I will say in advance that all information given this day is from Earth resource. I verify as to its intent and can lend credence to the information in general content. I will not assume further burden upon my people here to do otherwise. I simply tell you that this is as "inside" as any "insider" information you will EVER receive but I shall not jeopardize those sources in any way whatsoever.

NEW YORK TRADE CENTER

We are told that the full intent was to place enough bomb power in a strategic location as to cause full toppling of both of the Trade Center towers. There was utilized, we are told, 460 pounds of plastic explosives, brought in by "Secret Service" carriers and a specialized "team" placed the detonations. The ONLY thing that went wrong, chelas, is that the perpetrators underestimated the strength of the

buildings as constructed and did not use sufficient fire power to do the job.

SAN FRANCISCO

Information, also, is that San Francisco is the listed NEXT TARGET FOR A SIMILAR BOMBING.

WACO, TEXAS

This place, now called the Davidian Order cult center, is actually a center which has been for years a center in the mind-control operation of a "company" sequel to the Iron Mountain Project. Remember also, chelas, "company" is also a reference to the Intelligence Service. This place, as have been many others, was set up to study group mind-control based on "religion". The full incident was well planned and orchestrated—no more and no less.

It is rumored and pretty well confirmed that Jim Jones is now back from Israel, alive and well, and operating in Idaho. This is all a setup to create an atmosphere in

which "they" can raid and destroy a lot of "cults" in Idaho.

I know that Bo Gritz is questioned as to participation in these things—I make no comment on the matter.

I do know that ones from the Skinheads organizations and the leader of that particular group who was in Idaho continue to contact me through the *LIBERATOR*—**WE ARE NOT A GROUP, NOT AFFILIATED WITH ANY GROUP—PATRIOT OR OTHERWISE—AND CERTAINLY HAVE NO INTENT TO ALLY ANY OF OUR ONES WITH ANY SUCH CONNECTIONS.** ALL ONES MAY WRITE OR PETITION THIS PLACE AND/OR THE *LIBERATOR* JUST AS IS VALID WITH ANY PAPER—BUT WE DO NOT INVOLVE OURSELVES WITH ANY TYPE OF CIVIL DISOBEDIENCE OR THREAT AGAINST THE GOVERNMENT—NOW OR EVER. WHAT IS DONE TO CHANGE THAT WHICH HAS COME UPON YOUR NATION AND PEOPLE IS UP TO YOU TO CHANGE. OURS IS TO JOURNALISTICALLY GIVE YOU THAT WHICH IS TRUTH.

The Ankle Bone Connected To The Leg Bone...

THE SNAKE PIT WITH NO BOTTOM (Part 2 Of A Series)

by Ray Renick

As a subject and as my book-in-progress, *THE SLO CONNECTION* is completely out of control. Every time I go on the air or get something published, people contact me with "Do you know about this —" or "Let me tell you about —." The notes, documents, tapes, books, etc., would fill a small pickup truck. In the interest of brevity this episode will be nothing more than a series of "one-liners". Like the lyrics of the old song go, "The ankle bone connected to the leg bone."

Last week I wrote about Judge William P. Clark and Carol Hallett's connection to Kissinger Associates and the connections to International Drug Trafficking and Gun Running, KAL-007, Kennedy Assassination, Inslaw, etc., etc., etc. This week we'll concentrate more on the local angle.

Judge William Clark is associated with the SLO (San Luis Obispo, a small town on the south-central California coast) Law Firm of Sinsheimer, Schiebelhut and Baggett. Robin Baggett was the attorney for bikers (names withheld) who were heavy into trading of guns and drugs—sophisticated guns such as Uzis. The drugs (crystal meth) were produced on some property on the Nipomo Mesa. Baggett even held the title to the property. Several persons who crossed the organization were murdered and buried on the property. (A Xerox map is available. In fact everything is xeroxed and widely disseminated.) Journalist Tom Fulks of the *Arroyo Grande Times-Press-Recorder* may recall a newspaper article about a missing biker around 1985.

Another drug lab was the Anzalone Ranch on Highway 58 out of Santa Margarita. This lab was owned and operated by the Anzalone Brothers and Jerry Schlesinger. Their Sweet Springs Bar in Los Osos was a "retail" outlet for their products. My files contain the connection with this operation.

"New York Jerry" was sent out from New York to organize the West Coast

Biker Clubs as a drug distributing network which is also part of "Operation Zapata". Jerry Schlesinger had the same name as former Director of Central Intelligence James Rodney Schlesinger. Both were from New York. Both had connections to the CIA's "Operation Zapata" and William Clark's Zapata Cattle Company. Do you believe in coincidence?

William Clark's Law Firm, Sinsheimer, Schiebelhut & Baggett is geographically located in the center of San Luis Obispo. SS&B is politically located in the center of the secret government which rules the world. I have already shown how Clark and SS&B are connected to Henry Kissinger, George Bush, Ronald Reagan, the "Paperclip Nazis", The Bilderbergers, CFR, Trilateral Commission, Rockefeller, Committee of 300 and all the other "Big Wheels". Now I'll show the connections to the "Little Wheels".

Attorney Mark Woolpert (Whoops! Where have we heard that name before?) is connected to a Corporation which owns nursing homes (snake pits?). Nancy Reagan also had ownership in these nursing homes.

Robin Baggett of SS&B had many connections to the biker groups that were making and distributing drugs all over the West Coast. These biker groups (Hell's Angels, Bravados, Vagos) received most of their heroin and cocaine out of the Tijuana Drug Cartel run by Sicilia-Falcone.

Sicilia-Falcone's main salesman was Roger Frye. They were connected to Jerry Schlesinger and the Anzalone Brothers of Los Osos (California, near San Luis Obispo) and Long Beach. (Speaking of Long Beach, did Governor "Duke" ever get his wife's china back from "Buzzy"? She — Buzzy — was a notorious "pusher" in Long Beach.) Sicilia-Falcone had a "hit man", an assassin named Mike Decker (ex-Navy Seal?). Decker allegedly "took out" ex-Green Beret Steven Carr. Carr was on his way to Washington, District of Corruption, to testify before Senator John Kerry's Committee on Terrorism and Narcotics. (Now there's an interesting report. You have to read between the lines.) Danny Sheehan and the Christic

Institute also were anxious to talk to Carr. Steven Carr was an eyewitness to the drug connection between Manuel Noriega and George and Jeb Bush (Homestead AFB).

DEA Agent Enrique Camarena was mixed up with this bunch. (Was he a good guy or a bad guy?) Dennis Dayle, (a good guy) of DEA's Central Tactical Unit, was hot on the trail of this story. When "CENTAC" got too close to the "Big Wheels", the Government broke up "CENTAC" and "scattered it to the winds".

After the death of Camarena, the murderers were flown to John Hull's Ranch in Costa Rica. Hull is implicated in the Christic Institute's "Avrigan vs. CIA" about the La Penka bombing. The Ranch was a drop-off point for Ollie North's Contra supply planes and a trans-shipment point for Noriega's and Bush's drugs out of Panama and Columbia to Homestead AFB in Florida and Mena Airport in Arkansas (Clinton Connection).

Barry Seale, Eugene Hasenfus, Southern Air Transport are other names involved with the Contra supply operation. The man who supplied the planes for this Contra supply network was Robert Andrew Walker, aka Gunther Russbacher. Gunther is currently imprisoned in Missouri for "blowing the whistle" on the heinous crimes of George Bush. Special Prosecutor Judge Lawrence Walsh's Law Firm supplied the legal work for Southern Air. The fox always guards the chicken coop.

The Commanding Officer of the Special Forces Southern Command in Panama in mid-to-late 1970s was Colonel "Bo" Gritz. In Special Forces was a soldier previously mentioned named Steven Carr. Steven Carr, Colonel Bo, Colonel Cutolo (The Cutolo Affidavit), Noriega, Operation Watchtower, all had some connections. Operation Watchtower was connected to the cocaine flights coming out of Bogota and Medellin, Colombia. Several Officers and non-coms were murdered to maintain the cover-up of Manuel Noriega and Director of Central Intelligence George Bush's drug trafficking business. (I get terribly upset when Bo says he first learned about

Government drug trafficking from a Chinese warlord named General Khun Sa in December, 1986. Gimme a break! Even the "grunts" in Vietnam knew about the CIA and Air America moving cocaine by the tons!

So now the circle of connections is complete. From William P. Clark in SLO County (San Luis Obispo, CA) and his partners George Bush and Henry Kissinger, right back to Bush and Noriega and Bush's boss, Kissinger, in the secret government.

I apologize for being so sketchy and brief. When the final edition of my book *THE SLO CONNECTION* is complete, it will be as big as the Warren Commission Report. Each sentence in this article will be a chapter. I am compelled to write the truth as I have researched it. I guarantee that *THE SLO CONNECTION* will contain far less fiction than the Warren Report.

"And the leg bone connected to the hip bone — Now hear de word of de Lawd!" And may the *LIBERATOR* continue to bring you His Truth.

Truth is stranger than Fiction, but it is because Fiction is obliged to stick to possibilities; Truth isn't. -- Mark Twain

Please note that **Meningitis** is now going to become epidemic in your places of incarceration. This is a disease which can kill in miserable fashion and spreads quickly in jails, preschools, schools, etc. Be very aware, public, for your places of "incarceration" (all) are set to blossom with the epidemic. Keep working on that immune system for it is the ONLY way to survive as

the assaults come one upon another. Can't someone check out that "bad" patty meat? If YOU don't wake up, little babes, there is little hope for your survival.

Note also what is going on with employees of "Oak Ridge" (National Laboratory, in Tennessee), now run by Martin Marrietta Corporation. People are dropping like flies from all forms of malignancies, total fatigue and MERCURY POISONING. Again, the only countering element is to shore up the IMMUNE SYSTEMS individually. We can only offer—we cannot do more. [See next-to-last pages for product information.]

Note: Richard Armitage, of Golden Triangle (Southeast Asia drug trafficking) fame, as your head drug lord representing your U.S. Administrations, was just kicked out of "Russia" by Yeltsin. Watch the fancy footwork that goes on now. Armitage stupidly pronounced that Yeltsin was on his way out. Perhaps the Kissinger Associates pre-stepped the "two-step" across your enemy's territory? I find it interesting that "Little Tricky Dicky" was the ONLY one of importance surviving the new Administration Clinton monarchy—as, of all things, **Foreign Human Relations Head**, or something equally as absurd. THIS IS A DANGEROUS, DANGEROUS MAN!

THE ART OF GLOBAL POLITICS

Part I Of A New Series

2/23/93 #2 HATONN

GUNTHER K. RUSSBACHER

By permission we are going to begin, with this writing, a very special treat for you readers. Gunther has forwarded to me a copy of the beginning portion of his book regarding global politics. Yes, we have written on all the subjects covered here—but you need "his" background to prepare for that which WILL be coming in sequence as we move along here with his work.

We will also ask to begin running, as a series, Rayelan Russbacher's writings on "their" experiences. I believe you will find it most interesting and this will provide support for their efforts to free Captain Russbacher from his trumped-up incarceration in a Missouri prison. We must serve our brothers in every way possible in such circumstances. Yes, there IS a plan but it shall not be publicly revealed at this time. Let us simply

attend that which we have in hand. Thank you.

THE ART OF GLOBAL POLITICS
by Gunther K. Russbacher
(copyright 1992)

In order to understand and be able to identify the various factions at work in and during the previous administrations, it is desirable to find the common denominator, linking the various factions...watching as they form a cohesive relationship within the historical framework of the story of panglobalism. The diverse information available for scholars of today is magnificent compared to the sum total of knowledge of the years gone by.

During the course of my research into this subject matter, I received a list, a rather long and extensive list, showing the relationships between the European branches of Secret Societies and their American counterparts. The list fur-

thered my understanding that these so called factions actually were not singular units, scattered throughout Europe and America, but rather that these societies all shared a common history and were, therefore, one and the same, regardless of their respective names or agendas. Of course, even within and among these societies considerable internal differences manifest themselves with regard to ultimate goals or agendas.

The list of members reads like a Who's Who of American leaders, including numerous members of government, private industry, education, most of the press and media, as well as the military, and the cream of the crop of high finance. It included a good many names I had seen earlier, during the research phase of the first segment of this article. There seemed to be a common denominator—everyone on the list was either a member of the Council on Foreign Relations or the Trilateral Commission, with some members belonging to both organizations.

In order to bring these matters into proper perspective, it becomes necessary to bring forth these secret organizations and shed a little light into their dark and hidden nature. As the organizations had to present a beginning for comprehensive research, I shall choose to begin with the secret order of the "Illuminati".

* * * * *

The Illuminati was a secret order founded and established in Ingolstadt, Bavaria (Ingolstadt, landkreis Bayern) on or about May 1, 1776. It was known to be a Luciferic Order. The founder was none other than Mr. Adam Weishaupt, a prominent Freemason of his time. He was a lodge member in Ingolstadt. For the sake of the readers it must be known and most seriously stressed that the name Illuminati, or the Luciferic Order, does NOT (in this case) refer to Satan or Lucifer. It specifically refers to the state of the enlightened membership. The term "Luciferic Lodge" originated in the pre-Christian Egyptian mystery schools. At that time there was a belief in a dualistic material plane comprised of good and evil. Neither was elevated above the other. They were viewed as two sides of the same coin, two paths that must be walked to complete the earth experience. The designation "Luciferic Lodge" denoted a group of enlightened beings who came together and attempted to educate and enlighten humanity so that they could take their place in the universe next to their God.

Even though the Illuminati referred to themselves as a "Luciferic Lodge", it will soon be seen that their aims were anything but enlightening. They usurped the label "Luciferic" from the lodges who were genuinely concerned with the education and uplifting of humanity. It will be noted at various times throughout this article that something which started off having as its purpose, "the good of humanity", was usurped and perverted by the Illuminati and those who carry their banner in today's world. This was done for several reasons. The first and foremost reason was to hide the nefarious nature of their real purpose, the second reason was to ensnare innocent spiritual seekers and pervert them to their path.

The Illuminati established itself as an extension of high, or illumined Freemasonry, existing as a special order within an order. Its operations were closely connected with the powerful Grand Orient Masonic Lodge of France. The order's name translated literally as "the enlightened ones". This signified to all who were familiar with such secret Orders that the members had been initiated into the secret teachings of Lucifer, not to be confused with the Lucifer of the *Bible* or with Satan.

It must be remembered that these teachings came from a time that preceded Jesus and Christianity.

In the Egyptian mystery schools Lucifer was seen as the brightest and best among God's angels or messengers to Earth. Lucifer gave mankind the tools he needed to cast off the dark cloaks of ignorance and climb the ladder to enlightenment and finally return to God. Lucifer, the "light bearer", was seen as the source of enlightenment, according to the early doctrines of illumined Freemasonry. His fall from grace came after these teachings.

It must be stated that while the origins of the Masonic Order in the distant Egyptian past were benign, over the centuries the Order was taken over by men who perverted its teachings to further their own evil ends. The Illuminati Order was made up of such men. The Illuminati was designed for one purpose—to carry out the plans of High Freemasonry. These plans included creating a New World Order which would be ruled by the Masons. In the original concept of five thousand years ago, the only purpose for the World Order was to educate and enlighten. However, down through the ages the true purpose was lost to the masses and unenlightened Masons innocently flocked to the Illuminati and helped Adam Weishaupt gain a foothold in the key policy-making circles of European governments.

From within these circles, Illuminati members were able to influence the decisions of Europe's leaders. This technique has been carried down to the present time. In reference to the various governmental leaders, which the Illuminati had targeted for subversion, Weishaupt remarked:

"It is therefore our duty to surround them (the leaders) with our (The Illuminati) members, so that the profane may have no access to them. Thus we are able most powerfully to promote its (Illuminati) interests.

"If any person is more disposed to listen to the Princes than to the Order, he is not fit for It (the Illuminati), and must rise no higher. We must do our utmost to procure the advancement of Illuminati in all important civil offices.

"By this plan we shall direct all mankind. In this manner, and by the simplest means, we shall set all in motion and in flames. The occupations must be so allotted and contrived that we may, in secret, influence all political transactions."

For the Order's strategy to succeed, its activities and the many names of its members had to remain absolutely secret. Initiates were therefore ordered and sworn to secrecy, taking bloody oaths which described in detail the brutal and specific way they would be punished if they ever defected from the Order or revealed its plans. As another measure of internal

security, the Order and its correspondence would be conducted exclusively through the use of codes, symbols and pen names. Mr. Weishaupt's alias and pseudonym, for example, was Spartacus.

The Order was given a tremendous boost at the Masonic Congress of Wilhelmsbad, held on July 16, 1782. This meeting "included representatives of all the Secret Societies—Martinists as well as Freemasons and the Illuminati, which now numbered no less than 3,000,000 members all over the world." It enabled the Illuminists to solidify their control over the Lodges of Europe and to become viewed as the undisputed leaders of the ONE-WORLD movement.

It was decided at this Congress that the headquarters of the Illuminated Freemasonry should be moved from Bavaria to Frankfurt. Washington went on to denounce the Order in two separate letters written in 1798, and would once again warn the people of the United States of America against foreign influence in his farewell address to the nation. Concerned that the American people might fall under the sway of corrupt powers, Washington stated:

"Against the insidious wiles of foreign influence (I conjure you to believe me fellow citizens), the jealousy of a free people ought to be constantly awake; since history and experience prove that foreign influence is one of the most baneful foes of republican government. But that jealousy, to be useful, must be impartial, else it becomes the instrument of the very influence to be avoided, instead of a proper defense against it. Excessive partiality for one foreign nation and excessive dislike for another, cause those whom they actuate to see danger only on one side, and serve to veil and even second the arts and influence of the other. Real patriots, who may resist the intrigues of the favorite, are liable to become suspected and odious; while its tools and dupes usurp the applause and confidence of the people, to surrender their interests. The great rule of conduct for us, in regard to foreign nations, is, in extending our commercial relations, to have with them as little political connection as possible. So far as we have already formed engagements, let them be fulfilled with perfect good faith. Here let us stop."

If only this great country, America, had listened to President Washington's sound advice to a fledgling nation.

* * * * *

ILLUMINIZED HIGH FREEMASONRY

Although the Illuminati officially ceased to exist after its exposure in the 1780's, the continuation of its efforts would be ensured through the Grand Orient Lodge of

France. Working through the Grand Orient and the network of Illuminized Masonic lodges already put in place by Weishaupt, High Freemasonry would continue with its plans to build a New World Order.

One of the factors working in Freemasonry's favor is that it rarely, if ever, does anything covert or openly evil under its own name. In order to advance its respective agenda, it establishes other organizations, to which it gives its special and oftentimes dangerous assignments. All of which are carried forth in an extremely covert manner. The advantages must appear clear for, in this way, if anything goes wrong and the operation gets exposed, Freemasonry remains relatively unscathed, claiming it had nothing to do with the matter. This technique is one that has been employed numerous times in recent history by groups who have been well schooled in the arts of deception.

Throughout the late 1700s and all of the 1800s, illuminized Freemasonry would continue to operate in this fashion, creating new organizations to carry out the tasks begun by the Illuminati, frequently still collectively referred to as the Illuminati by many Agency Operations Divisions.

The first major "accomplishment" of illuminized Freemasonry was to incite the French Revolution through the Jacobin Society and Napoleon Bonaparte, who was groomed by them to initiate and bring about the beginnings of the New World Order. (The revolution that began in France in 1789 overthrew the French monarchy and culminated in the start of the Napoleonic era in 1799.) Illuminized Freemasonry would also receive help from Voltaire, Robespierre, Danton and Marat; all of whom were prominent Masons. The Jacobin Society's motives and connections were revealed when it named Weishaupt as its "Grand Patriot".

To continue the presentation of the issues it is imperative to fully understand that the United States had barely declared its independence from England when the same European forces began efforts to bring America's young banking system under their control. Alexander Hamilton, believed by some to have been an Illuminist agent, was at the forefront of this drive. President Thomas Jefferson, all too well aware of the plot to gain control of our banking system argued:

"If the American people ever allow private banks to control the issue of their currency, first by inflation and then by deflation, the banks and the corporations which will grow up around them, will deprive the people of all property until their children wake up homeless on the continent their fathers conquered."

During the mid 1800s, illuminized Freemasonry would be partly responsible for

inciting the great war between the states. Charleston, South Carolina, where the Secessionist Movement began, also happened to be the American headquarters of the Scottish Rite Freemasonry, at the time, a little known fact which Freemasonry has successfully kept from the unsuspecting public. The headquarters of the Scottish Rite were later moved to Washington, D.C., where they remain to this day. Others also spoke out quite strongly, urging the people to resist these coup attempts. Abraham Lincoln strongly resisted efforts by Illuminist forces to establish a privately controlled central bank. His foresight and wisdom (as I choose to call it) would prevent the establishment of such a system for another forty-eight years.

Just days before his assassination, President Lincoln warned:

"As a result of the war, corporations have been enthroned and an era of corruption in high places will follow and the money power of the country will endeavor to prolong its reign by working on the prejudices of the people until wealth is aggregated in the hands of a few and the Republic is destroyed. I feel at this moment more anxiety for the safety of my country than ever before, even in the midst of war."

* * * * *

COLONEL HOUSE AND THE LEAGUE OF NATIONS

In 1913, the persistent efforts of illuminized Freemasonry finally paid off with the creation of the Federal Reserve System, insuring European illuminists a permanent role in America's finances, along with giving them more money with which to further their particular cause. Some of this money would eventually go toward financing the Council on Foreign Relations, whose formation was influenced by a man named Edward Mandell House. (House's father, Thomas P. House, was a Rothschild agent who amassed a large fortune during the Civil War by supplying the South with essentials from France and England.)

Colonel House, as he was called, was an Illuminist agent committed to the one-world interests of the Rothschild-Warburg-Rockefeller cartel, serving as their point man in the White House. He apparently gained national prominence in 1912 while working to get Woodrow Wilson nominated as president. After the election, and subsequent win for Wilson, he became the president's most trusted personal advisor. House was to Wilson what Henry Kissinger would later be to President Nixon; he was, without question, the dominant figure in the White House, exerting his influence particularly in the areas of banking and foreign policy.

His numerous accomplishments as Wilson's chief advisor were diverse and many. Among some of the things, he successfully persuaded Wilson to support and sign the Federal Reserve Act into law. Later, realizing what he had done, President Wilson remorsefully replied:

"I have unwittingly ruined my country."

During World War I, which began within a year after the Act's passage, Colonel House would undertake secret missions to Europe as Wilson's chief foreign diplomat. It didn't take very long before he managed to drag the United States into the war in Europe (April 1917). As the war came to an end in 1918, House worked ever so diligently to help plan the League of Nations. Funded in part with Rockefeller money, the League of Nations was to serve as the first political step toward the forming and implementing of a world government.

President Wilson, as a result of House's counsel, would become the leading spokesman for the League of Nations, publicly viewed as the League's chief architect, in spite of the fact that it was House who really was the one who was in charge.

However, much to Wilson's dismay and real embarrassment, he could not even persuade his own country to join the newly founded organization. The American people strongly resisted this move toward globalization, placing increasingly heavy pressures on Congress to reject the absurd treaty, thereby keeping the United States out of the League.

The non-entry of the United States into the League of Nations represented a huge setback for Colonel House and the Internationalists. It appeared that there could be no World government without the active participation of the world's foremost and leading power. The setback, however, proved to be only temporary. The Globalists would (have) learned from this experience and would never again underestimate the power of a riled American people, or their Congress of lawmakers. To make sure that a similar incident didn't happen again a second time around, the cartel, working through Colonel House and his covert accomplices, established the Council on Foreign Relations.

THE COUNCIL ON FOREIGN RELATIONS

In order to properly receive the following information, it would seem prudent to bring forth a little of the actual history of this infamous Council. It is an organization deeply entrenched into our political system. No one has been spared; no party has been left out as the greed of a few has forced this organization down the throats of the

many Americans who stringently believe that we should not permit ourselves to get involved with monetary and governmental globalism.

Later in this exposé, I shall cite a number of articles, verbatim, as they appear in their organizational charter. The following excerpt is taken from the handbook of the Council on Foreign Relations, and gives a number of details pertinent to their establishment.

"On May 30, 1919, several members of the delegations to the Paris Peace Conference met at the Hotel Majestic in Paris, France to discuss setting up an international group which would advise their respective governments on international affairs. The United States was represented by General Tasker H. Bliss (Chief of Staff, U.S. Army), Colonel Edward M. House, Whitney H. Shepardson, Dr. James T. Shotwell, and professor Archibald Coolidge. Great Britain was unofficially represented by Lord Robert Cecil, Lionel Curtis, Lord Eustace Percy, and Harold Temperly. It was decided at this meeting to call the proposed organization the Institute of International Affairs. At a meeting on June 5, 1919, the planners decided it would be best to have separate organizations cooperating with each other. Consequently, they organized the Council on Foreign Relations, with headquarters in New York, and a sister organization, the Royal Institute of International Affairs, in London, also known as the Chatham House Study Group, to advise the British Government. A subsidiary organization, the Institute of Pacific Relations, was set up to deal exclusively with Far Eastern Affairs. Other organizations were set up in Paris and Hamburg, the Hamburg branch being called the institut fuer Auswaertige Politik, and the Paris branch being known as Centre d'Etudes de Politique Etrangere."

Baron Edmond de Rothschild of France dominated the Paris Peace Conference, and each of the founders of the Royal Institute ended being men who most certainly met Rothschild's approval. The same was true for the Council on Foreign Relations, which was not officially formed until 29 July, 1921.

Money for the founding of the CFR came from J.P. Morgan, Bernard Baruch, Otto Kahn, Jacob Schiff, Paul Warburg, and John D. Rockefeller, among others. Obviously this was one and the same crowd of moneyed men who were instrumental in forming the Federal Reserve. The Council's original board of directors included Isaiah Bowman, Archibald Coolidge, John W. Davis, Norman H. Davis, Stephen Duggan, Otto Kahn, William Shepard, Whitney Shepardson, and Paul Warburg.

It must be mentioned, for the record, that numerous well known American politicians (I shy away from the term States-

man) have served in prominence on the Council's board. Some of the more prominent who have served in the capacity of directors, since 1921, include Walter Lippmann (1932-37), Adlai Stevenson (1958-62), Cyrus Vance (1968-76), Zbigniew Brzezinski (1972-77), Robert O. Anderson (1974-80), Paul Volcker (1975-79), Theodore M. Hesburgh (1976-85), Lane Kirkland (1976-86), George H.W. Bush (1977-79), Henry Kissinger (1977-81), David Rockefeller (1949-85), George Shultz (1980-88), Alan Greenspan (1982-88), Brent Stowcroft (1983-89), Jeane Kirkpatrick (1985-present), and last but surely not least, Richard B. Cheney who has served from 1987 through 1989. Obviously a number of these people served more than one master!

It must be noted that most of the above-mentioned occupied—in some form—Cabinet posts while actively engaged with the Council on Foreign Relations **[Note that ALL cabinet members at present ARE**

ON THE CFR (1993)]. Such an act is at least questionable, in that it goes beyond the borders of Law and Ethics. However, that is not to infer that the persons mentioned herein are anything but "good, decent and hard working Americans, out to do their very best for their Masters"! Please take several deep breathes of air in the event that you feel that you and your country have been sold to foreign interest groups!

No decision as to why, what or how to deal with the issue must be made at this time. We can well not avoid facing the issues which demand to be heard. However, before the reader determines what must be done to protect American interests from pan-Globalism, it behooves us to know a little more about the nature of the beast with which we must do battle. A little further discourse on the subject appears called for.

SOME "CULTURAL" PRECURSORS OF ROBOTIDS AND THE SNAKE PEOPLE (Section 2 Of Part III)

This article will continue with the subject of "Odin", his origin, descendents and "mysteries". The subject is all part of the effort to uncover aspects of the "hidden" government of our world and its connections to the Khazars of the "ruling class", to the wealthy financiers and merchants, to Freemasonry and also, for example, to the Ophite Gnostics (who call themselves the "snake people").

The American College Dictionary gives the following definition of "Odin": "Scandinavian Myth, the chief deity, being the god of wisdom, culture, war and the dead. Also, Othis [t. Ice: m. Odinn, c.E. Woden, G. Wotan]." Keep these definitions in mind as we go along. Also, keep in mind what I have already written about the "Thule Society" in the 12/1/92 issue of the *PHOENIX LIBERATOR*—for here in the "Odinic Mysteries" we learn more regarding the "root" and therefore the "branches" of this secret group (the Thule Society) from Scandinavia!

Recall, last week, from Section I. of this article, that both Tyr and the Saxon Chief, Witikind, were said to be descended from "Odin" (AKA Woden). Witikind is also the ancestor of the present Queen of England. "Tyros" (The Prince of Tyre, AKA Hiram, "King of Tyre") was shown to be "Lucifer", according to his description in the Biblical *Book of Ezekiel*, Chapter 28. "Tyros" was

also declared to be a man, in the same chapter! Therefore, the conclusion can only be that "Odin" was also a man!

I explained in Section 1 how contact could have been made and kept between the people of the Mediterranean, Black Sea, Europe and the Baltics through sea and land trade routes. There is an additional record of "Odin" and his descendents to be found on page 28 of the book, *The Secret Teachings of All Ages*, wherein the "Odinic Mysteries" are explained. I will quote this article at length for your information.

BEGIN QUOTING: (Emphasis mine, Nora)

The date of the founding of the Odinic Mysteries is uncertain, some writers declaring that they were established in the first century before Christ; others, the first century after Christ. Robert Macoy, 33rd degree, gives the following description of their origin: "It appears from northern chronicles that in the first century of the Christian era, Sigge, the chief of the Asir, an Asiatic tribe, emigrated from the Caspian sea and the Caucasus into northern Europe. He directed his course northwesterly from the Black Sea to Russia, over which, according to tradition, he placed one of his sons as ruler, as he is said to have done with the Saxons and the Franks. He then advanced through Cimbria to Denmark, which acknowledged his fifth son, Skold as its sovereign and passed over to Sweden,

where Gylf, who did homage to the wonderful stranger, and was initiated into his mysteries, then ruled. He soon made himself master here, built Sigtuna as the capitol of his empire and promulgated a new code of laws, and established the sacred mysteries. He, himself, assumed the name of Odin, founded the priesthood of the twelve Drottars (Druids?) who conducted the secret worship, and the administration of justice, and, as prophets, revealed the future. The secret rites of these mysteries celebrated the death of Balder, the beautiful and lovely, and represented the grief of Gods and men at his death, and his restoration to life. (General History of Freemasonry.)

"After his death the historical Odin was apotheosized, his identity being merged into that of the mythological Odin, god of wisdom, whose cult he had promulgated. Odinism then supplanted the worship of Thor, the thunderer, the supreme deity of the ancient Scandinavian pantheon. The mound where, according to legend, King Odin was buried is still to be seen near the site of his great temple at Upsala."

The twelve Drottars who presided over the Odinic Mysteries evidently personified the twelve holy and ineffable names of Odin. The rituals of Odinic Mysteries were very similar to those of the Greeks, Persians and Brahmins, after which they were patterned. The Drottars, who symbolized the signs of the Zodiac, were the custodians of the arts and sciences, which they revealed to those who passed successfully the ordeals of initiation. Like many other pagan cults, the Odinic Mysteries, as an institution, were destroyed by Christians, but the underlying course of their fall was the corruption of the priesthood.

Mythology is nearly always the ritual and the symbolism of a mystery school. Briefly stated, the sacred drama which formed the basis of the Odinic Mysteries was as follows:

The Supreme, invisible Creator of all things was called All-Father. His regent in Nature was Odin, the one-eyed god. Like Quetzalcoatl, Odin was elevated to the dignity of the Supreme Deity. According to the Drottars, the universe was fashioned from the body of Ymir, the hoarfrost giant. Ymir was formed from the clouds of mist that rose from Ginnungagap, the great cleft in chaos into which the primordial frost giants and flame giants had hurled snow and fire. The three gods — Odin, Vili, and Ve — slew Ymir and from him formed the world. From Ymir's various members the different parts of Nature were fashioned.

After Odin had established order, he caused a wonderful palace, called Asgard, to be built on the top of a mountain, and here the twelve AESIR (gods) dwelt together, far above the limitations of mortal

men. On this mountain also was Valhalla, the palace of the slain, where those who had heroically died, now fought and feasted day after day. Each night their wounds were healed and the boar, whose flesh they ate, renewed itself as rapidly as it was consumed.

Balder the beautiful — the Scandinavian Christ — was the beloved son of Odin. Balder was not warlike: his kindly and beautiful spirit brought peace and joy to the hearts of the gods, and they all loved him save one. As Jesus had a Judas among his twelve disciples, so one of the twelve gods was false — Loki, the personification of evil. Loki caused Hothr, the blind god of fate, to shoot Balder with a mistletoe arrow. With the death of Balder, light and joy vanished from the lives of the other deities. Heartbroken, the gods gathered to find a method whereby they could resurrect this spirit of eternal life and youth. The result was the establishment of the Mysteries.

The Odinic Mysteries were given in underground crypts or caves, the chambers, nine in number, representing the Nine Worlds of the Mysteries. The candidate seeking admission was assigned the task of raising Balder from the dead. Although he did not realize it, he himself represented Balder. He called himself a wanderer; the caverns through which he passed were symbolic of the worlds and spheres of nature. The priests who initiated him were emblematic of the sun, moon, and the stars. The three supreme initiators — the Sublime, the Equal to the Sublime, and the Highest — were analogous to the Worshipful Master and the Junior and Senior Wardens of a Masonic Lodge.

After wandering for hours through the intricate passageway the candidate was ushered into the presence of a statue of Balder the Beautiful, the prototype of all initiates into the mysteries. This figure stood in the center of a great apartment roofed with shields. In the midst of the chamber stood a plant with seven blossoms, emblematic of the planets. In this room, which symbolized the house of the AESIR, or Wisdom, the neophyte took his oath of secrecy and piety upon the naked blade of a sword. He drank the sanctified mead from a bowl made of a human skull and, having passed successfully through all the tortures and trials designed to divert him from the course of Wisdom, he was finally permitted to unveil the mystery of Odin — the personification of wisdom. He was presented, in the name of Balder, with the sacred ring of the order; he was hailed as a man reborn; and it was said of him that he had died and had been raised again without passing through the gates of death.

Richard Wagner's immortal composition, *Der Ring Des Nibelungen*, is based upon the Mystery rituals of the Odinic cult.

While the great composer took many liberties with the original story, the Ring Operas, declared to be the grandest tetralogy of music dramas the world possesses, have caught and preserved in a remarkable manner the majesty and power of the original sagas. Beginning with *Das Rheingold*, the action proceeds through *Die Walkure* and *Seigfried* to an awe-inspiring climax in *Gotterdammerung*, "The Twilight of the Gods."

END QUOTING

There is a representation of the "nine worlds of the cosmic universe" also shown in the article with their various denizens, or inhabitants listed. This representation is shown on the next page. It is said that "during the process of initiation the soul of the candidate — liberated from its earthly sheath by the secret powers of the priests — wanders amidst the inhabitants of these various spheres." (Emphasis mine, Nora.)

You will note that "Midgard" is in the center, or middle realm where man is located. Further, Asgard is at the top (heaven), and Hel-heim below. The other spheres have not been included in previous systems already mentioned in Section 1. However, the idea of seven planetary rulers or "seven Archons" is continued in these "Odinic Mysteries" and it is admitted that these "Mysteries" were "very similar to those of the Greeks, Persians and Brahmins" (in other words, Gnostic). One wonders what kind of "secret powers" the priests had and what was in that "sacred mead"!?!

It may be a good idea here to include more information on Japheth, one of the sons of Noah, whose family settled in the area of the Caucasus Mountains, the Black Sea, the Caspian Sea and the Sea of Azov (the area of Odin's origin). Japheth had seven sons: Gomer (whose "sons" were later called Goths and also Germans or Saxons); Magog (the peoples of Magog have a primary role in the "end times" of the *Book of Revelation*); Madan and Javan (said to be the forefathers of the people of Greece and/or Anotolia); Tubal (a "Chief-Prince" mentioned in the *Book of Revelation* to be aligned with "Gog and Magog"); and Meshech (a trader or merchant in the Black Sea Area, also to be aligned with "Gog and Magog" and the "Chief Prince of Tubal" in battles of the "end times"); and Tirias (AKA Tyrus, the Prince of Tyre, an autonomous, merchant city-state of Phoenicia).

The people from the area of Japheth's "family" have been identified as "Khazars" by Hatonn. They are also known as Ashkenazi, among other names (*Genesis* 10:1-5). Gog and Magog are identified as China and Mongolia-Russia by George M. Lamsa in his translation of the *Peshitta*

THE NINE WORLDS OF THE ODINIC MYSTERIES.

The Nordic Mysteries were given in nine chambers, or caverns, the candidate advancing through them in sequential order. These chambers of initiation represented the nine spheres into which the Drottars divided the universe: (1) Asgard, the Heaven World of the Gods; (2) Alf-heim, the World of the light and beautiful Elves, or Spirits; (3) Nifl-heim, the World of Cold and Darkness, which is located in the North; (4) Jotun-heim, the World of the Giants, which is located in the East; (5) Midgard, the Earth World of human beings, which is located in the midst, or middle place; (6) Vana-heim, the World of the Vanes, which is located in the West; (7) Muspells-heim, the World of Fire, which is located in the South; (8) Svart-alfa-heim, the World of the dark and treacherous Elves, which is under the earth; and (9) Hel-heim, the World of cold and the abode of the dead, which is located at the very lowest point of the universe. It is to be understood that all of these worlds are invisible to the senses of man, except Midgard, the home of human creatures, but during the process of initiation the soul of the candidate—liberated from its earthly sheath by the secret power of the priests—wanders amidst the inhabitants of these various spheres. There is undoubtedly a relationship between the nine worlds of the Scandinavians and the nine spheres, or planes, through which initiates of the Eleusintan Mysteries passed in their ritual of regeneration.

(the Bible) from the Aramaic language (see Bibliography). Therefore, that Sigge (later to be apotheosized as "Odin") came from this area to the Baltics and Europe about the first century B.C. (or perhaps A.D.) and set himself and his descendents to rule over Russia, Sweden, Denmark, the Saxons and Franks (Germany-Prussia-France) is significant to our knowledge about the movements of these peoples. In fact, the Baltic area was at one time called "Gothland". We find the name still in various language translations as "Gotland", "Jutland", etc. Those "Jutes" who were early invaders of England were in fact "Goths".

The *Jewish Encyclopedia* has some additional comments for us on "Japheth": The name "Japheth" is derived, according to *Genesis 9:27*, from the Aramaic root "to extend", in allusion to the expansion of the Japhetites.... "In Rabbinical Literature: Japheth is considered by the Talmudists to have been the eldest son of Noah (*Sanh.* 69b; *Gen. R.* xxvi.). The reason why Shem's name always appears first is that the sons of Noah are named in their ability (i.e., as wise men, among whom Shem excelled; *Sanh.* 1.c.). According to the *Midrash*, the prosperity of Japheth is alluded to in *Ps. i.3*: "and whatsoever he doeth shall prosper" (*Gen. R.* 1.c.). In fact, according to several commentaries, *Gen. ix.27* is interpreted to read (see *Japheth, Biblical Data*) thus: "The law will be explained in the beautiful language of the Greek descendents of Japheth" (a reference to the Greek *Septuagint*).... "According to the *Targum psuedo-Jonathan* (ad loc.), the passage means that the descendents of Japheth will become proselytes and will study the Law in the schools of Shem...." "When God blessed NOAH and his sons (*Gen. ix:1*), He in blessing Japheth promised that all his sons should be white; and he gave them as their portion deserts and fields (*Pirke R.El.xxiv.*)"

The *Jewish Encyclopedia* and the *Encyclopedia Judaica* both interpret *Ezekiel 39:11* to mean that "Gog, his descendents, would have the privilege of being buried in Erez Israel and would therefore enjoy the Messianic era (*Gen. R.* 36:6)." I quote below the Biblical book of *Ezekiel 39:11* for your own reading and discernment:

"And it shall come to pass in that day that I will give unto Gog a place there of graves in Israel, the valley of the passengers on the east of the sea: and it shall stop the noses of the passengers: and there shall they bury Gog and all his multitude: and they shall call it The Valley of Hamongog (interpreted as the multitudes of Gog)."

Hatonn has said that the invasion spoken of in *Ezekiel 39* is by Gog and Magog

(China & Russia) over the North Pole and into the U.S. of A., for Israel (with a small i) means God's people. The U.S. of A. was the only country established under God!

In regard to the above, it is well to remember that the "Khazars" converted to Judaism about 747 A.D.

I have been unable to find an Asiatic Tribe known as "Asir" in my sources. A possible connection may be in the name of the Sea of Azov. This name, Azov, would be translated into different languages with various, interchangeable consonants and vowels. In fact, *Gaskell's Dictionary of All Scriptures and Myths* shows several versions of the name "Asir" (i.e., Asar, Ases, etc.) We know the "Khazars" had a capital on the Sea of Azov at Itil (AKA Atil) at one time. It is interesting how, when Sigge was apotheosized to be the god "Odin" that some of the "Asir" became "Aesir", prophets and priests of the new cult! "The Prophecy of the Seeress, Voluspa" found in the book, *The Poetic Edda*, provides more information on "Balder" of the "Odinic Mysteries" as well as a prophecy of the "end times". According to the Introduction to this poem, which provides a "thoughtful philosophical introduction to Norse Cosmogony", a question as to Balder's origin arises because of the Christian elements in the story. Knowledge of the fundamentals of Christianity pervaded the North during the ninth and tenth centuries A.D., the "Viking Age". "Voluspa" also seems to predict the second coming of Christ. However, many scholars believe this part of the poem is an interpolation, that much of the material was "added later to a compositionally younger eschatological poem." In this and other Norse poems, the name of "the world-encircling serpent" is the "Mithgarth-Worm". He is slain during the "end times", and-or the "Twilight of the Gods".

The *Poetic Edda* contains a great deal of information regarding the "Goths" and their genealogies. Atilla the Hun's activities play a prominent part, as well as forays into Europe, the Rhineland, etc. The "ruling class" of Goths apparently did think of themselves as "gods", according to these accounts.

Further, there is a *Catalogue of Dwarfs*, forming the stanzas 9-16 of the *Voluspa*, which scholars believe is an interpolation and it is therefore placed at the back of the book. Curiously enough, the account sounds like — to bring robotoids into this discussion — the "gods" (AKA Aesir?) were making Golems! I will quote stanzas 9 and 10 for you. Stanzas 11-16 list the names of the dwarfs and are of no consequence for our purpose:

The Catalogue of Dwarfs

9. Then gathered together the gods

for counsel, the holy hosts, and held converse, who the deep-dwelling dwarfs was to make of Brimir's blood and Blain's bones. (two giants)

10. Motsognir (mankind) rose, mightiest ruler of the kin of dwarfs, but Durin (a dwarf) next; molded many manlike bodies the dwarfs under earth, as Durin bade them. (Parentheses mine, Nora.)

There were two groups of "gods" in the Norse legends. The first were the "Vanir", which were later eclipsed by the "Aesir". It is possible the "gods" indicated in the above stanzas were of the more ancient people. Still, the information corresponds directly with Ophite Gnosticism. So I am inclined at this point to believe that Sigge brought the information with him and it, as a result, became part of the "Odinic Mysteries". I say this because, according to the *The Secret Teachings of All Ages*, the "Odinic Mysteries" borrowed parts from the Greek, Persian and Brahmin Cults (AKA Gnostics).

There are additional connections to the Masons in the "Odinic Mysteries":

1. Odin was a one-eyed god! The single open eye above the pyramid is a prominent symbol of masonry.

2. It was said in the *Poetic Edda* that Odin discovered the "magical runes". These runes are found carved on many ancient stones and artifacts in Scandinavia — often enclosed within a figure of a snake.

Many runes are shown in *The History of Freemasonry*, by Mackey, as "Mason's Marks." These "Marks" also include symbols and letters from other languages and cultures as well.

3. There is possibly another connection to be found in "Dr. John Coleman's" book, *Conspirators' Hierarchy: The Story of the Committee of 300*. On page 265 "Dr. Coleman" presents a chart of this committee. Under the Royal Institute for International Affairs there is listed Freemasonry and Secret Societies. Under this is listed "9 unknown men". Remember, the monarch of England is related to Odin and the Goths. Further, those nine caves that the candidate traversed during his initiation into the Odinic Mysteries were the seats of nine men, "Aesirs" (AKA Asirs) from Gothland, who represented the Sun, Moon and Seven Planets of the Gnostics!

A further note regarding the correlations between the "Odinic Mysteries" (and-or "Northern legends") and Christianity is the account of a "Trinity" of "gods" (Odin, Vili, and Ve), as well as the "dying-resurrecting" "God" (Balder, etc.). In *The Prose Edda* is an account of Atilla the Hun's

encounter with Theodoric, the Roman Emperor from 454 A.D. through 493 A.D. Theodoric (AKA Thjothrek in Gothic) is known as "The King of the Goths"! I will be coming back to the history of the Christian Church. Nevertheless, it is important to begin to see the strong influences played in its development by persons whose loyalties and-or personal leanings were elsewhere! The Emperors chose the "Popes" in the early centuries of the Roman Catholic Church.

While it is true the "Goths" fought hard among themselves, there was still a strong tie that bound them together in the person of their "king". Also, as is clearly shown in the example of the "Odinic Mysteries", they were inclined to set up their own religions!

We see, also, in the account of the sons of Japheth (and-or the Goths), more "glimmers" about the Nazi drive for a "pure race" of "Nordic types". The "ruling class" of the Goths were very careful to marry within their group (according to *The Prose Edda*). Also, that Jewish sources believe God promised, in his "blessing to Japheth", that all his sons would be "white" is rather startling! I was unable to confirm the reference quoted in the *Jewish Encyclopedia* as it is from a work not readily available. However, it would be difficult indeed for me to believe that "God" ever gave such a "blessing"! When one considers the many, many choices that man can make, and the vast numbers of Japheth's sons, the "blessing" is surely not of "God".

At this point you may want a little more information on the genealogy of the "English" Monarchy. At a time when the "Christian" church was being established, the rulers of England claimed descent from "Odin" through Cerdic (AKA Cedric), a Saxon who invaded England from Brittany (now part of France) in 494 A.D. He was also a descendent of Gewis, for which his "tribe" was named (Ref: *The Anglo-Saxon Chronicles*).

The later Guelfs, besides having roots in Witikind's family, were also related to Odoacer, another "King of the Goths" and "Holy Roman Emperor", who reigned in Rome from 476 A.D.-493 A.D. His descendants, which included Theodoric, held the rule through four succeeding centuries! Also, the first Roman ruler, at the time the "Holy Roman Catholic Church" became a state-church, was Constantine, who also had relatives in Greece, Russia, etc. A branch of the family of the Guelfs was also active in Italy during the Middle Ages, supporting the Papacy. At that time their family name was "Donati". They were a family of "nobles" who had secured their wealth through trading!

One must consider the circumstances surrounding the formation and development of the "Christian" church, when

considering how errors may have crept in. "Religions" are a means of great wealth, and also control. According to Barbara Mertz in her book, *Temples, Tombs and Hieroglyphs*, the priests of Thebes owned one-third of the property in Egypt at the time of Akhenaton, and more of the wealth!

A more recent example of a Monarch "setting up his own religion" is that of King James, King of England, who in 1611 A.D. broke with the Roman Catholic Church over the question of divorce. King James demanded his "divine right of kings", changed some wording in the *Bible*, set up the Church of England, and remarried! From this episode we got *The King James Version of the Bible*.

However, if you study *Bible* history you know that this was not the first change. A good summary of English translations and usage up to the time of King James is to be found in the Introduction, by Lloyd E. Berry, to *The Geneva Bible, A Facsimile of the 1560 A.D. Edition*. One of the "controlling" factors over "religion" held by the Kings of England was the "licensing" of various versions of the *Bible* (an account of this practice is also given by Mr. Berry). If you read the Introduction to *The King James Version* you will see how carefully the compilers thereof approached the King for his approval.

When you see, in the same Introduction, that King James was also King of France and Ireland, you get a better picture of how these people have controlled and manipulated our world, and the power held by a very few families down through the centuries. One wonders if Queen Elizabeth still "licenses" or "authorizes" the present version of the *King James Version of the Bible*? She is still head of the Church of England!

It is time to begin to look at the larger picture regarding the people who influenced the "religions" of our world. We see a strong link between the rulers, the heads of religious groups and that aggressive group out of the area of the Black Sea, Caucasus Mountains, Caspian Sea, Persia, Greece, etc. We have seen in this, and my earlier article, that they have influenced (or set-up) the Gnostic beliefs, some of the Jewish, the Odinic, some of the Islamic, some of the Christian as well as Brahminic religions, Secret Societies, and Nazism. Further, it appears that certain themes (or teachings) have been promulgated rather consistently.

In the past many historians, or students of comparative religion, have theorized that these teachings were a natural growth and development in man's search for Truth, mostly due to the preponderance of them. They also, in finding continuing, underlying themes, were inclined to believe that all at least started with some basic truths. One needs to look at the

matter from another angle: that our records of the Truth, God's Laws and the Laws of Creation, by which man is to live, have been corrupted, mostly by a single, on-going group and their agents acting with power, wealth and media control among all of the various religions, in spite of all the ardent attempts made to preserve "Truth". Man cannot preserve "Truth" when he is ignorant of it and doesn't discern the often subtle methods of corruption. Still, man always carries with him that voice of conscience, which reminds him when God's Laws are violated. Man can know the Truth within himself if he listens.

Today's News And Bombings

2/26/93 #2 HATONN

As things seem to be falling upon you—take control. You cannot do much about the things such as the New York Trade Center—but you CAN attend that which is in your living room.

**** MAYNARD CAMPBELL ****

In the case of **Maynard Campbell**, (see information insert on page 15)—the court did not convene on that matter today (Friday), so there is no conclusion to offer. Court will reconvene on Monday and perhaps some information will begin to flow early in the week. You ones are all being hit very hard now so all I can offer is to urge you, each and every one, hold the course and keep the Light about you as the happenings pick up and the whirlwinds swirl. God is sufficient to the day and the needs if you but hold to the Truth and stay the path.

TRADE CENTER

The explosion of this morning was from UNDER the center itself and that should tell you the tale. We have warned you over and over that the more recent plans for getting your attention would come from explosions under that city. But better take another look, little ones, just yesterday afternoon an explosion of the same magnitude was felt for a 70 mile radius around Houston, Texas. The media in both instances are relating that there is no known REASON. It is all part of the same thing, so stay alert. These are warnings and if you don't shape up and your "big boys" don't meet the requirements of your enemy—the whole of New York will likely go up. You have to remember that the infrastructure, especially of New York, is old and outdated—and deadly without shaking and blowing. If you get massive chain reactions underground it will take out the water and sewer systems as well.

To the rest of you around the nation—you have been set up with terrible rains, etc., so that everything is ripe for massive slippage and other "unnatural" disasters. Keep prepared, keep those supplies at ready and for goodness sakes—pay attention.

You who are here in Tehachapi at the Ekker property with the tents and press—hold the course and let's allow the proper sequence to take its course.

UTAH

Since we have so many friends in Utah

and Colorado it is important that you ones know that the National Guard, police and Federal Marshals arrived en masse yesterday and day before yesterday in Moab, Utah and surrounding area—**for some little ol' training exercises. Seems they are touting a mid-March experience of some kind. Keep us posted and we'll keep you posted.**

Ekker Property And RTC Tricks

2/26/93 #2 HATONN

THE LOCAL MISERY BULLETIN
BOARD

I shall leave the details to the Editors for there is too much for Dharma to do than to sit here and bear her soul. The long and short is that the Bankruptcy Judge refused to even acknowledge the filing of transfer records, refused to allow speaking and refused to grant even a week's stay to remove furnishings. The RTC now has control and is blackmailing the Ekkers into **signing declarations relieving all "litigants" who perpetrated fraud and criminal actions prior to and including the RTC in this matter or INSTANT removal from the property—in spite of ongoing negotiations. The RTC has priced the property out of sight of any purchaser and now controls the full execution—they think.**

The Constitutional Law Center is in touch with Washington RTC and other pertinent involved parties—but it is a nasty show-down. So, large military tents are set up next door with ability to gather the community and move out property into the tents on notice. This is a massive, massive job as offices, diesel tanks, generators, aviaries, etc., are on the property also. The point is to get full UPI and AP coverage as well as local (L.A., Bakersfield, Fresno Bee, etc.) coverage—and any other paper and media who you can rouse to the issue.

(Editor's note: Please also see the Constitutional Law Center summary of the Ekker case and local call for your support on page 21.)

TAKE A STAND

I must tell you that Ekkers are about to the breaking point but we have come this far against the evil empire and if we have to take this one more debilitating step—so be it.

I must remind you, chelas, that the shackles are upon you and the last bastion of hope is in taking a stand in the only way

they seem to understand—IN THE PUBLIC IN DISCLOSURE IN THE PRESS OF THE ONES WHO ARE EFFORTING AT ALL COSTS TO AVOID COVERAGE. I WOULD THINK THE PERPETRATORS WOULD SIMPLY "SETTLE" AND TAKE THEIR CHANCES OF THE PUBLIC NOT "HANGING" THEM LATER—BUT THE "ADVERSARY" NEVER SEEMS TO KNOW THE LIMITS OF HIS OWN STUPIDITY. THE PRESS IN THIS TOWN HAS DONE EVERYTHING TO COVER THIS FROM PUBLIC ATTENTION BUT I BELIEVE THAT IT IS GETTING RATHER "SERIOUS" LOOKING AT PRESENT. IT HAS BEEN SNOWING THIS

MORNING WHILE THE TENTS WERE BEING ERECTED AND IT REALLY DOESN'T LOOK TOO GOOD.

It especially doesn't look too good when you consider the **BONUSES GIVEN THE RTC HIERARCHY ONLY A FEW DAYS AGO BY THE DEPARTING HEAD OF SAME.** I wonder if you sleeping lambs will ever awaken and see what is upon you.

Please, all of you who are hoping that we can dig out and help YOU in your own fights—hold to the prayers for strength and publicity for these ones so that we might move on to another day.

George Green's Latest Shenanigans Surface

2/26/93 #2 HATONN

GEORGE GREEN—LATEST ATTACK

George Green has dealt these ones another low blow. You who have followed this case from onset will remember that one Jason Brent, who was municipal court judge and first ruled and "had" the Ekkers strung out to hang is now being urged by George to go after the Ekkers. Brent is an outspoken critic about the *LIBERATOR*—but of course also knows that, if Ekkers ever are able to get into a hearing (trial) in the matter, will line him up also—so we shall see if sense prevails in his mind. However, George has set up Leon Fort and his "conspirators" to go through Jason Brent to "wipe-out" the Ekkers because "...he will know all about them." This is about to go too far for George has now so interwoven these people into his scam-plan that they cannot be overlooked, either, by the Institute or the Ekkers personally. It is claimed that Ekkers have somehow taken funds—NO, NO AND NO-NO, not so—not a cent nor a gold farthing. **So far George is the ONLY one who has DONE BOTH!**

It is now found that Gary Anderson was taking, via help within the Constitutional Law Center and America West, funds intended for the Law Center and other distribution points such as the Institute. Gary Anderson was endorsing and depositing same in a Colorado Bank and then transferring by cashier's checks made out to George Green. How much? One or more? Have absolute proof of one \$2700+ transaction THIS WEEK!

George now refuses to willingly turn over the gold in his possession and has acquired a new attorney. It is sad that he has done this because this man is Dave Horton, who also has a radio program for

patriots and new concepts to air. He is now going to find himself greatly discredited in the process. He plans to set up depositions in Texas with D.O., owner of the gold, etc. Here we go with massive legal bills and, at best, George may even sneak by on the pretext of something or other—but what in the world is he going to do with the IRS? If he has set on over \$350,000 in gold assets in his possession—uncle Sass is not going to like it much. As to the other packets he has scarfed off while telling you "sharers" that he could take gold and handle it for you—I can only remind you that you need to contact the *LIBERATOR* IMMEDIATELY!

[Editor's note: Please see pages 16-17 of last week's LIBERATOR for more on these unbelievably unethical shenanigans. As was mentioned in last week's LIBERATOR, it is requested that anyone out there among our readers, who may have directed any significant amount of money, gold or other assets TO The Phoenix Institute or Constitutional Law Center for various specific projects or uses of any kind, THROUGH the route of George Green or America West, please leave a toll-free message with THE PHOENIX LIBERATOR, at 1-800-800-5565, and your concern will be forwarded to the Institute's Board of Directors for investigation and status reported back to you in private.]

Gary Anderson has been to prison for his cute little shenanigans with gold and coins, and has lost investors, prior to his prison incarceration, over \$7 million. He is already in violation of probation and the "association" with Mr. Green is not too healthy under any circumstances.

At the time Greens moved to Carson City, Mr. Anderson was setting up "some type of business operation" in Reno (just a hop away from Carson City). Is there connection? Golly-gee, who knows? But I am tired of the blatherings continuing and the misuse of documents which now lock-in legal action against a few misunderstanding persons who bit on his scheme of destruction. They are now locked into being recognized by law to be conspirators in the plan and for a couple of these people it is indeed sad for they are not well to begin with. However, CORPORATE law DEMANDS that action in countering measure be taken or the Board of Directors of many corporations doing business with the Institute stand in fiduciary failure to act appropriately and timely. I think no one yet can realize the major, major web woven when one or two attempt to deceive and respond to their greed.

It does seem to make more sense, now that you consider possibilities, that George would require that these ones withdraw their funds in full—IN GOLD COINS. Certainly, he would have a place to handle them without taxes, etc., according to his sales-talk. Well, I don't think that plan is going too awfully well, folks. GOD IS JUST A WEE TAD WEARY OF HIS PEOPLE AND WORK BEING BOMBED AND STOLEN AND SMASHED. IT IS BAD ENOUGH FROM THE ACCEPTED ADVERSARIAL ENEMY BUT FROM A PARTNER AND CO-WORKER IS UNTHINKABLE—BUT HERE YOU HAVE IT. It is also brought to us that George is going to bring a massive suit against the Institute and *LIBERATOR* FOR DEFACTION OF CHARACTER. (????) DEFACTION OF "WHO" AGAINST "WHO"? GOOD LUCK, OLD FRIEND!

I think it might well be noted here—MR. GREEN STARTED THIS WHOLE ROTTEN MESS—NOW TO WHINE "KING'S X" DOESN'T SEEM QUITE CRICKET TO A WHOLE BUNCH (HUNDREDS) OF PEOPLE HE WOULD DELIBERATELY DESTROY IN ASSETS AND CREDIBILITY. THIS ASSAULT IS AGAINST EVERY PERSONAL PARTICIPANT IN ANYTHING DONE HERE WHETHER YOU LIVE IN FLORIDA, NEW YORK, NEW ZEALAND, AUSTRALIA, TEXAS—WHEREVER. IF HE HAS CHOSEN TO TAKE THIS ROUTE OF ACTION—I CAN DO NOTHING ABOUT IT FOR THE CHOICES HAVE CONTINUED TO BE HIS OWN.

I not only have no wish to harm either of the Greens but had, in fact, fully planned to offer them other types of projects if they would but handle this properly and release the books and property rightfully owned by the Institute. God does not "hurt"—but he does "allow" and be that as it may. There are business ventures ready to be started and Nevada is already planned for many of them. I cannot change anything about it, however, so maybe you readers can do so. Ones seem to harden their hearts, plug their eyes and ears and go seemingly nuts. What is this? It is the attack of the adversary and you had all best look at it closely for the monster lurks ever near and ready to swarm upon you the moment opportunity strikes—EVEN BEFORE YOU REALIZE IT YOURSELF IN MOST INSTANCES—YOU ARE SIMPLY "HAD" BEFORE YOU SEE IT COMING. ONE WRONG MOTIVE, ONE TINY INCORRECT MOVE AND YOU ARE "CAUGHT" WHETHER OR NOT THE INTENT WAS EVER THERE. These are the lessons of "associations" and thoughts of "covering" and hiding and gleaning for self. Truth will "out" much faster in these changing times and you must face that knowledge. What legal actions will this all finally take? Well, as it continues to deepen—it does not look good for it is soon to be taken completely out of the "civil" matter and moved by the law into the criminal status. The whole thing becomes a "catch 22" anyway you wiggle. Actions are taken which precipitate demand for other actions and soon it is out of the control of local participants. PLEASE, PLEASE—THINK BEFORE YOU ACT IN SUCH MATTERS FOR THERE IS NO ABILITY TO UNDO THAT WHICH IS DONE!

CIRCLE OF GOLD BONDAGE

I must remind you to notify us if you have uncomfortable transactions with Green. [Again, see the Editor's note at the bottom of p. 11.] We have a call here just now from one P.L. who did what I fear many of you have done. He placed funds with the Institute—which are safe and secure—HOWEVER, he called to say that he is totally comfortable with his funds in the Institute but is very, very concerned "about the funds (a great big whole bunch!) that he placed with George Green." He has a note from Green against and backed **BY GOLD**. And, furthermore, "I was told to not tell E.J. or anyone about the transaction so as to increase security." He has also been recently left a message on the answering machine to "ignore all the nonsense being printed in the *LIBERATOR* because it is all lies." [On behalf of our hard-

working staff, The Editor is sorely tempted to put in his 2 cents here about Mr. Green's mythical accusations concerning **THE TRUTH** in the *LIBERATOR*, but I think I have a healthier respect for our readers' abilities to **DISCERN THE TRUTH** on their own than, apparently, does Mr. Green. This underestimation of our readers' common sense will ultimately prove to be Mr. Green's biggest mistake...though he surely has plenty of other whoppers competing for that top "honor" at this point.]

Oh Dharma, I'm so sorry, scribe—I see the blows striking from every direction and the hurt as you see ones who so willingly offered and shared to only be taken and stolen from. Many of the things George has done were actually in the attempt to have funds for publishing, etc. But, oh my goodness, how painful when these things are uncovered and are so brash and without conscience. Yes indeed, it will go much, much deeper so just put on your guard-pads and let us just wade on through. It is time for us to be able to find our trusted friends from our enemies—and so be it.

BEWARE

What You Sign

2/26/93 #2 HATONN

DON'T NEED MORE?

With "friends" trying to pull you down it does seem hard to find that you also are on all sorts of "hit lists" and into many "spy lists". You ones are already targets so what is new? However, this is WHY I warn you not to get on any mailing lists such as this big "Media" sign-up and fund-raiser for better television. Note the names involved and think about it! It may well be worthy—but it also signs up everyone with even a pick against vulgar and obscene programming. The article featured today in San Francisco is but a tiny finger of the whole—but we believe you might find it interesting enough to take time to reprint it for you here. You must realize that there are myriads of ways to get you on lists.

QUOTING:

LOS ANGELES TIMES, Friday, February 26, 1993:

San Francisco: A private intelligence network with **ties to an American Jewish group AND South Africa** is under investigation for illegally tapping into police

sources and **collecting information on the political activities of more than 12,000 (known) people, authorities say.**

As part of the investigation, San Francisco authorities say they have confiscated files containing personal information on a wide range of political activists, ethnic advocates, writers and other U.S. residents—at least 6,000 of them living in Southern California. Much of the information is allegedly from confidential government data-banks and police agencies.

One former San Francisco police intelligence officer, who allegedly funnelled police files to the spy operation, is under investigation on allegations that he sold confidential information about hundreds of people to the South African government. After he was questioned in November by the FBI, which began the investigation, he fled to the Philippines.

Most of the information, however, appears to have been collected on behalf of the Anti-Defamation League, a nationwide organization that is dedicated to fighting anti-Semitism and bigotry. Officials of the organization, as well as its paid undercover operatives, could face charges of gathering intelligence illegally, authorities said, but spokesmen for the league denied any wrongdoing.

"What we're looking at is the violation of the statute that prohibits the sale, use and dispersal of confidential information," San Francisco Dist. Atty. Arlo Smith said.

A portion of the information in the files appears to have come from the Los Angeles Police Department, Smith said. Los Angeles police initially declined to cooperate with San Francisco authorities in the investigation and refused to assist in a December search of the Anti-Defamation League office in Los Angeles.

"They felt it was a sensitive matter and they didn't wish to cooperate," said San Francisco Assistant Dist. Atty. John Dwyer, who is overseeing the case. "It's the first time I've seen that happen in my career."

Top officials of the Los Angeles Police Department declined to discuss the matter. "It's an ongoing investigation involving another police agency," said Sgt. Mike Williams, an aide to Chief of Staff Ronald C. Banks.

However, at least one member of the Los Angeles Police Commission, which oversees the police administration, said that he believes the department should not only assist investigators in San Francisco, but that they should also begin an internal inquiry to find out how the LAPD documents were leaked.

[H: How many of you still wish to believe that the Los Angeles area is NOT getting ready for a war? You had

better look closely at these players involved. When you are hooked up with South African intelligence—that means the mother of intelligence networks is at work (remember the Anti-Defamation League is birthed from British Intelligence become Israeli branched B'nai B'rith). This fully indicates a massive set-up for taking political prisoners and starting riots like you have never experienced in any nation thus far—when the rioting starts. There are, further, preparations of U.S. Marshals, Police, National Guard and U.N. Troops en-masse and stationed near every major city in the U.S.—RIGHT NOW!]

"I want to find out what is the basis for the department's reaction not to cooperate," Police Commissioner Stanley K. Sheinbaum said.

Officials of the Anti-Defamation League in San Francisco and Los Angeles have cooperated with the investigation, allowing police to search their offices without a warrant. They acknowledged that their organization worked with police in collecting information on people believed to be anti-Semitic or involved in hate crimes, but they insisted that they did not violate the law.

"It has been a regular practice of the ADL to trade hate crime-related information with police departments," said Richard Hirschhaut, executive director of the organization's Northern California office. "It has always been our understanding and our credo in conducting our fact-finding work that we conduct our work from a high ethical plateau and in conjunction with the law."

In the past, both the Los Angeles and San Francisco police departments have come under criticism for collecting intelligence files on activists, political figures or elected officials who spoke out on controversial issues. Both departments have been chastised and intelligence-gathering operations have been ordered curtailed.

On Thursday, *The Times* reported that an internal LAPD investigation found no physical evidence to support allegations that the Organized Crime Intelligence Division spied on politicians and celebrities.

But the San Francisco district attorney's office suspects that certain police officers have been working illegally with an intelligence network that operates nationwide in connection with the Anti-Defamation League.

The computer files seized by police include information on 12,000 people from across the United States and data obtained from several police agencies, including the Portland, Ore., Police Department.

"The ADL is running this all over the country," said one source close to the investigation. "The ADL set up this great system for collecting information and South Africa tapped into it."

Portland police deny any wrong-doing and say the information they passed on to the Anti-Defamation League was available to the public. But San Francisco Police Capt. John Willett said, "We're looking at whether other police agencies have done anything inappropriate."

Arab-Americans are concerned that some of the files have been passed on to the Israeli government and its intelligence agency, Mossad. One person among the 12,000, an Arab-American activist living in Chicago, was recently arrested while traveling in Israel, but authorities said they do not know if there was a connection.

Many details of the investigation are still murky because a San Francisco judge has placed most of the evidence under seal until charges are filed, perhaps next month, authorities said. But the San Francisco Police Commission has ordered the release of individual files to those who were allegedly spied on.

Much of the case revolves around the mysterious figure of Roy Bullock, who has spent the past 40 years as a freelance investigator and undercover operative.

According to investigators, Bullock, 58, worked on behalf of the Anti-Defamation League as well as other groups and amassed extensive files on Arab-Americans, supporters of the African National Congress, Black Muslims, Irish-Americans, skinheads, neo-Nazis, the National Lawyers Guild, left-wing groups and other activists in the United States.

Authorities said Bullock worked closely with police officers from various departments and collected such confidential information as criminal records, intelligence files, driver's license photographs, home addresses and car registrations.

Some of the information could have been helpful in staking out individual homes and conducting surveillance. Other confidential information could have been valuable to foreign governments concerned about the political activities of visitors from the United States.

Bullock could not be reached for comment, but investigators said he was paid by the Anti-Defamation League through a Los Angeles law firm that acted as an intermediary. Officials of the Anti-Defamation League would not confirm or deny Bullock's association with the organization.

Among the organizations he allegedly infiltrated were skinhead and Arab-

American groups, where he gathered detailed information on members.

In one case, his true identity was discovered by the American-Arab Anti-Discrimination Committee when a Jewish guest attended a recent meeting in the Bay Area and recognized him as a member of the Anti-Defamation League.

"Usually we don't screen our members," said Nazih Bayda, executive director of the Arab-American group's Los Angeles office. "He was very active. He used to go to events. He never missed a meeting."

Most of the 12,000 files seized by police were obtained in a search of Bullock's San Francisco home, with some confidential files recovered from Anti-Defamation League offices in Los Angeles and San Francisco and the home of then-San Francisco Police Officer Tom Gerard.

For years Bullock worked closely with Gerard who was once assigned to police intelligence and also spent three years in the early 1980s as an employee of the Central Intelligence Agency in Latin America.

At one point, when the San Francisco Police Department moved to restrict its intelligence-gathering functions, Gerard helped arrange for Bullock to work as an informant for the FBI.

The FBI, however, stumbled on the fact that Bullock also was an agent of the South African government and began what has become a two-year investigation into the case. Among other things, the FBI tapped Bullock's telephone and recorded conversations with Gerard in which they discussed intelligence matters.

Authorities allege that Gerard gave confidential Police Department files to Bullock and sold files directly to another agent of

the South African government for as much as \$20,000. Though Bullock may have acted as an agent for South Africa and the ADL, there is no indication of collaboration between other representatives of the two parties.

Gerard, who also worked part time providing security for Philippine Airlines, left abruptly for the Philippines, which has no extradition treaty with the United States. He later resigned in a letter to the Police Department.

Gerard, contacted in the Philippines by the *San Francisco Examiner*, said he is the target of "the biggest witch hunt and wild goose chase I've ever seen."

The Adversary's Anger Increases As *THE TRUTH* Gains New Ground

2/26/93 #1 SOLTEC

Good evening. Soltec present in the Radiant Light of Holy God of Creation, in service of the Host of Heaven, serving only that One, Holy God of Light. Our mission is known by your terms as Earth Transition. You grow nearer that time of stepping through the doorway into the Light as we sit to write this day.

All about you there are changes taking place in all aspects and areas of your physical existence. Your world maps change daily as kingdoms war against kingdoms and redraw the lines of national distinction; your topographic maps change daily as new lands are created by the ever changing nature of the very planet itself; the weather patterns are in a rapid state of change as storm after storm pelts your world, while other parts of the globe are drying into desert dust. Famine and plagues of every variety imaginable attack the masses as the Adversary struggles to maintain the bonds of slavery over you, in attempt to stall off the inevitable demise of his reign. Your own president works diligently day and night to take more and more of your lives away as he responds to the puppet master manipulating the strings of control.

Lies abound as the controllers step up the pace, knowing full well that **The Truth** is alive and awakening the sleeping masses.

Many in your own country who have awakened to this **Truth** are starting to speak out against the government. It may be a small sector, but it must begin somewhere, and, Chelas, it has begun! But a word of caution: Do not become over confident, as the Adversary has no intention of giving up the fight. The new awakening of the masses will cause yet a greater resistance from the adversarial side. You see, he does not have a very good sense of humor when he is on the losing side and will come out of his corner of the ring with renewed vigor and anger. So, step firmly, but step carefully, as there are many traps which have been set for you ones. You ones tire of the word, but DISCERNMENT is your key to success and perhaps your very survival.

Survival is paramount if this world is going to make it. You are in the midst of a great battle, and it is extremely important that you ones understand the seriousness of the mission. You must work together as a team, with one another, not against one another. The greatest threat from the enemy is division. If you can be divided, you can be conquered, and believe me when I tell you that there is no greater threat at this time. Hold the course—for you are about to take the most difficult enemy camp and you must work as a team, all working toward the goal.

You who are ground crew members are the ones on the front lines taking the

greatest amount of assaults and hits. You have been placed in this position because of your experience and knowledge. Remember, to whom much is given, much is required. You have received much in the manner of **The Truth** and now it is time for you ones to put that education to work. How much have you learned? How much of this can you apply in this mission? It is the time for the doing, and there is much to be done.

A great portion of that **Truth** is working together as ONE, supporting the team at every turn, laying aside the personal ego of the "I wants", and realizing and doing that which is for the betterment of the team. The work is so much easier when performed by many hands all working together toward the goal. Keep this in mind in the days ahead as the Adversary picks up steam. Your world is about to explode all around you ones and this is the time for which you have been in training.

DON'T FORGET EMERGENCY
PREPARATIONS!

I need to once again address an old subject that has been left unattended recently due to all the critical issues which have been the forefront of attention. The subject is preparedness. You have been given a little forewarning and you should have taken this into consideration, yet as

we scan the thought frequencies, we find that it has been greatly forgotten and ignored of recent.

The Earth Changes which we speak of in every writing are continuing, and in fact are accelerating. How many of you have your emergency supplies stocked? How many of you have rotated your stored water and canned goods? How many have checked the integrity of batteries and supplies of candles, matches and emergency or alternate fuel supplies? How many have checked and prepared emergency and survival medical supplies—including natural remedies? Preparing for the moment of the disaster is but a very small portion of your survival. Preparations for the aftermath is another thing altogether and is potentially long-term.

RECENT DEVASTATING FLOODS

The recent flooding situations across your country should have been a strong reminder to you that in a matter of hours or minutes you could be in survival mode. In many areas the flood waters have only now begun to do their greatest damage as the waters from overfilled reservoirs and rivers pour into tributaries and flood the lowlands.

The after-effects of this massive amount of water will be felt long after the water itself has receded as many are now left homeless and farmlands are unable to be cultivated. This is going to leave a shortage of many foods, which of course will precipitate extreme increase in prices at your supermarkets. The insurance companies are already in dire trouble from the hurricanes of last summer, and now there will be even more trouble as these victims of the floods begin to assess their losses and file claims to recoup their losses.

Roads and bridges to many areas have been completely cut away by the power of the water, leaving these areas totally cut off, reachable only by air. Where will the money come from to satisfy all the insurance claims and the road repairs? This will mean yet greater insurance premium payments and greater taxes. How many of you ones have enough money to dump into these empty coffers? I thought so.

WHERE HAS ALL THE MONEY GONE?

Money for you ones to get by on is all but gone, and that which is not yet gone will be as soon as Mr. Clinton and his cronies begin to levy upon you **the greatest tax increases in the history of your country**. Plan 2000 is proceeding at full-speed-ahead, Chelas. It is time that you were prepared, for time is just about out. **When the money is gone, you will need some-**

thing to survive on and it had best be that for which you have prepared. Otherwise, you will become slaves of the government, rounded up and encamped in government-operated work camps, which will be nothing more than concentration camps. These are already being prepared and many are ready for use at this time. This is how your government plans to "take care" of the ones who are the "poor unfortunate" unable to care for selves.

This is no exaggeration, precious ones! It is the plan and you who want the government to take care of everything for you are playing right into their dirty little hands. **WAKE UP AND TAKE RESPONSIBILITY FOR SELVES BEFORE IT IS TOO LATE! IF YOU DO NOT DO IT FOR YOURSELVES, THEN IT SHALL BE DONE UNTO YOU AND YOU SHALL HAVE NOT CHOICE IN THE MATTER, SAVE TO CHOOSE DEATH!** And the latter is totally acceptable to the Adversary for it is his ultimate goal to destroy God's people.

ALWAYS THE QUESTION OF SAFETY ZONES

Many ask questions of where to go in order to be safe during these coming days. You want to know where to go, when to go and what to do when you get there. If you have to ask these questions after all the information that has been given unto you, then I wonder how many are truly listening and learning. In past writings by myself and by Commander Hatonn, you have been given much information on this subject. If you have not read those JOURNALS which deal with this matter, then I would admonish you ones to go back and restudy. You might consider beginning with SURVIVAL IS ONLY TEN FEET FROM HELL. It deals quite succinctly with how to prepare yourselves for that which is coming upon your world. If you have not yet laid out a plan, I would strongly suggest that you do so immediately.

The earthquakes are increasing and have been reported to you weekly. We have given you information about the location, causes and probabilities of future activity in certain areas. These are not considered "safe places". Likewise, we have given you the same information regarding volcanic activity, and again, these are not considered "safe places". With the recent weather changes you have witnessed, areas that are below or in the flood plain of dams are not considered "safe places". Any medium- or large-size metropolises are not considered "safe places" either as this is where you ones will be "rounded up" or quarantined by the authorities. Again, **DISCERNMENT** is the key issue. You have been given so much information on this matter that you should be able to make these decisions for selves.

Remember, it is not our position to do it for you. Our job is to inform and assist. Your job is the doing.

At this very moment, however, it is imperative that you do not go off and form "survivalist communes". This is only going to call attention to you and signal the authorities to watch you very carefully. It is the time to be making preparations, yes, but you need to remain an active part of your society and "blend in". By calling attention to yourself, you are only marking yourself for trouble.

Go about your normal routine and business. Stay out of the business of protests, obey the laws, pay your taxes, keep all your permits and licenses in scrupulous order and behave yourselves. Learn when to speak and when to remain silent and to whom to speak and to whom to remain silent with. If you will stay close to God and to the Host, you will know when the time has come to make the move. In the meantime, **STAY THE COURSE AND STAY ALIVE! DEAD MARTYRS ARE INEFFECTIVE WORKERS. GOD NEEDS YOU ALIVE ON THIS EARTH.**

I realize that there is much here for you to digest, and in some manner it may sound harsh to some. Yet, our only concern is that you ones are informed of **The Truth** and that this same **Truth** will be your weapon and your source for preparation and survival. We are not allowed to interfere with your destiny, whatever that destiny shall be. It is your world's choice to shape and mold your own destiny. We shall guide and teach, but we shall not do it for you. We are ever present and ever willing to assist in the manner in which we are permitted and we shall not depart until this mission is completed. We are like the mother bird that must watch as her youngster attempts his first flights. She instructs and demonstrates and is there as support, but she can not fly for her child, and neither can we. You must learn to fly under the power of your own wings.

Let us close this writing. May the Light of Holy God bathe you in Warmth and Radiance and Divine Love.

Soltec to clear. Salu.

MAYNARD CAMPBELL UPDATE

Nevada Corporations

Our Shaking Mother Earth

YOUR CORPORATION AS A MEANS TO PERSONAL PRIVACY

A Nevada Corporation can be an incredibly useful vehicle for "dropping out". While A corporation can be used in your strategy for protecting everything that you own—the other important question remains: what about yourself? Many people today are looking for a way to accomplish *personal* privacy. A Nevada Corporation is the perfect tool for gaining this privacy, and in turn, gaining more freedom.

A corporation can be used to either purchase real estate or to change the way the title currently reads on owned property. For instance, if you currently own property you can use a simple Grant Bargain Deed to change the name in which the property is held. This way you no longer appear as the owner — the corporation does instead. This can be done without any reappraisal being conducted because this transaction is not considered a sale.

But what about the large group of people who are renters? If you currently are renting, the annual tracking statement goes out to the IRS from your landlord that tells them exactly where you are living and, especially in California, you get that "wonderful" Renter's Credit every year. This can be changed by either getting a new apartment or drawing up a new lease agreement with your current landlord in which you use the Nevada Corporation's name instead of your own.

This will take care of step one, since you now live on property where you are no longer listed as the owner or renter; the corporation is the official listed entity.

The next step that you may consider is to

have all of the utilities listed under the corporation name. Again, you need to have a business purpose for this. Maybe, for "caretaking" the home for the corporation, the corporation has decided to pick up all of the utilities for you. Next you would probably want to set up a bank account for the corporation so that you can handle the utilities. You can do this in either Nevada or closer to home. There are advantages to both approaches.

Then, finally, you would want to take advantage of a private mail service. This way there is no way for anyone to track your whereabouts. By taking advantage of these useful strategies and using the privacy that implicitly comes along with a Nevada Corporation, you have successfully found *personal* privacy, too.

WATCH THE PHILIPPINES!

Watch the Philippines very closely for the next little while. There is rumbling and earthquaking deep within Mt. Pinatubo and increased earthquaking within Mt. Mayon.

More important to your attention, however, are the enormously increased activities in both Vesuvius in Italy and Etna in Sicily. The more important action, however, may well be in Peleé, Martinique.

The entire crusting of the Earth is on a "roll" and picking up movement. Remember the definition of "inertia" (the tendency of matter to remain in a state of rest or in motion)? Well, you are "in motion" and this is compounding itself by the minute in various directions as there is NEVER only one direction of thrust. As any matter or thought moves it affects every atom surrounding it throughout the universe. There will be directional thrust from any motion but it will always be speeding toward "rest" or further "motion"—just as breathing in and out by a physical being or Gaia Mother (Living Planet). Go read the PLEIADES CONNECTION series if you were fortunate enough to have them.

TRUTH WILL SET YOU FREE

The George Green Connection **To Ekkers' RTC Battle And Attack On Phoenix Institute**

2/28/93 #1 HATONN

TO THE LAW CENTER

We have to begin to note that quite possibly the "quarrel" which Mr. Green seems to be the only one "without", may very well have begun in simple "cause" but revolves around the same players in the game.

While you are at it in filing a criminal action against the opposition attorneys—try this one on for size in addition. After Jason Brent was brought into this case via George Green, he has been guiding the "opposition's" approach to the Ekker property case. This is why negotiations reached the "criminal demands" stage by the RTC. I suggest you get your P.I. to check into it to see if you can get hard evidence—but someone will blow it because "they" can't seem to work without their tangled-web participants. They are in continual contact with Green for their next information—which is funny for they are as well set up by him as by any other of their stupid informants. I'll mention a few little nasty incidents. I leave it to your discretion, counsels, to place ex-Judge Jason Brent in the matter right up front, or let his buddies pull him down a bit later when the fire gets going.

The Haynes (previous owners of "Ekker" property) will be more than happy to cooperate and assist you as it will be obvious to them that they were royally stripped—intentionally. They acted in good faith and, in fact, the people (Ekkers) in the City Hall area as noted by Mitchell on that fateful "non-sale" day were THOUGHT to be Haynes. You see, the event of "no-sale" followed by "illegal" entering of the title officially to the wrong party (Santa Barbara Savings) was "interesting" in and of itself because, if found to be a "fraudulent" sale, the title would have reverted to Haynes. At BEST, the SALE would have had to be "renoticed" and "repeated". IT WAS THOUGHT BY ALL PARTIES INVOLVED THAT "THIS" WOULD NEVER BE REALIZED AND THAT EKKERS COULD EVENTUALLY BE RAIL-

ROADED RIGHT OFF THE TRACKS—AS EVIDENCED BY THIS FINAL BARRAGE OF DEMANDED EXTORTION BY THE RTC LEGAL PARTIES TO PROTECT ALL OPPOSITION PARTIES, INCLUDING LAWYERS, INSURANCE AND BOND CARRIERS AND ALL PARTIES PRIOR TO AND CURRENT—PRIOR TO ANY ALLOWANCE REGARDING THE EKKERS. IT IS ALSO OBVIOUS THAT THE OPPOSITION VERY CAREFULLY WORDED THE OTHER EXTORTION PHRASE OF "QUITCLAIMING" BY THE EKKERS TO ANY AND ALL CLAIMS ON THE PROPERTY AS WELL AS TO ACKNOWLEDGE ANY POSSIBLE CLAIM THAT THERE ARE OTHER PERSON(S) WHO MAY HAVE CLAIM. This is all, interestingly enough, in addition to dropping of all Bankruptcy and "Stay" motions before the courts and dropping ALL LITIGATION PENDING IN ALL MATTERS AGAINST ALL PARTIES.

FAT CHANCE! THERE ARE LARGE TENTS NOW SET UP ALL OVER THE PROPERTY NEXT DOOR AND GOING UP IN THE DOORYARD OF THIS VERY RESIDENCE—TO HOUSE PROPERTY OR "VISITORS" WHO SIMPLY OBJECT TO SUCH GROSS AND CRIMINAL ACTIONS.

The Head of the major RTC Citizen's Watchdog group (along with others), is giving instructions for needed stance and will have news, media and representatives present SHOULD THE SHERIFF SHOW UP WITH EVICTION PAPERS. YOU SEE, THERE IS ALSO A DIFFERENCE IN "POSSESSION" AND "TENANCY". THIS IS IMPORTANT—BECAUSE THE RTC HAS BEEN GRANTED "POSSESSION" AND THE EKKERS HAVE "TENANCY" RIGHTS OF ADEQUATE TIME TO REMOVE THEIR PERSONAL POSSESSIONS. I TELL YOU THIS BECAUSE WE DONT HAVE TIME FOR YOU TO GO LOOK IT UP RIGHT NOW. AND, furthermore, with over 300 people present—I think the dwelling might get emptied quite quickly if the SWAT TEAM of Federal Marshals insist—which they will not, thanks to the multitude of citizens present in non-violent visitation on behalf of the ones being thrown out.

At this moment of writing it is heavily

snowing and even the downtrodden among the citizens cannot be longer evicted onto the streets when the weather is below 32 degrees F. Do the Ekkers not also qualify for consideration after five long years of draining and blood sucking?

GREEN — BO GRITZ

This is going to be the most painful of all for my scribe and E.J. After all they have personally done on behalf of Gritz and his call to serve. This is what happened Friday when Gene from the Constitutional Law Center called him to ask his attention to this. He said that the Ekkers didn't deserve help—that they had "screwed" the original owners (the Haynes), had lived without cost for almost six years, had bankrupted the "Institute", used false claims of on-going litigation to get money and support and it was simply that the law and the RTC had "caught up with them". Gene, aghast (since he has been involved in literal litigation since the conception of the CLC) said, "My God, this is not true—where in the world did you get that information?" **RESPONSE: "GEORGE GREEN TOLD ME."** Gene: "Bo, that is a total pack of lies; I've been in this for years—how could you believe such crap?"

BO: "xxxxxx—my plane is in for repairs **BUT I'LL GET THERE ANY WAY I HAVE TO—WHEN DO YOU THINK THEY CAN SERVE THOSE PAPERS?"**

SO, PRECIOUS ONES WHO HAVE HEARD THE WRONG TRUMPETER: BETTER SHARPEN UP YOUR HEARING AND SEEING—LEST YOU FOLLOW THE WRONG PIPER!

BUT "WHO" WILL FIRST PAY?

Before this assault by Green is over, poor Leon will bear the brunt of the entire rise and fall of the "empire", and left in his loss and pain—it is always the way of the Beast. I can do no more. George is the one who set him up with Jason Brent and also is efforting to get Brent to handle a "defamation suit" for himself (Green) against the Ekkers, Institute and LIBERATOR. Now,

for you ones who "thought" you saw Green in Tehachapi yesterday—I make no comment. However, when it was noted that the Colorado "plated" Isuzu (just like Green's) was moving from the direction of Leon's (which he was not just leaving) toward the area of Jason Brent's place—ones went out to research the travels of the reported "sighting". One of the alert tribe simply picked up the phone and called Leon's place.

A nice young woman answered the phone (wasn't his dear mother, Esther) and upon the caller saying, "Let me speak to Leon," she responded, "He's not up yet—**is this George?**" In answer the caller mumbled something misunderstood by the other end and then the response, "...no, I'll get him up; he'll want to talk to you." The caller then said, "No, it's not urgent; I'll call back." This then got the following response: **"Well, Ok, but this is Ann, your EMISSARY from Tucson."** Then, later, with interest from Bud C., the notation came back that "George couldn't have been in town because Leon just got a call from him from Carson City." OH??? See how God only has to "allow" the infolding upon selves? Or, is this also interpreted as some setup to deprive ones of their assets in sneaky manner?

Now, chelas, Ann does not make errors in her definitions of words as she is quite educated and well-placed. **Just what is the definition of "emissary"? EMISSARY: AGENT!!!** This, of course, is simply to "whom it may concern" that has continued to denounce Hatonn as being "Evil in being" and "...whoever that energy form might be".

I, Hatonn, am EXACTLY who I claim to be: HEAD OF THE HOSTS OF LIGHTED GOD—AGAIN COME NEAR UNTO YOUR PLACEMENT IN PREPARATION AND INSTRUCTION FOR THOSE THINGS COME UPON YOU IN THIS TIME OF CHANGING CYCLES OF EXPRESSION. **EXACTLY WHO I SAY I AM!!! Who might you ones be or whom do YOU serve? THAT IS A FAR MORE IMPORTANT QUESTION!**

GOLD IN THE POCKETS?

We are shocked at that which has happened, as are you. But, our people are finding responders, now, to "investment loans" of large size having been made with Green (against gold "he claims he has"). The loans were made under the request "...don't tell Ekker anything about this as the gold is 'mine!'" And again I ask: And how is your day? It isn't so hot for the Ekkers and the other participants of the Institute—who can see a deliberate plan to divest and lose everything gained through work, investment, projects and total bankrupting of the Institute. WELL, IT WON'T HAPPEN. **THE INSTITUTE IS CORPO-**

RATELY SOUND AND NOTHING WILL BE ISSUED TO ANYONE AT ANY EXPENSE TO ANY OTHER—UNDER ANY CIRCUMSTANCES FROM THIS EVENT ONWARD. THERE WILL BE ENOUGH DAMAGES FROM THIS PROPERTY TO COVER EVERY CENT IN THE INSTITUTE AND IF WE CAN EVER GET OUR PROPERTY BACK FROM AMERICA WEST—THE JOURNALS WILL MORE THAN ADEQUATELY REPAY ANY INTERIM SHORTAGE.

IF "EVERYONE" DEMANDS TAKEOUT IN FULL WITH INTEREST AND ETC. FROM ANY INSTITUTION, FOUNDATION, BANK OR S&L—**ALL LOSE INSTANTLY. THIS WILL NOT TAKE PLACE WITH GOD'S OWN TENDED TRUST. ONES WHO WOULD DO THIS UNTO THEIR BROTHERS ARE MISGUIDED AND HAD BEST CONSIDER THE POTENTIAL DANGER OF SUCH MOTIVATION AND ACTION. WE DO NOT HAVE SOME LITTLE STASH OF SOMEONE ELSE'S GOLD IN THE GARAGE—THE GOLD COLLATERAL RESTS IN VAULTS OF THE TWO LARGEST GOLD STORAGE FACILITIES IN THIS HEMISPHERE. P.S.: The GOLD in Green's possession IS THE PROPERTY OF THE INSTITUTE BUT "KEEP IT A SECRET FROM THE EKKERS!"—JUST LET THEM LOSE EVERYTHING ALONG WITH ALL THE BLOOD, SWEAT AND TEARS OF ALL OF YOU BELOVED FRIENDS AND GO TO JAIL FOR "WHATEVER" GEORGE DEEMS SUITABLE TO PAY FOR HIS EGO ERRORS. HE OBJECTED TO "MY" TERM "GREED"—GOOD GRIEF, THAT SEEMS LIKE A RATHER GENTLE WORD COMPARED TO THOSE I MIGHT NOW USE!**

I HAVE WARNED YOU OVER AND OVER AGAIN—I AM EXACTLY WHO I SAY I AM! "I AM"! IT IS TIME THAT THESE THINGS AGAINST MY OWN PEOPLE BE COUNTERED IN KIND—QUICKLY AND THOROUGHLY. ALL ONES HAVE RIGHT TO MAKE RESTITUTION AND BALANCE—IF THEY SO CHOOSE. IF NOT, THEN I CANNOT ALTER THE COURSE OF THAT WHICH COMES IN CIRCLE BACK UNTO THEM.

TO JOHN AND ELEANOR SCHROEPFER

I must name you, precious ones, for I have no other way to impress upon you the seriousness of what is now happening. Corporate responsibility and the integrity of our work rests greatly upon what my people and the Institute do in counteraction to that which YOU HAVE JOINED UNWITTINGLY.

I realize that you have structured a letter and signed it stating that you would not at this time remove your funds from the Institute. BUT, it is insufficient for the needs of relieving you of "conspiracy" as GEORGE IS TELLING EVERYONE HE CONTACTS THAT YOU ARE A MAJOR PLAYER IN UNCOVERING THE AWFUL ACTIONS

OF EKKERS AND THE INSTITUTE. The original demand written by Leon and signed by you two and Bud Clark, along with your request (also signed by both of you) demanding resignation as officers of your corporations, along with the letter from the Institute saying that you have no funds in the Institute and asking that you consider "corporate" possibilities, etc., IS ALL BEING SENT TO GREEN'S MAILING LIST AND ALL CORPORATIONS WHICH EVEN "MIGHT" HAVE BEEN SET UP WITH EKKERS ACTING AS OFFICERS FOR THE ESTABLISHMENT IN PRIVACY OF YOUR CORPORATION FOUNDING. Since Ekkers have signed for almost all corporations founded through Resident Agents serving you, our friends, you will find them listed on some 300 plus corporations.

With great joy and glee, they resigned—but you must also know that it will not be with joy that they longer serve YOU when you need further help with taxes, corporate records and/or information and business help. They have VOLUNTEERED those services because they BELIEVE IN JUSTICE, BROTHERHOOD AND RECLAMATION OF THIS NATION UNDER GOD.

Eleanor was heard loudly and clearly that the only reason she participated was because "Hatonn said the banks were in trouble" and "I JUST WANT MY MONEY!" **THIS "REASON" WAS NEVER AN ACCEPTED REASON FOR MY PEOPLE TO DO ANYTHING FOR ANYONE! I TOLD ALL OF YOU OVER AND OVER AGAIN WHY WE EVEN BOTHER WITH THE ADDED BURDEN OF SERVICE IN THIS AREA OF BUSINESS—TO GAIN IN GREED AND GET YOUR MONEY HELD FROM THE GOVERNMENT AND BANKS IS NOT AMONG ANY OF THE LISTED REASONS FOR HELPING YOU IN ANY WAY WHATSOEVER. WE DO NOT SHELTER YOU IN ANY WAY WHATSOEVER AGAINST THE LAWS OF THE LAND—AND THE BANKS ARE CERTAINLY NOT OUT OF TROUBLE!!!**

What you can now do to prevent full retaliatory response from the Institute, as the Board of Directors and Advisers are mandated by law to do under the rule of "fiduciary responsibility", is limited at best. For the same REASON, the Ekkers must personally respond to your original claims of mismanagement, false "teaching" and representation in JOURNALS and LIBERATOR AND the accusation of personal gain and illegally using YOUR funds. But I tell you here and now—a retraction note is NOT SUFFICIENT—for the system is already rolling.

I would guess the only way to avoid the major blast is a full retraction and cause of action AGAINST your conspiracy director—George Green and/or America West, etc., claiming your own damages with a minimum amount of whatever you have in the Institute which he fully intended to get

from you, or LOST TO YOU, whichever came first. It would appear that each of you who unwittingly joined his conspiracy is in the hot seat legally for coalition to "blow up and wipe out" the Ekkers and "shut down the Institute". (These are Mr. Green's directly quoted words to two people immediately after your departure from Carson City and his meeting with you.)

Hatonn playing "hard ball"? Absolutely! I am sick and tired of ones whining that "Well, I didn't know" and "I didn't think..." YOU would deliberately wipe out everything others have worked for, diligently built and all future hopes—and you gave not a whit of care as to the consequences unto all of "these" when you fell for the trap. Should all who have avoided the traps pay for your lack of attention? I think not—that is not JUSTICE for which you all claim to be so diligently attuned—NOR IS IT UNCONDITIONAL LOVE WHICH I AM SICK OF HEARING MISDEFINED AND MISUSED!

BUT WHAT DO I TELL MY "SISTERS"?

This was Leon's question to me. And then he went on to state the most absurd travesty of truth imaginable—that all is lost!

BROTHER: NOT A FARTHING IS EVEN IN DANGER UNTIL YOU "ACT" ON THE FOOLISH ADVICE BEING FED YOU—OF JERKING WHATEVER YOU THINK YOU HAVE IN THE INSTITUTE—OUT. I personally rather think it would be "justice" if you were given your gold equivalent (which resides in Green's possession) and then you take the loss of exchanging and holding that GOLD. The IRS doesn't like those kinds of "gains" and if Mr. Green says he has ways of covering that little problem—IT IS ILLEGAL AND YOU ARE AS GUILTY UNDER THE LAW AS IS HE FOR SUCH EVASION.

By the Board of Directors refusing to move on these removals of funds until full accounting and measures of actions can be made—ALL INVESTMENTS, LOANS AND TRANSACTIONS ARE FULLY SECURE—**IN THE INSTITUTE.**

SO, I SUGGEST YOU TELL YOUR SISTERS THAT, IN SPITE OF BAD ADVICE TO YOU, THEIR FAMILY ESTATE FUNDS WHICH WERE HANDLED BY YOU—ARE SECURE! THEN I SUGGEST YOU HAVE A GOOD, LONG AND INTIMATE TALK WITH MR. GREEN'S EMISSARY FROM TUCSON [who answered your phone] AND CHECK OUT "INTENT"—OPENLY, AND NOT WITH THE PHYSICAL EMOTIONS AND RELATIONSHIPS IN POINT. I DO NOT MAKE LIGHT OR FUN OF YOUR "UNCONDITIONAL LOVE" PROJECTIONS—I DO, HOWEVER, POINT OUT THAT WHAT YOU CONSIDER "UNCONDITIONAL LOVE" IS NOT!

MEETINGS

I further object to the inference that meetings are not being held to somehow personally disallow your [Leon] speaking on these matters.

These are NOT your rightful meeting places and there is quite a bit of OTHER things at hand here needing attention. Ones who are being somehow insulted because you are not getting invited to Board meetings, etc.—STOP IT. No one is being denied anything—every effort to get things under control so we can get back to our task is being done. Remember, please, Dharma is my voice and my presence at such meetings—AND SHE IS EXPECTING THE FEDERAL SWAT TEAMS TO EVICT HER BY TUESDAY NOON—WHEN THE EXTORTION DEMANDS NOT BEING MET WILL BE PAST DEADLINE (12:00 NOON—"HIGH NOON"?). THIS MEANS THAT THERE ARE PREPARATIONS FOR MOVING OUT WHICH INCLUDES MUCH GEAR STORED FOR THE WHOLE NUMBERS OF THE WORKING CIRCLE AT THIS LOCATION.

I suggest that if you question this statement: ASK CHARLES who built facilities at that place for such placement and holding until other facilities can be placed to decentralize items which would be immediately taken from central locations. There is a 3,995 gallon Diesel tank (just filled) for supply of fuel for the construction equipment, trucks and FOR THE GENERATOR (BIG) WHICH INSURES POWER FOR CONTINUATION OF ABILITY TO WRITE—FOR ME. Just moving the Generator from the property is a MASSIVE job to accomplish. Then, there is the aviary with "tropical" birds. What do they do with those birds?? Turn them loose to the hawks and snowbanks? Once the property is seized—those things are also subject to confiscation and I really doubt that Mr. Horn or Jason Brent will come and tend the daily seed distribution!

AS I WRITE

The facts are, Dharma, that we shall close here pretty quickly for, as we write, my level of irritation at "humankind" is about to cause me to get "angry"—a feeling that somehow is not allowed a Host of God—or more especially, God Himself.

OUT OF HELL COMES GOODNESS

Nice announcement: Little Crow will be making available some listing of some of his recent writings and, now that we have separation from America West, will share from his SACRED HILL WITHIN and-or write on spiritual cyclic matters to share with you readers. This is blessed information and perhaps, now, you shall be worthy of its sharing as we clean and sort in order that we can move onward.

He keeps his blessings of Grandfather about these friends here and if asked to stand present when the need arises—will be here also.

OUR HOPE IS THAT REASON WILL PREVAIL WITH THE ADVERSARIAL DISADVANTAGED AND IT WILL NOT COME TO CONFRONTATION—HOWEVER, THAT CANNOT BE COUNTED UPON IN ANY MEASURE POSITIVE, AT ALL. PREPARATION FOR AN EVENT IS ALWAYS THE BEST PLAN. I DO NOT, HOW-

EVER, GIVE DHARMA TO PACK IT ALL NEATLY FOR WE HOPE TO AVOID THAT MASSIVE NEED—IF THE CHIPS FALL WRONGLY—WE SHALL DUMP IN BOXES AND CARRY OUT AS IS, TO BE PACKED PROPERLY FROM THE TENTS.

BULLETIN BOARDS

This matter will be run on the Bulletin Boards, i.e., John Quade, etc. But how will you know if need exists on Tuesday or??

A STATUS REPORT will be running on the LIBERATOR'S telephone Hotline with changes, as happen, being immediately placed on that line. We know of no easier way to check on status—if you plan to come join the gathering. We know of ones who plan to come from Florida, even—and we do not wish anyone to make journeys at this time unless absolutely NECESSARY. So, please, especially if you reside a distance from here—KEEP THE EAR TO THE PHONE. If this gets under way at all, it may be very short—OR, IT WILL BE LENGTHY ENOUGH TO GET A LOT OF ATTENTION! IF IT IS REQUIRED TO PROVE THAT YOU PEOPLE JUST WON'T TAKE IT ANY LONGER—THEN THERE MAY BE A CALLED GATHERING ANYWAY—BUT THAT WOULD NOT NECESSITATE LONG-DISTANCE TRAVELERS WHO WOULD BE NECESSARY TO ACTUALLY SHUT DOWN ACTIONS.

THE "HOTLINE" WILL BE CHANGED AS SUITABLE TO KEEP YOU POSTED CONTINUALLY.

The loving response has been overwhelming in all of these recent "happenings" and appreciation is without expression. God will stand with you who stand with HIM! It is the promise. There will not be, however, any violence—no weapons brought anywhere near this property and no misbehavior AT ALL. There will be full respect for the officers who may be involved and TOTAL RESPECT FOR THE LAW! THESE MEN ARE NOT THE PROBLEM IN POINT—THEY ARE BUT THE TOOLS TO CARRY OUT THEIR ORDERS. IF THE CIRCUMSTANCES MERIT LEGAL ACTION ON YOUR PART—DO IT PROPERLY!

Should any representatives from "extremist" groups show up, they will either be within the requested activities or stay off the property in total. There will not, however, be allowed ANY demonstrations against other groups who might come to disrupt or cause disorder.

These are two people being evicted and their property confiscated by the government criminals—DO NOT ACT IN SUCH MANNER TO WORSEN THEIR PLIGHT OR THE CAUSE OF FREEDOM AND CONSTITUTIONAL RECOVERY LAWFULLY! If you act out in violence and civil disorder in the name of goodness, you are no better than those who do so in the name of Evil—REMEMBER IT. EVIL CANNOT STAND IN THE PRESENCE OF GOODNESS AND GOD DOESN'T NEED OR WANT ANY MARTYRS—

SO DON'T BE FOOLS. USE WISE THOUGHT AND ACTIONS AND YOU THE PEOPLE DESIRING THE GOAL OF REGAINING YOUR NATION AND GOVERNMENT—CAN PREVAIL. ACT WRONGLY AND YOU SHALL BE SQUASHED AS THE BUG UNDER THEIR EVIL BOOTS. IT IS UP TO YOU.

Thank you for your attention. May your reading be with perception and understanding. God did not start these disputes but HIS troops have joined the "battle". So be it. Winning or losing in even these small-seeming encounters rests with you and your actions—and, it will be the multitudes of "winnings" in the small things which shall rebuild the foundation of solid rock of your nation and freedom. "Force" is NOT OF GOD—so always take that into consideration when used against you—DEFENSE IS MANDATORY! Be sure all defense is within the bounds of "right" under assault, however, lest you be the guilty party to the "force". DO NOT GIVE NEED FOR THE ADVERSARY TO USE HIS BIG GUNS—FOR DEAD TROOPS ARE JUST THAT—USELESSLY DEAD!

WE NEVER "COME TO START WAR"—WE ONLY ASSEMBLE UNDER ANY CIRCUMSTANCE TO STOP, IF POSSIBLE, INJUSTICE.

WE HAVE NO SELECTION OF ANY RACE, CREED, COLOR OR KIND—GOD IS ALL, FREEDOM AND EQUALITY UNDER THE LAW MUST BE FOR ALL—AND TO RECLAIM JUSTICE AND FREEDOM—REQUIRES ALL! **Bigotry is NOT OF GOD—it is YOU of physical human aspect who conjure up these things—for a white man cannot make himself into a black man any more than a red man can change himself into a purple people eater. STOP this foolish ignorance of attention—take your brother's hand (because you are going to need one another) and consider the equality of all WITHIN THE ENERGY CREATION OF YOUR BEINGS. You are IN the miracle or the destruction—the choice, as always, is YOURS!**

Thank you and allow us to close this. Be at peace for it is only through quiet, peaceful and fearless "reasoning" and communication that we shall see this through to positive perfection UNTO GOD's needs. I will never be from your side. It is hard on the consciousness—Dharma, you will be strong enough. Remember back to your first meeting with Little Crow and he closed his eyes and told you and E.J.: "What we do will change the world as we know it, it is THE TIME and you will be given the energy, strength and that which is needed to do what must be done!" AHO!

And so it shall be in these days come upon you that all shall face confrontations and choices—WHAT WILL YOU CHOOSE? Dad, to standby.

Bombs and "Cults"

(Continued from page 1)

FBI/SESSIONS

This question comes up constantly and "why is Sessions on the hit-list?"

Because Sessions was offered a bribe of around \$750,000 and Bush's people intercepted it. This uncovered a lot of "stuff" and Barr (Attorney General) was brought into the play at that time. Sessions is a part of a project called the "12 Year Network" and is simply one of the ones in the grouping of those called, in the Establishment New World Order circles, a "Reptile" person or "Serpent People".

Bush is a full-blown "Serpent People" person—AS IS CLINTON, et al. Clinton has NO control and is only a "fanghead" show-piece.

There was far more to the statement made about me by Bo Gritz ("If there is anything reptilian about you it is your Chameleon lizard ability to change colors—yak, yak"). What connection? Well, since Gritz seems to believe that which is given by one George Green—it does become highly suspect, does it not? Well, not to jump to conclusions, please.

The Constitutional Law Center contacted Gritz, asking help with the Ekker property eviction which now expects some 200 people to attend. First Bo said he wanted no part of it, that the Ekkers had ripped off everyone from the first sellers of the property on—then, when countered with, "That is a lie," Bo said he had gotten the information directly from George Green in person and it came from the attorneys involved and prior court records. When it was explained that that was total hogwash and a pack of lies, Gritz then said—"I'll be there...." But, interestingly enough—there has been not the least tiny recognition or confirmation to the Ekkers in any way whatsoever. We shall see, I suppose. Bo is also the FIRST to announce that George had been to see him and said that Hatonn was now working directly with Green. This is absurd?? You should hear some of the better tid-bits!

ENEMIES AND FRIENDS

It is devastating when you cannot tell who is reptilian, robotoid, friend or foe—but the signs are always present if you look.

More and more confirmations of illegal dealings by George flow in like wine from a new cask. We report facts as they are

presented—if you choose to listen to the lies from the silver-tongued serpents, so be it. The projects in this place are most carefully structured and secured by multiple entities to insure inability of personal actions which can damage or corrupt or destroy any OTHER or assets thereof. We cannot control what Mr. Green does, nor any of his people or his wife, Desireé.

We know that they are phoning and petitioning constantly but the traps have only sprung on their own legs. No, we are not pleased about that matter—BUT, IF THE TRAP FITS—WEAR IT!

As you listen to this message and read that which we bring—KNOW that we are not "fighting" anything, totally legal action is mandatory if in my service and realize that we are NOT involved in any clandestine games of ANY sort. God is open, non-secret and we have only to gather our people so even the word is focused to YOU who are intended to receive it. If we are revealing information which damages the New World Order Puppets—so be it—OURS IS TO GATHER GOD'S PEOPLE AND THEN THE DESTROYERS CAN HAVE AT EACH OTHER UNTIL ALL IS DEVOURED—

GOD HAS TIME AND HAS NO INTENT TO HAVE THOSE WHO ARE NOT HIS OWN. It is time, in every instance, to decide whom you serve, for the sorting time is upon you and it will be done—regardless of that which YOU THINK OR VOTE-IN.

Are WE a big danger to the adversary? Not in the way YOU might think! God wins this war ultimately for only HE can CREATE—thusly, HE CAN ALSO UNCREATE. The testing is for YOU and YOU will decide your leader to suit your journey. We are sent to see to the safety and passage of God's creations—so it IS and thus shall it be! As you pass this journey—be most discerning and careful—for in your actions and intent of the moment rests your journey's pathway and destination. He who falls to the temptations of the flesh and physical NOW—probably dooms himself for a very long and infinite disappointment as the facts of God and Creation unfold unto your KNOWING.

Dharma, close this for it needs be placed on the phone-line. I am with you, child—FEAR not for that which comes will not be greater than your ability to bear for so it IS with God. Amen.

Summary Report On The Ekker Dwelling Status

by Gene Dixon
Constitutional Law Center

Doris and E.J. Ekker (*Dharma & Oberti*) purchased their subject real property (residential home) by a land sale contract from a private seller in 1986. The Ekkers made the required down payment of some \$20,000 and thereafter another approximately \$20,000.

The seller failed to transmit a portion of the second \$20,000 payment to lender, and lender started default foreclosure proceedings and a noticed sale. The Ekkers appeared at the scheduled sale, but no sale was held. However, the lender did acquire a wrongful foreclosure trustee's deed of sale. The Ekkers have 12 witnesses to prove that no sale was held.

The lender initiated legal action in 1987 which has been opposed in court for the last 5 years by the Ekkers—who have been raising the point of defense that no sale was ever held, among other miscarriages of justice.

The Resolution Trust Corporation (RTC), that questionable government entity that has wasted billions of taxpayers' monies, took over as proper party plaintiff in March 1992 and immediately raised a device called the D'Oench Duhme Doctrine to usurp the powers of the State court and forced the State courts to annul the jury and award, immediately, judgment and possession to the RTC.

The Ekkers have valiantly argued this injustice through all the State Courts, Appellate Courts, Supreme Court of California and the Bankruptcy Courts, and still have never had their "day in court". And now the Sheriff of Kern County may force eviction proceedings starting March 1, 1993.

Ekker supporters, and specifically their own church associate, have submitted a cash purchase offer to the RTC attorneys of the reasonable value of the subject property, but the RTC attorneys are smelling blood and revenge and won't even send the RTC appraiser through to make an appraisal.

The RTC attorneys are even now placing additional conditions on any cooperation from them that sound of blackmail and extortion.

The Ekkers need as many friends, associates and like-minded countrymen as possible to show their support by becoming part of a peaceful "sit-in" at their residence. It is anticipated that the Sheriff will be arriving to enforce eviction on Tuesday or Wednesday of this week (3/2-3/93). The sheriff will naturally hesitate to proceed if a strong show of support is exhibited for the Ekkers who have been so terribly wronged by the court system and the RTC. Three humongous tents have been set up to accommodate up to 300 people (and to quickly move belongings from the house should the need actually arise).

GAIANDRIANA

Gaiandriana is a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of health.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well!

The Gaiandriana (commonly referred to as "chondriana" in the Biological literature) are capable of intelligent, organized attack against cellular invaders like viruses. Think of it as a "pac-man" operation of sorts. However, beyond that, the Gaiandriana are capable of stimulating cellular structural repairs due to damage caused by, for instance, free radicals and cumulative levels of so-called "background" radiation in our modern environment. Healthy DNA and RNA within the nuclei of our cells then lead to properly formed and concentrated enzymes, upon which healthy cellular function depends.

Gaiandriana liquid is made entirely from wholesome natural ingredients.

AQUAGAIA

Complementary to the Gaiandriana product, Aquagaia is also a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of healthy function.

Aquagaia contains *mitochondria*. These are the major biochemical energy "processors" within cellular metabolism. First, enzymes begin the breakdown process of organic nutrients (like fats, carbohydrates and proteins) to intermediate substances such as amino and pyruvic acids. Then, in the next "bucket brigade" step, these various acid molecules are processed within the mitochondria to release chemical energy recognized as adenosine triphosphate (ATP).

About 95% of the energy needed to "run the machinery" that keeps each cell going and healthy is produced in the mitochondria. Unfortunately, the mitochondria are particularly damaged by free radicals and cumulative levels of so-called "background" radiation in our modern environment. These compromised mitochondria, like half-dead

batteries, then lead to impaired cellular functioning and health. Thus is the importance of Aquagaia, with its assimilatable supply of healthy mitochondria — like "fresh batteries" for the body's cells.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well.

2/11/93 #2 HATONN

GAIANDRIANA AND AQUAGAIA:

To help in understanding the workings of these organic "pac-men" you must realize that there is a protein covering "cap" on viruses. The protein cap is centered on a charged zinc atom and is the part of the virus that recognizes and binds to DNA—in turn allowing the virus to reproduce.

Aquagaia, in conjunction with the Gaiandriana, knock out the zinc atom (a simple "charge" change), which renders the protein ineffective. This is a breakdown of "parts" of the Gaiandriana male/female DNA structure which release many working variants but frees the Gaiandriettes or "killers" to take out that zinc atom and pass right into the affected cell. Without the "cap", the virus cannot reproduce and infect more cells—further, the damaged virus feeds the Gaiandriana unified cells and the circulating mitochondria.

Healthy cells are not affected because they lack the zinc-centered protein cap on the virus.

These "Gaia" compounds have an effect on cancer cells because they stop an enzyme on the cancer cells from producing a "messenger" molecule that blocks a second enzyme from attacking the cancer cell's DNA. The compounds (Gaia) have been seen to actually take-out leukemia, breast, brain and colon cancer cells. We have no claim to anything other than stating that people utilizing these simple and natural substances do show improved well-being and do report feeling generally and, often remarkably, improved as to state of health, thought processes and stamina.

The obvious conclusion is that there might well be good reports of better health and faster recovery following infection by other

viruses than those mentioned above. All viruses known react in generally the same manner.

It is known that many diseases are due to retroviral DNA and these are the most affected viruses by the Gaia-chondrianas (living crystal forms). We, again, make no medical claims—we are simply reporting in an effort to explain WHAT takes place within the cellular structures of living organisms. If you really want to witness remarkable growth in plants and good stamina and health in pets and other animals—try a little of these additives as you would vitamins or fertilizers. Use in a mildly vitamin C based solution on same. At transplant time for garden plants and houseplants—soak their little root systems in this natural and mild solution. Just add a tablespoon of Gaiandriana, a few drops of liquid vitamin C or C-crystals to a quart of water and let set for 48 hours—then it is ready for use. It will not negatively interact with anything other than perhaps harbored viruses and disease spores and organisms.

NOTE

If any product you receive has an unpleasant odor—it is from the finishing culture process. Leave the bottle open to air and it will quickly dissipate. Then, depending on taste and preference—refrigerate after opening and reclosing.

IMPORTANT: Do not mix the two, Gaiandriana and Aquagaia, together for storage as the Aquagaia (mitochondria) is aggressive and begins to "eat" the Gaiandriana for fuel. They go about their appointed tasks once ingested, but in bottle prisons they are not particularly compatible once the available fuel supply is exhausted. Juices are excellent to take with the Aquagaia because the mitochondria must have the fuel derived from same, the most effective juice being from the tropical "Guava" fruit. Any juice is fine, however, and is most pleasant to intake. Diabetics should utilize whatever juices are available on their food plan to keep within the safe guidelines for calories and other requirements.

The most innocuous and easy intake available is simply a few drops under the tongue, both products taken at the same time or at different times of the day. Once the "initial" program is begun and maintenance is followed, certainly the drops under the tongue are the least annoying to any daily regimen.

A-C-E ANTI-OXIDANT FORMULA

There is growing evidence that essentially everyone in our society is exposed to free radicals, now more than ever. While free radicals are normal products of our cells and have certain beneficial roles in the body, increased levels of free radicals in our body

tissues can be detrimental to our health. Free radicals are highly unstable substances produced in the body through, among other routes, the metabolism of oxygen. Free radicals multiply through a series of chain reactions and can attack the polyunsaturated fatty acids of cell membranes. Unless excess free radicals are neutralized, they can cause considerable damage to the structure and function of cell membranes, and thus the cells themselves. The products from free radical reactions are implicated in the progressive accumulation of deleterious cellular changes over time, which may eventually result in recognizable disease. Free radical damage is implicated in the initiation and promotion of many cancers, as well as hardening of the arteries.

One area of Aging Research suggests that free radicals damage body cells and cause the pathological changes associated with aging. Besides being byproducts of the metabolism of oxygen, such as during strenuous exercise, we also generate significant levels of free radicals from the environment, such as from so-called "background" levels of ionizing radiation.

Cooperative defense systems that can protect the body from free radical damage include certain enzymes and the antioxidant vitamins A, C, and E and beta-carotene, which protect cell membranes from oxidative damage. Vitamin E, one of the fat-soluble vitamins, is present in the blood as d-alpha-tocopherol and is well accepted as the major antioxidant in lipid body tissues. Vitamin E is considered the first line of defense against cell-membrane damage due to peroxidation. Vitamin E scavenges free radicals, terminating chain reactions and confining damage to limited areas of the membrane. Selenium contained in the enzyme glytathione peroxidase is the second line of defense that destroys peroxides before they can damage cell membranes. Beta-carotene, a precursor of Vitamin A, also traps free radicals. Vitamin C is water soluble and serves to neutralize free radicals in aqueous systems.

The antioxidants show promise as cancer-prevention agents, alone and in combination.

GINKGO BILOBA **(Ginkgo Biloba extract 24%)**

The Ginkgo Biloba, or Maidenhair tree, is one of the oldest living species on this planet. Ginkgo has flourished almost unchanged for 150 million years, and its ancestors can be traced back 250 million years. It is because of this antiquity that the Ginkgo Biloba tree is called "the living fossil". Individual trees are believed capable of living 2000 to 4000 years. During the last ice age, Ginkgos nearly became extinct. These trees survived only in China and other parts of Asia, where they stayed until approximately 1,000 years ago. At that time, Ginkgo trees were also planted

around monasteries in Japan, where they still live today.

The name *Ginkgo* may come from the Chinese *Sankyo* or *Yinkuo* (Yin Guo), meaning "hill apricot" or "silver fruit". The word *biloba* means "two lobes" and describes the young leaves. Although modern medical research focuses mainly on the leaves of Ginkgo, the Ginkgo fruits and nuts have been used in China since time immemorial as a delicacy and tonic food. Ancient Chinese texts record Ginkgo's use as a medicinal agent as far back as five thousand years ago.

The Ginkgo Biloba extract is a complex compound. The green leaves of the tree are usually harvested from trees grown on plantations in South Korea, Japan and France.

Ginkgo is reported to have a natural affinity for the nervous system. It also seems to stimulate the vascular and endocrine systems that, in turn, strongly affect the function of the nervous system, possibly increasing the capacity for normal physical activity, and the flow of blood to the brain. Some research indicates the possible effectiveness of Ginkgo in the treatment of *Alzheimer's* disease.

Due to its pharmacological properties, Ginkgo is now widely used throughout Europe for treating many forms of vascular disease. In a survey of packaging information of European products, Ginkgo has been recommended for such ailments as headaches, vertigo, inner-ear disturbances, diminished intellectual capacity and alertness as a result of insufficient circulation to the brain, anxiety, and depression, to name a few.

Ginkgo Biloba Extract (24%) is concentrated from the leaves of the Ginkgo Biloba tree. The highly specialized extraction process yields a 50:1 concentrate from the leaves (50 grams of leaf produce 1 gram of extract). The extract is then further standardized to contain 24% of the active Ginkgo Flavoglycosides.

MO-GU ELIXIR

The first recorded use of Mo-Gu Elixir was during the Chinese Tsin-Dynasty in 221 B.C. It was referred to as "*The Remedy for Immortality*" or "*The Divine Tsche*".

It has been well documented that there are certain people who live to be well past a hundred years of age. These people live in such areas as the mountainous Caucasus, Yakutia in Siberia, the Poltava District of the Ukraine, Tibet and Spain. There is an area in Russia called Kargasok where the people are a dairy- and vegetable-eating populace. Centenarians are common among these people. They attribute their longevity to the Yeast Enzyme Tea (Mo-Gu Elixir) which has been in their diet for hundreds of years. It is said that Mo-Gu and yak butter are staples among the dwellers of the high Himalayas.

Mo-Gu has been used throughout history in China, Japan, Russia, Korea, and India. It has been said to promote a feeling of well-being and overall physical restoration. It has been known by many names, some of which are: Fungus

Japonicus, Fungojapon Kombucha, Pichia Fermentans, Cembuya Orientalis, Combuchu Tschambuoco, Volga-Spring, Champignon de Longue Vie, Teekwass, Kwassan, and Kargasok.

The Mo-Gu fungus constructs in a membrane form and is a symbiosis of yeast cells and different bacteria. Among these bacteria are: Bacterium Xylinum, Bacterium Gluconicum, Acetobacter Ketogenum, and Pichia Fermentans.

The Mo-Gu fungus needs to live in a solution composed of common (black) tea and sugar. In the proper temperature environment they multiply constantly. They do not build spores as yeast normally does, but instead multiply by a process of branching.

CHLORELLA

Chlorella is a single-celled, fresh-water algae. Believed to be the first form of life with a true nucleus, chlorella dates back approximately 2.5 billion years, making it *pre-Cambrian*. Through the process of photosynthesis chlorella cells reproduce themselves by cell division at the rate of four new cells every 17-24 hours. It was not until the 1890s that chlorella was identified under the microscope. In naming it, the prefix *chlor* was selected to signify green, while the suffix *ella*, indicates small. Chlorella is the most researched algae in the world and remains the most popular with millions of consumers world-wide.

Chlorella is a nutritionally balanced whole food and contributes to the health and growth of human cells like no single vitamin or mineral possibly can.

Chlorella is extremely high in protein (60%) and contains more than 20 vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes and chlorella growth factor. It is one of the richest sources of RNA and DNA known and has twenty times as much chlorophyll as alfalfa, 10 times more than other edible algae including spirulina, and 10 times more than barley grass.

Chlorella is a natural vitality enhancer. The vitamins found in chlorella cells include: Vitamin C, provitamin A, B-carotene, chlorophyll a, chlorophyll b, thiamine (B1), riboflavin (B2), pyridoxine (B6), niacin (B3), pantothenic acid, folic acid, vitamin B-12, biotin, choline, vitamin K, PABA, lipoic acid, inositol and para-aminobenzoic acid. The minerals include: phosphorus, potassium, iodine, magnesium, sulphur, iron, calcium, manganese, copper, zinc and cobalt.

The amino acids include: lysine, histidine, arginine, aspartic acid, threonine, serine, glutamic acid, proline, glycine, alanine, cystine, valine, methionine, isoleucine, leucine, tyrosine, phenylalanine, ornithine, tryptophan.

The suggested daily consumption is 3 grams per day.
