Mind Control At China Lake Testing New "Weapons" *1000 Babies Was A Small Batch!*

11/16/96 #2 HATONN

I am going to hop, skip and jump a bit as the information I want to share with you readers is available to you elsewhere and I wish to focus on some more relative places and events as they happen in this programming procedure and research for the most effective methodology.

We have spoken about how slaves are chosen as to personality, opportunity, etc., so let us just move on into the dirty-deeds section.

I honor and appreciate the allowance for our offering some major excerpts from the work of Fritz Springmeier. A lot of the information has been utilized from the output of Mark Phillips and Cathy O'Brien and as long as they are all happy with the

interchange, so too am I.

The name of the volume from which I am going to share portions here is *The Illuminati Formula Used to Create an Undetectable Total Mind Controlled Slave*. I want to begin at the point after the "slave" has been chosen by whatever criteria was utilized and then how and where the actual traumatization is perfected. I want to do this because the places are literally RIGHT UNDER YOUR NOSES and you don't seem to so much as NOTICE.

Panama Under Siege

Part 1 in a Series

11/11/96 DR. JOHN COLEMAN

In order for us to arrive at a clear understanding of what is happening in Panama, an area vital to the national security and commercial interests of the United States of America, we must go back to the drug trade centered in Hong Kong. Ever since the British established Hong Kong as a transshipment gold-trading point for heroin, the city has assumed an importance which belies its more generally known television and textiles image.

If Hong Kong were ONLY a normal trading center, there would be no booming gold market there. But the old aristocratic oligarchical families of England made their massive fortunes out of shipping opium from Bengal to China: first creating a demand for it, and then meeting that demand, and in the process, turning the Chinese into a nation of opium addicts. Their fortunes did not come from the tea and textile trade as is widely believed. The British and their intertwined and interlocked old American Eastern Liberal Establishment families with their network of venerable law firms, Wall Street banks, family brokerage and investment houses, have done the same thing they did to China with the United States, and, to a lesser extent, the Western world.

The American cocaine "trade" has far outstripped trade in heroin, so Panama has grown to become the leading sheltered banking area in the world, a safe haven for the huge waves of cash flooding into its

banks. The Hollywood crowd made cocaine a "recreational drug" and popularized its use just as they glamorized bootleg whisky during the "Roaring Twenties" in fictionalized accounts of how fashionable it was to drink Bronfman's foul brew which poured into the U.S.A. from Canada.

The booze barons of yesteryear have become the dope barons of today. Nothing much has changed except that the mechanics of distribution and concealment have become a great deal more sophisticated. No more Thompson sub-machine guns, no more loud mobsters in regalia that would make us blush. That has all gone; today it is the gentlemanly image of the board room and the exclusive clubs of London, New York, Hong Kong, Las Vegas and the watering holes of Nice, Monte Carlo and Acapulco. The oligarchists still maintain a discreet distance from their court servants: untouchable, serene in their palaces and their power.

The protocol is still there as are the murders. We still find the cocaine Mafia routinely "executing" (i.e., murdering in their unmistakable manner) those they believe have double-crossed them. The victim is stripped of underwear, hands tied, blindfolded and shot once in the left side of the head. This is the "trade mark" of the cocaine killers, a warning to others not to try and run off with their money or dope, or start up in business on their own. The clever ones who escape the killers are simply denounced to the authorities. Most of what passes for "drug busts" comes from information given by the top dope merchants to put the new boys, the independents, out of business.

High level protection doesn't always work when the "bosses" are robbed, as the 25-year-old son of General Ruben Dario Paredes, former head of Panama's National Guard and vociferous enemy of General Manuel Noriega, found out. He ended up in a grave in Colombia "dressed" by the cocaine killers, with a bullet hole in his left temple. Not even his father's position could protect him from the wrath of the cocaine cartel bosses.

With the Chinese Government pressing hard for a bigger slice of the opium/heroin cake and demanding greater control of the lucrative gold and opium trade, top-level British controllers began to promote Panama as an "alternative" for their banking operations. Not that Panama will ever replace Hong Kong; in reality Hong Kong controls the opium/heroin trade, while Panama controls the cocaine trade, but the two overlap to a considerable degree.

We should realize what we are talking about here. We are not talking about companies that don't live up to expectations; we are not talking about companies that sometimes make considerable losses, like "safe", nice General Motors, for instance, companies that do not always come up to snuff. No, we are talking about a GIANT entity that ALWAYS make huge profits, year after year after year, and NEVER disappoints its "investors".

The offshore dope trade exceeds \$300 BILLION per annum, and is growing annually. In 1977 the figure was estimated at \$200 billion by the DEA, not a bad "growth" rate on a relatively small "investment"? This HUGE amount of CASH remains outside the laws of

all countries as it crosses international boundaries with impunity.

Is the drug business conducted in the "bootlegging" manner? Do sinister-looking men travel around with suitcases stuffed with \$100 dollar bills? They do—on occasions, but mainly the dope business can only be transacted with the witting and willing cooperation of international banks and their allied financial institutions. It is really as simple as that. Close down the drug banks, and the drug trade will begin to dry up as law enforcement agencies pounce on the drug barons pushed into the open through being forced to use desperate and, for them, dangerous alternative methods.

In other words, close up the rat-holes and it will be easier to get rid of the rodents. While it is gratifying to note as we do from time to time that drug arrests have been made and large amounts of dope seized by the authorities, this is only a drop in the ocean, the "cost of doing business": the result of informing on "unregistered" competitors. Such "busts" represent far less than the proverbial tip of the iceberg. And with their private intelligence systems, often far more sophisticated than those of smaller countries, the big drug barons and their bankers usually stay several steps ahead of law enforcement agencies.

The path to successfully combating the drug menace, which is a greater danger to civilization than was the Black Death of the Middle Ages, lies through the marbled lobbies and beautifully decorated banking halls of the world. We are approaching the problem from the most difficult angle. We are trying to catch the operators, instead of going after the FINANCIERS.

British banks have been in control of offshore drug banking for centuries, as indeed they have similarly been in charge of the diamond and gold trades, both intimately connected with the heroin trade. That is why Queen Victoria sent the most powerful army in the world at that time to crush the tiny Boer republics in South Africa; simply to gain control of their gold and diamonds which Lord Palmerston, Sir Alfred Milner and Joseph Chamberlain saw as an excellent way to finance their filthy business without the possibility of tracing payments back to the source. This is still the medium by which the Hong Kong heroin trade is largely financed. After all, gold and diamonds are impersonal.

It explains why Queen Elizabeth is at loggerheads with Mrs. Thatcher. The Queen wants an end to the South African Government and its anti-drug stand. The Queen wants to send Mr. Furhop in there to run things the way he runs things for her in Rhodesia. Furhop is the real name of her court messenger better known as "Tiny" Rowland, who heads the giant conglomerate Lonrho, of which she is the principle stockholder through Angus Ogilvie.

In a sense, South Africa and Panama are both under siege for the same reasons. The South Africans are standing in the way of a takeover of their treasure trove of gold and diamonds by the oligarchist-aristocracy, and in the case of Panama, their treasured bank secrecy is being torn apart by General Noriega. The powers that be are hardly likely to take these reverses lying down!

To give us some idea of what is at stake in Panama, to which I must confine myself, the DEA estimates that close to \$250 million PER DAY changes hands through teletype bank transfers. Some fifty percent of this is Interbank money derived from the dope trade. Cayman Islands, Bahamas, Andorra, Panama, Hong Kong and the Swiss banks handle this vast flow of money. As a spin-off of the dope trade, we have to contend with the burden of "floating currency exchange rates".

This destabilizing effect was brought on by the huge volume of cash which our system was not designed to handle; there is no way that fixed rates of exchange could handle the vast and rapid transfer of money around the world in a day under fixed parities. The "economists" sold us a false bill of goods when they approved the policy of "floating" exchange rates, and

they invented all sorts of economic jargon to cover the REAL reason viz—the HUGE flow of dope cash!

With a very large portion of this money flowing into Panama, it was necessary to have an asset in Panama who could be trusted to maintain bank secrecy of the tightest order. The DEA estimates that \$2 billion per annum disappears from the U.S. alone and finds its way to Panama. So Coudert Brothers, the "mob lawyers" for the Eastern Liberal Establishment, set to work in the person of Sol Linowitz, a trusted messenger for the "Olympians". General Omar Torrijos was created, packaged and sold to the American people as a "Panamanian nationalist". His "made by David Rockefeller" stamp was carefully concealed from the vast majority of the American people.

Thanks to the treachery of sold out servants of the CFR in the Senate, men like De Concini and Lugar, Panama passed into the hands of General Torrijos at the cost of millions of dollars to the U.S. taxpayer. But Torrijos, like so many of us mortals, quickly forgot who his "maker" was, and the gods of Olympus were forced to remove him from the scene. Torrijos was assassinated in August 1981. Ostensibly he was killed in a plane crash, which closely resembles the type of "accident" which overtook Aristotle Onassis's son.

Torrijos was originally hand-picked by Kissinger in the manner to which we are now accustomed. When he began taking his role as a Panamanian "nationalist" seriously instead of a ventriloquist's dummy, he had to go. Kissinger got himself appointed to head the President's Bipartisan Committee on Central America, another of Reagan's broken promises. This strengthened his hold on Panama or so he thought.

We have to look at Panama through the eyes of the Trojan Horse, that is to say, we must look at Central America as Kissinger's Andes plan saw it—killing grounds for thousands of American soldiers. Kissinger's orders are to get another "Vietnam War" going in the region. Panama is central to the plan.

Torrijos had other ideas. He wanted to join the Contadora group seeking to bring stability and solutions to poverty to the region through industrial progress. Now I am not committed to the Contadoras; there are many areas where I differ from them. But one cannot deny that the Contadoras, by and large are committed to FIGHT THE DRUG ECONOMY PLANNED FOR CENTRAL AMERICA ALONG THE LINES OF JAMAICA'S GANJA ECONOMY. This so-called "free trade" idea is supported by members of the Mont Pelerin Society, notably Cisneros of Venezuela and the Venetian Cini Foundation. For this reason and for threatening to expose the Rockefeller banking setup in Panama, Torrijos was "permanently immobilized", intelligence parlance for murdered.

As I have said before, we are not talking about small-time dealers or street pushers which Hollywood delights to portray as the drug trade. We are talking about MAJOR banks and financial institutions; we are talking TOP people; we are talking about NATIONS that support and shelter the drug barons, countries like Cuba, and we are talking an organization so strong and powerful that it has brought an entire country to its knees, the Republic of Colombia. We are going to be talking about U.S. State Department complicity in hindering the war on drugs. We are going to talk about Nancy Reagan's unbelievably stupid response, "Just say no", to this menace.

When compared with what is transpiring today, the volume of heroin flowing through the "French Connection" was strictly penny-ante stuff. Yet we must never lose sight of the fact that ex-President Richard Nixon was the only president to firmly tackle the drug menace threatening the U.S. The "French Connection" was a NIXON endeavor from start to finish. For his insolence in taking on the drug trade from the top down, he was removed from office, disgraced, ridiculed and humiliated by the Watergate scam as a lesson and a warning to others who might wish to follow his example. By comparison, President Reagan's "war on

drugs" is merely an answer blowing in the wind!

The Circle of Initiates who founded the Royal Institute for International Affairs has not changed its direction. It is worth repeating that the drug trade is firmly controlled by the descendants and families who intermarried, and who comprise this inner secret society membership, who can trace their lineage to Lord Alfred Milner, Lord Gray, Balfour, Palmerston, Lord Rothschild and others at the top of Debretts Peerage and America's Social Register.

Their banks and the American banks are no small fry. In fact the smaller banks have been weeded out or are in the process of being weeded out with witting or perhaps unwitting help of the U.S. Treasury Department. This is particularly evident in Florida where, starting in 1977, big banks like the Standard and Chartered Bank, Bank Hapoalim, well-known as banks involved in laundering dirty dope money, moved into Florida where the "action" was.

The "big boys" then began informing on small banks used by small independent cocaine dealers. Remember, the drug monopolists have their own highly efficient intelligence network. The Treasury went after these banks, but left the big ones alone. When BIG banks are caught, which has happened on a few occasions, they are dealt with in a most lenient fashion.

Witness the case of Credit Suisse in Geneva and First Bank of Boston. This most venerable of Boston's banks was caught red-handed laundering dope money in conjunction with Credit Suisse. Some 1200 separate indictments were brought against the First Na-

tional. The Justice Department combined the charges into a single charge, and the bank was given a light slap on the wrist: a measly \$500,000 fine! Credit Suisse was not pursued by the Justice Department or the Treasury! Credit Suisse remains one of the largest and most efficient dope money-laundering banks after American Express—the "untouchables" of the banking world.

Other major banks involved in the dirty lucrative business of dope are National Westminster, Barclays, Midlands Bank, and the Royal Bank of Canada. The Royal Bank of Canada and the National Westminster Bank are the key drug bankers for the dope barons in the Caribbean Basin, scene of Mr. David Rockefeller's much vaunted "Caribbean Basin Initiative".

Working through the IMF, Kissinger ordered Jamaica to grow a "free enterprise" crop of ganja (marijuana), which today accounts for the bulk of Jamaica's foreign exchange earnings. The same thing happened in Guyana, which is what Jim Jones went down there to do, except that Jones was unaware of the true purpose of his manipulators. As part of a massive brainwashing experiment of the Vacaville type, Jones never did reach his goal.

Jamaica is one of the countries run on dope money. Edward Seaga, quite brazenly told American newspapers, notably the *Washington Post*, that whether it is accepted or not, "the industry as such is here to stay. It is just not possible to wipe it out." I have no quarrel with the "here to stay" bit. Using rock and roll "music" as its vehicle for the spread of "recreational drugs"

and protected at the highest levels, the drug trade indeed seems destined to stay.

That is not to say that it cannot be eliminated. The first steps in an eradication program would in my opinion be to attack its MAJOR banks, and to pass legislation making the sale of rock and roll music in all its forms, cassettes, discs, etc., and promoting rock concerts a criminal offense punishable by stiff prison sentences.

As one of the spin-offs of the "meatgrinder war" between Iran and Iraq, the sale of heroin from which diacetyl morphine is derived has skyrocketed. Most of the proceeds of this "trade" has found its way into Panamanian banks, the "overlap" with Hong Kong which I mentioned earlier. There are officially 2.6 million heroin addicts in Iran, of which 1.5 million are in the army, where soldiers-addicts can get it on request. One recalls that the British oligarchists tried the same deal during the War Between the States, the Civil War, but did not have as much success as they are presently enjoying in the Gulf War.

Not only does heroin fuel the Gulf War, it also fuels "freedom fighter outfits", the term used by George Shultz to describe the murderous African National Congress (ANC), ETA, the IRA, the Sikh separatist movement, the Kurds, et al. The funds derived from the sale of opium and cocaine are channeled to these terrorist organizations through the World Council of Churches. I have recently seen documentary evidence of this and would be prepared to testify under oath to this effect in a court of law.

From the foregoing it becomes clear why Panama is so important to the supra-national One World forces. Panama was set up by David Rockefeller to be a convenient banking depository for dirty dope money. Panama was adjudicated the banking center for cocaine, while Hong Kong remained the heroin/opium center. Panama's banking system was restructured by the former director of the World Bank and a director of the Marine Midland Bank (taken over by the king of drug banks, the Hong Kong and Shanghai Bank), Nicholas Ardito Barletta. Barletta was acceptable because of his "respectable" image and experience in handling vast amounts of dope cash.

In 1982, the Treasury Department estimated that the Banco Nacional de Panama had increased its cash flow of dollars by nearly 500 percent between 1980 and 1984. Some \$6 billion in unreported money went from the U.S. to Panama during this four-year period alone. President Alan Garcia of Peru, who led an all-out WAR against the dope barons, addressed the United Nations on September 23 on this subject and listed Peru's suc-

cesses and victories in the war on drugs. He went on to say: "We could therefore ask the American Administration, if we have done that in fifty days, what it is doing for the human rights of the individual keeling over in Grand Central Station and so many other places, and when will it legally and in a Christian fashion, fight to eradicate the consumption?"

Mrs. Nancy Reagan says "Just say NO", but that is no answer to President Garcia's implicit charge that the U.S. is doing well below its best to eradicate the drug curse. Yet so many so-called "economists" still call for legalizing this vile business in the name of "free trade". Among them we find Diego Cisneros who is a member of the Mont Pelerin Society, a so-called "conservative" society which promotes the theory of "free trade".

After the assassination of Omar Torrijos, who died in August 1981 because he chose to ignore Kissinger's orders and was showing strong signs of "going it alone", strong man General Rueben Paredes took control of Panama. Paredes took off on the "wrong" road, threatening to expel the American ambassador from Panama for "interfering in the country's internal affairs". This was in February of 1983. Kissinger thereupon delivered a "message" to Paredes.

In an amazing "about-face" General Paredes suddenly began supporting Kissinger's Andes Plan to turn Central America into another Vietnam for the U.S. military, abandoning support for Contadora policies. Although it has many flaws, basically the Contadora Group is aware of the Kissinger "Trojan Horse" in Central America, and it is trying hard to prevent a Vietnam-style conflict enveloping the region.

Henry Kissinger and the U.S. State Department had previously promoted Paredes as a "Panama nationalist, a staunch anti-Communist friend of America". On a Kissinger-sponsored visit to Washington, D.C., Paredes was escorted around by Kissinger in person. Six months after the murder of Torrijos, General Paredes took command of the National Guard. Since then Paredes has openly praised the Gnostic M19 terrorists of Colombia, and sabotaged Contadora's efforts to arrive at a peaceful solution to the problems of the region.

He also took great pains to cultivate the friendship of Anulfo Arias, whom the *Washington Post*, the *New York Times* and surprisingly, Senator Jesse Helms held up as the rightful heir to the leadership of Panama, whose position was allegedly usurped by General Noriega. Strangely enough, during the Panama Canal Treaty hearings, the media jackals said nothing about Torrijos usurping Anulfo Arias's "rightful" position! A lot of rubbish has been talked about Arias being a "Nazi" and therefore unworthy to lead Panama. This kind of anti-German propaganda is not worthy of comment.

Notwithstanding the merciless cocaine mafia-style execution of his 25-year-old son along with two other Panamanian "business partners" by killers who work for the Ochoa-Escobar clan, Paredes has remained loyal to the drug overlords and their banking nexus.

The loss of Panamanian support was a big blow to the aspirations of the Contadoras. It meant that Panama would remain a "wide open" center for financing sales of weapons to the region, notably supplied by Israel under an agreement reached between local leaders and Ariel Sharon, a business partner of Kissinger's.

Apart from threats for which Kissinger is notorious, the IMF had a hand in blackmailing Paredes. My sources told me that Kissinger let it be known that the IMF stand-by agree-

ment to restructure Panama's \$320 million debt, might not hold good if Paredes fell out with his master. As I said, Paredes "got the message".

The IMF is now locked in a struggle with General Noriega who told the Panamanian people in a televised address on March 22, 1986, that Panama is being strangled by the IMF. President Eric Delville has unfortunately backed IMF austerity packages, which are designed to weaken labor union support for Noriega. The CONATO labor federation is threatening to break with General Noriega unless IMF dictates are ignored.

General Manuel Noriega, while still Colonel Noriega, was chief of the anti-narcotics bureau in Panama (almost as absurd as the Soviet Union having a ministry of culture!) and battled for ten years to keep the Panama National Guard free of the taint of corruption that follows in the wake of dope money as surely as night follows day.

With the Ochoa and Escobar families virtually taking over Panama, this was no mean feat. His anti-drug struggle was confirmed by the head of the Drug Enforcement Agency (DEA), John C. Lawn. Lawn is not known for flowery speeches nor writing letters of commendation. His letter to General Noriega is therefore all the more remarkable in that it lavishes praise on him in an unstinting manner. Unfortunately the letter is too long to include in its entirety, but here is an excerpt from that letter which is representative of the manner and style in which it is couched:

"I would like to take this opportunity to reiterate my deep appreciation for the vigorous anti-drug trafficking policy that you have adopted, which is reflected in the numerous expulsions from Panama of accused traffickers, the large seizures of cocaine and precursor chemicals that have occurred in Panama and the eradication of marijuana cultivation in Panama territory."

Neither the *Washington Post* or the *New York Times* saw fit to reprint this commendation, which appeared in a newspaper in Peru. I will go back to the subject of the DEA and John C. Lawn later because of its vital significance. The only thing the *Washington Post* could do to counter this fine testimonial was to publish untruths by its so-called "intelligence expert", Mr. Seymour Hersh. Hersh wrote an article in which he stated that General Noriega was a "double agent" for the CIA, feeding it with information he receives from Cuba.

This ploy is well-known among GENUINE intelligence people. The purpose of such "disclosures" would be to get Cuban DGI secret service assassins to murder General Noriega on the pretext that he "double-crossed Cuba". This would draw attention away from the Kissinger-bankers gang if the assassination attempt were to prove successful. Mr. Hersh's information and stories have often not been very accurate, and the Noriega "disclosure" should be seen for what it is: a possible set-up for an assassination attempt on General Noriega.

Noriega is of course fighting back with all of the resources at his disposal. But let it be known that any move against the drug trade is fraught with peril. Panama is an example of the kind of counteraction the powerful enemy is capable of mounting. In the Caribbean and Panama, we are faced with a consortium made up of Coudert Brothers law firm in the person of Sol Linowitz, Fidel Castro, David Rockefeller, Henry Kissinger and the International Monetary Fund, plus a number of top banks and the U.S. State Department.

Kissinger's Andean Plan is being stymied by General Noriega, and Noriega is under fire because of it. The outcome in Panama is far from clear. Rockefeller's Caribbean Basin Initiative amounted to handing Fidel Castro a dope empire worth at least \$35 billion per annum. Castro has no intention of giving it up without a struggle. The much-vaunted "initiative" has turned land for cultivating sugar cane and coffee into "free trade alternative crops" of marijuana and coca bushes. Sugar cane land is well suited for marijuana cultivation, and where coffee bushes do well, so does

the coca bush from which the leaves are harvested to produce cocaine.

David Rockefeller and Kissinger have created a state within a state in Colombia, where Carlos Ledher, until his recent arrest, the Ochoa and Escobar clans and their minions have set up a state within a state. The attack on the Justice Building in downtown Bogota, in which half the city's magistrates were killed, was executed by the drug barons' private army, the M19 guerrillas. The assault was an outright act of anarchy which has left Colombia in a state of numbed fear.

What is behind all this frenetic activity which in reality is revolution? Quite simply it is CASH, waves and waves of CASH, flowing into the offshore havens of the Caribbean and Panama. The DEA estimates that Colombia alone banked \$25 billion in cash from 1980-1983. The DEA and the Treasury believe that Panama is the banking capital of the cocaine world, and I have no quarrel with its assessment. In 1982 the Treasury Department stated that Banco Nacional de Panama had become the main clearing house for drug dollars with a four-fold increase in its cash flow from 1980 to 1983.

Panama, up until the advent of General Noriega taking power, was also THE meeting place, for kingpins in the drug trade. Lopez Michelsen, who offered to pay off Colombia's external debt from cocaine revenues if the Colombian Government would "legalize" the position of the dope families, operated quite freely out of Panama, where he often met with the Jorge Ochoa and Pablo Escobar.

These top members of the Colombia dope cartel are known to have struck a deal with Rodrigo Botera Montoya, Colombia's finance minister from 1974-1976 who set up an "open window" at the central bank, where dope dollars could be freely and openly traded without any hassle from the authorities. That "window" has never been closed. It is better known by its colloquial name "ventanilla siniestra", literally "sinister window". It is through this "window" that Fidel Castro receives huge amounts of U.S. dollars.

Do the U.S. authorities know about Botera? Of course they do! Botera is a member of the prestigious Aspen Institute, the Ford Foundation and a former co-chairman of the Inter American Dialogue. He is well-known to the suave Elliott Richardson, whom we will best remember for his persecution and disgusting betrayal of President Richard Nixon in the aftermath of the Watergate scandal.

Not so well known is the fact that Elliott Richardson, an upper-crust eminently respectable Boston Brahmin, was the late Cyrus Hashemi's lawyer. Hashemi was the number one gun-runner for the 1979 Carter-Khomeini arms deal. Richardson was the registered representative and legal advisor for the Marxist Government of Angola. He is also heavily involved in the scandalous cover up of the mysterious deaths of mental patients at the sinister Bridgeport facility, which up to the present day remains to be investigated. Richardson's ties to the dope trade are visible through the pro-narcotics lobby, the Institute for Liberty and Democracy, which he helped to found in Lima, Peru in 1981.

With so many names cropping up in the unfolding Panama tragedy, it is advisable to list the principal players and institutions involved. Noriega's enemies are numerous and powerful as the following list of names shows:

Alvin Weeden Gamboa

Weeden, a Panamanian lawyer and courier for the drug barons, formed the Popular Action Party (PAPO) opposition party to champion human rights, together with two other Noriega enemies, Winston Robles and Roberto Eisenmann. All are strongly opposed to the Panama Defense Force and regularly receive lavish praise from the jackal press and the State Department as members of an "alternative democratic government" for Panama.

Cesar Tribaldos

Tribaldos was heavily implicated in money laundering for the Colombian cocaine barons. He is a coordinator of the Civic Crusade movement along with Roberto Eisenmann, owner of the *La Prensa* newspaper and member of PAPO. He sits on the board of Banco Continental.

Ricardo Tribaldos

The brother of Cesar, he was indicted for trying to import into Panama huge quantities of the precursor chemical ethyl ether (acetone), the principal chemical used in refining cocaine. Ricardo had set up the operation in 1984 in anticipation of Colombians Ochoa and Escobar opening a major cocaine laboratory-processing operation in Panama.

The coca bush, whose leaves provide such a bountiful income for the dope barons, does not grow in Panama. It grows mainly in Peru, Ecuador, Bolivia, Brazil, and Colombia. The raw product is refined in Colombia, but Panama was to become a major refining center following the Colombian military's crack down and destruction of major cocaine processing centers in Colombia.

But in order to set-up shop in Panama, it was first absolutely essential to either assassinate or overthrow Noriega. For this, a "branch" of Carlos Ledher's M19 had to be established in Panama. When the assassination plans failed, the job of overthrowing Noriega from the inside fell to Lt. Colonel Julian Melo Borbua of the National Guard.

Roberto Eisenmann

Roberto Eisenmann, as owner of *La Prensa* newspaper, is a powerful asset of the U.S. State Department and figures prominently in its proposed "alternative democratic" government for Panama. Eisenmann hates Noriega for wrecking one of Jorge Ochoa's major operations and closing down First Interamerica Bank for violating Panama's 1985 bank laws. This left Eisenmann and his colleagues reeling.

No one had expected that any serious action could or would ever be taken against the international community controlling 80% of Panama's economy, which "interests" had found a "Switzerland in Panama" following the changes made by Nicholas Barletta. It therefore amazed this elite community of narcotics traffickers and bankers when Noriega went on to provide information to the DEA which resulted in the arrest of major cocaine baron Jorge Ochoa in Spain. The Panama Establishment was jolted by these developments.

Eisenmann is a vociferous critic of General Noriega, accusing him of destroying Panama's economy while himself being implicated in the cocaine trade, when in fact it is Eisenmann who works closely with the Colombian cocaine barons! Eisenmann is one of the gaggle of drug barons, bankers, lawyers and newspaper editors whose pro-democracy rhetoric is designed to cover their filthy posteriors dipped deep in cocaine dirty money laundering.

Eisenmann, who has led the attack on General Noriega for the past 12 years, is the first choice of the U.S. State Department to head up the government it intends placing in power once General Noriega is ousted. Is this astonishing, perhaps even unbelievable? Certainly, but my information comes from top intelligence sources and is based on SOLID FACTS.

Back in 1984, Eisenmann was exposed as the man behind the purchase of Dadeland Bank of Miami through which the Fernandez syndicate laundered its cocaine and marijuana prof-

its. Dadeland Bank of Miami could justifiably have placed an ad in Eisenmann's *La Prensa* saying: "Panama Laundries Inc. We get rid of bloodstains and stench of all kinds. Bring your cash to the Dadeland Bank for a good cleaning job."

The Fernandez syndicate, indicted in 1984, stored large amounts of cash benefits from the dope trade in rented safe deposit boxes at the bank prior to transferring it to Panama, and court records show that the syndicate held nearly 10,000 of the total stock in Eisenmann's Dadeland Bank. Yet it was Weeden, Eisenmann and Fernandez who specifically charged that General Noriega was dealing with the dope barons. The Fernandez syndicate transferred its dirty money from Dadeland Bank to Banco de Iberoamerica, named in the indictment as one of 15 Panamanian banks it used. Eisenmann later swore that he had no idea that his Dadeland Bank was being used for laundering narcotics money.

Carlos Rodriguez Milian

This remarkable courier for Ledher, Escobar and the Ochoa brothers was paid a salary of \$2 million per month, up until the time of his arrest by DEA agents following a tip they received from his sworn enemy, General Noriega. His job involved supervision and delivery of huge sums of drug cash to Bank of America, First Boston and Citicorp among others for laundering. At the Senate Foreign Relations Subcommittee on Narcotics hearing on February 11, 1988—proceedings designed to smear and blacken the name of General Noriega, Milian was brought from prison, where he is serving a 43-year sentence for his drug-related business activities, to testify against General Noriega.

But he disrupted proceedings and scared committee members by disclosing that he had delivered huge loads of drug dollars to the prestigious American banks named above. His unexpected unsolicited disclosures under oath were totally blacked out by the jackals of the U.S. news media. Milian's testimony unwittingly underscores the fact that the U.S. is today at the mercy of the narcotics barons in much the same way as Panama and Colombia both are.

Lt. Colonel Julian Melo Borbua

Dishonorably discharged from the Panama National Guard in 1984, Borbua has become one of the star witnesses against General Noriega. While still in the National Guard, Melo met with the Ochoa brothers in Colombia, who gave him the job and paid him \$4 million to open a cocaine laboratory in Darien, in the Panama jungle; to secure safe city storage and transit facilities

and safe-housing for weapons for sale, mainly of Israeli origin; and to set up arrangements with various banks to facilitate the flow of cash from these illegal transactions. Compatriots in the scheme were Ricardo Tribaldos, the man who was indicted for trying to import ethyl ether into Panama, and one Gabriel Mendez.

Tribaldos and Mendez knew they were up against it when Noriega's men interdicted and destroyed large shipments of ethyl ether and located and wrecked the cocaine laboratory. Under the direction of undisclosed persons, Tribaldos, Mendez and Borbua set in motion a plan to trigger massive flight capital from Panama, attack and smear the military, and if possible, assassinate General Noriega. The PDF [Panama Defense Force] discovered the plot, and arrested the three. Mendez and Tribaldos were charged with narcotics trafficking and went to prison, but were released by a Panama court under suspicious circumstances. Borbua was dishonorably discharged from the PDF. Today all are active members of the Civic Crusade front set up to oust General Noriega.

Civic Crusade

This front for Eisenmann and his associates is solely a vehicle for use against General Noriega. Its backers are Eisenmann, Barletta, Tribaldos, Jamie Castillo and Jose Blandon, Elliott Richardson, Norman Bailey and Sol Linowitz. The Civic Crusade established itself in Washington, D.C., in June 1987 with Lewis Galindo, the self-described "international representative of Panama's opposition to Noriega" employed to run it. Galindo has impeccable credentials with the Shultz faction of the State Department and the Eastern Liberal Establishment through the Trilateral Commission's Sol Linowitz, one of the Olympians' most trusted servants and a partner in the prestigious law firm of Coudert Brothers.

Galindo also has impeccable credentials with the former President of Colombia, Alfonso Lopez Michelson, generally regarded by narcotics intelligence agents as the man who acted as overseer of the Colombian cocaine and marijuana trade during his term in office from 1974 to 1978.

The Robles Brothers

Ivan Robles and his brother Winston are prominent lawyers in Panama. They owe their prominence to the cocaine trade bosses and their bankers. Winston Robles is a co-editor of Roberto Eisenmann's *La Prensa* with its proven Fernandez-Dadeland Bank connections. The International Law Directory gives the correct title of the law firm as Martindale-Hubbell, Robles and Robles. Eisenmann, although a proven

one-third owner of the Dadeland Bank with its unsavory past connections with the Fernandez syndicate, is top favorite with the Eastern Liberal Establishment, Shultz and the State Department to replace General Noriega as soon as the disgusting "negotiations" (naked threats) between the U.S. and Panama are concluded.

These "negotiations" stem from the totally false drug trafficking charges brought against General Noriega by a Miami, Florida grand jury on February 5, 1988. This indictment again points up the most urgent need for the American people to rid themselves of this archaic, feudal "star chamber" appendage to our legal system.

The latest information on the "negotiations" is Shultz's statement: "We have had a lot of discussion with him (Noriega), but we have not yet concluded any agreement (that the false charges against Noriega will be dropped if he voluntarily steps down).

Admiral John Poindexter

The false charges against Noriega mentioned above arose out of the failed mission of Poindexter to force the General to relinquish his post. Poindexter's mission on behalf of Shultz was along the lines of President Reagan's blunt message to get rid of President Marcos, delivered a through Senator Paul Laxalt, who played his Judas role far better than did Poindexter.

Poindexter's mission set in motion the current war by the drug barons, bankers, lawyers and their U.S. allies to rid Panama of the threat to their very existence posed by vigorous prosecution of anti-cocaine banking laws and policies pursued by General Noriega and the PDF. In the Mike Wallace TV interview, Noriega made it clear that Poindexter had come as a bully demanding that Panama bow down to the colonialist demands of the Olympians.

On December 17, 1987, Poindexter demanded that Noriega abandon his cooperation with the Contadoras, and step aside so that the invasion of Nicaragua by U.S. troops could proceed according to Kissinger's Andean Plan to turn Central America into another Vietnam. I am not against Nicaragua being smashed by U.S. military action—in fact nothing would please me more—BUT another Vietnam-style war will only play into the hands of Moscow and the traitors within our gates. Poindexter was backed by the jackals of the U.S. media who went so far as to advocate that Noriega be removed by force.

The Role Of Argentina

When he answered Poindexter's threats with a firm rebuff, Noriega knew that the chips were down. He thereupon sought an alliance with and support from the Peronistas. At a meeting with Peronista leaders which took place at Mar del Plata, Argentina, Noriega and his deputation of middle-level officers received the assurances they were looking for.

But it was not long before countermeasures were taken to scare the Argentinians away. British troops mounted "exercises" in the Malvinas, to show what would happen if Argentina intervened in Panama's affairs, and General John Calvin, chief of the U.S. military southern area command, went to meet with Argentine Defense Minister, Horacio Juanarena.

Ostensibly the meeting dealt with British threats and growing tensions between the two countries over the Malvinas. But my sources told me that General Galvin delivered a stern warning to Juanarena for Argentina not to get involved in

Panama. Galvin's mission to Buenos Aires can quite properly be compared with General Huyser's mission to Teheran during the period Carter was betraying the Shah of Iran.

Jose Blandon

Following the stunning success of a combined Panama-DEA drug operation on the heels of a three-year investigation carried out under the code name "Operations Pisces", the drug barons and their supporters and beneficiaries were badly alarmed. Whereas in 1985, it seemed only vaguely possible that seldom-used laws might become a bother to be dealt with by intimidation, bribery and corruption, Noriega was now showing that he could not be threatened or bought and that he meant business.

"Operations Pisces" closed down 54 accounts in 18 Panamanian banks and resulted in the seizure of \$10 million and large quantities of cocaine. This was followed by the freezing of another 85 accounts in banks whose deposits were believed to be stained by blood and cocaine, an action carried out by the Panama Defense Force. Fifty eight major U.S. and Colombian and some Cuban-American "runners" were arrested and indicted on narcotics-trafficking charges.

Following on the arrest of Jorges Ochoa in Spain as the result of a Noriega tip, Roberto Eisenmann and his friends were now thoroughly aroused. *La Prensa* in particular accused Noriega of being "a lackey of the U.S. Government" and complained that the U.S. Attorney now had more rights inside Panamanian banks than he did back home.

La Prensa's plaintive keening was fully supported by an article in the *New York Times* of August 10, 1987, which alleged that the "serious breach of bank secrecy regulations is part of an American campaign against the launderers of drug money.... The papers were served without citing any statutes or articles in complete disregard for the legal procedures that are supposed to be followed." It then went on to quote a Panamanian banker as saying: "It was done to appease the Americans and was typical of the way this guy works."

"Operations Pisces" was made possible by passage of Panamanian Law 23 which gave notice of what the narcotics traffickers could expect in future. *La Prensa* complained bitterly that the Panama Defense Force was conducting a publicity campaign against drugs on behalf of the American Government, a campaign that "will devastate the Panamanian banking center".

Enter Jose Blandon, now turned 180 degrees by the pro-drug consortium. What was the role assigned to Blandon to play in the unfolding war against anti-cocaine forces? He was hired to drum up so-called "international support" for the forces trying to bring down General Noriega. In so doing, Blandon exposed himself as a hypocritical unmitigated liar. Blandon is a SOCIALIST in the service of Willy Brandt's Socialist International (also known in some circles as The Partnership). As a back-stabbing liar, he was well suited for the job—or so his string-pullers thought.

Before taking up his post as chief accuser of General Noriega, Blandon, who was the New York Consul General for Panama, went on Panama TV on August 11, 1987, IN SUPPORT OF NORIEGA. He vehemently attacked the forces ranged against General Noriega, characterizing the hostility as "a campaign essentially aimed at the liquidation of Panama, initiated by the invisible government of McFarlane, Poindexter and North." This is as near to the truth as Blandon got before his remarkable Damascus Road conversion took place.

MONETARY 'REVOLUTION' GAINS STEAM AS COMMUNITIES FAVOR BARTERING TO DEBT

Excerpted from *THE SPOTLIGHT*, 10/4/96, [quoting:]

Canny patriots in Ithaca, New York have created their own scrip—a workable money system issued without bankers and no interest that bankers require for the Federal Reserve "dollars" that bankers create.

Over the years small, local, family-based producers of virtually all manner of agricultural products have fallen by the wayside as big corporations have forced them out of business. Declining along with the growing numbers of bankrupted family agricultural businesses has been the ability of local communities to control their own economic destiny.

Five years ago, a group of people in Ithaca, New York, and surrounding communities in Tompkins County, decided that they had seen enough of big corporate farms—and other national and multi-national businesses—taking over their diverse, unique local economy and affecting their way of life. Led by Paul Glover—a man dubbed as "a community folk hero" by one of his neigh-

bors—these people have launched their own localized currency system.

This is one of the most promising efforts in decades to slowly wrest control of local economies back from the Federal Reserve System and big corporations.

"We printed our own money because we watched federal dollars come to town, shake a few hands then leave to buy rain forest lumber and fight wars," Glover says. "Ithaca's HOURS [as the local currency is called], by contrast, stay in our region to help us hire each other.

"While dollars make us increasingly dependent on multinational corporations and bankers," he added, "HOURS reinforce community trading and expand commerce which is more accountable to our concern for ecology and social justice."

In their bi-monthly newspaper *HOUR Town*, the community of Ithaca points out that today's dollars are "currently backed by less than nothing: More than five trillion dollars of national debt."

BARTER SYSTEM

In contrast, Ithaca's community currency, the HOUR, is based upon the labor of people in the Ithaca area. One HOUR is exchangeable for \$10 in Federal Reserve notes. Glover and his friends proudly state, with their currency system, the "minimum wage" in Tompkins County has been recognized as being \$10 per hour for five years. More important than gold or silver to increasing numbers of awakened people in Tompkins County is the labor—and well-being—of their fellow citizens.

INTEREST FREE

Unlike Federal Reserve notes and bank credit, HOURS are issued interest-free. As Glover has written, "HOURS earn community interest—job creation, local self-reliance and pride, funding community organizations, and making zero-interest loans—rather than bank interest."

Community currencies, while possibly not the answer yet in everyone's minds, are the most realistic and workable way to begin setting up independent economies, community by community.

Some day, by using this simple yet effective—and honest—system, Third World nations, hopelessly in debt to the plutocrats, can make their own way.

As the efforts to solidify the New World Order slip from the grasp of the internationalists, the time has never been more right to join with like-minded people to draw away from the globalists' failed, doomed, corrupt system. [End quoting]

For more details see the *SPOTLIGHT* article. This is similar to what our Founding Fathers had wanted the money system to be but on a national basis. I commend the communities who strive to get out from under the Banksters' control.

STAY AWAY

Excerpted from *THE SPOTLIGHT*, "Letters" column, 10/4/96, [quoting:]

The World Jewish Congress and other high-powered internationalists are putting the heat on Swiss banks like the Swiss Bank Corp. to open up their records to prove that the accounts they hold are not "secret Nazi accounts" containing money taken from European Jews during World War II. This sounds to me as though your warning about the dangers of putting money in Swiss banks is right on the mark. So much for secrecy.

The only way the banks will be able to prove that the money isn't Nazi money is to show precisely who the money does belong to. That means that all those patriots who listened to Larry Patterson and put their money into the Swiss Bank Corp. are going to be exposed to the prying eyes of the new Inquisition. — Myra Phillips, Trenton, New Jersey [End quoting]

Can you think of a better method to make a raid on all the secret millions of dollars—probably billions or even trillions—much of it, probably, stolen, drug and/or illicit, so the Khazarian Jews can confiscate it all. What a windfall this will be if they can pull it off.

BANKRUPTCIES NEAR A RECORD HIGH

From *PARADE MAGAZINE*, 9/29/96, [quoting:]

More than 1 million Americans are expected to file for bankruptcy this year, a new record. Almost all of the 1996 filings (95%) have been individual consumer bankruptcies—people who went too far into debt.

There has been an upward trend: There were 412,510 bankruptcies in 1985; 782,960 in 1990; and 926,601 in 1995. The first quarter this year showed an increase in bankruptcies in every judicial district in the U.S. [End quoting]

And "this economy is growing, growing and growing"—sounds to me like they should be saying the debt is growing, growing, etc. I also read recently that more and more people are working or seeking a second job to earn sufficient income to support their families.

CIVIL vs. CRIMINAL TRIAL

From a reader, [quoting:]

In the civil trial, the standard of proof for the plaintiffs is lower than it was for prosecutors at the murder trial. The jury need only be convinced by "the preponderance of the evidence," not "beyond a reason-

able doubt". That means the jury can hold O.J. Simpson responsible for the slayings if 51 percent of the evidence goes against him.

Simpson cannot refuse to testify and must take the stand this time. And unlike the criminal trial, the verdict does not have to be unanimous. Only nine of the 12 jurors must agree to reach a verdict. [End quoting]

One way or another the powers behind the pageantry will keep justice off balance.

A PROFESSIONAL POLITICIAN!!

"A professional politician is a professionally dishonorable man. In order to get anywhere near high office he has to make so many compromises and submit to so many humiliations that he becomes indistinguishable from a streetwalker." —H.L. Mencken

They are, also, under constant blackmail and mind control. And some are literally robotoids or clones.

PUBLISHING FAKE DOCUMENTS

A highly publicized document has been in the news over the last few days and too many people take it as real without any proof. They seem to accept that someone like Pierre Salinger stating that it is real is proof enough. Many news correspondents have been fed fake documents and pictures, and many have faked their own.

The document I am referring to is the one that Salinger is using as proof that the U.S. Navy is responsible for the downing of TWA's Flight 800 with a missile. [Hatonn has stated several times—in *CONTACT*—that it was downed by a beam weapon.]

This topic of real or fake documents and/or pictures becomes very important when they are used as key

evidence in many court cases. One in particular that is very important at this time is the picture of O.J. Simpson supposedly wearing a pair of shoes that has the same sole pattern that was found in the blood on the concrete walk at the scene of the murders of Nicole Simpson and Ron Goldman.

The technology for making fake documents and pictures is quite simple for many computer literate, artistically talented people, today. You don't have to be a "real expert". Furthermore the software programs are readily available at reasonable costs.

However, some of these "home made" documents need a "real expert" to distinguish them from a real document or picture.

Proof of what can be done by faking of pictures and documents can be seen in magazines and movies where they replace the head on a person's body. Don't you think it would be just as easy to replace shoes on a person's picture without the average juror suspecting a fake? **THINK ABOUT IT!!**

PENTAGON UPS SPENDING FOR GULF RESEARCH

Excerpted from the *BAKERSFIELD CALIFORNIAN*, 11/13/96, [quoting:]

Acknowledging it has not done enough, the Pentagon said Tuesday it would double the money it is spending to find whether U.S. troops were exposed to chemical agents in the Persian Gulf War.

Deputy Defense Secretary John White, the Pentagon's No. 2 official, told reporters the Pentagon is pumping \$27 million into further medical research and an intensified investigation of events during and after the Gulf War.

White also named a senior civilian Navy official,

Bernard Rostker, to a new position on Gulf War illness issues.

The announcement came a day before the Presidential Advisory Committee on Gulf War Veterans' Illnesses, a panel that has been sharply critical of the Pentagon, was to hold a daylong hearing on the issue.

"I wanted to make sure that we had sufficient resources available," White said.

"We've determined that we did not, and we substantially increased those resources. [End quoting]

Here we have the gangsters investigating their own gang and sending money to their comrades for investigations instead of helping the ones who need medical treatment. They always create the problems, get paid to investigate the problems, and more money to help solve them, which usually doesn't help much, if any, except to build their power bases and their personal bank accounts.

CIA DISPUTES DRUG CLAIMS IN COURT

The Agency Denies Employing Alleged Drug Dealers

Excerpted from *THE ORLANDO SENTINEL*, 11/7/96, [quoting:]

The CIA has gone to court to dispute claims by three alleged drug dealers that they were working for the spy agency.

In a document made public Wednesday, a CIA official told the U.S. District Court in San Diego that the agency searched its records and found no evidence of "any kind of operational, contractual or employment relationship" with the men.

It identified them as Nicaraguan cocaine dealer Danilo Blandon, former California police officer Ronald Lister and David Scott Weekly, whom Lister has named as his CIA contact.

A fourth individual named in the document was identified as Los Angeles crack cocaine dealer "Free-way" Rick Ross.

In the declaration, the CIA said it knew as early as 1984 that Norwin Menesis was a major cocaine trafficker. But it said a 1986 search of the agency's records at the FBI's request failed to produce any evidence of a CIA relationship with Menesis.

A censored document included in the court filing said in December 1984 a source "reported that a Norwin Menesis was apparently well known as the Nicaraguan mafia dealing in drug(s), weapons and smuggling and laundering of counterfeit money."

The document, which was headed "Three Persons Claiming CIA Affiliation", also said Menesis was described as "the kingpin of narcotics traffickers in Nicaragua prior to the fall of Somoza".

The CIA inspector general is investigating allegations that the agency was involved in the introduction of crack cocaine into the United States.

Inspector General Frederick Hitz has said it might take months to examine fully records of the relationship between the CIA and Nicaraguan Contra members implicated in 1980s cocaine trafficking in California.

Hitz said recently, however, that a preliminary investigation found "no credible information" to support allegations raised in a series of articles published in August by a California newspaper, the *San Jose Mercury News*.

The *Mercury News*' three-part series, "Dark Alliance", detailed how a Bay Area drug ring sold tons of cocaine to the street gangs of South-Central Los Angeles and funnelled millions in drug profits to a CIA-run guerilla army. The series traced the crack cocaine explosion to the two Nicaraguan cocaine traffickers. Menesis and Blandon, who were civilian leaders of an anti-communist commando group formed and run by the CIA during the 1980s. [End quoting]

Don't hold your breath while the CIA investigates if they are guilty or not. Again a case of the gangsters

WHO'S A GOOD AMERICAN?

Excerpted from *THE SPOTLIGHT*, 10/4/96, [quoting:]

Nation of Islam leader Louis Farrakhan (left) defended his five-week tour of countries accused by the U.S. Government of exporting terrorism, proclaiming it the greatest international mission ever by an African American. He visited Iraq, Libya and Cuba [and others]. Vice President Al Gore (right) meanwhile, in a separate TV interview said what Farrakhan did was "un-American". Gore said: "Personally, I believe that what he has done and said is just completely outrageous. He has promoted anti-Semitism." Apparently Gore equates "anti-Semitism" with "un-Americanism." [End quoting]

Gore must be jealous of what Farrakhan is accomplishing. He is building bridges for good (GOD) in contrast to Gore's bridges for the New World Order (SATAN).

investigating their own gang. The CIA has a policy of keeping the names of certain agents, whom they will not defend if caught, off all official records. They deny they ever worked for them in any way. If you were playing their game wouldn't you be smart enough to do the same? After all, they would have been out of business soon after they got started if they played the game with honesty and integrity!

STATE SOUTHERN BAPTISTS URGE BOYCOTT OF DISNEY

Excerpted from *THE DAILY NEWS*, Los Angeles, 11/14/96, [quoting:]

Determined to mount a crusade on the Walt Disney Co.'s home turf, the California Southern Baptist Convention on Wednesday called for its 430,000 members statewide to boycott the entertainment giant, charging that Disney has turned its back on traditional family values.

Gathered in Pasadena for the Protestant denomination's 56th annual state convention, about 800 delegates or "messengers" from across California passed the resolution to shun all Disney movies, parks and products.

Wednesday's action came five months after the Southern Baptists' national organization took a similar vote in New Orleans in protest of company policies that members say "promote" homosexuality and conflict with Christian values.

"We would like to see Disney come back to the old Disney that we know," said the Rev. Wiley Drake, pastor of the First Southern Baptist Church in Buena Park and main architect of the boycott effort. "This vote just brings awareness to California Baptists and other people." [End quoting]

The Baptists, as most folks, have been hoodwinked, betrayed and fooled by Disney since their beginnings. Several years ago *CONTACT* published detailed examples of how the Disney organization used sly, subtle propaganda, brainwashing and mind-control material in their publications, movies, theme parks, etc. My take is that the main difference now is they are doing

it more frequently and blatantly—sort of thumbing their noses at you—because they think they've "GOT-CHA". It's nice to see that some people are waking up and are getting "mad as hell" and aren't going to take it any longer.

CLINTON'S CABINET BREAKS UP

Secretary of State Warren Christopher and Defense Secretary William Perry are among those leaving.

Excerpted from *THE ORLANDO SENTINEL*, 11/7/96, [quoting:]

The anchors of President Clinton's national security team—Warren Christopher and William Perry—led a snowballing exodus of at least six Cabinet officials Wednesday in a sweeping second-term staff shakeup.

Commerce Secretary Mickey Kantor told Clinton he intended to resign to return to California. Energy Secretary Hazel O'Leary, out of favor, also was quitting, officials said.

Transportation Secretary Federico Pena and Housing Secretary Henry Cisneros were expected to leave, as well, administration officials said. White House officials were waging a behind-the-scenes campaign for Attorney General Janet Reno to go; she wants to stay.

There were varying reasons for the staff reshuffling. Some, like presidential senior advisor George Stephanopoulos, made no secret of the fact they are worn out. [End quoting]

My take on this is: Most of these people are "jumping off", like rats on a sinking ship, to try to get as far away as possible from what is about to happen.

WOE TO THE TRAVELER WHO TRIES TO READ AND ESCAPE TV

Excerpted from *THE DAILY NEWS*, Los Angeles, 11/14/96, [quoting:]

Some friends from Moscow once introduced me to

a lovely Russian custom.

Before embarking on a trip, you sit quietly for a few minutes on your suitcase to guarantee a safe return and to get into a meditative frame of mind for the journey.

Today anyone looking for a few quiet moments in the place where many Americans begin their journeys—an airport departure gate—is in for big trouble.

Besides all the other distractions, there's often a new one: a flickering TV set. I first began encountering these televisions some months ago, and I did some research to find out how widespread they are. It turns out that televisions are installed at more than 1,000 gates in more than 25 major American airports.

The sets usually hang from the ceiling, exasperatingly out of reach for anyone trying to turn off the sound. Woe to the traveler who has an extra hour or two and hopes to read a book. You can't escape. And surely many people want to. At gates cursed with the televisions, most of the passengers are trying to talk, work or read. But the penetrating TV noise needles itself into the conversations and onto the pages.

Who is being served here? Travelers haven't asked for the televisions. The sets are there because there's big money to be made from the commercials they show. Last year Nielsen Media Research reported that 8.4 million people a month saw airport TV ads. Millions in advertising dollars get divided among the three parties involved in the venture: the airport, the airline whose gate is used and the CNN Airport Network, which provides the programming.

It's not only in airports that television is finding captive audiences, a phenomenon known in the advertising business as "place based media". Channel One carries commercials along with its programming into thousands of school classrooms. Cafe USA is a TV network aimed at shopping mall food courts. MetroVison's Commuter Channel screens hang silently above the subway platforms of many cities

Happily, a recent Turner empire attempt aimed at supermarket shoppers, the Check Out Channel, failed. NBC has been test-marketing the idea, however. "Our mission is to sell eyeballs to advertisers," the executive running the project has said.

Specially tailored TV programming is already creeping into doctors' waiting rooms. What's next? The Traffic Jam and Toll Plaza Network?

In public places, television is a form of pollution, like cigarette smoke. Smoke can at least be partly sucked away by a good ventilation system. The noise of an unwanted television can't be. But you can regulate unwanted noise. Many communities place restrictions on jet skis, leaf blowers and snowmobiles.

Thirty years ago people would have laughed at the idea of limiting smoking in public, but today, in the airports of many cities, including San Francisco, where I live, smokers have to go to a special room. Why not a room for TV watchers? [End quoting]

Most people do not realize the extent that "big brother" has entered their lives. If you have been exposed to any stories or writings of the details of the future of "big brother" it always contains something about the all seeing eye—THE TV MONITOR—but of course it's much more than a screen that you watch and listen to. The "big brother" TV is a two-way system with built in transceiver and camera. It can monitor every word and movement you make within its range.

Even more subtle and worse is that they can program you and guide your moods, thinking and actions with the unseen—subliminal—and unheard—subaudio—messages and frequencies with which they bombard you through the TV.

Now do you see why you'll have a very hard time trying to stop the proliferation of these monster-beast monitors. They are the eyes and ears of "big brother" all wrapped up in a box for YOUR ENTERTAINMENT!! And don't forget your children have those nice boxes at school. From what is said above do you think the idiot box you have at home is any different??? WAKE UP AMERICA!!!

WILL YOU STOP PLAYING WITH THAT THING? IT MIGHT BELONG TO SOMEBODY AND THEY'RE PROBABLY WORRIED ABOUT IT!!!

YOU WANT A REVELATOR

In our search for Truth I often feel that I become an Advertising Agency when you want a REVELATOR of unknown, unheard and unseen things. Why? Because you can more easily DISCOUNT information in which you have no confirmation or backup, if it more effectively pleases your senses.

Well, sorry readers, I am NOT a "revelator". I simply reveal Truth so that YOU can set your lives toward right directions and choices. I am NOT a "Christian"—I am a CHRIST—ian. I revere GOD in Goodness, Truth, and Being.

Even though I ask you readers to NOT question me about channels and another's product of information—I am continually badgered about one or another of the speakers on your place as you brush interchanges with them. I am again most recently asked about one Tuella.

"What do you think about Tuella?" I am asked. I don't! I observe that much of Tuella's early work was quite valid and so too does that mean much is now valid. However, a few years back she "was had" by a quite physical, human, cheating, lying con-man who presented as Vegan, the illegitimate SON of Com-

mander Ashtar. Vegan met with Tuella, captivated her imagination, and she became the ONLY place that, for a handsome fee (\$\$\$), you could write in and get personal readings.

Readers, REASON and good sense would tell you this COULD NOT be true in identification if you believed ANYTHING "else" the speaker told you. Why do you demand to have unseen energies to worship and human physical impersonators to "prove" something? NEITHER IS APPROPRIATE. YOU MUST REALIZE TRUTH FROM THE FACTS WHICH PRESENT, AND WE AS THE GUIDES AND TEACHERS MUST PRESENT THE REALITY OF WHAT HAS HAPPENED SO THAT YOU CAN AWAKEN FROM THE INDUCED STUPOR FOISTED OFF ON YOU AS UNSUSPECTING BEINGS.

Because "MIND" and "thought" is all there is, you have to understand that you become exactly what you "think". So, in order to enslave you, it is a requirement that you be given programmed "thoughts" so that you BECOME what is desired by the unGodly beings working for God's adversary.

May I please share with you portions of a book, *The Illuminati Formula Used to Create an Undetectable Total Mind Controlled Slave*, by Fritz Springmeier and Cisco Wheeler? I only wish to now use excerpts from the "Introduction by Fritz".

You have, readers, the perfect EXAMPLE of a living being having undergone the worst kind of Monarch Mind Warp in Cathy O'Brien and even she and Mark Phillips, her deprogrammer, are stunned at how large the problem remains. And these are only examples of the extreme programs. The daily barrage of programming to you-the-people is far more blatant, yet subtle, in presentation. But it works for the Evil-

pretenders-to-the Throne of the New World Order through the Illuminati as this group of Elites came to label themselves.

[QUOTING:]

There are many dangers to the human race, some real and some imagined. I believe that the trauma-based mind control which this book exposes is the greatest danger to the human race. It gives evil men the power to carry out any evil deed totally undetected.

[H: Ah, you might argue that there is no "trauma-based" anything foisted off on you. Oh? When you can't have health care; when your babies are hooked on drugs; when you become hooked on drugs; when your stability is removed, your welfare withdrawn, your job lost, your income gone, your physical beings are sick, and on and on—THAT IS TRAUMA OF THE WORST KIND FOR IT IS NEVER RECOGNIZED. When a loving man, who is desperate to get food and health care to a bleeding and hungry child—can't—is this not the worst kind of trauma and torture? When a man then moves away to leave because he can't survive in his setting—is this not CONTROL? What will happen to all those LEFT without welfare? If they become state property they will simply be molded into more submissive slaves or tools for disruption to organized and peaceful community. How many men leave the woman to fend for herself and babies which he has fathered? Now think about it, readers—be honest—how many? It is not the "lower class" who perpetrates this—it happens right before your eyes as there are "affairs" and the male just takes off somewhere to his own life and discards, to the winds, his responsibilities. Perhaps he never stops "caring" or "loving" or whatever—but the results are the same—severe trauma to those trying to survive in a world of hurt. I might add that within a goodly person that guilt will reside the rest of his conscious days, in one form or another. Those kinds of DEBTS can't ever be repaid, even in money—but survival funds would certainly have helped.

Many of these men will say, "Oh, but I knew she/he would do ok!" Oh? How knowest thou that? They are simply not there to see the pain, hunger, load of responsibility, hurt, welfare acceptance, digging to survive, and finally, making it or breaking from the pressures. Neither do the offspring or ones left ever forget or trust again—even if they forgive and carry on with their individual lives. This usually leaves an equally unbalanced second family, as guilt deprives the children of such unions without that which they can have, because the debt is still due and owing to the original seed. Ah, readers, it is truly a painful pathway as you drift further into the morass of a world gone nuts.]

By the time the astute reader finishes this book, they will be as familiar with how to carry out trauma-based mind control as some of the programmers. Ancient and more recent secrets will no longer be secrets. [H: Hopefully, you will also come to know how to carry out DEPROGRAMMING.]

The centerpiece of these organizations is the trauma-based mind control that they carry out. Without the ability to carry out this sophisticated type of mind control using MPD [*Multiple Personality Disorder*], drugs, hypnosis and electronics and other control methodologies, these organizations would fail to keep their dark evil deeds secret. When one of the mind-control programmers of the Church of Scientology, who has left Scientology, was asked about MPD, he said, "It's the name of the game of mind control."

[H: Ekkers, in their never-ending badgering by such as Green, et al., are accused of not only mind-warping practices such as Doris bringing into total control a whole audience of unsuspecting captives, she is also classified as a Multiple Personality Disorder person by such notable authorities of lying

speaking as Ann Beam, who has written to lawyers, judges and newspapers this edict. The facts are that Doris Ekker is neither of the above. Doris becomes one of the most effective DEPROGRAMMERS on your globe. Why? Because we deal in truth of both actuality and circumstance. There is never any deviation from the concept of truth in happenings from this chair—not now or ever. How can you learn to discern? KNOW ALL YOU CAN ABOUT THE INFORMATION AND THE PEOPLE (SPEAKERS). IF THE SPEAKER GIVES YOU MULTIPLE STORIES ABOUT ANYTHING—BE SUSPICIOUS. Our stories NEVER change except as memory may fail and omit something—but will never invent anything. "They", especially Green and his agent, Beam, invent a new story to tell each time the scenario is laid forth. This means that, at the least, only one tale can be correct and, more likely, NONE OF THE TALES ARE EVEN REMOTELY CLOSE TO TRUTH. So it comes to you who would be trying to discern: Who might be the truthbearer and who might be the lying cheat with ultimate motives of getting something for the agony produced? And WHO gets the money? The lawyers!]

Research into this subject will never be complete. The book has tried to give a comprehensive view of how the programming is done. The basic techniques were developed in German, Scottish, Italian, and English Illuminati families and have been done for centuries. [H: Indeed, you now come full circle to the some 13 families who control the world through their power through THAT CONTROL. GO READ THE PROTOCOLS OF ZION AND YOU WILL FIND THE METHODOLOGY FOR THE MASS CONTROL OF SOCIETIES AND NOT JUST INDIVIDUALS.]

Some of the techniques go all the way back to ancient Egypt and ancient Babylon to the ancient mystery religions. The Nazis are known to have studied ancient Egyptian texts in their mind-control research. The records and secrets of the generational Illuminati bloodlines are very-well guarded secrets. Even when I've learned about the location of secret depositories of some of the Illuminati's secrets in Europe, America, and Asia, their records and secrets are too well-guarded to be examined.

The intelligence agencies, such as MI-6, began investigating these mind-control techniques early this century, but their records have been routinely destroyed and tampered with. There are some survivors and professionals who know that the British used programmed trauma-based MPD (DID) agents in WW-1. In Jan, 1987, Richard Kluff submitted an article to the *American Journal of Clinical Hypnosis* about 8 MPD

patients who were between 60 and 72 years of age.

Traugott Konstantin Oesterreich (1880-1949), who was professor of philosophy at Tübingen University, Germany, studied MPD and demonic possession and wrote a classic study of it in 1921 entitled *Possession Demonic & Other*, which was translated into English in 1930. His classic work on this subject provides documented cases which reveal that the basic trauma-based mind control was going on in Germany, France and Belgium long before the 20th century. Although he is unable to put together all the pieces and the clues for what they are, the reader of this book might enjoy reading the 1930 English translation of his classic work....

The Germans and Italians under the Nazi and Fascist governments began to do serious scientific research into trauma-based mind control. Under the auspices of the Kaiser Wilhelm Medical Institute in Berlin, Joseph Mengele conducted mind-control research on thousands of twins, and thousands of other hapless victims. Himmler supervised genetic research.

[H: Please note that the Nazi-Fascist units and ruling power—were from the lineage of the ANTI-CHRIST/GOD groupings of humanoids. The ultimate leaders of these experiments were Khazarian "false" Jews calling themselves originally, THE SERPENT PEOPLE (RACE). This "serpent" is even reflected in the logos of the so-called medical profession.

While you are trying and trying to figure out WHO IS WHO—it becomes VERY SIMPLE; there is Christ-ness and non-Christ-ness. If that which is non-Christ-ness is the practice of a person—he is NOT OF CHRIST/GOD. You don't have to "figure" and "calculate" further. All you have to do is learn to live beside the individual WITHOUT BECOMING THE INDIVIDUAL OR ACCEPTING HIS EVIL CONCEPTS. Remember that "evil" (the term) is simply the pulling away from the path TO GOODNESS. Sin is defined AS ERROR DISTRACTING FROM THE PATHWAY TO TRUTH AND GOODNESS.]

[END OF QUOTING]

I don't wish to further belabor the subject in this "Foreword" but over the next weeks we will be delving into these subjects quite deeply. We will also be thanking these same authors for their research into the 13 families and the sharing of that information. The one thing the Evil Empire cannot endure—IS LIGHT AND TRUTH SHOWN UPON THEM.

The most DANGEROUS TOOLS of these manipu-

lators are the *Bible* Thumpers who distort truth to suit the needs of the controllers while YOU pounce on anyone who denies that all in such "*Bibles*" is absolute truth but simply might, as well, be manipulated to suit the needs of the preachers' controllers. CHRIST IS FREEDOM, NOT DOGMA OR DOCTRINE!

I find that you look repeatedly for definitions or concepts of THE ONE, (ATON). You pronounce that entity as non-existent, an Egyptian Fable and thus and so while your preachers ramble on and on about "some" God and "some" Christ by their favorite names. No, "Aton" is the symbol, the definition of "THE ONE"—IN THIS INSTANCE, LIGHT OR SOURCE. It is, indeed, an ancient Egyptian term and was usually represented as the "source" or the "Sun" without which life could not flourish.

I want you to watch WHAT YOU THINK AND DO AS CHRISTMAS APPROACHES! ALL OF YOU: SEE WHAT YOU THINK AND WHAT YOU DO!

No indeed, I do not wish to destroy the one time of the year when you turn to some sort of goodness in expression in a human setting. BUT WATCH AND EXPERIENCE, REALLY EXPERIENCE, THAT WHICH YOU SEE, HEAR AND DO AT THIS HOLIDAY SEASON—AND SEE IF IT REALLY REFLECTS GOD AND GOODNESS IN ALL ASPECTS OF THE REPRESENTATION OF THE "BIRTHING" OF GOODNESS AS IN A CHILD.

I would add something here that might well be very personal for the very act of which I will speak is ONLY of loving and giving. Dharma receives many cards and letters, gifts of everything from a handkerchief, to a doll or a coin to use in the colloidalizing processing. These are truly what the "thought" is about, readers, for NOBODY HAS TO DO THIS BECAUSE IT IS EITHER EXPECTED, DEMANDED OR NECESSARY. Everyone has their own family to attend; it is a time of over spending anyway, and yet, the loving remembrances that say I Love You are presented. Bless those thoughts and bless you for caring, for otherwise, we have no purpose in continuing our work. We can survive the crises and troubles because of this BROTHERHOOD, this direction in sharing, and TRUTH—simple TRUTH. MAY WE ALWAYS WALK WITH GOD, ALLAH, ATON THAT OUR LIGHT MAY SHINE FORTH.

Title:

MIND- WARP

As you journey through this obstacle course, called human experience—beware the pitfalls of mind-warping intentions. The world is overflowed with controls placed upon your minds and you have LOST YOUR WAY. Either you light a mind with brilliance in Truth or the minds of man will wither in the darkness of ignorance and enslavement.

Health Advice, With Moderation

11/13/96 #1 HATONN

A BIT OF FATHERLY ADVICE

Now I note that some of you are feeling poorly on a regular basis. It is not that you are not getting the vitamins and minerals you need, but rather, that the bodies are readjusting to receiving them more easily and some of the ones that hype the system are now only offered in balanced amounts. If you wish, go ahead and take supplements.

What is really happening, however, is that you tend to think a lot of something is going to keep you healthier—and it won't. Unless you are SICK WITH INFECTION, it is better to take LESS of the Copper, Titanium, Silver and Gold. You are not infected YET with hyper-bugs and almost everything you are hit with can be handled in a short while by the immune system. However, you guys tend to take TOO MUCH and continue to keep your bodies depleted of the GOOD GUYS. You are NOT helping your bodies, you are overloading them. This does NOT mean to stop everything—just one drop of everything is sufficient. You are getting, remember, all of everything you need in the vitamin/mineral colloids.

If you OVERDO the "antibiotic/antiseptic" solutions you will cause your body to react and reject all viral or bacterial flora and you have to have the good guys to make sure you can have digestion and ingestion in balance. If you need a "booster"—TRY BALANCE AND REST!

I don't care WHO or WHAT tells you to go vegetarian—DO NOT DO IT! YOU WILL NEVER HEAL UNTIL YOU HAVE A GOOD INPUT OF PROTEIN. THAT MEANS AT LEAST 14-16 OUNCES MINIMUM OF MEAT, EGGS, DAIRY PRODUCTS OR WHOLE SOY PRODUCT. THE BODY CANNOT HEAL AND MUSCLE CANNOT BE BUILT IF YOU DON'T PROVIDE SUBSTANTIAL PROTEIN OF THE WHOLE VARIETY AND THERE ARE NO VEGETABLES ABLE TO PRODUCE THE WHOLE PRODUCT IN QUANTITIES ENOUGH TO SUFFICE TO "HEAL" A SICK BODY. A body has to have proper SUBSTANCE from which to build and balance itself.

When I speak of dairy products I don't necessarily mean "milk"—I mean cheeses and eggs (those things you consider from the dairy counters). I want the chicken cooked to temperatures enough to pasteurize—and don't eat raw eggs unless you know where they come from. We have to circumvent the most prevalent source of salmonella running about today. In a compromised body you also need those cooked foods which disallow E. coli (a very prevalent organism) to thrive. If you have to have raw vegetables—wash them or sprinkle with food grade hydrogen peroxide to keep the invaders to a minimum count.

My further suggestion is that when you eat "out" and can't attend the food yourself—make sure you have

enough hydrogen peroxide in your drinking water—AND DRINK ENOUGH—to get hydrogen peroxide into the digestive tract and it will take care of the invaders THERE.

People, don't play with these things for every infectious organism is now capable of instant combination and recombination with viruses. Remember that viruses are simply crystalline imitation life forms. But they mutate to each host. You also have to keep up the level of your body flora lest you be overwhelmed by invaders. Those natural bacteria keep the others in harmless balance.

People get so intent on doing the right things and yet, when it is not working—don't just die. I DO NOT EVER RECOMMEND TOTAL VEGETARIAN DIETS. Some people can live on grapes or air. MOST WILL SIMPLY DIE. To build muscles and, as you can see, Zita is so deplete in muscle-building elements as to be wasting away and cannot support the skeletal system. GET SOME MEAT INTO YOURSELVES. You don't have to kill the cow—to have a hamburger. You are not saving the cows at this point—you are simply using the lives of the cows already sacrificed.

We are going to introduce the amino acids and other necessary-but-not-easily-available supplements to the growing fields for balancing out the PROTEINS in spelt, our beans, etc. A supplementation of algae and brewer's yeast is also good to make sure you have a full range of additional B-vitamins. However, life doesn't have to be so complicated as all of you seem to wish to

make it to be.

I consider total vegetarian diets to be as detrimental to bodies as is leeching or bleeding.

Hundreds of well-intentioned people continue to try to come up with solutions for cancer, etc. But what they do is further unbalance the body already compromised. Stop it. And no, I am not particularly in favor of the high-priced spread, i.e., "organic" stuff. It is NOT. Whatever is done is usually just enough to pass some sort of RARELY RUN lab study in order to charge more money. I prefer you take what is most available and ATTEND it to make it safe. You live in a FOOL'S world wherein you are KEPT SICK to insure income for the controllers.

A short personal note for Zita, even though it is likely to apply to most who read this: Stop the overdosing on everything. Keep a good intake of vitamins and Gaiandriana along with minerals—but the usual regular dosage is sufficient. TAKE A LOT OF INTESTINAL FLORA FOR A FEW DAYS TO REGAIN SUFFICIENT BOWEL BALANCE—AND LIVE NORMALLY. Keep the pain shut-down and simply, intelligently measure your activities so that you allow everything to HEAL. Do as much as you FEEL like doing but listen to your body—if it hurts, consider WHY. Keep up intake of silica to get those bones back to laying calcium. It's time to get well now so that you can experience a quality of living beyond the abusive methods of the healers. You do NOT have to become the wheel-chair to use the help when appropriate. WISDOM MUST BE THE GUIDELINE—NOT ALL THE "HELPERS" TRYING TO MAKE CONTRIBUTION IN THEIR INABILITY TO ASSIST TO THE LEVEL OF THEIR WISHES. Your body is YOUR body—demand that it perform and offer it that which it needs to perform properly, and then EXPECT it to return the response as directed. Also, go forth when opportunity comes to experience in joy and pleasure—for if you have to live as an invalid—you will become invalid. If you treat your body as a crippled entity—it will continue to serve up cripple. Handicaps are to be simply overcome—"cripple" is of the mind. This does NOT mean to abuse a compromised body any more than to continue to let the termites eat your house. Get the termites under control and shore up the house—you don't continue to break the boards by stomping them. AND, WHO CARES HOW LONG IT TAKES?!? WHAT'S THE BIG, ALL-FIRED HURRY? You can "cop a plea" ANYTIME along the way! God is right there!!

11/13/96 RAY BILGER

The Sioux Indians have always believed that to dream of the sacred stones was considered a great honor. They believed that such dreams carried with them the requirement that the person dreaming about the sacred stones must arrange their life in accordance with the information imparted in connection with the dream. This obligation was as binding as the necessity of fulfilling a vow, and disregard of either was said to be punished by the forces of Nature.

Brave Buffalo was a prominent Sioux medicine man of the Standing Rock Reservation. At the age of 73, in 1911, he described his dream of the sacred stones, (quoting:)

When I was ten years of age I looked at the land and the rivers, the sky above, and the animals around me and could not fail to realize that they were made by some great power. I was so anxious to understand this power that I questioned the trees and the bushes. It seemed as though the flowers were staring at me, and I wanted to ask them "Who made you?" I looked at the moss-covered stones; some of them seemed to have the features of a man, but they could not answer me. Then I had a dream, and in my dream one of these small round stones appeared to me and told me that the maker of all was Wakan Tanka, and that in order to honor him I must honor his works in Nature. The stone said that by my search I had shown myself worthy of supernatural help. It said that if I were curing a sick person I might ask its assistance, and that all the forces of Nature would help me work a cure. (End quoting)

Careful observation today shows that there are not many young people in America who still carry on the search for meaning in life. That search has been replaced by television which provides young people with a ready explanation of the world. Most young people today have been subjected to television their entire life. And studies have shown that they accept the realities presented on TV as true.

But people of all ages are now subjected to the mesmerizing effect of TV. The level of success of propaganda today is due in large measure to mass media,

and television is the prime tool for its psychological implementation. Beyond telling us exactly what to "think" and showing us exactly how to "behave", the vast majority of TV programming is designed to keep us confused, disorganized and distracted with matters of no real importance. Of course, lots of glitter always helps to sugar-coat the nonsense.

Back in 1941, another form of mind control/behavior modification was being tested under the guise of a "truth drug" program. This was being done by the Office of Strategic Services (O.S.S. —the forerunner of the Central Intelligence Agency {C.I.A.} during World War II), and involved slipping L.S.D. (a powerful hallucinogenic drug) to unwitting American citizens in real life situations. The series of experiments was originated under William Donovan, founder and director of the O.S.S., and also included the use of marijuana, mescaline and other drugs.

The first experiments were done on volunteers from the U.S. Army and the O.S.S. These first volunteers became known as "Donovan's Dreamers". A memo intended to halt the research had stated that "the drug (L.S.D.) defies all but the most expert...analysis", and it was considered to be impractical. But that didn't stop the research.

In 1943, Captain George Hunter White continued the research. The O.S.S. was disbanded after World War II, but Captain White continued the experiments of administering the behavior modifying drugs. In 1947, the C.I.A. replaced the O.S.S. By 1954 Captain White had become a high-ranking Federal Narcotics Bureau officer on loan to the C.I.A. on a part-time basis. This is where the story really gets interesting.

White had rented an apartment in Greenwich Village in New York City and had it equipped with one-way mirrors, surveillance gadgets, and then disguised himself as a Navy seaman. He drugged unsuspecting acquaintances with L.S.D. and then brought them back to his apartment. In 1955 this operation was moved to San Francisco.

In San Francisco, these experiments were established in safehouses under the code name of Operation Midnight Climax. Midnight Climax hired prostitutes who would lure men from bars back to the safehouses after their drinks had been spiked with L.S.D. White would film these events in his "national security brothels" for the purpose of enabling the C.I.A. to experiment with extracting information from men during lovemaking. These experiments continued until 1963. Was it this program that gave birth to the practice used today, where Congressmen and other government officials are blackmailed by filming them with prostitutes?

As has already been said, behavior modification is all about control. This control (of the masses) has always been achieved through the control of knowledge and information. This requires that those in control will always have knowledge and information not avail-

able to the general population. And the entire mind- and behavior-control system is interconnected with the educational system, the financial system, in essence, into every facet of our lives. Our educational system is not there to inform students, it is strictly for indoctrinating them into the New World Order.

Prior to the 1960s there was not much other than a house or car that was bought on credit. The 1960s saw the large-scale introduction of credit cards, which quickly became very popular. People were encouraged to buy today what they might not be able to afford until much later. This was a clever way to make the masses slaves to the Elite's financial system. Today, however, the use of credit cards has been expanded into a requirement, so that you cannot even reserve a hotel room or a rental car without one of these pieces of plastic, no matter how much cash you may have. Your name and your word no longer count, and even your cash may soon be obsolete.

Another thing which really became popular in the 1960s was the opinion poll. Public opinion polling can be directly linked to the major think tanks. These polls are not used to measure public opinion, they are used to direct and manipulate public opinion in a given direction (more behavior modification). One might wonder who they actually poll. Do you know anyone who has ever been questioned by these polls?

The decade of the 1960s was the period where many new forms of mass mind- and behavior-control were introduced on a large scale. The use of L.S.D., marijuana and other mind- and behavior-altering substances was promoted through rock music and behind-the-scenes channels, and created an entire drug culture which redirected developing and evolving minds into more mindless directions (remember, we entered the fringes of the Photon Belt about 1962), thereby avoiding any possible correction of America's downhill slide. We were encouraged instead to turn on, tune in, and drop out (of society). This was the era of Free Love.

The advances in technology during the decade of the 1960s were such that we were led to believe that we would soon be able to have more leisure time in the modern world. Again, just the opposite was true. With all of the new electronic gadgets that were created, coupled with ever-more-clever advertising telling us we needed to have these things, the masses were left with no time to stop and think.

In conjunction with all this, there were those who did use their free time to protest against the war in Vietnam (all wars are for mind control and behavior modification), and to protest other problems people found with our government. In order to put an end to all this protesting, and to continually escalate the level of control over the masses, the cost of living was slowly increased, while real wages were kept low, so that today both husbands and wives must work to make ends meet. This author grew up in the 1950s and 1960s and saw very few if any households where the wives worked. Wives were called housewives and were kept busy with the very important work of raising the family and maintaining the household, while the primary role of the husband was as the breadwinner. Today, of course, we have television to babysit the children while both parents work!

Today, the collective human mind is constantly bombarded with ever-increasing changes, events, and contradictory information. This causes mental overload, where the mind switches off and becomes subservient. Our Elite One World Controllers are indeed quite clever.

The three major television networks in America are A.B.C., C.B.S. and N.B.C. In Part VIII of this series, this author pointed out the connections of N.B.C. to major players in the New World Order. As well, A.B.C. has had on its board of directors people connected to J.P. Morgan Co.; Metropolitan Life; Morgan Guaranty Trust; I.B.M.; Kuhn, Loeb & Co. (Rothschilds); Chase Manhattan Bank (Rockefeller/Rothschilds); General Motors; Schrodgers Inc. of London (connected to fund-

ing of Hitler); Manufacturers Hanover (Rothschilds); Citibank (Rothschilds); the Federal Reserve; the Hoover Institution; *Time* magazine; Ford Foundation; and Marine Midland Bank. As you can see, A.B.C. almost looks like a clone of N.B.C. A.B.C. was taken over by Cities Communications, which has connections with Brown Brothers Harriman, which has close ties to the Bank of England.

C.B.S., on the other hand, is remarkably different! Their board of directors has included people connected to Kuhn, Loeb & Co. (Rothschilds); the Trilateral Commission; the Federal Reserve Bank of New York; Chase Manhattan Bank (Rockefeller/Rothschilds); Council on Foreign Relations; Brookings Institution; Manufacturers Hanover Bank (Rothschilds); Schroder Bank; Ford Foundation; Rand Corporation; Tavistock Institute; and the Bilderberg group. Well, come to think of it, C.B.S. doesn't really look much different than A.B.C., which is almost a clone of N.B.C.

Since the Elite One World Controllers own and operate A.B.C., C.B.S. and N.B.C., not to mention the *New York Times*, the *Washington Post*, the *Los Angeles Times*, the *Boston Globe*, *Reuters*, *Associated Press* (A.P.), *United Press International* (U.P.I.), *Cable News Network* (C.N.N.), etc., etc., etc., can we expect them to tell us the truth, or just more lies and propaganda to control us??

With the above information in mind, it should come as no surprise to know that David Rockefeller said in 1991 at the annual meeting of the Bilderbergers in Baden Baden, Germany, (quoting:)

We are grateful to the *Washington Post*, the *New York Times*, *Time* magazine and other great publications whose directors have attended our meetings and respected their promises of discretion for almost forty years.

It would have been impossible for us to develop our plan for the world if we had been subject to the bright lights of publicity during those years. But the world is now more sophisticated and prepared to march towards a world government. The supranatural sovereignty of an intellectual Elite and world bankers is surely preferable to the national autodetermination practiced in past centuries. (End quoting)

And Richard Salant, former President of C.B.S. News, has stated confidently, "Our job is to give people not what they want, but what we decide they ought to have."

Psychological methods have been employed to control the masses long before the name psychological was coined and applied to such methods. It is, in fact, the psychological method which has raised (or lowered, if you will) the entire field of mind control and behavior modification to an exact science. In the area of education, for example, psycho/socio-behavioral programs are used throughout America to "educate" students for the New World Order.

Students are basically presented with increasingly hard hitting affective minicourses until a psychological condition known as threshold is reached. Threshold is defined by psychologists as "the severity of stimulus tolerated before a change of behavior occurs." It is

the psychological level beyond which a program cannot be continued. Threshold refers to that set of conditions necessary to bring about desirable responses.

Another technique used in American schools today, known as the encounter-group format, is designed to "break down" formed ideas and defenses so that the child will be influenceable and amenable to something new. That "something new", however, may not be in the child's long-term best interests.

School counselors can launch all kinds of psycho/socio-behavioral programs in local schools and even take these programs into the classroom. Psychological education has become an important part of the school counselor's function.

In addition to the above, psychological conflicts are deliberately created within the student. A number of behavioral experts have talked about inducing a psychological condition they call cognitive dissonance. *Webster's New Collegiate Dictionary* defines cognitive dissonance as "a psychological conflict resulting from incongruous beliefs and attitudes held simultaneously".

Since all of this psychological educational curriculum comes from above, from state and/or federal levels, many teachers may not necessarily be aware of the exact role they are playing in destroying America's youth!

Thus, children who come out of schools in America today may understandably be a bit "screwed-up" mentally. No problem. They can then visit our wonderful psychologists, psychotherapists and psychiatrists. Dr. G. Brock Chisholm, the first head of the World Federation of Mental Health (a New World Order group), has said, (quoting:)

What basic psychological distortion can be found in every civilization of which we know anything? The only psychological force capable of producing these perversions is morality—the concept of right and wrong. The re-interpretation and eventual eradication of the concept of right and wrong are the belated objectives of nearly all psychotherapy.

The pretense is made that to do away with right and wrong would produce uncivilized people, immorality, lawlessness, and social chaos. The fact is that most psychiatrists and psychologists and other respected people have escaped from moral chains and are able to think freely. (End quoting)

Well, there's the problem in a nut-shell. We've been taught what's right and wrong. No wonder we're so screwed-up! With this kind of logic at work, it's a wonder any of us are sane. God help us if the above information is ever followed by the majority, for we will surely be doomed as a species.

For a thorough first-hand examination and account of trauma-based psychological mind control, read the book *TranceFormation of America*, by Cathy O'Brien and Mark Phillips. It is truly shocking to learn what a "Monarch butterfly" must endure.

In July of 1972, Dr. Gordon J.F. MacDonald, President Johnson's former science advisor, testified before the U.S. House of Representatives, Subcommittee on Oceans and International Environment, commenting on discoveries in low frequency research. He discussed how he had been involved in work to create electrical waves, that would be tuned to human brainwaves, within the atmosphere. He stated in part, (quoting:)

The natural electrical rhythm of most mammalian brains, including man, is about 10 cycles per second, and there are indications that if you tune in at this frequency, that is, these low frequencies of about 10 cycles per second, you can produce changes in behavioral patterns or in responses. (End quoting)

Again, these are the same Extremely Low Frequency (E.L.F.) waves being pulsed continuously by both Russia and by the United States through our G.W.E.N. (Ground Wave Emergency Network) system, and by our Space Shuttles!

In 1977, the U.S. Defense Intelligence Agency (D.I.A.) declassified a report describing how vast advances in Soviet psychotronic technology can create

the ultimate Big Brother society, by using electronic mind-control techniques against populations to implant ideas and thoughts into the heads of unsuspecting victims. And you thought your thoughts were your own thoughts?

The September 12, 1988 edition of the *New York Times* reported that each G.W.E.N. tower is "relaying brief test messages every twenty minutes." That was what they said in 1988. Do you think they were telling the truth? What do you think they are doing today??

In 1990, Dr. Robert O. Becker, author of *The Body Electric* and a top expert in biomagnetism, commented on the G.W.E.N. system in the United States, (quoting:)

G.W.E.N. is a superb system, in combination with cyclotron resonance, for producing behavioral alterations in the civilian population. The average strength of the steady geomagnetic field varies from place to place across the United States. Therefore, if one wished to resonate a specific ion in living things in a specific locality, one would require a specific frequency for that location. The spacing of G.W.E.N. transmitters 200 miles apart across the United States would allow such specific frequencies to be 'tailored' to the geomagnetic field strength in each G.W.E.N. area. (End quoting)

An *Associated Press* report carried in the September 11, 1994 issue of the *Evansville Courier* stated that on September 10, 1994, the Space Shuttle *Discovery* utilized a powerful green laser directed at key sections of North America and other parts of the globe. The September 26-October 2, 1994 issue of *Defense News* stated that, "During a checkout of the laser machine, pulses began emanating from *Discovery* at a rate of 10-cycles-per-second as the Shuttle flew over Manitoba, Canada. The lasers continued firing as *Discovery* cut across Wisconsin, Michigan, and the Northeast, heading out over the Atlantic Ocean near Maryland..." The public was told that this was for mapping purposes, but the use of the 10-cycles-per-second lasers would indicate that the only mapping done, if any, would have been mapping of the human brain!

As you can see, the American public has been subjected to an unending barrage of mind control and behavior modification systems and techniques, which, in modern times, have become all pervasive.

Aside from all the mindless programming on television, from the degrading and demoralizing sitcoms, to the disgusting talk shows which seem to draw some of their guests from the ranks of America's most perverted and depraved citizens, there may be a need for us to watch some TV programming. But if it's all lies and propaganda, why would we want to watch TV at all? A good question, especially considering what is revealed in the box to the right of this article.

If we have access to alternative sources of information which reveal the real agenda our government is up to and the lies our government wants us to believe, and if we ever want to do what we can to turn this mess around, then there may be good reason to observe the so-called TV news programs.

If we can think for a moment in terms of military strategy; if you had a very clever and deceitful enemy and you wanted to outsmart and defeat that enemy, don't you think you would want to know everything about that enemy? Of course you would! You would want to know when he slept, where he slept, when he ate, what he ate, where he went, what he said he was doing, what he was really doing, etc., etc. If you knew everything you could about such a clever and deceitful enemy, then you would be in a much better position to plan a successful strategy against that enemy. This is especially so if your enemy is lying to the masses. If you know the truth, and if you have discernment, then observing your enemy's lies can reveal to you their real plans.

In other words, if your enemy says he is doing something over here, but you know he is really doing something else over there, then you may be in a better

position to plan a strategy accordingly to catch him in his own trap.

What all this boils down to is this: mind control/behavior modification may well be the greatest threat to humanity on this planet at this time. This is so because the programming we have been and are being subjected to allows our Evil Elite Controllers to carry out any of their dastardly deeds virtually undetected, unless, of course, we have real discernment. A jet airliner with important people on board who are in a position to turn things around may be shot down by a beam weapon, but we are never told about those on board and never told why it really crashed. Because of the way we have been programmed, and the use of constantly new distractions in the news, the entire incident is soon forgotten by the masses. Those with alternative sources of information may have a better picture of what is really happening.

Remember, our Evil Elite One World Controllers are not above killing presidents, and the assassination of John F. Kennedy was ultimately just another very powerful and very successful mind-control operation!!

Incredibly careful planning by our Controllers has today created a situation where any number of different scenarios might be played out on the masses, from devastating weather, to human-induced earthquakes, to a staged economic collapse, etc., etc., wherein the masses will be placed into a position where they are at an extreme disadvantage compared to those in control. Thus, when the masses are left in a situation where they are unable to deal with and cope with their plight, they will welcome with open arms the solution offered by their Controllers, and will march like lambs to their own slaughter.

There are numerous examples where this has already been done. One of them is the implementation of increasingly stringent gun control measures achieved by ever-increasing violence, as where a man is mind-controlled to go onto a school playground with a gun and open fire on the children. What few people realize, however, is the fact that when guns are outlawed only the outlaws will have guns, and the situation will be far worse than anyone had anticipated. No gun ever killed anyone! A gun requires a human being to operate it.

The way gun control and all other important measures are implemented is through a gradual step-by-step process, i.e., the level of violence increases slowly over the years, and they only ban one type of gun at a time. This way, the American public does not realize that they are taking away our *Second Amendment* right, which is strictly for We-The-People to protect ourselves from tyrannical dictatorial government officials such as those we now have in power in Washington, D.C. But America's Founders didn't know that our rulers would have weapons far more powerful than our guns. Now, the use of those guns will only get us dead. The only way we'll take back our country today is through Wisdom.

A Free And Independent PRESS Is Long Dead

Editor's note: In conjunction with the story to the left of this box, the following snapshot of sobering and candid insight comes from 1953, a solid 43 years ago now. How much more controlled do you think the media is now? For example, Richard M. Cohan, Senior Producer of CBS political news said: "We are going to impose OUR AGENDA on the coverage by dealing with issues and subjects that WE choose to deal with." Richard Salant, former President of CBS News stated: "Our job is to give people not what they want, but what WE decide they ought to have." Herman Dismore, foreign editor of the New York Times from 1950 to 1960 said: "The New York Times is deliberately pitched to the liberal (socialist) point of view." Walter Cronkite: "News reporters are certainly liberal and left of center."

We like to run this following message periodically, both as a caution to those still naive enough to think there is a free Press out there in the commercial world controlled by the Elite, and as a special kind of "thank you" to our many, many readers who so consistently support and encourage CONTACT. We are deeply grateful for your constant and sincere messages of praise. Those often highly emotional "thank you" notes pouring into the offices every day are what give us the necessary boost to keep on keeping on.

JOHN SWINTON, THE FORMER CHIEF OF STAFF OF THE NEW YORK TIMES, CALLED BY HIS PEERS, "THE DEAN OF HIS PROFESSION", WAS ASKED IN 1953 TO GIVE A TOAST BEFORE THE NEW YORK PRESS CLUB. HE RESPONDED WITH THE FOLLOWING STATEMENT:

"There is no such thing, at this date of the world's history, in America, as an independent press. You know it and I know it. There is not one of you who dares to write your honest opinions, and if you did, you know beforehand that it would never appear in print.

"I am paid weekly for keeping my honest opinions out of the paper I am connected with. Others of you are paid similar salaries for similar things, and any of you who would be so foolish as to write honest opinions would be out on the streets looking for another job. If I allowed my honest opinions to appear in one issue of my paper, before twenty-four hours my occupation would be gone.

"The business of the Journalist is to destroy truth; To lie outright; To pervert; To vilify; To fawn at the feet of mammon, and to sell his country and his race for his daily bread. You know it and I know it and what folly is this toasting an independent press? We are the tools and vassals for rich men behind the scenes. We are the jumping jacks, they pull the strings and we dance. Our talents, our possibilities and our lives are all the property of other men. We are intellectual prostitutes."

Responsible Effort Necessary

To Sort Fact From Fiction

11/14/96 #1 HATONN

BE GENTLE—WE ARE
BUT INDIVIDUALS

I would speak first this morning about the team here as individuals. Moreover, these are individuals without benefit of superhuman strengths or ready answers.

Each day brings an awakening to the same problems faced by any other individual according to where any other might be in a transitioning world filled with confusion and manufactured problems meant to OVERWHELM you into thoughtless, energyless, experiencers. Therefore, there occasionally needs to be a "Letters to the Readers" and, as we grow and expand into larger or more frequent papers, a "Letters to the Editors" Section in whatever paper we are able to offer.

There is no magic here and the facts are that we have continually been hit by such assaults as to drain the very life energy from some of our team members. However, we find that by continuing our best efforts there is strengthening power in the experiences. We are not Goody Two-Shoes twinkling down the bunny trails as REALITY becomes our Truth and goal—always. There are no alternatives other than to confront and do battle, yea, of wits, against the lies and incursions of such as Green, Abbott, Horton and their Brigade of misled puppets. They tell that their BRAINWASHING and Puppethood comes from HERE. No, they follow the leaders of the greed-mongers who continue to strip them of truth, mislead them into more and more activities of judicial confusion, and who will then turn on them in their next round of suits—to cause them to lose everything before they wise up and turn against the thieves and mongers pushing them.

Those misfit people say they were hypnotized and brainwashed HERE? Why? Truth, so far, has not seemed to get much attention from anyone and much the less make any mind-controlled slaves to do this work. We all know exactly what it takes to simply stay alive in a world where it is far more physically and emotionally EASY to just QUIT. This is not an acceptable alternative. Why do I refer to them as "misfits"? Because these are the same types of people who go hither and yon searching and seeking and yet, until the hearts are "right" and the intentions well-founded in the goals of whatever they seek, they do not "fit" within the garden they have chosen to lay roots. A thistle is not likely to flourish in the garden well-tended.

I again have to repeat that we try only to give information which can be totally backed up by human presentation and documentation. That information, further, must prove itself in courts of law. You live in a human physical world where ONLY that which is physical in outlay is ACCEPTABLE as confirmation. REASON has nothing longer to do with anything. You are TRAINED to vote with the cheats and liars and put down the innocent—simply because you are ordered to do so. A judge, for instance, can direct a jury to ONLY consider one or two points of focus and thereby CON-

TROL A VERDICT. Long ago passed the truth of Constitutional responsibility for a Jury to vote its HEART along with evidence. Evidence is continually withheld TO PROTECT THE GUILTY.

I honor anyone who shares with us and I find that, if a person writes and then sues when reference is made to that work in a paper or journal, I can be SURE that the author is NOT SURE of his subject as presented. This does NOT mean that every author who shares is fully concluded, by me, as ALL contents being accurate. However, I only choose those people and their works which offer outstanding lessons in CONTENT. Neither, however, do we demand that everything we write be accepted as established fact in "their" perspective.

I have a very excellent example: Texe Marrs! I do NOT agree with Mr. Marrs' presentation about Spiritual matters, in many instances. However, Texe Marrs has written some profound information regarding the "control" over human "subjects". I do not agree with his "Project L.U.C.I.D." in its actuality but the concept is correct and is a part of the whole of ability of "The Beast" to control the physical human masses. His book, for instance, will read *The Beast 666 Universal Human Control System*. Do you see that no man can KNOW the "Universal System" and especially as may be related to some mechanical-electronic computer system of numbers.

Now, read further into content: "The project to control the people of the world through universal computer identification and tracking systems first began in the twisted minds of high-level, New World Order planners of America's super-secretive *National Security Agency (NSA)*. The NSA is an agency employing thousands of government bureaucrats, intelligence officials, military personnel, and technological specialists in a global-wide operation. Its headquarters, closely guarded by U.S. Army security personnel at Fort Meade, Maryland, is housed in the second largest building in the United States, surpassed only by the Pentagon in Washington, D.C. This huge, behemoth of a facility, appropriately enough, has been called the 'Puzzle Palace'..."

Next, let us look at this information. Is this some "revelation" of ONE Texe Marrs? Of course NOT. His work is but a compilation of data and information gathered from hundreds of others who have also gathered information—and he has offered that information along with HIS CONCLUSIONS regarding the Project named.

That is what our intentions are: simply to offer that information available so that you can further your own knowledge and not just steep yourselves in ours. Where Spiritual Truth is concerned—I have KNOWING and if everyone would offer only what they KNOW, would it not be a wondrous world? No, it would not be, because what we offer and WHAT PEOPLE RECEIVE are two very DIFFERENT and personal assumptions.

Therefore the hope and prayer as regards our own work is that YOU will have grown in your knowledge to the extent that you can discern and judge that which is Truth and that which is individual opinion or conclusion. You do not put a man down for his errors for how

else will you find TRUTH? YOU have to take responsibility for your ingestion and digestion. Base EVERYTHING against the "probabilities" and then the "possibilities" and THEN—CHECK IT OUT WITH AND THROUGH THE LAWS OF GOD!

My point, however, in offering so much on topics such as mind control is that once you are shackled through control of your mind—you CANNOT KNOW RIGHT FOR YOU WILL HAVE LOST YOUR FREEDOM TO CHOOSE AND REASON. You will become as a trained seal in a side-show tossing balls at the whim of your "masters". THAT TOO, is your privilege, for God will allow freedom of WILL—your will. When you ask HIM to remove the oppression then HE will offer "the way" but YOU are still the ONE who must "walk the walk".

MY task is to integrate the information with the TRUTH of the Spiritual REALITY. Why me (us?)??? Because nobody else has it RIGHT or CORRECT. There are many who "almost" have it right but will then move off into the pronouncement of those things which COULD NOT BE TRUE as they tout something from one book or another and pronounce their ideas upon you as if it were your fate and destiny. No, individual is sacred and only individual will work out his fate and destiny with GOD. We are but messengers to hopefully remind you of that which you have forgotten.

GOD Creates—MAN Manipulates. If you are with, and OF, God Creator, you too have ability to Create. This is why "God" wins—because we of HIM can CREATE our destiny and the Adversary of God—Evil in Human Man, can ONLY MANIPULATE AND MANUFACTURE FROM THAT WHICH IS ALREADY CREATED—AND FURTHER, ONLY ON ONE (1) PLANE OF MANIFESTATION. The "Idea" of something may last into infinity—but "ideas" are of God! Spirit and Energy are OF GOD, without exception. Intent is TOWARD good or evil and is the pivot of directional flow of SOUL ENERGY. GOD "reads" rightness or wrongness, not man's consideration of physical actions of good or bad, as such. If you are "good" you will flourish among goodly places and beings. If you are "wrong" in evil intent or simply physical expression, you will only flourish among the ill-intended controllers. There are ONLY TWO ways to go and one decision to make—toward "right" or toward "wrong". This, in further line of reason, means you move either toward good or toward evil—no more and no less. Those choices are left to the individual making the manifest journey. And always, YOU can choose good or bad actions and ideas. Idea is invisible thought; actions are manifested results in a physical environment of those ideas. JOY is the resulting emotional feeling of that which is "righteous". Happiness can reflect either wrong intent or right intent.

JOY and PEACE within, however, are only results of RIGHT INTENT for the negative aspects of wrong actions which are against God's LAWS will bring ultimate fall and self-punishment. The important "FALL", however, due to negative WRONG intent and actions—is the "FALL FROM GRACE" of God. Lucifer tried it and frankly, readers, it IS NOT working well. You who worship Lucifer (Satan) may well not even realize that you have been led right down that old Primrose Path to Hell (absence of God of Light) because you sop up, like the sponge, the WRONG INFORMATION and, THEREFORE, CANNOT CHOOSE TRUTH CORRECTLY. Do you realize that you live off others' opinions and training presentations, allowing another to make YOUR choices which become eternal in concept? With knowledge of Truth comes personal RESPONSIBILITY and it seems hardly anyone wants any part of personal responsibility. But then, be it ever so, if you don't KNOW TRUTH OR LIE—HOW CAN YOU CHOOSE? THAT is what mind control is all about, brethren. You cannot choose if you mind is totally controlled. One way you can KNOW whether a thing or a man be correct in his outlay ABOUT God, is that you will have to choose, for God will not force or coerce and

HE will allow you to find your way to Truth—any way you choose. This ultimately USUALLY means “the hard way”. So be it.

EBOLA VIRUSES

As you live more and more closely closed in by your current experiencing, you fail to distract yourselves from the moment of data input into your brains—to seek possibilities of that which WAS that now rests its maturing upon your heads. Let us consider the tinymost thing and look at possibilities. I say “possibilities” because the KNOWING is not within reality of the assumption I will offer as example.

Someone named Allison Brugg has written a short *Newsbrief* item in “this month” of November, 1996. It becomes important that I give you date lest you misunderstand. Who is Allison Brugg? Is this an authority? Does not knowing make the work “suspect”? Yes, because ALL work should be considered “suspect” until you prove it for selves. Unfortunately, in a manipulated world the “solution” in PROOF is often found to be equally as invalid as the original offering. Oh, and by the way—you need to have a “subject” before you can even begin to evaluate anything about the article—don't you?

Well, I do not care who is Allison Brugg. However, I find interesting, her topic because it deals with “possibilities” of ancient strains of Ebola viruses.

Is this possible that there WERE such? Well, there were “ancient” DRIAS which were absent for a very long time from your place, so why not viruses? What difference does it make? Actually, very little. The point always comes to the moment in experience and

line of “time”. If a thing IS, then by fact, it always WAS and always SHALL BE! You have to deal with what IS and those things which ARE. All else is speculation and, NOW, even what is happening in your perceived MOMENT may or may not BE.

Let me quote, please:

“The plague of Athens, which wiped out one fourth of the city's population between 430 and 427 B.C., was the earliest known outbreak of ebola, according to a recent article in *Emerging Infectious Diseases*. Epidemiologists Patrick Olson and Charles Hames of the Naval Medical Center in San Diego, and Abram Benneson and Nicholas Genovese of San Diego State University believe that Thucydides' description of the disease in his history of the Peloponnesian War matches the symptoms of ebola, which killed more than 300 people in Zaire and Sudan last year.

“Thucydides wrote that after the disease's 'abrupt onset, persons in good health were seized first with strong fevers, redness and burning of the eyes, and the inside of the mouth, both the throat and tongue, immediately was bloody-looking and expelled an unusually foul breath. Following these came sneezing, hoarseness...a powerful cough...and every kind of bilious vomiting...and in most cases an empty heaving ensued that produced a strong spasm.'

“Scholars had thought that Athens suffered an outbreak of measles, smallpox, typhus, or bubonic plague. All these ailments, says Olson, would have been preceded by a cough producing blood or mucus. Thucydides wrote that the cough was “empty”. Olson and his colleagues contend that the description of the dry cough in Thucydides' account matches that of ebola, basing their theory in part on a retranslation of Thucydides. [H: Uh Oh! There goes the tale—“in

translation”; now, you just can't be sure of any of this, can you? Does it make the speculation WRONG? No, but it certainly gives credence to any other speculation by any other “expert”.] They believe that the Greek word *lugx* [H: Here again your English alphabet cannot even write the true word.], which Thucydides uses in his description of symptoms and which had previously been translated as ‘retching’ or ‘dry heaving’, may have been the word for hiccup. [H: Well, I suggest that a case of Ebola death virus and a case of the hiccups may well be very different from one another.] Fifteen percent of the victims of the 1995 Zaire outbreak of ebola complained of uncontrollable hiccuping. [H: Oops, guess I was wrong.]”

Now I have served in the role of “smart-ass” in this commenting to simply make a point. Do we consider this overwhelming truth? Of WHAT? It is INTERESTING and if there were some “cure techniques” also offered it might well be worth trying to use them on today's victims. However, at this point this can only be speculation and has little meaning other than being interesting and entered into a data base in the mind to hold until it fits somewhere else in the puzzle of life.

Perhaps we should BLAME THE GREEKS for ebola? Would that help anything? Perhaps we should blame the World Health Organization? That would be more nearly the Truth of the matter. Who started the World Health Organization? Now, THAT might be a good focus to expend a bit of time on researching. This ebola thing is only speculation and Greek reference is speculation of the highest order—BUT THE WORLD HEALTH ORGANIZATION IS REAL AND YOU ARE ABLE TO FIND OUT EXACTLY WHAT IT IS AND WHERE IT GOT STARTED IN ITS DEATH-DEALING “ASSISTANCE” AROUND YOUR GLOBE—TODAY!

So, the cycle comes right back to the elusive real story-line, doesn't it? Further, WHAT you believe will tend to, 99.9% of the time, be based on SOMEONE ELSE'S opinion instead of your own interest which would cause YOU to get Truth. So, we come again, right back to MIND CONTROL. YOU ARE WHAT YOU THINK!

MONARCH SLAVES

We must present for your consideration the Elite's extreme examples of what has become the “norm” in programmed, planned projects to determine possibilities of training along with the advantage of MASS programming procedures. In other words, how can you train a society? Of course, once all individuals are programmed via implants to receive instructions from a “central artificial mind”, it is OVER. Well, people, it would seem from this that it is mostly OVER. You have come to have only SICK people manipulating a SICKENED world.

Why “mind-control” desires in the first place? Why, good people, to control the world in every facet of manipulation capabilities. I have to point out something about Truth which is going to hurt a little as you try to digest it. For everyday operational purposes, readers, TRUTH IS WHATEVER IS SUBJECTIVELY CONVINCING AT ONE'S CURRENT LEVEL OF PERCEPTION. IF ONE NEVER LEARNS MORE—HE WILL NEVER KNOW TRUTH—FOR SURE. To every individual there is a personal Truth. Is it the ONE Truth? No. Truth IS. There is a correct attitude or intent which represents Truth as outlined by our Creator—but a zillion ways to get there. God doesn't deal in “absolutes” very often except in LOVE—HE IS ABSOLUTE LOVE. He does not present “unconditional” Love. HE CAN'T because He IS. There are many CONDITIONS on the beings created BY GOD to experience. Therefore HE is “allowing” Love. This means a great enough love to “allow” you to get your lessons ANY WAY YOU CHOOSE. If you misunderstand this point then YOU become a most judgmental entity working mostly in the negative aspects of the

reverse of Love, i.e. "hate". You, by definition, **MUST MOVE IN ONE DIRECTION OR THE OTHER!** Once established, ignorance, refusal to see Truth, and **EGO** will disallow you to easily say, "I'm sorry," and move back into the balance of Truth. (Of any circumstance or situation.) Then, when moving back, you cannot be sure whether or not the damaged parties (from your actions) will "forgive" enough to allow you "back" within their circle of **LIGHT**. When you choose to move with the liars and proven cheats, you blunder badly, but when you work in revenge to punish that perceived wrongdoer—even though **PROOF** is available that you were not wronged by the one in your gun-sights, you **BLUNDER** almost beyond recovery for you have chosen to walk with the evil-mongers. And, further, when you call your actions "unconditional love" you become and make mockery of **GOD's "absolute Love"** for you have placed your perceptions in front of that which **GOD IS**.

How can you know? Well, by actions of course! If a person breaks the Laws of fundamental **RIGHTNESS**, and causes you to break yours—you have error in actuality. If there is **INTENTIONAL ERROR**, then you have deliberate movement in the **WRONG** direction—simply meaning by definition, evil intent and action. **JUST ONE UNCORRECTED LIE FROM ANY PERSON SHOULD MAKE YOU VERY, VERY WARY OF ANYTHING MORE FROM THAT PERSON.** A "mistake" is corrected—a lie uncorrected is deliberate subterfuge. **USE** of innocent parties to gain your objectives is horrendous in return of compounding errors. If, in addition, you are given **PROOF** of the lie or error, and continue in the offensive against your "chosen" (yes, I said "chosen") enemy—then your guilt of wrongful deeds and intents is also deliberate and bears even heavier penalties unto self. I could indeed give you myriads of examples but I shall refrain from that for you know that of which I speak. And yes, I speak; Doris writes. It is a "time" of which all can **HEAR** the energies of invisible realms—**YOURS** is to discern the Good from the Evil. But, if I offer only Truth against any **ONE** who tells falsehoods, even yea, against me—**THEY ARE EVIL IN INTENT!** Truth **STANDS** into infinity—the lie **ONLY**, at most, until transition from one dimension or plane of experience to that of another—positive or negative in "aspect" of realization or consciousness. Too complicated? So be it. He who thinks the **LIE** is **TRUTH**—is indeed in painfully horrendous circumstance. To convince self of the **LIE** is without reason.

In support of my statements about speculation and Truth, let us consider a second small article, actually presented in the same newspaper as the Ebola reference to old Athens.

[QUOTING, *Reuters*, Nov. 6, 1996:]

VIRUS OUTBREAK HITS PAGEANT

BOGOTA, Colombia—An illness known as the "duck hug" is wreaking havoc with Colombia's annual beauty pageant in the Caribbean port city of Cartagena, local news reports said Tuesday.

The Caracol radio network said 15 of 22 candidates for the Miss Colombia crown had been hit by the virus. The illness was detected for the first time last month and has been blamed for at least 20 deaths.

The virus causes breathing difficulties, severe aches and coughing. It has been identified by Health Ministry officials as a *strain of flu previously unknown in Colombia*.

It takes its name from a popular dance in the region in which partners hug each other tightly, almost cutting off their breath.

[END OF QUOTING]

Ah, now which tale is more **IMPORTANT** to you? Were there hiccups present? Does it matter? No, it

matters that another "something" is now running rampant through your population. You can't do much about ancient Athens, Greece—**BUT** you had best attend your immune systems lest the Colombian unknown hiccup "getsya". If it quacks like a duck, walks like a duck, and looks like a duck—in your world—it is **NOT** necessarily a duck.

Now, if you are still not confused, let us consider another prominent tale from the **SAME** paper, same date, etc.:

[QUOTING, *Associated Press*, Nov. 6, 1996:]

CEASE-FIRE IN ZAIRE BRINGS OUT LOOTERS REBELS HELP HAND OUT RELIEF SUPPLIES

GOMA, Zaire—Rebel soldiers who took control of eastern Zaire in a three-week battle handed out strawberry sodas Tuesday to Zairians during a cease-fire.

Frightened civilians emerged from hiding spots for a glimpse of the Rwandan-backed force that drove the Zairian army west into the forests. The bolder ones took advantage of the lull in fighting to break into stores and loot even the light fixtures.

The wreckage of war was apparent. Looters skirted a pool of blood at a supermarket to steal shelves. [H: Now readers, are you **REALLY** reading this?] The hospital morgue was streaked with blood, the wards nearly empty because no one wanted to risk their lives and stay. Red Cross volunteers wearing thick black gloves, yellow rubber pants and masks have collected 371 bodies in the past five days, mostly men killed in battle, and piled them up at a cemetery for burial.

People of all ages took part in a looting spree, carting off what the Zairian soldiers left behind on their retreat from Goma, such as books and dishes from hotels; even light bulbs and electric cords were pried away.

"I am happy, and so is every one else," Musoro Bongano said of the change of power in and around Lake Kivu. "The Zairian soldiers are gone—they harassed us and stole from us. The rebels don't." [H: And I suppose "theft" is in the eye of the beholder, or the thief, whichever comes first?]

In the spirit of the day, rebel soldiers at a warehouse that others had broken into gave strawberry sodas to passers-by. They also helped distribute relief supplies to hungry people. Although Tutsis have been the focus of the rebellion, the guerrillas in Goma were an ethnic mix. Some wore uniforms scavenged from defeated Zairians; others wore T-shirts and jeans. One had an army shirt with a price tag still attached.

[END OF QUOTING]

Now readers, will you repeat to me what it is, **EXACTLY**, that you want **GOD** to do **FOR YOU?** When strawberry sodas are referred to twice and **RIGHTEOUSNESS** is never to have reference at all—what, again, is it exactly, that you **WANT GOD TO DO FOR YOU?** May you all enjoy your strawberry sodas!

Readers, you have the **POWER** to change things—but you will never **HAVE THE FORCE** to change anything except for the moment while your **FORCE** is greater than your opponent's.

Perhaps we waste our time until you learn the difference in **POWER** and in **FORCE?**

Somebody sent us a review copy of a book by the title of *POWER vs FORCE*, by David R. Hawkins, M.D. It is stated that it is an "Anatomy of Consciousness". I haven't even perused the volume save for the first pages. I like this man's considerations of human nature from onset, however. Right from the opening in the *Foreword* he makes very good points about our very subject of **TRUTH vs. LIES**. In my own perception "Truth" offers **POWER**; "lies" offer only, at best, **FORCE**.

[QUOTING:]

Imagine—what if you had access to a simple yes-or-no answer to any question you wished to ask? A demonstrably true answer. Any question.

Think about it.

There's the obvious: "Jane is seeing another guy." (Y/N?) Johnny is telling the truth about school." (Y/N?) But it's only a short step to: "This is a safe investment." (Y/N?) or "This career is worthy of my pursuit." (Y/N?)

What if *everyone* had such access?

Staggering implications suggest themselves immediately. Think again.

What would happen to our ponderous and all-too-often flawed judicial system if there were a clear, confirmable answer to the proposition, "John Doe is guilty as charged." (Y/N?)

What would happen to politics as we know it if all of us could ask the question, "Candidate X honestly intends to fulfill this campaign promise." (Y/N?)—and all of us got the same answer. What would happen to advertising?

You get the idea. But the idea gets bigger, fast. What happens to nationalism (Nation X is in fact dedicated to the overthrow of Democracy.) To government ("This bill *does* in fact protect the rights of citizens".)?

What happens to "*The check is in the mail*"?

If, as has been said, man learned to lie an hour after he learned to talk, then a phenomenon such as we are discussing would be the genesis of the most fundamental change in human knowledge since the beginning of society; the transformations it would wreak—in fields from communications to ethics, in our most basic concepts, in every detail of daily existence—would be so profound that it is difficult even to conceive what life would be like in a subsequent new era of truth. The world as we know it would be irrevocably changed, to its very roots...

[END OF QUOTING] (Published by Veritas Publishing, SR 2, Box 817, Sedona, Arizona 86336.)

Ah, but where are you now? You are living in a world of hurt, readers. You are living in a **CONTROLLED** environment by the **LIARS** themselves choosing up what you will be told is truth and causing you through **FORCE** to accept it. I remind you who would stand **WITH GOD**, however, that there is **NO FORCE** great enough to break the **POWER OF GOD**.

I would remind you, **AGAIN**, (and probably as many more times as necessary for you to hear): *From the Master Teacher*: "If man is faint of heart in spirit, so are his laws faint-hearted and are like heresy. If man is presumptuous and disregards the Commandments and Laws of The Creation and of God, he is forced to bring forth his own laws which are full of mistakes and lead him astray. Laws and commandments made according to men produce murder and evil, and evil will spread and gain control, and man no longer has any power over it. Commandments and laws are valid only if they are derived from wisdom and logic. But logic requires wisdom and perception."

You may well think at this moment that you have no choices in what we will call "power" vs. "force", but you do. Force is that which **CAUSES** you to act as told "or else". Power is that which you **ALWAYS** have at your disposal **WITH GOD**. But **YOU** have to seize the **POWER** for your own so that with the support of **GOD** you act in Truth and you **SHALL PREVAIL**, for God will provide the answers to your questions if your questions be in **TRUTH**. **GOD MIND** will find the way through the darkness and into the **LIGHT**. It has ever been thus and shall ever **BE** thus. *The call compels the answer!*

May your "call" be always in righteousness, that you can hear the answer! Remember that logic must first be accessed, and that requires wisdom and perception. May yours be worthy. Salu.

WATCH OUT FOR THE ELECTRIC POWER GRID, IT'S MORE DANGEROUS THAN WE CAN IMAGINE

Check the Federal Register Vol. 61, NO. 201/ Wednesday, October 16, 1996 Notices.

Power companies nationwide tendered for filing firm and non-firm transmission agreements under which Mid-American Energy Company, Rainbow Energy Marketing, Trans-Canada Power, and others across this nation are shaking hands, merging, interlocking, intertwining, commingling, and creating a mega-monopoly, in violation of every antitrust law on the lawful books of law.

If you read Commander Hatonn's quotes from Lyndon Larouche in this past week's issue of *CONTACT* [November 12, 1996] you will find the Delphi League (metro series), the Amphictomy League, and the Achean League, which the founding fathers were so very concerned about while drafting the *Constitution of the United States*, and stated their concerns in writing, in the meetings concerning (1) peace, (2) liberty,

(3) freedom, (4) inherent, perpetual, inviolable rights of this nation, which were evidenced as "intent to preserve for all generations, and their posterity".

The "rats", which are leaving the ship of state (President's Cabinet), are being carefully replaced with bigger, stronger, more dangerous "rats", who want to decrease power usage in the United States by 55 percent. Of course, this 55 percent decrease does not include the big corporation/trusts of members of the leagues (formerly known as the Old Boys' Club). They can use as much power as they can use. It's the little guys who will again take it "in the shorts". Count on it!

THE FEDERAL ADVISORY COMMITTEE ACT 5 U.S.C.A.

The *Federal Advisory Committee Act* must be repealed. It allows the President's committees the power to interfere with state laws, and violate citizens' rights. Congress is left "sucking a hind teet" while the President's committees run amuck. When the President's committeemen get in deep pucky, Sec. 6 is declared and national security privilege is invoked. National security, my Aunt Fanny! It's national security in the most grievous and dangerous sense. Citizens' constitutional rights are being soundly trounced by the President's committeemen!

The *Federal Advisory Committee Act* has usurped

sovereign immunity! The people are the sovereigns, and by the *Constitution*, immune from federal jurisdiction of federal interference into state laws! If this was not so they would have never writ the *Declaration of Independence*!

Yep! I said Writ (look it up).

I remember back years ago when Russell Herrmann-Herrman-Herman and I would chance encounter, and Rusty would tell me things that were going on with the Fed, and I kept saying back to Rusty, "I don't believe it. I don't want to hear about it!"

I will be the very first to admit, these many, many years later, I WISH I HAD LISTENED! Therefore, not unlike the rest of the stunned and confused general populace, it's back to the drawing board, looking for a paper trail to put the pieces together so we can figure out "what in the hey" went wrong. In order to figure out what went wrong we must figure out a pattern. (1) When did it start, (2) What is a common denominator, (3) Why was this allowed, (4) Where did it occur, and (5) "Who done the durdy dastardly deed?" (Inside joke on the spelling.)

THE FIVE HORSEMEN ARE RIDING AGAIN

Mr. When, Mr. What, Mr. Why, Mr. Where, and Mr. Who... "riding hard though the blackness of night, with GREED, DESPAIR, and DESTINY hot on their trail—seeking to impede their desperate flight." (That goes back a lot of years, more years than I like to think about for it tells my age)

Let's take a look back into the Nixon Administration. THE FEDERAL ADVISORY COMMITTEE ACT was passed on October 6, 1972—it became known as a Public Law.

§ 1. Short title.

This Act may be cited as the *Federal Advisory Committee Act*. (Pub. L. 92-463, § 1 October 6, 1972, 86 Stat. 770)

§ 2. Findings and purpose.

(a) The Congress finds that there are numerous committees, boards, commissions, councils, and similar groups which have been established to advise of-

ficers and agencies in the executive branch of the Federal Government and that they are frequently a useful and beneficial means of furnishing expert advice, ideas, and diverse opinions to the Federal Government (you see no allowances for cutting International TRADE DEALS).

(b) The Congress further finds and declares that

(1) The need for many existing advisory committees has not been adequately REVIEWED.

THINK ABOUT
THAT ONE

Go back to page one, and read § 2 (b) (1). Congress passed a Public Law—which by their own written, duly recorded in §2: "which has not been adequately REVIEWED"?! Oh! Good grief! Here comes

ZIGGY

BY TOM WILSON

Mr. What!

MR. WHAT

OK, let's look at Mr. What's objective.

Executive Order No. 12024. (Transfer of certain Advisory Committee functions.) On November 20, 1977, President Jimmy Carter began to use "alleged constitutional and statute laws" to begin restructuring government—from the way it is supposed to be, according to a seven-articled contract called the *Constitution of the United States*, using (1) conversion from constitutional law common laws of the land, (2) entered into statute law, i.e., Maritime Law—the law of the sea and of international commerce. (So you have been dumbed-down by the News Media, and led to believe the common laws are just "so-called common laws".) Well, sweetie poos, feast your eyes on Admiralty Law § 1-9: [See panels below, as marked by V.K.D.]

Little Jimmy Carter, as President of the United States, brought in Warren Christopher and the two of them cut some of the worst trade deals in the history of the United States. Between Carter and Christopher, they gave away the industry, jobs, exports, sold out

banking, farming (a story about Carter and his PEANUTS: Carter put an embargo on peanuts keeping them from being imported into the U.S. which would cut into his peanut farming. Well, European nations had bookos of peanuts at much less than Carter's, but Carter would not let the Europeans sell at a lesser price than his peanut prices. After much thinking about how to get around Carter's heavy handedness, the peanuts were shipped into the U.S. as "bird food"), and just about anything else he and Warren Christopher could muck up, they mucked up!

Things have gone from bad to worse, and from worse to worser since the Carter/Christopher Fiasco of the '70s, and to make matters even worser than worser, Clinton resurrected the dead, and brought back Christopher to cut the same bad trade deals, creating the same devastation to the national economy as the two knot heads, Carter & Christopher.

Looks like Mr. What & Mr. Who got together.

LET'S SEE WHAT MR. WHY HAS TO REVEAL

The *Federal Advisory Committee Act*, § 6 (c). The President shall, not later than December 31 of each year, make an annual report to the Congress on the

activities, status and changes in the composition of the advisory committees in existence during the preceding fiscal year, etc. (But look at the president's escape clause:) The President shall exclude from this report any information which, in his judgement, should be withheld for reasons of national security, and he shall include in such report a statement that such information is excluded.

In going through the Executive Orders, valid advisory committee after valid committee has been repealed, in steady progression. Committees who previously were doing a pretty fair job on investigating, and relating comprehensively with and to the public, and William J. Clinton's Executive Order 12774, Sept. 27, 1991, 56 F.R. 49835, and E.O. 12869, Sept. 30, 1993, 58 F.R. 51751, as amended by Executive Order 12882 ss4 (c), Nov. 23, 1993, 58 F.R. 62493, provided for a careful phasing out of some pretty darned good committees, with the deadline cutoff of September 30, 1995.

PRESIDENTIAL DOCUMENTS
REORGANIZATION PLAN NO. 1 OF 1977
(think back to when the drug problems really got bad)

ADMIRALTY JURISDICTION IN THE UNITED STATES

The Jurisdiction and Procedure of Courts

§ 1-9. The empowerment of the courts of the United States to draw upon and administer the maritime law derives from constitutional language extending the "judicial power of the United States" to "all cases of admiralty and maritime jurisdiction."⁵³ In Section 9 of the Judiciary Act of 1789, Congress implemented the constitutional grant:

" . . . the district courts . . . shall also have exclusive original cognizance of all civil causes of admiralty and maritime jurisdiction . . . saving ←
to suitors, in all cases, the right of a common law remedy, where the common law is competent to give it;
" 53

The constitutional language and the grant of "cognizance" have, by interpretation and inference, been made the basis of a wide federal power, not only as to jurisdiction of courts but also as to substantive law,⁵⁴ over matters maritime.

←
Consideration of the effect of the so-called "saving clause" in the language quoted above must be deferred until a little later along, after enough has been said about certain distinctive features of admiralty procedure (and correlative substantive conceptions) to make intelligible a delineation of just what is "exclusive" and just what is "saved". Right now we are interested in the affirmative effect of the language just preceding the "saving clause". This is that, from the organization of the federal judiciary down to the present, the federal courts have taken jurisdiction (without reference to amount in controversy, diversity of citizenship, or the presence of any other "federal question") of all causes of action arising under the maritime law.⁵⁵

Just what cases are these? The answer to this will always be a little vague at the borderline, no matter how long the process of judicial inclusion and exclusion goes on, and there were large doubts indeed, in the early days of the Republic, as to the extent of the power conferred. In the leading early case, *De Lovio v. Boit*,⁵⁶ an opinion by Story suggests several possible ways for defining the category. The words might have been intended to refer to the practice of the British Court of Admiralty during early colonial times or at the American Revolution, but the reader will remember that the restrictions that hampered that court until the days of Queen Victoria were enforced by writs of prohibition based on statutes not applicable to the colonies; it would thus have been gratuitous as well as crippling to accept its limits as those of the newly constituted American admiralty tribunals. This test was accordingly rejected, in *De Lovio v. Boit* and generally in our early precedents,⁵⁷ though it cannot be said to have left no trace at all.⁵⁸ Another possible reference might be to the jurisdiction of the colonial courts of vice-admiralty;⁵⁹ still another might (especially in view of the use of the word "maritime") be to the jurisdiction of maritime courts throughout the shipping world. As Story suggested in *De Lovio*, these two tests come down to much the same thing, since the colonial admiralty courts, like the seacourts of other nations, enjoyed a wide jurisdiction over maritime affairs, uncircumscribed by the narrowly literal "locality test" that had confined the English Court of Admiralty.⁶⁰ *De Lovio v. Boit* concludes with a formulation that is imprecise, as was unavoidable, but that has, in the end, set the style for later courts: the jurisdiction, says Story, "comprehends all maritime contracts, torts, and injuries. The latter branch is necessarily⁶¹ bounded by locality; The former extends over all contracts (wheresoever they may be made or executed, or whatsoever may be the form of the stipulations) which relate to the navigation, business or commerce of the sea. . . . "⁶²

(F.R. Vol. 42, NO. 204—Friday, October 21, 1977)
TITLE 3—THE PRESIDENT

(page 56101)

Section 3. Abolition of Components.

The following components of the Executive Office of the President are hereby abolished: (a) The Domestic Council, (b) The Office of Drug Abuse, (c) The Office of Telecommunications Policy, and (d) The Economic Opportunity Council.

(While you're at it, check out Executive Order 12379, Termination of Boards, Committees and Commission, August 17, 1982, 47 F.R. 36099)

Each President of the United States since the Reorganization Plan No. 1 of 1977, has excessively misconstrued and abused the powers of Public Trust Office, alleging "powers vested by the Constitution and statute", and carefully, step-by-step, set the U.S. Congress and U.S. Senate "out behind the barn in the back forty", and in essence, told both U.S. Houses of Representatives: "Go to Hell and mind your own business! What I do is none of your business. And if push comes to shove, I will declare section 6 (c) of the *Federal Advisory Committee Act*, and declare 'national security'."

STATUTE LAWS, IN REPUGNANCY TO THE CONSTITUTION FOR THE UNITED STATES, ARE NOT LAW. (CONSTITUTIONAL LAW) ACTS OF CONGRESS, REPUGNANT TO THE CONSTITUTION ARE NOT LAW!

Our alleged laws have become so convoluted, confused, deliberately confounded, mixed up, doubled up, out of context, disruptive and outright outrageous since this *Federal Advisory Committee Act of 1972*. This nation has become nothing more than what is exemplified by an old Abbott & Costello movie called *Who's on First?*.

No one knows Who's pitching, or What's catching (but every living American knows that something is damned wrong!).

The remedy: Repeal the *Federal Advisory Committee Act* (it's a beginning in the restoration of constitutional government).

P.S. NOTE:

It's a safe bet, the buying of the President by the Asian communities will soon be evidenced as another GATT/NAFTA type of treaty, sending more industry, jobs, etc., outside the United States.

Parasites Take Many Forms

11/16/96 #2 HATONN

I would like to share interesting things with interested parties and inquiring minds. We have just had confirmation BACK from Europe that "what has been written in our material about parties, especially personally known individuals, is truth." This is amusing except that one of the "parties" is George Bush and his henchmen. I appreciate the "confirmation" of our work but I find it interesting that the people involved on the other side of the participation coins pronounce that to have such information "these people must be spooks!"

No, nobody has to be a CIA, or otherwise, SPOOK to NOW come to KNOW things about Bush, et al. Note the happenings in the Black community, torn by drugs, regarding GEORGE BUSH and drug dealing through the CIA—for years. It has now gone far enough into TRUTH to have accusations that the drug trade WAS A BUSH OPERATION. So too were the S&L rip-offs and on and on and on. I didn't make up these things, readers, and neither did WE make up gold certificates, steal certificates and corporations and thus and so. THEY DID IT. Mr. Bush and his merry band of thieves, cheats and liars have all but destroyed a world, totally aided and abetted by other Elite thieves and criminals. However, I guess I certainly don't mind being called a "ghost" writer or "spook". I carry my own LIGHT and TRUTH, so to call me a "name" makes not one iota of difference in the truth of it.

Remember that when someone accuses another of that which he has just committed—that is cover-up in its most primitive and evil manner. That is the first thing Satan does—every time. Blackmail against the "not too wise" individuals sucked in, IS NEXT.

But does the blackmail ever really work? Doesn't seem to for I note that ones like Packwood who had to resign his Legislative post of respected status—IS NOW BACK ON THE SCENE IN A MUCH MORE LUCRATIVE POSITION—OF LOBBYIST. You see, readers, the bunch just can't make a living honestly or in a "trade". Most of them are lawyers who take advantage of every system anyway—so they never have to have a job in reality. They parasite off you—the people until they suck you dry.

→ The emancipation of the jurisdiction from dependence on the English model, and its broadening to its present scope, were not performed without some conflict; see the account in *The Gilbert Knapp*, 37 F. 209 (E.D. Wis. 1839).

→ 58. One such trace may be in the rule that shipbuilding contracts are not within the jurisdiction. *People's Ferry Co. v. Beers*, 61 U.S. (30 How.) 393 (1853), the case that is taken to have established this rule (see *supra* note 47), seems to rest in part on the fact that the shipbuilding contract is "made on land, to be performed on land." *Id.* at 402. Merchants' Bank*, 47 U.S. (6 How.) 311, 420-22 (1818).

The rule of *The Plymouth*, 70 U.S. (3 Wall.) 20 (1866), that no tort is maritime unless its substance and consummation are on water, may be another trace of the English "locality" influence. This rule has now been drastically modified by statute; see *infra*, note 75.

Mind Control At China Lake

[Continued from Front Page]

I am going to start here with Chapter 2 of this book in point:

[QUOTING (From CHAPTER 2):]

THE TRAUMATIZATION AND TORTURE OF THE VICTIM

The basis for the success of the Monarch mind-control programming is that different personalities or personality parts called alters can be created who do not know each other, but who can take the body at different times.

The amnesia walls that are built by traumas form a protective shield of secrecy that protects the abusers from being found out, and prevents the front personalities who hold the body much of the time to know how their System of alters is being used. The shield of secrecy allows cult members to live and work around other people and remain totally undetected. The front alters can be wonderful Christians, and the deeper alters can be the worst type of Satanic monster imaginable—a Dr. Jekyll/Mr. Hyde effect.

A great deal is at stake in maintaining the secrecy of the intelligence agency or the occult group which is controlling the slave. The success rate of this type of programming is high but when it fails, the failures are discarded through death.

Each trauma and torture serves a purpose. A great deal of experimentation and research went into finding out what can and can't be done. Charts were made showing how much torture a given body weight at a given age can handle without death. Now this is why the Nazis did all those strange concentration camp experiments, where they tested how quickly people would freeze or die from various traumas. It was for mind control!

The abusers are very specific and scientific in their torture. A lab technician with a clip board walks around monitoring the torture for the children when they receive their initial traumas. Heart monitors are closely watched. Still many children die from the programming. The programmers learned that when a child rolled up in a fetal position it had given up the will to live. They learned to time how fast this would occur to get an idea how far to push the child. Parents

in eastern U.S. States were taken to Harvard University for training to teach them how much trauma they could give their children at home before they would die. After the children got back from their initial programming they were to receive daily traumas to keep them dissociative.

[H: I find that the text is not very "professionally" written but I am only interested in offering you information exactly as given in this text so please don't be "picky" lest you miss the content while watching the alphabet.]

THE INITIAL SPLITS AND INITIAL PROGRAMMING DONE AT CHINA LAKE, CALIFORNIA

The primary or initial torture for many children in the western U.S. was done at China Lake which officially has gone under the designations Naval Ordnance Test Station (pronounced in short as NOTS), Naval Weapons Center, NWC, Ridgecrest (the town nearby), and Inyo-Kern (the area). The address of Nimitz Hospital is the code "232 Naval Air Weapons Station". The base was set up to test "new weapons". Evidently, the Navy decided that mind-controlled people were an important weapon to be tested. Most of the "new weapons" created at China Lake were for the most part human robots turned out in large numbers. The Monarch Mind Control was carried out in large airplane hangers on the base which have been able to house thousands of tiny cages just large enough for human babies. A "Lot" of 1,000 babies was a small batch. According to people who worked in the hangers helping program, many batches were 2,000 or 3,000 babies. [H: Do not let the "past tense" of the writing suggest to you that these things no longer take place, for they do.]

Many survivors remember the thousands of cages housing little children from ceiling to floor. The cages were hot-wired (electrified on the ceiling, bottom and sides) so that the children who are locked inside can receive horrific electric shocks to their bodies to groom their minds to split into multiple personalities. These cages are called Woodpecker Grids. The victim sees a flash of light when high D.C. voltage is applied. Later, this flash of light is used with hypnotic induction to make the person think they are going into another dimension when they are blasted with high voltage. In the Peter Pan programming, the Programmers tell the slaves that this is "riding the light". One of the popular traumas after the small child has endured the Woodpecker Grid cages for days is to rape it. The rape is intentionally brutal so that it will be as traumatic as is possible.

Many of the technical people on the base are civilians. This is in part because part of the research involves mind control, and Illuminati civilian mind-control experts have come and gone from the base. The California Institute of Technology at Pasadena is intimately connected to China Lake's research (and, by the way, to the Illuminati). Also much of the work at the facility is for the intelligence agencies and not the military. Intelligence assets are often civilians.

One of the things developed in the California Universities and then implemented at China Lake was color programming, which will be covered later in this book. Red and green were discovered to be the most visible colors for programming. Various colored flashing lights were used in programming at NOTS. Survivors of the programming all remember flashing lights. The use of flashing lights has been introduced into American culture by the CIA. If a person goes into bars and places where bands play, you will notice multi-colored lights flashing. The flashing lights create disassociation, especially in people who are programmed.

HOW CHILDREN ARE TRANSPORTED TO A MAJOR PROGRAMMING SITE

A list of major programming centers is given in an appendix, along with each site's programming specialties. In this chapter, an example of just one of the bases used for early programming is given, the large and very secret China Lake facility in California near Death Valley.

The children are brought into the China Lake NWC (aka NOTS) base by trains, planes and cars. A number of the small airfields which fly these children into China Lake have been identified. One, which is no longer in use for moving children, was a private air strip at Sheridan, OR which was beside a large lumber mill which had an agreement to secretly house the children who had their mouths taped. Neighbors in the area were bought off, and warned that if they talked they would be in trouble for broaching national security. The area has lots of mills joined by train tracks, which were used to shuttle the children around. Tied into this network was a Catholic Monastery which lies between Sheridan and McMinnville, close to the rail network. The Union Train Station in Portland, OR has underground tunnels where children were temporarily warehoused in cages before continuing on their journey.

[H: It now must be obvious that to have so many children with which to work requires full-time breeding programs so that children can be handled from prior-to-birth onward. There are so many groups of Satanically-oriented people that it becomes easy to hide, in the underground networks, abundant breeders. Make you sick to your tummy? Well, it doesn't do much for God's temper either, readers. We will get back to the choosing, treatment and procurement of the children for these purposes.]

The Jesuits were active in this part of the child procurement. Catholic adoption agencies (which are many), nuns who get pregnant, third world parents, and parents who will sell their children are all sources of children for programming. [H: Remember, readers: if your neighbor moves and you didn't know them well anyway—would you know what happened to children of the family—if there was no further contact? It happens all the time—ALL THE TIME. This is one very necessary step in the world order changes—to totally break down society from attending one another. The society was put "on the move" and families torn asunder. For every missing person reported and noted, hundreds go unreported and totally ignored.] When one thinks about how many corrupt people there are and how many towns and cities are on the West Coast, and how many children are produced by Satanic breeders, illegal aliens and other parents who'd rather have the money than the children, and the reader begins to realize how procuring batches of 1,000 or 2,000 children was no problem for the Illuminati, working through intelligence agencies such as the CIA, NIS, DIA, FBI, and FEMA. The Finders, a joint CIA/FBI group procured children for the Network for years. Some of the children needed for programming are to be used for sacrifices to traumatize those being programmed. (The names of some of the people who work at procuring children for programming/sacrifice have been released in Fritz Springmeier's monthly newsletter. [H: You will have to check with the publisher for information regarding that newsletter.]

The secret FEMA airstrip at Santa Rosa has planes landing and leaving all night. Some of these flights go east and then land at the secret 1800-square-mile China Lake Naval Research Base, and are believed to carry children for programming. This airstrip is called the SANTA ROSA AIR CENTER. When I tried to get FAA information on this airstrip, they played stupid as if it didn't exist, yet it is in operation.

BOHEMIAN GROVE CONNECTIONS

[H: Get your barf bags, readers, because this is the REALLY GOOD OLD BOYS' CLUB OF WHICH WE HAVE SHARED SO MUCH INFORMATION. This is also the source and point of ongoing BLACK-MAILING material for political blunderers or in-

tentional perverts, etc. I ask you to read this even if it makes you desperately sick for this is LIFE while you are doing other cute things and complaining about the weather.]

Near Santa Rosa is the Bohemian Grove; southwest of Santa Rosa is this air center which is not used by the public. This airport was recently used by private pilots as a F.B.O. It was built during WW-II as a training base for P-32 pilots, and deactivated in 1952. After the war, it was leased to private companies (such as the CIA). The paved areas are 4' concrete and can land the heaviest planes in use. There are no buildings over two stories in the entire area, and no control tower. The FBI has a contingent in the Federal building, downtown Santa Rosa, and "FEMA" has a radio station at the airport. The Army Reserve also has some buildings in the area. However, there is some highly secret activity going on underground at the airport. Six to seven small planes sneak out of the closed base a day, and for a base of its description that is closed, that is very interesting. [H: I can attest to this base because some of our own people stopped to see what was there on a happenstance trip for other purposes. The silence is deafening in its secrecy and NOBODY is allowed on site. It would appear that even the guards have orders,

but no information, and if not honored will shoot to kill.] The planes take off in the evening and do not turn their lights on until hundreds of feet into the air. *The Press Democrat* of Santa Rosa ran an article on Thurs., Apr. 22, 1993 about the Federal government selling 70 acres of property just to the east of the airport. However, when one reads closely, the land is going to be offered to a host of Federal agencies. The property was "being used by FEMA" (707-542-4534). If one thinks about it, it is unlikely that the radio station is a FEMA transmitter station. The close vicinity of this secret activity to the elite's Bohemian Grove makes this an interesting site for study.

The airport used for the Bohemian Grove visitors is north of Santa Rosa on Hwy. 101, the Sonoma County Airport. United Express and American Eagle (which flies to and from San Jose) fly into this airport, which has a control tower. In 1964, the airport was reported to have also carried about 600 military operations (either a takeoff or landing) per year. It was around this time that the Federal government made an agreement with Sonoma County Airport to help pay for the runway to be extended, the runway to be strengthened and the airport to be upgraded in numerous ways. The elite from around the world fly into here to go to the Bo-

hian Grove, which is in the Monte Rio area. Monarch slaves are regularly abused at the Grove for the entertainment of Bohemian Grove members in kinky sex theme rooms, such as the dark room and the necrophilia room. Secret NWO [New World Order] business is conducted in the small, dark lounge with a wooden sign naming it U.N. DERGROUND. Slaves are hunted in the woods for sport, and occult rituals, including infant sacrifice, are held outdoors in the Grove.

These airfields are described in detail so that the reader can begin to catch on to the network of small planes and airfields the Monarch system uses to transport children.

The children are trickled in from various collection points to China Lake. Monarch slaves, many of them children themselves, are used in the extensive child procurement system. Children are also used to entice and kidnap other children. Teenage slaves are used to escort and transport little children on trains, buses, and planes. The triangular-shaped airfield at China Lake has traditionally begun very early in the morning with lots of activity. The night flights from FEMA's Santa Rosa airfield being an example of incoming flights. [H: You have to realize, readers, that many children from Day Care Centers are utilized as "day" excursion trainees without the parents knowing what is taking place. It happened in the McMartin mess and it happens every day in thousands of ongoing day care centers. Check your children, parents, and you may well note some extremely strange behaviors from priorly "normal" babies or children.] The airfield connects to the main base area via Sandquist Road. Children are landed at this field, while others are driven through the gates guarded by marines, and others come through via the east-west rail line. The fact that children are driving through the gates is not alarming because inside the military perimeter is a high school, a junior high school and 3 other schools. Some of the adults of the children being programmed stay in military barracks (Quonset huts and one story buildings) while they wait.

[H: It would probably be difficult for most of you to understand how children could be "handled" in a day care circumstance without being "caught". No, if you have parents, especially parents who "car pool" and have set and regular patterns of activities—it is very easy indeed. The "fluke" in the program is the occasional schedule-breaking parent. Sometimes "abductions" or false "pick up" information has to be presented as excuses for missing children until the child can be returned. The distances and ingress-egress routings are through tunnels and attached hallways which easily hide coming and going caretakers. Workers could be fooled from time to time but mostly the "workers" are programmed far better than any of the children in the day-care centers themselves.]

A male Monarch victim remembers a large hanger building at China Lake with a concrete floor and row

after row of cages suspended from the ceiling filling the large building. One of the Programmers was dressed similar to a Catholic Priest. The electric current that ran to the cages made a hum, like an electric fence. There was a marble slab that served as an altar where black-hooded robed people would take a bone-handled knife and sacrifice little children in front of the other children in the cages. (Memories from other survivors about the place will be mentioned later.)

MORE ABOUT THE SECRET CHINA LAKE BASE

Charles Manson, a programmed Monarch slave who received initial programming at China Lake, lived with his cult only 45 miles north-west of China Lake at the remote Myers and Barker ranches. Scotty's Castle in Death Valley, Bakersfield, Edwards AFB, and Papa Ludo's Store and Tavern (with its secret underground programming center) are all in the vicinity of China Lake and have all been programming sites, too. Old Route 66 went by China Lake, which now is just off U.S. 395. The area's tavern has been named the Hideaway. The building was low, away from the highway, with a large unlit parking lot. Only people who knew how to enter it by the obscure entrance on the side could get in. The Hideaway Tavern has been a local hangout for the CIA men in China Lake. It has served them excellent steaks. The base headquarters is known as the White House, and it looks somewhat like a yacht clubhouse. Northwest of the airfield, at 39-64 & 4-33 E on the quad maps, the government has built a large magical seal of Solomon (hexagram) with each leg 1/4 mile long on the ground.

What was it like for a victim in the early 1950s in a NOTS area programming center? One of the buildings in the area used for programming was described as having a flat roof and a tan exterior. A fence ran around the building. Inside the front door was an old oak reception type desk. A series of three doors connected by tunnels were gone through. One entered into a hallway, and then took a left into the programming room. Tunnels connected the different hallways. The programming room was painted a good dissociative color—white. In the middle of the room, cages with chimps were suspended. The examining table was metal, which was cold for the victim, but easy to wash for the attendants. The victim was placed in cages and could observe white dots light up in different dot patterns over the door on a panel of lights. The low level shocks to the victim were coordinated with the dot patterns. (Some of this relates to domino programming.) An attendant monitored the entire scenario on charts, while the child was repeatedly traumatized with low-voltage shocks. Needles were poked in the child, the room was made dark and then lit. Voices said, "Love me, love me not". This was part of the love me, don't love me part of programming. "Good girls ride the silver wings." This was to build the ability to condition trancing by the victim upon electro-shock.

German and British scientists/mind-control programmers came to NOTS after WW-II, including Joseph Mengele (known as Dr. Green, or Greenbaum, and other pseudonyms). The Illuminati's Dr. Black worked out of China Lake also. Dr. White (Dr. Edwin Cameron) worked on the East Coast, although he did fly in every so often to the West Coast to meet with the other top programmers. Dr. Blue

was another of the important leading Illuminati programmers. These top programmers supervised other lesser programmers. If something went wrong, they might fly a child from a programming location to a specialist to get it special help for its programming.

The men and women of the Illuminati helped out the top programmers. The Grande Mothers, and the Grande Masters of the Illuminati participated in helping with the programming. As a child of the Illuminati progressed through its programming, three people had oversight over its programming: its Grande Mother, its Grande Dame, and the Programmer. The Illuminati functions off a chain of command similar to the military. (In fact, a big secret is that Satan's realm actually served as the model for military and political structures.)

As a child begins its programming, it is monitored in a fashion similar to hospitals where charts are filled and then these charts are filed. Tests and evaluations are done regularly. Goals are set which are six-month programming goals. These will say, in effect, we need to accomplish this by doing a, b, c, d in the next six months. This is somewhat similar to an I.E.P. (individual education plan) which the special-ed teachers in Oregon set up for each student. At some point, the strong points and the weaknesses of the child will be identified, and then a decision will be made as to what occupation the Illuminati want to program the person to become. If a young boy is aggressive and has sadistic tendencies, the Illuminati call it "a war monger" and label its chart, "This child will be a general." Then they proceed to program it to become a general. Nurses, teachers, and child physicians must be programmed with a gentleness to their System. Other occupations, such as lawyers, can be allowed to be ruthless. Many of the children have religious fronts labelled for their programming, and a very popular occupation for Illuminati men is to become clergymen. Religious leaders make up the majority of fathers of Monarch survivors that have sought help. Most Illuminati victims have parents who are important religious leaders, many of them top clergymen in the established churches.

As the reader might expect, some tortures require that the child victim's temperature, respiration, pulse and blood pressure be closely monitored.

[END QUOTING]

We need a break, please. I would like, however, to write more today because we will have to be away a major portion of this coming week to attend legal hearings.

For the paper Tuesday next, please consider re-running a bit of the *Protocols of Zion*. The Illuminati functions on the *PROTOCOLS'* instructions to accomplish a New World Order. You just don't have a very nice world any longer, readers.

We will discuss the purpose of "trauma" when we return.

Good morning.

[CONTINUE QUOTING:]

WHAT TRAUMA DOES

In recent times, the military and the science of psychology are paying attention to what they call PTSD (post-traumatic stress disorders). PTSD are the psychopathic debilitating effects of trauma and chronic nature of reactions to trauma. Intrusive flashbacks of the trauma will occur if the mind doesn't protect itself from reminders of the trauma. The mind creates avoidance patterns to protect itself from thinking about the trauma. Panic symptoms occur when the person undergoes physiological arousal to traumatic cues.

A trauma will create a certain "shatteredness"

within the victim. The victim will develop life assumptions about being vulnerable, about having little personal worth, and that life is not fair. They may develop phobias to constantly check their environment for safety and constantly monitor others to make sure they are not mistreated.

For centuries warfare has taken place, and military men have experienced PTSD. However, a full description and investigation into the disorder has been done only in recent history. The U.S. military has prevented any serious counseling for their troops suffering from this. Peer "counselors" and rap groups were allowed, and misled by the Army to believe that they would be adequate. PTSD will often lead to outbursts of rage, chronic depression, or borderline dysfunctions. The PTSD in Monarch victims is masked by the MPD/DID and the programming. Then in turn, the programming masks the MPD. When the programming is complete, front alters have been created which can function with smiles and cheerful attitudes, while underneath, the mind is full of shattered hurting alters, of which the slave is unaware. Self-punishment and social withdrawal are natural symptoms of PTSD, and the programmers have no trouble enhancing and programming these functions into their alter systems. Certain alters end up holding the anger, the fear, the social withdrawal, the guilt, and the desire for self-punishment. These are held in check by the programming, and take the body when the slave steps outside of the programmed path.

The bad memories in the minds of men who suffer from PTSD have been noted to recycle and self-perpetuate themselves as they lay unresolved in the memory cells. Bad memories for the victims of Monarch programming are used to hold the MPD, the programming in place and also to keep the victim in compliance.

In 1954, Maslow published his hierarchy of needs, which when applied to Monarchs and PTSD victims means that they can not progress in therapy until their survival and safety needs are met. However, the Programmers/abusers know that it is important to keep the slave away from safety. To this end, the Programmers employ people externally to monitor slaves, and internal alters in the victim's mind to be monitoring alters and reporting alters. Reporting alters can always reach the Network of abusers via 1-800 telephone numbers which change every two weeks. They can also call their handler. Reporting alters are very unemotional and serve as tape recorders which mechanically report any developments that might threaten the programming to their handler.

Alters programmed to commit suicide are also built into the Systems. For instance, for a system hacker—an outsider—to work with the alters of an internal Grand Druid Council (aka Executive committee alters, or judge alters) or a System almost insures 99% of the time suicide of the Monarch slave.

In at least 99% of the cases where Monarchs have come in for therapy, they still lack safety, which is a higher need than trying to go against their programming. This is why so few people have really gotten free. To undo the programming, the victim needs safety. The programmers know this, and have set up almost fail safe methods where the victim is not even safe from their own system of alters, let alone Big Brother. Therapists call their Monarch victims "survivors" a misnomer, because in reality they are still in the middle of ongoing abuse.

Some therapists may mistakenly think that it is helpful to tell the victim, "These fears you are having are from the past." Deliverance ministries may also try to stop the victim's fears, without understanding the reasons behind the ongoing fear.

Other chapters will deal with the extensive back-up methodologies. At this point, it is mentioned in the context of this chapter to establish to the reader that the abuse and torture continue non-stop. Some of this would naturally occur anyway, but the programmers enhance this naturally occurring phenomena many-

fold to insure that the slave will continually abuse themselves. This means, as time progresses, some Monarch systems are timed to shatter certain levels and to create a new level of New Age believing alters to replace the original front. The abuse can be done by the victim themselves to themselves, because programming alters are given the ability to pull up horrific memories via codes. Those traumatic memories, which shattered the mind the first time, are still capable of doing it again when they are abreacted (that is, re-lived by the body and mind).

More and more people are experiencing working with someone with multiple personalities. However, very few multiples ever discover more than the front parts of their systems. Very few people, outside of the programmers, have much idea of what an entire system of alters is like, therefore some of the things that this book will describe will seem foreign to those people who have learned a little about multiplicity.

There are several models to describe what happens inside a multiple's brain as it develops multiple personalities. The brain is very complex. Recent brain research confirms that the brain was far more complex than imagined. In an average brain there are 10,000,000,000 individual neurons (nerve cells). Each of these has 10 with 100 zeros following it worth of interconnections. In other words, an average brain has vastly more interconnections than the total number of atoms in the universe! [H: This may sound good to the writer—but it is factually impossible as a statement of truth. How do I know? Because every interconnection is going to be structured of more than one atom in itself! The UNIVERSE is a very large atomic/molecular structure without finite ability to count its makeup or contents. I find that by slipping into the habit of making exaggerated statements as is this one, you lose your audience for there are intelligent people reading this material and a false statement of such proportion is unacceptable. This does not diminish the truth of the writings but it causes readers to begin to discount validity.] Often about 1/2 million different chemical reactions take place every minute in the average brain [H: Yes, and every one of them is made up of "atoms".], and the number can be several times that during intense activity. A Monarch's brain has been worked on to be even more active than a normal person's brain. The left and the right side of the Monarch's brain both work simultaneously, and the various personalities are all busy working simultaneously on different tracks. To describe the complexity of what is happening with someone's mind which has been messed with so dramatically for years, means that at times only an approximate model is presentable.

There are several terms which are used in speaking about multiples, which have developed several meanings. Unless these terms are correctly defined, misconceptions about them can cloud an understanding of what happens during Monarch programming.

First, researchers have discovered that deep within a person, the brain truly understands in a pure awareness all about itself. This is true for everyone. This pure awareness has been named various names, including Hidden Observer.

If a man is obnoxious and seems to have a total lack of awareness that he irritates people; just know that deep down inside an awareness realizes exactly what he is and what he does. The multiple's brain at some deep awareness knows what has happened to it. The term Hidden Observer is fraught with danger, though. A demonic entity called the Hidden Observer works hand in glove with the programmer to program the individual. The Hidden Observer is able to see everything the System does. The people who control a slave frequently call up the Hidden Observer to ask questions. In this case, it is a demonic entity, and yet it is this Hidden Observer, which each System has, that some therapists are trying to access to understand the System. This Hidden Observer only tells the truth to its master, because it is demonic.

The next term which is misunderstood is the term "the core". The programmers set up various alters to pretend to be the core, and the core's protector. The real core is quite hidden, and not placed within the regular grid of the alter system's chart. It will take some explaining to convey what happens to the mind, and what the real core is.

THE TYPES OF TRAUMA

One thing discovered by research into the genetic transmission of learned knowledge by humans to their children was that people are born with certain fears. Snakes, blood, seeing internal body parts, and spiders are all things that people are born fearing. The phobias toward these things are passed down genetically from one generation to another. In searching for traumas to apply to little children, the Programmers found that these natural phobias which occur in most people from birth will work "wonderfully" to split the mind. Along this line, the following are samples of traumas done to program slaves: a. being locked in a small confined spot, a pit or cage with spiders and snakes, b. being forced to kill, and cut up and eat innocent victims, c. immersion into feces, urine and containers of blood. Then being made to eat these things. These are standard traumas. Often a slave will experience not only all of the above but many others before they reach four or five years of age. It is important to traumatize the child early before it has a chance to develop its ego status.

By the way, when the child is placed into a small box with spiders or snakes, they will often be told that if they play dead the snake will not bite them. This carries out two things for the programmers, it lays the basis for suicide programs (i.e. "if-you-are-dead, then you-are-safe" thinking) and it teaches the child to dissociate.

Traumas to split the mind are not just high voltage, or natural phobias, but encompass the full range of the emotional and spiritual being of the victim. The victim is eventually stripped of every spiritual or emotional resource by a variety of traumas, such as "blood orgies" where male and female genitals are cut, torture sessions on all types of medieval torture machines, staged events where actors imitating God, Jesus Christ, police, and therapists curse the victim, reject the victim, and even

"kill" the victim in simulated drug deaths. Children are placed in hospitals in captive abusive conditions. Children are tied to innocent children which are systematically and brutally killed while the children are made to believe that they are guilty for the child's punishment. Near death experiences such as drowning have become an art with these abusers. Trained dogs, monkeys and other animals are used to further traumatize the victims. An Illuminati slave will most likely have experienced things from all of the last few paragraphs above, plus much more.

(Toby, was one of the trained NOTS chimpanzees. He was trained to be sadistic. The other trained chimpanzees at China Lake included "Gabie" or Gabriel, who tickled the victim while they were tied up; Rastice, who had a toy chest with diamonds, bracelets, and a scepter which electroshocked; Zoro, who could do anything mean; Elmore, who cuddled as a mother but ate raw flesh; plus others. An example of something said during programming with the chimps is, "THREE LITTLE MONKEYS IN A CAGE, DO, RE, ME, FA, SO, LA, TE, DO".)

Joseph Mengele, aka Dr. Green, was skilled at using German Shepherds to attack people. Mengele got a reputation in the Nazi concentration camps for using German Shepherds, before he was brought over to America. He used dogs to help program American children. (The Process Church often uses German Shepherds also.) He was also skilled in abortions, and was involved in weird traumas involved with babies being born, or the simulated births of dead rats (or other gross things) from the vaginas of girls being programmed.

When the Satanic cults tie their victims with wire for rituals, some of these people will lose their toes or fingers from the wire. At times little fingers and the top part of ring fingers are lost in Satanic cult rituals, too.

Many of the traumas and tortures are carried out by alters or persons who are sadistic. How does the Network get sadistic men to torture little children? Three different respectable studies (Harrower, 1976/ Milgram, 1974/ and Gibson, 1990) show that essentially all human males can be taught to engage in sadistic behavior. There may be a few exceptions, but the point is that sadistic people are not in short supply for programming. Some of the alter systems have extremely brutal sadistic alters. In fact, the Mothers of Darkness alters are an important balancing point to prevent the sadistic male programmers from killing more of the children on which they are working. The more pain, the more charge and excitement they get out of it.

Sadists enjoy gaining total control over a person. In order to do this, they take charge over the little child's basic body functions, such as sleep, eating, and pooping. They enjoy terrorizing the little child, so Monarch slaves end up watching hours of sadistic behavior done to others before they are even five years old. The worse the trauma, the more the sadistic programmers enjoy it. Sensory deprivation, forced labor, poisoning, and rape of every orifice of the child are popular tortures by the programmers. The child soon learns that he is at the mercy of crazy people who can only be satisfied by total submission, and the willingness to allow someone else to think for you. The child will be made to eat faeces, blood, other disgusting things, while the programmer eats good meals.

Some of this sadistic behavior is toward a goal. Cutting a person's tongue and putting salt on it reinforces the no-talk programming. Making someone throw up to cause eating disorder programming. Dislocating shoulders to cause dissociation.

When the child victim's crying is heard, they immediately apply torture so the child thinks it will suffocate. This is behavior modification and is covered later. This trains the child not to cry.

Around age three, a Black Mass, a sick evil communion, is performed which is so ugly that the child hides in dissociation by creating a "locked-up" or "obscure" child. This early flip provides a base for dark-

side programming. This locked-up child can have a powerful healing (with system-wide effects) by being part of a positive love-filled communion.

There are many traumas which can be carried out, which leave no physical scars, but do leave the child with the deepest emotional and spiritual scars. This is often necessary when programming young children who will be seen soon after the programming session. Holding one's arms out is a simple torture. Tickling and sensory deprivation are two tortures that leave no marks. Burial caskets, some outside and some at inside locations, are often used on slaves. That is why many slaves fear being buried alive. The Programmers place all types of creepy insects in the caskets when they bury the person alive. Another type of sensory deprivation is done by placing the victim in salt water (for buoyancy and weightlessness). Then the victim is fitted with sensitive sensors that shock the person if the victim moves. The shock puts the person back into unconsciousness. The brain is trained to stop all external body movement from the conscious mind. This type of sensory deprivation is used to place-in the posthypnotic commands to do something at some future date far into the future. The program is placed into the mind at the same primal level that the mind uses to tell the heart to beat.

One of the "appropriate" tortures is to place a bar between a little girl's legs which spreads the girl's loins for rape. Then the bent spread legs are flapped, while the victim is specifically told she is a "Monarch butterfly". Many victims have created butterflies in their minds while being raped.

[H: I realize that you are having trouble reading this material and frankly we are having trouble even copying it. The information is being brought forth from experiencers and, frankly, the language and sentence structuring is so incorrect as to make the writers and editors choke a bit from bad structure to outright objection to the material as well as the presentation. These stories are FIRST HAND experience as expressed to "de-programmers" such as Cathy to Mark. It is hard to hear, hard to speak, hard to write and exceptionally hard to have to believe that such evil can exist—much the less, become an "ordinary" practice for control and ruination of your species. No, I don't spare much to your sensitive minds. IF YOU DON'T KNOW THINGS LIKE THIS AROUND, HOW IN THE WORLD CAN YOU MAKE THINGS RIGHT?]

The programmers may tell some of their victims that out of caterpillar-worms come beautiful butterflies. While raping the child, the Programmers will describe their sperm fluid as "honey comb", and will cry out "hallelujah" when they climax.

It doesn't take long for the child to realize it has no ability to resist what is being done to it. The will of the child victim is destroyed, and in its place remains a pliable slave. If the slave doesn't learn correctly they receive even more pain. A fish hook in the vagina is a popular method. Older males have their genitals hurt during additional or reprogramming sessions. They may be forced to actually eat skin taken from their own genitals.

The mind of the victim is not only divided from itself, but the very process of torture makes the victim distrustful of humans in general. On top of this distrust, the programmers will layer-in programming to isolate the person from healthy relationships, which in turn increases the victim's feelings of helplessness. They are divided from their own parts (their own self) and the world in general.

For instance, the water, cave and sand tortures make the survivor fearful of oceans. The victim may be traumatized by being lowered on ropes or in a cage on ropes into the water from a cliff, or may end up being buried alive in sand and watching the tide come in, or simply being totally buried alive in sand and then abandoned. For a while, the Illuminati was big on water torture because they had built into their systems a weakness that water would destroy the clone armies that protected programming, and they needed their

slave systems to be fearful of water.

Slaves are frequently lowered into black holes, or pits, containing the most frightful things possible. This is a frequent trauma because the victim, when left in a dark hole for hours or days without any contact with the world and with no water or food, will develop deep emotional scars. This will produce dissociation rather than tale-telling signs of physical abuse. This torture is used essentially on ALL Monarch slaves.

[H: I would note that the writing becomes increasingly hard to interpret as the very teller lapses into horrendous mental confusion and painful memories as she tries to hold to one personality. This is why trauma is so effective, readers, because EACH personality has such trauma as to simply effort constantly to slip from one into another in order to find some outlet and escape. In the deprogramming process the entity has to control these slippages and recognize them for the disassociations they represent while holding to conscious realization of circumstances. Once these fragments can be consciously held by the ONE predominant personality there is hope for recovery of the whole.]

Some of the traumas are done for specific medical reasons. For instance, the person may be starved by only allowing perhaps 300 calories per day for, say, a small woman of 125 pounds. Sugar and proteins are severely limited so that the brain is starved into submission. Water deprivation, which is taught to parents who raise Monarch slaves, is used from time to time on slaves to raise the brain's temperature which happens when the brain swells from lack of water. When the brain gets woozy and overheated it hallucinates and has a difficult time remembering events. If water deprivation is combined with electroshock it makes it even more difficult yet for the victim to remember anything.

Heavy exercise along with long periods of little sleep (2-3 hours/day) causes an overproduction of endorphins in the brain and victims begin to robotically respond to commands. This was done to co-author Fritz under the pretense of military "training". The other author, Cisco, experienced it as part of her mind-control training. The brain under such stress may flip its functions from right to left and vice-versa. Hypnosis is easier when the brain is tired.

Most victims remember being suspended upside down. This was honed to a fine art by Mengele with concentration camp victims, while records were made of how fast blood drained from a child or adult's stomach when they were dunked upside down into a tank of ice cold water. The cold water tests supplied the data on temperature levels as consciousness faded. This information then was used later on in America to help the survival rate of children given the same trauma. Simply hanging a person upside down for one or two hours will begin to play tricks on the mind. The mind will begin to dissociate, and will begin to reverse the primordial brain functions as pain, for instance, registers as pleasure. The person's mind rearranges itself. This is often done with Beta alters or Beta models to get them to think that the pain of sadistic rape is a pleasure. After this reversal in the mind that "PAIN IS LOVE", the S&M kitten alters will beg their handler to slap them, tie them up, hurt them, etc. They will tease their handler, and tell him he is not a real man if he shows any mercy in how the pain is inflicted.

Fire/burning torture is used in the porcelain face programming. The charismatic branch of the Satanic Network (such as the offshoot of the Assembly of God churches) uses porcelain face programming. This is done by using wax masks on the victim and giving them fire torture. The person actually thinks that their face has melted. At that point, the programmer pretends to be a god and a hero and tells the person he will give them a new face, a porcelain mask. These new faces, by the way, look like the ones sold in many stores. The memories of abuse are then hypnotically hidden behind the masks. To take off the mask is to abreact and burn again. If anyone touches the face of an alter with

porcelain face programming, the alters will feel a burning sensation because their masks are not to be tampered. This means that these alters have lost their own faces for all practical purposes. This is part of the dehumanization process. As long as these alters remain in denial of what has happened to them they do not have to face the burn-torture memories.

Some alters are tortured in a fashion that the eye area is traumatized and they squint the left eye. They look like Baron Guy de Rothschild of France's left eye appears. Guy de Rothschild is a major handler/programmer, but the reason for his drooping eye is not known. Perhaps it was through torture.

The ritual aspect of trauma needs to be covered to some extent. By traumatizing someone on a specific day, say their birthday, it is far more damaging than just simply traumatizing them otherwise. The reason is that every time that person's birthdate recycles they are put back into their memories of abuse.

Sexual abuse of a child is far more powerful when it is put into the context of demonic magic. The abuser's semen comes to represent magic and seals the programming. The ritual aspect of it and the repetitive nature of the abuse creates several dynamics that accompany the abuse that wouldn't occur in non-ritual abuse. A lie accompanies such abuse in that it becomes that which says that institutionalized abuse is an obligation for both the abuser and the victim. For instance, the mind control of the Beast Barracks experienced at West Point, USMA, is an institutionalized abuse that allows the abuser to side-step responsibility for sadistic behavior, and sets the stage for the abuse to be continued under the disguise of tradition. [H: Now readers, do NOT try to tell me that you don't know of that which I speak. It is just never told to you HOW a person in "initiation" is slain!]

Finally, there is one more category of trauma—those to produce cosmetic looks, for instance, breast implants, or electro-shock to create moles at certain locations for either a sign telling other handlers the extent of the programming or for a Marilyn Monroe look. A "stage trick" is to use a multi-needle device to scar the tissue. The scar which is made in a pattern, a popular one is the satanic Goat's head of Mendes. This can be made visible then through hypnotic command. This allows the handler to look powerful to uninformed viewers. This trick has been done by the occult world practitioners for centuries.

[END QUOTING
FROM CHAPTER 2]

These are long and miserable writings and, today, this is enough. It is recognized that many of you readers will recall symptoms of such trauma from your own past experience. Don't conjure things, please. The cop-out for all manners of ill-behaviors is

to blame some tormentor or parent who was a poor specimen of a parent for things which are simply not so. These are extremes in practice of which we offer here. There are a lot more "victims" than you might suspect, but remember, these are for the very purpose of serving in manipulative and manipulated circumstances.

The "general" public is then manipulated and desensitized to all manners of trauma and violence which is then measured as to extent through media control methods. You certainly do not need to go through a programming project or program to become a malfunctioning addict to all manners of things and persons. We have herein been sharing the material regarding de-liberate MIND-CONTROL methodologies utilized in manufacturing a robotic slave.

I find this material difficult with which to "re"present because I find the very authors writing about the programs slipping into the programming. This makes it all but impossible to remain objective as an author must become to offer evidence in a scientific and meaningful manner.

In this instance the lead author, in efforts to deprogram his subject, has become totally involved and the data wanders off into screwball-land. This does NOT make it invalid, it simply makes it more uncomfortable in the deciphering of intent and meaning. This is WHY so many sensational subjects become exactly that, sensational. This topic needs no exaggeration for truth is terrible enough.

I don't know how much of this we will have time to share for the world goes right on in its own bed of trauma while wobbling in and out of stability. We have to take whatever is of uppermost importance at any sitting.

Thank you for your attention and your patience for these "victims" are counting on your realization so that they can reclaim some portion of a so-called "normal" existence. Good evening.

Soltec: Mind Controllers

Ramping Up Latest Antics

SOLTEC 11/16/96

Good morning, my friend. It is I, Toniose Soltec, come in the Radiant Light of Creator God. Blessings and be at Peace!

Much is happening this day and it has most certainly been a trying week. Be cautious in your personal travels for, whether you realize it or not, you are monitored closely by the adversarial forces. These ones would like nothing more than to silence you. **KEEP YOUR LIGHT SHIELDING UP AT ALL TIMES!** And this goes for all of you who read these words.

There is much planned for you ones during this not-so-holy holiday season. You can see the clues all about you, if you but **LOOK!** For example, look to the U.S. Stock Market. It has had record-breaking highs for each of the past eight business days of trading sessions since the so-called presidential election. Meanwhile, on many of these days the trading volume has been close to double that for a typical trading session.

Second example: look to the racial tensions being escalated. You have the O.J. Simpson trial (again!). You have the riot conditions in the Pittsburgh, Pennsylvania area which flared up this past week. This was due to a police officer being cleared of any wrongdoing in the murder of a Black man during an altercation occurring in the midst of routine police duties being carried out. You also have the recent Tampa-St. Petersburg, Florida incident of a similar nature. Then you have the Texaco oil company executives caught, on record, making racial slurs and having to furiously backpedal with major apologies and monetary fines of a politically correct variety.

Moreover, look to the announcement that gasoline prices at the pumps are going to "have to" be raised—again! Note how conveniently this is just in time for the holiday travel season. Last Summer the excuses for the large increase were because of "special formulations" in the gas and because of the excessive heating fuel

consumption during the previous bad Winter—with this particular problem only being announced several months AFTER the fact.

These are but a few of the many distractions being constantly thrown at you. Look PAST the distractions and look FOR the sleight-of-hand "magic" tricks.

You ones are in for an experience of a lifetime! For those of you who have prepared, you shall find the upcoming events challenging and valuable. For those who have not prepared, you are in for a bumpy ride that could become quite uncomfortable.

Now, let us look at something more interesting. Look to the skies at night in the direction of the "comet" Hale-Bopp. It is currently low on the Western horizon just after sunset for those of you on the western coast. Several months ago you ones were told to begin to watch this "comet" — when it was reported as having made a "course correction" or two!

The "comet" is but a timing clue for you ones. As your planet's vibrational frequency continues to shift upward, you ones shall have to be prepared for the "realities" of the new environment in which you shall find yourselves. You ones shall have need for guidance as you wake up to the TRUE nature of your Spiritual Beingness and heritage.

You, of Ground Crew, are far more aware than you may realize. You shall soon realize that a very large part of your mission is to provide confirmation to the masses that we, of extraterrestrial origin, come to assist and NOT TO ATTACK!

You are fast approaching a time of mass awakening due to this upward frequency shift in consciousness. The controllers of your planet have known about extraterrestrials for decades but they do not want YOU to be aware of our existence, for they realize that they would lose all hopes for control over you-the-masses.

Take note that there is yet another "evil aliens invade the Earth" movie due out this

coming Thanksgiving holiday weekend. Why do you think that you ones are being so heavily bombarded with the idea that all aliens (extraterrestrials) are bad, or are here to enslave you?

Well, the planet will soon realize that there are VERY REAL extraterrestrials and that we have no intention of harming anyone.

Keep in mind that we can see farther than you ones in terms of probabilities and possibilities. We Elder Brothers among the Wayshowers and Light Workers are quite aware of what the adversary is planning. We enjoy the game very much—as we turn their plans into the very lessons that they, and you, as a planetary civilization, need in order to grow into the realization of Higher Truth!

Back to "comet" Hale-Bopp: It was recently observed and photographed with a very large object (approximately 4 times the size of the Earth!) following along near the "comet". This new object was observed [*and photographed, see next page*] by an amateur Houston-based astronomer, Chuck Shramek, who has been regularly monitoring the "comet" for some time. Last Thursday evening, at approximately 6 p.m. Houston time, when he began an evening of viewing the "comet", he also saw this massive mystery object **THAT WAS NOT THERE JUST ONE DAY EARLIER!**

This new object, slightly above and to the right of Hale-Bopp, looks similar to the planet Saturn in that it appeared to have rings about its mid section. Another interesting clue observed about this object was that the light intensity across the object is quite uniform, rather than varying in intensity, such as with dark spots or other luminosity fluctuations. This would suggest that the object is not reflecting light, but rather, is **EMITTING** light. A clue, perhaps?

Just months after the "comet" was first spotted, it was noted to be spiraling. It would now seem that the "comet" may actually be in orbit around a large central mass—perhaps this
[Continued on page 30]

"Comet" Hale-Bopp's Mystery Companion

Editor's note: The above photograph was taken by startled amateur astronomer Chuck Shramek, based near Houston, Texas, of "comet" Hale-Bopp (the fuzzy-looking bright object) and the large, Saturn-like mystery companion (to right and slightly above Hale-Bopp) which was just, all of a sudden, "there".

The mystery object suddenly appeared on the scene—not being observed even the day before—when Shramek looked for Hale-Bopp and then took this picture at about 6 P.M. Houston time on Thursday, November 14, 1996.

Shramek alerted late-night radio talk-show host Art Bell, who then interviewed Shramek and discussed numerous exciting implications of this observation on that evening's radio program. This photograph was down-loaded from Art Bell's home page [www.artbell.com].

If you are plugged into the Internet, Art's home page is an excellent place to visit, both for direct information concerning his many, often quite interesting guests, and for direct connections to the web pages of others who are digging out and sharing some quite astounding things—at this time of accelerated revealing of Truth amidst so many desperate lies and calculated blarney being spread around.

As always, one must exercise intelligent

discernment, but half of the fun is watching for the clues that the adversary's dis-information MUST wear. Through such practice, we grow stronger and more fluent in our ability to discern the workers of Light from those puppets in league with the darkness.

For example, there are many Internet discussions now appearing which are devoted to carefully "discounting" the many unusual observed peculiarities of "comet" Hale-Bopp, including some very ornate blarney from astronomer Hale himself.

One good document is titled, "What the Hale is really going on?" and it says [quoting]:

In the Summer of 1995, two amateur astronomers independently and accidentally discovered a new comet. Like nearly all comets, this new comet was named after its discoverers, Alan Hale and Thomas Bopp. But, unlike most comets, which are discovered 3 or 4 months prior to their closest approach to the Earth and Sun, this comet was found about 20 months before its closest approach—absolutely unprecedented!

The comet is no threat to the Earth. At its closest it will still be as far away as the Sun, yet there are some very strange and wierd aspects to this comet which officials seem reluctant to

tell us about or discuss:

• When the comet was still as far away as Halley's comet, it was 1000 times brighter!

• The comet was first seen when its distance from the Sun was much too great for the gaseous coma of the comet to form. Yet it had a HUGE coma—larger in diameter than the Sun!

• Observations by the Hubble Space Telescope and other powerful ground-based scopes revealed "unusual" details—chunks breaking off from the comet and no natural reason for this to happen since the comet was too far away from the Sun for gravity or thermal effects to do this.

• THE ORBIT OF THE COMET IS VERY STRANGE—AS IF SOME INTELLIGENCE HAD ENGINEERED THE COMET TO GET OUR ATTENTION! [end of quoting]

And now, with the appearance of this mystery object, it seems the disinformation machinery has again been revved-up bigtime to work toward discounting what Mr. Shramek has inconveniently captured in photographic format. So, keep your eyes open (to the skies?) for further developments that will undoubtedly be labeled by the ex-sperts as one form or another of "swamp gas"! — E. Y.

mystery object? Pay very close attention to a "comet" that makes course corrections and to a large object that seems to "appear" out of nowhere, emitting light!

Changing subjects now: stay tuned for massive distractions as the mind controllers ramp up their efforts to manipulate and distract you. The massive earthquakes are still planned for the western coastal regions of the United States. There have been constant, very well calculated ground bombardments to major fault lines, and recently both the rate and intensity of these assaults have been stepped up.

The current intent is to precipitate a major event around the end of this month, November, or in early December. As always, please keep in mind that these plans can change at any moment.

However, these depraved controllers need the massive, numbing shock impact that would permeate the consciousness of the United States citizens—which only such a massive event could create. So, if not an earthquake, then perhaps a well-staged, fake alien invasion, or perhaps some nuclear or biological calamity. These dark ones who have enslaved and manipulated you are desperately trying to hold onto their "idea" of power.

These dark ones are, in fact, seeking Creator God, but they are trying to do it by cheating their way through their lessons. That is to say that they will use the ones who bring the gifts of understanding, and take that which is created and use it for their own gain—

instead of trying to understand the true purpose of such gifts. The only true power lies within Creator and Creation. Thus, when you stand within the Light of God, none can stand against you.

I would suggest, AGAIN, that you get your emergency supplies ready! You can never have too much in the way of canned food and water.

This may also be a good time, if you have not done so in awhile, to check through your emergency supplies to make sure that you do not have swollen cans, leaking batteries, or algae growing in your water. Replace anything that even looks questionable to you. You will be glad that you have done this, for you may realize that your supplies are lacking in quantity or condition.

Keep a level head about you as your reality becomes challenged. You are being bombarded with everything that the controllers can covertly throw at you ones. The only thing left is the less covert tactics and, as these ones become more and more desperate, you can count on them playing what they consider to be trump cards.

These ones overestimate their abilities and underestimate ours. When they have created enough horror through destructive means, they will, in effect, create the very conditions that shall cause the souled beings of the planet to search deep within and find their God connection. This, in turn, calls in the Lighted Wayshowers, and we shall then

be given permission to intervene on behalf of those who ask.

As always, there are conditions and agreements that must be met. We, of the Hosts of God, ALWAYS keep our agreements!

Let me again change subject here, please: Many are experiencing "lapses" in time and concentration, and are having trouble sleeping, either too much or too little, and always seeming to wake up tired. Others may be feeling waves of erratic emotional swings from day to day.

There are many bombarding factors which are affecting you at this time that impact the background frequency in which you must physically function. These bombardments induce frequency fluctuation which will cause your mental focus to "drift" into and out of the conscious moment at hand. Do not get overly concerned; just keep your Light Shielding up!

Furthermore, when you are experiencing a dimensional upshifting in the manner of the current planetary transition now in high gear, your perceptions on an emotional level will be greatly affected. Just the natural transitioning into a higher vibrational frequency range, caused by the Photon Belt, would cause this to some extent.

Now compound the natural processes with the UN-natural phenomena generated by the pulse systems (such as the HAARP system) and you now have a most challenging condition with which to deal—and in which to try to find and maintain a balancing equilibrium.

Know that, as you learn to deal with both the natural processes and (ESPECIALLY!) these unnatural attacks, you in effect become stronger than you would have without them. With greater challenge always comes greater reward and growth!

Did we not say that this year, year ten of the new counting, would be a MOST INTERESTING one? And here we are, only three months into it! So, DO keep your seat-belts buckled.

I am Commander Ceres Anthonious "Toniose" Soltec, come in service to The One Light, Creator God.

Salu and STAY ALERT as year ten marches forward.

This is a service for our dedicated readers. *Today's Watch* telephone hotline carries the latest news and comments from Commander Hatonn's most recent writings. This is our way of keeping you informed about fast-breaking news and events.

The message machine will answer after 2 rings if there are any new messages for that day, and after 4 rings if not. Thus *daily* callers can hang up after 2 rings and save toll charges if no new message has been recorded. The message update(s), if any, occur by 6 PM Pacific Time.
