the Justice Department, and was, in 1982—right under the direction of Edwin Meese.

The October Surprise affair, remember, involves an alleged conspiracy by the Reagan-Bush campaign team to delay the release of American hostages held by Iran in 1980 until after the elections to prevent the reelection of Jimmy Carter. This also involved now pretty well known people such as Russbacher, Brenneke, etc., whom we have written about in the past at great length. As we have time and space, it is appropriate to run them again. I also have information from one's inside the circle who have presented my scribe with documents but I have chosen not to publicize that information yet. It bears the same information in basic outlay as is coming through now so would enhance nothing and possibly hurt a lot of people.

Casolaro was ready to publish his findings in a book. This would have exposed many of the most powerful people in Washington. He was only one of several who were revealing such information so this would have nailed the coffin lids on some of the slick shysters.

At the time of his murder he was in West Virginia to meet secret sources whom he expected to provide the final evidence needed to **prove his Octopus theory**.

It is nice to know that tucked away in a handy spot is a tape of Bush in the cockpit of the SR-71 which flew him BACK from the Paris meeting. Valid? Good enough to make a few Bushies and twiglets squirm.

Casolaro's body was found in a bathtub in a West Virginia hotel room on August 10, 1991. **The death was officially ruled a suicide despite a slew of questionable circumstances surrounding the death.** Is it not interesting that "suiciding" is getting to be the major cause of transition for a major number of honest people trying to uncover Governmental crime?

Investigators of the death speculated that somehow the man was distraught

since he had received a third rejection notice for his book. I don't doubt it for nobody would publish such information—and stay alive themselves. Besides, all the major publishers are part and parcel of the cover-up and major players in the Elite's "New World Order". He also had a large balloon payment due on the mortgage on his home—\$178,000. This is absurd if you knew the man—he would simply have moved and/or filed for bankruptcy and would have come out very well.

NOW IT GETS NASTY

Even though Casolaro lived and had family in nearby northern Virginia, West Virginia AUTHORITIES ORDERED THE BODY EMBALMED BEFORE THE FAMILY WAS NOTIFIED OF THE DEATH AND BEFORE A CORONER COULD INVESTIGATE THE CAUSE OF DEATH.

The Judiciary Committee report casts even more doubt on the official findings. Some evidence indicates the death scene was not sealed immediately. The room **was cleaned before an investigation took place. This was all in the valid report.**

Casolaro was in contact with at least two federal sources in the weeks prior to his death, according to the committee report.

FBI Special Agent Thomas Gates told the committee he received several phone calls from Casolaro beginning approximately a month before the author died.

Gates reported that "Casolaro sounded very 'upbeat' and certainly not like a person contemplating suicide," the report included.

"Special Agent Gates felt that the amount of injury found to be inflicted to the arms of Mr. Casolaro was not consistent with injuries inflicted by an individual who had slit his own wrists," the report continued. "Special Agent Gates said he was told by Martinsburg, West Virginia, Police investigators that: He (Casolaro) hacked his wrists—the wrists were cut, but they were cut almost in a slashing or hacking motion.

"Based upon my prior testimony concerning my contacts with Casolaro and also with the captain of the Martinsburg Police Department, there is cause for suspicions to be raised," Gates told the committee.

Perhaps you now begin to have a more healthy respect for the protection I must provide to my people. I know you want more and more information. I know that you want information that "nobody" else has—but your desires are not going to cause death to my brave people if I can help it. I can help it—IF—they attend my requests. Take selves outside my permit zone and it gets bad very, very quickly.

I know you are offended when I must decline meetings and giving of personal

information but you have to go within your own guidance for your own directions—I cannot involve my scribe or my publication crews. There is a whole world out there where you can "locate", "serve", "be involved" and do whatever you are guided to do. This place where I write is as dangerous as any place on the globe for you who just want to "seek and find" possible placement. It is worse than having no security other than my own but the attempts against health, life and limb are unceasing. It is not a pleasant place to be located unless you remain in total service unto God according to HIS plan, for the assaults are not particularly individually buffered if you are "game" playing.

I know that the majority of you think that "If I am doing something or other for God, I am secure in a little cocoon." No you are NOT, for many of you simply THINK you are serving and are actually being used by the Adversary for his own needs.

Some think you can do a "better job" of explaining what Hatonn or God "means". No, you cannot and it simply causes problems which I must then attend. The "attending" is often most unpleasant for the original perpetrator. Also "gossip" is attended the same as truth. For instance, Patricia says to John: "I understand Laughlin has been hit and broken open by the IRS." Laughlin is one of the finest agents for Nevada Corporations around. What could that mean? NOT A THING! Number one, it is false information; and number two, it couldn't happen the way described in any sense of the word. I shall write about this at the top of the next session. Death, however, becomes a very real and terrifying confrontation to my people—every day! Be patient, please, if they seem abrupt or reclusive when you would like a little personal meeting or two. In addition, the piles of correspondence come in by the pound. We love it, for that gives us sharing information on current inquiries.

Robert Stavin, a former prosecutor with the Department of Justice's Organized Crime Strike Force, recounted for the committee a conversation he had with Casolaro a week before the journalist's death.

Stavin and Casolaro mentioned Inslaw and the Octopus, but had not tied all the threads of this theory together yet.

THREATENING CALL

Around the same time period Casolaro's housekeeper reported he had received a phone call stating: "You're dead, you bastard." Now, this goes even beyond "Slimy little pukes and I'll f—— get you," that my scribe received from a notable speaker. Then there were the, "You won't ever know, you bastards, when you try to start your car and turn on the ignition, if it will blow

up" and "Get out of town, you won't last here—the 'Christian community' will be around to handle you bunch of Satanist anti-Semites." This goes on constantly when you are about to blow the socks off the big boys.

In addition, the housekeeper noticed that a stack of typed papers that usually lay on top of Casolaro's desk was missing shortly after his death. Maybe that is also why it is easier for us to simply type all this information directly into the CIA, Edwards AFB and several other data banks at the same time. These guys do not, however, play fair. It would seem the least they can do when they bungle the writing equipment and wipe out a writing that they would reproduce it for us. I welcome their attention because it reinforces the fact that the "top bananas" know exactly who I am and that we only give scribes information already present—somewhere. It won't usually be "interpreted" but it has been announced somewhere or other. God does have **some rights**, after all.

In addition to the death of Casolaro, a number of other sources, believed used by Casolaro in researching his Octopus theory, have also caught that fatal and incurable disease, **SUICIDE**. Lets look at just a few:

1. Defense analyst Alan D. Standorf. His body was found at Washington National Airport on the floor of a car beneath luggage and other personal items. Standorf worked at a secret military listening post in suburban Virginia. This was "obviously" suicide.

2. Former Nixon aide Michael Allen May died four days after the *Napa Sentinel* reported his connections to the alleged October Surprise scandal. An autopsy said May had pharmaceutical drugs in his system.

3. Reporter Anson Ng, of the London-based *Financial Times*, was working with Casolaro investigating ties between Inslaw, the Cabazon Indian tribe and Iran-contra. Ng was found dead in Guatemala with a bullet wound in his chest. This was also ruled a suicide.

4. Dennis Eisman, U.S. intelligence operative Michael Riconosciuto's lawyer, was also found with a gunshot wound in his chest. This too was ruled a suicide.

5. Engineer Barry Kumnick disappeared after inventing a new computer program that could project the thoughts and characteristics of criminal or military individuals and predict behavior or movement. Kumnick's system is designed to work with Inslaw's *Promis*. He has not been seen in more than eight months.

This list could go on and on, especially if you get into that which we have already given you on the San Luis Obispo Connection and all the suiciding that went on as that was coming a bit unglued and big boys got "testy". One of those big boys is, off

giving away a whole big bunch of agreements with China.

I can only remind you that with the water contaminations and forced inoculations—soon the entire of the nation will "suicide" for it is the latest thing in population control. A good epidemic of suiciding beats having to simply murder everyone one at a time. A good nuclear "suicide" is also in the offing in case you are curious.

Salu,

Hatonn to clear, please.

(Editor's note: Before we begin the outlay of the INSLAW material from the Napa Sentinel, we present a transcription of a telephone message that Commander Hatonn instructed Dharma to record almost a month ago, when tactics were heating up to derail the INSLAW investigation.)

SKOLNICK PHONE MESSAGE TRANSCRIPTION

(September 10, 1992)

Hi! Sherman Skolnick, *Citizens' Committee To Clean Up The Courts*, 9800 Oglesby, Chicago, Illinois 60617; 312-731-1505.

"There is an obstruction of justice in the Proceedings of the Inslaw special Federal Grand Jury in Chicago," charge knowledgeable sources.

The special Proceedings are inquiring into allegations of corruption and criminal conduct of high level present and former Federal Government officials and others regarding the alleged pirating of super software designed to manage criminal cases.

The Inslaw Grand Jury, going over the head of the Special Justice Department Counsel, is reportedly preparing to hand out criminal indictments naming George Bush, Ronald Reagan, former U.S. Attorney General Edwin Meese and top espionage officials present and former. The Special Counsel Nicholas J. Bua is accused of seeking to block evidence and witnesses coming before the Grand Jurors.

The former Federal District Judge in Chicago who left the bench in 1991, Bua, nevertheless, reportedly has threatened a Grand Jury witness and Grand Jurors with contempt, calculated to intimidate the Grand Jurors who vowed to use their power to hear all witnesses and evidence.

Not a special prosecutor, Bua has reportedly cowed the Grand Jurors. Bua is pretending to still have judicial powers as nonexistent prosecutorial authority. Bua is blocking and obstructing justice, sources say, because he was promised an ambassadorship or other benefits if he brings the Special Grand Jury to a dead end or prevents indictments.

One former high level Justice De-

partment Official quotes Bua as saying, "The whole Special Grand Jury matter is a nuisance", preventing Bua from making a good living now as a private attorney with Chicago-based Burk, Bothelman and Weaver.

With two associates, the head of a court reform group recently visited Bua in his private law office about the Inslaw case, also in the presence of Special Prosecutor Charles Knight. Bua said, in so many words, that he does not intend to prosecute anyone and wants the matter behind him.

Sherman H. Skolnick, head of the *Citizens' Committee To Clean Up The Courts*, has been looking out for the public interest for more than thirty years. I don't believe Bua said, "No Grand Jury witnesses are in danger of their life", Skolnick says. First in contempt, Bua is failing to protect key witnesses from harm, such as former Justice Department employees including Lois Bottisconi, who complained to no avail. **Some forty witnesses have already been murdered and Bua is not interested**", Skolnick says.

Testimony before Congress and elsewhere shows the software called *Promis*, *Hermes* and other acronyms has been adapted to act as a Trojan Horse to spy on other spy masters after being reportedly unlawfully sold in violation of copyright to foreign intelligence agencies, including Israel's Mossad, Iraqi Intelligence, Sweden and others. The software has also been adapted to track individuals as targets worldwide and to gather personal financial data on Federal Bankruptcy Judges and Trustees.

The Special Grand Jury is reportedly out of control, going over the head of Bua and others seeking to protect Reagan, Bush and others, with the Grand Jurors asserting the legal authority to be independent. "Runaway Grand Juries are rare," says a legal historian. The U.S. Supreme Court recently ruled that Federal Grand Juries are a legal entity independent of being subjected to control by any of the three branches of the Federal Government.

Just another story suppressed by the liars and whores of the Press, the newsmakers.

(Editor's note: And now to the first seven installments of the Napa Sentinel's INSLAW material. Federal Corruption INSLAW

By Harry V. Martin

EDITOR'S NOTE: *When discussing the widespread corruption in the federal Bankruptcy Courts, it is difficult to focus on just the Northern California jurisdiction. This new series will focus on the extent of the corruption throughout the nation and its linkage to various courts.*

When the U.S. Government sent Anthony Souza to Northern California to investigate what government officials called "the dirtiest system" in the United States, it was aware that the entire bankruptcy system is unraveling. Former LendVest Trustee Charles Duck was the main focal point of Souza's investigation—even though a local bankruptcy judge called him the most "honest man" he had ever known. Duck's ties to bankruptcy judges throughout the Bay Area is providing a picture of intense corruption going deep inside the law enforcement agencies. Even Souza admits privately that his hands are tied.

There has been one known murder in Northern California that has strong possible links to the bankruptcy system. There have been several more in Texas. This series will focus on different incidents from various parts of the country.

One of the most bizarre cases of corruption in the bankruptcy system involves a small Washington-based computer software firm called INSLAW. In 1982 the firm signed a three year contract for \$10 million with the U.S. Department of Justice. The software program INSLAW developed was a case-management computer program called PROMIS. The software, which was developed by Bill Hamilton, enabled the U.S. attorneys to keep track of information on cases, witnesses and defendants, and to manage their caseloads more effectively.

Though the U.S. Attorney's Office placed the PROMIS program into operation in several of its offices, it refused to pay Hamilton. Subsequently Hamilton was forced into the bankruptcy court. Former U.S. Attorney General Elliot Richardson, representing Hamilton, advised him to sue the Justice Department for stealing his software.

Anthony Pasciuto, who was the deputy director of the Executive Office for U.S. Trustees, which oversees bankruptcy estates on behalf of the court, had stated that the Justice Department was improperly applying pressure on his office to convert INSLAW's Chapter II reorganization into a Chapter 7 liquidation, which would mean that all company assets, including the

rights to PROMIS would be sold at auction.

U.S. Trustee Cornelius Blackshear corroborated Pasciuto's story. Two days after he was visited by Justice Department officials, Blackshear issued a sworn affidavit recanting his earlier testimony.

The Justice Department recommended that Pasciuto be fired. The memo seeking his dismissal reads "...but for Mr. Pasciuto's highly irresponsible actions, the Department would be in a much better litigation posture than it presently finds itself."

Federal Bankruptcy Judge George F. Bason, Jr., ruled in 1987 that the Justice Department had acted illegally in trying to put INSLAW out of business. Bason sent Edwin Meese a letter recommending that he designate an appropriate outside official to review the dispute because of the prima facie evidence of perjury by Justice Department officials. Meese did not respond.

Later that year after nearly three weeks of trial, Bason ruled in favor of INSLAW in its suit against the Justice Department. "The department (of Justice) took, converted, stole INSLAW's software by trickery, fraud and deceit," the judge stated, adding, "the Justice Department engaged in an outrageous, deceitful, fraudulent game of cat and mouse, demonstrating contempt for both the law and any principle of fair dealing." Judge Bason ordered the Justice Department to pay INSLAW \$6.8 million. Bason's verdict was upheld on appeal by U.S. District Court Judge William B. Bryant three months after Bason's ruling, he was denied re-appointment to the bankruptcy court.

Hamilton's trouble began when a friend of Meese attempted to buy out INSLAW, but Hamilton turned him down. In a court document, the potential buyer is quoted as saying, "We have ways of making you sell." It was after that the trouble for INSLAW began.

The Senate Permanent Subcommittee on investigations, chaired by Senator Sam Nunn, began an investigation into the INSLAW case. Once the inquiry got under way, the Senate Judiciary Committee's chief investigator, Ronald LeGrand, received a phone call from an unnamed senior officer at the Justice Department - a person LeGrand has known for years. The caller told LeGrand that the "INSLAW case was a lot dirtier for the Department of Justice than Watergate had been, both in its breadth and its depth."

The Nunn Committee completed its investigation and published its report. It recognized that INSLAW has been a victim of the system and stated that "the Justice Department had been uncooperative, refusing to allow witnesses to testify without representatives of the litigation division being present to advise them. The effect of their presence was to intimidate those who

might otherwise have cooperated with the investigation." The report states, "the staff learned through various channels of a number of Department employees who desired to speak to the Subcommittee, but who chose not to out of fear for their jobs."

Congressman Jack Brooks of Texas has opened a new investigation into the INSLAW case. Brooks is investigating allegations that Justice Department officials - including Meese - conspired to force INSLAW into bankruptcy in order to deliver the firm's software to a rival company. The rival firm, according to court records and law enforcement officials, was headed by Earl W. Brian, a former Cabinet officer under then California Governor Ronald Reagan and a longtime friend of several high-ranking Republican officials. Meese had accepted a \$15,000 interest-free loan from Brian. Meese's wife was an investor in the rival company. This is the same company that allegedly sought to buy INSLAW from Hamilton and made the alleged threat.

What happened to PROMIS?

* The program is in use throughout the nation and has been used also for military intelligence information. It has the ability to track troop movements.

* An official of the Israeli government claims Brian sold the PROMIS program to Iraqi military intelligence at a meeting in Santiago, Chile. The software could have been used in the recent Persian Gulf War to track U.S. and allied troop movements. Ari Ben-Menashe, a 12 year veteran of Israeli intelligence, made the statement in a sworn affidavit to the court.

* The software is now operative with the CIA, the National Security Agency, the Defense Intelligence Agency, and the U.S. Department of Justice. Only the Justice Department is authorized by the court to use the software.

* Brian now claims he acquired the property rights to the software and consummated a sale to Israel, although he had allowed its use by the Israeli intelligence forces for as many as five years before the actual sale.

In essence, a small company in Washington developed a very sensitive computer program which the Justice Department obtained. The courts ruled in favor of the developer and the judge who made the ruling was never reappointed. The software was acquired by a friend of Meese and the Justice Department has never paid for its use and has allowed other agencies the right of its use.

The bankruptcy court was a tool - as it appears to be with other jurisdictions - to support the economic gain of a few. Charles Duck was not alone - as the record will prove

How The Justice Department Used

The Bankruptcy Court

March 15, 1991

The corruption of the bankruptcy system is endemic of a political patronage system with its roots going back to former U.S. Attorney Edwin Meese, according to many former employees of the Department of Justice. The INSLAW case - reported last week in the *Napa Sentinel* - is a microcosm of the entire system.

As a result of the INSLAW cases, many heads in the Justice Department were lopped off. When Judge George Bason, a bankruptcy court judge, refused to liquidate INSLAW, ruling instead that the Department of Justice used deceit, trickery and fraud, he was one of only four who were not re-appointed to their jobs. A total of 132 were re-appointed.

But to show the collusion of the Justice Department, when it removed Judge Bason from the bench after his ruling against them and for INSLAW, they had S. Martin Teel appointed to the bench to replace Bason. Who was Teel? He was a Department of Justice attorney who unsuccessfully argued the INSLAW case before Judge Bason.

Tony Pasciuto admitted that he was ordered to pressure the bankruptcy judge to rule against INSLAW. After being subpoenaed by INSLAW's attorney, Pasciuto was offered a long-awaited transfer by the Justice Department from Washington, D.C. to Albany, New York. Pasciuto bought a home in Albany and then changed his testimony. After the testimony was completed, the Justice Department cancelled his transfer. Pasciuto had to commute from Albany to Washington.

Former Attorney General Elliott Richardson made a list of the baffling questions of why the Justice Department wanted INSLAW declared insolvent and why it wouldn't pay a \$6.8 million settlement to the small company. INSLAW received an offer to sell their company and they refused. The buyer informed the company that he had powerful political influence and "We have ways of making you sell." Within 90 days of that threat, the Justice Department commenced its attack on INSLAW.

The company that made the attempt to buy INSLAW had financial connections to Meese and some of Meese's cronies. When the battle ended, INSLAW was broke, an attorney, a Justice Department whistleblower and a judge were out of work, but INSLAW was saved by a corporate giant - IBM, who rescued the company virtually from the auction block.

The company that allegedly made the threat was Hadron. It has had brushes with the Security Exchange Commission, it has gone to the brink of being broke and one of its companies has been accused by the SEC of fraud and manipulation of stock prices, the company lost \$4.3 million in one year. It soon sunk \$12 million in the red.

But once Meese became Attorney General, Hadron suddenly received lucrative Pentagon contracts, along with the Agency for International Development. The company was also awarded a \$40 million contract from the Justice Department, despite protests against the bidding process. One member of Hadron's board was Dr. Earl Brian, who was in Reagan's California cabinet along with Meese. Meese was chief of staff in California. The Deputy Attorney General was D. Lowell Jensen, who had competed against INSLAW years earlier. The person in charge of making Justice Department payments for INSLAW's software - and who didn't - was an employee who had been fired from INSLAW. Jensen was also in trouble when the Senate was investigating the Iran-Contra scandal. Apparently the Senate committee discovered a memo written by Jensen to the National Security Council warning that the Miami federal prosecutors were on Ollie North's trail. The memo revealed that the Justice Department, who was supposed to prosecute the Iran-Contra affair, actually was tipping off the government in advance.

One Justice Department official testified at the INSLAW hearing that INSLAW's software could be dangerous. Thomas Stanton testified INSLAW could besmirch the U.S. Trustee program. "The program is so sophisticated that it could trace all assets, track all trustees and judges." Another Justice Department employee stated that the U.S. Trustee program was flagrantly political. "It was a way of getting cronies into office. There would be 50 or 60 positions to be filled... it was Meese's baby." The official also stated, "It was always puzzling to me how he got away with what he got away with. He'd do things that were blatantly wrong and no one would question him—it's kind of scary."

The Meese program would concentrate too much power in one government department: "It's supposed to act as a watchdog over lawyers and trustees, but the problem is it's more. It has a considerable amount of power to control the administration of cases. When a case moves from bankruptcy to liquidation, the U.S. Trustee's office names the trustee, who converts the assets, oversees the auction, and retains appraisers who will put a price tag on the leavings. The U.S. Trustee's program also links Justice and the IRS. The thing that's a little frightening about it is that the U.S. Trustee department sees itself as a part of

the tax-collecting function of government. The Justice Department represents the IRS, and the IRS is often the biggest creditor in liquidation," states a leading bankruptcy attorney.

Bankruptcy, Justice Scandal Could Equal Watergate

By Harry V. Martin

March 22, 1991

As if things weren't getting hot enough for the federal bankruptcy court system, but now the INSLAW case is becoming another Watergate. INSLAW was a Washington, D.C.-based computer firm that sold a highly technical tracking software program to the U.S. Department of Justice. Federal judges have upheld INSLAW's contention that the Justice Department, under Attorney General Edwin Meese, stole INSLAW'S computer program.

A bankruptcy judge that made the ruling was not re-appointed to a 14-year term. Several Justice Department officials have since been fired or quit over the case.

Now a U.S. House Subcommittee is investigating the case and putting a lot of heat on the Justice Department. Attorney General Dick Thornburgh has been placed in an awkward position because of the case. Though he was not Attorney General at the time the INSLAW scandal broke, he was the man who investigated it and cleared the Justice Department of wrong doing.

Testimony has come forward that the Justice Department, under Meese, pressured the bankruptcy courts to declare INSLAW insolvent, forcing the company to release its assets - including the critical software. INSLAW was once threatened if it didn't sell its company to a close Meese associate. After the threat, INSLAW's life was made miserable by the Justice Department. When INSLAW sued the Justice Department it was awarded \$6.8 million. **The judge who made the award was fired and replaced with a newly appointed judge—the man who prosecuted the case for the Justice Department.** A second judge upheld the first judge's ruling.

The House subcommittee is accusing Thornburgh of stonewalling the Committee's request for hundreds of documents involved in the INSLAW case. Two years ago, the same stalling tactics by the Attorney General's office played havoc with a Senate investigation of the same problem. But Texas Congressman Jack Brooks is putting the heat on the Justice Department to turn over its records on INSLAW - Brooks' committee controls the purse strings of the Justice Department and has

more clout than did the Senate Committee. The protected software has been pirated to the Canadian government. Those who were found responsible for the pirating were close associates of Meese. "No sooner had the piracy been confirmed in Canada than an Israeli intelligence officer alleged that PROMIS (INSLAW's software program) was being used illegally by the CIA and other U.S. intelligence agencies," states James J. Kilpatrick in the March 15 edition of *The Miami Herald*.

After the reappointment of the federal bankruptcy judge was halted because of his ruling on the INSLAW case, almost every bankruptcy judge that is handed the case declines to have anything to do with it. "Nobody wants to touch the case," states Chief District Judge Aubrey Robinson.

According to Brooks, the Justice Department is now ready to turn over the documents, states the *Legal Times of Washington*, D.C. The scandal touches many high officials in the Justice Department or formerly associated with the Department. They include:

- * Edwin Meese, former Attorney General.
- * Attorney General Richard Thornburgh.
- * U.S. Attorney Jay Stephens.
- * Justice Department Watchdog Michael Sheheen, Jr.
- * Gerald McDowell, chief of the Criminal Division's Public Integrity Section.
- * Lawrence McWhorter, head of the Executive Office of the U.S. Attorney's Criminal Division.
- * Bankruptcy Judge Cornelius Blackshear.
- * North District of California Federal District Judge D. Lowell Jensen, who was a former Deputy Attorney General and once chief competitor to INSLAW in California.

The Brooks Committee has also learned that the Justice Department's computer system is "all botched up" and has also learned that there is a lot of sensitive data within the Department of Justice computer files that is not secure. The INSLAW program was to organize everything and track cases all over the country.

The Justice Department is the prime law enforcement agency in the United States. A scandal there could rock the nation in a similar fashion as Watergate did during the Nixon Administration.

The Justice Department oversees the Federal Bankruptcy Court and the Trustee system. The Justice Department is investigating the Federal Bankruptcy Court and the Trustee System. The Justice Department has been caught using the Bankruptcy System for their own interest. In other words, the Justice Department is investigating the Justice Department's Bankruptcy System for potential wrongdo-

ings by the Justice Department.

But is there really justice in this land?

Bankruptcy Court Examines Software Allegations Against Justice Department Pirating

If you own a VCR or rent or buy movies, you will be familiar with the warning that appears on your screen that the film you are viewing is protected by a copyright and that the Federal Bureau of Investigation or Interpol can arrest you for copying the film. The warning is to prevent "pirating" of someone else's copyrighted material.

But what's good for the goose is not always good for the gander. The United States Justice Department stands accused of pirating copyrighted material - having supplied it to the Canadian government, the Israeli government and Iraqi government...and to the FBI, itself.

That is how deep the INSLAW computer software case has become. The case started out when the Justice Department bought PROMIS, a copyrighted software program that helps to track criminal cases throughout the United States. When friends and associates of then Attorney General Edwin Meese attempted to buy the software company, INSLAW turned them down and then life was made miserable for INSLAW. Within 90 days the Justice Department reneged on their contract with INSLAW and refused to pay for the software program, even though they were using it. The Justice Department is accused by federal judges of attempting to bankrupt INSLAW and then hasten the bankruptcy court to declare them insolvent. Instead, the courts ruled that the Justice Department used "fraud, deceit and trickery" against INSLAW and awarded the small computer software company \$6.8 Million in damages.

The case became deeper when friends of Meese began to sell the program to foreign military establishments and the Justice Department began to provide the copyrighted material to other U.S. government agencies. A man who was once fired from INSLAW was put in charge of INSLAW's payments - which were never forthcoming. Another Justice Department official, who is now a Federal Judge in Northern California, was a direct competitor to INSLAW in California. The Judge who made the \$6.8 million ruling lost his job. The attorney for the Justice Department who fought against the Judge's ruling was promoted to the Judge's vacant position. There have been wholesale changes and firings at the Jus-

tice Department over the INSLAW case.

The Justice Department is now under investigation by a House subcommittee and this committee is receiving many documents to support the premise that the Justice Department has a skeleton in its closet that stinks greater than Watergate.

But new documents emerging in the case demonstrate a wider scandal. In an affidavit dated February 17, 1991, Ari Ben-Menashe describes his 12 year service for the Government of Israel in foreign intelligence and provides an eyewitness account of a presentation to an Israeli intelligence agency in 1987 in Tel Aviv, by Earl W. Brian of the United States.

Brian is a close associate of Meese from his California days. Brian and Meese were both in Ronald Reagan's California Cabinet when Reagan was governor.

According to Ben-Menashe's affidavit, Brian stated in his presence that he had acquired the property rights to the PROMIS computer software and that as of 1987, "all U.S. intelligence agencies, including the Defense Intelligence agency, the Central Intelligence Agency and the National Security Agency, were using the PROMIS computer software." Ben-Menashe further states in his affidavit that Brian consummated a sale of the PROMIS computer software to the Government of Israel in 1987.

He further claimed that Brian also sold the PROMIS computer software to Iraqi Military Intelligence. According to Ben-Menashe's affidavit, the Israeli intelligence officer learned of this sale from an eyewitness who helped Brian broker the sale in his office in Santiago, Chile - Carlos Carduen of Carduen Industries. Carduen has been a major supplier to the Government of Iraq with weapons and munitions.

The Federal Government of Canada has admitted that INSLAW's PROMIS software is currently operating in at least two federal departments, including the Royal Canadian Mounted Police. The Mounties are using the program in 900 locations in Canada.

INSLAW never sold its software to Canada, Iraq, Israel, the Central Intelligence Agency or the National Security Agency. It also has not been paid by the Justice Department for its use, despite the \$6.8 million ruling in INSLAW's favor.

The Justice Department insists that the FBI is not using the PROMIS program; Yet FBI Director William Sessions and Deputy Assistant Director Kier Boyd, have made it clear that the FBI now is unable or unwilling to provide assurances that pirated software is not included in the case management information system used by FBI field offices.

And in a startling development, a man named Charles Hayes has asserted that the U.S. government has pirated the

PROMIS computer program. The Justice Department has sued Hayes in the U.S. District Court in Lexington, Kentucky, seeking to compel him to return copies of computer software left on equipment Hayes' salvage business purchased from the U.S. Attorney's Office in Lexington. Hayes has publicly claimed that the salvaged equipment contained pirated copies of INSLAW's PROMIS software.

One cover-up begets another cover-up? This is how Watergate spread.

Key Witness In INSLAW Case Arrested By Justice Department As Predicted
By Harry V. Martin

April 2, 1991

Within eight days of signing a damaging statement against the U.S. Justice Department in the INSLAW software case, a key witness against the government had been arrested and held without bail. Michael J. Riconosciuto was arrested Friday night and is being held without bail at Snohomish County jail in Everett, Washington.

Riconosciuto is being held without bail and no charges have been filed against him. He was arrested with two local men who had just sold him computer equipment for \$1000. The two were known drug users. Riconosciuto, according to jail officials, is being held at the U.S. Marshal's Office - not on any alleged local criminal violation.

Riconosciuto, and the two other persons, were arrested Friday night by more than a dozen U.S. Drug Enforcement Administration agents.

On March 21, Riconosciuto, a computer software technician, filed an affidavit in the INSLAW case. In February, Riconosciuto was called by a former Justice Department official and warned against cooperating with an investigation into the case by the House Judiciary Committee. The former Justice Department official is reported to have threatened Riconosciuto with criminal prosecution if he talked about the INSLAW case. The Justice Department has been accused by a Federal bankruptcy Judge of stealing INSLAW's PROMIS software which has the capability of tracking

criminal and military movements. According to sworn affidavits, Riconosciuto was allegedly told by U.S. Justice Department officials that if he did testify in the INSLAW case he would be criminally prosecuted in an unrelated savings and loan case and would suffer an unfavorable outcome in a child custody dispute.

The threat was made by telephone and a recording was made of the conversation, according to Riconosciuto. He indicated that two copies of the recorded telephone conversation were confiscated by federal agents when he was arrested. Riconosciuto told the *St. Louis Post-Dispatch* that at least one other copy remained in a secured location.

Riconosciuto's testimony, along with others, claims that the U.S. Justice Department illegally distributed INSLAW's software to military and intelligence agencies in Iraq, Libya, South Korea, Singapore, Israel, Canada and other nations.

A Federal Judge ruled last week in Washington, D.C., that the INSLAW case be transferred from the Bankruptcy Court to the U.S. District Court.

During the early 1980s, Riconosciuto served as the Director of Research for a joint venture between the Wackenhut Corporation of Coral Gables, Florida and the Cabazon Band of Indians of Indio, California. The joint venture was located on the Cabazon reservation. The joint venture sought to develop and manufacture certain materials that are used in military and national security operations, and biological and chemical warfare weapons. The Cabazon Band of Indians are a sovereign nation and thus have immunity from U.S. regulations and stringent government controls.

The Wackenhut-Cabazon joint venture was intended to support the needs of a number of foreign governments and forces, including forces and governments in Central America and the Middle East. The Contras in Nicaragua represented one of the most important priorities for the joint venture. The joint venture maintained close liaison with certain elements of the U.S. Government, including representatives of intelligence, military and law enforcement agencies. Among the frequent visitors to the Wackenhut-Cabazon joint venture were Peter Videnicks of the U.S. Department of Justice and a close associate of Videnicks, Dr. Earl W. Brian - who served in the California cabinet of Governor Ronald Reagan and who has very close ties and business dealings with Meese.

In connection with Riconosciuto's work, he engaged in some software work in 1983 and 1984 on the PROMIS computer software product, developed by INSLAW but being used - without payment - by the U.S. Department of Justice. A federal court has awarded INSLAW \$6.8 million against the

U.S. Department of Justice.

According to Riconosciuto's court affidavit, Brian was spearheading the plan for the worldwide use of the PROMIS computer software - which was licensed and patented to INSLAW. "The purpose of the PROMIS software modifications that I made in 1983 and 1984 was to support a plan for the implementation of PROMIS in law enforcement and intelligence agencies worldwide." He said that some of the modifications that he made were specifically designed to facilitate the implementation of PROMIS within two agencies of the Government of Canada: the Royal Canadian Mounted Police and the Canadian Security and Intelligence Service. "Earl W. Brian would check with me from time to time to make certain that the work would be completed in time to satisfy the schedule for the RCMP and CSIS implementations of PROMIS." Brian, without permission from INSLAW, but acting with the U.S. Department of Justice and U.S. Attorney General Edwin Meese, reportedly sold this version of PROMIS to the Government of Canada, according to Riconosciuto."

Riconosciuto predicted his own arrest eight days later. In his affidavit filed with the court on March 21, 1991, he states, "In February 1991, I had a telephone conversation with Peter Videnicks, then still employed by the U.S. Department of Justice. Videnicks attempted during this telephone conversation to persuade me not to cooperate with an independent investigation of the government's piracy of INSLAW's proprietary PROMIS software being conducted by the Committee on the Judiciary of the U.S. House of Representatives."

"Videnicks stated that I would be rewarded for a decision not to cooperate with the House Judiciary Committee investigation. Videnicks forecasted an immediate and favorable resolution of a protracted child custody dispute being prosecuted against my wife by her former husband, if I were to decide not to cooperate with the House Judiciary Committee investigation."

"One punishment that Videnicks outlined was the future inclusion of me and my father in a criminal prosecution of certain business associates of mine in Orange County, California, in connection with the operation of a savings and loan institution in Orange County. By way of underscoring his power to influence such decisions at the U.S. Department of Justice, Videnicks informed me of the indictment of those business associates prior to the time when that indictment was unsealed and made public."

"Another punishment that Videnicks threatened should I cooperate with the House Judiciary Committee, is prosecution by the U.S. Department of Justice for perjury. Videnicks warned me that credible witnesses would come forward to con-

tradict any damaging claims that I made in testimony before the House Judiciary Committee, and that I would subsequently be prosecuted for perjury by the U.S. Department of Justice for my testimony before the House Judiciary Committee.

As predicted, after Riconoscuito's affidavit was filed with the court and reported in the *St. Louis Post-Dispatch and Washington Post*, he was arrested and is now being held without bail and with no charges.

The INSLAW case is becoming another Watergate and involves former Attorney General Edwin Meese, a federal judge, several high officials of the U.S. Department of Justice and even former White House aide Robert C. McFarland, who transferred INSLAW software to Israel.

There are so many affidavits being filed in the case to verify wrong doing on the part of the Justice Department; yet the Justice Department continues to refuse to supply the House Judiciary Committee with any documents in the case. The Committee is now threatening to cut U.S. Department of Justice funding if they don't cooperate in supplying these documents

House Judiciary Investigators Seek New Declaration

By Harry V. Martin

April 5, 1991

Congressional investigators have flown to Tacoma, Washington, to interview Michael Riconoscuito - a key witness in the INSLAW case. Riconoscuito provided a damaging statement against the U.S. Justice Department in the stolen software case that potentially could become another Watergate.

Riconoscuito stated in his declaration that the U.S. Justice Department had threatened to have him arrested should he cooperate with the House Judiciary Committee investigation into the U.S. Justice Department's role in the INSLAW case. Two federal judges have ruled that the U.S. Justice Department stole INSLAW's PROMIS software and used "trickery and deceit" in the case. One of those judges was not re-appointed to the bench after his ruling. The House Committee has already heard testimony that accuses the U.S. Justice Department of attempting to interfere with the courts in an effort to have INSLAW declared insolvent. Instead, the courts awarded INSLAW \$6.8 million in damages.

Within eight days of Riconoscuito's declaration he was arrested and held without bail. Drug Enforcement Agency agents made the arrest. On Wednesday a Federal

Grand Jury indicted Riconoscuito on one count of distribution of methamphetamines. He is still being held without bail. Whether or not the U.S. Department of Justice retaliated against Riconoscuito's willingness to testify before the U.S. House Judiciary Committee, the House investigators are questioning Riconoscuito at Kitsap County Correctional Center. One member of the investigation stated that the House Committee is deeply concerned with the timing of Riconoscuito's arrest, particularly after he signed an affidavit stating he was threatened with arrest if he did testify.

The Judiciary Committee is investigating allegations that top Justice Department officials under former Attorney General Edwin Meese engaged in a criminal conspiracy to steal software developed by INSLAW and then furnished it to other countries including, Iraq, Libya, South Korea, Israel and Canada.

Congressman Jack Brooks, chairman of the Committee, has accused the Justice Department of a cover-up by withholding more than 200 documents in the INSLAW case. A U.S. Bankruptcy judge ruled in 1987 that officials of the Justice Department stole the sensitive computer software - used to track criminals and also military movements "through fraud, trickery and deceit". The ruling was later affirmed by another federal judge.

Riconoscuito has a previous drug conviction for manufacturing PCP aboard a Seattle houseboat 18 years ago. Riconoscuito's declaration states that he was hired to modify INSLAW's PROMIS software so that it could be sold to Canada and other customers. During the time of modification, Riconoscuito was working on a joint venture with a private security firm and the Cabazon Indians in Indio, California. The joint venture also included military equipment and biological and chemical warfare weapons for use and/or sale in Central America and the Middle East

One Indian and two companions who were opposed to these operations and who alleged that tribal money was being filtered into foreign banks, were found slain execution style in Ranch Mirage. No one has been arrested in the case. The sister of one of the slain men reported the Indian ties with the Iran-Contra scandal and the software modification. That report was delivered to a New York television studio seven years ago. She is now preparing all of it in declaration form and supplying it to the U.S. House Judiciary Committee investigation.

In other related matters, another affidavit was filed in the INSLAW case which reports that a man bought U.S. Justice Department computers and court computers for salvage and found the pirated PROMIS software program in the surplus

computer. The General Accounting Office has expressed grave concern over the salvaged computers, noting that the U.S. Justice Department has sold surplus computers without first erasing sensitive information from the memory banks.

"The error may have put some informants, witnesses and undercover agents in a 'life-and-death' situation," the GAO states. The data could include the names of government informants, federally protected witnesses and undercover agents, grand jury proceedings, sealed indictments, confidential FBI investigations and personal data about Justice Department employees. These computers were sold by the Justice Department for as little as \$45. The man in Lexington, Kentucky, who found the pirated PROMIS software in the U.S. Justice Department surplus computer also found sealed grand jury indictments.

Charles Hayes was the man who bought the equipment in July 1990 for \$45. He has now been sued by the U.S. Justice Department for the return of the computers, stating that the memory bank had not been erased. The U.S. Justice Department did not go after Hayes until after he signed an affidavit about the protected PROMIS software. It is not certain whether the U.S. Justice Department wants the sensitive material back or they want the computers to block them from being used as evidence against them in the INSLAW case. Hayes did return the equipment. This was not an isolated case. Another U.S. Attorney Office notified federal agents that again sensitive data that could potentially identify agents and witnesses may have been lost.

Canadians Begin Probe On Pirated Software From Justice Department

April 12, 1991

The growing INSLAW software theft is now reaching foreign proportions. While the U.S. House Judiciary Committee is investigating the theft of INSLAW's PROMIS software by the U.S. Justice Department, the Canadian Parliament will commence its own investigation.

Two agencies of the Canadian Government, the Royal Canadian Mounted Police (RCMP) and the Canadian Security and Intelligence Service (CSIS) - equivalent to the CIA - are using the pirated PROMIS software, allegedly supplied to them by Dr. Earl Brian, a close associate and financial partner of former U.S. Attorney General Edwin Meese and a former California cabinet officer under then Governor Ronald

Reagan.

A Federal Bankruptcy judge - who was not re-appointed to the bench after his ruling - said the U.S. Justice Department used trickery, fraud and deception in "stealing" the PROMIS software. The sophisticated software is used for tracking criminal and military activities. It was illegally sold to South Korea, Iraq, Israel, Canada and Libya by the United States.

According to an affidavit, the software was converted in a joint venture between Wackenhut Corporation of Coral Gables, Florida, and the Cabazon Band of Indians of Indio, California — an independent nation. The declaration by Michael J. Riconosciuto alleges that Dr. Brian was deeply involved in the joint venture. One Indian and two of his companions who objected to the joint venture - which also dealt with military weapons, biological and chemical warfare - were found murdered in execution style. That execution was reported on 20/20 by Barbara Walters and the CIA was named as the prime suspect in the case. The software was specifically modified for the Canadian government.

Riconosciuto stated in an affidavit he was warned by officials of the U.S. Justice Department that if he cooperated with the U.S. House Judiciary Committee he would be arrested. Eight days after he signed the affidavit he was arrested by more than a dozen Drug Enforcement Agency officers near Tacoma, Washington. He was held

without bail for several days and then charged with a single drug count. Though arrested in the State of Washington, he was held without bail awaiting a federal marshal to pick him up.

He, along with several others, have stated in an affidavit to the court and to the U.S. House Judiciary Committee, that the PROMIS software was modified and sold to several countries, including Canada.

Late last week, Members of Parliament demanded that the Solicitor General of Canada, Pierre Cadieux, appear before a parliamentary committee to answer charges the RCMP and CSIS are using stolen computer software. Cadieux's ministry is responsible for the RCMP and CSIS.

Though both the RCMP and the CSIS originally denied they are using PROMIS, court documents show a Canadian communications department official admitted last year that the RCMP was using PROMIS, although INSLAW never authorized its Canadian sale.

"Did CSIS and the RCMP use PROMIS software or modifications of it? If so, what were the circumstances of the acquisition? Was the software stolen, and if so, was the Canadian Government aware of it?" These are the questions Parliament wants to ask Cadieux. The Canadian Solicitor has indicated that the Government is already launching its own investigation into the pirated software scandal. Canadian officials are indicating that the pirated soft-

ware sales may have helped to illegally fund the Contras in Nicaragua. Contra funding and supplies was one of the most important aspects of the Cabazon-Wackenhut joint venture. Riconosciuto has had inside connections with the CIA and U.S. Justice Department and some testimony put forward states that he helped to launder \$40 million for the Bush-Quayle campaign - that report has not been substantiated by any more than one government source.

Brian is the owner of a holding company which has interests in the Financial News Network, United Press International and Hadron, Inc. Hadron was the company that was unsuccessful in buying out INSLAW. Affidavits on file with the court allege that Hadron, through Reagan cronies, attempted to force INSLAW out of business after it was awarded a \$10 million contract by the U.S. Justice Department.

The scandal involves Meese, Brian, former National Security Advisor Robert McFarland, several senior staff members at the U.S. Justice Department, and even federal judges. The *Vancouver Sun*, the leading newspaper in Western Canada, states, "The pirated software battle already has been compared to Watergate and the Iran-Contra scandal."

Update From Soltec: All Is Far From Quiet

10/2/92 #1 SOLTEC

Soltec, present in the Light of Holy God, the God of Creation and Radiance. It is good to be with you again after a bit of a respite. Know that the attacks upon you and your household are a sign that you are on track. Stay close now and the illness will fade away. The changes that have occurred in the past two weeks will, in the long run, open new avenues, and we shall take the lemons and make **lemon meringue pie!**

At our last writing we addressed the changes that are occurring upon your Earth-Shan and those that are yet to take place. You are in an accelerated state of

change now and the pace shall quicken the closer you near the year 2000 of your counting. Though at times it may seem that not much is occurring on the geographical level, know that all things affect the other and that all is inter-related. It will most likely remain fairly "status-quo" until the elections of next month. Then, stand back, because much is in the planning stages for that time frame. You will begin to see acceleration after that time, but it will get into full swing just after the inauguration of your new president, which is planned to be Clinton.

Just today Ross Perot announced that he is again in the race, and this changes the face of the political games. Whether he

takes votes away from Bush or Clinton is not of too much consequence, as the die has already been cast but it does make for interesting gossip and speculations. The plan is to keep your eyes and ears so busy with the political games that you will pay no mind to what is really occurring.

Also, do not rest too comfortably upon your money, as the collapse is still scheduled for sometime between October 24, 1992 and January 1993. Look for additional bank closures, insurance companies defaulting and even more unemployment and mortgage foreclosures. The plan is to get all property out of the hands of private citizens before 2000.

Those of you who reside in the Califor-

nia area are still experiencing continual shaking and shuddering and the nausea that accompanies the motion. It is merely done in hopes of unbalancing you the people and keeping you off guard. It is quite disturbing to the physical senses and affecting the emotional state of many. When will the "BIG ONE" occur? This is the question that is most ask. We cannot tell you this, for we are not fortune tellers; however, you must know that the land can only take so much of the pulsing and sooner or later it will surrender and give way. It could occur today or it could take another 30 years, for God is not in control of this, nor is the Host. I would say, though, that it is closer to today than it is 30 years. It will give way and the "BIG ONE" will occur when your Elite forces determine it. You are being used as pawns in a very large game of chess, Chelas. The question is when will the players be in a position of "Checkmate"?

You can, from projections based on current data, expect an unusually cold winter this year. Many areas in the North will experience bitter cold and unheard of blizzard conditions. Know, however, that all things are subject to change, especially the future. Too many circumstances must be calculated in to play a game of predicting the future. Our best advice is to be ready for just about anything.

Has the geological activity died down? Absolutely not! The potential for major activity in your Pacific "Ring of Fire" still exists and grows actually larger every day. The only question remaining is when will it be most advantageous for the Elite to set it off for their own benefit? It remains in an extremely tenuous condition, which means that it could go at any moment. And once the chain reaction has begun, the momentum will build of its own accord.

All eyes and ears are at this time focused on the political and economical arenas. Do not be fooled, Chelas, for these are but distractions to take thine eyes from that which is truly going on behind the scenes. Keep in your minds that the news you receive is all orchestrated and planned well in advance and censored from the very sources. You see and hear exactly that which they want you to see and nothing more. You must learn to listen and read between the lines—you must become smarter than the enemy!

You still have much trouble with your ground water and the poisoning which has taken place. Know that your valley in Tehachapi is not alone in its plight; this is a global occurrence, happening everywhere. You, my dear ones, were merely astute enough to recognize that which is happening. There are literally billions of people to which this is happening, but they know not the cause.

Why do you think that so much atten-

tion is being given to the subject of medical care in your country? Do you truly believe that it is because they care about you? Do not be so blind. More and more people are being affected by strange diseases and viruses because of the genetic engineering experiments that are taking place and growing of artificial viruses, along with all the unnatural chemical compounds that you are being exposed to daily in lethal doses! Many of these viruses are "evolving", which means that they are becoming a higher form of life and are unaffected by the old standby antibiotics. Some are actually thriving and growing on them! Other viruses are what would be considered "smart" and are able to change and become symbiotic with the host in (or on) which they are living. They become like chameleons, in that they change and conform to the host, which means that each person may have the very same virus, but it will appear different and react differently in each person. So, therefore, no one remedy will work on all people. (That is of course, assuming that your medical community wanted to try to find a cure! And that, Chelas is assuming an awful lot!)

So are things quiet? I ask you to restudy the circumstances and then decide for self. If you perceive that all is quiet, then you have been duped along with the rest of your world. Learn to hear that which is not being said; learn to see that which is not being shown and you will be informed. Keep yourselves close to God in these times of peril, never turning away, for this is the only assurance you have.

Also know that all these things which you see occurring have long been foretold by enlightened souls. It is a time of chaos, but out of this chaos will come the purging and purifying. The dirt must be swept from under the rug where it has been for so long. You have chosen to participate in these times of chaos, so take each lesson as it comes, whether it may seem bitter or sweet and know that so long as you stay close to God and to the Host you will not wander far away from the Truth. However, do not become complacent, thinking that all is as it should be, for you are here for a purpose. You have a physical task to attend to, else you would not be here in the physical form. Complacency leads to apathy. And apathy is death. You must continue to fight the good fight in whatever way you have the means to and not lie down and play dead. The Adversary would like nothing more than for our people to give up and lie down and become apathetic.

We shall get there, Chelas, by the grace of Almighty God. Keep up the good work, for you are the light and the hope of your world and you are held in our deepest affection.

I shall stand to clear this session. Soltec to clear. Salu.

What Is "Bo" Gritz' Ballot Status?

(Correct as of October 2, 1992)

When carefully reviewing Bo's status within each state, it becomes difficult to project with any degree of certainty the precise status. Many of the states are in question or in a state of flux. To further confuse matters, the guidelines for independent write-in candidates vary from state to state. Realizing there is room for change in this projection, the following applies to Bo Gritz:

Bo is ballot qualified in the following states:

Hawaii, Arizona, Washington, Idaho, Montana, Utah, Minnesota, Iowa, Wisconsin, Illinois, Ohio, Arkansas, Louisiana, Mississippi, Tennessee, Alaska, Nevada, and New Jersey.

Bo is qualified as a write-in candidate in the following states:

Colorado, Kansas, Texas, Missouri, Indiana, Georgia, West Virginia, Oregon, California, Michigan, and Maine.

The states where Bo's status is unclear are:

Wyoming, North Dakota, Alabama, Kentucky, Pennsylvania, Maryland, Delaware, New York, New Hampshire, Connecticut, Rhode Island, and Vermont.

The states where Bo's status is in controversy or litigation are:

Florida and New Mexico.

The states where Bo is either not ballot qualified or write-ins are prohibited are:

South Dakota, Nebraska, Virginia, Oklahoma, South Carolina, Massachusetts, and North Carolina.

*** * * Note:** Bo needs some minor assistance from someone in North Dakota. If you can help, contact Jim Jarborough at 706-534-7564.

From the Introduction to his book

WHAT ELSE YOU CAN DO TO REALLY HELP BO GRITZ'S ELECTION CAMPAIGN

We all know the media is *controlled*. Does it help to contact the media in your area demanding them to provide information about Bo's candidacy? Yes, particularly at a local level. But here's what else can be done to apply pressure to the system:

The **FCC (Federal Communications Commission)** handles all complaints concerning the electronic media, i.e., radio and television. When asked whether it is appropriate to direct specific complaints to the local or regional branches, the response from the national headquarters was that all complaints should be directed to:

Edythe Wise
Chief of Complaints &
Investigations Branch
Federal Communications Commission
Room 8210
1919 "M" St., NW
Washington, DC 20554
(202) 632-7048 (Complaints)
(202) 632-7000 (Main number)

In 1934, the Communications Act was passed by Congress, the so-called **equal time law**. This Act was amended by Congress in 1959. The most relevant portion of this document is **Section 315**. The

revision of the equal time law allowed for certain exclusions.

When filing a complaint with the FCC concerning Bo's **media black-out**, the following suggestions might be helpful.

Grounds for complaint under the fairness doctrine:

- * **abuse of the fairness act;**
- * **bias and prejudice by the electronic media;**
- * **suppression of news on a 3rd party candidate who is ballot-qualified;**
- * **censorship.**

If you do not make your voice heard, who will? Besides Washington, D.C., you could also send a copy of your FCC letter of formal complaint to your local broadcasting stations, thus also putting them on notice that you know what game is being played here. The good stations might then be encouraged to bend their "blackout orders" a bit in Bo's favor, and the bad ones just might get a little nervous!

Randy Weaver

(Continued from front page)

Randy mentioned that the information presented by the two Marshals testifying at the arraignment did **not** match the physical evidence. The information presented by Weaver's side was entirely in alignment with the physical evidence.

Weaver, having continually avoided responding to endless queries by fellow inmates about the **standoff**, today decided to share his story while in the yard. He, admittedly, became very emotional in the telling and started yelling. At this point the prison guards removed him into an isolated cell, fearing that a riot might ensue.

Randy continues to pray and wanted to express very clearly how much he appreciates the words of support from

You The People.

Randy's trial is scheduled to begin in Boise Federal court on October 26.

RANDY WEAVER TRIAL UPDATE

9/30/92 LIBERATOR

The U.S. Attorney prosecuting Randy Weaver in Boise, Idaho is Maurice Ellsworth. Ellsworth, a Reagan appointee since 1985, was reappointed by President Bush in 1991.

When questioned directly about the

Grand Jury concerning Randy Weaver, Ellsworth stated, "We don't acknowledge the existence of a grand jury. Records are sealed and confidential." When asked when the Weaver Grand Jury was impaneled, Ellsworth's only comment was "No comment." When asked whether the citizens chosen for the Grand Jury were U.S. citizens or state citizens, he came out with another, "No comment." They were "citizens of the District of Idaho," Ellsworth then offered. "Do you mean to say they were citizens of *the state*?" the interrogation continued. "No," says Ellsworth, "the *Federal District*." When queried whether the Grand Jury was chosen by voter registration or vehicle registration, Ellsworth came out, once again, with his informative, "No comment." When asked how many served on the Grand Jury, Ellsworth reluctantly answered, "Twenty three."

When asked whether the indictments represent a true bill, Ellsworth answered in the affirmative. When asked whether the rumors were correct that the Weaver children were also being charged, Ellsworth said those were a "fabrication and a lie".

When the court clerk in Boise was asked about the Grand Jury the only reply was, "They are secret proceedings and not public."

The judge who will, in all likelihood, sit on the Weaver case is Edward J. Lodge, Chief Judge of the District, a Bush appointee. The two other judges are Harold L. Ryan, a 1980 Reagan appointee, and Marian Callister, Senior Judge appointed by Carter in 1976.

The indictments against Kevin Harris and Randy Weaver were handed down on September 16.

Kevin Harris and Randy Weaver are charged with **assault with a deadly weapon**.

Kevin Harris is charged with **first degree murder of Marshal William A. Degan**.

Randy Weaver is charged with **aiding and abetting**.

The Weaver children (girls) are not charged with anything [...yet]. They are currently in good health and care in Iowa, as explained earlier.

The trial is currently scheduled in Federal Court on October 26, 1992.

SHARING WITH RANDY WEAVER
AND KEVIN HARRIS

Our beloved Laurie and family received a beautiful letter from Randy Weaver in appreciation for her continuing loving letters. **He asks that ones also write to Kevin Harris who is at the**

same address for Randy says he needs encouragement.

Remember what your "TEACHER" said to his disciples: "When I was hungry ye fed me; when I was sick ye nourished me; and when I was in prison ye visited me." They then proclaimed that they had never done such unto Him and He replied: "When ye have done it unto the least of Mine—so have ye done it unto Me!" Hold these ones in Love for the pain of loss is so great upon them and only YOU ONES can set them free for they can do NOTHING for selves.

Randy also says that his children are doing well on "Grandpa's farm". They need your support and love as well. **They are at Rt. 5 Box 199, Ft. Dodge, Iowa 50501.** Thank you for these might well be your own children in these days of darkness upon your place. I can attend the Spirit—ye ones must attend the physical and bring hope unto the Spirit so that the gifts can be received. Salu.

CALLED TO SERVE

BY JAMES "BO" GRITZ

This is the definitive account of a nation betrayed. A spider web of "patriots for profit," operating from the highest positions of special trust and confidence, have successfully circumvented our Constitutional system in pursuit of a New World Order. They have infused America with drugs in order to fund covert operations while sealing the fate of our servicemen left in Communist prisons.

At the very least this book represents a factual, true-life adventure that will take you on a riveting journey from the White House, down a heroin highway, to Burma's Golden Triangle where you will meet General Khun Sa - undisputed drug overlord. You will infiltrate the jungles of Communist Asia to rescue U.S. POWs, and in turn be pursued. You'll be taken behind the veil of U.S. covert operations to view deceit and betrayal. At best, this will produce a crack in the facade of 20th-century American government, through which concerned citizens can view the looming peril and act in time to reserve our course while God gives us time.

Chlorella Update

by Rick Martin

(Editor's note: It has been quite a few months since Rick's last report in the LIBERATOR on Chlorella. This is a single-celled green algae which contains 60% balanced protein with 19 amino acids, over 20 vitamins, minerals, enzymes and Chlorella Growth Factor (CGF). It has a higher content of chlorophyll than any known plant, and is also a rich source of beta carotene, B-12 and iron. Rick's last report has generated a mountain of lively questions and other correspondence from you readers. So Rick has here taken to this public forum to address the many intelligent inquiries and questions sent to him. Being an extremely conscientious guy, Rick is as relieved to finally be answering that stack of correspondence as we are delighted to present this discussion.)

One dominant characteristic of the generation in which I was raised is wanting instant results. Since Hatonn's original suggestion of growing chlorella at home in fish tanks, we've been doing a bit of research and experimentation on the subject. Basically, it's slow going and **patience** is the key ingredient to home algae cultivation.

Hatonn recently advised our local people to **not** be in the *chlorella kit* business. This suggestion was made for a number of reasons, which include possible interference by the FDA. However, I will herein share with you the latest I have gathered about both growing chlorella and purchasing same. Please remember, this is only one approach.

For those whose goal is simply to have a supply of chlorella for present or future use, we now have a source for chlorella tablets **WITHIN THE UNITED STATES ONLY** which we are making available at the lowest unit price possible. I will outline the purchasing specifics later in this article, but first some words on the route of growing your own.

The Carolina Biological Supply Company in North Carolina carries all of the necessary ingredients to grow chlorella at home. Their address is: 2700 York Rd., Burlington, NC 27215 (919) 584-0381. *(Inquire about their shipping rates within the United States).* They sell bacteria-free chlorella (catalog #15-2070, \$4.75/ea. or \$4.63/10 or more) for "experimental purposes only," not as a food source. When ordering from them, keep this in mind.

If you do order a *chlorella culture*, you'll receive a small glass test tube containing a gel-like growing medium with a small

amount of green algae growing on it. When you receive this glass tube, open it and add to it about 1/4" of distilled water and 1/4" of their alga-gro freshwater medium. Then close the tube and place it in bright indirect light (such as a north-facing window) but **NOT** in direct sun. Every other day open the tube briefly to allow for fresh air. The alga-gro freshwater medium is also available through the Carolina Biological Supply Company (catalog #15-3752 \$8.95/qt.). There is also a booklet available titled, *Culturing Algae*, through the same company, which is technical yet very informative.

Within several weeks the algae volume will grow to a quantity which fills the medium in the tube. When you see that the algae density is increasing, again, add more distilled water and more alga-gro. Within a few weeks you should have sufficient algae in liquid to transfer the entire culture into a **small CLEAN** glass jar. Add some distilled water and alga-gro in roughly 2/3 to 1/3 ratio. Set to the side while the algae continues to replicate. Again, within a few weeks, transfer the contents to another, perhaps quart sized, container. To arrive at this point will generally take several months. (As I said earlier, **patience** is the key.) If you elect to use artificial lighting, Cool White florescent bulbs are the best because their spectral output is weighted toward the blue end of the color spectrum. (Not flattering to the complexion, but great for growing algae.)

The final stage of this project will be the transfer of the culture to a **CLEAN** fish tank. If you are using a tank as large as 10 or 20 gallons, adding 1 quart of alga-gro medium to the tank filled with distilled water should be sufficient. The optimum Fahrenheit temperature for algae production is in the low 70s. An air pump is probably well advised as it provides air and agitation. You will notice that the algae has a tendency to fall to the bottom of whatever container it is growing in. Algae responds favorably to gentle agitation so, if you shake the container on a daily basis, it helps (rather than hinders) growth. Various minerals in the growing medium are made more available to the algae through such agitation. Also note that, as the algae grows, it takes on a *fluffy* appearance, like cotton.

Hatonn originally suggested cultivating two tanks, one for the "mother" or seed culture and one for daily use.

The drying of algae can present a challenge, since it is single celled and thus too

small for most screens. Therefore, using "sun tea" containers (**CLEAN** glass) with a spout is a very practical option. By this route you may continually add nutrients from the top, keeping the culture largely sealed from outside air and possible algal or fungal contamination, and at the same time you are able to use the spout to pour a glass of "chlorella water". This is just one possibility.

Some frequently asked questions are:

What is the recommended dosage for chlorella?

In a normal diet, when taking dried tablets, 3 grams per day is recommended, say 6 tablets of 500 mg each, such as 3 in the morning and 3 mid-day. If you were to take chlorella on a survival basis, 9 grams daily is a common dose. When taken on a survival basis, it would be prudent to combine your chlorella intake with additional vitamin supplements.

How much do I drink?

To give you an idea about how much algae will grow in a given volume, use a calculation of 15 grams of chlorella per day for every cubic meter (roughly 3 ft. x 3 ft. x 3 ft.). A 20-gallon tank is 24" x 12" x 16". *Although it would take up to several quarts per day of liquid chlorella to equal the recommended tablet dosage, several glasses of liquid per day would be the minimum recommendation.*

How do I dry it?

There is no literature available on home drying methods for algae, so this is where experimentation comes in. The chlorella cells are so small they will go through most screens. Various fabrics present one logical avenue for exploration. If you decide to grow chlorella in tanks, it may be best to stick to liquid consumption. The use of heat in drying foods is well documented; however, heat kills enzyme activity.

How do I tell when the chlorella is ready to drink?

The liquid container will eventually become filled with the cotton-like chlorella mass. It is best advised to be patient until the algae has enough density to it so that, when you begin drinking from it, the "recovery" or regrowth time will not take too long.

What tank size should I use for myself? For more than one?

When growing algae, basically, *bigger is better*. There is no fixed response to this question. I would say, however, that a 6 or 10 gallon tank would be as small as you would want for one person. For more people, multiply the "single person" tank size by the number of people to be served.

What is chlorella's shelf life in dried tablet form?

When stored in a dark, cool, dry place, chlorella's shelf-life is indefinite, for all practical intents and purposes.

What are the noticed advantages of using chlorella as a food supplement on a regular basis?

This, of course, varies from person to person; however, I have found that *increased overall energy* and *a sense of well being* are among the benefits. Chlorella contains 60% balanced protein, 19 essential amino acids, over 20 vitamins, minerals, enzymes, and trace nutrients.

How much chlorella would one person need for 1 year, if taken as a supplement?

5 bottles of 500 tablets for a tablet size of 500 mg per tablet.

How much chlorella would one person need for 1 year, if taken on a survival basis?

13 bottles of 500 tablets for a tablet size of 500 mg per tablet.

This is the extent to which we will be offering suggestions regarding the growing and obtaining (see order form) of chlorella. If you decide to try growing chlorella at home, do some independent experimenting. If you have any general questions not answered in this discussion, call me at (805) 822-9545 during normal (Pacific time) business hours.

***** WARNING *****

Like mushrooms, there are over 30,000 known varieties of algae, many of which, when consumed, are **TOXIC**. Do **NOT** go out to the nearby pond or lake in the woods and gather algae for personal consumption. To do so could be a **SERIOUS** mistake unless you *really* know what you're doing.

An Interesting Historical Perspective On Algae

by Rick Martin

If we let our imaginations wander back to prehistoric times, we may perceive tribes of hunters collecting flat masses of the gelatinous blue-green algae, then eating, raw or cooked, what the English would later term "star jelly" or "witches' butter". To enrich their diets, early hunters may also have consumed freshwater algae growing in larger masses or collected the scums of *Spirulina platensis* from the shores of warm alkaline lakes.

Some scientists have speculated that the *manna* of the wandering Israelites, which appeared miraculously on rocks following a devastating dry spell and was described as tasting "like wafers made with honey", may have been a form of dried, dormant *Spirulina*.

In approximately 900 A.D. the Mayans were a culture in the Yucatan Peninsula of Central America where the jungle environment was not well suited for agriculture. It is now believed that artificially constructed ponds, probably for the growth of *Spirulina*, were interspersed among the cleared jungle fields. Complex systems of waterways, perhaps to keep ponds flooded, have been discovered. Since the rainfall in the jungle is 70-90 inches a year, archaeologists theorize that the waterways were constructed for the maintenance of algae pools rather than for field irrigation. Development of algae farms would explain how a Mayan population of two million was sustained in spite of discouraging agricultural conditions.

When the Spanish conquistadores invaded the Aztec empire of Mexico, they found the natives subsisting on maize, beans, squash, and a mysterious green scum that abounded on Lake Texcoco of the Teotihuacan Valley, where Mexico City stands today. As recounted by the historian Furst, Fray Toribio de Benavente reached the Valley of Mexico in 1524, 3 years after the fall of the Aztecs. He described the harvest of *tecuilatli*: "There breeds upon the water of the lake of Mexico a kind of very fine mud and at a certain time of year, when it is thickest, the Indians collect it with a very fine-meshed net until their *acales* (canoes) are filled with it; on shore they make on the earth or the sand some very smooth beds, two or three *brazas* (3.4-5.1 m) wide and a little less in length, and they cast it down to dry, sufficient to make a case two *dedos* (3.6 m) thick. In a few days it dries to the thickness of a worn *ducat* and they slice this cake like wide bricks; the Indians eat much of it and enjoy it well, this product is traded by all the merchants of the land, as cheese is among us; those who share the Indians' condiments find it very savory, having a slightly salty flavor."

The Aztec civilization was notable for its sophistication, culture, complexity and large population. But their achievements puzzle archeologists to this day because domesticated animals were scarce, since cattle, sheep, horses, and other creatures were not available to the Aztec. As human sacrifice and ritual cannibalism were also

a feature of the later Aztec society, some anthropologists like to theorize that this was the major source of concentrated protein. However, human flesh is notoriously devoid of many B vitamins and is a less than ideal source of nutrition. The Aztec consumption of *Spirulina*, with its complete protein in a highly digestible form, would explain the vitality of the population that built enormous cities and the magnificent temples of Tenochtitlan, waged war across the Meso-American heartland, and nurtured a sophisticated culture of art, mathematics and philosophy.

When the Spanish came, they could not understand the passion of the Aztecs for their *tecuilatli*, nor appreciate the technology of the "*chinampas*" - the floating gardens of Texcoco. Since they never realized that the lowly green algae of the lake produced more protein than the land could ever hope to yield, the Spanish began an aggressive program of landfill and swamp reclamation in order to provide tillable land surface. Today, most of the lake is gone, but it is ironic that one of the world's most productive modern *Spirulina* farms is found on the remnant shore of Texcoco. Sosa Texcoco, the company that holds the concession for the production of caustic soda and soda ash from the remnants of Lake Texcoco, was aware of the existence of *Spirulina* during the 1960's. They also knew that, as recently as a generation ago, some Mexican Indians who lived along the shores of the lake were still harvesting *tecuilatli*. When tests conducted by the Mexicans confirmed the French report that *Spirulina* has nearly the same high quality protein as whole eggs and is rich in vitamins and minerals, the Mexicans decided to produce *tecuilatli* for commercial sale.

There are those who point out that much of the chlorophyll and other nutritive factors of the algae are lost by the hot sun and sand drying and cooking. As far back as 1921, Robert McCarrison, M.D., F.M. Pottenger, M.D., and D.G. Simonsen, Ph.D., demonstrated the destructive results when foods are processed at high temperatures. More sobering still, they also showed the degeneration of primitive people that adopted *civilized* diets and demonstrated a correlation between societal decay and diet.

Identification of *tecuilatli*, however, did not come from Mexico but from Africa. During the 1950s a world-wide interest in novel sources of protein to feed the growing human population led researchers to investigate possibilities of large-scale algaculture (i.e., the growing of algae as a commercial enterprise for human consumption). In 1963, the French Petroleum Institute became interested in reports of a dried algae cake called *dihe* that was eaten among people along the shores of Lake Chad in central West Africa.

While the French were experimenting with Spirulina cultures under laboratory conditions, a Belgian independently discovered *dihe* and reported on the indigenous techniques of its production. Jean Leonard, a civilian botanist who at the time was on a Belgian military expedition crossing the Sahara from the Atlantic to the Red Sea, became interested in the *dihe cakes* eaten by the Kanembu of Lake Chad and the blue-green algae from which the cakes were made.

According to Furst, the Kanembu, who at times get much of their protein from Spirulina, wait for winds to push the algae toward the shore, where it collects and becomes concentrated into a thick mash. Women with *calabashes* ladle the algal mass into circular depressions in the sand where it is dried by the hot sun. As the blue-green sheet gels, the glossy surface is smoothed by hand and marked off into squares. When most of the water has evaporated or seeped into the sand, the squares are pulled up, dried further on mats, and cut into small, flat, brittle cakes. The Kanembu eat *dihe* in a thick, pungent sauce made of tomatoes, chili peppers, and various spices poured over millet, the staple of the region.

After careful examination it was determined that consumption of *Spirulina S. platensis* is limited to a rather small area, east and northeast of Lake Chad, with a total population of 300,000. Of this population only the Kanembu consume *dihe* regularly, whereas the fishermen and nomads consume little, if any. As seasons vary, *dihe* is present in seven of ten meals. Direct consumption of the *dihe* biscuits takes place only for superstitious reasons among pregnant women. The reason is that its dark color will supposedly screen the unborn baby from the eyes of sorcerers. In general *dihe* is eaten as an ingredient in sauces, with millet. The dry *dihe* is pounded in a mortar and the powder is suspended in water. Salt, pimento, tomatoes, and, if available, beans, meat, or fish are added to complete the sauce. In any given meal a person eats approximately 10-12 grams of *dihe*.

That *dihe* may represent an emergency food may be deduced from the finding that its consumption decreases when the economic conditions, or local availability, allow consumption of meat or fish. However, during periods of severe famine, *dihe* is still consumed extensively.

When searching the algae literature and records for the uses of microalgae, one is left with the impression that this topic has been taboo for quite some time. Nevertheless, Johnston was able to excavate an early report which he summarizes as follows: "Dr. Hooker, in a paper read before the Linnean Society of London, January 20, 1852, mentioned that *Nostoc edule* (= *N. pruniforme*, the "lake plum") was found abundantly in streams in Tartary. It was highly esteemed as an ingredient in soups. This form of *Nostoc* was well known and eaten in Mongolia and China, in which countries it was used extensively as an article of commerce, generally sold in dried form." The actual widespread consumption of a species of *Nostoc* was noted by Johnston, a habit which was also observed in the Andes mountains of Peru.

According to Johnston, species of filamentous green algae, *Oedogonium* and *Spirogyra*, are collected, sold, and eaten in Burma, Thailand, Vietnam, and India. The same holds for the flat thalluses of *Prasiola yunnanica* (resembling thin salad leaves) in China and *P. japonica* in Japan, both of which have an appreciably high protein content. It is, therefore, perhaps a legitimate question to ask how unconventional

a protein source microalgae are, among the so-called novel sources of protein.

There are the occasional newspaper reports of the "Chlorella eaters" of Auroville, India. In Tamil Nadu, India there are "multiplication units" consisting of cement tanks for the raising of blue-green algae. Large-scale algae production at state seed farms are already initiated in the Indian states of Tamil Nadu and Uttar Pradesh.

The idea of producing microalgae on a production scale first occurred to German scientists who thought about the means to abating the acute shortage of food supply during World War II. The primary idea was to produce lipids from nitrogen-starved diatoms which were shown to accumulate appreciable amounts of fat under laboratory conditions. Since the productivity of nutrient-deficient algae is rather low, technological interest soon after switched to the production of proteinaceous microalgal matter, and thus scientists began to intensively investigate the potential of Chlorella, which was known to double its biomass a few times per day in highly illuminated laboratory cultures. If such a photosynthetic organism with a crude protein content of 50-60 or even 88% (as found by Spoehr and Milner) could be cultivated at the industrial scale, would this not lead to a revolution in plant production? This question has been carefully examined since 1947 in several countries.

The first systematic efforts toward translating laboratory methods into engineering specifications for a large-scale algae plant were conducted by Stanford University in their Department of Plant Biology of the Carnegie Institution of Washington from 1948 to 1950. At that time the Institute was headed by C.S. French, one of the leading photosynthesis researchers of the era, under whom the first fully satisfying apparatus for continuous production of Chlorella was developed.

Around that same time, in 1949, a research and development program for large-scale production of green algae in ponds was started under Gummert in Essen, Germany.

In 1951 the Chlorella pilot plant was constructed and operated for the Carnegie Institution by Arthur D. Little, Inc. in Cambridge, Massachusetts. Another series of laboratory and pilot plant studies followed in Japan under the guidance of Tamiya after his stay at Stanford. His strong working group at the famous Tokugawa Institute in Tokyo concentrated again on Chlorella research. Israel similarly conducted studies on Chlorella during this period. The results of this first wave of applied research on microalgae were published in a book titled *Algal Culture*, and contains an interesting article on the use of a "natural" algal suspension consisting mainly of Chlorella for the nutrition and apparently successful treatment of leprosy patients by Jorgensen and Convit.

In the 1960s, concern about diminishing world food resources was increasing. Jean Leonard published a report about Spirulina as a food, and this attracted the interest of several French engineers. In 1967, a Japanese scientist

named Hiroshi Nakamura read an article about Spirulina projects being conducted by the French National Petroleum Center, and was intrigued by the possibilities. Nakamura had long been interested in the potential of algae as a source of protein for a starving world, but he had not been aware of the superiority of Spirulina over other species. Thereafter, Nakamura and his Japanese colleagues became pioneers in the research and development of Spirulina's commercial applications. In Japan, Spirulina is now recognized as a superior food for commercial fish and other domestic animals, and is also used as a therapeutic food supplement in some human disease states. Long concerned about maxi-

mizing food production with limited space and resources, the Japanese are now leaders in Spirulina production and consumption. Japan is also the recognized leader in Chlorella production.

As we enter the 1990s, Chlorella and Spirulina are being commercially grown and processed in Japan, China, Taiwan, Mexico, Israel, Thailand, Korea, California, and Oregon. Because of the small space required to grow algae, one acre will yield 40 tons of algae per year, compared to only half a ton of soybeans. This suggests an important new food business still in the early and exciting stages of practical development.
