TODAY'S WATCH

In the wondrous beauty of this new day it causes one to wish there were magical phrases and potions to cause all ugliness and pain to vanish. Suffice it to KNOW that "within" there can be such peace and release that you can have compassion and yet feast upon the beauty--all at once. God disdains the long and sorrowful face in the midst of HIS wonders; and so, too, is the ridiculous face of false piety even more distasteful--be yourself, reflect that which is REALLY mirrored from your soul and appreciate each emotion as a series of acceptance, allowance and release.

Even unto this particular place, and I must use Dharma and Oberli for example, for this is where I am focused at the moment. The world is blanketed in snow. Each branch and twig heaped high with beauty--feast

thine souls and eyes and then turn unto tasks for as the snow is wondrous, so have the baby birds in the nests grown hungry through the cold night and the food is buried under the ice and many shall perish. Of the ones you train to eat from your storehouse, you must tend of them--for YOU have taught them to depend upon you and thereby give joy one unto the other. For the bird who runs upon the mirrored window-pane, bless it and move on--for if you turn to withering over each that fall and become ensnared in grief and stop thy work--the whole of the flock might well perish before the thaw of Spring.

The lessons are great from EACH and EVERY incident upon your path. Look unto the government and see that which they have done unto the people of lesser income and education, and now, through the depression and loss of jobs. The government has treated you like the flock of birds--trained you to eat at "their" feed cups and depend upon "them" to give you shelter and clothing. Of course they paid not for it, but stole it from your own brother who is becoming now into equal need--but the storehouse has been emptied--given unto the Elite and shipped away from your own shores. Who will now feed the people who know not how to survive in the garden and fields?

Do you not see how you have become one within a "socialist" state?

Do you not see that which they do with the police departments and the brutality? They are conditioning the police and the populace against the day when enforcement of the Elite's demands are instigated. What can you do if you have no weapon and there are 21 police beating upon YOU? Isolated cases? No, the training is now deeply ingrained so that at orders from the Elite, ones can go forth and kill two million innocent people and consider themselves heroes and victors. Over what? God weeps, brothers, and yet, shall He simply abandon his children and turn into grief and let you die beneath the snow-covered shroud? No, he sends forth his Hosts who can see beneath the shroud, locate the ones upon your place who have KNOWN and SEEN beneath the shroud and project truth that you can stop of the madness and rise up and recover your gardens, fields and storehouses.

You had best look beyond the pretty faces who tell you this day that it will be wondrous, the increased exports to "free-trade" nations such as Mexico. What is planned is to take your industry into the cheap labor places and exploit the laborers in that place as well as put you the masses out

SPACE SHIPS

of work. They have now trained you to **BEG FOR CRUMBS AT THEIR FEED-POTS WHICH THEY HAVE STOLEN FROM YOU.** They have sent spokespeople to paint beautiful pictures which, in fact, will destroy the very fiber of your nation. They program and train these ones to lie like the silvery reptiles they are.

What were you told last evening after April Glaspie gave a bit of lying testimony? "She charmed the listeners...." and "the truth of what she had said and done had been changed by the press - - -", come now--facts speak for themselves, she had been under **GAG ORDERS** since mid-August. Worse, you think you are getting proper news from Iraq this day concerning the civil uprisings. **STOP IT!** How is it that the U.S. is so infiltrated into Iraq that they can shoot down an Iraqi plane in Northern Iraq? Why are you allowing the oil fires to burn in Kuwait and infect the people when the fires could be extinguished in moments with fuel/air detonations? Why do you sanction the Sabahs who have to have their replacement of **GOLD faucet fixtures** in place **NOW--while** the nation has no water, no power and oil fires killing them?

How can "they" show you a Kurdish babe with no visible signs of burns and tell you the child is sick unto death from "NAPALM"? Do any of you remember what "napalm" is? Also, it is claimed that Saddam has dropped Sulfuric Acid on the people--if he has every other heinous kind of "effective" gas and microbe--why would he do such a non-effective and stupid thing as that? **THIS** is why you must become informed--the lies mean nothing if you **KNOW NOTHING.**

To T.D., thank you for your inquiry and information regarding alien craft supposedly purchased by the U.S. from Russia and used in the Iraq war.

There were several "space craft" in the area but they were neither manned by Russians nor Americans. Russia does have some aliens as does the U.S., however, we had monitors in the area of Iraq to **STOP** actions which would cause chain reactions which would cause destruction of your planet. The things of which the scientist, Dr. Wolff, would be speaking--are Russian Cosmosppheres of which you of the U.S. or any from the "Coalition" would not have any defense what-so-ever. **THE RUSSIANS DID NOT SELL ANY OF SAME TO THE U.S. AT ANY PRICE, MUCH LESS 650 BILLION DOLLARS.** It is through the display of this kind of technology that the war came to an instant cease-fire.

This is why, however, Gorbachev is in such bad straits with the opposition of the Soviet Union for one more breath and mile by the U.S. forces and the Soviet arsenal in Iraq would have been unleashed and I warn you again--Israel would have been totally obliterated--that is what the full intent was, as you were pulled into the web.

You think you had a "handful" of lost soldiers? We have more than that aboard our craft, chelas, who asked to be removed and we responded. You still have groups of those you label, Green Berets, in captivity--and/or were killed. How is your government going to account for them to you--the people? By all sorts of clandestine ways such as telling the families of the missing that their "person" is on a secret mission of some sort and quietly

announcing sorrow over his death--at a much later date. Later, a lot of losses will be accounted for through "terrorist incidents", etc.

In giving thought to the above--why do you not demand, for instance, an accounting of the POW's and MIA's in Korea and especially in VietNam? Oh, you aren't sure there are any there? The government told you there weren't any there--alive. WHAT ABOUT THE ALMOST 400 (FOUR HUNDRED) SERVICE MEN LEFT BEHIND IN VIETNAM DELIBERATELY? THEY WERE NEVER BROUGHT OUT--WHERE ARE THEY, AMERICA? WHY DON'T YOU INQUIRE OF ONES WHO KNEW AND STRUGGLED AGAINST THE GOVERNMENT AND PENTAGON AT RISK OF THEIR OWN LIVES, TO EFFORT TO BRING THEM HOME? ASK ROSS PEROT WHERE THEY ARE--YOU ALL LIKE HIS INTERVIEWS. ASK COL. "BO" GRITZ!--HE ALL BUT PAID WITH HIS LIFE AND STILL DOES ON A DAILY BASIS ABOUT YOUR COUNTRY EFFORTING TO WAKE YOU UP.

*The U.S. government and Pentagon will never willingly allow those ones home because the truth will be told and they won't allow that to happen. Armatage (yes, the same man who was sent by your government into the Middle East, Jordan, etc. a few weeks back) heads your government's involvement with the **DRUG TRADE** in Southeast Asia and places surrounding it. IF YOU DON'T WAKE UP SOON--YOU MAY AS WELL STAY IN YOUR STATE OF STUPOR AND HOPE THE SUFFERING WON'T LAST TOO LONG. WHAT YOU DO NOT SEEM TO REALIZE IS THAT IN CHANGING DIMENSIONS, YOU TAKE UP WHERE YOU LEFT OFF AND IT COULD BE*

A LONG-JOURNEY INDEED.

About the UFO article--look at the story as it unfolds and you can tell the values therein. It is a matter of having to make some announcement to account for and cover the stories as will be coming back with your troops. But they give themselves away with this statement: "Of course, it doesn't matter who's flying the UFO as long as they support the goals of the Allied forces. This craft is literally the ultimate weapon. There's no airplane on Earth, not even America's Stealth bomber, that compares to it." Your Stealth bomber compares badly to almost everything in the air.

EARTHQUAKES

Ah, a barrage of inquiries about the predictions made by your Geologic Survey teams announcing probable earthquakes along the San Andreas fault in California. Why would you ask me? I would say this, however, I would look to see that which your government is up to relative to the Soviet Union and see if, in fact, a Great quake would enhance the Soviet position. They have allowed the moisture to move onshore and now that the crevasses are pretty slippery, it would be a most propitious next move to give you a little shaking. I tell you, people of the world--there is evil and power on your globe beyond anything you can sit and imagine. Your government Elite have protected you from this bad news! Oh, now you confront me with, "But Hattonn, you said it was the Zionists and now you say it is the Soviet nasties - -!" And so I have--I suggest you go back and read EVERY word I have written on the subject. These Zionist Khazars came right out of Russia! Israel is only an isolated focus and most of the leaders are now in America. It is called,

among other things, "New World Order".

JEWS?

I see we are back to calling Hattonn a "bigot" and "anti-Semite". My, my, sometimes it takes longer, doesn't it?

Dharma, a nice "Jew" sent a most comprehensive article to us along with one who sent many documents involving the Vatican (Holy Church of Rome's Home). I won't get into the Vatican connection YET, because I am showing you the connection of Zionism and so-called, but mislabeled, Communism--as is bringing down the American house of cards. I have a tendency to pour it over you all at once and none of you can absorb it that quickly--so please stay tuned.

I will, however, ask Dharma to reprint a bit of that which involved the "Jews" for it is the ones of Judean heritage who are first targets for destruction, as usual.

"NAZISM MADE ME AFRAID TO BE A JEW-

ZIONISM MAKES ME ASHAMED TO BE A JEW"

This was the placard at the front of the hall in a meeting of "Jews" who are doing all in their power to alert their people to the lies. Just Quote from the "Epilogue", please.

QUOTE:

EPILOGUE

ISRAEL CANNOT CONTINUE TO EXIST nor SHOULD IT EXIST--for the sake of ALL JEWS.

The above statement may seem strange to those Americans

(Gentile and Jew) who have been brain-washed by the Zionist controlled news-media about the status of Israel.

The reality that Americans, especially the Jews, must realize is this:

After almost 40 years of existence of the State of Israel, it should be abundantly clear to all open-mined people that the Marxist/Zionist experiment has failed. The result has been terror, murder, bankruptcy, rampant inflation--and wars with no real peace in sight.

Israel is an armed camp whose policies are blatantly racist and rightly condemned by the United Nations. Israel's armies of occupation brutally oppress the people of the Arab lands, and because of United States blind support of Israel, the U.S. has lost credibility and friends in the Middle East. It has also lost billions of dollars of business contracts. Add to this loss, the billions of U.S. taxpayers dollars that have been poured into Israel.

There are ten questions that need serious consideration if there is to be any hope of peace in the Middle East, and if America is to once again be recognized as a champion of human rights:

1. *How long can we demand that Palestine be a Jewish state when most Jews do not want to go there and thousands who emigrated there have already left or wish to leave?*
2. *How long can we refer to Israel as a democracy when for 38 years it has remained a police state without a written constitution?*
3. *How long can we attack*

Communism and Soviet Russia and at the same time support an orthodox Marxist state of communes (kibbutzim) and Histadrut (labor organizations and Socialist enterprises)?

4. *How long can we cry out and condemn German and other Gentile atrocities while closing our eyes and even applauding atrocities by Israel against Semite Arabs?*

5. *How long can we dream of a permanent existence for a state called Israel when Israel cannot survive a single lost battle and the Arabs can survive thousands?*

6. *How long can we demand from humanity sympathy and support for a "homeland" we Jews abandoned 2,000 years ago and in the same breath ask civilized men to reject the pleas of recently routed Palestinians?*

7. *How long can we continue to deceive the Western World that Israel is the only bastion of anti-Communism in the Middle East when in reality: (a) Communist Czechoslovakian arms helped establish Israel, (b) Soviet Russia voted for partition of Palestine and was one of the first nations to recognize the State, (c) Soviet Russia opened her gates and the gates of her Communist satellites for emigration of Jews to Israel and thus provide much needed military manpower?*

8. *How long can we lure innocent and sentimental Jews with slogans of security and a full Jewish life into the great atheistic unsecured ghetto called Israel, where in truth, every principle of Judaism is violated?*

9. *How can we claim Zionism "solved" the Jewish refugee problem by relocation in Israel when, in fact, it is the refugees who rejected Zionist temptation and who now live in security and prosperity in other lands and who support their impoverished relatives still trapped in Israel?*

10. *How can we delude ourselves that Israel can continue to exist without permanent peace and accommodation with the subjugated Palestinians?*

Only by sacrificing exclusive labels like "Israel" and "Palestine" and drawing together in a free, non-sectarian "Holy Land State" can both these peoples find life, liberty and happiness.

It should be obvious to any unbiased person (Gentile or Jew) that Israel cannot continue to exist nor should it exist. I say this not only for the sake of American Gentiles, but more importantly for the sake of us Jews, for when enough Gentile Americans finally awaken to the truth about Marxist Israel, *ALL JEWS may suffer*.

Only in the spirit of God and the founding fathers of this civilization--Moses, Jesus, and Mohammed, can peace and happiness in the Holy Land be achieved.

HAVIV SCHIEBER

END QUOTING

God blesses this man and those daring ones who stand with him. May the truth begin to shine forth.

I must continue to integrate the decline of the American nation and people within the new concept of United Nations, New World Order, Zionism, etc., for

it is all so related, and the highest stakes for reclaiming a Godly world rests therein. At this point, the majority of our readers are Americans and it is in America that we can have greatest impact in setting this thing about.

TOWARD A SOCIALIST AMERICA

We were speaking, prior to this, about the hypothetical triangle and we shall continue. The right side of the "perspective triangle" represents the social-political decline of Western civilization, and certainly America. As the moral and spiritual under-pinnings of society grow more and more liberal and farther and farther away from biblical "Christianity", one can expect the social and political realm to move as well--for one follows the other.

"Theological liberalism" defines those who have left affirmation of scriptural authority, as flawed as it might have been, and allowed their belief systems to be open to any and every-thing. The political counterpart of the term "liberalism" invariably accompanies this change.

A political sickness dominates America today. You can call it whatever you like for labels are constructed to deceive you, but whatever label you place on it, it is sapping your strength, your morality, your standard of living, and your freedoms.

Every single plank in the Norman Thomas' Socialist Party platform of 1932 had been adopted in the U.S. some two decades ago, and today the liberals who dominate both political parties, the Administration, the Congress, the gargantuan government bureaucracy, the judiciary, academia, and the media are pushing America into the so-

cialist quagmire described by George Orwell in his novels 1984 and ANIMAL FARM.

It has long been said that the communist system would move toward capitalism and democracy, while the capitalist, democratic countries of the West would move toward socialism and communism--with East and West meeting somewhere in the middle. Perhaps you can see the intent in meaning of "...merging the common interests of America and the Soviet Union". Funny thing happened years ago as officials in the British Labor Party and also the British Communist Party announced: "*You cannot move directly from capitalism to communism. Socialism is a necessary stepping stone to communism and hence all communists should work for socialism.*"

Mikhail Gorabchev refers to communism as "scientific socialism" and to himself as a socialist, while the old communists of Eastern Europe now call themselves socialists and have renamed their communist parties "Democratic Socialists", "Social Democrats" and thus and so, absolutely giving no meaning to the titles what-so-ever.

The U.S. government and power structure has been moving the country to the political "left" so gradually and for so long that most Americans don't even remember what America was like when it was truly free. Most Americans believe in free enterprise, not socialism, but your politicians are, in piecemeal fashion, imposing socialism on you. Most Americans are traditionalists, who are interested in their families, their country, their businesses, their jobs, and their neighborhoods. In Washington, however, both Democrats and Republicans are fundamentally internationalists

who view your traditional nationalism as old-fashioned, outdated, unsophisticated, and even reactionary.

These "great" leaders tell you that you must be taxed more, sacrifice more for the good of all, and your defenses cut because of your huge deficits, and yet they spend ever-increasing billions of your so-called money (credit) for foreign aid, for the World Bank, for twenty-five percent of the funding of the United Nations and for dozens of other international boondoggles. The majority of Americans are simply hardworking citizens who don't approve of liberal wealth redistribution schemes whereby they are taxed to pay subsidies to those who don't want to work or to the impoverished Third World masses who never receive the aid at any rate.

But if you look carefully, America, you can begin to see that which is coming as surely as night follows day--there is no way to handle all this debt, is there? What happens when debt can no longer be handled? I thought you might begin to catch the glimmer!

THE GOVERNMENT WILL SIMPLY REPUDIATE (REFUTE) THE DEBT WHICH WILL LEAVE EVERY INSTRUMENT BACKED BY YOUR GOVERNMENT TOTALLY WORTHLESS. IT IS COMING--IT HAS TO, FOR YOU CANNOT CONTINUE IN YOUR HEADLONG DRIVE TO "GIVE IT ALL AWAY" AND THERE MUST BE SOMETHING TO UTILIZE AGAINST THE PRINTING OF MORE "NOTES". It will be so big that it will carry all other of their intended shackles upon you instantly.

What had you yesterday? *Mr. Bush unilaterally "forgave" seventy*

percent (70%) of Poland's debt--right across the board and offered "free-trade" adventures and "President" Waleasa said "God bless you, Mr. President". Why the sudden or not-so-sudden, gifting of Poland? Ah so--now we are going to find the worms in the woodpile again, are we not? Where does the POPE of ROME (VATICAN) come from? Why was THAT POPE chosen in the first place rather than the traditional Italians? Oh, chelas, if you don't get those eyes opened soon, you have a rude awakening in store for you.

HAND IT OVER TO CRIMINALS

Most Americans are law-abiding citizens who don't approve of handing your neighborhoods and cities and housing projects over to criminals, while social workers, lawyers, and judges debate the finer points of the criminal's rights and disadvantaged background. While your streets, your property, and even your schools are unsafe and insecure, your liberal government's response is not to punish the criminals, but to nurture them, to deny the victims any means of self-defense (especially via firearms), and to then send you the bill. In many instances, the criminal is treated better, given more rights, and pampered more than the victim.

Most Americans believe firmly in the principles of fairness and of equal opportunity, but Congress, the executive branch, and the federal judiciary have turned racist and are fanatically promoting quotas and reverse discrimination in favor of racial minorities, gays, womens libbers, AIDS "victims", the poor and so on. It is all orchestrated to bring total chaos and confusion and turn one against another and in division of the population--strength will flow to the police. Socialistic legislation is being passed that allegedly protects

minorities, but in reality discriminates against the great majority of middle class Americans of all races and colors. Most Americans are certainly heterosexual, without argument, and yet the government, the TV networks, the American political left, and your educational system, in their obsession with homosexuality, are pushing homosexuality and the gay lifestyle down the Americans' throats while at best, the activities and concept are deviant in nature as nature presents associations in a natural state, of those which allow procreation and continuation of the species.

Dharma, leave this room for a few minutes as we have some electronic tampering which must be tended immediately. Go lie down, come within the shield for you will soon be rendered unconscious. Act now! Go!

TODAY'S WATCH

DID YOU NOT THINK IT COULD HAPPEN TO YOU? WHERE IS THE EAGLE GONE? OR HAS THE EAGLE BECOME ENSNARED IN THE TANGLED WEBS OF THE TRAPS AND SHORN OF HIS FEATHERS OF FLIGHT--NOW BOUNDED TO A PRISON AWAITING DEATH TO ALLOW AGAIN PASSAGE INTO LIFE? AHO!

WHERE IS THE EAGLE GONE?

I ask to have reproduced herein the message written by Chief Seattle to President Franklin Pierce, 1855. You ones of the world wish to put aside that which has happened historically unto your brothers by blinding your eyes to facts and assuming superior status by "...but, that

could never happen to me!" Couldn't it? You who call yourselves Americans pushed out of their places the ones who were the Native Americans--the REAL Americans and you took their lands and traditions, put them on reservations and forced them into "your" ways, etc., etc. You binded the Eagle and the Buffalo hunter and now the bindings shall break thine own backs and that which you gave as the bitter cup unto your brothers shall now strangle you as you fall into the same reservations, now called detention camps for subversives and rabble rousers--dissenters. Just as it was required to lay down the spears and huddle in helpless masses, so shall the weapons of defense be taken from you and you shall huddle in helpless masses--for that which was given forth was but a vision, a destiny projected, of that which would come upon you in the cycles of evolution in the perfection of the sacred hoop of life.

Chief Seattle responded to a demand "to purchase" Indian land:

The Great Chief in Washington sends word that he wishes to buy our land. How can you buy or sell the sky--the warmth of the land? The idea is strange to us. Yet we do not own the freshness of the air or the sparkle of the water. How can you buy them from us? Every part of this earth is sacred to my people.

We know that white man does not understand our ways. One portion of the land is the same to him as the next, for he is a stranger who comes in the night and takes from the land whatever he needs. The earth is not his brother but his enemy, and when he has conquered it he moves on. He leaves his fathers' graves and

his children's birthright is forgotten.

There is no quiet place in the white man's cities. No place to hear the leaves of spring or the rustle of insects wings. But perhaps because I am savage and do not understand--the clatter only seems to insult the ears. And what is there to life if a man cannot hear the lovely cry of the whippoorwill or the argument of the frogs around the pond at night?

The whites, too, shall pass--perhaps sooner than other tribes. Continue to contaminate your bed and you will one night suffocate in your own waste. When the buffalo are all slaughtered, the wild horses are tamed, the secret corners of the forest heavy with the scent of many men, and the view of the ripe hills blotted by talking wires. Where is the thickets? Gone. Where is the eagle? Gone. And what is it to say goodbye to the swift and the hunt, the end of living and the beginning of survival.

These brothers welcomed you ones to the shores of America and shared with you, GOD'S LANDS but that is never enough for human creatures of greed and lust for power and control. So you gradually and methodically simply TOOK THAT WHICH YOU WANTED. NOW IT HAS COME UPON YOU WHILE YOU WERE PROMISED MORE FREEDOM AND RIGHTS--YOU WERE EATEN ALIVE BY THE SERPENT OF THOSE WHO WOULD ENSLAVE YOU.

How can it happen? In myriads of ways. You are told that which is desired for you to hear and words turned into lies by the inflections and focus of points, i.e., this day they tell you, "Saddam

Hussein is wealthy in his personal bank accounts and businesses--"...AND, "he 'skimmed' at least 5% of the oil revenues for self" the commentators continue. They tell you that, "...we will find his assets and force him to pay for all the damages he wrought upon the nations and his own people--but first, the nation of Kuwait, etc." What of Kuwait? The Sabah took 100% of all the profits from Kuwait! Fifty percent went directly into the Sabah bank accounts and 50% into the Sabah accounts which were set aside for upkeep of Kuwait, etc., but **TOTALLY UNDER THE CONTROL AND CHECKS WERE SIGNED ONLY BY THE HEAD SABAH!** How many of you are fooled by this totally incredible lack of honesty? Almost ALL of you--for you wish to HIDE BEHIND THE SHAM OF UNKNOWNING. YOU WISH TO HIDE YOUR OWN EMBARRASSMENT AND SHAME OF THAT WHICH YOU ALLOW--WHICH IS WRONG--BEHIND YELLOW RIBBONS AND GREAT SHOUTING OF "PATRIOTISM". Patriotism is that which gives honor and service unto the nation--and the nation IS THE PEOPLE. You did not give "patriotism" by sending your beautiful children off to fight and die for freedom--you went to save a 100% rip-off criminal Sabah family and return all spoils unto THEM. Then you climb behind your yellow ribbons--and I assure you, to the rest of the planet Earth--the Americans now are represented by the YELLOW ribbons of cowardice and criminality. You are only SHOWN AND TOLD THAT WHICH THE ELITE MANIPULATORS SAY IN PRAISE FROM ONE SIDE OF THEIR FOULED MOUTHS WHILE LAUGHING UNTIL THE TEARS FLOW WITH THE OPPOSITE SIDE OF THE ORFICE--AND YOU

ROLL AND LICK AT THE FEET OF THE VERY PUPPET MASTERS, WHILEST BEGGING FOR A BIT MORE SCRATCHING AND A FEW MORE CRUMBS.

In America it is now announced that the "Welfare" rolls are bursting as millions now apply for assistance during this recessionary period, and blah, blah, blah. Yes, and so it is--for if you must depend on the Master for crumbs to survive, soon you cannot survive without him and he can require anything he wants from you in exchange for the crumbs. "But how could we be suckered into such a mess?" you ask. Easily, and I shall just example ONE method of cancer become terminal in lethal control of the "body" of America. This is true for the entire world, my friends, but specifics often are the best teacher--by example.

Little Crow and Dharma sat for some hours yesterday as hearts and pain became one and the spirits cried out for understanding of this "thing" they had committed unto God, to do--to bring Truth and then, in turn, walk within that Truth. It requires ALL--not the changing of Truth to suit the desires of the journey or the travelers--but to change the travelers into the Truth and take up the actions of that which God gives forth and requires of his speakers. No wondrous palaces of luxury and champagne baths, no stables of thoroughbreds, no parfumes and orgies of the flesh--but rather, being targeted by the bigots, sleepless nights and pain at the mammoth task ahead and in the moment. Ah, yes, and they are but two--for it is required of all who walk in the light of Truth that the brother can see and find his own way.

At some point in the journey it

ceases to become an "example" but a discipline set for self because it is TRUTH--and TRUTH IS THE BETTER WAY. THE SORROW COMES FROM THE BLINDNESS OF THE BROTHERS WHO CANNOT SEE THAT THE WAY OF GOD IS **TRULY BETTER!** All (and this includes all who are attached or those who are, the "Crowlets" and the "Dharmlets", the Allets, the Chucklets, the Oberlets, Yeorglets, etc.) who experience in the human consistency of flesh of human physical--are faced with the journey into "adulthood"--through the maze of that which is fleshly "desire", "fatigue", "misunderstanding of that which is taught as Truth but condemns the spirit to unrest" and all things Earthly. Then, as knowledge flows in fullness--theorization, too, must back away lest the "reader" or "listener" latch onto "their" opinion and fail to hear and see God speaking. Ones desire "their" pronouncement of values upon which to base their own decisions of validity--NO--each must come into understanding of and for, SELF! Ones come to Dharma and ask her opinion of Little Crow's teachings and then go unto Little Crow to ask validity, of the Phoenix material. Do you not see that they **MAY NOT HAVE AN OPINION--FOR YOU? THEY MUST TELL YOU TO READ IT ALL AND DISCERNMENT WILL COME IN THE ABSOLUTE SAMENESS OF TRUTH--NO MATTER IN WHAT FORM OR EXPERIENCE IT IS PRESENTED.**

Ones stream into the "Indian Gathering" in greater numbers of faces of white or other tinted pigments than of the red-man to hopefully find the magic ritual, color, smoke aroma or whatever, only to effort to have truth somehow "rub off" by the wear-

ing of an Indian artifact or "sacred" stone or feather. The truth is borne in the GODNESS of concept of CREATOR/CREATION and all the smoke and dancing of Little Crow can do NOTHING for you who wait and observe and do nothing save seek opinions of the smoke-maker. Self, naked with God Creator in balance with that which brings Harmony and Balance unto The Creation is where it's at! Self, in responsibility of actions and discipline of self in the laws of God and The Creation is the only passage point--but there are many paths leading unto that point--actually ALL paths eventually end at that very point of ONENESS OF DESTINATION--you simply have not yet learned as much.

Dharma cries out in inquiry unto me--"Why would you bring the ship unto Little Crow while I cry out to touch and see and feel and hear--the REAL thing?" And my response? For the same reason the son of Tanka was placed before YOU, to see and touch, for YE WILL NOT TEACH OF GOD'S PEOPLE THINE OPINIONS OF A THING--YE WHO ARE SENT TO BRING THE TRUTH FROM GOD ARE NOT ASKED TO "HAVE OPINIONS" BUT TO EXPRESS THAT WHICH GOD EXPRESSES, ESPECIALLY IF IT DIFFERS FROM THAT WHICH YOU HAVE SO EGOTISTICALLY ASSUMED TO BE TRUE. You must KNOW that a "feather" from the Tanka's robe and/or the "crystal" from a "space craft" are not GOD--NOR HIS WINGS; THEY ARE A FEATHER AND A CRYSTAL!

You must know that the things you ones label "Supernatural" are not so! The Spirit may allow man to do some things which appear "supernatural" for the dimension

of a particular experience--they are not. Know that in all things--a thing appearing to be "Super" is only the "natural" in a given platform of experience. This is why there is great and wonderful longing of the unraveling of MYSTERIES--but there is NOTHING of MYSTICISM about it. If you would serve well, you take the things which appear mystical and reduce them to reality of "possibility" and in so-doing you remove the mysticism by solving of the mystery.

"Oh, but..", you say, "...there must be magic in the smoke of the pipe of the ancients." No, the smoke of the pipe is a "focus of energy" that if the heart releases the negativity of the inner energy into the smoke it can be a means of cleansing--not the smoke but the spirit. This is WHY it is considered "SACRED" and why it is "WRONG" to toy with that which is sacred.

There was evidence to be enjoyed on the yesterday experience of the meeting in a restaurant of the little group, for in the same room came 40 people freshly released from the "so-called Christian Crystal Cathedral" to have a celebration brunch. They were dressed in their most "modern" finery while the Pleiadians and the Pagans were dressed like "people". They espoused great and wondrous "Church" experiences as to where "who" sat and the view and the music, etc. They very discreetly sat with their attention turned, but always conscious in glances and snobbery, to the Pleiadian and the Pagan. Who was closest to God? Neither--for it is the SPIRIT which is one with God and not the man.

"Come into my way and ye shall be given to rise up as on wings of Eagles!" Where is the Eagle gone? I suggest you all be find-

ing out the answer to that query!

Further, how think you that you will somehow now "WIN" for God by separating your total beings away from "THINE ENEMY"? If you would "WIN" for and with God, ye shall do as thine enemy--live among his people and KNOW that which he is for he has captured you from WITHIN and only by moving back "without" shall ye overcome and it requires you work right within the system for ye shall not be given to sit atop the clouds somewhere and wave magic wands--YOU WILL TURN INTO THE ACTIONS OF TRUTH FOR IT IS THROUGH A MAN'S ACTIONS THAT HE IS JUDGED. YOU SHOULD ALL HAVE LEARNED, DEARLY, THAT "LIPS" DECEIVE--'TIS THE ACTIONS WHICH TELL TRUTH.

FOREIGN AGENTS CONTROL YOUR GOVERNMENT

All is related to all and you err if you perceive that that which I just gave unto you is somehow not relative to this which I shall now share with you. You must come into seeing HOW a "thing" or circumstance comes into being. If you are to catch a bird, let us say, you must first learn his "habits", where he eats, when he comes for food, where he sleeps and what he does in each of these situations. How did he train the "seedgod" to put his morsels out at the proper time to appease his hunger, etc. This is how you enslave a species--you meet the needs of their habits and then ultimately they become habitual to your "seeding" times. The more gradual the change and the more demanding the impact, say, winter when birds cannot feed elsewhere, the more powerful the chains. Ponder it.

I am going to take information herein from a "white paper" presented by the publication services of SPOTLIGHT. It is information presented in August, 1981 (almost a decade past). I utilize this as a tool so that you can better see how this has worked its way from a fledgling power to an all-powerful resource of the adversarial preceptors of freedom.

DUAL LOYALISTS WORK AGAINST U.S. INTERESTS

BACKGROUND:

In 1981 most Americans had never heard of the Anti-Defamation League of B'nai B'rith (ADL). In 1991 most Americans still have not heard of it and if they have, have absolutely no interest in it and have no idea what it is or does. Many of those who have heard of it, including some of its own more naive supporters, regard it as nothing more than another in the vast herd of organizations that claim to be promoting brotherhood. Only those who have paid attention to what the ADL is *actually doing* have a real conception of its nature.

The ADL was founded in 1913 by the B'nai B'rith (Sons of the Covenant), a Jewish fraternal organization dating back to 1843. Now, I offer the dates so that you have no need to accept what we tell you at face value--**GO LOOK UP THESE FACTS FOR THEY ARE AVAILABLE TO YOU-THE-PEOPLE IN SUBSTANTIATED FORM AND DOCUMENTATION.** The B'nai B'rith has always publicly represented its own activities as essentially charitable. It is **TAX-EXEMPT** and contributions are **TAX-DEDUCTIBLE**. Its creature, the ADL, was allegedly intended to act as a counterforce to anti-Jewish sentiment in the United States. Originally, it appeared that the

ADL was to be nothing more than a publicity organ of the B'nai B'rith whose purpose was to combat religious prejudice against, and unflattering stereotyping of, the growing number of Jewish immigrants in the United States.

It quickly became clear that the ADL had taken to itself a more ambitious role. It would have not only a positive propagandist function, it would also have a "monitoring" or espionage function, along with a suppressive, censoring function whose goal was to prevent anything being heard, read, or seen which was opposed by those who control the ADL.

Additionally, the scope of the ADL's protection of the Jews against defamation was defined to include the encouragement of political and social programs and attitudes which would help the Jews (most of whom were arriving from Eastern Europe and were perceived as people of distinctly alien race, tongue, beliefs, and customs) gain more and more power, status, prosperity, and influence. Because the Jews on the whole were "outsiders" working their way up--as were other immigrants--the ADL took a stance that was harshly opposed to people who already "belonged", as well as to their opinions, religions, traditions, heroes, institutions, clubs, jokes, scientific theories, and everything else which tended to bind together and stabilize the already-established Americans into a relatively homogeneous cultural and social whole.

SECRET REPORT

There was an effort to make the ADL's efforts appear more altruistic, and to disguise their true thrust, by creating the appearance of working on behalf of all minorities, for brotherhood

in general. A proof in 1981 that such a scheme was consciously contrived by the ADL is found in a secret report entitled "The Proposed B'nai B'rith-Anti-Defamation League Operation in Latin America", written in 1965 by Arnold Forster, who for many years was general counsel of the ADL. Depicting Latin America as a kind of new frontier for development by the ADL, and lamenting only that Latin American Jews are not more unified and more aware of the threat of anti-Semitism, Forster writes on page 46:

"(Many elements in the Jewish community are convinced 'things are good'. These people have closed their eyes for many years to existing anti-Semitism, hoping that by doing so it will go away. This group is fearful that public action designed to counter anti-Jewish hostility will 'stir things up'. They are reluctant to 'make waves', attracting attention to themselves. The only way these Jews will be persuaded to join defense efforts is to 'dress up' programs with the problems of other ethnic groups, camouflaging the fight for the Jewish minority in an across-the-board fight for all minorities.)"

You can obtain a full copy of this amazing blueprint for expansion into South America by exploiting and intensifying social problems which, as you can now see ten years later, was effective indeed--through Liberty Lobby, White Paper on the ADL, 300 Independence Ave., S.E., Washington, D.C. 20003.

If resentment arose among the established Americans (most of whom were of Northern European descent), then it would be ascribed to selfishness and prejudice; a strong sense of guilt must be inculcated in those who

felt the natural responses of pride and self-defense even as the ADL and other Jewish groups worked to increase Jewish pride. If anybody criticized the ADL or the aims and people it supported, then he was an "Anti-Semite" and a danger to democracy. If anybody opposed legislation that would take money, power, or privileges away from the established Americans and give them to unestablished Americans, he was somebody to be shunned and humiliated on account of his greed and bigotry. Even those who manifested simple patriotism and pride of heritage were ridiculed as "nativists" or attacked as dangerous fanatics. "Nationalism" became a dirty word in the ADL dictionary because of its connotation of white cohesion. Meanwhile the ADL always dealt sympathetically with any ideology--socialism, communism, internationalism--which promised to break down the existing leadership of society.

That was during the first half of this century. And then came political Zionism--no longer just a dream of returning all Jews to a single nation of their own, but instead an active process by which Palestine was to be seized by Jews from its Arab owners and turned into a super-nationalistic state with an official religion, to be populated by Jews from all over the world and supported patriotically and financially by those who did not actually go there.

What was bad in America was fine in Israel, as far as the ADL was concerned. America needed a "pluralistic" (that is, accommodating every race, religion, and culture) society, while Israel had a monolithic society. America needed a total separation of church and state (no displays of Christmas trees or crosses on public grounds, and no prayers in public schools,

etc.), while Israel was inseparable from Judaism as the usurpation of the local areas of the Middle East were completed and the population merged into the new Zionism.

The ADL became the instrument of a foreign power following the Zionist policy of terrorism and aggression in Palestine which resulted in the foundation of Israel. ADL leaders are constantly traveling to and from Israel and have frequent communications with Israeli diplomatic personnel in the United States. ADL publications, such as the "ADL Bulletin" and "Facts", are largely devoted to Israeli and Zionist matters. The energy of the ADL is largely focused on stifling criticism of Israel in the U.S. by labeling such criticism "anti-Semitism" and seeking the ruin of any politician or private citizen who dares to say anything against Zionism or Israeli interests.

34 AMERICANS KILLED

Here we must again mention the USS Liberty (ship) for it is such an important point. After Israel's planes knowingly attacked the American ship, "USS Liberty", and killed 34 American sailors and wounded dozens more, the ADL boasted about its success in covering up and distorting the truth about the atrocity. When Liberty Lobby's daily radio program, "This is Liberty Lobby", reported on Israeli military attacks on the Arabs, the ADL called the program anti-Semitic and bigoted and undertook a long and vicious campaign of lies, threats, and economic intimidation to get the program off the air.

As all members of Congress know, more than one man of politics has been consigned to private life because he was less than adoring of Israel, or even

because he admitted that there is such a thing as a Zionist lobby or a Zionist influence on the American press--an influence which, less than incidentally, is felt mainly through the ADL.

More ominously still, it now appears that Zionist influence in the U.S. is spearheaded by the Israeli secret service, the Mossad, and that the ADL and the openly terroristic Jewish Defense League (JDL) are orchestrated by the Mossad. The ADL maintains a pose of opposition to violence, while the JDL, openly flying the Israeli flag within your country, screams for blood and makes physical assaults on its victims. The same man who loses his job or is denied an office because of the ADL is liable to be beaten up or shot by the JDL. The ADL and the JDL are two horns of the same beast.

METHODS

According to Joseph P. Kamp, Arnold Forster, the long-time general counsel of the ADL, was arrested many years ago for painting swastikas on a synagogue. Much more recently, the Associated Press reported that Irving Rubin, West Coast leader of the JDL, was booked for investigation of using an explosive device in the bombing of the Beth Sar Shalom Religious Center in North Hollywood. In 1990 there were several incidents which were ultimately proven to be perpetrated by "Jews" themselves in an effort to cause major racial disturbances.

This apparently incongruous behavior points up the important fact that the ADL (and the JDL) must have anti-Semitism in order to exist, and they will create the appearance of it if they cannot find it growing in the wild. Zionism is, in fact, founded on the Zionist's acceptance of anti-Semitism as a natural and un-

avoidable phenomenon which can be ended only by the movement of Jews to their own homeland. (Herzl, "The Jewish State: An Attempt at a Modern Solution of the Jewish Question", 1943, pp. 19-20; Hertzberg, ed., "The Zionist Idea", 1966, p. 49.) As long as most Jews show no inclination to migrate to Israel, the fear of anti-Semitism whipped up by the ADL serves the second useful purpose of garnering tremendous financial and political support for Israel among Jews in America and elsewhere.

The scope of the ADL's propaganda efforts would be impossible to detail in a short space. The ADL line is planted in everything from comic books to textbooks, "true confessions". The television series, "Holocaust", was basically an ADL creation and was accompanied by a great outpouring of ADL-orchestrated publicity and a barrage of study guides for use in schools and churches. The same is true, to a lesser extent, of the series "Masada". Without even going into the historical inaccuracies of the two films, their messages can be summed up easily: 1) The Israelites were (are) nicer than all other humans. 2) Jews always are persecuted by unappreciative "gentiles". 3) Israel is Jewish property and 4) Israel is the only hope for Jewish survival.

LET US LOOK AT THIS VERY DAY FOR CLUES OF PROGRESS

Before taking a break from writing I want you to take note of several things.

One, it is the time of the celebration of several "Holy" holidays--Passover, Easter, Ramadan, etc. Now, in the U.S., what have been the predominant signs of the celebration? Christian symbols, etc.? Well, in the

past few years, what has taken place in your television viewing? Ah so--predominantly "Old Testament" stories and a major thrust to the "Poor-Jew" holocaust playing and replaying and thus and so. Now, look at the news on the yesterday--the Zionist thrust enters into EVERY scenario without your even being aware.

There was mention of a holiday time of several religions--but, the following three segments of visual attention flowed to the Jewish celebration and here is one you had better look at closely for it bears more information than can be imagined: *it showed the hundreds and hundreds of boxes of Jewish foods being distributed in great and massive quantities (this being "their" description)--"TO THE NEW SOVIET JEWS RESETTLING IN THE THE U.S."* *Oops, wasn't the \$400 million dollars you just gave Israel for the purpose of resettling all those Soviet Jews into Israel?* Then came the commentary that, "We are trying to get away from the one-track narrow thrust of the Easter-holiday, by integrating all creeds, blah, blah and blah!" Now, keep in mind that one of the most severe denouncements of Dharma's presentation at one point was that "Easter" was mentioned as a pre-crucifixion "Holiday". The rocks flew like machine-gun bullets--so, what have we here? So, to all you Christians--Easter is the time of Christ? Right? Wrong! It has now turned into the celebration of the Zionists in great suffering at the hands of the Christians--according to your controlled media and you Christians are the first to pack the boxes of traditional items for their enforced celebration. It was also stated that, "...most of the people receiving the traditional foods of the Jewish faith, *had never been exposed to them prior to now--having been so perse-*

cuted in the Soviet Union as to have been deprived deliberately of partaking of their traditional accoutrements and feasting foods." Further, it was stated that, "...therefore, in order to fully appreciate their newly found 'freedom' a pamphlet accompanied the food packages giving the traditional stories for proper understanding of the 'ancient traditions'". Sounds to me as if there are some "new traditions" being thrust around quite deliberately and have naught to do with "ancient" anything.

Now secondly, the "U.S. is going to 'allow' Assad and King Hussein of Jordan a meeting--since there is concern of these two nations in range of missiles from Israel--and the newly placed U.S. Patriot missiles in Israel, to come to comfort regarding security."

AND, what about the new episodes of "stabbings" of Israelis? To solve the problem they are going to bar all Palestinian single, young, males from even working in Israel and will deport many who are already in Israel. No, chelas, THIS "STUFF" CAME FROM YOUR OWN CNN!

Following all this BS, above, there was a long dissertation on the horror of slashings and fire-bombing and could the knife now be taking the place in "terror" of the rock throwing? Why no mention of guns? BECAUSE THERE IS NO WAY TO DEFEND SELVES IN THOSE "AREAS" EXCEPT WITH PRIMITIVE WEAPONS OF STICKS, ROCKS AND HEWN KNIVES--THEY WERE DISARMED TOTALLY BY THE ONES IN POWER! TAKE HEED AMERICA AND WORLD--YOUR DISARMING IS AT HAND!

Let us take a respite, please. I

have not forgotten our last segment and "gun controls" but you may as well integrate this information a bit as we move along and you can see the measure of your journey.

Hatonn to clear, please.

TODAY'S WATCH

First, a personal word to our readers, please. There has apparently been a bit of duplication in the Express recently. Please bear with our workers who become very distressed over imperfection of service. However, some ten persons carry the work load of twenty-five; and, as the computers are continually tampered with and programs lost and circuits "blown" there results confusion of continuity.

Please also know that there is no intrinsic connection with America West and the written Journals and Expresses, as do most of you perceive. We must take time herein to clear understandings. This will be more understandable to you as to operation after clarification.

Please, I remind you, that America West is a "Publisher" and "Distributor"--of books. Our arrangement with them is different than is other publication materials, i.e. Dolores Cannon, Bruce Cathie, etc. They handle many, many publications--some of which we of the Hosts give

accolades and many of which we do not give full credence. Do not err, readers, in assuming that one automatically "assumes" that because America West does a "thing" that it will always be in behalf of Phoenix. This is why there is consternation among the readers that this place is somehow a "group" or "cult" or, or, or.

We do work together and everything published under the heading of "Phoenix" is thoroughly "cleared"; further, the written texts for the books, etc., are sent to the printer DIRECTLY to exclude all possibility of accused "tampering" with the content thereof. At this point of publishing there is a non-written agreement between us and the owners of America West, George and Desiree' Green, that we assist in publication costs as there is ability to do so and no remuneration is received by Dharma and/or Oberli--until assets exceed costs. Know that there are increasing volumes of sales of materials but incredible expenses are incurred through such massive publishing and material costs.

The Phoenix Institute for Research and Education is separate in total. George sits on the Board of Directors but there is NO connection between America West and the Institute. There is connection to the extent that if directed by individuals to make a thrust to publication of material that it is honored immediately. The Institute is available to serve you who would participate in the building of the infrastructure which will be both excellent investment and foundation for growth and survival in a deteriorating world. We KNOW that communal experience is the weakest focus of society and yet, community must be the strongest. It is a tedious tight-rope upon which to balance but it is only through the separa-

tion of entities and removal of personal gain as is practiced in your "religious institutions" and "democratic" process that allow total integrity in the working relationships and removal of all temptations of fleshly gain. God is abundance but Man often wishes more "equality" than another and, therefore, the gate is left ajar to allow the thrusting of slings and arrows upon ones only efforting to serve.

I am caused to explain this situation for we get very nasty correspondence and discounting in others' newsletters and publications, stating that the "Dharma group" or the "America West group" or "George Green this or that", etc. George and Desiree Green own America West. Dharma and Oberli have a verbal agreement of "fairness to our cause and work" with them. The only other connection is one of a great respect and friendship which has grown within the past year and a half since they first came into meeting on this plane.

The Greens are dedicated at all costs to bring truth, understanding and personal experience unto you ones--George has witnessed spacecraft and has spent untold amounts of money following up disclosures of same. He has spent much time with Billy Meier and does, in fact, hold Billy's most precious handwritten notes awaiting proper translation as Billy requests. We shall give you the missing portions as suitable for Truth does not change. Others, however, have come forth in spite of Billy's request to not do so and published material on Pleiades contacts which are embellished to the point of falsifying the value of the entire volume presented and which discredit Billy's intent of honesty. I care not that which they do so do not misunderstand my

statement for objection.

Truth will stand through infinity and the number of objections to our material and the assaults on the very lives of our people tell you that Truth is "hurting" the false teachers and political Elite. Further, ours is to force nothing, tamper with no one--but only to bring the WORD as commissioned to do and assist in the building of material structures and life-styles to allow those of Truth who would wish to participate or share in the information to do so. God does not "just help the secret handful"; HE allows rain on the just and the unjust--the difference is that the "just" will learn to come into the shelter, out of the rain, beneath His wings of instructions and guidance--which WE OF THE HOSTS are sent forth to outlay for you.

SEMINARS

You ones will be finding George and Desiree' more and more on the podiums of group seminars and conferences. It is because they monitor and know the Truth of the Journals and give greatly to the ability of the masses to receive that Truth. Desiree' is becoming a gifted and insightful writer of conceptual understanding of that which is being given forth and is gaining in great ability of discernment and giving of perception regarding spiritual information as put forward. George is a business man having worked and been accepted into the circles, at one time, of the most Elite of the Elite--where better to come into balanced understanding of the Elite plan for world domination, than when you have lost millions of dollars overnight for "not playing their ball game!" Believe me, there are constant and ongoing painful experiences once you cross the "Big Boys".

Ones who know the above then inquire of me, "...why would you then choose someone already under surveillance and a background of surveillance connections and political/Elite associations? Why not? Who better can see the truth of that which we outlay for you? Did George simply come within our "task of God" for the protection we can give? No, for he didn't understand fully in the beginning--but I state herein that at some point in this journey for you of Earth, you will either come into our protection or you are on hazardous foundation, indeed.

Do we have participation meetings? Yes, we do but they are now most infrequent. The point is not to have Gurus but to glean Truth from that which is given. It is a wondrous experience to share in a personal manner--but God's Word must be understood and the ability to function and find the foundation of Truth must be in clarity enough that it needs no instructor of two-legged variety. You need to travel nowhere nor be in the presence of anyone save God to function 100%. We are grateful to all who ask to serve with us and offer their help and even unto moving--and at some time if our building can be accomplished, there will be a variety of functioning "slots" for capabilities. The major need at this immediate time is simply to keep passing the Word of Truth and coming into personal example of that Truth. You must also know that you do not force of another but you must come fully into your own foundation of Truth and then the journey is NOT one of hunt and seek but of KNOWING and then, you are able to share with your brother.

Groups formed to discuss and share strength are wondrous indeed--but it need not be in Dharma's living-room. We keep

her pretty isolated for security reasons and, further, our wish is to give no particular sanction or denial to any group wherein she might wish to physically participate. It is a most lonely journey for she is called "satanic" by the "Christian Community" because they are told that "all beings coming from UFO's and space are satanic", by the Christian Churches. The "Satanic churches" certainly don't want her because "..she brings the Truth of God". She is certainly not popular with the politicians, the judicial system, the military and on, and on. And yet, yes, we DO have some gatherings because I NEED TO MAKE PERSONAL CONTACT WITH YOU ONES AND SHE IS MY TONGUE WHICH GIVES FORTH AUDIBLE TRANSLATION OF MY PULSETONE LANGUAGE. You can just imagine how she is not looking forward to our next writings on "Heaven and Hell" as we bash all the existing ideas and deceptions.

For each transitioning spirit there is a placement--ACCORDING TO THE GROWTH INTO TRUTH AND BALANCED ACTIONS OF THE BEING--INDIVIDUAL. There is no magic in the "death of the body", process whereby you release self to go to and with God--and you better put that one aside right this minute. You will transition to the level of your understanding of GOD/CREATION. If your world focus is on demons and you experience this journey (in whatever dimension) and come not into the realization and one with Godness, ye shall journey on into an equally appropriate experience for you cannot go into Godness without understanding of the Truth of Godness.

Remember all those places? Re-

member those 175 billion planets in your galaxy alone? Some are brimming over with nuclear explosions within their capsules of energy containment--some are progressively better in a spiritual form than is Earth, some are actually very near to perfection in order of Godness and balance, some are at "cave-man" level and some are in the "Dark Ages" of re-learning. If mankind does not learn from his historical errors, he is destined to repeat and repeat the lessons until he functions differently and, brothers, sometimes that takes one heck of a lot of grades of repetition. Reincarnation? I don't care a whit what you call it--call it progression of school grades. "Immortality" means IMMORTAL--you WILL experience somewhere according to the level of your experience and knowledge of Universal Truth.

Then why are the changes coming upon the planet and thus and so? Because the planet is a living, breathing being and you have all but destroyed her very ability to recover. Man as a creation, through his experience and growth, passes through a physical "phase" of destructiveness and all base experience wherein he turns totally away from the God of Lighted Wisdom and he destroys his own habitat. There comes a time when the planet, itself, is given clearance of the human species to allow for the recovery and rebirthing, cleansing and renewal. If it is not at the time of the Great-Time of rest within the Universe--then the experience of soul individual simply moves on in experience in alternate location. Planet Shan (Earth) is in a time of sorting for next locations if there is not a rapid reversal of intent upon your place. If the Truth is denied and man of God takes no action, then the prophecies as

predicted will come to take place, or, if you can reverse the track then ye shall continue to live, but in renewal processing. YOU ARE BEING GIVEN THE SIGNS AND ACTIONS WHICH CAN GIVE YOU INSIGHT INTO THE TRIBULATIONS AND INTENTS OF THE ELITE ADVERSARIES OF GOD'S CHOSEN "GRADUATES" (FROM KINDERGARTEN). THOSE WHO SEE THE TRUTH OF IT AND PETITION TO COME WITHIN THE LIGHT AND SECURITY OF GOD--AT THE INTENT OF "HEART" AND NOT OF THOSE SILLY "LIPS", THEN YE SHALL BE LIFTED INTO SECURITY TO CONTINUE EXPERIENCE ACCORDING TO GROWTH AND REMAIN QUITE PHYSICAL IN ORDER TO SERVE IN THE SORTING, NURTURING, ETC., OF THE CONFUSED.

The ones who continue in their actions of adversarial behavior shall be left to do that which they have chosen and in the most part will simply lose the body as presently recognized and make transition either back into the level of growth attained upon the same orb (but it will likely be cave-man level of evolution) or move to another placement suitable for their knowledge, or ignorance, as the case may be described.

Those who truly desire more insight and movement into the light but come lately to the party--will be given ample opportunity for finding that knowledge in a setting wherein a difference can be accomplished. Perhaps it will be on the very same orb if you can begin to turn this massive steam-roller about.

Do I, Hatonn, know how it will turn out? Yes--exactly like it is supposed to! Further, beware of

any GURU who tells you otherwise--it is between you and God and there aren't any Gurus who are going to make a whit of difference.

This brings me back to the original subject in point. I care not what George Green tells you--in ANY CIRCUMSTANCE WHATSOEVER! HE CAN ONLY GIVE HIS OPINION OF THAT WHICH I BRING UNTO YOU FOR HE IS NOT MY ENERGY. HE CAN ONLY GIVE UNTO YOU THAT WHICH IS HIS PERCEPTION. DO NOT PLACE THE BURDEN UPON HIS SHOULDERS FOR YOUR RESPONSIBILITY--HE HAS MORE TROUBLE READING ALL THIS MATERIAL THAN DO YOU ONES, MUCH LESS IN TAKING TIME FOR TOTAL UNDERSTANDING--NOR DOES OBERLI NOR DHARMA, NOR RICK, NOR PATRICIA--ALL GIVEN FORTH FROM THEM IS "THEIR PERCEPTION AND INTERPRETATION" AND FURTHERMORE, AS I MONITOR, IT IS VERY, VERY OFTEN NOT QUITE CORRECT! WE HAVE A LOT OF HEAVY DISCIPLINE HERE AND STILL THE INTERPRETATIONS GO OUT AS "HATONN'S PROJECTIONS"--NO, NO, NO--ANY MAN SPEAKING IS SPEAKING FROM HIS/HER OPINION OF WHAT HATONN MAY OR MAY NOT MEAN! And remember, it is the "opinions of ego man" that have ruined all Truth as given upon your place in the name of God.

If any one, of you can tell me what you had for lunch on a random selection of 12 days in the year--then, if you are not autistic or in the food sampling as a business--I shall turn to your memory ability and perception memory as pretty valid. If you

can recite every word CORRECTLY in the entire Constitution of the U.S. and/or every word in the "Holy Books" of every separate "religion", then I really bow to your capabilities of memory--that still does not mean that your "opinion" of the material is valid! The fact of the matter in point is that the ones closest to source, have the least opinions. Dharma prefers to have no-one even ask her opinion of Hatonn's projections for they are not necessarily in concert with mine and she wishes to mislead no-one. She does have better perception of how a thing is given from the speaker for she has the added value of the experience, intonation and "mood", if you will, of that speaker. She can have better perception than can come from the WORD as written, but still it is only her opinion.

HATONN'S OPINION

By the same token, can you not say that that which is brought is Hatonn's OPINION? Yes, the only point of difference is a far wider experience and research capability and tutoring in the presence and within the oneness of Creator/Creation and I am, therefore, SENT FORTH FOR THE SPECIFIC PURPOSE OF GIVING THE WORD AND PREPARING A PLACE FOR YOU OF THE FRAGMENTS AND PREPARING A LANDING PLACE FOR THE MASTER TEACHERS, ETC., ETC. YOUR FOCUS AND MINE MIGHT VERY WELL BE IDENTICAL--THE PATH TO THE GOAL AND THE TASK ASSIGNED WILL BE AS DIFFERING AS THE NUMBERS OF INDIVIDUAL FORMS EXPERIENCING.

I also get queries frequently about giving forth the teachings of the Ancients (the Indians, etc.). "Why don't you just write

the books and be done with it?" Why would I do that? There are ones within each group to do those things--AND IT IS UP TO YOU TO TAKE THAT INFORMATION AND FIND THE ABSOLUTE TRUTH--BEYOND RITUALS, BEYOND WORDS OF THE HUMAN MOUTH, BEYOND PHYSICAL PROJECTIONS OF CREED, COLOR, RACE, SEX, ETC. THOSE ARE TOTALLY PHYSICAL ASPECTS AND HAVE NO REALITY IN HIGHER DIMENSIONS.

Dharma, the computer is under invasion so let us clear the disc please. We will then simply turn unto the subject of the current Journal, i.e. a discussion of influences and operations within your nation. It actually flows in tandem with our above subject material--it is presentation unto the human which causes the plight your world now faces. We actually work here with enough urgent topics to fill a dozen Expresses TODAY alone. For instance, we must go on with the Zionist organization exposure which controls your nation; you must also have a current update on "gun control" and confiscation in intent to set you up fully disarmed, etc.; you must also be given the "inside" of the conspiracy to hide the participation of the Israelis in the Iraqi situation (your media was the largest tool in the conspiracy which, in fact, set up and operated a fully functional flight path to and from Iraq by Israeli planes). Israel's warplanes were given the secret U.S. Air Force "friend or foe" identifying codes, necessary for pilots to fly unmolested past allied jet fighters. Syrian dictator Hafez al-Assad provided the Israelis with an air corridor west of the Golan Heights, via As Suwayda, Zalal and along the Syrian-Jordanian and Syrian-Iraqi borders--and you-the-people put up the money to buy

HIM; you need to know how the bankers set the stage for that war and of the Chase Mahattan involvement and the Rockefeller profit insurance--it is a mammoth outlay of information. It is now time that the planning is underway for the annual June meeting of the Bilderberg group wherein in conjunction with the Trilateral Commission--the plans for the world are made. It is a mammoth job and America West needs your input desperately--how do we get all this quantity of information out to you? We understand the shortage of funds for "daily" Expresses and there is no way in which AW can carry the burden of that kind of expense and yet, most plead not to wait for the Journals to be published before giving the information--please give these publishers some help in this massive decision-making problem. George has total commitment to that which is asked--he immediately takes everything we write and puts it out regardless of expenses involved. This is a valid use of Phoenix Institution funds and is thereby utilized to some extent--but there are other directions for building projects that MUST utilize those limited funds.

I will accept all input except that which limits the amount of output. I also get letters asking for less--no, you will determine that which you will utilize but my task is to put Truth to print and I shall do my job to the full extent. What you get is not even worthy of mention in the overall material which you SHOULD have but there is no physical way to accomplish that task so we must continue as best we can--but the publisher is limited by resources and input from you ones as to that which you desire. Please, if you will, take time to pen him a card with your suggestions and petitions for his purpose is to "serve" but is limited to same limitations of all beings as to re-

sources. Know, please, that every contact is treasured and considered whether it be considered negative or positive--YOUR RESPONSE AND INPUT IS THE ONLY "SALARY" THESE ONES HAVE--THE KNOWLEDGE THAT, IN THE PHRASE OF HOLMES: "THE MIND ONCE EXPANDED TO THE DIMENSIONS OF A LARGER IDEA NEVER RETURNS TO ITS ORIGINAL SIZE." You cannot know the joy of these ones in this service, received by even the smallest card which says "you make a difference". And Dharma, who can only receive for the most part, through the publisher, has only the tid-bits which flow through that resource for we dare not give forth that information of dwelling at random although it is not particularly unknown. The confirming information is priceless to the comfort of these ones who share the same limited belief structures and shock realization as do all others.

We are continually asked about "networking", etc. There are, at this time, no facilities nor ability to set up networks. The ones at America West are willing to do as much but they are terribly overworked and there are simply not funds available for additional help. Such a thing could be set up through the Institute but at this time the same facts hold true--there is not funding to carry the additional burden for there is no "group" as those which are constantly referred to in correspondence. There is a little quiet Holy Light Network "church" set up for those who do wish to be allowed contribution and also have legal credit, etc., as well as the Phoenix Institute which is also a resource. The problem for this group is that we are not here to set up new RELIGIONS but only to return Truth to your attention and set

the erroneous presentations to right. It causes us to have to give historical data which allows you to realize our reality of presence and come into awakening unto that which is destroying you--your societal disease infection, if you will. Ours is not to become entangled in your Earthly participation but to assist in any way we might as you ask of us and share with us.

You who petition in great pain, "How can I make my brother see?" Well, beloved ones--I have been asking that same heartrending question for centuries--how can I cause them to hear me? We wait upon the perfection of God! If we do our work and place the information before the masses on the feast table then we have to allow the feasters to eat that which they choose and if our recipe becomes known as the one which fills the soul and the belly--the dish will be chosen. Do not ever mistake the "cook" who presents the dish with the "creator of the ingredients" within the plate. Yours is to discern as to whether or not the "cook" is reliable and gives wholesome content or poisons the dish to his own betterment--no more and no less--the Truth shall stand through the infinity of forever. The dish which contains the poison shall slowly sicken and kill its addicts and/or the cook shall be cast aside and the poison excluded from the recipe. The "PROOF" is in the individual partaker--for instance, do you actually think Hatonn could "Prove" to George Bush that broccoli is delicious? Know that some will stick with the poisoned dish and it is without your ability to force otherwise.....(computer malfunction--balance of message lost)
