NEWS?

No matter how we search, there seems to be no way to top the *Headline News* whose lead article this morning was "Man stops French Train System". It seems the man went to the toilet, dropped his wallet and in trying to retrieve it got his hand stuck, necessitating shutting down the rail system, removing the fixture, etc. Now, chelas, how important could be the subject of the Opium Trade in the Golden Triangle—which got third billing. (Second billing was Alan Dershowitz/Mike Tyson.)

There was no mention whatsoever of at least 8 earthquakes here and there and some 4 volcano eruptions of notable size. Yes indeed, I, too, do get very weary of the game in play.

INCORPORATION

You ones are given tools with which to work and the first moment you get dissat-

isfied or someone leads you down the primrose path—you blow your own shelters right out of existence.

I am asking E.J. and Cort to have a series of local meetings to explain how your corporations WORK. The series can be taped and we will send them out as regular meeting tapes—or—you can pick them up separately. I will sit in and probably Host the sessions. I am appalled at how poorly you understand your own weaponry for privacy and sheltering.

Ones are demanding their funds back from the Institute—which is a supremely well-run corporation—for YOUR protection. It was originally set that all ones even considering utilizing the Institute for shelter and sharing, have a corporation for personal protection. Now we sit with individuals (some who own corporations) demanding funds returned. Chelas, individual names do not, and never shall, appear on any listing in the Institute. If, of course, you did not have a corporation (which, by the way, I had asked NOT OCCUR) then, yes, your name will appear.

However, if you individually placed funds in the INSTITUTE but selected specific use, say the Constitutional Law Center, funds were transferred into that (those) entity (entities) and have been utilized with coverage through the Institute.

If you have a pick with any business entity here on a personal, financial basis—the Corporations here CAN ONLY recognize the Corporate entity. There will not be any revelation of any entity by ones here. If you wish to blow your own assets and public information—then YOU do it—not here! Indeed there are ones who thought they had good "Trusts" and therefore needed no incorporation and the Institute honored that set-up—only to find that the "Trusts" were mishandled and actually noted that in some instances the "Trustee" had literally "given" funds away, squandered them or otherwise left the participants open for total loss of funds. If you do business in such "unbusiness" fashion, it is no fault of ones here. I have stated this before and I remind you—WE WILL NEVER

# Adversary's Puppets At Work As George Green Lashes Out

2/9/93 #1 HATONN

## NO LITIGATION?

I wish to thank all of you on behalf of Doris and E.J., for your patience while they have to take care of very human problems which now are at a full-time level of time requirements.

George Green has or is calling all known *LIBERATOR* and *JOURNAL* readers pronouncing that "Hatonn is no longer serving with Dharma but, rather, through himself." He has set up ones who are now in such confusion as to be physically ill—to bring charges against Ekkers. What has happened is that we have blocked every move on his part by TRUTH and he is now making a desperate move to keep the *JOURNALS* from their possession. Will it work? No, but that never stops the adversary, Readers. The adversary will totally destroy George before he allows reason or Truth to enter into the picture. So be it for there are such other "fish to fry" that we cannot give much attention to that which we KNOW shall work out splendidly for the purposes of God.

George is also telling those he contacts by bulletin or phone that the "dwelling litigation" is phony in order to gain sympathy and money from unsuspecting readers. How interesting a concept. How foolish to claim such a thing which can be so easily proven a false statement. There are some five encounters scheduled for this very week on the matter with two happening on one day. Well, one of these might well be scrapped because just yesterday another Judge looked over the situation and with tears in his eyes joined the ranks of other Judges who refused to give them time through stay. His exact words while shaking his head and almost choked in his mouth were: "Oh...as I look at the opposition's (who didn't even bother to show up in court) papers I see that this has gone on long enough—I can grant time to offer bonding but I believe I must rule against them for right of possession because I can see that nothing can be gained by doing so, for them." In other words, Readers, it has become obvious that the Big Gun will win the skirmish no matter what is offered in rebuttal. He could gain them alternative measures against the guilty parties "later" but the Big Gun has

decided NO JUDGE will counter their moves and survive. What you readers had better look at most closely is that THIS is just a tiny little case—just a dwelling of little importance in a village where RTC houses are selling for 10-25 cents on the dollar. LOOK AT THIS, PEOPLE—YOU ARE NEXT! Will Ekkers quit? No, for I have asked that they not do so. They cannot win against the RTC in this game but, if we change the game a bit, they may well win some pretty good whacks at guilty parties prior to RTC intervention—and thereby prove the unlawfulness of the RTC operation. Will it help? All things "help", chelas, all goodly things "help".

Yes, Dharma and E.J. fully realize it would have been far easier to move and they would have, by now, been almost five years down the road in a different and comfortable place and saved all the legal fees—or would they? It appears Mr. Green's intent now is to see to it that from their own work they will be deprived of any stability. He has miscalculated for all things have been managed superbly and without personal gain (undoubtedly a new concept for Greens) and the Institute will basically be turned over to the Board and a Board of Advisers to continue operation for the full protection of ALL INVOLVED.

When Mr. Green was caught in the act of contempt of court for selling "injunctioned" books he has now tried to place the "blame" on Ekkers personally or state there was never a problem and "no injunction"—just a lie on Ekker's part to gain more income from advertised books. When this did not fly—it is now forcing ones in this location to make a legal statement and cause of action of some type against America West, at the least. There comes a point of continuing to function in any manner to do so—it no longer rests with "choices" of action, as does requirements for operation of the Institute. In the process it will require full disclosure of all activities of both America West Publishers and America West Distributors because massive discrepancies in their business records regarding our work and personal presentations to the public are obvious.

We are told there are almost no sales for our work—that in itself seems strange for orders were coming here to this location for some time—WHILE AMERICA WEST ACCEPTED PAYMENTS AND SHIPPING TO

THE *LIBERATOR* AS WELL AS PAID PURCHASES FROM TEHACHAPI DISTRIBUTING. I find that quite interesting. I find it more interesting to note that if Dharma simply had a tiny royalty return on any of her work—they could have bought the property in dispute a dozen times over! So, is the assault "intentional" or "what"? These are things I must write for Dharma to see because these ones keep saying over and over again—"but they wouldn't...." Does it quack like a duck? Does it waddle? Well, Dharma and E.J., COULD it possibly BE a duck? "But, could this be unintentional?" they ask. Quack, quack!! But, as a matter of fact—Greens do think they are serving a cause of some kind and that is what is difficult to overcome. Discernment becomes very hard when caught in the middle of lies and deceit and the "way" is lost to the full human expression.

The very lack of ability to spend time in "human" experience of "things" and time for human interchange has kept your exposure to the same problems very minimal. While struggling to survive and remain in your last piece of property with nothing of earth value to clamor for—you have had little time to serve the adversary so the attack has to come from outside and from others who DO get caught in the abundance and ego trips. Let these lessons be well-learned as you walk through this maze of confusion. The adversary never misses a trick of his trade—NEVER! "I" protect you precious ones who serve and, just as I have blocked every move of those ones so far, so shall I continue to guide—if you will but continue the journey, your service and the "struggle". So often, ones QUIT the struggle just as the winning bell is about to ring.

I would hope that the ones who were summoned and responded to George's call (note the total absence of Desiree at any meetings) will consider these things most carefully for they will be joined with George's "side" whether or not they intended anything of the sort. Is God's work "hard"? No, but it surely can be most inconvenient and distressing from time to time. So be it—WHEN THE FLAK IS HEAVIEST—YOU ARE RIGHT ON TARGET! (Thank you, Mr. Gritz—this has become my most favorite visual phrase.)

Do YOU go forth now to do battle for

selves? NO, you go forth now to protect the work of God and Hosts that the WORD not be brought down nor confined, buried or burned.

I do ask any readers who would order any of the JOURNALS now order them from *THE LIBERATOR*, *THE WORD*, or some other entity—until this deliberate banning by America West and the Courts can be withdrawn. Whatever supply is on hand (very, very limited) will be exhausted and then orders cannot be filled—but, whether or not you EVER get the books, the “obvious” will be proven. In fact, at this time I ask that the orders be acknowledged, funds returned temporarily, after supply exhaustion—until this matter can be resolved. We will notify you when the books are again free for distribution. There is one coming from a different press right now and will be available through the *LIBERATOR* in a matter of days. The price will be less than prior JOURNAL offerings. Today, there will be a second volume ready to go to press. If needs be, Readers, we shall simply re-dictate the books. God’s WORD shall not be silenced!

If you wish to get them through America West—so be it for I’m sure they will certainly sell to you. Both rain and shine fall on the “just” and the “un-just”. Destruction of the message and the Messenger—has long been the way of the adversary to destroy TRUTH! It is time you of hope and Light think upon these things for you are witness to it now. I also ask forgiveness for these blind children for they know not what they do! They CANNOT know what they do! There lies danger, children, even in the very rainbow!

What do I tell my crew herein? “Quit the self-pity, get up off your duffs and let’s get on with our job! Sitting on your assets and grieving for that which you KNEW would come is wasting all time for all ones. There is a nation in trouble, brothers in pain—REAL PAIN, and YOU are in God’s hand—what more can you ask? Each ‘other’ will find his/her own direction and you can do nothing to change of it—only THEY can take action and make change or remain within the trap. It is none of your business save that portion which is appropriate to your own actions.”

Dharma and E.J. saw REAL pain in progress yesterday in that same courtroom and with the same Judge. There is a case ongoing in Bakersfield called the “Koreatown Slasher” case. The perpetrator of those horrendous crimes of murder, slashing and depraved terrorism was in that same court for final “rereading of testimony” prior to sentencing a death penalty or prison for life without parole. The “suspect” was

present and when Dharma opened the door to the courtroom her eyes met his and it was explosive in that room. Then they had to go into that room to “wait” for the Judge. THAT situation is “trouble”, friends. THAT man had even attacked his own lawyer—in the courtroom. This is the biggest case in California right now. As this man’s very life was in the balance, he showed no care, no remorse, no regret—he simply loudly laughed, cursed and arrogantly mocked all things going on—including the Juror who stumbled trying to get past the foot-rests to his chair.

The Judge summoned Ekkers and counsel to another courtroom chambers and apologized for the need to witness the ongoing ordeal. The Judge was then called back to preside in the “Slasher” case and asked Ekkers to await his return. While waiting some hour later, the “Slasher” was led past them in the exiting route. Surrounded by officers with drawn guns and in shackles the man was led past them—DEATH, HATE and ABSOLUTE EVIL surrounded him. THAT IS TROUBLE! He glanced at them, laughed a ringing laugh which echoed in a now empty court house—turned, and passed on. Dharma shall never again be the “same”. This living “vacant being” had slashed to death at least (proven) seven innocent people.

A house in “trouble”? A heart “heavy” with disappointment? A friend turned enemy? Trouble?? NO—THAT MAN IN THAT COURTHOUSE IS “TROUBLE”. The pain created through and by that man, is “trouble”—serving God and seemingly being beset by negative happenings is “glory”. THAT MAN IN SHACKLES, FINALLY, IS “TROUBLE”.

Did “I” (Moi) arrange such an encounter? Indeed—for when the heart is heavy and the way seems too hard—you need to see REAL trouble in its finest garb! “Walking death” is ever so much worse than “dead death”.

I can only remind you in the form of words in one of Dharma’s favorite songs, for it is her living belief: “Walk on through the rain, walk on through the storms tho’ your heart be tossed and torn. Walk on, walk on, with hope in your hearts and you’ll never walk alone—YOU’LL NEVER WALK ALONE!” Ah, precious students, you must not look back to that which “was” for it cannot be changed—remember, so that your lessons are clear, take that which IS, and walk on—ever on to our goal and it shall all be wondrous for within God’s golden wings and upon MY silver “feathers” shall you find YOUR WAY. Welcome home, my precious brothers and **welcome aboard. When you learn to discern real “trouble” from problems but to be solved—you shall**

**graduate!**

### ANOTHER VIEW FROM THE MOUNTAIN

Consider this, little ones, for this is the way it is looked at herein. Dharma and E.J. only feel grateful to have been allowed to do their work and have shelter, food and comfort in this almost six years—there is no regret or sorrow—only appreciation whichever way the final outcome falls. But it is not “trouble”—it has been wonderful. Sorrow? No. Disappointment and annoyance? Yes, nothing more—and ah, the learning provided for worthy use in this journey back to freedom and justice—unlimited! Is there FEAR of homelessness, etc.? NO—so many have offered to share that which they have that the cup runs over in abundance of that which matters. Priceless lessons have been “experienced” and those are the ones which serve best in opening the eyes to that which IS. No, no sorrow over a pile of boards—only over the inconvenience to ones who have made the home so comfortable and lovely if it be lost to unloving hands. It shall NOT. A house is but a structured form—but that which is within breathes life and character into the form—just as does God into His creations. That which is created and filled with love and Light—shall not ever be lost.

After Dharma and E.J. left their prior home into the hands of ones who wanted it so badly that they even broke rules of transfer to get it—let it be vandalized and fallen into a rubble heap. The house could not harbor such darkness within its walls and the tenants were never happy there so they simply “killed” it. Fantastic? No, all things are “living” and when neglected and mistreated, they perish. Will it happen again? It is a “thing” of physical expression—therefore, what will be in the physical shall remain of the physical and it is but a part of the “journey” of experience. The way will be “correct”—not necessarily as you think you perceive it to be. Each step toward Light is necessary for the fulfillment of the PLAN. When you learn this necessary lesson, so too shall your own journey be perfected.

***“God help me to change those things I can,  
Accept those things I cannot change,  
And, grant me the grace to know the difference!” Amen.***

Dharma, enough of this subject, chela. Things will be as they will be and all I ask of you is that you be responsive to my input and all things shall be right.

## CONSTITUTIONAL LAW CENTER

Mr. Dixon is back in Washington as we write. He is meeting with ones of the military, Judge Bork, hopefully Walsh, the "Christian Council", etc. Chelas, that which you have supported is now taking its place in recognition. Even the Legislature in California is nervous and restricted as Budget Time is upon them again—because the CLC brought them up short last year and they dare not "just let it go this year". **YOU CAN MAKE PROGRESS IF YOU STAY THE COURSE.**

Dharma and E.J. spent their last "sheckles" borrowed for saving of their house, on the CLC and other "projects" to make possible Gaiandriana and, now, this integration and respect for the Law Center. Many of you gave and supported and helped and plodded alongside them. It is now bloomed—and great respect is given to this entity. Can a "house" compare to the "good" brought forth in taking the "risk"? No, of course not. First, a foundation upon which to build **MUST** be set upon a rock of Truth—then and only then can the buildings be secure thereon. You must set a nation upon a foundation of TRUTH under God with a Constitution which serves ALL and then, only then, can the nation survive. This can be taken to infinite lengths as expression but I shall not do so, now. **KNOW** that things are happening in goodness and progress.

## RUSSBACHER

Just an update: Gunther has seen to it that we have been contacted and he has expressed his deep appreciation for the *LIBERATOR* and to you readers who have already responded. Chelas, HOPE is born and nurtured through the contact of one for another—heart. The actions can take time if the "other" knows the message of the heart offering, if nothing more, understanding and love. Even THAT SLASHER deserves compassion and love for his bent and twisted horror. Do you condone the actions? NO, no, no! But do not judge the man in point for you know not the mission or contract of that being so lost and hardened by whatever has come upon him. It is necessary for YOU to not judge for when you do—you damage that which is within self. Discernment of the man—**JUDGEMENT OF THE ACTIONS** is all that is possible in reality.

## AIDS, LEPROSY, SYPHILIS AND OTHER POLITICS

I only want to cause you to look at that which your new "President" has done this day: lifted the ban on AIDS carriers coming into your country. He also lifts the ban on other diseases and what is said? "We are lifting the ban on entry of AIDS carriers and certain other disease carriers—**BECAUSE THE DISEASES ARE NOT 'CASUALLY' TRANSMITTED!**"

I have no comment as to the rightness or wrongness of the order—I do note however, that "non-casual" transmission is a lie. I don't know how non-casual or "casual" is breathing—but it seems pretty unsophisticated to me. Do you still think, however, that there is no PLAN for your destruction? If you cannot see after the "two-by-four" hits you—will an "eight-by-twelve" cause your vision to clear—or **JUST KILL YOU?** I suppose it remains to be seen.

## EARTHQUAKES, STORMS AND OTHER INCONVENIENCES

I must leave the comments on these

topics to Commander Soltec (to me, "Tonios") for we are buried in other entropy. I can only suggest to those who do the phone line message that they use discretion and discernment as to topics for we are swamped—CHAOS has beset the entire world—prodded on and stirred by politicians and heretics. It is exactly as intended—remember the portion of the Protocols and Manifestos—confuse, distract and boggle the citizens and they shall be trapped. Since the mind cannot attend ALL in ALL places and, yet, words and pictures CAN flow instantly around the globe—you can be better monitored and brain-trained, deceived and led than at any time in the known history of the planet. It will be YOU ultimately who will have to sift through the lies and Truth until you can focus on direction. We can only offer a tiny, tiny few guidelines to assist for the human is not capable of garnering it ALL or instantly moving from "0" to mach 150 in a blink of an eye. The soul can absorb it—the consciousness cannot.

**I can say this—JAPAN SITS ON A TIME BOMB FOR TOTAL DESTRUCTION OF THE WHOLE OF ITS ISLANDS, AS DOES THE PHILIPPINES. YOU ARE IN THE TIME OF UPHEAVAL FROM BELOW, AT SURFACE AND ALL THINGS ABOVE. IT IS THE TIME OF SORTING IN BOTH GOD'S VINEYARDS AND IN THE ADVERSARY'S. IT IS UP TO YOU ON WHICH SIDE YOU STAND—FOR THE MIDDLE OF THE ROAD IS NO LONGER!**

# Arms-For-Hostages Again: George Shultz Speaks Out

2/9/93 #1 HATONN

## IRANGATE

You must know that the bubble is burst on this criminal activity of your past Presidents. Will they be disciplined? It is not important, chelas, as to their discipline. It is only important to the extent of YOUR recognition and self-discipline to attend that which is represented by such actions. I promised to present material on this some weeks past—today is the day. I shall simply present what was placed in *TIME* magazine last week, for most will not have seen it. The unfolding is coming quickly now as “prosecutors” are making inroads. You will find nothing “new” in the writings, for instance, of Shultz as utilized—it is simply that, at last, things are beginning to become public enough for your teeth to get set in order to “pull” these things out of the hidden chambers.

The facts are that George Shultz was stunned at the things going on during the Iran-Contra Arms for Hostages “thing”. He said it publicly “then” and now repeats it for those of you who do not remember. Does this make George Shultz a fairy prince of Truth and Light? No, but it sure does begin to reveal a lot about what DID HAPPEN.

Dharma, let us simply display that which was printed in *TIME* in the “Book Section” of the Feb. 8, 1993 issue. Our copy is missing a lot of its left margin alphabet so I will effort to help reconstruct it but if there are questions by readers as to possible errors, go to the library and you can get a good copy. I cannot wait a better copy because the subject is full-blowing on the news this day with Walsh proving that Reagan was efforting a massive information cover-up. I simply desire that you have input as this unfolds. The information is taken directly from Shultz’s work, copyright by George P. Shultz from *Turmoil And Triumph: My Years As Secretary Of State*, Charles Scribner’s Sons publisher—A Robert Stewart Book. Thank you.

## REVELATIONS: BIZARRE BEYOND BELIEF

On Sunday, Nov. 2, 1986, JUST TWO DAYS BEFORE the midterm elections, I learned that David Jacobsen, an American held hostage in Lebanon for over 17 months, had been released. I was instantly full of foreboding about what lay behind it. In the text of a White House statement to be released to the press, the word hostages had the s crossed out wherever it appeared. Apparently the White House had expected the release of several or all of the hostages.

I knew little about the dealings with Iran for hostages held by its terrorist surrogates in Lebanon, and I knew nothing about what had led to Jacobsen’s release. But I did know about some earlier hostage-release attempts and had fought fervently against what I viewed as an arms-for-hostages exchange. In four major battles between mid 1985 and fall 1986 I had fought to stop such a deal, and each time I felt—or had been assured—that my view had prevailed. **But this snake never died,** no matter how many times I hacked at it.

The day after Jacobsen was freed, the revelation came, in *Al Ibiraa*, a Beirut Arabic-language magazine, of a trip to Tehran by former National Security Adviser Bud McFarlane, by that time a private citizen but dispatched by the White House. Later that day Rashemi Rafsanjani, speaker of Iran’s parliament, said that McFarlane had come to Tehran secretly in September 1986 with four other Americans on a plane carrying military equipment for Iran. They had been held in a hotel room for five days and then released. They traveled on Irish passports and brought a *Bible* signed by President Reagan and a cake. The cake, in the shape of a key—supposedly the key to Iranian-American friendship—had been eaten by hungry Revolutionary Guards at the airport. The story was bizarre almost beyond belief.

I told my staff to pull everything together so that I could see what I had known and when, and what I had done about it. A few events immediately leaped to my mind.

Early in the evening of Nov. 19, 1985, the first day of the Geneva summit meeting, after a grueling session with the Soviets, I rushed back to my suite in the Intercontinental Hotel to change clothes before going to the dinner that General Secretary Mikhail Gorbachev was giving. The phone rang: Bud McFarlane was on the line. Four hostages would be released on Nov. 21. The Israelis would send a plane with 100 Hawk missiles to Portugal; if the hostages were released, the airplane would fly to Iran.

This was arms for hostages, plain and simple. With stony anger, I told McFarlane that I had been informed so late in the operation that I had no conceivable way to stop it. I hoped that the hostages would be released, but I dreaded what I feared would be an unfolding nightmare. Bud, at some point in Geneva, told me he had cleared the plan with the President. Nov. 21, the supposed release date, arrived and passed. No hostages were freed. Later I was told the episode had misfired and was over.

On Dec. 4, Bud McFarlane resigned. On Dec. 5, John Poindexter, who had been appointed to succeed McFarlane, told me that he had set up a meeting about Iran, arms sales and hostages for Saturday, Dec. 7. I told him that the operation should be stopped.

The President convened the meeting with Poindexter, McFarlane, Secretary of Defense Cap Weinberger, Deputy CIA Director John McMahan standing for Bill Casey, and White House chief of staff Don Regan. Poindexter suggested that McFarlane should be authorized to ask other countries to sell arms to Israel to replace those Israel would transfer to Iran: this idea I opposed vigorously. Arms for hostages and arms to Iran were both terrible ideas! I argued that this was a betrayal of our policies and would only encourage more hostage taking. Cap Weinberger expressed the same point of view with genuine and unmistakable conviction. No decision was made at the meeting. But my sense was that the point of view Cap and I argued had won the day.

I heard nothing more about the issue for almost a month. Then, on Jan. 7, 1986, I was suddenly called to a meeting with the President on further developments regard-

ing Iran. All the key players were present: Vice President George Bush, Don Regan, Cap Weinberger, Bill Casey, Attorney General Ed Meese and John Poindexter. I argued fiercely against any arms sales to Iran, especially connected to the release of hostages. "I agree with George," said Cap. No one else did. Cap and I were isolated.

I had an uneasy, uncanny feeling that the meeting was not a real meeting—that it had all been "precooked". I had the sense that a decision had already been made, though none was explicitly stated. (I learned a year later that the actual decision had been taken the day before when John Poindexter presented President Reagan with a draft "finding" authorizing arms sales to Iran. The President signed it.)

On May 4, 1986, I received a cable from London. An embassy officer had learned from Roland ("Tiny") Rowland, a British entrepreneur, of various arrangements to get arms to Iran with the use of Swiss banks. Rowland said he was told, "The scheme is okay with the Americans. It has been cleared with the White House. Only four people in the U.S. government are knowledgeable about the plan. The State Department has been cut out."

As soon as I got this message, I sought out the President. He was not available, but I did find Don Regan. I expressed strong opposition across the board: on policy, legal and moral grounds, as well as my concern for exposing the President to a seamy and explosive situation. "Stop!" I said. "This is crazy. Get the President to end this matter once and for all." The deal was all wrong. "If this activity continues," I said, "the President will be gravely damaged." I then went to Poindexter, who told me that we were not involved in "that deal". In mid-June both Casey and Poindexter told me that at the end of May the operation had been ended and that the people involved had been told to "stand down".

END OF QUOTING.

## 2/9/93 #2 HATONN

Now, students, let us move right back and into finishing the article from the preceding writing taken from *TIME* magazine's excerpt of *Turmoil and Triumph: My Years as Secretary of State*, by George P. Shultz.

AGAIN QUOTING:

### THE WHITE HOUSE STONEWALLS

With the public revelations surrounding the release of Jacobsen on Nov. 2, 1986, the Administration faced a full-blown crisis. My attention shifted from what had happened to what was still going on and

what had to be stopped and reversed. I had to persuade the President to call off the Iran arms-for-hostages operation, get the NSC staffers out of the action altogether and return direction of our Iran policy and the hostage crisis to me. No battle of my official life would be more brutal and intense. "The only way to contain the damage," I told Poindexter, "is to give the essential facts to the public as quickly as possible: get everything out in the open, and fast."

Poindexter's response the next day only sharpened my apprehensions. "Not only will such [a decision to put out the facts] complicate our efforts to secure the release of other hostages, but may also undermine opportunities for eventually establishing a correct relationship with Iran. At some point we will have to lay out all of that, but I do not believe that now is the time to give the facts to the public.... I have talked with the Vice President, Cap and Bill Casey. They agree with my approach."

I began to sense that, far from admitting that arms-for-hostages trades had been tried in the past, Poindexter was seeking secretly to carry this disastrous operation forward. On Saturday, Nov. 8, I learned that the White House team was fully engaged in going ahead with further deals. NSC staffer Oliver North, I was told, was even this weekend headed off somewhere on a secret mission. I was being kept entirely out of the loop, and I was also being given an unmistakable signal: I should get on the team and cease my opposition. That I would not do.

A political tidal wave, I felt sure, was bearing down on President Reagan and would, in my opinion, destroy his presidency unless the arms-for-hostages dealings were stopped immediately. I felt that the President was clearly being misled and deceived by his staff in the White House. I knew now that I must fight *for* the President by fighting *against* members of his own staff.

### A BATTLE ROYAL

What bothered me immediately was a comment made on television by Vice President Bush. His adviser, Nick Brady, had telephoned me Saturday night, Nov. 8, 1986, to ask whether I planned to resign. I told Brady, "What concerns me is Bush on TV saying it is inconceivable even to consider selling arms to Iran for hostages. The Vice President was in one key meeting that I know of, on Jan. 7, 1986, and he made no objection to the proposal for arms sales to Iran, with the clear objective of getting hostages released in the process. Cap and I were the only voices of dissent. The Vice President could get drawn into a web of lies. If he blows his integrity, he's finished."

The next day, Bush telephoned. My wife and I went over for a drink with him and Barbara. I put my views to him: I didn't know much about what had actually transpired, but I knew that an exchange of arms for hostages had been tried on at least one occasion. Bush admonished me, asking emphatically whether I realized that there were major strategic objectives being pursued with Iran. He said he was very careful about what he said. "You can't be technically right; you have to be right," I responded. I reminded him that he had been present at a meeting where arms for Iran and hostage releases had been proposed and that he had made no objection, despite the opposition of both Cap and me. "That's where you are," I said. There was considerable tension between us when we parted.

I was astonished to read in the Aug. 6, 1987, *Washington Post* about an interview by David Broder during which Bush said, "If I had sat there and heard George Shultz and Cap express it [opposition to Iran arms sales] strongly, maybe I would have had a stronger view. But when you don't know something, it's hard to react. We were not in the loop." Cap called me. He was astonished too. "That's terrible. He was on the other side. It's on the record. Why did he say that?"

Early on Nov. 10, 1986, rumors reached us that an arms-for-hostages operation was still under way at this very moment. An Iranian aircraft reportedly had been expected in Vienna to pick up an arms shipment, but it had not come on time, the deal fell through, and "the Iranians are no longer answering Ollie's telexes."

Poindexter and North were clearly continuing their efforts undaunted by the disasters of their own making. They had entangled themselves with a gang of operators far more cunning and clever than they. By dressing up this arms-for-hostages scheme and disguising its worst aspects, first McFarlane, then Poindexter, apparently with the strong collaboration of Bill Casey, had sold it to a President all too ready to accept it, given his humanitarian urge to free American hostages. "Ultimately," I said, "the guy behind it who got it going, and the only guy who can stop it, was and is Ronald Reagan."

At 11:30 the President's national-security group gathered in the Situation Room. The President had watched the Sunday talk shows, he said, and we were being taken apart without justification—because what we are doing was right and legal and justifiable. We were trying to turn around a strategic situation in the Persian Gulf area, to move Iran toward a constructive role, to help them with their problem with the Soviets. And of course, he added, we wanted the hostages back.

Poindexter then made a long presentation. There had been a "finding" on Jan. 17, 1986. CIA Director Bill Casey had been told, presumably by the President, not to brief Congress on it. The finding emphasized, Poindexter said, our strategic objectives toward Iran. Potential moderates in Iran would be given credibility with the military by getting an arms relationship with us. That, Poindexter suggested, was why we had to give arms to Iran before expecting to get hostages freed in return. "This is the first I ever heard of such a finding," I exploded. Cap was equally astounded. I was also astonished to learn of all the arms sales that had already occurred: a total of 1,000 TOWS and 240 Hawk missile battery parts. These were small amounts, defensive in nature, Poindexter said, and were designed to establish good faith.

I started asking tough questions about Poindexter's preposterous assertions. I could see immediately that Poindexter, and the President, regarded me as a problem. "If the TOWS plus other items have been supplied to Iran in the context of hostage releases," I asked Poindexter, incredulously, "how can you say this is not an arms-for-hostages deal?"

The President jumped in, asserting, "It's not linked!" Poindexter undercut him. "How else will we get the hostages out?" he asked me in accusing terms. In this flash of candor, Poindexter had ripped away whatever veil was left to the notion of a "changed Iran" as the rationale for our arms sales.

Casey produced a draft press release, saying that all the President's advisers were fully aware of this operation and supported it. "Everyone must support this policy," the President said. That I was not prepared to do. "Our policy is what we do, not what we say," I argued forcefully.

The session ended with a dangerous electricity in the air. As I returned to the State Department, I felt that I had become the most unpopular man in town. I was in a quandary, however, because of Poindexter's assertion that hostages would be released in a few days. I feared doing anything that might block an imminent release. The President, in his desire to free the hostages, had allowed himself to be sold a bill of goods. "Iran is playing us for suckers," I said, "and we are paying extortion money to them."

Later that day the White House wanted me to agree to the press release. The President, Vice President, Casey, Weinberger and Meese had all cleared the statement that there was "unanimous support for the President's decisions" regarding the hostages and Iran. "That's a lie," I said. "It's Watergate all over again." I told Poindexter that I could not accept the release as drafted. I did not support his

operation and I would not join in lying about it. After sharp disagreement, he agreed to change the sentence to read there was "unanimous support for the President". I said I would not object to the statement, "but I am very uncomfortable with it." That, Poindexter said, "is most unfortunate", and hung up.

I would have to keep fighting the policy and refuse to be part of it. I must convince the President to halt this operation—permanently. I had to awaken him to the reality of what was taking place, persuade him that something was deeply wrong, and warn him that his staff was "rearranging the facts". My past position—being cut out—was, if humiliating, explicable in terms of my not knowing what had taken place; my present position—being cut out of what the President was treating as a major American foreign policy effort—was not sustainable. I would have to get the President to see that grave mistakes were being made, get control over the mess, or go.

On Nov. 13, in a nationally televised address, President Reagan stated that he had authorized a small shipment of arms to Iran, but not as part of a trade for hostages: "We did not—repeat—did not trade weapons or anything else for hostages, nor will we." The speech convinced me that Ronald Reagan still truly did not believe that what had happened had, in fact, happened. To him the reality was different. I had seen him like this before, on other issues. He would go over the "script" of an event, past or present, in his mind, and once that script was mastered, that was the truth—no fact, no argument, no plea for reconsideration could change his mind.

#### THE WHITE HOUSE CRACKS

In an appearance on CBS's *Face the Nation* on Sunday, Nov. 16, I wanted to make clear where I stood. "It isn't the right thing for governments to trade arms or anything else for hostages," I said, "just because it encourages taking more." Moderator Lesley Stahl then asked, "Will there be any more arms shipments to Iran?" I answered swiftly, "It's certainly against our policy." Stahl followed up, "Do you have the authority to speak for the entire Administration?" I looked her straight in the eye and said, "No." On that stark note the program ended.

I had thrown down the gauntlet in my final exchange. I flew off to Chicago the next morning, half expecting to be ousted from office before returning to Washington that evening. When I got back, I was met by State's executive secretary Nick Platt. "The White House blinked," he said. They had issued a statement saying that I did speak for the Administration and that "The President has no plans to send further arms to

Iran." Asked directly, President Reagan concurred. The whole issue had come to a head in public and shifted the weight of the argument in my direction. The White House simply could not stand up to saying publicly that we would continue to sell arms to Iran.

On Wednesday evening, Nov. 19, the President was to hold a press conference. I saw him at 1:30 and put my argument to him again as gravely and persuasively as I could: terrible mistakes had been made. The time was long past to tell the full story, to put a stop to any further arms sales to Iran, and to return to adherence to our own stated policy. I read to the President a statement that I wanted him to make on television, saying that there would be no more arms sales and that our Iran policy would be managed by the Secretary of State.

The President responded by saying, again, that the operation was a good one and that Iran—the CIA had assured him—had tempered its support for terrorism. I strongly disagreed and countered that "Even if the Iranians agreed to cease targeting Americans in return for arms—which, in reality, they have not—that's a terrible deal to make!" I presented detailed factual material that Iran had clearly *not* ceased support for terrorism: three American hostages had been taken in September and October 1986 by Lebanese groups associated with Iran—and much more.

"This is news to me," Reagan said. "Mr. President," I said, "you are not fully informed. You must not continue to say we made no deals for hostages. You have been deceived and lied to. I plead with you," I said, "don't say that Iran has let up on terrorism."

"You're telling me things I don't know!" the President said. "Mr. President," I replied, "if I'm telling you something you don't know—I don't know much—then something is terribly wrong here!"

But I could see I had not convinced him. As I left, I told him, "What I said the other day stands." He knew I meant my offer of resignation. Despite our differences, he seemed to want me around, perhaps out of an instinct that, unwelcome as my statements were, I was leveling with him.

The President strode into the East Room of the White House at 8 p.m. He started the press conference with a statement affirming "the correctness of my decision". But "to eliminate the widespread but mistaken perception that we have been exchanging arms for hostages," he said, "I have directed that no further sales of arms of any kind be sent to Iran." He concluded with the defense, "I don't think a mistake was made. It was a high-risk gamble that, as I've said, I believe the circumstances warranted. And I don't see that it has been a great failure of any kind. We got our

hostages back—three of them. And so I think that what we did was right, and we're going to continue on this path."

The President's statement that there would be no further arms shipments to Iran was a crucial victory. But the fact that he still maintained "what we did was right, and we're going to continue on this path" was incredible to me. Many of the President's statements were factually wrong. He was defensive and lacking in his usual confidence.

I telephoned the President. I told him that I wanted to come over to the White House in the morning to show him, chapter and verse, the factual errors he had made. He was shaken by what I said and agreed to listen to me.

Back at State I met with the department's legal adviser, Abe Sofaer, and Under Secretary for Political Affairs Mike Armacost to go over the information we had gathered about the arms-for-hostages attempts so they would be prepared to assess Casey's upcoming congressional testimony. Armacost had noticed that the contractor named in the Iran affair had also been involved in support for the *contras*—Southern Air Transport. This set off a warning bell in the back of my mind. It sounded as if the list of revelations had not yet been exhausted.

### THE PRESIDENT LOSES HIS TEMPER

At 5:15, Nov. 20, I showed up at the family quarters, along with Don Regan. The content of my discussion with the President was tough. I had detailed material on the erroneous statements he had accepted as accurate information from the CIA and NSC staff. For nearly an hour we argued back and forth, hot and heavy. I never thought I would talk to a President of the United States in such a direct and challenging way.

President Reagan didn't seem to resent my efforts, but I didn't shake him one bit. To him, the problem was with the press. I told him about McFarlane's telephone call to me in Geneva in November 1985 describing an arms-for-hostages deal. "Oh, I knew about that," the President said, "but that wasn't arms for hostages." I replied that no one looking at the record would believe that. The President said his information was different from mine: "George, I know what happened, and we were doing the right thing." He refused to recognize that there was a problem.

Early in the afternoon of Nov. 21, a secure call came through to me that Attorney General Ed Meese had been asked by the President to investigate the affair. Meese wanted to start the investigation by interviewing me the next morning.

I went through chapter and verse on

what I knew. Toward the end of our session, Meese said, "Certain things could be a violation of the law. The President didn't know about the hawk shipment in November 1985. If it happened and the President didn't report it to Congress, it's a violation." Meese was definitive in the view that the President had not known of the November 1985 arms shipment that might be illegal, and that the shipments he did know of were not illegal. I had already told him that the President had said to me that he "knew all about" the November shipment. "I hear what you are saying," I said to Meese, "but I would not want to be the President arguing it in public."

I found out later that on Nov. 23 Bill Casey had written the President, "The public pouting of George Shultz and the failure of the State Department to support what we did inflated the uproar on this matter. If we all stand together and speak out I believe we can put this behind us quickly." Casey continued, "You need a new pitcher! A leader instead of a bureaucrat. I urge you to bring in someone like Jeane Kirkpatrick or Paul Laxalt, whom you may recall I recommended for State in 1980. You need this to give your foreign policy a new style and thrust and get the Carterite bureaucracy in State under your control. Time is short."

On Monday afternoon, Nov. 24, an NSC meeting was called so that, I presumed, Meese could present the results of his quick probe. The meeting was as perplexing as it was peculiar. Meese said almost nothing while Poindexter took charge, reviewing the Iran operation just as if no objections had ever been raised. Bill Casey followed with an account of how well placed we were regarding intelligence on Iran. Poindexter stressed that our effort toward Iran was correct and that it would continue on course.

I interrupted with a starkly different view. I made no impact whatsoever. Cap Weinberger did not take my side of the argument with the vigor he had in such sessions long ago. Poindexter ignored what I said. The point of the meeting, Poindexter said, was to inform us all—President Reagan, Vice President Bush, Weinberger, Casey, Regan, Poindexter, George Cave (present as an analyst for the CIA, although he had been involved in Iranian affairs as an operator), Meese and me—that we would proceed without changing the project or the policy.

The President remained unmoved by my words. He was in a steamy, angry mood clearly directed at me—which sent an unmistakable message: understand me, and get off my back. He was angry in a way I had never seen before. He pounded the table. "We are right!" he said. "We had to take the opportunity! And we were successful! History will never forgive us if we

don't do this!"

At 6 o'clock that evening a call for Deputy Secretary of State John Whitehead came from Poindexter, whose attitude was entirely different now: understanding, cooperative, mild. "State can take the lead on Iran if it wants to," Poindexter said. "I want to get out of it."

I was stunned. "We just crossed the great divide," I said. Something dramatic must have happened. What, I did not know. I was mystified but elated at this dramatic shift from the White House.

An NSC meeting was called on Tuesday, Nov. 25. Ed Meese gave us explosive news: some funds from the sale of arms to Iran had been diverted to support of the Nicaraguan *contras*. Poindexter and North were both out. Al Keel, Poindexter's deputy, would become acting National Security Adviser.

Then came the public announcement from Meese: from \$10 million to \$30 million in payments made by Iran for U.S. arms in 1986 had been diverted to rebels fighting the Sandinistas. The President had not been informed. An investigation would be conducted by the Justice Department. Meese had uncovered shocking behavior by the NSC staff. President Reagan had acted quickly, getting rid of the key offenders and making instant public disclosure. He instructed me and everyone involved to make available all the information we had to the various investigating groups.

### THE SNAKE WOULD NOT DIE

I went to see President Reagan on Nov. 26, 1986, and asked Don Regan and acting NSC Adviser Al Keel to join me. "I'm ready to sign on for the duration," I told the President. "That's what I want, and I'm looking to you as my point man on foreign policy," the president responded.

I went through how I intended to bring the Iran mess under control. The President seemed to like my proposals. But he was subdued. He normally reminded me of a star shortstop eagerly waiting for the batter to hit a hard-to-handle grounder at him—because he knew he could handle it. But at his last press conference, Reagan had fumbled the ball. His message had not generated public confidence. He wasn't used to this. Now his own confidence was shaken, not from a feeling that he had done something wrong, but because he saw that his support among the American people had slipped.

On Dec. 1, I exchanged calls with Bill Casey. He told me that Amiram Nir, the Israeli who had been involved in our arms dealings with Iran, was going to meet Moshen Kangarlou, director of intelligence for Iran's revolutionary guards, in Geneva to discuss hostages. Manucher

Ghorbanifar, the operator in earlier deals, would be there. Prime Minister Shamir wanted the meeting to happen but also wanted to be sure we had no objections.

Though I was relieved that Casey was informing me, this continuing effort was idiotic. How could the same gang still be playing the same old game? Because the meeting involved representatives of two other governments, I did not see what we could do to stop it, but I told Casey to make clear that the United States was in no way involved. I told Mike Armacost to double-track through his own channels with the CIA and made sure that this U.S.-Israeli link was severed.

Casey was not to be trusted. He had now changed his story in testimony to Congress on Dec. 2 and admitted that he had known about the arms-for-hostages trade described by Bud McFarlane in his phone call to me in Geneva in November 1985. I heard that Casey had tried to get his deputy, John McMahan, to cook up a way to place that shipment *ex post facto* under a presidential finding. McMahan, I was told, had resisted.

When I told the president about the Nir-Kangarlou-Ghorbanifar meeting in Geneva and that I had ordered that the United States get out of that loop, he was taken aback. He said nothing but I could sense that my action had riled him.

Because of the president's mood—and Bill Casey's—and because of the continuing Israeli activity in this matter, I feared that, despite the press, congressional and public uproar, some version of the operation was *still* alive. Those who were responsible for the operation now seemed desperate to vindicate their judgment in the face of overwhelming criticism.

The CIA's George Cave, who had accompanied Oliver North on past operations, was pressing for authorization to contact Iranians again. Cave could see his contacts only to advise them that from now on anything they wished to convey should come through the State Department, I said. I was coming to realize more and more how heavily Casey and the CIA were involved in the Iran deals.

On Dec. 12, Armacost and Casey had agreed that a State Department official and George Cave would meet with Iranians to inform them that future contacts with Iran would *not* deal with arms for hostages. Casey agreed; everything was satisfactory, he said.

Casey then went straight to the White House to get the President to overrule State. Casey wanted to stay in the loop and in command. He had called Don Regan, and Regan had gone to see the President to say Casey wanted to keep going with Iran but Shultz was trying to shut it off. The President said he wanted to build upon the "dialogue" that had been established. So

the agreement between Casey and Armacost had been overturned: the Cave channel would stay open and would again mix operations and intelligence analysis.

The CIA and the NSC staff, with apparent support of the President and Vice President, were still proceeding just as though nothing had happened. Congress was being misled now, a month and a half after the revelation first appeared. What was worse, John Whitehead said, "The CIA has told the Iranians that the State Department is just a 'temporary impediment' and that after it calms down, Cave and Secord will be back in action. The President is being ripped to pieces, and the CIA is reassuring the Iranians."

Foreign service officer and Farsi speaker Charles Dunbar was to meet the Iranian representative, Mehdi-Najat, with Cave at his side. I insisted that they go together so there would be no impression of a divided U.S. Administration.

On Dec. 13, Dunbar reported in. He and Cave had met the Iranian in Frankfurt, West Germany. The Iranian had urged that the project continue as before, saying, "Much has been accomplished by North, Secord and Cave." Mehdi-Najat wanted the U.S. to produce more military equipment for Iran, and he referred, Dunbar said, to a "nine-point agenda" on which the U.S. and Iran had agreed to work.

Cave talked openly to the Iranian about future U.S. help with their military requirements. Mehdi-Najat was supported in his attitude by Cave. Dunbar "should go back to Washington and get briefed on where this situation stands. A lot of commitments have been made, and we are far down the road," the Iranian said.

This was horrendous. The President, the Vice President, Casey and Regan had all either supported or known about a change in the instructions that would keep the previous dealings with Iran alive. President Reagan was withdrawn and, to a degree, out of action. Bill Casey had the bit in his teeth and apparently was able to enlist the support of Don Regan and the President. Whatever the President told me, I didn't have confidence that key people around him would deal squarely with me.

At 11 o'clock Sunday morning, I went to see President Reagan. I told him that this was a moment, if ever there was one, for him to be decisive on both procedure and substance. I went over my dispute with Casey's persistent drive to meld policy with intelligence analysis. Then I went through the material that emerged from the Saturday meeting in Frankfurt: there was a nine-point agenda covering the release of the Dawa terrorists held in Kuwait and of Shi'ite prisoners held by Israel, and extensive arms shipments to Iran that the Iranian seemed to regard as a set of U.S. commitments. There was a dedicated tele-

phone line for Iran to use at any time with the CIA. There was Cave's continuing talk of further arms transfers. There was the indication that the U.S. had put itself on the side of Iran in the Iran-Iraq war. And there was the revelation, I told him with anger, that Iran, at Poindexter's request, had been pressuring Kuwait to let the Dawa terrorists out of jail.

President Reagan was dumbfounded by this news. He could not believe that we had agreed, in effect, to press Kuwait to release the convicted Dawa terrorists in exchange for the U.S. hostages in Lebanon. It was as though someone had kicked him hard in the belly. I felt that, for the first time, Ronald Reagan was convinced that he really had been misled and that terrible violations of our policy had taken place.

The next day, Monday, Dec. 15, the news was even worse. After Dunbar left to return to Washington, a second meeting was arranged between Cave and Mehdi-Najat. After cutting Dunbar out, Cave was back in business on his own. As a result, the Iranians wanted to push ahead with the "nine-point agenda."

At 9:30 a.m. that Monday, I went back to the White House to see the President. George Bush and Don Regan were also there. I described the Cave meetings in Frankfurt and the revelations that had emerged. **[H: Obviously George Bush must have plugged his ears and blinded his eyes since he is "out of the loop". How much more incredible and treasonous work do you suppose you STILL DO NOT KNOW? LOTS!!]** "We have an obligation to pass this information on to congress," I said. "It is explosive." I let everyone know that I had asked to testify before the Senate Intelligence Committee to set out in closed session what I knew of this whole story.

When I got back to the State Department I was told that Bill Casey had been taken to the hospital. That evening, Don Regan informed me that Casey had a brain tumor and that he might be out of action "forever". **[H: And so he was and is?!? How handy the cause of murder—a "brain tumor" from "0" to death in a mere matter of a few short hours—he must have needed a bit of Gaiandriana. But then, murder doesn't work on a rebuild-the-sick-cell theory does it?]** Robert Gates, as Casey's deputy, became acting CIA director.

On Dec. 17, I telephoned Bob Gates at the CIA. "I would like to know," I said, "what is the nine-point agenda? I want to see it." My fury was no doubt apparent to Gates, even over the telephone.

The document I received the next day was shocking: dangerously amateurish and totally at odds with the rigorously stated policies of the U.S. It was dated Oct 8! Now, in mid-December, Poindexter was gone;

North was gone. Casey, the street fighter, had clearly been driving this catastrophic effort.

### TALKING A NEW LINE

As 1986 came to an end, I felt that I was slowly getting things under control. The key to this resolution was the departure of Bill Casey. The zeal went out of the operation when he left the CIA; it was as though a festering boil had been lanced.

President Reagan could still not bring himself to believe that the concept underlying this Iran initiative, let alone the execution, was fatally flawed. He respected me, I knew, and recognized that I had been fighting for his interests, that I had been right in my claim that he was being deceived. Poindexter's effort to get the Kuwaitis to release the Dawa prisoners drove that point home to him more than anything else had before. But I was sure that the President felt that somehow I should have been able to make his Iranian hostage-release effort work.

I wished we had been able to bring about the hostages' release, but certainly not through any arms deal, which created a hostage-taking industry. The key was quiet, patient work to lower the value and raise the costs of taking and holding hostages. That strategy is tough to follow in a free and open society. Politicians must learn how to handle the inevitable pressure to "do something", and the population at large and the media must also appreciate the importance of raising costs to terrorists and denying them gain and massive publicity from their actions. The searing publicity about Ronald Reagan's well-intentioned but ill-fated effort ironically contributed to this educational process.

We should always be willing to talk to any credible person about our hostages. But we owe the millions of Americans at risk throughout the world the assurance that they will not be turned into targets by the known willingness of our government to pay money, sell arms, or in any other way make it profitable to take Americans hostage.

The operation had now been stopped, but the crisis of the Reagan presidency was not over by any means. The investigative process had just begun.

### END OF QUOTING

There follows a notation that a second excerpt will appear in the spring. (*TIME* magazine)

\*\*\*

I will ask about the feasibility of obtaining some of these books for your conve-

nience for this is one of the more important books of revelations of political intrigue which will be found.

I prefer to not further comment on the contents of this material as I believe it speaks for itself. I simply ask that you watch closely that which goes on so that you can be informed. Note that the "pardons" granted by Mr. Bush just before his movement from office was obviously an effort to put a stop to all investigations into his own involvement. His worst nightmare, however, is not finished for there are others who will witness against his stance of "not in the loop" and "I had no trips anywhere in regards to hostages, Iran or any such thing, nor was I in Paris at the time of any negotiations for hostages—in OCTOBER". Hmm-m-m!

Why is it they seem to always feel themselves to be "exceptional cases"? Each man insists on being innocent, even if it means accusing the whole human race, and heaven—even to the very confrontation of total absurdity.

Could it be that everyone in daily life carries such a heavy, mixed burden on his own conscience **that he is reluctant to penalize those who have been caught? Well, simply remember when the stones strike home and the wounds seem hard in the healing: This is his first punishment, that by the verdict of his own heart no guilty man is acquitted!** And when you are the target and understanding seems elusive, remember that nothing more disqualifies a man to act with prudence and truth than a misfortune that is attended with shame and guilt, and then when confronted to deny all is but to confess all!! So be it.

# Latest *JOURNAL* Goes To Press

2/9/93 #2 HATONN

Please just leave this in the writing. We have court all day tomorrow (two separate non-hearings) so let us just draw this *JOURNAL* to a close with no more than this for an INTRODUCTION. It will be noted in the *JOURNAL* itself that it is simply filled with "things" of various kinds of information and sharing. I cannot find a single topic of major importance above that of another, so we shall just call this volume:

### CHAPARRAL SERENDIPITY

or

### THINGS FROM UNDER THE BUSHES

*Many things are sought and some are found. Many other things are not specifically sought for and found (serendipity). These things are often found hidden under the low lying bushes (both kinds) and shrubs (chaparral). Treasure these things found for they shall end up belonging in your treasure trove of understanding and insight.*

### DEDICATION

I am dedicating this volume to JOHN AND ELEANOR SCHROEPFER who probably have just witnessed the most valuable serendipity "find" of their recent expression, for they were ambushed from the chaparral and almost trapped. Be careful, precious ones, as you travel and are pulled and pushed in every direction and played by the puppet-master's drum-beat and dancing strings, for what is presented to you by the misinformation touters is very often the sound of the trap snapping closed upon you.

We are just now reaching that part of the "play" wherein John's commitment can be utilized in his field of knowledge gained and his talents shared. How often does the question and the beast pull ones away at the very doorway to fulfillment of lifetimes of dreams and service? **Every time he gets the chance and finds the doorway open for his dank entrance. BEWARE, for there—save through the grace of GOD—go YOU.**

## ACTIONS

I must take time first this morning to counsel with ones here. The system has beaten all attempts at justice in the courts. Yesterday the RTC was given full ownership and right of possession of Ekkers' property—IN FULL! This, in turn with what America West/George Green has done openly and with full intent to destroy work accomplished here—is very difficult to overcome emotionally this morning. Just remember that **God's delays are not HIS denials**. Also, lemon pie requires more attention than sucking a lemon. Perhaps this will sort the "men from the boys" in God's army.

It is very hard, however, for Dharma and E.J. to sort priorities of action. As of the 16th they are either out in the street or perhaps the RTC will bargain for rent temporarily rather than have the house trashed as you move into Spring—until they can be moved out. This, however, requires money and a place in which to move. So, this morning holds great problems to be solved and almost no "time" in which to solve them.

The fires under way from Green's actions must also be attended and we will take that matter up first.

I will tell you readers, however, a bit of background so that you Institute participants have comfort instead of stark terror: **THE INSTITUTE IS SOUND AND SOLID. WHEN WE SAW TROUBLE COMING LONG AGO, EXPENDITURES WERE MADE FROM EKKERS' FUNDS AND ON SOLID PROJECTS AGAINST THIS VERY DAY.**

Ones having funded the purchase (at auction) of the home again loaned money against the home (overloaned, in fact). This was utilized as Institute funding against the assumption that the house and property would be gained at the least. Well, not to be—BUT, these people are willing to wait and even offer a bit more sustaining help against the suit now able to be opened widely against the conspiracy and fraud which first instigated this whole encounter. The RTC has the property but they CANNOT contain the fraud which came prior to their entry into the matter. There are some very nervous lawyers, auction companies and embezzlers this day! But this, too, will take massive amounts of

time, energy and funds to follow through. Stay the course and it will be fine—the interim will simply have to take its course for the moment as we deal with the assault of Green.

## GRITZ

I have several things this morning which need to be attended early on. One is to either send this writing or, E.J., send a note, to Col. Gritz. Whatever "Bo" may think of ME, what George is telling is a lie against "Bo" and places him in a position of looking very bad, again, among ones who supported him loyally and financially through his candidacy.

George is telling everyone he contacts (as a first-off play for credibility) that "Bo and I are together in all this and Bo won't have anything to do with that bunch in Tehachapi and denounces them." **THAT IS NOT TRUE! WHAT GRITZ MAY THINK OF ME OR THE SOURCE OF INFORMATION COMING FROM HERE IS NOT IN POINT—HE CERTAINLY DOES NOT DISCOUNT THE WORK AND LOVE SHOWN HIM FROM ANYONE HERE OR ACROSS THIS NATION. THIS INFORMATION IS POURING IN FROM FLORIDA, COLORADO AND ONES RIGHT WITHIN OUR WORKING CIRCLE.** This kind of attachment to a man of such character and offering the illusion of attached brotherhood, acceptance and understanding is ludicrous. If Bo cannot accept the Truth from ME from this place of REASON AND LOGIC, I certainly do not believe he would hop on a lying Hatonn or even a "proper" Kroton ego trip. If Col. Gritz wishes to take exception to this statement, then he shall have to make his own. That foolishness has nothing to do with this nation and reclamation of your Constitution and national freedom and honor.

What is really painful—is that I continually ask that the "E.T. connection" be left ALONE—when the time is proper the teacher will make appearance. In the meanwhile—the SORTING WILL BE DONE, SWIFTLY AND THOROUGHLY.

## SUGGESTED COURSE OF ACTION RE: GB/GOLD

Let it be known that the Green coalition is demanding their funds be returned IN GOLD, yet. Firstly, in only one instance is business even remotely served with an

individual and not a corporation in running order and good standing. Secondly, I believe under ALL CIRCUMSTANCES in a business world, in any nation in the world—including the U.S. specifically—if you go to a bank and demand a loan made in Federal Reserve notes to be returned in pure gold coinage or bullion in exchange—with interest, no brokerage, etc.—I think you would be hard-pressed to collect.

Never, never, was there any profession on the part of ANYONE herein to state that this is a gold, or precious metal, buying, selling business. NEVER! I have even asked ones to not even apply for information if they were under such impression. Gold is purchased with the funds AS COLLATERAL against which working funds can be borrowed. Further, there is full recognition that you can KNOW there is enough gold in place to satisfy the banks (lenders). [*The banks, naturally, insist on this!*] However, the value of gold is calculated every day and full coverage is kept in place to cover those notes. All ones putting any funds to work fully understood what the purpose of using those funds would be—to keep the operations running, the publishing, printing, farming, security projects, proposals finalized, etc. Eventually the Institute will be a massive institute for research and education. Already we are at the point of beginning the most important project of all—Gaiandriana and Aquagaia. [*See next-to-last pages for information on these.*] (Used in conjunction there doesn't really need be anything else as supplement—when the final pieces are put into place.) Now, we dare not even move forward with a salary to keep the researcher going. We are caused to temporarily close down everything utilizing Institute funds to a dead halt until we can sort this thing. With this kind of phone-calling and assault by a member [*George Green*] of the Board and Vice President of this Institute—can you not see the damage?

## DAMAGE CONTROL

Yes, indeed, there is other funding under way—but interim ability to move forward is too dangerous if these ones push the mother entity into shut-down—even for a day because the funds are attended constantly—but the salaries (meagre at best) come from that resource. The volunteers have given about all they can and now they find that one resource, the JOURNALS, are being tied up. Part of the stability of the Institute early on was to be from 50% gross profits from the books. Tehachapi Distributing (until George caused closure of the entity) PROVED that abundance COULD be made from the JOURNALS.

So, the only recourse is to effort to gain

back the property [JOURNALS]. Dharma and E.J. have NEVER taken a cent for any of the writing—in the *LIBERATOR* or the *JOURNALS*. All has been poured back into, with added funds, to keep them going and workers available. The profits were, and will, remain the property of the Institute. This is true of THE WORD, GAIANDRIANA, etc., even to the Chlorella sales—all profits, tiny as they may be, have gone right into the Institute against all funds used for any projects. This is so that if any “project” has lesser profit potential—no individual will lose anything.

The notes always reflect interest but more importantly, substantial gain as gold begins and enters its “rise” time. This is going to happen! Even your dearest dead-beat analysts tell you so.

I would guess, however, that most important to any participants or ones torn right now—KNOW that the Institute as a CORPORATION is in excellent standing and its Board of Directors in full action. We do not PLAY GAMES—we are not a hoola hoop gaggle groupie of some kind. Business is done with integrity and absolutely to the letter of the requirements. Perhaps this is THE SURPRISE to the perpetrators.

Now ones are calling back having been assaulted by Mr. Green again for “spoiling my surprise” by checking out the first calls made. What is going on? I leave that to your discernment and judgment.

Now, as to gold. We are told by these ones working with Mr. Green that “he” told them to require this payment in gold. Strange?!? The ones in point were referred to “gold” being sent back and forth to one now in Colorado—some time back. THAT WAS BECAUSE THAT PERSON HAD BROUGHT GOLD AND ASKED MANAGEMENT OF SAME.

There is another party who has a lot of gold in point. This must be attended immediately. One, G.B., and a recipient of these phone calls from Green—has a lot of gold in reality. **It was accepted by George Green and is still in the possession of George Green.** It was a problem for the Institute to handle gold because the gold “in the Institute’s management” is purchased directly as collateral from an assay-vault metals dealer. A “bucket of gold” is a real problem in this type of transaction and the banks don’t want much to do with it, if anything—and always greatly discount the value or will not accept it at all.

G.B. is now at great unrest for she handed over the gold boxes to George; George stored them at his residence—many ones were privy to the exchange and when the move to Carson City was made, Greens took the gold with them—as several who assisted in the move handled it onto the moving carriers. The Institute, however, noted the inventory and location of same. G.B. now wants her property back. Yes, I

think that a wise request. I would assume that all she needs do is send a copy of her receipt and request to George and ask that it be sent directly to her with full notification of same, checked and signed off, to the Institute.

#### UNIVERSITY OF SCIENCE AND PHILOSOPHY

George is also telling his phone call recipients that “there is no case at US&P” and that there is no injunction, and thus and so—and then sends letters to “prove it” from prior to hearings—thus placing the attorneys in the matter at great jeopardy. There IS INDEED an injunction against NINE volumes. At this point, George is also telling ones that “I know a member of the Board of US&P and...” OH? How interesting! So, the full assault is still being placed squarely on Ekkers who have complied with the Court Order from the start and gave their only copies of the books to the court. Now Green is furious because Tehachapi Distributing, which had full rights to the books and clearly so, sent the inventory first to America West, where the books were refused delivery, and then on to the Federal Court with full supervision by the court and attorneys.

E.J., THIS accusation against Dharma per that original order from US&P regarding “contempt of court” charges MUST BE STOPPED RIGHT NOW! This has gone on long enough and, as George makes more and more contacts, it can only be countered by a legal rebuttal to the charges. Get this done immediately with copies to all parties involved. I would guess that Mr. Tips, having done some work for Mr. Green would not qualify—but in the form of a rebuttal, may. Check it with him and if not, get a disinterested party—even if in “proper” to serve that document of rebuttal—at the least, by certified mail to all parties.

You may well have to counter-charge the US&P for having placed such tight surveillance on so many people and actually “terrorizing” people and then bringing the charge against Tehachapi Distributing in the first place. We had hoped Mr. Green would respond to this, in a timely manner, and resolve the matter as well as release the books purchased by the *LIBERATOR*. The demand for immediate contact and cease and desist request has obviously not been honored as calls are still being made and his coalition is still at confused work. I would hope that the US&P may well have blundered so badly as to consider removal of court action regarding the volumes now banned by Federal Court edict; be that as it may. When all this goes public it is not going to look so good to the students of that falsely labeled “university”. And further, I PROMISE THAT IT WILL BE VERY, VERY PUBLIC. GOD DOES NOT “HIDE

THINGS”—HE PRINTS IT RIGHT OUT IN THE OPEN FOR ALL THE EYES OF THE WORLD TO SEE AND EARS TO HEAR! If your intent is self-aggrandizement and greed—so shall that be seen—IF YOU COME TO DWELL WITHIN MY MISSION ACTIVITIES AND PLACES.

#### FATHER ATON AND COMMANDER HATONN “VOTED OUT”

Am I a “hard” Commander? You had best believe it! Self-serving ego has no place in this mission. We bear the honor of God as our “crest” and so shall it be that integrity and honor shall be present. If ones do not like that or would “vote” it out—so be it for they may go their way in peace.

I note that this Ad Hoc coalition [from *Tehachapi, that was asked, by George Green, to come up and visit last week in Carson City*] wrote a separate letter to E.J. and Dharma stating that they had “collectively decided God does not be here any longer and neither does the Space team”. How nice to have entered the arena of being “voted in” or “voted out”. Not the least of the guideline by which this “vote” was cast was based on one member bringing a “divining rod” to a meeting to see if I was real. Later, when I noted same, he laughed and said, “I didn’t think you saw that!” For this beloved brother, I can tell you what I told him—“I would have been disappointed if you hadn’t checked!” But, to use beloved and blessed persons for such USE is unthinkable and, in my simple opinion, despicable.

However, I do have another observation as I am told “how awful” to cause elderly people (the ones in point above) to be faced with some sort of conspiracy situation. “How terrible of you.” I DO NOTHING—but legally and corporately—those ones who are acting in collusion with Green and Green is telling the world that they are—will be caught in the trap of that action—I CAN ONLY DO THAT WHICH I CAN AND WARN THEM OF SAME AND THAT IT IS ALREADY OUT OF CONTROL AND OUT OF OUR HANDS—WE CAN’T HAVE THE PRIVILEGE WHICH THEY APPARENTLY FEEL DUE THEM—OF VOTING IT IN OR OUT—IT IS!

#### LOVE AND GIVING

Now, these ones (Dharma and E.J.) are belittled by these ones [the *Ad Hoc coalition*] in point as being ungodly for God is loving and giving, forgiving and thus and so.

So, why not just respond to their demand for gold by simply stating that the accusations are “right on”—“this funny ‘energy form’ told them to give it all away so in loving showering of God’s wealth upon the masses—they threw it all away, gave it

away, bought toys and 'stuff', wasted, and vandalized everything they touched. **BUT, 'WE KNEW IT WOULD BE OK—BECAUSE ALL IS LOVE AND GIVING AND WE KNOW THAT NO ONE WILL MIND US SQUANDERING THEIR FUNDS BY OUR OWN IRRESPONSIBILITY.' BY THE WAY—WHAT OF FUNDS PAID FROM THAT INSTITUTE TO ONE L.F. AS PAYMENT OF INDEBTEDNESS AND SERVICES? SHOULD THAT COME FROM HIS OWN INVESTMENT AGAINST WHICH HE NOW DEMANDS GOLD IN FULL—OR FROM ANOTHER'S—SAY NORA'S?? HOW DO YOU FEEL ABOUT THAT, NORA??**

### CLC IN ACTION

The greatest funding (second actually, after America West) has gone to the Constitutional Law Center. And what have you got to show? Well, this week Gene Dixon is back in Washington, D.C. meeting with Judge Bork, Walsh (Special Prosecutor) on the Iran/Bushgate, and military hierarchy regarding the Constitutionality of the "Gays in the Military" issue. This has become THE RESPECTED voice for Constitutional Law—and we have pulled it off with a major portion of the help from a beloved sister in Florida and the gifts of a few of you other ones. One of the "benefactors" to the CLC is one of the ones now demanding his BACK—in GOLD—with interest! Ah, indeed, participants—YOU ARE COVERED ENTIRELY—BUT OH MY—THE SORTING IS INTERESTING AND BECOMES VERY CLEARLY DEFINED.

I also find it amusing that one of the "coalition" who can't understand my tactics and treatment of ones he has had come to visit and "caused to feel 'mistreated' and unwelcome"—has come back within the week asking to participate in planning and structuring resources for Gaiandriana. Does this sound as if God throws his willing workers out on their ear? By the way, for you inquiring minds: **What do you think this unnamed "stuff" Bixby (THE HULK) is taking in his fight for life and is "working miracles" might be?? HO HUMMMM!** Newsperson commented that it must "be a new and powerful drug under research". By any name, a rose is a rose! **Could you only imagine how good that person would feel if he could have ALL of that which GOD has to offer you of his lambs?**

### ANSWER TO PRAYER

I was sent a cartoon which summed it up pretty well: A man was shouting up to Heaven—"Why don't you send us a cure for AIDS, cancer, heart attacks—and thus and so?" Response from heaven: **"I did and you aborted it!"**

So be it, Dharma, take this off. I will effort to mention a few things for the phone line a bit later and at least catch up with a few topical messages. We have to simply go on, writer, for you have not the luxury of spending time licking thine wounds. If a move is imminent—then we need to be a bit ahead in the writing against the possible inability for same. I'm sorry, chela, we have a commitment and we shall simply have to see to it. This event in ongoing misery is but an example of that which has come upon YOU ALL! IT WILL NOT GET BETTER NOR WILL THE COURTS—UNLESS YOU MAKE IT BETTER. BECOMING INFORMED IS FIRST—THEN ACTION CAN BE GIVEN PROPERLY.

### NORA'S RESEARCH CORNER

If there be "Earth" backup for any information regarding that which goes into *Nora's Research Corner*—and is seemingly in lack of "full disclosure" then I suggest it be presented properly—via the same route. The *LIBERATOR* is not intended to be a "seer's" paper but a voice of historical value and unfolding Truth AND a voice for, by and of the people.

I cannot even begin to properly thank Nora for her research. This *Nora's Research Corner* has given more valid information by itself, alone, to the public, than 12 years of public school has given any student. If "full disclosure" of any deeply SECRET society is lacking—all the better for ones to give information if it be validly available. Nora is not in the "higher listening devices" business—she digs out information where and when she finds it. Can another do better? NO. In one or another special areas of information, perhaps insiders or happenstance tid-bits flow—but one bit of subject material does not a *Nora's Research Corner* make. If anyone has information to share—share it—why should I take such preposterous assumptions upon myself as to disallow that very sharing responsibility?? Even if I visit personally with a "person"—no other person will know of that, so to assume that I would tattle or disallow on such a basis is wrong assumption.

We will help all we can in service and capability—we do not turn over our work to them for restructuring or command performances. This is not to object to input in any way whatsoever—only a statement of fact. We welcome input in any way from insult to compliment—but we have a good team and work well underway—not a hap-hazard operation awaiting a helmsman. We have a very good helmsman and assumption of fall into disgrace if YOU don't rearrange something or other—is not practical in the least—and an incorrect assumption at best.

### TO PRINT OR NOT TO PRINT

I also have further notation to make to ones who send poetry and writings which we thank you so much for sharing. We do not choose one above another for honor and if we use your work, please know that we thank you greatly and if we then use another's, this does not mean lack of quality of your own sharing—only effort to disallow what has happened in the past wherein ones come and demand "all" be utilized—even if it be not valid or insulting to our readers.

To some of you whose work we actually even wished to bind and offer to readers in volumes—I believe you can see that those intentions are, now at the least, set on the "hold" shelf until our current problems are passed. Please feel free—if you are waiting for publication simply because you stumbled by our way—go forth with your offers and you will certainly be that much further ahead. When we recover stability we can always utilize your volumes in offering them to the public. This is especially offered to one, Ken Coons, for George Green has met with him and asked to illustrate and publish his work. Most of you readers recognize this friend. I think it an excellent idea to proceed. A publisher is just that—a publisher of books for public consumption by choice. America West has been a very valid and worthy publishing house and to bring worthy subjects forth for the public is indeed an honorable work. This is necessary in conversation for we asked no one to WAIT upon us in this place—we, who are not even publishers. Until this very time America West was our publisher and in any event—we are certainly not at the moment in ANY publishing business. At best, we will be able to offer *JOURNALS* well printed and the *LIBERATOR*. As we again can grow we will also offer distribution of some other volumes by authors whom I respect in their work. This is an expensive outlay for such inventory so we must be patient as this "setback" is cleared.

What I am announcing is that the full team is now required to face restrictions and, in some instances, full close-down as funds will be frozen until full inventory can be evaluated. You must all realize that projects must be stopped until damages are assessed. I cannot speak FOR E.J. and the ones who have handled this massive task for you people—but the tedious and time-consuming task for less than no reward save the service to my people at my request, is not the top of his "happy" agenda. He says he is willing to proceed if there are ones who wish his services but, chelas, there is not anyone else who has this expertise and the routing connections to do this job—perhaps that is what has infuriated Mr. Green to the boiling point.

**HONOR TO E. J.**

I honor E.J. this day because as he has had to watch his life's work and all he could borrow—go into the RTC pockets—he still serves the Institute and gives it stability and security. If you want to recognize integrity—KNOW that at any time these two could have simply taken money from the Institute and BOUGHT THE HOUSE IN POINT—having earned the sums ten times over. What they have done, however, is borrow against that very house and, instead of holding the sums—put it into the Institute and used it for our work. I remind you—sometimes you have to lose it all to win—and you have to be willing to GIVE IT ALL—to gain the return. God's delays are not God's denials! We will simply keep on keeping on and watch as opportunity for action knocks upon the minds!

## A Little Gift From Clint

**2/11/93 #1 HATONN**

### THE REAL TREASURES!

As life offers up its discipline—look unto that which is thine gift. Let me share, Dharma, just a simple thought from "old" Clint:

### NO GREATER KING THAN I

*While my throne be tree studded ground,  
No greater king than I.  
O'er my head star studded ground,  
No other than the sky.*

*It seems I hear the distance,  
Going out to play.  
And smell sweet nature's essence,  
Of mouldy leaf and clay.*

*While here I be, yet not alone,  
For the breeze be my musician.  
To a melody that insects drone,  
While bullfrogs play politician.*

*So brave the tree that stands its ground,  
As proud as any soldier.  
Yet one newsy limb keeps bowing down,  
Like she's reading o'er my shoulder.*

*I beg of you with sadness,  
Your heart in such a jam.  
Come fill your heart with gladness,*

*There's plenty where I am.*

*As butterfly keeps drifting by,  
All dressed in black and yellow.  
Son of a gun she winked her eye,  
Like she's flirtin' with her fellow.*

*And leafy fern, what's on your mind,  
Attracting my attention.  
Well OK honey I'll write a line,  
And surely give you mention.*

*If I'm still here when night begins,  
Until the coming of the dawn.  
Thank God, I'm in love again,  
With yonder little fawn.*

*With wandering eye I've studied this,  
And made a thorough search.  
I cannot find one thing amiss,  
For even here, there's church.*

*I will, I will, I swear I will.  
I'll share this if you'll but try.  
You need not bring one dollar bill,  
There's nothing here to buy.*

*And need you now to even guess.*

*For surely you can see.*

*This whole world is so greatly blessed,  
As happiness and contentment, encircle  
you and me.*

Even if you don't want his little volumes—please, if you appreciate his thoughts, tell him so. Those words of love from you ones have sustained this crew in this place and it is those things from the heart—shared—which provide "The Throne" in this wondrous Kingdom. The beautiful cards sent here are now being collected and will be "framed" in groups for they are works of art and represent the love which flows and yet, cannot seem to be held as the card is bundled in a basket. Each expression and each photograph thereon bears the thoughts and perceptions, dreams and art-form of the maker and the giver—each is treasured, each note and gift cherished. It ultimately will be these things of REAL VALUE which shall bind our people and our nation—unto God in truth, in love and in understanding of that which IS.

Salu.

Old Dad to stand-by.

### R.F.K. MUST DIE! PART II OF A SERIES ON ROBOTIDS

(Editor's note: Throughout Nora's writing this week mention is made of Sirhan's notebook diary pages. Rather than put the four example notebook pages at the end of Nora's article, we are flowing them in with the text to make better use of the available LIBERATOR page space. We have also enlarged the notebook pages a bit for easier study. The indications of mind control are "written" all over these pages!)

Book Review: **R.F.K. MUST DIE!**

by Robert Blair Kaiser.

*A History of the Robert Kennedy Assassination and Its Aftermath.*

E.P. Dutton & Co., New York, 1970.

Because Commander Hatonn mentioned the repetitive writing done by Sirhan (the person charged and convicted of Robert F. Kennedy's assassination), and indicated this trait was a clue to the actions of robotoids, I picked up this book to see what I could see. The dust cover on the book has an example from Sirhan's diary of the written phrase, "R.F.K. Must Die", re-

peated many times.

The author, Robert Blair Kaiser, was a reporter who "wrangled his way inside the case", a former "student of the Jesuits." In fact, he (and the defense attorney) sold himself to the prosecution (the case of Sirhan vs. the people) as an "investigator for the defense". This allowed him access to Sirhan. The purpose given in the book was to provide a means to pay the expert attorneys. Sirhan did not trust court-appointed attorneys and had no funds to pay for his defense. They, with Sirhan, signed a contract to use part of the proceeds from the sale of the book for Sirhan's defense costs.

A very big problem (as I see it) with Kaiser being represented as an "investigator for the defense" is there were no other investigators for the defense! At least none mentioned in the book. The Los Angeles police department appeared to set up an elaborate investigation. Kaiser mentions being allowed to see the control room of the operations with maps, charts, etc. However, as far as any police reports being made available which might have cleared up any questions or loose ends, Kaiser does not review that side of the case. Kaiser's own "investigations" were for the

people for the jury. In my own reviewing of the jury it is clear that none of them appear to be persons interested in history, the Palestinian problem, or knowledgeable about mental health problems. The jury may have been a "conglomerate", but not one to have any insight or particular interest in people and the greater world outside their immediate lives. Several had some interest in politics.

Sirhan was not an easy person to interview or examine; there were obvious problems. A Dr. Bernard Diamond from Berkeley, California came up with some very interesting things in his work with Sirhan.

Dr. Diamond hypnotized Sirhan several times. Sirhan did not respond to questions under hypnosis. Diamond was trying to

get him to remember about the writings he did (like "R.F.K. Must Die") and the events leading up to and during the assassination of Robert Kennedy. Sirhan was mum. Diamond believed Sirhan had a "blocking" of some kind.

Almost by chance Diamond learned of Sirhan's proneness to follow post-hypnotic suggestions. While Sirhan was under hypnosis Dr. Diamond told him he would be asking him some questions when he woke up and he wanted Sirhan to write the answers down in a notebook for him. Under post-hypnotic suggestion, when Diamond asked Sirhan a question, Sirhan would write the answer, and continue to write the answer even after he had run off the side of the page with the writing! It was

the same kind of writing as that in his own notebook (seized by the District Attorney's Office without a warrant and becoming a prime part of the prosecution's case). Sirhan could not explain why he did the writing in his notebook or why he wrote for Dr. Diamond. It was Dr. Diamond's conclusion that Sirhan was under the effects of some kind of **mind control!** Dr. Diamond made an excellent presentation of this at the trial.

Following is a list of prominent psychiatrists in the case:

**Emile Zola Berman:** well known and from New York, brought in to make the psychiatric approach acceptable to the jury, but failing miserably in performance.

**Bernard L. Diamond:** a well known and well respected psychiatrist from Berkeley who, I felt, did an expert job but whose testimony was allowed to be belittled and disregarded due to the lack of support from the other psychiatrists.

**Seymore Pollock:** a psychiatrist for the prosecution who didn't understand or believe in the State's Laws regarding diminished capacity due to mental illness.

**Eric Marcus:** one that Sirhan did not trust and would not cooperate with.

**Martin Schorr:** one with many credentials, but whose otherwise supportive report was totally eclipsed by his use of another psychiatrist's work without giving that psychiatrist credit. Schorr's own integrity came into question and his report on Sirhan's mental capacity was discounted.

With the jury they had, and with the poor case presented by the defense attorney, it was very easy for the prosecution to sweep all psychiatric considerations aside. Their uncomplicated case was: The Senator had been killed by a politically motivated assassin. Period. The jury's verdict was murder in the first degree!

**SOME GROSS OMISSIONS IN THE CASE:**

1. Sirhan was not given a blood test for alcohol or drugs at all! Eight hours after he was taken into custody he was examined but there was no blood test! Several witnesses had described Sirhan as having "incredibly peaceful eyes" at the time he was caught, immediately after the killing.

2. Two persons, who were witnesses to seeing "a girl in a polkadot dress" with Sirhan, were given lie detector tests by a Hank Hernandez. After a hassle with Hernandez they withdrew their testimony.

A thorough review of that book supports the idea of a conspiracy involving several "others", plus the "professional" use of mind control techniques. The notebook, in my opinion, may indeed represent "practice runs" with Sirhan under the mind controlling operative and conspirator.

There is another aspect to the production of "robotoids" which I have not mentioned yet, and which may have played a part in the case of Sirhan. That is the implantation of an electronic microchip in the subject — a microchip that can be used as a receiver of and trigger for messages to induce Sirhan into certain actions foreign to his usual nature.

Hatonn has said that our military people have received these microchips through vaccination injections. He also indicated that certain directed frequencies, like broadcast radio signals, were pumped out to influence people in, say, the L.A. riots.

Also, other persons, especially those the "Elite" want to manipulate or control, have received microchips for just such manipulations. Although the technique of various-frequency electromagnetic bombardment can be used without implantation, a general bombardment affects a large region. The microchip allows for more "individualized" attention.

Commander Hatonn has said that the influences from such bombardments can often be mentally overridden by the person *if they understand what is happening* to them. It is a matter of taking charge of one's own emotions, thoughts and actions.

I bring the above to your attention because in this book, *R.F.K. Must Die!*, there is a record of Sirhan having had "pins stuck in him" at a meeting of the Rosicrucians in San Jose. Also, it appears to me, from reading his notebook, that Sirhan was trying to override some very dangerous thoughts! In fact, as the book shows, Sirhan's natural inclinations were to protect people (i.e., the Palestinians, the two girls and his "friend" Rathke)! Further, it appears that drugs played a role, as you can plainly discern from the notebook.

I will end this by just reminding you that the subject of Robotoids has been covered extensively in various of the PHOENIX JOURNALS. [See back page for ordering information.] Also, Hatonn has indicated that the Jesuits have played a strong role in our world problems, and the author of this book was trained by the Jesuits. Another source for more information on this subject is: The Omni Book Club, P.O. Box 900566, Palmdale, CA, 93590-0566.

## Tapes, Transcriptions & Videos

In addition to audio tapes of meetings with Commander Hatonn and written transcriptions of some taped topics, *THE WORD* also offers other tapes and videos on selected topics.

Donations to cover the costs of tapes are \$4.00 for one tape, \$6.00 for two tapes and \$2.50 per tape for three or more, except where otherwise noted. The transcriptions are \$3.00 each. (Mexico or Canada add \$0.25 and other foreign countries add \$0.50 per tape or transcription.) Postage is included in tape and transcription prices.

Please send check or money order to: *THE WORD*, P.O. Box 6194, Tehachapi, CA 93582 or call 805-822-4176 if you have questions or you wish to use your Visa, Discover or Master Card.

If you desire to *automatically* receive tapes from future meetings, please send at least a \$50 donation from which tape costs will be deducted. We will try to notify you as your balance reaches zero.

*Special Order* tapes are noted below by \* and are not automatically sent since this material is usually either already in print or will be soon. Available written transcriptions are noted by #.

The following is a complete list of meeting dates with the number of tapes in **bold** in parentheses and mentioning if the meeting has a special focus:

# A Very Busy Time On This Battlefield Planet Earth

2/12/93 SOLTEC

Good evening, Soltec present in the Radiant Light of the Holy God of Creation. This has been a tiring week for the many who labor continually in the mission of putting forth **THE TRUTH** unto your world. As your adversaries find themselves losing ground, they will begin to throw all the "dirty punches" they can. Theirs is not a battle of integrity—their only goal is to be the winner. Their concern is not how the game is played, rather, who wins or loses. It is the philosophy by which all things are done on your world today and it matters little as to who is destroyed in the process of winning.

The corporations of your world suck the very life from their employees, taking all that they can from the individual and then dumping them on the heap of dying humanity, all in the name of the almighty dollar. And, as the dollars grow ever more scarce, you can look forward to even more of this practice. By the time a young executive reaches the age of forty years, he is completely used up by the corporation and has outlived his usefulness in their eyes. He is fired, losing all financial security falsely placed in career, and another young executive moves in to take his place. What happens to the other? He becomes yet another statistic for your Elite to use against you ones in order to convince you that only "they" can take care of you properly.

It is a sad state of affairs, indeed, that your world is in, and even sadder at the lack of value that is placed upon the human being. There are so many of you out of jobs that you have become an overabundant commodity to be traded back and forth like so many head of cattle. No, it is no exaggeration, for it is exactly how you, as the human being, are considered. The employee has become a liability rather than an asset and all these new Executive Orders and laws to supposedly protect you are only going to work against you in the future.

So, you now have ability to have twelve weeks leave for family reasons—so what! How many of you could afford to be without income for twelve weeks? How many businesses can afford to do without an employee for those twelve weeks, considering that most of your businesses have trimmed staff in order to just stay above the water? **Who are those that will benefit from this? Only**

**those of the Elite family, that's who!** You-The-People will only stand to suffer even greater from all these wonderful programs that are being shoved down your throats.

You should, by now, understand fully that what is given to you in one hand will equally be taken from the other hand. There is nothing free in your world, and to believe so is nothing short of plain foolishness. You are being led down the rosy path only to have it end in a bed of thorns and it is time for all to awaken from their Rip Van Winkle sleepiness. While you ones have been sleeping and searching for the elusive pot of gold at the end of the rainbow, the enemy has been hard at work cleaning you out of all that you worked to acquire. The "golden rule" by which they live is: "He who has the gold, rules."

Those that are now in power are more dangerous than **any** you have dealt with in the past, as they are able to deceive even those who know because they do so with such displays of emotion that it tugs at the heart. **DO NOT BE DECEIVED. THOSE EMOTIONS ARE BUT FOR THE APPEARANCE.** They are **programmed** for this display, as you are being **programmed** to become "more sensitive". It is but a ploy to weaken you ones yet further, as many are still "uncontrollable".

This is a time in which you must be very careful and, above all, **USE DISCERNMENT.** Without this, even many who have begun the path toward the Light are apt to fall into the trap of this deceit. It is, as Commander Hatonn has stated, a time of sorting—a time of separating the wheat from the chaff.

Chelas, you are nearing time of graduation and these things are all part of final examinations which must be taken before graduation from this expression takes place. It is more important than ever before that you review all your lessons and recall the teaching that has been given forth unto you. The enemy is struggling to maintain ground and is fighting with renewed force in new arenas because their control is rapidly slipping away.

Though ones are weary and nearly exhausted from the fight, this mission will continue, and those who are ready to give it up shall rely not on their own strengths, rather, on the strength of Holy God. Your weapons are not those of gun or sword or bayonet—your weapons are the Truth and the Light of God, and these weapons shall

sustain you even though all about you may look dark and hopeless. **WITH GOD THERE IS ALWAYS HOPE! WITH GOD THERE IS LIGHT! WITH GOD THERE SHALL BE VICTORY IN THIS BATTLE!**

Now on to Earth Changes. Where to begin? The volcano in the Philippines is continuing to spew out ash and deadly gases; California is shaking; Japan is shaking; Washington state is shaking! Not enough? Well, to add to the list, you can look toward not only Mt. Mayon in the Philippines to continue its eruptions, but you can look to other volcanoes in this same region to begin with eruptions **very soon**, and you can look forward to several volcanoes in Japan to act up as well.

Meanwhile, the Pacific Northwest is rapidly approaching a critical state as the thought-to-be-dormant volcanoes are rumbling deep within the Earth. Pressure continues to build beneath these magnificent mountains as the Juan De Fuca Plate presses and squeezes into the nearby underground magma chambers. To this growing list, you can add the volcanoes in Alaska, South America and the Hawaiian Islands.

The Pacific Plate has entered a new geologic cycle and much of what is experienced is due to this cycle of activity. As happens with all things which are cyclic, activity will continue to increase until it reaches its apex and then it shall begin to subside once again. This area of your world is geologically very young and has much life so it is only to be expected that it would show signs of continual activity. This is why so much attention is given to this place for, as I have stated in previous writings, the Elite are using the already natural activity to their advantage in order to throw the world into a state of catastrophe so that destruction or control over you ones is assured.

Many on your planet have, of late, begun "predicting" Earth changes. Though this has been going on for many years, with others, the renewed predictions deserve at least some consideration. For you see, many are seeing the exact same events on the horizon, in the same time frame. We are not advocating dependency upon so-called psychics, but there are some who are very accurate and of good intent. These ones are all seeing major Earth changes occurring within the next three to five years, with activity picking up tremendously in this year.

Several are seeing major earthquakes in California before May 9th of **THIS** year, at least one of which is **in excess of 8.5** by your scales.

Is this a possibility? Absolutely! Those of you who live in this place can attest to the fact that the shaking is almost continual. Is this normal? Absolutely not! There is so much damage below the surface and so much being targeted from above that the Earth just cannot hold on for very much longer. There is a point at which pressures will reach "critical mass", so to speak, and at that point the chain reaction will begin and there will be no stopping it. Yes, it is a very busy time on your planet, and it is equally a busy time for those of us who have the continual job of monitoring these events.

Many of the events that are occurring in California are directly caused by the activity that is heating up below ground level in the underground facilities. It is critical to their time frame that these facilities are completed and fully functional in very short order. There are many, many things afoot that you ones are unaware of and, at this point in time, it is best to keep it that way. Just know that the Elite are working overtime and in many places.

You also have new satellites in orbit that have even greater capabilities than those of the previous generation. The accuracy with which they are able to target is so precise that they now have ability to strike within mere inches, and it is, as your military would refer to it, "surgical" operations. In other words, you may be standing next to someone who is hit directly and you would experience nothing. The machinery of destruction on your world is unparalleled.

Stop work on the space platform? Don't you believe it for one moment. This is merely to quiet you ones who are demanding the government cut spending. This space platform, though not fully completed, has been operational for several years, and the refinements and work continue. (There are some of us who have a bird's-eye view!)

Oh, Chelas, we wish that we could come to you ones and tell you that it is all over and that the battle has been won. It has not, unfortunately, and it is our position to bring you the Truth of things, regardless of how unpleasant it may be.

And, speaking of unpleasantness, I shall add one more bit of information to your list. Let us address the situation of water—not just that which you drink, but that which is being used to water such places as golf courses and parks. Much of this water comes from your sewage treatment plants—you call it effluent. This water is not considered potable, but your government has determined that it is suitable for such things as sprinkling of golf courses and parks, etc. This water is from your sewer systems, brought back to wastewater treatment plants, treated with certain chemicals and micro-bacteria, and then is pumped out for use in watering.

The solid material of wastewater settles to the bottom of these treatment plants and is being used in some places as fertilizer on farms.

The problem with this practice is this: What happens to all the blood and bodily fluids from hospitals, mortuaries, slaughtering houses, etc.? It should come as no surprise to you that it is poured down the drains and goes into the public sewer systems. Are you beginning to get the picture? All the viruses, bacteria and poisons are being recycled back into your environment in one form or another. Chelas, the hepatitis virus is a very hearty little fellow and is not destroyed during the treatment process of the sewage. It is recycled back into your environment by way of watering of golf courses and as farm fertilizers. Is it any wonder that hepatitis infections are on the increase? Also, know that 90% of water used for human consumption is never tested for these viruses. It is interesting, however, that one of the places which tests for such and treats the water with ozone (which is effective in killing viruses) is the state prison in my scribe's state!

Your new President is pressing headlong into mandatory immunizations for all children. Oh, precious ones, this is most dastardly for these children have no say in the matter. You know not that which is being injected into these little ones, and it is a crime against Creation! These little immune systems are being destroyed before they even have a chance to develop.

What new diseases will be developed in this experiment? **This insanity far outweighs any of the acts that were performed in Nazi Germany. Your Elite make Hitler look like a Sunday School Teacher!**

As an aside note, today, three of the four KC-135 military cargo planes assigned near this location took off, fully loaded. To some this would mean little, but to someone who has spent a lot of time around the military, it is indication that some sort of alert status was initiated. What were they carrying, and where were they going? Just know that from this southwestern location, their heading was northwest.

Let us draw this writing to a close. There is enough here to cause many to think and search out some answers; and that is part of the lessons which you ones must go through at this time. Our job is to help bring you to a point that you ones find these things out for selves—it is known as taking responsibility. The facts are difficult to find and it is often difficult to sort **TRUTH** from lies, but this too is part of the lessons which you ones are learning.

We of the Host thank all of those who have "stayed the course" in these difficult times and can only tell you that it must be done, and done by you. No one else can do it for you—not God—not the Host—only you. I leave you with the blessings and the Light of Holy God of Creation. Know that you are a spark of that Light and therefore quite able. We hold you in total God Love.

Soltec to standby. Salu.

## Matters Of Life & Health While Being Under Attack

**1/12/93 #1 HATONN**

**LET US ALWAYS "PASS  
THE WORD"**

When we have opportunity to share those things which might well impact the very events of history if only they are attended, we must do so. I realize, Dharma, that you would rather get "on with your work" but, friend, what IS your work—is THIS not your work?

There are two important documents in front of you and YOU have no way to evaluate importance or urgency. You can question the input of "another", you can query me and yet, is it not suitable that you simply share as brought to you—for your "opinion" is not asked—only that a message be shared and forwarded. Is this not exactly what "tips" are—to any paper of quality? You must not allow anything being said around you to impact our own

communications. The two things in point are at the least, interesting and at the most, incredibly important. Only the intended receivers can evaluate the considerations offered. Both have great impact as regards Col. James Gritz.

On Feb. 1 a call for the Editor came to the *LIBERATOR* office. It was only attention-getting because of WHO it was calling. We do not have "groups" here and we effort to never deny hearing to anyone—especially as rebuttal to anything we may have printed. This person is John Bangerter. Now this will not mean much to readers—until I tell you that this person, Bangerter, is from a place called Washington, Utah. Still no lightbulbs? How about when I tell you he was in Idaho at the Randy Weaver ordeal and is a "skinhead"? Well, a step further—he was THE skinhead that Bo Gritz saluted with his infamous Front Page salute!

He simply wanted to correct a state-

ment we had copied from another article which said the skinheads were sent in and were being set up as "tools" for trouble. He didn't seem to argue the point except that he wanted us to know that it wasn't the "FBI" behind it. I guess we will have to leave you with not knowing who, if not....etc.

At any rate, he was asked to write a letter because he had a lot of things to say and he said he would be happy to do so and did, in fact, even leave his phone number.

He wanted to express to readers that the "instructions" for Randy Weaver's trial are, "keep a low-key profile," that Randy wasn't a Supremist or Racist but more correctly "a racist to some degree".

He also said that he was in the hotel with Bo while Bo was in Idaho, but did not elaborate on that. He wanted to share some other information regarding Bo and Randy but our Office Manager asked him not to do so for the phones are tapped and the incoming calls suddenly had increased greatly. His inference was that there were some critical things "coming down" and there was a "feeling" from our person—on this end of the line—that there might well be implications in this statement impacting Col. Gritz.

I have nothing to add to this and we still have not received the letter, so will leave it at that.

This would not be even mentioned except for several other things happening and other information flowing in regarding the "George Green" matter and what he is telling the people, whom he is calling, about his attachment and close relationship with Col. Gritz. The fact is that Bangerter **thought** the "Editor" was George Green as he had been told so.

NOW TO MORE "ELUSIVE"  
RESOURCE—BUT FAR  
MORE IMPORTANT

We have had several calls from anonymous callers who are also "receivers" and the calls are warnings as to George's and Desiree's safety. We are told that somehow George's "plans" had been disrupted as regards the "Tehachapi" area but that George was somehow being set up by his (he thinks) friends—possibly with the IRS. I also have no comment as to that information but it introduces the next and, so far, accurate information receiver. Even George has met with this person in order to try to publish her work. This person our readers will recognize as DEJ and she most often writes on the challenging deciphering quatrains of Nostradamus. I am simply asking that her information be printed as is, without my input and then send, please, a fax copy to Col. Gritz and to America West.

We have not heard from this person for a while due to lack of ability to get our work studied with all the strange weather mess

left to ones in that area—to clean up after the storm itself passed. So, we will start at the second paragraph and, Dharma, simply print it as is:

QUOTE

*PLEASE, Sir (Commander), warn James Gritz that he must be very, very careful with this Spike group. I should have written you months ago I know, when I "saw" it happening, but to read of James setting himself up for them to move in just as they will, needs this to be printed, (I leave that up to you, Sir.) They are planning on making James Gritz into a cross between Jim Jones and a Mormon Maniac (their words); complete with weapons, illegal firepower and then they will squash him and his beneath their bootheels. THIS INCLUDES THE "FRIENDS" CLOSE TO HIM WHO WILL AND ARE IN ON IT. There are two of them, Colonel Gritz, both males. As soon as he reads this, or is made aware of it, he will know exactly who they are. And yes, Colonel, your sudden suspicions are very, very well grounded in reality.*

*George, Desiree, you both are next on the agenda for what they believe will be a "Domino Effect". Please, just carefully consider what you are about to do and know, that it is the most grave mistake which you will both regret. And regret for the rest of your lives.*

**[H: Is it that bad really? Yes it is, friends, if things don't swing around very quickly now it is headed for "darkville". Also, please remember that when messages are given and the vision of reality has to be received—it is not an easy nor funny thing to witness before the fact. I thank DJ for sharing with me and trusting me enough to follow through for a "receiver" doesn't always know where to go and what to do with such information coming out of the blue and demanding hearing, especially when addresses and contacts are difficult, much less, hard to believe. I am a bit humbled to have her believe that either Green or Gritz will actually hear either of us.]**

*And, Moses, Rosah, just for the record: NO ONE DESERVES TO LIVE IN DARKNESS. Do you dare to believe that the Father loves Hannibal, Manson, Hitler any less or more than any of the rest of us? STICK THAT IN YOUR HAT BANDS AND THINK ON IT! ...For HE does; this, my friends, is what is called unconditional love. When you plant apple seeds you get apple trees; peach pits, peach trees; and when God Plants seeds, HE gets godlings. Another toughie to wrestle with I know. (Me, chosen, Heavenly Bouncer? Hey, I have viewed Heaven and live in Hell...so...I can only try, Sir.)*

**Post Script: No it does not have to be that way, but so very tragically for**

**us, it IS going to be that way.**

Signed: DJ

END QUOTE

\*\*\*

I have a bit of a response to DJ: We each do that which we can to the best of the abilities allowed us and, then, there is no more for each shall hear and act upon information as he sees fit. **I do have a message to you and to these readers—I am still holding the last few quatrains sent to this location, some months past, and I know you await their printing. I could see that readers were not ready, precious, and I still must carefully consider if they are yet ready to hold TRUTH through this horrendous period of "sorting" and "choice making". It is the time when man shall meld with God and Hosts OR place himself in separation—at this time of choosing—most likely FOREVER. Thank you for your communique and KNOW that you have done that which was necessary and, I understand, against all your wishes, for it is most often the "messenger" who is stomped in the process of bearing truth.**

DJ, since you are tuned in, I want you to read the following with your background in medicine uppermost. I also ask that you are sent some Gaiandriana and Aquagaia. YOU need it, princess. The past experiences didn't do your longevity expectations much good and you have a son to rear and attend. Get on it, stay on it and let's hear some good news! Stay in touch, please, for it is a hard time and you need the "watch-over"—no man is an "island" on that planet. You ones of our team have it most despicably hard—but we are here to attend you—but YOU have to follow through for it won't "just fall all over you like a good case of instant transfer".

Next we'll just share a couple of articles sent from the News in Stuart, Fla.: 12/27/92 or 1/2/93 (dateline lost).

QUOTING:

**BAN ON BLOOD DONATIONS BY GULF VETERANS LIFTED**

**New York Times News Service:**

The American Association of Blood Banks and the Department of Defense have lifted the ban on blood donations by military personnel who served in the Persian Gulf War.

Civilian and military blood banks were advised this week to allow the 500,000 members of the armed forces affected by the ban to donate blood beginning Friday.

The ban was imposed Nov. 12, 1991, as a precaution against the transmission of

**the disease leishmaniasis.**

The disease is caused by a parasite common to Saudi Arabia, Kuwait and other areas of the Middle East and can be transmitted through the blood.

In the 13-1/2 months that the ban was in effect, however, the American Association of Blood Banks did not find any cases of the disease.

Leishmaniasis, most commonly transmitted **through the bite of a sand fly**, usually causes only skin lesions. Of the 17 military personnel who returned from the war with the disease, 11 had internal symptoms as well.

These unusual cases caused concern about the very rare but possible risk of the transmission of the disease through blood transfusion.

The blood banks' association said that a personal-health questionnaire that potential donors are routinely required to fill out pin-pointed symptoms and risk factors of leishmaniasis.

A donor who appears to be at risk of getting the disease will be referred for medical evaluation and will be indefinitely barred from donating blood.

END QUOTING.

So, now let's try January 29, 1993—**same paper, Stuart, Florida:**

QUOTING:

**SUDAN DENIES PARASITE  
HAS KILLED THOUSANDS**

KHARTOUM, Sudan (AP)—A health official Thursday denied a U.N. report that a fly-borne parasite has killed tens of thousands of people in the past two years.

Sadeq Mahjoub, director of preventive medicine at the Ministry of Health, told the official Sudan News Agency that health officials throughout the country knew nothing about an epidemic. But—

The World Health Organization said Tuesday that **40,000 people have been killed by the parasite and up to 400,000 are at risk in southern Sudan.**

**The agency described the outbreak of the infection, borne by sand flies, as "ONE OF THE LARGEST EPIDEMICS OF THE DEADLY DISEASE IN RECORDED HISTORY."**

**THE PARASITE, ONE OF THE LEISHMANIA GENUS, CAUSES FEVER, WEIGHT LOSS, ANEMIA AND ENLARGEMENT OF THE SPLEEN. VICTIMS TYPICALLY DIE OF COMPLICATIONS.**

END QUOTING.

Anybody feel a tad sick yet?? What ever do you think the World Health Organization is up to? Sound like a rerun of AIDS?

How about just a "little" bit of Anthrax? And you think you only have 17 persons returned from that Gulf War with this "little" malfunction? Come, come, silly TV viewers, THIS DOES NOT GO AWAY! IT IS FATAL AFTER A VERY DEBILITATING WASTING AWAY AND TOTAL FINAL FAILURE OF THE NERVOUS SYSTEM TO FUNCTION.

I think the correlation between this and the information DJ shared with us some time back regarding "Plague" (Bubonic, etc.) will offer a bit of confirmation to any doubters. You are going to find that this will also end up being some "elusive" form of "something similar to HIV" and yap, yap, yap. How are you going to practice "safe breathing", chelas? How are you going to evade the "blood suckers" when they are ALL infection bearers? How are you going to survive these onslaughts one after another? (And *who* is covering for the deliberate infection of your soldiers with this cute little story?—for Sudan says they don't know anything about this terrible epidemic????) Who is blaming whom—again? Well, the good old WHO is right there again, eh what? I suggest you get something into your system which might help that Immune System [see next-to-last pages] or you aren't going to survive—your survival is NOT in the Elite PLAN.

Dharma, take this off the machine. It is

important that these messages be sent; then, I release you to other tasks. For any who may not yet know, the Ekkers' home and property were yesterday turned over by the Court for possession by the Resolution Trust Corporation. Now the RTC is efforting to ban them from all litigation with any parties involved PRIOR to RTC intervention. **THIS HAPPENS TO BE AGAINST THE CHARTER OF THE RTC AND MAKES THEM LIABLE, AS THE CHARTER STATES THAT THE RTC, IN ALL INSTANCES OF "POSSIBLE" ILLEGALITIES OR SUSPICION OF FRAUD IN ANY TRANSACTION, MUST INVESTIGATE AND REPORT SUSPECTED PARTIES TO SUCH ACTIONS.** To try to cause the Ekkers to dismiss and disallow any litigation against the criminals involved in this episode would seem quite appropriately WRONG. The Ekkers certainly do wish George Green was right in his latest stories that there is no litigation ongoing in this matter. Maybe he knew the results? And, NO, the battle is only just joined—quitting is not among our words or actions. Thank you for bearing with us, readers, through this time of full-blast attack from inside as well as from without. God is pretty substantial, however, and I only want to leave you with a reminder of same.

Salu,

Hatonn to move to stand-by.

## Some Important Clarifications On Gaiandriana And Aquagaia

*(Editor's note: The following comments from Commander Hatonn refer to the two most important of the new products presented on the next-to-last pages of the paper. For those of you who may be trying to get a grasp of the technical aspects of these products, but solely within the current "house of understanding" of "normal" science, it is going to be quite a difficult stretch.)*

**2/13/93 #1 HATONN**

**FIRST, SOME ANSWERS  
AND COMMENTS**

I have been asked to comment on Gaiandriana vs. chondriana. Perhaps let us reprint the "note" taken from a phone call to Claudia regarding "confusion" on the products in point:

*M.L. called. He came up on Saturday 2/6/93 and arrived after our meeting, around 4:00. Jack was here and talked to him about "Life Crystals" & "Gaiandriana". He was confused so on*

*Monday he called Dr. Merkl. I think he thought Dr. Merkl was connected to the new product. Dr. Merkl assured him "Chondriana" couldn't be marketed in the U.S.A. M. was more confused and called wanting me to ask Commander to straighten out the confusion.*

*I told him he obviously hadn't been reading his LIBERATOR as it was related in several places and all the clues were presented to clear up his confusion. I told him if he still wanted to ask a question, to submit it in writing. He then asked for Jack's phone number wherefrom he can order the product.*

\* \* \*

I appreciate the opportunity to clear up some very important points. Dr. Merkl presents the "Life Crystal" which, he says, is devoid of chondriana in any event. I won't comment on that for I have no interest in that product. Whatever Dr. Merkl offers is worthy of note, obviously, or we would not have offered it for your use. It is also noted that we offered

it at reduced cost—below even what Dr. Merkl sells his own product for of late. His product offers an excellent “base” for the growth of little chondriana. In fact, if added to the solution of both Gaiandriana AND Aquagaia, you can enhance the food supply, thus multiplying the little friends. HOWEVER, we do not deal in anything called chondriana. If we refer to same, it is because there is a genetic organism known as chondriana which is the most similar entity as recognized in your research community. What we have is “gaiandriana” which is similar but not the same as chondriana and “aquagaia” which is “mitochondria”. The base formulae for both is NOT the same as is Dr. Merkl’s (in the first place) and you are not getting the full story from Merkl (in the second).

Injectable chondriana cannot be marketed in the U.S. If obtained, it has to be brought in from outside the U.S.

Now, let us get on with the REAL problem. George Green has a massive blight campaign going on, as you know, and we will again speak of that in a minute. However, what he is telling all inquirers is that Gaiandriana and Aquagaia are nothing but WATER. Now, chelas, God may be a bit foolish at times as deals with human counterparts—BUT, not that foolish! Come now. The hard part for Mr. Green is that his plan for capture of all assets and property of the JOURNALS to the PHOENIX INSTITUTE has fallen into total disarray which is precipitating into total bedlam in his circle as the misrepresentations come into focus.

I specifically REQUIRED that the parties involved in the development of the product NOT even speak of this developing research or we would simply not bring the product to availability. It was already obvious that Mr. Green, through America West, had great and wondrously wealth-making schemes afoot—ALL UTILIZING OUR HARD-EARNED ASSETS AND PROPERTY. We have done NOTHING but show appreciation for the contributions of both George and Desiree but he continues to shoot himself in both feet. I cannot control what he does for it is not of my business. However, to send his “probes” into our business, which is totally non-entwined with his “operations”, is not acceptable.

Our full wish is that ones who draw away and go about their own endeavors, fare well. But there is gross misrepresentation going on and the parties guilty of that misrepresentation will be the ones caught in their own traps. I do not make the “Universal Laws”, I simply abide by them.

I suggest that you ones not be fooled

in either direction regarding the products which are offered from this location. This is NOT Dr. Merkl’s product nor is it some kind of new “Willard Water”. Those products have their use, I suppose, and even with the introduction of Gaiandriana, still have valid placement—I don’t have interest in either. I believe, however, that you can now see why I hold the formulas in privacy with only the researchers having the technical data (which they DO HAVE—you can check with Dr. Young on same).

I am happy to clear confusion but when ones are tampering around here and there and checking with the opposition as perceived by Mr. Green—I suggest YOU look at the situation. If you want information about Gaiandriana—WOULD YOU NOT COME TO THE SOURCE—AND NOT TO THE MAKER OF SOME TOTALLY DIFFERENT PRODUCT???? CONSIDER ACTIONS AND JUDGE. CONSIDER THE “MAN” AND “DISCERN”.

I respect Dr. Merkl greatly. He has developed some polymers which could clean up your entire atmosphere from pollutants from exhaust material—be it automobiles or factory smoke-stacks. Because I recognize and respect greatly Dr. Merkl, I suggested his product in the interim until Gaiandriana could be given to you because it was allowed in the U.S. and could build a base for perfection of cellular structuring. His product is now \$100 per bottle and—even if it were in its perfect form—that limits the people who can utilize it. It continues to grow in cost even as demand would usually bring down the pricing structure. This is not suitable behavior for this is a product of “off shore” intelligence. No man can simply “give it away” because of the costs involved in production and handling. However, it could certainly be more available than at costs of ones who take too much in return. Again, regardless of how I would like to word an action—in your language, the only word available is “greed”. This is WHY we did not offer the gaiandriana to come forth through Dr. Merkl. We even offered to build him a facility for perfection of the product—right here. He declined for he wanted it all. I do not, however, have any disagreement with Dr. Merkl in any way whatsoever. I doubt Dr. Merkl would even claim to recognize me. So be it—I like it that way for in the ending the reality of presence is so much more qualifying and validating after popular public denial. Ponder it.

#### NOW A WORD TO OUR DEVELOPERS

I would first share a note from one

who is working on developing this “product” and finds our latest input has resulted in “fantastic” (his term) response. His exact comment regarding the culture medium we are now offering: “It’s fantastic. This little creature can make, if in the culture, and balance the XXX per & Folic acid to its balanced use....” “I call this “powerful stuff”. The Vitamin C is what we call a ‘Kicker’ or catalyst to increase the potency of it...etc.” Indeed, readers, this is NOT water—but is as harmless and natural as water—which is the most important “gift” of all. I have given this researcher the formulae and, for now, it is held only in “mind” for protection of “him” and the assaults against the Gaiandriana. Dr. Young is working on his portion of the project and it works out that only the specifically-educated technicians and professors in the academic community can understand the mechanisms—but the DNA researchers are in a state of SHOCK at the information and, so far, everything I have brought forth is valid and verified by your own researchers. Remember, GOD is simplicity and works in very mysterious ways, HIS wonders to perform—and offer unto you!

Will all these “improvements” and “changes” render your product obsolete? No, we will simply tell you how to make your own changes so that none is lost to “repurchase” necessity—just give our people time to catch up and get lab results, etc. Already, I have suggested that the “Crystal Life” added to the Gaiandriana or the Aquagaia can supply “food” for the growing entities and as much as triple the values. Add a bit to a small amount of either (both but separately stored), let set open for 48 hours and continue on with your intake schedule whatever it might be. We are not dealing with precise drugs and chemicals—this is the same as any natural substance which might well be used in a nutrition plan. The body will utilize what it wants and needs and discard the rest. Would an extra carrot hurt you? Stop thinking in terms you are trained to use—this is as natural and simple as anything on your planet and “killed off”. It is the time of returning this for your use to enhance the ability of the body to accept the increased photon rays you are picking up. Stop trying to turn it into some kind of “miracle”—YOU ARE THE MIRACLE—GOD PROVIDES THE TOOLS FOR YOUR USE.

# Computer Bulletin Board Has Been Shut Down

2/13/93 #1 HATONN

## MISSING BULLETIN BOARD

The Computer "Bulletin Board" hook-up was closed at my request. [See *Front Page editorial in last week's LIBERATOR for more on this matter.*] It had been infiltrated by surveillance hackers and information of damaging content placed in the data system, etc. We do not play in those games; we have no wish to advise ones to break rules in any manner whatsoever—even to the income tax situation.

I long ago urged ones to NOT fall for the "sovereignizing" movement for it would set you apart. You feel that playing within the circles of what "is" somehow marks you by the beast. THE BEAST HAS MARKED YOU ALREADY—IT IS YOUR SOUL YOU HAD BEST ATTEND—NOT IRS AND TATOOS. Ones who had thought it wise to follow those strategies for State and Individual Sovereignty are now ready to reap the wrath of the beast. THE ONES WHO HAVE FOUGHT THE SYSTEM TO THE EXTENT OF REMOVING YOURSELVES FROM THE "FEDERAL" ROSTERS HAVE DONE EXACTLY THE OPPOSITE OF WHAT YOU HAD PLANNED. THE GOVERNMENT HAS NOW RENUMBERED INTO A SEPARATE CATEGORY ALL OF YOU WHO HAVE MOVED OUT AND AWAY FROM THE "ORDERED" REGIMEN. YOU ARE FIRST TARGETS FOR THEIR ASSAULTS AND WHEN THE NUMBERING IS IN PLACE THEY WILL BEGIN TO CONTACT ALL OF YOU GOOD CITIZENS. RIGHT? OF COURSE NOT! THE CHOICE WHICH YOU SEEM TO THINK WILL WORK FOR YOU—CANT—BECAUSE OF THE CORRUPTED SYSTEM IN POWER. Your only hope for change is to restructure from the bottom up THROUGH the adversary while you rebuild properly. "Well, shouldn't we be able to do these things, Constitutionally?" YES INDEED—but the guys in control have the big guns and you do not.

What do I suggest? It's hard to say after the horse is out of the barn. Ones in my circle immediately upon asking—got off the kick and took low-profile reentry to the necessary parts of the system which allows you to function without attention. You MUST take a stand—but you do not make yourselves targets to be wiped out by printing "targets" to the "kill zone" on your forehead or over your heart.

"Well," you shout, "isn't this America?" Oh my yes—but it is no longer YOUR AMERICA! Remember it and you may live to fight for freedom another day! Remember also—God doesn't need any more dead martyrs or heroes—HE NEEDS LIVE BROTHERS WILLING TO **LIVE FOR TRUTH**—NOT SIMPLY DIE FOR IT.

## TAXES

Aren't taxes wrong? Not all of them—some are quite legal and reasonable in fact. Those that are repressive are WRONG—not illegal. They may even be "unlawful" under the Constitution but are quite legal by the laws of the land. So what do you do?

YOU UTILIZE EVERY SHELTER AVAILABLE TO YOU—**BUT NOT TO EVADE PAYMENT OF THAT WHICH THEY TELL YOU IS DUE AND OWING.** The point is **this**—IF YOU TAKE ALL THE AVAILABLE RESOURCES FOR SHELTERING INCOME, BE IT PERSONAL OR CORPORATE—AND YOU STILL HAVE PROFIT—PAY THE CONFOUNDED TAXES! DON'T BE FOOLISH, LITTLE ONES, THE BIG BAD WOLF HAS BIG BAD TEETH. THE POINT IS NOT TO

DIE IN THE TRAP BUT TO FINALLY DISARM THE TRAP AND TRAPPERS. DON'T ANY OF YOU GO OUT THERE AND SAY "THEY TOLD ME TO DO THIS AND HATONN SAID...." HATONN HAS TOLD YOU TO ATTEND YOUR SELVES. THIS IS NOT ANY KIND OF SUBSERVIENCE ANYTHING—I CERTAINLY DO NOT WISH TO OVERTHROW YOUR GOVERNMENT—WHAT IN THE WORLD WOULD YOU DO THEN? YOU SIMPLY HAVE TO START AT ZERO AND CLEAN YOUR HOUSE AND SYSTEM—NOT GO OVERTHROW ANYTHING! LUCIFER TRIED TO OVERTHROW THE GOVERNMENT OF GOD IN THE HEAVENS IN THE ORDERLY SYSTEM OF HIGHER EXPRESSION—IT DIDN'T WORK THEN AND IT WON'T WORK NOW AND YOU LIVE IN LUCIFER'S KINGDOM OF HUMAN PHYSICAL—YOU CAN ONLY BEAT HIM THROUGH HIGHER EXPRESSION OF **TRUTH AND LIGHT**. THAT MEANS PLAYING THE GAME BETTER THAN HE THROUGH THE VERY RULES HE LAYS FORTH FOR YOUR PLAYING. GOD WINS, MY FRIENDS—IF YOU THINK YOU WILL BEAT YOUR ADVERSARY BY PLAYING IN HIS GAMES BY HIS INSTRUCTIONS AND THROUGH HIS RULES—YOU ARE WRONG. YOU ARE STUCK WITH HIS GAME AND HIS RULES—BUT YOU WIN BY GOING TO HIGHER SOURCE AND CHANGING THE RULES—NOT IGNORING THEM. We have offered you some 60 JOURNALS dealing with "what is" and information. If you choose not to use it, so be it.

2/13/93 #1 HATONN

## BACK TO THE JOURNALS

Mr. Green has all the JOURNALS in impound from our own author. He says he has been given back the PLEIADES CONNECTION volumes, from Court impound, and now has them. **THIS IS A LIE**, TO YOU ONES WHO HAVE CALLED STATING HE IS SAYING THIS. Our own attorney has been somehow suckered into writing documents to the University of Science and Philosophy attorney, Timothy Buchanan, efforting to get the volumes released to America West. This was most unfortunate, for George Green demands secrecy on such actions and then betrays the very one from whom he demanded the security, before the ink is dry on the demand. THE BOOKS IN POINT BELONG TO TEHACHAPI DIS-

TRIBUTING—NOT TO EVEN MENTION THAT THE CONTEMPT OF COURT CHARGES ARE STILL VALIDLY OPERATIONAL—AND THAT INVOLVES DHARMA. BOTH PARTIES NOW HAVE FULL EVIDENCE **PROVING** MR. GREEN HAS SOLD THOSE VOLUMES IN POINT AND GEORGE IS GETTING HIMSELF INTO DEEPER AND DEEPER MUCK. If any Federal Judge would release those controversial books without full notification to all parties involved—then all attorneys and the court would be in violation of all Law—not just Constitutional.

I cannot have influence over what you are being told—I shall, however, continue to tell it as it "is" and if that is not the same as Mr. Green, then I suggest YOU pay attention very closely. Our full intent is to continue to offer BOTH sides in documentation. This DOES impact you readers and

I feel we have no choice otherwise for the calls are pouring in from every point in America and overseas. I find it remarkable that George would invest in the postage and phone calls to reach all of you readers who are no longer connected to him in any way—for we will run all correspondence as offered—on the Front Page if he wishes—of the *LIBERATOR*.

### FROSTING ON THE INTERESTING CAKE

The attempt to have ones withdraw their funds from the Institute is to get the ones withdrawing funds to join with him, Mr. Green, in a project for dome-type developments in Nevada—with an architect originally paid by the Phoenix Institute, to develop feasible plans for beautiful and desirable domed buildings and dwellings. Something, somehow, does not seem quite ethical about this slick maneuver. He promises the participants a big piece of the “action”. I find the whole activity most interesting and it now seems beyond any easy and amicable solution. America West intends to retain all the *JOURNALS* and distribute with full assets returning *ONLY* to America West. Well, that is not new for there has never been so much as a “royalty” which was turned over, fully, to the Phoenix Institute, at any rate. It is, however, potentially damaging to the Institute—for that agreement is documented by both Dharma and E.J. Dharma and E.J. take *no payments* for any of the work—any return for their work is signed over directly to the Institute against any notes for workers, project proposals, etc. In other words, not for personal gain but to offset any debts owing. Be that as it may, it is reminiscent of “Dr. Coleman’s” book which is now being offered by America West from copies retained in a quarrel with “Dr. Coleman”. I have no comment about that as “Dr. Coleman” (Joseph Pavlonski) is an interesting resource and confiscated much computer equipment from the Institute. He says Mr. Green “gave” it to him—so be it. It was not Mr. Green’s to give, but since Mr. Green said he would handle it, it appears a possibility after all.

Do we want litigation? No. We simply want access to our work, a shut-down of the phone calls, etc., and those ones to go their way in peace or whatever they are seeking. We have work to do and wonders to share and we plan to get right on with doing and sharing. For Dharma: “If the world be against you, who can be for you?” GOD! And He is quite sufficient unto the needs. Besides, if all be against you save the ones of Truth—what more could you possibly ask? Besides, you *MUST BE DOING SOMETHING RIGHT!* The flack is always heavy in the target zone.

### SANANDA/THE CHRIST

Another major cause of inquiries comes from George’s presentation that “Druthea” (Sananda) and “Rosah” (Moses) refuse to longer share in the *LIBERATOR*. Oh? Come, come—I believe volumes were written before Druthea stroked one sign on a page. I believe the placement of

Druthea is sufficient to itself as explanation—further, I think Sananda is quite capable of getting His messages unto the people. **THIS WAS NOT A VERY WISE STATEMENT OR THREAT!**

If there is concern on the part of you Readers that there won’t be sufficient spiritual presentment—I’m sure the “teachers” can come up with something. George is also telling ones in his phone calls that he is going to start up a valid PAPER and subscribers can simply transfer their subscriptions. So be it.

I suspect, however, that the *LIBERATOR* may just get a bit MORE interesting as the sorting of ones, away, settles itself. I believe that it is quite probable that Little Crow will share regularly with wisdom from the Ancient Brothers. Everything has its proper “season” if you but “wait upon the Lord” by whatever label you place upon it.

### VERY, VERY IMPORTANT

Nothing, NO THING has changed in this place except to get better, stronger and more to offer unto our brothers. “Gain” is not of primary interest to any in this crew—that will come in return for service without demand for reward. But it WILL come for it is the promise of God if we do our work in honor and with total integrity. This is the time of your own discernment and own choices—we coerce no one and no thing. You are welcome aboard or blessed with our best wishes to go your way. I KNOW, however, that the going away into the human-driven confusion will NOT BRING “PEACE” NOR LONG BRING COMFORT OR FULFILLMENT. I and my brothers are not here to make you do anything—we are sent to prepare a place and offer to show you the “way”. No more and, most certainly in our mission, no less. I cannot give you a gift, nor can anyone, unless you take it. Further, Truth

will always “out” and it will stand all tests of all time perceived. The moment may be in confusion and the Truth obscure—but IT WILL be known. So, go with those who would tell you falseness while promising great and wondrous gain—and the Truth will bury you in its wave of obvious KNOWING. He who would plant the seeds of lies upon the winds—shall reap the crop of the whirlwinds. I plant seeds of Truth and God—I attend the fields and the thistles remove themselves or they are cast away to allow the growth of the grain, and I expect and accept none other than the crop I planted. Ponder it. It does not mean that the “weeding” is either easy or without disappointment and pain—but each and all is given opportunity to change of its hybrid nature to conform to the crop planted—we can do no more. Neither do “we” do of the casting out of an alien plant—those ones will ultimately eliminate or relocate themselves within their more suitable “kind”. They will always effort, however, to take a field full of seedlings with them to feed upon. Be wary of your choices for the time is shortening quickly. And moreover, unless God shortens the time upon this place in the happenings—all would be destroyed—so, our work is laid forth before us—let us get about it.

Thank you, scribe. I said I would attend your placement and your insight—I did not say I would do it FOR you! The way shall be shown—YOU ONES will do the human expression. Just a reminder to you who would await the falling miracle—YOU ARE THE MIRACLE!

Hatonn in total cherishment of you, my brothers and family—the way is radiant—do not be misled by the shadow-makers holding artificial flames for your vision-making. Hold to **TRUTH** and the Light of that **TRUTH** and the way shall be given into your thinking and your ability to accomplish the goal. Salu.

# Nevada Corporations

## THE ESTATE PLAN THAT NEVER DIES: “LONG TERM CORPORATE PLANNING”

“Long Term Corporate Planning” is not just estate planning. Estate planning by itself is done in contemplation of death, and such planning has tax implications and interpretations by the IRS that simply don’t apply here. When you have done your “Long Term Corporate Planning”, then you have successfully accomplished a dynamic feat.

Why is this a dynamic feat? Because with your “Long Term Corporate Planning” little exists for a lawyer to do. Your estate isn’t consumed by legal expenses or taxes. That is why some **lawyers are not going to tell you how** to take advantage of “Long Term Corporate Planning”. It is bad

for their business!

What is the magic? Well, let’s face it, a corporation is immortal (unless terminated by statute or by its corporate articles). Corporations do not cease to exist because one of their key people dies.

Herē is an example of long term corporate planning. This type of strategy is what we refer to as Advanced Corporate Strategies. The sequence is important, so follow closely:

1. Establish a corporation which, when formed, is what is called a “corporate shell”. It has no assets, no liabilities, and its stock is worthless at this point.

2. Cause the sale of its worthless stock (because it has no assets yet) from the corporation to your investors (heirs) at one cent (\$.01) per share, divided by the pro-

rated amounts you choose. Since the stock has been sold to them, it's not a gift. One object of all stock is to increase in value over a period of time. If the stock does increase in value, then nothing wrong, illegal, unethical, or strange has occurred.

3. Take a proxy from your Shareholders (heirs) that allows you to vote the stock even though you don't own it.

The proxy may be irrevocable so that your right to vote is guaranteed. In Nevada, a proxy must be renewed every 7 years. To insure its renewal, the shareholders should give you an option to buy the shares back at the issue price of \$.01 per share...The option can be worded in such a way as to expire upon your death, so it wouldn't go through probate.

4. Put your assets into the corporation. Some suggestions are:

(a) Give them to the corporation as a capital contribution on behalf of the shareholders. This would be a gift to the shareholders, but if you're within the gift tax exclusion limits, that's no problem.

(b) Put them in the corporation for a lifetime management contract where you agree to provide certain services for the corporation and the corporation agrees to provide you with a house, and all living expenses, plus medical care. This can be a very attractive option.

(c) Put assets into the corporation in exchange for a note with interest-only payments for 10 years, and then larger installments on principal and interest after 10 years. The note would expire upon your demise. The note could also be a demand note that expires upon your demise.

**YOU CONTROL ALL YOUR ASSETS BUT YOUR HEIRS OWN THEM BEFORE YOUR**

**DEMISE. NO PROBATE, ESTATE TAXES OR HASSLES.**

**When you put your assets into the corporation, the value of its stock increases, but there are no taxes until such time as dividends are paid by the corporation or the stock is sold. In both cases this is a matter over which you have complete control and for which you can adequately plan in advance to legally avoid taxes.**

The bottom line is this: When you pass on to the Happy Haven in the Sky, your heirs already own all you want them to have. If you've ever thought of striking back from the grave, here is your chance. This is almost like being the Executor or Executrix of your own will! Since your heirs already own your estate when you pass on, there is no transfer, no probate, no big taxes—no problems. It is all done—"The Happy Solution".

With this plan you know what is going to happen with respect to your assets passing to your loved ones when you depart. Everything you have worked for, acquired, and have is going to the ones you wish it to go to. There won't be a long drawn-out probate case in court. You can have peace of mind. You don't have to worry about little or nothing existing for your heirs after all the legal fees, expenses, inheritance taxes, and so forth are paid. What can take years of legal delay, astronomical expenses, waste and agony for the ones you love is accomplished by them at their stockholders' meeting through the election of Directors and Officers (probably pre-arranged). The transition is smooth. Everything continues without interruption. You have the peace, joy, satisfaction, and confidence of knowing that your loved ones have exactly what you intend for them to have.

Even though you utilize "Long Term Corporate Planning", have a simple will drawn up to handle any loose ends that, for one reason or another, might not have gotten into the corporation. This will can be drawn up easily by yourself. You could will everything to the corporation—which would then make distribution consistent with your "Long Term Capital Planning". This is an excellent idea as the "New Corporate President" can execute your wishes according to your instructions.

No one is suggesting that you evade taxes. These are simply ideas for avoiding several things, such as frozen bank accounts, safe deposit boxes, probate, exorbitant attorney and executor fees and all the rest of the expensive traps.

# A Newsletter Update

## From Rayelan Russbacher

*(Editor's note: Commander Hatonn has asked that this newsletter be shared with our readers and, just this very day at a meeting, reminded us that "Gunther Russbacher has a very interesting story to tell...when it's the right time for it to be told." As always, please read with DISCERNMENT, particularly where characters such as Ross Perot and that infamous rogue Joseph Pavlonski — AKA "Dr. John Coleman" — enter the picture.)*

February, 1993

Dear Fellow Patriot,

It has been a long time since I have written an update on our situation. 1992 has been a very eventful year. In February Gunther was sentenced to 21 years in prison for an alleged crime which amounted to \$20,000. Later that month Ross Perot contacted us and offered to help. Then my husband suffered an attack of angina which was worsened to the point of a minor heart attack because the prison withheld his nitroglycerin. Upon his release from the hospital he was beaten by three guards and then thrown into the hole. And things continued to deteriorate.

I fell ill in March and it took me almost six months to fully recover. During that period of time we were dealing with the October Surprise Taskforce in the House trying to surface the documents which would prove who Gunther is and would indict George Bush for treason. In July we finally had everything in place to deliver absolute proof of Bush's treasonous flight to France in October of 1980. The proof was delivered and unfortunately, the Senate and the House immediately buried it and announced that there was no credible evidence that the October Surprise happened.

We were disappointed that the cover up was so extensive, but we were not surprised, and so we decided to concentrate our efforts on the legal aspects of my husband's case and hope that Clinton or Perot won the election. In late October I was back in Jefferson City visiting my husband at the prison where he is incarcerated. A friend of ours from Ohio was there with me. The weather was beautiful and the visit with my husband was going very smoothly. Everything seemed fine. And then the roof caved in.

On October 29th, 1992, my husband, Gunther, myself and our friend William Smith were set up as the fall guys in a failed attempt to assassinate George Bush. The attempt was planned by men at the top level of the CIA because they knew Bush was going to be defeated and they did not want to relinquish their power. The purpose of the assassination was threefold. First to assassinate the president, second to declare Martial Law and suspend the election as well as the Constitution, and third to blame Navy Intelligence for the plot and deactivate the admirals within the CIA who oppose its present direction.

During the period from October 30th to Christmas Eve there were four attempts to kill me and our friend William Smith, who everyone thinks is a high ranking Naval Intelligence officer. During that same time over fifty CIA operatives, their wives and families were killed in an attempt by the Robert Gates faction of the CIA to cover its tracks before Clinton's team came to power. After the last attempt on my life, my husband's SEAL team arranged safe transport for me to Vienna where I stayed until Robert Gates was removed as Director of the CIA.

Immediately upon my return from Vienna, I went on a Santa Barbara live television talk show. It was the first time I had told my whole story and all the ramifications of the October Surprise. From Santa Barbara I flew to Salt Lake City, Utah where I was the keynote speaker at a Survivalist Expo. Again I was able to tell my whole story without the fear of being killed. Bo Gritz and John Coleman were also there. I was happy to have a chance to talk with them.

On the last day of the expo I received a call from a friend telling me that Gunther had been thrown into solitary confinement because the warden feared his life was in danger. This was January 23rd. On Monday, January 25th a gunman shot five CIA employees at the entrance of the CIA Langley, Virginia headquarters. Two of the five were killed. This morning, February 2, Gunther called to let me know that he had been released

from solitary. He said that all CIA operatives who have personal involvement in the crimes of the Reagan-Bush years have been targeted by the Bush-Gates faction of the CIA. The people who orchestrated the wholesale raping and pillaging of the United States want no witnesses to incriminate them in their crimes. If the slaughter is successful, there will be no witnesses left to testify to anything.

The men and women who have been targeted are fighting back. These are not people who will simply lay down and wait to be killed. They have an active plan to defend themselves and neutralize their enemies. Unfortunately, their enemies are very powerful. The enemy camp is placed squarely within the Council on Foreign Relations and the International Elite who are behind the One World Government. These people cannot afford for the American people to know how diabolical their plan is and the lengths to which they went to carry it out. The International Elite have the money and the connections to continue this war until every witness is dead.

These murders will never be covered in the newspapers or on radio. The people who are being killed have names that no one has ever heard and so they won't be missed or even remembered. If I had not been able to bring our story forward through the various radio and newspapers that have covered us, then Gunther and I would have also been among the anonymous dead of this war.

In the meantime Gunther and I are simply trying to stay alive.

As usual, my biggest problem, aside from the attempts on my life, is money. It's hard to earn money while you are in hiding trying to stay alive. This, of course, is part of the way the CIA breaks its enemies. For the months of November, December and January, I was unable to raise any money at all above and beyond the rent. Unfortunately the gas, electric and telephone bills have just kept mounting. I am still supporting myself from the sale of tapes and from loans and gifts from other patriots. So far, God has provided for me in times like these and I know He will again.

For the next few months I will be staying close to home finishing my book,

"I Call It Treason." I have not been able to find a publisher who is brave enough to publish it, and so I will be creating my own publishing company and printing and distributing it myself. If you feel you have expertise in this area, please contact me. I need all the help I can get. I also need to raise \$3500 to get the project started. The printer will let me pay the balance from the sale of the books.

I have enclosed a list of new tapes that are available. So much happened in 1992 that the only way I have of updating you is through these tapes. I hope you will listen to them. In them you will find the stories that the media won't touch. Thank you for your support and your friendship. In all of the United States there are only one hundred people who are brave enough to call me Friend. Thank you for being one of them.

**\* SITUATION UPDATE FEBRUARY 2, 1992**

In the first tape of this two tape set, Gunther Russbacher talks about his two year incarceration and his hopes to be freed. He goes into his background as a deep black covert operative for the CIA. In tape two, "The After Trial Update," his wife Rayelan angrily describes the kangaroo court which sentenced her husband to 21 years in Missouri state prison.

Two 90 Minute tapes \$20.00

**\* THE RUSSBACHER-PEROT CONNECTION**

Rayelan Russbacher describes Ross Perot's effort to help her husband and how the government prevented it. She speaks of her husband's heart attack which was brought on by the prison's refusal to give him his nitro glycerine. This was a calculated move to put Gunther into a situation where Perot's men could not reach him. While in the hospital, Gunther was told to stay quiet or his son would die.

**\* SALT LAKE CITY SURVIVAL EXPO**

Rayelan Russbacher was the keynote speaker and the closing speaker from this gathering of American Patriots. She delivers three riveting lectures in which she details the crimes and corruption of the Reagan/Bush years and the extent

to which the illegitimate government will go to cover its tracks.

Three 60 minute audio tapes \$30.00  
Three 60 minute video tapes \$60.00

**\* SANTA BARBARA TELEVISION SHOW**

The October Surprise scandal is covered in this 60 minute program. Mrs. Russbacher also tells how the government has persecuted and discredited her and her husband to keep them from telling the truth or from being believed if they did manage to tell the truth.

One 60 minute video tape \$25.00

**\* HOW GEORGE BUSH LOST THE FOOTBALL**

Gunther and Rayelan Russbacher tell the story that was never printed. In July of 1992 Navy Intelligence surfaced the cockpit video from the SR 71 in which Captain Russbacher flew George Bush back from the Paris October Surprise meeting. As a result of the incontrovertible evidence that George Bush committed treason, the military staged a coup on Friday, July 10, 1992. The Nuclear football was taken from President Bush.

**\* CONSPIRACY TO ASSASSINATE**

Rayelan Russbacher tells the story of how she, her husband, and their close friend William Smith, were set up as the

fall guys in a failed attempt to assassinate George Bush just six days before the election. She describes being surrounded by a SWAT team, searched for weapons and grilled for three hours by the Secret Service. The assassination attempt was planned by men at the top level of the CIA. Its purpose was three-fold. First to assassinate the president; second, to declare Martial Law and suspend the election as well as the Constitution; and third, to blame Navy Intelligence for the assassination and deactivate the high ranking admirals who actively oppose the Bush-Gates agenda.

# George And Desireé Green's Provocative Letter To Friends

*(Editor's note: The following is the letter, plus Sananda writing through "Druthea", that the Greens have sent out across the country, many copies of which are being brought to our attention by fax and phone call reports. See Commander Hatonn's writings starting on pages 2, 11 25 and 32 for more on this matter.)*

To: Our friends, supporters and readers of the *Phoenix Journals* and *Phoenix Liberator*.

Dear Friends:

Since many of you are calling and asking "What is going on in Tehachapi?" We have decided to clarify our position and

our discernment on this matter.

First of all America West and George and Desireé Green are not affiliated with or in control of **The Phoenix Liberator, The Phoenix Institute, Tehachapi Distributing, The Word, The Constitutional Law Center** and any other "businesses" from Tehachapi, California or Las Vegas, Nevada.

When we entered this mission over 3 years ago, our agreement was to publish and distribute the books called *Phoenix Journals* transmitted by Commander Hatonn and other Hosts primarily to the "receiver" named Dharma (Doris Ekker). Also we agreed to be spokespersons to introduce these incredible volumes.

With the suggestion of Hatonn, we started a newsletter at first titled, *Phoenix Express*, and then changed by the Commander to *Phoenix Liberator*. We simply paid for the publishing and distributing of this paper, we did not, nor ever have we had control of the information which was printed in both the *Liberator* and the *Journals*. It was our understanding that this was Commander Hatonn's paper and so he decided on its content. Also in the beginning he said we could not edit

the content except for spelling and punctuation. This we agreed to.

America West and the Greens moved all publishing and distributing operations to Carson City, Nevada in June 1992. Commander Hatonn demanded that the *Phoenix Liberator* be left in the hands of his Tehachapi people, namely Doris and E.J. Ekker (also known as Dharma and Oberli.) America West agreed to continue publishing and distributing the Journals from the Carson City location. At Hatonn's request we left nearly \$80,000 in Journals and other books in Tehachapi to be sold at meetings to visitors (not by mail). These we billed to the *Phoenix Liberator* at 50% discount and to date have received no payment for same. (These were left in addition to the \$180,000 in *Pleiades Connection* books and tapes we were advised to ship to Tehachapi.)

Please be aware that America West and the Greens have personally invested in excess of \$500 thousand dollars in this project in the course of the past three years. In addition to the time on the road in seminars, we have devoted our lives to this project of awakening mankind to the problems we face on this planet.

During the course of the last few months many strange, inaccurate, contradictory and confusing things have been written about us. Now, we must inform you that after serious soul-searching, we have come to the painful conclusion that we can no longer rely or depend upon that source of information.

In view of this, we have decided we can no longer support material printed in the *Liberator* and new *Journals* as 100% accurate. (Last *Journal* we published is, "*Reality also has a Drumbeat*").

[*Editor's note: It should be mentioned here that there was actually one more JOURNAL after DRUMBEAT placed in the hands of the Greens to be published. We do not know the status of that JOURNAL, called AS THE BLOSSOM OPENS. Moreover, if, as George Green has been widely telling people, the real Hatonn left Tehachapi with the Greens in the late June-early July time frame, then why would this publisher have continued publishing and promoting as valid those last ten or so JOURNALS, written since early summer, by the "fake" Hatonn? These are, by the way, only two of a number of what could politely be called "slight inaccuracies" mostly being overlooked in this writing.*]

This does not mean, however, that America West and The Greens will stop our work in publishing, distributing and speaking about TRUTH contained in *Phoenix Journals* and other publications. We have published over 50 *Phoenix Journals* and to the best of our knowledge, MOST of the information, until recently, is valid...at least we have received outside verification on much of it.

Despite this separation from this source, we will continue to work to the best of our abilities to publish the Truth to share with our readers. We, like you, are constantly working to expand our knowledge and learn the truth from a variety of resources in all circumstances.

Just to set the record straight, America West is not in danger of being shut down by the University of Science, nor are George and Desireé in jail for any reason. We are currently working with our attorneys to settle this case.

We are very sorry and saddened by these events. Remember Commander Hatonn told us many times to sharpen our discernment abilities and question everything. Well in this case, it seems to be the ultimate test.

The good news, friends, is that America

West and the Greens are still hard at work to help people prepare for the times we are in. If you would like to have the Greens speak in your town, please contact Grant (702) 885-0700 for details. If you have a manuscript about any true conspiracy, whether it be health, political, economic, geophysical or spiritual please send it to George Green. We are actively seeking to publish and distribute books of truth from the human sector to confirm what Commander Hatonn has introduced to us via *The Phoenix Journals* as well as books on survival skills.

We hope this letter clears up some of the confusion you may have had. We welcome your letters, suggestions and ideas about the mission of awakening people. We are grateful, in spite of these painful lessons, for this opportunity to grow spiritually and continue God's mission. If you have further questions about this letter, you may call George at (702) 885-0700. Thank you for "listening" and we wish you God's blessings of Love, Peace, Joy, Inspiration and DISCERNMENT.

Sincerely,

[hand-written signatures here]

George and Desireé Green

### LIVING YOUR DREAMS

Greetings precious little dove, Druthea. I AM Sananda. I AM the one known as Jesus the Christ and by many other labels. I come in service to Holy Creator/ Great Spirit of ALL. Let us sit and share a prayer from a blessed brother who walked your place. His name was Sitting Bull.

*O'great spirit,  
whose voice I hear in the winds,  
and whose breath gives life to all the world,  
hear me! I am small and weak, I need  
your strength and wisdom.*

*Let me walk in beauty, and make my eyes  
ever behold the red and purple sunset.  
Make my hands respect the things you  
have made and my ears sharp to hear your  
voice.*

*Make me wise so that I may understand  
the things you have taught my people.  
Let me learn the lessons you have hidden  
in every leaf and rock.*

*I seek strength, not to be greater than my  
brother, but to fight my greatest enemy -  
myself.*

*Make me always ready to come to you  
with clean hands and straight eyes.*

*So when life fades, as the fading sunset,  
my spirit may come to you  
without shame.*

Thank you for this sharing. This allows you each to remember why you are here and what is most important above all human experiences; that of perfecting your soul in honor and glory toward the true perfection of Our ONE Creator.

When you each learn to remain true to only self with integrity of growing beyond human emotion and limitation of understanding, you sit in the palm of God SOURCE. You accept responsibility where it yours and you reject that which is not yours. You sit in council only with that SOURCE of LIGHT within you, when you lay in your deepest despair and confusion and as ONE with Our SOURCE you sort it out carefully and purposefully until the lesson is accepted by your soul, the forgiveness extended where necessary, and compassion and understanding replace the hurt and anger once harbored as a poison seeking refuge in your mind and body material.

We of the HOSTS of GOD of LIGHTED SOURCE witness the painful repression of creative expression, of idea, of exploration within the mind of GOD. WHY? You ones are afraid to disagree with one another or even with God's Hosts. For somewhere, sometime, someone or ones made it incredibly uncomfortable for you to disagree with them. Rather than persistence which often led to conflict, it was simply easier to give up the effort. Keep the semblance of peace while the war began to rage within. Many of you have turned your bodies and minds into battlegrounds of repressed hostility and anger and you most often bear those scars into your death.

This is simply, precious ones, a matter of not knowing how to have discussion without seeking to always be RIGHT, instead to explore possibilities with those you live and work with. Perhaps one of the most painful feelings is that of feeling that you are not appreciated for your work or intelligence, creativity or the like. Many women have allowed themselves to be seen and not heard until most recent times in your history.

And children who are not allowed to be heard and to have sharing of an idea or explore a possibility often remain closed and unable to communicate effectively.

Many of these now adult people run governments or manage others in corporate affairs. They remain the "walking wounded" until they take responsibility for finding the cause of their own despair and anger and begin the steps to recovery. Most often these ones know not now to change and see not the problem in self, instead cast outward the blame for the circumstance which imprisons and poisons them and is of their own making.

When you ones who effort to work with others with common goals and interests to prepare for the transition times, learn to speak frankly and directly to one another about fears, concerns and goals, you will avoid much heartache in the way of failing interrelationships. Too much power allowed to only one or two usually corrupts not only the ones holding power over others, also the ideals of a given community are forgotten to protect the selfish needs of the one or two who become addicted to the power. Look at your world and you can see this occurrence nearly everywhere beginning right within the family structure through to the dreaded One World Order.

When the ones holding power are challenged and disagreement arises over how affairs are handled, and the ones disagreeing are not heard and allowed discussion, you have dictatorship. There is not a soul existing who will not rebel against inability to express itself creatively. Creative expression is the LIFE of the soul growth, it is the song of joy

and inspiration shared by Our Divine Father. In the human experience, those in power will always try to discredit or destroy ones who challenge their power and authority and need to "do it my way or no way" attitude".

It is so common, precious ones, that now most of your countries and governments, institutions, corporations and families operate with the iron fist of "might over right". (Our computer power was just eliminated, which nearly broke the heart of Dru. With our instruction she has retrieved all of the document and power is returned.)

It is time to learn a different way and this we will offer and instruct as requested and desired. There must always be rules and mutual cooperation in adhering to the Natural Laws of God and Creation. These are absolutes of which there must be no compromise. Since you ones are born with these in your soul then it is a matter of achieving and sharing the wisdom of why the laws are irrefutable. Honor your neighbor as God honors you and you honor self as you honor God/Creator. Honor, therefore, Creations which are abounding in your experience for in this way you honor nature and her ways and then harmony can be achieved within self.

You are children of one family, the family of Creator/Creation. When you fully understand the wisdom of ONENESS, your spirit will lead you to those of like mind who seek cooperation and achieving service to Creator

in honor and integrity to perfect his/her own soul. YOUR mission and purpose will simply be THE mission and purpose of Creator. You will release the me-self to the one-self and thereupon achieve true peace of mind. You will not longer fall in to the trap of victim, martyr or feel inferior or superior for these are games of the human mind which you all will eventually grow beyond. Then, precious ones, that DREAM that every soul dreams will be yours to live; peace and love within and oneness with all. So be it.

Thank you Dru thea for sitting with me. I see the aching heart is healing and you my precious have gained a bit of wisdom in these past months. Your only "crime" Dru if you must find fault in self, is too little faith in self AND Creator and let me share with you that this is what ALL of you suffer from to some degree or more. We will together build your faith and trust in God's voice within and in time when the wounds have healed, you will look upon this "dark" time with gratitude and acceptance.

Thank you precious brethren, for allowing me council with my scribe of personal nature. Sometimes, although she hears well now, she needs to "see" the words as you are. Thank you for pondering these lessons. You are growing and Our Father is well pleased, whether you know this or believe it not. Let us close this document. I AM Sananda. Commander in Chief of spiritual growth and transition in behalf of My Father, God of Light, and Creation. Salu.

## THE TRUTH

(Continued from Page 1)

DIVULGE OWNERSHIP OF CORPORATIONS (FOR WE DO NOT IN MOST INSTANCES KNOW OWNERS). FURTHER, FOR YOUR PRIVACY AND CONVENIENCE, DHARMA AND E.J. HAVE WILLINGLY SIGNED AS OFFICERS TO INSURE YOUR PRIVACY. THIS HAS BEEN TO SERVE YOU AT NO COST. THIS WILL NOW BE REARRANGED FOR WE HAVE FOUR PERSONS JOINTLY DEMANDING E.J. AND "DORIS" RETURN THEIR "GOLD" INSTANTLY (LAST WEDNESDAY). THESE ONES ARE NO LONGER WILLING TO SHELTER YOUR PRIVACY LONGER. I WILL NOT ALLOW IT. WE WILL, IF WE CAN, LOCATE OTHERS TO FILL THAT VACANCY FOR OFFICER LISTINGS. THEY WILL CONTINUE UNTIL SUCH FILL-IN CAN BE LOCATED OR OTHER ARRANGEMENTS MADE, BUT ENOUGH IS ENOUGH!

It is now required, in addition, that a Board member of each corporation be listed (in new regulations in Nevada). How you handle that matter can be shared by Cort.

Because of this unfortunate (or most fortunate) recent assault by what we thought to be our own people, we must attend changes. This, however, has its good merits. We will now rearrange the incorporation program to open to any and all ones who wish to utilize Mr. Christie's mother Corporation for Nevada incorporation. We have efforted to keep that very limited because Mr. Christie has been swamped as is. NO, I did NOT say that Mr. Christie owns such a corporation—but he does offer his services THROUGH a separate corporation from any other specific entity here. [See weekly *Nevada Corporations* article, this week on page 26.] He offers many services for a myriad of corporate entities from mail service to phone lines to total corporate record keeping. And, NO, I did not say bookkeeping of your business—I SAID "CORPORATE RECORDS". If YOU will not bother to learn how to manage your own selves—how can you expect others to DO IT FOR YOU? Much less the ones who are totally swamped in volunteer and minimum cost service. The costs have been kept to such a minimum for you who have sought information and service as to not even allow Mr.

Christie to garner enough income for self-sustaining position and every day it gets heavier and heavier.

All ones were quite graciously willing to serve in any way possible in the past—until Mr. Green's attack on our whole programming structure for projects and inter-relationships here. No one is willing to longer put up with the assaults while losing everything they have in the process, including unclouded reputations and integrity assaults.

Business here will continue to be run with TOTAL integrity and that means maintaining all privacy of participants—WITHOUT EXCEPTION! If WE cannot maintain integrity to you then we deserve no better than any other lousy business in the world. Our intent is NEVER, NEVER, NEVER to even CONSIDER helping any one of you "evade" taxes or other secret, hidden, violations of the laws of the land. It is legal and written into even the IRS rules to insure all possible avoidance of paying un-owed taxes. IF YOU THINK WE ARE HERE TO SERVE YOU WAYS TO EVADE ANYTHING—FORGET IT, FOR NO ONE HERE WILL ASSIST YOU IN ANY WAY TO DO THAT. WE CAN

SHOW YOU HOW TO GAIN SHELTERING TO THE EXTENT OF SERVICES WHICH ALLOW YOU HONORABLE AND LEGAL METHODS OF COVERAGE—OUR INTENT IS NOT IN ANY WAY TO HIDE YOU FROM YOUR LEGAL RESPONSIBILITIES. WE ARE NOT EVEN IN THE SUGGESTION BUSINESS OF HELPING YOU AVOID TRAFFIC TICKETS. WE DO, HOWEVER, WRITE ON THESE SUBJECTS AS OTHERS HAVE FOUND METHODS OF HOLDING TO CONSTITUTIONAL LAW, COMMON LAW, ETC., FOR SAME.

We will continue, to the best of our ability, to offer information on these various things others do and offer for coverage—we do not, however, in most instances even suggest you separate yourselves as targets for your very own “enemy within”.

All of you who have followed the “sovereignty” method of disclaiming the Federal Government and setting selves aside as “State or Individual sovereign citizens” are in trouble. You have been picked up on the computer systems and, just as I told you it would be—you are now issued new numbers for identification and you are on the targeted list for harassment at best, incarceration as a possible choice.

There are ways within the system to gain some coverage and sheltering. To make targets of selves is NOT one of our suggestions. Yes, indeed, there are many approaches, even to traffic tickets, which serve you very, very well—as [retired Police Officer and **AID & ABET** newsletter publisher] Jack McLamb can point out to you—but to target selves on the adversary’s system is indeed dangerous. So be it—to each his own.

I am asked, “Well, Mr. Smart Guy, how do we undo what is already done, if you’re so smart!” You just said it, brother, how can you expect me to undo that which you did in spite of my warnings? Oh, you didn’t know and you did it blindly? Do you also expect me to supply you with a new leg if a doctor talked you into amputation?

I do, however, suggest you begin to effort at undoing the damage by reapplying for SOME of the nasty system’s system and possibly even promise never to breathe or think again. Then take actions to shelter within the system which removes attention from YOU. It is not my business either way, friends. I can offer you insight and tell you how it is and there are even ones here who will help you WITHIN THE LAWS OF THE LAND—but we are not your freedom enforcers. It reminds me a bit of the “Hippy movement” where it was deemed to dress “differently” and “show the establishment”. All you did was get identified by your “uniforms and actions” and set up for wipe-out—never to be free from the black-list.

ONCE ON THE “TARGET LIST”—NEVER OFF IT! ALL YOU CAN DO IS MODIFY THE

DAMAGES, PERHAPS.

### NEWS IN THE LIBERATOR

Daily we are asked to promote this group or that group. WE HAVE NO GROUP, WHY WOULD WE SUGGEST YOU JOIN “ANOTHER”? Most recently we are asked to sponsor and tout a group being formed to “support Weaver” by demonstrations about the nation. NO! We will offer listings of times and places IF SOMEONE OUT THERE WILL TAKE RESPONSIBILITY AND OFFER LEGITIMATE PHONE NUMBERS, ADDRESSES AND CONTACTS. We will NOT even offer to forward mail in such cases.

If you write, for instance to Weaver personally, we would either give you address information should you call and IF we have permission to do so and “have it”—or in some instances will even offer to forward such contacts—BUT WE ARE NOT A GROUP, PATRIOT OR OTHERWISE, AND WE WILL NOT SUGGEST OTHERWISE. The *LIBERATOR* is a paper as well as separate corporate entity from all other businesses herein and so shall it remain. We offer voice to, for and of the “people” as any good news publication SHOULD do. We will offer BOTH sides of issues and presentations about persons to the best of our ability. Even in our own position as recipient of assault from what we believed to be our own co-workers, we will offer BOTH sides of the issue—with documentation—not psychic readings. STOP playing your silly “gotcha” games, Readers, YOU have problems. There are ways to modify your problems—NO WAY to make them vanish magically. If you think otherwise, please spare these people here the burden of bearing your load along with theirs. I promise you—theirs is already about as backbreaking and heartbreaking as it can get short of the full-blown firing squad. They already have the actual snipers, SWAT Teams, etc. They will not be asked to stand in your stead ‘fore the tribunals of injustice. They shall continue to offer what help is available but no thank you, you who have often denounced and actually offered harm deliberately do not fit in the “turn the other cheek” category of actions hereat. We have projects and jobs to do and THIS is not one of them.

### IS ALL NEWS “COMPLETE” FROM HERE?

NO! In fact IF I were to tell you ALL that is going on and has gone on in secret agreements, losing of documents on purpose and the tricks going on even within immediate family situations—it would blow you away—wouldn’t it, Mr. Green? How about actions within the “family or relationship” alliances or disloyal participants right here in the demands of local ones this

day? How about the “taking” of certain documents and losing them while theft is assumed? How about misleading as to “advice” of actions from ones who know even less than you have bothered to learn? NO, MY PEOPLE DO NOT NEED YOUR KINDS OF FURTHER LESSON-GIVING. WHAT YOU DO BEFORE GOD IS YOUR BUSINESS AND YOU SHALL ANSWER FOR SELVES AND ACTIONS OF SELVES. Mine is not to even give tattle-tale stories and revelations or blackmail—UNLESS you use lies to deceive and destroy that which is built by loyal, totally devoted workers who have served willingly with little if any reward. In instances of such impact—I SHALL TELL TRUTH AND THEN ALLOW YOU TO DEFEND SELVES—OPENLY AND CATEGORICALLY TO THE PUBLIC—GOD IS NOT SECRET PACTS AND RITUALS. GOD IS OPEN, LOYAL AND TOTALLY DEFENSIVE OF HIS PEOPLE.

Example: How is it that a billing was sent to Mr. Martin at Tehachapi Distributing for some \$87,000 in the Fall and yet Mr. Green now says he left some \$180,000 of books with the same entity? Is not something wrong with mathematical addition—especially since it is fully established that the books were “banned” from Mr. Green in ALL ways and were GIVEN to Mr. Martin? Strange? Also, is it not “strange” that the persistence of the billing and the demand for payment as well as refusal to pay that which was due and owing to Tehachapi Distributing was not only perpetuated but actually publicly stated in spite of contempt of court? Oh, I see, could it be **that arrangements through legal channels and coalition with the very ones bringing the original charges, Mr. Binder of the University of Science and Philosophy, worked out a SECRET deal for the release of the books in court-holding TO AMERICA WEST?** Could it be that Mr. Green is actually telling ones that he has already recovered those books from the court? Ah so! This leaves the writer (Dharma) in full contempt status while the “friends” and “partners??” set her up further—or agree to drop the charges in exchange for this “new” “coalition”? Come now, Readers, if Hatonn went with Mr. and Mrs. Green to Carson City—I suggest this nasty old Hatonn left hereat is a dastardly troublemaker. Lies? I suggest that you look further before assuming this nasty old “seer” tells lies.

The ones sent to withdraw their funds from security and safety (and to gain the most money) were told to get their funds in gold for FULL VALUE, plus interest, etc., etc.—“bring it to Mr. Green, join with him in a building project wherein they would be given participation in return” and the world will spin happily ever after. How nice, since the Institute paid (from those funds) for the Architect originally drawing up those sweet

domes and buildings. Now, I suggest the battle stop lest I really get annoyed and tell it ALL. To you who personally throw stones and tout abuse and "I only put the money in because YOU told us the banks were in trouble"—pay attention. The BANKS ARE IN TROUBLE and NOTHING IS CHANGED EXCEPT FURTHER DETERIORATION OF YOUR SYSTEM INTO PROBABLY **TOTAL COLLAPSE AT ANY MINUTE**. Some of you have played deliberate "games" with even your own mates to "have your fear-filled and 'mine' ways". I find it painful, the expression without compassion or excuse—but YOUR BUSINESS. Stop picking at the ones who have done all they can to help you—and accept the responsibility for your actions which have left you in this confrontation. Again—blackmail? NO—TRUTH!

I find it interesting, further, that Mr. Green is "going to FIX Mr. Ekker's wagon!" What has Mr. Ekker done?? Mr. Ekker didn't even know what Mr. Green was doing, much less cause the Greens or America West grief or damage. And, further, if I be false as Mr. Green announces—how be it he is upset with ME? Dharma has supplied them with over 60 books of which now she has no access—is this somehow her assault upon them? Do the ones caught in their own traps protest too loudly perhaps? So be it.

You ones who fear loss or "game playing" with any of your assets—KNOW that all is solidly secure within an impeccable corporate system—working superbly exactly as it is supposed to work. We appreciate the assault for it gives us opportunity to have heavy and hard testing of that which we have structured. I always respect and appreciate my enemies for they are the best teachers and trainers in the universe.

#### TO CANADA AND W.M.

W.M., we appreciate your position and, although I realize you have called and are content with this end, we want you to allow us to share with Readers what has been told you by Mr. Green.

Mr. Green called this "distributor" in Canada and W.M. is only one of dozens, perhaps hundreds, of personal phone calls from Green to you people.

He told Mr. M. that America West has recovered the PHOENIX JOURNALS, PLEIADES from the Federal Court and "you can begin to order them ANY time." IF THIS IS SO THERE WILL BE A SUIT AGAINST HIM, US&P, LAWYERS AND COURT LIKE NONE PRIOR TO THIS. The lawyer for US&P denies any such release although our own attorney, Mr. Tips, says there was a request for release offered because he had written it for Mr. Green.

In the aftermath of a barrage of phone calls from "readers" Mr. Martin called Mr. Buchanan in Fresno, US&P's representing

attorney. Mr. Buchanan said, "No way had I arranged for or signed such a release which would have been legally mandatory." So, this indicates that Mr. Green has made SOME KIND OF ARRANGEMENT DIRECTLY WITH THE UNIVERSITY OF SCIENCE AND PHILOSOPHY.

Mr. Green did, however, after this breaking information, directly call Mr. Buchanan so many times on Friday that Mr. Buchanan had to call Mr. Tips and require Mr. Green cease and desist with the calls. The continuing claim to have the books in possession, however, continues to be made by Mr. Green THROUGH THIS VERY DAY!

Mr. Green further is telling all recipients of his calls, as reported my Mr. M., that Hatonn is speaking through several other entities, including himself, and the "Hatonn in Techachapi" IS FALSE AND TELLS LIES. He is telling everyone that he will be publicly starting a paper wherein he can prove his statements through the publishing from all these "channels"—that he (Green) is in even "more DIRECT contact". Good luck!

#### STORED WATER PURIFICATION

The last and most interesting assault against my people and service is that he is telling all ones to "not take that stuff 'they' are offering" [meaning the *Gaiandriana* and *Aquagaia*, see next-to-last pages]. Come now, Mr. Green—what could YOU possibly know about such a thing?? Yes indeed, we have certainly gone out of our way TO NOT ALLOW YOU TO KNOW ANYTHING ABOUT IT. I believe the reason for that "reasoning" is pretty obvious.

By the way, to you who go ahead and utilize the product in point—if you add seven drops of hydrogen peroxide to a gallon of water it will purify it for biologic contaminates—add a tablespoon or less of *Gaiandriana* and a few drops of *Aquagaia*, a blob of PURE aloe vera and let set 48 hours. For larger containers add equivalents and for big and long-term storage—use increased blopping of aloe for longer term cell "fuel". All residue of the biologic-foreigners will be used as fuel leaving little "pac-men" to continue to protect the "stored" (or used), water. This is also very, very good in the case of possible radiation pollution—for the friendly little creatures THRIVE in hyper X-ray environments. I didn't say they could not be destroyed by radiation at certain levels for the product is not yet finished, intentionally. With "friends" like Mr. Green—we need enemies? What will the water "taste" like? Good spring water! If you have even a primitive filter system—you will have virtually "clean" water. If water is treated with "ozone" for purification, you will have even better results—especially if you allow it to set a few hours prior to adding the

above "stuff". Dangerous?? Is boiling water and cooling it dangerous to you??

**So, what is Mr. Green doing? Simply showing his colors—no more and sorrowfully, no less.** God did not promise you good friends no disappointments nor, in fact, no pitfalls—or for further fact, no ability to regain status after a "fall". God will accept all petitions for regainment of status with HIM—but He is going to require, in all instances, restitution to all intentionally damaged parties and full acknowledgement through the source damaged. No, in a case like this, simply saying to God, "Wow, I'm sorry, Sir" will not cut the mustard for THERE IS a pathway of undoing that which has been done to some level and extent. Remember, to simply say, "I am sorry" without meaning, say, in murder, does not release responsibility for the act nor the full restitution of loss.

#### WASTED TIME AND SPACE

So, how long will we waste time and space on this matter? As much as necessary and not one second or sentence more. We have projects and work to be attended and neither this nor any other assault shall stop our appointed tasks and mission. We offer no threat nor assault against another and we shall not long deteriorate the value of our work by nit-picking. BUT, we shall rebut that which is false at every opportunity for you READERS must, first of all, come to know that you can trust this resource. What else you do and what you wish to believe is not my business nor that of anyone hereat. We can have compassion for those who pursue this false trail—but it is only cause to require that we take appropriate actions—it is not our business to attend their own perceptions or direction. In other words "what you or they think of me or mine—IS NONE OF MY BUSINESS!"

#### "BY THEIR OWN WORDS AND WORKS SHALL THEY MAKE THEMSELVES KNOWN!"

Thank you for your service, chela. We shall return to our regular subject materials on the morrow, hopefully. We shall also continue with "negotiations" for some means to delay cause of moving for you at least until we get Dalene moved and some sense of direction. Though you walk through the valley of shadows—I walk beside you and shall carry you if needs be. Salu. Hatonn

*Always do right; this will gratify some people and astonish the rest.*

## GAIANDRIANA

Gaiandriana is a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of health.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well!

The Gaiandriana (commonly referred to as "chondriana" in the Biological literature) are capable of intelligent, organized attack against cellular invaders like viruses. Think of it as a "pac-man" operation of sorts. However, beyond that, the Gaiandriana are capable of stimulating cellular structural repairs due to damage caused by, for instance, free radicals and cumulative levels of so-called "background" radiation in our modern environment. Healthy DNA and RNA within the nuclei of our cells then lead to properly formed and concentrated enzymes, upon which healthy cellular function depends.

Gaiandriana liquid is made entirely from wholesome natural ingredients.

## AQUAGAIA

Complementary to the Gaiandriana product, Aquagaia is also a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of healthy function.

Aquagaia contains *mitochondria*. These are the major biochemical energy "processors" within cellular metabolism. First, enzymes begin the breakdown process of organic nutrients (like fats, carbohydrates and proteins) to intermediate substances such as amino and pyruvic acids. Then, in the next "bucket brigade" step, these various acid molecules are processed within the mitochondria to release chemical energy recognized as adenosine triphosphate (ATP).

About 95% of the energy needed to "run the machinery" that keeps each cell going and healthy is produced in the mitochondria. Unfortunately, the mitochondria are particularly damaged by free radicals and cumulative levels of so-called "background" radiation in our modern environment. These compromised mitochondria, like half-dead

batteries, then lead to impaired cellular functioning and health. Thus is the importance of Aquagaia, with its assimilatable supply of healthy mitochondria — like "fresh batteries" for the body's cells.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well.

## 2/11/93 #2 HATONN

### GAIANDRIANA AND AQUAGAIA:

To help in understanding the workings of these organic "pac-men" you must realize that there is a protein covering "cap" on viruses. The protein cap is centered on a charged zinc atom and is the part of the virus that recognizes and binds to DNA—in turn allowing the virus to reproduce.

Aquagaia, in conjunction with the Gaiandriana, knock out the zinc atom (a simple "charge" change), which renders the protein ineffective. This is a breakdown of "parts" of the Gaiandriana male/female DNA structure which release many working variants but frees the Gaiandriettes or "killers" to take out that zinc atom and pass right into the affected cell. Without the "cap", the virus cannot reproduce and infect more cells—further, the damaged virus feeds the Gaiandriana unified cells and the circulating mitochondria.

Healthy cells are not affected because they lack the zinc-centered protein cap on the virus.

These "Gaia" compounds have an effect on cancer cells because they stop an enzyme on the cancer cells from producing a "messenger" molecule that blocks a second enzyme from attacking the cancer cell's DNA. The compounds (Gaia) have been seen to actually take-out leukemia, breast, brain and colon cancer cells. We have no claim to anything other than stating that people utilizing these simple and natural substances do show improved well-being and do report feeling generally and, often remarkably, improved as to state of health, thought processes and stamina.

The obvious conclusion is that there might well be good reports of better health and faster recovery following infection by other

viruses than those mentioned above. All viruses known react in generally the same manner.

It is known that many diseases are due to retroviral DNA and these are the most affected viruses by the Gaia-chondrianas (living crystal forms). We, again, make no medical claims—we are simply reporting in an effort to explain WHAT takes place within the cellular structures of living organisms. If you really want to witness remarkable growth in plants and good stamina and health in pets and other animals—try a little of these additives as you would vitamins or fertilizers. Use in a mildly vitamin C based solution on same. At transplant time for garden plants and houseplants—soak their little root systems in this natural and mild solution. Just add a tablespoon of Gaiandriana, a few drops of liquid vitamin C or C-crystals to a quart of water and let set for 48 hours—then it is ready for use. It will not negatively interact with anything other than perhaps harbored viruses and disease spores and organisms.

## NOTE

If any product you receive has an unpleasant odor—it is from the finishing culture process. Leave the bottle open to air and it will quickly dissipate. Then, depending on taste and preference—refrigerate after opening and reclosing.

**IMPORTANT: Do not mix the two, Gaiandriana and Aquagaia, together for storage as the Aquagaia (mitochondria) is aggressive and begins to "eat" the Gaiandriana for fuel. They go about their appointed tasks once ingested, but in bottle prisons they are not particularly compatible once the available fuel supply is exhausted. Juices are excellent to take with the Aquagaia because the mitochondria must have the fuel derived from same, the most effective juice being from the tropical "Guava" fruit. Any juice is fine, however, and is most pleasant to intake. Diabetics should utilize whatever juices are available on their food plan to keep within the safe guidelines for calories and other requirements.**

**The most innocuous and easy intake available is simply a few drops under the tongue, both products taken at the same time or at different times of the day. Once the "initial" program is begun and maintenance is followed, certainly the drops under the tongue are the least annoying to any daily regimen.**

## A-C-E ANTI-OXIDANT FORMULA

There is growing evidence that essentially everyone in our society is exposed to free radicals, now more than ever. While free radicals are normal products of our cells and have certain beneficial roles in the body, increased levels of free radicals in our body

tissues can be detrimental to our health. Free radicals are highly unstable substances produced in the body through, among other routes, the metabolism of oxygen. Free radicals multiply through a series of chain reactions and can attack the polyunsaturated fatty acids of cell membranes. Unless excess free radicals are neutralized, they can cause considerable damage to the structure and function of cell membranes, and thus the cells themselves. The products from free radical reactions are implicated in the progressive accumulation of deleterious cellular changes over time, which may eventually result in recognizable disease. Free radical damage is implicated in the initiation and promotion of many cancers, as well as hardening of the arteries.

One area of Aging Research suggests that free radicals damage body cells and cause the pathological changes associated with aging. Besides being byproducts of the metabolism of oxygen, such as during strenuous exercise, we also generate significant levels of free radicals from the environment, such as from so-called "background" levels of ionizing radiation.

Cooperative defense systems that can protect the body from free radical damage include certain enzymes and the antioxidant vitamins A, C, and E and beta-carotene, which protect cell membranes from oxidative damage. Vitamin E, one of the fat-soluble vitamins, is present in the blood as d-alpha-tocopherol and is well accepted as the major antioxidant in lipid body tissues. Vitamin E is considered the first line of defense against cell-membrane damage due to peroxidation. Vitamin E scavenges free radicals, terminating chain reactions and confining damage to limited areas of the membrane. Selenium contained in the enzyme glytathione peroxidase is the second line of defense that destroys peroxides before they can damage cell membranes. Beta-carotene, a precursor of Vitamin A, also traps free radicals. Vitamin C is water soluble and serves to neutralize free radicals in aqueous systems.

The antioxidants show promise as cancer-prevention agents, alone and in combination.

### **GINKGO BILOBA**

#### **(Ginkgo Biloba extract 24%)**

The Ginkgo Biloba, or Maidenhair tree, is one of the oldest living species on this planet. Ginkgo has flourished almost unchanged for 150 million years, and its ancestors can be traced back 250 million years. It is because of this antiquity that the Ginkgo Biloba tree is called "the living fossil". Individual trees are believed capable of living 2000 to 4000 years. During the last ice age, Ginkgos nearly became extinct. These trees survived only in China and other parts of Asia, where they stayed until approximately 1,000 years ago. At that time, Ginkgo trees were also planted

around monasteries in Japan, where they still live today.

The name *Ginkgo* may come from the Chinese *Sankyo* or *Yinkuo* (Yin Guo), meaning "hill apricot" or "silver fruit". The word *biloba* means "two lobes" and describes the young leaves. Although modern medical research focuses mainly on the leaves of Ginkgo, the Ginkgo fruits and nuts have been used in China since time immemorial as a delicacy and tonic food. Ancient Chinese texts record Ginkgo's use as a medicinal agent as far back as five thousand years ago.

The Ginkgo Biloba extract is a complex compound. The green leaves of the tree are usually harvested from trees grown on plantations in South Korea, Japan and France.

Ginkgo is reported to have a natural affinity for the nervous system. It also seems to stimulate the vascular and endocrine systems that, in turn, strongly affect the function of the nervous system, possibly increasing the capacity for normal physical activity, and the flow of blood to the brain. Some research indicates the possible effectiveness of Ginkgo in the treatment of *Alzheimer's* disease.

Due to its pharmacological properties, Ginkgo is now widely used throughout Europe for treating many forms of vascular disease. In a survey of packaging information of European products, Ginkgo has been recommended for such ailments as headaches, vertigo, inner-ear disturbances, diminished intellectual capacity and alertness as a result of insufficient circulation to the brain, anxiety, and depression, to name a few.

Ginkgo Biloba Extract (24%) is concentrated from the leaves of the Ginkgo Biloba tree. The highly specialized extraction process yields a 50:1 concentrate from the leaves (50 grams of leaf produce 1 gram of extract). The extract is then further standardized to contain 24% of the active Ginkgo Flavoglycosides.

### **MO-GU ELIXIR**

The first recorded use of Mo-Gu Elixir was during the Chinese Tsin-Dynasty in 221 B.C. It was referred to as "*The Remedy for Immortality*" or "*The Divine Tsche*".

It has been well documented that there are certain people who live to be well past a hundred years of age. These people live in such areas as the mountainous Caucasus, Yakutia in Siberia, the Poltava District of the Ukraine, Tibet and Spain. There is an area in Russia called Kargasok where the people are a dairy- and vegetable-eating populace. Centenarians are common among these people. They attribute their longevity to the Yeast Enzyme Tea (Mo-Gu Elixir) which has been in their diet for hundreds of years. It is said that Mo-Gu and yak butter are staples among the dwellers of the high Himalayas.

Mo-Gu has been used throughout history in China, Japan, Russia, Korea, and India. It has been said to promote a feeling of well-being and overall physical restoration. It has been known by many names, some of which are: Fungus

Japonicus, Fungojapon Kombucha, Pichia Fermentans, Cembuya Orientalis, Combuchu Tschambucco, Volga-Spring, Champignon de Longue Vie, Teekwass, Kwassan, and Kargasok.

The Mo-Gu fungus constructs in a membrane form and is a symbiosis of yeast cells and different bacteria. Among these bacteria are: Bacterium Xylinum, Bacterium Gluconicum, Acetobacter Ketogenum, and Pichia Fermentans.

The Mo-Gu fungus needs to live in a solution composed of common (black) tea and sugar. In the proper temperature environment they multiply constantly. They do not build spores as yeast normally does, but instead multiply by a process of branching.

### **CHLORELLA**

Chlorella is a single-celled, fresh-water algae. Believed to be the first form of life with a true nucleus, chlorella dates back approximately 2.5 billion years, making it *pre-Cambrian*. Through the process of photosynthesis chlorella cells reproduce themselves by cell division at the rate of four new cells every 17-24 hours. It was not until the 1890s that chlorella was identified under the microscope. In naming it, the prefix *chlor* was selected to signify green, while the suffix *ella*, indicates small. Chlorella is the most researched algae in the world and remains the most popular with millions of consumers world-wide.

*Chlorella is a nutritionally balanced whole food* and contributes to the health and growth of human cells like no single vitamin or mineral possibly can.

*Chlorella is extremely high in protein (60%)* and contains more than 20 vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes and chlorella growth factor. It is one of the richest sources of RNA and DNA known and has twenty times as much chlorophyll as alfalfa, 10 times more than other edible algae including spirulina, and 10 times more than barley grass.

*Chlorella is a natural vitality enhancer.* The vitamins found in chlorella cells include: Vitamin C, provitamin A, B-carotene, chlorophyll a, chlorophyll b, thiamine (B1), riboflavin (B2), pyridoxine (B6), niacin (B3), pantothenic acid, folic acid, vitamin B-12, biotin, choline, vitamin K, PABA, lipoic acid, inositol and para-aminobenzoic acid. The minerals include: phosphorus, potassium, iodine, magnesium, sulphur, iron, calcium, manganese, copper, zinc and cobalt.

The amino acids include: lysine, histidine, arginine, aspartic acid, threonine, serine, glutamic acid, proline, glycine, alanine, cystine, valine, methionine, isoleucine, leucine, tyrosine, phenylalanine, ornithine, tryptophan.

The suggested daily consumption is 3 grams per day.
