APRIL 1991 VOLUME X NUMBER 13

APRIL'S FOOL

Have we not been fools for long enough? Might we now render time unto coming into wisdom? I see that the can we opened seems to have contained stinging worms for the immediate response of the adversary has been to lash out unceasingly. So be it, for if I must, I shall replay the entire of the Khazar history unto you. For as we come into conclusions herein, you will find that as a species and civilization you have a long way to go before being scooped off and into the halls of the Central God of all Universes. You had better begin, if you have not already done so, right now to realize that in the physical third dimension you are but babes in the universe of all Truth and all Knowledge and YOU WILL SAVE OF SELVES. GOD SENDS HOSTS AND ADVISERS, SPEAKERS AND BRETHREN TO ASSIST YOU INTO CLARITY AND THEN, TOGETHER WITH THOSE OF HIGHER WISDOM AND KNOWLEDGE WILL HELP YOU--NO MORE AND CERTAINLY NO LESS.

The most recent Journal is off to the printer today. It is called COUNTERFEIT BLESSINGS. A lot of the information has already made its way to you via

the Expresses but I cannot urge you strongly enough to learn ALL YOU CAN. You are in the time of Revelation and just because the "answers" to the "puzzles" come in unexpected ways and you find the Anti-Christ, for instance, to be ones you didn't expect--so be it for if it were as you have perceived, you wouldn't be in the pickle barrel fermenting, would you? Allow the unfoldment, find your own confirmation and KNOW that God will allow "time" to have realization--IF YOU MOVE RIGHT ALONG, LITTLE ONES. DAWDLE AND YOU SHALL BE "CAUGHT WITH YOUR PANTS DOWN IN THE BEDROOM OF YOUR DEADLY ENEMY". At any rate I would guess the Journal will be ready in about three or so weeks at the most and I further assume the ordering information remains the same. If you follow the Journals, which I most sincerely hope you are, if you get behind, the catching up is traumatic and it is hard to find time for careful study.

Please do not make a liar of Hattonn for I continue to tell Dharma that if she can just continue to write--YOU will continue to read. I assure you that she is becoming one pooped preacher and would welcome a respite. Who knows, however, just one day too late can allow passage of laws and regulations,

bring more wars and devastation which cannot be undone so we move on, and on as quickly as human endurance can allow.

The Journal PHOENIX OPERATOR/OWNER MANUAL is a bit delayed as Dru finishes the portions on the rules and regulations as coming from God. It is important that they be easily understood and conceptually correct to the last detail. She was interrupted by events but is nearing finalizing and then, as the writings are integrated into the local computer system, the Journal will go to the printers for all else is in format and ready to mail.

Then, as our formatting human finishes documents coming from our beloved "Joy", you will be given documents which will allow you better insight as to how to come into balance with self. It is of little value to know Truth if you cannot come into balance and reason with it.

Then, that for which you all patiently wait--THE SACRED HILL WITHIN, by Little Crow will be available within a few months. It was purposely set into security for it was determined that the masses were simply not ready for the simplicity of the ancient teachings--so, we have a bit more "homework" to do and understanding to reach. We are ask-

ing that the material be published (printed) elsewhere but obtainable through America West to honor the redman brotherhood who must be the ones to put this message to print and to distance all objections from you as readers who wish to consider our publisher a bit more than mortal human. Know that God has it under very good control.

May I say unto all of you who have contacted Little Crow that the support and love is accepted in the brotherhood in which given and, now, he spends much time in purification that he not be tainting of any work of Great Spirit by human ego--bless ye ones who can honor God by putting self into absence and relinquish opinions within the direct work of higher source. Few accomplish the task of so-doing but when it is achieved, even the mention of it becomes an embarrassment.

Dharma says, "That is not true, I simply do not want any blame for your outrageous deliveries, Hatonn." So be it.

If you have continued this journey in evil works, I can suggest that you take a long, hard look at self. The journey is not from "evil" into the oneness with God for all the steps of learning and coming into perfection MUST be included within the journey. You do NOT move from sanctions of murdering unborn babies into the creation of universes and if ye believe as much--ye are indeed, the April's fool! Stop listening to the lies and acting as if they were your ticket into perfection--they are that which you must rise above and beyond to even be considered for higher experience--come into the wisdom offered unto you from God Creator and as we reason together, allow the light of Truth to shine around

about your being that you be given insight to understand and cease the "dreams of mysticism" and foolish prattling of fleshly "do it if it feels good" for I promise you: there will come the moment that you will sorely regret the foolish play-games. Each serves as lessons and experience but it is Man who utilizes WISDOM who will complete the graduation exercises in this coming transition--or back through the lower grades until the lessons are mastered.

Since this portion of writing is a conclusion of a current Express, we shall focus on the more immediate matters of life impacts.

CURRENCY

Be cautious here on in, with your currency "notes" (money). The adversary has more ways to keep tabs on money and who has it than a chicken has feathers. As of this day, the presses have finished printing the new "dollar" bills with identification (anti-counterfeiting) threads. Is this to stop counterfeiting? No! It is to be able to identify all ones turning in great numbers of the notes and begin to isolate those who continue over a long period of time to use them. As soon as they come onto the market for simultaneous use, begin to rapidly turn any you have stored, into the new currency regardless of HOW the exchange is structured. Diversify turn-in locations, i.e. if you purchase a lot of things at the wholesale place in one town--go to another town at first opportunity and purchase your items there. Scatter it around so that there is no really good opportunity to quickly get you into the identification system. They will probably start with the one dollar denomination because the public would not be alert to the game behind the scenes. Bothersome? Indeed!

Go to many banks--at random--especially as you travel into other cities and suburban areas--best yet go wander about Nevada exchanging at every bank you find. If you are on the east coast--act accordingly--big cities are the best from which to work, especially if you have already set a "pattern" of behavior in your home village or precinct.

How can you tell you are near to exchange? Look at the money you get from the banks and in change. It is hard to find NEW bills and the ones now given you are quite tattered and would ordinarily have been already removed from circulation. They only cease printing new exchange notes when they are ready to do a "biggie". You who have any dealings with the governmental system in Social Security, Retirement income, disability income, any type of what might be welfare or supplemental assistance--be extremely careful for this is a way to nail ALL errors in reporting.

The facts are such that you will likely be quite safe and secure if you go "the extra mile" and tend your assets carefully as the changes come--for the vast, vast majority of the citizens will not do so. Again, you MUST utilize the built-in protections of the Elite if you wish to survive this boondoggle intact.

TAX TIME

As you near tax time again, you barrage me with inquiries as to what to do about taxes. I cannot tell you what to do! I would never tell you what to do for I would simply render my scribe into prison so please be intelligent about your requests. I CAN give you new information having come into my reference pile and you can see if it is useable to you in your actions and

thinking processes.

The first is found from a writing of a highly respected friend, Martin Larson, and I will share it with you. The other is shared by one being "audited" and how he has handled it. Either will, at the least, purchase you a bit of time and there is always hope beating in the breast of Man and perhaps you can "buy enough time" to get the movement going in the other direction. At worst, you will need to pay back taxes, with penalties--*if you truly are acting out of intent of taxes being wrong and unconstitutional and not simply to beat the system or avoid taxation.*

REMEMBER--THE MAN WITH THE GUN SETS THE RULE AND ENFORCES IT--LEGAL OR NOT.

I will simply ask Dharma to copy the information from Dr. Larson exactly as printed. I will keep my comments to minimum unless I see wherein I can make a stronger point. You must know that as laws are made and enforced in this day and age--you are stuck with babbling for "rights" and will not necessarily attain them. The only SURE WAY TO WIN THIS GAME OF ROBBERY AND THEFT IS TO GET YOUR CONSTITUTION BACK INTO OPERATION--NOW, FOR IT IS NOT LONG GOING TO BE EVEN AN ARGUABLE POINT IN ANY CIRCUMSTANCE.

(QUOTE)

By Martin A. Larson:

OMB NUMBER SCARES
IRS.

For once, I would admit, Congress did something beneficial for the people at large. It took action to curb the insatiable desire of the bureaucracy for in-

formation from American citizens.

However, this turned out to be far more helpful for the public than Congress could have ever envisioned.

In 1980 it passed the Paperwork Reduction Act, the purpose of which is to reduce the onerous requests for information and the necessity for keeping records piled on our people by federal agencies and to rein in the government's unnecessary spending of money.

The act set up the Office of Management and Budget (OMB) which acts as a watchdog over all other agencies. Congress felt that various bureaucracies were to blame in this matter and that the citizens were subjected to an amount of paperwork that was costing us something like \$100 billion a year. In order to ease this burden, they set up the OMB to regulate the regulators.

HISTORIC FIRST

For the first time in American history, one agency was given the authority and responsibility of overseeing others--at least to some degree. The law prevents any department from issuing demands for information or record-keeping without first clearing such requests through the OMB which is now mandated to evaluate such requests and to determine which demands are necessary or superfluous.

When approval is given for any such request an OMB number is assigned for it, which must be printed in the upper right-hand corner of the form making such request or demand.

The law is quite clear and declares in part:

"Notwithstanding any other provision of law, no person shall be subject to any penalty for failing to provide information to any agency if the information-collection request involved was made after December 31, 1981, and does not display the current control number assigned by the director, or fails to state that such request is not subject to this chapter."

BOOTLEG REQUESTS

The Senate Committee on Governmental Affairs explained:

"The purpose of this section is to protect the public from the burden of collections of information which have not been subjected to the clearance process described in Section 3507. Information collection requests which do not display a current control number, or, if not, indicated why not, are to be considered bootleg requests and may be ignored by the public."

Former Sen. Lawton Chiles, who sponsored the Paperwork Reduction Act, declared:

"The fundamental purpose of the Paperwork Reduction Act is that every person...is entitled to an assurance that the government has checked for need and efficiency before they are asked to provide and maintain information. If the paperwork request does not display a control number, then we may say it is a bootleg request, and it is in violation of the assurance that the Paperwork Reduction Act was intended to provide for all citizens, and it is legally unenforceable."

The OMB requirement and restrictions apply to the regulations as well as to the instruction manuals associated with requests for information or the keeping

of records. In other words, by law, not only must each form presented to the public bear an OMB number, but that number must also be assigned to the corresponding regulation that authorizes the government to demand information from you.

**MUST YOU FILE
A 1040 FORM?**

THE 1040 FORM CARRIES AN OMB NUMBER, AND BECAUSE OF THIS MANY PEOPLE ASSUME THAT OTHER FORMS DO THE SAME. HOWEVER, THIS MAY NOT BE THE CASE. [Hatonn: Now keep in mind that we are simply talking about filing or not filing on the basis of OMB numbering. There are all sorts of reasons NOT to file a 1040 form but herein we are talking solely about OMB NUMBERS.]

In any event, I am certain at least of this: If you receive any request for information about anything whatever from any government department or agency and the form does not carry an OMB number in the upper right-hand corner, you can safely ignore the demand and write a short note in reply that since it is a bootleg request, you are under no obligation whatsoever to comply.

And here is something even more important:

The section of the internal revenue statute, or internal revenue code as it is called, that is usually cited as proving that American citizens have to pay income tax is Section 6012. This section in turn refers you to Section 1 of Subtitle A. The regulation corresponding to Section 1 of Subtitle A is 26 Code of Federal Regulations (CFR) 1.1-1.

However, a very interesting section of the CFR is 26 CFR 602.101, which contains a list explaining what regulation corresponds with what IRS form, both having the same OMB number. Looking at this list to see what form corresponds with 26 CFR 1.1-1, whose OMB number is 1545-0067, we find the form is numbered 2555.

**INCOME EARNED
ABROAD**

NOW, ONE WOULD HAVE THOUGHT THIS WOULD HAVE BEEN THE 1040 FORM, BUT NO. FORM 1040 HAS OMB NUMBER 1545-0067. WHAT THEN IS FORM 2555? SIGNIFICANTLY, IT IS ENTITLED "DEDUCTION FROM OR EXCLUSION OF INCOME EARNED ABROAD". Thus the law that is cited as making it mandatory for us to pay income tax applies only to Americans with foreign-earned income? So it would appear.

We owe this momentous discovery to Robert Erchak of the Save-A-Patriot fellowship in Westminster, Maryland. (It seems that the notorious 1040 in fact is merely a supplemental form that one could attach to one's Form 2555, if one were filing a 2555.)

Let us all give thanks to Congress for passing a law--the Paperwork Reduction Act--that forced the Internal Revenue Service (IRS) to reveal this amazing, liberating fact. This must be tremendously embarrassing to the IRS. And let us all, whenever possible, take full advantage of any right which no bureaucrat can deny.

(END OF QUOTATION)

Are these seeming errors, actu-

ally errors? Doubtful indeed. Remember that the Elite must have rules which can make themselves exceptions to the rules. The intent is purely and simply that you-the-people NEVER COME INTO THIS KNOWLEDGE--AND FEW INDEED, DO SO--AND EVEN FEWER STILL, UTILIZE THE INFORMATION ONCE GAINED. YOU WILL EITHER WAKE UP AND BEGIN TO ACT OR YOU WILL SURELY FALL.

A THANK YOU--OR TWO

Dharma received, this day, three precious gifts and she, nor the givers understand that which they have done. I would like to share for all of you. Firstly, Audrey has given a token of amber--this is a symbol of earth and coming up from the earth to be one with the "above earth" brothers. You have rendered the gift in the form of an endless loop which connects the receiver and the giver into one with infinity. Now, the beautiful Ron, Laurie, Josh and Gillian have given her a bear carved of sacred pipestone quarried from the place of the sacred stones. It is good that you gave not a replica of a pipe for this is indeed a sacred symbol to the Indians, especially of the Sioux of the Lakota-Dakota. The arrowhead attached to the bear means strength, courage and honor--the bear is a brother and the son of Wakan--the Great Chief Tanka is called the Bear who Stands--i.e. "Standing Bear". The replica of the eagle in the card/mobile needs no explanation. You will all be drawn to that symbol for as ye grow and mature, you will again rise up unto the heavens as on wings of the eagle--and rejoice for they shall be wings of silver and gold as you of the tribes can again join with your brothers as we complete our mission. May

we revel and rejoice as we come into knowledge of those things which pull our hands and hearts into unity without full understanding of WHY we do--or give--a certain thing for there are no accidents! Salu

For you who have sent gifts and knew not that which to send, the gifts have been collected and a symbol of great beauty has been acquired--a bronze Eagle which fills the room with glory as it lands upon a branch from full flight. As we can do so, I request that a photograph be taken so that all can enjoy the knowledge that it sits as a symbol unto our tribe for it is as the glory beyond the Eagle that the Phoenix rises. The group gave another at the Christmas celebration which is likewise beautiful but it shall be the one just acquired which shall adorn our village as we grow and build. And when it is put to pedestal, it shall be dedicated to PAUL who passed your way and left a Mother's heart empty and yet filled to overflow. We must never forget those who give all that the brotherhood can find life.

By the way, chela, I ask that you witness "news" if you can find any on your box. You are going to find that today there was effort to launch another missile from Edwards Field. It was an even worse disaster as it exploded on the launch pad. It is SERIOUS indeed, that which is pushed in spite of the warnings given. Your government defies all measures of reason. No, we (Space Command) did NOT blow it up--it was blown up by a Cosmosphere with full intention and full warning. So be it.

Dharma, I must ask you to stop here and locate the paperwork so graciously sent to Oberli regarding handling IRS audits,

etc. We must give you more frequent rest periods at any rate to allow healing of your wrists. I would, however, like to finish this portion today. Thank you. Hatonn moving to stand-by.

COUNTERFEIT BLESSINGS
THE ANTI-CHRIST BY ANY

"....AND THEY WERE
LIARS FROM THE BEGIN-
NING!"

By Gyeorgos Ceres Hatonn

In this book Hatonn brings us up to the minute on world events, but more importantly he gives us the **TRUE** history of the diabolical masterminds that have led the world into all of its major problems and most of its minor problems, for their own selfish and greedy aims.

We are also given the actions we **MUST** take if we are going to stop these well-organized groups from putting together the final pieces of their **WORLD WITHOUT FREEDOM (the NEW WORLD ORDER)**.

Hatonn especially stresses the history of the **Khazars**, Judeans and the Jews and how the **Khazars** have labeled themselves as Zionists and Jews to deceive our planet and to take total control of it in the **NAME OF THE ANTI-CHRIST**, and how knowing and exposing these forces can preserve freedom for all of mankind.

PERTAINING TO THE IRS

In allowance for these following documents to later be set up as individual printings, I shall abstain from great dissertation. I believe that you will be able to discern for what purpose they have been written and utilized. They have been successfully utilized by ones, obviously, in the State of Missouri--however, the format would be standard for all states in the union.

Follow-up:

(This is an amended AFFIDAVIT OF MY 25th JAN. 1991 BECAUSE OF MORE FRAUD BEING FOUND OUT ABOUT THE CEG.)

AFFIDAVIT

To Service List Attached, with Two Witnesses of Mailing and This:

I, _____, do Lawfully Affirm as follows this date:

1. I am a White natural Born Free Adult Male inhabitant in the Republic of Missouri: and in the Republic of California by birth: thankfully endowed by our Creator with Unalienable Rights enumerated in America's founding organic documents, which I have never with knowingly intelligent acts waived; and I freely choose to obey all American Law and pay all Lawful taxes in jurisdictions applicable to me for the common good. I stand in Proper Person with Assistance, Special. The foregoing, including my STATUS and Unalienable Rights, are not negotiable.
2. Recent diligent studies have convinced me of the above, and that as such I am NOT "subject to" the territorially-limited "exclusive Legislation" and its foreign jurisdiction mandated for Washington, D.C. etc. in our u.s. constitution's Article 1:8;17-18, including its "internal" government organizations therein or by contract adhesioned thereto across America. And neither are millions of other such free inhabitants, unless they have provided "WAIVERS of constitutional rights" with "knowingly intelligent acts" (contracts with such government[s]) "with sufficient awareness of the relevant circumstances and likely consequences"; as ruled by the 1970 U.S. Supreme Court (Brady v. US, 397US742 at 748). I have given NO "waivers"!
3. These studies also prove that a shrewd and criminal CONSTRUCTIVE FRAUD has been slipped over America by government under counterfeit "color of law", through apparent entrapments of "certain ACTIVITIES (monopoly occupations) and PRIVILEGES" (other benefits) allowed by Statutory Acts or present Criminal Element in (and behind) Government, hereinafter referred to as the "CEG", should be brought to Justice in an Article III Constitutional Court for aiding and abetting this FRAUD as willing Accomplices. It is for such a Court with a 12-member Jury of Peers to decide who is and isn't Guilty among personnel of government, media, schools, lawyers, accountants, clergy, and other pushers of misinformation mind-set propaganda in this and related regards.
4. Due to such shrewd entrapments, over the years I unwittingly signed many of the related documents or contracts, some even under the satanic "perjury" jurat as was supposedly-required. With American Law on this Free inhabitants' side, I hereby REVOKE ALL SUCH SIGNATURES Nunc Pro Tunc, on all IRS FORMS AND DOCUMENTS SUCH AS BUT NOT LIMITED TO FORMS 1040, 1099, 1096, W-4, ETC., DUE TO THE CONSTRUCTIVE FRAUD INVOLVED ON THE PART OF THE GOVERNMENT, RENDERING THEM NULL AND VOID, except for those that I choose to have measured as being under "TDC" (threat, duress and/or coercion), past and now. This is also my Lawful Notice that ALL such signatures of mine in the future, with such governmental and commercial adhesions are only done under "TDC" whether appearing therewith or otherwise, with a suggestion that Lawful alternatives be made available.
5. With this proven accurate knowledge I Lawfully and squarely challenge the fraudu-

lent and usurping JURISDICTION/AUTHORITY cited in paragraph two above that is not applicable to me, and with guidelines such as 1970's Hagans v. Lavine, 415 US 528 at 533 known as well as America's "supreme Law of the land" at Article 6:1:2 on this Citizen's side. As in other cites and in Title 5 USC 556(d) such jurisdiction if any has to be proven first before any government actions can follow, I haven't broken any American Laws, and yet federal "IRS" agents acting in what I believe is a conspiracy among themselves had the audacity to send me a letter threatening me with criminal proceedings in violation of the Law and without Lawful Jurisdiction, at which I have challenged, and I hereby demand them to cease and desist respectively and total. It is CONTROL over we the people, and not taxes, that is the issue. You are hereby NOTIFIED that if you do not cease and desist immediately you may be Lawfully subpoenaed as possible accomplices and charged personally as citizens under Title 18 USC 241, 242, 1001, etc., for aiding and abetting that will become WILLFUL TRESPASS among other realities. In my studies I have also found that IRS agents have no written personal Delegation of Authority from the Treasury Secretary filed in the Federal Register as is required by 2 CFR 1.6001.-1, and 1.6012-1 etc.; also 44 USC, Section 1501 et seq. It can be seen from the above that agents/officials who have taken an oath to the u.s. constitution and to protect We the people are in violation of their authority and using their positions to lie, steal, plunder and to take from the people their liberties and in fact it would seem many of the real criminals in this nation are those sworn to protect it and its people. I am requesting that an investigation of these unscrupulous agents/officials be commenced and dealt with accordingly before an Article III Court for their crimes. With all of the above in mind, it appears that this private natural born free PREAMBLE Citizen is by Law as "Foreign" and a "Non-Resident Alien" to the Article 1:8:17-18's D.C.-Club as to France; and thus shall feel free to use its related forms if needed under "TDC" [W-8 with banks' under "Certificate of Foreign Status"; 1040 NR for "U.S. Nonresident Alien Income Tax Return" Refunds etc.; and IRS Code Section 3402(n) to cancel "Withholding"].

FURTHER THE AFFIANT SAITH NOT ON THIS DATE OF (25 JAN. 1991).

Dear Mr. _____:

You are advised that this office has received a referral from the Criminal Investigation Division recommending that you be prosecuted for the following: Willfully subscribing to false income tax returns for the years 1988 and 1989 in violation of I.R.C. sub. 7206(1); willfully subscribing to a false Form 1096 "Annual Summary and Transmittal of U.S. Information Returns:", for the years 1988 and 1989 under the provisions of I.R.C. sub. 7206(1); making or using a false writing or document knowing the same to contain false, fictitious, or fraudulent statements regarding twenty-one (21) Forms 1099-MISC you caused to be filed with the Internal Revenue Service in violation of 18 U.S.C. sub. 1001; attempting to interfere with Internal Revenue laws by making and/or causing to be mailed frivolous documents to persons associated with the investigation of your 1986 and 1987 tax liability in an effort to obstruct and impede the Internal Revenue Service (I.R.C. sub. 7212); for making a false, fictitious or fraudulent claim against 18 U.S.C. sub. 287; and conspiracy for both filing false documents with the Internal Revenue Service and interfering with Internal Revenue laws (18 U.S.C. sub. 371).

This is to advise you that a conference will be granted you and/or your authorized representative if you desire the opportunity of presenting any information in your defense. You are entitled to be accompanied by your representative at the conference, or if you prefer, for your representative to appear on your behalf without your being present at the conference.

If you are to be represented at the conference, Treasury Department procedures require that your representative file a Power of Attorney (Form 2848) covering the matter and years in question. We are enclosing three copies of Form 2848 for your convenience.

If you are to be represented by an enrolled agent, other than an attorney or certified public accountant, that representative must exhibit at the conference (in addition to the Power of Attorney) his or her card authorizing him or her to practice before the Treasury Department.

We have tentatively scheduled a conference in our office at Chouteau Center, 133 South 11th Street, Third Floor, St. Louis, Missouri 63102, for Wednesday, January 30, 1991, at 2:30 p.m. Please contact us within seven days from the date of this letter to advise us whether you desire a conference, and if so, to confirm the scheduled date and time for the conference. Should it be necessary to schedule the conference for an alternative date, such alternative date must be no later than February 12, 1991.

Note that plea bargaining, civil settlement, negotiation and/or compromise of tax liability will not be considered or discussed at the conference. Please address your

correspondence in this matter to Attorney Anthony S. Gasaway, who may be reached by telephone at (314) 425-4747.

Sincerely yours,

CONSTRUCTIVE NOTICE

To: Anthony Gasaway, and Richard A. Witkowski
DISTRICT COUNSEL IRS Midwest Region
P.O. Box 1146 H.W. WHEELER STATION
ST. LOUIS, MO. 63188

Dear Mr. Gasaway and Mr. Witkowski;

Reference is made with respect to your letter of Jan. 22, 1991 which (copy) is herewith ENCLOSED for your convenience.

Reference is also made to my "AFFIDAVIT" of 25 January, 1991, with attached Service list, Notice of Revocation, AFFIDAVIT of Law, and ESTOPPEL. These documents establish my proper status in this matter.

I have Squarely and in Proper Person, Special, challenged Jurisdiction/Power and IRS actions in the past and spent hundreds of hours of research and study in the past also. I have not understood the magnitude of the FRAUD and ENTRAPMENT of the IRS until now. I now understand that IF the IRS has ever had any Lawful JURISDICTION/Power over myself/property is was due to FRAUD and/or CONSTRUCTIVE FRAUD by the IRS, as I am not a person as described in the IR Code i.e. sub.7206, sub.7212.

Now I also realize that your proposed conference to discuss the matter described in the letter, my attendance and my participation at such a 'Tribunal' (see the u.s. constitution at 1:8:9 with 1:8:17-18) would be an ignorant granting of the very JURISDICTION/POWER THAT YOU OTHERWISE DO NOT HAVE. Of course I respectfully refuse to grant such, and you are Noticed to prove yours, per 5 USC 556(d).

I also object to your setting a date for a conference with you. Sir, you have not shown that you have Jurisdiction over this White Free Born Inhabitant which means you have broken the law that you have sworn to uphold, and these papers I am sending are not giving you ANY JURISDICTION/POWER, but squarely challenging such presumption of power, and to try to keep you from injuring yourself. You are NOTICED to cancel any such meeting and demand is made upon you to cease any further action immediately or you shall be Lawfully and personally held liable for WILLFUL TRESPASS or otherwise as provided by American Law for that criminal act on your parts against the White Natural Born Free Adult Male inhabitant.

Furthermore, if you proceed in any way as threatened in your 1/22/1991 letter to injure, oppress, threaten, or intimidate this private White Natural Born Free Inhabitant, you shall be Lawfully and personally held for WILLFUL TRESPASS or otherwise as provided by American Law with Sections 241, 242 and 1001 of Title 18's u.s. Criminal Code applicable among other charges. YOU HAVE BEEN CONSTRUCTIVELY NOTICED.

You were given one affidavit; here is another for your choice. The first was actually utilized and thus the blanking of names. This is the form from which you work.

EXHIBIT A-1

AFFIDAVIT

To Service List On Reverse Side, with Two Witnesses of mailing and This:

I, (type/print name clearly) , do Lawfully Affirm as follows this date:

1. *I am a NATURAL BORN FREE adult Citizen* of the State of _____ by birth, thus of America, and an inhabitant of the State of _____; thankfully endowed by our Creator God with Unalienable Rights enumerated in America's founding organic documents, which I have never with knowingly intelligent acts waived; and I freely choose to obey all American Law and pay all Lawful taxes in jurisdictions applicable to me for the common good. I stand in Proper Person with Assistance, Special. The foregoing, including my STATUS and Unalienable Rights, are not negotiable.
2. Recent diligent studies have convinced me of the above, and that as such I am not "subject to" the territorially-limited "exclusive Legislation" and its foreign jurisdiction mandated for Washington, D.C. etc. in our U.S. Constitution's Article 1:8:17-18, including its "internal" government organizations therein or by contract adhesion thereto across America. And neither are millions of other such Citizens, unless they have provided "WAIVERS of Constitutional Rights" with "knowingly intelligent acts" (contracts with such government[s]) "with sufficient awareness of the relevant circumstances and likely consequences"; as ruled by the 1970 U.S. Supreme Court (Brady v. US, 397 US 742 at 748). I've given no such "waivers".
3. These studies also prove that a shrewd and criminal Constructive Fraud has been slipped over America by government under counterfeit "color of law", through ap-

parent entrapments of "certain ACTIVITIES (monopoly occupations) and PRIVILEGES" (other benefits) allowed by Statutory Acts or otherwise. By never-repealed American Law, such sources of past and present Criminal Element in [and behind] Government, hereinafter referred to as the "CEG", should be brought to Justice in a Constitutional Court for aiding and abetting this Fraud as willing Accomplices. It is for such Court with a 12-member Jury of Peers to decide who is and isn't Guilty among personnel of government, media, schools, lawyers, accountants, clergy and other pushers of misinformation mind-set propaganda in this and related regards, thank God.

4. Due to such shrewd entrapments, over the years I unwittingly signed many of the related documents or contracts, some even under the satanic "perjury" jurat as was supposedly-required. With American Law on this Citizen's side, I hereby REVOKE all such signatures and render them null and void except for those that I choose to have measured as being under "TDC" (THREAT, DURESS AND/OR COERCION), past and now. This is also my Lawful Notice that all such signatures of mine in the future, with such governmental or otherwise-adhesioned sources, are to be considered as under "TDC", whether appearing therewith or otherwise and including banks etc. So be it, respectfully demanding that my Constitutional "Privileges and Immunities" (Article 4:2) are apart from 1:8:17-18's D.C.-Club's and shall not by Law be violated ever. *My Status, in accord, is stated for all in 2:1:5, 1:2:3, 4:2:3, 4:2:1 and 3:2:1* of the Constitution.

5. With this accurate knowledge, I Lawfully "squarely challenge" the fraudulent usurping-octopuslike JURISDICTION/AUTHORITY cited in item #2 that doesn't apply to me (ref: 1974's Hagans v. Lavine, 415 US 528 at 533), with "the supreme Law of the Land" (our Constitution's 6:2) again on this Citizen's side. It is therefore now mandatory for any personnel of Article 1:8:17-18's so-called "IRS", for example, to first prove its "jurisdiction" if any over me before any further procedures can take place in my regard [Title 5, U.S. Code, 556(d)]; or else its personnel and accomplices willfully violating this can and shall be personally charged as citizens under Title 18 U.S. Criminal Codes 241, 242, 1001 and/or otherwise. In fairness it can be added that IRS' agents have "no" written Lawful "Delegation of Authority" to my knowledge, and that their so-called "Form 1040" appears to be a bogus document.

6. With all of the above in mind, it appears that this private Citizen is by Law as "Foreign" and a "Non-Resident Alien" to the Article 1:8:17-18's D.C.-Club as to France; and thus shall feel free to use its interestingly-related Forms as needed [W-8 with Banks' "Certificate of FOREIGN STATUS"; 1040NR for "U.S. Non-resident Alien Income Tax Return" Refunds etc.; and IRS Code Section 3402(n) to cancel "Withholding"].

This is valid, workable information and methodology if you act carefully and with knowledge. You can get by--perhaps--with just this much given information. But I wouldn't handle my life that way, if I were you.

GET THE INFORMATION AND GET IT NOW, BEFORE GETTING INTO DEEP WATER BEFORE THE SWIMMING LESSONS. YOU WILL HAVE TIME IF YOU JUST DON'T FILE YOUR TAX FORM. IT WON'T BE LONG UNTIL "THEY" FOLLOW UP AND BY THEN YOU WILL BE "READY". RIGHT NOW, STOP WHAT YOU ARE DOING--INCLUDING READING THIS. GO ORDER THE MANUAL, HOW TO BE FREE AT LAST - FROM THE IRS (USING AND NEVER ABUSING AMERICAN LAW) by Dr. N.A. (Doc) Scott. The book is \$39.95 plus 3.00 S&H (\$43). There are quantity discounts but I ask that you please clear that with Dr. Scott. America West can give you ordering information if you lose this notice. But send ALL ORDERS TO: Dr. N.A. (Doc) Scott, 2649 Vista Way #8-137, Oceanside, Calif. 92054/(TDC). (Dr. Scott says, "P.O. Money Order or Cash via Registered Mail--no fed' system checks." By the way, if you order the book please note that you were referred by Authorized Dealer: 00305 and the one bringing this information will be recognized without giving away his security and yet offering appreciation for sharing this VALUABLE INFORMATION. I recommend this document as highly as I recommend the CORPORATIONS MANUAL, NEVADA which you can get by calling America West who will in turn refer you to Mr. Ekker for information and help. If you are to turn this thing about--you must begin to act in brotherhood and sharing of all information of value which allows privacy and some measure of shelter and security. I can only bring these things to your attention, I cannot twist of thine arms behind thine backsides--I am allowed to occasionally kick of thine back-sides ever so nudgingly. So be it.
